

A SAMPLING FOR THE FAIR - Oltonites began bringing in arts and crafts, produce and other things Thursday in readiness for Olton's Country Fair Saturday, Oct. 11. Residents who failed to attend the fair missed something special.

Olton's Country Fair

'Something For Everyone'

With crafts and art work to rival any shown in Gatlinburg, Tenn., Olton's First Country Fair is in progress.

Being staged in the Granbery building, next door to Carmen's Western Wear and Pioneer Natural Gas Company, exhibits were being placed Thursday for 4 p.m. judging for all except baked goods. A tour at that time indicated that space would be at a premium.

"Something of interest for everyone" is the thought behind the planning of this event which, hopefully, will be an annual affair.

Doors will open Saturday for viewing and browsing. Ribbons will already be in place for the top three places in each division. "Best of Show" ribbons will be awarded in some instances. The "People's Choice" will be named in a few divisions.

Paintings in oils, watercolors and pastels, both amateur and advanced include landscapes, portraiture, still life and floral. A separate division features other media - charcoal, pencil, pen and ink.

Children's art work is also included, divided into ages six to 12, and 12 to 18, in oils, watercolors, pen and ink, crayon and dough art.

Sculpture and wood carvings are shown in separate division. Also objects of art fashioned from wood, and other pieces of interest to men, such as leathercraft and metal works.

Leading the display of produce are bright, yellow pumpkins weighing over 100 pounds. Other fruits and vegetables are numerous and impressive.

Canned goods attest to the skill of local homemakers.

Needlecraft divisions include embroidery, needlepoint, knitting, crochet and other needlecraft. Purses, shawls, sweaters, capes and many other features of interest.

Quilting techniques are much in evidence as are decorative pillows and related items.

Decorator items and children's toys are also on display.

Photography includes divisions in black and white and in color. These embrace work and play, nature studies, architecture (old and new buildings), portraits, children, pets and others.

Food items, to be exhibited and judged Saturday, will include pies, cakes, cookies, breads, candies and whatever else local kitchen artists choose to enter.

Olton's Country Fair represents hours (untold hours) of patient labor.

".....Meet me at the Fair. Don't tell me the lights are shining...a-n-y-where but there."

Mustangs Lose Battle With Wildcats, Danny Garcia Lost For Season

By Freddy Stockdale

It was a game that should have been played on Halloween night. Olton had all the tricks, but Idalou ran away with the treats, and the Wildcats knocked the Mustangs from the unbeaten ranks by a score of 22-14.

Playing without the services of Danny Garcia, the Mustangs, now 4-1, needed all the magic they could muster to have a chance at defeating the powerful Wildcats. They pulled everything, except a rabbit, out of their helmets while mounting a 14-2 halftime lead, including a touchdown on a fake field goal that wasn't really fake, and an interception/touchdown by a defensive lineman.

But apparently Idalou didn't believe in magic. The Wildcats grabbed control of the line of scrimmage in the second half and never let go while tallying 22 unanswered points, not including a touchdown that was called back because of a quick whistle. For the night, the 'Cats rolled up 364 yards total offense. Of that total, 355 were gained on the ground, with most coming in the second half.

They didn't leave their defense at home either. The Mustangs were limited to only 149 yards total offense, by far their worst effort of the season.

The loss to Idalou didn't hurt near as much as the loss of Garcia, the leading AAA rusher on the South Plains going into the game, who suffered a knee injury on the fourth play from scrimmage. The injury did enough damage to require surgery and Garcia will be forced to watch the rest of the season from the sidelines.

Those who were expecting the Mustangs to pack up and go home when Garcia didn't get up were in for a few surprises.

So was Kenny Smith.

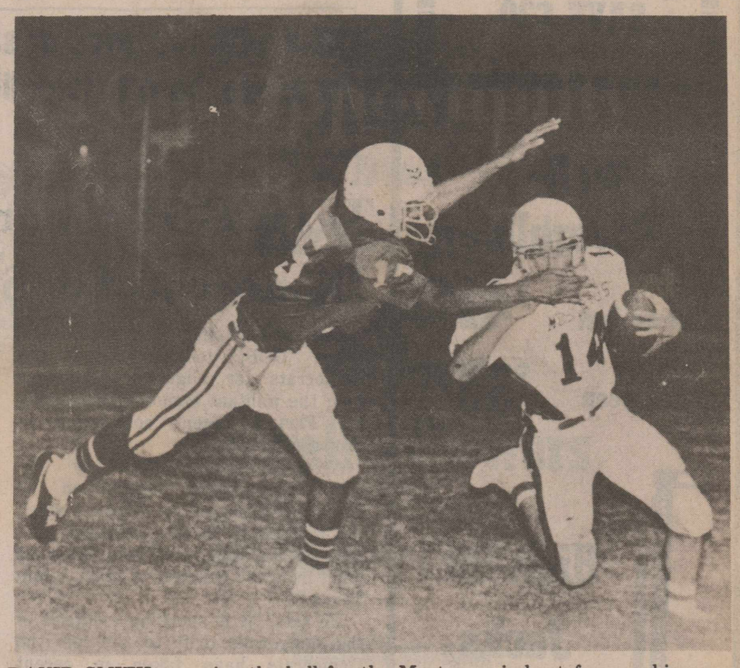

Late in the first quarter, after driving to Idalou's 23-yard line, the Mustangs lined up for a field goal try. The snap from center went completely through the holder's hands into the arms of the startled Smith. Not knowing what else to do, Smith ran for his life and ended up in the endzone. He then kicked the extra point to put the Mustangs out in front 7-0.

Ironically, that snap on the field goal would be the best Smith, also the team's punter, would see all night. With 3:17 left in the half, Smith went back to punt from his own 7-yard line, but the snap sailed into the endzone. Smith smartly fell on it giving the Wildcats a safety.

With time running out in the first half, Olton reached into its bag of tricks and pulled out another big play. A pass from Idalou quarterback Henry Vega, was tipped high into the air. Scotty Cannon grabbed the rebound and dashed 30 yards for a touchdown. Smith's PAT attempt was good and the Mustangs went to the lockerroom with a 14-2 lead, leaving Idalou head coach Tom Ritchey shaking his head and looking for the full moon that was hexing his squad.

If Ritchey had a few choice words his

Continued to page 10

DAVID SMITH, carrying the ball for the Mustangs, is kept from making any more yardage as this Idalou player comes in to put the halt on him. Olton lost their first game of the season to Idalou, 22-14.

Diet Center Opens Oct. 20

A new business will open its doors in Olton Monday, Oct. 20, under the management and ownership of Janice Sivley.

Olton's own "Diet Center" will be housed in the building located at 609 Ave G across the street from Olton High School. Hours will be from 8 to 11 a.m. and 4:30 to 6:30 p.m. each week day and 9 a.m. until 12 noon Saturdays.

The Diet Center will offer a program for weight loss for men, women and youth, according to Mrs. Sivley, who will go to Rexburg, Idaho for a week's training beginning Monday, Oct. 13.

The weight loss program is designed for everyone, including open heart surgery patients, hypo-glycemics and diabetics with the approval of their doctors.

