Labor Leader Claims "Bust" To Be Caused

Cushion Against Depression Said Goal Of Industry

(By The Associated Press)

WASHINGTON, Dec. 8 — The CIO said today that industry is amassing lush profits now as a cushion against a depression but by doing so is hastening just such a bust.

Stanley H. Ruttenberg, the labor organization's research director, asked for a new excess profits tax so "present high levels of speculative profits can be taxed away."

Protecting Themselves

In testimony prepared for the Senate House economic committee's investigation of business earnings, Ruttenberg said:

"Corporations are engaged in protecting themselves against the future depression which they feel is inevitable . . . . This is an extremely dangerous attitude.

"The practice will do more to bring on a depression and reduce production than any other single decision of industry.

"If, on the other hand, industry would moderate its avaricious appetite for profits by moderating its pricing policies, it would go a long way toward stabilizing our economy and thus postponing, maybe indefinitely, the 'inevitable depression' which they seem desirous of protecting themselves against."

Profits At High Level

Estimating corporation profits for 1948 at over $20,000,000,000, Ruttenberg said "an all-out attack must be made upon the monopolistic and self-interest practices of American industry."

He said high profits now are due to industry's setting prices to fit a low level of production. He added:

"The resultant profits derived from prices established on this basis creates distortions between demand and supply which inevitably lead to imbalances that bring on economic reversals."

Rutenberg said wages have gone up, too, but have not kept pace with profits. He said living costs have risen 37 per cent since early 1945 while average wages have increased 13 per cent in the same period.

"This means that average weekly earnings as a result of rising prices, and in spite of three

Professor At Tech Claimed

James Hollie Cross, 40, assistant professor of physics at Texas Tech, died at 8:10 o'clock this morning in West Texas hospital, after an illness of two weeks.

Cross left his teaching duties at Tech shortly before the Thanksgiving holidays because of the illness, and had been hospitalized for about a week.

Funeral arrangements are pending, Rix Funeral home reported today.

Graduate of Tech

A graduate of Lubbock High school, Cross entered Tech as a freshman in 1926. In 1930 he received a bachelor's degree in physics at Tech, and the following year a master's degree in mathematics.

He taught in high schools for several years, and in 1936 was appointed as instructor in the physics department at Tech. In 1941 he accepted a position with the Philadelphia Textile industry. He returned to Tech as an instructor in the college's Army program in 1944, and later that same year went to the University of Idaho, where he was an instructor for about six months.

In 1945 he took the post of assistant professor of physics at Tech, the position he held at the

Fight Due On Shipping Move

Marshall's Illness Likely To End His Government Service

(By The Associated Press)

WASHINGTON, Dec. 8.—Doubt arose today whether Secretary of State Marshall ever will resume full-time direction of the nation's foreign affairs.

Marshall underwent an operation yesterday for removal of a kidney.

While word from Walter Reed hospital is that his condition is excellent, the 67-year-old cabinet officer obviously will need a long period of rest and recuperation.

Austin Also Ill

Hence there is widespread speculation that President Truman some time in the near future will reluctantly accept his resignation.

Marshall is the second leading figure in the government's foreign relations work to have undergone an operation within a week. Warren R. Austin, chief of the United States delegation to the United Nations, was operated on at Walter Reed Nov. 30.

Austin, whose surgery was described as "minor," is expected to be away from his duties about a month. John Foster Dulles, a Republican foreign policy adviser, is acting head of the American delegation at Paris in his absence.

Meanwhile, Undersecretary of State Robert A. Lovett is in charge of overall foreign policy for President Truman during Marshall's absence. Officials said there will be no gap in the handling of current problems.

China Held Off

Perhaps the most urgent of these is the China crisis.

On this point authorities are holding firm against any aid program which would involve this country deeply in China's civil war. There appears to be no doubt now that when Mme. Chiang Kai-Shek completes her mission in this country she will go home without the assurance of wholesale assistance in money, arms, technical advisers and moral support which her government has hoped to obtain.

In Europe American policies are even more solidly set along lines mainly worked out by Marshall. Support of the European recovery program — with more billions to be asked from the next Congress—firm determination to hold on in blockaded Berlin, negotiation of a North Atlantic defense alliance—all are declared purposes of the American government which were evolved under Marshall's direction and will go forward iin his absence.

Operation Serious

Exactly how long that absence will last is uncertain at this early stage of his illness. Medical authorities consider the removal of

See SEC. MARSHALL, Page 6

U. S. Security Code System Is Changed

WASHINGTON, Dec. 8 (AP) — Undersecretary Lovett said today the State department's code system has been completely changed in the past ten years. It is now far more secure against espionage, he said.

At the same time Lovett told a news conference that the department is making a many-sided investigation of the alleged loss of documents reported to the House un-American activities committee by the self-described former Communist courier, Whittaker Chambers.

He challenged criticism that the department had been dilatory in interesting itself in the committee's disclosures.

Accident Fatal To Woman At Houston

HOUSTON, Dec. 8. (U.P.)—A woman identified as Mrs. Grady Smith, about 55, was instantly killed early today when she stepped in front of a gasoline tank-truck.

Mrs. Smith was struck by the left front bumper of the truck, and her body was thrown under the vehicle.

The driver gave his name as Wayne Stanley, 21, police said.

Senate Group Probes Sentence Of Nazi

Legal Aide To General Clay Testifies In Ilse Koch Case

(By The Associated Press)

WASHINGTON, Dec. 8 — One of Gen. Lucius D. Clay's ace legal aides was called before a Senate investigating committee today to explain why Ilse Koch's life sentence as a Nazi war criminal was cut to four years.

An Army spokesman did not identify the witness who was brought home to testify at a closed door session, other than to say he is "one of the top reviewers" on the legal staff of the American occupation commander.

In recent weeks there has been a mounting storm of protest, both here and in Germany, over the clemency granted the former mistress of Buchenwald prison camp.

Clay reduced the Koch woman's sentence last summer on the recommendation of a military court review board. Later he said the trial record did not warrant a life term because charges against her were based on "hearsay and not on actual evidence."

Among other things, the 42-

SPY HUNTERS CONTINUE SESSION

Probers Unable To Find Accused Men

(By The Associated Press)

WASHINGTON, Dec. 8.—Congressional spy hunters failed today to locate two men accused of supplying secret government papers to Communist agents.

The names of these two mystery men have not been disclosed, but the House committee on un-American activities has made known it is looking for them.

Committee members had hoped to question them behind closed doors this morning.

But acting Chairman Mundt (R-SD) told reporters the committee has been unable to serve subjoenas.

"We wish we knew where they are," he said.

Session Continued

The committee went ahead with its closed door session. Mundt said the group would have some other witnesses but he would not name them.

In the room as members went into session were Alex M. Campbell, assistant attorney general in charge of the Justice department's criminal division, and George Morris Fay, U. S. attorney for the District of Columbia.

"We just came down for a visit," Campbell told newsmen.

Shortly after the committee meeting began, a middle aged woman and man appeared and were ushered into an outer office.

Woman Identified

The woman identified herself as Eunice A. Lincoln, a government employe. Reporters didn't get the man's name.

The committee has been looking for the two "mystery men" since Monday.

Rep. Nixon (R-Calif) said the committee is after still a third

Indications are the Goodfellows under-estimated substantially the number of needy children who will be on their Christmas list this year.

When planning their 14th annual campaign, they did not expect the list to include many more than 3,000 names. Prospects now are the total may go over 4,000. Increased living costs which leave little in many families for Christmas buying and Lubbock's growth are responsible.

U. S. Share Of ECA Goods Is Set For Drop

Foreign Aid Chief Claims Government Paying High Rates

(By The Associated Press)

WASHINGTON, Dec. 8—A major governmental fight shaped up today over the decision to stop giving American ships a 50-50 share of Marshall plan "bulk" cargoes.

"Fantastic," snapped Maritime Commissioner Grenville Mellen of the newly disclosed ruling by Economic Cooperation Administrator Paul G. Hoffman.

Mellen summoned his fellow commissioners to a special session to consider the policy decision which Hoffman ordered into effect January 1.

Decision Basis Cited

The ECA chief said he based his action on the grounds that the use of higher-cost American shipping for such products as grain and coal is cutting into dollars meant for European recovery.

But Mellen, who only yesterday charged any such action would amount to a "sell out" of the American merchant marine, retorted:

"If Mr. Hoffman is so interested in having shipping prices competitive, why does he not demand that American railroads charge the same rates for hauling Marshall plan goods in this country as the European railroads charge over there?

"In fact," Mellen added to a reporter, "why not reduce all U. S. prices to European levels?"

It seemed likely the battle would reach President Truman, who reversed one major Hoffman policy decision—dealing with grain exports—only last month.

Notice Sent To Solon

But Hoffman pitched the shipping dispute right at Congress. He sent notice of his decision directly to Senator Bridges (R-NH), chairman of the Senate-House "watchdog" committee on foreign aid.

Bridges, out of Washington, could not be reached immediately for reaction. It appears certain, however, that Congress will have

Rehearing Is Asked In Death Sentence

AUSTIN, Dec. 8. (AP)—The court of criminal appeals today was asked to rehear Dr. Lloyd I. Ross' appeal from a death sentence.

The appeal court affirmed the conviction and death sentence for the San Antonio surgeon Nov. 3. Ross had been found guilty of murder by a Fayette county jury in the slaying of Mrs. Gertrude York, one of four members of the York family he was charged with shooting to death with a rifle May 25, 1947.

Motion for rehearing is the last resort open to Dr. Ross in state courts.

Houston Man's Body Recovered By Police

HOUSTON, Dec. 8. (U.P.)—Police recovered the body of a 32-year-old man from the Turning basin here today after it was sighted by a tugboat crew.

Papers identified the victim as William O. Corbitt, former employe of the Houston Chronicle. A coroner's verdict was upheld pending an inquest.

Texan Faces Charge Of Murdering Wife

BEAUMONT, Dec. 8. (U.P.)—Harold Ward, 35, was jailed here today and charged with the murder of his 16-year-old wife, Joyce.

Mrs. Ward's body, discovered in the couple's trailer home last night, showed evidence of beating and cuts about the face, police said.

POSTAL BLOCKADE DISRUPTS MAIL EXCHANGE

Communists Are Determined To Turn Berlin Into Russian-Dominated "Little Moscow"

(By The Associated Press)

BERLIN, Dec. 8.—Communist determination to transform the Russian sector of Berlin into a kind of "Little Moscow" was disclosed today as the East-West conflict tore the city ever wider apart.

Karl Maron, Moscow-trained director of the economics department in the Communist Berlin "government," announced a plan for remaking Berlin's economy to keep pace with the two-year plan in the rest of Russian occupied Germany.

The announcement was featured exclusively today in the official Soviet army newspaper Taegliche Rundschau. It called for these objectives:

1. Preparation of a two-year plan for Berlin matching economic measures already adopted for eastern Germany by the Communists.

2. "Socialization" of all but the smallest Berlin factories.

3. Turning over to public ownership of property confiscated from "Nazis and war criminals."

A postal blockade meanwhile froze the exchange of mail in the divided city.

Doctors of the public health service were split as physicians in the western sectors largely ignored an order from the Communist "rump" government to submit all their medical reports.

The new director of the Communists' "city" bank department warned western sector Germans that if they tried to exclude eastern marks they would be "ruined." Many western sector leaders have urged Britain, France and the U. S. to finalize the currency split by barring Russian zone marks from the western sectors.

In western Berlin today, anti-Communist newspapers splashed a statement by U. S. Commander Gen. Lucius D. Clay that the airlift might be able to double its average of about 4,000 tons daily if there

PARENTAL PERMISSION—Elisabeth Sauer, left, 19-year-old German lass plans to fly back to Germany to get parental permission to marry Karl Gaber, a steel worker and brother of Ralph Gaber, the man she originally came to this country to marry. Elisabeth is shown with Mrs. Agnes Gaber, mother of the brothers in her Pittsburgh home.

DUST AGAIN LASHING PLAINS

Cold Front Is Due Here In Afternoon

* * *

Winter Storms Hit Sections Of Nation

CHICAGO, Dec. 8 (AP) — Rain, snow and colder weather hit wide sections of the country today.

A storm moving inland over the Pacific northwest into Wyoming brought rain along the coast and snows over much of the northwestern quarter of the country.

More snow and colder weather was forecast for tonight and tomorrow as the Pacific storm moved eastward out of Wyoming.

The midwest reported the lowest temperatures today, ranging from zero at Bismark, N. D., to freezing over the north central region. The mercury was near normal over the Middle-Atlantic Eastern and New England states. The nation's highest mark yesterday was 83 at Jacksonville, Fla.

Wind began whipping up dust over Lubbock this morning and a cold front was on its way and was due to cross through Lubbock about 4 o'clock this afternoon.

Wind variable from west and northwest rose to 34 miles per hour velocity, with stronger gusts, at 11:30 o'clock this morning. Visibility was one mile.

To Shift To North

Wind probably will shift to the north when the front arrives and temperature will begin dropping, going to the low 20's tonight, the U. S. Weather bureau station near Lubbock reported. Lubbock's minimum this morning was 32 degrees.

The front was moving through Colorado at a fast clip and was expected to enter the Texas Panhandle about noon.

The Panhandle is expected to have temperatures ranging from 20 to 25 degrees tonight. Outside the Panhandle and South Plains, readings of 25 to 35 degrees were forecast for the remainder of the West Texas area, except 35 to 40 in the Del Rio-Eagle Pass region, the United Press reported.

Lowest Of The Season

Forecaster A. M. Hamrick of the Dallas weather station predicted the front would bring the lowest temperatures of the fall to the state as a whole tonight.

East Texas is due for lows ranging from 28 to 38 in the north, 38 to 48 in the south and 48 to 58 along the coast.

Moving Too Fast

"The new front," said Hamrick, "is one of a series which sweep across the state with a fair degree of regularity during the winter months.

"This one appears to be moving too fast to bring much precipitation except along the extreme south coast. There will be some stiff winds and probably some local areas will experience blowing dust, but nothing like last weekend's duster is foreseen."

Amarillo reported some dust early today with visibility at five miles, but by mid-morning it had disappeared and visibility reached

See TEXAS WEATHER, Page 6

Cotton Income Will Be High

WASHINGTON, Dec. 8 (U.P.) — The Agriculture department today esimated the 1948 cotton crop at 14,937,000 bales, down one and one-half per cent from last month's estimate.

The crop is still the seventh largest in history. And it will bring farmers a record return in dollars —more than $2,600,000,000.

It compares with a 1947 crop of 11,857,000 bales and the 1937-46 average of 12,014,000 bales.

Lint Yield At Record

The department estimated the lint yield per acre at 311.5 pounds. This is an all-time high. It is 44 pounds above last year's yield and 57 pounds above the 10-year average.

The acreage in cultivation on July 1 was estimated at 23,372,000 acres, compared with 21,500,000 in 1947 and 23,274,000 for the 10-year average.

Abandonment this year was indicated at 1.6 per cent, leaving 23,000,000 acres for harvest. This is eight per cent above the 1947 harvested acreage.

Ginnings Are Reported

The Commerce department reported cotton ginnings up to Dec. 1 at 12,762,089 bales, compared with 10,040,613 for 1947 and 7,367,490 for 1946.

Production of American-Egyptian cotton was set at 3,000 bales. Last year's production was 1,200 bales. The 10-year average is 30,600 bales. Estimated harvested acreage for this type cotton was set at 3,400 acres.

15 Children Bitten By Stray Rabid Dog

DALLAS, Dec. 8. (U.P.)—At least 15 children today were taking rabies shots after they were bitten last week by a stray dog as they played in the yard of W. W. Bushman school.

The dog was kept under observation and when he died, his head was sent to Austin. A report showed the dog was rabid.

CLAIMED BY DEATH

CHICAGO, Dec. 8 (AP)—John P. Boughan, 88, retired veteran markets editor of the Associated Press Chicago bureau, died last night after an illness of several months.

Waterproof Wyler for Him $39.75, guaranteed. King's Jewelry adv.

Earlier Dates For Voting In Texas Sought

Many Conflicts In Laws Are Outlined Before Committee

(By The Associated Press)

AUSTIN, Dec. 8 — Election law changes to give time for contests between the second primary and the general election were suggested here today.

H. Grady Chandler of Austin, former president of the state bar, told Gov. Beauford H. Jester's election law committee that dates for first and second primaries should be moved back a month or two. He thought they should be held possibly in May and June, rather than July and August.

Would Remedy Condition

This would remedy a condition under which Texas courts have held there is not enough time between the August primary and the November general elections to properly adjudicate a contest, Chandler told the committee.

The group named by Jester to make suggestions for plugging loopholes, eliminating conflicts and otherwise rewriting the state election code held its first session. Chandler was named chairman.

The committee jumped into the job immediately. Chandler, who has made several studies of the election laws, read off a long list of conflicts and ambiguities in the statutes which he said make them impossible of enforcement.

Law Is Not Clear

One of these he emphasized was that the law is not clear on certifications of candidates' names for printing on the general election ballot, by the secretary of state.

He called provisions for supervisors a "patchwork" and suggested that supervisors be allowed any candidate who is opposed, and that such supervisors be permitted to check up on vote counting as well as ballot casting.

There is now no provision for breaking tie votes in some instances, he said, and no provision for filing for a place on the ballot in special elections.

Should Be Runoff

Chandler suggested that in case of a special election for U. S. senator, there should be a runoff. As the law is now written, the high man wins and he might win only 20 per cent of the total vote cast.

Among committee members of at the session were Attorney General Price Daniel, Secretary of

See ELECTION LAWS Page 6

Young Slayer Facing Death

OKLAHOMA CITY, Dec. 8. (U.P.) —A 23-year-old hitchhike slayer today faces death in the electric chair for shooting to death the man who gave him a ride.

A district court jury, in one hour and four minutes, ruled late yesterday that Max Eugene Klettke, 23, Lansing, Mich., must die for killing a New York retired railroad man on Nov. 2 near Arcadia, Okla.

The victim was Carl Beach, Corfu, N. Y.

Sealed His Own Fate

Klettke sealed his own fate when he said from the witness stand, "Yes, it's my gun. I never fired it, however . . ." he paused . . . "until that day out near Arcadia."

Formal sentencing of the slayer will be Dec. 13. His case likely will be appealed and clemency asked of the state pardon and parole board and Gov. Roy Turner.

A second youth who accompanied Klettke on the hitchhiking trip also faces a murder charge. He is Harry Eugene Riskin, 18, also of Lansing. He goes to trial Dec. 14.

Oil Worker Dies In Car-Train Accident

PECOS, Dec. 8 (AP) — Charles Allen Wadsworth, 59, Midland oil field worker, was killed last night when his car crashed into a Pecos Valley Southern railroad train at Hoban, 20 miles southwest of here on highway 17. He was driving alone.

The train was pulling out of the F. M. Reeves & Sons gravel plant. Highway Patrol Captain C. O. Layne said Wadsworth apparently never saw the train as he didn't apply the brakes and the car was driven under the train.

Renewed Community Chest Drive Lagging

Partial reports were beginning to trickle in today in the renewal of the 1948 financial drive for Lubbock Community Chest but these reports indicated the "clean-up" is due for failure unless workers' efforts are redoubled.

Only $1,800 had been turned in at noon today, making the 1948 chest goal still about $18,000 short.

The drive, which fell short by approximately $21,000 several weeks ago, was renewed by a corps of 50 civic workers Tuesday morning, following a meeting at the Hilton hotel.

Plans for the drive, during which 200 firms and their employes not previously contacted will be solicited, call for closing out of reports by Friday.

Flier Forced Down During Record Try

CLEVELAND, Dec. 8. (U.P.)—Speed Flier Paul Mantz, forced down here yesterday during an attempt for a new transcontinental record, was to examine his F-51 fighter plane today to determine whether the present engine could be flown back to Los Angeles.

Mantz circled back to land here after developing supercharger trouble 80 miles east of Akron, O. He said he was averaging about 500 miles an hour and had covered 2,040 miles of the 2,400-mile flight from Los Angeles to New York in four hours and 10 minutes.

SHAKESPEAREAN KING EXCLUDED

One Verdict On Spying Case Given As "First Rate Drama"

By ARTHUR EDSON
Associated Press Staff Writer

WASHINGTON, Dec. 8—It will remain for the courts—and history—to give the final verdict on the great Washington spy case.

But one verdict can be rendered right now:

Judged purely for its drama, the strange case of Whittaker Chambers vs. Alger Hiss is first rate.

Shakespeare, a character who knew a thing or two about it, thought that real drama always should involve highly placed persons, preferably kings.

No kings have wandered into this case, at least not yet. But Chambers is a senior editor of Time magazine; Hiss was a rising young man in the State department.

Hiss Like Boy Scout

An interesting twist comes right at the start.

For Hiss, the villain as far as the House un-American activities committee is concerned, looks like a boy scout leader who only recently graduated from the ranks.

Chambers, who frequently has been praised by the committee, is roly-poly, heavy-lidded. In Hollywood, he'd be cast as a villain without a second look.

The highlight so far was the so-called "confrontation scene" last August 25. This brought Hiss and Chambers face to face publicly, before the committee. In effect, they called each other a liar.

Unfortunately, the scene that might have topped this was staged in the comparative privacy of Chambers' Maryland farm.

That was when a pumpkin was opened last week, and out popped the microfilms that are alleged to record the evidence that someone was passing secret stuff to the Russians.

Scene Is Perfect

Speaking solely from a dramatic standpoint, I submit this is the perfect scene. And if the films ever are displayed in public, the proper way to present them would be to pluck them from the pumpkin.

We mortals can't keep any mood sustained for too long, so every drama has its touch of comedy relief, such as the grave diggers in Hamlet.

Well, the Chambers-Hiss mystery does nicely here, too.

Running through the confrontation day testimony, for instance, was "a sassy little Ford with a trunk on its back." It had been owned by Hiss, and he said it had a certain sentimental value. He had courted the future Mrs. H. in it.

Chambers testified that this car had been turned over to a hard working, hard up Communist party hack. He said that, as one step in the proceeding, the sales slip had been made out to the unsuspecting Cherner Motor Co. (Committee members emphasized there was nothing to indicate that top officials of this company were in any way involved.)

The owner of the company has a nickname that's well known here, and he's had it longer than a certain Russian politicaian.

Mr. Cherner always advertises himself as "Uncle Joe."

New Zealand Tries New Good Will Act

LOS ANGELES, Dec. 8. (AP) Something new in international honesty.

County Probation Officer John Zuck disclosed yesterday that as a gesture of international good will, the New Zealand government has paid a $1,300 debt owed by one of its citizens to several Los Angeles people.

Zuck said a young New Zealander, whose name was withheld, was convicted here of stealing a car and was placed on probation and ordered to make restitution.

The youth left for his homeland without paying. So the New Zealand government footed the bill and will be paid back by the youth in installments, Zuck said.

Rites Set Today For Crosbyton Resident

CROSBYTON, Dec. 8. (Special) Funeral services for Mrs. Alice Caroline Ingram, 52, were scheduled for 4 p. m. today in the Crosbyton First Methodist church. Rev. Lloyd Hamilton, pastor, was to officiate, assisted by Rev. Carl Grissom.

Burial was to be in Crosbyton cemetery, with the Eastern Star chapter in charge of graveside rites. King Funeral home was to be in charge of burial.

Mrs. Ingram died early Tuesday morning in her home, after an illness of several months.

Survivors are the husband, Carl Ingram; two sons, Bob of Crosbyton and John, now in the U. S. Army; two sisters, Mrs. A. L. Patton of Lubbock and Miss Marie Overton of Los Angeles; and three brothers, Robert Overton of Mangrum, Okla., J. B. Overton of Henderson, and Perry Overton of California.

$250,000 Bond Issue Approved At Snyder

SNYDER, Dec. 8 (Special) — Voters of the Snyder Independent School district Tuesday approved a $250,000 bond issue which will provide a new primary school building.

Three propositions were voted on, with votes on each as follows: (1). A uniform tax levy over the entire school district, 286 for, 27 opposed; (2). Indebtedness to be spread over the entire district, 299 for, 34 opposed; and (3). Voting the $250,000 in bonds, 300 for, 33 opposed.

The school structure to be built will include 14 classrooms, a public school music room, and a cafeteria, and will replace two temporary frame buildings, M. E. Stanfield, superintendent of schools, announced.

Chislet Parish Church in England has appointed a dog-whipper, whose duty is to chase out dogs which stray into church during services, and who will get $2 a year, wear a white coat and topper and carry a long whip—just as they did 300 years ago.

