Interest at Fever Pitch for Mustang-Blackhawk Game

QUEEN JUANICE HENDRIX reigns over the Mustang homecoming parade. Shown here from left are the queen and her attendants: Brookie Johnson, Latrell Stewart, Queen Juanice, Wynne Lee Young, and Linda Clark.

Juanice also is cheer leader at OHS this year. She is the daughter of Mrs. Edd Thompson.

A near-capacity crowd of onlookers from all reaches of the Panhandle-Plains area is expected at Plainview Stadium this Friday to see the District 2-AA Champion Olton Mustangs lock horns in bi-district play with the Phillips Blackhawks, defending Class AA state champions. Kickoff time will be 2 p. m.

For Coach Joe Turner's Mustangs, it's a monumental assignment, and Olton will enter the fray as a decided underdog.

The District 1-AA Champion Blackhawks are being touted far and wide to repeat as Class AA state champions again this year before moving into AAA classification in 1956.

Olton-Phillips Likely Starters

These are the probable offensive starting lineups for the Olton-Phillips game this Friday:

OLTON

LE—Jarrell Edwards, 165
LT—Jack Hysinger, 175
LG—Roy LaDuke, 130
C—Jerry Edmonson, 145
RG—Max Wozencraft, 150
RT—Edward Featherngill, 170
RE—Donald Powell, 175
QB—David Price, 170
LHB—Jackie Gray, 155
RHB—Wally Stewart, 145
FB—Teddy Estes, 165
Line average—159
Backfield average—159

PHILLIPS

LE—Ralph Smith, 164
LT—Norman Kendrick, 212
LG—Johnny Royal, 160
C—Gordon Richardson, 159
RG—Royce Phares, 156
RT—Gene Packebush, 188
RE—Voyn Orr, 171
QB—Stanley Wilder, 173
LHB—Jimmy Gray, 158
RHB—Jackie Webb, 155
FB—Tommy Newman, 156
Line average—173
Backfield average—160

There's statistical evidence aplenty that they have the grid-iron know-how to do so. The Blackhawks of Coach Chesty Walker, who has an almost magical record in his 17 years as coach at Phillips, have not lost a game since late 1953.

That was to Ballinger in a state quarterfinals contest played at Wichita Falls.

Potent Offense

After marching impressively to the AA schoolboy crown in 1954, the Blackhawks came back strong this year and currently boast the highest-scoring AA schoolboy eleven in the state. Undeclared and once-tied (by Dumas, 20-20, on Nov. 4), Phillips has rolled for a fabulous total of 482 points in 10 games, while limiting opponents to 66 points.

The Mustangs, who carry a 7-3 season record and 5-0 district record into the bi-district clash, own one of the best defensive records in the state, having allowed only 57 points in 10 games, or less than a touchdown per game.

Just how capably the stubborn Mustang defense will be able to halt the high-scoring Blackhawk machine is a matter of wide-spread conjecture.

Scoring Sparkplug

More specifically, area grid fans are asking themselves if Olton's defense can stop Jackie Webb. Over the regular season schedule, the 155-pound Webb has carried 125 times for 1,409 yards rushing (an average of 11.3 yards per carry), has caught 15 passes for 369 yards, has 29 touchdowns and four extra points for 178 points.

Thus Webb's individual scoring total is only 17 points shy of the 195 points scored by Olton in 10 games this year.

Gray Has 49

Highest scoring Mustang back is Jackie Gray, who has eight TD's and an extra point for 49 points. Teddy Estes and Wally Stewart follow closely with 44 and 42 points, respectively.

J. T. GIBSON'S DAD DIES OF HEART ATTACK

J. T. Gibson, Sr., father of J. T. Gibson of Springlake, died in a Paducah hospital last Saturday shortly after being stricken with a heart attack.

Mr. Gibson, 85 years old, was one of the original settlers of King and Cottle Counties.

He moved to King County in 1886 from Graham and went to work for the old Mabry-Crawford Cattle Company at the age of 16.

In the spring of 1891, Gibson helped drive 1,500 steers through Indian territory to the Kansas line.

After his marriage to Miss Emma Merrick of Guthrie, Gib-

SMITHS WILL SELL OLTON HARDWARE CO.

W. B. Smith, Jr., has announced that he is in sales agreement with Ernest Fowler of Floydada for sale of Olton Hardware.

The store will be operated by Red Muse who now is associated with KGNC-TV in Amarillo.

The Smiths operated The Olton Enterprise before going into the hardware business about five years ago.

Cotton Harvest At 19,868 Bales

With machined cotton flowing in at a near record pace, Olton

gins reported Wednesday morning that they have weighed in a total of 19,868 bales.

That compares with the 12,412 reported a week ago.

Most farmers say that the harvest is approximately three-fourths completed. They are in general agreement that Olton's cotton crop will be "off a third or more," moneywise, from last year's crop as result of late planting and early freeze.

Grades on machined cotton are holding up fairly well, ginners say. Machine-stripped cotton, in general, is bringing from 26c to 29c per pound.

Cotton has been flowing into gin yards at such a rapid clip that all local gins are behind. Olton Co-Op Gin reported Wednesday morning that they are approximately 900 bales behind.

FIRE DEPT. TO SPONSOR BOX SUPPER

Olton Fire Department will sponsor a box supper on Tuesday night, Dec. 6, it has been announced by Tom Smith, fire chief.

Proceeds from the box supper, Chief Smith said, will be used toward purchase of a second fire truck.

"We hope everyone in the community will make plans to attend and participate," Smith said.

FIREMEN BUSY

The Olton Fire Department answered six alarms over the week-end. Two were to car fires. Lindsey Dennis' car was one of those heavily damaged by fire.

Springlake Wolverines Face Rattlers From Stinnett in Bi-District Saturday

Springlake's Wolverines will meet the Stinnett Rattlers in the 1-A, 2-A bi-district playoff at Amarillo Saturday night.

