Couple Asphyxiated

Mr. and Mrs. Blansit Carter Had Narrow Escape from Death By Gas Fumes

Mr. and Mrs. Blansit Carter had a very narrow escape from death when they were overcome by fumes from a non-vented gas stove at their home in this city Saturday morning.

Mrs. Carter was overcome while doing her housework. Mr. Carter had just come in from his work on the night shift at the Phillips booster station and had retired. He was sleeping and was awaken by his wife who was in a semi-conscious condition and was calling for him.

He came in the living room but fell unconscious before he could get to Mrs. Carter. Revived by the cold air on the floor, he was finally able to throw open the windows and shut off the stove. Mrs. Carter after regaining consciousness reached the telephone and called for assistance.

It was a very narrow escape but both of them are now able to be back at work. Mrs. Carter is employed at the telephone office.

Endeavor 6:45 p. m.

Evening Service at 7:30 p. m. Subject, "God's Last Message to Man."

Come and enjoy the good music. Hear the beautiful solos rendered by Mrs. Butcher. The Friendly Church, where there is a welcome for all.

Golden Anniversary

Parents of J. J. Schwalk Celebrate Golden Wedding Anniversary Oct. 27

Fifty years ago a young German marched down the isle of a small Mennonite church in Marion County, Kansas, with a Russian maiden and Charlie Schwalk and Miss Elizabeth Hein were united in holy wedlock. Both had been in this country for only a short time. This wedding occurred October 22nd, 1885, and Sunday they celebrated their Golden wedding anniversary.

For ten years they lived in Kansas and in 1895 the desire to pioneer into the new country and the Cherokee Strip seized them. So it was Oklahoma bound and they finally stopped north of Fairview and bought a relinquishment and proceeded to homestead their farm. It is their home today.

Year by year this happy couple lived contentedly together and reared a family of 10 children. The family grew up, married and moved to different sections of the United States and are all highly respected citizens of their respective communities.

As the years rolled around and the Golden Wedding Anniversary date drew nearer and nearer the sons and daughters began planning for an event that would mean much to their parents and grandparents. Sunday they gathered and assisted Mr. and Mrs. Charlie Schwalk in celebrating the date.

Fifty-four children and grandchildren gathered around the festive board, only two were absent, one daughter, Mrs. R. P. White of Toquerville, Utah, and a grandson, Earl Schwalk, of Perryton, Texas—Fairview, Oklahoma Republican.

Included in the cihldren present at the golden wedding anniversary of Mr. and Mrs. Charlie Schwalk, held at Fairview, Oklahoma on October 27, were Mr. and Mrs. J. J. Schwalk, Gray; and Mr. and Mrs. D. A. Nachtigal, Balko.

E. L. Whippo was a Tuesday night guest in the home of his daughter, Mrs. W. E. McMillen.

MAN HURT IN CAR ACCIDENT

GUYMON RESTAURANT MAN IS INJURED WHEN CAR COLLIDES WITH TRUCK

Clyde Longbotham, Guymon restaurant man, received treatment for cuts and bruises around the head and face in the Perryton hospital last Saturday evening when his car collided with a truck driven by C. C. Knox, Gray, on the highway two miles north of the city.

From reports, it is said that Longbotham was returning to Guymon at about 7:30 o'clock in the evening. A car was approaching from the opposite direction and blinded him in such a manner that he did not see the truck directly in front of him and traveling in the same direction, but at a lesser rate of speed. The Longbotham car went directly under the corner of the truck, missing the radiator but demolishing the body of the car. He was thrown to the pavement, unconscious, where a car coming from behind barely missed hitting him.

The truck turned over but Mr. Knox was not injured seriously. After treatment in the local hospital, Longbotham was able to be taken back to Guymon and last reports are that he is doing nicely in his home there. His car was badly damaged.

The injured man was a former resident of Perryton, it is reported, having operated a cafe here several years ago. Mr. Knox lives on a farm north and east of the city.

CHRISTMAS BASKETS FOR NEEDY

AMERICAN LEGION SPONSORING DISTRIBUTION OF BASKETS TO NEEDY AT CHRISTMAS

Do you want to help in a worthy cause? If so the Pierce Johnson Post of The American Legion will accept donations of money, clothing, food or toys to be used in their campaign for Chritsmas for every needy family in this community.

As in past years, the Legion will try and see that every needy family has the makin's for a real Christmas dinner, and that clothing and toys for the little tots will be made possible. During the past, citizens of this community have been very liberal in their response to the Legion's appeal for assistance in this worthy cause.

Post Commander Compton C. Bull has appointed the following committee to raise funds, check needy families and see that they are not forgotten on that great day of Good Cheer: R. B. Orrill, Sibley Jines, H. C. Graham, W. C. Herndon and Van W. Stewart. Voluntary donations will be accepted by any member of the committee.

A check-up is being made of all needy families and the members of the committee will appreciate the reporting of any persons that might need help. A thorough investigation will be made by the Legion and only those families that are actually in need will be included in the list.

Through the cooperation of W. B. Irvin, superintendent of the Perryton schools, and the members of the faculty and the pupils, a campaign for the donation of cast-off and discarded toys will be staged in the school. Where possible, these toys will be repaired and repainted by school children so that other children, not so fortunate, may be made happy.

Pre-Season Cage Games

Boys and Girls Teams From Hardesty To Play Here Friday In Second Game

Boys and girls basket ball teams from Hardesty, Okla., will meet the Rangers and Rangerettes on the local court Friday evening of this week at 7:30 o'clock, in the first home game of the coming season.

These teams met last Thursday at Hardesty and two hard fought games resulted, the Hardesty girls winning 17 to 26 and the Rangers winning 19 to 14. Admission charges of ten, fifteen and twenty-five cents will be made.

Mr. and Mrs. T. W. Johnson left Monday to spend a few days with their daughter, Mary Beth, who is a student at Baylor university, Waco.

Games Tournament

American Legion Auxiliary Holding ing Games Tourney at Hall Tuesday, November 26

Mrs. H. Shindler, president of the Pierce Johnson Unit of the American Legion Auxiliary, announces that another one of the Auxiliary's popular games tournaments will be held at the Legion Hall on the evening of Tuesday, November 26, at eight o'clock.

Tables will be arranged with separate divisions for bridge, pitch and forty-two players. Mrs. Shindler states that there will be an advance ticket sale and parties who wish to attend are requested to buy tickets in advance if possible. The admission will be twenty-five cents each, which will afford an entire evening's entertainment including refreshments.

The special committees who will have charge of the tournament will be announced next week, together with final details of the social.

Mr. and Mrs. Key Christopher and children left Friday for Miami for a few days visit in the home of his parents, Mr. and Mrs. W. D. Christopher. While there Mrs. Christopher had an acute attack of appendicitis and was taken to the Pampa hospital for an operation, Monday. She is getting along nicely.

JOBS FOR RELIEF CLIENTS

THIRTY-FIVE MEN AND EIGHT TRUCKS ON WPA PROJECT NO. 1 IN OCHILTREE COUNTY PROGRAM

With Ochiltree county's first WPA project under way, men who have been on relief rolls are being dropped from the rolls and given jobs on the highway work program.

H. Shindler, project manager, states that at the present time, 35 men and 8 trucks are working on the placing of caliche on the roads included in the No. 1 project. More men will be given employment just as soon as they report to the relief offices.

Owing to the fact that several private construction jobs are using a number of men, and others are at work on farms, a great number of men who have been clients of the relief rolls are now gainfully employed. However, it is thought that the employment of the greater part of them is only temporary, and they will soon be eligible to transfer from the relief rolls to WPA jobs.

Ochiltree county people, as a whole, do not like the relief rolls. Neither are the keen about WPA jobs, and just so long as they can get employment of any nature from other sources, they will not accept relief work.

ARMISTICE BIG PERRYTON DAY

REV. W. C. HINDS DELIVERS ADDRESS AT PUBLIC PROGRAM; LYNX DOWNED BY THE RANGERS

Armistice was really a day of celebration in Perryton as hundreds of people from all over this section of the Plains joined in a fitting observance of the day.

Rev. W. C. Hinds, presiding elder of the Perryton district of the Methodist Church, was the principal speaker on the program sponsored by the American Legion in the morning. Rev. Hinds stressed the plea for a universal peace. He praised the work of the different organizations that are leading the fight for a "Universal Draft" law that would drfat wealth and all resources on the same basis as man power in time of war, thus "taking the profits out of war" and eliminating the greed of men that is the basis for most conflicts. He presented strong and convincing arguments that the greatest power for all nations and all people to enroll under the banner of that great Prince of Peace and really live the precepts that he gave to us.

Compton C. Bull, cammander of the Perryton Legion Post, presided at the porgram. Under the direction of W. I. Byron, the Perryton high school band opened the program with a concert of war-time tunes. Following the advance of the colors by E. B. Gyger and F. L. Garrett, and the invocation by Rev. W. B. Vaughn, an address of welcome was delivered by Attorney Jack R. Allen, the response being by Bill Miller of Spearman. A vocal solo by A. R. Hoghland, accompanied by Mrs. Hoghland at the piano followed.

After a tribute to the dead, the main speaker was introduced by Van W. Stewart. The program was concluded with the entire audience joining in the "Pledge of Allegiance to the Flag", led by W. B. Irvin.

At the noon hour the ex-service men and their families gathered at the Legion Hall for a basket dinner. Rev. and Mrs. Vaughn, Rev. and Mrs. Hinds, and the members of the high school band were guests of the Legion at this feed.

