Another Large Vote Expected In Run-Off Election Here Saturday

According to the number of absentee votes being cast at the County Clerk's office the past week, all indications point to another record vote for the run-off primary election Saturday, August 23rd. Monday afternoon Walker Lane reported that 66 absentee votes had been cast with still another day to go. In the first primary only 43 absentee votes were cast. This is a very good indication that county voters are still greatly interested in the three county races which will be determined in the election Saturday.

All candidates for county and precinct offices have been braving the heat and putting in lots of time electioneering. Names appearing on the ballot in the run-off for county judge are Jack E. Gray and J. N. Weaver. Both are new candidates seeking the office for the first time. In the race for Commissioner, Precinct No. 1, there are also two new candidates H. Rhoades & W. H. McDonald, who are running for this office their first time. In the race for Commissioner of Precinct No. 2, Edd Mooring is seeking the office for his first time and is opposed by J. R. Bulls who is seeking re-election for a fourth elective term as he was appointed to finish out about a year of G. S. Reeves when he left Clarendon and moved to California.

Perhaps more, than in all the political history of the county, have the voters shown a disposition to clean house by choosing candidates who were making their first effort to attain office. Many citizens have expressed the opinion that this idea will be a national affair in the general election when November rolls around. Even newspapers, in the daily class, are telling the folks that there will be an aroused voting for new official talent in the general election. It has already been pointed out that most of those successful in the minor official positions were candidates who had never before been successful, or had even entered politics.

In the state races, Martin Dies is the only candidate listed for Congressman-at-large; Spurgeon Bell of Harris County and Frank P. Culver of Tarrant County are listed for Associate Justice of Supreme Court (Place 1) and Joe S. Moss of Garza County and Ernest O. Northcutt of Potter County are the candidates for Associate Justice of the Court of Civil Appeals, 7th Supreme Judicial District.

Voting places in Saturday's Donley County Leader, \$2.50 year

election will be the same as in the first primary with voting time being from 8 a. m. to 7 p. m. If you own a poll tax or have the right to vote, do your duty as a citizen and go vote as your vote may be the winning vote for your favorite candidate.

Repairs Being Made On Junior High Bldg.

Work is under way at the present time to repair the Clarendon Jr. High school building to make it safe for students using the building. Some time ago the building was inspected in order to see what would be necessary to remove the danger of falling stone, some of which fell from the top of the building during the last school term. It was found that all the arch work and other ornamental concrete work around the top of the building and down the sides of the building were loose and a potential danger to school children at all times. Practically all of this loose material has already been removed by John Jones construction crew and is lying around on the school ground. The local school board is inviting everyone to see this danger that was confronting our youngsters. They are asking that you go by and take a look.

Mr. Jones, who contracted the job, stated the first of this week that remodeling work on the building would be past the dangerous stage by the time school starts but that the job could not be completed before around October 1st. The job calls for leveling the entire top wall with a new concrete cap and the entire building will be stuccoed as well as painted. The entire job will cost an estimated \$7,500. One school board member pointed out that the building was getting along in years and there was no other way out other than repair the building regardless of cost, rather than take a chance on a single child being injured in any way.

Youngsters need not worry about the building not being ready for school for it will be open September 1st for the grand opening.

Mr. and Mrs. Victor Smith returned home Thursday evening after spending a two weeks vacation with their daughter and family, Mr. and Mrs. Otis Rolls and children, at Ft. Stockton. Mrs. Rolls, Gary and Sherrill accompanied them home.

FISHING NIGHTMARE—Never have the fish seemed so taunting as they do this time of year when careless young anglers must hang up their poles and bobbers, and resume the roles of "careworn" anglers. On the last day of vacation the blue gill and sun fish leap teasingly high, seeming to know that the young Isaak Walton wd. be around tomorrow.

Plans Progressing For County Fair, Horse Show & Races

The Donley County Fair, Horse Show and Races will be held in Clarendon on September 19th and 20th and work on the catalog is now underway. C. L. Lewis, president of the show and H. M. Breedlove, secretary and manager say that the board of directors plan to make it one of the largest held here in Clarendon.

All departments of the fair will be held at the fair grounds building on the Brice highway with the exception of the horse show and races which will be held at the Rodeo grounds.

The premium list for all departments will be published in the catalog when it is completed. The county fair is financed by the buying of ads in the catalog by business firms in the county and by different individuals. Selection of judges for the different departments will be taken up at the next board of directors.

The county fair will consist of the following departments: Community agriculture exhibits, Home Economics Department, Flower show, Merchants department, Rabbit show, Poultry department, swine show, dairy show, sheep show, horse show and races.

SERVICES SUNDAY AT PRESBYTERIAN CHURCH

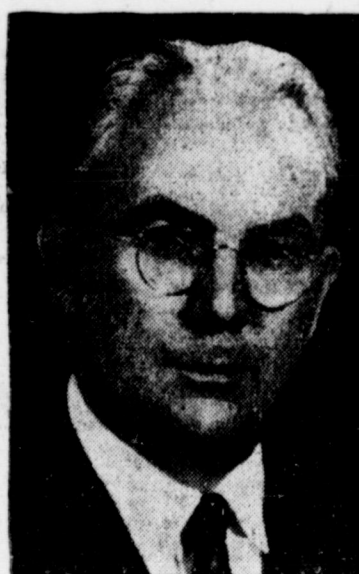

Church services will be conducted at the 11 o'clock hour Sunday morning at the Presbyterian Church by Rev. James Overholser of Dallas. Sunday School will be held at the regular hour. There will be no night service.

This will be Rev. Overholser's last service to hold here as he is accepting a pastorate at Hot Springs, Ark. Since the death of Rev. Cowan, the Clarendon Church has had no pastor, and it has been the good fortune of members to have had Rev. Overholser preach once or twice a month for the past several months. He is a most interesting speaker and has made many friends who are wishing him continued success in his new work.

Donley County Leader, \$2.50 year

Local Store Ready For School Opening

An eight column page advertisement for Parker-Perkins in this issue of the Leader is more evidence that school time is right upon us again. It takes lots of preparation for the opening of school, getting youngsters ready, getting class rooms, etc. ready, and also getting a complete line-up on what they will need at school. Read Parker-Perkins ad in this issue for more particulars on their big school opening sale.

TILLIT S. TEDDLIE

Noted Musician To Be In Clarendon

Tillit S. Teddlie of Ennis, Texas, musician, song writer and song book publisher will do the preaching in a Gospel meeting beginning at the Church of Christ in Clarendon Aug. 24th through September 2nd.

Mr. Teddlie has recently conducted a Singing Normal at McLean, Texas and has been preaching throughout the Southwest for a number of years, and has ability that is excelled by very few men.

The Church of Christ extends to every one a cordial welcome to attend these services.

Robert C. Copeland is the local minister and E. J. Chenault is the song director.

Dusters In First Play-off Game Here Sunday

The Clarendon Dusters will start the second & third place team play-off in the Caprock League against the Panhandle baseball club on the local diamond next Sunday afternoon at 3 o'clock. The winner of this game, which is expected to be the Dusters, will meet the winner of the game between the first place Hedley team and fourth place Groom team. Local fans are looking forward to the game between the Dusters and Panhandle, for it looks like it will be a hard fought game from both sides. It has been reported that Panhandle has been gathering in their complete roster to really give the Dusters a first class battle. If you want to see a good baseball game, just be out there Sunday afternoon at 3 o'clock.

The Dusters got in a good practice game with Hedley at Hedley last Sunday and defeated the number 1 team 17 to 10. Junior Spier, Don Dorman and Billy Roy Blackman, all swatted out homers which accounted for a good portion of the score. B. F. Dorman and Tom Harrell pitched for the locals.

Don't forget the game Sunday afternoon as the Dusters will be trying their best to win the opportunity to play in the final play-off for League honors.

New City Secretary To Take Over Duties Soon

Mrs. Maurice Lane will take over the duties of City Secretary of Clarendon, Texas after a short training period under the direction of P. C. Messer, who resigned this month to take a better position. Mr. Messer's resignation will become effective in September. He states that he has absolutely no ill feeling toward the City government nor its officials, but feels that he should accept the new opportunity offered him at this time.

Mr. and Mrs. Billy Thornberry and boys returned home Friday after a vacation at Creede, Colo.

ALL COUNTY RESIDENTS OVER 15 URGED TO TAKE CHEST X-RAY

The mobile chest x-ray unit will be in Clarendon this Friday and Saturday, August 22nd and 23rd and at Hedley August 27th. This will enable everyone over the age of 15 years to get their chest x-rayed.

It will be located at the Estlack Machinery Co. here in Clarendon and at the Lions Club Den in Hedley. The hours will be from 8:30 a. m. to 5:30 p. m. each day.

Members of the committee would also like to point out that the chest x-rays are free, but they are not charity. They are paid for by the tax payers money and everyone should take this opportunity to get the benefit of the x-rays.

The individual does not undress and only two minutes of his time is required. Children under 15 are not included in the

program because few below that age contract tuberculosis unless it is present in older members of the family.

