Charter Work To Continue

Work continues Tuesday evening, April 17, on the Rockport charter. Commission members will be meeting at 7 p.m. in the city hall council chambers.

Discussion will center on the first four articles, with the group dividing up into subcommittees on each of the points of law.

During the last meeting, April 3, Articles II, III and IV were discussed in subcommittee sessions, and work was reported to the entire group at the close of the meeting.

The articles under discussion, subcommittee chairmen and members are:

Article I, Form of Govern-

ment and Boundaries: Chairman Murray McMillan, J.C. Harlan, W.C. Underwood. This group was unable to meet due to absence of committee members, but hopes to start work at the upcoming meeting.

Article II, Powers of the City: Chairman James T. Little, Dana Taggart, N.F. Jackson Jr. This group will continue to look at the changes in power that may be necessary, after having interviewed city officials to determine the present level of operation in Rockport.

Article III, The City Council: Chairman Edward M. Armstrong, Delmar Hiller, Walter D. Clark Jr.,

William G. "Bill" Walston, Simon L. Sorenson, Richard G. McMakin. Several proposals were considered at the last meeting, including the possible expansion of the city council to seven members, and five other portions of a section that may have 15 parts.

Article IV, City Administration: Chairman Larry C. Boone, Reese Rozzel, Connie Garcia. Responsibilities of the city manager were discussed at the last meeting. Committee members were planning to work up a rough draft of this section, compare notes and continue their discussion Tuesday night.

Notable Notes

ACMSI Women's Luncheon

The Women's Committee of the Aransas County Medical Services, Inc., will hold its monthly luncheon and meeting Friday, April 20, at Cattlemen's Bayhouse. The program will be a fashion show presented by Mary Wilson of Village Artisan. Meeting time is early: 10:45 a.m. The meeting will begin at 11 a.m. and the fashion show starts at 11:30 a.m.

Mission Baptist Revival

Mission Baptist Church (Mision Bautista Betel) will hold a revival meeting April 15-22 at the church, located at the intersection of Kossuth and Bay streets. Services will start at 7:30 each evening, with Rev. Gregorio O. Gomez as the evangelist. There will be special music, and David Silva will direct the choir. A nursery for children will be provided. Everyone is welcome.

Public Meetings

Next regular meeting for the county commissioners will be Wednesday, April 18 at 9 a.m. The Rockport city council will meet next on Monday, April 23. The Rockport charter commission will hold their next regular meeting Tuesday, April 17, at 7 p.m.

VFW Election

Stewart-Wendell VFW Post 3904 will nominate and elect officers at their regular meeting Monday, April 16, starting at 7:30 p.m.

Easter Music

The First United Methodist Church Chancel Choir and members of the Carol Choir will sing special Easter music Sunday, April 15 at both the 9:30 and 10:50 a.m. services.

Trail Ride

The Aransas County Riding Association will have its annual overnight trail ride and barbecue April 21 and 22. Starting point will be at the intersection of FM 1781 and FM 881 at 9 a.m. Saturday, April 21. Non-members are invited to ride. Charge for non-members is \$5 each. For additional information, call Vel McLester at 729-2793.

Aransas History Will Be Rockport Chamber Project

Printing of the history of Aransas County will be one of the projects of the Rockport Chamber of Commerce for the new fiscal year. The board of directors will seek underwriters for the publishing costs.

Copyrights to "Texas Coastal Bend" were given to the Chamber by Judge John H. Wood of San Antonio. The history was written by his grandmother, Mrs. Alpha Kennedy Wood. Parties interested in helping with this project can contact the chamber.

A budget of \$21,000 was approved by the board at the April 3 meeting. Salaries for one full time and one part time employee were a part of the budget along with special funds set aside for advertising, red carpet committee and building and grounds improvements. Serving on the budget committee were Ed Armstrong, Larry Boone and Pat Brown.

The date for the monthly

Chamber meeting was changed to the first Monday of each month. Lunches will be held at Corky's Restaurant and members are urged to attend and participate.

President Raulie Irwin Jr. appointed the following committees: Advertising: Charlyne Miller; Banquet 1980: Johnny Jackson; Red Carpet: Ed Armstrong; Building and grounds: Jerry Shaw.