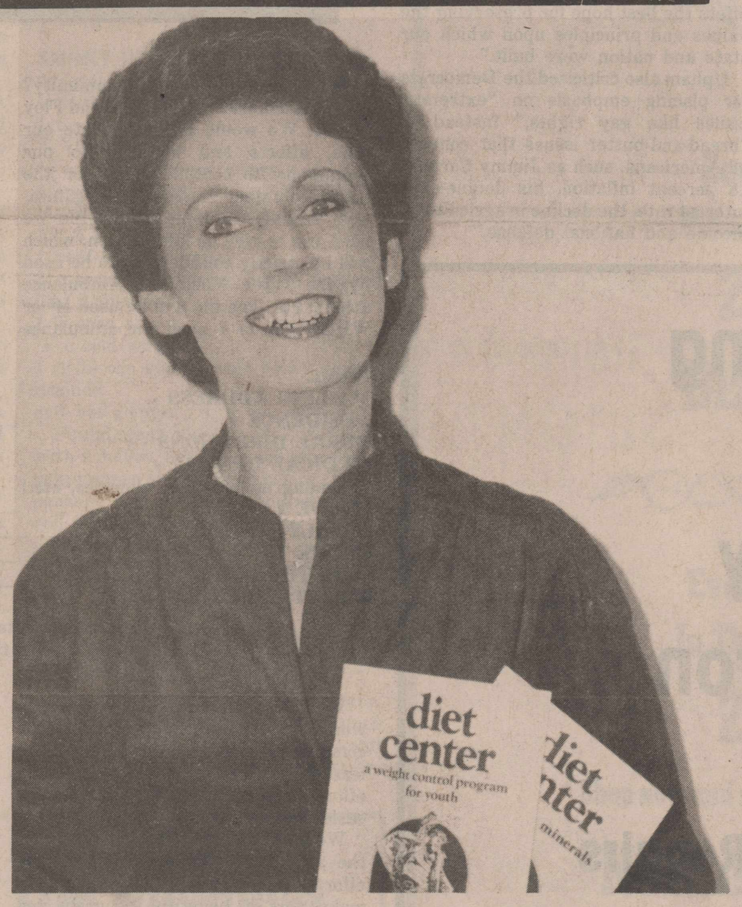

"This is a safe way to lose weight without shots or drugs," Mrs. Sivley said. "That is what sold me on the plan."

There is no long term contract to be signed either, she pointed out. Initial minimum registration is for two weeks. However, for those who have a weight problem, a six week period is recommended....but it is not mandatory. Those who prefer the registration for only two weeks will be required to pay $35 a week. However, for those who sign up for the six weeks program will be charged $180 (or $30 per week). Mrs. Sivley said this savings on signing up for six weeks was due to less bookkeeping.

The fee includes a diet supplement and all the literature explaining the program and how it was developed. Vitamins made by the Diet Center will also be available at an additional charge.

Assisting Mrs. Sivley in the duties of weighing, measuring and setting up appointments will be Yvonne Lewis and Becky DeBerry. Mrs. Sivley will be the consultant for the clients who register for the program, and will be responsible for initiating the person's individual weight loss program.

"We have set our hours so that the working man or woman will have an opportunity to take advantage of this program," Mrs. Sivley said. "We hope those who have a weight problem call and make an appointment and let us explain how you can lose from 17 to 26 pounds in six weeks. For those who do not have a weight problem, we just ask them to drop by and say hello."

JANICE SIVLEY

Guessing Game Contenders Receive Bonus Points

Eight contestants missed one game each in a contest cut short by incorrect matching of nine games. Every contestant who entered the Enterprise contest last week received nine free points because the college and pro games were not scheduled to be played until this weekend.

W.E. Thomas and Danny Dorcas will equally divide first and second place monies. Both had predicted the Mustangs-Wildcats game at 12-13, ten points off the actual tally.

Jim Curtsinger of Lubbock claims third place, missing by 12 points with a 14-7 prediction.

Others who missed just one point, and their tie-breaker span, are Jackie Clark, 14, 12-10; Gary Davis, 14, 12-10; L.H. McAdams, 14, 13-7; Janie Orosco, 16, 20-12 and Don Nafzger, 18, 6-12.

Janie Orosco continues to hold sole possession of the season lead with 82 correct predictions over the five weeks of competition. Contestants with 72 or more points are listed elsewhere in this issue.

Contestants should not give up the competition even though they trail by several points. The season is not quite half over and standings can change.

Farm Cooperatives Recognized During National Coop Month

Farmer-owned and controlled cooperatives play a key role in making the family farm the highly productive system it has become.

During October, which is "Cooperative Month," special recognition will be given to cooperatives for their roles in economic progress of this state and nation, points out Johnny Feagan, economist in organization with the Texas Agricultural Extension Service, Texas A&M University System.

According to Feagan, Texas boasts more than 440 cooperatives that serve some 133,000 members. These cooperatives are doing a business volume of more than $2 billion annually.

According to Feagan, cooperatives make it possible for family farmers to receive more dependable markets for their products and more dependable and lower cost supplies for their farm input. They also benefit consumers by taking the lead in furnishing quality products, in developing better packaging, and in using more efficient distribution methods, all of which helps hold down prices of food and fiber products.

"Cooperatives evolved from the early American spirit of working together to survive. They were organized to compete with economic forces which threatened the economic existence of individuals. Today, cooperatives enable Americans to work together to help themselves," says the economist.

Cooperatives are large and small and are located in towns, cities and country. Wherever they are and whatever their size, they are busy serving members, their communities and the public, contends Feagan.

1100 Remington To Be Awarded

Mustang Boosters are accepting contributions for a Remington 1100 Shotgun which will be given away during the Mustangs-Dimmitt Bobcats football game, Nov. 7.

The gun has been donated by Olton Coop Gin and is on display there.

Corn Growers Get Opportunity To Aid Marketing, Research

Corn growers in a seven-county area of the Panhandle have an opportunity for the first time this fall to participate in a checkoff program on their yellow grain which will help finance market development and research activities in connection with their product.

Carl King of Dimmitt, president of Texas Corn Growers Association says that participation in the program at this point is minimal. He blames depressed corn yields resulting from summer drought and tight economy for the apparent reluctance of growers to participate in the half-cent-per-bushel checkoff, collected at the point of delivery.

Producers voted earlier this year to launch the corn checkoff with an assessment not to exceed one half per bushel to be collected at the first point of sale. Corn growers in Castro, Deaf Smith, Parmer, Lamb, Hale, Bailey and Swisher counties approved the checkoff.

The approval came following a continuing effort by TCGA to initiate such a project to help finance activities to secure improved markets for Texas corn and to pinpoint better production practices for growers of this area.

"Farmers need to realize that commodity groups do help, and that this is what organizations like TCGA are constantly trying to do," said King.

"This checkoff money can't be used for political purposes, legislation or other activities but only for market development and research."

King pointed out that even on a shoestring budget in recent years, TCGA has accomplished some notable feats on behalf of the state's corn growers and that checkoff funds should

Annual Community 'Turkey Dinner' Slated Nov. 7

Plans for the annual Community Turkey Dinner have been finalized by the women's clubs who sponsor this established event.

