

Ochiltree County Herald

OFFICIAL CITY PAPER OF PERRYTON, TEXAS

OFFICIAL COUNTY PAPER OF OCHILTREE COUNTY

VOLUME VI.

PERRYTON, OCHILTREE COUNTY, TEXAS, FRIDAY, MARCH 30, 1923.

NUMBER 8.

L. DODSON IN THE ALDERMAN CONTEST

Just as we go to press, friends of L. Dodson authorize us to announce his name as a candidate for the office of City Alderman, subject to the action of the voters of the city of Perryton at the polls on Tuesday. Mr. Dodson has lived this county for the greater part of his life and is a very able young man. He has been in business here ever since the town started conducting a variety store. Prior to the founding of Perryton he lived in Ochiltree where he was engaged in a similar business. Mr. Dodson is a member of the first council of Perryton and as such had experience the "city dad" game. He is well qualified to fill the office of Alderman and is worthy of your consideration at the polls.

TON GIN TO BE BUILT IN CANADIAN

A committee representing the Canadian Chamber of Commerce has secured a contract with representatives of a Guthrie, Okla., company for the erection of a cotton gin in Canadian. The gin will begin in April. Several thousand acres in Hempstead county will be planted to cotton. The gin of choice seed has been secured by the Chamber of Commerce Canadian and is ready for distribution.

MARRIAGES

Miss Ester Lee Skinner and Frank Croker of Beaver County, Oklahoma were united in marriage at the residence on last Saturday afternoon by Judge J. M. Grigsby.

On last Saturday Rev. W. A. Hitchcock pronounced the words that made Ruby Little and Mr. W. F. Cline, and wife, Miss Little, whose home is at Spearman, a school teacher by occupation. She taught Ochiltree two years ago. Mr. Cline is a farmer and stock raiser and lives at Boyd, Oklahoma.

ELECT THREE SCHOOL TRUSTEES

The annual election of Trustees for Perryton Independent School District will be held on Saturday, April 7. The terms of Miss Nellie Perry, Mrs. N. C. Witt and D. D. Tallent are expiring. The members of the board who hold over for another year are W. M. LaMaster, A. A. Brown, A. C. Witt and D. D. Tallent. This is a matter that should give serious thought to every citizen of the district. This is an office that requires much work and no remuneration except a goodly portion of the district. As we look at it the one who accepts a trusteeship is a martyr to the welfare of the children of his or her community. Yet somebody has to fill these seats and it is necessary that we select people of intelligence and good character for the business of running schools is the biggest business in the county.

TEENS AND CHILDREN ARE ALMOST FROZEN

Mr. O. L. Young and her two small children were found almost frozen to death on the prairie north of Hook, Oklahoma, after the storm of last week. They had been there for twenty-two hours. It is as though the mother and her children had started in a wagon and her father when the sand came up. They came to a place where the road was blocked by a sand dune which had blown across the road. While they were out removing the obstruction, the team became frightened and ran away, leaving the children. They started to walk but became exhausted and lay down in a field where they were found the next afternoon. The mother is in a very critical condition and it is feared that one of the children will lose an arm.

CARD OF THANKS

We wish to take this means of expressing our thanks for the kindly words and acts of our many friends and neighbors during the last illness of Mr. and Mrs. Wm. Kuhn.

REV. F. W. LYNCH TO LECTURE ON KLAN

Rex. F. W. Lynch, the evangelist who recently closed the meeting at the Christian Church, will lecture in the High School Auditorium on next Tuesday evening on "A Minister's Viewpoint of the Ku Klux Klan." This lecture which will be free to everybody will start at eight-thirty. Rev. Lynch is one of the most brilliant speakers that has ever occupied a platform in Perryton, and with such a popular theme for a subject, this should be a very interesting lecture. This will be the first time that the Ku Klux Klan has been discussed in public by a speaker in Perryton or any of the neighboring towns. The Auditorium at the new school building is of ample size to accommodate a large crowd and it will no doubt be crowded to capacity on this evening.

PARENT-TEACHERS ASSOCIATION

The Parent-Teachers Association held their meeting Monday night in the auditorium of the new school building.

An interesting program on thrift was given to a good audience.

