NEW DELHI, India (AP)—Prime Minister Nehru sharply rejected Saturday key points of Red China's terms of settling the Himalayan conflict. He accused the Chinese of using their cease-fire as a cover up for adding huge chunks of borderlands to China.

China had warned Nehru earlier that if his troops did not withdraw also there could be a resumption of the fighting that had dealt Indian army forces shattering defeats in an offensive launched Oct. 20.

Key Points Of Red China Offer Rejected By Nehru

NEW DELHI, India (AP) — Prime Minister Nehru sharply rejected Saturday key points of Red China's terms of settling the Himalayan conflict. He accused the Chinese of using their cease-fire as a cover up for adding huge chunks of borderlands to China.

Nehru said Peking's three-point proposal of Oct. 24 and the proclamation Nov. 21 for a cease-fire and withdrawals were "clearly aimed at securing physical control of areas which were never under Chinese administrative control either on Nov. 7, 1950, or at any time prior to Sept. 8, 1962."

Nehru said that in Ladakh on the northwestern border — key point in the conflict — the Chinese proposed line turns out to be one established by your forces after massive attacks mounted since Oct. 20.

"This is a definite attempt to retain under cover of preliminary cease-fire arrangements physical possession over the area which China claims, and to secure which the massive attack since Oct. 20 was mounted by your forces."

Indian troops manning frontier battle positions peered, meanwhile, into the mountain mists and thick jungles for signs of the announced Chinese withdrawals.

New Import Plan Is Set

WASHINGTON (AP)—President Kennedy has proclaimed a new oil import restriction program based on the output of American producers instead of the demand of American consumers.

White House officials in explaining the new policy Friday said it will make little change in the present oil import situation or the amount of oil and petroleum products shipped into the country next year.

One official predicted the new program would not affect gasoline or oil prices. But the Independent Petroleum Association of America, which has sought the new change, said it will mean "a significant and meaningful improvement in the oil program."

The basic points laid down in Kennedy's proclamation: —Petroleum imports to areas east of the Rocky Mountains, instead of being limited by demand, will be restricted to a percentage of U.S. production, effective Jan. 1.

—Overland imports of petroleum and its products from Canada and Mexico, now exempt from restrictions, will be included. Under the new program imports of crude oil, unfinished oil and finished products—except residual fuel oils—will be limited to 12.2 per cent of domestic production east of the Rocky Mountains.

The percentage will be based on production in a similar six-month period the previous year. This imports during January, June, 1963, will be limited to 12.2 per cent of the domestic production during the first six months of 1962. If domestic production increases next year, production goes up the following year.

'OLD PAPER' PRIZE IS STILL WAITING

Somebody might miss winning \$25 if they wait till too late in digging out a treasure of an old newspaper in their attic or cellar. The contest for the oldest Snyder paper is open till Wednesday, Dec. 5.

The deadline on other materials is tomorrow for the "Snyder on the Go" edition. The field is wide open on the old newspaper contest. The earliest we have is 1895, and that means some issue between 1897 and 1895 might nose out the current "leader."

There are three nameplates to look for — The Coming West, The Western Light and The Scurry County News. All were published for several years before the turn of the century.

The "Snyder on the Go" issue of the Daily News will be distributed Sunday, Dec. 9, and it will be the most outstanding production we've ever produced. We're real excited over it, and so are our readers, because close to 1,000 extra copies already have been ordered in advance sales.

If you want extra ones for friends or relatives you'd better reserve them now — they're only 50 cents apiece and mailed anywhere in the U. S. at our expense.

Crash Puzzles Authorities

NEW YORK (AP)—Authorities puzzled Saturday over the cause of an airplane crash that killed 25 at Idlewild Airport while making a fog-shrouded landing described as the type "done every day."

Twenty-six persons escaped from the flaming wreck. The plane, an Eastern Air Lines DC7 en route from Charlotte, N.C. missed a runway by yards in coming in for a landing Friday night in patchy fog.

Hyman Modelovsky, air safety investigator for the Civil Aeronautics Board, told newsmen, "The landing was perfectly legal — it's done every day."

"For as far as we know, the weather conditions and the equipment available were sufficient for a legal approach."

One radar approach system was not working but another was operating as the plane headed toward runway "four-right."

Modelovsky said the airport's approach control twice told planes including the one that crashed: "Four-right I.L.S. (instrument landing system) in use; landing runway four-right; wind calm; the Idlewild weather; sky partially obscured, visibility one and one-half (miles) with fog, alti-

meter setting 3-0-5-1. "Precision approach radar not available; middle marker middle locator runway four-right inoperative; runway visual range four-right inoperative."

The precision approach radar has been inoperative since Nov. 13 while control tower facilities have been undergoing renovation. This time of the year was chosen for a change-over because the weather usually is clear.

Jaycees Planning Yuletide Contests

The Snyder Jaycees will sponsor a residential Christmas Lighting Contest here this year, Darrell Parrish, chairman of the contest committee announced today.

The contest begins on December 3 and ends on December 19, and is being promoted to spread the spirit of Christmas by means of decoration with light, he said.

Two contests and two sets of prizes will be given, one for religious door and window decoration (must be visible from the street to qualify), and the other for the best outdoor lighting.

Emphasis on originality, design, and good lighting principles is urged, and prospective entrants are reminded that the most expensive display is not necessarily the most likely contest winner.

Contest rules specify that no entrant will be allowed to enter both contests.

Prizes for the religious theme include a \$25 savings bond for first, and \$10 and \$5 cash prizes for second and third. Best outdoor lighting prizes will be an electric yard light installed for first, a dual-controlled electric blanket for second, and an electric mixer for third.

Parrish in announcing the Christmas Lighting Contest, stated that "our community will receive a great many benefits from an all-out effort to decorate our homes. The contest will provide pleasure for everyone participating and will help beautify our city at this season of the year. The Jaycees encourage everyone to participate and join them in the spirit of the holiday season."

Texas Electric Service Company employees are not eligible for entry in the outdoor lighting phase.

Soviet Poets Blast Stalin
MOSCOW (AP)—Soviet poets Friday night boldly recited anti-Stalinist poems before a rapid audience of young people in a jammed Moscow sports palace.
In addition to the 12,000 persons in the hall, millions of Moscow television viewers listened to the bitter verses denouncing Russia's late dictator.
"Why in such a land of godless, did all of us here become servants of the cdfit," asked the popular young poet Robert Rozhdenskiy in his verse.
Thunderous applause broke out after the poet finished and brought him back for repeated encores.
The three-hour and 45-minute poetry reading session was said to be the largest ever held in the Soviet Union. The occasion marked the annual celebration of the Soviet Union's Poetry Day.

OUR VIEW

Pressures Have Become Big Part In Our Way Of Life

Arrival of the Christmas season points up once again the pressures of civilization. During the next three weeks these pressures are going to build up, and in some cases no doubt they will ultimately become so great that people will be virtually unable to relax and enjoy the great holiday which they have been looking forward to.

Voices are raised in protest, from time to time, especially concerning the pressures associated with the modern observance of Christmas. However, pressures are part of our way of life. We live in a pushbutton age, but each new button, ostensibly bent on making life easier for us, seems to add to the pressure list.

Adults are caught in the swirl and almost invariably they insist that their children be indoctrinated early.

Speaking of children and pressures, these observations from the Charleston, W. Va., Daily Mail appear appropriate:

"... Under no circumstances are they to grow up to be themselves, assuming, of course, that they have any 'self' to be."

"These ungainly offspring must learn to read before they can learn to ride a bicycle, master French before they climb a tree and take up nuclear physics by junior high school. Thereafter they are expected to proceed at a rapid pace into the better colleges and then the learned professions."

We might add that they also should be getting their Christmas shopping done, and while they are about it they might remind their parents to do likewise.

Backstage...

When Santa Claus arrived in Snyder Friday, we happened to be sitting in a store that sells coffee, soda pop, ice cream, and like that. When Santa's big red fire truck drove by with its siren going, without exception every adult in the place ran to the door to see Santa, and give him a big wave. Only one person, a little feller with about six long years behind him on this earth, failed to jump and run. He had just started on a dish of ice cream. He cast an indulgent glance at the grown-ups, and kept right on working on the ice cream. The rough part of it is Santa will surely come to see him on Christmas Eve. For those of us that waved, we just don't know.

High School Parents Forum Meets Monday

The High School Parents Forum will meet Monday night, at 7:30 in the study hall. The study hall is located on the second floor of the high school.

The meeting will be the teaching of Social Studies and Foreign Languages. The history, civics and language teachers will make up a panel for the program. Anyone interested in these subjects may attend but the parents of high school students are especially urged to be present.

Market Has Biggest Monthly Advance In Number Of Years

NEW YORK (AP)—The stock market carved out its biggest monthly advance of many years in November.

As measured by the market averages, the straight-line rise in prices exceeded 10 per cent.

Although statistics on a monthly basis are hard to come by, veteran market technicians were unable to recall any single month that produced a comparable gain.

At the close Friday, prices had been restored to the levels of mid-May, a few weeks before the tumble which turned out to be the worst since the crash of 1929.

The market closed November with five straight weeks on the upside although last week's gain was about the smallest.

The analysis had no trouble listing the reasons for the spectacular performance even though no one had anticipated it.

Several of the major factors

were the disappearance of talk about a recession and emergence of optimistic predictions for the economy, the strong and successful stand of the United States in the Cuban crisis and the reappearance of the general public in the marketplace.

