Antelopes Play Whirlwinds Here Friday; Lose To Dimmitt

Players Of The Week

RUWAYNE STRUVE

MARK HARRISON

For the third week in a row, Ruwayne Struve and Mark Harrison have been named players of the week. Struve on defense and Harrison on offense, Coach Nickerson said of the game: "We lost, but we felt our kids didn't play real poor football all the time. We just weren't consistent on offense or defense. We would make several good plays and then let up for a while. Ruwayne and Mark were the most consistent in their play, and I think this is really something when you consider this is the third week in a row these two have been named for this honor."

Harrison had his top rushing game of the year, gaining 85 yards on 15 carries. "Mark really ran hard and tough against a good defensive team. Most of his yardage came right up the middle," Nickerson said.

Struve was in on 15 tackles and recovered a fumble for the Lopes. He was also in on the most unusual play of the game. The Dimmitt quarterback threw a pass that Struve bolted right back into his hands. Struve then made the tackle, causing the Bobcat QB to fumble, with the Lopes recovering. "Ruwayne played his usual game—hustling all the way and making several big tackles," Coach Kennedy said. "We're proud of the way he has improved since recovering from his knee injury at the first of the year, the defensive coach added."

Others who were mentioned by the coaches for their play in the Dimmitt game were Charles Johnston who gained 91 yards on 21 carries, Dave Davenport who completed 9 of 22 passes for 88 yards, Kirk Lane, and who caught four passes for 38 yards, and Mike Hedges who was in on 24 tackles.

Mathis Sets ENMU Record

Portales (Special)—Powered by the running of senior tailback Harry Mathis and freshman fullback Clarence Rankin the Eastern New Mexico University Greyhounds gave a homecoming crowd of 4,500 Eastern fans a treat Saturday (Nov. 7), defeating Big Sky Conference members Northern Arizona University 21-7 in Portales.

Mathis, a 5-10, 170 pounder from Abernathy, Texas, added 172 yards to his single-season rushing record Saturday, while Rankin, a 5-6, 184 pounder from Midland, Texas, gained 87 for a team total of 259 yards.

Mathis now has gained 888 yards for the season, an average of 111 yards a game. He is a son of Mrs. Olean Mathis of Abernathy.

Apparently looking ahead to this week, the Abernathy Antelopes were eliminated from the district race by the Dimmitt Bobcats. Taking 6-0 first quarter lead, the Antelopes looked as if they would win their seventh game of the year. But the Bobcats came roaring back to take a 14-6 halftime lead, increased this in the fourth period and this is how it ended, 20-6.

The Antelopes score came on a 28 yard pass from Dave Davenport to Bobby Rogers. Davenport's kick try for extra points was wide and this was, all the scoring for the Lopes. Even though they penetrated the 20 yard line four more, times the Lopes couldn't get the ball into the end zone again.

Fumbles, pass interception, busted blocking assignments, and poor tackling cost the Antelopes a chance for a District 3-AA showdown with Floydada this Friday night. "We made mistakes that we hadn't made in several games," Coach Nickerson stated. "We were flat and not ready to play. We as coaches take the blame for this because we just didn't have the Lopes in the right frame of mind," he added. "Dimmitt has a good ball club and they just out blocked and out tackled us. This is really disappointing because these kids have worked hard all year long and had won a lot on desire and team spirit. But we're still got one game left and our football team will be ready," Nickerson said.

Floydada has clinched a playoff spot against Denver City next week. They have gone through nine games undefeated, and the closest anyone has come was Littlefield last week. The Wildcats held the potent Whirlwinds to their lowest point output of the year, losing 21-3. The Whirlwinds roster is dominated with seniors—27 to be exact. Their backs are fast and shifty, their line is big and strong, and their passing game is as potent as their running game—"and they play defense as good as any AA ball club I've seen in a long time," Nickerson said.

Ranked second in the state, the Winds will be the second state ranked team the Lopes will play against this year. In their second game of the year, the Antelopes defeated Sea-graves, who was the number one class A team in the state at the time. The Lopes came within one point of beating Floydada last year and will go into this game hoping to break a six game win streak that the winds have against them, but our boys know this, and they always play good against Floydada. "Coach Kennedy said,

This will be the last game that seven seniors will play football for the Antelopes—Mike Kerr, Mark Harrison, Larry Betts, Larry Klafka, Keith Lambert, Kirk Lane, and Charles Johnston. "We are very proud of these seven young men and the things they have done this year," Coach Nickerson. "We are looking forward to them closing out their high school career with a top effort against Floydada this Friday night," he added.

CONVERT YOUR HOME TO COMFORT
ELECTRIC HEATING NOW... AND WE'LL
INSTALL STORM WINDOWS... *Free!*

■ Now is the time to bundle up your home for
winter. Now is the time to install whole-house,
comfort electric heating because, right now, with
every qualifying electric home heating installa-
tion, we'll install *free* a complete set of storm
windows for the heated portion of your home. All
you need do is call Southwestern Public Service
Company. Our electric heating specialist will
gladly and professionally determine the exact
heating requirements for your home.

