Colorado City Record

"The Only newspaper devoted completely to the interest of Colorado City and Mitchell County"

60TH YEAR — NO. 99 | 12 PAGES | COLORADO CITY RECORD, THURSDAY, SEPT. 9, 1965

County Voters In Favor Of Increasing Senate

First Bale

CHECKS for $50 were presented to Clyde Feaster, right, and Lynn Miller, center, by Tommy Marricle after the two farmers tied for getting out the first bale of cotton in Mitchell County. Miller and partner, J. B. Piercy donated the prize money and receipts from the bale to the Lions Club Crippled Children's Home in Kerrville.

Big City Vote Causes Defeat

Mitchell County voted for expanding the State Senate to 39 members; but big city voters smashed all hopes of the amendment passing.

The county vote was 171 for and 93 votes against for a total of 264 ballots cast.

As expected, the county vote was extremely light with an approximate turnout of ten percent going to the polls.

The amendment carried eight of the nine county voting boxes. Carr was the lone dissenter with five for and a single vote against.

Pct. One, the county's biggest box, cast 82 for and 48 against.

Loraine offered a surprise in the voting as the amendment received only a two vote margin in carrying 26-24.

Westbrook went for the proposition 13-5.

Buford carried 12-4 and Spade gave an overwhelming "yes" vote of 13-0.

Pct. eight voting at the Civic House went 7-4.

A 3-2 margin went for the amendment at Landers.

No absentee ballots were cast in the county.

Almost all of the bigger cities excepting Amarillo and Odessa gave from close to heavy margins to the defeat of the amendment.

The statewide estimate of votes was expected to be 200,000 of an approximate two million eligible Texas voters.

The expansion of the Senate from 31 to 39 members had been pushed in many rural areas whose representation would have been helped by the eight additional senators.

Under the redistricting plan approved by the last Texas legislative session, a total of 13 senatorial districts were combined into six.

Thus, at least seven of the present senators will lose their jobs since the redistricting plan was drawn to accomodate only 31 senate seats.

With the defeat of the amendment, the need for a special session of the legislature to draw new districts to provide for 39 senators will not be necessary.

Under the new plan, many smaller towns and rural areas are not considered to be as well represented as was the case in the past.

Local interest in Mitchell County had been only slight in regard to the increase proposal despite the fact that the area is primarily a rural farming area with only small towns located in its boundaries.

Court Approves Budget For Mitchell County

Mitchell County Commissioners Court voted unanimous approval for the county's budget for the 1966 year.

There will be no tax increase with the charge still being $1.35 per $100. valuation based on 22 percent of the value.

Tax collections will be based on a total value of $25 million in the county.

Tax income is estimated for the year on the basis of a 90 percent collection. The collection usually runs as high as 98-99 percent in the county.

Of the $1.35 tax, 30 cents goes into a fund for farm-to-market roads in the county.

Total budget for 1966 is $539,145. The budget for 1965 was $539,248 or $103 more than the figure for the coming year.

Income from taxes in the county is expected to be $296,998.

An estimated $193,840. will come into county coffers from auto registrations, fines, fees, etc.

Getting the larger portions of the budget will be the following funds: jury, $12,042; road and bridge, $230,637; general, $102,926; permanent improvement fund, $38,250; officers salary fund, $83,108; interest and sinking fund, $14,285; farm-to-market and lateral road fund, $85,000.

In 1967 Mitchell County taxpayers can expect a decrease of ten cents in their taxes as the county's indebtedness is paid off.

Included in the payments of the budget are all jury and court fees, salaries of county officials and workers, construction of bridges and roads plus the upkeep of present facilities, materials and supplies and purchase of new and used equipment for road and office work.

All members of the court were present for the final vote on the budget measure including County Judge Elmer Martin and Commissioners J. C. Northcutt, Moody Richardson, Marcus Vest and Drue Cawthron.

Clever Cooks Can Make Quick Creamed Specials

By RUTH COFFEY

Unexpected company?

