WINTERS, TEXAS, FRIDAY, OCTOBER 25, 1963

NUMBER 31

HOME TOWN

Talk

By R. C. THOMAS

There comes a time when a certain age is no longer practical to keep them as they are retired. Thus you'll notice a "new" in your Enterprise this

press which has so faith-ground out The Enterprise after week for so many has been retired, and the press has been moved to take its place. With the press, it has been necessary to change the format or appearance of The Enterprise to some other column has been added to the width, and depth has been increased

the new press was delivered to the back door, it was million pieces, it seemed, there no resemblance to anything or dead. Inland Paper Mach. Corp., from was bought, sent along Bud Troxell—who seem know just where each of iron and each bolt and changed, and before long many chunks of metal began take on a useful appearance

edition of The Enterprise first to be printed on the press—we hope you like it.

There's been a lot of pro and about the upcoming vote to the poll tax law. There's of merit to both sides of question, but the truth is it is not repeated Texas have one of the most un- voting systems in the. However, about the disgusting argument for the poll tax was presented someone writing to one of daily papers recently. They stated eliminating the poll is a requirement to voting. "the poll tax is nothing from voting, and it's time we recognized it as another Communist tactic us of our freedom." Such argument either is evidence are ignorance or an attempt to paint brush to hood- the unsuspecting.

I thought we had 'em going our last week, but missed four. Of course, one of those was a moral victory—over A. and M. They played a 14-14 tie, but TCU outed the Aggies on the field. The week it looks like this: TCU over Texas Tech 20-0; Baylor over A. and M. 14-0; over Trinity 14-0; Arizona over West Texas 14-0; Force over Boston 14-0; M. State over H-SU 14-0; East Texas over Howard 14-0; Baylor over Anson 14-0; Ballinger over Haskell 14-0.

WHS Honor Roll for First Six Weeks School

Sixteen students of Winters High School made an average of 80 or above on all subjects during the first six weeks of the 1963-64 school year, and are listed on the Honor Roll for the period.

SOPHOMORES

Ruthy Dunn, Susan Roberts, Estelene Sneed.

JUNIORS

Barbara Belitz, Linda Hill, Ben Bean, Michael Deike, Ginger Gerhart, Donna Minzenmayer, Doris Allen, Judy Matthews, Helen Simpson, Chester Buckett.

SENIORS

Linda Easterly, Jacque Nelson, Louis Simpson.

Pentecostal Church of God To Hold Weekend Revival

Week end revival services are slated for the Pentecostal Church of God to begin Thursday evening at 7:30 o'clock. It has been announced by the pastor, the Rev. Jack B. Davis. The Rev. Lyn T. St. Clergy of Brownwood will be the speaker for the services each night. The public is invited to attend.

VISITED IN TEMPLE

Mr. and Mrs. George Briley visited in Temple last week with Coach and Mrs. Robert James, former residents of Winters.

JUDY WILLIAMS ... 1963 BLIZZARD QUEEN

Judy Williams 1963 Queen Of Blizzards

Judy Williams, daughter of Mr. and Mrs. D. W. Williams of the Drasco community, was crowned Blizzard Queen for 1963 during ceremonies at the half-time of the Winters-Haskell football game last Friday night.

Miss Williams, a senior in Winters High School, was escorted onto the field by freshman cheerleader Jan Johnson. Blizzard Co-Captain Mike Mit-

chell received the traditional standard from head cheerleader Linda Easterly, and assisted Linda with the presentation of the royal banner.

Co-Captain Donald Parker accepted the royal crown from assistant head cheerleader Leonia Daniel and presented the queen with this symbol of her station.

Junior cheerleader Ann Bean presented the bouquet of white roses to Blizzard Co-Captain Steve Grissom, who presented them to the queen.

The 1963 Blizzard Queen is a member of the basketball team. She was a candidate for FFA favorite in 1961 and 1962, was a member of the choir in 1961-62, was sophomore reporter and favorite, and was a member of the "B" basketball team in 1960-62. (Photo by Robin Middleton)

Damp Weather Slows Cotton Harvest Here

Although no appreciable amount of moisture has fallen in this area within the past several weeks, damp weather has slowed harvest of the 1963 cotton crop.

A spokesman for Winters Warehouse said Wednesday that receipt of cotton has slowed to about 50 bales per day this week, much lower than the 300 bales per day reported last week.

To date, a total of 8,738 bales have been brought in to the local warehouse by two gins in Winters and two in Wingate.

Observers say that harvest is ahead of that for the same period last year.

FALL FESTIVAL — The Rev. Donald Haile, pastor of Mt. Carmel Catholic Church in Winters, is shown with Elvia Alambar and Mike Meyer, displaying a

Cotton Harvest Expected To End On Early Date

Continued dry weather allowed the already rapid cotton harvesting operations to gain even greater momentum. Indications are for a record early date finish, says B. B. Manly, Jr., Officer-in-Charge of the U.S.D.-A.'s Classing Office in Abilene. A total of 43,537 samples were classed for the week ending October 18, 1963. This brought the total bales classed during current harvesting season to 143,519 as compared to 66,742 total bales classed during corresponding week, one year ago.

Sample receipts from District 2 increased from around 29,000 the previous week to 33,810 last week. The portion of District 2 served by the Abilene Office is composed of the Counties surrounded by Dickens, Sterling, Runnels, and Jones Counties.

Grades in District 2 continued to run about the same as the previous week. Eighty-four percent of the cotton was classed as Light Spotted, 13 percent was white, and 1 percent was Spotted. Middling Light Spotted was the predominant grade with 60 percent of the total classed in this category.

Sixty-one percent of the cotton was 29-32 in length; 23 percent was 7-8 and shorter; 16 percent was 15-16 and longer.

Micronaire readings continued to be very good, with only 2 percent below the 3.5 reading. Fourteen percent "miked" from 3.5 to 3.9; 46 percent, 4.0 through 4.4; 34 percent 4.5 to 4.9, and 4 percent being 5.0 or higher.

Market activity was steady with light to moderate demand for light spotted and spotted grades at 20 to 50 points above loan price net to the farmer. Loan entries for white grades increased as farmers completed harvesting and had more time available to market their cotton.

"Fall Festival" Event Sunday At Catholic Church

Sunday, Oct. 27, will be "Fall Festival Day" at Our Lady of Mount Carmel Catholic Church in Winters.

Events will begin with a six o'clock Mass followed by a ten o'clock Mass. Following the second Mass, the members of the parish will prepare to serve a chicken and beef barbecue to church members and the public.

Besides the noon meal which will be served from 11 a. m. to 2:30 p. m., there will be games for the children, and a country store at which all items for sale will be homemade by members of the parish or friends. An auction will be held for the several bales of cotton which were given, plus many other items that are being donated by local merchants.

This is to be the first annual "festival day" event, and will serve to mark completion of many remodeling projects at the church. A bedroom, office, bath, and meeting room have recently been completed, and the kitchen has been completely remodeled, with added cabinets across one side. New floor covering has been added throughout the new addition.

Andrew Engler is general chairman of the Fall Festival, assisted by Louis De La Cruz and Mrs. Jim Burnett.

Our Lady of Mount Carmel Church is a mission of St. Mary's Church of Ballinger, with the Rev. Donald Haile the local pastor. In early spring, the first confirmation was held in Winters with the Most Rev. Bishop Drury of San Angelo.

"Lite-A-Bike" Safety Program Being Sponsored By VFW Saturday, Oct. 26

The "Lite-A-Bike" safety program being sponsored by the Winters Post of the Veterans of Foreign Wars and its Ladies Auxiliary, will be held at the Winters City Hall from 8:30 to 10:30 a. m. Saturday, Oct. 26, it was announced this week. Joe Stevens, chief of police, will be in charge of the program in Winters.

The program consists of installation of safety reflectors and markers on all bicycles, according to the sponsors. All materials for the program will be furnished by the VFW, and no charge will be made to any person owning a bicycle or scooter.