A person may appear healthy, yet have tuberculosis in an early and curable stage, and this can be detected by the free chest x-rays. The x-ray will also detect a number of other chest ailments which should have medical attention.

All who have their chest x-ray made will receive a card from Austin showing whether it is positive or negative.

You will be doing yourself, your family and your community a favor by giving enough of your time, which is very little, to have your chest x-rayed. Remember the date—Friday and Saturday, August 22nd & 23rd.

RED CROSS TO DONATE SERUM FOR BLOOD TYPING PROGRAM

The American Red Cross is donating the serum needed for the County-wide Blood Typing Program that is being sponsored by Mu Gamma Chapter of Beta Sigma Phi. The unit will be at Estlack Machinery Co. in Clarendon on August 22 and 23rd, and at the Lions Club Den in Hedley on August 27th. The unit will be in operation from 8:30 until 5:30 each day.

There is no age limit on the blood typing. All parents are urged to bring their CHILDREN with them when they come in for their blood typing. This is a free service and each individual is urged to take advantage of it.

In a community-wide catastrophe, such as cyclone, fire, or in case of a car or other accidents, a large percentage of the victims will suffer from shock or collapse. Some will go into shock from bleeding. A blood transfusion is then the first thing that the victim requires. A blood transfusion cannot be given until after your

blood type is determined. It is for the benefit of each individual and their loved ones, to know their blood type in case it should be necessary for a transfusion.

The identification and blood typing card, that will be sent to each individual upon completion of the blood typing program, will contain the information any doctor will need to give you a transfusion, in case of an accident away from home.

This is a blood typing program only. Having your blood typed in no way places you on any blood donor list, nor does it in any way obligate you to ever serve as a blood donor. It is for your own benefit in case you should need to know your blood type.

It will only take from three to five minutes to have your blood typed. This is a small price to pay for the possible saving of your life later on.

Remember the dates, and plan to have your blood typed and be sure to bring your CHILDREN.

VACATION IN CALIFORNIA

Mr. and Mrs. Clyde Wilson and Pat returned home Wednesday night of last week after a nine day vacation in California and other points of interest.

While in California they saw Kenneth Davis win his first pro fight. Among places visited were San Diego, Yosemite Park and Salt Lake City. They report a good trip all the way around.

Donley County Leader, \$2.50 year

To Attend Firemen's School

Geo. L. Green and Doyce Flowers will attend the Firemen's training school at College Station August 24th thru the 29th. The attendance of these two men at the Fireman's training school will give the City a credit on Fire Insurance rates as well as give them new ideas to pass along to other members of the local fire department. Their schooling will consist of the latest methods of fighting fire and preventing fires.

ONE FARMER TO ANOTHER—Democratic presidential candidate Gov. Adlai Stevenson of Illinois inspects a prize-winning Shorthorn steer shown to him by a young farmer at Springfield, Ill. Governor Stevenson, like his Republican opponent, Gen. Dwight Eisenhower, has a 78-acre farm in Libertyville, Ill. Ike's farm is near Gettysburg, Pa.

Peering from the foliage in Communist territory are, left to right, "Flash," Cpl. Hazen Stipe of Mt. Pleasant, Ia., and Cpl. William Hoover of Ozona, Tex.

I got Conoco's NEW 1-2-3
"50,000 Miles
No Wear"
Service!

Now is the time for all smart motorists to discover how Conoco's great new "50,000 Miles—No Wear" Service helps engines last longer, perform better, use less gasoline and oil!

This is exactly the same service that kept test cars new in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed no wear of any consequence; in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's, today!

Here's the Famous "50,000 Miles—No Wear" Service!

1 Your Conoco Mileage Merchant Will Drain Out Grit and Sludge, preferably while engine is hot! "Hot-oil" drains every 1,000 miles flush out grit, dirt, acid and contamination—leave your engine sparkling clean!

2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage—to be sure filters have been serviced at proper intervals.

3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—and OIL-PLATE against wear.

SAVE BIG MONEY

YOU CAN AFFORD ONE

BIG 8 FT. COMPLETE KITCHEN

NOW IS THE TIME TO BUY!

Unbelievably Low Cost—

It's the biggest news in kitchen history—it makes buying a complete kitchen as easy as buying a refrigerator. Take advantage of big savings like this—made possible for you by purchasing the big complete "Mrs. America" in money-saving package rather than buying in individual units. It means that now you can have all the beauty, the time-saving, step-saving advantages of famous American Kitchens. And it means, as never before, that you can have the money-saving advantages as well.

No need to envy others who are able to find time to enjoy themselves and their children—no need to put up with youth-robbing kitchen drudgery. For now you may give yourself up to 2 hours of freedom every day with the kitchen with more work-saving features than any other kitchen in America. Yes—American Kitchens is the easiest kitchen to clean—smooth

easy-to-wipe surfaces with concealed door and drawer pulls to eliminate dirt-catching handles... rounded drawer interiors—seamless—clean easily as wiping out a bowl. Storehouse storage space at fingertip level. Save hundreds of steps on every kitchen operation. Lifetime vinyl work-surfaces—won't stain or mar—available in basic black or red-wine red.

Remember, too, no matter how you plan your kitchen, no matter what other units you care to add, you can use the "Mrs. America" package as your basic unit, build from it any way you wish, and still save important money on your basic purchase.

Why don't you see the American Kitchen today—the most beautifully designed kitchen in America.

FREE

PLANNING BOOK!

Ask for your out-of-pocket planning book today—shows you how to plan your kitchen with miniature model out-out.

SEE WHAT YOU GET!

1. A gleaming, handsome American Kitchen Sink—54 inches long—double drainboard with a deluxe non-splash faucet aerator and push-button spray... three deep storage compartments... two roomy drawers.
2. TWO 21" base cabinets. Lifetime vinyl tops in EITHER BASIC BLACK OR RED-WINE RED.
3. TWO 21" wall cabinets. Storage space at your fingertips—wash and put away dishes in one "no-step" operation.
4. TWO what-not shelves—three glass shelves on each.

PINK AND BLUE SHOWER

Mrs. Kenneth Bannister was honoree at a pink and blue shower given at the Ashtola Club room Thursday, August 14.

The program consisted of a reading, "Prayer for Baby" by Patricia Ann Knox, Song, "That Little Boy of Mine," by Jimmy Graham, reading, "My Little Girl," by Patsy Darleen Wallace, and a reading, "Leota's Boy" by Viola Graham. Various games were played.

Gifts were placed on a table covered with a white cloth around the centerpiece which was a large stork carrying a doll wrapped in a blanket. At each end of the table were bouquets of garden flowers. On a screen forming the background for the table was a line of baby clothes.

Mrs. Leo Wallace, Patsy Darleen Wallace, and Mrs. Willard Marshall were hostesses and served a lovely refreshment plate of pink and white home made ice cream, and angel cake iced in blue. Plate favors were tiny dolls wrapped in blue blankets which matched the blue napkins.

About 30 guests were present and many more sent gifts.

UNITY STUDY CLUB OF CLAUDE TO PRESENT MRS. ROSCOE BATES IN BOOK REVIEW

The Unity Study Club will present Mrs. Roscoe Bates of Dallas in a book review at the First Christian Church in Claude August 21, at 9:30 A. M.

The book to be reviewed is "The Confident Years" by Van Wyck Brooks. A silver offering will be taken at the door, the proceeds going to a community project of the Club.

The public is invited.

FAMILY GET-TO-GETHER

The children and grandchildren of Mrs. O. L. Jacobs met in the home of Mr. and Mrs. S. M. Harp Sunday for a get-together. Those present were: Mrs. O. L. Jacobs, Mr. and Mrs. D. H. Perdue, Mr. and Mrs. D. L. Jacobs and Wayne, Mr. and Mrs. E. R. Perdue, Dickie, Johnny and Tommy all of Amarillo, Mr. and Mrs. John L. Fowlkes, Laura Ann and Margaret, Mr. and Mrs. Troy Roberts of Borger, Mr. and Mrs. A. L. Jacobs of White Plains, N. Mex., Mr. and Mrs. W. T. Jacobs, Maburn, Kermit, Teddy and Gordon of Nampa, Idaho, Mr. O. L. Christie, Richard and Bobbie of Samnorwood, Ronnie and Larry Noble of Lubbock, Mr. and Mrs. L. O. Christie, Nelson and Drew, Betty Jacobs and Mr. and Mrs. Harp. The friends to call in the afternoon were Grandma Perdue, Mrs. Estelle Foster, Mrs. Frank Cannon and son, Mrs. J. D. Jones and son, Mr. and Mrs. H. A. Harrison, Dennis and a grandson and Mrs. Ed Talley.

FLOWERS—FOWLER

Mr. and Mrs. C. E. Flowers announce the marriage of their daughter, Annie Mae, to J. M. Fowler, son of Mr. and Mrs. U. T. Fowler, in the home of Mr. and Mrs. J. D. Garrison, July 29. Vows were exchanged in the presence of relatives and close friends. Rev. M. E. Wilson of Hedley officiated.

MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lelia Lake met with Mrs. Mary Lee Noble Wednesday, Aug. 13. Eight members and one visitor, Mrs. Gladys Seago, were present. The next meeting will be Aug. 27 in an all day meeting with Mrs. Glen Williams. —Reporter.

