Sister Of Late Publisher Dies

Mrs. Alma Holloway Shamlin of Mountain View, Calif., died Sept. 18 in El Camino Hospital after a lengthy illness. Mrs. Shamlin was a sister of the late Sam C. Holloway. She had lived in the Mountain View area for the past 20 years, moving to California in 1925. She was born in Lancaster, Texas.

Mrs. Shamlin was past matron of Victory Chapter Order of the Eastern Star of San Francisco. She was in the armed services during World War II as a member of the WACS and was honorably discharged with the rank of sergeant. During her tour of duty she was stationed near Dallas and was a frequent visitor of her brother in Deport.

Survivors include two sisters, Mrs. Frank D. Chisholm of Belmont, Calif., and Mrs. John Watkins of Atlanta, Ga., two nieces, Mrs. Pearl Atcheson of Reno, Mrs. Jack Russell of Dallas and a sister-in-law, Mrs. Sam Holloway of Deport.

Services were held Sept. 20 in Mountain View Chapel of Spangler Mortuary. Inurnment was private.

Oscar Hargus Buried Saturday

Funeral service for Robert Oscar Hargus, 55, of Abilene, was held Saturday at 2:30 p. m. in Stamford with burial following in the cemetery there. J. B. Lamb, Quana Church of Christ minister, conducted the rites. He was assisted by Rev. Clyde Cook of Shallowater.

Born June 4, 1914 near Pattonville, the deceased was the son of Mrs. Kyle (Reed) Hargus of Stamford and the late Tom Hargus. The family moved from Deport to West Texas several years ago.

Surviving are his wife, Frances, a daughter, Mrs. Barbara Watts, a son, Robert, all of Abilene, his mother of Stamford, one brother, Steve Hargus of Abilene and one sister, Mrs. Wray Cearly of Stamford, and three grandchildren. He was a nephew of Miss Cora Jarvis of Bogata.

Miss Eddie Lou Short and Marvin Hobbs of Deport, were in Stamford Saturday for the funeral, deceased being a cousin of the former.

SOPHOMORE CLASS MEETS MONDAY AT RIVERCREST

The sophomore class of Rivercrest met in the gym Monday for class meeting. The meeting was called to order by the president, Peggy Bonham. The minutes were read by Sallie Cook. It was decided that class dues would be \$1.00 per semester. The meeting was adjourned after discussion.

C. W. Fry, who is stationed at Mineral Wells, and his wife, Janet and daughter, Carol of Mt. Pleasant, were supper guests Sunday night of Mr. and Mrs. W. C. Fry and Katy.

21 Enrolled In Kindergarten

Talco - Bogata School Kindergarten class has been filled to its limited number of 21 students.

Each child must be five years of age to be enrolled. Tuition each month is \$12, and there is also an initial \$5 fee paid the first month which is used for supplies utilized by the student throughout the year.

Following is a list of overall objectives to be considered as guidelines as the program is implemented as a part of the total educational program of the Talco-Bogata Ind. School District:

1. To promote to the best of our ability the total child as we attempt to prepare he/she for the experiences to be encountered upon entering the first grade.

2. To develop basic motor skills of the individual - this to be accomplished through elementary physical development exercises.

3. Academic development of the youngster with emphasis placed on basic elementary skills that are stipulated as a prerequisite to entering the first grade.

4. Emotional development of the individual with emphasis on group adjustment, ability to cooperate and work in harmony with peers, and to relate ones self generally to school environment, as well as being able to adapt to authority outside the home, particularly in establishing a favorable pupil-teacher relationship.

5. To incorporate into curriculum, units pertaining to development of overall health, maintaining personal hygiene, as well as creating sound, stable health habits necessary to promote a well rounded youngster, one who will readily adapt to changes that invariably occur as his environment changes from home to school.

In an attempt to relate to our overall objectives we will initiate our approach through the utilization of these specific objectives:

1. To teach the recognition of letters.

2. To recognize numbers (1-10).

3. To count to one-hundred (100).

4. To incorporate writing stories through the drawing of pictures.

5. To teach color recognition.

6. To teach basic table manners.

7. To develop an ability to listen through the reading of stories and rhymes.

8. The building of better comprehension through the use of basic comprehensive skills.

9. The development of self-discipline in regard to personal responsibilities.

10. Development of motor skills through the utilization of educational toys, such as modeling clay and other aides.

11. Development of listening skills through utilization of educational records.

12. Through individual teacher attention, such as comments related to personal appearance or accomplishments to establish a superior teacher-pupil relationship.

13. By forming lines and circles that will be utilized in group play, we will hope to better develop the coordination and adaptability of the youngster.

