Answerline

(Q) What are the possibilities of the Wolves getting into the playoffs?

(A) The Wolves will have to defeat Crane Friday night to have any chance of entering the state playoffs.

1) If C-City wins; C-City and Ballinger will advance.

2) If Ballinger loses and C-City wins; C-City will go as district champs and Ballinger will go because they had 20 first downs to Crane's seven during their 14-14 tie last week.

3) If C-City loses; Crane and Ballinger will advance because both sport a tie.

4) If C-City ties; Ballinger and Crane would still advance.

Armed robbery suspect arrested

By LUIS RIOS
A California man was arrested in connection with the armed robbery of B&J's liquor store on 405 E. 2nd St., Monday morning, said Colorado City Police Chief Ed Wheat.

The Police Department received two anonymous phone calls Monday that said that Jack Benny Woodson, who had a warrant out for his arrest, was seen in the city limits.

The Department followed up on the tips and spotted Woodson on the Old Highway 80. They trailed him out the city limits before asking assistance from the Mitchell County Sheriff's Department.

Sheriff Wendell Bryant and deputy Edward Tersero later arrested Woodson outside the Lo-

raine city limits. He did not resist arrest, Wheat said.

Woodson was arraigned Tuesday and bond was set at \$25,000. Another C-City person Ruth May Bailey was arraigned for armed robbery

in Snyder. Bailey was arraigned at 4 a.m. Tuesday and bond was set at \$50,000.

The C-City Police Department is also investigating the burglary of a vehicle which occurred early Sunday or early

Monday.

Woodson was arrested in connection with the robbery that occurred at 8:30 p.m. last Monday. Woodson is reportedly from Banning, California.

Wolves face Crane for play-off berth

By STEVE BELVIN

Last season when the Wolves and Crane Cranes played the final district game of the season, it was a game of pride because both teams were out of the playoff picture—this year is a different story.

Although there is still a lot of pride involved in the clash, something else has been thrown into the pot—a state playoff berth for the winner.

The Pack sports a 3-1 district slate while Crane comes into their final home game of the year with a 3-0-1 district record and 8-0-1 season record. The only blemish on the slate is a 14-14 tie with the state's number four ranked team Ballinger, according to the Associate Press Poll.

The Wolves have a 6-3 season record and their only district setback came from Ballinger by a score of 14-7. The Crane-Ballinger tilt was played in Ballinger.

Crane coach Ricky White says he doesn't think that the home field advantage will mean that much to the Cranes. "I would rather be playing them here but I don't think it will mean that much. It just depends on

who plays the best," says White.

This year's Crane team is similar to last year. They play good defense and line up in the I-Formation and run right behind a line which averages around 200 pounds. The front is led by returning All West Texas guard Trey Morgan 6-2, 220. Guard John Cavazos, 195 and center Johnny Fox, 185 are also top notch performers.

Silver City, New Mexico transfers Joe and Jim Vasquez have added new life to the Crane offense and defense.

The brother duo have accounted for most of the Crane's offensive firepower. Tailback Jim has rushed for 1,308 yards on 195 carries while quarterback Joe, has rushed for over 200 yards and completed 26 of 68 passes for over 400 yards.

Last week against Ballinger, Crane managed only seven first downs while rushing for 160 yards and passing for 71 yards. Jim Vasquez gained 145 yards on 22 carries and 38 of the passing yards came on halfback pass from Jim to brother Joe who was playing the slotback at the time.

When Joe Vasquez moves to slotback, Todd Rogers will handle the QB duties. Fullback Junior Sena 180 is one of the top blocking backs in the district and is also a good runner.

"We will have to line up and play stout defense in the trenches. They

have one of the most physical lines we have played," said Wolves mentor Tom Ramsey.

The Crane defensive line is anchored by mammoth tackle Junior Bishop, 6-3, 270 and Morgan. Bishop is also a field goal threat having already booted a 53 yarder.

