NUMBER 2

Kitty's Korner

By Kitty Montgomery

If you have been keeping up with our installments about the lost Siamese cat, you will be interested in the following letter from the cat's owner. (Do not despair, however, we have a surprise ending.)

Dear Mr. White:
Thank you so very much for taking such trouble in contacting us about the cat. My husband and I are both so touched by your kindness in calling us the moment you heard about a cat answering its description was found. We talked to the McGowans in Junction right away, but the cat was hurt and difficult to handle and so we had to wait a few days until they managed to take to the vet's for a check up. It turned out to be a tom cat (ours was a female) and was in such bad shape, the vet put it to sleep. But there was a chance it could have been our Sam and we are just so grateful for all the trouble everybody took to help us find her. It's been three weeks now since we lost her so I guess we'll never know what happened to her--but we shall surely remember the kindness we received from you and Miss Kitty--who, to us, will always be shining examples of Texas good-heartedness.

Yours sincerely,
Susan Blahavietz
(Letter posted at Edwards AFB, Calif., March 13.)

We were so disappointed that the cat found in Junction proved to be the wrong cat, and were inclined to agree with Susan, that we also would never know what happened to the cat.

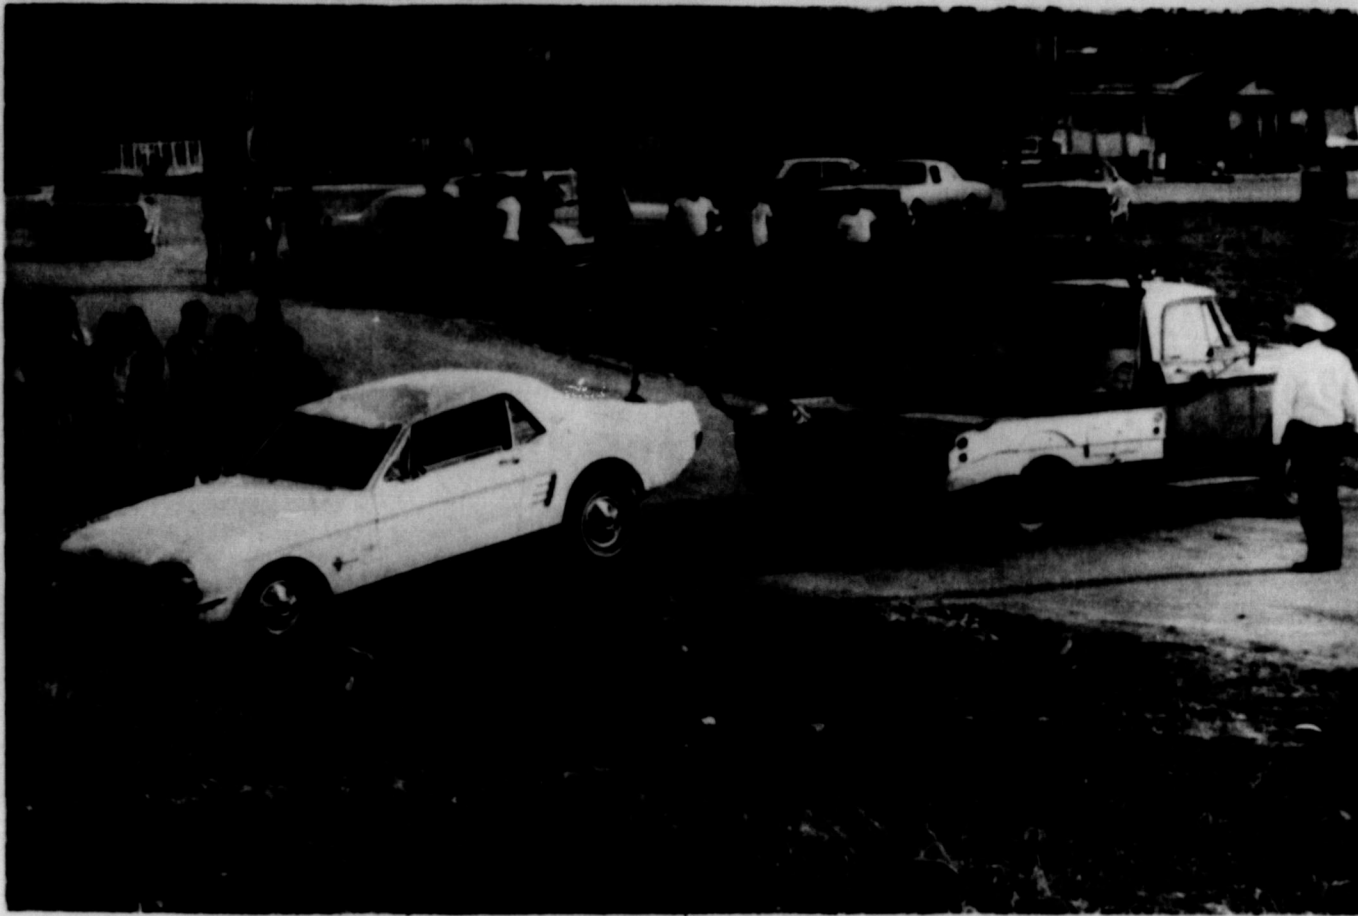

Much to our surprise, Jim Scott, who lives about two miles from the park atop Lancaster Hill, where the cat was found missing from a travel trailer, now over four weeks ago, came up with the cat. It seems she came up out of the wilderness last week and he began feeding her. She would sleep in his barn at night and disappear through the day. He mentioned the cat to Mr. White Sunday and the bell immediately rang. They walked through the draw calling her and looked all over the ranch, but had no luck.