The game will begin at 7:30 o'clock in Amarillo Stadium.

Admission will be \$1.25 and 50 cents. Ticket windows will be open at the stadium at 6:30 o'clock Saturday night.

Coach Colie Huffman's Wolverines again go into play in the underdog role. Stinnett—like Phillips in AA—is the darling of the Amarillo Daily News sports department.

Coach Huffman's boys apparently glory in the role of underdog—or maybe they don't read

the daily's sports page.

They played as underdogs against Sudan and beat that team 13 to 7. Again they were underdogs last Friday night in the game with Happy and they humiliated the Cowboys 20 to 0.

Rattler Coaches are Don Seymour and Clinton Williams. Roy Simmons is assistant coach at Springlake.

The average weight of the Wolverine starting lineup is 156 pounds—identical to that of the Rattlers.

Percentage wise, the Wolverines have it on the Rattlers in the scoring department.

The Wolverines have scored

305 points against their opponents while allowing only 67. Thirty-five of these points were scored by the mighty Yannigans of Amarillo (the Amarillo Sandie B team).

It should be pointed out that often the Yannigans are more powerful than the Sandie first team because they are allowed to play players not eligible for varsity service.

In comparison, Stinnett has scored 328 points and allowed their opponents to score 77. The Rattlers have been scored upon in seven ball games while only five teams have been able to cross Springlake's double stripe.

Led by Drum Major Naomi Burrus, the Olton Mustang Band swings down Main Street in the homecoming parade. The Mustang band has won many honors in area and state

competitions the past few years. It is under direction of Ted James.

'Good Chance To Beat Hawks,' Goss Reports

"I think we have a good chance of beating Phillips," Assistant Coach Jimmy Goss told Quarterback Club members here Monday night.

"Phillips is strong, but not as strong as last year, and I don't believe our boys are scared by their impressive record," Goss said.

Goss scouted the Blackhaws in their 34-19 win over the Canyon Eagles last Friday, and reported that the Eagles offense was able to move well against Phillips.

AROUND OUR

FARMS

By VERNON NIXON

Cotton harvest continues in full swing over this area as most other outdoor activity comes to a standstill. Cotton stripping which is entering the final stretch of this fall run is being estimated at near 65% thru. By Tuesday night the Olton plants had only 17,336 bales weighed in. This is approximately 50% of the amount ginned up to the same time last season. The Olton area, which ginned well over 43,000 bales last year, will gin approximately 25,000 bales according to most observers.

Although the picture appears rather black to most of us who experienced the last season bumper crop, we must admit that even with all the set-backs of this season, our 1955 crop will meet the 10 year average of the Olton area.

All other outdoor activity, except some few who have breaking plows on guides, has given way to the immediate need of the cotton harvest. For those who manage to get time to work up the soil now, they find it is working very good. There continues to be sufficient moisture for good mellow plowing.

Some few have already taken note that the new "inspection stickers" are available for the 1956 year. We have hesitated to say much about it this year as all the qualified shops who can issue stickers have been very busy and unable to take on more work. However, lest we get into the same situation as last year when we came up to nearing the deadline date and only a few had inspections made, we are hoping that you can soon begin making arrangements with your regular inspection mechanic to get this over with.

The inspection is somewhat more strict than last year and a closer inspection is required on brakes, horn, lights, windshield wipers and any other item which might create a driving hazard. Make arrangements soon with your garage which

does state inspections and get this requirement out of your way and off your mind.

TEACHERS' GOALS ARE DISCUSSED

"Goals of Classroom Teachers over the State" were discussed by Mrs. John Campbell and Mrs. Fred Gordon at the meeting of the Olton Classroom Teachers Tuesday.

Some of the goals they discussed were leave of professional absence; at least one period a day off for primary and elementary teachers; and special classes for high school students that don't go to college.

Local goals were hospitalization for Classroom teachers and F.T.A. can be used by teachers. Plans were laid down for some of the teachers to attend the State meeting to be held during Thanksgiving holidays at San Antonio.

Thanksgiving Banquet Honors Boys of Church

Complimenting the Royal Ambassadors of the First Baptist Church, a banquet was staged Monday night in the fellowship hall of the church.

Acting as hosts and hostesses were the Brotherhood and the W. M. U. of the church.

Rev. John Rankin of Amherst, district R. A. leader, was guest speaker.

The invocation was said by Rev. John Lewis and the welcome address was given by A. D. Adams, Brotherhood president.

A. E. Cade gave the response and others on program included Jackie Pinson, Vernon Nixon and W. C. Gunter. Duward Price acted as master of ceremonies.

A quartet composed of W. C. Gunter, Marshall Tabor, Duward Price, and Basil Sherman sang, "Be A Man."

After a Thanksgiving dinner, Rev. Glen Godsey gave the benediction.

There were approximately 102 persons present.

Homebuilders Club To Meet Tuesday

Members of the Homebuilders Home Demonstration Club will meet at 2 p.m. Tuesday, Nov. 29, at the home of Mrs. C. T. Hulsey, it was announced this week.

The program, on nutrition, will be given by Mrs. Hazel Hickman, county home demonstration agent.

Visitors are invited to attend.

Interest at Fever

(Continued from Page One)

over rugged Canyon last weekend, told Quarterback Club members here Monday that ant coach who scouted the Webb is not only the best runner the Blackhaws have, but also the best pass receiver.

Phillips, according to Goss, is not primarily a passing club. "Their big power in straight up the middle," Goss said, "but they have such a good assortment of plays that you never know what to expect."

Ball-Handling Wizard
The Blackhawk quarterback is 173-pound Stanley Wilder, term-

ed by Goss "as good as any in the state." Wilder, though he seldom carries the ball himself, is widely-heralded as a ball-handling wizard and a pinpoint passer. He has completed 29 passes for 662 yards, has run for two touchdowns, kicked 31 extra points for a total of 43 points.