Irwin stressed importance of working with Seafair and Rockport-Fulton Tourist Association to further tourism for the area. He also pointed out the possibility of the three groups jointly undertaking the building of a permanent band stand which would be located at the south end of

the ski basin. Bill Christian was appointed representative to Seafair and Armstrong will work with the Tourist Association.

Directors attending the

meeting were Armstrong, Christian, Charlyne Miller, Babs and Wes Muecke and

Charles Labounty. Also Connie Garcia, Brown,

Shaw, Boone, Russ Wilhour, Jane Goodrich and Irwin. Others present were Bob Albin, Phil Albin, Walter Falk, Kitty Cleveland and Loyce Landrum.

Board Canvasses Votes

By Sarah Durdin

The Board of Trustees of the Aransas County Independent School District held their regular monthly meeting on April 9, during which time they canvassed the votes of the April 7 election and swore in new members.

The count of the votes for Place 3 showed 251 for J.W. Harden, 202 for Pete Ramirez, 76 for Perry Carter and 57 for Philip Niessen. Leslie Cole, who ran unopposed for Place 6, received

378 votes.

Leslie Cole and J.W. Harden, both took the oath of office from Superintendent E.J. Randow. Board members then elected officers.

President of the school board will be Otis Mundine, assisted by vice-president Gary Smith and secretary Polly Bracht.

Construction to make all school-owned property barrier free for handicapped people will be put into effect

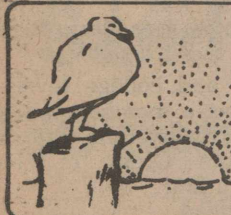

in the coming summer months. Randow stated that none of the entrances in Aransas County Schools fit standards set by Federal Statute 504 of the Handicapped Act. The only exceptions were recently constructed buildings, such as the new metal building at the high school. The compliance deadline is 1980, and the work for the summer will include ramps at entrances and steps, and bars in the lavatories. [See SCHOOL, page 3]

THE EASTER BUNNY?

It may not be possible for "Peter Cottontail" to grow large enough to hide many Easter eggs this year but just you wait...Stephanie and Jimmy beam with love for their respective charges. Nikki, the poodle, just does not understand what all the fuss is all about.

Census Helpers Still Needed

The United States Census Bureau is taking applications for workers in Aransas, Refugio and San Patricio Counties. The work will last from six to eight weeks, and applicants can choose between full and part time work, with the work schedule to be determined by the individual.

The job will involve visiting houses in a given area, and getting the correct mailing address of each household. Betsy Churgia, who will be taking applications, emphasized that the workers will not be required to ask any other questions, as the census forms will be sent through the mails this year.

Workers can make as much as \$25-35 per day on the job, with the pay scale based on 20 cents per address collected, and a mileage allowance of 17 cents per mile traveled and 29 cents per mile for time spent driving between homes.

Each worker is required to have a car, and must take a written test to determine his or her general reading and writing skills.

Mrs. Churgia will be at the Aransas County Courthouse in the commissioners courtroom at 10 a.m., on April 17 taking applications. Those interested will be required to

take and written test and there will be a short interview with each applicant. The test will take approximately 90 minutes, and the interview will last about 30 minutes.

Those who are unable to apply during the testing session at the Aransas Courthouse may apply in Refugio in the Club Room at City Hall at 9 a.m. on April 20, or in Sinton at the Plymouth Annex of the courthouse at 12:30 p.m. on April 20. Regardless of where a worker applies, he will be assigned work in the county where he lives.

Healthful Hints

By Jean Glowka

Q. My doctor suspects that I have hyperthyroidism (overactive thyroid). He is doing some tests to be sure. In the meantime I'd like to

learn what I can do along nutritional lines to help this situation.

A. First of all, make sure you use only iodized salt to help obtain needed iodine. However, if you do have hyperthyroidism, nutritionists feel that you need more iodine than you can get from iodized salt. Four to six milligrams daily are suggested. You may be able to obtain this with a doctor's prescription. If not, a teaspoon of kelp granules or 15 kelp tablets will supply about 4 milligrams.

In addition to iodine, nutritionists recommend 500 units of vitamin E daily along with generous amounts of the B vitamins, vitamin C and a high-protein diet.

Q. I have a friend who uses only distilled water for cooking and drinking. I have told him that this is

Most Often-Asked Questions On Nutrition

dangerous because distilled water lacks minerals. Don't you agree?