Monday afternoon Phil Ingham, Scott's neighbor, called in to tell us that the cat had returned Sunday night and became friendly with Jim when he called her by name. She was also still wearing her black collar. We have been in touch with Mrs. Blahavietz and she is also sure the cat is her long lost "Sam." All that remains is the problem of getting "Sam" to her family in California, and that is no mean trick from Sheffield or thereabouts. At the moment I have offered to baby-sit (or cat-sit) until we can get her on her way. Final installment next week. Stay tuned.

kk
Everybody agrees that the presidential primaries are not very important, yet they are very much in the news for days before and for days afterward. The networks are busy predicting the outcome before the big day, break into your programs throughout the night after the polls close to give the projection, and hold post mortems with winners and losers alike for days afterward. I haven't decided how I am going to vote this year, but the first candidate who can get a law passed prohibiting political speeches more than 10 minutes long made by any political candidate about any issue whatsoever between now and November gets my vote.

kk
In all the rush to get the paper out last week, we completely forgot that we had a visiting celebrity over the weekend.

Flip Wilson stopped by the Hiway Cafe Friday night and was recognized immediately. Martha and Sonny Henderson were seated with Martha's back (Continued on last page)

DIDN'T MAKE THE CURVE--When this Ford Mustang flipped over in the draw behind the DPS building on Besente St. Sunday afternoon, officers only had to step out the back door to investigate the accident. Quite a crowd had gathered by the time the wrecker had it turned upright and towed away. Here Sheriff

IH 10 Construction Talked at Conference

A pre-construction conference concerning a new section of IH 10 to be built in Crockett County was held last week at the office of W. F. Dixon, resident engineer for the Texas Highway Department in Ozona. The erecting of barricades was to have begun yesterday with the fencing of the right-of-way scheduled to begin on or about March 27.

On hand for the conference were representatives from the road construction company and the bridge building company to whom the contract

Cancer Control Topic Mt. Zion Women's Meet

The Mount Zion Baptist Church women sponsored an educational program on cancer control Wednesday evening. Guest speaker was Mrs. Charles Williams, R.N., president of the Crockett County Unit Board of the American Cancer Society. Mrs. Williams showed an instructional film and answered questions asked by the group.

The meeting was arranged by Mrs. Savannah Wright, a member of the church and also a member of the Crockett County ACS board and a neighborhood crusade chairman. Following the program, refreshments were served.

THE HOUSING SHORTAGE in Ozona will not be really helped by this tree-house, but the Miller kids are having a lot of fun and even have enough room for company. The tree house was designed and built by Mrs. Miller, who says it's surprisingly durable in spite of its fragile appearance. Children are from left to right, Matt, Precia, and Miles, all children of the Mike Millers and Peri Pennington.

Billy Mills directs operations while the crowd looks on. The accident occurred when the driver, Cipriano Perez, failed to make the curve off Hwy 163. The car belonged to Luis Torres. There were no injuries, but the auto sustained heavy damages to top and side.

FLOYD R. HENDERSON

Light Shower Here Sun. Night

A brief shower fell on Ozona Sunday night, but did not leave enough moisture to measure. However, the James Baggett ranch south of town recorded a quarter of an inch of rain and the Joe Friend ranch southeast reported around .2 of an inch. Rainfall for the year stands at .84 of an inch with .74 of an inch recorded in January and .10 in February. The weather forecast for the week included the possibility of showers for this area.

--0--
Cathy Williams, daughter of Mr. and Mrs. Byron Williams, was one of the students recognized for high academic achievement in the College of Arts and Sciences at Texas Tech University for the fall semester by gaining a place on the Dean's honor list.

Branching out on his own, Floyd Henderson, as a young man, homesteaded 8 sections of Crockett county land just north of Ozona. Through the years he expanded this acreage to 25 sections. At the time of his death he was actively managing operation of two ranches, one in Pecos county near Fort Stockton, which he acquired by purchase in 1926, and a University of Texas land lease west of Ozona which was part of the University lease operated by his father.

(Continued on last page)

Floyd Henderson Pioneer Crockett Rancher Is Dead

Floyd Richmond Henderson, one of the fading numbers of Crockett County pioneer ranchers, died at his home here at about 6 o'clock Tuesday morning following an illness. Mr. Henderson was 86 years old at the time of his death and had been in failing health for the last several months.

Funeral services will be held Thursday at 4 p. m. from the Ozona Methodist Church with the Rev. John Berkley, pastor, officiating. Burial will be in Cedar Hill Cemetery under the direction of James Funeral Home.

Born August 12, 1885, in San Saba, the son of Mr. and Mrs. John W. Henderson, Mr. Henderson came with his family to Crockett county when he was a small child. The family moved first to Paint Rock from San Saba and to Crockett county a short time later. Mr. Henderson, Sr., was a cattleman and acquired ranch holdings in this county at what is known as the Henderson headquarters ranch, or 7N ranch, southwest of Ozona.

The elder Mr. Henderson acquired extensive ranch lands in his lifetime and his four sons grew up in the business under his tutelage. Each became prominent ranchers with extensive holdings of their own. The sons, only one still surviving, were Lee Henderson, John W. Henderson, Jr., Floyd and Roy Henderson. With Mr. Floyd's death, Roy Henderson is the last surviving of the immediate family. They had two sisters, Mrs. A. W. Clayton and Mrs. Pleas Childress, both deceased.

Branching out on his own, Floyd Henderson, as a young man, homesteaded 8 sections of Crockett county land just north of Ozona. Through the years he expanded this acreage to 25 sections. At the time of his death he was actively managing operation of two ranches, one in Pecos county near Fort Stockton, which he acquired by purchase in 1926, and a University of Texas land lease west of Ozona which was part of the University lease operated by his father.

Mr. Henderson and Miss Lillian Stewart of Magnolia, Ark., were married in Ozona December 22, 1909. Mrs. Henderson met her husband-to-be while on a visit here with the late Dr. and Mrs. A. W. Clayton. Dr. Clayton was Mrs. Henderson's uncle.

After their marriage, Mr. and Mrs. Henderson lived at the Henderson headquarters ranch. In later years they lived on the ranch at the north edge of Ozona, building a handsome native rock home in town when

Two Injured, One Seriously In Week-End Series of Accidents

A rash of accidents over the weekend kept Highway Patrolman Gary Hill busy. Only one man was seriously injured, but property damage was heavy.

