Farm Tour set for Wednesday, September 29th

The annual Mitchell County Farm Tour has been set for Wednesday, Sept. 29. The tour is sponsored by the Mitchell County offices of the Texas Agricultural Extension Service and the USDA Soil Conservation Service along with the Agri. Business committee of the Colorado City Chamber of Commerce.

The Civic Center will be the registration point at 8 a.m. and the tour will start with the buses leaving at 8:30.

The tour will have six stops along the way including four cotton demonstrations concerning root knot nematode control, variety selection and harvest aid application. There will be one stop to evaluate a CRP (Conservation Reserve Program) demonstration and another stop to determine nutsedge control in cotton.

Conducting the annual tour will be Kevin Wright, district soil and water conservationist and Bryan Limmer, county extension agent.

The schedule also includes a watermelon break at a midway point hosted by Tony and Travis Turner.

Lunch will be at the Civic Center and tickets can be purchased at the Chamber office or from any SWCD board member. They are priced at \$5 each.

The speaker during the noon hour will be Mr. Frank Myers, former director of the Southwest Boll Weevil Eradication Program in Arizona. Mr. Myers will be speaking on the future plans for the development of a boll weevil eradication program in Texas.

CISD trustees set to approve budget

The Colorado ISD trustees will meet Tuesday night at 7 p.m. and are expected to adopt the 1993-94 budget and adopt a resolution to set the 1993 tax rate.

Trustees have tentatively approved a budget of \$7,846,481 for the coming year - down over \$1 million from last year. Expenditures for the student services remain essentially the same with the cuts coming from the capital outlay area of the budget. The school purchased a large number of computers last year and built the science addition at the high school said Geneva Findley, CISD Business Manager.

The tax rate will stay the same as last year - \$1.457/\$100 valuation.

Roping again set for Fair

Once again this year at the Mitchell County Fair, ropers will have a chance to display their talents in a Mitchell County Roping Contest set for Saturday, Oct. 9 at the Rodeo Arena on the Fair grounds.

Event chairman, Cole Wulfjen, said the roping contest will be a \$75 round-robin limited to 15 x 15. It will be limited to Mitchell County residents or those who work full time in the county.

Books will open at 5 p.m. on the night of the event and it will get underway at 6 p.m.

Those wishing to reserve a spot can call the Chamber of Commerce at 728-3403.

Several local merchants are donating prizes this year including saddles for the first and second place money winners. Cooper Saddlery will donate one to the first place winner and Rafter B to the second place roper.

First National Bank and City

AHEAD OF SCHEDULE: Work on the 80-John Unit continues at a smooth pace west of Colorado City as nearly ideal weather conditions has enabled the work to proceed ahead of schedule. Over 235 people are working

on the project now with even more expected to be hired as the work force peaks out. Shown are two of the J-Buildings which will house the inmates.

Col-Tex hearing set for Thursday evening

The Texas Natural Resource Conservation Commission will hold their second public hearing on the Col-Tex Superfund cleanup site this Thursday, Sept. 30.

It is scheduled for Sept. 30, at 7 p.m. in the C.C. Thompson Room of the City National Bank. The first meeting was held in July of this year.

Investigators for the agency have been in Colorado City this week to look over old files from the Record office concerning activities at the site in the early 1950's.

The meeting will discuss the removal of three tanks at the site and that work is expected to start in

October. Some 35 individuals attended the first meeting in July and were told the Col-Tex site was number one on the list of sites to be cleaned up in Texas due to the proximity to the population and to the Colorado River.

Suspect caught after high-speed chase

A 28-year old man, identified as Juan Garcia from New Mexico, was apprehended following a high-speed chase through Howard and Mitchell counties Friday afternoon.

The chase started around 4:45 as the suspect was seen trying to break into a cafe in Big Spring. He struggled with a Howard County deputy and then proceeded east on I-20 at speeds exceeding 120 miles per hour. He left the Interstate on FM 670 and was finally stopped headed south on Hwy 163 toward Sterling City.

Units from the Howard County Sheriff's Dept., Big Spring Police Department, Department of Public Safety, Texas Rangers and Mitchell County Sheriff's deputies were involved in the chase until he was stopped at 5:17 p.m.

One of the tanks has a capacity of 80,000 barrels and the other two have a capacity of 55,000 barrels. The storage tanks contain benzene, chromium and a variety of other hazardous substances and each has been punctured and leaking. The Commission feels the hazardous substances have been migrating into the Colorado River.

Fina has placed oil-absorbent booms in the Colorado River and also installed a hydrocarbon abatement system that is designed to act as a filter and a barrier and it

runs 460 feet along the river frontage.