F. P. Rogers in a short talk gave us his ideas of Thrift and what it means. Also some essays and stories on the subject were given by a number of students, all of which were very good. Mr. Price gave some figures on the amount of money spent in one year on cigarettes and chewing gum. The dollars that go to satisfy these useless and harmful habits could much better be used along educational lines.

Our country as a nation needs to learn some lessons on thrift and it seems a good place to begin is in the home and the school.

The piano selection rendered by Mrs. Price was highly enjoyed. The exercise given by Miss Allen's pupils showed where some good work had been done.

The parents who attend these meetings give evidence of being interested in the school. We hope the interest will continue to grow, by so doing we can help teachers to help our children.

REPORTER.

"KID" PENNY IS TO FIGHT "BUFF" McRAE

The American Legion has arranged another good card for the next boxing show, which will be staged Saturday night, March 31st. The main bout will be a ten-round go between "Kid" Penny of this city and "Buff" McRae, of Oklahoma City. These boys are 176 pound fighters and a good mix is expected. The winner will be matched with Jimmy Montgomery, the boy who gave Penny such a battle here a few weeks ago. The program calls for a five minute battle royal and a four round preliminary. The first bout will start at 8:30. Admission \$1.00, ringside seats, \$1.50. On sale at the Perryton Drug Store, Farmers & Stockmen's State Bank and Denver Trail Cafe.

MRS. ERNESTINE KUHN

Mrs. Ernestine Kuhn, mother of Wm. Kuhn, died at the home of her son on Saturday, March 24, 1923. The cause of her death was acute heart failure. Mrs. Kuhn was a native of Germany, being born in that country on July 17, 1847. She was 75 years, 8 months and 6 days of age at the time of her death. The deceased had only been a resident of our little city for the past year, but during that short time she had made a friend of everyone who had become acquainted with her. The remains were shipped to the old family home at La Porte City, Iowa, for burial. The Herald extends their heartfelt sympathies to the family in this hour of trial.

E. S. Birt, Jr., of Emporia, Kansas, was here the fore part of this week visiting with his father, E. S. Birt, the contractor. Mr. Birt is employed by the Santa Fe at Emporia.

H. D. Porter and A. Hulet of Glazier were transacting business here the latter part of last week.

Carl Freeman of Glazier was looking after a land deal here the fore part of last week.

COFFEE AND STUMP IN RACE FOR ALDERMAN

The names of two of our leading citizens, John N. Stump and Mansel R. Coffee, have been announced by friends as candidates for the office of City Aldermen. Both of these men are successful business men and if elected will make the best of officials. John N. Stump is one of the pioneers of this county, he coming here in an early day. He is owner of the Ochiltree Telephone Company and he also owns considerable property here in Perryton as well as several tracts of farm and ranch land in the country. Mr. Stump is a fair minded man and if the people see fit to place him in this office of trust he will more than make good. Mansel Coffee, although he has only lived here a few years, is in reality an old timer for he was raised in an adjoining county. He is engaged in the real estate business and is also interested in the Perryton Drug Co. He is a man that is very much interested in the affairs of our little city. He is a booster from the word go, and is well qualified to fill this office.

Both of these gentlemen are well worthy of the consideration of every voter who goes to the polls on next Tuesday.

LET'S HAVE MORE TREES

To newcomers in the Plains country the lack of trees in the towns and about the farm homes is one of the most disappointing characteristics, but it is a handicap that may be overcome if the residents will only make the effort.

In the early day, the setting of trees was a doubtful experiment since no one knew just what varieties would be apt to do best. As a rule, people selected the black locust because it was found along some of the streams and was a hardy and persistent grower no matter how it was abused and neglected. But in late years, the borers multiplied in such numbers that a majority of the locust trees have been killed and any community that is desirous of keeping their trees must devote considerable time and attention to them in order to rid them of this pest.

The Experiment Stations in this section and various nursery companies have spent years in determining what trees to plant and what not to plant on the Plains. Because our conditions are peculiar, it is best to purchase trees from our home nurseries, so that we may be sure of getting adapted varieties.

March is the month for setting out trees and every Plains town and community should make it a point to add to the attractiveness of this region by putting out some trees each year. At Plainview, March twentieth has been set aside this year as "tree planting day," an excellent idea that might be followed with profit by all other Plains towns.

