## Along The Waterfront

Red Wallace and Chuck Lybarger, Corpus Christi, while skiving south of Port Aransas this week, speared six jewfish. They weighed 27, 31, 32, 47, 50 and 120 pounds. They also took some snook (pike) that weighed from five pounds to 15 pounds.

## Former Abilene Resident Opens Law Office Here

Sam E. Wilcox, formerly of Abilene, has opened an office here to resume the practice of law. He also is associated with the Modern Abstract and Title Company.

Mr. and Mrs. Wilcox moved here about a year ago and live at Key Allegro.

## Nelson Answering Service Expanding

The Nelson Answering Service at 620 North Street has extended its service to seven days a week from 8 a.m. to 5 p.m.

L. E. Nelson, owner, points out that this service is particularly useful for small business firms and out-of-town concerns which wish to have a Rockport listing.

Clients may have a direct extension from the Nelson Answering Service office or by private line. Two-way radio service also is available.

In addition, secretarial service is offered, plus desk space on a limited basis. In the future, the company plans to expand the service to 24 hours per day.

## Navigation District Busy Bulkheading

At the latest meeting of the Navigation District, it was decided to do bulkheading in Cove Harbor where such work has not been done and when it is requested by individual property owners.

The decision was made after Seth Steele made such a request in behalf of property owned by Jack Sanders.

Currently under construction or proposed is approximately 1,630 feet of bulk heading, according to Stephen Atwood, superintendent of the Navigation District.

## FULTON PTA ENDORSES SCHOOL EXPANSION PROGRAM

The Fulton Parent-Teacher Association, on Wednesday afternoon and endorsed the Aransas County Independent School District's proposed building and expansion program to relieve crowded conditions in the schools.

Appearing before the PTA members, Shelley P. Roaten of the School Board and Supt. of Schools, J. D. Gray explained that to provide the necessary facilities to maintain the present high standard of education here, the following steps are necessary:

Build a new elementary school, and construct additions to the Junior and Senior High Schools and the Elementary School.

To finance this expansion program, Gray said, a school bond election to issue \$800,000 in bonds has been set tentatively for Saturday, Oct. 22. The election will be held in the Junior High School Cafeteria.

## RUMMAGE SALE

Rummage sale at Sacred Heart Parish Hall Saturday, Sept. 17, 8:30 a.m. to noon.

## County Adopts Budget for 1967

The Commissioners Court has approved the Aransas County budget for 1967 as prepared by County Auditor Robert D. Mosier, Jr.

Here are the main points about the budget:

—The estimated assessed valuation is \$24,465,325, an increase of \$950,325 over the previous year.

—The county tax levy will remain the same — \$1.00 on each \$100 of assessed valuation.

—The total amount of taxes to be levied for 1967 will be \$269,000.

—The total net outstanding bond and time warrant debt of the county on Jan. 1, 1966 was \$168,000. It is estimated that on Jan. 1, 1967 the debt will be \$58,000 and that during 1967, \$35,000 will be paid on the principal and \$1,303 on the interest.

For comparative purposes, here are estimates in the 1967 budget compared with the 1966 budget:

Taxes. 1967, \$242,915.01; 1966, \$246,800.

Other receipts: 1967, \$192,876; 1966, \$345,053. Mosier said maturity of investments in 1966 largely accounts for this difference.

Total receipts: 1967, \$435,791.01; 1966, \$591,853.

Beginning balances: 1967, \$128,529.49; 1966, \$258,309.49.

Total resources: 1967, \$564,320.50; 1966, \$850,162.49.

Total expenditures: 1967, \$481,628.50; 1966, \$721,633.

Ending balance: 1967, \$82,692; 1966, \$128,529.49.

Total expenditures and balances: 1967, \$564,320.50; 1966, \$850,162.49.

## Richard Anderson To Represent Local Boy Scouts

Richard John Anderson of Troop 49, Boy Scouts, was selected to represent Rockport at the 12th World Jamboree to be held Aug. 1-9, 1967 at Farragut State Park, Idaho.

In addition to the Jamboree this will include a tour of Pikes Peak, Air Force Academy at Colorado Springs and a day at Yellowstone National Park. Twelve other boys was selected from towns in the Gulf Coast Region.

Richard is the son of Mr. and Mrs. John Anderson, Shadyside Dr.

## Fund Request To Be Discussed

A report on the status of an application to the Department of Housing and Urban Development for 701 federal planning funds will be presented at a meeting of the Coastal Bend Regional Planning Commission, at the Sandollar Motel at noon Friday.

Don Cox of Corpus Christi, chairman of the Commission, said the agenda also will include a report on the commission's 1967 budget, a review of proposed local water and sewer projects at Aransas Pass and Saint Paul and other general business.

## Regional Planning Group to Meet Here

The Diaz Y Seis meeting of the Coastal Bend Regional Planning Commission will hold a luncheon in the Studio Club at the Sandollar Motel Friday noon, Sept. 16, with Emory M. Spencer as host. Following the luncheon, the group will hold a business session in the Colony Room.

## THE "ACOUSTICS" PLAY FOR VICTORY DANCES

The Aransas County Youth Center has contracted "The Acoustics" to play for all Varsity Football Victory dances. This will be a first for the Youth Center.

In the past a "Record Hop" was held after each game. The Victory dances will start at 10 p.m. following each home game, and last until 12. Admission, 50 cents a person. Varsity football players free.

## Local Firemen Help Put Out Port Aransas Blaze

Twenty firemen from the Rockport and Fulton Volunteer Fire Departments helped extinguish a fire in Port Aransas last Friday which swept through the Island State Bank and the adjoining shopping center, causing damage estimated at \$500,000.