To be served Friday, Nov. 7, the dinner will precede the gridiron tilt between the Olton Mustangs and the Dimmitt Bobcats.

Served, as formerly, in the school cafeteria the event is open to the public. The menu, built around turkey and dressing, is a crowd pleaser and provides "all you can eat" at the price of $4 for adults and $2 for children under twelve.

An advance sale of tickets is underway. They may be purchased from any member of Olton Garden Club or Olton Study Club.

Lamb Commissioners Kill Bookmobile Program

By Mozelle Trotter

Budget slashing has sounded the death knell for the High Plains Bookmobile.

Lamb County Commissioners Court has voted to withdraw from the four-county program and that action has forced Bailey, Cochran and Parmer Counties to follow suit.

Action by Bookmobile readers now may be categorized as "locking the barn door after the horse has been stolen" but readers are enouraged to register their protests. Budgets can be amended.

Some 60,000 books per year are checked out through the traveling library which visits every three weeks in the towns of the four supporting counties. Almost since its inception in the early 50's, Olton readers have out-numbered all other stops.

Literally thousands of books have been checked out each year by both adults and children with many school children utilizing the traveling libary.

The Bookmobile has provided countless hours of pleasure for lonely shut-ins, knowledge for those thirsting to learn and savored contentment for readers of all ages.

It has been the routine visitor whose welcome never wore thin. Cancelled stops - though rare - made its arrival all the more anticipated.

Bookmobile librarian Lorene Sooter and her driver, Ruby Henderson, have become familiar friends as they carried books, periodicals, film strips and other materials. Readers soon learn the eagerness of Mrs. Sooter to find a sought-for book and have it waiting the Bookmobile's next trip.

One local resident, Mrs. J.M. "Doc" Key, relates such an incidence.

"When we learned Doc had leukemia, I wanted to read something about the disease and I asked them for a medical book. They brought it the

COW POKES — By Ace Reid

"Wul with the price of saddles, hats, and boots, its kinda hard to look like a cowboy anymore."

Editorial

We have been studying the issues on the platforms of the two major parties pretty closely this year and for the past two months have been asking ourselves, "How can a Christian Nation adopt such UN-Christian principles as appear on the Democratic platform?"

A "flyer" was brought to our attention by one of the local ministers and we want to share it with our readers and then let them answer the question we have been asking ourselves.

KEY MORAL AND RELIGIOUS LIBERTY ISSUES	REAGAN	CARTER	ANDERSON

Texas GOP Chairman Blasts Democrats For Stand

Chester R. Upham, chairman of the Texas GOP, today blasted the Democrats for aligning themselves with the militant homosexuals during the Party's recent convention in Houston.

A resolution adopted by the convention urges legalization of deviate sexual conduct. Upham called the resolution "further evidence that the Democratic Party has divorced itself from the thinking of mainstream Texas."

He said, "it is shocking evidence of the dangerous drift to the left the Democrats have taken in recent years," and predicted, "Conservative and moderate Texans will not tolerate it."

Upham grouped the gay rights plank with other Democratic positions - endorsement of public employee collective bargaining, gun control, forced busing - and charged the Party is in the grip of the ultra-liberals.

"It will hurt the party," he said, "and especially Jimmy Carter who, for almost four years, has consistently adopted ultra-liberal stances. The Democratic Party, nationally and in Texas, is completely under the control of the Carter-Kennedy-McGovern wing."

Upham predicted that Texans, regardless of Party affiliation, "will repudiate this kind of liberal, extremist thinking in November. This gay right resolution alone," he said, "will trigger an even greater cross-over of conservative Democrats this fall."

Upham said it confirmed the "good judgment" of the numerous Democrat office-holders and life-long party members who are supporting Gov. Reagan and Ambassador Bush.

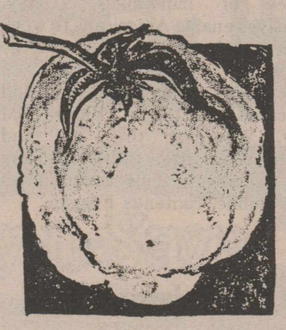

"They know the Reagan-Bush ticket offers the best hope for preserving the values and principles upon which our state and nation were built."

Upham also criticized the Democrats for placing emphasis on "extremist issues like gay rights," instead of "bread-and-butter issues that concern all Americans, such as Jimmy Carter's 18 percent inflation, his double-digit interest rate, the decline in agricultural income and national defense."

We Are Beginning our 33rd year And Are Ready To Gin Your Cotton

Letter To The Editor

Dear Editor?

What can we do for our community?

This is a donation from Tom and Floy Sluder. We would like to donate our time, efforts and material to our community to compile a file for the Olton Volunteer Ambulance Organization. Inorder to compile this file we need you to give us information, which will be strictly confidential, to be used by the Olton Volunteer Ambulance attendants. The file will be used IF or WHEN you or I need the ambulance services.

This file will be alphabetically compiled - filed in the ambulance inorder for the attendants to thumb through the files while enroute to the home of the person calling. The attendants will have the information at hand - this gives them an opportunity to have the supplies and equipment ready for use and speed the process of getting enroute to the hospital.

You may donate also by giving this information.

NAME-
MAILING ADDRESS -
RESIDENCE # -
RURAL DIRECTIONS -
MEDICAL HISTORY -
[including medications, allergies, etc.]
PHONE # -
FAMILY DOCTOR -
PHONE # -
WHO TO NOTIFY? -
HOSPITAL REFERENCE -

Any other vital information you think could assist these services please make note.

We have seen our dedicated persons working - day and night - serving our community in this special service. The least we can do is to give some time and effort in order to make their work easier.

We want to say, "Thank You" to all the attendants and drivers for their efforts and to all who have helped to make this a beautiful program for Olton. Tom and I are on the answering service and give some of our time which is very rewarding to know that we can assist such a good program.

These volunteer services are just a call away and the cooperation of the community is needed. There is always a need for new equipment, repairs, etc. and our community certainly could use a Back Up Ambulance. There have been a few times when the regular ambulance was on call and the Association needed a back up. This happened at the football game when the player was injured and the ambulance was on call.

This offer is small but we feel it could be very helpful. If you have donations you would like to make, they would be appreciated and the City Hall can assist you.

PLEASE MAIL THE ABOVE INFORMATION TO DRAWER H, OLTON, TEXAS 79064 or CALL: 806-285-2450 for Tom or Floy -OR- if you are in town, come by the Sluder Real Estate - first door north of the bank and we will take the information from you.

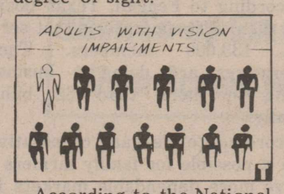

Please, if mailed, give the name of the person giving the information.

Sincerely,
Tom and Floy Sluder

We are proud to live in Olton.

What Are The Odds?

The odds are one in thirteen that a person age 25 and over will have lost some degree of sight.

According to the National Society to Prevent Blindness, an eye examination at least every two years could help prevent sight loss. For more information, write to your state Society to Prevent Blindness or the National Society to Prevent Blindness, 79 Madison Avenue, New York, NY 10016.