Clifton Lee Williamson was hospitalized in San Angelo with a broken leg after a pickup-horse accident about 11:15 Saturday night 45 miles southwest of Ozona on a county road.

Williamson, an employee of Coastal States, dodged a horse on the right side of the road and hit two horses on the left, causing the pickup to overturn twice. He was brought to the hospital here and then transferred to San Angelo for treatment of a fractured leg.

Sunday afternoon at 2:20, 20.7 miles northwest of Ozona

at the intersection of Hwy. 29 and 137 Kenneth Wayne Johnson of Abilene, suffered cuts and bruises when the butane tank truck he was driving overturned just as he turned off 29 onto 137 toward Ozona. A mechanical malfunction caused Johnson to lose control. Heavy damage to the truck was reported.

Two minor accidents were reported Sunday afternoon in the south part of Ozona. Cipriano Perez lost control of the Ford Mustang he was driving when it failed to make a curve on Besente St. and the vehicle turned over on its top. The driver was not injured. Later the same afternoon Cruz Pena made a left turn at the intersection of Santa Rosa and Monterey, finding a car in her lane, she dodged and hit a gas meter. Only minor damage was reported.

A truck-tractor was completely demolished by fire in a freak accident 34.3 miles west of Ozona Monday morning at 4 o'clock. Charles B. Monroe was driving the semi-trailer rig down Lancaster Hill when his brakes failed about half way down. He managed to ride the outside wall to the bottom of the hill and was able to come to a stop about four miles past the bottom of the hill. A fire on the tractor was on fire and unable to put it out with a fire extinguisher, Monroe caught a ride to Sheffield for help. When he returned, the tractor had burned completely, melting the frame and leaving the motor on the ground. The trailer had some fire damage, but the tractor was a total loss.

OHS Track Team Cops Title at Alpine Meet

Coach John Richey's Ozona Lions roared to another track championship over the weekend, topping their host team, Alpine, for 158 points and the championship trophy. Alpine was second with 119 points. While the varsity was winning the Alpine Invitational Meet, the junior varsity was in El Dorado.

The team will be in San Angelo tomorrow and Saturday for the annual San Angelo Relays.

Besides winning the championship, the Lions set four meet records, won 20 medals and had 11 out of 15 men score points. They picked up 113 points in running events and 45 points in the field events for their 158 points.

Setting new meet records was the Lions sprint relay team (Pete Maldonado, Timmy Evans, David Sewell and Gerald Huff) with a 44.4. David Sewell in the high hurdles with a time of 15.5, and in the pole vault with 13'6".

Individual Lion results were: Timmy Evans - second, 100-yd. dash, 10.2; Cheo Vargas - fourth, 100 yd. dash, 10.4; 440-yd. dash - Oliver Payne first, 51.8; Rick Hummcutt, (continued on last page)

HD Club To Solicit Aid For S.A. Center

As a project in the interest of mental health, the Ozona Home Demonstration Club has voted to come to the aid of the San Angelo Center in Carlsbad. Members of the club cited some pressing needs of the residents there and have invited others in the community to lend a hand.

Some of the needs at the center include jars of instant coffee, coffee mugs of any kind, electric pots for boiling coffee water, garden seeds (a special need for vegetable seeds which may be eaten raw), rubber balls (10 inches or larger), kites, crossword puzzle books, coloring books and crayons, water colors, embroidery hoops, tumbler, crochets, patterns, ring toss games, indoor horseshoes, puzzles and other indoor table games, prizes for bingo.

Boxes have been set up at Sutton's Chevrolet Station, Glynn's Shell Station, Village Drug, Montgomery Grocery, and C. G. Morrison Co. for depositing any of the articles (Continued on last page)

Ernest Dunlap, Native Ozonan Died Tuesday

W. Ernest Dunlap, 75, died suddenly at his home here Tuesday afternoon around 1:45. He had been in ill health for several months.

Funeral services were pending at James Funeral Home at press time.

Mr. Dunlap was born in Ozona February 5, 1897, the youngest of the six children of Mr. and Mrs. D. B. Dunlap, early day settlers of Crockett County. The family moved here from Comanche before the birth of Mr. Dunlap.

Mr. Dunlap had lived in Ozona all his life and was a lifetime member of the Ozona First Baptist Church. He taught a Sunday School Class most of his adult life and up until two months ago was still teaching a men's Bible class from his wheel chair.

He was in the ranching business and was executor and overseer of the vast A. C. Hoover estate.

He was a deacon in the First Baptist Church and a long-time active member of the Ozona Rotary Club. He was active in civic affairs up until his final illness.

Survivors include his wife; two daughters, Mrs. Van Vautsins of Austin and Mrs. Bob Neal of Junction; a son, Don Dunlap of Ozona; two sisters, Mrs. Maggie Crawford of Ozona and Mrs. Will Miller of San Angelo; two grandchildren and a great-grandchild. Two brothers and two sisters preceded him in death, Walter Dunlap, Ray Dunlap, Mrs. Olney Smith and Mrs. A. C. Hoover.