The two local fire departments dispatched two fire trucks and two emergency wagons.

The property is owned by Lewis Seiffert who said a block-long containing the bank was a total loss.

Seiffert said the wooden structure was built two years ago.

There were no injuries. Units from eight fire departments answered the call at about 6:30 a.m.

Port Aransas Fire Chief Andy Dallas said the fire started near Sultan's Cellar, an exotic gift shop. Cause of the fire has not yet been determined.

Also hit by the fire was Shifting Sands Dress Shop, Island Shops Barber Shop and Beauty, Inc.

All records of the Island State Bank were saved. Bank president E. W. Tarrant said the Bank reopened Monday at Middleton Electric Co. building on Avenue G.

Fire Departments answering the call were from Port Aransas, Aransas Pass, Ingleside, Flour Bluff, Fulton, Naval Air Station, Corpus Christi and Rockport.

## Junior High Will Scrimmage Here Saturday

The Junior High "Fighting Buccaneers" will scrimmage Aransas Pass at Pirate Field Saturday, Sept. 17 at 6:30 p.m.

The scrimmage will be a two-team event. The 8th grade team will scrimmage on the east end of the field, and the 7th on the west end.

The ball will be placed on the 40 yard line and the team on offense will have 15 plays to score and four downs to make a first down.

If the team fails to make a first down the ball will be brought back to the 40.

## Outstanding Film To Be Shown Here

"The Big Contrast," described as an outstanding new motion picture on Texas, will be shown at a meeting of the Rockport Sportsmen Conservation in the Colony Room at the Sandollar Motel at 7:30 p.m., Thursday, Sept. 22.

Arrangements to bring the film here were made through the cooperation of Tom H. Taylor, Director of the Travel and Information Division, Texas Highway Department.

He said the 473 miles of Texas highways designated as part of the Hug-the-Coast Highway meeting federal requirements except for a small portion in Jefferson County which will be upgraded to meet the standards.

When completed, U.S. 11 will follow State Highway 35 through Rockport to Gregory, (continued on page 8)

## Editorial

The Central Power and Light Company and the Rockport City Council are to be congratulated for taking the lead in a project that will greatly improve the appearance of our business district.

As explained in an article on this page, CPL and the City are working together in planning a completely new, modern lighting system for Austin Street from Market Street north to Highway 35.

This will entail removing all power line and telephone poles, removing all overhead wires, putting in underground cable, and installing attractive aluminum standards for effective lighting.

Almost every person who comes to Rockport as a new resident or visitor asks:

"Why don't you do something to make your business district more attractive?"

One step is about to be taken, thanks to CPL and the City.

What about beginning now to plan additional steps?

## County Under Budget For Jan. to Sept.

From Jan. 1 to Aug. 31, Aransas County operated within its budget with \$970.13 to spare.

This was the financial picture revealed in the report of County Auditor Robert D. Mosier, Jr.

The budget for this period was \$335,683.86 and the money spent was \$334,713.73.

The total for all funds as of Aug. 31, 1966, was \$370,578.60 compared with \$328,959.89 a year earlier, or an increase of \$41,618.71.

## County to Enforce Speed Limit on Navigation Property

The Aransas County Commissioners Court this week passed an ordinance setting the speed limit at 20 miles per hour for all vehicles traveling on Navigation District property.

This paves the way for Sheriff Joe Earl Hunt and his deputies, Joe De La Garza and Ernest Stautzenberger, to enforce that law on Navigation District property including the Ski Basin beach road.

In other actions the Commissioners Court:

—Raised hourly pay of mosquito control workers 10 cents an hour with pay now: Road hands, \$1.75 per hour, and extra help, \$1.50 per hour.

—Heard and approved monthly fees collected as follows: Sheriff Hunt, \$40.35; Justices of the Peace H. W. Hampton, \$104; Lawrence Miller, \$127; and E. B. Crawford, Sr., \$26; County Clerk W. E. Beasley, \$1,699.60.

—Authorized County Judge John D. Wendell to advertise for bids for a pneumatic loader for road work and for a road sweeper.

—Heard Judge Wendell read a report from the Coastal Bend Planning Commission listing its 1967 budget at \$99,200.

## Hug-the-Coast 'Ass'n Optimistic of Future

Meeting at the Sandollar Motel this week, the Louisiana-Texas Hug-the-Coast Highway Association expressed optimism of having a highway all the way from Montreal to Mexico designated as U.S. Highway 11.

"The goal is within reach. We can expect the realization of our dreams, and work, before too long."

Those were the words of one of the principal speakers, Tom H. Taylor, Director of Travel and Information Division, Texas Highway Department.

He said the 473 miles of Texas highways designated as part of the Hug-the-Coast Highway meeting federal requirements except for a small portion in Jefferson County which will be upgraded to meet the standards.

When completed, U.S. 11 will follow State Highway 35 through Rockport to Gregory, (continued on page 8)

## CITY AWARDS PAVING WORK TO WEAVER

The City Council on Monday night awarded the following paving jobs to J. Carol Weaver, Sinton paving contractor:

Water Street west of Rockport Yacht & Supply Co. from Market to Wharf; and 300 block of Austin.

In other actions, the Council:

—Called for the annual city audit to be made by Seale, McCarty and Millikin of Beaville in October.

—Granted a request by J. W. Stevens in behalf of the First Baptist Church to install signs at South Live Oak and Market, and at Live Oak and Highway 35 pointing the way to the church. Permission was granted subject to compliance with city law and with permission of owners of property adjoining the sign locations.

—Helped solve a problem for Frazier Cantrell, operator of a rental business, in this way: Cantrell explained that in renting power mowers and providing gas for them, he has been keeping gas in a 55-gallon container.

