National Legion Commander To Speak Saturday

Swimming Pool Open To Public Next Week

City Sponsoring Memorial Day at Ochiltree Cemetery

Day exercises will be held at Ochiltree cemetery under the leadership of the Pierce chapter of the American Legion. The program will start promptly at 10 o'clock Sunday afternoon.

Mayor C. Allen, chairman of the committee in charge, said that the day services at the cemetery have been sponsored by the American Legion for many years. In fact it was due to a beautification project by the Legion that the cemetery was created.

The memorial day program is as follows: 10 o'clock, prayer by W. I. Byron, director. 10:15, assembly accompanied by invocation, Rev. A. C. Pender, Perryton Church. 10:30, "Star Spangled Banner". 10:45, "God of Our Father's Mighty Hand", double quartet of Mrs. R. P. Curt Ellis, Mrs. W. E. Allen, Ruby Neufeld, J. W. I. Byron, M. W. Addison Cutler, accompaniment by the Perryton Independent School District.

Speakers, H. I. C. A. Cryer, superintendent of schools, McLean; Boy Scouts under American Legion Auxiliary, Bobby Lawrence and...

Myers, who has been in hospital several days, was removed to her home.

Texas Auxiliary President

W. M. Benton, Amarillo, department president of the Texas Legion Auxiliary, will be an honor guest at the convention of the Panhandle-Plains Association of American Legion Posts and Units to be held in Perryton on Saturday, May 29. Mrs. Benton, the Oklahoma State Auxiliary President, will pay a complimentary visit to Mrs. Benton at the Perryton meeting.

STATE OFFICER SCHEDULED TO INSPECT POOL

Tentative Date for Opening, Tuesday or Wednesday; Waiting For Inspector

Met All Requirements

Pool Sanitary in Every Respect, As Required by State of Texas Health Department

Perryton's municipal swimming pool, located in the City park, will be opened to the public some time next week, probably on Tuesday or Wednesday, according to Mayor Forbes. The date is somewhat indefinite as it is not known just when the state inspector will arrive in Perryton to inspect the pool.

A formal opening of the pool is planned for an early date, probably the latter part of next week, or early in the week following. The exact date will be carried in the next issue of the Herald.

Contract is expected to be let within a few days for a filtration system at a cost of approximately \$4,000. This equipment will keep the water circulating and filtered at all times. Until the filtration system is installed a circulating system will be used and chlorine will be put in the water to make the pool sanitary. The water will be changed once each week. From the date of opening the pool will meet all state requirements.

The swimming pool is a WPA project and was completed recently at a cost of \$23,000. The new equipment to be purchased soon will bring the total cost up to \$27,000. While there are a number of modern swimming pools in the Panhandle, it is said that the Perryton pool ranks with the best and that it is one of the largest in this section.

At the regular meeting of the city council Tuesday evening Paul Bowen was named superintendent of the swimming pool and Mrs. C. E. McLarty cashier. Miss Beth Lovett was selected as check girl for the ladies' department, and Sidney Jines for the boys'. Miss Cleo Cudd will have charge of the confectionery.

The pool will be open mornings from ten until twelve o'clock and from two until six in the afternoon. Night hours are from seven until ten. Charges for children in the day time will be 10c and at night 15c. Adults will be charged 25c. Season tickets will be offered for sale at \$5.00 for adults and \$4.00 for children. An extra charge of 10c will be made for bathing suits and towels.

TWO INCHES OF MAY MOISTURE

TOTAL RAINFALL FOR MONTH IS 2.05 INCHES; PRECIPITATION LAST NIGHT WAS .60 OF AN INCH

With .60 of an inch of rain last night and 12 Monday, the total precipitation for the month of May to date amounts to 2.05 inches, so states Attorney Jack R. Allen, custodian of the United States weather bureau in Perryton.

Reports from nearby points are as follows: Booker, .50; Spearman, 1.20; Dalhart, 2.50; Buller Store, .54; Beaver county, heavy rain north of Gray.

This moisture will be of much benefit to many wheat fields and is putting an excellent season in the ground for feed and cover crops.

National Legion Commander

We present a biographical sketch of Harry W. Colmery, National Commander of the American Legion, who will speak to the public in Perryton Saturday, May 29, 8:00 p. m. in the high school auditorium.