Rail Walkout Is Threatened

SAN FRANCISCO, Dec. 8. (AP)—A federal mediator hastened here today in an attempt to head off a strike which could shut down the Southern Pacific railroad system in seven states next Wednesday.

The brotherhood of locomotive firemen and enginemen last night called a strike for 6 a. m. Wednesday. The union called it the "only method" to settle 296 points of grievance. There was no general wage demand at issue.

C. W. Moffitt, western general chairman for the brotherhood, said 3,500 members would strike iin California, Arizona, New Mexico, Texas, Nevada, Utah and Oregon unless agreement is reached before the deadline. He added, however, there was a chance progress in mediation might postpone the strike date.

Mediator Expected

Southern Pacific said in a statement that the issues have been under negotiation "and now are being handled under the orderly processes of the National Mediation board." The railroad explained that the board has assigned William E. Mitchell to the case. He is due here Friday.

In Washington, President D. V. Robertson of the union would not comment on the prospects of reaching an agreement before Dec. 15. "We've got our date set," he said. "If they (the employers) want to settle it between now and then, it's up to them."

Union officials here said that under the law the only remaining provision for a delay in the strike would be for President Truman to name a fact-finding board. This board would be given 30 days to hear the case and 30 more in which to report to the President. Such a board could make only recommendations.

The issues mainly concern working conditions and disputes over arbitration awards.

Cleveland Pitcher Has Been Around Hollywood Lot Before

By BOB THOMAS
Associated Press Staff Writer

HOLLYWOOD, Dec. 8—Rangy Gene Bearden glanced toward first base, then cocked his leg in the air and hurled a stinging ball toward home plate.

It was just like big league stuff—except that the grandstand of the Hollywood baseball park was empty and the batter was Jimmy Stewart, doing an imitation of one-legged Monty Stratton. Also, the camera was turning.

Bearden Buttonholed

After the scene was shot, I buttonholed Bearden, the pride of the Cleveland Indians. A tall, huskily-built man, he has the rugged good looks of a Burt Lancaster. Like many sports figures he's a laconic talker, but I found out a few facts by tossing questions at him.

Has he ever acted before? "Yes, I was in a few plays in high school. Nothing since then." First time around a movie lot? "Naw, I worked as a rigger at Fox back in '45. I was playing for Oakland then."

I asked Director Sam Wood about Gene's acting.

"He looks very good on the screen," he answered. "He looks as good as Red Grange did. I directed Red in his first picture and he could have been a star. But he found out he could make more money playing pro football."

Faces Batting Task

Jimmy Stewart is faced with the task of batting against Bearden, and the actor gave up baseball after high school, except for some softball "under duress" during his army career.

"It's a mighty frightening thing to see that ball coming at you," he commented, "especially when the script calls for a ball high and inside. The first time it happened, I just turned my teeth the other way."

Isn't that just like an actor—to think first of saving his teeth?

ASTHMA MUCUS

Don't let coughing, sneezing, choking, recurring attacks of Bronchial Asthma ruin sleep and energy another day without trying MENDACO. This great internal medicine works thru the blood, thus reaching the bronchial tubes and lungs. Usually starts helping nature immediately to remove thick, sticky mucus, thus alleviating coughing and promoting freer breathing and more refreshing sleep. Get MENDACO from your druggist today. Quick satisfaction or money back guaranteed. Adv

Red Cross Goal For 1949 Is $60 Million

WASHINGTON, Dec. 8 (AP)—The Red Cross lowered its sights today, setting its 1949 fund raising goal at $60,000,000—one fourth less than this year's total.

Basil O'Connor, president of the organization, announced last night that E. Roland Harriman, New York banker and rail executive, will direct next year's campaign scheduled for the month of March.

NEWS

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS
and such complaints as Headaches, Nervousness, Acids Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health!

REGARDLESS of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you try GEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it. GEO-MINERAL comes from the earth — Nature's laboratory. Contains NO alcohol, NO preservatives, NO oil. NO harmful drugs, NO dope — is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments — highly recommended by the medical profession.

FOR THOUSANDS of years ever since Hipocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common ailments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. If you suffer from nutritional anemia, nervousness, lack of vitality and energy see what GEO-MINERAL will do for you.

Amazing Results

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

RHEUMATISM, arthritis are dreadful diseases. Acid coddition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of their doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgie. He was helped or would not have gone there twice a year.

Wonder Minerals

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs of Lourdes, France, and famous Thronion in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

GEO-MINERAL contains minerals you get at the world's best springs. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, relieving you. And then realise the priceless value of GEO-MINERAL.

Read What They Say!

"We wish to state that after selling Geo-Mineral for eight months, this product has broken all sales records in the medicine line in our drug store"—reports Jack Wright, owner of Economy Drug Co., Anderson, S. C. "Users report almost miraculous results helping sufferers with rheumatism, arthritis, weak kidneys, and various stomach ailments. We believe that there exist very few items on the druggists' shelf with the merit of this natural mineral medicine. Of thousands of bottles sold on guarantee basis, there have been very few refunds."

100% Guaranteed!

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

GEO-MINERAL: 1 bottle $1.10, 6 for $5.00

Methodist Bishop Calls Congress Probers Un-American In Use Of Communist Label

BUCK HILL FALLS, Pa., Dec. 8. (AP)—Methodist Bishop G. Bromley Oxnam today called the congressional committee on un-American activities "un-American itself" for its attempt "to pin the Communist label on some church men and church grounds."

The New York minister told a reporter "the business of naming and calling men 'Communist' or any other label without first giving that person a chance to answer the accusation is in itself un-American."

Bishop Oxnam said such "absurd charges" are "disguised efforts to silence men on the pulpit by threatening to call them Communists."

"We will not be silenced," Bishop Oxnam declared. "We plan to keep on talking. And to make sure our ministers everywhere keep on talking."

The bishop is attending the annual meeting of the board of missions and church extension of the Methodist church which opened here yesterday.

Bishop Oxnam pointed to a recent statement by the Methodists' council of bishops which labeled "false" the congressional committee's inference that Communists had infiltrated the nation's churches.

"The council," he said, "rejects Communism and will fight it everywhere but it will not remain silent when confronted by practices at once un-American and a threat to a free church and a free society."

Dr. Earl R. Brown of New York, executive secretary of home missions and church extension, told the 200 board members yesterday the Methodists must establish one new church a day for the next four years to keep pace with the population shift.

The Methodists today claim 40,321 churches in the United States and its territories with a total membership of 9,089,943.

Cities Underchurched

Dr. Brown said a minimum of 1,461 new churches must be established and built by the end of 1951.

"In short," he asserted in his annual report, "the Methodist church in the United States and outpost missions is faced with the necessity of advancing or losing ground. Any failure to go forward is a backward journey."

Dr. Brown said many areas of the nation's cities and nearby suburbs "are underchurched."

To solve this problem, he declared, Methodists must: 1. Establish at least a thousand new urban churches; 2. Lift all city churches to the minimum level of effective strength—500 members; 3. Double church-school enrollment.

Negro Needs Cited

"A number of racial groups have organized substantial congregations, but are unable to obtain a meeting place. A long-range program of building needs for churches and parsonages to serve negro congregations must continue," he added.

"The need for new churches is most acute among communities on the west coast and in the southwestern and southeastern sections of the United States.

"When millions of citizens changed residence within the past decade, they forced upon the nation's churches the greatest responsibility they have faced in this century."

The woman's division of Christian service, connected with the board of missions, announced at its report meeting plans to enroll 1,000,000 new members in 1949. This group claims a membership of 1,600,000.

HILTON HOTEL

Tech President To Speak At Program

Reservations have been made by 196 persons for the banquet to be conducted by the local chapter of the American Association of University Professors at 6 o'clock tonight at Hilton hotel.

Dr. Wiggins, president of the college, will be the principal speaker.

The chapter invited members of the college faculty and their husbands, wives or guests to make reservations for the banquet.

Sam Leifeste, president of the chapter, will preside. Dr. Ralph Underwood will give a report on activities of the national council. Mrs. Margarette Wible Walker, dean of women, will sing, with accompaniment by Miss Carolyn Cole. A woodwind quintet from the Tech band will play during the dinner.

The dinner is to end in time for those present to go to the Lubbock Symphony orchestra program.

Pythian Lodge Holds Its Annual Roll Call

Members of Lubbock Lodge No. 486 of Knights of Pythias met Tuesday night for their annual roll call.

Victor H. Lindsey was master of ceremonies. The welcoming address was given by Thomas O. Moore, chamber commander.

Russell Hardin, grand inner guard of the Grand Lodge of Texas presented the following jewels to these members: H. G. Brock, M. Jones, E. O. Stewart, sr., and Dr. A. F. Wood, 25 year jewels; and J. W. Ballard, sr., 50 year jewel.

Attending the roll call were 125 members. Approximately $300 was collected for the orphans home Christmas fund.

Graduate Students At Tech Increase

A decrease of 29 undergraduate students and an increase of 60 graduate students, as compared to enrollment figures in the fall of 1947, was revealed Tuesday at Texas Technological college by a comparative analysis of the student body compiled by the registrar's office.

Both the senior and junior groups showed a marked increase of 878 students, but this figure was more than offset by the 907 decrease in freshman and sophomore classes, leaving the 31 student increase to graduate students, of whom there are 176 this semester as compared to 116 in the same term last year.

Three of the five divisions showed an increase, while the other two showed a decrease. Agriculture jumped from 795 to 826, Arts and Science from 2,039 to 2,231, and Business Administration from 835 to 853. The Engineering division dropped from 1,986 students last fall to 1,830 this year, and Home Economics from 459 to 405.

The number of men students in attendance rose from 4,557 to 4,678, whereas women dropped further into the minority, from 1,557 to 1,467.

Among 598 towns represented, Lubbock leads in representatives, with 1,754 of the total 6,145, and is followed by Fort Worth, with 135. Out of state students are from 26 states and 10 foreign countries.

TEACHERS GET BREAK

FORT WORTH, Tex. (U.P.) — Teachers with jobs here but no place to stay found a surprise when they reported to work. It was a long list of rooms and apartments, for teachers only, and near the schools.

Gunman Talked Out Of Everything Except Some Old Loose Change Cached In Desk

CHICAGO, Dec. 8 (AP)—A young, well-dressed man walked into the Commercial Supply company last night, pointed a gun at Harold Roman, the president of the firm, and said, "turn it over."

"No cash," said Roman. "We just use checks."

"Gimmie the checks," the gunman demanded.

"You'll only get into trouble," Roman insisted. "They can be traced."

The robber made Roman open the drawer of a desk and reached for a pile of stamps.

"It's a federal offense to steal postage stamps," Roman cautioned the gunman.

The robber hesitated, rifled through the desk and picked up $30—in currency. Roman offered no comment. The robber fled with the cash.

A WEARY WASHOUT WITH THE MEN

Borderline Anemia can rob a girl of charm and fun*

Too many young girls are going to be "old maids" because they act weary and look washed-out—no sparkle, no spirit, no spunk.

And quite often, it's a weakness of the red blood cells that undermines their glamor and good looks. It's a Borderline Anemia, due to a ferro-nutritional blood deficiency. Medical studies show that up to 68% of women—many men and children—have this tiring blood condition.

Weariness and pallor have many causes—always consult your doctor regularly. But if you have this Borderline Anemia, remember: Ironized Yeast Tablets can help you reclaim your vitality and healthy good looks. They are specially formulated to help build up faded, shrunken and fagged-out blood cells. To feel better—to look better—to act more alert and alive—try IRONIZED YEAST TABLETS!

**Due to a ferro-nutritional blood deficiency, a condition for which Ironized Yeast is specially formulated.*

Guest Tea, Reviews, Debate Feature Club Gatherings

Meetings held Tuesday afternoon were for Lubbock Study, Lubbock Woman's and Readers' Digest clubs and City Parent-Teacher council.

TEA IS GIVEN IN MARTIN HOME

The annual guest day tea for Lubbock Study club was held Tuesday afternoon in the home of Mrs. Ruel Martin, 1718 Thirty-third, with guests presenting the program.

Mrs. Cecil Matthews gave a talk on Christmas music, with piano illustrations by Mrs. Wallace A. Glover who also played other piano selections and sang two numbers. Mrs. Holice Pruett, violinist, accompanied one of Mrs. Glover's songs and played a solo.

Other guests were Mesdames Coleman Hasie, W. A. Black, C. V. Hamilton, E. E. Merriman, Mary Martin, Sam Martin and A. D. Montgomery.

Mrs. Roy Furr and Mrs. W. G. Alderson assisted Mrs. Martin as hostesses. Others in attendance were Mesdames K. S. Blackford, John Daly, John Duncan, B. T. Formby, C. H. Hamilton, L. L. Kelso, W. Howard Logan, Lewis Mills, Charles A. Ross, Lindsey Thompson, John E. Toles, Clarence Whiteside and Agnew Wyatt.

DEBATE FEATURES PROGRAM MEETING

Mrs. A. H. Douglas was leader of a program on "The Home" given for Lubbock Woman's club Tuesday in the home of Mrs. A. T. Cocanougher at 1711-B Fourteenth. A debate, Resolved: that the American home is not meeting the needs of its youth, was presented by Mrs. E. H. Boedeker, negative side, and Mrs. H. C. Leon, affirmative side.

Copies of the cake and cookie recipe book, "The Sweet Shelf," which are being sold for Lubbock Women's club, were distributed among members to be sold.

The club's Christmas party was scheduled for Dec. 21 at the home of the president, Mrs. R. O. Bennett, at 1901 Thirty-first.

"HUMAN DESTINY" IS REVIEWED

Mrs. George Dupree, hostess at a Tuesday meeting of Readers' Digest club in her home at 2314 Seventeenth, reviewed the book "Human Destiny" by LeCompte du Nouy.

Attending were Mesdames W. P. Clement, Roy Riddel, T. R. Prideaux, A. G. Barsh, Howard Hampton, W. B. Price, J. H. Murdough, Frank Ford, John W. Lynch, Ben F. Brewer, Fred W. Sparks, and a guest, Mrs. Elizabeth Young.

CONVENTION IS DISCUSSION TOPIC

A regular business meeting of City Parent-Teacher council was held at Senior High school auditorium Tuesday afternoon with 40 persons attending. Mrs. T. F. Wiesen presided and directed a discussion on the State Parent-Teacher convention held in El Paso in November. The convention was attended by 56 representatives from District Fourteen, 19 of which were from 13 schools and the P-T council of Lubbock.

Mrs. Ross Tillinghast listed dates for future P-T radio broadcasts and Mrs. Seth Bertram discussed plays which are to be presented by high school students under sponsorship of the council.

Plans were made and committee chairmen were appointed for the District Spring P-T conference to be held in Lubbock April 28-29.

WINTER ROSES — Big and pink and lovely, they bloom on Sally Victor's newest prescription for holiday gaiety and glamor.

Guild Has Program

First Methodist Wesleyan Service Guild members attended a Christmas program and party at the church parlor Tuesday night. Members of the executive board were hostesses.

Mrs. B. L. Cogdill gave a devotion, "The Church With the Lighted Lamp"; Mrs. R. A. Bearden, jr., told of her two years' residence in Cuba.

Miss Ann Kelly was program chairman.

The refreshment board was covered with a silver cloth and centered with a tree on a reflector flanked by red tapers.

The mantel was decked with holly and red tapers and a silver tree with blue lights stood in one corner.

Miss Dimple Watson led the group in singing carols, accompanied at the piano by Mrs. Lillian Butler.

Guests were Mesdames Tom Turner, Silas Jones, E. H. Crandall, Paul Herron and Miss Mary Ann Wilson.

Business Meeting Is In Casstevens Home

Jaycee-Ettes held a business meeting Tuesday night in the home of Mrs. Bill Casstevens, 2112 Twenty-ninth, with Mrs. T. J. Vallas, jr., as co-hostess.

Sixteen attended. Mrs. George Rufus Rush was introduced as a new member.

The club will meet Jan. 3 with Mrs. Glenn Woody, 2013 Twenty-sixth, with Mrs. Preston Baumgardner as co-hostess.

FOR CHURCH CLASS

Mary Martha class of First Baptist church will attend a cabinet meeting at 3 p. m. Thursday in the home of Mrs. G. P. Howell, 2436 Twenty-seventh.

CHRISTMAS TREAT ALWAYS POPS
CRISP-TASTY-TENDER
JOLLY TIME POP CORN

From Lou To Louella...

DEAR Louella: Betty Thomas has been convalescing from a siege of pneumonia at her home in Lockney. Her recent birthday present from her family was a new car . . . The College Club pin which Wanda Lou Smith is wearing belongs to John Driskill . . . LHS National Thespians will have their Christmas party Thursday night at the home of Anita Pope . . . Donna Cunningham says she is not engaged to James King and has no wedding plans for next Christmas.

• • •

HELPING SANTA

LOU IS helping Santa Claus read the letters from his little friends this year, and in the mail for the jolly bearded gent already is a note from Lois Ellen Taylor, 3302 Twenty-sixth.

"Dear Santa Claus,

I want for Christmas a baseball glove, socker ball, magic set, two games, story book doll, a softball, geography kits so I can make my own maps, dart game, master builder plastic construction set, four pound Lincoln log set, and some Bobbsey Twins books. Thank you for the presents that you gave me last Christmas.

I Love you,
Lois Taylor.

• • •

TAU BETA PI

C. W. NALL, jr., 3307 Twenty-ninth, has been initiated into the Tau Beta Pi association by the Texas Theta chapter of Texas Tech.

The fraternity has as its purpose the fostering of a spirit of liberal culture in the engineering colleges of America as well as setting an example of scholarship for undergraduate students. Its members are selected from the upper 20 percent of the senior engineering class, and factors considered when a man is elected include personal appearance, capacity for leadership, social qualities and character.

• • •

HOLIDAY WEDDING BELLS

CHRISTMAS bells will double as wedding bells for Mary Louise Clayton this year. On Dec. 27, she will become Mrs. William Ferguson Maxwell, jr., in a formal ceremony to be read in her hometown, Comanche.

The bridegroom-to-be is from Evansville, Ill., and is the son of Mr. and Mrs. William Ferguson Maxwell, sr., of Dallas. Mary Louise's father is Jerome M. Clayton of Comanche.

The engaged couple met at a Dallas dinner party and have been dating since August of 1947. She has had her ring since August of this year, and it has a square cut center diamond with two small stones on each side. The busy bride-elect is a student at Texas Tech, where she is also associate editor of The Toreador, college newspaper.

• • •

PUBLICATION AWARDS

LUBBOCK High school publication students brought back the news of their paper's achievements for the year when they returned from a High School Journalism Press congress in Denton.

For the third consecutive year, the Westerner World won an all-Texas award, as well as first place in large ads. First in small ads was placed for the second time within the past three years.

LOVE,
LOU.

Tea Honors Bride-Elect

Miss Glenna Walden, who is to be married Dec. 18 to Joe Ketchersid, was honoree at a tea and shower given Tuesday night by Mrs. D. O. Wiley and daughter, Mrs. W. C. Coleman, jr., in the Wiley home at 2810 Jefferson.

Mrs. Darrell Moore greeted guests and presented them to the honoree and her mother, Mrs. V. C. Walden.

Mrs. Coleman presided at the bride's book. Mrs. Clark Webster and Mrs. Vernon McCullough received guests in the room where gifts were on display. Mrs. James Leftwich, assisted by Miss Gladys Brooks, served.

P-TA TO MEET

East Broadway Parent-Teacher association will meet Thursday afternoon at 3:30 o'clock at the school.

IN CAPSULE FORM

News Briefs

Plans to speed the $1,250,000 building program ratified at Saturday's bond election will be considered at a special meeting of trustees of Lubbock Independent School district in the business office at 1007 Texas avenue at 7:30 p. m. tonight. Returns from the election, unofficially reported at 580 to 51 in favor of the bond issue, are to be canvassed at tonight's meeting.

Mrs. N. R. Porter, mother of Mrs. W. C. Edwards of 1625 Seventeenth, was reported resting well today in Seton hospital in Austin, where she underwent major surgery Tuesday. The Porter family, long time residents here in earlier days, moved to Llano several years ago. Mrs. Edwards is at her mother's bedside.

Lt. Col. Fred E. Young will be principal speaker at a two-hour meeting of South Plains Army reservists at 8 p. m. Thursday in the Lubbock county court house. All area reservists are invited to attend.

Practically no damage was reported after insulation material on the ceiling above a boiler in Lubbock Memorial hospital became overheated about 6:40 a. m. and resulted in a fire alarm being turned in to Central station.

Yellowhouse lodge 841, AF&AM, will confer the Master's degree upon three candidates, commencing at 6 p. m. Thursday, Hugh J. McClellan, secretary of Lubbock Masonic bodies, said. Ollie E. Lanham is worshipful master of the lodge.

Billy Jones, 10, of Lubbock route 6, suffered a cut over the right eye when two automobiles were in collision at 6:30 a. m. at Sixteenth and Ave. Q, the police said. Investigators said one car was driven by Mrs. Margaret Pfiel Jones, 31, of Lubbock route 6, the other by James C. Dunias, 51, of 2115 Fifteenth, a safe owner. Dunias, official reports said, drove through a red blinker light without stopping, and was issued a ticket for negligent collision.

Reburial services for M/Sgt. Clyde E. Fowler, who was killed in September, 1943, in a plane crash in Colombia, are to be conducted at 2 p. m. Thursday in the Baptist church at Wilson. A military graveside service also will be held in Wilson cemetery.

Mary Haworth's Mail...

Girl Wonders If She Is Justified Because She Jilted Fiance Who Won't Come Home

DEAR MARY HAWORTH: I am a girl 19 years old, writing from Puerto Rico, my homeland, to ask your help with a difficult problem I have met. I have followed your writings in our newspaper, El Mundo, and have developed confidence in your judgment.

I am employed in an office and study at night to complete my education. I am now in the fourth year of high school and Stephen, my sweetheart, held a good position in the same office, while studying at the university, until last July.

Then he decided to go to New York to find a better job at larger salary, to save money for our wedding. Since being in New York, he has changed jobs five times and for this reason I begged him to come home, saying that I would break our engagement if he did not.

HOPES FIRM STAND MAY CONQUER HIM

ALSO his family has urged him to come home, but he has decided to stay where he is, and therefore I did break our engagement. Only yesterday I returned to him all his letters and pictures. It is my hope that on receiving these, he will return to me immediately, as I feel he will do if he really loves me.

I wish to make clear that he is my first love; that I was very happy in his company, that we never quarreled or had any serious disputes, and that since he went to New York I haven't gone to any recreational events. Have I done right in taking a firm stand? And do you think I love him truly? Please advise me.

(Signed) E. B.

TRUE LOVE CANNOT EXIST IN VACUUM

DEAR E. B.: Much poignant poetry and classic fiction to the contrary, true love cannot exist, one-sided, in a vacuum. True love is a dynamic (i. e., active and growing) relationship of mutual consideration within a framework of steady close companionship.

Romantic fever, which is something else again, is rather akin to frustrated passion. In each case the palpitant emotion has to do with fantasy-glorification of a person whose "every day" self is still somewhat a mystery to the "lover"; or who, due to circumstances, seems unattainable.

Through past ages, this type of situation or chest-heaving agitation has been much celebrated in music, song and story as being love of celestial caliber; and yet a more ignorant, neutrotic or mistaken concept of "true love" is hardly conceivable. Actually what the tormented devotee is proclaiming is psychological maladjustment to reality, and baffled hunger for love-relatedness that he knows not how to engage and perpetuate in serviceable terms.

MAN'S IN FLIGHT FROM COOPERATION

WARM congeniality, or a spark of affinity, felt in first meetings or in tentative courtship thereafter, may lead to true love; but only if (1) the pair mutually desire, sincerely and spontaneously, to establish positive unity in dealing with life, and (2) use their intelligence and appreciation of each other to guide them in developing corresponding social patterns that make this possible.

Unless this course is happily pursued, with sense of collective gain rather than personal hardship, the potential of love existing between them has no vital significance. It is no better than the "flash in the pan" of transitory infatuation.

herefore, evaluating your problem, I think (1) that you have the capacity to love Stephen, but (2) that his present course of action amounts, unconsciously or deliberately, to rejecting your devotion; and (3) that you've shown intuitive wisdom and profitable foresight in breaking the engagement.

Your capacity to love, plus your desire to love realistically, is your guarantee of finding true love eventually; so don't feel defeated by Stephen's defection, and instead of waiting to hear from him, do your best to get back into social circulation immediately.

M. H.

Mary Haworth counsels through her column, not by mail or personal interview. Write her in care of The Lubbock Evening Journal.

Charities Planned By Asbury Methodists

"Silent Night," sung by Asbury Methodist Awakened Wesleyan class, opened a Tuesday afternoon business meeting held at the church. Mrs. J. J. Smith brought a devotion from Matthew 2.