What's Cooking At School

October 13-16, 1980

BREAKFAST

MONDAY - Little Smokie, sliced pears, cinnamon toast and milk.

TUESDAY - Fruit cup, oatmeal, buttered toast and milk.

WEDNESDAY - Apple juice, cheese toast and milk.

THURSDAY - Sliced peaches, corn grits, toast and milk.

FRIDAY - Sliced apples, doughnut and milk.

LUNCH

MONDAY- Frito pie, green peas, steamed rice, ½ apple, peach, rolls and milk.

TUESDAY - Pizza, peanut butter bar, popeye salad, French fries, apricots, rolls, banana pudding and milk.

WEDNESDAY - Corn dog, brown beans, chopped spinach, peach cobbler, pickle spear, cornbread and milk.

THURSDAY - Hamburger, French fries and catsup, ½ orange, lettuce, tomato, bun and milk.

FRIDAY - Pork steak, mashed potatoes, cole slaw, applesauce, chocolate cake, rolls and milk.

MRS. J.M. "DOC" KEY

Recipe Revue

By Mozelle Trotter

"I miss the people!" says Mrs. J.M. "Doc" Key as she remembers the three years when she and her husband owned the Circle K Restaurant on Highway 70.

Pat and Doc purchased the restaurant from old friends, Greer and Coy Hamill, and operated it until Doc became ill. Pat says she misses the neighborly visits of former customers allowing her to learn "when it'll frost" or "who's getting married" and a multitude of news items of friends young and old.

Born in VanZandt County, Pat met Doc in Van. They were married in Kansas City, Mo. and came back to Texas - to Mabank to make their home. Their three sons - Ronnie, Albert and Jim - were born there.

Pat and Doc moved to West Texas in 1952 when Jim was just three months old.

"Grandchildren," is the quick response given by Pat when asked about her hobbies. Ronnie and his wife, Sharon, are parents of a son, Danny, and two daughters, Tracy and Marcia.

Albert and his wife, Letha, have a new little daughter, Valerie Paige, to join three-year-old Brandi. Jim and his wife, Kathy, also have a new little daughter, Sarah Elizabeth. They have a little son, Micah, too.

Reading is one of Pat's favorite pastimes. She also enjoys walking and does almost every day.

With the kids gone from home, a small white and brown feist dog named "Susie" provides Pat and Doc with lots of companionship.

Proclaimed a good cook by her family and friends, Pat shares recipes this week with Enterprise cooks. The recipe for smoky beef rollettes is one she clipped from a farm magazine and one she and Jim used to enjoy preparing together.

"It takes a little time," she explains, "but it's really good and pretty, too."

TEA CAKE
3 eggs
2 c brown sugar
1 c butter/shortening melted together
nutmeg to flavor
1 t soda
2½ to 3 c flour

Beat eggs together; add sugar, butter and nutmeg; sift soda and flour together and stir enough to make a soft dough. Use the remainder roll lightly. Roll thin and cut with small cutter. Bake in 350° oven.

HOT COCOA MIX
1 c instant cocoa
½ c powdered sugar
¼ t salt
½ c powdered cream
4 c powdered skim milk

Mix all ingredients together. Store in covered container. Use 6 T mix and fill cup with hot water. Use more or less to suit taste.

SMOKY BEEF ROLLETTES
6 pieces round steak, about 6x4", cut ½ inch thick (about 2 lbs.)
1 t salt
¼ t pepper
¾ c finely chopped celery
6 smoked sausage links
¼ c butter or margarine
1½ c hot water
1 beef bouillon cube
3 c carrots, split lengthwise and cut into 3 pieces
1 T corn starch
¼ c cold water
1 (1 lb) can small whole boiled onions, drained
salt and pepper

Pound steak pieces to ¼" thickness with a mallet. Sprinkle each piece with salt, pepper and chopped celery. Roll a sausage link into each one and secure roll with toothpicks or string.

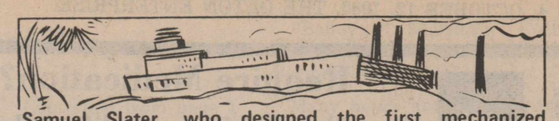

Brown rolls well in butter in a large skillet. Stir in hot water and bouillon cube. Reduce heat; cover and simmer for 30 mins.

Add carrots; cover and simmer 20 mins. or until carrots are tender. Remove toothpicks or string.

Stir corn starch into cold water. Blend into meat juices; cook until thickened. Add drained onions and heat through. Salt and pepper to taste. Makes 6 servings.

In 1860 Abraham Lincoln became the first winning Presidential candidate of the Republican Party.

Samuel Slater, who designed the first mechanized cotton-spinning mill, is credited with introducing the factory system to the U.S. in the late 18th century.

Roundup® herbicide controls 3 of the meanest weeds in cotton.

Whiteweed* Blueweed** Field bindweed.

They're mean. Tough. And stubborn. They can choke a cotton field right out of production. Most herbicides can't stop them. But Roundup can.

Just make sure the weeds are actively growing after harvest and not under drought stress. Then, spot or boom apply Roundup, and you'll see how Roundup gets to the root of those weed problems.

Reach for Roundup® herbicide—and clean up those cotton fields this Fall.

'Funerals' Program Topic Of HEC Meeting Tuesday

Naomi Wheeler, Lamb County Extension Agent, was guest speaker Tuesday at the regular meeting of Olton Home Extension Club. Mrs. J.E. Huckabee was hostess for the meeting in the agricultural community building.

Mrs. Wheeler spoke to the group on funerals.

Members had answered roll call with "Where are your important papers?" The group voted to give a $200 scholarship to a deserving homemaking student.

Attending were Theo Hackler and Mmes. Ray Gabehart, Ordie Gentry, David Grayson, Raymond Cooper, Terry Trusty, Homer Curry, Alva Kersh, V.J. Trusty, Malcolm Ogletree, Jack Snider, Leona Martin, Melvin Souter and Huckabee.

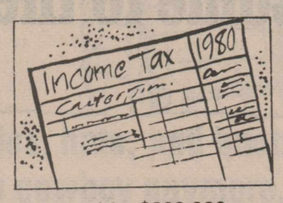

Senior Citizens This Week

Senior Citizens met Thursday for their First Thursday covered dish luncheon.

The group will be entertained Thursday, Oct. 16 at 2:30 p.m. by members of Olton Garden Club. The meeting will be held in the agricultural community building.

Refreshments, fellowship and games will be the order of the afternoon.

Thursday, Oct. 23, Senior Citizens will be guests at a luncheon hosted by Alpha Rho Delta members.

Besides his $200,000 taxable salary, the U.S. President gets $100,000 in nontaxable travel and entertainment expenses, plus a $50,000 a year taxable expense allowance.

T.E.E.N. Contest Now Open

Young ladies of this area between the ages of 14 and 18 years are invited to enter the Miss Texas T.E.E.N. Pageant. The 1981 State Finals will be held at the Sheraton Dallas Hotel, April 17, 18 & 19, 1981, Dallas, Texas. The Texas Pageant is the Official State Preliminary for the Miss T.E.E.N. Pageant to be held in November, 1981.