Since fire regulations limit the size to a five-gallon container, Cantrell said he faced the possibility of being put out of business. The Council granted him an exception if he would move the container 20 feet from the nearest building and keep a lock on the spout. Cantrell agreed and thanked the Council.

—Tabled for further consideration two bids on a new garbage truck unit.

## County Planning Board Endorses School Expansion

The School Board's plan to build a new school and expand existing facilities to overcome crowded conditions has been endorsed by the Aransas County Planning and Development Board.

Meeting with members of the County Planning Board Sept. 7 at a conference in the District Courtroom in the courthouse were Dr. H. F. Elliot and James B. Jackson of the School Board and Supt. of Schools J. D. Gray.

The school representatives described problems that have arisen due to the crowded conditions in the schools and outlined a proposed building and expansion program which it is expected, will satisfy needs for at least the next five years.

It was pointed out by the school representatives that a bond issue of \$800,000 will be necessary to carry out the expansion program.

The County Planning Board endorsed the plans and recommended an increase in the school tax levy rather than to increase the ration of assessment at this time.

The building program calls for a new elementary school to be built on a 14-acre site west of Rockport and near Dupnik Corner.

The plans also include expansion of the Junior and Senior High Schools and Fulton Elementary School.

The County Planning Board endorsed air conditioning for the new elementary school, and also recommended that the School Board make an extensive study of the possibility of air conditioning all public schools in the county at some future date.

Members of the County Planning Board are James H. Sorenson, Jr., president, Welton Cabanis, secretary, Emory M. Spencer, Herman Johnson, Mrs. Alma Johnson, Mrs. Fred Hunt, Floyd Rouquette, T. D. Picton and L. E. Casterline.

## Five Injured In Car Crashes

Five persons were injured in rural auto crashes in Aransas County last month, according to Lt. F. C. Carpenter of the Texas Highway Patrol.

There were seven accidents, and in three of them the injuries occurred. In four of the wrecks, a total of \$2,850 in property damage was reported.

## Modern Street Lighting Set For Business Area

Plans are underway to take a major forward step in modernizing the business district by removing all power line and telephone poles on Austin Street from Market to Highway 35, putting in underground cable, and installing the latest type street lighting.

The plan calls for setting up 38 streamlined aluminum light standards from the city Hall to Market Street. They will be located 150 feet apart on each side of Austin, with

the locations staggered to provide a light standard every 75 feet.

Illumination will be provided by 20,000 lumen mercury vapor lamps which are said to provide excellent lighting for motorists and pedestrians, yet easy on the eyes.

Spearheading this project is the Central Power and Light Company whose local manager, John E. Ross, has estimated the company will spend about \$15,000 for the light standards, removing power line poles and laying underground cable.

The City Council Monday night voted to allocate \$2,000 to dig the necessary ditches for the underground cable. Aldermen Earnest Harriott, N. C. Vandagriff and N. F. Jackson voted "Yes" and Alderman Garrett voted "No." The motion carried.

No statement was immediately available from the Southwestern Bell Telephone Company as to the extent of its participation, but leaders of the lighting project expressed confidence that "the Telephone Company" will do its share.

Coach Benny Bloomer reports that the Mathis team is "big and tough" and is expected to win its district championship. "This game will be a real test for our boys," he added.

Bloomer said Butch Warden, the Pirates' flashy left half, has a sore throat and may not be able to play. Roy Johnson will take his place if Warden is still ill.

On Thursday night, Sept. 15 the Junior Varsity squad travels to Mathis to do battle with that high school's Junior Varsity.

## Literacy Council Classes to Start Tuesday, Sept. 20

The Aransas County Literacy Council started its fall session with registration last week. There are still openings for more students.

All persons interested in learning to read, write and speak English are urged to attend.

Regular classes will begin Tuesday, Sept. 20, 7 p.m. at the Rockport Elementary School.

Registering last week were Mr. and Mrs. Fred Medina, Domingo Garza, Mrs. Ramona Aleman, Ezequiel Lopez, Mario Alonzo, Girprian Martinez, Frank Molina, Mr. and Mrs. Encarnacion Tamez.

Teachers are Miss Alice Pulido, Mrs. Gladys Nelson, Mrs. H. H. Dick, Mr. James Griffin, Mrs. Mary Godwin, and Mr. and Mrs. Douglas Siems.

After careful consideration, the School Board instructed Gray to take the necessary steps to move two classes to Fulton and to arrange transportation for the children as well as serving the noon lunch.

Another bus—one of the standbys—will be put in operation to relieve the congestion in transporting the pupils to the schools.

Superintendent Gray also was authorized to place an order for a new bus which was previously provided for in the budget.

Dr. H. F. Elliot, president, reported to the School Board that the Aransas County Planning and Development Board had endorsed the School District's plan to call a school bond election for Oct. 22 for \$800,000 in an attempt to solve the crowded conditions for at least five years.

## Player of the Week

Jerry Brundrett, a senior player on the ACHS Pirate Varsity team, was chosen "Player of the Week" last Friday night for his defensive performance against Pettus.

Brundrett stands six feet tall and weighs 153 pounds. He plays right end on offense and half-back on defense.

Brundrett has received one varsity letter in football, one in basketball, and two in tennis. He is a member of the Lettermen Association and the National Honor Society.

Now in his fourth year of high school football, Brundrett began playing football in the seventh grade and participated in the sport for two years while in junior high school.

Brundrett is the son of Mr. and Mrs. Jerald L. Brundrett.

## Two Hurt In Car Collision

Two persons were injured Saturday night in a car crash on FM 881 a few miles west of Highway 35.