The site of the refinery covers almost 200 acres north and south of Highway 377 west of town and it served as a refinery operation beginning in 1928. It continued in operation under various owners until 1968 and most of the major refinery equipment and tanks were removed in 1971.

For more information about the Col-Tex site, contact Barbara Ferguson, TNRCC Superfund Community Relations, at 1-800-633-9363.

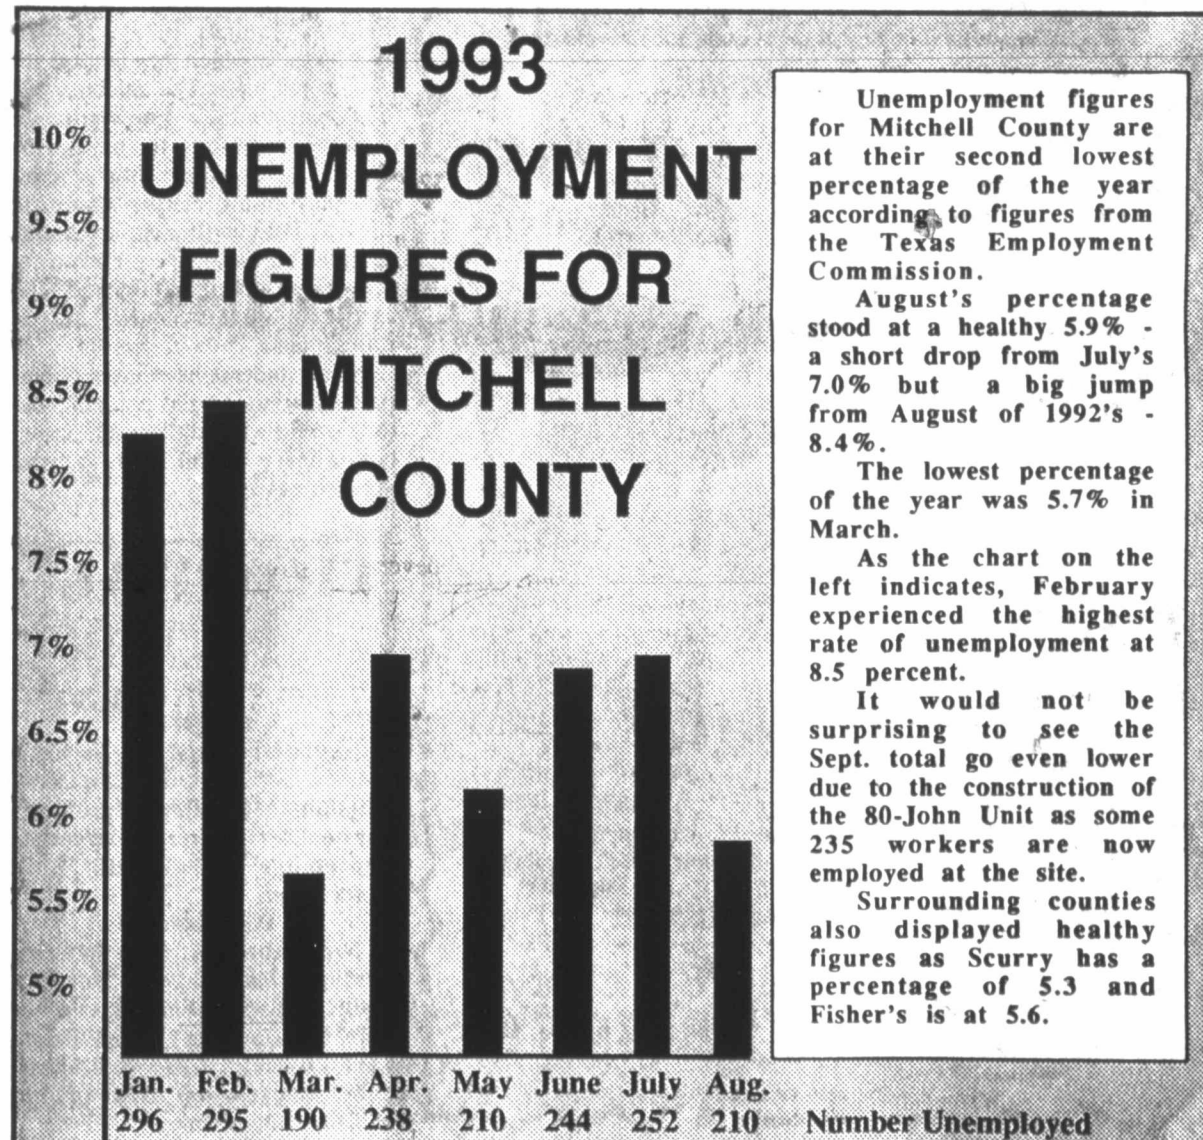

Booths remain for Arts & Crafts Show

"A few booths are still available for the 21st Annual Railroad Arts, Crafts and Antique Roundup set for Oct. 2 and 3," said Cherry Hoback, the chairmen of the event.