But it isn't the towns alone that need trees. If possible, the farms need them worse. Nothing looks so altogether forlorn and disheartening as a farm house without trees in the yard. Since every farmhouse is provided with a well and most of them with windmills or gas engines for pumping it should not be such a great task to grow trees. Nothing that could be done about the place would add more to its appearance and a few dollars spent for trees each year would soon convert the most bleak and barren spot into the most pleasant and inviting home.—Southwest Plainsman.

BOX SUPPER

A big Box Supper will be held on Thursday night, April 5th, at the American Theatre for the benefit of the Pythian Sisters. Boxes will be auctioned off immediately after the show. All ladies bringing boxes will be admitted free, and all proceeds of the sale of boxes goes to the Pythian Sisters Lodge. So, boys, from eight to eighty, bring your pocketbook and let's have an old time Box supper and good time. Don't forget the date. 8-10-c.

M. A. Shuler, the Poland China man from Gray, Oklahoma, was a visitor here last Saturday.

Mr. and Mrs. Ben Stewart were here from Glazier last Saturday and Sunday visiting at the home of their daughter, Mrs. Clyde Russell.

CITY OFFICERS TO BE ELECTED ON TUESDAY

On Tuesday of next week will be held the annual election of the City of Perryton. At this time three aldermen, mayor and city marshal will be elected. To date there has been four announcements for the office of Marshal, four for Aldermen and none for Mayor. C. E. Forbes is our present mayor. The Aldermen whose terms expire this spring are J. D. Wyman, Fred W. Hood, and Chas. W. Callaway. J. D. Wyman is no longer a resident of the city. Oran Allen is the only person who has announced for the office of alderman. The names of Mansel R. Coffee, J. L. Dodson and John N. Stump have been announced by the friends of these men. There is much talk of running this man and that man for Mayor and for Alderman, but to date we have heard of no concentrated work for any one candidate. The several candidates for the office of Marshal are hard at work interviewing the voters and we look for a close race here. Every voter, do your duty and go to the polls. If you do not vote, you have kelly coming if your man is not elected.

INTERSCHOLASTIC LEAGUE NOTICE

The indications are that practically all the schools in the county will be represented in the meet which will start in Perryton on Friday night of next week.

Friday night, April 6th, contests in declamation will be held in all of the divisions at the High School Auditorium. The declamations will begin promptly at 8:00 o'clock. All teachers and contestants should be on hand before time in order to register and draw for place.

Saturday Morning, April 7th, spelling and essay writing will begin.

All athletic events will be held Saturday, April 7th, beginning at 10:20 a. m.

Immediately on arriving each teacher must see that all of her contestants are enrolled with the proper director. If possible send in the names before the meet. Following are the directors: Declamation, Miss Virgie Richardson; Athletics, Spencer Whippo; Spelling, Miss Faye Christopher; Debate, Allen King; Essay Writing, Ray Orrill; Music, Miss Grace Brewer; Exhibits, Mr. and Mrs. Angley; Secretary, Miss Abbye Sevier.

All of the schools are showing unusual interest in declamation this year. A cordial invitation is extended to every school in the county to use the High School Auditorium for practicing declamations at any time night or day, before the meet. It might be an advantage to a declaimer to accustom himself to the auditorium before hand. Don't wait to see or to phone me but come over at any time you see fit.

An added event for this year is that of Musical Appreciation. This feature will be explained by the director of music during the meet.

The teachers are again cautioned to be on hand early Friday night and early Saturday morning and to personally see that all of their contestants are properly enrolled with the different directors.

Respectfully,
L. L. PRICE,
Director General.

EASTER BARGAINS

Saturday, March 31st, will be found at the Plainview Hardware store many useful things for the whole family. Women's sun bonnets, aprons; house caps; camisoles and teddies; children's rompers and aprons; baby caps. A cooked food sale of the best eats for Easter Sunday Dinner. Canned fruits and vegetables, dressed hens ready for baking a specialty. We kindly solicit help of every woman of our church (Methodist) to make this Bargain Day a success.

Woman's Missionary Society.