A natural ability for leadership, boundless energy and a keen mind are the three qualities which have carried Harry W. Colmery to exceptional success in every field of activity that has captured his interest.

TEXAS LEGION ADJUTANT

Fred E. Young, Adjutant, Department of Texas, The American Legion, will appear on the program of the Panhandle Plains Association of American Legion Posts and Auxiliary Units convention to be held in Perryton on Saturday, May 29. Adjutant Young, before accepting the important post as State Adjutant, was a successful attorney in Amarillo. His parents reside at Pampa.

POSTOFFICE TO OBSERVE MEMORIAL DAY MONDAY

It has been announced by Postmaster Mansel R. Coffee that the postoffice will observe Memorial Day, on Monday, May 31. The office will be open for business until noon but will be closed during the afternoon. The Star route will be delivered during the day but the rural routes will not be carried. The city mail will be delivered only in the morning.

Mr. and Mrs. Charles Whippo, Amarillo, are visiting this week in the C. E. Whippo home.

Mrs. Ira Ferguson and Jerry were Amarillo visitors Tuesday.

SATURDAY WILL BE POPPY DAY

MAYOR C. E. FORBES DESIGNATES SATURDAY POPPY DAY IN OFFICIAL PROCLAMATION

Saturday, May 29, was designated as Poppy Day in Perryton by a proclamation issued today by Mayor C. E. Forbes. In the proclamation, Mayor Forbes called upon all citizens to observe the day by wearing memorial poppies in honor of the World War dead. The proclamation stated:

"This community responded with highest patriotism to our nation's call for defenders in 1917 and 1918, sending many of its young men into the fighting forces. Of these men, a number sacrificed their lives in the nation's service, dying with more than 100,000 other Americans to bring victorious peace.

"It is fitting that the service and sacrifice of these gallant young men should be commemorated annually by appropriate public observance. As the poppy, which grew on the battlefields where so many of them fell, has become their memorial flower, there could be no more appropriate observance than a general wearing of the poppy in their honor.

"Therefore, I do hereby proclaim Saturday, May 29, as Poppy Day in the City of Perryton, and urge all citizens to show remembrance of the honor for the men of the city and of the nation who gave their lives in World War service by wearing poppies on that day."

Members of the Girl Scouts, under the direction of their leader, Mrs. J. Malvin Jackson, will distribute poppies throughout the city Saturday and receive contributions for the welfare of the living victims of the war, the disabled veterans, the widows and fatherless children. Poppy Day is sponsored by the American Legion Auxiliary. Mrs. J. W. Herrell is chairman of the Auxiliary Poppy sales committee.

PERRYTON POST AND UNIT HOST TO CONVENTION OF PANHANDLE-PLAINS ASSOCIATION OF LEGION

State Commanders of Kansas, Oklahoma and Texas; Auxiliary Presidents of Texas and Oklahoma; Many Other Notables to Attend

SOUTHWEST'S BIGGEST LEGION MEET

Hundreds of Legionnaires and Auxiliaries from the Southwest are expected in Perryton, Saturday, May 29, for the convention of the Panhandle-Plains Association of American Legion Posts and Auxiliary Units. Harry W. Colmery, National Commander of The American Legion, will be the honor guest and featured speaker on the one-day program. The National Commander will speak at the high school auditorium at 8:00 o'clock Saturday evening. This will be a public program and the people of this community are invited to and urged to hear Commander Colmery's address.

TAX RATE OF PERRYTON SCHOOL DISTRICT LESS

Here's some good news for the taxpayers of the Perryton Independent School District. The Board of Trustees of the district has announced that the tax rate for 1937-38 will be 68c on the \$100 valuation. This new rate is two cents lower than at present. This reduction has been made possible by the extremely efficient operation of the schools by the board and faculty advisors. The Perryton school system is being operated on the lowest possible financial budget consistent with maintaining the departments of the school on a sound operating basis.

BALL SEASON OPENS SUNDAY

PERRYTON MEETS BEAVER IN SEASON OPENER ON NEW FLOWERS FIELD ON MEMORIAL DAY

Sam Hergert, business manager of the Perryton baseball team, announces that the fast Beaver, Oklahoma club has been secured to meet the local team for the season opener in Perryton next Sunday afternoon. The game will be called at 3:00 o'clock on the new Flowers Field located at the southeast edge of the city.