Announcement was made that the class has clothed several needy children in Lubbock. The group voted to give Christmas gifts to a local family and to donate $15 to a new class of the church for the purpose of purchasing song books. Mrs. J. H. Williamson presided.

Thirty persons attended. The closing prayer was by Mrs. C. A. Bickley.

The class will have a Christmas dinner, with husbands as guests, Dec. 20 at 7:30 p. m. at Fellowship hall.

Baptist Association Has Annual School

The annual School of Instruction for the Lubbock Baptist association was held at the Idalou First Baptist church Tuesday. Mrs. Henry Heck, associational president, was in charge, speaking on "Things We should Know."

Mrs. A. C. Bowden gave a devotion and directed music and Mrs. Arnold Maeker sang "Sweet Little Jesus Boy," accompanied at the piano by Miss Ardelle Hallock. The three women are of Lubbock.

Forty persons attended.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and to aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Yule Motif Is Featured

Mrs. James Batson, the former Miss Jo Anne Murfee, was complimented at a linen and pottery shower given Tuesday night between 7 and 9 o'clock in the home of Mrs. Rem A. Thomson with her daughter, Bettye, and Mrs. Earl Lockhart and her daughter, Bettye, as hostesses.

Thirty-five guests called.

The refreshment table was laid with a satin damask cloth and centered with an arrangement of sprayed baby breath embarking a large white candle, flanked with silver and aqua Christmas balls and leaves.

Spiced tea was served with cake squares iced in aqua blue icing and topped with small trees.

The hostess gift was linen.

Flowing Production Proven In North-Central Andrews County

Good flowing production was proven for the Shafter Lake-Ellenburger field of North-Central Andrews county by the completion of Sinclair Prairie Oil company, Skelly Oil company, and Cities Service Oil company No. 2-154 University as a discovery for that pool.

On a 24-hour potential, the venture flowed 1,140 barrels of oil per day. Corrected gravity was 42.9 degrees. Gas-oil ratio was 300-1.

Production was through perforations at 11,685-750 feet in the Ellenburger following a 1,000-gallon acid treatment. Total depth is 11,898 feet.

This new well is 1,980 feet from north and 660 feet from east lines of section 24, block 13, University survey.

Discovery Completed

General American Oil company No. 2-B Carmickle, discovery well for commercial production from the Wolfcamp, lower Permian in the Arick field, in Southwest Floyd county, just east of the east line of Hale county, has been officially completed for a 24-hour flowing otential of 732.96 barrels of 34.5 gravity oil, and no water from pay at 4,798-4,810 feet, natural.

The completion test was taken through open two-inch tubing. Gas-oil ratio was 105-1. Flowing casing pressure was 100 pounds, and flowing tubing pressure was 20 pounds.

This well drilled to total depth of 5,910 feet, in the Pennsylvanian reef lime. The bottom section, which is the original producing zone in the Arick field, of Southeast Hale and Southwest Floyd counties, also showed for production, but the owner decided to complete the well from the upper zone.

First Wolfcamp Competition

This is the first exploration in the Arick area to complete from the Wolfcamp. Some of the wells in that field which have been finished from the Pennsylvanian lime have shown oil signs in the samples from the Wolfcamp, but up to now none of them have run any tests in that formation.

The new producer and new pay discovery is 1,980 feet from north and 660 feet from west lines of section 18, block K, TTRR survey, and about two and one half miles north of the town of Petersburg.

Wildcat Swabbed

H. L. Hunt No. 1 Clayton & Johnson, possible wildcat discovery from the lower Permian, in Central Borden county had swabbed for 36 hours, natural, on perforated section at 6,490-6,520 feet.

Recovery averaged between 15 and 20 barrels of oil per day, with no water. Gravity of the petroleum was 35 degrees at 72.

Operator has now treated the perforated section with 1,000 gallons of acid, and is swabbing to clean out the acid residue and test.

This development is five and one-half miles south of Gail, and 660 feet from north and west lines of the north half of section 24, block 31, TP survey, T-4-N.

To Drill Wildcat

Anderson-Prichard Oil Corporation is to drill a wildcat test into the San Andres, middle Permian, of Northeast Gaines county, 13½ miles east of the town of Seagraves.

Designation is the No. 1 G. D. Boldin, located 660 feet from north and west lines of the south half of section 41, block H, D&WRR survey. Elevation is 3,170 feet.

Nearest San Andres production is in the Adair field to the north east of this venture.

Operator expects the desired formation to come in above 5,300 feet. Drilling toward that depth is to start December 10 with rotary tools.

County CROP Drive Deadline Set Sunday

The Lubbock county drive for commodities for CROP—Christian Rural Overseas program, which began last Wednesday and was to have ended Tuesday, has been extended through Sunday, Rev. Fred McPherson, chairman of the county CROP steering committee, said Tuesday.

Rev. McPherson said that fragmentary reports from over the county concerning the drive were "encouraging." The Arnett-Benson Baptist church here has reached its goal of one can of milk from each of its 500 members, and the Posey Methodist church and Westminster Presbyterian church also have each contributed several cases of milk. Southside Baptist church's canned milk drive is about two-thirds completed.

Rev. McPherson said he had been informed that the Abernathy Baptist church planned to contribute from eight to 10 cases of milk.

First Baptist, College Avenue Baptist, and First Methodist churches in Lubbock plan to continue their drives for canned milk for CROP through Sunday.

The Boyd Gin in the Cooper community has reported that enough cotton has been donated by farmers there to make a bale and that it would be ginned this week.

Pre-Christmas Band Concert Scheduled

The annual pre-Christmas concert by the glee club and band at Texas Tech college, is to be given Monday night, Dec. 20, at the high school auditorium, and proceeds from sale of tickets will go into the Goodfellows fund, it was announced today,

The concert is sponsored by the Kappa Kappa Psi, national honorary band group. The announcement was made by Thomas Shook, head of the sponsoring group's committee on arrangements.

Shook said tickets are being placed on sale immediately at B. E. Adair Music company downtown. They are 50 cents each, including tax. He said that band and Kappa Kappa Psi members will pay the fee for use of the auditorium, and that all the expense attached to the concert from sale of tickets will be cost of printing of 1,000 tickets and government tax. Balance of the receipts go into the Goodfellows fund.

Church Receives Gift From China Christian

NEW YORK, Dec. 8. (U.P.)—The Presbyterian Board of Foreign Missions announced today that it had received a check for $1,000,000 from a donor identified only as a "Chinese Christian businessman."

The board said the gift must be used to set up a foundation in the United States to provide adequate housing and care for retired Presbyterian missionaries. The gift was made "in appreciation of the service your missionaries have given China."

AT LITTLEFIELD CHAMBER DINNER—Informally chatting at the end of Littlefield's annual chamber of commerce banquet are left to right, Mrs. Roberts and James G. Roberts, manager of the chamber, Mrs. Walters and Joe Walters, president of the chamber; and Truman Chumley of Lubbock, principal speaker at the dinner. An airplane motif was featured in the decorations and programs. See story page 1, section 2. (Staff Photo).

Matador Man Is In Serious Condition

John Roscoe Lee, 39, of Matador, this morning was reported to be in "serious, but not critical, condition" in West Texas hospital, where he is being treated for injuries suffered Tuesday afternoon in a truck-auto collision near Ralls.

Lee suffered fractures of the neck and right shoulder, preliminary examination showed. Additional x-rays were to be taken today.

The collision occurred at about 4:30 p. m. on the highway two and a half miles west of Ralls.

Struck Rear Of Car

Lee's 1938 Ford truck, loaded with apples, apparently struck the rear of a 1940 Ford sedan driven by Willie Rufus Strange, 51, of 1911 Seventeenth street, Lubbock, as the latter was making a left turn off the highway. Both were coming toward Lubbock.

The truck glanced off the car, "jumped a culvert" and overturned, scattering apples in all directions, investigating highway partolmen said.

Both vehicles were damaged Neither Strange and his wife nor Billy Ray Webb, passenger in Lee's truck, were injured, it was reported.

Investigation was continuing in the case, highway patrolmen said.

Sales Conference Being Held Here

A sales conference of representatives of International Correspondence Schools began at a luncheon in Hilton hotel at 12:45 o'clock this afternoon with officials from a wide area in attendance.

C. A. DeLamater, vice president of the schools from Los Angeles, Calif.; E. D. Armintor of Houston, director of the Texas region; and R. A. Betz, superintendent of the Dallas office, were here for the meeting.

Others present included Quentin A. Stewart of Lubbock, David Eckert, San Angelo; C. V. Wood, Abilene; S. J. Bauman, Amarillo; and J. E. Chanslor, Borger.

The school offers 400 different courses by correspondence.

A British laboratory has developed a new electronic microscope.

Bailey Votes Down Liquor

MULESHOE, Dec. 8 (Special)—In a county-wide election yesterday, first in the county's history, Bailey county voters turned down the proposed legalized sale of liquor in the county almost six to one.

Two boxes — Baileyboro and Mays — had not reported this morning, but according to County Judge Cecil Tate, the approximately 100 votes in the two boxes could not materially change the relative standings.

The tabulated vote, as announced today by Judge Tate, was: for prohibition 1,092, against 178. In Muleshoe, the four boxes showed 959 for prohibition, and 155 against.

Other Returns Listed

The box at Three Way, reported this morning, showed 133 for prohibition, and 23 against.

The voting in each of the other boxes that had reported today was as follows: West Camp, for prohibition, 92, against prohibition, 3; Muleshoe, for, 679, against, 117; Circle Back, for, 44, against, 16; and Bula, for 144, against, 19.

Today's election was called by the county commissioners court after they had been advised that the county had never taken a legal stand on the issue. Until the county was organized in about 1918, it had been a part of Castro county. That county had had a liquor election in 1911, and as part of that county at the time, Bailey county had been voted "dry." No election was ever conducted after the county was separated from Castro and organized separately. Observers here said tonight that strong opposition to a "wet" victory accounted to a large measure for the trend in the vote. Organization of the "United Drys of Bailey County" here last week was arranged to oppose legalized liquor.

DETECTING MADE EASY

FORT WORTH, Tex. (U.P.)—A. C. Maclin, a policeman, knew a prowler he arrested as he left home for work wasn't telling the truth. The man said he had been taking his girl home and she lived "in that house." It was Officer Maclin's.

Services Slated For Brownfield Resident

BROWNFIELD, Dec. 8. (Special)—Mrs. J. C. Cravens, 68, resident here since 1929, died at the family home here last night at 10:30 o'clock after a lingering illness.

Funeral services are to be held at 2 o'clock Thursday afternoon at the First Baptist church here, with Rev. A. A. Brian, pastor, officiating, under direction of the Brownfield Funeral home. Burial is to be in Terry County Memorial cemetery.

Survivors include the husband; two sons, Charlie Cravens of Stanton, and Clyde Cravens of Morton; four daughters, Miss Robbie Cravens and Mrs. Rodney Jones of Brownfield; Mrs. Fermon Green of Monahans, and Mrs. H. A. Crowder of Wellman; 11 grandchildren, and one great-grandchild; her father, G. W. Gilmore of Elida, N. M.; one brother, E. T. Gilmore of Elida; three sisters, Mrs. Sally Thomas of Lubbock, Mrs. Lola Oran of Memphis, Texas, and Mrs. Ada Wagner of Gotebo, Okla.

Michigan Legislators' Low Pay Is On Way Out After 40 Years

LANSING, Mich., Dec. 8 (AP)—Michigan's $3-a-day legislator's pay—tied at that figure for 40 years by the state's constitution—was on its way out today.

The legislature, acting in special session last night, approved bills pushing the pay up to a straight $2,900 annually—or about three times as much.

All that's necessary now is Gov. Kim Sigler's signature, which is expected.

The pay boost for the lawmakers comes about as a result of a referendum in the elections Nov. 2. The electorate at the time decided to take the constitutional ceiling off the pay.

Subject For Discussion

Since the 1908 constitution the daily pay has stayed at $3 and has been a perennial subject for discussion.

A standard theme of critics was that good legislation wasn't to be expected when the lawmakers weren't paid any more money for their efforts.

The special legislature also voted to set the governor's pay at $22,500 a year, compared to the present $7,500 salary plus $12,500 for expenses, or a total of $20,000.

Officers' Pay Hiked

Four state officers—secretary of state, auditor general, state treasurer, and attorney general—were raised from $7,500 to $12,500.

A legal gimmick made the special session necessary.

Experts on the law said it would be illegal for the legislators to raise their own pay.

Thus, in order to make the pay raise effective with the new year, the special session of the retiring 1947-48 legislature was called to take the action, assuring the newly elected '49-'50 assembly the benefits.

Otherwise the raise would have had to wait another two years.

Officers Elected By Cerebral Palsy Club

Officers were elected in the West Texas Cerebral Palsy club at a business and program meeting Tuesday afternoon at First Baptist church. Named to office were the following: Mrs. A. E. Jones, president; Mrs. James W. Postlewaite, vice president; Mrs. Paul Warren, secretary; George D. Harlan, treasurer; Mrs. Haynes Wells, librarian.

The club, assisted by Rotary-Anns, will give a Christmas party at the treatment center Dec. 20 at 2 p. m. for all children enrolled there.

After Dr. W. H. Gordon, of the Rotary club, co-sponsor of the Palsy center, told of plans for a new treatment center, the club voted to contribute toward a project.

Spy Hunters

(Continued From Page One)

person for quizzing later on. The names of all three, he told reporters, were first mentioned in New York Monday night by Whittaker Chambers, admitted former Communist courier who now is a senior editor of Time magazine.

Grand Jury In Session

As the spy inquiry supplies a spectacular finale for the nearly extinct 80th Congress, there were other late developments:

1. A New York grand jury continued its separate espionage investigation with U. S. District Attorney John F. X. McGohey saying it is closer than ever "to a final conclusion."

2. The FBI and State department promised help to the House committee inquiry. John E. Peurifoy, assistant secretary of state, told reporters security regulations have been tightened and "I would rather think" there can be no more leaks of official secrets.

3. The committee made new attempts to locate a typewriter on which it thinks some State department documents were copied.

4. It tried to find out where the copies were microfilmed.

5. The committee held the evening open for a possible night session with Chambers, in case the grand jury releases him.

One Not Mentioned

Nixon said the three men newly named by Chambers as part of a transmission line that fed him confidential government papers all are civilians and he thinks all now are off the federal payroll.

He said one used to be in the State department. Another committee member said a second worked for the Bureau of Standards. That left number three unaccounted for, and nobody would talk about him.

Goodfellows

(Continued From Page One)

to each child on the list on Christmas morning.

Every needy child not over 14 within the Lubbock city limits will be remembered if their names are reported on the coupon provided for that purpose. Those knowing of such children are urged to use the coupon without delay.

Promptness in making contributions also is important. Only two weeks were allowed for the drive this year. Donations of any amount will be welcomed if sent to the Chief Goodfellow in care of The Avlanche-Journal, 1211-13 Texas avenue.

Election Laws

(Continued From Page One)

State Paul H. Brown, House Speaker W. O. Reed, Vann M. Kennedy of Corpus Christi, J. M. Patterson, sr., of Austin, Mrs. William Y. Penn of Midland, John Ben Shepperd of Gladewater, State Senator Carlos Ashley of Austin, representing Lieut. Gov. Allan Shivers.

Daily Markets

Stock Market

MARKET DOWN A NOTCH

NEW YORK, Dec. 8 (AP) — The stock market slipped a notch or two today despite buying interest in radio and television shares.

Several television stocks closed at the top prices of the year. Elsewhere losses of fractions to around a point were the rule.

Turnover was about even with recent days, or a little above 1,000,000 shares for the full session.

Interest in television stocks reflected the choosey attitude of many traders. Old standbys in the market were more or less neglected while normally neglected issues were given a play.

Hitting new highs for the year or more during the day were Magnavox, Admiral and Motorola. Farnsworth and Radio Corp., also improved.

On the losing side were U. S. Steel, Southern Pacific, Studebaker, Firestone, Sears Roebuck, United Aircraft, Distillers Corp., American Can, American Woolen, Seaboard Air Line, Pacific Western Oil and United Air Lines.

Cotton Market

NEW YORK REPORT

NEW YORK, Dec. 8 (AP) — Cotton futures advanced more than $1 a bale today on trade buying and short covering, but later most of the advance was lost on profit taking.

The Dept. of Agriculture placed the crop at 14,937,000 bales against its November estimate of 15,166,000 and the 1947 actual production of 11,937,000. The report was a little lower than the trade had anticipated, but after the market moved up on the report profit taking and New Orleans selling developed.

Jeaf, the buying agency for Bisonal Germany called for offers of cotton for December-January shipment, with December shipments preferred.

Futures closed 45 cents a bale lower to 30 cents higher than the previous close.

NEW ORLEANS REPORT

NEW ORLEANS, Dec. 8 (AP) — Cotton futures advanced in early trading here today but in the late dealings declined sharply under heavy profit-taking from the long side and hedge selling.

Closing prices were steady, 30 cents to 60 cents a bale lower.

	Open	High	Low	Close
Dec.	32.21	32.37	32.04	32.13
March	32.33	32.45	32.19	32.27
May	32.15	32.31	32.01	32.10-12
July	31.54	31.69	31.40	31.46-47
Oct.	29.11	29.25	28.94	29.02

Livestock

FORT WORTH REPORT

FORT WORTH, Dec. 8 (AP) — Cattle 2,700; calves 1,700; fed steers, yearlings and heifers weak to lower, prices fully 1.00 and instances 2.00 down for week to date; cows steady to 50c lower; bulls unchanged; calves dull and weak; stockers and feeders slow and weak; good fed steers, yearlings and heifers 23.00-34.00; common to medium kinds 16.00-22.50; butcher and beef cows 16.50-20.00; canners and cutter cows 11.00-16.50; bulls 15.00-20.50; good and choice fat calves 21.00-25.00; common to medium 16.50-20.00.

Hogs 900; butchers mostly 50c below Tuesday; sows steady to 50c down; stocker pigs unchanged; top 22.25; good and choice 190-260 lb. hogs 22.00-25; good 140-185 lb. 21.00-75; 260-375 lb. 20.50-21.40; sows 17.50-19.00; stocker pigs 18.00-21.00.

Sheep 5,000; all classes of sheep ruled steady; good and choice wooled slaughter lambs cashed at 23.50-24.00; medium grades 22.00-23.00; medium and choice shorn lambs with mostly No. 2 pelts 21.00-22.50; medium and good slaughter ewes 8.75-9.50; cull and common ewes 8.00-50; feeder lambs 17.00-20.00.

KANSAS CITY REPORT

KANSAS CITY, Dec. 8 (AP) — Cattle 4,300; calves 500; slaughter steers and heifers very slow, bidding around 50 lower; beef cows uneven, mostly steady; generally bidding 50 or more lower on bulls; vealers and killing calves steady; weighty feeder steers closed 50 lower late yesterday and under pressure again today; other replacement classes little changed; scattered sales average medium and good fed steers 23.50-27.00; few good fed heifers 24.75-26.00; common and medium beef cows 17.00-18.50; few good 19.00-21.00.

Hogs 4,500; fairly active, 240 lb. down steady with Tuesday's average; heavier weights steady to 25 lower; good and choice 160-270 lb. 21.50-22.00; 280-325 lb. 21.00-50; sows steady at 18.50-20.50; stags 17.50 down.

Sheep 4,000; slow, opening bids 50 or more lower; scattered opening sales ewes about steady; good and choice fed lambs held above 24.50; deck good and choice slaughter ewes sold at 9.25.

Grain Market

FORT WORTH REPORT

FORT WORTH, Dec. 8 (AP) — Wheat No. 1 hard 2.43¾-52¾.
Barley No. 2 1.45-50 nominal.
Oats No. 2 white 98¼-1.00.
Corn No. 2 white 1.81½-85½.
Sorghums No. 2 yellow milo per 100 lbs. 2.72-77.

CHICAGO REPORT

CHICAGO, Dec. 8 (AP) — Grains mostly ended with a steady tone today after showing some weakness during early trading. Some active short-covering developed in 1949 wheat futures, which jumped nearly 2 cents late in the day. Offerings were light.

The buying of July and September wheat seemed to come in part from local traders. Brokers said there may have been some shifting from the December delivery into these deferred contracts. Outlook for the 1949 winter wheat crop is considered good.

Other grains followed the advance in wheat. Announcement of supplemental export allocations provided the market with some support. Cash corn was in demand. Bookings were light.

Wheat closed ⅛-1½ higher, December $2.40⅝-¾, corn was ⅛ to 1 cent higher, December $1.45⅛, oats were ⅛-1⅜ higher, December 82⅛.

Produce

CHICAGO REPORT

CHICAGO, Dec. 8 (USDA) — Produce: Poultry: 23 trucks. Hens easy, balance steady. Hens 37; hybrid hens 33; leghorn chickens 26; old roosters 24.

Butter: 374,557 pounds. Steady. 93 score 64½; 92 score 64; 90 score 64; 89 score 63. Carlots 90 score 64; 89 score 63.

Eggs: (Browns and whites mixed) 13,231 cases. Weak. Extras 70 to 80 per cent A 54; extras 60 to 70 per cent A 52½; standards 47 to 49; current receipts 47; dirties 38 to 40; checks 35 to 35½.

Markets At A Glance

NEW YORK, Dec. 8 (AP)

STOCKS—Irregular; radio shares in demand.

BONDS—Mixed; some rails improve.

COTTON — Steady; trade buying.

CHICAGO:

WHEAT—Firm; short covering in 1949 deliveries.

CORN — Steady; aided by gains in wheat.

OATS — Steady; December rallied sharply.

HOGS — Steady to strong; top $22.75.

CATTLE — Steady to 50 cents lower; top $36.50.

Britain Claims Jews Invade Trans-Jordan

PARIS, Dec. 8 (AP)—The British said today they have private information that Jewish armed forces have invaded Trans-Jordan.

Harold Beely, British United Nations delegate, told the security council's Palestine committee if the information proved true, it would "oblige Britain to take action envisaged in its treaty with that Arab country."

KEEPS CHILDREN FROM PUBLIC SCHOOL—Mrs. Lincoln Levisen teaches her children Carolyn, left, 7, and Linda, 4, at home because no religious courses are taught in the public schools at Greenfield, Illinois. At present the children's parents are being held on bond because of their refusal to let Carolyn attend classes.

Debate Set On French Budget

PARIS, Dec. 8. (U.P.) — The French cabinet prepared to make a final decision on the 1949 budget today amid growing criticism of its reported plans in the press.

Debate on the issue will start tomorrow in the National Assembly.

The government faced the problem of raising 350,000,000,000 francs ($1,111,111,000) to cover the extra costs of reconstruction and reequipment of industries in accordance with the terms of the Marshall plan.

Press Carries Rumors

While the government remained silent on its plans to raise the money, the press carried rumors of contemplated "forced loans" and a drastic increase in taxation.

A reported plan of Secretary of State for Finances Maurice Petsche to float voluntary loans by granting an "amnesty" to tax dodgers in order to draw out capital has been condemned sharply by the press.

Party Makes Proposal

Radical Socialists have proposed dismissal of excess personnel in nationalized industries. But the plan was believed likely to draw little support.

In view of the present differences along party lines, it was believed the government would have a difficult time in pushing its budget through parliament before the end of the year as planned.

IN CAPSULE FORM

News Briefs

Mrs. H. L. Cantelou of Anchorage, Alaska, former Lubbock resident, who has been visiting Mrs. John Dalrymple and other friends and relatives near here, is convalescing at Scott and White hospital, Temple, following major surgery.. She will visit here again before returning to her home the latter part of the month.

Lubbock Fire department made a run last night to of all places—a drive-in theater. A fire broke out on the roof of the screen of the Plains Drive-In theater on the Levelland highway about 8 o'clock last night. The flames were extinguished in about 30 minutes but due to damage to electrical wiring, the show had to be cancelled. About 100 cars of patrons were in the parking area. The damage has been repaired and the theater will be in operation tonight, the management announced today.

Police said Henry D. Andrews, 20, of 2111 Ave. L suffered minor abrasions in a collision of automobiles at midmorning, at Twenty-fifth and Ave. N. A Sanders ambulance took him to West Texas hospital, where he was released after treatment. J. T. Wolfe, 28, of 2618 Fortieth, was driver of the other car. Officials said they gave Andrews a ticket charging negligence collision.

Hospital Releases Victim Of Mishap

John Larry Hubbard, 15, a juvenile, today was released from St. Mary's hospital, where he had been treated for injuries suffered Tuesday evening when the car he was driving collided with a parked pickup truck in 2600-block Ave. Q.