J. J. Long of Mobeetie, visited at the home of his daughter, Mrs. M. R. Coffee the latter part of last week. Mr. Long is one of the real old timers of this Panhandle country. He came to Mobeetie in the days when it was a government outpost and trading station. Judge Grigsby is an old time friend of Mr. Long, and they spent several hours talking over old times.

HERALD WANT AD GET DESIRED RESULTS

Early last Friday morning, Chas. W. Callaway of the White House Lumber Co. called this office and wanted to know if there was some way of advertising at once that he had sold his cow. In our issue of last week which went in the office Thursday afternoon, Mr. Callaway ran a two line local advertising his \$100.00 Jersey cow for sale at \$50.00. Before nightfall he had a number of prospective buyers and on Friday morning he had a regular deluge of calls. This all goes to prove that as an advertising medium, you cannot beat the columns of this paper.

SUNDAY, APRIL FIRST IS EASTER DAY

Next Sunday, April 1st, is Easter Sunday and the day will be fittingly observed in all the churches of Perryton.

Easter is the Emancipation anniversary of the Christian world—the one day of all the year, next to the advent that is the most glorious and worthy of signal remembrance. It brings with it a new inspiration of faith in God and of perfect assurance in His love for the children of men.

Every swelling bud and sprouting leaf reminds us that the life which conquers death in nature's realm has its parallel in the Resurrection—that great central fact of Christianity—in which we have the assurance of our spiritual revivification. Christ in us becomes the vitalizing force which lifts us from the darkness of sin and death into light and life everlasting.

This old world of ours needs more Easter cheer. It needs to realize that the risen Christ and the empty tomb have for the whole race a grander and higher significance than any other event since time began. It needs to grasp the imperishable truth that, when the Son of God burst the bars of death and the grave, He revealed the way of life eternal to all who accept Him and follow his footsteps. His resurrection was the divine pledge of our own, and the soul that rests upon Him has already risen from the deadness of sin and began the life everlasting. For such, the grave is not an abiding place, but the vestibule of the greater and nobler life beyond.

Therefore, at this joyous Easter time, when all nature is rejoicing, let our hearts join in the songs of praise and gladness. Around us we see the trees adorning themselves with the living green and the air is resonant with the song of birds. Over all the earth, wherever the name of Jesus is known it is the glad emancipation time: 'Tis the festival of all creation.

Christ hath risen, who gave creation birth.

PERRYTON GUN CLUB HOLDS FIRST SHOOT

The Perryton Gun Club held their first regular shoot of the season of the Panhandle Trapshooters Association at their grounds on last Sunday afternoon. The high five of the Perryton totaled 113 while the high score of the Amarillo bunch was only 106. Besides Amarillo and Perryton the following towns are members of the association: Hereford, Panhandle and Slaton. The Sunday scores are as follows:

Nash	23
Coffey	24
Castleman	22
Lewellen	22
M. Coffee	22
Brandt	22
G. Coffee	19
Dunlavy	18
Correll	18
Bobbs	17
Wilbanks	16
Lane	12
Williams	8
Myers	8

TWINS

Mr. and Mrs. John Warkentin are the proud parents of twin babies, a boy and a girl, born on Tuesday night. These are the first twins to be born in Perryton.

Rev. G. I. Britton and wife are here from Plainview, Texas, visiting with old friends. Their grandson, Homer E. Minor, accompanied them. Rev. Britton was pastor of the Baptist church at Ochiltree for a number of years.

COW, SOW AND HEN TRAIN HERE MONDAY

The Santa Fe and Texas A. & M. College Demonstration Train will visit Perryton on next Monday, April 2nd. The train will arrive here at 5:20 p. m. with the meeting scheduled for 7:30 p. m. A. M. Hove, editor of "The Earth" published by the Santa Fe at Topeka, Kansas, has the following to say about the train:

"Greater production" is the slogan of the Santa Fe Railway-Texas A. & M. College Cow, Sow, and Hen Demonstration Train. The College staff with the train includes Geo. P. Grout, head of the Dairy Department; D. W. Williams, professor in the department of Animal Husbandry; and E. O. Edson, poultry husbandman. They are men of long experience in their respective lines and are earnestly working to increase production by improving the quality of the milk cow, the hog, and poultry. They find that the farmer who milked a few cows, raised some hogs, and had a bunch of chickens passed through the depression in better shape than he exclusive wheat grower.