A years lease has been taken on the field by the Chamber of Commerce, making it available for use as an airport, baseball field and for the annual celebration. A Polo field has been laid out and a team is now being organized.

As a special inducement to create interest in baseball in Perryton during the 1937 season, Mr. Hergert states that all ladies will be admitted free at the first game of the season. A new backstop has been erected, also netting down the first and third base lines. Car space for the season is being sold behind the protection of the netting.

LEGION DANCE SATURDAY NITE

CARLTON SCALES' TEN PIECE BAND TO PLAY FOR PUBLIC LEGION DANCE SATURDAY NIGHT

The general public is invited to attend the American Legion dance to be held at Donley Hall, Saturday night, May 29, as a part of the entertainment for the visitors to the Panhandle-Plains American Legion convention.

A. R. Hoghland, chairman of the Legion dance committee, announces that he has succeeded in engaging Carlton Scales' ten-piece dance orchestra to provide the music for this extra special dance. Scales' orchestra has just completed an engagement at "The Nat", Amarillo's most popular dance spot.

Dancing will start at 9:30 o'clock in the evening. Admission will be \$1.00 with no charge for ladies. The committee in charge state that best of order will be maintained and that every effort is being made to give the dancers of this vicinity the best dance of the year.

Miss Kathryn LaMaster, who has been teaching in the Spearman school, returned home Saturday.

Great Plains Highway Convention Canadian June 7-8

J. V. Romigh, North Platte, Nebraska president of the Great Plains Highway Association, has issued a call for the annual convention to be held at Canadian on Monday-Tuesday, June 7-8. R. T. Shindler of this city is vice president of the highway body. The Great Plains runs from Canada to Mexico and follows the route of Federal 83 through Texas, Oklahoma and Kansas, going over 183 through Nebraska and thence back to 83 through the Dakotas. W. B. LaMaster, chairman of the

Perryton Chamber of Commerce highway committee and the Texas vice-president of the highway association, urges a large attendance from Perryton at the Canadian convention.

According to the Canadian Record, the convention will open with a picnic dinner at Anvil Park Lake and 7:00 p. m., Monday, June 7. The dinner will be followed with a dance at the city auditorium. The business sessions of the convention will open Tuesday morning at 9:00 o'clock.

When Killer Meets Killer

Edward G. "Little Caesar" Robinson (left) and Humphrey "Killer Mantee" Bogart, rock the underworld with their long-standing feud in the most dynamic screen melodrama of 1937. It's "Kid Galahad," the Warner Bros. adaptation of Francis Wallace's Saturday Evening Post story, at the Ellis Theatre, Sunday and Monday, May 30 and 31.

FIGHT PICTURE COMING SUNDAY

"KID GALAHAD," A DRAMA OF THE FIGHT RING AT THE ELLIS THEATRE SUN. AND MON. MAY 30-31

With three of the strongest personalities of the modern screen—Bette Davis, Edward G. Robinson, and Humphrey Bogart—heading the cast, "Kid Galahad," a Warner Bros. drama of the fight ring, shows Sunday and Monday at the Ellis Theatre.

Made from a best-selling novel by Frances Wallace, which also ran in serial form in a national magazine, "Kid Galahad" has a very potent story, woven into a background of the sporting world.

Robinson plays a fight promoter who has one contender for the championship, "Fluff," his girl friend, played by the very capable Miss Davis, aids and abets him in his work. Bogart is a rival promoter, and a killer.

The title role is filled by Wayne Morris, a promising young man who packs a terrific wallop in his fight scenes as well as his love scenes with Jane Bryan, another screen newcomer who seems to be going places fast.

The story of the two rival fight-managers and their attempts to double-cross each other is swift-moving and full of action. The fight between "Kid Galahad" and Bogart's man, Chuck McGraw, is one of the most terrific ever screened.

Packed with wallop after wallop and a double "bumping off" for its climax, "Kid Galahad" is a picture you won't want to miss.