The Cranes limited Ballinger to 238 yards total offense (94 rushing and 144 passing), but Bishop and Company put a relentless pass rush on Ballinger quarterback Aaron Keesee.

The Vasquez brothers are also in the Crane secondary.

For the Wolves, the

season has come down to the final game. Ramsey's troops looked "super" one for half but didn't resemble the same team in the second half against Sonora.

For a half, the Pack's rushing game led by Larry Hamilton came

Band takes No. 1 rating

The Colorado City marching band took a step closer to a Sweepstakes rating as it received a No. 1 rating during the UIL marching competition in Abilene Tuesday.

The CHS band, which receives excellent ratings year in and year out, is led by band director Bill Shipp. The band will be aiming for No. 1 ratings in sightreading and Concert and possibly a Sweepstakes rating for the 1983-84 school year.

Jackpot Football Contest edging out four other contestants all who correctly guessed 17 of the 23 games.

But Hoyle won on the strength of his tie breaker guess of Buffalo 24, New Orleans 21. The actual score of the contest was Buffalo 27, New Orleans 21.

Others who only missed six games were Kathy Newby, Austin B. Martin, Bob Benson and Hootsie Claxton. For winning Hoyle picks up \$25.

House approves Stenholm measure

The House of Representatives approved a measure by Congressman Charles W. Stenholm (D-Stamford) to protect American farmers from the threat of grain embargoes.

Stenholm offered the measure as an amendment to the Export Administration Act (EAA), a bill governing U.S. foreign sales. The Stenholm amendment, passed by voice vote, ensured that the EAA does not affect the 270-day contract sanctity for farm exports which Congress passed last year.

"There was a real danger that the EAA would compromise contract sanctity," Stenholm said. "This would have made our foreign customers lose confi-

dence in our reliability as a supplier, and thus cost us export sales. In turn, that would have meant lower prices for American farmers."

Under present contract sanctity law, existing agricultural export contracts are protected in the event of another embargo like the one imposed on farmers in 1980. Contracts in force at the time an embargo is imposed can be fulfilled as long as they call for delivery within 270 days.

"Contract sanctity was one of the major goals of the agriculture industry for several years," Stenholm said. Fourteen major national farm organizations sent letters to all members of the House urging support.

Letter to the Editor

Dear Editor:

On November 22, we mark the 20th anniversary of the assassination of President John F. Kennedy. More than 400,000 Americans have been killed in gunfire since his death. Ironically, on this anniversary, Congress is considering legislation which would weaken, not strengthen, America's feeble gun laws.

In 1968, when Congress passed the Gun Control Act, our legislators specifically prohibited mail-order gun sales because President Kennedy's assassin, Lee Harvey Oswald, used a cheap rifle purchased from a Chicago mail-order house. The weapon was fitted with a telescopic sight, also acquired through the mail. Less than an hour after

killing the President, Oswald killed police officer J. D. Tippit with a .38 caliber handgun acquired from yet another mail-order house.

Now, the National Rifle Association wants to gut the 1968 Act through passage of the McClure-Volkmer Gun Decontrol Bill (S. 914 and H.R. 2420). This bill would lift the prohibition on mail-order sales and again allow easy access to firearms by criminals and would-be assassins.

This bill must be stopped. Our Congress should not enact legislation which only invites mail-order murder.

Sincerely,
Barbara Lautman

Crane spikers smack the Pack for district crown

By STEVE BELVIN

Crane's victory over the Wolves for the district 6-3A volleyball crown can mainly be attributed to the fact that the Crane setters got the ball to LaWanza Mitchell more times than Wolves setters got the ball to Laura Baum.

The Wolves and Cranes hooked up a classic volleyball war which had everything that could be described in a volleyball tilt.

Devastating spikes, diving saves, double blocks, single blocks, well placed dinks and serving aces, coupled with a highly emotional Crane crowd and you have one of the hottest contested games a spectator could want.