The statistics fail to tell the entire picture because comparisons are not available. But The Associated Press average of 60 stocks vaulted 22.4 points, from 218 to 240.4. The best previous monthly advance of the year was 10.3 points in July.

The best of 1961 and recent years was almost 14 points in January 1961. In contrast, October's gain this year was just over 3 points.

The Dow Jones industrial average surged through not only the 600 but also the 650 level, closing a hair below the latter at 649.30 after two sessions above it.

The November advance was 59.53 points from 589.77. Few market observers had figured either 600 or 650 level would be crossed this year. The October industrial average gain was under 11 points.

Standard and Poor's 500-stock index jumped 5.74 points to 62.26 from 56.52.

Based on the AP average, there were 14 days of advance against 6 of decline.

Volume for last week totaled 27,509,910 shares, compared with 18,471,945 the previous week. Daily average volume reached 5.5 million, compared with 4.6 million.

The most active issues on the New York Stock Exchange were General Dynamics, up 4% at 31 1/2 on 536,900 shares; Sperry Rand up 1 1/2% at 14 1/2 on 454,500 shares and Chrysler unchanged at 70 1/2 on 251,200.

Cotton Vote Set Dec. 11

The cotton quota vote coming up on Dec. 11 will mark the tenth consecutive year in which growers have voted on marketing quotas for their upland cottoncrop, Dee Flyant, Chairman of the Scurry County Agricultural Stabilization and Conservation Committee, said today.

"Beginning with the referendum on marketing quotas for the 1964 crop, growers have approved quotas for each year's cotton crop," he stated. "In the vote last year, on quotas for the 1962 upland cotton crop, 96.9 percent of the growers-voting approved the quotas."

By law, quotas must be proclaimed by the Secretary of Agriculture in years when the cotton supply exceeds normal. The estimated 1962-63 supply of upland cotton exceeds the estimated normal supply by 4.7 million bales.

For 1963, the chairman, explained, Scurry County has a total of 64,672 acres "available for allotment to growers on which to grow their upland cotton crop. This represents the county's share of the national allotment acreage of 16,250,000 acres, which includes 250,000 acres from the national acreage reserve to take care of minimum farm allotments. Individual farm allotments will be available to producers in advance of the Dec. 11 referendum.

It is not anticipated that this will be the final national acreage authorized for the 1963 crop because of new legislation to be recommended to Congress by the President. Establishing the national acreage allotment at the statutory minimum for the time being will give the Congress maximum flexibility in determining the acreage provisions to be included in the new legislation, USDA officials have said. It is anticipated, however, that such legislation would supplement rather than substantially change the basic program choices cotton farmers will vote on in the quota referendum Dec. 11.

If at least two-thirds of the growers voting in the referendum approve quotas for the 1963 upland cotton crop, price support at a level within the range of 65 to 90 percent of parity will be available.

A majority in an election is more than half the total votes cast for all the candidates for that particular office. A plurality is an excess of votes over the number for the next opponent.

Automatic elevators have replaced 40,000 operators in New York City in the last 15 years.

able to growers who comply with their farm allotments and marketing quota penalties will apply to any "excess" cotton produced on a farm. All farmers who engaged in the production of upland cotton in 1962 are eligible to vote in the Dec. 11 referendum.

Col. Banks Scout Banquet Speaker

Col. Wilson H. Banks, Wing Commander at Webb Air Force Base, will be the principal speaker Monday night at the Lone Buffalo-Boy Scout District banquet here.

The banquet is set for 7 p.m. in the West Elementary School cafeteria.

A native of Munday, Col. Banks attended public schools in Brownfield and Dallas and later attended Texas Tech. He left college in his senior year to enter the Army Air Corps in 1938. In 1952, while on duty in the Philippines, he completed his work on a bachelor of science degree and was graduated from the University of the Philippines.

Col. Banks entered flying school at Randolph Field as an aviation cadet and received his commission as a 2nd lieutenant in February, 1939. He completed the Good Will flight around South America while assigned to the 2nd Bomb Group in 1939 and received the Order of the Southern Cross from President Vargas of Brazil.

He went to Puerto Rico in 1940 as commander of the 44th Squadron of the 49th Bomb Group, then on anti-submarine patrol, and later the 49th Bomb Group.

Awards Go To 19 In C-C Event

Nineteen Scurry Countians were richer by from \$10 to \$100 after pretty little Debra Beteg drew their names in the first of four weekly drawings. The money giveaway is a part of the Chamber of Commerce Merchants Committee's December program.

Winner of the grand prize of \$110 was H. A. Flournoy who lives on the Lamesa Highway. Second prize of \$75 went to F. H. Loso, Rt. 2. Third prize of \$50 was won by Dana Vicary of Hornleigh, and fourth prize, \$25, went to Chris Stevenson, 2707 Thirty-fourth.

There were also 10 prizes of \$15 each and five \$10 prizes. Winners of \$15 were Pam Halgwood, 1497 Thirty-first; Regina Ellis, 2214 Fourth; Billy Bob Terry, 3004 Avenue V; J. B. Newton, 1003 Avenue S; Mrs. W. L. Hazlewood, Rt. 3; Mrs. Steve Cox, Jr., Ira; A. E. Vernon, 800 Twenty-seventh; Lillian Hardy, 2108 Twenty-eighth; Mrs. J. A. S. Stewart, 1205 Twenty-eighth; and Mrs. H. W. Rodgers, 212 Elm.

Winners of \$10 were Terry Ranefeld, 3717 Sunset; Geneva Riddle, Rt. 2; Mrs. Bobbie Cuppet, 2190 Fortieth; Mrs. H. S. Clary, 708 Twenty-third; and Georgia Webster, Dermott.

Each week is a new contest, with the previous week's registration forms destroyed. Shoppers in Snyder may register at any of the firms participating, each of which is identified by a white star on the door.

The slogan of the Merchants Committee is "Shop with the star on the door." A total of \$450 will be given away on each of the next three Saturdays by the Committee. The drawing Saturday was held on the south side of the courthouse. Locations of future drawings will be announced each week.

Junior Play Scheduled At High School

Snyder High School students will present the Junior play, "The Matchmaker," on Dec. 10 and 11. The play by Thornton Wilder is directed by Mrs. Sue Parham.

In the play, a certain old merchant of Yonkers is so rich that he decides to take a wife. To this end, he employs a matchmaker, a woman who subsequently becomes involved with two of his mental clerks, assorted young lonely ladies, and the headwaiter at an expensive restaurant where the swift farce runs heading into a hilarious climax of complication. After everyone has his heart's desire, the merchant of Yonkers finds himself engaged to the astute matchmaker.

The leads will be portrayed by Jimmy Laster, as the old merchant, and Judy Buchanan as the

matchmaker. Other roles are to be played by Dalton Walton, Charles Park, Richie Smedley, Bob Carroll, Ronnie Anderson, Bobby Covey, Mike Graves, Charlette Wornack, Diana Aizer, Phyllis Burns, Sally Wade, Jan McLeod and Virginia Jackson. Ray Logan is assisting in direction.

Snyderite Is In LCC Social Club

Lynn Palmer, son of Mrs. Delois Palmer of Snyder, was recently initiated into Sigma Kappa Chi, a men's social club at Lubbock Christian College.

Organized in 1968 when the junior college was in its second year of operation, the club sponsors inter-campus sports events, competes for the highest cumulative grade average of the 11 social clubs at LCC, and holds social events such as banquets and picnics.

Palmer, a May graduate of Snyder High School, is a freshman at LCC.

MRS. CLIFFORD HALE
...Fourth in the Nation

Snyderite High In ASC Contest

Mrs. Clifford Hale, employee of the local ASCS office, has been notified that she is the first place winner for Texas, and fourth place winner nationally, in a nation-wide emblem contest for NASCO, National Association of ASC County Office Employees.

Mrs. Hale was awarded a \$25 savings bond by the Texas Association of ASC County Office Employees which recognizes par-

ticular ASC employees who, in a special way, show ability, initiative, and determination to perform outstanding service to the association.

Mrs. Hale's entry was picked from entries submitted from counties all over Texas. Each state in the nation was limited to one entry in the national contest, and the insignia had to be original and created by an ASCS employee who is a member of NASCOE. NASCOE is an independent employee group representing employees hired by elected county ASC committees and working for employee benefits and for the welfare of agriculture.

Retail Sales Rise Briskly

AUSTIN (AP) — October retail sales in Texas rose briskly from September sparked by a big surge in auto sales, the University of Texas Bureau of Business Research said Saturday.

Total October sales were about \$1 billion, the bureau said. Sales of durable goods rose 27 per cent in October while cumulative sales were up 20 per cent for the year, the bureau reported.

Sales of automotive stores rose 45 per cent, the bureau said, instead of the usual 5 per cent hike in October. The increase was due to a 50 per cent increase in the sales of automobiles. New and used car sales ran 32 per cent ahead of the same month last year.

"The tremendous demand for 1963 models is pushing the entire economy upward as orders are placed for more steel, glass, aluminum, tires and other components," the bureau reported.

"This one factor is playing a significant part in moderating fears of a recession in 1963."

October sales of nondurable goods were at about the September level, but showed a 3 per cent rise over the year from the same period in 1961, the bureau said.

Seven presidents have died in office. They were Harrison, Taylor, Lincoln, Garfield, McKinley, Harding and Franklin D. Roosevelt.