The youth, son of Mr. and Mrs. J. T. Hubbard of 3609 Van Buren, was reported to have suffered cuts, bruises and a slight chest injury.

The parked pickup, loaded with dirt, was knocked about 50 yards onto a vacant lot by the impact of the collision, police reported.

Way To Send Secret Messages Patented

NEW YORK, Dec. (AP)—A new method of sending secret messages—by pictorial symbols instead of letters—has been patented by David Sarnoff, president of the Radio Corporation of America.

R. C. A. announced yesterday that in the new "secret signalling system" the symbols are sent by "facsimile or television to a receiving decoding terminal."

The messages may be printed by symbols—on a special typewriter, and then decoded either manually or automatically by special equipment at the receiving end, the announcement said.

Stainless steel contains about 13 per cent chromium.

High School Contest Winners Speak At Rotary Club Lunch

HEAD POINTER—Maj.-Gen. Bryant E. Moore, chief of the Army's public information division, will head the U. S. Military Academy at West Point after Feb. 1. In World War II he served in the Pacific and European theaters and later commanded U. S. Occupation troops in Trieste when that area was an international "hot spot."

A belated American Education week program that featured appearance of four winners from Lubbock High school in the recent "I Speak For Democracy" contest highlighted the luncheon session of the Rotary club today at the Hilton hotel.

The program, arranged by L. A. Purtell, was presented by Floyd Honey, a Rotarian and high school principal, who explained that the four were selected out of 12 winners in the contest that was open to the entire student body at the high school.

Each of the four talked, touching on different phases of democracy. The speakers were:

Speakers Are Named

Anita Pope, a senior, member of Y-Teens, National Thespians, S. O. S., Art club, and of the Westernettes, girls athletic club; she was in the cast of the Junior play, and children's theater plays;

Kenneth Owen, a junior, who was an honor student last semester, is guidance representative to the student council, and president of National Thespians;

Anne Lingle, a senior, honor student, secretary of Art club, vice president of National Honor society, member Science club, T.N.T. (Chemistry) club, Junior Red Cross, in Who's Who in sophomore year, and member of Westerner art staff;

Nancy Davis, a senior, honor student, president of Y-Teens, secretary senior class, vice president Latin club, girl of month in October by Business and Professional Women's club, in Junior Who's Who last year, and in cast of Junior play and one-act play.

Announcements Made

Announcements included one by Waggoner Carr, speaking for the Junior Chamber of Commerce on behalf of the Phillips-Monahans quarter-final class A football game at Jones stadium here Saturday afternoon at 2 o'clock; and one by Glen Hackney, jr., 4-H club boy concerning 4-H club and FFA sponsorship here Dec. 17 of a program by Dr. Gaffney, noted magician and his troup.

Visiting Rotarians included Percy Eason of Ralls, E. H. McKenzie of Dallas, John McCarty and Walter Craig of Amarillo, and Fred McGinty of Tahoka. Club President Irving L. Jones was in the chair, with invocation by Floyd Honey.

Official Records

Marriage Licenses

Elward Evans, 29, of Colony, Okla., and Miss Oleta Friesen, 18, of Hinton, Okla.

Teddy J. Greer, 22, of Fairbanks, Alaska, and Miss Ada Joyce Wilkinson, 18, of Sudan.

Kirby Eugene Hodgson, 20, and Miss Wandalene Exum, 17, both of Lubbock.

El Roy Boone, 33, of Meadow, and Mrs. Lillian Sanders, 36, of Lubbock.

Alex Flores, 17, and Miss Juanita Flores, 18, both of Tahoka.

Lubbock Courts

99TH DISTRICT

G. V. Pardue, Judge Presiding

Johnnie M. Jordan against Frank A. Jordan, suit for divorce.

Jack D. Fertach against Bonita K. Fertach, suit for divorce.

COUNTY

Walter Davies, Judge Presiding

Estate of the late William D. MacMillan, application of Duncan MacMillan Rowles to probate will.

DIVORCES GRANTED

Kathleen McDonald against R. D. McDonald.

Willie Harris, jr., against Lucille Harris.

Joy Jackson against William Ray Jackson.

Decorations Are Hit Again By High Wind

Christmas decorations were taking another beating from sand-freighted wind this afternoon, and the fire department was called out after a strand of wire strung across the street at Thirteenth at Ave. H had caught fire and dropped to the pavement.

That run was made at 12 o'clock noon, Central station reported.

Christmas lights in front of Lubbock hotel had sagged so that "trucks are rubbing against them," another call, this time to police, said.

The city light plant was advised.

Wisconsin Man Found Dead In Washington

WASHINGTON, Dec. 8 (AP) — A man tentatively identified as Charles S. Hines, about 50, of Madison, Wis., was found dead today in a bedroom in the Ambassador hotel. Detective Chief Robert S. Bryant said the man apparently had been killed by a blow on the head.

Hines reportedly had told friends he was planning to take a vacation and would visit a son in Texas.

Juarez Celebrates 289th Anniversary

JUAREZ, Mex., Dec. 8. (AP)—Juarez officially opens today a five-day celebration of its 289th anniversary.

Miss Astrid Davila was crowned Queen Astrid I last night by Mayor Carlos Villarreal.

Today's program includes the opening of an industrial and agricultural machinery exposition, dancing, fireworks and a literary program.

FULL DAY.

ETNA GREEN, Ind. (U.P.)—Lewis Mason had an exciting day. In the morning, his truck collided with another and Mason received a broken collarbone and several broken ribs. He returned home from the hospital to find his house afire.

Texas Weather

(Continued From Page One)

15 miles, or about normal.

State Needs Rain

Skies were fair to partly cloudy throughout the state this morning with no rainfall of consequence reported except at Galveston with .08 and a trace at Beaumont.

The state is urgently in need of a general soaking rain, the forecaster said.

Yesterday's maximum was 81 at Brownsville and Laredo reported 79. The low maximum was 47 at Amarillo. Overnight, the low was 23 at Junction with Waco and Lufkin reporting 28, and San Antonio 32. Amarillo and Childress each reported 37.

Mrs. Katy Maples Claimed By Death

Mrs. Katy May Maples, 57, died at about 1 a. m. today in her residence at 114 Temple avenue.

Funeral arrangements are pending, Bryan McDonald & Son Funeral home reported.

Survivors include eight daughters, Mrs. Odessa Tiegler of Lubbock; Mrs. Evie Blair of Clifton, Ariz.; Mrs. Julia Woods and Mrs. Danny Hood, of Roswell; Mrs. Alma Sauza of San Francisco; and Misses Velma, Norma and Opal Norris, all of San Francisco; three sons, James and J. D. Norris, both of Lubbock, and John Norris of Roswell; 19 grandchildren, and one great-grandchild.

Two Plead Guilty To Drunk Flying Charge

OKLAHOMA CITY, Dec. 8 (AP) Two Texans pleaded guilty today to a charge of flying an airplane while intoxicated.

Judge Carl Traub in common pleas court assessed $100 fines against each of the two — Troy Vencill, 40, Dallas, and Charlie C. Conners, 35, Shamrock.

The two fliers were arrested Tuesday night at Will Rogers field—the municipal airport — after they flew their light airplane over the field several times, worried port officials and delayed landing of several transports.

Trade Mark Suit Is Before Court Here

Trial of a trade mark infringement suit brought by Safeway Stores versus B. M. Taylor et al got underway before Federal Judge Joe B. Dooley in U. S. district court this morning.

Presentation of testimony in the suit is expected to occupy most of this week.

Taylor, who operates Saveway stores in Lubbock, was on the stand this morning and more than likely will testify throughout most of the day.

He, with the late E. A. Hardesty, purchased Bailey's Food Mart at 1512 Texas avenue, and changed the name to Saveway Food Store. The infringement action is based on similarity on names and advertising and a permanent injunction and accounting of profits since 1939 are sought.

Pat Coon, Dallas attorney; Drummond Wild, general attorney of the Safeway Food Stores, a national chain, of Oakland, Calif., and James H. Milam and Geo. W. Dupree of Lubbock are attorneys for the plaintiffs.

Vickers and Vickers of Lubbock, Cecil Morgan and A. B. Culbertson of Fort Worth, are representing the defendants. Mrs. Hardesty has been made a defendant in the suit.

Trial of the case before a jury, requested by defendants, was refused by the court.

A jury late Tuesday afternoon awarded exemplary damages to Mrs. Clydene Locke and her three children in her action against the Parker Drilling company as the result of the death of her husband, Willard Locke, in an oil field accident in Hockley county, Feb. 6, 1947.

Mrs. Locke was awarded a judgment of $1,000 and each of her children received $1,500.

Two Fines Assessed Against Flomot Man

Tom Bynum, 43, of Flomot, was fined $50 and county court costs, and his driver's license was suspended six months, after he had pleaded guilty of drunk driving, it was announced today.

In corporation court, officials said, he was fined another $50 on a charge of indecent exposure. Both assessments were paid.

The man, officials said, also drove his truck through the drive of a service station at Nineteenth and Ave. X, and knocked over a soft drink box. The indecent exposure charge was based on a complaint from a resident of 1000-block Ave. R.

Four women were arrested in two small hotels and fined $25 each for vagrancy by prostitution, corporation court officials said.

Police sought to file a county court charge of carrying a pistol against a 32-year-old negro. He was questioned briefly into an early Tuesday robbery of M. Lee, a negro, and Walter Lee Rickey, a white man, at Lee's garage and service station on the Slaton cutoff. Blood on his jacket and his possession of a gun prompted the investigation. Officials later said, however, they believed he was not one of two masked men who were reported to have taken $258 from the men, slugging one.

Fender skirts valued at $20 were reported taken from the car of W. M. Robinson of 2622 Merthel.

Flynn Pays $50 Fine For Kicking Officer

NEW YORK, Dec. 8. (AP)—Debonair Errol Flynn, two-fisted movie star, paid $50 today for kicking a policeman in the shins.

The handsome actor of adventurer roles pleaded guilty in magistrate's court to a charge of disorderly conduct. He originially had been charged with third degree assault but the charge was reduced with the consent of his complainant, Patrolman Joseph Bergeles.

The alleged kicking grew out of a taxicab episode Tuesday morning.

Berlin Crisis

(Continued From Page One)

is an extended period of good weather.

The drone of American and British cargo planes was heard continually under sunny skies.

Maron's announcement of impending "economic mobilization" contained a hint that Allied counter-blockade has hurt the Russian sector and zone.

He said his "government" would be able to distribute all of the winter coal ration promised to eastern sector residents—but added that the distribution would be completed "at the latest by next April."

Maron said that in converting Berlin's industries to "socialism," handiwork shops would be left in private control.

Maron, 45, is a locksmith who fled to Russia in 1934 and returned to Berlin escorted by a Russian general a few days after the Red army conquered the city in 1945.

Profits

(Continued From Page One)

rounds of wage increases, purchase approximately 17 per cent less today than it purchased in January 1945 when weekly earnings were at their wartime peak," he said.

The committee devoted today's session to hearing labor's views after two days of testimony by economists and accountants.

Senator O'Mahoney (D-Wyo), a committee member who long has been plugging for a modified version of the wartime excess profits tax, told reporters he does not agree with witnesses who said business should figure its tax on the basis of uninflated dollars.

"When corporations charge inflated dollars for their products," O'Mahoney said, 'the government pays defense costs with inflated dollars, and the people pay their taxes with inflated dollars."

So, he added, business too should be taxed on the same basis.

City, School District Benefit By Reversal Of Tax Judgment

'WANT-AD' BABY—Barbara Holt, above, was treated for a cold in an Indianapolis, Ind., hospital while social workers tried to figure out what to do with her. Barbara's 16-year-old mother, Doris Holt, held in a juvenile detention home, said she gave the child to a couple for adoption in answer to a newspaper ad, but they returned her when she became sick. The couple, however, claimed they returned Barbara because her mother kept asking for her. The 9-month-old baby appears none too happy over the situation.

The court of civil appeals for the seventh supreme judicial district, of Amarillo, has reversed and remanded with instructions the civil action of Lubbock Independent School district and the City of Lubbock, appellants, against Marcus O. Owens, jr., appellee.

An opinion by James G. Lumpkin, associate justice, was received here by District Clerk Royal Furgeson.

The suit was filed by Owens in the 99th district court of Lubbock county against the city and the school district, asking for a judgment removing cloud from title and decreeing that neither of the appellants had a tax llen on property involved, 21 lots here. The city and school district filed a cross-action seeking judgment for delinquent taxes on the lots for the years 1919 through 1947.

Judgment For Owens

The court, in a trial without intervention of a jury, rendered judgment for Owens and adjudged costs, including a fee to an attorney ad litem, against the taxing units.

It appeared to the reviewing court that in 1926 the state and the county of Lubbock filed suits to collect delinquent taxes due on the lots. Neither the city nor the school district was made a party to the suits, nor was either given notice of them. Judgment in 1927 foreclosed tax liens on the lots and they were sold to the state at a sheriff's sale. None of the lots was redeemed by record owners, and in 1946 and 1947 the lots were sold by the sheriff to Owens. Then Owens sued the city and school district to cancel taxes due and delinquent at the time of the 1927 foreclosure proceedings of the state and county liens, and to enjoin the city and state from making any claim for taxes, and to remove cloud from title caused by tax claims of the taxing units. Appellants, city and school district, answered by exceptions and denials, and filed their cross action setting up claims for delinquent taxes from 1919 to 1947, inclusive.

Entitled To Taxes

The reviewing court said in its opinion that the city and school district are entitled to the taxes on the property from 1919 until the time the title to the lots was vested in the state.

"Since we are unable accurately to ascertain from the record the amount of taxes assessed and due during that period, the judgment of the trial court is reversed and the cause is remanded with instructions that this sum be calculated, judgment entered accordingly, and the respective liens be foreclosed," the opinion ended. The trial court also will be required to adjudge costs against Owens, inasmuch as there is no statutory provision for taxing costs in a tax suit against a home rule municipal corporation or an independent school district, taxing units of the state.

The city was represented by Vaughn Wilson, the city attorney, and Syrian E. Marbut, his assistant. The law firm of McWhorter, Howard and Cobb represented the school district. Robert A. Sowder represented Owens.

Congratulations To

Mr. and Mrs. M. H. Kinard, jr., of Lubbock route 1 on birth of a daughter weighing 4 pounds 11 ounces at 12:40 p.m. Tuesday in West Texas hospital. The father is a farmer.

Mr. and Mrs. T. C. Allen of Veterans Village on birth of a daughter weighing 8 pounds at 2 p. m. Tuesday in West Texas hospital. The father is a student at Texas Technological college.

Mr. and Mrs. L. C. Reynolds of 2602 Twenty-ninth street on birth of a daughter weighing 6 pounds 8½ ounces at 8:35 p.m. Tuesday in West Texas hospital. The father is an oil field worker.

Mr. and Mrs. Servando Garza of Idalou on birth of a son weighing 6 pounds 15 ounces at 7:10 p.m. Tuesday in St. Mary's hospital. The father is a laborer.

Exchange Clubbers Hear Talk On Wills

Warlick Carr, an Exchange club member, was featured speaker at today's weekly club luncheon in Hotel Lubbock.

Carr, a local attorney, discussed advantages in establishing a valid will. Among these, he pointed out, are reduction of legal expenses in settling an estate, and lessening of the probability of family disputes in estate settlements.

Louis Murphy, a member of the club's nominating committee, presented the committee's recommendations for nominees for officers for 1949. These were Robert Allen Hill, president; D. D. Humphries, vice-president; Lester Grimes, secretary; L. G. Raney, jr., treasurer; and Thad Edwards, Dr. Lee E Hale and H. A. Watson, jr., members of the board of control. Elections will be held next Wednesday, at which time additional nominations for these offices will be in order.

Sec. Marshall

(Continued From Page One)

a kidney a very serious operation. It is doubtful whether, in view of his age, Marshall will again be able to carry the load of work he had borne steadily for the past 10 years.

He became Army chief of staff in 1939 and was a principal architect of Allied grand strategy against the Axis. He retired in November 1945, hoping for a rest, but within a few days was ordered to China by President Truman. He remained there 13 months trying vainly to end the civil war.

Back home in January, 1947, he was named Secretary of State. Since then he has spent many stressful months abroad at international conferences—in Moscow, Bogota, London and Paris.

German Case

(Continued From Page One)

year-old widow of the Buchenwald commandant was accused of using tattooed skins of slain prison inmates to make lamp shades.

Senator Ferguson (R-Mich), who heads the investigating committee, told a reporter the group "is inquiring into the whole question as to jurisdiction of General Clay to reduce or re-impose the life sentence."

"We are trying to see if justice was done in this case and if not, if it can be corrected by a life sentence," he added.

Other senators of the committee are McClellan (D-Ark), O'Conor (D-Md) and Bricker

U. S. Shipping

(Continued From Page One)

the final say. ECA legislation—the question of second-year recovery funds for Europe—will come up early in the new session.

The foreign aid act, passed last April, directed Hoffman to see that American flag vessels carry at least half of all U. S. cargoes financed by ECA. But it added two "ifs."

One was that Hoffman do so "as far as is practicable." The other was that he do so "to the extent that such vessels are available at market rates"—meaning at competitive world freight rates.

Coal Costs More

In his letter to Bridges, made public last night, Hoffman reported that coal shipments to France, for instance, cost ECA $4.50 a ton more if American ships are used than if foreign vessels do the hauling.

The foreign aid chief's decision means that little or no U. S. shipping will be used to haul American grains, coal and petroleum products.

The ruling, however, does not affect machinery, tractors, medicines and other "package" shipments, but applies only to the bulk cargoes normally handled by "tramp" type vessels. These cargoes represent a large share of all Marshall plan hauling but ECA officials insist they are only a minor part of total ocean freight costs, since bulk shipment rates are lower than those for goods that have to be handled more carefully.

Professor Dies

Festive But Fire-Safe Is Rule Prescribed For American Home's Holiday Decoration

By KAY SHERWOOD
NEA Staff Writer

Before you deck out your home for Christmas, check your decoration plans to make sure they will be as safe as they are festive.

Highly flammable Christmas greens and decorations introduce extra fire hazards into a home during the holidays. To minimize these hazards, engineers of the National Board of Fire Underwriters have formulated a few simple precautionary rules for the decorators to follow:

Corner For Tree

No. 1 warning is: Don't install your Christmas tree in front of the fireplace. A safe place for a tree, engineers caution, is a corner away from a fireplace and out of range of flying sparks. Another warning is not to use cotton or paper to decorate a tree. An equally decorative wrapping recommended for the base of a tree is nonflammable aluminum roil.

Because cut trees dry out rapidly after they are set up in a heated room, you are advised to keep your tree outdoors until a few days before Christmas. Another suggestion from engineers is to use a live tree which is packed in dirt and which will stay fresh throughout the holidays. After decorations are taken down, a live tree can be planted outdoors.

If you plan to hang wreaths in windows, eliminate any plans for using lighted candles nearby. If you wish, you can illuminate a wreath with an electric bulb but the bulb should be placed so that it is at least six inches from curtains or other flammable materials.

If hanging stockings await Santa's visit, attach these to the top ledge of the mantel. This is to keep them out of the way of sparks from a fire which should be protected by a metal screen.

Before you string up Christmas lights, check all wiring for signs of fraying which will need to be repaired. Don't try to plug four or five strings of lights into one outlet or you may overload your electrical circuit to the point of blowing the fuse.

After tree is installed—and the trunk should be placed in water in a bucket, say the engineers—check it occasionally for signs of dryness. If needles become brown or start to fall before the tree can be discarded, change the location of the lights. Fire engineers say lights should not be left burning for longer than a half hour at a time.

To minimize the holiday fire-hazards, this young housewife takes simple precautions with decorations. Non-flammable aluminum foil is used to wrap the base of the Christmas tree which stands in cool corner. Living tree will stay fresh and green through holidays, will be transplanted outdoors later. Electric bulb in window-wreath (inset) is placed so that it can't touch curtains.

New Pension Plan Pushed By Legion

INDIANAPOLIS, Ind., Dec. 8 (INS) — A new pension plan for veterans of both world wars was forwarded today by the American Legion.

A special subcommittee of the Legion's national executive committee approved a plan which would pay all veterans a $60 monthly pension upon reaching the age of 60.

The rate would be boosted to $90 monthly at the age of 65.

The new pension plan was drafted for presentation to the 81st Congress, and must be approved by the national legislative commission of the Legion.

The Legion's recent national convention in Miami approved two which conflicted with each other.

Tech Approved For Chapter Of Society

Texas Technological college has been recognized and approved for a junior chapter of the American Society of Agronomy, Dr. A. W. Young, head of the plant industry department, announced Tuesday afternoon.

Recent favorable showings in national and international crops judging contests are largely responsible for the approval, Dr Young said. Last year's crops judging team from Tech won first place at Kansas City in the national contest, and second spot in Chicago's international contest, while this year's team placed third and second in Kansas City and Chicago respectively.

Team members this year attended the annual meeting of ASA Nov. 29 in Chicago.

Small Chance Seen For New Automobile

WICHITA, Kas., Dec. 8 (AP) — What's the chance for that new car you've been wanting?

Slim, said an industry spokesman today in a talk before a state meeting of retail car dealers.

"To me it looks like another two to three years of inadequate supplies of cars for dealers," confessed Donald C. Barnhart, assistant managing director of the National Automobile Dealers association, Washington, D. C.

Courts Give Out Almost 1,000 Years In County In Two Years

Almost 1,000 years in sentences were pronounced by the state district courts in Lubbock county in the two years ending Aug. 31, a summary submitted by District Clerk Royal Furgeson Tuesday to the attorney general showed.

The report, a copy of which will be filed with the governor, showed there were 286 indictments returned by Lubbock county juries in that period.

There were 233 convictions, 3 acquittals, 50 dismissals.

Some Terms Suspended

Of the 990¼ years assessed by Judge Dan Blair of the 72nd and Judge G. V. Pardue of the 99th district courts, 442 years in sentences were suspended during good behavior of defendants.

The report showed there was one death sentence pronounced in that time, two sentences of life in prison.

Fines collected by the courts totaled $875.

The state is represented in prosecution by District Attorney Lloyd Croslin and his assistants, E. G. Pharr and A. W. Salyars.

Furgeson pointed out in a supplementary report to the attorney general that fully 25 cases filed prior to the two-year period had been disposed of from Sept. 1, 1946, through Aug. 31, 1948, "and that 125 other cases have been filed within the two-year period ending Aug. 31, but are pending action in the courts."

A breakdown of offenses which brought indictments in the two years showed burglaries leading, with 67, followed closely by thefts, with 57, and forgeries, with 55.

Other offenses as reflected in numbers of indictments were listed as: assault with intent to murder, 22; disposal of mortgaged property, 2; drunk driving (second offense), 7; embezzlement, 1; failure to stop and render aid, 3; murder, 14; rape, 6; robbery, 8; swindling, 11; wife and child desertion, 7; other felony offenses, 26.

Cases filed and still pending were thus broken down:

Assault with intent to murder, 4; burglary, 15; disposing of mortgaged property, 3; embezzlement, 2; forgery, 29; murder, 5; rape, 1; swindling, 14; theft, 31; wife and child desertion, 14; other felonies, 7.

Group Organized To Keep Money In Area

DALLAS, Dec. 8 (AP)—A new enterprise has been formed to keep the money of rich plainsmen on the plains of West Texas.

The Plains Foundation of Texas is backed by F. Ivy Boggs, a tax expert and economic advisor to Wayland college at Plainview.

"The idea of the foundation," Boggs said, "is that many of the rich people of the plains who die leave a great deal of money to charity. This money has always been diverted to eastern cities like Dallas for worthy institutions."

Headquarters of the organization are in Plainview.

Motorship Following Huge Seal Migration

SAN FRANCISCO, Dec. 8. (AP)—Some 3,000,000 seals are churning the water off California today on their annual southern excursion, and this year they're being followed.

The 118-foot motorship Black Douglas with scientists aboard has been tracking the seals since they left their home on the Pribilof Islands off Alaska 12 days ago.

The object is to keep up with all that fur on the flipper, worth about $150,000 in pelts, during the migration to southern California waters. The study is for the U. S. Fish and Wildlife service.

Flowers of the California lilac bush produce an abundance of cleansing lather when rubbed in water.

Down-Grading Of Atom Power Pleases Reds, Lilienthal Says

WASHINGTON, Dec. 8 (AP) — People who minimize the atom bomb's destructive power are playing into Russian hands, David E. Lilienthal says.

The chairman of the Atomic Energy commission told the women's National Press club yesterday that "some military men and some scientists" now say the bomb is "just another super block buster."