Texas Trends

dallas fashion center

Plain and novelty patterned jersey are equally important for fall, according to Dallas Fashion Center designers. Here, a worsted navy, red and white skirt by Marbrook of Dallas is topped by a brilliant red jersey blouse by the Cohn Garment Company.

PRESBYTERIAN WOMEN

Presbyterian Women held their circle meeting Wednesday afternoon, August 13, in the home of Mrs. D. F. Wadsworth. Hostesses were Mrs. Guy Wright and Mrs. Walker Lane.

The meeting was called to order and opened with prayer by the chairman, Mrs. Wadsworth. Roll call was answered by 14 members reporting 53 visits. In the business session it was decided to order four books for World

Mission Study.

Mrs. Thad Rogers led the program entitled "What Does Christ Mean to Me." The survey article was given by Mrs. Nova McClure, "Looking at the Minister and the Family Circle." The meeting was closed with the Mizpah Benediction.

Refreshments of jelly roll and punch were served by the hostesses. The next meeting will be held August 27 at the church.

H. D. CLUB

The Senior Home Demonstration Club met Friday afternoon in the home of Mrs. Clyde Butler with Mrs. W. L. Jordan assisting hostess.

The meeting was called to order by the president, Mrs. Butler. Members answered roll call with household hints. All enjoyed a "Quizz Program."

Artful food cake, watermelon and cold drinks were served to Mesdames H. B. Hill, A. L. Chase, Virgil Poole, Bertha Benson, O. C. Watson, G. L. Green, A. W. Simpson, Lena Antrobus and Claude Darden by the hostesses Mesdames Clyde Butler and W. L. Jordan.

The next meeting will be held the third Friday in September in the home of Mrs. A. L. Chase with Mrs. G. L. Green co-hostess.

BETA SIGMA PHI

The Texas Mu Gamma Chapter of Beta Sigma Phi met in the home of Mary K. Riley on Thursday, August 14th. During the business session, final arrangements were completed for the county wide Blood Typing Program on August 22nd and 23rd. Lois Schollenbarger won the Sorority surprise. Appreciation was expressed to Essie Putman, Annie Reeves and Bert Garland for the work they had done in preparing for the Sorority's Ritual of Jewell Degree. Bert Garland presented a very interesting program on Friendship.

Refreshments were served to Jane Bownds, Lois Schollenbarger, Freida Gray, Donna Lane, Bert Garland, Essie Putman, Dee Williams, Annie Reeves, Frances McCully by the hostess, Mary K. Riley.

LILLIE HUNDLEY CIRCLE

Lois Marie Moore entertained members of the Lillie Hundley Circle of the Baptist Church in her home Wednesday afternoon, August 13. Billie Jean Moore taught the lesson, a continuation of the study of the book, "Trail of Blood."

Present were three guests, Mrs. Howard Scott, Mrs. Helen Barks, and Miss Geraldine Hommel and members Opal Spurgeon, Marie Hill, Ann Hommel, Minnie Bell Hicks, Billie Jean Moore and the hostess Lois Marie Moore.

BETA SIGMA PHI

On Tuesday, August 12th, the Texas Mu Gamma Chapter of Beta Sigma Phi entertained with a formal dinner at the Donley Hotel. The center piece of yellow rose buds, the sorority flower was furnished by Mrs. C. B. Morris, Sorority Sponsor. The colors of black and gold were carried out in the programs, place cards and napkins.

Immediately following the dinner, the Clarendon Sorority was given the Ritual of Jewell Degree by the Amarillo Lambda Theta Chapter of Beta Sigma Phi, who has sponsored the local chapter. After the ceremony, a social was enjoyed by the following: Ruth Roper, Marie Jeffroy, Catherine Rogers, Maxine Flack, Eddie Mae Scott, Era Smythe, Claudia Bruner, Dee Williams, Lois Schollenbarger, Mary K. Riley, Donna Lane, Jane Bownds, Annie Reeves, Essie Putman, Bert Garland, Betty Bell, Frankye Henson, Freida Gray, Frances McCully and Mrs. C. B. Morris, Sponsor.

MCKEE FAMILIES HOLD REUNION SUNDAY

Members of the McKee family gathered at the home of Oscar and Lloyd McKee at Memphis Sunday for a family reunion. There were 85 present for the bountiful dinner and the visiting in the cool shade of trees. Pictures were also made throughout the afternoon.

All nine of the brothers and sisters of Geo. McKee of Clarendon were present for the first get-together of the entire family of Tom McKee in many years. Everyone reported a most enjoyable time. Among others present were members of Tom McKee's brother's family.

Attending from Clarendon were Mr. and Mrs. Geo. McKee, Mr. and Mrs. Harold McKee and baby and Mr. and Mrs. Raymond McKee and son.

VACATION IN COLORADO

Mr. and Mrs. W. E. Hodges returned home Sunday afternoon after a vacation in Colorado. They were accompanied by Mrs. Geo. Bain of Sunray.

They report a most enjoyable week spent at Colorado Spring, Denver and the area there abouts.

NEEDLE CLUB

The Needle Club met August 14th in the home of Mrs. Henry Mann as hostess. The evening was spent hemming tea towels, crocheting and tatting. Refreshments were served to Mrs. Oren Hott, Mrs. Ira Self, Mrs. Harvey Shaw, Mrs. Gilbert Mann, Mrs. Amel Carter, Mrs. Carl Barker and hostess, Mrs. Henry Mann. Next meeting will be Sept. 11th in home of Mrs. Gilbert Mann.

CHICKEN BARBECUE

Mr. and Mrs. L. P. Moore entertained with a chicken barbecue at their home Saturday evening. Guests were Mr. and Mrs. Otis Denny and boys of Los Alamos, N. M., Mr. W. O. Denny of Vega, Mr. and Mrs. Van Knox and Patricia of Ashtola and Shirley Chilton.

Nancy and Carl Bernard Morris III, children of Mr. and Mrs. Carl Morris are spending this week with their grandmother, Mrs. C. B. Morris, while their parents are moving from Wichita Falls to Norman, Okla.

FARM NEWS

from the County PMA Committee

COVER CROPS NEEDED IN MOST AREAS:

Cover crops have a place in farming systems wherever tilled crops are grown consecutively and where there is enough rainfall. In the South, most cash crops come off the ground early enough to allow establishment of cover crops before freezing weather. Farther north, cover crops logically follow cash crops which are harvested early in the fall—such as sweet corn, early potatoes, and tobacco. Cover crops protect the ground from the time one cash crop is harvested until another is planted.

Even where the soil remains frozen or covered with snow during the winter, unprotected soil often is seriously damaged when the snow and ice melt. Cover crops prevent this.

1953 ACP TO CENTER AROUND COMMITTEEMAN CONTACTS: "Operation of the 1953 Agricultural Conservation Program will center around the on-farm visits of elected PMA community committeemen," says James B. Smith, chairman of the Donley County PMA committee. Representatives of the Soil Conservation Service, Forest Service, Extension Service, Farmers Home Administration and other agricultural agencies are to assist in preparing committeemen for these farm-by-farm visits.

Under the 1953 Agricultural Conservation Program, the assistance available will be directed to the most urgently needed conservation on the farm.

BE SURE TO VOTE:

Any farmer who is of legal vot-

ing age and who has an interest in a farm as owner, tenant or sharecropper. IT IS YOUR DUTY TO VOTE! Don't let the ballots lay around, that were sent to you by mail until they are lost. TAKE AN INTEREST IN THE ELECTION!

FARMERS IN THE NEWS:

Herschel Kenmore is planting 75.0 acres of wheat on deep plowed land and will apply 33% Am. Nitrate on 20 acres. On the rest he will put 10-20-20. Watch for the results.

Mr. C. J. Williams brought some watermelons by the office, which was a wonderful surprise. They were plenty good. Thanks a million Mr. Williams.

VISIT RELATIVES HERE

Sgt. and Mrs. Walter Gibson and children visited Sunday and Monday with their grandparents, Mrs. Eva Humphrey and Mrs. N. L. Jones and with other relatives. The Gibsons arrived in the States July 12 from Japan. Sgt. Gibson having been overseas the past three years.

Mrs. Gibson will be remembered as Billie Humphrey. They were enroute to Camp Houston where he will report for duty and further assignment.

Mr. and Mrs. Dick Vallance, Richard and Dolia have returned from a 10 day vacation at Ruidoso, White Sands, and Carlsbad. Enroute home they visited over night with Mr. and Mrs. Harliiss McMahan at Lubbock.