Other likely backfield starters for Phillips are fullback Tommy Newman, 156 pounds, and half-back Jimmy Gray, 158 pounds.

This will be the second meeting in history between the two clubs. The first was on Nov. 27, 1953, when the Mustangs fought the favored Blackhaws to a 20-20 tie but lost the game on penetrations.

Bank On Team Play

The Mustangs, who boast no one or two outstanding players, will be depending heavily Friday on the aggressiveness and team spirit that carried them to a district championship which, at season's opening, had been widely conceded to the Littlefield Wildcats.

The Mustang defense has been pitifully stingy with points all season. The Mustangs blanked four opponents, limited four others to a touchdown apiece, and only Abernathy and powerful Spur managed to cross the Mustang goal line more than once.

Offense Improving
The offense of the blue-and-white, pitifully weak in early season, showed sharp improvement in district play. Against five conference opponents, the Mustangs rolled for 123 points, or an average 24.6 points per game.

Both clubs are reported in good physical shape for the district clash. Only seriously injured player on the Mustang squad is diminutive Jack Royce Straw, reserve halfback who suffered a cracked rib in Olton's 13-6 triumph over Dimmitt last Friday.

Olton fans will sit in the east stand. A complete sellout is not anticipated for roomy Plainview Stadium, but "come early for good seats" is timely advice for this game, perhaps the most widely-publicized of the 16 Class AA bi-district games scheduled throughout Texas this week-end.

son moved to his first homestead in King County. He later traded for more land bordering the present 6666 Ranch. This location has been the Gibson homestead 53 years.

Survivors include his wife; four daughters, Miss Lottie Gibson of Paducah, Mrs. A. R. Etter of Wichita Falls, Mrs. T. E. Long of Paducah and Mrs. L. N. Jones of Lubbock; five sons, J. T. Gibson of Springlake, Joe A. Gibson of Canyon, Merrick and J. J. Gibson, Jr. of Paducah and Kenneth Gibson of Amarillo; a brother, Charles F. Gibson of Aspermont; 14 grandchildren and four great-grandchildren.

Funeral services were held at Paducah First Baptist Church at 3 p.m. Monday, with Rev. Howard Lyons and Rev. Hubert Johnson, officiating. Burial was in Garden of Memories Cemetery.

FHA, Brownies Win Prizes On Parade Floats

First and second prizes in the homecoming parade here last Friday were awarded to the FHA girls and the Brownie Scouts, respectively.

Cash prizes of \$10 and \$5 were given by the Chamber of Commerce.

The Brownie float was a joint entry of Brownie Troops 31 and 32. Mrs. Tom Carlisle is leader of Troop 31 and Mrs. Howard Buchenau is leader of Troop 32.

The colorful parade attracted approximately 17 floats, and was hailed as "the best ever held here" by a large crowd of on-lookers. Bill Kelley was parade chairman.

STAGE PLAY

The Olton High School Dramatic Club will stage their play, "Junior Miss," a three-act comedy the nights of Dec. 1, 2 and 3 at the high school auditorium.

Church Of God To Continue Revival Services

The revival which is in progress at the Church of God here will continue through next week, it was announced this week by Rev. A. J. Cross, pastor.

Services are being held nightly at 7:30 o'clock, with members of the local congregation doing the preaching.

"We cordially invite the public to attend," Rev. Cross said.

Anton Man Speaks At Brotherhood

HART CAMP—Guest speaker at the Hart Camp Brotherhood of the Baptist Church last week was Rev. Raymond Davis, pastor of the colored church in Anton.

Those present were Blanton Martin, Junior Parham, Edwin Oliver, Doc Leonard, Bobby Sager, Ivy Thompson, and Rev. C. H. Vanlandingham.

COACH JOE TURNER of Olton shows Coach Chesty Walker the lucky silver dollar that brought the bi-district game with Lefors to Olton on a home or home flip, back in 1952. Superstitious Chesty and Phillips Superintendent Lee Johnson refused to flip with Joe's lucky buck. Supt. Johnson used a half dollar of his own and Olton Supt. Carl Macon won five out of six flips that decided everything from the site to the number of officials each school would be allowed to choose. The Olton delegation latched onto the half dollar that treated them so kindly and it goes into the Mustang trophy case—if Olton wins the game.

ACCORDING TO THE WORD OF GOD— WHAT KIND OF MUSIC IS AUTHORIZED IN WORSHIP?

According to the word of God—the kind of music authorized to be use in worship to God in this age is VOCAL. Observe the following scriptures:

SANG PRAISES. "And at midnight Paul and Silas prayer, and SANG PRAISES unto God" (Act 16:25). "In the midst of the church I will SING PRAISE unto thee (Heb. 2:12).

SINGING. "Speaking to yourselves in psalms and hymns and spiritual songs, SINGING and making melody in your heart to the Lord" (Eph. 5:19). "Teaching and admonishing one another in psalms and hymns and spiritual songs, SINGING with grace in your hearts to the Lord" (Col. 2:16).

SING. "For this cause I will confess to thee among the gentiles, and SING unto thy name" (Rom. 15:9). "Is any merry? Let him SING psalms" (James 5:13).

According to the word of God—the kind of music is vocal. Every time singing is mentioned in the New Testament it is SING, SANG, SUNG, and SINGING. Some might say, "I think that instrumental music is . . ." It matter not what I think or what someone else thinks, what does the word of God say? **THE WORD OF GOD STILL SAYS: SING, SANG, SUNG AND SINGING** in every scripture where it is mentioned in the New Testament, and the instruments of music are left out in every case.

Notes To You

BY NELDA ROACH

Kangaroo court was the final step in the FHA initiation held

Wednesday, after school, in the kitchen of the Home Ec. department.