Contestants will be judged on Scholastic Achievements, Civic Involvement, Beauty, Poise, Personality and Patriotic Speech or Talent. No swimsuit competition is involved.

Each contestant accepted will be required to participate in the Volunteer Service Program of the Miss T.E.E.N. Pageant and must maintain a "B" or better grade average in school. This Volunteer Service Program teaches teenagers to share and participate in Community, School, and Church activities by contributing at least 12 hours of their time to some worthwhile Civic or Volunteer work to benefit the community.

Winner of the Texas Pageant will receive an all-expense paid trip to compete in National Finals of the Miss T.E.E.N. Pageant, a $1,000 cash scholarship, and a self-improvement course.

Those interested in entering, may write for information to Cappy M. Smith, State Director, 4605 S. Hope Springs Road, Stone Mountain, Georgia, 30083, or call (404) 292-1025 or 292-0963.

DISHES LEFT

Dishes left at the Virginia Miller home will be found at the Assembly of God kitchen. Call at the parsonage to obtain entrance.

IN NEW MEXICO

Mr. and Mrs. Charles Lewis and Mr. and Mrs. Vernon Nixon spent a recent weekend at Red River, N.M.

MRS. KENNETH CHARLES GALLAWAY

Miss Claborn - Mr. Galloway Pledge Vows In Lubbock

Misti Bishop Claborn and Kenneth Charles Gallaway pledged wedding vows Saturday afternoon in the Garden Room of Broadway Church of Christ in Lubbock.

Dr. Kenneth Dye directed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Ozell Claborn of Monahans and Mr. and Mrs. Charles Gallaway.

The Mountain Top Singers of Lubbock Christian College presented the musical program.

Given in marriage by her parents, the bride wore a formal gown of white organza over satin fashioned with natural waistline and full sweeping circular skirt which swept to a chapel train. Venise lace adorned the bodice in bib-effect. The stand-up collar and deep cuffs of the long full sleeves were of matching lace. Flowerettes of Venise lace encircled the hemline.

Lace ruffles enhanced her sheer picture hat and waist length veil. She carried a cascade of white roses.

Karilyn Buchanan Pye of Hobbs, N.M. was matron of honor. Maid of honor was Nancy Diane Lange of Lubbock. They wore formal dresses of sheer knit in apricot colored print. They were fashioned with round necklines and draped sleeves. Each carried a single apricot colored rose with greenery and autumn colored ribbons.

James Taylor Gallaway of Las Cruces, N.M. was his brother's best man. Mike Helm of Dallas was groomsman. Guests were seated by the bride's brothers, Alton Brook Claborn and Cody Dean Claborn, both of Monahans.

For her daughter's wedding, Mrs. Claborn wore a formal length sleeveless dress of beige knit fashioned with cowl collar. Mrs. Gallaway chose a formal dress of wine knit with sweetheart neckline and puffed sleeves.

Mrs. Brook Claborn presided at the bride's book.

Designed with fall colors between the layers, the three tiered wedding cake and reception were by Charline Langley, aunt of the groom. An arrangement of mums graced the bride's table which was appointed with a silver punch bowl.

Presiding at the table were Mary Flo Geisler, cousin of the bride, Nancy Thompson of Lubbock and Denise Derrick of Abilene.

For a wedding trip to Denver, Colo., the bride wore a pastel wool skirt with loose crocheted sweater with white collar.

The newlyweds will be at home in Bellingham, Wash.

A graduate of Monahans High School, the bride received a BA degree from Texas Tech University in December. She is employed by Griffin, Garrett, Johanson, Schacht Insurance Company in Bellingham.

The groom graduated from Olton High School and received an AAS degree in EET from Amarillo College. He attended Texas Tech and was employed in the design engineering department at Texas Instruments as engineering technician.

Out of town guests included Mrs. Doris Rainwater of Stamford and Mrs. A.W. Claborn of Rising Star, grandmothers of the bride; Mr. and Mrs. James Melton, Kermit; Mrs. Betty Geisler and Mr. and Mrs. Jay Derrick, Monahans; Mrs. Alvin Jones, Spur; Mr. and Mrs. R.E. Womack, Midland; Mr. and Mrs. Stan Parker, and Mrs. Jim Higdon, Leslie and Thersa, Plainview; Mary Higdon, Canyon; Mrs. Esther Langley and Mr. and Mrs. Neil Langley, Lockney; Mr. and Mrs. Ralph Langley and Sara, Lubbock; Mrs. Bobbie Dameron, Dimmitt and Mr. and Mrs. Bob Covington, Daugherty.

Bookmobile Stops Announced

Area stops by the High Plains Bookmobile have been announced by Lorene Sooter, librarian.

The traveling library will be in Hart Camp and Fieldton Friday, Oct. 17 from 1:45 to 2:30 p.m. and 2:45 to 3:30 p.m., respectively. The local visit is scheduled for 9:30 to 11:45 a.m. Saturday, Oct. 18.

GRAND OPENING

Bull Riders, test your skill.

Ride a Bull authentic, original "Gilley's Bull" as seen in Urban Cowboy.

MRS. FELIX ESPINOZA

Miss Perez - Mr. Espinoza Exchange Wedding Vows

In a candlelight ceremony Saturday, Oct. 4, in St. Peter's Catholic Church, Miss Rosa Linda Perez became the bride of Felix Espinoza of Hale Center. The Rev. Glenn Rosedale, pastor, directed the double ring vows.

Baskets of white gladioli and intermingled baby's breath flanked the altar area of the church. Multi-branch candelabra completed the setting. Traditional nuptial selections were presented by Esabel Mosqueda at the organ.

Presented in marriage by her parents, the bride wore a formal wedding gown of white organza and lace. The fitted bodice featured a Queen Anne neckline accented by scalloped lace, and the sheer organza sleeves to elbow length terminated in graduating rows of lace ruffles. The bouffant skirt was made up of tiers of lace edged ruffles sweeping to back fullness to form a chapel train.

The lace edged bridal veil of silk illusion, handmade by Frances Mojica, fell from a headdress of flowerlets and seed pearls. The bride wore a single strand of pearls and carried a bouquet of pearls and crystals.

Miss Estella Perez served as her sister's maid of honor.

Attending the groom as best man was a cousin, Danny Baldersa, of Hale Center.

Attendants were Messrs. and Mmes. Domingo Tonche of Abilene; Joe Baldersa and Adama Placentia of Plainview; Manuel Perez, Joe Mojica and Henry Perez, all of this city.

The maid of honor was gowned in white chiffon. She wore a floral crown of appleblossoms. Feminine attendants wore formal length gowns of lilac. They caried matching flowers of silk lilac, and in their hair, wore a wreath of flowers.

Steve Esquinel of this city lighted candles. Guests were seated by Hector Martinez and Albert Ruiz Jr. Registering guests was Mrs. Virginia Perez.

Readers were Miss Susie Perez and Hector Martinez.

For her daughter's wedding, the mother of the bride chose a formal length gown of pink chiffon. The mother of the groom was gowned in blue chiffon. Each added coordinating corsages.

