Commissioners meet

Bridge program discussed

The approval of the bridge replacement program and an opinion regarding investments with the Savings and Loan Association were among the items of business that the Mitchell County Commissioners' Court covered in a called meeting Monday morning.

The bridge replacement under discussion concerned one 16 miles south of Colorado City on the "Old River Road" which connects Highways 208 and 163. The estimated cost of the

project is \$360,000 plus right-of-way. Funding for the bridge replacement would come from state and federal funds with the county paying 20 percent and the Commissioners are awaiting approval of the application for the funds.

Neva Turner, manager and executive vice president of Colorado City Savings and Loan Association, met with the Commissioners to hear the opinion of the State Attorney General's office on the county's use of savings and loan associations.

County Judge Bill Carter read the opinion which stated that the county could not use a savings and loan for a depository but could place "surplus" funds with them for investment purposes.

The Court defined "surplus" as money not needed immediately for some purpose. They felt that the better word to use was "idle." It was noted that \$100,000 would be the most that they could put

County and City vehicles collide

Two vehicles, one belonging to the City and the other to the County Sheriff's department, were extensively damaged in an accident that occurred about noon on Saturday, November 13.

A juvenile was driving a Chevrolet pickup belonging to the City of Colorado City south on Locust St. when he ran a stop sign and ran into the side of Sheriff Wendell Bryant's 1980 Ford Granada, traveling west on 6th St.

Both vehicles had to be towed off and Bryant said that both "may have been totaled." According to City Manager Rick Crowley, the youth was not authorized to drive the city pickup. City police officer Steve Collier investigated the accident.

SHERIFF WENDELL BRYANT'S CAR was damaged extensively Saturday when a city own pick-up struck the car as he was crossing an intersection. The pick-up was driven by an unauthorized juvenile. Neither driver was seriously injured.

Chamber nominates directors

The nominating committee of the Colorado City Area Chamber of Commerce has nominated the following people to serve as directors for a three year term starting in January 1983: Horace Caldwell, Ann Gregory, Max Shaw, D.M. Smith and Neva Turner.

This marked the second consecutive trip to state for the 106 member band, who is under the leadership of Band Director Bill Shipp. Shipp said that it would be next week before the final standings were released, but it is estimated that CHS would finish between seventh and ninth place.

A RIBBON CUTTING CEREMONY was held for Davis Exterminating, Inc. Tuesday morning by the Chamber of Commerce Ambassadors. Present were, left to right, Nina Crout, Charles Godwin, Linda McCombs, R.L. Caddell, Mr. and Mrs. Gabby Davis and Porter Richardson.

Rowe home toured by club

Thirty members and guests of the Mary Jane Club of Coahoma traveled by motorcade Thursday morning, Novem-

ber 11, to Colorado City to tour the home of Mr. and Mrs. A.W. Rowe. The home was built in 1907 by the Prude fami-

ly, prominent in the ranching and banking business in the West Texas area. It was dedicated as a State Historical

Landmark in March 1980. The Rowes are only the second owners of the majestic old home, having purchased it from Lois Prude Bennett, the daughter of the man who built the house.

Mr. and Mrs. Rowe lived in Coahoma for a number of years, during which he became employed by Amoco and she was employed as secretary to the Coahoma Superintendent of Schools.

Mrs. Rowe was assisted in conducting the tour and serving refreshments of hot biscuits, jelly, fried quail, wassail and coffee to the group by Mrs. Redwine and Mrs. Cramer, who taught school in Coahoma for many years. The group included former students of hers, as well as parents and grandparents of former students.

The Rowes acquired the old Texas and Pacific Depot which was built the same year the the Prude home and have used materials from it extensively in their restoration. Oak from the depot was fashioned into cabinets and marble slabs from the restrooms were cut into countertops. A radiator from the train station supports a marble topped table in the kitchen. The red sandstone which originally came from Barstow, Texas, has been used by the couple to add a stone wall around their property.

The hardwood floors and woodwork throughout the house are also original. Plans changed for apartments

The proposed opening date of the Andrea Gardens Apartments has been changed from December 1 to January 1. The reason for the change, said owner Guy Van Dell, is an alteration of architectural plans; some of the apartments are now going to have a second story with a balcony.