REV. H. L. SONE
... Asia Missionary

Rev. H. L. Sone Will Speak To MYF Group

The Rev. H. L. Sone, who was a missionary in China and Malaya from 1920 until 1962, will speak to the young people of the First Methodist Church Sunday, Oct. 27, at 6 p. m. He later will address the congregation of the church during the evening services.

Colored slides and movies which were made during his many years in Asia will be shown during both programs. The Rev. Ray Elliott, pastor of the church, said. Subject of the missionary's talk Sunday evening will be "Working with Christ in Asia."

The Rev. and Mrs. Sone went to China as Methodist missionaries in 1920. They served there until April of 1951, when they were kicked out by the communists. They transferred to Malaya, where there are millions of Chinese, and continued with their work until they retired in 1962.

While in China, the Rev. Sone did evangelistic work for many years, but most of the time taught in the Nanking Theological Seminary. He did much relief work through the years, in famines, floods, wars, and received the "Order of the Jade" decoration from the Chinese government for relief work and valor, during the period of the Japanese occupation of China. In Malaya, the Rev. and Mrs. Sone continued in regular mission work, and he taught in the Trinity Theological College, and was president of that college.

The Rev. and Mrs. Sone are native Texans. He was born in Denton, educated at Clarendon College, Southern Methodist University, and the University of Chicago. While in China they were supported for more than 24 years by the Highland Park Methodist Church, Dallas. He is a member of the Malaysia Chinese Annual Conference, Malaya. The Sones are now living in Fort Worth.

The Rev. Sone has been speaking in churches throughout Texas, in Arizona, New Mexico, Oklahoma, Kansas, Illinois and Wisconsin.

The public has been invited to attend these special services next Sunday at the First Methodist Church.

Church Youth Will Trick or Treat For CROP

Young people of the Methodist Church and St. John's Lutheran Church will "trick or treat" for CROP next Wednesday night.

The young people will meet at the Methodist Church and will canvass residences for collections to be sent to the Christian Rural Overseas Program.

Blizzards Travel To Hamlin For 6-AA Game Tonight

BLIZZARDS — Glenn Awalt (8), 145-pound fullback, game number 32, and Jimmy Adams (10), 165-pound quarterback, who will see action with the rest of the Winters High School football team against Hamlin Friday night.

With their victory over Haskell a good start into District 6-AA conference play, the Winters High School Blizzards go out of town this week for their encounter with another top team of the area, the Hamlin Pied Pipers.

This week's game will be attracting attention from all over the area, as it probably will serve as a notice of things to come later on in the fight for district championship honors.

The Blizzards, with early season setbacks, have come forward recently as the team to beat in District 6-AA. They have a 1-0 district record, and a 3-2-1 record for the season, and are getting tougher by the minute.

SCHOOLS WILL DISMISS EARLY FOR GRID GAME

Winters schools will dismiss at 2:30 p. m. Friday, Oct. 25, so that buses may take the football team and band to Hamlin for the football game.

Buses will make regular runs, and leave for Hamlin at 4 p. m., with a 30-minute stop in Abilene. Game time is 7:30.

Coach L. G. Wilson, looking back on the Haskell game, says he's real pleased with the way the team is shaping up. He credited precision blocking by both line and backfield in the Indian game Friday night, and called attention to Bob Foster, Mike Mitchell and Johnny Mathis for their work on offensive blocking last week. The coach also singled out Steve Grissom, the fullback who chalked up 187 yards running last week, for his excellent work on blocking. Defense has sharpened up, too, the coach said, and the team is working as a machine.

No one will be out of action against Hamlin, according to the Coach. Injuries have been held to a minimum, and have been minor.

This game should be a corker, if records are compared. Each team has a comparable reputation, with Hamlin holding the edge on scoring against opponents, while Winters has made 98 to 52. The two teams have played no common opponents, so there is no comparison in that area.

Hamlin, who held onto an undefeated record until they met Post for a 13-15 loss a couple of weeks ago, have scored at least two TDs each time they have started this year. Their unpredictable defeat of Stamford last week raised some question as to the strength of competitors.

The Pipers will field several go-getters against Winters Friday night. One of them, Robert Pierce, LHB, was a starter in '62. He is a 165 pound junior student who will bear watching. Also, Robert Compton, FB, and Larry Butler, RHB, are calculated to give some trouble on the gridiron. Butler is a third-year letterman starter, and a senior. So, all in all, Hamlin will be displaying a team with a great deal of experience.

Hamlin has defeated Rotan 41-7, Childress 21-12, Cisco 27-12, Spur 48-13, lost to Post 13-15, and then stunned Stamford 15-6. Winters has a season record of Colorado City 22-8, Brady 14-14, Mason 6-6, Albany 6-16, Coleman 37-0 and then opened the conference with 21-8 against Haskell.

The 1962 Blizzard state semi-finalists defeated Hamlin 14-6.

PROBABLE STARTERS — Few changes will be made in the probable starting lineup for the Blizzards this week.

Offense
End: Parker, Mitchell
Tackle: Mathis, Foster
Guard: Ronald Kraatz and Alan Benson or D. Colburn
Center: Puckett
QB: Aldridge
HB: Awalt, Adams
FB: Grissom

Defense
End: Grissom, Awalt
Tackle: C. Puckett, Kraatz
Guard: Shade, O'Neal
Linebackers: Bo Killough, Mitchell
HB: Parker, Adams
Safety: Aldridge

FROM ACC

Margaret Ellen Stoecker, student in Abilene Christian College, was home the past week end.

Approximately 200 Ex-Students Attended Homecoming Tea Friday

Approximately 200 ex-students of Winters High School attended a Homecoming Tea sponsored by the student council Friday night in the school cafeteria.

Guests were served from a table decorated to represent a football field, with the letters EXES prominently displayed. Students serving were Ronald Kraatz, Ann Bean and Mary Young with other members of the student council assisting in serving and registering guests.

EXES registered from New Mexico, California, England, Garland, Stamford, Anson, Odessa, Abilene and many other area towns. The years 1911, 1914, 1918 were among those represented.

During a short business meeting it was decided to make homecoming an annual affair with the week-end of the Ballinger game selected as the date. This will fall on October 23 next year. Officers elected to serve were B. B. Bedford, president, Mrs. Don Oakes, secretary-treasurer, and Mrs. James C. Colburn, reporter. Mrs. Frank Brown, Mrs. Gayland Robinson, Roy Young, Joe Baker, Don Oakes, and Weldon Holbrooks were appointed as a board of directors to assist in planning the homecoming.

The committee is trying to compile a complete mailing list of ex-students of Winters High School. Persons who have addresses of former students are asked to send them to Mrs. Don Oakes, 210 Laurel Drive, or Mrs. James Colburn, 105 Laurel Drive, or call P44-5900 or P44-2836.

It is hoped that this can grow

to be quite a large event and the student council says that although they will be unable to sponsor it money-wise they offer their support and are willing to assist in any way possible.

Young Farmers Name Officers October 15

Officers for the recently organized Young Farmers group were elected at a meeting Tuesday night, Oct. 15, in the high school vocational agricultural building.

Billy Joe Colburn was named president; John Hancock, vice president; Dennis Poe, treasurer; Weldon Minzenmayer, secretary; Bobby Rogers, reporter; Lon McDonald and Kenneth Durst, vocational agriculture teachers in Winters High School, are advisors.

At the meeting, Buddy Gray, of the ASC office, gave a report on the 1964 wheat program, and Amar Natu Singh of India showed slides and talked about agricultural problems of India. Bill King of Ballinger presented a program on use of fertilizer.

Next meeting will be Nov. 19, at 7:30 p. m. in the vo-ag building.

HERE FROM TARLETON

Moon Cathey, student at Tarleton State College, spent the week end recently with his parents, Mr. and Mrs. R. M. Cathey.

WINNERS — Linda Whittenberg, daughter of Mr. and Mrs. Jack Whittenberg, and Joe Crouch, daughter of Mr. and Mrs. Garland Crouch are displaying their first place prize winning poster in the recent poster contest conducted in the first year home making classes.

Washington Newsletter— Says Hoffa's Ambitions Point To Need for New Labor Legislation

By Congressman O. C. Fisher

In a nation-wide power struggle, James Hoffa, head of the 1.4 million member teamsters union, is maneuvering a uniform contract with practically all interstate trucking concerns, which conceivably could give him life-and-death control over this vital facet of the nation's transportation system.