Even without time to plan and shop for extras a clever cook can manage to come up with something different and delectable. The trick is to use things found in the refrigerator and on the staple shelf all clever cooks keep an eye on, just in case.

Even without enough beef or chicken or ham for an entree, two old standbys, bacon and eggs, can be "fancied up" for a main-dish casserole in the matter of minutes.

Bacon-Egg Casserole

8 slices bacon, cut in bite size pieces

2 tablespoons butter or margerine

1 cup milk

1 teaspoon Worchestershire sauce

½ teaspoon salt

½ teaspoon pepper

3 eggs, hard boiled and sliced

4 ounces egg noodles, cooked

4 ounces shredded cheddar cheese

Fry bacon crisp. Drain. Make white sauce by melting butter in heavy saucepan. Add flour and blend. Add milk and stir over low heat. Add seasonings (salt, pepper, garlic salt and Worchestershire) and continue stirring until slightly thickened.

Arrange half of sliced eggs in casserole. Add layer of cooked noodles, then shredded cheddar and half the white sauce. Sprinkle with half the bacon. Then repeat the process, ending with bacon pieces on top.

Bake in 350 degree oven for 30 minutes. Serve at once.

* * *

Whether a cook is clever or not, if she can read labels she can sometimes manage some spur-of-the minute delights.

Menu-minded homemakers can now get new ideas from almost every can — particularly on the creamed soup labels.

Cream of vegetable soup, for instance, can be used for making the quickest — and best — of chicken a la king. Add ½ cup of milk to the soup, stir in diced chicken or turkey, diced pimentoes if you have them on hand, hard cooked eggs, diced, if you need to stretch the product. Serve on lightly browned toast triangles.

Soup of any of the creamed varieties, celery, mushroom, vegetable or chicken, can be used to make quick creamed ham and eggs on toast. Left over cooked ham combined with hard cooked eggs can make a meal in a hurry.

Creamed tuna, with hard-cooked diced eggs added, is a breeze with any of the creamed soups and ½ cup of milk stirred and heated thoroughly. Cream of vegetable has more zip, but experimenting with other flavors can be fun.

Creamed Eggs on Toast

4 hard-boiled eggs, diced

1 can Cream of vegetable soup

½ cup milk

Sliced pimentoes or stuffed olives

Buttered toast cut in triangles. (4 slices cut in halves)

Stir milk in soup. Heat well, stirring over low flame. Add eggs and pimentoes. Top toast with creamed eggs and serve immediately.

Conservationist Urges Proper Rangeland Use

Proper Grazing Urged

Range Conservation plays an important part in the economy of Mitchell County. Overgrazing is one of the greatest hazards to good range management in the county. Range proper use will also bring about an accumulation of dead plant to form a litter. This litter provides protection to the soil during rains and wind storms. It will slow down the runoff and will increase the rate that water will soak into the ground. It is the rain that soaks into the ground that counts.

Vegetative cover, including litter, reduces the extreme differences of the soil temperature during hot and cold weather. During hot summer months, the temperature on bare or very sparse covered soil frequently will reach 135 to 140 degrees when the atmospheric temperature is about 100 degrees. Whereas, under a good living or dead grass cover, the soil temperature will be about 2 to 5 degrees below the atmospheric temperature.

The higher temperature almost stops bacterial and earth worm action which is so important in plant production. The grass cover reduces the rate of soil moisture evaporation.

The more top growth on a grass, the deeper, stronger and healthier the root system which can withstand long periods of dry weather. Grass plants heavily grazed will have shallow, weak root systems that will dry out during drouths which are so frequent in West Texas.

The product that the rancher sells depends upon his ability to convert the inches of rainfall into grass which produces cheap, saleable livestock. It is "The RAIN YOU KEEP THAT COUNTS," Sheppard stressed.