Those poor, scared, mistreated freshman girls felt they had rather die than go through with the initiation. Most of them survived without too much suffering. Part of the initiation

proved to be very nauseating, even to those who looked on. The girls' very last step in becoming a member was to be branded and then sit on a cake of ice and repeat the FHA Creed. They were all very good sports.

So proud are we of our Wolverine team!! The victory over Happy brought Springlake home with a district title. The Springlake Wolverines will meet the Stinnett Rattlers Saturday night at 7:30 in the Amarillo Sandie Stadium. Donald Sandel will be unable to play, due to a bad shoulder socket separation received during the Happy game. We are all behind you Wolverines... so let's try for bidistrict.

A/3c Larry Kelley, a former student of SHS, is home for a ten day leave. He was recently stationed at Lackland Air Force Base but is now enroute to Wichita Falls.

Doug Parish and June Gregory, one of the senior steady couples, were visitors in Littlefield Saturday and in Lubbock Sunday. Why so far away from home?

Bud Watson and Beverly Stine, our fine senior-freshman couple

were in Amherst Saturday night to see "Apache Woman." Sunday they were in Earth—just being together.

Myres Ogletree is still burning the road to Dimmitt after a certain Marisue Woodburn. Wednesday night they were in church and Friday night they were in Dimmitt to see "Seven Year Itch."

Cute senior couple, Charlene Hamilton and Max Neal were at the Happy game Friday night and at Littlefield Saturday night. Sunday they were in Earth. Charlene, does Max like your new hair cut?

Another prominent senior couple, Janis Jones and A. J. Phillips, were together Friday at the game; Saturday, Earth; and Sunday at Littlefield. What happened to all the week nights?

Richard McCaskill and Barbara Brock, our "old" engaged couple, were together Thursday; Friday, game; Saturday, Earth; and Sunday they were in Lubbock.

Laura Northcott, Jimmy Bitner, Genevieve Louder and Lowell Westmorland were in Lubbock Saturday night at the "Maddox Bros. and Rose Show." No doubt—you had a wonderful time!

Laura Northcott was with Houston Bartlett Sunday night in Muleshoe.

Eddie Haydon and Sherry Stine were together Tuesday, Saturday and Sunday. Saturday they were in Lubbock and Sunday at the show in Earth, "Seven Little Foy's."

This is something new—Doyal Bills and Sandra Wasson were together Friday night after the Happy game. You two make a cute couple!

Barbara Lynn McCaskill and Doug Lewis are together most every night. Thursday night they visited in the home of Dewey and Bob Waide, and Friday night they were at the game.

Norma Jones and Otis King go together enough to be listed among the steadies. They were together Friday, Saturday and Sunday.

Buddy Murrell and Judy Templeman were together Sunday afternoon and night. Didn't you go hunting at the sandhills?

Shirley Green and Phillip Jennings must be slowing down, because they were together Saturday night only.

Jimmy Herring and Elaine Riley make all the rounds! Tuesday, Thursday, Saturday and Sunday were their nights for dating this week.

Sue Neal and Kenneth Lowe were together Saturday night only, this week. What happened to the other nights?

Larry Kelley didn't waste any time in turning on his charm. He was with Sherrill Wasson Friday and Sunday nights. Larry and Sherrill double dated with Betty Findley and Bobby Angley Friday night.

Zelma Sloan and Danny Eagle, a brand new couple, spent their time together over the week-end.

Peggy Ussery saw "One Desire" with Rex Loftis Thursday night and was with him at the game Friday night. Peggy was with Max Goforth in Earth Saturday night and with Robert Riley, Sunday night at Amherst. Peggy, you are a mighty fast worker!

What's this about Dick Evans, Charlyne Ellis, Gene Stephens and Janice Prather Sunday night? Just wondering.

Carol Hamilton and Davy Taylor were company for each other Saturday night. Carol was also with Gene Tunnell Sunday night.

GIRL SCOUTS ELECT NEW OFFICERS

Donna May was named president of Girl Scout Troop 16 which met recently at the Max Houk home.

Other officers elected were Lila Lee McFadden, vice-president; Lonna May, secretary-treasurer; Mary Roper and Shirley Matney, song leaders; and Becky Hall, reporter.

The girls heard a report that their rummage sale had netted \$43.62. The group decided to sell Christmas cards. The troop is working to earn money for a trip to Camp Mary White in New Mexico.

Cagey Poultrymen Are Switching To CAGES!!

A dollar invested in cage laying has recently proved to pay off better than a dollar put into any other type of poultry or livestock investment.

Eggs from caged hens bring top prices. And with cages, it's mighty easy to keep an accurate check on the production of your hens.

And if you're thinking about going to caged layers, you can get your pullets in production sooner and better with the PURINA program.

Right, John?

Good going, Mustangs!! We
beat Dimmitt so let's take Phil-

The homecoming parade was
a grand success, and I believe
every year will improve it. Con-
gratulations to every one who

took part and helped make the
homecoming activities such a
success.

*Janice Ford is certainly look-
ing forward to this week-end.
Could a certain boy from Rice
be the reason?

Joe Miller and Sydney Hair
seem to be one of the newest
OHS couples. Good luck to a
very cute couple!

What's this about Bill Boverie
and Juanelle Andrews? Good-
ness, I can hardly keep up with
everyone.

Coach Smart and Mr. McClure
have been ill this week. Mr.
McClure has the mumps. We
hope you're both back in school
real soon.

Clyde Rhodes and Linda Fent
were seen together last week.
What about this, Clyde?

Wonder why Naomi was so
anxious for Wednesday to come?
Could "Red" be the reason??

Donald Powell and Barbara
Jones are not a new couple, but
we think a lot of this OHS cou-
ple.

Deloyce Breland and Charles
Brothers are a very popular cou-
ple at OHS, also.