Hoffa's excuse for this power grab is to provide a "stabilizer" with uniformity of working conditions throughout the country, a goal which would supersede the existing series of regional agreements. However, experts in this field warn that the effect could be to force more and more of the smaller, marginal concerns out of business or force them into mergers.

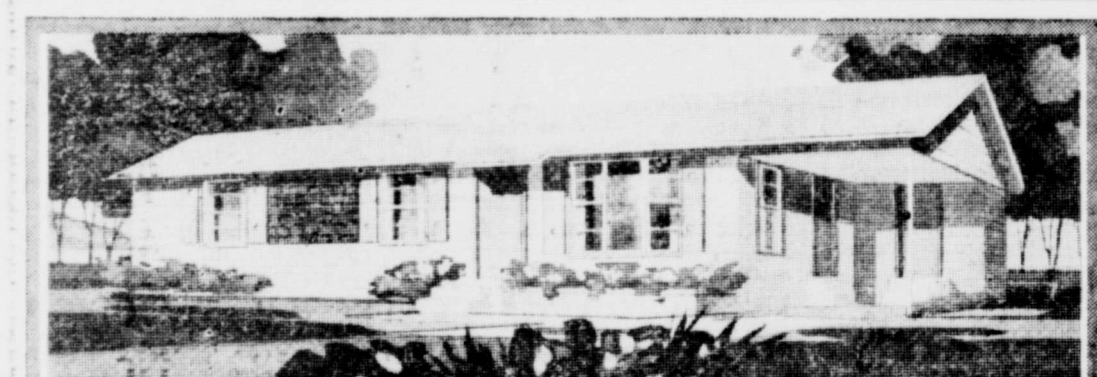

Even transcending this effect is the pyramidal power over the nation's transportation system which would result. This could conceivably eventually give the fiery Hoffa the power to effectuate a nation-wide strike.

This development serves to point up the need for additional labor legislation, to protect the public against the dire consequences of one man, or a small group of men, shutting down a substantial portion of the nation's commerce at one fell swoop.

There are two ways of preventing this from happening. One would be to place all unions under the anti-trust laws, and the other would be to prohibit industry-wide bargaining. When

WOMEN PAST 21 WITH BLADDER IRRITATION

After 21 common kidney or bladder infections, after 21 visits to the doctor, after 21 years of pain and discomfort, you may now find relief from Cystex. Cystex is a new, powerful, effective, and safe medicine. It is the only medicine that has been proven to be effective in treating bladder irritation. Cystex is a new, powerful, effective, and safe medicine. It is the only medicine that has been proven to be effective in treating bladder irritation.

by Popular Demand!

Of the many models offered by Reliance Homes, those in the medium price range have been far and away the top choices. And why not?—when you consider that you can have the luxury and comfort of a house like the CARDINAL for only \$6,690, with no down payment if you own your lot.

Improvements and refinements have been made in all the Reliance Homes; and a number of new models have been added... giving the wise homebuyer an even wider range from which to choose.

And no matter which model you choose, you still have the F.G. full year warranty on all material and workmanship.

State Capital Highlights—

Poll Tax Repeal Will Not Affect Aid To Schools

By—Vern Sanford
Texas Press Association

School people have inquired whether passage of the constitutional amendment on November 9, removing the poll tax as a requirement for voting, will cut down on State aid to schools. The answer is "no".

Dr. D. Richard Bowles of Austin, former president of the Texas State Teachers Association, says repeal of the poll tax will not harm public schools financing since the levy provides only three-tenths of one per cent of State aid to local schools.

He noted further that the Amendment does not call for cancellation of the poll tax. It merely removes it as a requirement for voting. He added that the law is written so that if a school district lacks anything toward its minimum program, "it will be automatically made up from the Minimum Foundation Fund."

"School people who feel that the poll tax should be removed as a qualification for voting should have no hesitation about voting for Amendment No. 1 on November 9," Dr. Bowles said.

ALCOHOLISM RATE HIGH
Educating the public on alcoholism and trying to give aid to alcoholics is a very difficult job. But it is one to which the six-member Texas Commission on Alcoholism and its director, Macon W. Freeman, are devoted.

It is estimated that there are close to 6,000,000 alcoholics in the U. S. with some 300,000 of these in Texas.

Freeman says the alcoholic tries to hide himself. His family and friends try to shield him. Together they succeed so well that most people think he's buried on skid row.

"About three per cent are on skid row. But more than 90 per cent are your neighbors," said Freeman. "They have good jobs. But they are disturbed and their families are disturbed."

He said that for every 100,000 alcoholics who are rehabilitated, another 250,000 get sick. Ministers, doctors, nurses, social workers, Alcoholics Anonymous and just plain interested citizens are working just that much harder to combat the disease. He said an estimated 50 to 75 per cent of "identified" alcoholics can be cured.

Texas Commission on Alcoholism works for education and rehabilitation through cooperation with other state agencies, and with some 30 community councils on alcoholism.

TEXAS IS AVIATION MINDED

Texas provides more airports for civilian aircraft than any other state. A recent survey shows that Texas has 621 civil-

lian and joint-use airports, California, which follows second, has 505.

However, California leads in the number of aircraft—12,073 while Texas' civilian aircraft total is 7,325.

Aviation is the subject of a lot of talk among state agencies. Texas Industrial Commission added a licensed pilot to its community coordinator staff.

Two flight safety supervisors with the Texas Aeronautics Commission—John G. Uranga and Laddie J. Roark—are conducting flight safety courses this month in Graham and Breckenridge.

State Legislative Council is making a study of the possibility of a state agency aircraft pool.

PARKS PULL VISITORS

Texas' 46 parks drew 7,200,000 visitors during the 1962-63 fiscal year. That's an all-time high, according to J. Weldon Watson, executive director of the Parks and Wildlife Department.

Of 2,200,000 autos checked, 112,932 were from out-of-state. McKenzie Park near Lubbock attracted the most visitors, with 1,800,000, closely followed by Garner at Uvalde with more than 1,000,000, and Huntsville with 614,335.

Garner Park was first in campers with 172,683. Huntsville had 93,310 and Inks Lake 38,811. Parks with more than 25,000 campers included Lake Brownwood, Palo Duro Canyon, Possum Kingdom and Tyler.

STUDY COLLEGES

Commission on Higher Education points to the need for top physical facilities, sound undergraduate programs and weeding out of course duplications at new Angelo (San Angelo) and Pan American (Edinburg) State colleges.

Commission approved graduate programs at The University of Texas Graduate School of Biomedical Sciences at Houston. But it declined to take any action on a second request for two new doctorate programs at Texas A & M.

Dr. Joaquin Gonzalez Cigarroa Jr., Laredo physician, was sworn in as a Commission member. He succeeds Jack Woodward of San Angelo.

Meanwhile, the Governor's Committee on Education Beyond the High School, which is studying college needs, received a set-back. Its executive director, Dr. A. B. Martin, resigned due to ill health.

Dr. Martin has been on leave of absence from his job as president of Amarillo Junior College. Chairman H. B. Zachry of San Antonio said plans for replacing Martin are incomplete. Meanwhile he will remain as a member of the Committee.

PLAN INDUSTRIAL PROGRAM

Texas Industrial Commission set the stage for an expanded program after taking on three new members. Claude Brown of McCamey, Leslie Burnett of Austin, and J. B. McDuff of Crockett attended their first session.

Ray Horton of Houston accepted appointment by Governor Connally to a new term.

Chairman E. B. Germany of Dallas named Brown chairman of a finance subcommittee. He also appointed McDuff and Burnett to the Commission's subcommittee on public relations, along with John Ben Sheppard of Odessa.

Commission ramrods the State's program of advertising for new industry to boost the Texas economy.

OIL OUTPUT CUT

Texas Railroad Commission ordered oil production for November set at the lowest point since January. Figure established was 27.5 percent of potential. In brief that's 2,808,183 barrels daily as compared with 2,876,206 for October.