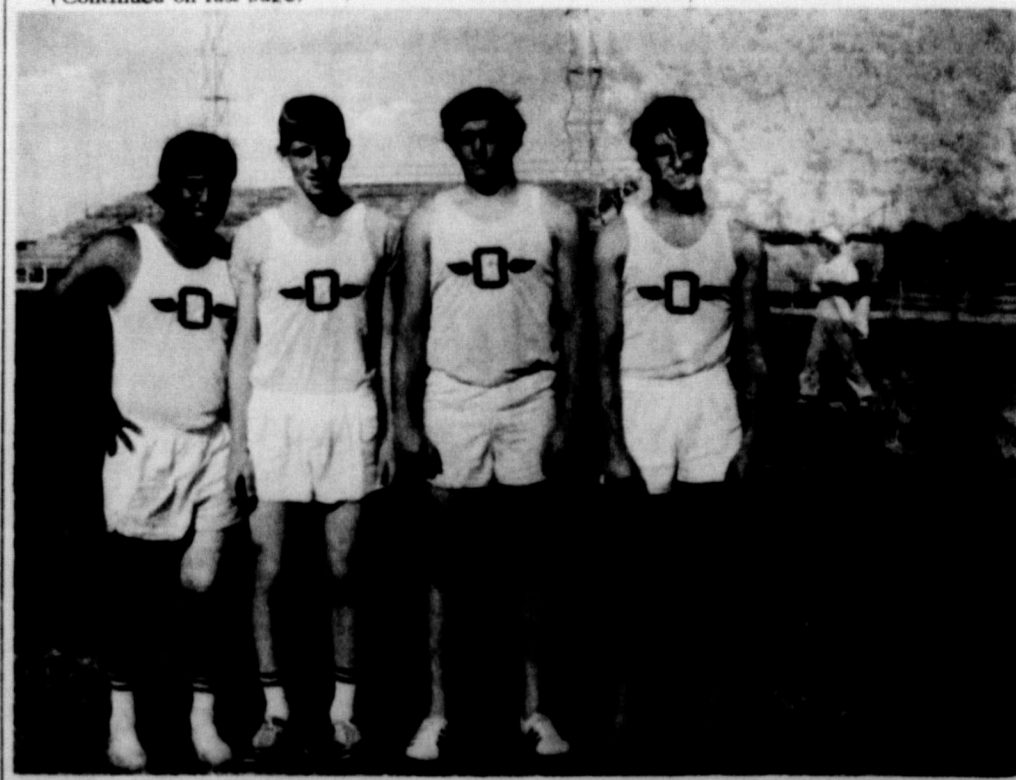

Study Of Drug Problems Set Here Tonight

A program on drugs will be held tonight at the Ozona Community Center. The program will begin at 7:30 and the general public is invited to attend.

Deputy Sheriff Von Parker has arranged to have a qualified narcotic expert on hand to present the program which will be of community-wide interest.

The program is being sponsored by the newly organized Study and Action Club of the Center. Mrs. Richard Vargas is president of the organization --0--

TRADING POST SOLD
Members of the partnership group owning the Ozona Trading Post have announced sale of the business, including all stock and fixtures and including the pool hall to Tom Allen. The business was formerly owned by Charles E. Davidson, III, Byron Williams and Hank Wellman.

CAPTAINS OF THE CHAMPIONSHIP OZONA LION TRACK TEAM this year are, 1, to r., Ruben Tambunga, junior sprinter who hasn't seen much action this year due to a leg injury; Dean Shaw, consistent first-place miler; Mike Jenkins, weight man, and Chuck Womack, outstanding pole vaulter last year, but has been kept out of action this year with a knee injury, all three are senior tracksters. The four boys were chosen by vote of their teammates.

WILL OUR FREEDOM BROADCASTS DIE?

Radio Free Europe and Radio Liberty are about to be liquidated. They broadcast the news and truth beyond the Iron Curtain — a service of inestimable importance to some 200 million persons. Radio Free Europe has been broadcasting each day to Eastern Europe since 1950. Radio Liberty has been reaching out to millions of listeners in the Soviet Union since 1951. The stations are privately operated with assistance from the United States Government. Funds for these operations ran out last month. The stations are now in imminent danger of closing up.

Senator J. William Fulbright takes the position that President Nixon's pledge not to interfere in the internal affairs of Communist China makes further support of the radio stations in Europe "incomprehensible." Mr. Fulbright's attitude makes it clear that the far Left in the Democratic party takes the Nixon-Chou communiqué as a signal for the collapse of all future efforts to present the American point of view to any Communist country. Yet both houses of Congress have already approved the continuation of these radio stations. The bill approved by the House differed little from that adopted by the Senate. But it was necessary to send the matter to conference. The differences concern how long the programs shall continue, and how the funding is to be handled. Mr. Fulbright leads the opposition of three of the five Senators in the conference.

The intransigent attitude of the Fulbright group is that the radio stations are relics of the cold war. Representative Peter Frelinghuysen of New Jersey asserts:

"If three Senators should be successful in killing these programs it will have been because of their manipulation of the legislative process, in defiance of the expressed desire of both the House and the Senate to have these programs continue. This is most unfortunate."

Let us not leave the matter there. Speak up!

Pumpville Hobby Club Has Meet

PUMPVILLE—Mrs. Pearl Nicholson and Mrs. Andy White were hostesses to the Hobby Club Tuesday at the Pumpville Baptist Church.

Handwork and knitting occupied members during the morning hours and a covered dish luncheon was served at noon.

The serving table was laid with white linen and centered with a large Easter bunny surrounded by Easter lilies, also a large white and green cake decorated with the number 13, commemorating the 13th anniversary of the club.

Mrs. Myrtle Cash gave the invocation, and Mrs. Shannon Stapp and Mrs. Faye Fletcher won the door prizes.

Mrs. W. M. McBee called the business meeting to order and several projects were planned for the future. The nominating committee was appointed, Mrs. B. C. Babb, chairman, Mrs. Al Roland and Mrs. Horace Schackelford.

Members present were Mrs. McBee, Mrs. Babb, Mrs. Andy White, Mrs. Newman Billings, Mrs. Ed Lillie Jr., Mrs. Nicholson, Mrs. John Ketzler and Mrs. Cash. Guests included Mrs. Stapp, Mrs. Myrtle Chandler, Mrs. C. J. Smith, Mrs. Fletcher, Andy White and Ed Lillie Jr.

IN THE MARKET PLACE

CONSUMER OR WORKER PROTECTION?

A new star has risen over Washington, D.C., called "Consumer Protection" and most politicians seem to have hitched their handwagons to it.

The idea is to create a new government bureau to be called a Consumer Protection Agency. One of its chief duties would be to publicize and promote legal action with regard to all the faults in products and services committed by companies, including management and all of the persons employed in the plants, stores and other workshops of the nation.