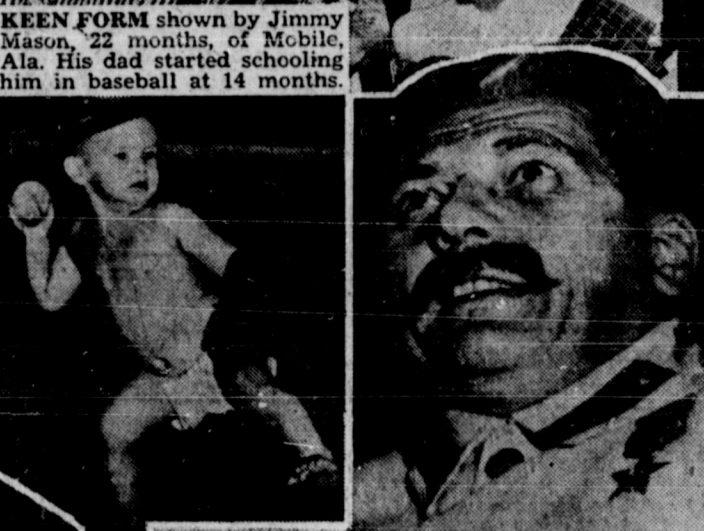

Lavelle Hodge was a dinner guest in the home of Mrs. J. D. Wood and Evelyn Jean Sunday.

J. M. Fowler returned home Sunday from Georgia where he had gone for reserve training in the Armed Services.

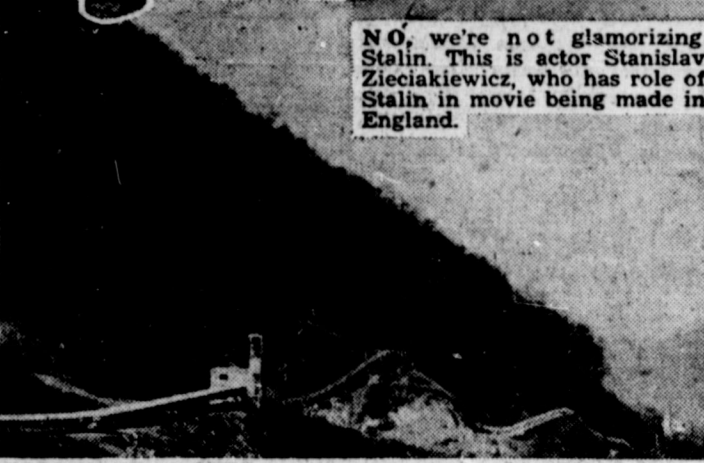

People, Spots In The News

THREE BEAUTIES at Long Beach, Cal. pageant: Jackie Loughery of New York, Elsie Edman of Hawaii, Gelengul Toyfuroglu of Turkey.

KEEN FORM shown by Jimmy Mason, 22 months, of Mobile, Ala. His dad started schooling him in baseball at 14 months.

NO, we're not glamorizing Stalin. This is actor Stanislaw Zieciakiewicz, who has role of Stalin in movie being made in England.

ROLLER COAST-STER, snaking over West Virginia mountains near Charleston, is a 14,000-foot-long conveyor belt designed and built by E. F. Goodrich company to haul coal to barges on Kanawha river for use in large power plant. The belt eliminates a 14-mile truck haul over mountains.

ily finances are inadequate. The Foundation will pay the cost of transportation to places of assignment and will provide maintenance in addition to salary while the nurse is serving in polio work.

Foundation figures show a total of 4,176 cases of polio in the United States since March. This compares with 2,644 last year. Recently 34 nurses recruited through Red Cross in the Midwestern Area were assigned to hospitals in Illinois, Kansas, Iowa and Texas. The need is especially acute in Sioux City, Iowa, and Houston, Texas, where serious epidemics have been reported.

Nurses able to serve during the polio season should contact their local Red Cross chapter, Miss Fitzpatrick said.

Mrs. H. C. Smith spent the week end in Borger with her daughter, Mr. and Mrs. Walter Bible and Nancy Ann. Nancy Ann is a polio victim and Mrs. Smith reports that she is slowly improving at this time.

Mrs. Clarence Heironimus and daughter, Betty, of Edmond, Okla. visited the week end with her parents, Mr. and Mrs. Odos Caraway and other relatives.

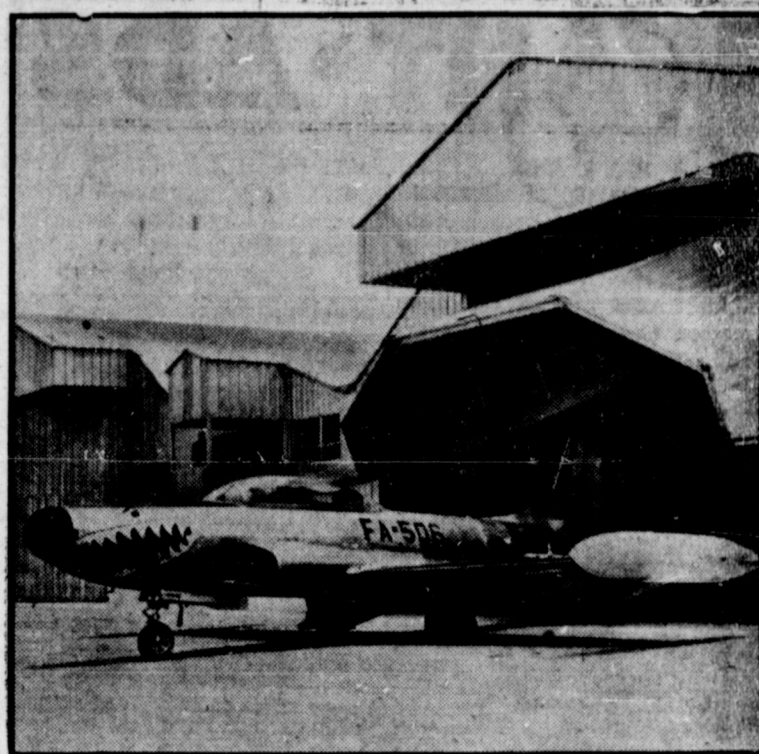

Mrs. Bob Oswald and children returned to their home in Clinton, Okla. Sunday after a visit with Mr. and Mrs. Buel Sanford and Mr. and Mrs. Willard Skelton and family.

Mr. and Mrs. Bob Whatley and Bobby of Amarillo visited Sunday in the home of Mr. and Mrs. U. T. Fowler.

Mr. and Mrs. Otis Denny and boys of Los Alamos, N. M. and Mr. Denny's father W. O. Denny of Vega visited with her parents, Mr. and Mrs. Van Knox at Ash-tola last week.

Patricia Ann Knox went home with her sister, Mrs. Denny of Los Alamos Sunday afternoon. She will visit there until time to enroll for school.

Mr. and Mrs. L. L. Wallace and family and Mr. and Mrs. Slick Naylor and family of Conway returned home last Tuesday night after spending the past 10 days in Colorado.

"PUSH BUTTON" HANGAR—Looking sleek and fierce, an F-96 all-weather jet fighter rolls from one of the new "push button" hangars at Selfridge Field, Mich. The new hangars with quick opening doors save from five to eight minutes in getting the fighters into the air. The swift aerial defenders are on 24-hour alert.

C. B. Morris, John Morris and Horace Green are fishing this week in New Mexico.

Mr. and Mrs. Bill Sullivan and family of Amarillo visited relatives here Sunday.

Mrs. L. L. Wood returned home from Amarillo Friday afternoon and is reported to be some improved. She has been a patient in Northwest Texas Hospital.

Mr. and Mrs. C. B. Morris and Mr. and Mrs. John Miller Morris returned recently after visiting in Bentonville, Rogers and Eureka Springs, Ark.

Mrs. J. D. Wood and Evelyn Jean visited Sunday afternoon with the Lee Wood family of Riverside, Calif. who are guests in the Alvin Pittman home.

Roy Bulls of Amarillo spent Sunday with his parents, Mr. and Mrs. J. R. Bulls.

Joan Putman and Lola Mae Underdown visited relatives in Amarillo last week end.

Mr. and Mrs. Glenn Hoggatt and children returned home Friday after spending several days fishing at Creede, Colo.

Mr. and Mrs. C. W. Lane and Tommy are spending this week at Ruidoso, N. Mexico.

Mr. and Mrs. Kenneth Sams of Lakeview moved to Union near Lamesa Sunday, where he has accepted a teaching and coaching position in the Union schools.

We'd rather serve a lot of people than have a lot of servants.

Health Notes

AUSTIN—The control of any disease must be based upon facts and not theory, asserts Dr. Geo. W. Cox, State Health Officer. The reason for this statement is based on the numerous theories sent the State Health Department for the cure or prevention of polio, diarrhea and dysentery.

The spread of polio, for instance, has been blamed on weeds, air, bananas, milk, atomic radiation and many other items. All of these are theories and have no basis of fact. Facts in disease are arrived at in the laboratory, the sick room and the environment of the patient. Facts are necessary and must be the guidepost for the control of disease.

Dr. Cox is authorized by law to accept gifts and contributions for public health. The first gift to aid in research on the part played by flies and cockroaches in the spread of polio is two monkeys from Bellaire. Others will be needed to complete the study. Any contribution will be appreciated.

Education work in dysentery and diarrhea — which kills far more children than polio—is being hampered by lack of personnel to do the work. Cox said Texas has six times more dysentery and diarrhea than the national average. There were 1099 infants under one year of age who died of this cause in 1951.