But the key to Crane's 9-15, 15-11, 16-14 win was L. Mitchell who came on after the first match and led her inspired teammates to victory.

Mitchell proved that she was doing quite well

on her injured knee as she displayed she is one of the most dominating spikers in the area.

But a star from C-City arose this night at Crane gymnasium in the form of senior spiker Baum as she proved to everyone that she had the ability to totally dominate a match.

It was perhaps Baum's finest volleyball performance ever as time and time again she would leap high over the net and smash a kill shot so vicious that the opposition had little chance to do anything.

Not only was her spiking in top form, Baum's overall play was excellent as he kept the Cranes off balance with her dinks, relayed the ball well and kept her composure to help hold her teammate together.

The bottom line of the game was that on this given night, Miss Baum clearly outplayed the heralded Mitchell, but

the Cranes setters were more consistent in getting the ball to their big gun.

With the matches tied, a 1-1 Crane quickly jumped out to a 4-0 lead in the rubber match behind the service of Ray Ann Chisum and two kills by Cheryl Busby.

But then the Pack started to surge as Traci Blackwell got the ball rolling. Baum first rocketed a kill which knocked Busby on the seat of her pants. Miss Baum followed with another kill and two Crane mishits and the score was tied.

The Wolves went ahead as Robyn Turner killed a shot and Baum stuffed L. Mitchell's attempted kill attempt. By the time Blackwell was finished the Pack held a commanding 8-4 lead.

It looked like the Pack was heading for victory as Baum, Turner, Lynn Scott and Denise Jack-

son spiked and dinked the Pack to a 13-9 lead, but Mitchell and Company weren't about to throw in the towel.

With Chisum at the service line, Crane climbed back into contention thanks to mishits by Blackwell and Scott and the score was 13-11.

Following exchange of serves, Crane tied up the contest on another Wolves mishit and an L. Mitchell block. They went ahead when Baum's kill attempt barely sailed out of bounds and the Cranes led 14-13. But Baum came to the rescue on the next serve with another kill. With Turner serving, the Pack tied the game up as the ever present Baum again nailed down another spike.

Following a side out, L. Mitchell stepped to the service line and recorded a point to give them a 15-14 lead. This set the stage for the play of the game. After Mitchell got her serve over, the Wolves got the ball to Baum who rocketed another kill that bounced off the hands of Mitchell and Busby and went into the backcourt for what appeared to be a certain kill shot. But a hustling Chisum made an all out dive to some how bump the ball back over the net in front of an already rejoicing Wolves team.

The superb effort gave Crane their second consecutive 6-3A crown and offset a sterling performance by Baum.

The Wolves will travel to Ft. Stockton Thursday to battle Fabens at 5:30 p.m. in Bi-District action.

The Wolves record stands at 13-7 for the year.

TWO MEMBERS OF THE CRANE volleyball team set up a double block on a spike attempt by the Wolves Denise Jackson. Also pictured are Robyn Turner (11), Sheri Morris (2) and Traci Blackwell (10).

alive. The speedy senior gained over 140 yards in the first half. He is closing in on his second 1,000 yard season. He currently has 921 yards. "We will have to mix up the pass and run

against them," said Ramsey. "We just can't line up and run at them because they are too big."

Ramsey also stated that a key matchup in the contest will be be-

tween Bishop and the Wolves 255 pound tackle Fred Dakan. "We've got a big man on Bishop and I feel good about that," said Ramsey.

Last week the Pack had their problems passing as Doug Chitsey and Co. accounted for only 20 yards. This ups Chitsey's totals to 1,353 for the year and draws him closer to the 2,000 yard mark for his career. The junior signal caller has now completed 109 passes in 253 attempts, 1,854 yards and 13 touchdowns in two years of varsity

play. Dennis Rivera continues to lead the receiving ranks with 42 catches for a 19.1 average.