Oilmen got into a fuss at the statewide hearing. Alvin C. Hope of San Antonio questioned "self-appointed emissaries to Washington who want to bundle up our problems and drop them in the lap of the federal bureaucracy."

Stanley Wood of the Texas Landowners and Oil and Gas Producers Association said Hope was talking about him. Retorted Wood: "Washington isn't interested in taking over. They are concerned with deterioration of our domestic reserves. They want us to get our own house in order."

INSURANCE RULINGS
Insurance companies were given until October 28 to submit recommended credit insurance rules after Atty. Gen. Waggoner Carr released an opinion bearing on the \$15,000,000-a-year industry.

State Board of Insurance also announced businessmen will pay lower rates for workmen's compensation insurance coverage. Rate for manufacturing workers

will be 3.7 less; for the contracting industry 0.5 per cent less; for the oil industry 2.4 per cent less; and for all others 2.4 per cent less.

ESTES TRIAL SET

Court of Criminal Appeals has set for October 10 a hearing on the appeal of Billie Sol Estes from an eight year prison sentence.

Last November 7, a Tyler jury convicted Estes, formerly of Pecos, on a swindling charge in connection with liquid fertilizer tank deals. Estes later received a 15-year federal sentence for mail fraud in the tank mortgages.

STUDY BOOK PROTESTS

State Textbook Committee recommended 116 books for public school use after studying written and oral protests against five on economics and three on world geography.

"What we want are books that will tell the students we want a small government, not big government, for sound economics," said one witness, Roger K. Harlan of Dallas.

Chairman John W. McFarland, Houston, said some of the objections indicated a lack of understanding of the maturity and thinking level of present-day high school seniors.

In its final vote, the committee recommended only two books which had drawn protests.

STUDYING DEPARTMENTS

Governor Connally is paying a series of visits to State Departments and agencies, studying their problems first hand. Purpose is to establish better lines of communications between the divisions and his office.

Says the Governor: "We need to articulate what our problems are."

DROUGHT WORRIES

Major Texas reservoirs were less than two-thirds full last month, compared with 79 per cent in September of 1962, the Texas Water Commission reports.

"The drought is not like that of the 1950's, however," says State Agriculture Commissioner John White. "Normal rains in the fall and winter and next year would make this year's deficit incidental." White feels, "but if it's dry again next year, Texas could be in another major drought," he warns.

Mrs. T. I. Goodwin Honored At Coffee In George Poe Home

Thirty two attended the farewell coffee honoring Mrs. T. I. Goodwin, who is moving to Meridian, held at the home of Mr. and Mrs. George Poe on Tuesday morning.

Mrs. Loyd Roberson, the honoree and Mrs. Poe received guests.

Mrs. Ed Brandon presided at the registry.

The serving table was laid with a sheer hand woven cloth over orange and featured an arrangement of grapes and fall flowers. Appointments were of silver and china. Mrs. D. R. Thomas was assisted in serving by Mrs. Bert Humble.

Others who helped with arrangements were Mrs. Joe Baker, Mrs. Joe Irvin, Mrs. Erwin Compton and Mrs. W. J. Briley.

IN GARDNER HOME

Ginger Gardner, student in Trinity University in San Antonio, spent the past week end visiting her parents, Mr. and Mrs. John Gardner.

Authors Anon Club Members Eat Hamburgers

The second meeting of the year for members of Authors Anonymous Club of Winters High School was held Tuesday in the home of Mr. and Mrs. C. O. Patterson, with Sally Patterson assisting with hostess duties.

After the group feasted on charcoal-broiled hamburgers, cooked by Mr. Patterson, they assembled in the living room for the meeting, with Barbara Baldwin, president, presiding.

Each member, dressed as a literary character, revealed his identity and briefly explained something of his role in the literary field. According to the judges, the best-dressed girl was Linda McGregor, who portrayed Little Red Riding Hood. Runners-up were Russell Bedford, dressed as Peoni; and Barbara Baldwin and Karen Knapp, who represented Martha and George Washington.

The best-dressed boy was Eddie Harrison, who was elaborately costumed as Julius Caesar. Runners-up were Fred Dooley, portraying I Chabod Crane, and David Brown, representing Martha Washington.

Following the business session, Miss Baldwin asked Fred Dooley to read the manuscripts, which were judged according to types, first, second and third places, respectively, as follows:

Poems: "This Morning," by Marianne Musick; "The Odd Ball," by Judy Matthews; and "The Dreamer," by Linda McGregor.

Short stories: "Why?" by Sue Martin; "A Message," by Fred Dooley; "Help Wanted," by David Brown.

Essays: "No Commercials," by Sally Patterson; "My Special Roscush," by Russell Bedford; "Within, or Without," by Nicki Eoff.

Twenty-six members and the sponsor, Mrs. Charles Kruse Jr., were present.

Visitors were Mr. and Mrs. Robert Christian, Kris and Kevin, James B. Nevins, Mrs. Z. I. Hale, Charles Kruse Jr., all of Winters, and Mr. and Mrs. A. Dooley of Wingate.

RETURNED HOME

Mr. and Mrs. Jess Wetzel returned home Monday from a visit in the homes of their daughters, Mr. and Mrs. Bill Castelberry in Dallas, Mr. and Mrs. James Hughes in Sherman. They were accompanied by their granddaughter, Mary Elizabeth Zentner of San Angelo who also visited in Dallas and Sherman.

He approaches the study of mankind with great advantages who is accustomed to the study of nature.

IN THE DEAD OF NIGHT—Vincent Price terrorizes Debra Paget in scene from American International's newest Edgar Allan Poe thriller, "The Haunted Palace." The color and vision shocker, showing Monday at the State Theatre, also stars Lon Chaney Jr.

District Meeting of Texas Garden Clubs To Be At Del Rio

Fall meeting of District 8, Texas Garden Clubs, Inc., will be held at Del Rio November 13-14. It has been announced.

Registration and coffee will be at the Del Rio Country Club, from 8:30 to 9:30 a. m. November 14, and the general assembly, program and lunch will be at the Country Club, 9:30 a. m. to 2:00 p. m. November 14.

Mrs. George Adams of Del Rio will present the program on Table Settings, Fun, Flowers and Fashions.

Clubs hosting the meeting are Cactus Thorn Garden Club, Mi-

gnonette Garden Club, Morning Glory Garden Club.

There will be a "Dutch trip across the border to de Acuna, Mexico, for a day and dinner, Wednesday, November 13. Transportation from motels to Mexico will cost \$1.00.

Registration fee should be mailed to Mrs. Elvis S. 509 Spring Street, Del Rio, November 8.

ATTENDED MEETING
A. L. (Dick) Mayo attended business meeting and dinner at San Angelo Thursday week. The after dinner was Rural Dixon of District sales manager.

You, too, can enjoy this person's happy-go-lucky attitude, knowing that your property is all properly insured against all possible man-made and natural catastrophes. See us today for the adequate, up-to-date insurance protection you need.

BEDFORD Insurance Agency

\$28 MILLION ... has been spent recently for construction and expansion of industrial plants in our service area.

\$27 MILLION ... has been spent recently for commercial construction and expansion in our service area.

\$34 MILLION ... has been spent recently for civic improvements by cities and counties in our service area.

\$ 89 MILLION

... worth of expansion provides tangible evidence that this area faces GROWTH UNLIMITED.

Many times we have expressed our belief in the future of our service area by saying it faces growth unlimited. The huge expenditures from sources listed above are proof that our confidence has not been misplaced. In the light of such evidence of what is taking place here today, we know that the 405,000 people in our service area of 50 counties and 166 communities face a future of growth, progress and prosperity.

West Texas Utilities Company

MOVIES

"Gidget," the third, in the Fiesta Theatre Saturday and Sunday. "Gidget Goes to Rome." Pre-played by Sandra Dee in "Gidget" and "Gidget Goes Hawaiian," is played by lovely Carol, winner of a national search which enlisted support from newspapers, television stations, and dramatic groups and leading to Hollywood re-

port. Miss Carol is a superb "Gidget." Hollywood also reports that "Gidget Goes to Rome" is superb motion picture entertainment. The new Columbia release, in Eastman Color, is said to take full advantage of its scene. All Rome itself, its streets and piazzas, museums, hotels, cathedrals and historic ruins, provide the background for "Gidget Goes to Rome," and Roman society—with a satiric bow or two in the direction of both "La Dolce Vita" and Italian filmmaking in general—contributes

to the delightful and heart-warming comedy.