A. Yes, I do. We need the minerals that we get from water. Distilled water has no minerals at all, and tests with humans have shown that it leaches out of the body what minerals already exist there.

Minerals are extremely vital for good health. The Hunzas, who are known to have the best health and longest lives of any people on earth, drink water so full of minerals (largely inorganic) that it is not only murky, but the sediment settles to the bottom of the glass when it is allowed to stand.

If your friend wants to drink distilled water in order to avoid pollutants and contaminants, give him this little tip—add to each half gallon of distilled water, four teaspoons of

commercially filtered, bottled sea water (rich in natural minerals and trace minerals). Also, tell him that scientific tests have shown that the use of distilled water for drinking and cooking causes muscle weakness (the heart being among the first victim) and a deficiency of calcium and other health-supporting minerals.

1/2 teaspoon salt
1 1/4 teaspoons double-acting baking powder
1/2 cup shortening, butter or margarine
2 eggs
1/2 cup milk
Sift flour, granulated sugar, salt and baking powder together into bowl. Add other ingredients and beat well with a wire whisk or electric beater for three minutes. Pour mixture into 9"x13" pan generously greased and floured. Pre-heat oven. Bake at 350° for 25 to 30 minutes or until cake tests done.

Easy-Spread Almond Buttercream Frosting
2 cups sifted powdered sugar
1/4 cup whipped-type margarine
3 tablespoons cream
1/2 teaspoon almond extract (use vanilla, if preferred)

Beat powdered sugar into margarine gradually. Add cream to mixture one spoonful at a time. Add almond flavoring. Beat until mixture reaches spreading consistency. Add more powdered sugar, if necessary. Frost top and sides of cake. To achieve a smooth surface, dip spatula frequently into hot water and lightly skim spatula across cake surface.

To Cut Egg Shape
Let cake cool. Remove cake from baking pan and place on serving platter. Or, place cake on stiff cardboard cut slightly larger than egg-shape oval and covered with colored foil wrapping paper. Cut a piece of lightweight cardboard or rigid paper to 9"x13" size. Then trim to egg-shape oval. Set oval on top of cake and trim cake. (If you have kitchen helpers, treat them with the cut-away pieces of cake as a reward for helping.)

To Decorate Cake
1 bag candy orange slices
1 cup shredded coconut
Marshmallows
Jellybeans

Slice orange pieces in half from top to bottom (making two slices out of one). Slice about 20 in half. This will be enough for top and bottom of cake. Press cut sides into frosting along bottom edge of cake. With toothpick, lightly sketch an oval into center of cake. Using green food coloring, tint one cup of shredded coconut. Fill oval with tinted coconut. Cut remaining orange slice halves again. This time cut along the edge about 1/4" from outside curve. Outline coconut oval with the thin or orange candy slices in scallop pattern.

To Make Bunny
Slice two regular-size marshmallows in half (making four round pieces). Place two pieces, cut side down, in center of green coconut oval. Use a little leftover frosting to cement marshmallows to cake.

Cut one of the remaining marshmallow halves in two. Shape gently to make bunny ears. Place ears on bunny.

From last marshmallow half, cut round piece for tail. Place on bunny. Cut tip from a pink jellybean for bunny nose. Draw whiskers and eyes with black felt pen. Arrange jellybean nest beneath bunny.

Traffic Survey Approved By Rockport Council

Page 3
The Pilot

SUNDAY, APRIL 15, 1979

By Carl Hott
An impact plan operating through the Coastal Energy Impact Program, and a traffic survey through the Texas Office of Traffic Safety, were both approved by the Rockport city council during their regular meeting Monday, April 9.

Andrew Reed, a representative of RPC, Inc., discussed various aspects relating to updating the "701" comprehensive plan under the Coastal Energy Impact program.

Part of the study will relate to population characteristics of the city, starting with 1976 and including a projection through 1985. Factors included will be employment, potential population increases, and what kind of services will be needed as additional people move to Rockport.

The study primarily includes factors relating to energy related industries, but will provide the city with much additional information such as would be needed in obtaining federal grants.

Information gained will also be of help to the new charter commission, as they continue in their efforts to work on a new set of laws for the city of Rockport.

Costing \$12,500, the city's share of the study is 20 percent, or \$2,500. The study was started in mid-March

and will be completed June 30.