Mrs. Melba Reed, teacher, has the following students enrolled for 1969-70:

Dena Adams, David Anderson, Marsha Barron, Craig Clemmons, Dusty Damron, Larry Deany, Bill Dixon, Chad Freeman, Dale Grissom, Neil Hervey, Marla Martin, Jimmie Milner, Tessa Morgan, Ricky Roach, Susan Stanley, Tammy Strain, Joy Thomas, Jana Tucker, Damon Ward, Lyle Williams, Schellye Bryant.

Mr. and Mrs. W. S. Richardson left for Dallas Tuesday to visit their new grandson, William Nelson Taylor IV. He weighed 8 lbs. 8 ozs. Mrs. W. N. Taylor is the former Marjorie Richardson.

Sunday guests of Mr. and Mrs. Frank Sloan were their son, Jim Sloan and family and their friends, Mr. and Mrs. Ed Ellis and children of Plano. Visiting Mr. and Mrs. Sloan Thursday and Friday were Mrs. Hoyle Stephens and Mr. and Mrs. Murry Babbin of New Orleans, La.

Mrs. J. H. Dickerson returned Sunday after accompanying her sister, Mrs. Pauline Moore of Dallas, to Gictoria to be with her nephew, J. D. Moore, who was to undergo surgery. Mrs. Dickerson also visited her sister, Mrs. J. R. Polinard of Corpus Christi and another sister, Mrs. Agnes Busby of Houston.

Austin. — Will legislative redistricting force another special session of the legislature this year?

Nobody knows for sure, although rumors have been hot on the subject. Observers, including Gov. Preston Smith, have indicated they doubt reapportionment will demand emergency attention of the lawmakers.

Issue is before a three-judge federal court in Houston. Plaintiffs claim that population variance of 24.2 per cent between smallest and largest Texas legislative districts is discriminatory. They argue that big city House members should run by individual districts, not county-wide.

Court, in spite of some reports to the contrary, has not scheduled the case for hearing.

An Indiana case involving the validity of multi-member legislative districts is on appeal to the U. S. Supreme Court.

Governor Smith recently noted that 1970 census figures will be available in less than a year and that the new head count will provide a more reasonable basis for reapportionment than the 10-year-old census.

Filing deadline for legislative candidates is next February. So if the court is going to order immediate redistricting to affect 1970 elections, it is presumed that the decision would be handed down well before the end of this year.

Naturally the longer the court delays its decision, the closer looms the new census tabulation.

INSURANCE RAISE LIKELY — A quick decision of the State Insurance Board is expected to jack up auto insurance premiums at least 9.9 per cent.

That, in effect, was the recommendation of the governor's study committee on rates. Board originally proposed an 11.4 per cent boost. Industry wanted 5.6 per cent more than that.

A last-minute flurry of controversy raised the question as to whether the committee had been misled by exaggerated statistics on auto accidents.

Also in controversy was insurance agents' commissions. Committee recommended 18 per cent, which Chairman Price Daniel specified as "average."

F. Darby Hammond, executive director of Southwestern Insurance Information Service, released a blistering attack on the committee's report. He called it not only an insult to auto insurance companies but a disservice to the insurance buying public. "There is no way," said Hammond, "that forcing companies to continue operations in the red will not eventually harm the public."

As to statistics, Hammond says that the Insurance Board does not use Department of Public Safety figures as the basis for determining costs. It uses claims paid. DPS doesn't get reports on all accidents.

Committee has no control over what the agents receive as their commission, Hammond pointed out.

SCHOOL MONEY — Texas school board members have been hit hard in making budgets this fall, when the major part of the teacher pay raise package takes effect.

Local share of the teacher pay raises — 20 per cent — must come out of local tax revenues on property, the only source of local school funds. Texas Association of School Boards, meeting in

Austin, has asked for help.

A resolution adopted at the meeting requested the Texas Education Agency to make a study as to other ways in which school districts might raise money for the local share of school operations.

SAFE DRIVING — Governor Smith says the Federal government has given the state \$1 million to help finance the Statewide Driver Education Project. Governor's Traffic Safety Fund is providing \$1.8 million for support of the program and the school districts are contributing \$4.5 million toward the remaining costs.

Smith said "last year, we reached only 36 per cent of the eligible students, but I hope that with the acceleration of the program this percentage will increase until all eligible students receive this training."

COTTON FARMS — Agriculture Commissioner John White says that Texas cotton exports "are in trouble" and urged cotton farmers to support new production and marketing techniques in attacking problems that plague the cotton farmer.