"When we get rid of these two filth borne diseases, we will have done the best thing in the world to get rid of polio," he asserted.

Fund and equipment shortages have been a stumbling block to the whole research program in Texas, Dr. Cox said. Despite the fact that the State Bureau of Laboratories has consistently won top honors in national competition for accuracy in disease identification.

Mr. and Mrs. Homer Estlack and family and Mr. and Mrs. Lee Bell and family returned home Sunday after vacationing in Colorado.

Mrs. L. P. Moore and Terry and Mr. and Mrs. Van Knox visited with relatives and shopped in Amarillo Monday.

American Red Cross Issues Urgent Call for Registered Nurses

The American Red Cross has issued an urgent call for registered nurses to serve during the polio season. Incidence of the disease so far this year is running 58 percent above the same period last year, according to statistics released by the National Foundation for Infantile Paralysis.

"The demand for more nurses is particularly great in Iowa and Texas," according to Kay Fitzpatrick, Red Cross director of Nursing Services for the Midwestern Area. Most of the available nurses will be needed before the epidemic is over, she said.

"It is not our intention to drain nurses from other duty in which they are vitally needed," Miss Fitzpatrick said. She added that inactive registered nurses were particularly being sought.

Nurses recruited by the Red Cross are requested to serve for a minimum two-month period. Their salaries are paid by the National Foundation for Infantile Paralysis.

The Red Cross recruits nurses at the request of the NFIP, the organization which provides expert polio care for all and meets the cost of treatment when fam-

Big Cooks,
 and Little Cooks, too—
 they all enjoy *Electric Cooking*—
 it's FAST, CLEAN and COOL

It is fun to play and cook in a kitchen that's cool and sparkling clean. The fast heat of an electric range goes right into the food, and it's clean, too... no fumes or soot to soil the kitchen! The automatic features give cooks, both big and little, exact control of their cooking. The little cooks... who will soon be big cooks... know that mother was wise when she chose modern electric cooking.

If it's Modern,
 of course —
 it's Electric!

Electric Cooking is the trend in modern Kitchens!

DUDE CORNELL

U. Z. PATTERSON

To The People of The 18th District

By Cong. Walter Rogers

This is the first newsletter that has been written in several weeks for the reason that I have been visiting in the District, as many of you know. I am sorry that I wasn't able to remain in the District longer, but was forced to re-

turn to Washington in order to appear in behalf of several constituents before some of the bureaus. Shortly after coming to Washington I discovered that a personal appearance before these bureaus on behalf of veterans and other persons whose rights were involved was much more effective than letter writing. The drift toward assembly line treatment of many of these problems was

alarming to me. A great number of these people whose daily lives and businesses could be materially affected by these bureau directives do not have the finances to make a personal appearance or to employ counsel to represent them. It is my thought that if enough appearances are made before these boards and bureaus on behalf of these unfortunate people by the elected representatives, much good can be accomplished toward proper treatment of the matters. During the last session of Congress the Veterans Affairs Committee, of which I am a member, had before it a bill providing that claims of veterans could be appealed from decisions of the Veterans Administration to the courts. This was known as the "Judicial Review Bill." I was on a subcommittee that held hearings on this bill, and I state to you frankly that I had hoped it would pass. It did not reach the floor of the House before adjournment, therefore it

must be taken up at a special session or refiled after January 3, 1953. It is my intention to see that such a bill is refiled so that these veterans may have access to the courts, where they can make a personal appearance and be viewed as human beings rather than another file number.

The trip to the district was most enjoyable and I hope to return for another visit as soon as the backlog of work in the office has been disposed of. There were many places that I wanted to go but could not because of the limited amount of time. Two of the most impressive sights that I viewed during the trip were at Stinnett and Dumas. The one at Stinnett was the grand improvements that have been made there. Sometimes as you watch these improvements progress they do not appear as outstanding as they do to one who has been away from the town while they were being made. This work at Stinnett has certainly done wonders for the town and the citizenship there are to be highly commended for the fine and outstanding progress that they have been making. The other matter to which I refer is the new hotel Sneed at Dumas, Texas. I had the honor and pleasure of attend-

ing the opening ceremonies when the hotel was officially opened. I heard a wonderful talk by Harold Dunn, and wish that his talk could have been heard by all of the people in that section of the country. In fact, it would have helped for it to have been heard by every American. Bill Rutherford did a wonderful job of introducing Harold, as he usually does. Jess Cooper and Ivan Boxwell played important parts in this ceremony, as did Bill Smith, all fine citizens of the Dumas and Moore County community. One of the most impressive things about the hotel is the fact that it was built without aid from Washington. The people of the Dumas community can be justly proud of their accomplishment and the great contribution that they have made to the Panhandle, not only in the erection of a fine building, but in proving that progress can be made by a local community without the help of the federal government.

Everything in Washington is quiet at the present, but as most of you know, it could well be termed "the calm before the storm." Should the President call a special session, the pot will certainly begin to boil. Should he not call a special session, the calm will be short-lived, because there are many things to be done by the 83rd Congress.

Lee Satterwhite, a prominent name in Panhandle politics several years ago, is visiting in the home of his son, Mr. and Mrs. Leroy Satterwhite, who are making their home on the Welch ranch south of Clarendon. Mr. Satterwhite formerly published the Panhandle Herald at Panhandle and has been a frequent Clarendon visitor for many years.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Our fiction list is headed by "Come Fill the Cup" by Harlan Ware. This has been screened by Warner Bros. with James Cagney in the lead. Next is "The Lute Player" by Nora Loft. This is apparently using the Third Crusade as the setting—judged by the map in the front. This same donor gave us a copy of the "Saracen Blade" by Yerby.

There is a book for boys—"The Port of Missing Men" by Rene Prud'hommeaux. This is a Junior Literary Guild book of 1952.

For children we have "Wild Animals." It too, is a gift and quite attractively colored. Two memorial books, "Five Puppies for Sale" by Esther Brann and "Cock-a-Doodle-Do!" by Berta and Elmer Hader were given to the children's corner. These are very attractive and the children never have enough books to supply their wants. Where the one who has passed on has been fond of telling stories to children—these books are very appropriate as memorial books.

We hope to find something of interest for "grown ups" soon, so few books for mature readers are written—Several are advertised for publication in October.

Mr. and Mrs. Floyd Griffin and Shirley, also Mrs. Francis Griffin, all of Snyder, Okla. were guests Sunday night in the home of Mr. and Mrs. A. J. Hicks and family.

HARD OF HEARING?

Factory trained consultant will test hearing and demonstrate

free the famous **Belitone**... hearing aid.

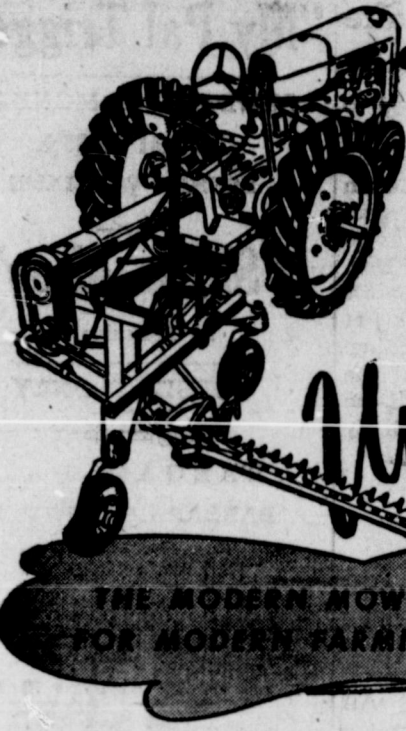

at the Donley Hotel

Wednesday, August 27, 1 to 5 o'clock

Batteries for all makes of aids

Sponsored by **BELTONE HEARING SERVICE**

117 West 5th Street, Amarillo

it **PAYS** you to cut hay crops with this

Uni-Mower

THE MODERN MOWER FOR MODERN FARMING!

It's easy to handle because side draft is eliminated... simple to attach and detach from tractors. Gives you better cutting vision, less you see obstacles in plenty of time to avoid them. Cuts right up into fence corners, right along the rows to get more hay out of your fields. Highly maneuverable, this MM UNI-MOWER lets you turn on a dime... and back with greatest ease. Caster wheels follow the contour of the ground assuring an even, clean cut.

IMPORTANT MM ADVANTAGES
Sturdy, dependable MM construction

tion holds moving parts in positive alignment. Special Pitman design allows smooth cutting action 45° below ground level and 90° above ground level. Safety spring release hitch protects against breakage if the machine strikes an obstacle. To resume operation, the operator simply backs the tractor to re-engage the hitch. The MM UNI-MOWER is available in 5, 6 and 7-foot sizes. Simplified power transmission consists of V-belt pulley driven by power-take-off. No gears to adjust, fewer parts to wear.