Traffic Survey
Authorization was granted by the council to the Texas Office of Traffic Safety to conduct a traffic survey in Rockport. Representatives of that office were at the council meeting to explain the program, which is done at no cost to the city.

Terry Palmer, district manager, Lou Villagomez, traffic safety coordinator, Joe Obregon, area traffic engineer, and Phil Reynolds, information and education coordinator, all spoke to the council.

Information leading to the survey request came from Police Chief James Craigmile, with a prompt response by the traffic safety office.

When completed, the study will reveal such facts as traffic volume, circulation and travel frequencies, inventory of signs and markings, an accident analysis, school safety, traffic code, liabilities for the city and other information.

During the survey, high-accident locations will be noted and recommendations made for improvements. Downtown parking will also be studied, as will school routes, and traffic control around schools. Where speed limits are studied, recommendations may also

be made as needed.

Principal goal of such a project is the saving of lives and reduction of accidents. Villagomez noted, adding that preliminary information indicated that Rockport was experiencing a high rate of accidents.

Vote Canvass

The council canvassed the votes for the April 7 election. New councilman C.H. "Burt" Mills Jr. was sworn in, as was re-elected councilman Charlie Garrett.

Outgoing councilman Norvell Jackson was commended by Mayor Walter S. Falk Jr., who expressed "heartfelt appreciation to

Mr. Jackson for his 22 years of dedicated service to the city of Rockport." He added, "I have learned a lot from you... may God bless you."

Councilman Dan Ward was elected by the reorganizing council to serve as Mayor Pro-Tem. He replaced J. Martin Shaw, who had served in that position.

In other council business, the final possible connection to the Racquet Club pressure sewer line was allocated. The request for the final four connections came from Patsy K. Tynes.

Palm tree trimming will be done by M&M Tree Trimming Co. for the city this

year, with the cost being \$5 a tree. Between 45 and 50 trees will be trimmed twice a year under the new agreement.

A building permit for an addition to the Islander Boutique was approved, subject to written approval by the State Board of Insurance. The building is located at the corner of Magnolia and North streets, in the fire zone. The proposed addition was to be 4,000 square feet in size.

Permission was granted by the council for the Naval Air Station to sell tickets in Rockport for the Navy Relief Festival to be held June 2 and 3.

Bills were approved by the council, amounting to \$65,799.64. By funds and departments, the expenditures were: General fund, \$2,524.81; Fire department, \$1,333.59; Police department, \$3,843.21; Park department, \$265.25; Street department, \$20,523.66, including \$16,232.81 to Uvalde Rock Co.; Garbage department, \$2,192.42; Water department, \$27,410.99, including \$21,844.56 to the Aransas County Conservation and Reclamation District; Sewer department, \$7,705.71.

In concluding business, the council accepted the police department report, and reviewed the financial statements as of March 31.

City Secretary Herman Johnson reported that about 95 percent of taxes had been collected, out of a possible 98 percent, allowing for discounts for early payments. Next regular council meeting will follow the Planning and Zoning meeting, Monday, April 23.

RFHS Girls To Regional

At the girls district track meet in Rockport on April 7 runners Julie Miller and Darlene Dilworth qualified for the regional meet in Corpus Christi on April

20-21. The varsity team placed sixth out of eight teams in the district meet, with Darlene Dilworth and Julie Miller breaking school

records. Dilworth took first place in the high jump with a height of 5'1" to tie the district record and break the RFHS record. Miller, with a time of 2:31.26, broke the school record for the 880 yard dash where she placed second.

Darlene Dilworth placed fourth in the triple jump, as did the mile relay team of Mona Smith, Lisa Berthelot, Darlene Dilworth and Julie Miller.

In fifth place were Julie Huff for the shot put, Mona Smith for the 80 yard hurdles and Cassie Spears for the 100 yard dash. The 880 yard relay team of Belinda Cross, Julie Huff, Darlene Dilworth and Vera Green also placed fifth and Julie Adams tied in fifth place for the high jump.

Julie Huff placed sixth in the long jump, as did Vera Green in the triple jump, and Belinda Cross in the 80 yard hurdles.

The junior varsity team placed fifth out of seven teams, with Susan Weaver placing second in the shot put, and Rita Martinez in second in the 880 yard dash.