"Seven Seas to Calais."

The roistering days of Sir Francis Drake, a pirate who plundered the world's treasure chests with a Queen's blessing, are brought to the screen in an adventure-filled drama in CinemaScope and color in Metro-Goldwyn-Mayer's "Seven Seas to Calais." Showing Friday, Saturday at the State Theatre.

This heroic and swashbuckling story is set in one of the most eventful periods of English history when, through its dominance of the seas, tiny England could defy the might of Spain.

Heading the large cast are Rod Taylor as Drake, the royal buccaneer whose exploits, capped by the spectacular battle of the Armada, brought a new

spirit of pride and hope to England in the late 1500's; Keith Michell as Malcolm, his first lieutenant who follows Drake through each new adventure; and Irene Worth as Queen Elizabeth I, who professed herself a helpless woman while carrying on ironfisted negotiations with Spain. Also in prominent roles are Antony Dawson, Basil Dignam, Mario Girotti and lovely Hedy Vessel, cast as Malcolm's sweetheart, Arabella, who is used as a pawn in a plot to assassinate the Queen.

"The Haunted Palace"

Masters of terror Vincent Price and Lon Chaney star with Debra Paget in American International's latest Edgar Allan Poe poem of the same name, was filmed in Panavision and color with exciting music by

Ron Stein. Roger Corman, who did the honors in "House of Usher," "Pit and the Pendulum" and all the other AIP Poe thrillers, again produced and directed this latest shocker.

Featured again is the famed writer's unique chills and atmosphere set in the world of yesterday and peopled with haunted and accused men and women. "The Haunted Palace" is the story of a haunted village as well as a haunted palace—all dominated by one of the most fearful spells and curses ever cast in a motion picture.

The result is an entirely new adventure into the weird world of Edgar Allan Poe and his terrifying characters designed to thrill and shock motion picture audiences. . . . American International's "The Haunted Palace."

St. John Evening Circle Met In Bredemeyer Home

Members of St. John's Evening Circle met at 7:30 p. m. Monday in the W. E. Bredemeyer home with Miss Estella Bredemeyer as hostess.

Mrs. L. R. Hoppe opened the devotions with the song "Jesus Calls Us." with Mrs. A. W. Holck at the piano. The Bible reading was taken from Ephesians 4:1-6. The Bible study, "Christ Is Our Encourager," taken from Colossians 4:7-18, was given by Mrs. James Burson. Miss Helen Lisso gave the offering meditation and a free-will offering was collected.

THE WINTERS ENTERPRISE
Winters, Texas, Friday, October 25, 1963

Page 3

Mrs. Willis Whittenberg, president, presided at the business meeting, and various business matters were discussed. The meeting was closed with The Lord's Prayer.

Refreshments were served by Miss Bredemeyer to Mmes. Grady Byers, L. R. Hoppe, Willis Whittenberg, A. W. Holck, Charles Kruse Jr., James Burson, Misses Minnie Belitz, Helen Lisso and visitors, Mrs. W. E. Bredemeyer, Andrew and Philip Holck.

VISITED IN DALLAS

Mr. and Mrs. Sid Anderson spent the week end in Dallas visiting with their son, Bobby Anderson and attended the State Fair.

Gleaners SS Class Met In Evans Home Thursday

The Gleaners Sunday School Class of the Southside Baptist Church met in the home of Mrs. G. B. Evans Thursday, Oct. 17. Mrs. Virgil James led the opening prayer, and Mrs. Pete Eoff gave the devotional.