"If you would like to reserve one, please call me at 728-8953 or the Chamber of Commerce office at 728-3403," said Cherry.

The Colorado City Area Chamber of Commerce sponsors this popular event which traditionally brings in a huge crowd of shoppers and exhibitors as well. All the items displayed are top quality as the Roundup Committee will not allow manufactured or kit items to be sold at the Roundup.

Exhibitors will be setting up on Oct. 1 and the fair will be open to the public from 10 a.m. until 6 p.m. on Saturday and from noon until 5 p.m. on Sunday.

OBITUARIES

Herman Salley

1905-1993

Services for Herman Salley, 87, of Colorado City were held at 2 p.m. Saturday at Kiker-Seale Funeral Home Chapel with Rev. Lloyd Johnson officiating. Burial will be in Colorado City Cemetery. Mr. Salley died September 23, 1993 at Kristi Lee Manor. He was born October 2, 1905 in Mansfield, LA. He married Della Mae Barber 1934 in Colorado City. She died May 16, 1987.

Mr. Salley was a retired farmer and a member of St. Luke's Methodist Church.

Survivors include one son James Salley of Colorado City, one daughter Linda Sue Schmeltkopf of Austin, one brother S.H. Salley of Lubbock, one grandson Aaron Schmeltkopf of Austin.

J. Frank Jones

Retired Texas educator J. Frank Jones, 86, who rode by train from Texarkana to El Paso to attend his first teachers convention at age 19, died Sunday in a local hospital after a 30-year career as a classroom teacher and administrator in both East and West Texas public schools. He was a principal at Colorado High from 1953-1957. Mr. Jones served as an associate professor of business administration at Hardin-Simmons University, Abilene, retiring in 1973. Before moving to El Paso in March, he resided for 35 years in Abilene, where he was a member of First Baptist Church. He was ordained as a deacon in 1949 and was a 32 degree Mason.

Mr. Jones is survived by his wife, Odelia, who taught at Hutchinson Elementary and Colorado Middle School, a sister Gladys Cheatham of Houston, a brother Billy Bob of Texarkana, son Jerry and daughter-in-law Marcia, grandson Stuart, his wife, Tammy, great-grandchildren Katelyn and Kearly, granddaughter Stacey Vraibel and her husband, Paul, all of Phoenix, son Jim and daughter-in-law Harriett of El Paso, granddaughter Amy of Ventura, CA., and grandson Andrew of Santa Barbara, Calif.

Visitation was held Wednesday in Futrell Funeral Home, 201 E. Yandell. Dr. Levi Price Jr., pastor of First Baptist Church officiated at graveside services at 11 a.m. Thursday at Restlawn Memorial Park Cemetery.

Denton Hines

1925-1993

Denton Hines passed away at his West Ohio residence in Midland at 4 p.m. on Wednesday, September 22, 1993 at the age of 68.

Denton was born in Colorado City on May 7, 1925, the son of Floyd and Mabel Standefor Hines. He started to school in Colorado City, but then moved with his parents to the Lenora Community in Martin County in 1940 where his parents operated the Cottonwood Grocery.

The young strapping Hines went to school in Stanton and was a star football player. After finishing high school in May 1942, Denton went into the Army (Armored Division) like many young men during the war years.

Denton served in heavy combat in the European Theater and was wounded in action, an injury that plagued him the rest of his life.

Upon his discharge from the service, Denton worked for the U.S. Postal Service in Midland and then founded the Hines-Wood Upholstery Company and operated it for over 40 years.

Denton is survived by his wife, Wilma, one son Dwight and wife Debbie, of Houston, two daughters, Sheila Hines of Houston, and Patricia Hines of Midland. He is also survived by one beloved sister, Mrs. Ellna Willingham of Midland, and nieces and nephews. Also surviving "Papa" Hines are three grandsons, Casey, Corey and Clay Hines.

Denton will be sorely missed by his big Chocolate Lab, Sandy who was constantly by his side and who will be present at the funeral.

Denton was preceded in death by his loving parents Floyd and Mabel.

Funeral services were held at Ellis Funeral Home on Friday, September 24, at 6:00 p.m.

Conducting the services will be Elders Douglas Church and Hoot Leonard of the Reorganized Church of Jesus Christ of the Latter Day Saints in Stanton of which he was a longtime member.

