

THE LOCAL CIRCLE

The Local Circle met with Mrs. T. A. Martin Monday afternoon. She was assisted by Mrs. Harold Martin. The meeting was called to order by the president and the devotional was led by Mrs. C. F. Glass, the scripture reading being the 7th chapter of Luke. Mrs. T. A. Martin led in prayer. Dues were paid and reports from various committees heard. During the business hour it was decided the Circle would write a letter to Mr. and Mrs. Fairbairn who are at Temple where Mr. Fairbairn has recently undergone an operation for appendicitis. Each member wrote a line expressing sympathy and wishing a speedy recovery for Mr. Fairbairn. The meeting was closed by repeating the "Lord's Prayer," led by Mrs. T. R. Bennett. Mrs. Harold had charge of the social hour and several interesting contests were played, after which refreshments of ice cream and cake were served to sixteen members and one visitor. We were very glad to have Mrs. Pool of Abilene with us.—Reporter.

BIRTHDAY FOR

ROY G. EDWARDS

If all the citizenship of the town and surrounding country would be as punctual as Roy G. Edwards, (nine year old son of Mr. and Mrs. Roy Edwards) in reporting news items we would get along splendidly with gathering the items of interest. Roy G. had a birthday Saturday. He invited a number of his friends over to enjoy a celebration with him, went to town, got a bunch of wienies, pickles and lemonade, then came back by the News office and informed the editor a "Birthday wienie roast was to take place out the Edwards home. The boys had a real time roasting wienies and making lemonade.

At a rather late hour the visitors left for their homes wishing Roy G. many happy returns of the day.

Mr. and Mrs. T. T. Davis of Merkel were in Loraine and Colorado on business Tuesday. They, Mrs. Dan Badgley and Mrs. Lois Vines and children of Wastella were dinner guests of Mr. and Mrs. Henry Foy Tuesday.

SUNDAY SCHOOL PICNIC

On Thursday, May 23, Mrs. R. E. Bennett entertained Mrs. Pratt's and her Sunday School classes with a picnic at the Rock Hole. The members met at the Baptist Church at 9:30 and about 10:00 o'clock they started out in cars full of cats and girls for a merry day. Soon after arrival several of the girls got out fish hooks and began to fish. Others sat on the rocks and enjoyed a sociable hour.

About 12:00 o'clock the girls began to drift in with the fish. The process of cooking lunch then began and so did the rain. No picnic ever went over just right, so amid rain and laughter we cooked our potatoes, bacon, fish, wienies, pickles, cake, coffee, ice tea, and ice cream.

We returned home at an early hour. Those reported an enjoyable day were Misses Anna Bess Wilkerson, Mamie, Adine and Frances Howell, Ethlyn Furlow, Julia Tartt, Arlena and Zella Jones, Kate Spurgur, Mary Miller, Vlema Price, Velma Roberts, Lorena and Ada Pearl Collier and Lurline Britton. Mrs. W. J. Coon, Mrs. Jerry Walker and Eulalia and Mr. and Mrs. R. E. Bennett.

CHURCH NEWS OF THIS DISTRICT

Under this heading: from week to week we will carry reports of the church activities in Loraine and Mitchell County. Each community is invited to send us your reports week by week. Any reasonable amount of space will be given by the publishers to the churches. If your church is not represented in this column it is because no one reported its meetings.—Editor.

CLYDE SMITH JR. BREAKS ARM

Last Saturday in the afternoon, Clyde Jr., son of Mr. and Mrs. Clyde Smith, had the misfortune of receiving a broken arm, while out on a fishing trip with his parents. Another child stepped on the arm. Clyde Jr. is getting along as well as could be expected after having the arm set.

Fire Burns Truck

Wednesday about 2:30 p. m. a fire alarm was given and it proved that a truck, driven by Ernest Winston of Cisco, who had been working near Sterling City, had caught on fire in some unknown manner just West of town. Quick action of Mrs. Winston who was driving ahead in a coach and efficiency of the Loraine Fire Department, resulted in the flames being extinguished before the truck was completely destroyed.

Mr. and Mrs. L. J. Taylor of Colorado spent last week in Loraine with their parents.