Basin's Rig Count Dips

Rotary drilling activity in the Permian Basin oil fields declined last week, following a seven-week period of continuous gains.

Reed Roller Bit Company's Friday survey listed 208 working rotaries in the basin, a decline of 35 from the 243 tabulated a week earlier. The Friday count also represented a drop of 20 from the 228 logged at this time last year.

Borden County had a big increase, from 1 to 5, and Fisher County's count was up from 4 to 5. Scurry County's count was unchanged at 5, while Garza County was up from 1 to 2 and Kent County's count declined from 3 to 2.

Lea County, New Mexico, still led the basin, with 29 rigs running. Andrews and Ector Counties had 14 each.

DROP 21-0 TILT

Gail Felled In Regional

CHILDRESS—The Booker Kio was glided past Gail's Coyotes 21-0 here Friday night for the Region 1-B eight-man grid championship. The loss was the first of the season for the Coyotes of Coach Jim Hooper in 12 outings, while the Kiowas capped off their year with a 9-1 record.

Booker got the jump on the Coyotes in the first period when safetyman Bill Nunnally tumbled a punt that rolled into his own end zone and was pounced on for a touchdown. Tom Mounsey converted by the ground route to give Booker an 8-0 lead.

Mounsey followed up with a three-yard touchdown stab in the second period, then ran the kick-

off back 70 yards for the final Booker tally to open second half play.

The Coyotes held the edge statistically, but were unable to capitalize on any of their scoring opportunities. The loss was only the fourth suffered by Gail in its last 71 outings over a period of years.

From there on, it was strictly Dumas' game. Norman Bonner scored three of the Demons' touchdowns, two on short runs and the third on a pass from quarterback Joe Parsons. Julian Miller, Doug Holtzclaw and Parsons each accounted for additional touchdowns. Joe Ballard added one point by kicking and Roland Smith ran over for two extra points.

Dumas' strong defensive unit held the Indians to a net gain of only 2 yards and it was not until late in the fourth quarter that Seminole was able to make its first down.

The Indians leading ground gainer of the season, Frank Dice, was stopped for a minus 17 yards.

Dumas Downs Tribe, 39-6

PLAINVIEW, Tex. (AP)—The Dumas Demons, the Class AAA defending champions, smothered the Seminole Indians 39-6 on a muddy field Saturday to advance to the quarter-finals of the state playoffs.

Seminole quarterback Larry Tipping took the opening kickoff and went up the middle of the field for 90 yards and the Indians' only touchdown.

From there on, it was strictly Dumas' game. Norman Bonner scored three of the Demons' touchdowns, two on short runs and the third on a pass from quarterback Joe Parsons. Julian Miller, Doug Holtzclaw and Parsons each accounted for additional touchdowns. Joe Ballard added one point by kicking and Roland Smith ran over for two extra points.

Dumas' strong defensive unit held the Indians to a net gain of only 2 yards and it was not until late in the fourth quarter that Seminole was able to make its first down.

The Indians leading ground gainer of the season, Frank Dice, was stopped for a minus 17 yards.

THE BIG PLAY—Sandra Autry (30, far left) is off and running for 38 yards and a touchdown in this shot as Dana Westfall (12) attempts to make the stop for the Gold team. The Black team decided the Golds in this Friday Powderpuff Football Game played before a large crowd of fans in Tiger Stadium.

Winners In PP&K To Perform

DALLAS—Regional winners in the second annual Ford Motor Company Punt, Pass & Kick contest will compete here Sunday in pre-game and halftime events at the Dallas Cowboys-Cleveland Browns NFL game in the Cotton Bowl.

The youthful contestants, a group of seven through eleven, will punt, pass and kick for distance and accuracy with hopes of winning a free trip to the NFL World Championship Game and the White House.

Scores registered here Sunday will be forwarded to National PP&K Headquarters where they will be graded against other Regional winners.

The five regional champs who will appear here have registered the best scores in local contests staged by Ford Dealers throughout the Southwest.

Prior to the competition Sunday afternoon, the contestants will be feted at a banquet Saturday night in the Sheraton Hotel where they will meet Cowboys' players and coaches.

The regional winners who will compete here are: Rickie McKee, 7, Sonora; Dennis Wesley, 8, Winers; Tony Barton, 9, Earth; Jimmy Moffitt, 10, Dallas; and J. B. Robinson, Jr., 11, Lancaster.

Between You And Me

BY JERRY JACKSON

Female footballers can "mix it up" just like their male opposites. That fact was proven conclusively here Friday afternoon when Snyder High senior girls clashed in their Maybee Annual Powderpuff Football Game.

J. M. Kayser, working the public address, tacked the "maybe" designation onto it with the ad lib that it "depends on the casualties."

One source of consternation of the fans — and there were a lot there — was that no weights were listed on the programs. A girl's weight is "nobody's business but her own, one fact that is irrevocable and timeless."

It was quite a colorful occasion, right down to the (he mums the girls gave the boys serving as coaches and cheerleaders.

The Guggenheim-Marching Band put on quite a show at halftime, too, featuring an unusual brand of — as they put it — "percussionless marching." Monty Montgomery, huddled in the warmth of the press box, winced ever so slightly through the entire performance.

As far as the game was concerned, the tackling — like the weather — was crisp, and the Blacks came through to come from behind and down the Golds 16-6. Masterminding the winners were Darrell Aldridge, Glen Banks, Jerry McDowell and Dalton Walton.

Darlene Woolever crashed over from a yard out in the first quarter to put the Golden Girls into the lead, but Sandra Autry got the eventual winners back in the game with a 38-yard scamper around right end in the second period.

Quarterback Becky Beatty passed to Sandra Brinner for the points, and they were ahead to stay.

The Blacks put the icing on the cake in the final quarter when Brazilian flank Maria Buritt tossed to Miss Brinner on a seven-yard scoring strike. Miss Autry galloped around end for the conversion points.

From where I was sitting, it looked like the Golds were just simply outmanned, or would "outgirtled" be the appropriate term?

Three days after the World Series, Ralph Terry of the Yankees took a 74 at Metropolis, White Plains, N. Y., and three days later at Dellwood, New City, N. Y., he scored a two-over par

Lions Batter Cubs Into Submission

SWEETWATER—A Cub tackled a Lion here Friday night, with the inevitable result, as the Brown-voiced Lions of 4-AA walked neatly over the 3-AAA Brownfield.

With the win, the Lions continued as the only Class 3A team in the state with a perfect record by hiking their won-lost mark to 11-0.

It was with comparative ease that they rang up the decision, faking advantage of every opportunity in scoring in each of the first three quarters for a 21-0 lead before the Cubs could come back and hit the scoring column themselves. They capped off their effort with a 17-point fourth period to erase any doubts as to the outcome.

In another game of area interest, the Rotan Yellowhammers copped the Class A regional title the same night by submerging Big Lake, 28-12.

The Yellowhammers had previously won out in their bi-district clash over Seagraves by 27-0 in a game played in Snyder Thanksgiving Day.

The nationally eighth-ranked Sooners scored all but one of their touchdowns in the first half. The final Oklahoma score came on the last play of the game when the Sooners rushed down the field after Oklahoma State spoiled Oklahoma's bid for its fifth shutout of the season by scoring with 56 seconds left to play.

The lopsided victory gave the Big Eight Conference champion Sooners a regular season mark of 8-2 and dropped Oklahoma State to 4-6.

The Sooners will play Alabama in the Orange Bowl at Miami New Year's Day.

San Angelo Romps, 38-6

SAN ANGELO, Tex. (AP)—The San Angelo Bobcats smashed El Paso Austin 38-6 before 10,000 fans Saturday to gain the state quarter-finals of Class AAAA for the second season in a row.

The victory sets up a rematch between the Berger Bulldogs and the Bobcats. The two teams met in San Angelo in the opening 1962 game with Berger edging the Bobcats 18-13 with a touchdown in the last 30 seconds.

San Angelo, in gaining its eighth win of the year against three losses, had little trouble with the Panthers from El Paso, scoring the second time they had possession of the ball.

The first scoring drive consumed 76 yards with quarterback Ronnie Henson keeping over right tackle for the final 19 yards. Henson rolled over the same spot for the conversion to make it 8-0.

Still in the first, San Angelo drove 52 yards for another score with halfback Bill Paschall circling right end for 32 yards and the score. The conversion failed.

The Bobcats wrapped up another score before halftime, the touchdown being set up by an interception which was returned to the San Angelo 15. From here it took the Bobcats seven plays to travel 85 yards with Paschall taking a pitchoff around left end 10 yards to the score. Henson rammed the conversion to make it 22-0 at halftime.

The Bobcats scored twice in the third quarter, Haskell traveling 11 yards for one touchdown and fullback Gordon Walker racing 38 yards for the other.

Henson passed to end Bob Paschall for one of the conversion and quarterback Richard Wallace ran the other.

Austin's lone score came late in the third with quarterback Henry Marquez passing to halfback James Parsons for 24 yards. The attempt to run the conversion failed.

End Jim Gibbons has either led or shared the Detroit Lions pass catching leadership for the last three years.

Junior High Quints In Season Openers

The big switch from the oval ball to the round ball is almost completed here in Snyder, with the Tiger cagers scheduled to launch their season Tuesday in Hamlin and the junior high quints slated to get a one-day jump on their "big brothers" by kicking off their season tomorrow evening.