"To beat Colorado City we have to control the line of scrimmage. I don't know if we can, but we are going to try," said White.

So the season boils down to the final 48 minutes of football for two teams fighting for a spot in the state playoffs. After Friday, one team will start the new season and one will hang up the pads until next year.

News from

Root Valley Fair Lodge

By PAM JARNAGIN

Our Halloween carnival was something to see. You could have easily believed in ghosts as people appeared and disappeared. They were looking for fun and no one went away disappointed. Some were of the opinion, it just did not last long enough.

I want to thank everyone who volunteered time, money, prizes and food. There are too many to mention individually. Collectively, the staff at Root Lodge, the families of the residents, the Mayor of Co-

lorado City and merchants of our city all participated to make our carnival a success.

The Dallas Cowboys may be America's team, but team work is no stranger to our little community, when there is a need to be met in our lodge.

First and foremost, the reason for our carnival is to bring pleasure and fun to the residents and that, if did.

Some of the residents participated in the activities and some watched but it was exciting for all.

Bulldogs' pride is on the line

By STEVE BELVIN

The Loraine Bulldogs and the Forsan Buffaloes will square off Friday night at Johnson Field to try to salvage some respect in a disappointing season for both teams.

According to Forsan coach Jan East and Loraine mentor B. D. Trice, it will be a game of pride as both teams try to end the season on a winning note. The Buffaloes are 2-6-1 for the season and 1-3 in district play while Loraine is 1-8 and 0-4.

"We would like to end the season on a positive note, winning our last two games," said East. Trice looks at the contest as a momentum builder for next year. "These players we have

now will not quit. If we win this game it will be a start for the beginning of next year," said Trice of his club which has only four seniors.

Ruben Garcia, Martin Leija, Buck Trice and Jesse Castro will be playing their last gridiron war wearing a Bulldog uniform while East will only lose two players off his squad.

Forsan is coming off an impressive 20-0 upset win over Roby while the Bulldogs forfeited their game last week because of only 10 healthy players.

Trice says the 'Dogs will be 14 strong this week with linebacker-running back Buck Trice seeing only limited action because of a knee injury.

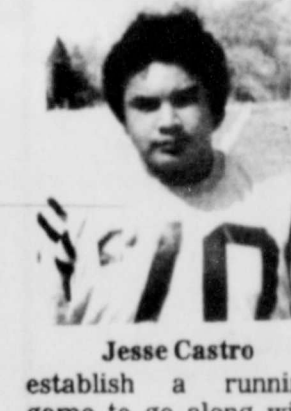

Ruben Garcia

Martin Leija

Buck Trice

Jesse Castro

Junior quarterback Todd East (Jan's son) is the leader of the Buffalo Wing-T attack along with speedy running back Mitch Hays. East had a good game throwing the ball against Roby last week and Hays is a 23.0 200 meter specialist.

Flanker Brad Jenkins is the Buffaloes leading receiver having snagged three TD passes.

On defense, East at linebacker and Jenkins at cornerback are the leaders. Last week cornerback Tom Thompson picked off two passes. Heading the Buffalo defensive line is noseguard Termitte Kendrick, a 5-4, 145 "sparkplug" who East labels as a "tough cookie" who gives 100 percent all the time.

Meanwhile the Bulldogs will again try to

keep pressure on the quarterback. "We might have to gamble some to keep pressure on the quarterback," said Trice. "We have to rush the passer and play good," East said.

So it is the season finale for both teams and the only thing this game will accomplish is to add a much needed win in one's column—and see just how much pride the other has.

Gas dryers maintain one's appearance for less.

Saving money is important. For everyone. That's why natural gas dryers are the preference for those who know.

They cost less to operate than non-gas models. In fact, high-efficiency gas dryers dry about three loads of wash for the cost of drying

one in a non-gas dryer.

And gas dries clothes faster. And it makes them feel soft and fluffy.