Van Dell noted that the Chamber of Commerce has offered a working area in the Chamber office for his company to use when they begin taking rental applications.

Andrea Gardens is named in honor of Van Dell's daughter.

the Mitchell County Boxing Club hosted a boxing tournament last Friday and Saturday at the Wallace Center, and the host edged out Sweetwater for the team trophy.

It was two nights of action-packed excitement in the ring as the local team won the team trophy by winning 26 bouts, while Sweetwater won two matches. The amazing thing about this feat was that

the Mitchell County boxing Club had only 22 boxers, while Sweetwater boasted 34 boxers.

Winning first places for the local team were Greg Gaona, Jamie Rivera, Jeremy Strawcutter, Mike Espinoza, Mark Alvidrez, Greg Rodriguez, Bobby Arocha, Gabriel Gaona, Bobby Sosa and Ricky Arispe.

Rocenda Rodriguez, Sammy Rivera and Mark Strawcutter all won by default. Second place winners were Chris Alvarez, Stevie Williamson, and Spencer Taylor. Sonny Johnson, Mike Lara and Pete Lara all lost their bouts Friday.

Exciting matches took place in the 115 pound weight group when Vince Gaona took a close decision over a San Angelo opponent,

and in the 120 pound weight group as Rudy (Chato) Arispe lost the first round, but came back to take the next two in outpointing an opponent from San Angelo. In the 135 pound weight group, Oscar Martinez simply outclassed his opponent from Sweetwater in earning a first place trophy.

Boxing coach Vince Gaona Sr. was happy with his fighters, "I am real pleased with the boys, everyone of them did good, they all improved a whole bunch," he said. He also stated that the tournament was a success.

The club's next scheduled tournament will be December 3-4 in Big Spring, although Gaona said that the club had been invited to fight against fighters in South Texas Nov. 17-18 at Cor-

pus Christi. He said that there is a possibility

that some of the boxers might go.

Open House held at VFW Post

In observation of Veterans Day, Thursday, November 11, the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary held an open house at the post home. Some 40 persons attended the flag raising ceremony.

Members participating in raising the flag were Frank Ingram, Gerald Anderson and Andrew Rivera. Don Bird gave a veterans day prayer and Ann Ingram gave a flag tribute presentation.

Afterwards, a crowd of approximately 32 members and guest enjoyed a breakfast, cooked by Auxiliary members, consisting of sausage, bacon, eggs, gravy and homemade biscuits.

During the afternoon, popcorn and bar-b-que sandwiches were provided for all that were at the Post.

Also, on Tuesday, November 9, eighty-seven American flags, for use on graves, were replaced at the cemetery.

The Ladies' Auxiliary wishes to thank everyone for their donations to the Buddy Poppy drive.

Agape Circle discusses "Churches in Europe"

The Agape Circle met Monday, November 8 at 6 p.m. in the First United Methodist Church with Juanita Coker presiding.

After Ethel Hardegree gave the opening prayer, Betsy Davis read the minutes of the last meeting and then Nelda Garrett gave the treasurer's report.

The nominating committee announced that

those now serving as officers will continue to serve for another year.

It was announced that the next meeting, in December, will be a salad supper with a Christmas program to be presented by Rochell Smith.

The program for this meeting was a continuation of the "Churches in Europe." Mrs. Smith talked on The Peace of

God, saying the task of the churches is to pray for peace and that the Christian Conference will focus on this peace.

Hostesses Phyllis Glover and Betsy Davis served refreshments of sandwiches, cake and punch to Della Fox, Mrs. Coker, Mrs. Garrett, Mrs. Hardegree, Mrs. Smith, Mrs. Glover, Mrs. Davis and Wilma Reynolds.

Club talks on foreign policy

At the Friday, November 5 meeting of the Self Culture Club, international Policy was the topic of discussion. Ida Keith served as hostess.

After Linnie Williams led the pledge of allegiance, Club President Eddie Barclay discussed the effect of an N-Freeze.