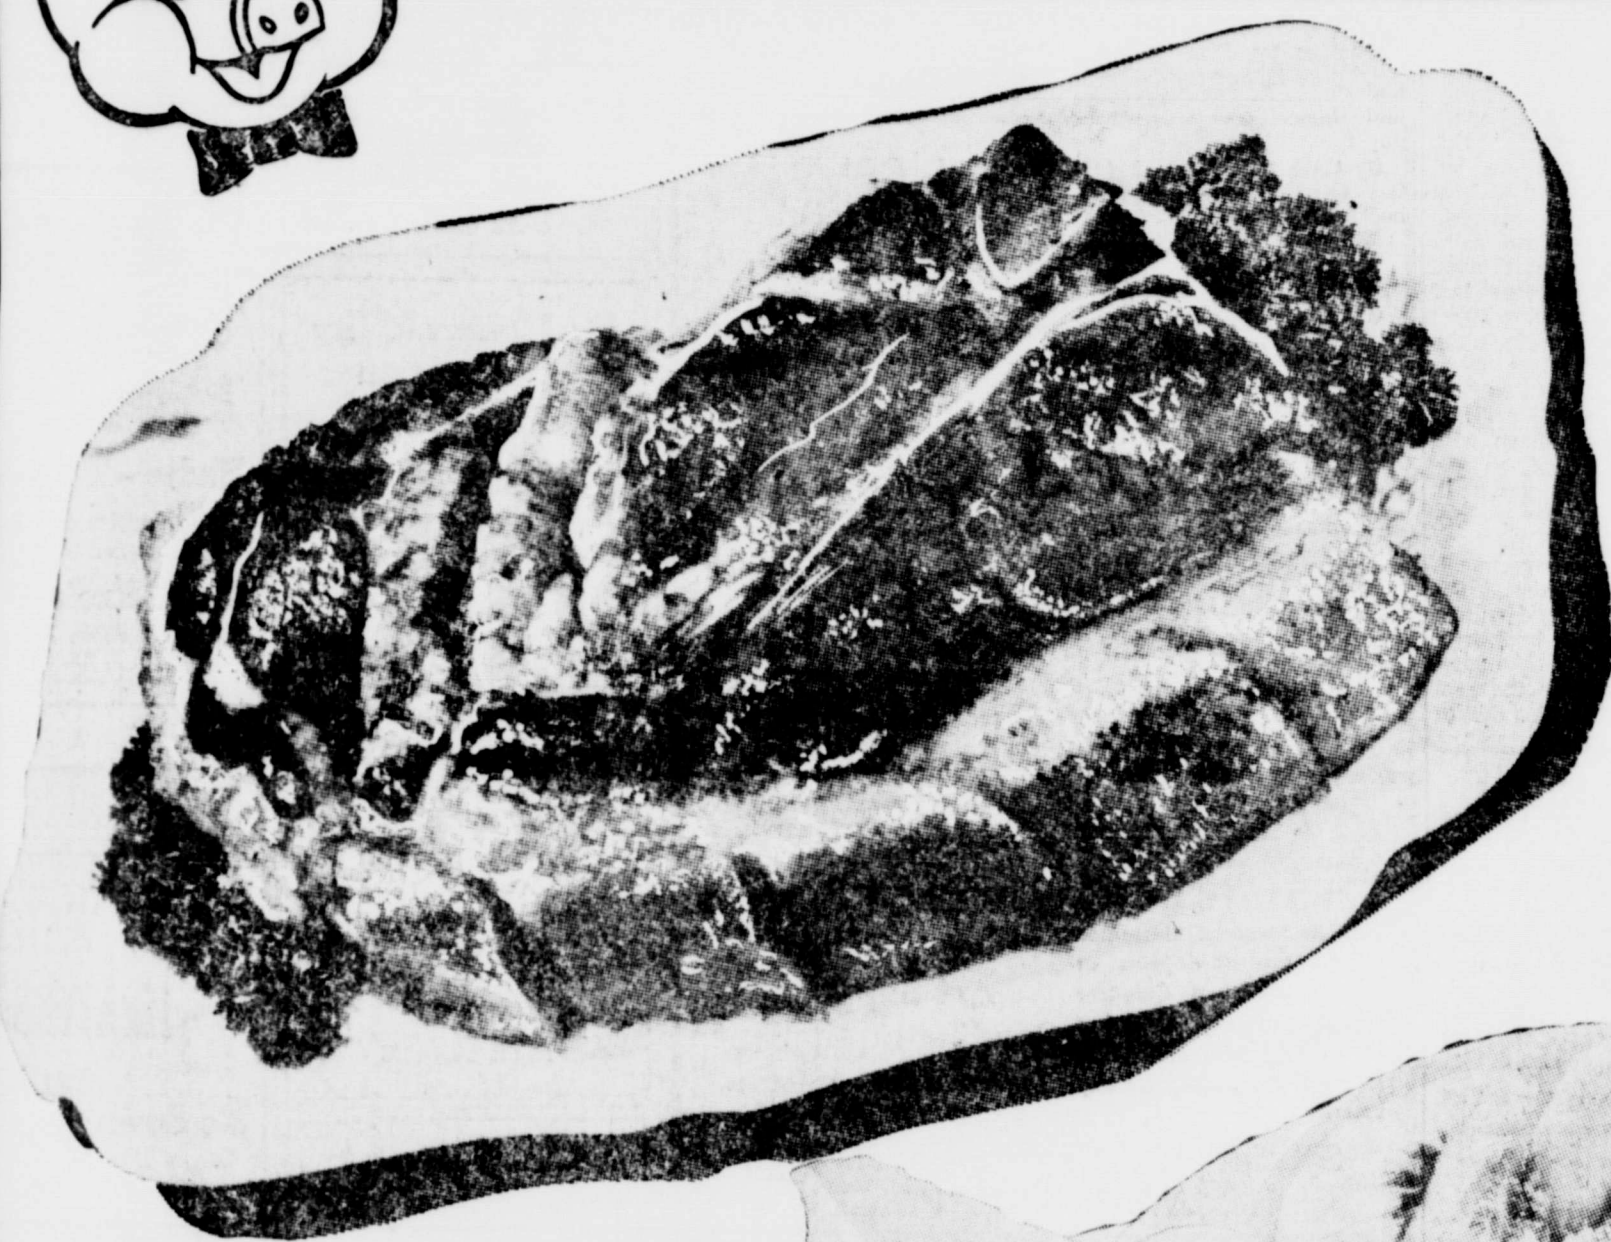

Present were Mmes. John Grohman, Bill Hill, Dave Crim, C. D. Wright, Virgil James, Winford Reel, Pete Eoff and Evans. The closing prayer was given by Mrs. Winford Reel.

1964 Feed Grain Program Is Announced by DA

Major provisions of the 1964 Feed Grain Program have been announced by the U. S. Department of Agriculture and basically will be the same as in 1963. The major change is an increase in the top limit on diversion from a farm's base acreage with an increase in the rate of payment for maximum diversion. This, the USDA said, is intended to encourage producers to divert additional feed grain acres and to increase their income.

Under the 1964 program a producer may divert as much as 50 percent of his feed grain base acreage compared with a top of 40 percent in 1963. Those who divert from 40 to 50 percent will receive diversion payments at the maximum rate for all acres diverted. As before, the maximum acreage diversion will be 25 acres if this is more than 50 percent of the base.

Producers who divert at least 20 percent of their feed grain base will be eligible for payments computed by multiplying the number of acres diverted times 20 percent of the normal yield times the county total price support rate for the grain diverted. For acres diverted between 20 and 40 percent of the base, payments will be based on 50 percent of the normal yield times the total county support rate. A diversion from the base between 40 and 50 percent (or 25 acres if this is larger) will earn payments for the producer of 50 percent times the normal yield times the total county support rate. Payments may not exceed 20 percent of the value of the land diverted.

The total national average price-support levels in 1964 will be the same as in 1963, but a slightly larger proportion of the support will be made available through loans. Payments in kind for both diversion and the non-loan part of price support will again be made in the form of negotiable certificates. The sign-up period for both fall and spring sown crops is expected to be early in 1964.

AROUND THE 6-AA FOOTBALL LOOP

It's one down and four to go for each of the six teams in District 6-AA, following last week's opening of the annual battle for district championship. Teams are beginning to fall by the wayside, but the title is still up for grabs, this early in the season. Someone probably will be eliminated from the final honors this week, however. Favorites have been picked going into this second week, but anything can happen from here to the string.

Ballinger still sits at the top of the heap, with a perfect record for this year, and the Bears are not likely to be easy marks when it comes to being pushed off. They've come the distance the hard way, and will be working to keep the championship in Rannels County, but more definitely, in the south end. Although last Friday night they trailed Anson in first downs and in yards gained rushing and passing, they made their showing in the only place it counts—on the scoreboard—16-8. The Bears found their place in the air against Anson, passing for 181 yards. On the ground, they couldn't keep up with the Tigers' 202 yards, with their mere 43... as if it mattered. Ballinger goes to Haskell this week, and Rannels County eyes are on that game, hoping to compare the outcome with that of the Winters-Haskell game last week.

The Winters Blizzards have a checkered record for this year, with a 3-2-1 mark, but continue to be the team to beat in the district, if anyone else wants to wear the crown. With their 21-8 victory over Haskell in the conference opener last Friday night, the Big Blue Team has displayed new stature in the conference... it has been there all season, but somehow no one seemed to notice. They slapped the Indians down with a tremendous drive on the ground, gaining 375 yards to Haskell's slight 79. Steve Grissom accounted for 187 of those yards. With a power punch combine line Grissom and QB Denny Aldridge, teamed with a determined line and backfield, they're not likely to take anything sitting down for the rest of the season. They'll take to

the road this weekend for a go against Hamlin, the team which supposedly "surprised" Stamford 15-6 last week.

Hamlin, the other unbeaten team in the district, increased the value of their stock in their encounter with Stamford last week. Again it was a story of being more or less outplayed on the field, but chalking up counters on the scoreboard. They used the air a lot for 94 yards, and held the Bulldogs to 13 in that area. The Dogs outran them 226-79 yards on the ground, but it didn't do any good. The Pipers have a passing combination in Johnny Overman, Robert Pierce and End Mike Shivers, which may cause some trouble for the Blizzards when they meet this Friday.

Haskell, the only loser in the 6-AA lineup to play a winner this week, will be making a desperate attempt to keep in the game, when they go against Ballinger. The unexpected could happen, too, because the Indians have a backfield man—Joe Thigpen—who has a habit of cutting some rather smooth corners when he starts running. He's unpredictable, and given a reasonable amount of interference he may cause the knot to come untied.

Stamford and Anson, each one a loser this deep in the conference, will meet to see who will be practically eliminated Friday night. The loser of that one may have to sit and lick their wounds for the rest of the year, watching the rest of the parade go by. Don't count too heavily on it, however. Football

honorships are elusive things, as many a winning team can testify.

The highway north out of Abilene will be clogged Friday night, with all games of the district being played up in that area. Ballinger will have to go to Haskell. Winters will go to Hamlin, and Stamford will drop in on their neighbor, Anson. So if you plan to follow your team this week, be sure to take the right turn north out of Anson—go left for Hamlin and right for Haskell. The coming back will be complicated, too.

HERE FROM NEW MEX.

Mr. and Mrs. Robert Baxter and children, Scott and Sandra of Albuquerque, New Mexico are visiting in the home of her mother, Mrs. J. C. Lacey and other relatives and friends.

SON TO GEHRELS

Mother of Mrs. Riley Brooks Dies At Odessa Recently

Funeral rites for Mrs. Addie Lee Burroughs, 69, of Odessa, were held Thursday afternoon at 4:00 o'clock in the First Baptist Church in Odessa, Dr. John Rasco, officiating. Burial was in the cemetery there.

Mrs. Burroughs, mother of Mrs. Riley Brooks, former resident of Winters, had been ill about a year.

Born June 10, 1894, at Luling, Texas, she had lived in Odessa since 1927. She was a member of the First Baptist Church.

Survivors are one son, William Floyd Burroughs of Houston; four daughters, Mrs. Riley Brooks of Midland; Mrs. J. D. O'Michael, Odessa; Mrs. C. H. Gabel of Dallas; Mrs. C. R. Gillispie of Memphis, Tenn.; one sister, Mrs. T. M. Broadstreet of Mesquite and 17 grandchildren.