Section Two — COLORADO CITY RECORD, THURSDAY, SEPT. 9, 1965 — Page One

Ruth Coffey's CONVERSATION CORNER

NOW IN SEPTEMBER come a number of things to stir the spirit and renew the strength of the summer-soaked observer.

There's a slight hint of fall in the air. Days grow shorter by the minute. The moon changes. School is in full swing with homework bringing bikes and boys and girls back to the house before the supper hour.

All the stores show winter clothes . . . advertisements sing of furs, double knits and velvet hats.

September is here with its preview of longer nights . . . football fights . . . autumn sights . . . and Mexican food delights.

* * *

JUST BEFORE people kiss summer goodbye there always comes the long Labor Day weekend.

Did you ever think you'd live to see the day when Colorado City would draw such holiday crowds to her lake shores?

We've gone from the old cattle droves to droves of cars towing boats . . . from cattle camps and chuck wagons to fishing camps and station wagons. It's a sight to see.

* * *

HOLIDAY weekend drives around both Colorado City's lakes — Lake Colorado City and Lake Champion — found every single picnic shelter occupied.

A few were made private with hanging blankets and giant beach towels. More of the shelters were flanked by tents of every color, every size and every design . . . camping trailers, trailer-tents.

And there were boats in every cove. Big boats, little boats, cabin cruisers, motor boats, row boats. Boats racing along with water ski fans trailing in Lake Colorado City.

* * *

LAKE CHAMPION had two scuba divers, Saturday afternoon. Out at Lake Colorado City's Sportsman Club and at the private fishing clubs were swarms of people. People in shorts, in swim trunks, in rolled-up jeans.

Over the air at City Park, at Fisher Park, Cooper's Cove, Lake View, and Wyatt's Point hung the blow of cookout smoke . . . the smell of sizzling suppers.

Everywhere, everywhere were sun-tanned faces and bodies . . . children with inner tubes and life-jackets and happy eyes.

Who'd-a-thunk-it? C-City, miles from the sea and in the heart of farm-ranch country, has gone resort. It's something to see. And something to think about.

* * *

ONE C-CITY son, **Clay Mann Smith, son of Mr. and Mrs. Clay Smith,** has taken up a new sport.

Clay Mann's race horse, Clem's Alibi, won the holiday races at Juarez. Smith recently took his race horse to the Juarez track from the track at Ruidoso Downs, N. M.

* * *

SEPTEMBER signals the start of CHS football, too. Seen at the first Wolf game of the season, vs. Phillips, were **Marie and A. C. Benson . . . the John Tillers . . . A Baptist bunch sitting in a row: the Jene Steakleys, Fred McKays, Arlene Morrises and Bill Carters.**

Saw **Roy Richards,** sheriff's deputy from Loraine . . . and **Dwight Tomb,** Wolf Band director, with music flowing through his fingers . . . **Jamie Anderson and Lacy Boles** of the Record staff.

* * *

DOWNTOWN scene brought glimpses of **Christine Easterwood . . . Mrs. Paul Steward . . . Luke Nichols . . . Also Mickey Hendrix . . . Eddia Piland.**

Coffee breaking together were **Dale Mathis and Clifton Burfield,** Mitchell County News publisher from Loraine.

Met, for the first time officially, **Mary Ann Looney, wife of Ken Looney . . . Saw Cleo Smith (Mrs. M. A. Jr.) and Barbara Gray,** First Baptist Church office secretary, together.

* * *

MRS. PEARL DURHAM, 721 East 4th St., had holiday weekend houseguests.

Here visiting was one of Mrs. Durham's twin granddaughters, **Mrs. George Shalter, the Shalter daughters, Mrs. James O'Closkey and her sons Jamie and Jeffrey, all of Albuquerque, N.M.**

* * *

SEEN LATELYS were the **Bill Hammans . . . Sophia Oliver . . . Dock Simpson.**

Saw **Kathy Alsobrook (Mrs. Morris)** recent bride . . . **Doris Allen (Mrs. John)** on the shopping scene . . . **Mrs. A. J. Hooks** with TB Association news . . . **Joe Earnest,** city judge . . . **Eldon Mahon** of Abilene, in C-City for a business visit . . . **Nell Scott (Mrs. Bennett)** hurrying to a First Baptist Women's meeting . . . **Rae Ann and Bim Carlock,** all dressed up and headed for the Harrison-Palmer wedding . . . and **Gillian McEntire,** looking fresh as a daisy, in a summer shade of yellow.