So get more for your money and get a gas dryer for your home. Today. After all, in these times, looking one's best for less is something everyone can appreciate.

Jeanne Kornhaber

Jeanne Kornhaber is a woman filled with the Word of God. As a teenager, she had an encounter with God which turned her life around, totally changing her personality. Having been born with a bad speech impediment, she overcame it through her faith in God.

Jeanne grew up in Groves, Texas, a small town on the Gulf coast. After graduating from business college, she traveled as a youth evangelist for two years in many southern states.

She then moved to Dallas in 1970 where she attended the first year of Christ for the Nations Bible School while working as a youth coordinator with the Methodist Lay-Witness Renewal.

For nine years she served as Business Ma-

nager and Television Producer on the staff of Vicki Jamison Ministries. She also served with Larry Lea Ministries for one and one half years as manager of his ministry and producer of his television program.

Jeanne is currently a teacher through Church on the Rock and a CARE leader with the church's cell ministry. She lives in Rockwall, near Dallas.

Jeanne is also booking agent for the music ministries of Lulu Roman of "Hee Haw," Anne Criswell, and the Pearces. Her first book is in the making. Jeanne teaches the power of the Word, the creative power of the tongue, what faith is, and Scripture praying plus many other topics dealing with using the Word in our everyday lives.

Don't miss this dynamic teacher of the Word. Your faith in God's Word will be built.

On Friday, November 11, a salad luncheon will be held at the C. C. Thompson Room from 10 a.m. to 2 p.m. when Kornhaber will present the program.

On the same day, a meeting will be held at 7 p.m., also in the C. C. Thompson Room to hear Ms. Kornhaber speak.

THCA sets up fund for Fite

The Texas Hairdressers and Cosmetologist Association has opened an account at the Bank of Commerce in Abilene for Donald Brent Fite, 20, who was injured in an automobile accident August 14 at the Winters Freeway underpass on South 14th Street in Abilene.

Fite is the son of Bob and Brenda Hayward, owners of Armstrong-McCall Beauty Supply House in Abilene and Don Fite of Big Spring.

He is hospitalized at Hendrick Medical Center in stable condition, but a transfer to a Houston hospital is being worked out. Nell Stucker, one of three fund administrators, said the funds are needed to help pay for transfer costs and medical bills.

Administrators of the account are Mrs. Stucker, THCA fourth vice-president, Florence Boyd and Bob Hayward.

Injuries sustained in the accident left Fite paralyzed from the neck down. Mrs. Stucker at Nell's Trellis Coiffures at 698-3066 can supply additional information.

American G.I. Forum elects 1983-84 officers

By LUIS RIOS
The Region 6 of the American G.I. Forum elected officers for the 1983-84 year at its quarterly meeting at the Colorado City Civic Center Saturday.

Region 6 includes Odessa, Midland, San Angelo, Colorado City, Sweetwater, Ozona, Sonora, Abilene and other West Texas cities.

The officers elected included: George San-

tana, regional chairman; Juan Salazar of Colorado City, regional vice chairman; Ginger Zamarrilla of Colorado City, regional chairperson; Amelia Franco of Colorado City, regional treasurer; Juan Munoz of Lorraine, regional sgt. at arms and Robert Gideon, regional chaplain.

Santana also awarded two members with certificates of merit. Juan Munoz and Amelia Franco, both of the Manuel Martinez G.I. Forum Chapter from Mitchell County, were honored by Santana.

National and state organizer Jose Alvarado, State vice chairman Juan Mireles and San Angelo attorney Bertha Perez were three featured speakers during the meeting.

"We need to be strong in membership to have a good local chapter," Alvarado told the members. "The women are the backbone of the organization. They spoke out when the men were afraid of losing their jobs."

Alvarado urged the members to register to vote. He asked them to get the Hispanic communities to vote also.

"We don't need the Blacks and whites to say

"This is what the Mexicans want and need."