Injured were Mr. and Mrs. Choyce Cummings of Rockport, both of whom received head lacerations. Mrs. Cummings was treated at Aransas Hospital. Their son, John, was not hurt.

Cummings crashed into the rear of a car driven by Mrs. Gladys Thomson of Fulton who was turning off of the road. State Highway Patrolman R. R. L. Brown gave Cummings a ticket for failure to pass to the left in safety.

Brundrett is the son of Mr. and Mrs. Jerald L. Brundrett.

## We Came . . . We Saw . . . We Stayed!

In fact we liked the Rockport area so much we built a brand new subdivision here for others like us. We selected a quiet wooded area west of town between Copano and Aransas bays—put in paved roads and city conveniences—added a large pool and tennis courts—and then programmed additional country club facilities for you to use when you're not on the bay fishing.

We named this exciting subdivision **PENINSULA OAKS** because of the many oak trees shading our homesites. We priced them low too, with prices starting at \$750, and made them easy to buy with only \$25 down and \$15 monthly. We believe that if you COME and SEE, you just might get like us and STAY too!

### PRESBYTERIAN CIRCLE MET SEPTEMBER 8

Circle No. 2 of the Women of the First Presbyterian Church met Thursday afternoon, Sept. 8, in the home of Mrs. W. P. Pettitt.

After a brief social period when the hostess served delicious cake and punch, the chairman called the meeting to order and opened with prayer.

Roll call was answered with Scripture verses pertaining to the lesson.

There were nine ladies present, including one visitor, Mrs. R. B. Heltebride of Waco who is Mrs. Pettitt's sister.

Since the meeting in August, 103 visits have been made and 36 cards sent.

The general meeting of the Women of the Church will be Sept. 15 at the church. At this time officers are to be installed for the coming year.

Mrs. Brundrett announced that a new appeal for warmer clothing and blankets for overseas has just been received. Please get yours to the church at your earliest convenience.

Mrs. Pettitt moderated the lesson, the subject of which was "A Witnessing Church." She was assisted by all present.

Mrs. Hight gave the Emphasis on Christian Teaching.

Mrs. Melton gave the prayer for the Fellowship of The Least Coin.

The October meeting will be in the home of Mrs. C. G. Melton with Mrs. J. F. Brundrett as moderator.

### A BUSINESS CAN BE TAXED TO DEATH

New York state politicians, some of whom have operated on the tax-and-spend theory, are now hanging their heads in confusion and may be coming around to the realization that there is such a thing as too much tax on a commodity.

Gov. Nelson Rockefeller talked the legislature into doubling the state tax on cigarettes to 10 cents a pack, in addition to city, federal and local taxes.

Today, according to the trade paper, Tobacco Leaf, state tax collections are \$33-million below expectations, New York City, with four-cent tax, reports collections down \$13-million. Dealers' sales are running about \$200-million a year below normal, the paper says.

Bootlegging of fags is booming. Mob elements have entered the business, according to the magazine. Cigarettes are being sold under the counter in pawn shops, beauty parlors, barber shops—and many another place, the magazine says. The weeds are coming via the underground from states where there is either no tax at all or else far beneath New York's tax rate.

A bootlegger, according to Morris Weintraub, managing director of the Wholesale Tobacco Distributors of New York, points out that a man with a one-ton truck can scoot into New Jersey and load up with 41,000 packs at a total cost of \$12,500, including travel expenses. They are then snoopied into New York and sold at 40 cents a pack for a gross revenue of \$16,500, or a net profit of around \$4,000, which figures to around 30 per cent profit.

This is as good or better than in the days of bootlegging alcoholic beverages.

Legitimate sales are down anywhere from 20 to 26 per cent.

State officials want the other states to stop selling to the bootleggers. They want stronger laws to prohibit illegal sales. They seem to be talking along these lines more than making an effort to repeal the prohibitive tax and realize that it is possible to tax an item to death. The simplest remedy would be to call off the tax.

In fact, the tobacco industry tried to warn the legislators what would happen. But they wouldn't listen. All they thought about was how to get more money to spend, and spend and spend.

Minority Leader Joseph Zaretsky said the other day "I must draw your attention to the fact that there comes a time when you put on a tax so heavy it will either kill the taxpayer or cause his business to go underground."

Cigarettes, cigars and gasoline now have about all the taxes the public should be asked to pay. Other states might look at what has happened in New York. There is a limit.

### CONGRESS HAS FORGOTTEN

Along toward the end of World War II there was a loud cry from Congress that something had to be done to simplify the income tax laws.

Most of us have come to the conclusion that Congress had forgotten all about it.

But they haven't. Word from some members is that they are getting so many complaints from constituents about the detailed reports the Internal Revenue Service is demanding that something may have to be done about the income tax code structure. Sen. Thruston (correct) Morton (R-Ky.) said the other day that for even the smallest businessman and individual the task of making a return has become so complicated he is unable to do so without getting professional assistance.

So cheer up. Congress hasn't forgotten, even though the promise made a score plus years ago has not been fulfilled. You may get some more cheering news within the next 20 years that the task of figuring up deductions has actually been simplified. Meantime, the best thing you can do is to set aside about two weeks along about next April to the task of putting together all the notes and records of the past year. It could be that income tax reporting has become so involved that even Congress doesn't want to tackle it.

But there is one thing Congress can do. It can tell the IRS officials that their wire-tapping, trap questions, and use of super-sensitive recording and listening devices must go. There is no place for them in our government, at least in tax-collecting.

### A GOOD WIFE!

Writing in a recent issue of the American Salesman, Norma S. Upson listed the Ten Commandments for a salesman's wife.