For example, the new agency would receive all customer complaints and put them on public display. It would be empowered to demand private company data and the files of other federal agencies to obtain complaints for public display. Reports would be written, press releases issued, federal actions started, private lawsuits encouraged—all to get nationwide publicity critical of companies, their products, and their operations.

What could companies look forward to? Lost confidence, lost customers, lost sales, and lost respect in their communities and industries. Also, there would be lost products, lost production time, and lost money, time and talent fighting public and legal battles.

What could consumers look forward to? Higher prices and taxes. What can employees look forward to? Lost jobs. "Consumerism" as a voluntary, do-your-own-thing movement may be keeping those who provide goods and services on their toes. But, putting consumer advocates on the federal payroll with power to condemn products, ruin sales, raise prices and kill jobs is "protection" we can do without.

Calling All HOME MAKERS

Brought To You By J. D. Brown

LET'S TALK ABOUT "COLOR SCHEMES"

Popular colors in upholstered furniture, draperies and floor coverings change from time-to-time, just the same as they do in women's fashions.

You might be interested in knowing that a recent nationwide survey at the furniture mart in Chicago shows that greens are the #1 best seller now in upholstered furniture, followed by golds, reds, browns and blues.

But the best rule in selecting the "basic" color for your living room, or any room in your home, is to start with a color YOU like best.

Some like monotonous, or different tones of the same color used throughout a room. Others like contrasting or harmonizing colors. Either plan, with careful study, can be equally effective.

But you must start some place. In a living room it is best to start either with your floor covering or your sofa or sectional, and work out your color scheme from there. You can also select your wall colors first and then pick the rest of your furniture and furnishings to harmonize with your walls.

Some decorators prefer neutral colors for sofas or sectionals which enable them to use a great deal of color in chairs and accessories.

Please feel free to let us help you with any of your color selections.

-it's just like getting a raise

Lion Golfers Lead In SAA District Race

After getting off to a slow start at their own district tournament, Coach Charles Spier's Lion golfers have pulled into the District 5-AA lead by a 19-stroke total over second place Big Lake, and have five boys in the top ten low scorers in the district.

Mike Williams, OHS junior, leads for medalist's honors with a five-stroke lead over Big Lake's Ken Stout. The Lions' Lessly Russell is in fourth place, Ricky Webster is tied for sixth place in district and Jack Baggett and Steve Wilkins hold ninth and 10th places respectively.

In McCamey Saturday, the Lions shot a 320 to tie for the tournament with Big Lake and Crane, but the Lions maintained their 19-stroke lead they picked up the week before.

Individual scores for the Lions were Mike Williams, 74; Rick Webster, 80; Steve Wilkins, 82; Jack Baggett and Lessly Russell, 84.

The Ozona B team is leading the district in their division also, and had a score of 375 in the tournament.

Individual B team scores were Chris Reeves, 88; Craig Taliaferro, 87; Darryl Karr, 91; Tommy Hoover, 109, and Weldon Nicks 125. The four lowest scores on each team are taken for the team total each week.

Lion golfers will be in Crane for another district tilt this weekend.

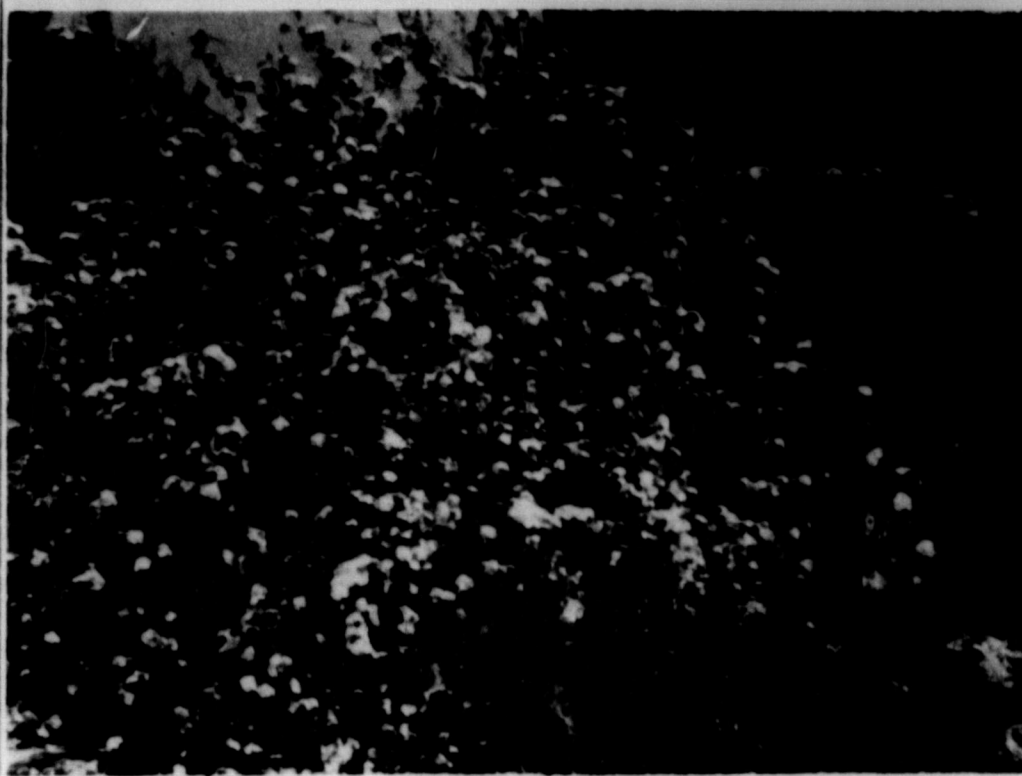

District standings almost midway in the season are:

Ozona - 951
Big Lake - 970
Crane - 988
McCamey - 1006
Stanton - 1034
Coahoma - (score not available, but trailing)

James Chapman, former Ozonan now living in Del Rio, underwent surgery in a San Antonio hospital Saturday.