Horned Frogs Nip SMU's Mustangs

DALLAS (AP)—Tommy Crutcher smashed his 205 pounds into the Southern Methodist Mustangs Saturday for two touchdowns and a Texas Christian win over a galant but underpowered Mustang team, 14-9.

Crutcher, a 6 foot 3 inch junior, vaulted over four other Southwest Conference runners to rank No. 2 in rushing yardage for the season with Saturday's performance.

The fullback crashed one yard in the second quarter and three in the third, with Jimmy McAteer kicking both conversions for all of TCU's scoring.

But Texas Christian could never rest easy with SMU playing much of the game deep in Horned Frog territory.

Four times Southern Methodist held the ball within scoring distance only to bog down and toss away the opportunities.

It was on another opportunity for a touchdown, in the first quarter, that SMU drove as far as the TCU 19, but couldn't move and John Richey kicked a field goal.

Midway of the third quarter, when TCU led 14-3, the Mustangs drove to within striking distance of a victory when Billy Gannon passed to Tom Sherwin for 9 yards and a touchdown and a 14-9 margin. But that was the end for the Ponies.

Texas Christian got in range for its first touchdown with a critical pass for 21 yards from Sonny Gibbs to Ben Nix that carried to the SMU one, from where Crutcher smashed over.

Crutcher helped himself with a mighty 15-yard scamper toward his second touchdown, a drive that included a 13-yard pass from Gibbs to Marvin Chipman.

SMU's lone touchdown came after another of its remarkable fumbles. A Texas Christian fumble of a punt found SMU's Sherwin covering the ball on the TCU 29.

The victory gave TCU a season record of 6 wins and 4 losses and a conference record of 5-2. SMU ended the season with a 2-8 mark and 2-5 league figure.

Trull Sets 3 Marks As Baylor Wins

WACO (AP)—Cool Don Trull set three Southwest Conference football records Saturday and proved himself to be one of the nation's top passers as he led the Baylor Bears to a 20-15 victory over Rice, Trull, a junior from Oklahoma City, set records for completed passes in a season, for passing yardage and for total offense.

He also jumped from third place to first in the nation in season pass completions with 125, passing Steve Mira's outcome in Miami's night game.

While he was setting all these records he scored a touchdown, passed for two others and turned a fumble into a successful two-pointer.

He completed 16 of 25 passes for 239 yards Saturday, giving him a season's total of 1,827 passing yards. The pass yardage rubbed out the one of 1,505 yards Texas Christian's great Davey O'Brien set in 1958.

His total offense mark of 1,768 yards broke the 11-year-old record held by TCU's Gil Barstow by 30 yards.

Trull, calm and cool in the face of oncoming linemen, picked his receivers with ease and poise. His signal calling outclassed the Owls and gave Baylor a share of fourth place in the Southwest Conference with a 4-6 record for the season and a 3-4 conference record.

Rice finished the season with a 2-6 record.

Trull ran seven times to net 15 yards, bringing his season's rushing total to 136 yards in 58 carries.

His pass completions put him ahead of Maryland's Dick Shiner. Mira had 111 completions going into his game Saturday night.

Trull got the Bears going in the first quarter and set up a two-yard scoring run by halfback Bert Tate. In the second quarter he passed 19 yards to James Rust for a score. He took one over himself in the third period on a four-yard end sweep.

He took position to hold a kick on the conversion try, stood up and fired a quick pass to Tom Davies in the end zone.

Trull ended Baylor's scoring in the fourth period with a nine yard pass to Ronnie Goodwin that climaxed a 61-yard, 10-play drive in which Trull threw only one pass.

Randy Kerbow, Rice's quarterback, had trouble hitting his receivers and needed a couple of spectacular catches to light the scoreboard.

End Gene Rasz made one of the catches in the third period when he leaped into the air in the end zone, got one hand on Kerbow's pass and pulled it down.

Fullback Paul Piper made the other one with only 18 seconds left to score Rice's other touchdown.

Trojans Clip Irish, 25-0

LOS ANGELES (AP)—The University of Southern California crushed traditional rival Notre Dame Saturday, 25-0, and swept on to the Trojans' first perfect season of football in 30 years.

Winding up the long campaign with their 10th straight victory, the No. 1 ranked team in the nation scored four touchdowns to defeat the fighting Irish for the first time since 1965 and shut them out for the first time since 1958.

Southern led the first time they got the ball, led 10-0 at the half and completed the wrecking job with two touchdowns in the final quarter.

The heroes for Southern Cal were many, including quarterback Pete Beatard, speedy halfback Willie Brown and crowd-pleasing line smashes of the Trojans' 225-pound fullback, Ben Wilson.

Wilson scored two touchdowns, both times from one yard out, and was the leading ground gainer carrying 16 times for 72 yards.

Notre Dame took the opening kickoff, got nowhere and had to punt.

The Trojans traveled 60 yards in 6 plays for their first touchdown.

The Trojan defense held the Irish in check well into the second quarter when quarterback Daryle Lamonica and backs Don Hogan and Joe Farrell, mounted a drive that carried the Irish deep into Southern Cal territory. But the scoring drive died when Farrell fumbled and the Trojans recovered on their own 22.

Staubach, Middies Maul Army, 34-14

PHILADELPHIA (AP)—Jolly Roger Staubach, displaying more piracy than the Chinese Bandits he harassed, masterfully passed and ran Navy to a fourth straight football victory 34-14 over the frustrated Army cadets Saturday.

Sophomore quarterback Staubach accounted for four touchdowns, two by rushing and two with his unerring arm, while ex-Navy officer President Kennedy and 100,000 other fans jammed into Philadelphia Stadium watched the one-man show.

Constantly stealing yardage when he was cornered on runs or had defenders rushing him fiercely, Staubach ruined Army Coach Paul Dietzel's first-year mission by sending the Middies into a quick 15-0 lead.

The most dominant figure in the colorful service rivalry since Navy Joe Bellino scored three touchdowns in 1959, Staubach passed 12 yards to end Neil Henderson and ran 20 yards himself into a quick 15-0 lead.

The most dominant figure in the colorful service rivalry since Navy Joe Bellino scored three touchdowns in 1959, Staubach passed 12 yards to end Neil Henderson and ran 20 yards himself into a quick 15-0 lead.

Staubach, flaunting Bandit defensive reputation, directed Navy to two touchdowns when the latter were on the field. On each of the first two marches, the fired-up man-in-motion series and recovered their own fumbles.

Nevertheless passes were the heart of the attacking Army's two touchdowns. A 52-yard strike from Cammy Lewis to Bob Wright put the ball on the two just before halftime. Don Purcell barged across.

Staubach nailed down the decision and made Wayne Hardin the first Navy coach ever to beat Army four in a row when he clicked with Nick Markoff on a 65-yard scoring aerial early in the third period.

The Cincinnati led, who had prepped at New Mexico Military Institute, completed his amazing performance when he dashed two yards in the finale.

The final statistics showed the amazing Mr. Staubach had completed 10 of his 12 passes for 204 yards and carried the ball 14 times for a net gain of 34 yards.

Navy psychology was directed at Army's Chinese Bandits, the prideful defensive unit which was the focal point of Cadet spirit.

Navy's traditional gimmicks included a jolly roger, skull and crossbones across the front of the helmet and the motto "Beat Army" written in Chinese script on the sides of the headgear.

DENTON, Tex. (AP)—Borger's Bulldogs intercepted six Irving passes and turned three of them into touchdowns Saturday for a 27-7 victory and to move into the state quarter-finals of Class AAAA schoolboy football.

Borger won its first AAAA bidistrict ball game in history by dropping Irving 27-7.

Borger took the opening kickoff and began to roll with 9-yard gains to their own 31 by fullback Lee Johnson. Johnson, halfback A. C. Tilmon and quarterback Wayne Raps alternated on 16 running plays to the Irving 2. Raps scored from that point and also kicked the extra point.

Two pass interceptions broke Irving's back in the second quarter. Raps pulled in the first one midway in the quarter to start a drive which ended when Johnson scored from the one. Raps kicked the extra point with 1 minute 50 seconds left in the first half.

ANNOUNCEMENTS
CARD OF THANKS
We take this means to express our sincere thanks to our loved ones who were so kind to us in our darkest hour of sorrow (when our loved one was "GONE AWAY")... We deeply appreciate the kind words and beautiful flowers that were sent; also the food that was prepared. May you have just such friends if such sorrow ever visits your home. May Heaven's richest blessings fall on each of you.

TOP TV TONIGHT

By BUD EVANS

9:00 NBC "Show of the Week" is a sixty minute drama by Jerome Ross starring Dana Andrews, Robert Walker, John Baragrey and Staats Coussworth. "Mutiny", Captain Vanning, of the U.S.S. Bowers, is charged with the murder of a 17-year-old apprentice killed during a training cruise. Lonnie Chapman, Fred Stewart, Dirk Kooiman and Allen Nourse are featured. COLOR.