In the afternoon at two-thirty, the Perryton Rangers and the Spearman Lynx met on Ranger field, the Ranger winning in a hard fought game, 19-0. The program for the day closed with a Legion sponsored dance at Donley Hall.

Mr. and Mrs. E. D. Kelley and Camilla, Miss Margaret Prewitt, [illegible] Haggard and Miss Pauline Shifflett were in Colorado Springs, Colo., from Friday until Monday morning visiting with Mrs. Kelley's mother, Mrs. E. M. Raney, and with friends.

K. F. Miller, Follett, came in Saturday to visit in the home of his daughter, Mrs. G. A. Rupprecht, and family.

K. C. Trosper and family of the Twichell community, spent Sunday in the R. N. Custer home.

Make All-American

Fort Worth Sports Writer Nominates Local Trio for All-American Grid Fans

Flem R. Hall, sports writer for the Fort Worth Star-Telegram, nominates Carl "Football" Ellis, Miles Edwards and Bill Massey of Perryton for the all-American football fan Hall of Fame in the following article which appeared in the Sunday column, "The Sport Tide."

"For all-American football fans we nominate Carl "Football" Ellis, Miles Edwards and Bill Massey of Perryton, Texas. They drove 1,100 miles in 22 hours to see the game here Friday night; went another 100 to the Baton Rouge for the L. S. U.-Mississippi State game Saturday afternoon and plan to be back home Sunday night. Driving 2,400 miles to see two games in 60 hours is something.

Drew Ellis, T. C. U's. rising left tackle is Carl Ellis' son."

DISTRICT LEGION CONCLAVE

FALL CONVENTION OF 18TH DISTRICT OF AMERICAN LEGION AUXILIARY NOV. 30-DEC. 1

Saturday and Sunday, November 30 and December 1, have been set for the dates of the annual fall convention of the 18th District of the American Legion and Auxiliary at Borger. The Hutchinson County Post and Unit are making big plans for the entertainment of the Legionnaires of the Panhandle and their families.

William McCraw, Attorney-General of the State of Texas, has accepted an invitation to be the principal speaker on the Sunday morning public program. Fred E. Young, state adjutant of the Legion; Ernest S. Goins, state commander of the Legion; Mrs. Tillman Jones, state Auxiliary president; Geo. E. Broome, national executive committeeman; and other prominent Legion and Auxiliary officials are expected to attend the convention.

Robert Lindsey, past 18th district commander and a leading business man of Borger, has offered a cash prize of $25.00 to the Post that registers the largest percentage of its membership quota at the convention. Perryton Legionnaires are expected to put up a hot contest for this award.

In addition to the business and entertainment features of the convention, visiting Legionnaires and their families will be taken on tours of inspection through the great carbon black and oil refining plants to be found in the Borger area.

Poultry Demonstrators

Will Have About Fourteen Demonstrtors Throughout Ochiltree During 1936

County Agent J. T. Stovall reports that he has issued record books to six Ochiltree county poultry raisers who will serve as demonstrators during the coming year. Those who have received books are Harlan Hawk, W. D. Thompson, Curtis Roach, J. H. Kershaw, and C. S. McGarraugh.

An additional six to eight demonstrators will be appointed just as soon as the record books are received, so reports Mr. Stovall. The official year for the poultry demonstrators starts on November 1.

Hold Demonstration Here

Clothing Specialist Will Be Here On Monday, November 18, At Auditorium

Mrs. Dora R. Barnes, extension specialist in clothing will be in Perryton on Monday, November 18, to give a talk on clothing and a color demonstration at the school auditorium. The program will start at 2:00 o'clock in the afternoon.

Mrs. Barnes is recognized as an authority on clothing, not only in Texas, but in other states as well, and all home demonstration club members and others are invited to hear her.

Miss Lucille Chance, Hutchinson county home demonstration agent, and club members will be guests of Ochiltree club women at the affair.

Mrs. W. E. McMillen, Mrs. E. R. Thurman, Mrs. R. T. Correll, Mrs. Alfred Pittman and daughter and Mrs. Robert Thurman and children visited Tuesday in the A. K. Wilson home and quilted.

WIN ARMISTICE GRID CONTEST

RANGERS DEFEAT VISITING LYNX IN THRILLING 19 TO 0 GRID BATTLE

Lady luck smiled down out of cloudless Armistice Day sky on the Perryton Rangers last Monday afternoon to break the Spearman jinx and to help Coach Burk's Red and White squad pound out a 10 to 0 victory over a jittery Lynx aggregation.

But it wasn't luck alone that won for the Rangers. Eleven fighting men were on the field, making the break that helped carry them to victory, recovering fumbles, intercepting passes, tackling hard, blocking and outplaying the visitors in every part of the game except in passes.

Ranger penalties, seven of them for a total of 55 yards, helped the Lynx in the most opportune moments, one of them nearly costing the locals a touchdown, advancing the pigskin to the five yard line in possession of the visitors with three downs to go. Each down however found them further from their objective until they passed incomplete on the final try. The threat came in the third period when Spearman completed a long pass making 49 yards on the play, the runner being brought down by Tucker who caught up with him from behind. The visitors made only one other threat, it being in the first quarter when a 37 yard pass and several running plays put them inside the Ranger 20 yard stripe, but again they were forced back and held for downs.

The Rangers scored in the opening period with Jones taking the honors, after Ferguson recovered a Lynx fumble on the second play of the game. McWilliams scored early in the second half after the Rangers blazed their way from the kickoff down the length of the field. The third counter was one of the most peculiar plays ever seen on a gridiron. The Rangers kicked off to resume play and scored off of the kick. A Spearman back, in attempting to catch the kick, let the oval slip through his hands and roll deep into the end-zone. He recovered the ball but the Rangers were swarming down on him. In a moment of indecision he attempted to throw it out of the endzone but it fell into Lilly's hands and he dropped to the ground for the third counter. Jones converted from placement to account for the 19 to 0 score.

Statistics on the game showed the Rangers superior in nearly every department, running up a total of 18 first downs to 8 by the visitors, showing total yardage at 305 while Spearman was gaining 196. Perfect spot-kicking by Schroeder was one of the highlights of the battle. Out of seven attempts, four went out of bounds inside the Lynx 20 yard line, one over the goal line, another out of bounds on the 32 yard stripe, one boot coming down in fair territory but it was downed without return.

The starting line-up for the game follows:

Rangers	Position	Lynx
Lilly	l. e.	Douglas
Johnson	l. t.	Harmon
Hergert	l. g.	Haines
Kuhn	c.	Leverton
Nowlin	r. g.	Hutchinson
Ferguson	r. t.	Harmon
Correll	r. e.	Robertson
McWilliams	q.	Ooley
Schroeder	l. h.	Vernon
Tucker	r. h.	H. Uptergrove
Jones	f.	Curtis

The Rangers kicked off to open play but the Lynx fumbled on the 36 yard stripe on their second offensive play, Ferguson recovering. McWilliams picked up 10 around right end. He repeated at right tackle for 6, Tucker lost 4 at left end, Lilly raced around right end on a lateral and gained it back and McWilliams smashed through a hole at left tackle for 5 and another first down. Tucker took a lat-

American Legion Auxiliary NEWS

On Monday evening, November 4, the Pierce Johnson Unit of the American Legion Auxiliary met in regular session with the new officers in charge. Mrs. H. Shindler, president, was in the chair, and the following business was transacted:

Mrs. A. R. Hoghland, membership chairman, reported that she had received seventeen 1936 memberships. It was decided that the present membership contest continue until Thanksgiving.

Mrs. Ann Cartwright, program chairman, told of plans for a thirty minute Americanism program to be given by the Unit at a chapel program at school on Thursday, November 14. Further Americanism work reported by Mrs. Hoghland, who is a leader of our Scout troop, was the sale of Christmas cards by the troop in an effort to raise enough funds to purchase a Scout handbook for every member of the troop. A letter was read from Supt. W. B. Irvin thanking the Unit for their cooperation in the citizenship or Americanism work in the school.

Motion carried that a steel cabinet, to be used for a storage cabinet in our kitchen, be purchased at once.

Reports were made on the following matters: 1. That $23.00 was realized from the cake contest and sale. Voted that we send a letter of thanks to non-members, who entered or contributed cakes. 2. A library skit ordered for use in our library project. 3. Six members attended the funeral of Mrs. R. L. Pounds, Booker, last month. Flowers were sent to her funeral.

The Unit voted to again take subscriptions to Holland's Magazine. Appointed on this committee were Mrs. J. C. May, Mrs. E. B. Gyger and Mrs. Sibley Jines.

The Unit will hold a games tournament the latter part of November. The date will be announced next week.

Hostesses appointed for next "pot-luck" meeting, Monday, November 18, are Mrs. C. C. Bull, Mrs. Ben Peckenpaugh, Mrs. Robert Barlow, Mrs. J. B. Cartwright, Mrs. F. L. Garrett and Mrs. Blansit Carter.

New Sorosis Books

Five New Books Added This Week To the Club Library Located At Edwards' Toggery

Below is given a brief sketch of each of the new books which the Perryton Sorosis club has added to their large rental library during the past week. This library, located at Edwards' Toggery, 316 South Main, is open to the public, only a small charge being made for the use of each book.

"North of the Orient"
By Anna Morrow Lindbergh

This is her personal story of the "survey flight over the great circle from New York to Tokio," of which everyone has heard. The whole voyage in the air, all the places she and "Lindy" visited, come to life, for Anne can write, and she has put into the book her own delightful personality.