Pork Shoulder Roll Slices Easily

Cured and smoked as well as boned, pork shoulder roll offers true deliciousness at the dinner table, easy carving for the host or hostess. It's simmered first, then baked to set the glaze.

What's another meat cut that is cured, smoked and tastes like ham? Other than ham, of course!

The meat is pork smoked shoulder roll. It's marketed under various brand names and was formerly called smoked butt. The name change indicates that it comes from the forequarter which is more descriptive that the previously used term.

Like other pork cuts, this smoked shoulder roll has excellent flavor. Since it's from a slightly less-tender section, it is often simmered in water before glazing, says Reba Staggs, widely known meat authority.

After cooking, it is tempting served hot or cold.

Glazed Pork Smoked Shoulder Roll

2 to 3-pound pork smoked shoulder roll
Water to cover
1 medium onion, sliced
6 whole cloves
1 bay leaf
1 stick cinnamon
½ teaspoon celery seed
½ cup brown sugar
1 tablespoon flour
½ teaspoon spiced peach juice
Spiced peaches, if desired

Cover pork smoked shoulder roll with water. Add onion, cloves, bay leaf, cinnamon and celery seed. Cover tightly and simmer 2 to 2½ hours or until done. Remove meat from liquid. Place on rack in open roasting pan. Mix brown sugar, flour, dry mustard and peach juice. Spread mixture on shoulder roll and bake in a moderate oven (350° F.) 15 minutes or until glaze is set. Serve with spiced peaches, if desired. 6 to 8 servings.

At home in Colorado City, at 1136 Locust St., are Mr. and Mrs. Morris Alsobrook. Married here Thursday, August 19, in Oak Street Baptist Church, the newlyweds are pictured with the bride's cake at the wedding reception hosted in the church Fellowship Hall.

Family Ties ——

Sixty years of good citizenship for Colorado City isn't to be taken lightly.

That's why we want to mention the names of E. L. Tiller and Les Watson, those two venerable gents who have just retired from active service at Col-Tex Refinery. Their tenures with Col-Tex total 60 years together.

That's not exactly a record, but it re-emphasizes just how long the Col-Tex family of employes has been meshed with the welfare of our community.

Any business family which contributes good friends and neighbors like this retiring pair deserves more than just a nod of recognition and appreciation.

Underdog Wolves Set To Try Ector Eagles

Colorado City's Wolves face one of the toughest teams in West Texas Saturday night as the "Pack" goes into grid battle with the highly-touted Ector Eagles at 8 p.m. at W. T. Barrett Stadium in Odessa.

Wolf Head Coach Truman Nix described the Eagles as "one of the best, if not the best, ball clubs, we'll play all year."

Lineup Changes

New faces are expected to dot the starting defensive and offensive elevens of the Wolves.

Two changes in the offensive line will see Doug Aycock take over starting duties at left guard in addition to his defensive cornerback spot and Stetson Cowan to start the game at center.

Glen Nix will lead the offensive "11" as the starting signal caller against Ector.

Defensively, Craig Bell and Gary Parker take over starting duties at defensive ends.

Mack Findley is the new left inside linebacker.

Shift in the offensive backfield moves Mike Garner to right halfback and 180-pound David Way takes on assignment at fullback.

Way had previously been used only on defense due to his late arrival for early season workouts and Garner had been working from the fullback spot.

Good Condition

Coach Nix reported the Wolves to be in top physical condition except for Robert Jameson who was out of school Tuesday with a virus.