She quoted Secretary of Defense Casper Weinberger, saying a "A freeze would tempt Moscow to try nuclear blackmail or even a first strike against the U.S.," Weinberger stated in a speech to the Massachusetts Medical Society in Boston. Brezhnev agreed to negotiate on reducing weapons and called for an N-Freeze. The Reagan administration welcomed the offer but rejected the N-Freeze, which would have eroded the U.S. ability to deter war and maintain peace. Soviet leaders debate their nuclear strategy behind closed doors; virtually no information leaks to the public."

Elizabeth Elliot reported that N-freeze "has spread throughout the world like a raging fever. It is a movement that has been penetrated, manipulated and distorted to an amazing degree by people who have one aim-to promote communist tyranny by weakening the U.S. Today, KGB is concentrating on one of the largest Active Measures campaigns since WWII. The Objective of the Soviet Union is military superiority for the soviets by persuading the U.S. to abandon new weapon systems. The name of the campaign is 'nuclear freeze'."

She also said, "The World Peace Council itself is a front organization of the Soviet Union, though there are many others. The number of U.S. submarine-launched ballistic missiles was frozen in 1967 but Soviets continued to build. The U.S. has tried 'Nuclear Freeze' since 1967, that's fifteen years, and it hasn't worked. The Soviet Union has built a massive strategic defensive weapons system backed by 100 times as many radars as we have. They spend nearly 2 billion dollars per year on civil defense. Such a rapid and intense military buildup has not occurred since Hitler's arming of Germany before WWII, as reported by the American Security Council."

In a short business session, Mrs. Keith contributed 8 plants to be sold for a fund-raising project to be held November 23 in the downtown area. The fund-raising project will be a White Elephant and Bake Sale.

Those attending the study was Mrs. Barclay, Mrs. Elliott, Mrs. Keith, Jewell Tiller, Pearl Watson, Mrs. Williams and Bertie Strain.

Letters to the Editor

Dear Sir:

I read a letter in the Sunday issue of your paper, with a great deal of amusement, concerning police protection in Loraine. Some of the most devastating tragedies of life could be avoided, if people such as "Mr. Mitchell" would merely put their brain in gear, prior to setting their mouth in motion. Had this "concerned citizen" tried to check his facts, he would have found that our Police Chief is to graduate this month with 360 hours of accredited class work. The reason he must call the Sheriff's Department is because the city does not care to pay an exorbitant fee for placing a telephone in the police car, and the chief is usually on patrol, as the city is paying him to do. Perhaps Mr. Mitchell would prefer him to sit behind a desk to earn his very nominal salary.

Concerning the number of people at City Hall, it is entirely possible Mrs. Lee was exceptionally talented. Fortunately, God in his infinite wisdom, did not bestow all of us with the same degree of abilities, therefore, it could be that we were very fortunate to have a person with the rare ability of being able to complete the work normally required two people. This

Northcutt hosts the EH Club

The Looney Extension Homemakers Club met Wednesday, November 10 at 2 p.m. in the Lone Wolf Medallion Room with Mrs. J.D. Gibson presiding.

After Mrs. Catherine Shurtleff led the club prayer, Mrs. Pansy Northcutt led the recreation.

Roll call was answered with "My Happiest Thanksgiving."

Mrs. Beatrice McGuire gave the Council report.

Plans were made for the Council Luncheon to be held on December 7 and the members plan to attend the program presented by Dr. Fish on eye diseases on November 18.

Mrs. Catherine Cauley will give a program on Christmas Ideas on December 1.

The Looney Club will have their annual Christmas Luncheon and exchange gifts in the home of Mrs. Charles Williams on December 16. Also, the 1983 officers will be installed.

The luncheon will consist of turkey and all the trimmings.

Mrs. Northcutt, the hostess, served refreshments to nine members and one visitor.

Those attending the meeting included Iva Prescott, Beatrice McGuire, Dollie Jarman, Etta Lee Gibson, Artie Hardin, Angie Harrie and Catherine Shurtleff.

should not be construed however, to mean we can expect everyone to do the same.

People like this "citizen" could better channel their efforts toward something constructive such as reworking the city park, rather than showing the entire populace of Mitchell County how poorly informed they really are.