Teddy Estes, Edward Feath-
erngill, and Jerry Edmonson
seem to have invaded the sopho-
more class and captured some
very pretty girl friends. Yes, who
would I mean other than Don-
leece Silcott, Kay Sherman, and
Martha Johnson.

We are glad to have Bobby
Johnson back in school again,
and a certain girl, Alisse Smith.
I imagine is just as happy.

Seen: Wynne Lee Young talk-
ing in hall to Weldon Schaefer
last Friday afternoon.

It looks like Roy LaDuke and
Juanice Hendricks might be an-
other OHS couple.

Krueger Johnson's interests in
Cotton Center seem to grow
stronger all the time.

Phyllis May is expecting com-
pany from Temple, Thanksgiv-
ing.

Wolverines Trip Cowboys 20-0 To Grab District 1-A Championship

HAPPY—Springlake's hard charging Wolverines plucked the 2-A diadem here Friday night from a team of Happy Cowboys who already were trying the district throne for size.

Underdog Springlake humbled touted Happy 20 to 0 before a stadium full of Happy fans who turned out to see the Cowboys grab the district crown.

It was Coach Colie Huffman's second district championship in three years of coaching at Springlake. It also was the second district championship in Wolverine history. Huffman's crew finished second only to Dimmitt last year.

The Amarillo Daily News said Springlake capitalized on Happy mistakes but from the sidelines it appeared that the Wolverines had the Cowboys outplayed and outsmarted in all but the first quarter.

Happy's offense rolled in the opening period. In fact they penetrated the Wolverine 20 in that quarter. But the Wolverines began reading Happy's mail in the second period.

A Happy pitchout play that had been netting yards almost every play splattered in the Cowboys' faces and began losing yardage.

Springlake turned on the heat in the second period. Rex Loftis kicked 62 yards out of trouble and the ball rolled dead on the Cowboy 10. Happy made 8 yards and then tried a kick.

A bad snap from center rolled

into the end zone. The Happy punter retrieved the ball and tried to get off a punt. The kick was bad and Loftis took it on the 12 and scooted into the end zone for the score.

Donald Sandel ran the extra point.

Sandel later suffered a shoulder separation and was taken out of the game. He underwent surgery at Plainview for the injury and will not play football again this year.

Jerry Tunnell substituted for the injured Sandel twin. It was Tunnell who scored the second Springlake touchdown.

Happy's offensive machine had just bogged down in a fourth down try on the eight yard line. The ball went over on downs to Springlake.

Ronald Sandel—twin of the injured Donald—opened up a hole for his brother's understudy and speedy little Tunnel outran the Cowboys 92 yards to the double strike.

Loftis scored Springlake's third touchdown in the final period as a climax to a sustained 69 yard drive. Loftis went over from the eight yard line.

Springlake outplayed the Cowboys in every department. They gained 229 yards rushing as compared to 202 by Happy. They racked up nine first downs to Happy's eight and held the touted Cowboy aerialists to two pass completions in 18 tries and the two completed tosses netted the

Cowpokes only 12 yards from scrimmage.

The Wolverines meet Stinnett in the bi-district playoffs at Amarillo Saturday night and again the Wolverines will be underdogs.

SHORT GRASS

By G. P. T.

It may be inopportune to say so. It may be considered in the wrong spirit to say so. But I can't help feeling that the Olton Mustangs who so valiantly have carried the blue and white to the District 2-AA championship have had a wonderful football season, regardless of what may be the outcome of the Mustang-Blackhawk clash this Friday afternoon.

You and I know these boys personally. Their play on the field has been far beyond our early expectations. But our acquaintance with them tells us more than that. We know that their performance off the field of play is everything that we could hope for. It is, in fact, a privilege for those of us in the stands to be represented by so fine a group of young men.

Because I say that I consider the Mustang season good and

gratifying regardless of Friday's score against Phillips. This does not mean that I feel the Mustangs will give less than their best this Friday. They have not done so yet, and they'll be playing to win.

Evidence that they're unlikely to do so is statistically plentiful. I do not predict otherwise. I hope with all my heart—as do many, many others—that we can. But the final score, whatever it may be, cannot detract from the knowledge that Olton High School is represented this year by as fine a group of youngsters it has ever been this writer's privilege to know.

We duck hunters frequently engage in lengthy conversation about the merits of various kinds of ammunition . . . regular load, high velocity, or magnum. And considerable time is devoted to talking over whether it's best to use No. 4 shot, No. 6, or whatever, under a given set of circumstances.

But maybe we ought to quit kidding ourselves. With whatever load and whatever gun, you'll come home with some ducks if you're a good shot, presuming, of course, that you get some shots.

A good average, the experts say, is a duck for each three shells. If your average is up in that class, you're swinging in big league circles.

I doubt that I could average a bird to three shells if they loosed a gross of canvasbacks in my garage.

For one, I thought there was a definite odor to the Rice Owls' complete disregard of score in their attempt to stop TCU's Jim (Continued on back page)

Mustangs Nip Fired-Up Bobcats 13-6; Estes Tallies Twice To Spark Victory

The Olton Mustangs turned in a narrow 13-6 win over the fired-up Dimmitt Bobcats here Friday night before a homecoming crowd of about 2,000 to gain undisputed possession of the District 2-AA title.

Jackie Gray, the Mustangs' stellar left halfback, sat out most of the contest because of a shoulder injury suffered in the Littlefield game. In his absence, the Mustangs had to depend even more heavily on the bull-like rushes of Fullback Estes. The lanky junior came through with flying colors, scoring both Olton touchdowns and intercepting a pair of Bobcat aerials.

Estes' first interception came early in the first period when he snared a pass from Bobcat Quarterback Don Mobley to give the Mustangs possession at their own 47-yard line.