The young couple was honored with a reception immediately following the ceremony. In St. Peter's Parrish Hall the bride's table was laid with a white lace cloth, over white. White tapers and lilac bows complimented the three tiered wedding cake. Frosted in white, it was topped with a miniature bride and groom and touched with lilac flowers. Reception punch was served.

Assisting in the houseparty were Mmes. Amelia Perez, Pat Costillo, Juanita Esquinel, Eva Garza and Gloria Flores Perez.

The bride is a graduate of Olton High School. The groom attended school in Hale Center, where the young couple will make their home.

GRANDDAUGHTERS VISIT

Courtney and Casey Trotter, daughters of Pat Trotter of Hereford, visited from Sunday until Wednesday with their grandparents, Mr. and Mrs. Gene Trotter, and great-grandparents, Mr. and Mrs. K. Trotter. They had an early birthday celebration for Casey who was two years old Thursday.

Mrs. Granbery Is Reviewer For Olton Study Club Meet

Members of Olton Study Club entertained guests Monday as they met in Woman's Club House. Mrs. Bailey Hair hosted the event.

Thought for the evening was "We overlook so much happiness, because it costs nothing." Devotional thoughts were presented by Mrs. C.S. Silcott.

"Aunt Erma's Cope Book" by the ever-popular Erma Bombeck was reviewed by Mrs. D.M. Granbery.

Mrs. H.B. Carson directed a short business meeting in which final plans were made for the Community Turkey Dinner to be served Nov. 7.

Special guests for the program were Mmes. Freddie Mae Hysinger, L.W. Howard, Fred Hicks and Elizabeth Boruk. Mrs. Tom Sluder was welcomed as a new member.

Next meeting will be held Oct. 20 in the home of Mrs. Glenn Singleterry.

SS Classes Hold Luncheon Meet

Members of the T.E.L., Lydia and Sarah classes of First Baptist Church met in Fellowship Hall of the church Thursday for a covered dish luncheon.

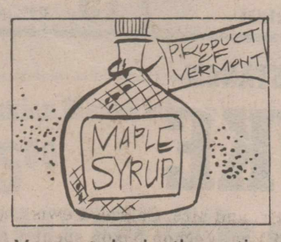

Welcoming guests and directing activities was Mrs. Bob Duncan, teacher of the T.E.L. class. Special guests for the event were the pastor, Dr. Travis Hart and Mrs. Bob Hipp, church secretary.

Program of the day was furnished by members of the various classes who recently attended a week session at Glorieta Assembly, near Santa Fe, N.M. Each speaker discussed some phase of the sessions designed especially for senior adults.

Mrs. LeaBelle Hooper gave a mini-review of the book Lifelong Fitness and Fulfillment written and taught by Dr. Dick Couey, professor at Baylor University. She quoted him as saying that fitness falls in three categories, spiritual, physical and psychological. She also mentioned that the entire program of the week revolved around this theme.

Mrs. Pearl Schreier discussed the craft program of the Assembly; Mrs. Helen Bohner outlined the entire program with emphasis upon the beauty of it all; and Mrs. Freda Worley sketched the music of the week. Mrs. Nellie Ruth Roberts and Mrs. F.L. Bass also attended but were unable to be present.

Dr. Hart sponsored the group on the tour.

Vermont leads the nation in the production of monument granite, marble and maple syrup.

4-H Banquet Set Saturday Night

Olton 4-H Club met this week under direction of new officers. Serving as president is Gayle Russell. She will be assisted by Kelli Smith, vice-president; Melanie Williams, secretary; Kelli Smith, treasurer; and reporter, Bobby Walden.

Project of the day was fashioning posters featuring "Expanding Horizons in 4-H".

Plans are being made for a Saturday night banquet in the Community Agriculture Building. All members who have been in 4-H for one year or more are expected to attend the meeting which will begin at 7:30 p.m.

Macular Degeneration

A Major Cause Of Blindness

While macular degeneration—resulting in loss of central vision—can strike at any age, it's the leading cause of new cases of blindness for persons over 65, and the second major cause of blindness in the U.S.

The best defense against macular degeneration, says the National Society to Prevent Blindness, is a regular eye examination. Some cases diagnosed early do respond to treatment. Those affected by this disease may also find optical devices, known as low-vision aids, helpful.

For more information, send a stamped, self-addressed, business-size envelope to your state Society to Prevent Blindness or the National Society to Prevent Blindness, 79 Madison Ave., New York, N.Y. 10016.

Bookmobile

Continued from page 1

next time so I could read all about it. They were so glad to help - it was an expensive book, one I could never afford to buy but thanks to the Bookmobile, I was able to read all about leukemia."

Mrs. Key said there have been other instances when the Bookmobile and its helpful, friendly librarian found other requested materials for herself or her family.

Now it seems the Bookmobile program is to be terminated, the books divided among county libraries, the Bookmobile sold and its proceeds divided.

Lamb County's Commissioners Court voted to withdraw from the program and the Bookmobile's 1981 budget asking of $10,594.12 left too great an added burden on the three remaining counties to make up that loss.

Bailey County Judge Glen Williams, in a release announcing the Commissioners Courts decision said, "For several years, a Bookmobile program has been operated in the four county area comprising Bailey, Cochran, Lamb and Parmer Counties. The program has enjoyed public support during those years and has, in general, been very successful. But, it now appears that it will have to be phased out and terminated about the end of this year, principally for economic reasons.

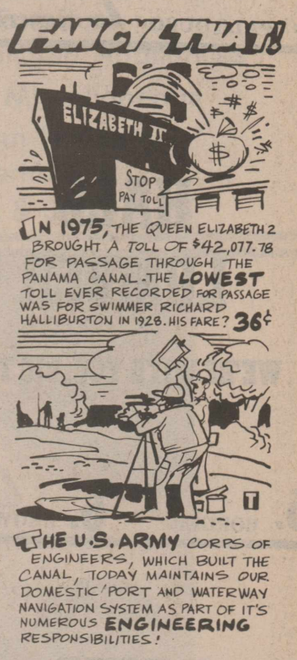

"The Commissioners Courts have, informally and reluctantly, agreed that such action has become necessary.

"In the past, the counties have shared the operating expenses, with minor deviations, on a population basis. And the operation budget would require contributions as follows: "Bailey - $6,095.25; Cochran - $4,353.75; Lamb - $10,594.12 and Parmer - $7,981.88."

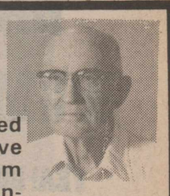

Many hours and a lot of traveling about the country went into securing the Bookmobile program. Persons who realized the priceless benefits of reading gave of themselves so that the program could become a reality.

Perhaps it's not too late to reverse the action that appears to have ended the Bookmobile. If all those who object to this step by the Commissioners Court will bombard the court with letters of protest, it might not be too late!

Send your protest to: Lamb County Commissioners Court, Lamb County Judge Don Joyner, Littlefield, Texas 79339.

INSUR-MATION

Much of the production in our company is instigated from the efforts of two or three highly productive men. Realizing this fact, one of the measures I am considering taking is some type of "key man" insurance. Can you shed some light on this subject?