The lectures are illustrated by a compact, well selected three car exhibit of dairy cattle, hogs, chickens, and turkeys. This includes a prize winning Holstein bull, weighing 2,700 pounds; a Holstein cow with a record of 26,000 pounds of milk in one year; and fine individuals of the Jersey, Guernsey, and Ayrshire breeds. The hog car has samples of the market feeder hog, Poland China, Duroc, Hampshire and Tamworth. In the poultry car are fine exhibits of chickens and bronze turkeys.

The Demonstration Train is spending the week in the Panhandle, arriving at Canadian March 31st. After covering the North Plains the train will end the run of over three weeks at Shattuck, Oklahoma, April 3rd. The attendance has been remarkably good at every stop.

LEATHERMAN TO MAKE TRIP

G. T. Leatherman has been invited and has accepted the invitation of the Allis-Chalmers Mfg. Co., Milwaukee, Wisconsin, to be one of a party of seventy-five or a hundred dealers from the southwest to make a trip to Milwaukee, for the purpose of becoming better acquainted with the tremendous facilities which are devoted to the manufacture of farm power equipment being marketed by this excellent concern.

Special private cars have been provided for the trip and Mr. Leatherman has accepted the invitation and will depart Sunday, April 1st, to join other members of the party in Kansas City from which point the party will proceed to Milwaukee where a three or four days sales and service conference has been arranged.

An educational program consisting of addresses, short talks and demonstrations has been arranged will acquaint each and every dealer with the importance of his connection with this splendid institution and Mr. Leatherman is confident that the trip will assist in making him a better dealer and a greater factor in the new farm power movement which has overtaken the farmers of the nation and which is particularly apparent in this vicinity this season.

Mr. Leatherman advises he has accepted the invitation and will depart Sunday morning. He will be back home and ready for business the following Saturday morning.

ARTHUR DOBBS OF DOMBEY IS ACCIDENTALLY KILLED

Arthur Dobbs, who lived near Dombey, Oklahoma, was accidentally killed on Monday night of last week by the discharge of a No. 10 gauge shotgun. Mr. Dobbs was driving a truck by himself at the time and it is supposed that the gun slipped and fell to the running board hitting in such a manner that the gun was discharged. Death was instantaneous as the shot penetrated his left side. The victim of this accident was a prosperous farmer and held in the highest esteem by all his neighbors. He is survived by a wife and nine children. He was buried at the Happy Hill cemetery on Thursday afternoon of last week.

Harvey Jr., son of Mr. and Mrs. Harvey J. Wilson of Perryton, Texas, is improving steadily under the sun porch treatment at the Liberal Hospital for collapsed lung.—Liberal News.

Your money back if Shining Star Flour does not prove satisfactory. 3-tfc.

Bring your SHOE REPAIRING to the MEESE BROTHERS SHOE SHOP. In new location second door north of Postoffice. 44-tfc.

If you are in the market for Land, call or write me.—C. E. McLarty, Perryton, Texas.

HUNTOON NEWS

The Huntoon baseball team went up to Blue Mound Friday afternoon and played ball. The score was 14 to 17 in favor of Blue Mound. Joe Bremmer is taking the scholastic census this week. J. R. Coder made a business trip Bocker this week. Glen Morgan sold two loads of hogs to Mr. Kimble yesterday. Nearly everyone attended the hog sale at A. W. Robinson's Monday. Archie McCarty has leased his farm to Sam Crist. O. A. Cook and family spent the week end at Fogan, Oklahoma. Clint and Olive Thrasher have been absent from school the past week, working on their windmill. Mable Black was absent from school Tuesday, because her grandfather, who is living down by Lipscomb, was thrown out of a buggy, and his leg was broken. Dilla Tipton came home from up in Beaver county, where she has been visiting for the past two weeks. O. C. Cook's father is visiting him at present.