Jameson was slowed last week with a back injury, but had almost recovered until the virus struck earlier in the week.

Gary Parker will fill in for Jameson should the latter be sidelined Saturday.

The Week's Work

Concentration has been on offensive work during workouts this week at the Wolf practice field.

The stepup came after the Wolves attack almost completely lost its punch in the 19-0 loss to the Phillips Blackhawks.

"We were in a state of shock over our flat offense against Phillips, but the whole squad has picked themselves up and are showing more desire and hustle," Nix said.

"We'll have a good ball club when we get our problems worked out," the Wolf mentor added.

Of the week's workouts, line coach Ray Morgan said, "The team has been getting after it and they've been working."

The Opponents

Ector takes the field in top physical condition against the Wolves.

Their defense will be hard to penetrate and their offensive attack can be termed "very impressive."

Eddie Dominguez is being called "one of the finest passers in the state" and David Moss, 155-pound halfback, is a real speedster.

A well-balanced attack is expected out of the Eagles by the Wolves.

In a telephone interview with THE RECORD, Ector Head Coach Jim Payne, said his squad was "improving" and would be up to full strength for the Saturday night battle.

In their last pre-season scrimmage wit AAAA Midland (Lee), Payne said the team was looking better.

Offensive lineup for the Eagles is: Byron Gage, 150, Ronny Smith, 145, ends; Clovis Cope, 185, Johnny Chavez, 171, tackles; Andy Beam, 147, Roy Guerrero, 175, guards; Ernest Childers, 160, center; Dominguez, 170, quarterback; Moss, 155, Adolfo Nabarette, 145, halfbacks; Dickie Vasquez, 167, fullback.

Defensive starters are: Guerrero, Robert Franco, 231, guards; Childers, Cope, tackles; Mike Chamblin, 162, Jimmy Humphrey, 154, Beam, linebackers; Dominguez, Arturo Spencer, 150, cornerbacks; Nabarette, Jimmy Davis, 145, safeties.

Offensive lineup for the Wolves will be:

Ends — Jameson, Larry Currie.

Tackles — Craig Bell, Marvin Iglehart.

Guards — Doug Aycock, Robert Stewart.

Center — Stetson Cowan.

Quarterback — Glen Nix.

Halfbacks — Donnie Higginbotham, Mike Garner.

Fullback — David Way.

Defensive starters are:

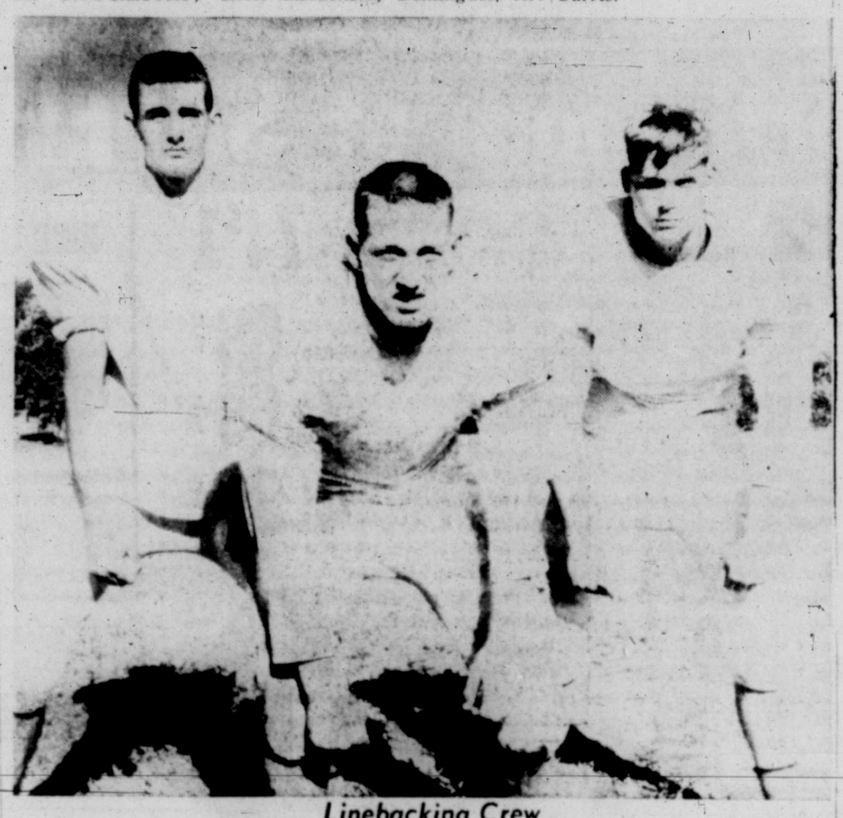

Ends — Craig Bell, Gary Parker.

Guards — Ascension Bonilla, John Hill.

Linebackers — Topper Steakley, Mack Findley, Way.

Cornerbacks — David and Doug Aycock.

Safeties — Higginbotham, Currie.

Linebacking Crew

LEADING the defensive secondary of the Wolves in the Ector contest will be these three linebackers including David Way, center, 180-pound middle backer, plus Topper Steakly and Mack Findley, who is a newcomer to the starting three.

Visit With Dizzy -- Twice a Month...

There was a great clamor among high-up officials during the confab as to whether CBS should be allowed to purchase the Yankees or not.

Some felt the acquisition would be satisfactory while others were diametrically opposed to the sale.

The outcome of the arguments has been felt on many Saturday and Sunday afternoon as the old "Game of the Week" turned out to be a sometimes "semi-monthly contest" with other events sprinkled in on the off weekends.

In addition to not being able to see the diamond sport every weekend, many fans became very tired of watching the actions of the "men in the pin striped suits" in game after game.

Even one of my diehard Yankee fans got fed up with the continual telecast of the Bronx Bombers.

Many true baseball fans feel "the wool was pulled over their eyes" by the transaction which turned them into "part time" enthusiasts.

Few had any notion of the end result of the purchase of the Yankees by CBS.

Coahoma's Bulldogs, scrimmage opponents of the C-City Wolves prior to the season's start, put on a fine grid display Friday night walloping Rankin 20-0.

The Bulldogs were led by their outstanding fullback, Tony Butler, who also stood out in the Pre-season tilt with the Wolves.

Butler gained 95 yards on 23 carries and reached pay dirt on two occasions.

Loraine Bulldogs open the 1965 season Friday night on the home field against the Roscoe Plowboys.

Roscoe is fresh from a 12-0 win over the Stanton Buffaloes and should provide good competition for the Loraine "11."

Roscoe held the Stanton ground attack to a meager 60 yards in their opening contest, but the losers hit on 12 of 31 passing attempts for a whopping 116 yards.

McMurry College Indians' football brochure lists a pair of ex-Loraine gridders among their ranks for the 1965 season.

Heading the list is Jackie Narrell, a 205-pound sophomore, who earned a varsity numeral as a freshman in the 1964 season at the center position.

Also listed is Stanley Moore, a 190-lb. freshman, who is expected to vie for the wingback post.

The Indians open the year against the Angelo State College Rams in Abilene at 7:30 p.m. Saturday.

Angelo State hung an 18-13 loss on the Indians in the opening contest of their grid rivalry in 1964.

Dee Dearen, ex-CHS Wolf gridder now plying his trade at Austin College, reportedly saw much action in an intra-squad scrimmage Saturday.

Dearen has primarily been working with the second unit at the Sherman school.

David McKay, quarterback on the 1964 Wolf grid team, is running in the second team spot at the position at Southern Colorado State College where he is attending on an athletic scholarship.

Tech All-American

Donny Anderson and his Red Raider teammates face one of Texas Tech's toughest schedules this fall. Seven of the foes will be met in the Raider's Jones Stadium.

IN LUBBOCK

Tech Schedules 7 Home Games

Texas Tech, for the first time since 1938, will play seven home football games this season.