Jerry Webb

1935-1993

Services for Jerry Webb, 58, of Colorado City are scheduled for 10 a.m. Monday at Kiker-Seale Funeral Home Chapel with Dr. Alex Campbell officiating. Burial will be in Westbrook Cemetery. Mr. Webb died September 23, 1993 at St. Mary's Hospital in Lubbock. He was born February 11, 1935 in Colorado City. He married Helen Campbell November 19, 1954 in Dunn.

Mr. Webb was a retired farmer and a member of Westbrook Baptist Church. He has been a member of the Army National Guard from 1953 to 1962 and on the Westbrook ISD Board of Trustees from 1969 to 1983.

Survivors include his wife Helen of Colorado City; two sons Terry of Westbrook and Tracy of Odessa, one daughter Debbie Webb of Plano, parents Foy and Frances of Colorado City, one sister Janis Baker of Graham, and four grandchildren.

Looney T.E.H.A. Club meets

The Looney T.E.H.A. Club met September 22 in the party room of the Villa Inn Motel.

Lonie Pruitt, president, presided. The club prayer was led by Billie Woods. Roll call was "Something I put in soup." Financial report was given by Etta Lee Gibson. We kept the same slate of officers that we had in 1993.

Council report was given by Billie Woods, council delegate. Tentative date for our club Christmas party was set for December 7th at the home of Billie Woods.

The T.E.H.A. function will be October 28 in the G.C. Thompson Room. We will have a covered dish meal and reports from delegates who attended the State Convention in Waco.

There were eight members present and one visitor. They were: Lonie Pruitt, Etta Lee Gibson, Linnie Williams, Ruth Holman, Iva Prescott, Madge Shepherd, Billie Woods, one visitor Nelma Richey and the hostess Connie Barnette. Refreshments served were drinks, dips, chips and cake. The next meeting will be October 13th with Etta Lee Gibson hostess.

Parents invited to potlatch

The theme studied by fifth grade students at Hutchinson for the first six weeks has been Native Americans. They have studied Native Americans in their social studies classes as well as across the curriculum. As a culminating activity, the entire fifth grade will celebrate with a potlatch Thursday, September 30, 1993.

A potlatch was a great feast held by Indians of the Pacific Northwest at which they feasted and exchanged gifts. The students will demonstrate their knowledge of Native Americans by answering questions, demonstrating games, and performing Native American music. They will also exchange gifts which they have prepared for each other, and then they and their invited guests will enjoy refreshments.

The students have invited their parents to attend the potlatch, but they would welcome any interested community members to the potlatch as well.

Farm Bureau supports NAFTA

Texas agriculture and the Lone Star State's economy stands to benefit from the North American Free Trade Agreement, better known as NAFTA, according to Mitchell County Farm Bureau President David Stubblefield.

"Increased trade activity that has developed between Texas and Mexico over the past few years in anticipation of a successful trade agreement is just the tip of the iceberg in terms of what we expect to happen once NAFTA is signed by the President and approved by Congress," David said, noting that Mexico is currently the nation's third largest trading partner.

The local Farm Bureau leader pointed out that the elimination of trade barriers and tariffs will make Texas and U.S. agricultural products even more competitive and attractive to Mexican importers and consumers.

He also disputed claims coming from labor, environmentalists and those which protectionist bent that NAFTA will hurt the environment and result in lost jobs.

It only stands to reason that as Mexico's economic situation improves, its environment will too. Since 1986, U.S. exports to Mexico have risen from \$12 billion to \$41 billion, resulting in the creation of 700,000 U.S. jobs. NAFTA is expected to add another 200,000 jobs. Many more jobs will be lost if NAFTA is rejected. The Farm Bureau president suggested a Mexican backlash could result in increased tariffs on incoming U.S. goods, which would cripple the ability of U.S. exports to compete and jeopardize thousands of U.S. jobs. Additionally, he believes if Mexico reduces or eliminates tariffs with other trading partners, which is already a done deal with Canada, U.S. manufacturers no longer able to export to Mexico would move south of the border to avoid Mexican tariffs, meaning more job losses.

Under the NAFTA flag, the

U.S., Canada and Mexico will become a formidable trading bloc. NAFTA, he claimed, will create jobs, help protect the environment and improve food safety in all three countries.

It will help stabilize a democratic and free enterprise system in Mexico and open opportunities for them to improve their standard of living, which will help stem the tide of immigrants coming into the U.S. in search of work, Mr. Stubblefield concluded.

Mrs. Randall Kuykendall

Ezell, Kuykendall wed

Miss Shawna Kay Ezell was married Saturday, September 18, at 2:00 p.m. to Randall Kuykendall at the Chapel in the Oaks in Fort Worth Texas. The Reverend Jerry Locke officiated the double-ring ceremony.