ELECTION NOTICE

Notice is hereby given that there will be held an election for and within the Perryton Independent School District for the election of three trustees for the ensuing two years to fill the places made vacant by the expiration of the terms of A. C. Nies, John H. Lovett and Nellie M. Perry, on Saturday the 7th day of April, 1923. The polls will be opened at the polling places designated and heretofore used at the last general election within said district, and all parties qualified to vote in said election may vote at any polling place within said district regardless of residence. The qualified requisite to vote in said election are the same as for any general election of County and State officers. Witness our hands and the seal of said district this the 22nd day of March A. D. 1923. Perryton Independent School District. By W. B. Lamaster, President Board. Attest: Nellie M. Perry, Secretary. 8-21-c

For results in advertising use the Ochiltree County Herald columns.

COW, SOW AND HEN TRAIN

Farmers and others interested in dairying, hog raising and poultry raising are cordially invited to attend a demonstration at the Santa Fe Passenger Station

Perryton, Monday, April 2, at 7:30 p. m.

to be given by the Texas State Agricultural College in co-operation with the Panhandle and Santa Fe Railway Company.

The College has a message for the farmers of this locality, and is sending its leading representatives to deliver it. The College is also furnishing three cars of dairy cattle, hogs and poultry for demonstration purposes.

THE SPEAKERS

From the Agricultural College:

A. L. Ward, Swine Husbandman.
C. M. Evans, Dairy Husbandman.
E. O. Edson, Poultry Husbandman.
T. O. Walton, Director, Extension Service.

From the Santa Fe:

T. B. Gallagher, General Freight and Passenger Agent, in charge of the train.
J. F. Jarrell, Manager, Agricultural Department.
A. M. Hove, Assistant Editor of The Earth.

The train will be here promptly on time and the meeting will start promptly, lasting an hour and a half. A lecture car will be provided so that there will be no discomfort, even in inclement weather.

Women Specially Invited

A special invitation is extended to farm women to attend the demonstration, as the speakers will have something in particular to say to them.

Members of Boys and Girls Clubs also are invited, as a program has been prepared which will be of interest and value to them. T. B. Wood and J. R. Edmonds, district agents of the college extension service, will be in charge.

A survey of Texas industrial conditions shows that during the depression of the last year or two, the milk cow, the brood sow, and the hen saved many a family from financial disaster, and the speakers who will be here at the time indicated above will tell a detailed story about it.

COME PREPARED TO ASK QUESTIONS

When Languid,
Dull and Heavy—

the most trifling task becomes a mountainous endeavor. Yet, how simple and easy would be its accomplishment were your system fortified with

Force

A natural strength maker, FORCE will infuse new life and new energy into your flagging, drooping body; bring to you the power, the capacity and the inclination to do things, putting you on edge and keeping you keen for each day's labors. Sold by reliable druggists everywhere, and equally good for men, women and children.

A Wonderful New CREAM SEPARATOR

Self-Oiling---Self-Balancing Bowl

ANKER-HOLTH Separator Has No Equal

Here's Some Special Features Not Found On Other Machines

1. A self-balancing bowl, guaranteed for life. Gets All the cream.
2. A perfect oiling system, that pumps a steady stream of oil to every moving part as soon as you start to turn. Needs no attention, the sediment cannot work up into the gears. No drip cups or oil holes.
3. A "Clarifier" or "dirt chamber" which cleans the milk from hair and dirt before skimming.
4. A safety grip Clutch that never slips, that has no springs and runs in constant oil bath. Cannot wear out or give trouble.
5. Discs not numbered, throw them together any way, no confusion in assembling the machine day or night.
6. The Anker-Holth delivers the Cream at the Bottom of the Bowl and the Skim Milk at the Top. No chance of intermingling of cream and skim milk.
7. Every part the milk touches is removed from the machine and cleaned in the dishpan. No filthy bowl chamber to be scoured.
8. Easiest to turn, Easiest to Clean, Lasts Longest, and Skims Best.

The bowl is not balanced artificially but the loose discs throw themselves into perfect balance by Nature's Law when you start to turn. No matter how old or worn, the bowl always swings into perfect natural balance when in motion. An old machine skims as closely as a new one.

**This Machine Will Be Demonstrated By Factory Representative On

When you see the young crowd do-
ing the modern dances, you feel
thankful that public halls are built
to stand very heavy strains.