Coach J. T. King could be pardoned for hoping that's an omen, for in 1938 Texas Tech enjoyed its only undefeated football season and wound up in the Cotton Bowl.

But a glance at the schedule shows that the Red Raiders will have to call on more than hope to come out on the plus side of the ledger, not to mention the almost - unprecedented perfect season.

University of Kansas, a Big Eight power, coached by former Tech assistant Jack Mitchell, could spoil things right off the bat. The Jayhawks open the season in a 7:30 p.m. contest in Jones Stadium Sept. 18.

Following a visit to Austin for Southwest Conference favorite Texas, Sept. 25, the Raiders play three home contests in a row — Texas A&M Oct 2, Texas Christian Oct. 9, and Oklahoma State, another Big Eight foe Oct. 16. All are at night.

Southern Methodist will be played at Dallas before the Raiders conclude their home stand with another trio of games — with Rice Oct. 30, New Mexico State Nov. 6, and Baylor Nov. 13. Rice, homecoming, will be in the afternoon, at 2 p.m., as will Baylor.

To finish the season, the Raiders run up against University of Arkansas at the Razorbacks' homecoming, in a regionally televised game Nov. 20.

Season tickets for Texas Tech's seven home games may be purchased from the Athletic Department for $35, $38.50, $42, and $49. Mail orders should include a 50-cent mailing fee. Individual game tickets cost $5, $5.50, $6, and $7. Orders for individual games will be filled in September giving priority to season ticket purchasers.

Angelo State College Rams engage two Abilene colleges this season including McMurry on Sept. 11 and Abilene Christian Nov. 20.

OPENS SATURDAY

McMurry Readies For 1965 Season

McMurry College's Indian football team, now only one season away from full participation in Lone Star Conference title play, have reported to Coach Grant Teaff.

McMurry opened its fall football drills Sept. 1, just 10 days prior to its opening engagement with Angelo State College on September 11 in Abilene.

Coach Teaff and his staff had 60 candidates, including 21 lettermen from the 1964 squad.

One of the great expectations for Teaff is added weight on his gridders. "We are anticipating that the weight program which our boys have been carrying on this summer at their homes will really pay off for us." Teaff is expecting some of his top players to report with an additional 10 to 15 pounds, and for McMurry this will be of real benefit. The Redskins were handicapped last season with a light team.

Two of Teaff's outstanding players really have added the pounds. End Tommy Burrus of Gail is expected to weigh in at 220, an increase of 35 pounds, and tackle Harold Murrell of Jayton is also expected to be near 220, an increase of 20 pounds.

The team's captain, Carlos Mainord of Greenville, who was the "find" of last fall, will be 10 pounds heavier at 195 and is expected to continue where he left off last year as a top-notch linebacker. He averaged 12 unassisted tackles per game.

That's the opening menu for the 1965 Indians. Teaff and his coaching staff are hoping to fashion a team which will vastly improve last year's 1-8-1 record.

Coach Teaff said, "We're going to be bigger, tougher and deeper than we have been in quite a few years." "And," he added, "We're going to win more ball games this year than we did last year."

The only new team for the Indians this season is Stephen F. Austin which replaces Youngstown (Ohio) University.

McMurry,s football schedule is:

Angelo State, Sept. 11, 7:30 p.m., Abilene.

Trinity University, Sept. 18, San Antonio, 7:30 p.m.

Sul Ross, Sept. 25, Abilene, 7:30 p.m.

Abilene Christian College, College, October 2, Abilene, 7:30 p.m.

Southwest Texas State, October 9, San Marcos, 7:30 p.m.

Arlington State (Homecoming) October 23, Abilene, 2:30 p.m.

Tarleton State, October 30, Stephenville, 1:30 p.m.

Texas Lutheran, November 6, Abilene, 7:30 p.m.

Stephen F. Austin, November 13, Nacogdoches, 7:30 p.m.