OTHER HIGHLIGHTS
 2:30 ABC "American Football League" originates in Houston and spotlights the game between the Denver Broncos and the Oilers.
 5:00 CBS "Twentieth Century" presents a biography of Pierre Laval, twice Premier of France, who masterminded France's surrender to the Nazis in World War II and who, after the fall of France collaborated with Vichy Government.
 8:00 NBC "Ensign O'Toole" uses hypnotism to cure Chief Nelson of his gambling urge and to convince Lt. St. John that he is the best officer in the Navy. O'Toole's "treatment" is so effective that it turns St. John and Nelson into petty tyrants who run the Appleby like a slave galley.
 8:30 NBC "Walt Disney" presents the first of a two-part comedy drama about a band of 19th Century land-pirates who use the cover of darkness to lure ships onto the rocks off Long Island. Os-

LIGHTEST MEXICO

By JOHN ABNEY

MEXICO CITY - So there we were sitting around the Press Club the other day eating olives (fished out of martinis) and Mr. Pancho Ochoa of American Airlines told us something very interesting.

It seems there was a fellow named Canuto who lived in the mountains way, way down in the southern part of Mexico. And one day his uncle passed on to his reward and left Canuto a piece of territory which Canuto promptly sold.

First thing he did was move to the village and buy a two room mansion with a front porch. Then he acquired a burro and several bags of corn and beans.

This put him in the country club class.

He slung his hammock on the front porch and slept there. Cooked on a charcoal burner on the porch, lived on the porch and as far as Mr. Ochoa knows, the only purpose the house served was to hold up the porch.

After a month of recuperating from the tribulations of becoming wealthy, Canuto galloped his burro over the mountains to a city for a general check on progress. And he departed well armed with pesos.

The next day, reports Mr. Ochoa Canuto was back home with a curious white porcelain chair he bought in a plumbing shop. It had a deep, rounded bowl with a seat like a warped doughnut. The back was a porcelain box full of metal gadgets. And he filled it with cactus Scotch so he could dip out a gourd-full without getting off the chair.

Mr. Ochoa says this was the chair to end all chairs. Canuto sat like a warped doughnut in front of their huts. The chief of police built two with extra large food containers so he and his wife could eat supper together in their front yard and wave to the neighbors.

Several others built the same type out of clay and set them in front of their huts. The chief of police built two with extra large food containers so he and his wife could eat supper together in their front yard and wave to the neighbors.

But Mr. Ochoa says everyone was mystified by the roll of paper

'Naked City'
Television's
Slum Child

By CYNTHIA LOWRY
 AP Television-Radio Writer

NEW YORK (AP)—By the luxurious standards of Hollywood housing, ABC's "Naked City" is slum child.

Where the bases for most filmed television series is a big, well-equipped studio in which one crew can be setting up one interior while the cast is acting in another, the home of "Naked City" is a shabby building off New York City's skid row in the Bowery, once rented for neighborhood marriages, golden wedding anniversaries and annual parties of local organizations.

Most studio-filmed series can simulate scenes almost anywhere in the world on back-lot locations. "Naked City's" back lot is New York itself, and the cast and the crew roves broadly between City Island and Staten Island, filming scenes on real streets, in working shops and factories.

California's predictable sunshine was one factor that originally carried the motion picture business west. The "Naked City" people are all weather-worriers; too often they have started shooting an outdoor sequence in a dramatically satisfying rain, only to have a noncooperative sun break through before the scenes are finished, thereby ruining the entire thing. And vice-versa.

Sometimes, a frantic timetable collapses and they "lose" their location. The other night, for example, arrangements had been made for the use of a Long Island laundry between work shifts for a scene in which Lt. Adam Fling was to pursue a killer through the busy room.

Unfortunately, Paul Burke, who plays Fling, was detained making exterior shots at Sing Sing Prison, miles away at Ossining. By the time he reached the laundry location, the night shift had gone to work—so he pursued the killer through city streets instead.

"But none of us would want it any other way," said Burke. "We all feel that the authenticity of the locations—even the difficulties we encounter give the show a feeling of reality. There's none of that slickness that seems to show through so many of the Hollywood series."

The show's dedication to reality results in a very tough schedule for Burke, who carries the heaviest acting burden in the series. His normal working day is 12 hours long—7 a.m. to 7 p.m., and many nights in addition.

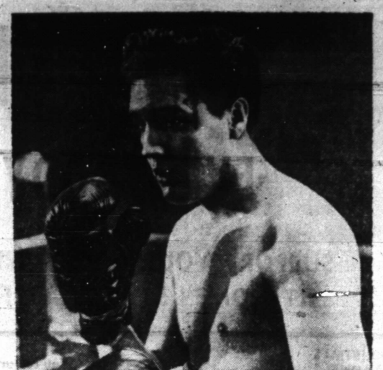

Burke, who is 36 and looks younger, moved into the "Naked City" lead when the police-action show was extended from a half hour to 60 minutes three seasons back.

His off-camera character is rather like the one he plays. He is on the serious, thoughtful side, and is as conscientious an actor as Adam is a cop.

One Dead, Three Hurt In Collision

KAUFMAN, Tex. (AP) — One person was killed and three were injured in a head-on collision Saturday on Texas 34 about five miles south of Kaufman.

Killed was James Sears, 68, a Pittsburg, Tex., Negro. Injured were Mrs. Effie Brewer, 62, Miss Sandra Pyle, 18, her niece and both from Rosser, Tex., and Charlie Mosley, 62, Pittsburg, Negro riding with Sears.

ELVIS PRESLEY is coming to the Canyon Drive In Theater here Thursday in "Kid Galahad," which is filmed in color.

Martha Ann Woman's Club Takes On Holiday Aires.

ON PROGRAM—Mrs. John O'Banion, right, was moderator for the style show-luncheon held in the festive atmosphere Wednesday at the Martha Ann Club. Other ladies were on the program, giving demonstrations in flower arranging and Christmas decorations. From left, Mrs. S. L. Terry, Miss Fay Harrell, Mrs. Gene Best and Mrs. Edith McKanna.

MRS. CHARLES McCALB JR., is pictured above with one of the Christmas decor piece that graces the orchid room at the Martha Ann Woman's Club.

A BIG JOB—Making decorations attractive for such a large place as the Woman's Club is no small undertaking. Above Mrs. Rae Sears, left, chairman of the

decorating committee, and Mrs. Billie Brice put in many long hours concocting various pretties.

MODELS—Mrs. Richard Stoker, left, and Mrs. Carl Dillaha take time out from modeling the beautiful holiday fashions at the Martha Ann Style Show-Luncheon Wednesday to admire some of the beautiful holiday decorations in the orchid room of the clubhouse.

CHRISTMAS TREE—Mrs. S. Jones was pretty well along the way on decorating this pretty white Christmas tree with bright red balls when this picture was

taken. It graces the stage portion of the large auditorium.

LARGE WREATH—It was quite a task making large wreaths to grace the wall of the Martha Ann Woman's Club for the Christmas season. Above Mrs. Dot Casey

puts the finishing bow on one of the colorful decorations.

ON THE HOUSE

AP NewsFeatures

Our recent story about the effects of excessive moisture inside the home has brought a flood of mail. But very little of the mail concerned high humidity. What the letters writers said, in effect, was: "Tell us something about the effects of a lack of humidity in the home; that's our problem."

When the relative humidity in the home is between 35 and 50 per cent, the chances are that the members of the family feel comfortable, although every person has his own comfort level and these percentages may vary a little either way. Relative humidity, by the way, is the amount of moisture actually in the air compared with the amount of moisture which air at that temperature is able to hold.

Thus, if air has half as much moisture as it could hold at a certain temperature, the relative humidity is 50 per cent. Change the temperature and you also change the humidity—since warm air can hold more moisture than cold air.

Dry air—when the relative humidity is too low—robs moisture from everything it touches. That's why wood shrinks, wall paper cracks and veneer peels. Since our bodies are composed principally of moisture, we also are victims of too little humidity. Respiratory ailments and itchy skin conditions often are attributed to this condition. Another effect is a chilly feeling, even when the temperature in the house is 75 degrees or higher. That's because, when the relative humidity is low, water evaporates quickly from the skin.

While a lack of humidity occurs in some areas as a fairly general condition, it is most prevalent during the winter in heated homes. Grandma might not have known the technical details, but she had the right idea in the old days when she placed pans of water on radiators. As the water got hot and moved into the air as steam, Grandma was adding moisture to the air and raising the relative humidity.

Today, there are many different types of humidifiers avail-

able to the householder bothered with a lack of humidity. One of the most effective ways to solve the problem is by installing a compact humidifying unit in the furnace. This automatically puts vapor into the warm air stream to keep the occupants of the home comfortable no matter what the outside and inside temperatures are.

QUESTION: I am going to remove the old finish from some furniture and then refinish it with gloss varnish. I have had considerable success in the past with removing old finishes, but I then used paint for the new coat. I understand that varnishing is a lot more difficult. Is there any advice you can give me?

ANSWER: Yes, varnishing requires more care than painting. The trick is to get the varnish to flow smoothly across the surface of the wood. Dip the brush only a third of its bristle length, lower it to the stock gently and draw it across in long, slow brush strokes. Raise the brush before you stop its movement.

In dining chairs and tables, turn them upside down and to the legs, stretchers, etc. Turn them right-side-up and do the tops and outside surfaces last. Three coats will give a good result, sanding with a very fine grade of paper between each coat.

Dust is the big bugaboo when using varnish. Take every precaution to keep it off the wood before you start and off the varnish as you continue with the job. Avoid stirring up dust in the room where you are working, which means you should not do the varnishing where other persons are walking around. This dust problem is so vital to a successful job that some wood refinishers use a vacuum cleaner for cleaning the surface of the wood before they begin. They don't want to risk the chance that there will be some dust or lint on the cloth ordinarily used for this purpose.