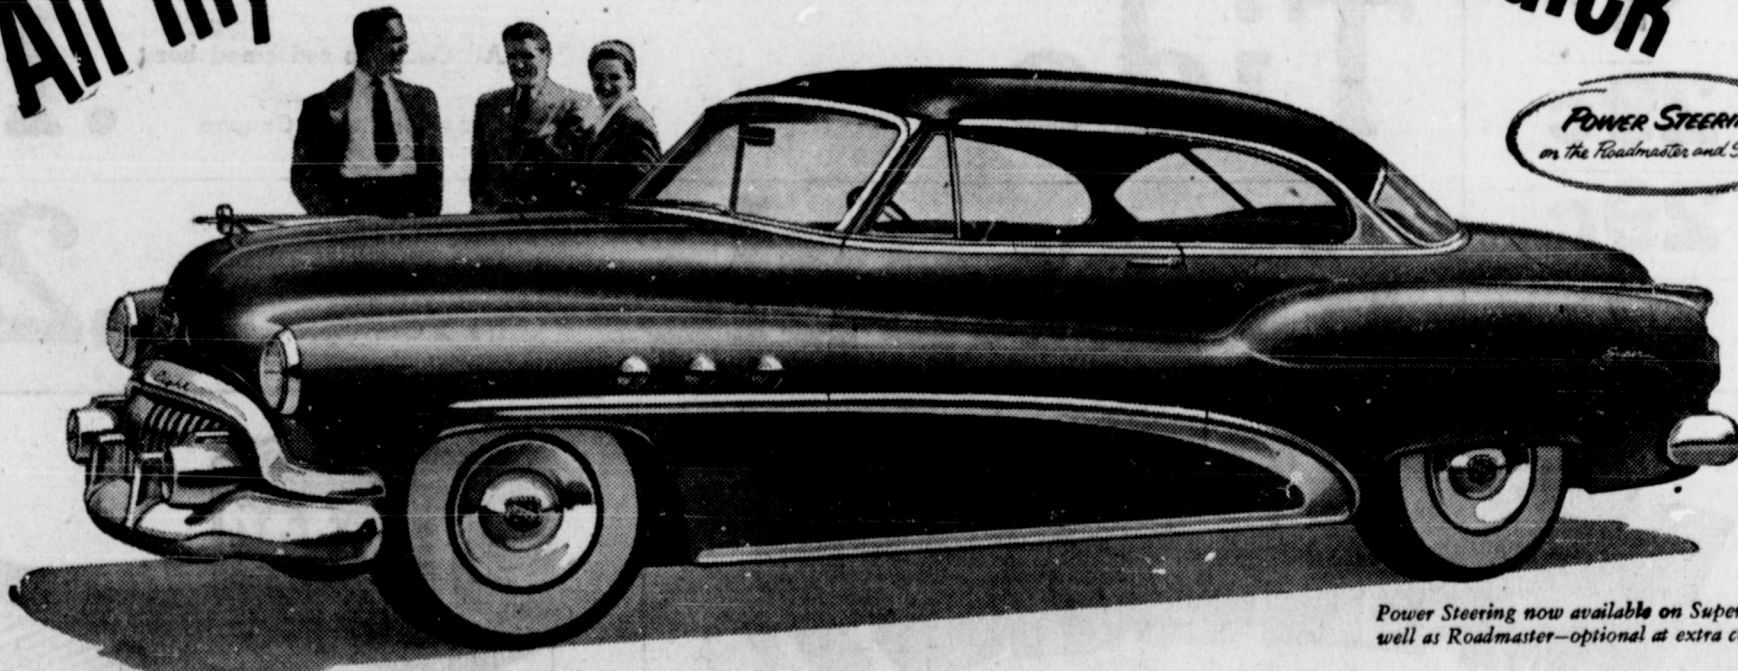

Come in and ask us about this modern MM UNI-MOWER and the complete line of MM Visionline Tractors and Modern Machinery.

CLAUDE, TEXAS

"All my life I've wanted to own a Buick"

Power Steering now available on Super as well as Roadmaster—optional at extra cost.

It seems that owning a Buick is something that a lot of folks dream about—plan for—and finally do.

We say that because, so many times, they say so in words like those above.

Those words make us happy, of course—happy to know we sell a car which means so much to those who own it.

But they make us feel just a little bit sad as well—sad to realize all the years of fun such folks have been missing for no good reason at all.

For the fact is this
If you can afford any new car, you can afford a Buick.

You can afford the thrill of bossing

around that big Fireball 8 Engine that purrs forth a mighty flow of power.

You can afford the gas bills—as any owner of a 1952 Buick will tell you—because that high-compression, valve-in-head marvel gets a lot of miles from a gallon of fuel.

You can afford the extra luxury of a real million dollar ride—the silken smoothness of Dynaflo Drive*—the extra room and comfort and style that have put Buick popularity right up at the top of the list, next to the "low-priced three."

So if you want to own a Buick—there's just one thing to do:

Come in—pick the one of your choice—

and let us show you how close the figure that goes on the bill of sale comes to what you'd pay elsewhere.

As we've said before, your first car can be a Buick. Why not take the Big Step right away—today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

Sure is true for '52

When better automobiles are built **BUICK** will build them

Clarendon, Texas

Youth Revival Services Close At Baptist Church

Youth Revival services under the direction of Doug Dillard, evangelist, and Don Barks, singer-pianist, closed on Sunday evening, August 17th. The revival began with a youth rally on Saturday evening, August 9th, and according to reports, all services were well attended. Near capacity crowds were present at each evening service.

Howard E. Scott, pastor, reports that there were 31 additions during the meeting — 24 coming by baptism, and 7 by letter from other churches. There was one who surrendered his life to the gospel ministry, and 6 others who surrendered their lives to special service. A vast number came re-dedicating their lives.

An unusual feature of the revival was that many people came to the church building for an hour, or more, from 9 p. m. until

9 a. m. each night during the week for prayer and meditation. The doors of the church house were never locked, neither were the lights turned off, as people prayed the nights through. "Our people have come into a new recognition of the power of sustained prayer, and of the fact that which honors God is honored of God. We are deeply humbled and grateful for his wonderful blessings," Rev. Scott concluded.

Annual Stock Holders Meeting Announced

Directors of the Donley County National Farm Loan Association of Clarendon, Texas have set September 10th as the date for the annual members' meeting. Rayburn L. Smith, Secretary-Treasurer, has announced.

A special program is being planned with the hope of having one of the most interesting and well attended meetings in the history of the association.

Old Settlers Picnic Enjoyable Affair

Again, as in the past, the Old Settlers Picnic was a very enjoyable occasion. This annual affair was held last Friday at Tate Grove northeast of Hedley. There was lots of visiting and reminiscing among the old timers and too there was lots of good eating as everyone brought their picnic baskets filled to the brim. The program moved along in grand fashion with Flip Breedlove as master of ceremonies.

Doyle Messer of Hedley was elected president of the organization to succeed L. D. Messer; Slat DeBord was elected vice-president and Mrs. Clyde Bridges secretary. These new officers are already planning for a bigger and better celebration in August 1953.

Mr. and Mrs. Leo Underdown of Amarillo visited his parents, Mr. and Mrs. C. E. Underdown, Sunday afternoon.

"DUCKY" DECOY—Happily checking their score sheet of Communist snipers are Marine T/Sgt. John E. Boltnoot, left, of Chicago, and Pfc. Henry A. Friday, Nikoosa, Wis. Acting as a decoy, Friday stood on a hill and let the Reds shoot at him. From concealment Boltnoot picked off the then exposed snipers. The week before their company commander called a halt to the novel experiment the boys got nine Communists.

To the Voters of Donley County:

Looks like a long time before I thank you for your support in the Primary, but I have been fighting for my health. Am gaining all the time. To you who were loyal to me to the end I will say that I will never forget your steadfastness despite all sorts of rumors that were being peddled. I would also like to thank each individual and each organization, and there were a great many, for the many beautiful flowers and get-well messages that came to me while in the hospital and in my home. I would also thank those who gave blood and offered blood that I might live. May God bless each and every one who in any way contributed to my welfare in any way.

Gratefully yours,
W. J. Williams
County Judge
Donley County, Texas

Donley County Leader \$2.50 yr. in County

Dividend Paid

Members of the Donley County National Farm Loan Association received checks this week representing a 10% dividend on their stock in connection with their Federal Land Bank Loans. This is in keeping with the policy of the Federal Land Bank of Houston and the Association to pass a part of the earnings, after adequate Surplus and Reserves have been established, to the members.

Beginning in 1944, Mr. Rayburn L. Smith, Secretary-Treasurer, reports, the Donley County National Farm Loan Association has paid a total of \$26,249.25 to its members in dividends. The average interest cost after dividends in 1951 was only 3.14%, to members of the Donley County National Farm Loan Association.

Mr. and Mrs. Bob Land, Judy and Pat of Brownfield spent a few days last week with Mr. and Mrs. Odos Caraway and other relatives.

REV. O. L. JONES

Revival To Begin Aug. 24 at Lelia Lake First Baptist Church

The Leader has been asked to announce that a revival will begin Sunday, August 24th at the Lelia Lake First Baptist Church and continue through August 31st. Services will be held twice daily, at 10 a. m. and 8 p. m. Rev. O. L. Jones, Evangelist, pastor of the First Baptist Church at Hedley, will do the preaching, and J. C. Denton, pastor of the Lelia Lake church, will lead the singing. The public is cordially invited to attend all services.