"This down - grading of the atomic bomb is the attitude of the Kremlin," Lilienthal said.

Might Spur Drive

If the country were to accept this idea, he said, it might spur a drive to return the atomic energy program to military control—a move Lilienthal consistently has opposed. The program now is under supervision of the five civilian members of the Atomic Energy commission.

Lilienthal also assailed the idea that supplies of uranium—the a-bomb's source material—are too scarce for large scale use of atomic energy. He said that within the next 20 years a sizeable amount of the nation's electricity will be produced by atomic energy plants.

Ex-Big League Star Charged With Murder

DALLAS, Dec. 8 (AP)—Art (The Great) Shires, who mixed baseball with boxing, has been charged with murder in the death of W. H. (Hi) Erwin, a former minor league player and umpire.

Shires was charged yesterday with murder with malice aforethought in the court of Justice of the Peace W. L. Sterrett.

The one-time major league first baseman was first questioned Monday night and released on a $5,000 bond in a habeas corpus writ. He was to appear before Judge Robert A. Hall in district court today.

Erwin, 56, died in a hospital here Saturday. Officers quoted Shires as saying he had a fight with Erwin Oct. 3.

Charge Is Stated

Dr. P. A. Rogers, one of the physicians who examined Erwin, said he found that Erwin had died from hypostatic pneumonia and cirrhosis of the liver with contributing causes being blows on the head, chest and abdomen.

The 42-year-old Shires, whose turbulent career in the big leagues made headlines in the late twenties and early thirties, had no comment when informed of the murder charge.

The charge said that Shires "willfully and with malice aforethought killed William Hiram Erwin by beating him with his, the defendant's fists and stomping him with his, the defendant's feet, with shoes on."

Police entered the case when Erwin's physician reported he believed the former ball player died of internal injuries suffered in a fight.

Tried Boxing

Shires began his baseball career in 1925 by joining the Washington Senators in the American league as a pitcher.

From 1926 to 1928 he played with Waco of the Texas league. The Chicago White Sox bought him the latter part of the 1928 season.

His first full season with the White Sox was 1929 and on Aug. 14 of that year he was suspended as the result of a fight with his manager, Lena Blackburn.

That same year he took a flyer in professional boxing and kayoed Dan Daly in the first round of his first fight in Chicago on Dec. 9.

On Jan. 8, 1930, he was suspended by the Michigan State Boxing commission from Michigan rings after a manager of one of his opponents claimed his fighter was propositioned to "take a dive."

Won Hitting Title

Shires was exonerated by the Michigan group. He was also cleared by the Illinois Boxing commission from all charges of dishonesty in his Dec. 9 fight against Daly. Daly, who brought the

OPAL DIXON

THE QUESTION

Do you think women should serve on juries? Why do you believe that way

JAMES ATCHESON, 3203 Twenty-sixth, architect: "I'd say they would be

entitled to equal rights of citizenship — and the duties of citizenship. People in a way think it's an imposition to go serve on a jury, but I think we're lucky that we do have the right of trial by jury, and I think I'd say that a jury with women on it would get a better cross section of justice than for it to be composed entirely of men."

MRS. J. E. WARD, 2101 Thirteenth, housewife: "Well, I find in my mind two arguments, for and against. In some cases a woman's judgement is needed and can be better than a man's. I do not believe that they would be influenced by some things that a man would be. My argument against is that the more women take those places, the less the men will assume their responsibility. I like to see the men be the leaders in the church and in the community life, especially along the line of legislation and enforcement of law. I wouldn't say that I am definitely for either side. I will abide by whatever is done, but personally I don't care to serve on juries."

MRS. JUNE WOODRUM, office manager of Dryer & Lee Oil Co., and president of Lubbock Business and Professional Women's club: "Yes, I am in favor of jury service for women. The 35 states which have women jurors are pleased and have not had a motion to rescind their action in voting jury service for women. In these states, statistics show women to be less emotional jurors than men. I would like to see community forums held so that all women, irrespective of their status as organization members, may be better informed on the subject. Most states that do not have jury service for women find the chief barriers to be the uninformed women who misunderstand or fear the responsibility of jury service."

MARION SANFORD, 3007 Twenty-second, of Sanford agency: "Why, surely. It will let them know the things going on and, in addition, their judgment and decisions should be just as good as those of any other group. I can see no reason why women, as well as anyone else, should not serve on juries."

MRS. H. S. REECE, Lubbock route 6, housewife: "Not me, at least. I'm about that like I am by voting. I think that if they left it up to the men, it would be better. I think that women's place is in the home tending to children and cooking for their husbands. I think governmental affairs should be left entirely to the men."

SLED ALLEN, 2118 Thirty-fourth, wrestling promoter: "If they're entitled to vote and have all the other privileges, I don't see why they shouldn't sit on a jury. There is a lot else to be said in their favor."

Jury Panels Drawn For Term Of Court

Names were being drawn from the wheel for 18 jury panels for the six-months January term of Judge G. V. Pardue's 99th district court, it was announced Tuesday afternoon.

One hundred names will be drawn for each panel, the office of District Clerk Royal Furgeson said.

That indicates one criminal and two civil jury panels a month in the 99th district.

The names were being drawn by the sheriff's department, typed by a deputy district clerk, and sealed and approved by the court.

Process of summoning jury panels will be directed by the court not less than 10 days before a jury is needed.

Annual C Of C Banquet Held At Littlefield

LITTLEFIELD, Dec. 8 — The Littlefield Chamber of Commerce last night reviewed a year of active civic betterment at an annual banquet at the First Methodist church.

Approximately 225 members and guests heard Truman Chumley of Lubbock urge West Texans to take responsibility and assume leadership in fully developing the opportunities of the area.

Joe Walters, president of the Littlefield chamber, presided as master of ceremonies. He also briefly reported accomplishments of the chamber during the year, pointing out that 23 separate projects were undertaken during the year.

He divided the chamber's program into four categories: the successful re-establishment of the Lamb county fair; a sanitation drive that resulted in the improvement of the city's cleanliness; a successful safety drive; and promotion of better relation between the city of Littlefield and the residents of the surrounding area.

He paid tribute to James G. Roberts, manager of the chamber, for his administration of the chamber, and to Miss Virginia Whitaker, the secretary. He praised the work of the directors, Frank Bartley, Jack Christian, Roy Eubanks, Floyd Ferrell, Bob Kirk, Allen Hodges, W. B. Little, Paul Pharris, Wolf Shaw, Hardy Shelby, Skip Smith, Alvin Webb, Jack Wingo, Nelson Naylor and Rhenard McCary.

Praises Littlefield People

Chumley, who moved to Lubbock 18 months ago from Houston, is manager of the Frank H. Snell Grain Distributing company.

He proved himself an engaging, informal speaker, causually relating anecdotes and interspersing them with thought-provoking comments reflecting his faith in youth, government and this section of the country. He repeated a comment a former Littlefield resident had made to him that "Littlefield people are the finest bunch of people you can find anywhere."

The dinner was served by the Sorosis class of First Methodist church. Invocation was asked by Rev. Carter McKemy, pastor of Littlefield First Presbyterian church. A high school boys' quartet sang two numbers under direction of Don Hayes, director of music of Littlefield public schools.

Chumley was introduced by Jack Christian, Texaco agent who is widely known as an official at many West Texas football games. Christian is past president of the chamber of commerce.

How fast your hair grows depends on your physical condition and age.

Wrong-Way Cold Fronts Take Odd Route In Reaching Texas

By WILLIAM C. BARNARD
Associated Press Staff Writer

The eleventh wrong-way cold front of the season moved on Southern California today, headed for Texas.

Already 10 of these wandering fronts have strayed from the normal Arctic weather path, invading the Lone Star state from the west.

Result:

No good rains, no really cold weather and an irritating series of dust storms. It all adds up to the strangest goings on in weather bureau history.

Take Different Route

Here's the pitch:

The cold fronts are still churned up in the same old weather bowl—Siberia and China. But they are taking a different route to Texas.

A. M. Hamrick, head of the Dallas weather bureau explained:

"Usually, cold masses move out of Siberia and China, through Alaska and northern Canada, sweep through Montana and the Dakotas and whistle into Texas. That Arctic route really gives them a chill.

"But the 10 fronts this year have strayed southward, crossed the Pacific's warming waters, passed through southern Oregon and California and moved eastward to Texas."

Plenty Of Sand Raised

The parade of puny cold fronts, too warm to bring rain, raised plenty of sand in Arizona, New Mexico and West Texas and hazed out the sun from the Panhandle to the Rio Grande.

Over in Fort Worth the Soil Conservation Service took the filter off its nose to announce that the threat of "serious dust storms" again menaces Oklahoma and Texas, particularly the Texas South Plains.

A normal cold front, a bitter, blue wet norther from the north, could break the southwest's drouth. So far only one front this year, on Oct. 29, has been on the Arctic beam.

The 10 others have come via slow boat from China.

For Love Of House Marriage Is Lost

LOS ANGELES, Dec. 8 (INS) Mrs. Nora M. Wolven, 30, today asked the court to annul her marriage to Charles F. Wolven 38.

"He wooed and wed me," she said, "only so that he could get a badly-needed apartment."

Lubbock Family Hires Firm To Do Task

"Christmas Tree" Saved As Moving Of Big Plant Starts

A Lubbock family, and not the well-known woodman, spared Lubbock's largest and probably most-admired 'Christmas tree' Tuesday.

The family, Mr. and Mrs. H. T. (Buck) Luther, of 2513 Twenty-first, read in Tuesday's Morning Avalanche that the nearly-perfect Arizona cypress, which grows on the building site of the new Broadway Church of Christ in the 1900 block on Broadway, had to be moved from its present location this week to make way for preliminary clearing and levelling for construction of the church.

Admired Tree For Years

As Mrs. Luther put it Tuesday afternoon, "like everyone else, we've admired that tree for years, and we're awfully happy to get it."

The Luthers contacted the Texas Floral company landscaping department and made arrangements with W. E. Dodson, manager of the department, to dig up, ball, and move the huge plant from its Broadway location to a lot which they own in Bobalet Heights, just off the Levelland highway, west of Lubbock. They plan to erect a new home at that location sometime this next spring or summer.

Mrs. Luther said they had a background of Arizona cypress on the lot and that the tree would be transplanted in what will be their front yard when their home is built.

She said they already had an irrigation well on the lot, thus assuring a plentiful supply of water for the tree. "We're going to do everything we can to move the tree intact and see that it lives," she added.

Dodson, manager of the Texas Floral landscaping department, said last night that tree-moving work would begin this morning, and that he and his staff of six assistants hope to have it up by the middle of the afternoon. The cypress will then be transplanted as soon as possible into a hole on the Luther lot which is to be dug in the meantime.

The moving job will be aided by one and perhaps two trucks from Luther Transfer and Storage Co.

Dodson said last night that "it's

See BIG TREE, Page 3

Choir To Give Program Here

Sixty students comprising the Amarillo High school A Cappella choir will appear in concert with the Lubbock Symphony orchestra tonight at 8:15 o'clock in Senior High school auditorium.

The choir, directed by Mrs. Julia Dean Evans, will present five numbers unaccompanied and two numbers with the orchestra.

Made Hit In East

On an Eastern tour last summer, the group appeared before the Lions International convention in New York and sang in various other cities. Each performance was highly praised.

The director, Mrs. Evans, is not content to rest on her laurels as the Southwest't most outstanding conductor. Last summer, for instance, she studied at the Juilliard School of Music and at the Westminster Choir school to learn new methods.

She conducts, she inspires and she teaches. Led by this capable adult, the students make hundreds of appearances each year before school, civic and church groups. They attend countless rehearsals and they go to concerts given by other choirs.

Tickets Are Available

Tickets are being sold at Adair and South Plains Music stores and Varsity Book store. Those attending the concert will not be admitted to the auditodium until 7:45 o'clock since the choir and the orchestra will be rehearsing until that time.

The program will be as follows:

Two Entr'acte Pieces from "Thamos, King of Egypt" (Mozart); Procession of the Meistersinger, from the opera, "Der Meistersinger" (Wagner); Slavonic Dances No. 2 in E Minor (Dvorak); Roumanian Rhapsody No. 1 (Enesco); Rosenkavalier Waltzes, from the opera, "Der Rosenkavalier" (Strauss); orchestra, intermission; Prayer (Koontz), Cheru-

See AMARILLO CHOIR, Page 3

South Korea Seeking UN Membership

SEOUL, Dec. 8. (AP)—President Syngman Rhee authorized the republic of South Korea today to apply for full membership in the United Nations.

Foreign Minister Chang Taik Sang announced Rhee had messaged the chief of the Korean delegation at Paris—Dr. John Myun Chang—to seek membership.

Veto Could Be Block

The republic was founded last summer in the U. S. occupation zone on the basis of an election observed by a special committee of the U. N. little assembly. The committee was banned from entering Russian-occupied North Korea. Meanwhile, a rival Korean government was set up in the north.

The Korean foreign minister said the republic was aware that a Soviet veto could block membership in the U. N. Chang denounced Soviet spokesmen at Paris "For the great many unfounded charges they have brought against us."

He took issue with the charge that the republic is supported by "American bayonets," and added: "If there is a sword in the hands of the Americans, it is aimed at any nation that tries to disrupt the normal progress of the government of the republic of Korea and never at the people who support their government."

Russia Criticised

Chang criticized Russia sharply for refusing to permit the U.N. committee to enter North Korea.

"May we ask once again why it was that Soviet Russia was afraid of the normal working of a democratic election, if she is truly and really democratic?" he asked.

"The only conclusion that can be drawn is that only dictators and autocrats are afraid of the people even though they often shed crocodile tears on behalf of the people."

Chang said the U.N. committee left no stone unturned to make the election in South Korea as free as humanly possible."

"American personnel kept themselves studiously at a distance while the election processes were going on," he added.

Village In Dilemma Over Vote Outcome

ELLENDALE, Minn., Dec. 8 (AP)—Ellendale held its annual village election yesterday and nobody filed for justice of the peace.

When judges counted the ballots, however, they discovered ten in the race for that office as sticker candidates.

But Ellendale still has no justice of the peace. For each of the write-ins got only a single vote. And no solution to the dilemma had been found today.

Millions Of U. S. Dollars Help Tito's Program In Yugoslavia

By OSGOOD CARUTHERS
Associated Press Staff Writer

BELGRADE, Yugoslavia, Dec. 8.—Millions of American dollars are pouring into Yugoslavia to help finance Premier Marshal Tito's program of "rehabilitation and socialist construction."

A report in the Yugoslav Communist party newspaper Borba revealed that a huge majority of contributions of money and supplies reaching Yugoslavia still comes from residents and organizations in the United States.

American contributions in the last three years were listed at $15,500,000. In addition, more than $1,000,000 worth of medical supplies, mobile tuberculosis clinics, trucks and street sprinklers have come from America through the Yugoslav Red Cross.

Collections Not Included

The contributions from the United States do not include the huge collections sent to the Yugoslav government in exile in London in 1945.

They also do not include the unestimated millions of dollars which stream in constantly from individuals—relatives and friends—in the form of cash, clothing, tinned food and innumerable other consumer goods to private citizens.

Postal officials in Belgrade estimate that more than 90 per cent of the packages received in Yugoslav post offices throughout the country from abroad come from the United States.

The Borba report said Yugoslav nationals in Canada, England and Argentina have sent more than $8,000,000 in the past two years.

Especially Interesting

The admission that the greatest contributions to Tito's government still come from the United States was especially interesting in view of the repeated declarations in the Communist press that "our citizens in America are economically and politically oppressed and exploited by capitalist imperialists." Several thousand Yugoslavs who in the past two years returned here from America have signed letters to Tito expressing their joy and being back in the fatherland and having escaped at last the "capitalist oppression" in the United States.

These people brought with them millions of dollars worth of new automobiles, trucks, tractors, combines and other much-needed equipment which was turned over to the state.

Negotiating Pact

Another Yugoslav newspaper, Republika, said yesterday it had learned six western European countries were negotiating a trade pact with Yugoslavia, Czechoslovakia, Poland, Finland and Austria.

The western countries were listed as Britain, France, Italy, Belgium, the Netherlands and Denmark.

The newspaper said the pact involved an exchange of machinery and industrial equipment from the west for wood and iron ore in the eastern nations. Value of the goods was estimated at $300,000,000. There was no official confirmation of the report.

All In A Lifetime — The Opportunist

Handless Man Has First Car Accident

CHICAGO, Dec. 8. (AP)—Judge Irwin B. Clorfene appeared somewhat surprised when Mitchell Thomas, 50, came before him yesterday in auto safety court on a charge of leaving the scene of an accident.

Thomas said the accident—his car struck a parked machine—was his first since he started driving a car 17 years ago.

Judge Clorfene asked for Thomas driving license and read it. It stipulated only that Thomas must wear glasses while driving. Questioned by Judge Clorfene, Thomas said he had obtained the license by neglecting to state on the application he had no hands.

Thomas was fined $100 and his driver's license suspended for one year.

SYMPATHY LACKING

LIMA, O. (U.P.)—When William H. Martin, 36, fell out of his automobile as it rounded a corner, he didn't receive sympathy from the police. He was fined $10 for reckless driving. The automobile jumped two curbs before stopping against a tree. Martin was unhurt.

Iowa Town Turns Tables On Santa, Gives Him Something

SPENCER, Ia., Dec. 8. (INS)—The people of Spencer, Ia., reversed the tables on Santa Claus last night and gave him something.

Only that jovial old man wasn't there to receive it—for he had died Oct. 22.

For thirty-four years Joy Roberts brought joy and happiness into the hearts of needy Spencer youngsters.

Throughout the entire year "Santa Claus" would collect and repair old toys. When Christmas time came around he would travel about the town giving all the shining "new" toys to the children.

Last night, as a living memorial to this kindly old man, the people of Spencer dedicated a living memoral of evergreen trees in the city park.

Many Grown Now

Many of those who attended the memorial services last night were full grown now and had families of their own but they could still remember the "thrill we used to get when our own 'Santa Claus' came around to our homes" at Christmas.

A $2,000-workshop fund has been raised in Spencer to establish a permanent toy repair workshop to carry on Robert's work, and Robert's daughter, Mrs. Joyce Fertick has assumed the task of delivering the toy baskets at Christmas.

Widow Of Hollywood Producer To Marry

TORONTO, Dec. 8 (INS)—Gladys Glad, widow of Mark Hellinger, announced today that she will marry Movie Executive Arthur Gottlieb "soon" in Toronto.

Hellinger, a noted writer, columnist and motion picture producer, died a year ago.

The former Ziegfeld Follies beauty said "no definite date" has been set for the wedding.

Gottlieb is president of Audio pictures and maintains offices in New York and Toronto.

Mock War In England Set

PLYMOUTH, England, Dec. 8 (AP) — Long-range RAF bombers carrying mock atom bombs were alerted today to scout a powerful invading "enemy" fleet in Britain's biggest aerial-naval operations since the war.

It is "exercise sunrise"—a test of the attacking powers of the navy and the defensive strength of the air force.

The mock war is between two fictitious nations. Redland, a country with a strong naval force is represented by the British home fleet. Blueland is a nation weak in naval power but strong in air and submarine protection. It is represented by the RAF and navy submarine units.

Fleet Assembling

The "war" began yesterday with a report that the attacking fleet was assemblying off the Azores. Coastal Lancasters will locate the fleet. Big bombers will fly out for a high level attack. And probably be met by jet fighters from the fleet's air arm.

Sometime in the course of the exercise the RAF will attempt to ward off the invaders with fake atom bombs. As a substitute for the real thing they will drop 320 million candle power flashes—normally used for night photography.

AMAZING PAZO ACTS TO
RELIEVE PAIN
OF SIMPLE **PILES INSTANTLY**

Speed amazing relief from misery of simple piles with soothing Pazo®. Acts to relieve pain, itching *instantly*. Lubricates dry, hardened parts. Helps prevent cracking, reduce swelling. Jean Sibelius, World Famous Composer, Observes Birthday

HELSINKI, Finland, Dec. 8. (AP)—Jean Sibelius, the famous Finnish composer, celebrated his 83rd birthday at his isolated country home today with members of his family.

The bald musical genius and his beautiful wife, Aino, live secluded lives in the villa Ainola at Jaervenpaeae, 25 miles north of Helsinki.

He has retired from all public activities. But the Finnish people have not forgotten the man whose music, including seven symphonies and such works as Karelia and Finlandia, made him a unifying symbol for the whole nation. Finland's state-owned radio stations broadcast a special program in his honor.

Relaxed With Family

Sibelius frowns upon visits from admirers he does not know. He detests being tied down by schedules. Within the family circle, however, he is relaxed.

Mrs. Eva Paloheimo, Sibelius' eldest daughter, said he can then be gay and lively—"quite the opposite of what people think."

For dinner, he specially likes roast fowl and potato salad.

Mrs. Paloheimo said about 15 family members were expected.

"There will be no ceremonies of any kind," she said. "We will just spend the day quietly together. But we know there will be a magnificent dinner, because the cooking at home was always something extra special."

For the composer himself there will be an added treat: A fine Havana cigar after dinner. The National Arts foundation in New York sent him 83 boxes of Havana cigars as a birthday gift.

First Phone Conversation

Sibelius expressed his thanks for the cigars in a trans-Atlantic telephone conversation with Carleton Smith, director of the National Arts foundation.

"Thank you, thank you, thank you," he said.

Smith put through the call to Jaervenpaeae, where the composer only recently had a telephone installed. Mrs. Sibelius, who answered, said her husband never had spoken over a phone.

Sibelius reported, among other things, that he was in very good health.

"I still have all my teeth," he said.

The telephone conversation was recorded and is to be broadcast nationally by the Mutual Broadcasting system at 9:15 p. m. (eastern standard time) tonight.

Big Tree

(Continued From Page One)

going to take an awful lot of digging to do the job, especially with the earth as dry as it is. However, he said he preferred dry ground since the earth around the roots of the tree will hold much better and will not crumble as badly.

He estimated that the tree will be taken up with about a 5,000 pound ball of earth around the root system, which will be encased in heavy burlap.

No Trimming Planned

The tree, which is approximately 30 feet high and 15 or 20 feet around at its largest part, will not be trimmed down at all.

Dodson said the tree will be sprayed with water at least once a day. The root system also will require a steady water diet. He said that the forthcoming three weeks should tell whether or not the move is successful. Cypress plants, he added, usually "kick out" fast if they are going to, as compared with some other plants which linger along in a half-dead, half-alive state for months.

Other Lubbock horticultrists and landscaping experts were pessimistic about a successful move of the plant Tuesday.

One Lubbock nurseryman, L. D. Whitely, said he thought no amount of money could move the tree. "It's absolutely impossible," he declared. "The Arizona cypress grows three to four feet a year. I've had offers of $300 to $400 to move it, but I wouldn't attempt it."

J. C. Davis, of Texas Floral, agreed that it is a difficult job, but thought the tree had a 20-80 chance for survival.

The tree's value has been estimated as high as $1,500 if moved successfully to another location. The plant had been offered free to anyone who would move it, so long as it was moved this week in order to permit excavation, and levelling of the ground where it stands for construction of the church building.

Murder Charge

(Continued From Page One)

charges, was suspended for life.

Shortly afterward baseball Commissioner K. M. Landis warned Shires he had to quit boxing or give up baseball.

Shires played with Chicago and Washington in 1930. He was sent to Milwaukee of the American association in 1931 and won the league hitting crown with a .385 average.

He ended his playing career with Fort Worth of the Texas league in 1934.

Amarillo Choir

(Continued From Page One)

bim (Tschaikowsky); It Came Upon a Midnight Clear (arr. by John Josey); Dry Bones (arr. for the Waring Glee club); Battle Hymn of the Republic (arr. for Waring Glee club), Amarillo High school A Cappella choir, directed by Mrs. Evans.

Gloria from the "Twelth Mass" (Mozart); Hallelujah from the "Mount of Olives" (Beethoven), choir and Lubbock Symphony orchestra, William A. Harrod, conductor.

Population Increase Claimed Greater Threat Than Conflict

BEIRUT, Lebanon, Dec. 8 (AP)—Julian Huxley, the British scientist, sees the world's population increase as a greater threat to our civilization than war.

In his final report, the retiring director-general of the United Nations education, scientific and cultural organization (UNESCO), said that world population reached 1,000,000,000 in the 19th century and would soar to 2,000,000,000 in the 20th. He predicted another billion would be added in the 21st century.

The final and inescapable fact is that resources are limited, in the last resort, by the space of the world's surface" said Huxley.