They are: (1) You shall not meet him at the door with your problems. (2) You shall not be unprepared for last minute guests. (3) You shall not answer the telephone with a cheerful voice and an efficient pencil. (4) You shall know your husband's company, products and accounts. (5) You shall be well groomed at all times. (6) You shall keep a supply of clean shirts, socks and underwear on hand at all times. (7) You shall have interests and hobbies beyond home and family. (8) You shall accept and be realistic about the possibilities of transfer. (9) You shall make an honest effort to understand the world in which he works. (10) You shall love him, trust him, and have faith in him."

Why pick on salesmen's wives? Heck, those would be pretty good commandments for any man's wife, baker, plumber, and yes newspapermen!

Editor  
The Rockport Pilot  
Rockport, Texas 78382

Dear Sir:

We have been subscribers of the Rockport Pilot now for several months as a result of our few visits and interest in the Rockport area for the past couple of years.

We are interested in the Rockport area as a possible location for retirement when the time arrives, which is the not too distant future. One of the things with which we are concerned is the summer climate. Our visits to the area have been in the winter and spring, therefore, we are not acquainted with the summer weather.

All of this points up to the September 8th issue of the Pilot, just received, which shows the weather conditions during the previous week in the upper left hand corner of the front page and some weather facts by days during the month of August in the lower right hand part of the front page.

These reports are very significant to us, and I'm sure to other non-resident subscribers who may also be considering Rockport or surrounding area as a possible retirement home. There is one other factor I would appreciate seeing in the weather report and that is the relative humidity in addition to the temperatures and precipitation.

May I suggest that you make these reports regular features of your paper? I will be most appreciative and I feel sure others will also.

Yours very truly,  
Mr. and Mrs.

### Chamber Doings

Conducting Chamber of Commerce tours for visitors pays off.

Last weekend about 100 delegates were here for a meeting of the Louisiana-Texas Hug-the-Coast Highway Association at the Sandollar Motel.

Our Chamber of Commerce arranged a special bus tour for the visitors, with Ed Harper as tour director. Many historic and scenic spots in this area were visited.

One result: A delegate was so impressed with one bay location that he bought a lot and will build a home here.

### JOHN JACOBS RETIRES FROM NAVY AFTER 20 YEARS OF SERVICE

Utilitiesman first class John B. Jacobs, U. S. Navy, is back home with his wife, Palmira, and four children, having retired after 20 years of service.

The past year he spent in Viet Nam. In August he was selected as the MCB TEN Seabee of the Month, selected from five nominees for the honor.

His citation stated he had demonstrated leadership not only in leading his men but also by personal example. "He continually demonstrates the quality of responsibility and provides an excellent example to the men who work under his direction," the statement added.

Jacobs intends to get a job and live and work in Rockport.

### Highway Dept. Issues Folder

It's a sincere compliment when a person says of another, "He speaks my language."

The Texas Highway Department today issued two new, full-color travel folders in which Texas speaks the language of Germany and France.

Based upon the enthusiastic acceptance of a similar folder in Spanish, produced by the Highway Department last year, the new German and French folders should enjoy significant appeal.

French and German travelers, anticipating a visit to

the United States, will find Texas travel literature in their own language at U. S. Travel Service offices, and on the racks of international air and steamship lines.

Highway Department surveys indicate Texas is an increasingly popular destination for European travelers. The new folders are designed to capitalize on that interest, and increase the flow of foreign visitors by speaking to them in their own language. In addition, the folders are expected to create good will for Texans in those other lands.

The new publications will become part of the two million pieces of travel literature produced and distributed by the Highway Department each year. Copies may be obtained at the Department's eight Tourist Bureaus, or by writing the Texas Highway Department, Travel and Information Division, P. O. Box 5064, Austin, Texas 78703.

Mrs. Frank Wix of Key West, Fla., arrived Sept. 3 for three weeks' vacation with her parents, Mr. and Mrs. Marvin Davis.

**Community Birthday Calendars Coming**

Aranas County Junior and Senior High School Band members are canvassing the community this week for listings on their annual calendar project.

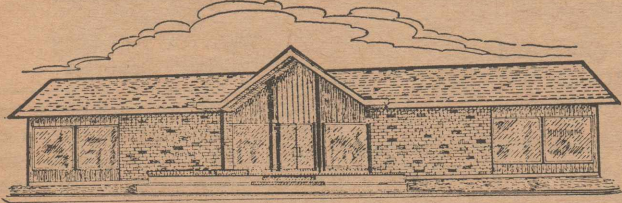

There calendars, which show the birthdays of hundreds of local people, have been very popular year by year.

Each listing, whether birthday, anniversary, memorial, or otherwise, cost 25 cents. The calendars themselves, which sell for 50 cents, will

be delivered in December.

Money raised from these calendars by the Band Boosters will be used to help pay for meals of the Band members on out-of-town trips when the Band is representing Aransas County, and also for the annual Senior Band banquet, and other expenses not covered by the budget.

Anyone desiring a calendar, or the listing of birthday or anniversary, should call SO-4-6333, or SO-4-6696 after 5 p.m., if they have not been contacted by the end of this week.

then switch to U.S. 181 from Gregory to Corpus Christi, next follow State Highway 44 from Corpus Christi to Robstown, where it will switch to U. S. 77 all the way to Brownsville.

At the Association's banquet, John E. Ross, president of the Rockport Chamber of Commerce, welcomed the delegates and paid tribute to the late James Jarboe and his wife, the late Dorothy Jarboe, who were active in the Hug-the-Coast Highway Association for years.

At the luncheon, Mayor Delmar R. Hiller gave the address of welcome and Ed Harper, general manager of the Sandollar and Jack Sanders Enterprises, extended greetings.

Mrs. V. A. Schleider returned home from San Antonio after visiting her mother, Mrs. Mamie Click, who is in Woodlawn Hills Nursing Home.