MRS. SPENCER WHIPPO HONORED AT TEXAS TECH

Lubbock, Texas, May 25.—Mrs. Carol Whippo, daughter of J. B. Cartwright Perryton was recognized at the annual Texas Technological college Women's Recognition service recently for maintaining a 5-point average. A minus to A grades.

Mrs. George Schollenberger and daughter, Phyllis K. of Spearman were guests in the Joe Schollenberger home for the week-end.

Lyndon Balzer left Sunday for Pritch where he has work.

Mrs. Jack Todd went to Abilene Monday to spend a week with her parents, Mr. and Mrs. A. B. Britton, Abilene.

Three Hearts in Swingtime

Oh, say, can they sing—and swing! Patricia Ellis (left), James Melton, and Winifred Shaw head the crooning cast of "Melody For Two," a musical battle that will rock the world—with laughter. It comes to the Ellis Theatre on Thursday and Friday, June 3 and 4.

Musical Show Coming

James Melton, Radio Star Featured in "Melody for Two" Shows at Ellis Theatre June 3-4

Tin Pan Alley, night clubs and radio stations figure prominently in the background of "Melody For Two," new Warner Bros. musical production with James Melton, famed air-singer and Patricia Ellis playing the principal roles, which shows Thursday and Friday, June 3rd and 4th at the Ellis Theatre.

The story, much stronger than most musicals, concerns the love affair between a singing orchestra leader and his young woman soloist, their separation through a misunderstanding which all but ruins the man, his comeback by adapting the seductive swing rhythm to the ballroom, and a spirited competition staged between his orchestra of gorgeous blondes and the girl friend's band of young men musicians over the radio.

Melton, of course, has the leadership role. Miss Ellis is his girl friend who later becomes his greatest professional rival, and Miss Shaw is a torch singer who takes over Melton's affections after he and Miss Ellis go their different ways.

Pred Keating also is a member of the cast, enacting the role of a comedy manager. Marie Wilson is a

bull fiddle player, and Charles Foy is a hoofing press agent. Craig Reynolds plays the part of a gossip columnist.

Horse Races at Pampa

Spring Race Meet Will Be Held at Pampa for the First Time June 5-19

Through efforts of Dr. M. C. Overton, Jr., Dr. R. H. Bellamy and John Roby, the Pampa Downs Jockey club was formed recently and the Fairground park was secured for a spring race meet. Steve Brodie, veteran race man, is to be the meet secretary.

Many of the best horses racing on Texas tracks will come to Pampa. Stable room will be available for 200 horses but it is expected that more room will be necessary for housing the contestants.

A grandstand with a seating capacity of 4,500 will be ready for the big meet. General admission tickets will be forty cents. Box seats will be available.

Seven races will be run on most days with an added attraction at specified times.

Mrs. Raymond Bennett and daughter, Jean Rae, are spending this week in the J. W. Bennett home. They plan on joining Mr. Bennett, who is working in Oklahoma City, next week.

LETTERS from OUR READERS

The Herald will print communications that are acceptable to it. They must be free of libel and personal abuse. Short ones will be given preference. Author's names must be signed to manuscript and their addresses must be given. Only original communications addressed to The Herald will be printed; open letters or letters otherwise addressed to various persons in public life are not acceptable.

Herald Editor:

All great leaders and inventors have been laughed at, ridiculed and called crazy. A few of the major achievements which were accepted in such a spirit were: Noah and his ark; when Moses was sent to lead the people out of Egypt; when Columbus discovered America; Fulton's invention of the steamboat; telegraphy and the telephone. All of these things were thought to be impossible until certain pioneers proved their worth.

So when Dr. Francis E. Townsend revealed his plan he was laughed at and called crazy. In spite of all this Dr. Townsend knew what he was doing and he knew what the plan would do for the people. He had the welfare of the people at heart and was sincere in his devotion to attaining happiness and prosperity for them. Dr. Townsend is still fighting for the people.

God said, "Honor thy father and thy mother." Can we show them any greater honor than by adopting the Townsend Plan? I think not.

Those who are against it are like Cain of old when he was asked, "Where is thy brother?" They want to know if they are their brother's keeper.