G. White, T. R. Jones Marriage

In a double-ring ceremony on Oct. 19th at 3:30 a.m. in Ciudad Juarez, Republic of Chihuahua, Mexico, Miss Glenda Darlene White became the bride of Mr. Tommy Russell Jones. Mr. Ballazar Aguirre officiated during the ceremony.

Parents of the couple are Mr. and Mrs. Pete F. White, 4209 Forty-fourth Street, Lubbock, and Mr. and Mrs. Russell Jones, Jr., Lake Thomas Lodge, Snyder.

The bride is a 1962 graduate of Snyder High School and is presently attending Draughtons Business College, Lubbock, where she is a pledge of Gamma Alpha Beta, Phi Ro Zeta International Sorority. She is employed by Tony's Fixtures and Cabinet Co.

The groom is a 1961 graduate of Snyder High School and is presently a sophomore at Texas Tech, majoring in Industrial Management. He is employed at Piggly Wiggly, Inc.

After a wedding trip to points of southern New Mexico, the couple are at home at 2017 Tenth Street, Lubbock.

Shower Curtain

Plastic shower curtains can be washed in the automatic washer and dried in a few minutes in a clothes dryer at the de-wrinkle setting, says the Manufacturers association.

Roddy's Have A Double Celebration

It was a double celebration in the home of Mr. and Mrs. J. L. Roddy, 2211 Avenue O, on Thanksgiving Day, as it also marked the 50th wedding anniversary of the couple.

The couple were honored on the occasion by the presence of all their children: Mr. and Mrs. J. H. Roddy, Fluvanna; Mr. and Mrs. R. L. Roddy of Wylie; Mr. and Mrs. N. J. Fulford and Mr. and Mrs. Layne Roddy of Snyder, and Mrs. F. O. Stark of San Antonio.

Four of their five grandchildren present were Mr. and Mrs. F. F. Fulford of Spur, Beverly and Gary Roddy of Wylie and Janie Roddy of Snyder, and three of their five great grandchildren, Pamela Jean, Jackie and David Fulford of Spur. Miss Linda Carol Collins of Wylie was also present.

Cheese Pennies

Some pennies come from heaven. Others, children attest, come from the "tooth fairy." But Cheese Pennies from the oven will make the biggest hit at holiday parties. To make these delicacies, cream a stick of butter with 1/4 pound grated cheddar cheese. Add 1/4 package dry onion soup mix, 1/4 teaspoon salt and a cup of flour. Blend well. Shape into a roll about an inch in diameter and chill in the gas refrigerator. Cut into 1/2 inch thick slices and bake in a preheated oven at 375 degrees for about 10 minutes, or until brown.

At the top is Shirley Stirl shown with the books and a poster that graces the trophy case at Hermleigh School. She won a blue ribbon on her record book. Bottom picture from left, Diane Hess, Peggy Rannefeld and Nelda Rannefeld, blue ribbon winners, Joyce Collier and Kathryn Helm, red ribbon winners, and Margie

Soules, a white ribbon winner. They all won their ribbons in a district contest at Lubbock. They are now preparing for Achievement Night to be held Dec. 10. They know the importance of keeping a record book in striving for awards, as it keeps an exact listing of all their activities, whereby, the basis for judging in competition. They urge all 4-H girls to take a special interest in record books and to keep them up-to-date at all times.

Miss Bell Receives Scholarship

LUBBOCK—Scholarships for 19 Texas Tech home economics majors were awarded at the annual Awards Banquet Monday evening.

The Margaret W. Weeks Scholarship, made available for the first time this fall, is the result of contributions of many former home economics graduates. It is given in honor of the first dean of home economics at Tech, Miss Margaret W. Weeks, 2902 29th St., Lubbock.

The interest from an endowment fund made up of the contributions will provide one scholarship per year to a qualified home economics major. This year's recipient is Marcia Rose Campbell, Borger, a senior in home economics education.

Miss Billie Wolfe, a member of the Tech home economics faculty, donated a new scholarship to recognize an outstanding home economics major. This award, the Mrs. Ross W. Wolfe Scholarship, is in honor of Miss Wolfe's mother. It was awarded to Lardel Fetzer, a sophomore whose parents live at 12018 Drumon Lane, Dallas.

A new business firm scholarship, the H. B. Hance Pancake House Scholarship, was awarded to Karen Kay Kinard, a senior food and nutrition major from Lubbock.

The Borden Company Scholarship, presented to the outstanding senior home economics student who has achieved the highest grade average during the three previous years was awarded to Judith Ann Cowger, Stamford.

Other scholarships and their recipients include: The Ethel Foster Scholarships awarded to Evelyn R. Balcerowicz, Posenberg; Jo Beth Barnes, Memphis; Sherrell Sue Bell, Snyder; Mary Louise Christmas, Levelland; Olivia June Dvoracek, West; Sallie Jane Huffman, Breckenridge; Marcia Lynne Meyers, 207 Audrey Alene, San Antonio; Karen Edith Morris, White Deer; and Margaret Jean Smith, Santa Anna.

Melba Mae Maxey Scholarship and the Mary W. Doak Scholarship were awarded to Nickie Joyce Woelfel, Bovina.

Jonnie McCrery Scholarship was awarded to Betty Lou Skinner, 36-15 42nd St., Lubbock.

Sears-Roebuck Foundation Scholarships were given to Melinda Anne Goen, Floydada; Norma Faye Haddox, Abilene; and Velma Mae Rich, Levelland.

The Cagle Award was presented to Jerry Wayne Happner, Mathis.

American Association of University Women Scholarship was presented to Barbara Chambers, Seminole.

A scholarship presented by an anonymous donor was given to Marcia Lynne Myers, 207 Audrey Alene, San Antonio.

Freshman Scholarship, Mariana Egger, Mullin.

District Two Home Demonstration Association Scholarship, Gene Elaine Holden, Hale Center.

Lubbock Classroom Teachers Association Scholarship, Gloria Perg, Lubbock.

Music Scholarship, Pauline Holmes, 1233 Milan, Amarillo.

Episodes Complete History

THE CIVIL WAR AT SEA, Volume Three: The Final Effort. By Virgil Carrington Jones.

It is part of our Civil War tradition that the South went into conflict with high hopes because its young men knew how to ride and now to shoot. In war, they merely "put into practice training which had been theirs since boyhood."

At sea, it was a different matter: Southerners were not seagoing people and what they learned about battle-afloat was learned in the rugged school of experience.

The odds against them in naval warfare are brought sharply into focus in this final volume of Jones' splendid and long-needed trilogy on "The Civil War at Sea." The period covered, from July 1863 to the end of the war, was one of desperate Confederate effort against the increasing weight of federal men and metal. It was a time of brilliant improvisation, of individual and collective valor, a time when the amateurs of the South often confounded the professionals of the North by their daring and ingenuity. That they failed, almost inevitably, is no discredit to their work.

There are familiar names in the chronicle—Raphael Semmes and David Glasgow Farragut; David Porter and William Cushing. But there are many lesser knowns who shine as brightly: John Yates Beal, John Wilkinson, James Wadell, Francis Lee. There are ships of epic achievements: the Kearsarge and the Alabama, the Tallahassee, the Water Witch and the Albatross; and the submarine Hunley—first in American history to sink a warship.

Perhaps necessarily, this Volume Three is episodic, lacking in continuity. But it reports a time when the Confederate naval effort was disjunct, when it was striking out in all directions and in all areas, seeking to utilize any means and strategy possible to break the strangling fingers of the Union blockade. Thus, we have here a series of individual exploits, from Lake Erie to the Bering Sea, from the English Channel to the Red River. It is a book which brings to high climaxes a definite history of "The Civil War at Sea."

1923 Team Has Reunion

The lake cabin of Mr. and Mrs. Jimmy Key was the scene of a reunion Nov. 21 and 22 of the Eison school boy's basketball team of 1923-24.

Spending the night at the cabin Wednesday night were Mr. and Mrs. Bill Whitehead of Amarillo, Mr. and Mrs. Walter Wall of Snyder, and Mr. and Mrs. Key.

Joining them Thursday morning for Thanksgiving dinner and hours of reminiscing were Mr. and Mrs. Roy Lockhart of Big Spring; Mr. and Mrs. Curtis Cox of Snyder; Mr. and Mrs. Carl Lockhart of Big Spring; Mr. and Mrs. Homer Huddleston of Post; Mr. and Mrs. Aubrey Huddleston of Ira; Cecil Huddleston of Snyder, and Mr. and Mrs. Jimmy Barrier and children of Big Spring.

CHAIRMEN—The above group of ladies are chairmen of various committees and members of the Snyder Garden Club. The Club will present a special "Christmas Table Show" at the Martha Ann Woman's Club Thursday. The theme of the show will be "It's The Season To Be Jolly" and the public is cordially invited to attend between the hours of 3 and 7 p.m. Pictured from left standing are: Mrs. C. C. Miller, special exhibits; Mrs. Wayne Boren, schedule; Mrs. Wraymond Sims, entries; Mrs. Jay Huckabee, staging; Mrs. Richard Brice, judges, clerks and awards; Mrs. S. L. Terry, classification; Mrs. F. G. Sears, hospitality and registration. Seated, Mrs. Frank Miller, flower show; Mrs. Gene Best, publicity; and Mrs. Harold Brown, bazaar.