Renee Wagoner took fourth in the discus, while both the 440 relay and 880 relay teams took fifth in their events. On the 440 relay team are Helen Pearson, Susie Ramirez, Renee Wagoner and Rita Martinez.

In sixth place were Connie Flores in the shot put and Helen Pearson in the 440 yard dash.

CB Assn Seek Members

Listen up, all you CB'ers out there. The Aransas County CB Radio Association is looking for new members of all ages and interests.

Charles A. Augustine, one of the present club members, said the club has been gradually declining in membership because too many people had the mistaken idea that the club was limited to older members. He said the club was also thought to be limited to users of channel 22.

Club members want to change the club's image and enlarge the membership, and are inviting people of all ages and interests to join the club.

Augustine said the bylaws of the club will be

voted on to reflect the wishes of the new club members, should they desire changes in the club rules, to the point of even changing the club's name.

The club is open to anyone with a CB operator's license, although Augustine said if someone who is interested in joining the club doesn't have a license, they can join as an associate member while waiting to get a license. Club members can provide details on how to get a license and where to apply.

Club members will sponsor a free weiner roast for members and potential members to get acquainted. The roast will be at 6:30 p.m. on May 1, at the Fulton Beach Lions Pit. There will be a business meeting at 7:30 p.m. on May 15, at the Aransas County Courthouse.

Each month club members hold a business meeting, and a social meeting, which is often a covered dish supper. In addition, the members participate in REACT programs.

For more information call Barbara Allan at 729-1245, Melba Forney at 729-2196, or Charles Augustine at 729-1985.

Employer's Quarterly Deadline

April 30 is the date by which employers must report on Form 941 Social Security and withheld Federal income taxes for the first quarter of 1979, and pay any taxes due, the Internal Revenue Service said. If the quarterly liability (reduced by any deposit during the quarter) is \$200 or more, the unpaid balance must be deposited.

This deadline does not apply to those employers who make timely deposits of the full amount of tax due in Federal Reserve or approved commercial banks. They are allowed until May 10 to file Form 941, "Employer's Quarterly Federal Tax Return."

If employers have not received Form 941 by mail, they can obtain one from local IRS offices. IRS Publication 15, "Circular E—Employer's Tax Guide," is also available at local offices.

SCHOOL

(Continued from page one)

Minutes of the meeting held on March 5 were approved and bills for the month of March were read and a motion to pay them was approved. The bills totaled \$100,612.49 and included the costs for a metal building erected at the high school, and new uniforms for the high school band.

Trustees adopted a policy for acceptance of students from non-accredited schools. The policy was discussed because of increasing questions concerning the status of students transferring from non-accredited schools, such as private schools, or from out of state public schools. At the elementary level, students will be admitted to the grade level for their age group. At the high school level, the students will be admitted to the correct level, based on exam scores from the previous school year for the subjects transcripts from previous schools list as having been studied.

Board members also voted to approve a mandatory retirement policy, which is in compliance with a policy adopted by the Texas Education Agency. The policy would require mandatory retirement at the age of 70 for all personnel, and will be put into effect for non-contract employees on June 1, 1979 and for contract employees on June 1, 1980. Contract employees are granted additional time because they still have year under the terms of their contracts.

Trustees approved a motion to dismiss school early on May 1, for an employee meeting during which service awards will be presented and retiring teachers will be honored. Classes will be dismissed at 2:30 p.m. and the meeting will start at 3:30 p.m. to allow time for all

busses to complete their routes.

Superintendent Randow presented board members with his monthly report. Activities for trustees include a Texas Association of School Administrators meeting in Corpus Christi on April 26, and a School Board Workshop on May 2 in Kingsville.

Randow also stated that the Board of Equalization has been organized and a tentative deadline for completion has been set for the middle of May. The firm of Pritchard and Abbot are presently working on reappraisal letters to tax payers.

A report of bus mileage was included in Randow's report. Of the 15 buses belonging to the ACISD, the oldest is a 1960 International with 146,744 miles, the newest is a 1978 International with 8,326 miles. Randow stated that the school board will be buying 1 or 2 new buses in the near future. The cost of a bus is \$14,000-\$15,000 at the state bid level.