Ms. Perez, a prominent San Angelo attorney, also spoke to the members gathered about the discrimination that the Mexicans have witnessed in the past and are still witnessing presently in the modern world.

"The same problems that have plagued us for generations, like prejudice, poverty, racism and injustice still plague us," she said.

She pleaded and urged the people of the community to start a legal defense fund to help curtail the enormous expenses that involve a drawn out court case.

'Magic of Christmas Show' slated

The Opti-Ms. Club in conjunction with the Mitchell County Day Care is sponsoring a "Magic of Christmas Show" at the Colorado City High School Auditorium at 7 p.m., December 9.

The program is a fun-filled 90 minutes, chairperson Ann Gregory said. The World famous Fred Cowan Puppeteers will be featured along with a fantastic Fiesta Mexicana.

A drawing will be held to give away a video game or other prizes. Advance ticket prices are \$2 for children and \$3 for adults. Tickets will be \$3 and \$4 at the door.

Proceeds from the program will go toward Matching funds.

Westbrook FHA holds club meeting

Westbrook FHA Chapter held their October meeting for the year. The President, Teresa Browne, opened the meeting with a note about our point system.

The members voted on a dress-up day. This is where the FHA members dress-up for one day and encourage the rest of the students to dress-up. We decided that our dress-up day would be the first Tuesday of each month.

Income report required for VA recipients

Obituary

According to Bertie Kidd, Veterans Service Officer for Mitchell County, a large number of Veterans Administration beneficiaries will soon be required to complete the annual income report. This report is required at this time each year so that a determination can be made as to whether a person continues to be eligible for the disability or death benefit payments.

Required to provide the annual income ac-

counting will be all veterans receiving disability pension, all widows and children in receipt of death pension benefits, and all parents in receipt of dependency and indemnity compensation following the service-connected deaths of their veteran sons or daughters.

The income report will be mailed to all of the VA recipients on November 1, 1983. The completed report must be returned to the Veterans Administration prior to January 1, 1984.

Failure to return the report will result in termination of the benefits being paid.

Some of these income report forms will be difficult to complete and many pensioners will require assistance to be properly filled out. All persons needing assistance should contact their local Veterans Service Officer or veterans organization representative.

All information entered on the card should be accurate, since most of it is subject to verification by the VA. It must be remembered that the Veterans Administration always verifies with the Social Security Administration the amount of Social Security benefits a person is receiving, as well as amounts paid to a person by many other sources. Incorrect income information can cause delays in the processing of the

reports, and possible terminations and overpayments.

According to Kidd, an itemized statement is a must and must be on the provider's billing letterhead, containing the provider's name and address. For prescription drugs, the itemized statement must contain the name of the patient, name of drug, name and address of pharmacy and name and address of prescribing physician. The cost must be shown also.

Loveless

Funeral services for Winston C. Loveless, 71, were conducted Monday at 2 p.m. in the Plainview Baptist Church.

Officiating were Rev. W. L. Myers from San Angelo and Rev. Glen Butler, pastor.

Burial was in the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home. Mr. Loveless died on Friday at 5:30 p.m. in the Root Memorial Hospital.

Born November 12, 1911, he was a lifelong resident of Mitchell County. He was a member of the Plainview Baptist Church and was a retired school bus driver and farmer.

Survivors include two sisters, Mrs. Elmo (Gwendolyn) Myers and Mrs. R. H. (Frances Udell) Dreyer, both of San Angelo and a number of nieces and nephews.

News from

Loraine Nursing Home

By MARSHA RICKARD
Halloween was celebrated with decorated cup cakes and punch served amid our dangling spook decor. Instead of our carnival this year, we preferred to take helium balloons to the children in Kindergarten and first grade at Loraine Elementary School. The multitude of smiles and surprised faces made our trip a most happy one. R. N. Gray assisted us with giving the balloons. Thanksgiving is around the

corner now and we are making plans for our traditional family dinner. All family and friends will be invited for the turkey and dressing, with a wide and colorful variety of desserts.