SPRING IS BURSTING OUT ALL OVER as one can readily see by this Lady Banksia rose bush. The bush is literally covered with the clusters of tiny yellow roses. This profuse bloomer may be seen at the Bailey Post home on Cedar Drive. It is located to the right of the Post home near the street.

Washington News Letter

By Congressman O. C. Fisher

Forced busing got a setback last week with President Nixon's announcement. He called for legislation which would apply a "moratorium" on future busing orders, and proceeded to instruct HEW and Department of Justice officials to stop promoting busing schemes.

Congress will write the legislation and it is certain a determined effort will be made to not only block future busing orders but also to knock out forced busing orders now in effect.

The President blamed some of the incredible busing policies on eager-beaver bureaucrats and power-drunk federal judges.

Speaking of federal judges, I have introduced a proposed constitutional amendment which would require all appointive federal judges to be reconfirmed by the U. S. Senate every six years. In this way their judicial conduct would

be spotlighted and examined periodically and unqualified jurists could then be weeded out.

The trouble has been that Presidents have been prone to choose too many judges for political reasons, cronyism, and other considerations not related to legal ability and judicial temperament. Most of the judges are not in that category, but a few judges can cause a lot of mischief.

Scores of examples of obvious abuse of power could be cited. For example, recently the U. S. Fifth Circuit Court in New Orleans (which has made many strange decisions) ordered a suspended high school student reinstated after having been disciplined for using the most vile and vulgar epithets in a class room.

Here's another one: U. S. District Judge Wm. Wayne Justice of Tyler last year ordered into effect HEW guidelines, numbering 9,000 words, covering every small detail of how the Del Rio consolidated school could function. The judge even ordered that "all previously existing school mascots, songs, chants, names, and school club or organization names are now null and void. Can you imagine such audacity?

I'm Byron Stuart and
I Say Dodge Builds
a Better Pickup

OUR CAB IS THE ROOMIEST.

Your first look inside tells you that. But we have the facts and figures to prove it. Since Dodge is the only all-new pickup this year, it's been designed bigger than any of the others.

OUR INDEPENDENT FRONT SUSPENSION IS EXCLUSIVE.

Certainly, there are other kinds of I.F.S., but only Dodge pickups have newly designed coil spring suspension assemblies with a built-in front control strut. One test drive will show you what a difference it can make.

OUR TOUGHNESS IS A PROUD DODGE TRADITION.

Toughness is a reputation Dodge has enjoyed for many, many years. We still have it with features we can show you now - if you'll come in and see the only all-new pickup on the road for 1972 - Dodge. Depend on it.

IF YOU'VE OWNED A COUPLE OF OTHER BRANDS

Tips For Gardeners

From the
Ozona Garden Club
By
Mrs. Bailey Post

All around our city it seems most everyone is busy with some phase of gardening, repair or painting to freshen up for spring and summer outdoor living. The pleasant days we are having in March is such a change for us. I hope all the preparations and plantings will not be in vain.

The unusually warm weather has caused many plants to develop buds much earlier. One example are large peony buds appearing, so we may have beautiful blooms for the Flower Show in April. For the last several years they have been late so only a very few were available to show. For large specimens, disbud your peonies by removing all side buds as they appear on the stem, leaving only one at the top that appears to be the best. If you haven't given them fertilizer, after growth is about six inches high, do so now. Spread around each plant and water well, or use liquid fertilizer.

Cuttings may be rooted readily in an adequately drained box filled with sand or vermiculite, and covered with polyethylene plastic film. Also, they can be placed under a bell jar and kept moist.

Leaf cuttings of African violets, Peperomias, Rex Begonias, Pickaback plants and others that can be propagated in this way, if inserted now, will give young plants that can be grown into nice, sizeable specimens by fall.

Move houseplants from stronger sunshine if they prefer subdued lighting. Most plants that do not bloom are in this class, along with African Violets.

Plants that are not to be repotted will benefit from top-dressing with fresh, rich soil after as much as possible of the old surface soil has been removed as can be without doing too much damage to the roots.

THE NEWS REEL

A re-run of
"The Ozona Story"
as gleaned from the files of
"THE OZONA STOCKMAN"

Thursday, March 25, 1943
29 years ago
Prospective jurors for the April term of district court, to be convened here Monday morning, have been summoned by Sheriff Frank James.

29 years ago
A general rain, averaging a half inch, fell over drought-parched range lands of Crockett and surrounding area Tuesday night. Some ranches reported up to an inch and a little over.

29 years ago
Crockett county motorists were warned yesterday by Sheriff Frank James of the near deadline for the purchase of 1943 motor license plates. The deadline is April 1.

29 years ago
San Jacinto Day, April 21, will be observed by Ozona schools with a holiday on Friday, April 23, it was announced this week by C. S. Denham, supt.

29 years ago
Crockett county will elect four district school trustees in an election to be held Saturday, April 3, it was announced this week by Ira Carson, secretary of the school board.

29 years ago
A highlight in the Rotary year was a rare treat for the club and its guests, with a delicious Mexican dinner Tuesday night and a program on Latin America by seventh grade Spanish students of Miss Zelma Scott.

29 years ago
Arnold Kleinschmidt, Ozona High School band director, left Monday to report to the Army

Air Corps for active duty. C. S. Denham, superintendent of schools, is filling in until a decision is made on whether to disband the musical organization for the rest of the year.

29 years ago
Pascal Northcutt, pharmacist mate, second class, U. S. Navy, stationed at Norfolk, Va., naval hospital, is expected home on furlough Friday.

29 years ago
One hundred twenty-four persons were vaccinated against smallpox in a mass vaccination at the grade school building Friday afternoon by Dr. G. L. Nesrsta. Of that number, 114 were school children and 10 were adults.

29 years ago
Jack Williams was here from his base in San Antonio over the weekend for a visit with his mother, Mrs. Charles Williams.

RECIPE OF THE WEEK

From Kitty's Kitchen

HELLO DOLLY COOKIES
I swiped this recipe out of the Wink Bulletin and tried it over the weekend. They are delicious. Easy too.