Has there been anything offered since America has been discovered that is more to the point than the Townsend Plan? It is the most unselfish, the most christian and the most human plan that has been offered any nation for stabilizing a government and making it a prosperous and happy nation. Its object is to make the citizens happy and united, drive selfishness from their hearts and give them higher ideals. It is to give them nobler thoughts so that they may do more good for their fellowmen as they journey through life. When they are called to go they can look back on a well spent life which shows that it was not spent for self alone, but for the good of their fellowmen. So let us strive to put the Townsend Plan over and thus fulfill the law of Christ.

CCC Enrollment Soon

W. G. Caldwell States That The Local Welfare Office Will Accept Applications Now

A probable CCC enrollment will be made in July, according to W. G. Caldwell, in charge of the local Welfare Office. Applications for the enrollment will be received at the Donley building at any time.

The only information that is available, at present, is that the age limits are likely to be restricted to the ages of 17 to 23 inclusive. However, lists will be kept of eligibles wishing to make application between the ages of 24 and 28 inclusive, for reference, if the age change is not made.

Washington is requesting an estimate of available enrollees from needy non-relief families. The only definition of "needy non-relief" is that this classification would apply to unemployed young men from families which are considered to be below a proper adequate standard of living without reference to whether they may be applicants for relief and welfare assistance or not. It is improbable any change will be made of any other requirement of eligibility such as physical qualifications, allotment, etc.

Conclude Tournament

Golf Balls Are Awarded to the Winners in the Spring Golf Contest Held Here

The tournament which was scheduled to close May 9 was ended May 16 due to teams in the finals inability to play May 9.

O. A. Bush and W. F. Haggard defeated Lester Baumann and A. R. Hawkins in the finals for first prize of three three golf balls each. Haggard and Bush defeated Redfern and Lynch in the semi-finals later defeating Baumann and Hawkins in the finals.

In the teams competing for the consolation prize M. M. Cudd and Nig Garrison defeated Bill Cayler and Virby Conley in the semi-finals. Garrison and Cudd were defeated in the finals by J. N. Conley and J. H. Neufeld who had drawn bye. Conley and Neufeld were awarded the consolation prize.

Bill Patterson, who is attending business college in Amarillo, is spending this week in Perryton looking after business interests and visiting.

Dick Nies, Pampa, spent the week-end in the A. C. Nies home.

Dinner guests Monday evening with Mr. and Mrs. A. H. Nichols were Mr. and Mrs. Max Boyer, Mr. and Mrs. Cecil Dodd and Mrs. Vance Apple.

Prevent Snake Bite

Human Care Should be Used to Prevent Snake Bites During the Coming Season

San Antonio, Texas—Dr. Geo. W. Cox, Health Officer, urges every one to be careful when in the country to prevent snake bite. In Texas the chief offender is the rattlesnake, and, contrary to common belief, it does not always rattle before striking.

About seventy-five per cent of all snake bites occur on the lower extremities and can be prevented, to a large extent, by wearing high top boots or leggings. About twenty per cent of the bites on the hands and arms. Care should be exercised in not putting hands in invisible places when digging rocks, and to look before stepping up anything that may be covered by vegetation, brush or dirt.

If one is bitten, prompt action is primary and a physician should be called as soon as possible. No one should be lost in removing the bite by suction; this can be done by mouth, or suction cup. First aid should be applied above the wound, so as to increase circulation and assist in washing out the poison. A cross cut incision with a sharp, clean knife or razor blade should be made over each fang mark, or preferably to connect the fang punctures. These cuts should be at least a quarter of an inch deep and at least that long. The wound should be applied for at least half an hour. The tourniquet should be released every ten or fifteen minutes for a minute at a time.

If bitten by a snake—do not run or get overheated; do not take alcoholic stimulants; do not use potassium permanganate (which is now known to be of no value as an antidote) to cauterize the wound; and do not depend on home remedies.

Mrs. Lloyd South, a former resident, came in Wednesday May 19 from Los Angeles, California for a visit with her relatives and many friends. She expects to return in about a month.