PIONEER TEXAS RESIDENT DIES

Funeral services were held Tuesday afternoon in the Baptist Church of Loraine for Mrs. J. L. Preston, born August 19, 1839, in Tenn., died June 1, 1931 at Paducah, Texas. Her husband Rev. J. L. Preston, to whom she was married in 1858, in Franklin County, Texas, had preceded her demise several years. She is survived by eight children, a number of grandchildren and great-grandchildren, who with a host of friends mourn her passing from this to another world. She had been a consistent member of the Baptist Church sixty-eight years. The funeral services were conducted by Rev. Hardin, pastor of the Loraine Baptist Church and her remains were laid to rest in the Loraine cemetery. Another soul less on earth and another angel in heaven a loss of earthly treasure and another jewel in the paradise of perfect treasures. The Mitchell County News extend sympathy to the bereaved ones.

CARD OF THANKS

We wish to thank our friends for the many deeds of kindness shown us during the death of our mother and grandmother, Mrs. J. D. Preston. May it be our privilege to be of service to you when such sorrow comes your way is our prayer.

BAPTIST CHURCH NOTES

Sunday School was well attended last Sunday, but it was the fifth Sunday and our pastor, Rev. A. C. Hardin, and family were visiting in Cisco and Mineral Wells. We had no preaching service. Our congregation worshiped with other churches of the town in the morning services. It had been announced that Rev. Watson, of Colorado, would fill our pulpit Sunday evening, so the crowd gathered to hear him, but he failed to come, and we haven't learned what kept him away.

Mrs. Jesse Pratt, Mrs. Clyde Wilson and Mrs. Andrew McGahee entertained the W. M. S. with one of the best programs of the season Monday afternoon from 4 to 6 o'clock, in the home of Mrs. Pratt. Each number on this program was given by some one of the youth of our church. Delicious ice cream and cake were served during the social hour to more than thirty guests.

At the prayer service Wednesday evening we studied the second coming of Christ. We invite all who will to come discuss these important Bible topics with us.

Several of our girls left for various colleges this week for a summer term of school work.

Be sure and be on time Sunday morning for the Sunday School hour. We will start promptly at 9:45. At the close of the S. S. some of our young people will bring us a fine program. Our pastor will be home and fill the pulpit Sunday at 11:00 a. m. and 8:15 p. m. We extend a cordial invitation to one and all to attend these services. Come, lets work together that God's name may be glorified.

The guests were: Misses Estha Edwards, Fern Coon, Ruth Coon, Mrs. Ed Williams, and Miss Marion Elds from Santa Anna, who is visiting with her sister, Mrs. Henry Cook.

High score was won by Miss Inez Mayes.

FAIRBAIRN IMPROVES

The many friends of W. J. Fairbairn will be glad to learn that he is getting along splendidly after having had a double major operation for gall stone and appendicitis. Mr. Fairbairn is in the sanitarium at Temple. The News joins his many other friends in wishing for him a speedy recovery.

Mr. and Mrs. Alonzo Phillips visited Mr. Phillips' brother in Stamford Sunday night, returning by way of Cisco Monday, where Alonzo attended a meeting of the West Texas Unity Association of the "Broadway of America" of which he is a director. This meeting discussed the problem of getting tourists properly directed from the East to West through Texas. It seems that there is a move on in some sections to send people over routes that are not even paved, instead of up highway 80 which is good paved road all the way. The association will meet again June 12th in Sweetwater.

Spicy Topics

Congressional appropriation: Taking money from some of us to relieve or pension the rest of us.

Might as well levy a tax on gifts. Santa Claus has developed the greeting card habit, anyway.

You can usually depend on the Babe to give you a run for your money.

Then there's the fellow who thought he'd invest 15 cents in Life and Liberty for the pursuit of happiness.

These writers who begin sentences with a small letter seem to be the strongest advocates of capital punishment.

Another reason for offering your seat to a pretty flapper is that she may be an elderly woman.

Custom is hard to change. New talkies that teach kids how to be gangsters still charge an "admission fee" instead of tuition.

You can tell a polite man. He sits at a table and sips water while the vulgar table-pounder gets service.

Freedom is much like a good digestion: You never notice it much until it's about gone.

"Brazil will burn coffee." Oh, well, boarding house guests are used to that kind.

Folks found of wisecracks take lots of punishment.