Thank you for your time and the space required to print this.

Dear Editor,

We are concerned parents who do not understand how a person who has been proven guilty of selling narcotics to the public could be given so light a sentence. Isn't it true that this was his second offense for selling narcotics?

The law force has worked so very hard, spending so much time and money apprehending the offenders.

The parents, teachers and others are working

so hard in this community letting our young people know how much we care, and trying to prevent them from using drugs, and the peddlers are turned loose to sell the drugs again. We wonder who is really guilty, and are in hopes more people will think about this.

Thank you so very much for printing our letter.

CONSTRUCTION ON A BRIDGE on the south Service Road of Interstate 20 is progressing very well. County Commissioner Johnny Shackelford said that the bridge would allow drivers to get from Westbrook to Colorado City without getting on the Interstate.

DALLAS DIVISION COUPON

Wallace, Todd vows are exchanged

Malinda Cook Wallace became the bride of Zane Todd Sterling of Snyder at a 3 p.m. ceremony held November 6 in the First Baptist Church in Colorado City.

The double ring ceremony was officiated by the Rev. Floyd Wallace of Big Spring. He is a retired Baptist minister and great-uncle of the bride.

Serving as witness for the couple was Sherrol Ledbetter of Abilene, a friend of the bride.

The bride is the daughter of Mr. and Mrs. Bill Cook of Colorado City and the groom is the son of Mr. and Mrs. Mickey Sterling of Ira. Carrying out tradition, the bride wore: Something Old—a lace

handkerchief belonging to her mother and carried at her own wedding; Something New—a white Bible given to her by the Baptist Young Women; Something Borrowed—a pearl necklace belonging to the groom's mother and worn by her at her own wedding; a gift of the groom's father; Something Blue—her garter, a gift from Mrs. Wayne Shaw.

Following the ceremony, the couple was

honored with a reception in the home of Mr. and Mrs. Cook.

The bride and groom's table was covered with a hem-stitched cloth belonging to the late Mrs. Drue Cook, grandmother of the bride. The bride's cake was decorated in apricot and white, topped with three satin wedding bells and served from an etched crystal cake plate belonging to the groom's parents and used at their wedding reception.

The groom's cake, a German chocolate, was made by Mrs. R.J. Lloyd, aunt of the bride.

The fall flower centerpiece carried out the couple's chosen colors of apricot and brown.

Out-of-town guests were from Abilene, Lubbock, Big Spring, Snyder, Ira, Odessa, Weatherford and Merryville, LA.

After a short wedding trip, the couple will be at home in Snyder.

Forms to be completed by veterans

Many veterans and dependents in Texas received annual income questionnaire cards with their November pension checks.

It is important that those questionnaires be completed and returned by next January 1, so that future benefits may continue, said the Director, Waco Veterans Administration Regional Office.

Not all veterans and dependents received those questionnaires, he noted. But those who did must return them on time—or future benefits will be automatically suspended.

Personal assistance in completing those cards may be obtained by visiting or telephoning the Waco VA Regional Office toll-free number listed in your telephone directory.

Dowell has 50th anniversary

Dowell celebrated its 50th anniversary during the week of November 7th. In 1932, using techniques designed to increase the production of brine wells by the use of inhibited acids, Dowell quickly made the transition to acidizing services for the oil and gas producing industry.

Today, the Dowell Division of Dow Chemical U.S.A. provides acidizing, fracturing, cementing, drilling fluids, enhanced oil recovery, tools, nitrogen, and sand control. It has also expanded to provide mining and industrial cleaning services. From what started as a handful of people in a few locations, Dowell has grown to around 7,000 employees and over 120 district locations throughout the country.

Loraine B&PW Club met at the Loraine Lions Club at 6:30 p.m. Monday for their regular meeting. A salad supper was served.

The club voted to purchase Christmas gifts for nursing home residents who do not have families to remember them at this season. All signed a card to Dr. Bruce Johnson who is in a Galveston hospital. They reported the

workday at the city park was very successful, a lot of work was done. Custom Ag did some work for them there which was appreciated very much and Larry Blair is directing work on a sign for the park name, "The Loraine City Park".