Estes Scores
David Price romped to the Bobcat 37. Stewart carried to the 36. Two passes were incomplete, then James Ray Hyatt flipped to Estes at the 16. Olton drew a 5-yard penalty for off-side. Gray carried around right to the Dimmitt 4. Estes took a direct snap and rammed over right guard to put Olton out front 6-0 about 7 minutes deep in the first period. Estes' center plunge for the PAT was short of the goalline.

The remainder of the first half, battled out on even terms, was scoreless.

Early in the third period, with the Mustangs in possession at their own 45, Gray fired complete to Donald Powell at the Bobcat 36 and Powell outran three pursuers to the goalline, but the spectacular pass-and-run went for naught when officials ruled 5 yards against Olton for backfield in motion.

Mustang Tally
A series of short ground gains and a 12-yard pass from Hyatt to Powell moved the Mustangs quickly to the Bobcat 4, and Estes piled over left guard for the second Mustang tally. Jack Royce Strawn's conversion widened the margin 13-0.

The Bobcats fought their way back into the ball game on the first play from scrimmage in

the fourth period. Keith Lowe, left halfback, took a pitchout from Mobley and pegged a 38-yard scoring aerial to Jimmy Butler, reserve right end, in the end zone. Jarrell Edwards broke through to block Mobley's placement attempt and the Bobcats trailed by only 13-6 with about 10½ minutes remaining.

The remainder of the period was given over the fumbling and pass interceptions.

Full Of Fumbles
Olton failed to gain following the Bobcat kickoff, and Price booted to the Dimmitt 40. Lowe dropped the kick and Edwards recovered for the Mustangs at the Bobcat 37. Price and Gray carried to the Dimmitt 15, then Price fumbled and Dimmitt recovered at their own 20.

The Bobcats drove to Olton's 49. Then Estes leaped high to intercept a pass from Lowe to Butler, giving the Mustangs the ball at their own 25. Estes picked up a first down at the Olton 35. On the next play, however, Estes faked a handoff to Stewart, fumbled, and the Bobcats recovered at Olton's 31.

Feathergill Recovers
Bobcat passing failed to click and the ball went over to Olton. Three plays picked up 7 yards, and Price booted to Dimmitt's

20. Four plays moved the Bobcats to their own 37, then reserve quarterback Wilmer Studer fumbled and Edward Feathergill recovered for Olton at Dimmitt's 36.

John Paul Jones, reserve fullback, fumbled on the next play and Dimmitt regained possession at Olton's 43. A completed screen pass lost 2 yards and time ran out before the hard-charging Bobcats could get another play underway.

It was chiefly a defensive battle, with neither club able to pull much offensive magic from its bag of tricks. Defensive standouts for the Mustangs were Feathergill, John Jefferies, Powell and Stewart.

Alton Whitworth, Wilson D'Cuffa and Billy Gafford turned in good defensive performances for the Bobcats.

Watch your Step!

Be sure you get a **Modern Truck**

Look for new CONCEALED SAFETY STEPS—a mark of today's most modern trucks that new Chevrolet Task-Force trucks bring you. They stay clear of mud and ice to give you firmer, safer footing.

This is just one of the ways you're way ahead with new Chevrolet trucks!

These handsome huskies offer you the shortest stroke V8's* in any leading truck. Or, you can have the most modern valve-in-head six on the market. All engines have a 12-volt electrical system.

You get today's most modern cab, too—with advanced features like the sweeping panoramic windshield and High-Level ventilation. Come on in and get a modern truck!

Watch the Deal! Why pay more for an old-fashioned truck?

New Chevrolet trucks wear the same low price tags. Check our deal on the model you need.

*V8 standard in L. C. F. models, optional in most other models at extra cost.

OLTON CLEANERS
HORACE CATES, OWNER

"Saunter With Sue"

by Sue Macon

My most hearty congratulations and thanks to all those

who helped to make the Homecoming the very best! It was surely something to be proud of! Don't ever think your efforts were in vain, because they were not—and they were most certainly appreciated!

S-W-S

Our Mustangs are wonderful! Don't ever think they can't take Phillips, because they can, if they have some backing and

hard work behind it.

S-W-S

The Springlake Wolverines are not going to stand still either—we're almost as proud of their victory over Happy as they are!

S-W-S

From where I sit—

Carl McClure is hardly the "timid-type"—Cecil Maddox is still after Mary H. Phillips—Mary Jane (Mrs. Jim) Brown always looks like she stepped out of a fashion magazine—Mr. and Mrs. John (Betty Russell) Kerbou seem the perfect match.

S-W-S

Jess Parker asked to see his name in print. So here it is, Jess: JESS PARKER.

S-W-S

There is something about Adolph Gottschalk that reminds me of Mickey Rooney—John Watt, although hardly the 'type', has a pose just like Marlon Brando—Mrs. Jimmy Briggs (Lanee Fisher) reminds me of the movie star Jean Porter, who used to be in several movies.

S-W-S

We heard of a cute idea for a "do-it-yourself" Christmas tree. The following instructions make a table-top tree. If you would like a larger one, just make a larger frame and buy more of the simple materials required. Here is all the information you need to make this tree, which is really a light frame covered with snowy white, glistening carnations.

Make-it-yourself frame: Use poultry wire or light hardware cloth, 32" x 46". Fold into cone shape, tucking excess corner under circular rim at bottom. No stand is necessary. If you prefer a stand, cut one from a piece of star foam.

Carnation: Materials needed—one large box (300 sheets) of facial tissues; one box of paper clips; one bottle of metallic glitter (comes in a selection of colors, including gold and silver); two bottles of colorless nail polish for applying glitter to carnations; and four boxes of pipe cleaners for attaching carnations to frame.

How to make the carnations:

1. Unfold two sheets of tissues and place one on top of the other, creases running right to left.
2. Fold in half, left to right.
3. Fan-fold the tissues to make

a pleated strip about 3/4-inch wide and 5 inches long.