Howard Payne, November 20, Abilene, 2:00 p.m.

Beaty-Kegans Wedding Vows In Silver Church

Wedding vows of Miss Nancy Rebecca Beaty and Herbert Eugene Kegans were exchanged Saturday in the Silver Methodist Church with Rev. Francis Thomas Dory, pastor of the Veribest Methodist Church, officiating.

Parents of the couple are Mr. and Mrs. Fred Lane Beaty of Silver and Mr. and Mrs. H. J. Kegans of Trent.

Organ music was played for the ceremony by Mrs. Les Copeland. Mrs. Drew Kennard was wedding soloist.

Given in marriage by her father, the bride wore a gown of white peau de soie fashioned with a fitted bodice, bracelet sleeves and a bateau neckline outlined in scalloped Alencon lace re-embroidered in seed pearls.

The bell skirt had a front panel of Alencon lace. Back of the skirt, designed in a modified pouf, had a flat bow and a fabric rose at the waistline. A double panel of lace extended to a chapel train.

A crown of peau roses and leaves held her veil. She carried a cascade of white gladiola florets centered with an orchid.

Sister of the bride, Mrs. Jim Crowder of Midland, attended her as matron of honor. Her dress of maize peau de soie was designed with a bell skirt. She wore a matching headdress and carried a nosegay of green orchids.

Miss Sherrie Eustace of Sonora and Miss Janie Crowder of Snyder, bridesmaids, wore emerald green peau de soie dresses with matching headdresses. Their nose gays were yellow orchids.

Earl Lane Beaty and James Russell Kegans of Tyler lighted the altar candles. Wedding ushers were Jim Crowder of Midland and Kenneth Duncan of Amarillo. Debeanna Longbotham of Snyder was flower girl.

Troy Kegans of Tyler was his brother's best man. Groomsmen were Roy M. Sparks of Austin and Mike McBride of Duncanville.

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Once this vine was just a seedling, struggling to survive. Now look at it! Each year it grows stronger and yields a greater harvest.

The Christian faith has grown and flourished like the vine. From the seeds of the early church, Christianity continues to spread its joyful message to people everywhere.

World-wide Communion Sunday is a day for Christians of every creed to meet in spirit at the Lord's Table. This annual event makes us deeply aware of our brotherhood within the Church whose truths we share.

Come and take part in this special service. Your prayers, and those of all Christians, will combine to strengthen the roots of God's vine throughout the world.

Screwworm Warning Is Made

Texas farmers and ranchers may be in for the most severe upswing in screwworm infestations in two years during the upcoming months.

All ingredients for another fall buildup are present in the state, screwworm eradication leaders announced: a native fly population, favorable weather and an abundance of animal wounds.

Increases in screwworm cases during the fall are part of an age-old pattern established by the insect. General rains over much of the state, moderate temperatures and an increase in animal husbandry activities comprise favorable conditions for screwworms to develop and move cross-country.

Before the eradication program began, tens of thousands of cases were experienced during fall months, and even last year more than half of the infestations detected in Texas were reported in September, October and November.

This year's buildup could be the worst since 1963, eradication officials fear, because, unlike last year when no cases were found in late summer, screwworms are already present in Texas and could spread quickly into the interior of the state when weather conditions become right. Zavala County, southwest of San Antonio, has experienced screwworm problems all summer. Eradicators last month initiated an intensified spray campaign in the county in an attempt to wipe out the native fly population there. The success of their efforts may determine if Texas has a fall buildup or not.

Eradication forces are prepared to treat with sterile flies all infestations reported to them. Larvae from suspected infestations should be sent to the eradication laboratory at Mission or to the local county agent, for positive identification.

Stockmen are also urged to be extremely cautious in working their livestock and should apply smears or sprays to all wounds. It has been estimated each screwworm case costs approximately $62 in labor and medicines and loss of animal weight and market value.

Preventive treatment is obviously a much cheaper alternative, livestock industry leaders point out.