"The Demi-Widow"
By Mary Pickford

It deals with a young American girl left a widow and destitute in Paris—success as a singer comes to her, and popular acclaim, and the love of a noble and handsome young South American—All the ingredients of real romance are here. It is just simply a good story and the kind that will delight its readers.

"Come and Get It"
By Edna Ferber

In all of Miss Ferber's novels she has created a glowing pageant of America—each book presenting some vivid chapter of the story of America. In "Come and Get It" she takes the Northwest in that era when the great forests echoed to the axes of the lumberjack, and enormous fortunes were made in a generation. We see Barney Glasgow, the hero of this novel. A chore boy in one of these lumbering camps become later a powerful and unconquerable lumber king.

"Alice Adams"
By Booth Tarkington

Alice Adams might be any girl in any small town in our country. Her story revealing one phase of American life, is the saga of all youth, with its bitter disappointments, its high hopes, its gallant indomitable pride. In the movie of this story Katharine Hepburn gives a grad performance to the role of Alice and Fred Stone makes his film debute in this picture as Alice's father.

"Shining Windows"
By Kathleen Norris

This is one of Mrs. Norris' best stories. It tells of a family who had been forced to move from their big house in San Francisco to a small ranch in the southern part of the state, when the father's business failed, and how it affected the different members of the family, and how each of them met the situation when the ranch proved even worse than they had feared.

"Songs of Oklahoma"

Much Texas History Covered In Volume Just Published by Daisy Lemon Coldiron

The Herald editor has recently had the pleasure of reading a new book, "Songs of Oklahoma," from the pen of Mrs. Daisy Lemon Coldiron, Perry, Oklahoma. Mrs. Coldiron is a sister of G. E. Lemon, who lives in the east part of this county, near Booker.

In this book, the author has arranged in chronological order, the history, the humor, the glamour, and the glory of Oklahoma with a finese that has won commendation from the foremost literary critics of the Southwest. While it is primarily a historical work on the state of Oklahoma, yet Texas and Oklahoma being so closely interwoven, there is much of Texas in the new work.

Copies may be ordered from the publishers, The Kaleidograph Press, 702 North Vernon St., Dallas, Texas, for $2.00 each; or the author will be glad to furnish autographed copies if ordered from her at Perry.

Diphtheria Immunization

Dr. John W. Brown, State Health Officer, Urges That Children Be Immunized

Austin, Texas, October 25.—The State Health Officer, Dr. John W. Brown, urges all parents of children from 6 months to 10 years of age who have not been immunized against diptheria, to take them to the family physician and have this done at once. Last month there were 265 cases of diptheria in Texas reported to the State Department of Health. This is an increase over the month of August and shows the need of stressing immunization of the children in this age group.

It was not so long ago that parents dreaded diptheria because of the inability to prevent or cure this scourge. Now that we not only know the cause but also the remedy there is no reason why this disease cannot be completely eliminated.

As diptheria is most dangerous to the very young children, it is of the highest importance that immunization be given early. What is more, in young children there is practically no reaction to the injection. Immunization has been proven to give absolute protection. It is in the power of the parents of this state, cooperating with their physicians and the health department, to eliminate the disease.

Most children can be protected against diptheria by a single treatment—with what is known as Toxiod. However, in about six months the child should be given a Schick test to determine if a second treatment is necessary. Early immunization is a routine procedure adopted by modern and up-to-date physicians. Cooperate with your family physician and your community and make early immunization a regular practice in this state.

Oldsmobile presents, in 1936, two new automobiles into which every proven feature has been engineered. These features include all those advantages which add to the comfort and safety of the passenger as well as the economy and performance of the motor. Important among the 1936 Oldsmobile features are livelier power, increased luxury and comfort, super-hydraulic brakes, center-control steering, solid steel "Turret Top" body by Fisher, knee-action wheels, smoother performance, increased all-around economy and safety glass as standard equipment in all models. The model pictured above is an Oldsmobile Six Four Door Touring Sedan.

WILL AWARD SCHOLARSHIP TO FIDAC ESSAY WINNER

A national essay contest for high school students will be sponsored by the American Legion Auxiliary again this year as part of its work in the program of Fidac, the inter-allied veterans' federation, Mrs. W. B. Irvin chairman of the Fidac committee of the local Auxiliary Unit, has announced.

"How can American youth cooperate with Fidac to prevent propaganda of international hostility?" will be the subject on which the essays will be written. THE PERRY STUDIO HAS GOOD WINDOW DISPLAY

Armistice Day, and the all-important Perryton-Spearman football game, is the theme of the attractive window display at The Perry Studio this week.

Photos of the members of the Ranger team are cut-out and mounted in position on the minature gridiron in the window which is drawing much attention from those passing by.

The window trim was made by Mrs. W. E. Perry.

MY PANTRY AND GARDEN STORY

By Mrs. Marvin J. Groves
Second Place Winner in Home Demonstration Club Pantry Contest

I joined the Waka Home Demonstration Club in November, 1934, and was soon elected to the office of Secretary and Treasurer which I held until in February when I resigned to take over the Pantry Demonstration work. I hesitated in accepting this position for several reasons. I knew nothing of club work, having never belonged to a club before. I had joined late enough in the fall to miss out on the 1934 Pantry Tour so know little of what was expected of me. Perhaps my greatest hinderance was that we had neither a well or a garden.

However I did have a few things to be thankful for. One being that I already had a place for storage as my husband was just completing a cellar. The other was the cooperation and assistance I received from my husband in my new undertaking.

My cellar is ten feet west of the house, the door being upright, and directly west of my kitchen door. The cellar is 8x14 feet, with a depth of six feet and has dirt walls. It has a gable roof, running north and south with small windows in each end. For greater protection and so dirt could be kept around the cellar better, my husband made a two-foot box which extends in front of each window. This box is covered with screen in summer and in the winter we add celloglass. The window glass is easily slid to one side at night for ventilation. I have five twelve foot shelves along the west wall, 60 feet in all. The shelves are spread 12 inches apart. The cellar steps are of 2"x8" and 8 inches high so it doesn't tire me even if I have a good many trips to make during the course of a day. We intend to build a porch 10 feet wide to connect the cellar and house but as yet that is still in the future.

Since we had no well we had to make other arrangements for a garden. This we did by making it on the rented place of my husband's brother. It is a distance of 2 1-2 miles or a five mile trip each time work was done on it. The inconvenience of this can easily be understood and because of the distance I fear our garden stuff often lacked attention when it needed it most. The place had been unoccupied for several years so it necessitated a start from the beginning. I was a new comer to the State of Texas and tho my husband wasn't, he had never done garden work here. We have learned a good deal from one year's experience in garden work and will have a better planned garden next spring. The ground was first plowed and harrowed; then post and wire were bought and the garden fenced. Half of the garden was ours, but its being small made it so we were unable to plant an abundance of all things. The dust storms of last spring greatly delayed garden work and proved too much for our first planting of lettuce and radishes, which were planted on our home place. My husband and his brother bought materials for tile and made and laid according to the instructions in the bulletin C-97 Subirrigation for gardens, five consecutive rows, 40 feet long and four feet apart. On and between the tile rows were planted vegetables needing most moisture, while on ground to be surface irrigated we planted the most hardy varieties. For windbreak we first planted fire brush but they died; then popcorn was planted, also castor bean, Joseph's coat and Balsaam apples.

Early vegetables were planted the first of April, but because of the lack of green stuff, the birds ate it off about as soon as it came up. They ate plants I'd not known they ever bothered. After the rains came they left the garden stuff alone. A third planting of lettuce was saved only when we arched woven wire over the row and staked it down. Other vegetables were planted later and we set out three rows of tomato plants in between the rows of tile. We protected the plants from wind and dust storms for some time with quart size oil cans that we cut top and bottom from. After the plants had a good start these were removed. The vines grew to be large and rank and bloomed profusely but the blossoms dropped off. Our trading place is at Spearman, so my husband went to see Mr. Boykin, the county agent, about it, but not before he had tried pruning them, which seemed to make no difference. The county agent said the soil was lacking in potash. By the first of July there was only a few tomatoes that had set. We obtained the potash in the form of potassium cloride and used about one tablespoon per plant. First a small trench was dug around each plant and the powder sprinkled in it. Then water was poured into the trench to dissolve the potassium cloride and carry it down to the plant roots. It was a few weeks before the marked difference could be noticed. We got our first ripe tomatoes August 1, and the vines were loaded with green fruit. Soon we had all we could use. I began canning the extra tomatoes September 7, and by the last of the month had over 100 pints or my budget of tomatoes canned.

Beginning about the first of June and lasting some five or six weeks we had a garden plague of large black beetles. They would hide during the day but about 4:00 P. M. they came by the thousands. It would take them only a short time to eat the young plants. We sprayed with arsenate of lead, but they could eat a tender bean plant before they got enough to kill them. The only way to save the garden was to either step on the bugs or gather them up in a can and kill them. We did manage to slow their progress by digging a ditch and each day filling it with water so the bugs would fall in it and have to swim across. They never would drown and as night came on would bury themselves in the side of the ditch and wait for the next evening. They got all of our fourth planting of lettuce and were hard on everything in the garden.

We have practically lived from our garden and I notice it so much for last year we had none. I have tried to fill my budget, but first we had all we could use fresh from the garden. We planted 26 varieties of food products. We gave away garden vegetables valued at $5.00 and have the green tomatoes yet to be taken care of or given away.