And you can tell the road to success by the envious friends using hammers along the way.

AN ENJOYABLE DINNER

Mr. and Mrs. C. M. Thompson served dinner Sunday in honor of Mr. Thompson's sister, Mrs. M. P. Miller, of Stephenville. The following were present: Judge and Mrs. C. C. Thompson, Mr. and Mrs. H. T. Thompson of Water Valley, Mrs. Lillie Bennett and son, Mrs. Hugh Finley, Mr. and Mrs. T. R. Bennett and son. Mrs. Miller returned home with Mr. and Mrs. A. W. Thompson of Coahoma. Mesdames C. M. Thompson and T. R. Bennett and Miss Rilla Thompson spent Wednesday in Coahoma, Mrs. Miller returning with them.

NOTICE

I take this method of announcing to my friends and customers that I am leaving for the harvest fields to be gone some time and have turned my local business over to Claude Spikes to look after while I am away. Mr. Spikes will look after your hauling and any favors shown him will be appreciated by me. H. H. Smith.

OLD BINDERS IN USE

With the harvesting of the best small grain crop in many years in Mitchell County, grain binders that have not been used in a decade or more have been again brought into use and according to all reports are giving good service.

U. D. Wulfjen is using a thirty-five year old machine on his farm near seven wells, harvesting oats and other small grains. With the exception of 1919 the binder was not used but two or three seasons soon after it was purchased. It was stored away and only minor repairs were necessary to put the machine to work again.

COMBINES IN MITCHELL

The combine has come to Mitchell County. Two of these machines will be in operation next week at the Chester Jones ranch in the northwest part of the county and at the Dollar farm near Hyman where Fowler McDaniel has 280 acres of wheat. So far as is known this is the first time that these labor saving machines have been used in the county.

These modern machines eliminate the expense of twine, shocking and in addition return the straw back to the land where it helps to maintain soil fertility. The grain is threshed at one operation which reduces the cost of harvesting to a minimum.

And when a politician objects to being called a liar—that is news.

Everybody in the county is invited to report the activities of your home community and give the local news of your community to the Mitchell County News.

The first step in a war on gangsters, as in any other, is to make the people give a darn.

"We value most the things we make ourselves," says an advocate of hobbies. So that's the reason a self-made man feels that way.

Nuggets From The Editor's Cranium

FACTS AND FABLES, SENSE AND NONSENSE

A FRANK STATE- MENT OF FACTS

Owing to the fact that a number of people in Loraine have seemingly been told that the editor of The Mitchell County News made preparations to move into this little town with a second newspaper while another was still being published here we wish to frankly state that there is no truth in any such statement. We made no preparations whatever to come to this town until AFTER the "Loraine News" had ceased to exist. The last issue of that paper appeared April 10th. We rented a building here April 18th and then AFTER the editor of that publication had told us there would not be another issue of the "Loraine News." We make this statement only to keep the record straight and in order that none of you need believe that we tried to "Crowd out" anybody. We realized from the time your paper committee had us come here to investigate the paper situation that a paper would have a hard enough time in this town, with the whole-hearted co-operation of the entire citizenship. Before we came we got a detailed outline of the wants of the town so far as we were able. Briefly it was this: Someone to move a plant to Loraine, move here himself and become a citizen of the town with the backing of the business men as a whole in making the paper a success. You had a "Committee without authority to act" for a newspaper. Who

ever was to come to your town had to do it largely on what it looked like the country would support in the way of a newspaper. Had there been a committee with authority to act in the matter, Loraine might have saved herself the temporary existence of any "Hit-and-run" newspaper. We have moved here to make Loraine our future home. We are willing to win or lose with the other legitimate businesses of the town. The kind of plant your newspaper committee said it would take to go over is installed. We are ready for business and are in position to handle the town's needs in the way of advertising and all kinds of job work. The town was without a paper several months. You wanted one very badly. You thought you had one. It lasted only two short weeks. You were without a paper three weeks. The Mitchell County News came after you were left out in the cold a second time. Loraine needs a paper. Loraine deserves a paper and—Loraine merits from a standpoint of good merchandise at low prices, one of the best papers in this section. We are here to do our part in establishing the kind of publication the town should have. If every merchant in town advertised three times as much as each has already given us and if he were to keep it up for a straight twelve months before he got real results on the advertising he would sacrifice no more than the editor of this paper is sacrificing in launching a paper at this time. We are glad to give what we

are giving for the sake of what we think there will be in the future. We have faith in Loraine, and of course, we have faith in The Mitchell County News. We mean to put it over, and we trust that every business in Loraine will have a share in helping to do it. We solicit your co-operation and trust you may see your way clear to give it. Thanks to everyone of you who has helped so far. Come to see us.