4. Fasten tissues in center with a paper clip.

5. Separate strip in fan-like fashion at both ends and tear off 3/4-inch from each end of the strip.

6. Gently separate each sheet of tissue from torn edge sheet of tissue from torn edge up toward center where paper clip is.

7. Brush edges of carnations with colorless nail polish and sprinkle with glitter before polish has dried.

8. Run pipe cleaners through paper clip hooks on bottom of each carnation and attach to frame, completely covering tree. Place star or other Christmas ornament on top of the tree.

Conducts Sword Drill

Mrs. Barton Prestidge conducted a sword drill contest for district nine at the Parkview Baptist Church of Littlefield Thursday night.

Scoring judges, penalty judges and time keepers were from Olton. They were Mrs. Robert Edwards, Mr. and Mrs. Joe Miller, Mr. and Mrs. W. D. Holley, W. E. Miller and Barton Prestidge.

Ford Lains' Have Baby Daughter

Mr. and Mrs. Ford Lains are the parents of a baby girl, born

November 15 in a Littlefield hospital.

The new daughter weighed 5 pounds and 15 ounces at birth.

She is the granddaughter of Mr. and Mrs. Jim Lains and Mr. and Mrs. C. Baker.

AT HOSPITAL

Mrs. Floyd Gray was in Slaton over the week-end where both

her daughter and granddaughter, Mrs. Bobby Lemon and Susan Elaine, were hospitalized.

RANDALL ROPER IN EXERCISE SAGE BRUSH

Pfc. Randall K. Roper, son of Mr. and Mrs. Ralph S. Roper, Sr., is assigned to the Aggressor Force in Exercise Sage Brush, the largest joint Army-Air Force maneuver since World War II, now being held in Louisiana.

Some 110,000 Army troops are testing the latest concepts of bacteriological, atomic, chemical and electronic warfare. The exercise ends Dec. 15.

The Aggressor Force furnishes opposition to the regular maneuver troops in simulated battles.

Private First Class Roper, a tool keeper in Company C of the 4th Armored Division's 126th Ordnance Battalion, is regularly stationed at Fort Hood, Tex. He entered the Army in September, 1954 and completed basic training at Fort Bliss.

The nineteen-year-old soldier is a 1954 graduate of Olton High School.

Lamb County Children To Have X-Rays

HART CAMP NEWS

By Yvonne Huff

Mr. and Mrs. Dean Elms of Littlefield visited in the L. W. Sullivan home Sunday.

Brenda Leonard is ill with the mumps.

Visiting in the W. C. Huff home Sunday for dinner were Sue Sullivan and Waylan, Hukill, Frances Presley of Spade, and Don Oliver of Hale Center.

Visiting in the L. N. Burelson home Sunday were their daughters from Lubbock and Littlefield.

Kerwin, Debra, and Edwin Oliver have been on the sick list over the week-end.

Barbara Huff was ill and in bed Monday.

Sonny Huff visited Gene Riney Sunday.

Betty Wheeler was home over the week-end and Jim Taylor was a guest in the Martin Wheeler home.

Waylan Hukill was home from Amarillo over the week-end.

Betty Franklin was also home from college for the week-end.

The Hart Camp young people had fellowship after church Sunday evening. The devotional was brought by Frances Presley, and singing was led by Yvonne Huff. Refreshments were served by Sue Sullivan.

Sunday morning there was a fire at the Hart Camp Co-Op Gin, but there was no great damage. Olton Fire Department answered the call.

Mrs. J. C. Pendleton has been in the Lubbock hospital, but she is doing better.

The Paul Hukills are owners of a new 1956 black and white Chevrolet.

Don and Mike Turner of Littlefield visited their grandparents, Mr. and Mrs. L. N. Burelson last week.

Carol May is reported doing fine after an emergency appendectomy.

Mr. and Mrs. Romey Cannon, formerly of Hart Camp are the parents of a baby girl, born last Monday night.

For '56 choose FORD... America's Favorite Station Wagon!

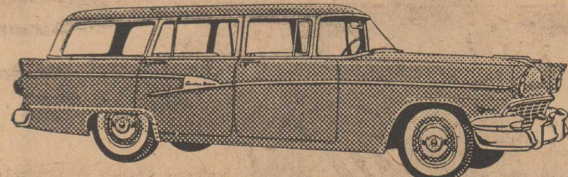

With Thunderbird Y-8 power... Thunderbird styling... and exclusive new Lifeguard Design

THREE WITH 4 DOORS

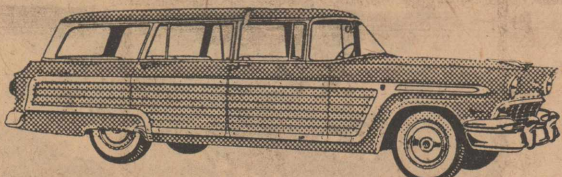

Eight-passenger Country Sedan

It's more stylish than ever this year, with exciting new colors... stunning interiors. Like the Country Squire, it has an easily removable 2-section rear seat. Four doors give easy access for all eight passengers.