White blamed a good part of cotton's export ills on "the mechanics of our support price system which has unwittingly allowed foreign competitors to undercut our prices a fraction of a cent in the world markets."

CRIME FIGHT FUNDS ALLOCATED — Criminal Justice Council of the governor's office recommended allocation of \$165,688 in Federal funds, to be matched by state and local agencies, to fight major crimes.

Total of \$416,188 has now been disbursed from nearly \$1.1 million granted Texas under the Omnibus Crime Control and Safe Streets Act of 1968.

Programs approved were proposed by the Texas Department of Public Safety (for updating criminal records); Texas Commission on Law Enforcement Officer Standards and Education (for police education and training); City of San Angelo (management, efficiency and manpower study); Concho Valley Council of Governments (for the San Angelo area law enforcement academy); Waco and the Heart of Texas Council of Governments and City of Dallas (for 90 walkie-talkie radios for patrolmen).

Council approved a fiscal 1970 planning budget of \$356,900 for regional councils. Group recommended that Smith name an information task force to supervise the development of the Criminal Justice Information System.

DRINK TAX DIRECTIVES — Private club operators have received directives from Liquor Control Board as to how to go about collecting five-cents-a-drink tax on alcoholic beverages they serve effective October 1.

Holders of permits thereafter must execute a \$1,000 bond to guarantee state collection of the service fee. Club operators must use dated customer service tickets to record each serving. A daily count of drinks will be required, and clubs must file monthly reports to LCB on the number of servings, along with payment of amount due the state.

Procedure is similar to that employed by state comptroller for collecting sales tax. Customers pay but merchants are responsible for collecting tax and turning it over to the state.

TALCO JUNIOR-HI GETS SECOND VICTORY

Talco Junior Hi met Clarksville Jr. Hi Tuesday night at Clarksville field. Talco chalked up a second victory for the season with a win of 30-14. Clarksville opened the scoring; Talco drove 60 yards in three plays. J. T. Morgan went around right end for 45 yards. Score at end of first quarter was 8-8. At half time the score was 16-8.

Second half Talco kicked off to Clarksville, but they were unable to move against strong front wall made up of Danny Black, Jerald Brown, Rusty Belcher, Scott Wright, Joel Hervey and Rickey Norman.

Talco took over on 50 yard line and drove 55 yards in 7 plays with Giddens on sweep around right end. Extra point was no good. Score was 22-8.

Talco's Rusty Belcher received long kick giving Talco the ball on Clarksville 40-yard line. Talco fumbled to Clarksville; Clarksville scored near 4th quarter on pass play. No extra point. Talco drove 65 yards, Giddens going

last 15 yards in a sneak over right guard. Talco ground out 255 yards.

Coach Vickers had praise for offensive linemen on their fine blocking.

Visiting Mr. and Mrs. James Hearron Sunday were Mr. and Mrs. Jack Conroe of Gainesville.

Visiting Mr. and Mrs. J. F. Swope during the week end were her twin sister and his brother, Mr. and Mrs. C. O. Swope of Azle and their daughter, Mrs. Judy Walker of Dallas.

Week end guests of Mr. and Mrs. R. W. Prestidge were Mr. and Mrs. E. A. Prestidge of Hawkins and Mr. and Mrs. Ed Prestidge of Duncaneville. Saturday evening supper guests were Mr. and Mrs. R. L. Prestidge and Mr. and Mrs. John Cook.

Mr. and Mrs. Lee Jones and their daughter, Alma Marie and their son, Jimmy Lee, who is home from Vietnam, all of Little Rock, Ark., Mr. and Mrs. Howard Weston of Mesquite and Mr. and Mrs. Charlie Jones, Mt. Pleasant, visited Mr. and Mrs. R. G. Hood during the week end.

Tax Statements Sent Taxpayers

Tax statements have been mailed to taxpayers this week. Property owners have already received statements for City and School Districts. Some counties have mailed out notices with others to be mailed this week.

In most counties, cities and school districts, if taxpayers pay the bills during October, there is a three per cent discount. During November the discount is two per cent, and one per cent in December. The net bill is due in January, and the statements are delinquent in February.

Taxes may be paid by mail, or in the respective tax offices at designated hours.

Put a bright outlook on homework
with proper study light

By providing the best possible light for your child, you can help prevent eyestrain . . . and put a bright outlook on homework which can lead to better grades. His study lamp should be tall enough to spread light evenly over the entire work area. It should have a 150-watt bulb . . . a diffusing bowl to prevent glare . . . and a shade that conceals the light source from the eyes. See your dealer soon, or call us for more information.