**Funeral Services Are Held For Fred B. Hunt**

Funeral services for Fred B. Hunt, 73, local resident since 1928, who died last Friday at his home, were held Sunday at First Presbyterian Church.

Officiating was Rev. Arnott Ward of Corpus Christi, assisted by Rev. Cecil Lang, Jr. Burial was in Rockport Cemetery under direction of Cagle-Marshall Funeral Home.

Hunt was a member of the Methodist Church and was formerly a Lincoln-Ford dealer from 1915-1926 in Beeville, Texas which he and his father owned. The Hunt Auto Co. is now owned by an uncle, Earl Hunt. From 1929 to 1939 he was a Chevrolet-Oldsmobile dealer in Refugio and Woodsboro.

In 1926 Fred Hunt and his father built the Hunt Cottages and added the Hunt's Courts in 1939. Hunt's Courts were owned and operated by Fred Hunt and his son, J. W. Hunt at the time of his death.

Pallbearers were Jim Ferguson, Fred Bracht, Sr., Travis Johnson, Fred Christilles, R. L. Eckman and Jones Christian.

Honorary pallbearers were George Dahse, Woodsboro, Texas; Dr. Howard Gault, Arlington, Texas; Eric Spielhagen, Beeville; Earl B. Hunt, Beeville; Clarence Hunt of Mineral Wells; Emmett Hunt, San Antonio; Dr. W. H. Straugh, Refugio; James Sorenson, Herman Johnson, W. B. Allen and H. C. Mullinax of Rockport.

Survivors include his wife, Alma and a son Jimmy Hunt.

**NAVY RECRUITER HERE ON FRIDAYS**

Nathan O. Wilder, DC1, USN, Navy recruiter, is here every Friday at the Post Office or Sorenson's store at 11:30 a.m.

He points out that the test date for the 21st annual national competitive NROTC examination has been set for Dec. 10. He will be glad to talk to high school seniors and graduates about opportunities in the NROTC program.

**Form County Unit Of Cancer Society**

A group of citizens unanimously passed a resolution Monday night to organize the Aransas County Unit of the Texas Division of the American Cancer Society.

At the meeting held in the Woman's Club building, Rev. Ben Bohmfalk of First Methodist Church was elected temporary chairman and Miss Iris Sorenson temporary secretary to serve until the formal organization meeting set for Sept. 27.

Appointed to serve on the bylaws committee were T. E. Dannelly, Mrs. Alice Hilliard and Mrs. Vic Stuart.

Mrs. Matthew Scott, chairman, Mrs. Arley Shivers and Mrs. Albert Wofford were selected to serve on the nominating committee and have set a meeting for Monday noon at Corky's Restaurant.

On hand for the first meeting of the County Unit were Rev. Bohmfalk, Dannelly, Rev. Eugene E. Erdelt, N. E. Hicks, Mrs. Hicks, Mrs. Herbert S. French, Mrs. Stuart, Mrs. Shivers, Mrs. Jones R. Christian, Mrs. Scott, Mrs. Wofford, Mrs. Hilyard, Mrs. Ruby M. Huffmeyer and Miss Sorenson.

In a talk outlining the work of the American Cancer Society, Mrs. Helen Foster, field representative, stressed the importance of a strong local county unit organization of the Society in the work of cancer control.

"County Units, Mrs. Foster stated, "constitute the heart of the Society's hopes and progress through education and service to the cancer patient in the community. It is here at home, that the individual has direct and intimate contact with cancer. It is here that one sees the patient and understands the need for money to fight back effectively through research. People working with people in the community, the home, the factory and the office is the only way to make cancer control effective and save thousands of lives each year from cancer."

Mr. and Mrs. W. O. Young returned from a trip to Laredo.

**Rockport Clips Pettus By 18-6**

The Rockport Pirates clipped the Pettus Eagles 18-6 in their first game of the season at Pettus Friday night. The Pirates scored their points, on two touchdowns, two 2-point conversions and a safety. Quarterback Bart Rozzell racked up both touchdowns.

Fullback John Priffit scored the Eagles lone touchdown. The game featured a number of long gains but was marred by several fumbles on both sides.

**FIRE DEPARTMENT AUXILIARY MEETS**

The Ladies Auxiliary of the Fire Department met Tuesday evening, Sept. 13, at 8 p.m.

President Mrs. Elva Mullinax, called the meeting to order. The minutes were read and the treasurer's report was given. The correspondence was then read by secretary Mrs. Edward Truelove.

The auxiliary wishes to welcome back Miss Sarah Belle Smith, who has been absent for the past three months, due to an injury she sustained in June.

Routine business was carried on. A committee was appointed to estimate the cost and amount of paint and supplies to repaint the fire house.

The District Executive Board meeting will be held in Portland on the 18th of September.

Members present: Mrs. Elva Mullinax, Mrs. Julius Malchar, Mrs. Bill Gray, Mrs. Gilbert Hill, Sr., Mrs. Somer Smith, Mrs. Gilbert Hill, Jr., Mrs. H. J. Gurley, Mrs. Edward Truelove, Mrs. J. C. Gurley, Miss Sarah Belle Smith, Mrs. Coy Truelove.

### Baptist Bethany Class Meets

The Bethany Class of the First Baptist Church met Monday night in the home of Mrs. Tom Shults for installation of new class officers.

A prayer opened the brief business meeting which preceded the installation service. The secretary-treasurer, Mrs. Tom Shults, gave her report to the class. Old and new business was discussed and a collection was taken for a special gift.