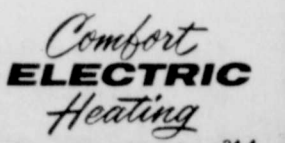

■ Modern electric comfort heating is already
being enjoyed by over 4 million American fami-
lies! ... almost 5,000 in our area alone. The
reasons are many, but what most people like
about clean electric heating is the *comfort* it
gives. An even warmth from floor to ceiling cre-
ates a comfort unlike any other heating method.
You owe it to yourself and your family to get
the facts about electric heating! ... and now is
the time to do it.

■ Storm windows have proven their value in
keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating
costs. The storm windows now offered *free* with
qualifying home electric heating installations
are 2-track, aluminum windows with screen, and
custom made to fit your own windows. Storm
windows do an excellent job of combating dust
storms, too.

IS YOUR HOME ELIGIBLE?

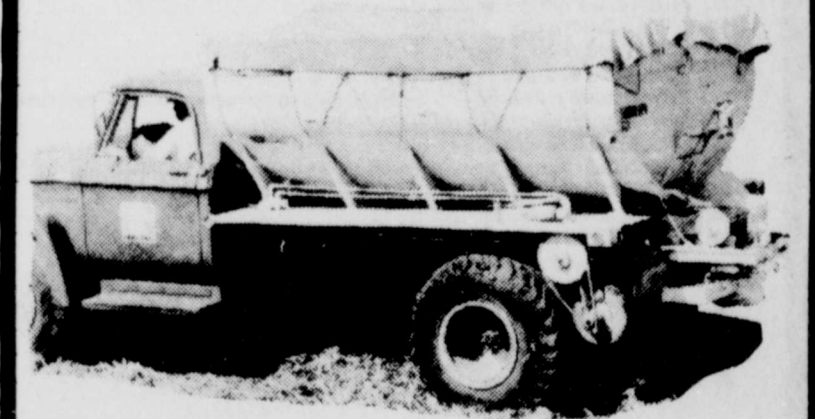

This offer is available to residential customers of South-
western Public Service Company, living in existing single
family homes and qualifying for the special residential
electric heating rate. Should you already have storm win-
dows or windows of such design or shape that they do not
lend themselves to normal installation, do not despair
—we have a special, most attractive plan for you, too.

People who cook with pride cook with GAS. Mrs. Cecil Burke does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking.

Good cooks like Mrs. Burke and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking.

So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Burke's favorite recipes.

JEWEL CHEESE PUFFS

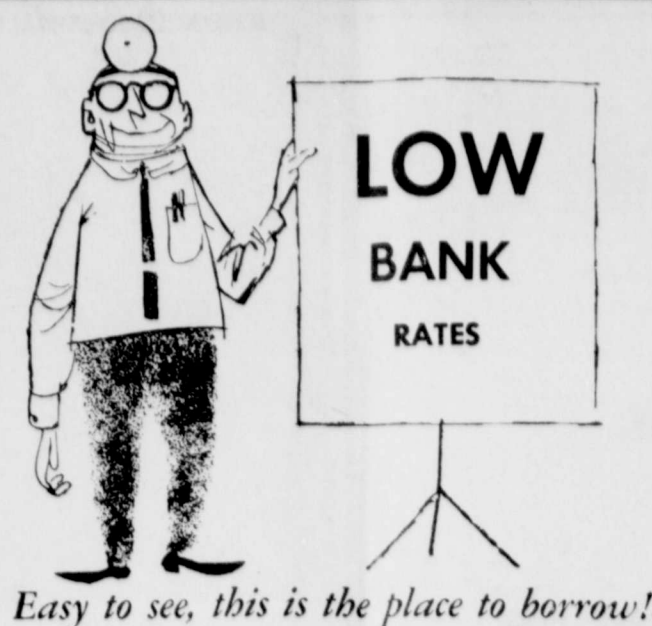

Mrs. Cecil Burke, 2426 Walnut, Amarillo

2 cups sifted 1/4 teaspoon salt
all-purpose flour 1 cup butter
2 teaspoons 1 package (8-oz.)
baking powder cream cheese
2 tablespoons sugar 2 eggs, beaten
Preserves or jelly

Sift together dry ingredients. Beat butter and cream cheese until fluffy. Add beaten eggs and beat well. Blend into sifted dry ingredients. Chill dough one hour. On lightly floured board, roll dough 1/4 inch thick. Cut individual rounds with floured biscuit cutter. Make an impression in center of each round with thumb. Fill imprint with preserves or jelly (about 1 teaspoon). Bake on an ungreased baking sheet in moderate gas oven (375 degrees) for 15 minutes or until delicately browned. Serve warm. Makes about 24.