It is good business for a company to insure against the loss of its most valuable assets, the services of its key men. In determining an employee's value three methods are frequently used: 1) by his contribution to earnings, 2) by the salary test and 3) by measuring the productive difference . . . the difference between the key man and his replacement. Using these methods, a company can determine its potential financial loss. This potential financial loss can be lessened by a life insurance policy owned and purchased by the company on the life of each key man. The company pays the premiums and is the beneficiary.

agri-facts

Corn growers concern for greater energy efficiency is being rapidly reflected in crop trends all over the country. Corn crops are being planted earlier and developers are working to get out varieties with sufficient cold tolerance to begin growing in 40 degree soil. Greater numbers of plants are being grown in the same area to make maximum use of all sunlight. Research is moving as quickly as possible into more efficient drying systems to cut energy use after harvest. Some of the best results using simplified solar collectors are being reported this season. Energy efficiency has quickly become one of the keys to even greater farm productivity, and will continue to challenge producers in the future.

It's True.

"We bought a house a few years back, and it had a heat pump in it. I was very satisfied with it and simply decided to have it put in our new home here. The reason I like the heat pump is because it is efficient, simple and clean . . you don't have to fuss with any change over from heating and cooling. I was given projected operating costs of the heat pump in both homes by Southwestern Public Service. And, in every month since I've had the heat pump, my actual monthly operating costs have been considerably lower than the estimated projections. So, consequently I've been very pleased. I would definitely recommend the heat pump to my friends or anyone else because in my opinion, it is a good unit and economical."

Jerry Newsom

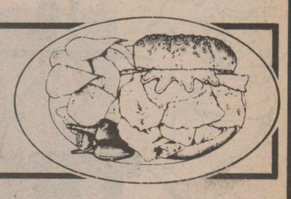

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.

Card Of Thanks

To Those We Love,

It has been almost five long weeks since John Darryl's accident and words fail us when we think of the thousands of ways you have shown your love and concern through these long hours. "Thank you" is so inadequate, but please know these simple words are coupled with prayers of thanksgiving as we remember you before His throne. The hours you have spent with us, the many, many phone calls, the cards, the assurance that the crops were being gathered, the special prayer services held in every congregation throughout the area, the food, the generous donations to help meet the financial needs here - all of these acts of love and generousity have touched us deeply, because they testify of your love. Perhaps someday in some small way we can repay you, but Oh! how we pray it will not have to be in like manner.

John's condition has not changed neurologically - he remains in a coma, and although his doctor paints a very bleak picture for us, our faith remains in the Great Physician who can do abundantly even more than we might ask. Please continue to bombard Heaven's portals with your prayers, and accept this as our thanks for your special part in the events of our lives through this ordeal.

May God richly bless each of you in a very special way is our prayer.

Darryl, Linda & Amy McLain
Bill & Paula Harman
Laurence & Marguerite McLain

We would like to express our sincere appreciation to all our friends who made our Housewarming such a happy, memorable event. To all of those who planned, made refreshments and sent gifts, called or came by we say "Thank You".

Charles and Francine Ramage
Michael and Bobby

We want to thank each and everyone who helped us with the loss of our precious loved one. We felt your love and prayers. We pray God's richest blessings on each of you.

The family of Sonny Miller
Virginia Miller
Judy, Ronnie and Tawni Parsons
Teddye and J.E. Gibbs
Retha Wilson
Cliff Petty

"Paw-Paw"

"Paw-Paw was a dear grandfather to me, he was loving, happy and generous man to all. He went to the hospital and never complained about anything, he joked around with the nurses and friends, he soon got better and came home. I saw him at home for the last time, never knowing it. He died on Oct. 2, 1980 at his home sweet home. I never dreamed death would overcome him this early. I think he is happy now, in Heaven, though he leaves us with grief and pain, but God will soon ease it. And he remains in our hearts and happy memories forever, until....Jesus comes!

His loving granddaughter,
Tawni

I would like to thank all of the kind and loving people who visited me during my stay in the hospital. I also wish to thank everyone for the nice plants and thoughtful cards I received. My parents, too, wish to express their gratitude for the help and concern everyone showed. Thanks to all of you.

The Alfred Garza family
and Jesse

Each of us would like to express sincere appreciation to Olton Ambulance crew for excellent assistance, and friends and loved ones who have been so helpful and encouraging since our unfortunate accident.

Your love and concern as shown by calls, visits, cards and flowers have been comforting. As we thank you, we wish Diane, a speedy recovery.

The Dennis Givens family

For the many cards, visits, calls, flowers, food, words of encouragement, and most of all for the prayers offered in our behalf, we are deeply grateful.

Your kindness means more than words can say and will be remembered always.

May God bless you.
Joe and Gwynne Turner

Florida's name comes from the Spanish meaning "feast of flowers."

Mustangs

Continued from page 1

team at halftime, they were the right ones because it took only one minute and four plays after the kickoff for the Wildcats to begin their comeback. Tailback Tim DeBusk took a pitchout from Vega and scampered 48 yards for a touchdown. The PAT try failed but the 'Cats were within striking distance.

Three minutes later, DeBusk burst past Olton's secondary and darted 80 yards for another touchdown. The PAT failed, but the score was now tied at 14-14 and the Mustangs' magic begin to fade.

With 10:42 left in the game Olton's Henry Perez recovered a DeBusk fumble at the Mustangs' 46. On second down, quarterback Gregg Smith tried to hit Roy Luera on a streak pattern. DeBusk intercepted the pass at his own 16, and the stage was set for Idalou's winning drive.

On the third play of the drive, fullback James Sherman took a handoff at the 30 and ran 68 yards before Johnny Hutson caught him from behind at Olton's 2-yard line. Two plays later, Sherman capped the drive with a one-yard plunge and Vega converted the two-point conversion to give the Wildcats their winning margin 22-14.

Olton head coach Larry Shackelford blamed the loss partly on mental mistakes and partly on the loss of Garcia. "They (Idalou's offense) ran right at Garcia's linebacker spot all night," Shackelford said. But the Mustangs will miss more than just Garcia's playing ability. "Danny has been our leader," explained Shackelford. "He was a quiet leader. He led by example."

Preparing for last night's Homecoming contest against Hart, Shackelford said he would probably move Johnny Hutson to fill Garcia's spot on defense. Offensively, Shackelford planned to use 225-lb. Kenny Smith at fullback to add a little power to the backfield.

Despite the heartbreak of losing one of his best players, Shackelford was philosophical when asked about the ability of his team to bounce back: "When you break your right arm, your left arm has got to get stronger."

"Why God Gave Us Friends?"
God knew everybody needed companionship and cheer;
He knew that people needed someone whose thoughts are always near.
He knew they needed someone kind to lend a helping hand,
Someone to gladly take the time to care and understand...
That's why God gave us friends.

Mr. and Mrs. H.B. Carson returned Sunday from two weeks of visiting, vacationing, fishing and sightseeing. First they visited her sister, Mr. and Mrs. W.F. Russell of Primrose, Colo., their two sons and families and their daughters and families. They went to Glenwood Springs, Colo. fishing and took side trips from there to several places of interest...Vail, Aspen, Snow Mass Village and Mt. Peaks. The mountain scenes were beautiful. The Carsons go there each year and see the peak of changing. The aspen and spruce leaves are golden. On their way home, they stopped at Dalhart and spent the night with their son, Mr. and Mrs. Eddie Carson, Kirk and Jill.