In keeping a record of my canned products I find I have 301 quarts of canned foods valued at $77.73. Since our garden was small and I have to buy much of the food classed as stored, dried and cured, I do not buy them in large quantities. We do our own butchering and have both beef and pork to butcher this winter. From my monthly report in the back of my year book and from food entries and their prices from my expense account record for the past year, I find I have supplied my family with 1010 pounds of stored, dried and cured products valued at $65.80. I estimate we will use a like amount in the coming year. I feel we can buy the necessary foods to prepare well balanced meals as we have a fine bunch of 65 white leghorn pullets that during their 6 months layed eggs to pay for their feed and leave a profit of $9.61.

From my records I find we have raised garden stuff valued at $66.07. Garden expenses were $21.09 due to the fact that we had nothing to start with. This leaves a profit from my garden of $44.98 after deducting garden expenses and I consider my time in the garden well spent.

Since becoming pantry demonstrator I have added to my equipment one fruit press, one recipe file, one kitchen scales, one dairy thermometer and half interest in a tin can sealer. I already owned a ten quart pressure cooker and a home-made cheese press. I plan to make quite a bit of cheese as we are quite fond of it. Last year I made forty pounds of cheese and sent some in Christmas packages. It was certainly appreciated.

I have gained much beneficial knowledge from my club work and from my work as Pantry Demonstrator. I have learned at what stage to can foods for the best vitamin content. I have also learned how to arrange my canned foods systematically, aiding in preparation for a meal.

To improve the appearance of my cellar my husband has painted the ceiling and shelving with a washable, white, cold water paint. I have labeled my jars according to contents, using Kerr Labels which are green and printing the names with white ink. I have grouped my canned products according to instructions in bulletin C-76 Feeding the Family the 4-H Pantry Way.

I have given assistance to six non-club members in the form of recipes, canning and sewing. I have been a club member a little less than a year and out of the two meetings each month have missed only four meetings and those since the first of September, due to poor health. I have enjoyed my club work and look forward with pleasure to the coming year's work.

Junior Sorosis

The Perryton Junior Sorosis met November 4 in the home of Miss Elgene Funk. Elsie Lee Thornton, vice-president, presided. Roll call was answered by important events of the World War.

A general discussion of the World War proved very interesting. Other program numbers were: poem "A Flanders Grave," Annabell Cox; and a talk on "Armistice Day," Elsie Lee Thornton.

The meeting was then turned over to the hostess, who served delightful refreshments to a guest, Miss LaVilla Funk, Hillsboro, Kans., the sponsor, Mrs. D. A. Caldwell, and to nine members.

General Sorosis

Thirty members were present at the Hotel Perryton Wednesday afternoon for the meeting of the general Sorosis. At the close of the business a very entertaining program was given with the following numbers: Vocal Solo, "Beautiful Blue Danube," Claude Shearer accompanied by Miss Ruby Neufeld; two musical numbers, Anita Jackson, Geraldine Cropper, Betty Jean Coleman and Kathryn McLarty, accompanied by Miss Margaret Prewitt; paper, "Libraries of the World," Mrs. Otis Burk.

Woman's Council

The Missionary Society of the Christian Church met at the home of Mrs. C. E. Woods on Thursday afternoon, November 7. Mrs. J. W. Payne assisted with the hostess duties. The meeting was called to order by the president, Mrs. Carl Ellis. After the opening hymn, Rev. Griffith led prayer. Roll call was answered by giving the name of a mission station. The vacancy caused by Mrs. A. E. Dyatt leaving was filled by Mrs. J. L. Couger.

After the business hour, Mrs. Debs Riley, our Devotional leader, took charge of the following program, with the subject, "Seeking the Common Good" (Romans 15:1-22): Poems—Mrs. A. E. Dyatt; Paper, "Our attitude against other races" —Mrs. M. R. Todd; Paper, "Our attitude toward minority groups."—Mrs. J. L. Couger; Paper, "Building a Christian Social Order"—Mrs. E. D. Kelley.

Dainty refreshments were served to the following members: Mesdames Hannah Dunscomb, Wm. Kuhn, Chas. Hargrove, T. J. Morgan, Debs Riley, E. D. Kelley, Gertrude Butcher, Roy Jeoffroy, Carl Ellis, A. E. Dyatt, J. L. Couger and M. R. Todd. Guests were Mrs. M. T. Nichols and Miss Lindy of Enid, Okla.

Mr. and Mrs. C. M. Bryan returned Tuesday evening from Wichita, Kans., where they spent the week-end visiting and attending to business.

Jack Todd underwent an appendicitis operation at the Perryton hospital Monday. He is getting along nicely.

Anita, daughter of Mr. and Mrs. J. M. Sibley, had her tonsils removed at the Perryton hospital Tuesday.

Mr. and Mrs. E. C. Barnes, Gruver, were week-end guests in the H. C. and Robert Barlow homes. Monday they enjoyed the Armistice program at the school building and the dinner at the Legion Hall.

Baptist W. M. U. Meets

Thursday, November 7, was work day for the ladies of the Baptist missionary and they met in circles for the sessions.

Circle Two was entertained in the home of Mrs. L. L. Lance and the afternoon hours were spent making garments for the orphans home.

Mesdames Paul Bowen, Ira Ferguson, J. C. Cooper, Calvin Flowers, Clyde Cofer, A. M. Horan, W. M. Boston, and Tom Denman enjoyed the afternoon assisting Mrs. Lance with the work.

Circle Three had an all day meeting in the A. K. Wooten home. The day was spent quilting with an hour off at noon for a delightful covered dish luncheon. Ladies present for this meeting were Mesdames Robert Lawrence, J. R. Thomas, J. S. Slaughter, I. R. Buchanan, Oscar Flowers, J. F. Knapp, A. J. Kelly, G. I. Horne, Ike Sharp, Clarence Brown and A. K. Wooten.

ROGERS SPIKES RUMORS AS TO RACE FOR SENATE

Dalhart, Texas, November 11.—B. L. Rogers of Farnsworth, Ochiltree county, representative from this district, late Friday in a telephone conversation from Austin emphatically denied that he had announced any intention of running for state senate or that he had indicated he would be a candidate for reelection.

"I want it thoroughly understood," he said, "In my district that I have not said I would not be a candidate to succeed myself. I am busy with the problems of this legislature, and believe you me they are problems. I am giving them my undivided time and attention."

Mr. Rogers said any reports, newspaper, oral or otherwise that he would run for the senate or that he would not be a candidate to succeed himself were unauthorized.

The talk has been that Mr. Rogers would be a candidate to succeed State Senator Clint C. Small, Amarillo, who has announced he will not run again.

Herald want-ads bring results.

Shrine Ceremonial Soon

Khiva Temple Will Hold Ceremonial and Dance at Amarillo Tuesday, November 19

Tuesday, November 19, 1935, is the date selected by Khiva Temple Ancient Arabic Order Nobles of the Mystic Shrine, for its fall ceremonial to be held at Amarillo.

Novices are requested to register at the recorders office in the Masonic Temple any time after 1:00 p. m., on that date. There will be a business session in the library at 4:00 p. m., and the Temple will open for the introduction of distinguished visitors and the first section at 5:00 p. m.

The traditional banquet will be held at 6:00 p. m., and is free to the Nobility. The Chief Steward is looking for venison but may have to fall back upon a barbecued beef. At 7:00 p. m., the second section will be given the Novices, and all are promised a good time.

At 9:30 p. m. the Ceremonial ball will be held in the Temple. Shriners with 1935 cards are admitted free. Nobles without the 1935 cards, will be admitted upon payment of $1.00 per couple, and any Noble is privileged to bring non Shriner guests upon payment of $1.00 per couple.

This ceremonial promises to be one of the outstanding functions of Khiva Temple for its fall activities. The Divan is anxious that all Nobles make the treak to Amarillo and enjoy the meeting to the fullest.

Many Visit State Park

More Than Twelve Thousand Cars Have Visited Palo Duro Park During 1935

Canyon, Texas, November 7.—12,000 cars have visited the Palo Duro Canyon State Park during 1935. These cars brought more than 60,000 visitors, according to the report this week of Clyde W. Warwick, chairman of the Advisory Committee to the Texas State Park Board. The Palo Duro is located 12 miles east of Canyon.

The Palo Duro State Park was started in July 1933, with three CCC companies. A fourth company came in December, making this the largest CCC camp in the United States. Two companies were removed in May 1934. The two companies now at the park will remain until July 1936, according to advice received this week from the chairman of the Texas State Park Board.

The Palo Duro Park contains 15,500 acres of beautiful canyon. The National Park Service calls it the most attractive state park in the Southwest, with great possibilities for development.

Under construction at the present time are El Coronado Lodge, 24 stone tourist cabins, tourist camp sites, 150 picnic units with tables and outdoor stoves, eight miles of scenic drive, 25 miles of bridle trails, six miles of water mains and other improvements to make this the largest and most attractive recreation and picnic center in this section of the Southwest.

Those who have visited the park understand better why Col. Charles Goodnight followed this trail into the Palo Duro and established his first ranch headquarters there.

The Palo Duro is beautiful during the fall months, with plenty of shelter for picnicking parties even in cool weather.

During the past four months 15 cars have visited the park from Perryton. Among those making favorable comments regarding the beauties of the Palo Duro Park were: Mr. and Mrs. Lee Burgess, Virginia Keith, L. E. Stark, Mr. and Mrs. Chas. Wilson, Mr. and Mrs. D. T. Layton, Mrs. F. J. Burgess, Nadine Layton, Yvonne Zoe Dodson, Philip Daley, Mrs. Spencer P. Whippo, Virginia Correll, Cleo Payne, Lorene Ayers and Jane Sterum, whose comment was "beautiful."