Following the business meeting, Mrs. K. E. Euton, of Refugio, presented an impressive installation ceremony. To each of the new officers she presented a token of her friendship and as she did so, she briefly discussed the duties of each officer. At the close of the installation, the class teacher, Mrs. Lonnie Wright, offered a prayer for the new year of the Bethany Class.

The new officers installed were: Mrs. L. M. Dyson, president; Mrs. Simon Lee Sorenson, 1st vice president; Mrs. J. O. Funderburk, 2nd vice president; Mrs. Milton Munday, secretary-treasurer; Mrs.

Gene Shults, reporter; Mrs. Shelley Roaten, corresponding secretary. New group leaders were: Mrs. W. L. Thorman, Mrs. Guy Barber, Mrs. L. R. Davenport, Mrs. Edmond Cessack, and Mrs. B. C. Wynn.

Following the installation service, a gift of appreciation was presented to Mrs. Euton.

Mrs. Tom Shults and little Mellinee Landrum, assisted by the co-hostesses, Mrs. Dyson, Mrs. Thorman and Mrs. Wynn, served punch, cake, candy and nuts to the following:

Mrs. Simon Lee Sorenson, Mrs. Shelley Roaten, Mrs. Edmond Cessack, Mrs. M. D. McNorton, Mrs. Esther Ballou, Mrs. Milton Munday, Mrs. Hollis Collum, Mrs. Lonnie Goodman, Mrs. M. E. Owens; Mrs. J. O. Funderburk, Mrs. L. R. Davenport, Mrs. Oscar Bauer, Mrs. Olga McLester, Mrs. Lonnie Wright, Mrs. Gene Shults, Mrs. John McLester, Mrs. Kenneth E. Euton, Mrs. Jimmy Frandolig and the hostesses.

Prior to 1952 coffee consumption in Japan was negligible but has jumped sensationally since 1962.

### BOB REED ATTENDING NAVIGATION SCHOOL

Seaman Robert K. Reed, USCG, son of Mr. and Mrs. Aaron L. Reed, is attending the Aids to Navigation School at the Coast Guard Training Center in Groton, Conn.

The nine-week course provides instruction in servicing, operation and repair of buoy lanterns and their mechanisms. Upon completion of the course he will serve as an assistant in a manned light station or any unit responsible for minor aids to navigation.

At present the Coast Guard maintains more than 42,000 aids to navigation for the guidance and safety of marine vessels.

### CARD OF THANKS

Mr. and Mrs. Thomas Davidson Hepworth, Ontario, Canada, wish to express their sincere thanks to their many friends for letters and cards in the loss of their son in a tragic plane accident. Special thanks to Rev. C. Lang for his comforting words. p25

International Falls, Minn., was once known as Koochiching.

SENATE DEMOCRATIC leaders Richard Russell of Georgia, left, and Mike Mansfield of Montana are leading the fight to make a "substantial reduction" in the number of American troops based in Europe. Both men feel that the situation in Europe is well in hand and the troops could better be used in other areas of the world.

A man named Ralph M. Besse, president, Cleveland Electric Illuminating Company, gave an address recently on "Beware of Abdicating Community Responsibility."

I was privileged to read a condensation of this talk which I considered so outstanding that I'd like to pass it on to you, as follows:

"In Rome, everything is for sale," was a saying current in the first and second century A.D. It meant, simply, that money was power. Everything, however sacred, had its price tag.

America today exhibits some remarkable parallels with Rome. While we have not declined to the level of Roman materialism in which everything was for sale, too much is that shouldn't be. Many Americans are able to buy what they want, and to buy their way out of what they don't want.

Unfortunately, one of the more important things Americans have learned to buy exemption from is service to the community, to organizations and to causes. Donating to a cause absolves one from working for it and, at the same time warms the conscience with a comfortable glow of satisfaction. More persons today are giving money; fewer persons are giving time and leadership; and more of the community's responsibilities are passing on by default to the federal government.

We should be concerned about this, for the philosophical structure of American society is based on citizen participation.

What is the nature of the community? It begins in the nature of man himself.

People live together because they can't exist separately. It is out of this need for one another that the community, whether the smallest village or a giant metropolitan center, has evolved.

A community is the body politic of which all of us are members. We can't function without its services. Because we each draw from it, we have the obligation to contribute

to it. The question is—how? The best way requires what most of us can least afford to give—time! Money doesn't solve problems. Only people do. Without people willing to work, money is a weak patch on a bad tire: The solution is temporary, the problems remain.

It is the presence of these problems which constitutes the danger to every community of a very real loss of freedom. When freedom is threatened or lost or relinquished in any major activity of society, a chain reaction spreads out that affects the great fundamental activities of political freedom of economic enterprise.

When the majority in a community is not concerned, they abdicate personal responsibility, in turn, shifts to local institutions and finally to national levels. Along with this, financing shifts from voluntary to tax sources. Tax support shifts from voter-approved sources to legislatively approved sources.

And the end result—increased government control—further weakens the average person's will to assume the responsibilities of citizenship.

Let's don't let this happen in Rockport. Let's everyone do his share—not just by giving—but by giving SERVICE to the community, to organizations and to causes.

#### PRESBYTERIAN CIRCLE HOLDS MEETING

Circle No. 4 of the Women of the Presbyterian Church met Sept. 8 at the home of Miss Lillie Fahr with eight members present.

After a brief social hour, Mrs. Hatley opened the meeting with prayer.

The business of the day was discussed. It was voted to buy a reference book for the church library out of the Circle fund.

Circle 4 will be hostess for the general meeting at the church on Sept. 15 at 3 p.m.

Mrs. Jackson gave the Emphasis on "Christan Teaching." Mrs. Clark moderated the lesson "A Witnessing Church."

Twenty-eight calls were sent and 21 calls made since the August meeting.