Mrs. Rickard brought the program, speaking on "Learning to Cope with the Aged", which was very enlightening and informative.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

Loraine girls eyeing 12 A crown

The last time the Loraine girls basketball team won a district championship was 1976 and a player by the name of Jackie Rose led them to the title with an average of over 30 points per game.

This year, another Rose steps into the spotlight and maybe she can lead the Bulldogs to the promised land. Her name is Leslie, and she is Jackie's little sister, and last year as a sophomore the younger Rose averaged 27 points and 16 rebounds per game in leading Loraine to a third place finish in district 12A, while gaining All-District honors.

Rose and the Bulldogs under the direction of coach Jimmy Fine finished the 1981-82 season with a 13-12 record and a 9-5 district slate. Fine returns three other starters along with Rose and only one of them is a senior. She will be surrounded by an abundance of talent with fellow starters Hortencia DeLorea, a 5-3 point guard who also gained All-District honors last season.

DeLorea averaged five points last year and Fine says she is a quick and very aggressive player on both ends of the court. The other Bulldog guard is 5-3 junior Janie Barrea who averaged seven points last season, and with the exception of Rose is the best outside shooter on the club.

Stephanie McAdams is the lone senior on the team, and she will man the other post position. The 5-7 McAdams averaged eight points and eight rebounds last season. Fine credits her with being an excellent rebounder and being able to gain good position on both offense and defense.

Fowards Margie Oliver and Julie Wells will both split time starting, depending on the opponent. Oliver is a 5-4 sophomore with good jumping ability and Wells is a 5-5 junior who is a good ballhandler and penetrates the defense well.

Rounding out the returning letterwomen are 5-3 junior guard Shelly Martin who is a very good defensive player and a fine back-up point guard to DeLoera. Kathy Wright, a 5-3 junior guard will also see ample playing time for Fine.

Others on the varsity are Juniors Christine Vasquez, Martha Vallejo and Mitzi Halmark. Sophomore Karen Harmon and freshmen Adeline Vasquez, Shelia Darnell, Tonya Trout and Jo Anna Barrea make up the rest of the team.

Fine's troops will run a stack offense trying to get the ball into and across the lane. They want to get the ball down low to either McAdams or Rose. But Fine says if that doesn't work his guards are very capable shooters from the outside.

Defensively the Bulldogs will press fullcourt and play man to man. They will also drop back into a 2-1-2 zone.

Coach Fine rates Highland and Roscoe as the teams to beat, he also said the Westbrook and Ira could be dark horses in the district race.

He also feels that his squad will be much more experienced from last. "That year of experience will pay off a great deal, we made a lot of mistakes last year because we were young. The girls are use to working with each other and they know what it takes to win," he said.

Fine feels that if his team plays up to their potential they will win district, and Rose and company will bring back that district crown that has been missing from Bulldog land the last six years.

Lady 'Cats Victorious

The Westbrook Wildcats girls basketball team fared well in their first scrimmage of the year against McCauley last Thursday in Wildcat Gym.

The 'Cats, behind post player Christi Vanderpool's 16 points, went on to down McCauley 46-30. Gracie Fuentes followed Vanderpool with eight points while Lynn Dawson added seven.

Elania Lopez and E-vonne Bradshaw added four points each, while the 5-5 Bradshaw hauled down 18 rebounds. Teresa Browne, a 5-3 junior starter for the Wildcats (whom we left out of the pre-season story) added three points. Kelly Smith and Rebecca Kelly contributed two points each.

to man defense because we don't have that much height, but we do have quickness," said Tucker. Tucker also added that his Wildcats would take advantage of their quickness by using a man to man press at times. "This team has teamwork, and this is the best hustling I've had since I have been here," he said.

Tucker has been pleased with the progress guard Zant has been making. "He is my best ballhandler, and is coming around as a starter." Burnett is the squad's best inside player and Cantu is the best overall inside and outside player said Tucker. "All 10 players are going to contribute to a good season," agreed Tucker.