Mr. and Mrs. Forrest Campbell and son and Mr. and Mrs. Alvin Smith, teachers in the Fairview, Okla., school, spent Saturday night and Sunday visiting in Dodge City, Kansas.

OFFER SPECIAL MAGAZINE RATE

LEGION AUXILIARY SPONSORING HOLLAND MAGAZINE OFFER WHICH IS GOOD TILL DECEMBER 10

The Pierce Johnson Unit of the American Legion Auxiliary is offering the people of this community an opportunity to avail themselves of the Christmas offer for subscription to Holland's magazine. This special offer is open to individuals, and must come thru the American Legion Auxiliary, who are local sponsors of this plan.

The special price on this Christmas offer is $1.00 for three one-year subscriptions to Holland's, and the offer expires December 10. One of these subscriptions is to be entered in the name of the person subscribing and the other two are to be used as Christmas gifts. One dollar pays for all three subscriptions. One of these subscriptions is to begin immediately, or at the expiration of present subscription if purchaser is a subscriber. The other two subscription for one year each are to commence with the January 1936, issue, which is to be mailed between December 15 and December 20, 1935. Persons receiving gift subscriptions will be mailed a Christmas Gift Card, by Holland's, showing the name of the donor. The following states are included in this special rate: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, New Mexico, North Carolina, Oklahoma, South Carolina Tennessee, Texas, Virginia and West Virginia.

Anyone desiring to take advantage of this offer, or wanting more information, contact any of the following, who have been appointed on a special committee from the Auxiliary: Mrs. J. C. May, Mrs. H. E. Shotwell, Mrs. Sibley Jines, Mrs. E. B. Gyger, Mrs. C. B. Rogers, Mrs. H. Shindler and Mrs. Van W. Stewart.

Holland's is the only periodical ever successfully published in the South. It is circulated only in the South and published especially to meet the needs of Southern people. It carries material of interest to all the family. Why not send it to some of your friends for a Christmas present that will be received every month?

PAN DULCE

Here's an interesting sweet potato recipe good cooks ought to be glad to have at this season. It is reprinted from The Progressive Farmer and came originally from Mexico:—

PAN DULCE

10 pieces of raw sweet potato, one inch square and 1-4 inch thick
4 tablespoons red cinnamon drops
3-4 cup water
2 tablespoons sugar

Dissolve the cinnamon drops and sugar in hot water. Drop in the pieces of sweet potato and cook gently until tender and syrup is absorbed. Cut a round of pastry with a scalloped cooky cutter. Spread a piece of candied potato over half of each round, cutting the outer edge so that it spreads out fanwise over half the pastry, then fold over the other part of the pastry, allowing the edge of the potato to show. Brush the tops with white of egg and bake in a quick oven.

Miss Margaret Rupprecht, Vincent Hobbs and Wilford Lance returned to Texas Tech, Lubbock, Monday, after spending the week-end with home folks.

Aid Farmer Veterans

Federal Government Will Assist Disabled Veterans In Purchasing Farm Lands

A plan has been worked out by the Rural Resettlement Administration and the Veterans Administration, whereby veterans who receive compensation or pension from the Federal Government may be assisted by the Government in buying farms. Only those who have had agricultural experience are eligible for favorable consideration. The object of the program is to help farm families now in financial distress to become self-sustaining on productive land. The land may be that on which they are now located or land provided by the Rural Resettlement Administration. In approving applications additional preference will be given to compensated veterans provided, however, they meet all other requirements. Should a veteran qualify for such aid he will be required to return a stipulated amount of his compensation each month to reimburse the Government for the farm.

Those interested should write to Dr. E. G. Dexter, Veteran Administration, Washington, D. C., for the proper application blanks. If approved by the Veterans Administration the application will be forwarded to the Rural Resettlement Administration for such action as further developments of the plan will make possible.

The only participation of the Veterans Administration in this plan is to receive and study applications and to make recommendations to the Rural Resettlement Administration.

Mr. and Mrs. Curtis O. Roach, Miss Myrtie Conley and Arch Talley spent the week-end in Bristol, Colo., visiting with Mrs. Roach's sister, Mr. and Mrs. Walter Doering, and with friends in Lamar and Pueblo, Colo.

Opposes Communism

Resolution Against Communism Advocates, and Recognition Of Soviet Russia

Clearing American schools of all forms of influence inimical to American democracy will be one of the undertakings of the American Legion Auxiliary in its Americanism program during the coming year, according to Mrs. Jack Allen, chairman of the Americanism committee of the local Auxiliary Unit.

The activity will be developed under a resolution adopted by the national convention in St. Louis last month which stated:

"Whereas, atheistic, communistic propaganda is rampant in the schools and colleges of our United States, poisoning and confusing the minds and souls of the youth of America; therefore be it resolved that the American Legion Auxiliary opposes the appointment as a teacher of any person affiliated directly or indirectly with the Third Internationale, or who is an advocate of communism, and strongly urges a vigorous national policy against communism, nazism and all other un-American "isms" in all forms and phases."

The Auxiliary will support the Legion in its demand for rescission of recognition of Soviet Russia. Study of the Constitution will be urged and work with youth organizations to build better citizenship development.

The Return From Captivity

Memory Verse: "Jehovah hath done great things for us, whereof we are glad." Psa. 126:3.

Lesson Text: Ezra 1:1-6: Psa. 126:1-6.

Time—About 538 B. C.

Places—Babylon, or the route through or around; the desert to Jerusalem.

Persons—Jehovah, Cyrus, Ezra, and the returning Jews.

I. A King Makes a Proclamation

The Jews had been carried away to captivity by Nebuchadnezzer, king of Babylon. For some seventy long years the Jews had sweltered under the yoke of bondage. But the Medes and Persians had since conquered Babylon and brought better days to the languishing captives. Daniel had been closely connected with the kings of Babylon and Persia. Perhaps he had some influence in the direction of liberating the Jews.

It is to be remembered that it was prophesied that Cyrus would restore the Jews to their land (Isa. 44:28: 45:1-6). It must have been an inspiration to him to learn that a Jewish prophet had called him by name before he was born. Jeremiah had said that after seventy years of captivity the Jews would return to Jerusalem (Jer. 29:10.)

The proclamation of Cyrus there is recognized the part Jehovah played in the matter. Cyrus recognized Jehovah's words to "build him a house in Jerusalem" (Isa. 44:28.)

Although none were compelled to go, all who wished to return to the land of Judah were permitted to do so. Money and supplies were given the people for the journey and a generous offering for the Lord's house in Jerusalem.

II. A Nation Prepares for a Great Homecoming

The heads of the houses of Judah and Benjamin rose up and prepared for the long trek back to Jerusalem. The priests and Levites also rose up and made ready. Each tribe was divided into two groups according to families with a head for each group. But not all the people went back to the home land. Those who remained assisted those who did go. The king even restored the golden vessels of the temple that Nebuchadnezzar had taken from the temple.

It will be remembered that other companies returned later under the leadership of Ezra and Nehemiah (Ezra 8; Neh. 12:1-26.)

III. A Song of Judah's Return
Psalm 126

This psalm pays tribute to the return. How happy was God's people when they were permitted to view again the land they loved. How lovely those old hills and valleys and other familiar scenes were. How the days of long ago were recalled. How freely the tears of joy and gratitude must have flowed as the sons of Abraham viewed again the favorite nooks of their boyhood and girlhood days.

How empty and dry their homeland had been through these long years. How futile to try to sing a song in a strange land. How their hearts had bled and ached through the years at Babylon. But now through the mercy of God they would repopulate their own land, till its soil, affectionately build again the waste places and gather with loving the torn fragments of blasted hopes knitting them together into a beautiful garment once more.

Though food must be used for seed, there was fervent hopes that soon a rich harvest would repay many fold. So the returned prodigals set about a rehabilitation program that commands the respect of all succeeding generations.

The ladies of the Merryworks Club entertained their husbands and families with their annual Hallowe'en social on October 29. Three large rooms were decorated in appropriate Hallowe'en motifs and colors, which, with the arrival of the witches and ghosts, soon filled all present with a spooky air. Fortunes were received from the witches. Various games came next, while all of the group were either on the orange or black side. Points were given for each game to the winning side, and the blacks received candy Hallowe'en favors for having the most points. Partners were found by matching cardboard cats. Refreshments consisted of pumpkin pie, sandwiches and coffee.

School Reporter

Last Friday completed the second month of school at Cedar Bluff. Those on the honor roll were: Martha Barnes, first grade; Glenn Jung, sixth grade.

During the month Martha Barnes, Mary Belle Swink and Glenn Jung had birthdays. Each brought a cake so no whippings or rough treatment was in order. We wish them many more happy birthdays and ask them to have some more this term—we like the cake.

Cedar Bluff school gave a Hallowe'en program and box supper. The ladies sold their shadows instead of boxes. This caused lots of fun. Atlas Flowers received the pickles for being the ugliest man. He must have believed the judgment correct for he did some bidding for himself. Miss Mabel Easley received the cake for being the most popular lady. We were well pleased with the returns, which were $26.20. We plan to buy some playground equipment.

CHRISTIAN SCIENCE

"Mortals and Immortals" is the subject for the Lesson-Sermon which will be read in all Churches of Christ, Scientists, on Sunday, November 17.

The Golden Text is: "We that are in this tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life" (II Corinthians 5:4.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; neither doth corruption inherit incorruption. . . . For this corruptible must put on incorruption and this mortal must put on immortality" I Corinthians 15:50, 53.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "By putting 'off the old man with his deeds,' mortals put on immortality' . . . He who has the true idea of good loses all sense of evil, and by reason of this is being ushered into the undying realities of Spirit" (pages 262 and 325.)