Aransas County School will be recommended to the State Board as being eligible for full accreditation status, according to a letter to Superintendent Randow from Dr. Walter R. Howard, Director, Divisions of School Accreditation Planning and Approval.

A letter from Senator A.R. "Babe" Schwartz was also presented to trustees, which stated that teachers have the authority to remove a child from a classroom if he or she is a disrupting influence. The letter also stated that the teacher may call on the principal or a designated authority to assist in the removing of such a student, if necessary.

Trustees approved a motion to accept the resignations of Richard Balentino, Trisha Boruff, and Margaret Harris.

THE EASTER PARADE

Wendy Gregory is ready to step out for the Easter Parade of Spring clothes. Mothers and daughters alike will be dressed in their best new outfits this Sunday to the

delight of all who witness this once-a-year ritual. Wendy models a dress from the Children's Castle.

When the going gets rough, sometimes we wish we could be magicians and simply pull a rabbit out of a hat at the right moment.

But, it doesn't work that way. We have to face up to things like rising prices, the energy crisis, the kids' education and getting braces for Susie's teeth.

Sometimes there seems to be no end to it. And we're not magicians. Yet, even on the gloomy days, we have something that keeps us going. Guess you'd call it faith. It's not easy to come by, either — but once you have it, it is yours for keeps!

Where do you start looking? How about in the church of your choice?

Pirates 6th At Beeville Meet

Injuries to Algie Simmons and Esiquiel Hernandez set the varsity track runners back at the Beeville track meet, according to coach Ron Richardson. However, he said he feels optimistic that with their recoveries, the Pirates will be able to make a good showing at the district races to be held in Gregory-Portland on April 14.

Varsity runners placed sixth out of 11 teams with Rubin Garcia placing second in the mile run with a time of 4:27.13.

The two-mile relay team of Clyde Barre, Ben Barlass, Rubin Garcia and Mike Contreras placed third and James Simmons placed fourth in the 100 yard dash.

In sixth place were Bubba Scott for the shot put, and Mike Contreras for the 880 yard run. Both the 440 relay team and the weight man's relay team placed sixth in their races.

Members of the 440 relay team include Hollis Durham, David Smith, James Simmons and Rubin Garcia. Members of the weight man's relay team are Jeb Beall, Bubba Scott, Mike Arthur and Joe Barera.

The junior varsity team members placed sixth out of nine teams, with Raul Castro placing first in the mile run.

Kroy Deforest took second place in the shot put, and Alvin Bardwell placed third in the 330 intermediate hurdles.

In fourth place for the 100 yard dash was Kroy Deforest, while the 440 relay team of James Winters, Alvin Bardwell, George Solis and Kroy Deforest took fifth place in their event. Richard Blair took sixth place in the 880 yard run, as did David Williams in the pole vault event.

Freshman runners had

the best day, placing second behind Gregory-Portland and taking first place in several events.

Ernest Gonzales placed first in the 100 yard dash, as did David Kelley for the 220 yard dash. Kenneth Smith for the 440 yard dash, and Mike Covarrubias, in the pole vault.

Also in first place were the members of the 440 relay team, Mike Covarrubias, Kenneth Smith, David Kelley and Ernest Gonzales. The mile relay team of Michael Simmons, Mike Zlock, Lupe Contreras and Kenneth Smith also placed first in their event.

Ernest Gonzales placed second in the 220 yard dash, as did Mike Arthur in the discus. Also in second place were Mike Zlock for the 880 yard run and Peter Booth for the mile run.

David Kelley placed fourth in the 100 yard dash.

The Pirates will participate in the Gregory-Portland meet on April 12.

Preliminaries will start at 2 p.m., with finals beginning at 6 p.m.

The district meet will also be held in Gregory-Portland, and will take place on April 14.

FISHIN' TIPS

from... Tom Mann

A large number of Pilot readers fish, with a higher percentage in the Rockport area than the one in every four across the country.

Following is the first in a series of columns written by one of the nation's top fishermen, Tom Mann, who tells his views in a folksy fashion.

The writer welcomes letters from readers for additional fishing tips or comments. Answers will be either through the columns or by personal reply.

Ever notice how some fishermen seem to come

home regularly with fish, while others have a hard time catching enough to mess up a skillet? Some call it luck, but I call it skill.

A good fisherman gets that way by fishing a lot, by observing and remembering what he experiences, and by going every chance he gets. He also fishes numerous lakes and streams, not just one or two.