The Wildcat mentor says that last year's district 12A champ Roscoe will be the team to beat, followed by Highland. The Wildcats will be out to avenge last year's poor showing, and it seems that coach Jerry Tucker has his team on the right track.

7th grade girls ready for season

The 7th grade girls of Westbrook School will launch their basketball season November 29, at 6:00 p.m., in the Westbrook gym against the Hermleigh Cardinals.

The new girl's coach is Keith Bundas. Originally coming from Hamlin, he has coached at three other Texas schools: Bryson, Bangs, and Aspermont. While at Bangs High School, he led his junior high girls to an 18-2 season.

The following girls have won positions on the Westbrook junior high team: Kate Walls, Donna Henry, Jimmie Kelly, Lisa Lamb, Lenita Hines, Veronica Lopez, and Jeannie Rogers. Three of these young ladies will start for the junior high team according to Bundas. They are Amy Harrison at wing, Lisa Lamb at post, and Kate Walls at baseline.

The girls as a whole work fairly hard. "Sometimes I expect too much from them," added Coach Bundas, "at least they think I do. We are still not basically sound on fundamentals, but we do work on our weaker aspects of the overall game. The girls collectively are very enjoyable, hard workers, and good sports."

Last year 0-22

Wildcats ready for season

The old saying "Things have to get better, because they can't get any worse," seems to hold true to coach Jerry Tucker and his Westbrook Wildcats boys basketball team.

Last year Tucker and his troops suffered through the worst season in the school's history as the once powerful Wildcats suffered through a dismal 0-20 season. But Tucker, in his third year at the Wildcat helm, has been known for turning

programs around, as he did for schools like Slaton and Lubbock Cooper.

Last year the 'Cats just had plain 'ole bad luck' as they played all of their games on the road, due to the fact that a new gym floor was being installed. To make matters worse, the Wildcats had to hold practice sessions outside on concrete courts. This did not appeal to many hoopsters, practicing outside during the mid-

dle of the winter.

Enter the 1982-83 season, the Wildcats have a new gym floor, three returning starters and 10 varsity players and nine junior varsity players. But Tucker says the biggest plus is the attitude of the players. "The overall attitude of the players has changed for the best, this is due to the kids that stuck it out last year," he said.

Heading the group of returning starters is 6-0 sophomore postman Donell Burnett who averaged eight points and six rebounds per game last season. Guard Max Zant was the teams' leading scorer last season with 10 points per game. The 5-7 senior's leadership will be a valued asset to a relatively young team. Another returning starter counted on for leadership will

be senior post Steve Cook. Last season was the first time that he played, and the 5-10 Cook averaged two points per contest.

Rounding out this year's starting five will be 5-6 junior guard Vince Gaona and 5-11 junior forward Roger Cantu. Tucker says he will play two teams because he has 10 ballplayers that are capable of getting the job done. Leading the second five is 5-9 sophomore post Kelvin Poe. Last year as a freshman he averaged four points and three rebounds. The others are DeWayne Pierce, a 5-10 senior post player, Roger Rogers, a 5-7 senior guard, Donald Ginkinger, a 5-5 junior guard and Billy Sweet, a 5-10 senior forward.

Taxes analyzed by State Board

An analysis of the 1981 tax year, recently completed by the State Property Tax Board (SPTB), reveals that property taxes totaling over \$5.75 billion were levied in Texas by approximately 3,250 local taxing units.

School districts accounted for more than \$2.8 billion of the total tax levy, with school taxes up 15.5 percent from 1980. Counties increased taxes almost 23 percent, levying more than \$1 billion, while the levy for cities and towns topped \$1.2 billion, a 14.4

percent increase. Special taxing districts such as hospitals, utilities, junior colleges, rural fire protection districts and others increased tax levies 13.9 percent to \$677 million.

Kenneth Graeber, the State Property Tax Board's executive director, noted that the overall statewide increase in property taxes for 1981 was 16 percent, down slightly from the 19 percent rise in tax levy posted for 1980.

According to Graeber, property taxes levied during 1981 were the

primary source of local government revenue for the 1982 fiscal year. They were used by the governing bodies of the various taxing units to provide services of benefit to the community such as public education, fire and police protection, street construction and repair, utilities and health care.