Senior Citizens of Loraine donated a movie projector to us and very soon with the assistance of the Colorado City Library we will have in-home movies. We thank the Senior Citizens for their kindness.

Our halls, dining room

and lobby will soon be graced with 28 new and beautiful pictures. We want to invite everyone to come and view them as soon as we can get them placed.

October birthdays were honored the last Wednesday of the month. A surprise for everyone was the serving of sweet potato pie along with the birthday cake. Mr. and Mrs. Lloyd Hair prepared a large number of pies for the entire home. Those being hon-

ored were Rufus Solomon, Ross Marshall, Ida Mae Lindley, Elizabeth Thomas, Lucille Wilkins and Lora Taylor.

Sometime an employee does not have to be employed long before you can see they are excellent staff members. Sammy Barrera is in our dietary department and has worked here five months, but her congenial spirit and hard work deserve recognition.

Our musical had some very talented visiting musicians. Mr. and Mrs. Clayton McCartney from Colorado City and Jack Beave from Snyder. We hope to see more of them for our musicals.

Many out of town and local visitors have been visiting and we love having them all.

Thanks to Butsy Hall, Syble Walker and Mr. and Mrs. Troy Jones for their help in so many ways.

Loraine Couples Class holds progressive dinner

The Couples Class of First Baptist Church Loraine enjoyed a progressive dinner Saturday night which proved to be different and entertaining.

Their first stop was at the pastor's home where Bro. David and Pat McNary served the appetizers. After a short visit-

ing period, they went to the home of Herb and Jerri Roever for salad.

Brenda and James Lee served the main course and the group

went to Debbie and Robert Dale Finley's for dessert.

The activities were fun for all. Those in the group were the class

teacher, Lois Phillips and husband, Earl. Members were David and Pat McNary, Danny and Pam Butler, Debbie and Robert Dale Finley, Herb and Jerri Roever, Jay and Charlotte Lee, Karen and Stan Hackfeld, Judy Stewart, Linda Grissom and Brenda Lee.

Armstrongs return from jamboree in San Marcos

Gus and Iva Armstrong have returned from the State Fall Good Sam Jamboree held in San Marcos, Texas. They reported a good time by all in spite of the much needed rain. When they left on Sunday afternoon, rigs were still being pulled out of the black mud.

There were 930 rigs registered and 30 now shows and they average two people to each rig.

A large percentage were on their way South for the winter.

The state fall and sp-

ring Samboree of 1983 will be held in Abilene. Meetings for their get-together were held in the City coliseum and at the State Fair ground.

These Samboree meetings bring together people from year to year, making new friends and not forgetting the ones they met the year before and is like a big family reunion.

Leonard and Hazel Coldewey also attended the Samboree and they went to Mission, Texas from there where they will spend the winter months.

Easy ways to save.

When the temperature starts to drop, here's what you can do to help hold down your heating bills and save money. Set your thermostat at 68° or lower.

Remember, the lower you set your thermostat during the winter, the lower your electric bill will be. At night and when you're going to be away, set it at 55° or lower. Open drapes during the day to let sunlight in, and close them at night to help hold in warm air.