A Request

The City Commission has been requested to ask the people of Clarendon not to burn trash during church services, especially if you reside near a church. Air conditioners are picking up the smoke which greatly hinders the church services.

Mr. and Mrs. Alvin Landers and Don are visiting this week in Denver and other points of interest in Colorado.

Mr. and Mrs. Ralph Grady returned home this week after spending the last two weeks at Creede, Colo.

for Home Improvements

Improvements should be made periodically to keep a home from depreciating in value and livability.

Take a critical look at your home tonight. Does it need painting - - - or papering - - - is the roof in good condition - - - do the plumbing and heating systems need repairs? If your home needs any kind of improvement, added space, new plumbing, a new kitchen cabinet, side walks, fences, drive ways, come in and let us tell you how you can pay for the work on the FHA Pay-out-of-income Plan.

You can make practically any property repairs and improvements with an FHA-insured Loan. You retire the loan in convenient monthly or 3 annually payments over periods of up to three years. FHA rates are low—\$5 discount per \$100 per year. Don't forgo the pleasure of a modern home. It's easy to modernize the FHA way.

Texas H. D. Ass'n. To Hold Annual Convention Aug. 26-28

KINGSVILLE — Thirty-three candidates are seeking two year

terms as officers of the Texas Home Demonstration Association which will hold its annual convention August 26-28 at A. & I. college here.

Outgoing officers are Mrs. R. M. Almanrode of Munday, president; Mrs. B. M. Harris, Plainview, vice-president-at-large; Mrs.

Jaughn Bailey of Agua Dulce, treasurer; Mrs. John Gollightly of Hico, secretary, and Mrs. G. W. Ferguson, editor of the official association organ, the THDA Messenger, which is the largest publication of its kind in the United States. Twelve vice-presidents also will be elected to di-

rect club work in as many districts over Texas.

Mrs. Ferguson who also serves as information director said today the approximately 1000 delegates face a busy schedule for the two and a half day session which will open formally at a general assembly in Jones auditorium on the college campus at 8 o'clock Tuesday morning, August 26.

Included on the convention program, she said, is a visit and barbecue supper at famed King Ranch; reduction of the 14 THDA districts to 12; workshops in education, legislation, recreation, 4-H, THDA and "Messenger" which is slanted to the organization's plan of work; election and installation of officers and one major address by Dr. Ernest Poteet, A. and I. president.

Chest x-rays also are being given the delegates by the Texas Tuberculosis Association as a part of its TB control program and as a demonstration of rural health education.

Rooms and meals for the delegates are being provided at the college.

The executive board will meet at the college Monday, Mrs. R. M. Almanrode of Munday, association president, has announced and officers and directors will be entertained that night at dinner in Corpus Christi.

There are 43,000 Home Demonstration Club members in Texas, Mrs. Almanrode said.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The Board of Supervisors of the Donley County Soil Conservation District met last week for its regular monthly meeting. The Board meets on the second Thursday of each month.

Present at the meeting were supervisors J. R. Porter, C. E. Bairfield, T. C. D'Spain, County Agent, Flip Breedlove, Jack Gray, bookkeeper and Carman Rhode, Soil Conservation Service.

Joe Tollett and W. P. Doherty are the other two supervisors on the District Board but were unable to attend this meeting.

Of interest to a great number of farmers who have not secured their rye seed for planting cover crops, is that the District authorized the purchase of 3,000 bushels of rye for resale to local farmers.

From all indications rye seed is extremely scarce and the Supervisors took this action to assure at least a fair supply of seed for District farmers who desire to plant cover crops this fall.

This seed was purchased from Martin Lane of Vernon, Texas and is cleaned, tested, and sacked in two bushel bags.

The District will enter into an agreement with some local dealer to handle the seed. Bids are being received at this time to find the one who will dispense of the seed at the lowest cost.

The retail price of the seed cannot be determined until the handling charges are known. The price will be held to a

minimum however and will no doubt be at a considerable saving to the farmer.

The seed should be available by the latter part of this week.

Information as to the name of the dealer who is awarded the contract for handling this seed may be obtained from one of the Supervisors or from the Soil Conservation Service. This information will also be given in next week's column.

Farmers are urged to get your winter cover crop seed (rye, Austrian winter peas, hairy vetch) now and be prepared to plant as soon as moisture comes.

Remember our winter cover crop goal is 15,000 acres.

When daughter completes her courses at the finishing school, it may be the daughter who gets the diploma, but it is dad who gets the finishing.

Local WTU Manager Is Honored

West Texas Utilities Company's local manager in Clarendon may be new in respect to his present job, but A. D. (Lonnie) Walker has been working for West Texas Utilities Company for twenty-five years. In fact, he was honored in the Company's magazine "Electric Times" in their current issue as becoming a member of the WTU Quarter of a Century Club. He finished his 25 years of service in the Abilene district on

June 27th.

Mr. Walker was transferred to the local office about four months ago to succeed C. M. Lowry who succumbed to a heart attack. Prior to his present position, he has worked in the following towns in the Abilene District: McCamey, Abilene, Stamford, Dalhart, Quanah, Vernon and Childress. He was chief clerk in the Childress office for 15 years.

Naturally Mr. Walker had a good partner during those twenty-five years. Mrs. Walker is the former Theo Williamson; they were married in Dallas in 1927.

They are the parents of two sons; John M. Walker is employed in WTU's Childress local office; the second son, Charles is employed by the Robbins Electric Company in Childress.

Dr. and Mrs. R. A. Hill and son of Amarillo visited Tuesday of last week in the home of Mrs. Maggie Deal.

We don't know nor care why the hen crosses the road, but what we would like to know is whether, when a hen cackles, she is laying or lying.

REV. ORVILLE YEAGER

Rev. Orville Yeager Joins Staff At Wayland College

PLAINVIEW — Rev. and Mrs. Orville Yeager, Blanchard, Okla., have joined the Wayland College staff for the 1952-53 session in the fields of social science and music, according to Dean H. Preston James.

They are not unknown to the Panhandle area as Rev. Yeager has been in demand as a speaker at Bible conferences, evangelistic services and radio programs here as well as in 42 states for a number of years. He is also a popular speaker before civic and luncheon clubs and is a member of Lions International.

At Wayland College, Rev. Yeager will be professor of social science, teaching courses in philosophy, Bible and American history. For the past two years, he has taught in the department of history at the University of Oklahoma and served as pastor of First Baptist Church, Blanchard. During this period, he was worked toward the doctorate in social science. In the summer of 1951, he taught at Mississippi College.

He received the B. A. degree, Magna Cum Laude, from Syracuse University and was elected to Phi Beta Kappa. He also attended DePauw University, Wheaton College and Northern Baptist Theological Seminary.

L. P. (Bud) Moore
WATER WELL DRILLER
CLARENDON, TEXAS
Phone 252-R

Among his writings is listed, "Am I Ordained", a study of Baptist church government. For three years, he edited, "The Bible Expositor" at Princeton, Ind., where he was also pastor of First Baptist Church.

Mrs. Yeager holds the B. M. degree from DePauw and has done post graduate work at Oklahoma College for Women. She holds membership in Mu Phi Epsilon and Pi Kappa Lambda, honorary music organizations, and in American Guild of Organists.

For three years, she headed the music department at Baptist Bible Seminary, Johnson City, N. Y., and served as minister of music at Park Avenue Baptist Church, Binghamton, N. Y. She has also taught music in public schools of Indiana and Oklahoma.

Mrs. Yeager, who is a mezzo soprano and who will teach voice at Wayland College has been presented in solo performances at Orchestra Hall, Chicago, Cleveland Shell, Cleveland, and in radio programs over WGN, Chicago. She frequently assists Rev. Yeager with his evangelistic services.

Mr. and Mrs. Geo. L. Green left Sunday for Dallas where they will visit with their daughters, Mrs. F. N. Bentley and Miss Helen Green.

Mr. and Mrs. C. C. Hearn, Billy Frank and Shirley returned home Wednesday of last week after a visit with their daughter and family, Rev. and Mrs. Burdett Hitt at Mancus, Colo. They reported a very enjoyable trip of sight seeing in the area. Rev. Hitt, pastor of the Baptist Church there, had the privilege of baptizing his father-in-law, Mr. Hearn, while they were visiting there.

Mr. and Mrs. Homer Thomas and family left last Saturday morning for a weeks vacation in Colorado.

Aelurophobia is a morbid fear of cats.

It's not monkey business when we say—Radio need inspection too. It's a fact. A radio is one thing you can't monkey with. If your radio hasn't been inspected within the last six months we suggest that you let us test the tubes and give the set a general check-up. We Recommend SYLVANIA Radio Tubes

WHY BORROW ?

EVEN THOUGH YOU HAVE MONEY IN THE BANK

That's a good question which we believe deserves a good answer.

Peace of mind comes mainly from funds you have in reserve. They are your bulwark against worry, misfortune and the tough jolts in life. They are the source of happiness and pleasure.