When analyzed on a per capita basis, the SPTB's report showed that 1981 property taxes totaled \$335.08 per person. When adjusted to a base year of 1970 for changes in the consum-

er price index, however, the real property tax levy for 1981 was \$143.06, compared to a real levy of \$129.71 in 1970.

Graeber pointed out that growth in the overall level of property taxes can be attributed to inflation, which has made services more expensive for local governments to provide, and the accelerating shift of population to Texas which has created a need for expanded and improved community services.

Although the primary source of revenue for local governments, property taxes as a percentage of overall state and local taxes have decreased in every year from 1970 to 1981 except for two years—1975 and 1979. Property taxes accounted for 37 percent of the total state and local tax burden in 1982, down from 43 percent in 1970.

The State Property Tax Board report looked specifically at how the 1981 school tax levy was allocated among the various types of property.

Business real and tangible personal property shouldered 32.3 percent of the school tax burden statewide, followed by single-family residences at 27.4 percent. Owners of oil, gas and other mineral reserves paid 15.3 percent; utilities, 6.4 percent; multi-family residential (such as apartments), 4.1 percent; and banks, two percent. Acreage land

The Mitchell County Boys Club would like to thank all the local businesses, G.I. Forum and local people who donated for trophies for our recent boxing tournament. Also we would like to thank all the mothers and fathers of the young men who helped with the tournament. Without our referees and judges, Macca Findley, Chief of Police Ed Wheat, Woody Anderson, Sam Farham and John Salazar, plus the announcer and director of the Boys Club, Pat Barber, this tournament would not have been such a huge success. To everyone else who helped, "Thanks for making this tournament possible."

Rickard speaks to B&PW Club

The Colorado City Business and Professional Women's Club, Inc. met for their regular dinner and business meeting Tuesday, November 9 at 7 p.m. in the Civic Center.

The Civic Participation Committee hosted the meeting, with Shirley Delaney as chairman, assisted by Nelda Garrett and LaRue Powell. Guests introduced were Naomi Jordan and Josie Chaney. Ms. Delaney introduced the guest speaker, Marsha Rickard of Lorraine.

Ms. Rickard is the president of the Lorraine B&PW Club and is employed as administrator of the Leisure Lodge of Lorraine. She said that she has had five years of service in this type of work.

The subject of Ms. Rickard's discussion was "Coping With Aged Parents." She remarked that we can't necessarily cope with the aged but we can deal with the problem. She noted statistics show that there are more aged people today than ever before, as one out of every ten people is now over 65 years of age. She also listed contributing factors to this situation, primarily longevity. In dealing with this sort of problem, Ms. Rickard mentioned that the key word was "patience."

She was given a round of applause. The business session was presided over by Club President Virginia Dearen.

The minutes of the previous meeting were read and approved. The treasurer's report was given by Nell Shackelford.

Reports of the Standing Committees were heard. Mildred Free reported that the club would be assisting the Chamber of Commerce in the "Tour of Christmas Homes" which is scheduled to take place December 4 from 1 p.m. to 4 p.m. The theme this year is to be "Country Christmas." The fee is to be 50 cents per person. Volunteers will be needed for this project.

The club will also enter a float in the Christmas parade. The club will also sponsor its annual Chinese Auction on November 30 in the C. C. Thompson Room from 7 p.m. until 9 p.m. Members were urged to bring baked goods and handmade items.

Reports on other projects were given by Molly Bruce. The meeting concluded with the president reciting special thoughts on Thanksgiving. Members present included Molly Bruce, Margaret Ann Conaway, Virginia Dearen, Shirley Delaney, Annie Dixon, Mildred Free, Nelda Garrett, Ann Gregory, Ethel Hardegree and Ida Kirschbaum.

Other members attending were Erdine Morgan, Margaret Oyler, LaRue Powell, Lona Pritchett, Sallie Rogers, Juanita Schafer, Nell Shackelford, Faye Spivey, Anna Staats, Pearl Watson, Judy Winkle, Mary Womack, Wilma Womack and Anita Jorasz.