Teachers complain that late hours
interfere with study by pupils, and
the pupils complain that their studies
interfere with dancing and athletics.

Claimed there is no family discip-
line now, but anyway a lot of the
parents of Perryton do what the
children tell them to.

The kids have observed about all
the special occasions but Mother
would like to have them celebrate
Be A Good Boy Week.

Public swimming pools do not nec-
essarily teach everybody to swim,
but they help dispel the idea that it
is dangerous to take baths.

It is getting about time for the an-
nual observance, with proper forms
and ceremonies, of Beat the Rugs
Weew.

No strong popular objection is ex-
pressed when an automobile speeder
is smashed by running into a tele-
phone pole.

A solid skull has been found in Pat-
agonia. The fact that it is estimat-
ed to be a million years old lets out
the ball players.

It really does seem that Easter
Island might have waited until Lent
was over before it took a notion to
disappear.

Several South American countries
have agreed to cut down their armies.
That's fine, if the generals are in-
cluded.

France is drawing a fine distinc-
tion without materially modifying
Sherman's definition. She is not giv-
ing Germany war.

Your judgment of anyone's charac-
ter, who has done anything wrong
ought to be exactly the same whether
the wrong was done to you or to
anyone else.

When the millinery bills begin to
come in, lots of men will realize the
full force of the calendar's joke in
making Easter Sunday come on April
1st.

Now if folks would pay their in-
come tax with the same enthusiasm
that they show in hollering for the
flag, perhaps the government can
avoid a deficit.

A Kentucky parson who foolishly
vowed to fast until somebody hit the
sawdust trail in his meeting got so
hungry that he treated himself to a
square meal, to get strength to wal-
lop Satan some more.

Buy it now—is a slogan which neglects to say
what with.

A man's credit may be his best friend or his
worst enemy.

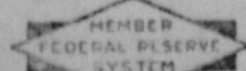

A credit backed by promises only is worse
than useless, but a credit backed by substan-
tial compensation when payment is due is a
valuable asset to anyone.

Make your credit mean something by back-
ing it up with a substantial bank account.

The dollars held in reserve may be the means
of assuring your future when opportunity
presents itself.

Perryton National Bank

Opportunities

To invest knock at every man's
door many times a day. But—those
opportunities are not always safe
so far as protecting your money is
concerned.

You should seek Financial Advice
on any proposition before parting
with your hard-earned dollars. Come
to this bank and let us Advise you
on your financial problems. We are
only too glad to be of Service to you.

Step In If You Want To "Step Out" This Easter!

There is a special reason why new clothes are more necessary than usual this Easter. Men's styles are changing. Curves are going out and colors are coming in. It is a season of straighter lines and brighter shades. Everything is looser and lighter and you have got to get into something new in order to avoid being out of date. You can't "step out" if you're out of step nor be out of step if you'll step in! Our new Spring stocks ring in all the style changes, from loose-line, straight-line suits, and from staple shades to exclusive examples of the last-minute patterns and colors for Easter.

Be It Ever So Humble

About one thing at least, we can all agree—that "There's no place like home."

Happily for most of us, a dwelling is no less "home" because it is humble, rather the reverse. A palace is seldom a home in the full meaning of the word "home."

But how to obtain that home—What it shall be like—how large—of what construction—and how financed?

We consider it a part of our job to assist the builder to satisfactorily solve the home building problems.

Come in and talk with us—we have many plans of inexpensive homes and our practical building counsel will help you.

BLACK SCHOOL NEWS

The wheat in this vicinity is looking better.

Mrs Wm Pearson made a business trip to Spearman Thursday.

R A Fuller made a business trip to Spearman, Saturday.

Messrs Guy Fuller and Hiram Maulsby visited their parents the latter part of last week. They are attending school at Canyon.

There was a small crowd met at the home of Audrey Jones. They played "42" until a late hour. It was an enjoyable occasion for all who attended.

L. P. Brown and son, William, made a business trip to Perryton Thursday.

Roger Pearson, who spent the week end with home folks, returned to Perryton Monday morning.

Some of the pupils have been absent a large part of this week on account of sickness.