Savory Lamb Chops

4 lean lamb chops (1 inch thick)
1 teaspoon salt
1/4 teaspoon dry crumbled oregano
1 clove garlic (crushed)
1 tablespoon red wine vinegar

Cut all but a thin layer of fat away from outside edge of chops. Remove lump of fat at center of inside edge; roll the tail on each chop together and skewer with a small meat pin. Have chops at room temperature. Mix together the salt, pepper, oregano, crushed garlic and vinegar; spread half the mixture over top surface of each chop. Arrange chops on rack in broiling pan; broil, according to the directions for your range, until browned. Turn chops and spread with remaining seasoning. Continue to broil to desired doneness. Remove meat pins. Serve with browned pork sausage links and broiled mushrooms. Makes 4 servings.

ALICE KAY ASKINS, 17-year-old daughter of Mr. and Mrs. T. E. Askins, 1509 Twenty-first Street will model in the "Do-It-Yourself With Wool" contest at Texas Tech College, Lubbock, on December 8. She will be modeling this attractive royal blue wool suit she made under the supervision of Snyder High School homemaking department. Her blouse is a silk print with jacket lined in the same material. She made her matching bag and covered her shoes in the wool material also. A white fur hat and kid gloves complete her accessories. Each district winner will go to Austin Jan. 5 and model her suit for state contest, from state the winner goes to national at Las Vegas, Nev. Each district winner will receive a sewing machine, materials and sewing accessories plus a scholarship. The national winner will receive a trip to Hawaii.

ENGAGEMENT—Mr. and Mrs. Paul Keaton announce the engagement of their daughter, Paula Ruth, to John W. Carroll, son of Mr. and Mrs. Paul Carroll. The marriage will be an event of December 23, in the First Methodist Church, Snyder. (Photo by Craft Studio)

Planning Hints To Make Your Shower Safer

Americans prefer to be laundered standing up!

But even though the shower has become America's most popular mode of bathing, the facility for it often is set up without proper regard to safety, convenience and its place in the bathroom decor. Here are some hints for planning a bath with shower:

1. A grab bar is essential when the shower fixture is located over the tub and should be installed as part of the wall. It will help prevent serious falls when the bottom of the tub is slippery, or a bath loses a bar of soap.
2. A mixing valve is needed so that the proper water temperature is safely found, without scalding. It costs very little more than separate controls for hot and cold water.
3. Waterproof materials for walls around the shower will prevent damage from steam and splashing water and save redecorating bills. Real tile is permanent and color-fast.
4. In a small bath, the enclosure or the shower stall should be finished in the same color as that of the wainscots, so of more than one or two colors in a small room makes it seem even smaller.
5. The towel rack should be placed near the shower, so that it can be reached easily by bathers.
6. The walls around a tub-shower should be extended to the ceiling, so that the walls will not be cut up by two different finishing materials.

Critic Analyzes Six Authors

IMAGES OF TRUTH. By Glenway Wescott.

Wescott, the novelist and critic, is a man who takes the long view. He is interested in literary careers, rather than in single books.

In this volume he brings us a combination of literary analysis and personal reaction, on six writers—Katherine Anne Porter, Somerset Maugham, Colette, Isak Dinesen (the Baroness Blixen of Denmark), Thomas Mann and Thornton Wilder.

It is an international selection. He has been a longtime intimate friend of Miss Porter, a close friend of Maugham and a cordial friend of Wilder. He is a great admirer of Colette and the storytelling abilities of Isak Dinesen. He obviously has great respect for Mann, but the reader may feel that even Wescott cannot gloss over this writer's dark, forbidding qualities.

Wescott's claim to our attention lies in the fact that for years he has been sharpening his perceptual faculties in the literary realm and thus is well equipped to weigh, analyze and interpret the basic, interior qualities of the writers who are his subjects.

In this connection, it needs to be said—not in the spirit of quibbling accusation, but merely for the sake of clear identification—that he is an intellectual. Thus he thinks and writes as an intellectual, which almost inevitably means that not every reader will catch all the nuances of his meaning. Those who do will feel rewarded.

There is as much of Wescott in this book as there is of the six authors. That is a recommendation, not a criticism.

ALL ABOUT BABIES...

A Public Service of the National Baby Care Council

By Dr. Ernest Dichter, President, Institute for Motivational Research

Mothers who are unusually strict with their first babies are probably suffering from a common ailment we call postnatal "blues."

A study we recently completed on the emotional tendencies of new mothers shows that once removed from the protective care of hospital nurses and doctors who gave them comfort and advice, they are subject to a period of depression. The new mother, now on her own, is scared, bewildered and overcome by the great responsibility she faces.

The study found such a mother holds to rigid feeding schedules, forced and early toilet training, early weaning and no thumb sucking. She takes her responsibilities seriously and because she's anxious about them, she occasionally resents them. This causes her to feel guilty and believe she isn't doing her job right.

If you are a young mother or a young mother-to-be, here are some pointers developed by baby care counselors of the diaper service industry:

1. Know what you're facing. You can't prepare for all emergencies but you can eliminate a great deal of worry over trifles.
2. Attend pre-natal classes in your community.
3. If no such classes are available, then discuss your fears and worries with your doctor.
4. Don't try to learn every-

thing about child care. Tackle each new problem as it arises.

5. First, find out what you have to know to keep your baby healthy and contented.
6. Don't wear yourself out with unnecessary chores. Do important things first.
7. Take advantage of all labor-saving services such as prepared baby foods and diaper service.
8. Learn of budget your time so you don't get that harassed feeling that time is running out.
9. Fit your work and leisure schedule into your baby's schedule. Cooking, cleaning and laundering should be done while baby naps.
10. Get plenty of rest. When you're tired and irritable, baby also will be fretful.
11. Take at least one nap while baby is asleep.
12. Use baby's feeding time to relax. Choose a comfortable chair and hold baby in your arms while you feed him.

Cranberry Pear Relish

This recipe for a ruby-red relish comes from the Manufacturers Association. Using the medium blade of your grinder, grind a pound of fresh cranberries, 4 hard pears and 1 whole lemon. Add ¼ cup honey, 1 cup sugar and a pinch of salt and mix well. Chill at least a day before using. This relish will keep 2 weeks in the refrigerator.

HELPING KEEP THE COLD WAR WARM

Many People In India Are Ready To Fight Aggression

By HENRY S. BRADSHER
NEW DELHI, India (AP)—On the whitewashed walls of many Indian homes is a picture of a man little known outside this country and representing a side of the Indian character that is also little known.

The picture is of Subhas Chandra Bose, who presumably died in a 1945 plane crash on Formosa. He was once a rival of Jawaharlal Nehru for leadership of the political movement that expelled the British from India. Bose led Indian soldiers who joined the Japanese in World War II to fight the British.

The man known to the world as the symbol of the independence movement was Mohandas K. Gandhi, an apostle of nonviolence. Bose represented another tradition—of violent battle.

The difference is between lying down in the road to attain a goal or picking up a stone to hit someone and win that goal.

The second tradition is more deeply rooted in the Indian culture and history than Gandhi's nonviolence. This second tradition is bow coming to the front as India faces China. It is in ready response to the bugle call for national defense sounded by Nehru, the man of peace turned war leader at age 72.

The response of the Indian people overwhelmed army recruiting centers. This response contained

a large element of the kind of pure nationalism that motivates people of any nation whose boundaries are threatened.

On the more sophisticated level of the well-educated and partly Western-oriented leadership of India that is another consideration in the warlike response. It is one of principle.

The principle is the refusal to allow the Chinese to benefit by aggression. The terms for settlement of their undeclared war that China has offered India so far would enable the Chinese to retain some of the disputed borderlands as a result of military action.

Nehru insists publicly that India's five-year plans for economic development will continue, despite the diversion of some resources for defense efforts. But cuts in the current third plan are already being made. There are bound to be unexpected drags on the economy.

The railway system is an example. India's railroads are inadequate to move all the goods needed for an expanding economy. With some rolling stock now tied up rushing military equipment toward the holes in India's Himalayan shield, inadequacy is increasing and various industries are suffering.

In India, war industries have to be created almost from scratch. There are no massive automobile plants that can be converted to making tanks. India has only one big machine-tool factory that could readily make guns and more are needed to make machine tools.

What little industrialization there already is in India is primarily of the cotton textile and cement variety. It does not resist to war.

Therefore India is having to depend upon foreign countries for weapons that it must get quickly to build defenses.

Henry Bradsher, a graduate of the University of Missouri School of Journalism, is chief of AP operations in the India-Pakistan-Ceylon area.

Junior Editors Quiz on TOBACCO

QUESTION: Did Europeans know about tobacco before Columbus discovered America?

ANSWER: We don't really know that one of Columbus's sailors rushed up to a smoking native and tried to put him out with a bucket of water—that is our artist's imagination. Yet it seems quite possible, because Columbus did see a native smoking a y-shaped pipe inserted in his nostrils. This was called a "tabaco," and the natives used the rolled-up leaves of a plant later called "tobacco" to put in the end of the pipe and light. Smoking was an important ceremony to them. They also thought that tobacco had a healthful effect on the body.

The use of tobacco was at that time unknown in Europe; but the early settlers in America soon learned about it from the Indians and started to plant it. One of the settlers of the Jamestown colony in Virginia, John Rolfe, who married the Indian princess Pocahontas, planted some tobacco seeds brought from South America. He sent tobacco to England, where its use had been encouraged by Sir Walter Raleigh. Soon the Jamestown colonists found they had a very valuable crop to export, one which helped them to survive and prosper.