Father of School Principal Died In Decatur

Mr. Christian of father of Robert Christian, principal of Winters High School, died at 2 p. m. Wednesday in Decatur.

Funeral services will be held at 2:30 Friday afternoon in Decatur.

FROM ARLINGTON

Mr. and Mrs. Bob T. Debbie, Dan and Deede, visitors over the week end, her parents, Mr. and Mrs. Tucker.

IN DALLAS

Mr. and Mrs. Ted Meyer to Dallas Saturday to attend National Funeral Directors convention in session in the week.

A nickle goes a long way. You can carry it for weeks and weeks before finding something you can buy it.

Blizzards Scalp Indians In First A Free-For-All Friday Night

Blizzards began a steady ground drive toward the Haskell goal from their own 26. Grissom carried twice for a total of 7 yards; Aldridge completed the 10 to the 37. Penalized twice for off-sides, the Blizzards faced a first down and 20 yards needed from their own 27. So Larry Ault cut loose and moved to the Haskell 36, for a 37 yard gain. Grissom moved to the 33; Aldridge to the 27; then Grissom to the 25. Aldridge claimed 17 yards to the 8. With first down and goal to go, Grissom moved to the 2, and Aldridge did the honors for six more points. Just to be sure, Aldridge carried for the extra two. The Blizzards went ahead with 3:04 left in the third quarter with 15-8.

The Indians had the ball for only two plays after the kick-off, before a Thigpen pass was intercepted by Jimmy Adams on the Winters 28. The Blizzards lost no time in heading for the goal, moving to the Haskell 11 in 11 plays, only to lose the ball on downs with 9:01 left in the game.

From their own 8, Haskell was held in tight and forced to punt. Winters received the ball, ready for play, on the Haskell 38, and as though to prove they could, they again crossed the Haskell goal. This time it was Grissom from the 2. A pass try for the PAT was batted down, and the final score was reached with 3:27 left.

A total of 115 downs were played by the two teams Friday night, with the Blizzards getting the lion's share. Winters ran 73 downs, with the Indians running 42.

Late in the third quarter, the Blizzards began a steady ground drive toward the Haskell goal from their own 26. Grissom carried twice for a total of 7 yards; Aldridge completed the 10 to the 37. Penalized twice for off-sides, the Blizzards faced a first down and 20 yards needed from their own 27. So Larry Ault cut loose and moved to the Haskell 36, for a 37 yard gain. Grissom moved to the 33; Aldridge to the 27; then Grissom to the 25. Aldridge claimed 17 yards to the 8. With first down and goal to go, Grissom moved to the 2, and Aldridge did the honors for six more points. Just to be sure, Aldridge carried for the extra two. The Blizzards went ahead with 3:04 left in the third quarter with 15-8.

The Blizzards went ahead with 3:04 left in the third quarter with 15-8.

The Indians had the ball for only two plays after the kick-off, before a Thigpen pass was intercepted by Jimmy Adams on the Winters 28. The Blizzards lost no time in heading for the goal, moving to the Haskell 11 in 11 plays, only to lose the ball on downs with 9:01 left in the game.

From their own 8, Haskell was held in tight and forced to punt. Winters received the ball, ready for play, on the Haskell 38, and as though to prove they could, they again crossed the Haskell goal. This time it was Grissom from the 2. A pass try for the PAT was batted down, and the final score was reached with 3:27 left.

Homemaking Girls And Mothers Attend Tea Friday Aft'noon

Approximately thirty mothers and girls of the first year home making classes attended the F-HA Project tea at the School Cafeteria Friday afternoon, from 4:00 to 5:00 o'clock.

Betty Virden presided at the tea table and served the refreshments.

First year winners in the recent poster contest were Linda Whittenberg, daughter of Mr. and Mrs. Jack Whittenberg, and Joe Crouch, daughter of Mr. and Mrs. Garland Crouch, first.

Working together in pairs, Sylvia Tenney and Linda Rozmen, took second and third place on two posters made.

Mrs. Cecil Hambright, home making instructor, gave a talk to the mothers on Nutrition for Teenagers and conducted a quiz to illustrate what the first year classes are learning about nutrition.

James B. Nevins, superintendent of the Winters Schools, and Fred Young, Runnels County School health nurse, were guests.

Thankfulness is a wonderfully fine and profoundly decent thing. To be grateful is to be happy.

I was glad to be able to answer promptly and I did. I said I didn't know.

No one ever lost an order because quality was too high or service too good.

It takes but a second to administer a rebuke, but it may take a life-time for the one who has been rebuked to forget it.

Mary Martha Circle Of Methodist WSCS Met In Abbott Home

Mary Martha Circle of the First Methodist Church, Women's Society of Christian Service, held their Oct. 22 meeting at the home of Mrs. H. O. Abbott.

INVESTMENTS . . .

The Winters State Bank has one of the best bond departments to be found anywhere and we are daily having experience with investments of different character; moreover, our connections throughout the nation permit a variety of counsel and help when investments are considered. When our customers and friends are in position to invest funds at interest, we can often be helpful in obtaining the class of securities which will be unquestionably safe and which will give no trouble when the economy of the nation assumes the course of liquidation. We are in position, through experience and connections, to invest funds at attractive rates, safety considered.

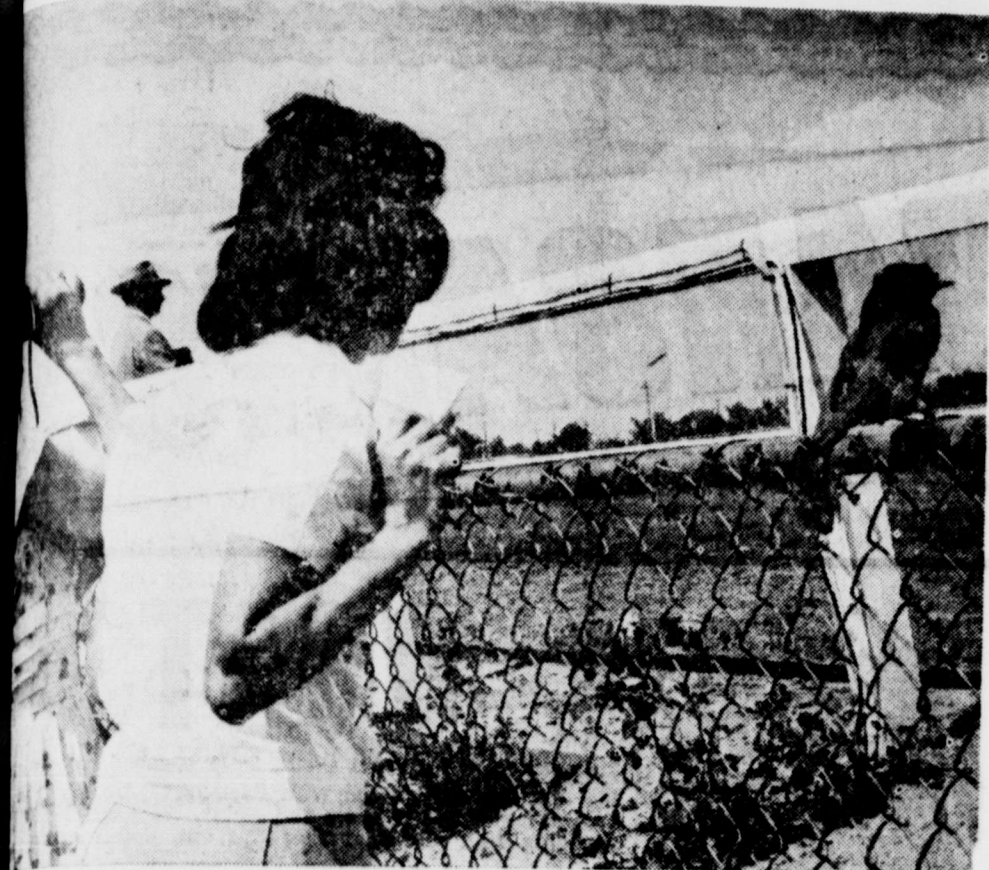

Allow The Winters State Bank to help with investments and this invitation is given to customers and friends alike. In other words, you do not have to be a customer of this bank to avail yourself of the advantages which our experience and connections provide. We are willing and anxious to help all who are interested in unquestionable securities.