He said he had been impressed by the gravity of the world population problem through observations at first hand of undernourished children of the Marbial Valley in Haiti and the general low standard of life in countries like Tunisia and Egypt.

Censorship Attacked

UNESCO's task, he added, "must include the education of the peoples of the world to a realization of its gravity."

Milton Eisenhower, president of Kansas State college and U. S. delegate to UNESCO, criticized the organization for failing to speak out against political censorship. Addressing the American University in Beirut, Gen. Dwight D. Eisenhower's brother said the political censorship exists for 75 per cent of the world's population. He said that because the Middle East was locked in conflict over Palestine was "no means a justification for the kind of censorship, which, in most of the area, is now imposed."

(Both Arab and Jewish sides in the Holy Land war impose strict censorship of outgoing news. Lebanon's censorship was temporarily lifted to move dispatches on the UNESCO meeting.)

Warlime Japanese Generals Sentenced

YOKOHAMA, Dec. 8. (AP)—Six former Japanese lieutenant generals must spend the rest of their lives in prison because they packed war prisoners into "hell ships."

A U. S. Eighth army court today convicted them of transporting 17,000 allied captives aboard overcrowded, unsanitary Japanese vessels. Sentenced to life imprisonment were:

Bunro Saheki and Goro Isoya, both formerly in charge of Japan's shipping transport command; Tadakazu Wakamatsu, vice minister of war; Rimpei Kato, chief of the army transportation and communications division; Hiroshi Nukata, division commander; and Choho Mononobe, chief of staff of the shipping command.

Costa Rica To Name New Assembly Today

SAN JOSE, Costa Rica, Dec. 8 (AP)—Elections for a constituent assembly to review Costa Rica's position under the ruling Junta will be held today.

Seven parties will participate in the election of 45 assemblymen and 15 alternatives. The National Union party of Atilio Ulate generally is expected to win a majority.

Ulate was elected president Feb. 8 but the congress annulled the election. A revolution led by Jose Figueres, a supporter of Ulate, overthrew the government. Figueres has headed the ruling Junta since then.

Life Still Tough For Policemen Who Have To Enforce Law Against The Weaker Sex

LOS ANGELES, Dec. 8 (U.P.)—Life continues to be tough in these here parts for the poor cops who sometime have to impose society's rules and regulations on the weaker sex.

Remember the gal who raised such a rumpus in court the other day and then went out on the courtyard lawn, took off her clothes and did a nude dance for some 900 amazed Los Angeles citizens?

Well, out in suburban El Monte justice court yesterday deputies had more trouble—this time with a bundle of femininity weighing only 98 pounds.

The fireworks began after Judge Eldred S. Wolford sentenced her to 60 days in the county jail for petty theft. The girl, 23-year-old Betty Frankel, was taken to the clerk's office to await transportation to the jail. Suddenly she:

1. Fired a waste paper basket at Deputy Sheriff Robert Fry (who ducked just in time).
2. Ripped a court record case file in two.
3. Kicked with vicious aim at deputies who were attempting to subdue her.
4. Hit at the deputies with such force that one of them had a black eye.
5. Began hollering: "Take me back to the judge. I'll tell him a thing or two!"

They finally got handcuffs on her and you can bet the little lady wore them until she was safe in her little cell in ye county hoosegow.

More citrus juice was canned in the United States during the 1947-48 season than in any previous year.

Press Club Hit Strengthens Conviction

Dallas Man Suggests Truman And Margaret Give Program

By HARMAN W. NICHOLS
United Press Staff Writer

WASHINGTON, Dec. 8. — A man from Dallas has come up with what sounds like a pretty good idea.

Dr. Otho Lee Hiett, a naturalist and poet, was reading about the father and daughter banquet we had the other night at the National Press club here.

He thought it was right noble of President Truman and Daughter Margaret to get up on the stage in front of all those folk and play a piano duet.

Texan Poses Question

"But why," he asks, "should the enjoyment of the musical talents of our President and his daughter be limited to the daughters of 250 newspapermen and their daddies?"

Dr. Hiett, you understand, is not jealous. But it got him to thinking about the letter he wrote to Mr. Truman in March, 1947. He suggested to the President then that "you and Miss Margaret present a musical program over a nationwide radio network—the same as the late F.D.R. had for his fireside chats."

The big hit made by Mr. Truman and Margaret at the Press club party has strengthened Dr. Hiett's conviction.

Feels Sure of Success

"I am sure," he says, "that such a program would be joyfully received by a great majority of our people."

He thinks sometime during the holidays would be fine, maybe Christmas eve.

Before he first wrote to the President, Dr. Hiett sounded out the idea on half a dozen school assemblies to see what they thought. Without exception, students and faculties alike were for it enthusiastically.

Not only that, but the President and his daughter might be faced with an all-request show, if they agree to put one on.

One principal suggested that Mr. Truman play and Margaret sing—guess what? "The Missouri Waltz."

Other Tunes Suggested

Another said how about "Jingle Bell?" and, of course, a chorus or two of "White Christmas" and "Santa Claus Is Coming To Town."

Dr. Hiett says that as long as everybody else is making suggestions he'd like to put in his nickel's worth.

"I'd like to have them wind things up with the 'Jenny Lind Polka'," he said.

That was the simple little number that had the kids in the aisle at the Press club.

Well, there you are, Mr. President.

Call in the man to tune up the presidential baby grand.

Navy Picks Two New Carrier Bombers For Nucleus Of Long-Range Strategic Air Arm

By JIM G. LUCAS
Special Correspondent

WASHINGTON, Dec. 8.—The Navy has picked two new carrier bombers—the Lockheed PV2 Neptune and the North American XAJ-1—to be the sinews of its long-range air army and the nation's secondary strategic air force.

Because the Navy-Air Force dispute over strategic bombing—which also involves possession of the atom bomb—has become so bitter, the Navy is saying little about it. The story has been told piecemeal in a series of routine press releases over a year. The Navy hasn't hinted they were part of a continuing story. But, tied together, they show the direction which a part of naval aviation is taking.

Joint Effort Stressed

Others outside the Defense department are more outspoken. The London publication "Aeroplane" recently referred to the Neptune as the "first ship-based atomic bomber." Plane facts, a technical military aviation magazine published at Dayton, Ohio, reported that the Neptune had been "fitted for atomic bombs, tiny tim rockets and 8,000-pound conventional bombs."

Naval aviators say there is nothing inconsistent in their developing a long-range air arm. The joint chiefs of staff, at their Key West, Fla., meeting in March, told the navy to "be prepared to assist in the over-all aid effort." A second conference at Newport, R. I., in August re-emphasized the Air Force's primary strategic mission but said that did not preclude "participation by other services. . . On the other hand it requires fullest consideration and use of any available forces, regardless of service."

Navy Speech Resented

Fleet Admiral Chester Nimitz' farewell message—which aroused bitter resentment in the Air Force — still sparks Navy planning. Admiral Nimitz, in effect, said the Navy could take floating bases within three miles of any shore in the world, but the Air Force needs diplomatic agreement or military operations to obtain land bases. Even when they are provided by friendly countries, he said, there is no assurance they can be retained. Recent press dispatches say some men in the British Labor party already are demanding withdrawal of our B-29 crews from that country.

Thus, the Navy argues it would be derelict in its duty if it did not provide a long-range air arm which can be used if we are suddenly confronted with conditions under which the Air Force cannot operate. There is no indication the Navy so far is interested in numbers. It has only a dozen Neptunes and the XAJ-1 is still considered a model although it has successfully completed carrier tests.

Carrier Tests Made

Two Neptunes — types of the famous "Translucent Turtle" which holds the world's long-distance record—flew from carriers off the Virginia Capes to Patuxent, Md. The Navy said the tests were "the first of several to be made to determine the feasibility of operating long-range search patrol aircraft from a carrier instead of from land bases which might not be available where needed."

The announcement said such planes in the war "were hampered by the location of available land bases. . . It was not until the recapture of the Aleutians, for example, and the establishment of bases in the central and far Pacific that it was possible to keep the enemy under surveillance."

The navy has not yet explained this emphasis on search and patrol operations when, in fact, the planes involved were capable of carrying atomic bombs.

The XAJ-1 has two 28-cylinder Pratt and Whitney wasp motors, the most powerful reciprocating engines in production. This is the same basic design used in the Air Force B-50. It is reported the XAJ-1 can fly faster than any big postwar air force bomber.

The XAJ-1 will use conventional engines for normal operations, but in combat the pilot can cut in jet. Its jets are the same used in the Air Force's Shooting Star. It is heavier than attack planes now used by carriers but lighter than the Neptune. Since it was designed before Congress approved the 60,000-ton supercarrier, apparently it is intended for use on smaller ships.

New Uranium Field Nears Production

OTTAWA, Ont., Dec. 8 (AP) — Canadian Trade Minister C. D. Howe says a second Canadian uranium field is moving toward the production stage.

Other government sources said this crown-owned field in northern Saskatchewan "looks good" but still is in the exploration stage.

Howe, chairman of the cabinet's atomic committee, told a group of industrialists yesterday that private prospectors have made "some very interesting radioactive discoveries but that the government still controls what probably are the best sites.

The Canadian government Eldorado field in the northwest territories is one of the two major producers of uranium in the world. The other is in the Belgian Congo.

Howe said that in order to spur research he would recommend that any approved industrial project should get radioactive materials free from Canada's atomic plant at Chalk River, Ont.

Howe pointed out that with Canada and Belgium being the only two major producers of uranium, the projected seven-nation north Atlantic alliance would control most of the world's supply.

The other nations in the proposed alliance are the U. S., Britain, France, Holland and Luxembourg.

A typical American house has about 1,500 feet of electric wiring.

This scene of our nursery school was taken at the completion of the "Harvest Study Project" and depicts the constructive, yet informal and enjoyable work we are giving our group.

Each six weeks a new project is begun.

Some of the children remain only from 9:00 A. M. until 12:00 noon for Kindergarten work; others stay the full day while mothers work, shop or fill social engagements.

Fruit juice is served at 10:00 a. m. and a balanced meal at 12:00 noon.

Individual beds are provided for an afternoon rest. After the rest hour, the afternoon is spent in enjoyable supervised play.

We are soliciting further enrollment. This school is non-denominational.

Phillips-Monahans Grid Ducats Going At Fast Clip; Crowd Of 10,000 Seen

Initial sale of tickets to the state Class A quarter-final football game between Phillips and Monahans High schools, which will be played in Jones Stadium here, indicate that a large crowd will be on hand for the kickoff at 2 p. m. Saturday.

The high school athletic office and Wylie's Drug store each sold a large quota of tickets on opening day and today, more tickets will be on sale at the Texas Tech athletic office and Hop Halsey's Drug store on College avenue. Other tickets may be had at McGuire's Drive-In and area towns, through their Jaycee organizations, also have received tickets for sale.

Seek Big Advance Sale

The Lubbock Jaycees are anxious for as many persons as possible to buy tickets in advance. Not only will it help assure the visiting teams of Lubbock's good intention, it also will prevent a long line at ticket windows at the stadium Saturday.

General optimism prevailed over the outcome of having at least 10,000 fans in the stands by game time. Jaycee officials felt that Lubbock football fans would want to see what promises to be one of the top games of the year, as well as showing up Amarillo, which did not support the game as expected.

As for the teams themselves, both were going through intensive practice sessions in preparation for the game. Coach Chesty Walker was busily engaged in polishing the Blackhawk offense that Saturday rolled for almost 500 yards on the ground and in the air. Coach F. O. Scroggins spent his time ironing out defensive kinks that showed in the 33-28 victory over Ballinger.

Scroggins wasn't unhappy over the word he received from the northern part of the state, where the Blackhawks have been installed as favorites by two or three touchdowns. But he didn't appreciate word that Lubbock fans were looking for Monahans to win by a touchdown or two.

The Blackhawks aren't heavy by any means. Their line averages 157 pounds and the backfield is even lighter at 129 pounds. But they moved the Post line, which outweighed them 20 pounds per man, as though they were the same size.

Center Jimmy Williams is the outstanding lineman on the Blackhawk team. He weighs close to 180 pounds, stands six feet three inches and is a marvel on offense or defense. He is a first rate blocker and tackler and is strong on backing the line. He is the extra point kicker and completed five out of six last week. He also does the kicking off.

Runners Also Rugged

The backfield is built on speed, but the runners also can be rugged. Billy Braden at 120 is the quarterback, handling the position like a veteran, although he's been in the position only three weeks. He was a halfback, but when Billy Hughes broke an arm, Braden stepped in.

Two slick youngsters run in the halfback slots, Johnny Ussery at 128 and Melvin Eldridge, also at 128. They can go inside or outside the tackles in big league style and are hard runners as well.

At fullback is Tommy Moore, the big boy of the backfield at 140 pounds. Moore crashes the line, or makes use of a neat change of pace in a broken field.

BRAINS BEHIND MONAHANS ELEVEN—The coaching staff employed by Monahans High school, District 5-A champions and opponents Saturday of Phillips High school's football team in Jones Stadium, is shown above. F. O. Scroggins, head coach, is shown kneeling at left talking things over with Joe England, assistant coach, while standing behind them and getting an earful are Crowley Morgan, left, and Harley Sledge, also assistant coaches. The Lobos have won 12 straight games this season and hope to add the Blackhawks' scalp in their state Class A quarter-final game next Saturday.

Australian Tag Team Match Slated Here

Regular wrestling card at Sled Allen's arena tonight will be featured by a crowd-pleasing Australian tag team match which will feature four of the top grapplers of the West Texas mat circuit.

Dick Trout of Carbondale, Ill., will team with Dory Funk of Hammond, Ind., against the team of Canadian Bennie Trudell and Pittsburgh Al Getz in the two of three falls main event. Getz and Trudell issued a challenge to Funk and Trout following an altercation on the program last week, and the "grudge" battle was arranged by the promoters.

Olan Boynton, the referee-grappler from Amarillo, will get a re-match with Eddie Gideon of Montgomery, Ala., in the two of three falls preliminary. Gideon and Boynton battled to a draw last week and both will be seeking a decisive triumph on the card tonight.

Tickets will go on sale at 9 o'clock this morning at Wylie's drug. Matches start at 8 p. m.

Injuries Hit Idalou Club

IDALOU, Dec. 8. (Special)—A crippled Idalou High school football team this week is causing Coach W. L. Johnson to suffer mental agony.

The Wildcats have a Class B regional game with Happy in Tulia Friday afternoon and the squad is in no shape to play, according to Coach Johnson's gloomy predictions. Four of his top players were sidelined and three of them are linemen, while the fourth is a back. And not one of them will see action on Friday.

Alvin Joyner, one of the top backs in Class B ball, broke a leg in the Idalou-Hale Center bi-district game and is hobbling on crutches. Blackie Molnax, a first string center, also has a broken leg which means that he won't see action. Dean Leonard, the outstanding end, had a knee injured during the season and only last week had to have an operation. And to complete the casualty list, Sidney Scroggins, top tackle, has two broken ribs.

But Coach Johnson says that his team will be out to give the heavier Happy gang a good fight, despite the fact that the odds will be against them. The Cowboys have a line that averages over 170 pounds, while the crippled Idalou line will barely hit 165 pounds.

Ever since the Hale Center battle, Coach Johnson has been sending his squad through daily offensive drills. This week he has been spending most of the time on defense. He is going on the assumption that Idalou will score and, if the Wildcats can hold the Cowboys scoreless, his team will win.

Spirit on the Idalou squad is high and the boys are accepting the underdog role in high spirits. The Wildcats tied Kress 13-13 and Happy nosed past the Kangaroos by only 7-6, so by that the game should be close.

Ezzard Charles Hates Thought Of Knocking Out Brown Bomber

By OSCAR FRALEY
United Press Sports Writer

NEW YORK, Dec. 8.—Ezzard Charles sat on a battered couch ini a Harlem gymnasium, slowly taping the brown fists which elevated him from a pawn shop porter to heavyweight challenger, and mumbled that he "don' like to think about fighting Joe Louis."

That puts the Cincinnati puncher in a class with a lot of people. But his reasons are different from most, the rest being fearful even of an old and slipping Joeo.

Will Always Be Champ

"I wouldn't want to be the one to knock out Louis," said the broad shouldered young Charles who looms large among the pretenders to the throne. "Somebody might but it would make me sad to do it. Joe will always be the champion to us folks."

It was a quiet statement of fact from the hard-hitting negro who meets Joe Baksi in Madison Square Garden Friday night—for the right to face Louis in a title bout next summer. It makes of Charles a reluctant 12 to 5 favorite in this elimination.

"But if we win good," interrupted Manager Jake Mintz, a broken nosed, pale-eyed little man, "we will claim the heavyweight title unless Louis gives us a shot. If he does, we'll give him back the title and fight for it."

It Sounds Generous

That sounds slightly generous of Monsier Mintz. But Jake is working on the theory that Louis named Charles as the best heavyweight around—and has expressed a desire not to be forced into a meeting with the tigerish young man who punches like two tons of bricks.

The Charles camp doesn't believe Louis ever will give them a shot. And Mintz screamed, as Ezzard continued to wrap his hands, that Charles is the only logical man after knocking out such king sized clouters as Elmer Ray, Jimmy Bivins, and Archie Moore.

Ezzard just kept on chewing gum and kneading his hands as Mintz stated his case. And the musical "blackout boy," who plays the bull fiddle and the saxophone, hummed a tune as he climbed into ring gear.

Just Doesn't Think

"I don't think how I'll do in any fight before I make it," he answered when asked how he thought he would do against Baksi, and then grinned shyly when questioned as to how he ever started fighting.

"I don't like to talk about that," Ezzard replied. "It sounds funny. But the honest answer is that I made up my mind to be a fighter after reading Dynamite Dunn in that Curly Kayoe comic strip."

It isn't too funny at that. For Ezzard packs a lot of dynamite himself with 40 knockouts to his credit in 66 fights.

Maybe young Ezzard is serious about not wanting to fight Louis. But if he ever does, the young musician looked as if he might be able to make it quite a jam session.

Greenville Majors Sign New Manager

GREENVILLE, Dec. 8. (AP)—The Greenville Majors have signed John H. (Red) Davis, former infielder for the Dallas Rebels, as manager for the 1949 season.

President George Schepps announced the signing of Davis yesterday. Schepps, former owner of the Dallas club, said he had purchased Davis from the St. Louis Browns organization.

The majors will open spring training here March 20th. The Lubbock Hubbers of the West Texas-New Mexico league will also train here.

Rice Added To Tech Victims

Coach Polk Robison was in the process of bringing his Texas Tech basketball team home from Houston today, where last night they added Rice Institute to the list of victims by a 46-39 count.

The Red Raiders fared well on their invasion of Dallas and Houston. They split a pair of games with Southern Methodist Friday and Saturday, then beat the Owls last night to emerge with a two out of three record against Southwest Conference competition.

Jackson Is Leader

Last night's leading Techsan was Chet Jackson, who potted 13 points in the first half to spark the Raiders to triumph. Jackson hit the first goal of the night and his shooting carried the Raiders to a halftime lead of 29-15.

Rice started to press the attack at the start of the second half, but quick goals by Don Grove, Ardis Barton and Whistle Banks shot the Raiders into a 41-23 margin with nine minutes gone.

With its 18 point lead, Tech began to slow down its offense and the game became rough, as Rice fought for possession of the ball. Field goals by Warren Switzer, Joe McDermott and Charlie Tighe, and a free throw by Bob Foley, cut the Red Raider's lead to nine points with only four minutes remaining.

Second Tech Win

Barton sank a free throw and field goals were alternated among McDermott, Banks, Cook, Gene Gibson and Cook, with Switzer scoring the final point from the foulcircle.

It was the second straight victory for Texas Tech over a Southwest Conference school, the Red Raiders having defeated Southern Methodist Saturday in Dallas.

Rice played without one of its regular guards, Paul Vahldiek, who became ill during the Rice trip to Louisiana last week.

The Raiders will return to Lubbock, where they will prepare to open their Border Conference season next Tuesday against Arizona State of Flagstaff.

Baylor Bears Drop Third Straight Tilt

(By The Associated Press)

Baylor's Bears dropped their third straight basketball game last night, bowing to St. Louis university, 59-44, at St. Louis.

The Bears led, 22-21, at one point in the second half, but the Billikens pulled far in front in the last five minutes of play.

Three of Baylor's starters, Jim Owens, Don Heathington and O'Neill Preston fouled out of the game. Owens paced Baylor scoring with 18 points.

The touted Oklahoma Sooners open their season tonight at Norman, Okla., against the University of Texas Longhorns.

Another game matches Texas A. and M. against Sam Houston State at Huntsville.

Only other Southwest conference team in action last night was Rice, which dropped a 46-39 decision to Texas Tech in a game at Houston.

Texas Tech was never behind.

Doak Walker May Turn Coach Instead Of Joining Pro Ranks

NEW YORK, Dec. 8. (AP)—Southern Methodist's Doak Walker, outstanding of the nation's present college grid crop, may forego professional football for a coaching career.

The two-time All-America halfback, who still has another year of eligibility, expressed faint interest in the money game last night in an informal talk with newsmen after receiving the Heisman trophy as the outstanding college player of the year.

"I'm majoring in physical education," he said. "I'd like to coach when I'm through." He added that a pro grid career didn't appeal to him much at the moment.

The 170-pound triple threat star received the award at a dinner at the Downtown Athletic club. Wilbur Jurden, club president, made the presentation.

Some 800 turned out for the event, including a large party of Texans who flew to New York by special chartered plane.

Among those present were Mr. and Mrs. Ewell Doak Walker, sr., of Dallas, the athlete's parents; his sister, Pat, 15; Miss Norma Peterson, a friend, and his present backfield coach at Southern Methodist, Rusty Russell.

Walker received 778 votes in the nationwide poll of sports writers and broadcasters. The second place finisher, Charlie Justice of North Carolina, received 443.

Grid Fever Soaring For Chicago's Fans

CHICAGO, Dec. 8 (AP) — Not since Red Grange turned pro in his heyday of the roaring 20's has professional football in Chicago reached such frenzied heights as it has for the Cardinals-Bears battle in Wrigley field Sunday.

The cross-town rivals, each with 10 wins and one defeat for the campaign, tangle for the western division crown of the National football league.

All seats have been sold for nearly two months and standing room tickets also have gone, assuring a crowd of more than 51,000. The game is to be televised, the first this season by the two Chicago teams.

Bears' officials say about 150,000 persons are clamoring for seats for the game, which they tab the greatest box office natural in the history of pro football.

The Cardinals, who broke into greatness only in the past two years, defeated the Bears twice last season en route to winning the National crown. The same club is back this time with Charlie Trippi, Elmer Angsman, Pat Harder, Paul Christman and others making it the most feared offensive unit in the league.

Some New Attractions

The Bears, an overwhelming defensive team with plenty of punch, too, have added some new attractions—such as Johnny Lujack, Bobby Lane and lineman George Connor. The northsiders are the only club to defeat the Cards this season.

The Bears' only defeat was to the Eagles in the rain at Philadelphia 12-7, a victory that fused the easterners' march to their divisional honors.

Currently, the Bears are slight favorites.

The rivalry between the two clubs started in 1920 and is the oldest in pro football. The Bears hold an edge with 36 wins, 12 losses with six games being tied. During this span the Bears have uncorked 950 points to the Cards' 528.

BOWLING

Three matches were unreeled in the Major Bowling league Tuesday night, with the Hemphill-Wells keglers sweeping three straight games from the McFarland-Maisen crew. Carter tallied a high series of 198-594 for Hemphill-Wells, while D. Vannoy scored a 220-541.

Walton's pin-topplers surged up the loop standings by defeating the Westerner cafe representatives in three straight games. Nelms paced the winners with a 253-667 series and Hill chalked up a 227-572 for the Cafeman.

In the final match the Mission Orange keglers took two of three games from Hub Clothiers, as T. Brown scored a 215-632 series. Abell topped the losers with a 191-536.

Two matches were played in the Ladies Classic league, with Holsum Bakery sweeping three straight games from Benton Oil. Lea Williams tallied a 226-619 series for Holsum, while Artie Reed led the Oilers with a 187-526.

O'Neal Drilling won three games through a forfeit by the No Name team.

Four Tilts Unreeled By Boys Club Cagers

Four basketball games were played at Lubbock Boys club Tuesday afternoon, with the Black Panthers, Five Little Devils, Dirty Five and the Roughies racking up victories.

The Pee Wee Black Panthers scored a 16 to 13 victory over the Hellcats behind Roy Lee Tunnell's 8 baskets. Kenneth Stevenson made 6 points for the losers.

In the Midget loop, the Five Little Devils racked up a 50 to 7 win over the Mustangs in the most lop-sided game of the day. Dennis Calvert got 21 points for the Devils while Kenneth Davis got four for the Ponies.