Miss Lydia Gray, an aunt, is visiting Mrs. A.D. Adams and Pauline Gray. She's from Cross Plains.

Miss Daphen Corvin from ACU, Abilene is here visiting her great uncle, Mr. and Mrs. Cecil Smith and boys.

Usually when a fellow says, 'Well, to make a long story short," it's too late.

Mr. and Mrs. V.G. Wood and his father, G.H. Wood had lunch with his niece, Miss Bonnie Wood, Saturday in Portales, N.M.

Mr.and Mrs. C.J. Crawford, the former Mrs. Bernard Gray, were visiting the Gray families Monday night at the house of Mr. and Mrs. Virgle Gray. Those who were there were Mr. and Mrs. Mark Watt of Plainview, Doris Watt, Pauline Gray and Hattie Mae Gray. The Crawfords are from Washington State.

Last Friday night, Mr. and Mrs. Jack Hysinger of Muleshoe came by and picked up Mr. and Mrs. Bert Stewart. They went to the Muleshoe-Abernathy ball game. The Hysingers' son, Monty, plays on the Muleshoe team.

Mr.and Mrs. R.W. Culwell of Ft. Collins, Colo. spent last week with his sister, Mr. and Mrs. Ira J. Foster and brother, Mr. and Mrs. Ray Culwell. While here the Fosters and the R.W. Culwells spent some time in Lubbock. They also received word that Foster's sister, Mrs. Bessie Hill of Hereford, had hip surgery in Amarillo but is improving nicely.

Quartet -- a group of four who usually think the other three can't sing.

Mr. and Mrs. Tom Smith have just returned home from a trip. They visited their son, Mr. and Mrs. Douglas Smith and Terece in Springerville, Ariz. On their way home, they visited Mrs. Arthur Struve and Ewald Fuchs of Ruidoso, N.M. The country was very beautiful at this time.

Mr. and Mrs. Elbert Hyman and

J.A. Ragle Dies Saturday, Services Held In Plainview

Last rites were conducted Monday afternoon in Trinity United Methodist Church in Plainview for John Albert Ragle, 95, longtime resident of Olton.

Officiating was Rev. Tommy Ewing, pastor. Burial was in Olton Cemetery under the direction of Wood Dunning Funeral Home.

Mr. Ragle died about 5 a.m. Saturday in a Plainview nursing home.

Born Oct. 24, 1884 in Purdy, Mo., Mr. Ragle moved with his family to Young County when he was about one year old. He later lived in Crosby County.

He married Anna Elizabeth Schnedier May 29, 1915 in Lorenzo. They moved to Hale Center and to Olton in 1921. They farmed east of Olton until 1957 when their home was destroyed by a tornado and they moved into Plainview.

Mr. Ragle was a longtime member of the Methodist Church. He was preceded in death by a daughter, Rosalie, Dec. 25, 1934, and his wife, Sept. 2, 1969.

Survivors include three sons, G.E. Ragle of Plainview, the Rev. H. Doyle Ragle of Lubbock and Burney Ragle of Longville, La.; two daughters, Mrs. Claude (Mabel) Daniel of DeRidder, La. and Mrs. Austin (Arlene) Rugger of Waco; four sisters, Mrs. Gladys Jennings of Lubbock, Mrs. Lillie Rippy of Whittier, Calif. and Mrs. Ruby Smallin and Mrs. Iola Stovall, both of Kingsland; one brother, W.E. Ragle of Ralls; 15 grandchildren and 10 great-grandchildren.

Mrs. Lillian Green and Mrs. Inez Yates visited Mrs. Dovie Finney in Lubbock General Hospital Tuesday. She is still in intensive care but doing better. Mrs. Green and Mrs. Yates also visited Mae Amerson at the Methodist Hospital. She is reported doing better. They had her up to walk some.

Guests in Mrs. Lillian Green's home Thursday were her nieces, Mr. and Mrs. Dan Mixon of Goldsboro, N.C. and Mr. and Mrs. Burtel Jackson of Lubbock; Willie Green and John and Tammy Shirley.

Mrs. R.H. Campbell of Amherst had surgery Tuesday in Methodist Hospital. She is in intensive care.

Wednesday was monthly work day at the Main Street Church of Christ. Fifteen women showed up to work. They worked on lap robes for the elderly and shut ins, Bible visual aids, and cleaned the class rooms. Lunch was served in the fellowship hall and Bible study followed with lesson being taught by Charlie Fay Granbery.

MILES OF SMILES
When I was very, very small
Someone said one day,
"Here's a basket of smiles for you,
Try giving them all away."
So through the years I've tried my best
To give them all away;
But the more I give, the more I have
Every single day.

Corn Growers

Continued from page 1

help to strengthen the position of Texas corn growers even more in the marketplace.

"Activities such as this will help the farmer, the processor and the consumer alike," King claims.

"The TCGA is still working on aflotoxin, a mold in corn which is not common to this area at this time, and which the organization hopes to keep out of this area in order to avoid problems," said King.

"We met with Agriculture Commissioner Reagan Brown last year to ask that the Texas Department of Agriculture check rail cars and trucks coming in from out of state for aflotoxin and European corn borer larvae," said King.

"We achieved a crackdown on the European corn borer with the aid of TDA and very few have been found in our area since."

King said that representatives of TCGA, along with other commodity organization officials accompanied Brown on a fruitful trade mission to Mexico about four months ago which "helped set up additional corn purchases of some nine million metric tons by Mexico."

TCGA is currently working with state officials to arrange an agreement with Mexico for a trade of corn for crude oil.

"TCGA is constantly working on gasohol research, and recently had its recommendation that all state vehicles be put on alcohol fuel acknowledged by the state government. The organization is also working to have the state tax on alcohol fuel deleted and TCGA is also working to get more incentive to build bigger alcohol production plants and more of them in Texas," says King.

The Dimmitt farmer states that TCGA led the vanguard in securing an emergency clearance for the pesticide Azodrin for the summer of 1980 in a number of High Plains counties.

Quoting from a letter from officials of Shell Chemical Company, manufacturers of Azodrin, King read, "The efforts of the TCGA may have indeed saved the corn crop on the Texas High Plains."

King also quoted a letter from entomologist Olan K. Moore of Dimmitt, reporting that "without the TCGA there would not have been any clearance for Azodrin in 1980."

"A short crop this year and the high cost of production may cause a lot of second glances at the corn checkoff this year, but corn growers in the area need to realize they will benefit from it," said King.

Farmers may make arrangements with their local grain delivery points concerning the checkoff, King states.

Checkoff funds are collected at the point of delivery and turned over to TCGA for administration by a nine-member board.

Those on the board include Jay Boston and Raymond Schlabs of Hereford, Ray Joe Riley, Doug Higgins, Harold Bob Bennett, Weldon Davis, Les Watson, W.L. Edelman and King.