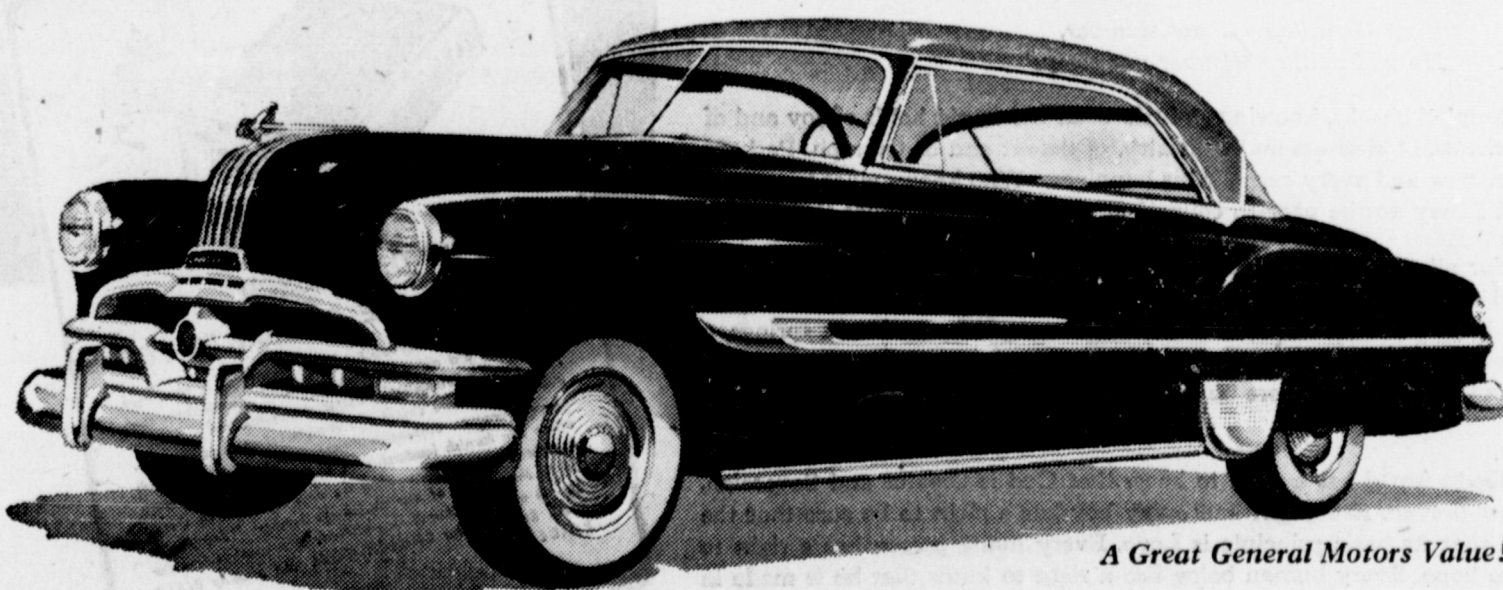

To many, the satisfaction of keeping savings intact and borrowing to make purchases is worth much more than the slight interest connected with a small bank loan.

PLOWIN' Out the CORNERS

Uncle Zeb

Overheard a couple of fellows discussing the prospects for a cotton crop this year. One fellow sounded kinda hopeless about the dry weather; "Why," he remarked, "Even if it was to rain at this late hour the cotton would throw off anything it has on it, except

the mortgage."

Although, we don't use much poetry the following needs to be read once in awhile by we humans just to make us think. Anyway, a reader and a good friend of ours who works for Stamps Inc. sent me the poem called EVOLUTION which was clipped from his trade magazine called PEN. It does make us think to read it and thanks to this friend for sending it in;

EVOLUTION

Two monkeys sat in a low-limbed tree
Discussing things as they're said
to be.
Said one to the other, "Listen
you,

A certain rumor can't be true,
That man descended from me
and you.

"No monkey ever deserted his
wife,
Starved his babies and ruined his
life.

And never has a mother monk
Left her babies with others to
bunk;
Or passed them, on from one to
another
Till they didn't know who was
their mother.

And another thing you'll never
see
A monk build a fence around a
coconut tree
And let the coconuts go to waste
Forbidding all other monks a

taste.
Why, if I put a fence around a
tree
Starvation would force you to
steal from me.

Another thing a monk won't do—
Get out at night and get on a
stew,
Or use a gun, or club, or knife
To take some other monkeys life.
Man descended, the ornery cuss
But, boy, he didn't descend from
us.

It was good to visit Groom last
Friday on the occasion of their
50th anniversary. The parade was
more than we expected and the
food was very delicious. I noticed
Cotton John of KGNC there talk-
ing with the folks. We didn't see

his rain-making assistant OJ
there. Guess it is so dry by now
that even the gophers are all
gone. Congratulations Groom.

When you listen to all this
political mix-up we become like
the fellow who made the follow-
ing comment. "I'm so kon-fused
that I don't know whether I'm for
Harry S. Stevenson or Adlai E.
Truman. With that crack we
think we will just insult the poli-
ticians for this week by ignoring
them completely.

Jimmy Fiddler, noted Holly-
wood writer and commentator
wrote an article recently regard-
ing liquor and the movies. He
claimed that the liquor industry

kept paid representatives in
Hollywood to assure that not
anything unfavorable to their in-
terests went into a picture. It
does seem that we can see their
work in many of the movies. A
drunken scene will be thrown in
seemingly just to plant in our
minds that this is the ordinary
way of life; it will have no appar-
ent connection with the story. A
typical example was in MY SON
JOHN, a picture with a good
patriotic and moral angle except
for the benge that the good father
went on. Seemingly, they were
trying to put over the idea that
when things went wrong at home
it was alright for father to go "On
a tear." Anyway, movies are a
very definite influence on our

Now I lay
me down...

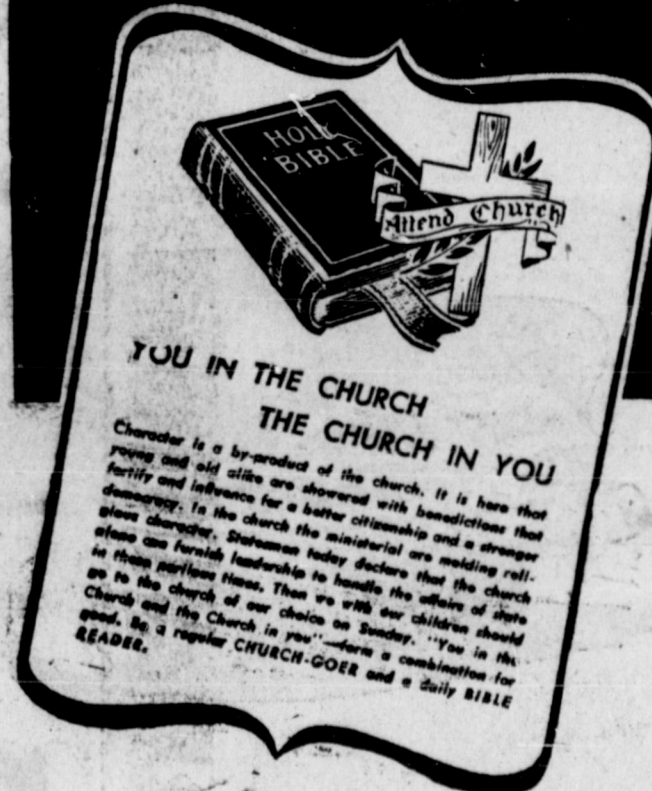

From the twelfth century children have been learning to repeat this prayer of faith. Back of that are the other centuries when families quoted the 121st Psalm from which it was doubtless taken...

"Your Guardian will not slumber,
He will neither slumber nor sleep."

Precious lad with the dimpled cheeks, knowing so little what the world holds of joy and of sorrow, of foes and of friends, of sickness and of health, of defeat and of triumph. Perhaps he has mother and father now and every care for his happiness. Who knows what tomorrow holds for him? You and I may not be near to counsel and to encourage. What then?

Wise and thoughtful for all the years ahead were the parents who early introduced the lad to his eternal Friend and helped him to be at home in the Father's universe. Some day every boy and girl will have to stand alone; will there be strength from hidden springs, a sense of sustaining Power? Some day every woman and every man must make a choice between the high way and the low; will there be light that shines on the good path the soul should take?

Every child born into God's world has a right to know that God is Creator and Sovereign, that His will finally must prevail. Every girl and every boy has a right to be sure that the universe is friendly and that its basic principle is Love. Every living person has a right to trust and to faith and to hope. Every human being has a right to know that he is made in the image of God and eligible to a place in the divine Family. We are both animal and divine spirit; God breathed His own Spirit into man and he became a living Spirit, like unto God. Every child has a right to live reverently as in the continuing and blessed fellowship with the Highest; he has a right to the adult helpfulness that puts his feet in the Way of Life. Teach him to say, "Now I lay me down to sleep, I pray the Lord my soul to keep. If I should die before I wake, I pray the Lord my soul to take."

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fertilize and influence for a better citizenship and a stronger character. The church the ministerial are molding reli- gious character. Students today declare that the church is their spiritual home. Then we will our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" refers to a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.