Bruce Willis' 15 points paced the Dirty Five to a 29 to 24 triumph over the Roughies in the Junior game. Charles Rand managed nine tallies for the losers.

The Senior league Roughnecks downed the Bombers, 42 to 34, with James Wilson scoring 16 points. Niel Sikes got 19 of the losers 34 points.

Only two games are carded this afternoon, with the Wildcats meeting the Bluejays in the Pee Wee game and the Fighting Irish tangling with the Eagles in the Midget encounter.

About 90 per cent of the total cultivated area of New Zealand is devoted to pasture.

Fight Card At Plainview Set

PLAINVIEW, Dec. 8 (Special)—Fifteen rounds of amateur boxing, the first of the winter season on the South Plains, will be staged here tonight at 8 under the sponsorship of the Plainview Junior Chamber of Commerce.

Lubbock and Amarillo will head cities sending boxers here for tonight's card, which will exhibit some of the finest fighters in the area. Petersburg and Lockney each will have fighters here and lively bouts are in prospect.

3,000 Attendance Seen

The fights will be staged in City Auditorium and a capacity crowd of 3,000 persons is expected to be on hand for the fights, which will feature Lavern Roach as referee. Judges will be Doug Graham of Amarillo and Claude Hutchinson of Plainview.

Potential Golden Glove fighters will be on display here tomorrow night and among those scheduled to see action are Welterweights Willis Hawkins of WTSTC and Harold Vernon of Plainview, who will face each other.

Lubbock's delegation, which is being brought here by O. C. Foster and Bill Henderson, will feature Dan Williams and James Witt, light heavyweights, and Jack Wilborn, welterweight.

Williams will meet Dub Bruington of Petersburg in one of the feature bouts; Witt will face Doug Beedy of Plainview; and Wilborn will oppose Leonard Duncan of Hale Center.

Duncan is an experienced boxer who held the middleweight title of the 11th Airborne Division in the Army.

Coyt Thompson Entered

Another top fighter to be in action here will be Coyt Thompson of Petersburg, one of the hopefuls in the featherweight division. Thompson will be out to show the crowd a good fighter in the hope of replacing Henderson as state featherweight champion.

Calvin Pyle of Lockney, a successful middleweight last year, may not fight because of a shoulder injury received in the Post-Lockney football game. But if he's in shape, he'll also be on the program. He had seven knockouts in nine fights last year.

Other fighters already assured of being on the card include Lester Ramsey of Plainview, Dick Campbell of Lockney, Tommie Ferguson and McLoed L. Samples.

Unknowns Set Pace At Miami

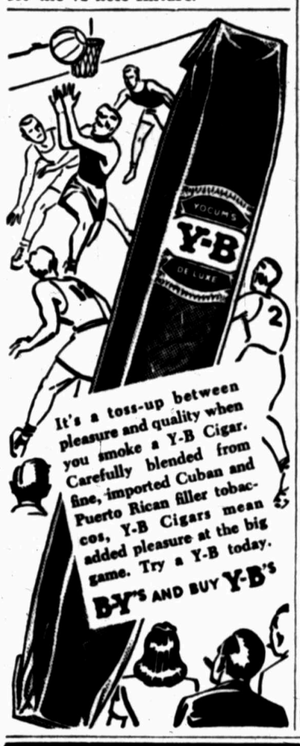

MIAMI, Fla., Dec. 8. (AP)—A warning that the big-name pros are going to have to hustle to maintain leadership in the $10,000 Miami open was sounded yesterday when a pair of virtual unknows carded 68's in the qualifying round.

Buster Mills, 31-year-old former caddy from Kansas City, Mo., tourned the re-designed Miami Springs course in 35-33—68.

A short time later Ned Cooper, pro from Charlotte, N. C., carded a 32 on the front nine and 36 on the return trip for 68.

The open begins Thursday. Only Ben Hogan, Cary Middlecoff and Jim Ferrier are missing from the big-name ranks.

Defending Champion Jimmy Demaret, Sammy Snead, three times winner, and Lloyd Mangrum, gunning for top PGA money winning honors this year, are favorites for the 72-hole fixture.

It's a toss-up between pleasure and quality when you smoke a Y-B Cigar. Carefully blended from fine, imported Cuban and Puerto Rican filler tobaccos, Y-B Cigars mean added pleasure at the big game. Try a Y-B today.

Hot Trade Rumors In Baseball Heard

MINNEAPOLIS, Minn., Dec. 8. (AP)—Today was the official opening of the 47th annual minor league convention, but as usual, it was the majors who hogged the spotlight, as far as any important baseball news was concerned.

Trade rumors here in the lobby of the Nicollet hotel flew thicker than the snow flakes which blanketed the streets outside.

Good Story Promised

A member of the official family of the New York Giants said he expected to announce a "big trade." Although he refused to say who or what club was involved, he promised "a pretty good story."

It is known that Manager Leo Durocher is eager to palm off his big catcher, Walker Cooper, and his slugging first baseman, Johnny Mize. Bob Hannegan, president of the St. Louis Cardinals, is openly interested in Cooper, especially if the latter's knee operation proves a success. Pitchers Red Munger and Murry Dickson figure prominently in such a deal.

The Giants would like to get first baseman Eddie Waitkus, catcher Clyde McCullough and pitcher Cliff Chambers from the Cubs. Charlie Grimm, boss of the Bruins, has indicated an interest in Mize, but was non-commital when pressed for a statement.

Has Completed Deals

Not so with General Manager Frank Lane of the rebuilding Chicago White Sox. The busiest "David Harum" of the big leagues thus far—he's already completed four player deals with rival major league clubs—said he was hopeful of closing a couple of deals for third baseman Bob Dillinger of the St. Louis Browns and first baseman Eddie Robinson of the Cleveland Indians.

Other trade rumors hot off the griddle included:

1. Pitcher Dizzy Trout, Detroit, for second baseman Johnny Berardino, Cleveland.

2. Third baseman Frankie Gustine, Pittsburgh, for either catchers Clyde McCullough or Bob Scheffing, Chicago Cubs.

3. Catcher Phil Masi, Boston Braves for outfielder Wally Westlake, Pirates.

Ailing Westerner Back For Tourney

Guard Charles Galey's return to action during the regular drill session of the Lubbock High Westerner cagers Tuesday afternoon boosted Hub city hopes for victory in the Borger Invitational tournament, which gets underway Thursday at Borger.

Galey was unable to work out Monday, as a result of a foot injury he received in the tilt with Sundown last weekend, and Coach Roy Morris was faced with filling the position left vacant by the speedy veteran. But Galey was able to run through some passing and play drills Tuesday and is expected to see at least some action in the Borger meet.

Offensive Is Readied

Offensive patterns were the chief item on the Westerner workout slate Tuesday, as Coach Morris smoothed out the rough spots in the Lubbock point-making machine. Big Jim Wilson, tall regular of the '47 season, was hitting his pivot shots with precision and stocky Morris (Moe) Turner showed steady improvement in his marksmanship.

On defense Jimmy Sexton, a center, and Guard Bob Rooker showed better form than they had exhibited in the two early season tussels. Blair Hankins received some special instruction on defensive play and Guard Jack Hensley was worked into the lineup in defensive drills.

Coach Morris announced that a squad of 10 players, accompanied by two mentors, will leave at noon Thursday by chartered bus for Borger. Players named to the traveling squad included Jim Wilson, Jimmy Sexton, Neil Sikes, Morris Turner, Bob Rooker, Jesse Fullerton, Charley Galey, Blair Hankins, Howard Bass and Jack Hensley.

District 5-AA Names Officers At Meeting

ABILENE, Dec. 8 (AP) — W. C. Blankenship, Big Spring school superintendent, yesterday was elected chairman of district 5-AA in the interscholastic league program.

Other officers named were C. W. Tarter, Sweetwater, vice-chairman, and Nat Williams, Abilene, secretary.

Between . . . The Lines

— By JOE KELLY —

Guess Texas Tech just didn't have much in the way of an outstanding football player this year. The Red Raiders won seven and lost only three, playing good ball in each contest, but they definitely played as a team without individual stardom coming to any player. This was borne out recently by two all-opponent teams picked by two opponents of Tech. First, Texas A. and M. didn't place a Raider on its all-opponent eleven. And now Arizona comes along and does the same thing.

• • •

We can understand why the Techsans failed to scratch against a team that played Southwest Conference ball primarily, but the Wildcat move astounds us. Tech was the only eleven on the Arizona schedule to shut them out and the Raiders rolled up the third biggest score that the Wildcats allowed. Michigan State beat them 61-7 and placed six men, Utah beat them 47-14 and placed one man, but Tech failed to gain mention. Only Michigan State held Arizona to less than two touchdowns, in addition to Tech, while the Wildcats scored twice in five games, three times in one, four times in another and five times in still another.

• • •

For the information of those who couldn't find the score, and we're one of them, Arizona State and Tempe beat New Mexico Saturday 28-17. Coach G. B. Morris passed on the information Monday night. He listened to a large part of the game and said that with Tempe leading 16-14, the Lobos kicked a field goal to lead 17-16. After that it was the same old story. We don't think that Berl Huffman will get booted because of the rough season, but we do sympathize with him for the agony the Lobos must have caused him this year.

• • •

We talked with Coach Dell Morgan yesterday afternoon and we learned that the schedule for next year's grid season virtually has been completed. Since one or two opponents have not been signed definitely yet, it is impossible to release the schedule yet, but the Raiders return to a five and five grind. In other words, Lubbock fans will see the Raiders at home in five games next year, compared to the four games they had an opportunity to see here this year. Not all the teams can be announced for certain, but Arizona, Tulsa, WTST and Hardin-Simmons will be in the Hub City. Games away that are definite include New Mexico, Texas Mines, Texas, Texas Aggies and Rice.

• • •

Lubbock boxers make their first appearance of the current season tonight in Plainview, where they compete against some of the better area fighters. It should be a tourney worth seeing, with future Golden Glove performers in action. Lavern Roach, who has been out of action late, will serve as referee on the card. Lavern is coaching the Plainview boxers and definite improvement in their ability probably will be seen. O. C. Foster and Bill Henderson are taking Lubbock's three entries to Plainview and they are high on all three fighters. They include Dan Williams and Jimmy Witt, a pair of improved light heavyweights, and Jack Wilborn, a welterweight who has made even greater strides forward.

• • •

There's no assurance that all, or any one of the these three, will win January Golden Gloves bouts here, but Foster and Henderson both think they have great promise. Gene James says that he will be back for the heavyweight division, but this time he may meet a salty character by the name of Don Williams of Phillips, something of a football tackle at Tech. Cal Stevenson of Brownfield, and Ike Stuver of Ysleta, both halfbacks at Tech, also may enter the Golden Gloves. Their presence would help to make the fights more attractive, as well as assuring good fights.

• • •

Before we forget it, the Jaycees have taken this job of selling tickets for the Phillips-Monahans game in dead seriousness. They want to get as many tickets sold before Saturday as possible and they urge the public not to wait until the day of the game. The principal reason for this is to avoid long lines at the stadium, which merely slow down the process of selling, making change and getting satisfied customers into the stands. After all ,a lot of people will come from out of town for the game and they probably will have to buy tickets at the stadium. If you get yours between now and Saturday, you'll make it that much easier on yourself and the people from this area.

• • •

And psyc..hologically, you'll be making a better impression for Lubbock. Amarillo didn't turn out for the Post-Phillips game and the majority of the fans there were from Post and Phillips. We don't want that to happen in Lubbock. We'd like to see at least 8,000 tickets sold in advance, more if possible. And we're not trying to sell you a bad thing. You'll be amazed at the finesse and polish of the Phillips team which, for sheer precision, beats most Class AA and many college elevens. They tell us that Monahans also is a well-drilled team and the meeting of these two Class A powers should be a memorable one. We know you'd hate to miss it, so get your ticket now.

Tech Chances Believed Slim

DALLAS, Dec. 8. (AP)—The applications of Texas Tech and Hardin-Simmons university for admission to the Southwest conference athletic set-up were expected to highlight a meeting of conference faculty representatives here Friday night and Saturday.

Observers doubted that the applications would be approved, although no official word has been released. Also a matter of conjecture was whether the faculty governing body would merely defer action or flatly reject the two schools' pleas.

To Adopt Schedules

Schedules for spring sports will be adopted Friday afternoon by conference athletic directors. Spring tournament sites and dates will be announced, and championships won during 1948 will be officially awarded.

Secretary James H. Stewart will present a report on his inquiries into several complaints of conference rule violations concerning athletes. The complaints were not confined to football.

Rice, Naval Academy May Schedule Games

HOUSTON, Dec. 8. (AP)—Rice institute is negotiating with the Naval Academy for a home and home football agreement, Athletic Director Jess Neely said here.

Neely said yesterday no contracts have been signed and that he doubts the first game can be arranged for 1950.

The Houston Chronicle yesterday quoted Rep. Albert Thomas (D-Texas) as saying the two teams would meet Sept. 30, 1950, in Houston and that the schools were negotiating for a 1951 game in Baltimore.

Beaumont Coach Will Not Seek Contract

BEAUMONT, Dec. 8 (AP)—Beaumont High school Football Coach L. B. Griffith yesterday told the Enterprise he would not seek to continue beyond the expiration of his present contract on June 30 of next year.

Beaumont high lost all 10 games this past season.

Dr. R. L. Williams, superintendent of Beaumont city schools, said later that he had not received Griffith's resignation.

Man Has Reason For Stealing Locomotive

LOUISVILLE, Ky., Dec. 8. (U.P.) Employes of the Pennsylvania railroad stopped the negro before he got very far in the big locomotive he had swiped.

Today, William T. Reed explained why he had tried to swipe the engine. "I needed it," he said, "to carry a message from General MacArthur to President Roosevelt."

General MacArthur is in Tokyo. President Roosevelt is dead. And Reed is in jail, charged with tampering with a locomotive.

Although he gets a 100 per cent disability pension, Santos Casani, well known dancer, when attacked by two thugs on a small bridge near his home at Stanmore, England, knocked one man into the water and wrested a gun from the other, escaping with a bullet hole through his jacket.

New Displaced Persons Bill To Be Introduced By Congressman

BY J. FRANK TRAGLE
Associated Press Staff Writer

WASHINGTON, Dec. 8 — Rep. Walter (D-Pa) today completed a new displaced persons bill which he said would eliminate all the features President Truman has objected to in the present law.

Walter, the No. 2 Democrat on the House Judiciary committee which handles such legislation, told a reporter he will introduce the measure when the new Congress opens January 3.

His bill, he said, would (a) guarantee against racial, religious or nationalistic discrimination, (b) double the number of homeless Europeans eligible to enter the United States, and (c) give them four years — instead of two years —from last July to apply for admission.

Measure Denounced

Under the present law 205,000 European refugees are to be given entry to this country the next two years. The measure, passed by the 80th Congress last July, was denounced by President Truman during the recent campaign as being unfair to Jews and Catholics. Gov. Thomas E. Dewey of New York, the Republican presidential candidate, also was critical of it.

Walter's bill would declare a displaced person eligible for consideration if he entered Germany, Austria or Italy on or after September 1, 1939 and on or before April 21, 1947.

Dates Are Changed

The present dates are September 1, 1939 and December 22, 1945. By moving up the latter date, Walter said, thousands of persons would become eligible who moved into Germany, Austria or Italy to escape the Russians. This provision, he said, would apply especially to Poles.

Walter says his bill's "guarantee" against discrimination would require that visas be issued to the various racial and religious groups in the same proportion that the number of displaced persons in each group bears to the total number of displaced persons.

Among other changes, Walter's measure would do away with the top preference presently given agricultural workers. His bill would give preference to "farm, household, construction, clothing, and garment workers, and other workers needed in the locality in the United States in which such persons propose to reside."

CAR GOES RIGHT ALONG

FORT WORTH, Tex. (U.P.)—The car was right behind Mrs. Lois Lewis' automobile and followed her for two blocks. Then she discovered her car had locked bumpers with the driverless vehicle when she had tried earlier to park.

PLOW WOW—Any of you farmers who don't like to sit in the cold can now sit in the warm. On a tractor, that is. A new device, designed to fit all makes of tractors, keeps the seat warm on chilly days. The special hollow aluminum seat is connected to the engine, and warm water circulates beneath the driver. Here Donna Harty demonstrates the device in Chicago.

Ex-Premier Of Japan Is Held

TOKYO, Dec. 8 (AP) — Hitoshi Ashida, until recently premier of Japan, went to jail on bribery charges today. "I have done nothing to be ashamed of," he insisted from his cell.

The Tokyo procurator's (district attorney's) office accused the 61-year-old Ashida of accepting bribes from a contractor while head of the government—March 9, 1948, to Oct. 6. It also sought arrest of another politico.

Ashida admits he received unspecified sums of money but as a "legitimate political contribution" rather than a bribe. He resigned Nov. 9 as president of the Democratic Liberal party.

Still Diet Member

The Ashida cabinet fell under pressure of a government loan scandal. This involved a loan of 2,800,000,000 yen (about $10,000,000) to the Showa Denka Fertilizer Co.

Ashida, succeeded as premier by Shigeru Yoshida, is still a representative in Japan's diet (parliament). To jail interviewrs he announced he will seek reelection. "I will be a candidate," he said, "even though I am behind barred windows."

The procurator's office asked the diet also to waive parliamentary immunity for Representative Kakuei Tanaka, former parliamentary vice minister for the attorney general. The procurator's office said he is suspected of accepting a one million yen bribe from coal mine operators.

Young Girl In Iowa Accidentally Killed

DES MOINES, Dec. 8 (INS) — A 12-year-old Des Moines girl was accidentally shot and killed last night by a boy playmate who said he thought the shotgun he was handling was empty.

The girl was identified as Kathleen Carroll. She was the daughter of Mr. and Mrs. Charles L. Carroll.

The girl, who had been shot in the right arm and chest, died en route to the Broadlawns General hospitay.

The shooting took place in a second-story bedroom of the Carroll home.

Police identified the boy as Larry Carey, 13, of Des Moines. Officials said the girl was shot with a .20-gauge shotgun.

Larry told detectives he and two other boys were playing "bandit" with Kathleen's brother, Charles, jr., 10, when the girl came upstairs to the bedroom.

He said:

"I pointed the gun at Kathleen and yelled at her to go back. Then I pulled the trigger. It was awful."

To raise funds for local improvements, the mayoress of Hythe, England, is playing a hand organ on the street daily.

Divorce Action Is Delayed 17 Years

LOS ANGELES, Dec. 8. (AP)—Patience didn't pay off for Mrs. Hyman Gechtman.

She told the court she delayed 17 years after a separation before suing for divorce. She said she hoped her husband, who as a tailor had mended many things, "might mend his ways."

Mrs. Gechtman finally filed suit yesterday, charging desertion and non-support. She said they were married 50 years ago in Russia.

Johnson Will Oppose Taft-Hartley Repeal

DALLAS, Dec. 8. (AP)—U. S. Senator-Elect Lyndon Johnson said he would oppose any effort to repeal the Taft-Hartley Labor act.

Johnson said he doesn't believe Congress will vote outright repeal of the act. He added he might approve certain revisions in the law "since any legislation in time has to be adjusted and can be improved."

Texas' junior senator-to-be made his statements here last night. He is to speak before a junior chamber of commerce meeting today.

That Girl on Broadway says her idea of a bad insurance risk is the innocent bystander.

* * *

Every business organization has somebody in it who is sorry that the boss is so dumb.

* * *

FORTUNE magazine, in its current issue, reports that there is a great deal of cheering, from coast-to-coast, over the arrival on these shores of the first batches of displaced persons from the camps and villages of Europe.

We do not doubt that the report is true.

Some of the DPs have skills in which this nation is short and, on top of that, it is a natural human reaction to be glad over the opportunity to give these unfortunate people a new start after years of privation and, in some cases, actual suffering.

* * *

Most of the DPs, like most of our European immigrants before them, will make good citizens, contributors to our culture and our economy.

They will be good additions naturally, because most people are basically good and, also, because they will be grateful for opportunity on these shores.

But some of them will not be good citizens; they will not contribute to our economy, or our culture; and some of them will become enemies of law, order and our form of government.

Just how many DPs will be detrimental to us depends, to some extent, upon us. Therefore, it is incumbent upon us all to see that the number of ingrates and trouble-makers is held to the minimum.

* * *

FROM technical and other broad standpoints—covering conditions of admission, numbers to be admitted each year, domestic guarantees of work, etc.—the Congress and other official agencies of the government have given much thought to the DP question. But little official thought has been given to ways and means of teaching Americanism to the immigrants after they get here and to helping them make good citizens.

Some racial and religious groups have given some time and thought to these citizenship matters and that is fine. But it is important, too, that citizenship aid be given the newcomers by official sources, by non-racial and non-religious blocs.

It is to the interest of us all that just as few lawless, or otherwise bad, citizens result from the DP throngs.

* * *

Sudden Thought: There never was a better alarm clock than ham and eggs frying on the kitchen stove!

* * *

OUR old friends down on the Houston Chronicle made history—probably without meaning to—in a headline over a story telling about the new heating and air conditioning plant recently installed in the Texas capitol at Austin.

Cracked the Chronicle:
"New Roof on Capitol
"Will Let Out Hot Air"
Must be quite a gadget!

* * *

Revised: "Money still talks, but in these days it says 'hello' and 'goodbye' in the same breath!"

* * *

HOW many miles per hour can a wild goose fly?

Some of our widely experienced hunters should be able to say with considerable accuracy.

Everyone who knows anything at all about wild geese knows, however, that they can "go like sixty" when they want to. The question is, how fast can they really navigate.

Clyde Tatum and W. C. Boyd and others were out duck hunting the other day and saw some geese. They hopped into a car and took out after the birds, running as high as a mile a minute over a pasture.

But a mile a minute didn't even begin to measure up to the speed of the geese.

As Mr. Tatum puts it, "They just flew off and left us like we were standing still."

* * *

A Los Angeles woman shot her husband dead, then chopped up his body with a meat cleaver.

She must have been sort of tired of him!

* * *

That Man on Avenue Q says if you're hemmed into a corner, most likely it's because you have let people push you around.

* * *

The U. S. Treasury probably will survive the cost of feeding and rehabilitating the world, but with building costs as they are there's a grave doubt over whether it can stay solvent after paying for remodeling and repairing the White House!

* * *

THERE is considerable talk going around in various communities from Plainview north to Oklahoma about the advisability of organizing a Panhandle-Plains Chamber of Commerce.

Proponents of the plan point out that the Panhandle-Plains area is a section all its own; that it has little in common with most of the section embraced, if not actually served, by the West Texas Chamber of Commerce, hence should have its own, hard-hitting regional chamber.

The Panhandle-Plains C. of C. idea has considerable support in Amarillo, but Amarilloans recognize that if such an organization is to work, similar active support must come from Lubbock.

* * *

Backers of the Panhandle-Plains Chamber of Commerce idea have logic on their side when they point out that people and communities of the Panhandle-Plains have little in common with Abilene, where the West Texas Chamber of Commerce is headquartered, and which exerts great influence on the whole organization.

Backers of the P-PCC could go even farther and say that the Panhandle-Plains has nothing in common with Waco and Cleburne, for instance, which the WTCC calls its own in order to get a few more membership fees that it would get by remaining in West Texas. Certainly, Panhandle-Plains problems are not identical with those of Brownwood, San Angelo and Del Rio—or even with those of Fort Worth—which cities and areas properly belong in a West Texas organization.

* * *

THE plain, unvarnished truth of the matter—as we have pointed out here a number of times during the past decade—is that the West Texas Chamber of Commerce has become dead on its feet.

Maybe it's dead because the organization covers so much territory that the desires of its members conflict. Maybe it's ineffectual because its policies are overcautious and over-conservative. Maybe it's a combination of the two reasons, plus the fact that the directors and officers of the organization are mostly just "window dressing," with decisions and politics, if any, made by paid staffers. But whatever the reason, the WTCC never gets off the seat of its pants except, on rare occasion, to be for or against something that heads up in Washington and about which there is no difference of opinion here at home. Local level efforts are confined to a few long-winded meetings and the annual collection of dues.

Whether organization of a Panhandle-Plains Chamber of Commerce would be good for Lubbock and the South Plains remains to be seen. Certainly, study of the overall plan should come before any decision is made.

But this much is fairly certain in the light of the WTCC's past record:

The WTCC isn't likely to improve itself as a service agency until it returns to West Texas for its entire membership; until its officers and directors begin functioning as something other than prince consorts to the management; and until the management learns that there are many jobs to do here at home and an annual publicity blast at high freight rates is in itself not sufficient action to warrant its existence.