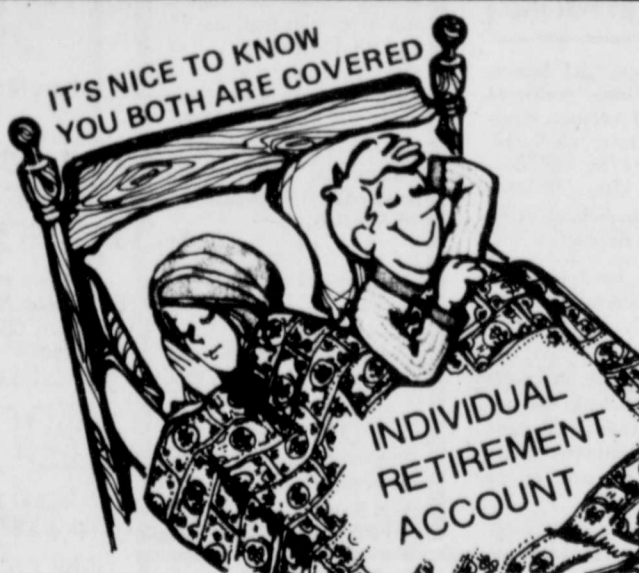

These easy ways to save can help you use less energy this winter. And you can learn more ways

to help hold down your electric bill — winter and summer — with a TIPS booklet from Texas Electric. For your copy call us or ask for it on the comments section of your electric bill.

New regulations now enable an individual to save up to \$2,000 a year (\$2,500 with a non-working spouse) in an Individual Retirement Account with all taxes deferred. If both husband and wife work, \$4,000 may be laid aside. This is possible even though they are already covered by a pension plan.

4-H leaders help youth succeed

In Texas, 4-H volunteer leaders "link" young people with programs—and efforts with success.

4-H leaders are asked to do strong things—to volunteer and to lead youth in learning, says Marian Morris, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

Before joining 4-H programs, volunteer leaders must pass two tests: they should like young people and they must be genuinely interested in them.

In Texas today, some 22,000 4-H volunteer leaders have passed those tests. Still, Texas 4-H programs need more volunteer leaders. Choices of programs to lead are limitless, as are leader styles, schedules and situations.

Leaders tailor their own programs to a great extent. Today's 4-H Clubs come in every size and arrangement—with needs to fit any leader's talents, time and skills. Some larger clubs require several leaders and tasks are divided according to leader preferences. Other 4-H clubs have special-interest leaders, while some clubs need resource people who can share expertise in certain subjects.

Generally, leaders start off choosing one of three types of jobs: organization, project work or activity work.

Organizational leader—this leader works with other leaders to coordinate a club's program, enroll members,

assist in the overall club program and counsel officers in their jobs.

Project leader—this leader works in a project area, guiding members in a project, such as foods, pet care, wood-working or some 50 other 4-H projects. Project leaders help members improve their skills and increase their knowledge and interests.

Activity leader—this leader joins club members in tours, safety talks, games, demon-

strations and other activities dictated by members' interests. Also, an activity leader can serve as a liaison person between the club and the community—on safety campaigns, health programs, special-events window displays, fair exhibits and other community projects.

Resource persons are also wanted—and needed. For people who feel their special talents are centered in one area, serving as a resource

person can make a great impact in a special way.

Resource persons can share a special interest of a hobby with one club or many clubs in their county, or they can work on special events such as parades or community-service projects.

Anyone interested in serving as a 4-H volunteer leader should contact the county Extension office at 728-3111.

FmHA provides farmers with loan assistance

The Farmers Home Administration, FmHA, provided loans to 6,700 Texas farmers in fiscal year 1983 which ended on September 30, 1983, FmHA State Director J. Lynn Futch announced.

FmHA is a credit agency of the U.S. Department of Agriculture. It provides loan assistance to farmers who need credit but cannot get it from a private bank or other lending institution. The loans are to be repaid in full, plus interest, to the U.S. Government.

Early preliminary figures show that nationally the Agency provided about 75,000 loans to farmers across the country. The total amount loaned through FmHA farmer programs was approximately \$3 billion.

The breakdown of far-

mer program preliminary totals show that Texas FmHA provided 4,790 farm operating loans for \$174,160,000; 220 farm ownership loans for \$18,902,000; 1,580 natural disaster emergency loans for \$88,637,000 and 27 soil and water loans for

\$325,600 for a total of 6,617 loans for \$282,024,600. "Some farmers received more than one type of loan," Futch said.