The bride is the daughter of William B. and Karen Ezell of Saginaw, TX. She was given in marriage by her father. Her grandparents are Mrs. Grady Ezell of Colorado City, and Mrs. Ruby Gibbs of Saginaw.

The groom is the son of Annette-Kuykendall of Saginaw, and Carroll Kuykendall of Weatherford. His grandparents are Mrs. Fannie Kuykendall of Carnegie, Oklahoma and Mrs. Jewel Sims of Steele, Alabama.

Miss Ezell chose a floor length formal wedding suit of white satin and lace with hand beading. Her suit featured a detachable train which was made by her mother and embellished with lace and beading by her mother and Grandmother. Her bouquet was a silk illusion fell from a floral headband of silk organza accented with roses, beading and spirals of seed pearls. The bride carried a bouquet of purple irises, surrounded by white roses which were intertwined with silk illusion and pearls.

Matron of Honor was Debra Ezell of Keller, the bride's sister-in-law. Stacie DeLa Garza of Weatherford was the Maid of Honor. The attendants wore off-the-shoulder, teal length dresses of deep purple satin. They carried nosegays of purple irises and white roses. Their dresses and bouquets were designed and made by Karen Ezell, mother of the bride.

Best man was Gary Kuykendall, brother of the groom, who resides in Saginaw. Serving as ushers were Marty Ezell of Keller and Grady Ezell of Saginaw, both brothers of the bride. They wore black Henry Grethel Avanti tuxedos with black ties and cummerbunds. Their boutonnieres of white rosebuds and purple heather were made by the mother of the bride.

Amy Ezell and Katie Ezell, neices of the bride, served as flower girls. They wore dresses identical in design to the other female attendants and carried baskets of irises and roses. Their dresses and flower baskets were designed and made by the mother of the bride.

Ringbearers Jeffery Ezell, nephew of the bride and Andy Kuykendall, nephew of the groom wore black tuxedos identical to the bestman and ushers. They wore white silk boutonnieres and carried identical white satin ring cushions which were trimmed in lace and ribbons. Their boutonnieres and cushions were also made by the mother of the bride.

A catered reception followed the ceremony at the Chapel. The bride's table was laid with a white linen cloth and featured a four-tier white wedding cake with raspberry filling. A floral arrangement of irises and roses with crystal and

silver appointments completed the setting. A buffet table of fresh fruit, vegetables, cheese, dip and punch was also provided for the guests.

The groom's table was covered in white linen and offered a multi-layer chocolate cake decorated with chocolate shavings. A brass coffee service and toasted pecans completed the setting.

Miss Ezell is a student at Texas Wesleyan University and will graduate with a degree in Elementary Education in December, 1993.

Mr. Kuykendall is employed by Ram Tech in Arlington.

The couple will make their home in Saginaw.

Out-of-town guests registered from Steele, Oklahoma, Tampa Florida, Dallas, Houston, Midland, Wichita Falls, Austin and Colorado City.

The pre-nuptial shower and dinner-bachelorette parties were given by hostesses Jackie Holland and Stacie DeLa Garza.

FARM TOUR STOPS

Many years ago cotton producers would treat fields for root-knot nematodes but this practice has long been forgotten until recently. On the Travis Turner farm a demonstration was established to determine if cotton production was reduced by presence of nematodes. Three chemical treatments were applied over 1 day old planted seed on June 3, 1993. Harvest data will determine if production is gained with treatments.

The 1993 cotton season has set itself up for the possibility of using several means to aid the harvest of cotton. Russell Erwin has applied several different rates of the harvest aid chemical Cyclone R over the cotton in September. This test will show the defoliation and dessication effects of this product as means to help increase production and fiber quality.

Several new varieties of cotton possess differences in fiber quality. One aspect of fiber quality that adds to price incentives is fiber strength. Two trials will be viewed on this year's tour. First is a test planted on May 18, 1993 by Russell Erwin with 12 dry land varieties. The other test was planted by Robert Cox on June 1, 1993; this trial has 15 varieties under irrigation.

A Conservation Reserve Program Contract using a native grass mixture and different types of weed control methods will be discussed. Native grasses seeded are Sideoats Grama, Indiangrass, Plains Bristlegrass, Kleingrass, and Green Sprangletop. Wildlife value will also be discussed.

A nutgrass control demonstration will be reviewed on the Harold Kruse farm. Curtis Shaw is the operator. Several different application rates of Eptam herbicide were applied for the control of nutgrass in cotton. The results of the demonstration will be discussed.