BY DREW PEARSON: TEXAS MISSES LIMELIGHT BY LEGION BOSS' FORGETFULNESS

Army Considers Foreign Legion In West Europe

WASHINGTON — Perry Brown of Beaumont, Texas, the American Legion's new national commander, missed a chance to advertise Texas when he visited the White House with Louis Johnson, a former assistant Secretary of War.

As photographers marched in for news shots after the meeting, President Truman reached down in his desk and dug out his old "Missouri" Legion cap. There was an embarrassed pause while the red-faced Brown suggested that they pose without headgear.

PEARSON

The Legion boss had forgotten to bring along his "Texas" cap.

American Foreign Legion

The Army is toying with the idea of organizing an American foreign legion in western Europe—composed of refugee Europeans equipped with American arms and taking their orders from the U. S. Army.

This was revealed by Secretary of the Army Kenneth Royall to a group of congressmen, just back from Europe. The congressmen reported that several young men in western Europe—particularly refugee Poles— had approached them about joining the American Army and had declared they would rather serve the United States than their own governments.

Royall countered with the idea of taking these men not into the U. S. Army proper, but into an American foreign legion.

The congressmen also suggested to Royall that he could improve American troop morale overseas by paying G. I.'s in dollars rather than foreign currency. The G. I's are getting clipped, the congressmen said, because their pay is worth only a fraction on the black market of what they get at the official exchange rate.

PRESIDENT Truman was told last week that his failure to speak in Kansas during the campaign cost him that state's eight electoral votes.

"If you had made two speeches in my state you would have carried it," declared Carl Rice, Democratic national committeeman from Kansas. "As it was, we cut the Republican majority to less than 70,000 votes, and their majority was 154,000 against Roosevelt in 1944.

"In my own home county—Wyandotte — we elected every Democrat on the ticket, from top to bottom," concluded Rice.

Truman admitted he had been fooled by the Kansas outcome.

"I didn't realize how close it would be there, but the way my schedule was arranged it was impossible for me to make any speeches in Kansas," he explained.

However, the President said he would try to make amends by doing his best to speak at the big Democratic "Washington day" dinner in Topeka in February.

* * *

Steel Argument

A hot backstage feud is going on between the Commerce and Interior departments over steel controls.

The Commerce department, which leans toward business, believes that voluntary controls are adequate, that the steel industry can be trusted to ration out steel where it is needed. It takes this view despite the fact that the steel industry recently refused steel to the government itself for the Oak Ridge atomic plant.

The Interior department on the other hand argues that even mandatory controls aren't far-reaching enough, that the government must go still further and force the steel industry to expand production.

Both sides argued their case face-to-face recently before Budge Director James Webb. No decision was reached.

* * *

IN addition to Congressman Cellar's demand for a probe of insurance companies, Wisconsin's Sen. Joe McCarthy, an ex-marine, is getting even more vigorous in his campaign against insurance companies for not giving better protection to widows and orphans of servicemen.

All insurance companies write special war-casualty exemptions into their policies regarding servicemen, but McCarthy has become especially indignant at Acacia Mutual as a result of correspondence over Mrs. Robert Fraser, widow of a marine pilot.

When he wrote the directors of Acacia asking payment for Mrs Fraser, he got the following replies:

Director Harry Blake, Washington, D. C., scribbled on the bottom of McCarthy's letter: "This letter does not deserve an answer. It should be thrown into a wastebasket. I have known the president of Acacia for over 50 years. Have been on the board of directors for twenty years and served on the executive committee for many years. I have nothing but contempt for a cheap politician who will stoop to using his high position in the public service in such a vindictive way as you."

Replied Homer Holt of New York City, another director: "I must say that I am both surprised and disappointed to receive from you such an inexcusable letter as that which you addressed to me on United States Senate stationery . . . and mailed to me under your franking privilege as a United States senator."

Another director, James Colliflower of Washington, suggested that McCarthy pay for Widow Fraser's lawsuit if he were so concerned about the case.

* * *

McCarthy Fires Back

Burnt up, the senator dictated a final, abrupt letter to Acacia directors.

"While several of your members indicate their surprise that a senator can take time off to interest himself in what they apparently feel to be an unimportant matter," wrote McCarthy, "I am sure that you . . . will realize that there is nothing remarkable or unusual in wanting to be of service to the families of those with whom we served. . .

"While I knew Major Fraser well when we were both serving in the Marine corps, his widow and children are not constituents of mine and I do not represent them personally. I am interested in this case primarily because to me it represents a typical example of the attitude on the part of your company toward the families of deceased servicemen who were policyholders of yours."

* * *

THE secret device revealed on the microfilms of ex-spy Whittaker Chambers is a now-obsolete aircraft communication instrument . . . Talking to visiting congressmen, Paul Ramadier of France remarked: "The heart of every Frenchman is part American." . . . Russian diplomats indicate that Russia will soon raise one corner of the iron curtain and permit travel to Russia through the Soviet bureau, "intourist," which has been closed down for years. If so, it's almost revolutionary. Reports from American military observers in Berlin disclose no further signs that Russia is reinforcing its troops in Berlin, even though Soviet officials are now attempting complete domination of the city.

Siam is considering a plan to establish government airplane spraying of insecticides on crops as a public service.

BY WALTER WINCHELL

Hopley's Report Called Worse Than Dreams Of Stalin, Hitler

REPORT to the People—I reported to the American people that the Hopley Report, sponsored by Secretary Forrestal, was a greater attack on the liberty of every American than ever dreamed of by Hitler or Stalin. This is why: On page 39—the Bill of Rights is suspended. This is the exact language:

"d. Detention. The problem of detention is one of considerable magnitude during emergency conditions. It should be met by providing suitable, safe and secure places where persons may be detained for the public good until such time as conditions permit their release or circumstances warrant their trial. Places of detention should be provided to accommodate such persons temporarily deprived of their liberty."

WINCHELL

* * *

The "considerable magnitude" above means a lot of people are going to be arrested. . . It means that the people who put you in jail can keep you there until THEY think it is safe for you to be out . . . It means if they haven't sufficient evidence, "the circumstances do not warrant your trail" . . . It means they can hold you until they think they have the "evidence" to convict you . . . It calls for the building of concentration pens NOW to hold you—when you are deprived TEMPORARILY or your liberty.

* * *

ON PAGE 143, Hopley Report, the Dept. of Defense provides for the concentration camps for you:

"Detention: Provision of suitable and secure places for dentention of persons for the public protection, including expanded and alternate facilities."

This means, in plain language, if your Defense Dep't decides you ought to be in a concentration camp, they need not make any charges. You can be jailed for the "public protection"—without any charges against you. Heil Hopley!

* * *

On page 127 the Dep't of defense provides for the crushing of American labor. This is the exact language:

"A suggested title for this individual is 'Defense Coordinator.' In the peacetime years, he would normally operate such peacetime plant protection programs as are dictated by sound business practices, the nature of the plant, its contracts, if any, with the government, or the nature of its commodity or service."

Nothing, of course, about the Unions. If Secy Forrestal decides unions are inconsistent with government contracts and "sound business practices"—why it's just too bad for the working people. In PEACETIME, too.

* * *

BUT THE "LOYAL workers for Civil Defense," says Hopley (page 16), must be "unswayed by anything except national interest. An oath of office and loyalty is indicated, and certainly the Civil Defense Organization, wherever found, must have no taint of political interest—or of diversion from its primary tasks."

In short, the common people are to have no political opinions—but a financial interest is O. K. for Big Business and Forrestal!

* * *

Nor does the Dep't of Defense stop there. President Truman has been so busy winning elections that he doesn't realize that Sec'y of Defense Forrestal is now advocating in public what he long intimated in private—removal of Truman as Commander-in-Chief.

In the Saturday Evening Post (Nov. 27/48) Sec'y Forrestal states: "I should like to reiterate an earlier stand, which I advocated even before unification was enacted, that the Secretary of Defense should be given the "right to hire" in choosing not only his principal assistants, but the Secretaries who head Army, Navy and Air Force. Unless these men can work together as a team, unification will not be the success which it should be."

* * *

THE office of the Secretary of Defense, in letters since the broadcast, feels that I have misinterpreted this Hopley plan for defense. Says a spokesman for Mr. Forrestal: "From the Report and from discussing the matter with Mr. Hopley, I am certain there is no intent of any Gestapo-type of police or any infringement upon any bureau of internal security, such as the FBI. I am certain there was no intent of any infringement upon the rights of any citizens."

* * *

Ladies and Gentlemen: I leave it to you whether the Dep't of Defense knows what it is doing to your liberties.

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

IT'S a wise wife who chooses happily married women for her friends.

Because women borrow unhappiness from each other. One woman who is down on marriage, suspicious of men, and convinced that men get the best of everything, can have a powerful effect on her women friends.

MILLETT

With no trouble at all she can make them begin to wonder if they're really as well off as they think they are.

She can make them dissatisfied with their lives, making what has seemed easy-going contentment suddenly look like dullness.

* * *

CHANGES WHOLE OUTLOOK

SHE can make them feel put upon if they are going through a period of hard work and doing without. What they once looked upon as being "real partners" to their husbands can be made to look like getting the worst end of a bad bargain.

So the woman who is happily married and wants to stay contented with her lot in life had better not get on intimate terms with a dissatisfied wife.

Such a wife spreads dissatisfaction, And it seldom seems to work the other way.

Instead of several happy wives changing an unhappy wife to their attitude toward men and marriage, the unhappy wife makes the happy ones begin to doubt and wonder.

The safest thing for happy wives to do is stick together.

By Bennett Cerf

"Try And Stop Me"

MRS. VAN CARTMELL, beautiful wife of the Doubleday editor, turned up recently in a costly new sable coat. "The publishing business must be profitable these days," remarked an envious friend. Cartmell overheard and assured her, "The publishing business isn't responsible for that coat. It was bought by water power."

"I don't understand," said the mystified friend. "It was bought by water power," repeated Cartmell. "My wife cried every night for two months until I bought it for her."

* * *

JACK JOHNSON, proprietor and editor of the Cape Codder, tells of a matter-of-fact Wellfleet widow who was reminiscing about the passing of her second mate: "He got up as usual that mornin' and dragged hisself outdoors. I steamed over the breakfast and finally I got plumb tired of waiting, so I went to the barn to fetch him. Hmphh! There he hung—and not a blessed chore done!"

(Copyright, 1948, Bennett Cerf.)

Journal Jabs

THE number of persons drawing money from the government has increased to a ratio of 1 to 6, and we seem to be well on the way to the point where the government will support everybody

* * *

An optomist and a pessimist each order an oyster stew. The optimist is disappointed in not finding a pearl; the pessimist is agreeably surprised to find an oyster.

Today's Thought

Say unto the king and to the queen, Humble yourselves, sit down; for your principalities shall come down, even the crown of your glory.—Jeremiah 13:18.

* * *

The high mountains are barren, but the low valleys are covered with corn; and accordingly the showers of God's grace fall into lowly hearts and humble souls.—Worthington.

Laff-A-Day

"Maybe you'll be a little more careful who you're calling a tomboy!"

BY MARQUIS CHILDS

Resentment Toward Newsmen Is Behind President's Smile

WASHINGTON — Every president in recent times has had his troubles with the press, and the man who will occupy the White House for the next four years is no exception. Beneath President Truman's smiling jocularity with the reporters who confront him at his press conference is real resentment of the treatment accorded him during the campaign and before.

CHILDS

It is not unlike the resentment which President Roosevelt occasionally voiced in jibes at the working press. This was back of President Truman's statement that there would be no changes in his official family.

He has sometimes been amused, but more often annoyed at the attempts of columnists and others to remake his cabinet. The President felt it was a good opportunity to teach these eager volunteer helpers a lesson.

Prior to the inauguration on Jan. 20, there will be no changes of any importance. But after that date the way is open for some major shifts in top personnel. The President will have had the satisfaction of putting the columnists in their place.

* * *

Took Similar Stand

In his press conference he was careful to point out that he had taken a similar stand when he first moved into the White House in 1945. Then, too, the eager press was ready with myriad suggestions and the President squelched all rumors about impending change.

Not long afterward, however, when the speculation had subsided, a whole series of changes occurred. At the request of the President, most of the new dealers inherited from the Roosevelt cabinet stepped out, some with good grace, others fuming at being separated from the prestige of high office.

Attorney General Francis Biddle, Secretary of the Treasury Morgenthau, Secretary of Labor Frances Perkins, all went out. A little later Harold L. Ickes made the most spectacular exit after his violent quarrel with the President.

Postmaster General Robert E. Hannegan left and so did his protege, Gael Sullivan, who was executive director of the Democratic National committee. Virtually the only survivor out of the Roosevelt past is James Forrestal, who was appointed Secretary of the Navy in May 1944.

* * *

THIS time, of course, the situation is different. Truman's family is of his own creation. Loyalty, which is one of the President's most deeply engrained traits, enters in.

Particularly is this true when his bosom companions of long standing let him understand that they are staying on out of heartfelt duty and at a great sacrifice of their personal interests. They may believe it themselves, but the plain truth is that, in the GI phrase, most of them have never had it so good. Separation from public office would mean the dimmest obscurity.

Another reason why the President decided to move slowly and cautiously is the long line of candidates eyeing expected vacancies. The White House has been bombarded with propaganda for these candidates, particularly by zealous friends of former Assistant Secretary of War Louis Johnson, who is reported to be campaigning intensively for Forrestal's job as Secretary of Defense.

* * *

Commerce Job Sought

The top post in the Commerce department is another being sought by at least three willing helpers. Both in public and in private, they have been pressing their claims and their qualifications. When this furor has subsided, the President will be able to make his own selections without a sense of having someone peer over his shoulder.

During his career in politics the President has taken a great deal of pounding from the press. That was true all during the days of the Pendergast machine, when Truman was sideswiped by the investigation into corruption and crime even though no amount of investigation could ever put any of the blame on him.

The President and the men around him feel strongly that the press did not present the issues of the campaign as the President voiced them in his speeches. They believe that far too much emphasis was placed instead, on the "give 'em hell" side of the Truman crusade.

There will never be anything like the Roosevelt prescription of a dunce cap for reporters asking unwelcome questions.

Today's Journal Editorial

FUTURE CABINET CHANGES

No one apparently has attempted to deny that several members of the President's Cabinet—notably Defense Secretary Forrestal—failed to exert themselves vigorously in Mr. Truman's behalf during the election campaign. Speculation inevitably followed as to how long these officials would retain their high positions.

Mr. Truman has quieted this gossip momentarily by announcing all Cabinet members have been invited and have agreed to remain. In that action, the President probably is wise. It preserves at least the appearance of harmony in the Cabinet family.

But Mr. Truman is a man of long memory. Those in position to know agree that he wasn't happy over the lethargy of some of his Cabinet advisers. It therefore will not be surprising if, further down the line, some changes are made. It is a safe bet that men like Mr. Forrestall would not be regarded as a good insurance risk to be on the official scene at the end of the Truman administration.

WHO'S SCARED OF AN OLD TURTLE?—Ronnie Sharum, 4, of Los Angeles, was told that the best way to get acquainted with a turtle was to offer him a carrot—but to sure not to scare him. So he tried that approach with "Big Boy," owned by his neighbor, Dr. I. D. Nokes. The question is—just who got scared?

Wave Of Petty Thievery Hits

A serious wave of petty thievery continued overnight, officials announced this morning.

Three girls and two boys were sought in connection with theft of a belt buckle, tie clasp and belt clasp from a Mr. Morris of A&B cafe, in 2400-block College Ave., officials said.

A jacket was stolen from the truck of John Forsythe of Fort Worth, he informed Lubbock officials.

Bill Roberts, 21, of Lubbock waived examining trial in the court of D. W. Robertson, justice of peace, on a charge that he stole $50 in money from Troy Stone. The defendant was arrested by Deps. Sheriff Tom Cannon and Raymond Land. Wilda Stone swore to the charge before A. W. Salyars, assistant district attorney. Bond of $1,000 was set.

E. J. Crawford told police that $91 had been stolen from a cigar box in a cabinet at his residence, 2307 Thirteenth. The money was proceeds of a dance held at Lubbock Air Force base Saturday night by a club of which Crawford was president, he told police.

The sheriff's department was informed that a trailer bearing 1,762 pounds of cotton had been stolen the previous night from a farm a mile south of Monroe.

Lionel R. Julsen, 36, of Lubbock, appeared before Judge G. V. Pardue of 99th district court late Tuesday afternoon and entered a plea of guilty to a second offense of drunk driving, a felony. He was given a five-year suspended sentence, the district attorney's office reported.

Ernesto Lucera, 26, of Lubbock, posted $1,000 bond on a charge of desertion of a minor child. The bond was set by Justice of the Peace C. E. Lynn after the complaint had been sworn by Lucera's wife before assistant District Attorney A. W. Salyars.

NANKING ENCIRCLEMENT BROKEN

Reds Tighten Trap On Suchow Forces

(By The Associated Press)

NANKING, Dec. 8 — Units of the government's hard-pressed 12th Army group were reported today to have smashed through Communist encirclement in the crucial battle for Nanking.

The government military news agency said these units had made contract with other Nationalist troops advancing northward from the new Mwai river defense line about 100 miles northwest of here.

There was no confirmation of the report by foreign military circles. The military news agency report had no other details.

Short On Supplies

The bulk of the 12th has been trapped nearly two weeks southwest of Suhsien, rail town 45 miles south of fallen Suchow. The army group, short on food and ammunition, is getting some supplies by air.

Meanwhile, other Communist columns were reported tightening the noose on the 250,000 government troops which abandoned Suchow a week ago in an attempt to relieve the 12th Army group.

The former Suchow garrison, made up of three army groups, is trapped in a shrinking pocket about 50 miles southwest of Suchow.

The three Nationalist army groups were described as offering stiff resistance. The Second Army group, led by German-trained Chiu Ching-Chuan — one of the Nationalist's most respected field commanders — was bearing the brunt of the Red attacks.

Air Attacks Pressed

Clear weather intensified activity from Nanking's airfield. Fighters and bombers were shuttling between the capital and the combat areas to the northwest.

The critical nature of the battle was reflected by a government order extending martial law to the Wuhan area of Central China.

The government also was rushing all available reinforcements to the Hwai river defense line.

But battle reports everywhere seemed to toll "too late" for frantic efforts to stave off a Communist attack on the capital of Chiang Kai-Shek's government.

(In North China, the Nationalists were reported fighting less than 25 miles northeast of Peiping. They hoped to slow down Communist forces driving down the railway from Jehol. Peiping sources disclosed government loss of Chorsien, 35 miles southeast of the city.

Rumors In Shanghai

(In Shanghai, an almost hysterical wave of rumors swept over the metropolis saying American marines would be landed there to maintain public order. U. S. Consul General John Cabot denied such plans).

(Vice Admiral G. C. Crawford of Black Mountain, N. C., ranking U. S. naval officer in Shanghai, told a news conference he had no knowledge of any plans to bring marines to Shanghai for any reason. He added that the Navy's attention is directed only toward possible emergency evacuation of Americans and not to maintain order or guard property.

(Crawford said any other course would have to be decided in Washington).

Egypt sold a record 622,600 tons of salt last year, 68 per cent of it to Japan.

Russia Demands UN Korean Action End

(By The Associated Press)

PARIS, Dec. 8—Soviet Delegate Jacob A. Malik demanded today the United Nations' Korean commission be ended, terming it a "tool of American imperialism."

Malik said John Foster Dulles, acting chairman of the U. S. delegation, "wants to utilize the U. N. as a cloak for transforming southern Korea into a playground of capitalism and a springboard for imperialism."

The Russian delegate spoke throughout the morning session of the 58-nation political committee in support of a Soviet proposal to drop the Korean commission.

Western observers said there was a threat of a Soviet bloc filibuster to prevent action on Korea's case at this session of the general assembly, but the American delegation hopes the question of Korean independence will reach a vote before the political committee ends this session's work tonight.

The Russians are opposing an American-Chinese-Australian resolution presented to the political committee yesterday, calling for recognition of the government of American-occupied South Korea as a legal one, and for a new U. N. Korean commission empowered to work for reunion of North and South Korea and check on withdrawal of occupation troops. Russia occupies North Korea.

The Soviet bloc nations set out to prolong the debate. They protested a suggestion by New Zealand's prime minister, Peter Fraser, to limit speakers to 30 minutes. The Ukraine, White Russia and the Soviet union declared it was an attempt to impose gag rule. Their protests alone took up 15 minutes of valuable time.

The political committee is working against time.

Chairman Paul-Henri Spaak of Belgium has ruled that it must end its debate by tonight. The assembly winds up Saturday and the assembly must act on any resolutions passed to give them legal effect.

JUST ARRIVED. 8—1949 FORDS ON CONVOYS
(To be divided between our two lots.)
A wide selection of colors and body styles, all Custom "8". Many others to choose from.

Nothing So Evil As Bolshevism Able To Endure, Writer Claims

By DEWITT MACKENZIE
Associated Press Staff Writer

There lie before me on my desk two news items which come from widely separated places and have no immediate connection but which, by an association of ideas, combine to convey a striking message.

One dispatch comes from Wiesbaden, Germany, which is U. S. Air Force headquarters in Europe. It quotes two Russian Air Force fliers, who fled the Soviet Union—Lieutenants Peter A. Piragov and Anatoly P. Barsov—as declaring that the Red armed forces are torn with dissatisfaction and couldn't win a war against the United States. They further say 70 per cent of the Russian people hate the Communist regime, but "don't dare do anything about it."

Will Inform People

The other message is from Paris and reports Mrs. Franklin D. Roosevelt as saying that a "curious grapevine" will inform the Russian people of the declaration of human rights which has just been completed by the United Nations social committee. Mrs. Roosevelt, who was a pioneer in framing the declaration, told a press conference that it cannot be kept from the peoples of the world despite state control of information.

Mrs. Roosevelt said the declaration will give "moral strength to the man-in-the-street. It will encourage him to ask questions of his government and demand that individual laws and customs be changed to correspond to the declaration." She added that "all governments, even totalitarian regimes which completely control means of information, are affected by what their people want. Sooner or later, they have to meet these needs.'

Shrewd Appraisal

That strikes us as being a shrewd appraisal of the situation. I think we can carry it a step further and say that the Samson of human rights one of these days will arise in the shape of revolt by the oppressed peoples and rend the Bolshevist structure. As this column has maintained before, nothing so evil as Bolshevism can endure indefinitely. The Genghis Kahns, the Hitlers, the Scarface Capones all have had their day—but where are their empires now?

It is only by dissemination of the truth in all countries that our chaotic world can be brought back to normal. And our own United States is—or has been—one of the blindest in sizing up this fearful Communist menace, which threatens the freedom of all nations.

Disclosures Shocking

The amazing disclosures of Red spy activities in the United States are shocking, but may prove to be a Godsend in the long run. It's too bad that we had to have this experience to wake us up, but now that we know what we are up against, we can take the necessary action. Apropos of the dangers, the Un-American Activities committee of the House of Representatives tells us in a pamphlet just issued:

"An estimated 800 American Communists have been trained in the Lenin school in Moscow—the highest college of Communism—in spying, bomb-making, kidnaping, train wrecking, mutiny, civil war, sabotage, infiltration and factory-wrecking. They serve as the high officers of a secret army now being drilled to overthrow our government." (A member of the committee told a reporter there isn't any real "army" but that this is just a descriptive way of putting the situation).

Surely we don't need any further demonstrations of the dangers of flirting with Communism, either at home or abroad.

Your Chance To Be A Goodfellow

If you know ANY child, regardless of race, color and religious sect, not over 14 years of age and residing within the Lubbock City limits who may be forgotten on Christmas day, fill out this coupon (PRINT plainly, please) and mail AT ONCE to the CHIEF GOODFELLOW, Box 561, Lubbock.

Name of Family ----------

No. Boys-------- Ages-------- No. Girls-------- Ages--------

All children are treated EXACTLY ALIKE, regardless of race or religious sect. But to aid in checking correctness of address, please indicate by check mark whether family is white------or negro------.

Ex-Teacher Receives Four-Year Sentence

INDIANAPOLIS, Ind., Dec. 8 (INS) — A former Elwood, Ind., school teacher who ran away to New York with an 18-year-old girl pupil, today drew a federal prison sentence of four years and a fine of $500 for the escapade.

Donald W. Brown, 44, was sentenced in federal court at Indianapolis on an indictment charging him with taking the girl to another state for immoral purposes.

Brown and the girl were found living in an Ithaca, N. Y., boarding house as man and wife last June. They said they were writing a book together.

Brown at first pleaded innocent, later changing the plea to guilty.