Melt one-half stick oleo in a 9x9 inch pan
Add layer of each of the following ingredients:

1 cup crushed graham crackers
1 cup coconut
1 cup chocolate chips
1 cup chopped pecans
Pour one can Eagle Brand Milk evenly over all and bake in a 350-degree oven for 25 to 30 minutes.
Cut into bars when cool.
Frost with Cool Whip for a delicious dessert.

BILLY MILLS, Re-Election

For County Commissioner

Precinct No. 1:

JESSE C. MARLEY, Re-Election

WELDON W. MANESS

W. P. (ROSY) SEAHORN, JR.

ARMANDO REINA

For County Commissioner

Precinct No. 3:

JACK WILLIAMS, Re-Election

TED M. LEWIS

For State Senator 25th District:

W. E. (PETE) SNELSON, Re-Election

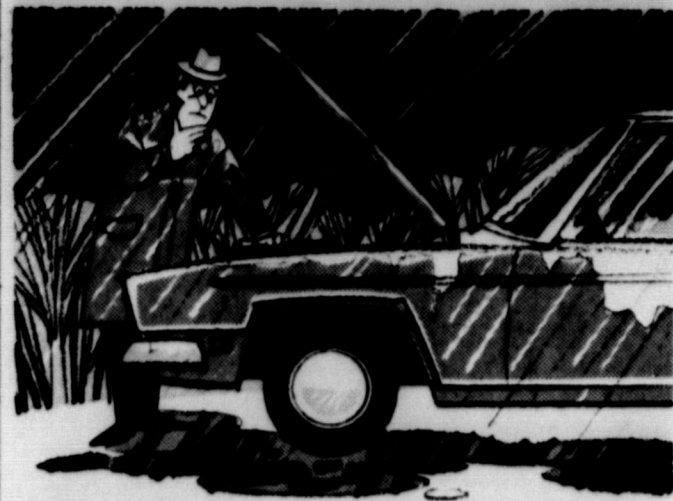

Is now
the time to
buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

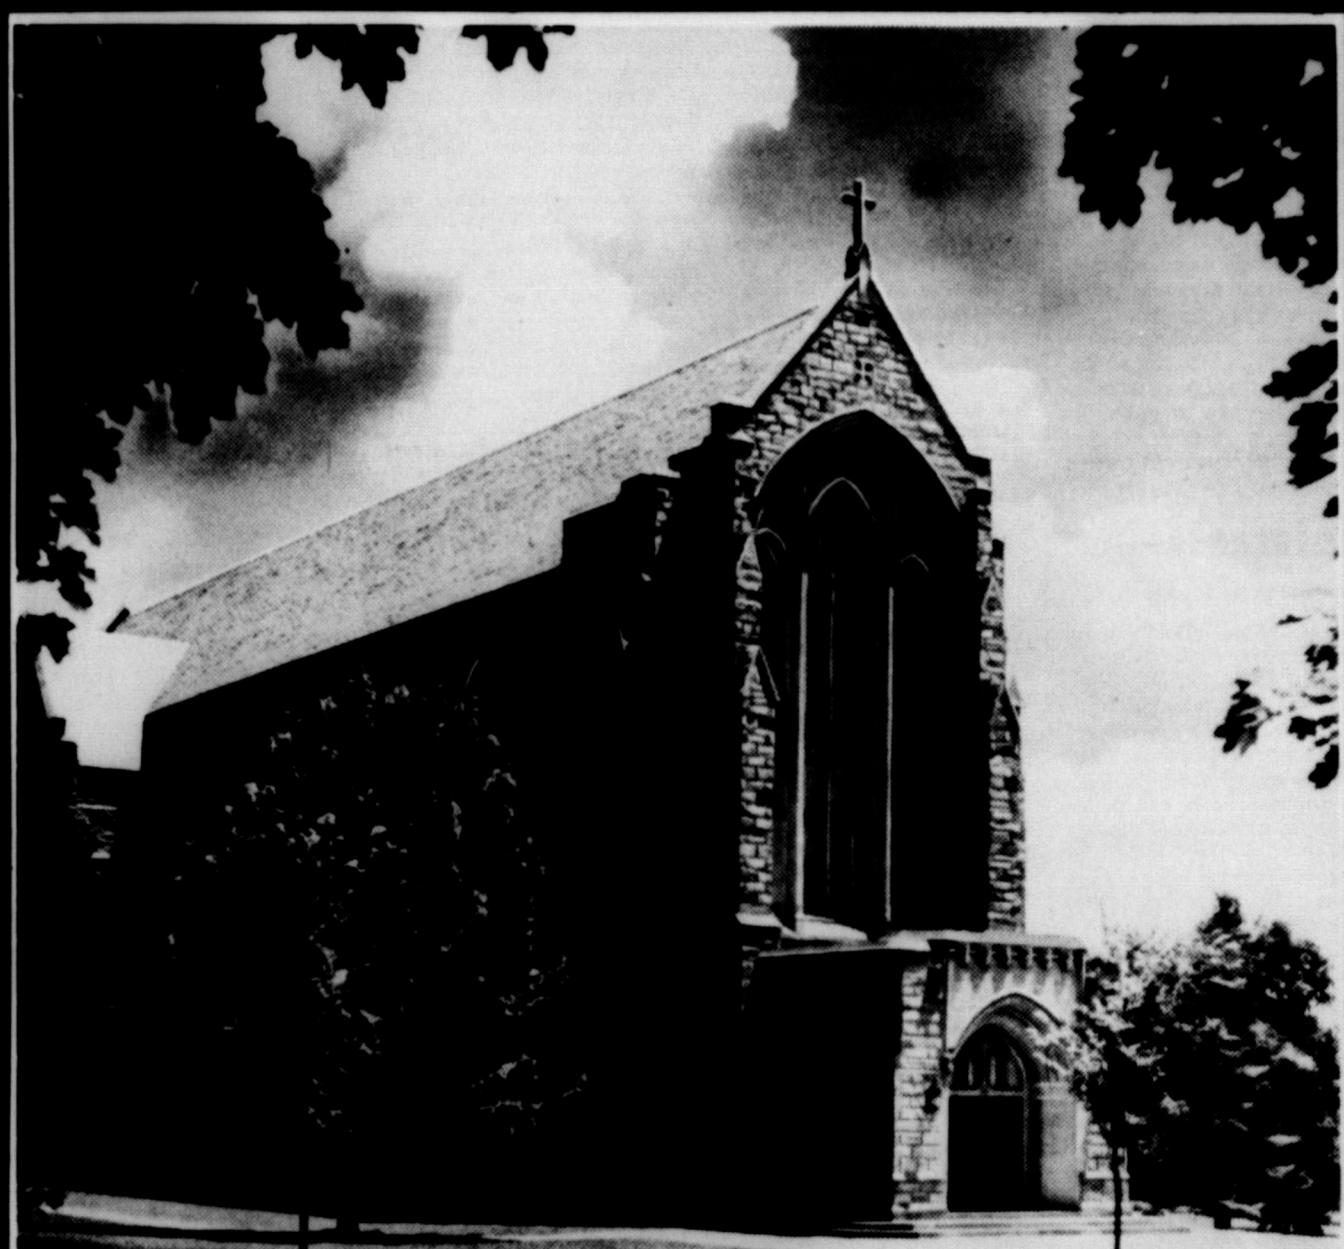

FEDERAL LAND BANK OF SONORA
A. E. Prugel, Manager
Sonora, Texas

Don't let winter "won't starts" catch you!

Keep up your car's start power with our expert engine tune-up. It's a fast, inexpensive job that pays big dividends with trouble-free starts all winter long. Bring in your car—today.

What it to you... THIS CHURCH GOING?

Why, you say, do ministers and other Christians so constantly urge you to go to church?

It's probably because you're human. They know that there lies within you an urgent lack of confidence in yourself, a feeling of dependence on a Supreme Being. When you lift your heart in prayer or raise your voice in hymns of praise, your spiritual energy is renewed.

They know, too, there is something in the human heart that makes men brothers — more fully satisfied to SHARE in worship.

Going to church is all that . . . and much more!

A. DEAN RIPPEAOE
... Speaks here.

Dean Rippetoe Lions Club Speaker

Dean Rippetoe, former Ozonan and Southern Area LP-Gas Representative for Shell Oil Co., of Midland, spoke to the Ozona Lions Club today at noon. Rippetoe's topic was "The Energy Crisis." He will speak this evening at a dinner for the Local Unit of the Texas State Teachers Association.

The topic for this evening's speech will be "Longhorn." Rippetoe, sometimes referred to as "The Will Rogers of West Texas" has been with Shell for the past 16 years, serving eight years in Denver City, and four years in Ozona. He is a native of Comanche.

Conference—

(Continued from page one)

the low bidder, a joint venture by Border Road Construction of Monahans and Bailey Bridge Co. of Abilene.

The contractor's representative told the group that the clearing and grubbing, grading, and structures work will follow in normal sequence as the fencing of the right-of-way is completed to the various cross fences. The contractor will fence each area prior to beginning actual construction in that area. In this section will be included two interchange areas and several large drainage structures.

There will be two areas speed zoned during construction and one of these areas will contain a short detour. The public is requested to cooperate by complying with all barricade and warning signs.