7th grade girls defeat Albany

The seventh grade "A" volleyball team defeated Albany recently, 15-8 and 15-12.

Scoring for the winners were Kendra Anderson, Liz Rivera, Jamie Mason, Randi Redwine, Staci Turnbow and Monica Rodriguez. Others playing were Edwina Ceballos, Mandy Strain, Sarah Lawson, Anjanette Morgan and Manda Gunn.

Coach Shona Aberegg said the team was improving with every game and their hard work will result in a very successful season.

The seventh grade "B" team also won over Albany, 15-4 and 15-4.

Sharey Ritchie, Kim Sharp and Julie Ellis scored for the seventh graders in the wins. Others on the team include Shelly Pilcher, Nicole Arispe, Sarah Selvera, Laurie Miller, Jennifer McBroom and Joy Thompson.

Coach Aberegg said these girls have come a long way since the first day of practice.

Lady Wolves capture third in tournament

The varsity volleyball team defeated Water Valley Tuesday in two close matches, 15-10 and 15-13.

Bethany Bridgford led all scorers with 8 points while Jeanette Ceballos and Christie Mendoza scored 6 each. Krissy Crawford scored 5 and Jennifer Ornelas added 3 in the wins. Robin Walls added 2 and Veronica Moreno added one.

Coach Sharon Graves said this was one of the best matches the team had played all year. She added that the intensity and concentration was at a high level from start to the finish of the match.

The girls captured third in the tournament over the past weekend as they defeated Miles in the third place game, 15-8, 12-15 and 15-13.

Jeanette Ceballos scored 14 points in the games and Robin Walls added 9. Christie Mendoza scored 6 while Jennifer Ornelas added 6 and Bethany Bridgford added 4 and Veronica Moreno added 3.

Veronica Moreno was named to the All-Tournament team for her play.

The Lady Wolves defeated Santa Anna in their first match 15-6 and 15-2 Krissy Crawford made 11 points. The girls lost to Tahoka in their second match 8-15, 15-10 and 12-15.

Merchants plan meeting

There will be a very important meeting of the Merchants Committee of the Chamber of Commerce this coming Thursday morning according to committee chairman, Gaye Houston.

It will be a Dutch Treat breakfast at the Villa Restaurant beginning at 7 a.m.

Among the items to be discussed includes how the Mitchell County merchants can meet the needs and services of the influx of new citizens to the county plus upcoming promotions.

"Everyone is invited to this meeting," said Houston, "whether you are a member or not. We want all merchants in Mitchell County to attend."

Wolves lose to Coahoma 34 -7

By Cliff Vlasin

The Colorado Wolves were dealt some misery from all sides Friday night at Coahoma.

While Mother Nature was hammering them with lightning, wind, and rain, the Coahoma Bulldogs were dropping the Wolves to 1-3 on the year, 34-7.

This game had a familiar ring to it, bearing a striking resemblance to last week's loss to Slaton. Just like a week ago, the Wolves were making a game of it when the bottom suddenly dropped out.

Down 14-0 at halftime, The Wolves came roaring out of the locker room to make it close.

With 9:27 left in the third quarter, junior quarterback Jason Castillo cut upfield on an option play, broke two tackles and streaked 43 yards to bring Colorado City to within a touchdown.

Frank Perez added the extra point and the few remaining Colorado City fans who had braved the inclement weather had something to cheer about.

Just as Slaton did a week ago, however, the Bulldogs cut the celebration short.

On their first offensive play following the Wolf kickoff, just 24 seconds after the Wolf touchdown, Eric McMillan rambled 45 yards to recapture the Bulldogs' two-touchdown advantage.

The quick score seemed to take the heart out of the Wolves, as they never recovered.

Again, Colorado City was unable to contain a strong complement of Coahoma backs as three Bulldogs managed over 100 yards on the ground.

Sophomore Frank Espinoza led the Wolf rushing attack for the second week in a row, punching out 72 yards on 17 carries.

Defensively, tackle Ron West seemed to be in on virtually every tackle, while Jim Lemons turned in another strong performance in the defensive backfield.

Colorado City's first scoring threat came late in the first half. On their first possession after the Bulldogs had made it 14-0, the Wolves Greg Gaona returned a short Coahoma kickoff to the 45-yard line.

Two plays later, Espinoza broke through the center of the Coahoma line for a 32-yard gain to the

Bulldog 17.