FOR YOU TO DO: How many food plants can you list that were discovered in America? 12-1

(Harold Jerigan of Oak Ridge, Tenn., wins \$10 for this question. Mail yours on a postcard to Junior Editors in care of this newspaper. It may win \$10 or the weekly award of a Britannica Junior Encyclopedia.)

Treatment Urged For Alcoholism

By ALTON BLAKESLEE
Associated Press Science Writer
NEW YORK (AP)—Alcoholism is "a disease as respectable as cancer or tuberculosis."

And, "it is no more painful for the alcoholic to stop drinking, through the aid of modern drugs than it is for a woman to have a baby."

Public realization of these two facts could speed the recovery of thousands of alcoholics, declares R. Brinkley Smithers, president of the National Council on Alcoholism, Inc.

"The sooner alcoholism is treated, the better the chances for a good recovery," Smithers said in an interview during Alcoholism Information Week, sponsored by the council.

One severe roadblock is the stigma attached to alcoholism as the drinker's own fault, and a sign of moral or character weakness, he said. A second is the pain when the alcoholic tries to quit without medical aid.

"The public must come really to feel that it is no disgrace to become an alcoholic," Smithers says. "If a doctor or other knowledgeable person tells one that he is suffering from alcoholism, the person must recognize he has a legitimate illness. He should react in a manner similar to a person who is told that the lump on his body is cancer."

"In other words, the patient's reaction must be, 'What can I do, doctor, to get well?'"

Drinking is socially acceptable, legal and even a sign of prestige among some groups, Smithers points out.

But about 1 of 15 drinkers becomes an alcoholic, unable to control his drinking. This means five million Americans are alcoholics.

"Why should we look down on the one who gets sick?" asks Smithers. "Of course, once the alcoholic has been informed of the nature of his disease, he must realize he cannot drink with impunity. He must be helped in every way, and if he continues to drink, he is either sicker than the ones who recover, or has other problems as well."

Smithers terms the alcoholic, "the world's sickest man if he has been drinking a long time. He's trapped in a squirrel cage—he lives to drink, and he drinks to live."

"His mind is in a fog. If he comes out of his stupor, he's full of remorse, but craves a drink. He may have the dry heaves, palpitations, every ache and pain in the book, plus remorse."

The first 24 hours of non-drinking are the most difficult, and the alcoholic who tries to go it alone suffers terrible agonies, feeling as though "he's flying apart in all directions."

But if he goes to a hospital or a doctor, newer drugs can relieve many of the symptoms and "in most cases, quitting drink is less painful than childbirth."

In about five days the alcoholic loses his compulsion but not his desire to drink, Smithers explains. From then on, he must resist the temptation to take a first drink, for that could trigger another episode of completely uncontrolled drinking.

Alcoholics Anonymous or psychotherapy, or both, can help him resist, and time is on his side, and "it becomes easier."

Some 3,000 voluntary hospitals in the United States treat alcoholism, and in many areas Blue Cross insurance plans pay for hospitalization for a few to 21 days, Smithers says.

Some 500,000 American men and women are recovered alcoholics, living useful, normal and even highly successful lives.

Mrs. Billie Jack Harris

Theresa Collyns Becomes Bride Of Billie J. Harris

MIDLAND — Theresa Lorraine Collyns of Midland and Billie Jack Harris of Snyder recited double ring wedding vows in a formal candlelight ceremony at 7 p.m. Saturday Dec. 1, in the sanctuary of the First Presbyterian Church.

Mr. and Mrs. William Hartwell Collyns, 1900 West Texas Street, are the parents of the bride. The bridegroom is the son of Mr. and Mrs. Milford Harris of Santa Anna.

The officiating clergyman was Dr. R. Matthew Lynn.

Mr. Collyns gave his daughter in marriage. She wore a formal-length gown of pure silk candlelight peau de soie. The princess silhouette was designed with a portrait neckline and long sleeves tapering to petal points. Alencon lace dusted in pearls enhanced the Empire bodice and dome skirt, which flowed to a chapel train.

Imported Illusion
The bride's veil of imported illusion fell in tiers from a small pillbox hat of Alencon lace. She carried a bouquet of white roses and stephanotis and a white orchid with a white satin ribbon shower.

Mrs. M. N. McCarroll of Lubbock was the matron of honor. The bridesmaids were Martha Conway of Fort Worth, and Donna Keeler of Hobbs, N.M. Mrs. Larry Craddock of Austin was the bridesmatron.

The bride's attendants were gowned in dresses of gold satin fashioned with low necklines and three-quarter length sleeves complemented with short white kid gloves. Joining the molded bodices were dome skirts accented at the center back waistlines with small bows. They also wore pillbox hats of satin, with small face veils, and matching gold shoes. They carried cascade bouquets of Fuji chrysanthemums in gold with touches of bronze with matching two-toned ribbon streamers.

Elgean Harris of Santa Anna, brother of the bridegroom, was the best man. The groomsmen were M. N. McCarroll of Lubbock, Jay Norris of Dallas and Don McSwain of Brownwood. Jim Allison, Jr., and Royce Dixon of Midland, Larry Craddock of Austin and Joe Collyns of San Angelo were the ushers.

The traditional nuptial selections were played by Richard J. Helms, organist-choirmaster.

Decorating the altar of the sanctuaries were matching arrangements of white chrysanthemums and stock. Placed in the center were two candelabra with emerald foliage and white tapers. The pews occupied by the immediate families of the couple were marked with white satin.

Church Reception
Following the ceremony a reception was held in the church.

The bride's table was laid with a white satin cloth appliqued with Chantilly lace medallions. Centering the table was an arrangement of white chrysanthemums and stock in an oval frosted silver container, flanked with white tapers in silver holders. Silver and crystal appointments were used.

Decorating the bridegroom's table, which was covered with a natural colored hand-woven linen cloth, was a centerpiece of bird of paradise, bronze chrysanthemums and pompons.

Presiding at the guest registry were Mrs. Arthur Franklin of Kermit and Mrs. Bill Graves of Abilene. On the registry table was an arrangement of white roses in a white cupid vase.

Assisting at the bride's table

were Mrs. James N. Allison, Mrs. James L. Daugherty, Mrs. Robert Donnell, Mrs. W. H. Franz, Mrs. R. Matthew Lynn, Mrs. H. N. Phillips, Mrs. R. C. Senning, Mrs. Frank Stubbeman and Mrs. C. F. Underwood, all of Midland, and Mrs. George H. Collyns and Mrs. Joe Collyns of San Angelo, Mrs. Gerald Keeler of Hobbs, N.M., and Mrs. Mary B. Pattillo of Monahans.

Serving coffee and cake at the bridegroom's table were Mrs. L. L. Dahlburg of Corpus Christi, sister of the bridegroom, Mrs. K. C. Light, Jr. of Elgean Harris of Santa Anna and Mrs. B. A. McSwain of Brownwood, aunt of the bridegroom.

Children's Table
Presiding at the children's table, which was decorated with a nosegay of champagne and antique gold carnations and ribbon in the shape of the bride's bouquet, were Ken Collyns of San Angelo, Marsha Dahlburg of Corpus Christi and Linda Keeler of Hobbs, who also distributed rice bags following the reception.

Piano selections were played by Diana Daugherty, Mrs. Jack Ellington and Mrs. Delbert Downing. Other house party members were Mr. and Mrs. Jim Turner and Gerald Keeler of Hobbs, Geo. H. Collyns of San Angelo, Bill Graves of Abilene, L. L. Dahlburg of Corpus Christi, Arthur Franklin of Kermit, Mr. and Mrs. Jim Allison, Jr., Mr. and Mrs. Roy Dahl, Mr. and Mrs. Kenn Eastin, Mr. and Mrs. E. L. Good, Mr. and Mrs. Luther N. Garner, Mr. and Mrs. J. Howard Hodje, Mr. and Mrs. Jim Allison, Jr., Dr. and Mrs. George F. Wood, Mr. and Mrs. E. J. Murphy, Mr. and Mrs. W. S. Snelson, Mr. and Mrs. Harold P. Steck, Mr. and Mrs. W. F. Wynn.

Also, James N. Allison, Robert Donnell, Jack Ellington, W. H. Franz, K. C. Light, Jr., Dr. Lynn, H. N. Phillips, R. C. Senning, Frank Stubbeman and C. F. Underwood.

The bride is a graduate of Midland High School and attended North Texas State University. She is a graduate of American Airlines Stewardess College, Fort Worth and served as a flight stewardess the last year for American, based in Washington, D. C., and Dallas.

Mr. Harris, a graduate of Santa Anna High School and Howard Payne College, formerly was a football coach in the Temple school system. He now is associated with Hughes Tool Company in Snyder.

The couple will be at home after December 15 at 2107 Forty-third Street in Snyder.

The rehearsal dinner was held Friday in Ranchland Hills Country Club with 24 guests attending. The table was covered with gold satin and was decorated with white and gold chrysanthemums and pompons with English ivy and white tapers.

Mrs. Eastin and Mrs. Steck were hostesses to the bridesmaids' luncheon Saturday in the Terrace Room of RHCC.

A nosegay in the shape of the bride's bouquet, done in champagne and antique gold carnations and ribbon, centered the table. Individual nosegays were presented to each guest.

The bride, her mother and Mrs. Harris were presented sashet corsages and the hostesses gave the bride a gift of silver.

Ten guests attended.