He has been active in filling speaking engagements for the past several years, speaking for the Texas Oil and Gas Association on oil-related subjects, as well as, giving humorous speaking engagements to civic groups and organizations in West Texas and New Mexico.

Rippetoe assumed his present position in 1968. He resides in Midland with his wife, Jean, and daughter, Kaye.

K-K—

(Continued from page 1)

to the door and when Sonny looked up and said "well, here comes Flip Wilson," Martha thought he was pulling her leg.

However, it was Geraldine himself and as witty off stage as on, he told Martha that he was on his way to Miami to get a suntan.

Several of the high school girls got wind of it, and Flip could hardly eat his catfish for signing autographs. However, he was not the least bit put out and seemed to enjoy the attention and excitement his appearance generated as much as everybody else did. Considering the fact that it was the weekend of the San Angelo rodeo, the crowd he drew was amazing.

Mr. and Mrs. Jimmie Barbee, former Ozonans, of Fort Stockton, visited friends here last weekend.

Henderson—

(continued from page one)

their children were old enough to attend school.

Mr. Henderson attended public schools in Ozona and later attended Peacock Military Institute in San Antonio.

He was a lifetime member of the Methodist Church and had membership in the Texas and Southwestern Cattle Raisers Assn. and the Texas Sheep and Goat Raisers Assn.

Surviving are the widow, and one son, Floyd R. (Dick) Henderson, Jr. of Ozona, three grandchildren, John Scott Henderson, a student at Baylor University in Waco, Mrs. Daniel (Betty) Carpenter of El Paso, and Miss Dianne Henderson of El Paso; one brother, Roy Henderson of Ozona, and a number of nieces and nephews.

The Hendersons have two deceased children, their first born, George William, dying only a few hours after birth, and a daughter, Betty, who died in 1934 at the age of 6 years.

Mrs. Henderson's youngest sister, Mrs. Jake (Floy) Short, made her home with the Hendersons after her parents died, attending Ozona schools. She lived with the Hendersons until her marriage and has made her home here since her husband's death in 1961.

Membership in Girl Scouts is open to all girls and adults who accept the Girl Scout Promise and Laws.

NEW '72 DODGE
PICKUP

Here's one of the best looking pickups around! Take a look — you'll see new Dodge styling and tough new Dodge features everywhere. Totally new Dodge ride, too. All this, plus the roomiest cab in the business. Add it up. Dodge — you'll see why the '72 Dodge is the pickup that has it all.

NEW '72 DODGE
DART SWINGER

The Dodge Boys have it all! They can offer you the automatic transmission free when you buy a 1972 Dart Swinger hardtop specially equipped with • power steering • white sidewall tires • vinyl roof • and more.