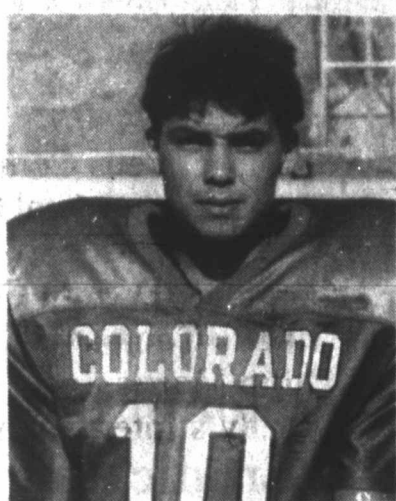

Two more plunges by Espinoza netted six yards, leaving the Wolves with third down at the nine.

A motion penalty and a strong defensive play snuffed the drive, however, as the first half ended with the Bulldogs up by two touchdowns.

The Wolves threatened late in the game also after Daniel Silva recovered a fumble on the Coahoma 39. The Bulldogs had intercepted a Castillo pass, but dropped the ball on the return.

Another Castillo pass, this one to Ryan Costabile put the wolves on the Bulldog 25-yard line, but time ran out on the next play.

Colorado City will now prepare for the long trip to Muleshoe for their last non-district matchup Friday.

Jason Castillo scores Wolves' lone touchdown.

WE ARE OUTRAGED!

How Dare you Say TV Violence and Sex Have No Consequences!

We're a group of 1,500,000 American families who are OUTRAGED with you at the TV networks and Hollywood who say you are not causing crime and violence in America...as well as personal tragedy to millions of our children.

We're OUTRAGED that, even after THOUSANDS OF STUDIES and after 27 Congressional Hearings on TV violence over 20 years, you STILL arrogantly deny any responsibility for crime and violence.

We're OUTRAGED that you continue flooding our homes with so much violence that when our children have finished ELEMENTARY SCHOOL they've seen 8,000 MURDERS and 100,000 ACTS OF VIOLENCE on TV.

You say there are no consequences? That it doesn't cause violence? WE say one of your very own—Ted Turner—is right! He testified at the latest Congressional Hearings that TV is "the SINGLE MOST SIGNIFICANT FACTOR CONTRIBUTING TO VIOLENCE IN AMERICA."

If TV images don't affect behavior why do advertisers spend BILLIONS on TV commercials?

No consequences??? One study blames TV as a CAUSATIVE FACTOR in half the homicides in America—10,000 a YEAR!

How Dare You Do This To Our Families!

How DARE you on ABC's "Entertainment Tonight" show a woman in leather chains whipping the bared bottom of a man bound to a torture rack.

How DARE you at CBS plan a prime-time mini-series for this fall where two brothers SHOTGUN THEIR PARENTS TO DEATH.

How DARE you at MTV entice youth with your music and then show them 29 VIOLENT IMAGES AN HOUR.

How Dare You Do This To Our Children!

We're just as OUTRAGED at all the other filth you pour into our

homes.

The MORAL ROT on Oprah, Geraldo and Donahue makes us cringe, it's so repulsive. And you know that MILLIONS of children watch these programs. No effect on them?

What you're showing them is undermining every value caring people try to teach them.

This year there will be ONE MILLION teen pregnancies...406,000 ABORTIONS...HUNDREDS OF THOUSANDS of illegitimate teen births. What part do YOU play in these shocking human TRAGEDIES? None? We are tired of your attitude that you have superior minds and abilities and that the American people are violent, sexually perverted, ignorant dolts whom you can treat with contempt.

We're Starting a Nationwide TV Boycott

The networks tell Congress they will apply violence warnings on programs, and then say none of their programs rate the warning. That is a SHAM and a FARCE and again shows your contempt for the American people.

We've HAD IT! We're asking every reader of these ads to join us in a BOYCOTT of the irresponsible advertisers who don't care and pay for this filth which is causing such terrible pain and hurt to our families, our children and our country.

THE DIRTY DOZEN

Top Sponsors of Filth on Prime-time Network TV

1. Slimfast Foods Company	30.80
2. Thompson Medical Company	26.87
3. Anheuser-Busch	26.07
4. Church & Dwight Company	23.37
5. Gillette Company	21.30
6. Philip Morris, Inc.	19.50
7. Wendy's International	19.37
8. AT&T	18.34
9. Unilever United States, Inc.	18.27
10. Toyota Motor Sales	18.21
11. General Motors Corporation	17.10
12. E.I. du Pont De Nemours	16.97

Based on monitoring done by American Family Association during the Spring Sweeps, May 2-29, 1993. The number to the right of the company is the average violence, sex, and profanity incidents sponsored with each 30-second commercial run by the company.