TIME—Feathered track fan took a post position with the other anxious fans in Winters, Colo., to see the outcome of the big race.

By Vern Sanford
Antonio recently a plaque was unveiled. The plaque honors the Toepfer family, who have been shooting since 1907. The plaque is a bronze and is the largest of its kind in the state. It is a tribute to the family's long and distinguished record in the sport of shooting.

The old commission cannot pass without some thought of the service it has given to sportsmen for nearly 40 years. There is no denying that when the game and fish commission came into the picture that game had been greatly depleted in Texas. Many men who killed a deer 40 years ago doubted that their grandchildren would have such an opportunity. There was practically no fishing.

Then through the tireless work of the commission and its hundreds of efficient employees, game began to make a comeback. Trained biologists were able to study the needs of wildlife. By passing this information on to the landowners, they were in a position to bring about a restoration.

Wildlife had been shot out in most counties. In Central Texas, where today there is an overabundance of deer, it was almost impossible to find a legal buck back in those days. Bulldozers had pushed civilization into the heart of the wildlife habitat. Very few counties in Texas had any wildlife remaining.

But today the story has changed. There's hardly a county in the state that doesn't have some game in shootable quantities. A typical example is in the Lower Valley, where the white winged dove was uprooted from the colonial nesting areas. They left and went to Mexico.

Our game commission, with the aid of both state and federal funds, was able to buy management areas; and now for the last dozen years we've been able to harvest whitewings. The commission started a quail hatchery. Even though it has been greatly maligned, it was a huge success as a plant and turned out a great number of birds.

Lack of proper cover for the birds at first limited the good that could come from hatchery-produced quail. But again landowners cooperated and today, despite the bulldozer, there is considerably more habitat than even a dozen years ago.

This same story is true of the fish hatcheries. Perhaps there are too many hatcheries. Perhaps it was economically unsound to give away fish to private landowners to stock private ponds.

"Exercise Tips" Is Program At Sub Deb Club

"Tips on Exercising" was the topic of the program when the Sub Deb Club met Monday night in the home of Mr. and Mrs. J. B. Guy Jr., with Jan Byrd serving as hostess. Judy Smith presided and Judy Kettler called the roll. The program was given by Mary Young.

Club members discussed club pins and sweaters, and also discussed fines. Attending were Judy Smith, Judy Kettler, Judy Williams, Jan Byrd, Nicki Eoff, Ronnie Wallen, Mary Young, Kathy Dunn, Deanna Kozelsky, Kay Green, Patsy Winton, Sherry Kay Stanford, Katherine Grissom, Karen Pierce, Susan Roberts, and sponsors, Mrs. Lon McDonald and Mrs. Cunningham.

Goal Diggers Club Met In Sims Home

The Goal Digger Club met Monday, Oct. 21, in the Wayne Sims home with Glenda serving as hostess. In the absence of the president, Ann Bean presided, and Russell Bedford called the roll. New members were selected and are to be voted on at the next meeting.

"Literacy" Topic Of Discussion By Junior Culture

The Junior Culture Club met for their regular session Oct. 17 in the Bobby Rogers home, with Mrs. Rogers serving as hostess and Mrs. B. C. Jackson co-hostess.

The program was a panel discussion on "Literacy," given by Mrs. Lynn Billups, Mrs. B. J. Colburn, Mrs. Dale Whitcotton and Mrs. Don Oakes. Refreshments were served to Mmes. Lynn Billups, B. J. Colburn, James Colburn, James Hinds, Wendell Holmes, B. C. Jackson, Weldon Minzenmayer, Dennis Poe, Jerry Ward, Dale Whitcotton, Hal Dry, Bobby Rogers and Don Oakes.

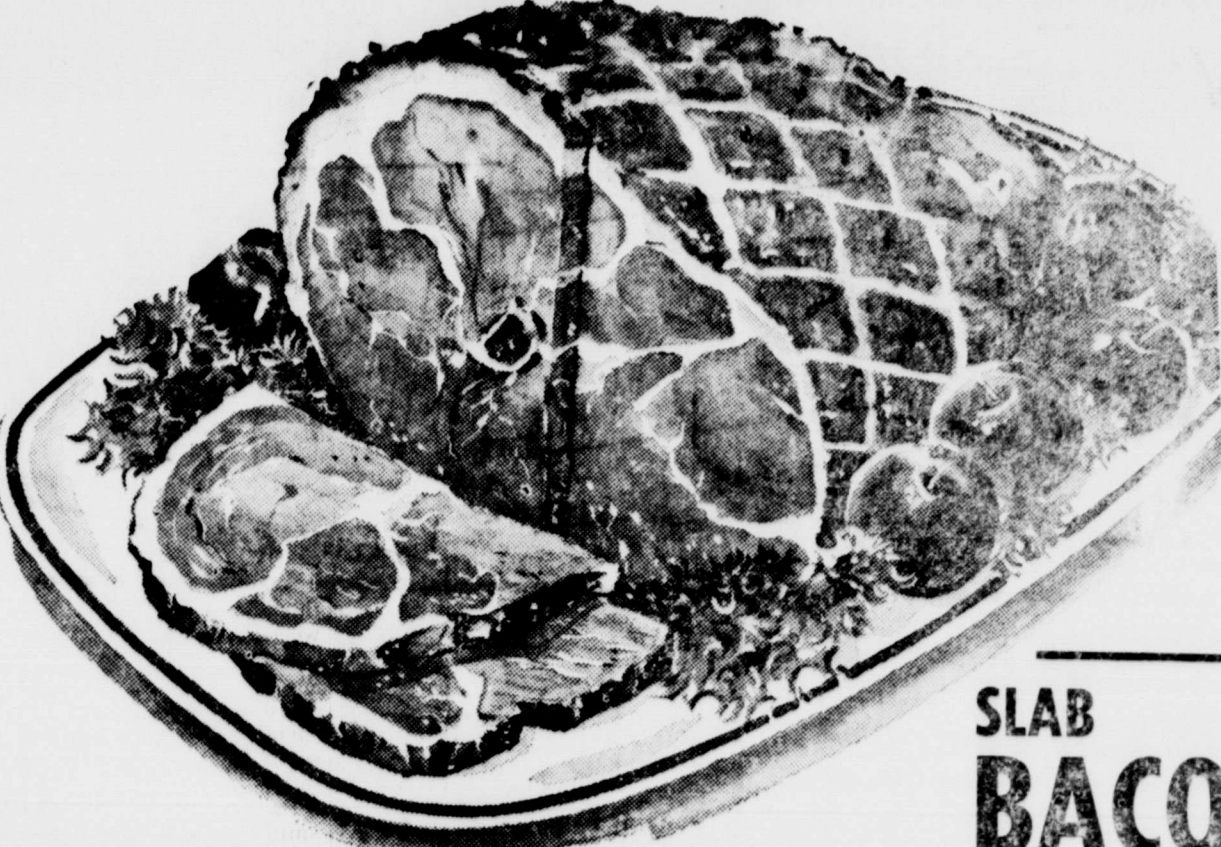

Homemakers SS Class Elected Officers Oct. 17

Officers for the coming year were elected by members of the Homemakers Sunday School class of Southside Baptist Church at a meeting last Thursday night.

Named as president of the class was Mrs. Virgie Wade, with Mrs. Virginia Black, vice president. Other officers elected were Mrs. Morrison, secretary-treasurer; Mrs. Ross Pointer, group leader; Ross Pointer, reporter; and Virginia Wade, social leader.

The next social for the class will be on Nov. 7 at the church.

Work was hampered many times, but never stopped, by lawmakers who found it impossible to have their own way with men trained in the field of wildlife conservation. Despite obstructions our wildlife continued to prosper. During all this time the state park system was operating with a niggardly budget. It is entirely possible that under the new program, with parks and wildlife combined, a great job can be done.