RESOLUTION

WHEREAS, It has pleased our Supreme Master to call our worthy brother, James Hendrix Miller from labor here to rest in the Celestial Lodge on high, therefore be it

RESOLVED, That in the death of Brother Miller we lose a worthy member of our lodge, a just and upright Mason, and a good citizen.

Brother Miller departed this life while in his young manhood; he was worthy and well qualified and duly and truly prepared for admission into the Celestial Lodge above where our Supreme Grand Master presides; and he will be properly vouched for by his Lord and Master, whom he loved and served on earth.

We sympathize with his close relatives, his friends and neighbors who mourn his departure; but we can only remind them that he is not dead, he is only asleep—resting after the years spent on this earth; he cannot, and would not if he could, return to us; we can if we will, go to him. Let us so live and perform our duties here as to insure a joyful reunion with those who have gone before, and a happy life in the great hereafter.

MEMBERS ENROLLING EARLY IN LEGION AUXILIARY

Re-enrollment of the 400,000 members of the American Legion Auxiliary for 1936 already is going forward rapidly throughout the country, Mrs. A. R. Hoghland, membership chairman of the Pierce-Johnson Unit of the Auxiliary, stated today. She predicted a large increase in the membership of the Auxiliary during the coming year.

"Although 1936 dues are not officially called for before October 20th, thousands of Auxiliary members already have enrolled for the year ahead," said Mrs. Hoghland. "Our own local Unit is making splendid progress in its membership work, with members re-enrolling in advance of the regular call for dues.

"The national convention voted a two per cent increase in state membership quotas, which calls for an increase of approximately 10,000 members above this year's quotas. The enthusiastic early enrollment indicates that this year's gain of approximately 20,000 members will be equalled or exceeded, giving the Auxiliary the largest enrollment in its history."

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

HOUSTON VOTED POPULAR HERO

PERRYTON HIGH SCHOOL STUDENTS NAME SAM HOUSTON AS MOST POPULAR TEXAS HERO

In a vote taken last Wednesday on official ballots sent out by the College of Industrial Arts of Denton, the high school students chose Texas heroes in the following order:

Sam Houston—112
Stephen F. Austin—111
James Bowie—107
William B. Travis—107
Moses Austin—104
David Crockett—103
Robert C. La Salle—83
James S. Hogg—50
David Burnett—46
Ben Milan—45

In studying and making the official count of the ballots it was determined by the Civics and Texas History classes that the vote was well scattered among the candidates rather than bunched at the top of the ballot. This showed a fairly intelligent choice on the part of the students.

It was also determined that 128 ballots were voted of 58.2 per cent of the total number enrolled in the Senior high school. The failure of the remaining students to vote was judged due to forgetfulness or lack of information.

THRU THE KEYHOLE

Effie Jones says the bar pits near the CCC camp are very difficult to get out of, with her auto.

Pauline Sharp and Chester Theissen have it bad.

Something has gone haywire with the McLain-Calhoun match.

Jack Allen likes a different girl every day! The latest one is a Mounds gal.

Why does Annabel Cox keep going down to Notla? Nigger in the woodpile somewhere.

Studes, it looks like little Winnie Butler has our football hero (and editor) in her vicious power.

We wonder why she was drinking five cokes in the City Drug Monday night. Could it have been a bet she made with Cap Correll?

Aren't we good football players? Spearman ought to think so anyway.

It is very amusing to watch some ole' boy with his first sweetie. If you think I am wrong, just watch Fred Kuhn and his gal.

If George Andress and Bette Bryan didn't have interests elsewhere, I'd say they were interested in each other.

If you want to hear some things I suggest you slip down close to the south door of Senior High building and listen to a bunch of girls who go there 'cause teacher can't see 'em.

Did anybody see Mildred Brillhart with Clifford Wakefield last week? I'm guessing that they did.

Luella McMillen says she can't see why some people can't live in Perryton. Such a statement, Luella.

Arline Slavin, we are going to prosecute you to the fullest extent of our law if you don't quit riding around with Glen Tindle.

Carmen Cofer and Glen Reynolds are at it.

R. C. Johnson, if you want to fight just come around to me; I'll fight you if you can find out who I am.

By the looks on some of the faces of our Perryton damsels Monday' I think the purple sweaters of the Spearman Lynx made the girls homesick for Spearman.

Carmen Cofer is seen with Glen Leatherman again. She seems to have a weakness for Glen's.

Virginia and Clifford Wakefield of Jet Oklahoma, have been welcome visitors in Perryton since Saturday.

CAGE TOURNEY IN DECEMBER

ANNUAL INVITATION BASKETBALL TOURNAMENT DATES ARE SET FOR DECEMBER 13TH-14TH

Perryton will be the center of much activity on the 13th and 14th of December. Many basketball teams, boys and girls, will be in Perryton for the annual basketball tournament. Although no entry blanks have been sent out at this time, the response from the preliminary announcements has been gratifying. Indications point to a larger and more successful tournament than we have ever had.

Homes Will Be Needed

Everyone has been very responsive to the school request for homes for the contestants and we are repeating our request for even more rooms than ever. No meals will be expected for the contestants. Our visitors will provide their own meals. This is rather advance notice but if you know at this time whether you may care for some of our boys or girls please send word to me. We thank you!

W. B. Irvin.

CIVICS NEWS

The Civics Class under Mr. Park's direction held a nominating convention. The class was grouped into different states each with a candidate for president. The convention lasted four days. The members of the convention showed their credentials. The class elected Franklin Roosevelt as a candidate to the Presidential convention.

We are reviewing the material in our books that we have covered since the six weeks Exams.

We are glad to have Leroy Carter join our Civic class.

BOYS BETTERMENT COLUMN

Dont's

1. Don't do things because the crowd does.
2. Don't be egotistical.
3. Don't take a girl for granted. Remember you're not the only pebble on the beach.
4. Don't try the same line on every girl you meet, maybe she's heard it before.
5. Don't butt into a conversation with the old line "say have you ever heard this one?"
6. Don't talk about the little faults of your girl friend. "Flattery may be as false as any other lie, but it is easiery to forgive.
7. Don't try that cave-man stuff. Your girl friend might be a Madame Hercules.
8. Don't be domineering. Remember she isn't yours until she says "I do" at the altar.

(Your letters will be answered next week.)

4-A NEWS

Jo Ann Dyatt and family moved to Amarillo, Friday. We are very sorry to lose her.

In art, we are making grape pictures. We have also been making pictures of the desert.

Betty Roy Sharp has been sick for some time but is back in school now.

We are making a Thanksgiving sand table to represent Boughton's picture, "Pilgrims going to Church."

We have organized a "Read a Good Book Club." When we have time, we read a good book and prepare a report on it.

We are learning Texas songs. All boys and girls are learning these same songs all over the state of Texas for the Centennial at Dallas.

David Shanks Jr., former student body president of Perryton High Vincent Hobbs, Ranger football star of '33-34, Wilford Lance, Margaret Rupprecht and Randal Jones, all former students of Perryton High, were home from college to visit their parents and friends during the week-end.

JOIN JUNIOR RED CROSS

The Perryton public schools have again joined the Junior Red Cross. For several years Perryton Juniors have maintained international correspondence with foreign countries and this practice has proven to be very interesting as well as a promoter of international goodwill. Many other projects are worked out by the students under the direction of Mrs. W. F. Haggard, chairman of the school committee.

Poultry Judging Team From Perryton High In Contest at Quail, Texas

The Perryton Poultry judging team, made up of Vocational Agriculture pupils, which competed Saturday November 2, at Quail, Texas placed fifth out of eight teams entered.

Members of the team were, Shelly K. Hill, Athel Pearson, Charles Threw, Leo Russell. The order on which the teams placed at the contest were: McLain, first; Tulia, second; Clarendon, third; Claude fourth; Perryton, fifth; Memphis ("A" team) sixth; Memphis ("B" team) seventh; Estelline, eighth.

Mr. Neilson stated that he thought the boys did well considering the fact that the team was composed of first year Vocational Agriculture pupils. Also the boys had just been in a car wreck, (tho' none of them were injured) and went on to the contest alone while Mr. Neilson purchased a car because the wreck damaged his too much for any immediate use.

The boys and Mr. Neilson hope to win on the next judging trip and are looking forward to better weather conditions.

7-2-3 NEWS

Those making one hundred in spelling were: Berniece Carter, Byron Tevis, Virginia Russell, Avanell Hill, Clifford Gyger, Clyde Flowers Olaf Mays, Josephine Carlson, Randolph Skulley, Martha Geffey and Dorthy Budock.

We had perfect attendance Thursday and Friday.

Berniece Carter spent Wednesday night with Eileen McCall.

Martha Guffey withdrew from school because she is moving to Canadian.

2-A NEWS

We are glad that Mary Lou Rupprecht, Buell Holmes, Betty Ruth Hardgrove, and Gene Johnson have returned to school, after being sick a week or more.

Billie Gwen Youngblood, Lucile Batman, and Jim Bill Dodson are absent because of illness.

Paul Dowers brought his pet snake to school last Friday afternoon. The children enjoyed seeing it and learning about snakes.

GIRLS GLEE CLUB

Mrs. G. C. Brillhart was the charming hostess at a party given for the Girls Glee Club. Singing, stories, games, and interesting contests were the main diversions of the evening. We wish to take this opportunity to thank Mrs. Brillhart for the lovely party.

We have received some new music for our Glee Club work and we are now working on it more than anything else.