Yours for a greater Loraine and Mitchell County.
Walter E. Edmiston,
Editor and Publisher.

Each one contains a worth-while message for you.—Editor.

We want your subscription to the Mitchell County News. Come in and subscribe while the paper may be had for \$1.00 per year. It's a good little paper and will continue to get better. Speaking of Vacations

The time is approaching when old "Lizzie's" radiator will be pointed down the road and you will be off on your vacation. Folks have different ideas of how to spend vacations. Some prefer the cooling breezes of the mountains; some the fashionable watering places of the seashore, some just prefer to wander over the country leading a nomadic, happy carefree existence, while others are content with going to see the wife's people. But our vision of an outing would be beside some stream with a variety of tackle—a place where the cunning bass loll under the lily pads, and you select your bait and make a cast, gently reeling in. It will probably take several casts before you get a strike, but suddenly your rod bends and a swish of the water tells you that you have a fight on your hands. And what a thrill you get out of the scrap to see who is master. Put in a full day at this sport, coming into camp at night with several beauties on your string, tired but happy, and we really believe that you would enjoy it to the fullest extent. At least that is the idea of one of Sir Isaac Walton's followers.

Read our ad in this issue of the Mitchell County News—Loraine Furniture Company.

NOTICE EVERYBODY

We want all the news pertaining to the churches, schools, clubs, lodges and social and civic organizations. If you want it in the paper bring it to us. DON'T FORGET—Tuesday 9:00 a. m. is the time. Get your copy here by then.—Editor.

Loraine Young Ladies Training for Nurses

Dr. and Mrs. W. L. Hester and Mrs. S. C. Harris returned Tuesday from a several days trip to Galveston, where they went to attend the exercises of the John Sealey Training School for Nurses. Mrs. Hester's daughter, Miss Gaithelce, and Mrs. Harris' daughter, Miss Selma, are in training there. They received their caps and uniforms at the exercises which were attended by their parents. The profession of nurse is, indeed, a worthy calling and a girl who will go through the training course that is required in order to become a registered nurse is to be commended very highly. We congratulate these young ladies upon the splendid grade of work they are doing in this school.

Henry Raney and Walter Saunders, two of Blackwell's prominent young business men, were pleasant callers at The News office Monday. They were making a business trip to Big Spring.

Mrs. J. M. Ward and mother, Mrs. J. J. Wright, of Ft. Worth, have been visiting in the homes of W. C. Mays and Homer Derberry the past two weeks.

Misses Ethel Mae Stepp and Leila Brown spent last week in Hamilton visiting friends. Miss Adell Watson returned with them for a visit.

Mr. and Mrs. R. B. Cope are visiting at Deming, N. M. this week.

Mr. and Mrs. Morgan Hall and their young son, Jerry, of Stanton spent Thursday here.

Senior B. Y. P. U.

The Senior B. Y. P. U. has started a new membership drive. Be there Sunday night at 7:30 and join a side. We want and need you. The subject Sunday night is:

Mr. and Mrs. John Hart of Ennis, Texas, spent Thursday in the home of C. M. Thompson. The Thompson children and Mr. and Mrs. Clyde Smith were also guests in the home where a splendid dinner was served the visitors. They were on their way to El Paso and points in New Mexico.

Misses Bertie and Isimac Robertson have returned home from school at Alpine.

METHODIST CHURCH NOTES

The Methodist Church had a large attendance at Sunday School last Sunday, and the entire school seemed to be running at a high pitch. In the Methodist Church notes of last week a mistake was made. Children's and Sunday School Day is to be next Sunday, June 7, instead of last Sunday as reported. A cordial invitation is extended to everyone. The different departments will furnish numbers for the program. The leagues will also give a report of some of their works. This program will be profitable as well as enjoyable, so do not miss it. —Reporter.