This is important because lakes and streams have their good and bad cycles. I keep notes on dates and numbers of fish caught, and try to figure which places are in their good cycles. Another wise way is to ask questions of your fishing buddies, tackle shops, guides, etc., where fish are being caught and on what.

A good fisherman also keeps his tackle in tiptop shape so it won't malfunction on him, and he keeps his lures in motion all day long, letting the fish tell him which one, or color, they want. Yep, fishing can be luck but most of the time it's a matter of dedication and knowhow.

BROTHER TOM'S CLOSING TIP: Your fishing line is the vital link between you and the biggest fish of your lifetime. Keep the terminal end strong by cutting off worn line which is weaker. And whenever a line gets stiff, replace it with new line and fish with confidence. There are two things a fisherman should keep fresh—his line and his fish!

Over-65 Fishing Exemption

AUSTIN—A bill which would exempt non-residents in Texas over 65 years old from having to purchase a license to fish passed favorably out of the Senate Natural Resources Committee March 28 and is on the Senate Intent Calendar.

C.S.S.B. 199 was introduced by Sen. Carlos F. Truan of Corpus Christi to relieve out-of-state visitors over 65 from the \$10.50 license fee.

Retired band leader Hal Wasson, flanked by Sen. Truan, testified before the committee in favor of the bill the day it passed.

Tennis Teams Compete At Tuloso-Midway

Members of the Rockport-Fulton High School tennis teams participated in Tuloso-Midway Tournament on April 7, with the freshman team placing first in their division and the junior varsity team placing third.

In the Senior division, Meredith Montague placed third in the girls singles, and Julie Hiller placed fourth. Lori Allen and Barbara Allen placed fourth in the girls doubles. Tony Aleman placed third in the boys singles.

Of the junior varsity team, Nancy Crites and Terri Price placed first in the girls

doubles, and Jennifer Janecek placed fourth in the girls singles.

Shawn Bateman and Phillip Viccinelli placed first in the boys doubles for the freshmen, and Bobby Albin placed first in the boys singles.

Holly Garrison placed first in the girls singles for the freshmen, while Mary Boone and Kim Hunter placed second for the girls doubles. Scott Meyer placed first in the girls singles for the freshmen, while Mary Boone and Kim Hunter placed second for the girls doubles.

Scott Meyer placed second in the freshman boys singles.

Junior High Track Teams Compete

The seventh and eighth grade boys track teams from Rockport-Fulton competed in Victoria Invitational Track meet on March 31, with up to 16 area teams entered in the 24-4A classifications.

Gregory-Portland won the eighth grade division with 123 points, followed by Bay City with 92, Victoria Howell 66, Tuloso-Midway 37, Port Lavaca Travis 34, El Campo 33 and Edna 23. Cuero had 20 points, while Rockport-Fulton and Victoria Patti Welder each had 10. Yoakum had 6, Hallettsville 4 and Victoria Crain 2 points. Our Lady of Victory in Victoria failed to score any points.

David Ramirez set a meet record for the eighth grade Bucs with a time of 4:55.49 for the mile run.

The 440 relay team of John Mendiola, Peter Nichols, Aaron Commander and Zachary Green ran the season's best time of :49.25 to make third best time in the preliminaries, but due to injuries they were unable to place in the finals.

Seventh grade division winners were also Gregory-Portland with a score of 136, followed by Victoria Howell 68½, Tuloso-Midway 51, West Columbia 47½ and Rockport-Fulton with 32 points. Victoria Patti Welder

scored 26 points, followed by Edna with 22 points, Port Lavaca 20, Wharton 16, Flour Bluff 15, Victoria Crain 14, Bay City 8, Cuero 6, and El Campo 3 points. Neither Yoakum or Our Lady of Victory in Victoria, scored any points.

Seventh grade ribbon winners included Dwayne Walls who placed first in the 220 yard dash with a time of :27.7, and second in the 100 yard dash with a time of :10.74. The winning time for the 100 yard dash was :10.72.

Eddie Bechtol placed fourth in the 220 yard low hurdles with a time of :29.79, as did the 440 relay team. The team which includes James Blair, Steve Arkell, Robert Dominguez and Dwayne Walls, had a time of :50.95 seconds.