The meeting was closed with the Mizpah benediction.

French explorers founded Des Moines, Ill.

#### PRESBYTERIAN CIRCLE MET MONDAY

Circle No. 3 of the Presbyterian Church met in the home of Mrs. Alex Scott Monday evening. The chairman, Mr. J. D. Griggs presided. Twelve members and one visitor answered roll call. There were 27 visits made and 32 cards sent to the sick, bereaved and shut-ins.

The district meeting of the Women of the Church will be held in Corpus Christi Sept. 25 at the Westminster Church at 2:30 to 5 p.m. Mrs. Clobert moderated the Bible study "A Witnessing Church" taken from the Book of Acts.

A prayer and meditation was read by the chairman as the least coin jar was passed.

The first meeting of the new year for the organization will be held in the home of Mrs. Mary Juergens with Mrs. Snyder moderating the Bible study. The meeting closed with the Mizpah benediction and friendship circle. Refreshments were served by the hostess.

#### CARD OF THANKS

I would like to express first my thanks to the fire department. Then to the Police Department for their cooperation, and to all the VFW members, and all friends and neighbors who participated at the time of my illness.

Albert F. Butcher and Family.

#### STIPE NAMED HONOR STUDENT

Capt. Martin E. Stipe, 3412 Student Squadron, was selected as honor student for July for the officer Electronic Principles Course. Captain Stipe maintained a standard score of 96 and was the top student in a class of 325 officers.

Captain Stipe is married to the former Cissy Rowe and is stationed at Keesler Airforce base in Biloxi, Miss.

## "There's a way to do it better—find it."

An Investor-Owned Business Serving a Million People

That was Thomas A. Edison's motto, and it's still the idea behind all the electrical research going on today. When you think of all the good things that happen at the flick of a switch or the turn of a dial, you might say that your electric service couldn't be better. But it is better than it was a few years ago, because we never stop learning! And it will be still better in the future. The people pictured here are already thinking about ways to make it so.

Twenty-six top science students from all over South Texas, accompanied by their teachers, attended a Texas Atomic Energy Research Foundation symposium at the University of Texas this

summer as guests of CPL. They studied experiments in nuclear fusion, which some day may provide an unlimited source of energy for conversion into electricity.

The function of research is to find better ways to do things, and the scientific mind never stops asking questions. Students such as these South Texans may find answers that will mean still better electrical living for you—through atomic energy, magnetohydrodynamics, fuel cells or new ideas which haven't even reached the laboratory yet. You've always got good things going for you with dependable, low-cost CPL electric service.

DRAFT CALL FOR  
2,339 MEN IN NOV.

Austin.—State draft boards will be called upon to furnish 2,339 men for the armed forces in November, Col. Morris S. Schwartz, state Selective director, said Thursday.

Colonel Schwartz also announced that the October quota for Texas has been increased from 2,671 to 2,845, the biggest monthly call since April 1953, near the end of the Korean conflict.

These monthly quotas compare with 1,889 for September, 1,837 for August, 1,381 for July, 878 for June, 1,927 for May, 979 for April, 1,068 for March, 1,372 for February and 1,475 for January.

The state Selective Service director said he could not say at this time how many men would be sent for pre-induction examination in November. A total of 8,960 will be forwarded for the examinations in October.

Calls on the local boards for October, with quotas for both induction and pre-induction examination, have been sent to local boards.

The Texas quota of 2,339 for induction in November is the state's share of a national call for 43,700, all for the army.

The revised October quota of 2,845 for the state is for the army, the Texas share of national call of 49,200.

Patricia Jordon  
Weds Rhys Jones

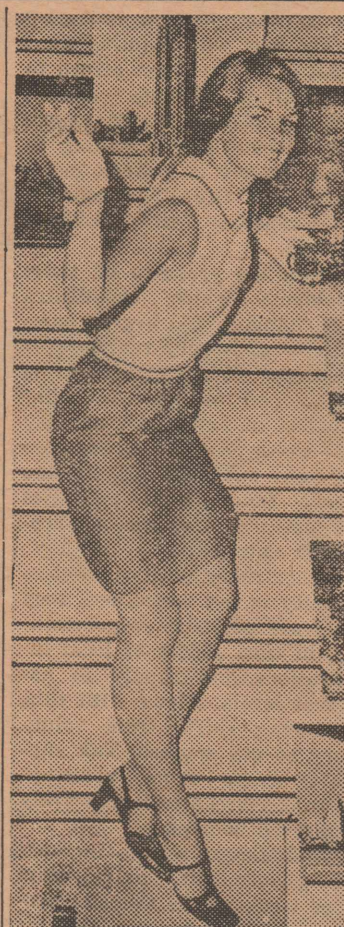

Miss Patricia Jordon and Rhys Jones were wed on July 8 in the Church of Immaculate Conception in Westhampton Beach, Long Island. The bride is the daughter of Mr. and Mrs. Patrick E. Jordon of Westhampton Beach.

Rhys Jones is the son of Mr. and Mrs. Daniel Jones of Shadyside Dr.

Miss Marianne Jordon was her sister's maid of honor and bridesmaids were the Misses Joanne Berdinka and Deirdre Bilyk. Best man was Wesley Ellis of Upper Saddle River, New Jersey, cousin of Jones.

Jones is an airforce veteran. The ushers were friends of his from the air force. The couple are living in Riverhead, N. Y., following a wedding trip to Nassau, Bahamas.

After the ceremony there was a reception in the new lounge of the Dune Deck, Westhampton Beach.

NEW YORK CITY holds many attractions, not the least of which is Pamela Werner, the city's 1966 Summer Festival Queen. Pamela extends a hard-to-resist invitation to out-of-towners to come see the Empire City.