The exact date of our concert has been set, but it will be sometime before the Christmas Holidays.

It won't be long until we will decide upon an operetta and begin working on it.

LATIN 2

In Latin 2 we have been studying about gerunds. The gerund, while it is always a noun, with the syntax a noun, is derived from a verb and retains so strong a verbal idea that it may take an object or be modified by an adverbial phrase. Thus: "There is no way of crossing the river." Crossing is a noun governed by of, but it is also a verb taking a direct object, river.

We have been reading about Roman families and studying the sequence of tense so we may use the subjunctive correctly.

Lose First Cage Game

Rangerettes Lose First Game Of Season to Hardesty, Oklahoma Last Thursday

The Rangerettes went to Hardesty, Oklahoma, Thursday to lose their first basketball game of the season. During the second quarter Imogene Pitts shifted from center to sink one basket before the whistle blew making the score 19 to 2 at the half. It looked as if the ball game was over but Rowe and Clarke ran up 10 points in the 3rd quarter and 5 during the last. Our defense was on their toes too; the last half they held the Hardesty girls down to seven points.

Hardesty got too much lead the first half for the Rangerettes to win, but if the Rangerettes had played the whole game like they played the third quarter, they would have beat Hardesty at least 30 points. The Rangerettes just didn't play the "ole ball game they've been taught;" but the season's only begun, so if they'll buckle down to it they can still make it a good one for P. H. S.

LATIN 1

In Latin I class we have some new "flash cards." They are held up before the class and we translate them to the opposite language from that which they are written.

Today, Tuesday, we found out that the holidays did us no good in Latin.

SPANISH 1

In Spanish 1, we have been studying the customs of Spanish women.

On Monday of each week a very industrious woman of Barcelana washes the clothes with water and soap. On Tuesday, she irons the clothes, on Wednesday, she enters the bedroom in order to sew, on Thursday, she cleans the house, on Friday, she puts clean sheets on the beds, on Saturday, she goes to the kitchen and makes bread for the week. She makes it for all the week.

The woman always says the names of the week and what she has to do.

TEN MINUTE CHAPEL

The program for Thursday morning, November 7, consisted of two numbers. First number was a trio by Mary Lee Wilson, Virginia Correll, and Luella McMillian. Virginia accompanied them at the piano. They sang "Show Me the Way to go Home," and the second number was a reading by Winifred Butler.

JUNIOR NEWS

We are very glad to announce that we have a new Junior. I think everyone knows her. Jennie Woods, who has been at Lubbock, has come back. She says she is very glad to be back, too.

I think most of the Juniors are feeling kind of keen after our little vacation; at least everything has been going very quiet today.

ATHLETIC CLUB

The Athletic club met Friday, the sixth period, to play out-of-doors.

The Earl Stevens' Pansies played Clyde Flowers' Tigers. The score was 7 to 6 in favor of the Pansies. Wayne Cudd's Wildcats played Earl George's Lions. The Lions defeated the Wildcats with the score 12 to 6.

Dave Helfibien's Sandies played Pete Osborne's Rattlesnakes. The Sandies won with a score of 22 to 2. (What a game). Marvin Funk's Ruff Necks played Bob Lawrence's Gorillas. The Gorillas won with a score of 8 to 4.

The girls didn't play against each other. They went down and watched the other teams play.

Gaylon Williams, Miami, visited Luella McMillen Monday.

Boys Win Cage Game

Rangers Down Hardesty Basketball Team in First Skirmish of The 1935-36 Season

The Rangers journeyed to Hardesty last Thursday and had a friendly basketball game. They have a fine playing court at Hardesty, and the game was enjoyed by all making the trip, whether spectators or players. The boys won their skirmish by a count of 14 to 19. The boys have not been practicing long and as Mr. Burk is busy with the football team; Alvis Morris has been practicing the boys. However, they played enough to beat Hardesty.

Outstanding for the Rangers were Morris and Pittman.

HI-Y NEWS

There was a joint church service at the Baptist church Sunday, November 3, with Patrick Henry Jr., as the speaker. Mr. Henry held the audience spellbound for the duration of his talk. He is the representative from Wichita Falls, and has been in the Hi-Y work for a number of years. On Monday he was introduced to each one of the Hi-Y members personally. Monday night, the Hi-Y club was presented with their charter. Most of the boys have signed it. This charter will be put up in the hall, and the boys that sign it will be the original members and have the honor of seeing their name a good many years from now. Mr. Hampton told the audience about the Hi-Y's expenses and that he was going to put on a negro minstrel soon, and that the proceeds would go to help defray expenses of the Hi-Y club. We have not been organized long, but we have sent in half of our annual dues for the whole club. Mr. Henry complimented us on our interest and so on in the club. We are very glad to know Mr. Henry personally, as he is a very outstanding personage in our range of acquaintances.

TEN MINUTE CHAPEL

The program for Tuesday morning, November 12, was: First number, a reading by Paul Sherman; "Willy's Chum." Second number was a vocal solo by Waneta Bryan.

EIGHTH GRADE NEWS

We are very glad to have Nadine and Idress Ives back in school with us after a long absence.

There are a number of absentees in both classes this week. We hope they will hurry up and come back.

PEP SQUAD

The Pep Squad had several meetings before the Spearman game. Friday evening we practiced our stunt in the dirt, and the band practiced with us. W. I. Byron's horn sounded as if it was choked up with dirt, but he can blow it anyway; just ask the pep squad.

Virginia Holland and Sibyl Ranson fell off the bleachers. Sibyl was not hurt but Virginia was. Maybe the secret lies in the way they fell.

At the game the pep squad about froze up and we weren't so peppy at times but we did our best, to help win the game, and got a free ticket to the show.

GIRLS GLEE CLUB

We are now dividing our week up so that we can more easily get our work done properly. On one day we will devote all of our time to solo work. On another day we will work on quartets, sextets and octets, and three days will be spent on group work. We are trying this arrangement to see how it works. I am sure it will be satisfactory, but if it is not there are always other arrangements to be tried. We hope to have some swell quartets and other groups of song birds.

CHAPEL

The band played as we marched to chapel Thursday, November 7. Mr. Byron led as we sang "Tramp, Tramp, Tramp". After prayer, a short talk was given by the new Christian Church Pastor Mr. Griffith. The program was then turned over to the band, directed by Mr. W. I. Byron. First number on the program was "The Star Spangled Banner". The second number was a short talk by Mr. E. D. Kelley on the World War after which Mr. Park sounded taps while the student body rose and bowed their heads in tribute to the soldiers of the World War. The band then gave a short concert.

In preparation for the football game with Spearman, Monday, a pep rally followed the program. The pep squad gave several yells, the band played several numbers, and the entire school sang our pep song several times.

We left the auditorium feeling sure we would win the game Monday. The football boys and coach O. E. Burk stepped up to the stage and received a hearty cheer. R. T. Correll and Joy Hergert gave short extemporaneous speeches following a few words from Coach O. E. Burk.

Pat Parrish a former student of Perryton High and who now resides in Childress, was a house guest in the Wooten home last Saturday.

The Methodist Young People's Association will have a League party at the Methodist Church Friday night. They are looking forward to a large crowd and a good time.

GIRL SCOUT NEWS

We met Friday at club period and learned our Scout laws and practiced tying knots.

The Girl Scouts met at the home of Miss Mitchell Saturday afCter of Miss Mitchell Saturday afternoon for tea. Mrs. Hampton met with us.

SENIOR NEWS

We Seniors are still alive but we are silent, because we are trying to write some excellent themes on Revelation Through Billboards. These themes are to bring out what the people of 4,000 A. D. will think of us ancients our clothes, amusements, taste, books, when their archeologists unearth some of our billboards.

Elton Rahenkamp has been absent. We are sorry that Ethel Guffey has moved to Canadian. We will miss her in our class.

DEBATING CLUB

Last Friday the Debate Club rounded into form as far as attendance went. Several of our old team who had been absent on account of football were back.

The subject for our debate last week was "Resolved that the Cabinet Form of Government is Preferable to the Presidential Form."

Cap Correll and Henry Davis upheld the affirmative in a very heated argument against Virginia Correll, Coralee Tandy, and Rayford Nowlin.

We are expecting more of our old members back soon to start with us on the Interscholastic league subject of Cotton Control. Our booklets on this subject arrived last week.

MEET MR. HAMPTON

Thomas Edgar Hampton was born in Lafayette, Louisiana, on June 18, 1907. He attended the University High School at Baton Rouge, La. and graduated there in 1924. He attended college at Texas Tech and W. T. S. T. C. and graduated at Louisiana State in 1931.

His favorite color is purple, and he says he likes popcorn better than any other food. His pet hobby is listening to the radio. He likes golf and football.

He teaches physics, algebra, and geometry.

He taught at Dalhart before he came here this fall.

He's a brunette, wears size 9 1-2 shoes and size 7 1-4 hat. His favorite byword is dog gone.

Mr .Hampton's bachelor days were over when he married Opal Lewis on July 18, 1932 and they now reside at 216 S. W. 5th St.

CURRENT SCANDAL

Myrtis Dowers says since Jimmy's gone she'll go back to Jim Edd. Isn't it great to be popular, Myrtis?

It seems as though the love bug has bitten Ruth King and Albert McGarraugh, too. What next?

We don't know what it means but Belle Marie Wright and Harold Hudson have been looking kinda moon-eyed at each other lately.

It looks as though Queenie is going to recover this break between her and Bobbie Whippo after all. In fact she's coming out of it quite fast.

Vivian Rogers is getting rather Ritzy too. All right all you Guys and Galises, watch out.