Misses Edith Brown, Audrey Jones and Wilma Pearson and Messrs, Bill and Lee Brown attended the program given at the Blodgett School Friday night. It was an excellent program and everyone present enjoyed it.

For abstracts of title see Rupert C. Allen. Ten years experience compiling abstracts on Ochiltree County Lands and Town Lots.—Rupert C. Allen, Abstractor, Perryton, Texas. 48-tfc.

NOW IS THE TIME

For many months past it has been impossible to do anything toward road improvement because of the drouth, but now that we have had good rains, it would be interesting to know how many miles of our highways were dragged at the proper time to insure a smooth roadbed when the mud had dried up.

Year after year, we go on expending thousands of dollars upon the construction of good roads and then allow them to be all cut to pieces the first time it rains. It costs a stupendous sum to have roads graded every year or two and we growl all the time about the taxes we have to pay. Why not expend more maintenance and less for remodeling? Surely every citizen would rather have the money that is expended after the initial grading, paid out to the farmers along the highway for dragging after each rain, than to pay several times the amount to a construction company.

In most places where the roads are properly kept up, contracts are made with the farmers whereby they agree to drag a certain number of miles. As the dragging should be done immediately after each rain while the ground is still too wet for field work, it does not interfere with the farm work to any great extent but as farmers are no more honest as a class than anybody else, the road overseer should make it his business to travel over the highways often enough to keep himself informed as to whether or not the work is being properly done.

Everybody likes to travel on good roads. The farmers like to have good roads over which to haul their crops to market and in these days of auto travel, they like to be able to make good time on their vacation trips. Tourists from other sections are favorably impressed with a country that has good roads and it is one of the best advertisements a locality can have.

While the Plains is a comparatively new and sparsely settled region, it can probably boast of as many miles of good roads per capita as any section of the country and if we maintain the highways already constructed, we can add to our mileage every year without increasing the taxes.

Save on remodeling and expend on maintenance and new construction. That policy will keep us in the front of the procession.—Southwest Plainsman.

Some people find fault because opportunity never knocked at their door. Perhaps they were so busy knocking the home town that they couldn't hear her.

Brooks Buttermilk Meat Mash—Feed it for egg production. For sale by The Peoples Supply Co. 8-It-c

John W. Hall came in Saturday from Wynoka, Oklahoma, to be at the bedside of his wife who is seriously ill at the home of Mrs. J. B. Nash.

Attorney Jack Allen made a business trip to Wichita, Kansas, the fore part of this week.

The farmers are said to have \$2,000,000,000 more than last year, but how much they will have left after the Get Rich Quick salesmen get around is not clear.

The Federal Reserve System

has been heralded as the greatest banking achievement of the century.

Every National Bank is a stockholder in this great system and enjoys all the advantages of such a membership.

As a nationally chartered bank, this institution passes on to its patrons the privileges and security derived from this affiliation.

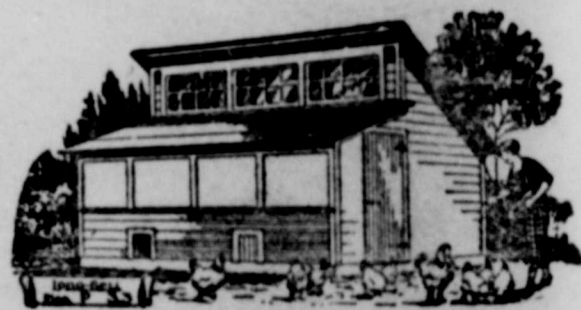

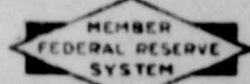

THE FIRST NATIONAL BANK

Perryton, - - - - - Texas

Capital and Surplus \$60,000

FOUNDED IN 1907

See us for Farm Loans at 5½ per cent interest, payable in 34½ years on the Federal Land Bank Amortization Plan.

One of our many farm building plans

Making Poultry Pay

The difference between profit and loss on your hens can often be traced to the shelter you provide your flock. Good but inexpensive shelter, with proper sunlight and ventilation, aids in increasing the egg yield. Our poultry house plans were designed to give the most practical aid to the poultry raiser. These houses cost comparatively little to build. They are modern and convenient in every respect. We'd like to tell you just how inexpensive they are.