Six-Passenger Country Sedan

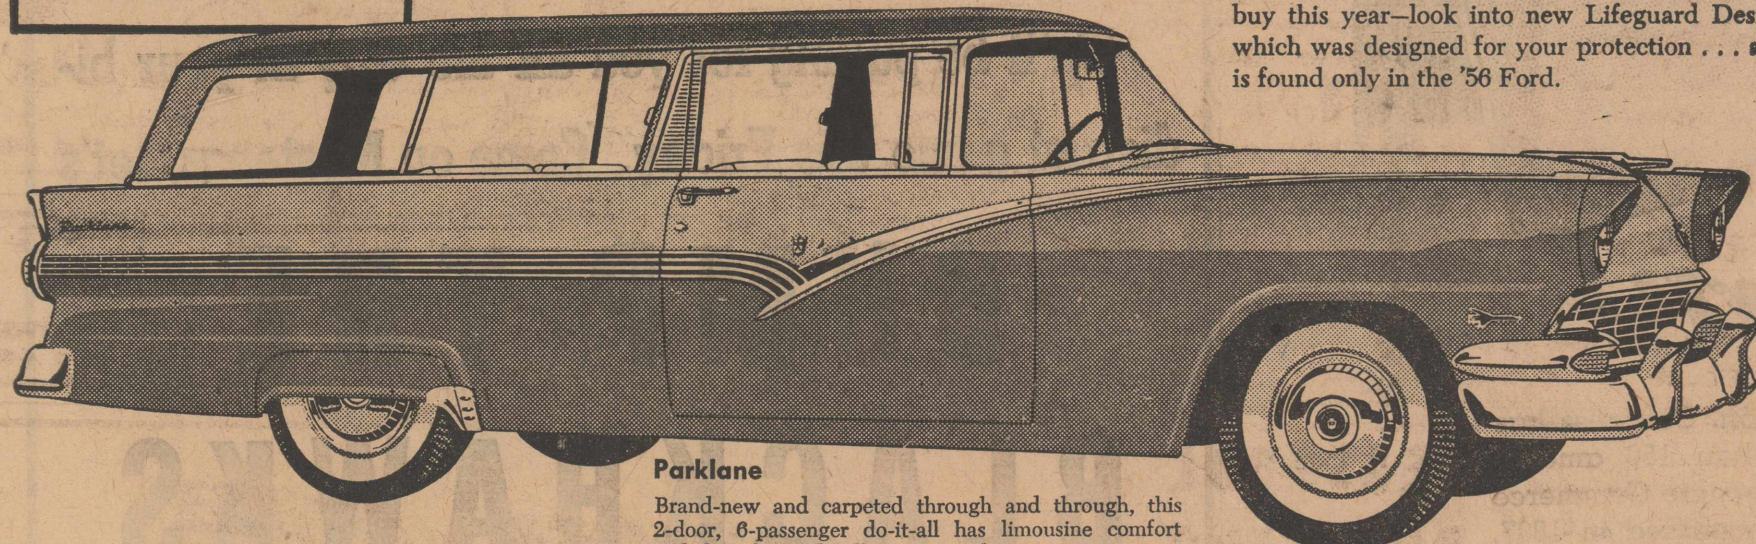

This model is designed for those who prefer 4-door convenience with seats for six. Like all Ford Station Wagons, it has fold-into-the-floor Stowaway seat.

Country Squire

A queen among all station wagons. Mahogany-finished steel panels with wood-grained, glass-fibre moldings give woodlike beauty to this 8-passenger dreamboat.

THREE WITH 2 DOORS

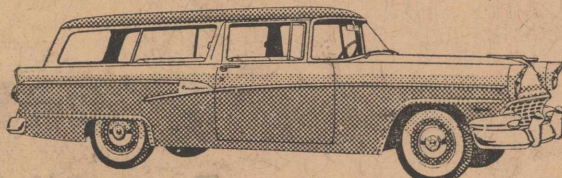

Parklane

Brand-new and carpeted through and through, this 2-door, 6-passenger do-it-all has limousine comfort and doesn't mind rolling up its sleeves.

Ranch Wagon

This all-around favorite has two wide doors, easily seats 6 people. As in all Ford Station Wagons, lift gate and tail gate can be operated easily with one hand.

Custom Ranch Wagon

A 6-passenger beauty that's at home on the range or in the city. Converts in a split jiffy from luxury liner to a super-spacious cargo carrier. Easy-to-clean interior.

Railroads are vigorously promoting a so-called "Cabinet Committee plan" to restrict public controls over transportation rate-making—returning such power to railroad hands.

Both Protect *You* . . .

Both Are *Modern!*

Your rights and privileges as an American citizen are protected by the Constitution, a unique and magnificent document whose principles are as sound today as when written, over 150 years ago. Through the years, amendments have been added to keep the Constitution up-to-date.

The same is true of the regulatory powers of the Interstate Com-

merce Commission. Congress has enacted more than 150 amendments to the Interstate Commerce Act since it was passed in 1887, completely overhauling it twice.

In principle, present ICC regulations governing the various transportation systems are pertinent, constructive, and modern in concept. Under these principles, we have developed the greatest competitive transportation system in the world!

Swink from setting a Southwest Conference scoring record on Saturday.

The Owls (who have lost their last six games) had little prestige to lose. So to stop Swink's sweeps to the right side, they stationed an end and a tackle who ignored the course of the ball. Wherever Swink went, they went. When in doubt, they tackled him anyway, with or without the ball.

Even so, he made 66 yards in 16 carries, but it was his lowest total of the year, and severely dampened Swink's chances to break a couple of important Southwest conference records.

He might still break one or both, but it would take some fancy scampering against SMU this Saturday at Fort Worth.

Swink has 113 points with only the SMU game left on the Frogs' regular schedule. The Southwest Conference record is 128 set by Joel Hunt of Texas A & M in 1927.

Swink has 1,148 yards on 134 carries this season. The SWC record is 1,302 set by Bob Smith of Texas A & M in 10 games in 1950.

If Hunt and Smith had set those records with Rice instead of with Texas A & M, the action of the Owls against TCU Saturday might have been understandable, to an extent. But as it was, it just smelled bad.

Rice alumni may not be too proud of it, either. It was the worst beating suffered by Rice in 10 years, and the greatest margin which TCU ever inflicted against the Owls.

Rice will have the dubious privilege of trying out their "sportsmanship" against Swink again next year. The Rusk speedster, who already has been named to the NEA All-American first team, is only a junior.

There are, in fact, only three seniors on the Horned Frogs' starting eleven. They are Hugh Pitts, center; Bryan Engram, end, and Ray Taylor, halfback.