Spearman may have lost the Ball game Monday but Oleta James says that there is one Spearman boy who still has his appeal.

What's this we hear about Reece and Maxine giving each other the go-by. And now Maxine is sporting a band pin. Tsk, Tsk. Such is life.

Sibyl Apple and June Phelps had a swell time Monday night. Just ask Pete LaMaster.

What's this about Clyde Jones robbing the cradle last week. Why Clyde!

Can You Imagine?

1. Miss Hutchison not driving a chevy?
2. Mr. Hampton without his sense of humor?
3. Miss Mitchell not saying, "Listen here now".
4. Miss Neufeld without her Mae Westian giggle?
5. Mr. Park with a Clark Gable profile?
6. Luella McMillen being pigeon-toed?
7. Jerry Slaughter trying to imitate Garbo (I tank I go home) Do you get it?

A contribution:
Life may be funny
Love may be tough,
But if you want to keep sunny,
Don't treat a girl rough.

FULL GOSPEL MEET

EVANGELIST GAIL W. SCHULTZ

Great interest continues in the revival meeting now in progress at the Full Gospel Tabernacle. Evangelist Gail W. Schultz is leading the services with Joe Lilly directing the choir. Pastor Robert Girouard extends a welcome to people of all denominations to attend the services. The meeting started on October 27, and will close next Sunday, November 17, with services in the morning, afternoon and night.

Full Gospel Revival

Services Attracting Much Interest At Tabernacle; Rev. Schultz In Charge

The revival that is in progress at the Full Gospel tabernacle under the leadership of Evangelist Gail W. Schultz has grown in interest and attendance since it started October 27.

The services were held last Sunday and this same schedule will be repeated this Sunday. Afternoon services will be held every day except Saturday, and with night meetings regularly.

Evangelist Schultz issues a call for men and women to enlist in the work of the Lord, which offers advantages for better living. The meetings each night are helpful in every way and the public is extended a cordial invitation to attend.

J. L. Riley and daughter, Miss Harriet, came in Saturday from Minneola, Kans., to spend the week-end in the Jas. F. Bray home and to take home Mrs. Riley who has been visiting with her daughter for the past two weeks. Miss Harriett remained for a few weeks the others returning Monday.

LUTHERAN PASTOR TO REMAIN

REV. H. W. HARTENBERGER REJECTS ATTRACTIVE OFFER TO HEAD BIG CHURCH

In a special meeting held Sunday afternoon following services at the Lutheran Church, the members discussed with their pastor what action should be taken regarding the request of the Lutheran congregation of Kingsville, Texas, to grant a release to the local minister, so that he might accept the pastorate of the larger church in the South Texas city.

Although the local members did not wish to stand in the way of their pastor's advancement or seek to hold him against his will, the desire was expressed that he might continue in his present charge, if he found it possible to do so. A vote was taken and when the ballots had been counted, the result was a unanimous vote in favor of retaining the present pastor. Renewed pledges of loyal cooperation with the pastor for the future given. Rev. Hartenberger asked for a few days additional time for consideration. The Herald has been given permission to announce that Rev. Hartenberger has now definitely decided to decline the call to Kingsville and will remain at Perryton.

In explaining his decision to cast his lot with the local church, the pastor stated: "Although there were attractive features and undoubted advantages connected with the Kingsville pastorate, I feel that it is my duty to stay with my present flock a while longer and not desert them at such a critical time as this. It has been a pleasure to work with the local people—as fine a group of people as is to be found anywhere. While our growth has not been phenomenal or sensational, it has been consistent and steady. A solid foundation of loyal and well-indoctrinated church members has been laid, and with the return of normal crops and better times I feel confident that a church building program will be undertaken and a suitable house for worship erected on the splendid location in the 700 block on S. W. 7th Street. Thereafter also the outward growth will be more rapid."

Regular English services will be held Sunday morning at 10:30 followed by instruction in the Sunday School and Bible classes.

Welcomed New Pastor

Members of First Christian Extend Greetings To Rev. M. K. Griffith at Dinner

The members of the First Christian church officially welcomed their new pastor, Rev. M. K. Griffith and his daughter, Mrs. Gertrude Butcher, on Wednesday evening, November 6, in a social meeting at the church.

The ladies prepared a dinner equal to a banquet, and after the feast, the new pastor was presented with a table loaded with useful articles.

Rev. Griffith and his daughter came to Perryton from Clovis, New Mexico. They are highly recommended and the people of the Christian Church and the citizenship as a whole extend them the welcoming hand of the "Friendly City of Perryton."

After a short social hour, the teachers and officers of the Sunday School and church met and the pastor outlined a very efficient program for the Bible School, which it is hoped, will increase attendance and the efficiency of the school.

Mr. and Mrs. T. O. Patton, Mr. and Mrs. J. M. Anderson, Miss Evelyn Fulton and Ross Leatherman were Amarillo visitors Sunday and Monday.

Miss Christine Fortenberry attended a party of her Sunday school class in the home of Mrs. Wesley Bryan Friday evening.

Mrs. Harriet P. Thornton will leave the latter part of this week for Florida and other Southern states where they will remain during the winter months.

RANGERS WIN

(Continued from page 1.)

eral around left end for 2 and Jones plunged through left guard and scored from the 12 yard line. His kick was blocked.

Again the Rangers kick off and the Lynx, with Ooley and Curtis doing the ball lugging, advance it to the Ranger 38 yard marker where they fumble again, Ferguson scooping it up. Punts are exchanged and as the quarter closed the ball is in possession of the Lynx on their own 15 yard marker.

Play is resumed with the Lynx battling their way down the field, aided by a 37 yard pass, Curtis to Vernon. They are held for downs on the 20 yard line. The locals make a first down but punt on the next series. They regain possession when Spearman is held for downs in midfield and pick-up two first downs but a penalty sets them back on the next series and they are held for downs on the 25 yard stripe as the half ends.

The Rangers take the kickoff and without losing possession battle across for their second counter with McMillen making the last 3 yard plunge. Lilly around end on a lateral fails to convert. The peculiar play on the kickoff following resulted in the third Ranger touchdown and is described above, Jones kicking from placement for the extra point, Lilly getting the scoring honors.

Schroeder intercepts a pass on the first play after the kickoff but the Rangers are forced to kick. A 49 yard pass, Curtis to H. Uptergrove starts a goal line threat for the visitors, from their own 20 yard line. Another pass, Curtis to C. Uptergrove is good for 7 and Ooley smashes right guard for 11 yards and a first down on the Ranger 12 yard stripe. Curtis nets 2 at left tackle. The Lynx fumble on the next play and the Rangers recover but the play is called back and the locals given a 5 yard off-side penalty to the 5 yard line. Ooley loses slightly on a line play and Curtis loses 2 around left end. A pass is incomplete over the goal and the Lynx threat is over.

The Rangers pick up two first downs and the quarter finds the pigskin on their 45 yard line. Play is resumed and two more first downs result but after getting inside the 30 yard line they are penalized 15 yards for using hands on offense. They are forced to punt but Hergert regains possession by recovering a Lynx fumble on the 32 yard marker but another penalty sets them back enough that in order to play safe they kick. Spearman picks up a first down but kick on the next series with the Rangers repeating this performance. A 15 yard penalty is assessed the Rangers when Correll talks upon being substituted. Tucker intercepts the long pass thrown on the first play and returns to the Lynx 46. Two first downs result and the game closes with the ball in possession of the Rangers on the Lynx 25 yard line after taking another penalty.

Summaries of the game: score, Rangers 19, Lynx 0; touchdowns, Rangers 3, Lynx 0; try for points completed, Rangers 1, Lynx 0; first downs, Rangers 18, Lynx 8; offensive plays, Rangers 63, Lynx 41; yardage gained, Rangers 305, Lynx 196; yardage lost, Rangers 16, Lynx 12; net gain, Rangers 289, Lynx 184; forward passes, Rangers 4 attempted, all incomplete, Lynx 12 attempted, 4 complete for 99 yards, 6 incomplete and 2 intercepted by Rangers; kickoffs, Rangers 4 for 182 yards, Lynx 1 for 39 yards; kickoffs returned, Rangers 1 for 15 yards, Lynx 3 for 51 yards, one Ranger kickoff converted into a touchdown; punts, Rangers 7 for 165 yards, Lynx 2 for 58 yards; punts returned, none; ball lost on fumbles, Rangers 0, Lynx 4; held for downs, Rangers 1, Lynx 3; penalties, Rangers 7 for 55 yards, Lynx 0; penetrations of 20 yard line, Rangers 3, Lynx 2.

Ranger substitutes: second period, Kent for Correll; third period, Garrison for Ferguson, Flowers for Nowlin; fourth period, Prewitt for Lilly Correll for McMillen, Nies for Kuhn, Nowlin for Flowers, Ferguson for Garrison and Pittman for Kent.

Officials: Hatley, Oklahoma A. & M., referee; Blair, Jefferson college, umpire; Newman, W. T. S. T. C., head linesman.

Mr. and Mrs. Ed Morgan and Miss Juanita were dinner guests Monday evening with Mr. and Mrs. J. H. Woodward.

Mr. and Mrs. Earl Miller and daughter, Patsy, have been in Oklahoma City the past week visiting and transacting business.

Miss Marie Ludwick, home demonstration agent for Ochiltree county, is in Amarillo this week attending a district meeting.

Mr. and Mrs. H. C. Brillhart, Mr. and Mrs. Paul Ballew and Mr. and Mrs. Liel Lewellen were Amarillo visitors Monday and saw the Lubbock-Amarillo football game.