Together We Will Get Them To Stop

We are asking every reader of this ad to send in the BOYCOTT NOTICE below. We will send you a complete report which includes the companies, addresses, phone numbers and products of the top sponsors of violence, sex and profanity—the "DIRTY DOZEN." Then write and/or call these sponsors and tell them you will BOYCOTT THEIR PRODUCTS if they don't clean up their act. THAT'S ALL YOU NEED DO.

What WE Will Do

Every month we will notify the networks and the advertisers of the number of BOYCOTT NOTICES we have received. They're going to KNOW American families are outraged.

American Family Association is an organization composed of more than 1,500,000 families in all 50 states. AFA is a member of the national financial accountability group ECFA (P.O. Box 17456, Washington, DC 20041) and registered in every state which requires registration. Not one penny of the money which comes in from this ad will be used for salaries, administration, etc. All donations will be used to buy ads in other papers.

The Roanoke (VA) Times & World-News checked on AFA and wrote: "The American Family Association...has operated for 15 years with a good record for honesty. We checked four sources...No one doubted the money will be used as the donors specify. Words like 'sincere,' 'up front,' and 'pretty clean ship' were offered in describing the American Family Association."

We're asking every reader of this ad to help us run it all over America...AND send in the BOYCOTT NOTICE on the right. We believe that the advertisers should be held responsible for the programs they help sponsor.

When you send in the petition, we will mail you a complete list of the "DIRTY DOZEN" top sponsors of filth containing names, addresses, products, phone numbers, etc.

We will also regularly keep you informed on whether these companies change or not, and any new companies which appear on the list.

Please join us. Our children, our families and our country are being hurt too much by these irresponsible advertisers and TV people for us to do nothing.

Right now mail the BOYCOTT NOTICE on the right. Please enclose a tax-deductible contribution to help pay for another ad.

All it takes is for enough of us who are outraged to ACT! Can we count on YOU? Give yourself some clout! Mail the Boycott Notice NOW.

NATIONWIDE TV BOYCOTT NOTICE

Mail To: American Family Association, Dept. W22

Tupelo, MS 38803

Yes, I am outraged with the way TV is destroying traditional family values and encouraging violence. I want to be part of this Grass Roots Nationwide Boycott and help run this ad all over America. Please send me a list of the "DIRTY DOZEN" list of sponsors. You will keep me informed. Every month you will notify the networks and advertisers of the progress of this effort. You agree all funds will be used for running ads in papers.

With this understanding I am enclosing a tax-deductible contribution of \$_____ to help pay for another ad and to send a list of the "DIRTY DOZEN" to families who cannot afford to contribute.

Name _____

Address _____

City/State/Zip _____

P.S. It is the total number of these notices from people who intend to boycott that is important. This project is so important that even if you can't send a contribution please mail in this Boycott Notice.

A Project of American Family Association, Dr. Donald E. Wildmon, President. Approved By the I.R.S. as a 501-c-3 not for profit organization.

LETTER TO THE EDITOR

Dear Editor:

I commend the President, Mrs. Clinton, and the Task Force on their monumental and unprecedented efforts to develop a plan to overhaul our Nation's ailing health care delivery system.

There are numerous provisions in the president's plan which I support, such as a strong emphasis on preventive care, the new focus on outcomes information, the extension of 100% tax deductibility for health insurance costs to the self-employed, administrative simplification and medical education reforms to train more primary care physicians.

There are also, however, significant components of the plan which concern me including the degree of government involvement in the health care system; employer mandates and the global budgets, especially in light of their potential to adversely impact rural areas.

In spite of these differences, I look forward to working with the administration and my colleagues from both sides of the aisle, throughout the legislative process, to pass a workable plan for fundamental system-wide reform which will reduce costs and assure access to quality health care for all Americans.

Sincerely,

Charles W. Stenholm, U.S. Senator 17th Congressional District

Dear Editor:

The Chamber of Commerce had its first Cowboy Breakfast on Saturday, September 18, just before the Old Timers Reunion.

It was a big success and we served eggs, sausage, biscuits,

gravy, beans, potatoes, salsa and coffee to over 120 persons.

We want to express a special thanks to everyone involved: Dr. Cowan, Bobby Lemons, Corky and Gaye Houston, Lloyd and Ina Finch, Lloyd Smith, Brian Bassham, Ricardo Ramirez, J.O. Dockrey, Eddie Strain, Jack Strain, A.W. Rowe, D.M. Smith, Shirley Delaney, Robert Hoback, Warren Sanders, Jerry and Carolyn Creager, Robert Cox, Raymond Fuller, KVMC Radio, Colorado City Record, Caprock Electric, Villa Restaurant, Spade Ranch, First Baptist Church, David Stubblefield.

We look forward to an even bigger turnout next year.

Sincerely,

Jan Lemons
Board Member