James Blair placed fifth in the 330 yard dash with a time of :43.27.

The seventh and eighth grade Bucs will compete in a track meet in Tuloso-Midway on April 7.

Spring Tennis Tourney

The first annual Spring Open Tennis tournament scheduled for the weekend of April 21 and 22 at Rockport Racquet Club will provide an opportunity for players of varying degrees of skill to participate. Ed Slusher, club pro, will manage the tournament with the assistance of his daughter Jeanne

Edwardson.

Scheduled events include a championship division for both men and women in singles and doubles. Other events will include men's and women's singles and doubles for the less skilled, plus singles and doubles for men and women 45 years of age and older.

There will also be mixed doubles for which all players are eligible.

Trophies will be awarded to winners in all events. In addition, there will be merchandise awards and gift certificates from the Net Results shop for runners-up, according to Slusher.

Following finals play Sunday night a picnic supper featuring fried chicken will be served. A number of women club members will provide salad; the charge will be \$2 per person, with tickets available at the pro shop.

Tourney play is scheduled to start at 8 a.m. Saturday, April 21, and the public is invited to attend all sessions without charge, Slusher said.

Scheumack Honored For Sales

Duane Scheumack, real estate salesman for Rockport Realty was honored in a recent South Texas-wide sales meeting held by ERA (Electronic Realty Associates) in Corpus Christi. The South Texas area is all the area south of a Rockport-Laredo line and includes Corpus Christi, Laredo, Harlingen, and Brownsville.

Mr. Scheumack was the top sales producer for all ERA salespeople in the area. He was given an engraved plaque and other gifts in honor of the occasion.

EMS Report

A total of 18 emergency runs were handled by the Aransas County Emergency Medical Service during the week of April 2-9. Units traveled a total of 729 miles during the week, and had an average response time of seven minutes.

Note: Bills for emergency ambulance service may be paid at the Rockport Chamber of Commerce office.

There are very few people who realize that REACT International is known throughout the world. There are over 1,000 teams around the world from here in Texas to Wyoming and Rhode Island. With teams in Canada, Guam, Puerto Rico, West Germany and Saskatchewan, they all have the same goal. They will try to give sufficient coverage to enable you to call a REACT Monitor anywhere at any time and receive assistance on Channel 9.

REACT is the oldest and largest non-profit CB organization known. The U.S. Department of Transportation developed the REACT monitoring training program. For years now it has been cooperating with the American National Red Cross. These are just a few of the things that have been accomplished in the past years. Join REACT and become a part of the future.

At the monthly meeting of REACT the team was glad to have two visitors. Mr. and Mrs. Lloyd Hover came to the meeting and when it was adjourned Mr. Hover joined the team. We are more than glad to have Mr. Hover with us. Welcome, Mr. Hover.

The Aransas County Citizens Band Radio Association is reorganizing. This means that there will be new officers, new members, more fun, and new ideas. On May 1, 1979, the club is having a weiner roast. It begins at 6:30 p.m. at the Fulton Lions Pit. You need not bring anything, that is, except your appetite. All you CB'ers, please come.

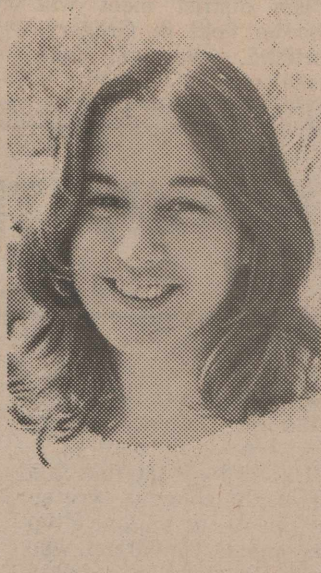

Happy Easter from your Rockport REACT team!

Senior Citizen Tax Benefits Available

AUSTIN—There are a number of tax benefits available to taxpayers who are reaching retirement age: One that can mean significant savings is the

special "Credit for the Elderly."

The Credit for the Elderly is really two separate credits. One is for taxpayers age 65 or older and is computed on Schedule R. The other, computed on Schedule RP, is for persons under age 65 with income from a public retirement system.

Internal Revenue Service. IRS, along with many banks and post offices, will supply Schedules R and RP. There is also a free publication, "Credit for the Elderly," available at IRS offices.