H. J. R. No. 26-A
HOUSE JOINT RESOLUTION
proposing an amendment to Article III of the Constitution of the State of Texas by adopting a new Section to be known as Section 51d, which shall provide that the Legislature shall have the power to provide, under such limitations and restrictions as may be deemed by the Legislature expedient for assistance to destitute children and for the payment of same not to exceed Eight Dollars (\$8) for one child or Twelve Dollars (\$12) for the children of any one family per month; further providing that the Legislature may impose such restrictions and regulations as to it may seem expedient; providing that the amount to be expended out of State funds in any one year for such assistance shall never exceed the sum of One Million, Five Hundred Thousand Dollars (\$1,500,000); and providing that the Legislature shall have the authority to accept from the Government of the United States financial aid for assistance to destitute children; providing for an election on the question of adoption or rejection of such amendment and making an appropriate

proclamation therefor; providing for the proclamation and publication thereof; and prescribing the form of ballot.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a Section to be known as Section 51d, which shall read as follows:

"Section 51d. Subject to the limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may be provided by law, the Legislature shall have the power to provide for assistance to destitute children under the age of fourteen (14) years; such assistance shall not exceed Eight Dollars (\$8) per month for one child nor more than Twelve Dollars (\$12) per month for such children of any one family; provided that the amount to be expended for such assistance out of State funds shall never exceed the sum of One Million, Five Hundred Thousand Dollars (\$1,500,000) per year. The Legislature may impose residential restrictions and such other restrictions, limitations, and regulations as to it may seem expedient.

"The Legislature shall have the authority to accept from the Government of the United States such financial assistance to destitute children as that Government may offer not inconsistent with the restrictions herein above provided."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Monday in August, 1937, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to the State Constitution providing for assistance to destitute children under the age of fourteen (14) years not to exceed Eight Dollars (\$8) per month for one child nor more than Twelve Dollars (\$12) per month for such children of any one family, and providing for acceptance from the Government of the United States of America financial assistance for such payment."

"Those voters opposing said proposed Amendment shall write or have printed on their ballots the words:

"AGAINST the Amendment to the State Constitution providing for assistance to destitute children under the age of fourteen (14) years not to exceed Eight Dollars (\$8) per month for one child nor more than Twelve Dollars (\$12) per month for such children of any one family, and providing for acceptance from the Government of the United States of America financial assistance for such payment."

If it appears from the returns of said election that a majority of the votes cast are in favor of said

Radiantly happy, Mrs. Wallis Warfield posed for this striking picture with the Duke of Windsor as the two chatted in the beautiful gardens of the Chateau de Candé, near Tours, France, on the eve of their wedding. Obviously happy to be free of the burdens of a king, Edward still held the romantic attention of the world as the date for his marriage approached. The colorful coronation of his brother, George VI, lessened only temporarily the interest in the famous pair of lovers.

Amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

Sec. 4. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State, not otherwise appropriated, to pay the expenses of such publication and election.

The above is a true and correct copy.

A JOINT RESOLUTION

proposing an amendment to Section 16, Article XVI, of the Constitution of Texas; providing that the Legislature shall authorize the incorporation of banking bodies and provide for the supervision and regulation of same; providing for all of the capital stock to be subscribed and paid for before charter issued; restricting foreign corporations from

doing banking business; restricting corporate business to one place.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 16, Article XVI, of the Constitution of Texas, be amended so as to hereafter read as follows:

"Section 16. The Legislature shall by general laws, authorize the incorporation of corporate bodies with banking and discounting privileges, and shall provide for a system of State supervision, regulation and control of such bodies which will adequately protect and secure the depositors and creditors thereof.

"No such corporate body shall be chartered until all of the authorized capital stock has been subscribed and paid for in full in cash. Such body corporate shall not be authorized to engage in business at more than one place which shall be designated in its charter.

"No foreign corporation, other than the national banks of the United States, shall be permitted to exercise banking or discounting privileges in this State."

Senate's Farm Bill Would Penalize Non-Co-operating Producers

BY SPECIAL CORRESPONDENT

WASHINGTON.—The Senate Agriculture Committee is considering a bill which farm leader authors propose shall be the Agricultural Adjustment Act of 1937. The measure was developed out of the conference Secretary Wallace held here with heads of farm organizations last February. The bill embodies many of the principles, such as that of an ever-normal granary, for which Wallace has long been fighting. But there are some points in the bill on which administrationists and the farm groups do not agree.

One feature of the proposed law would make it possible to increase or decrease the import duty on wheat, corn, tobacco, or rice when the farm price varies by 10 per cent from the parity price. Objections already have been raised on this point as destructive of the administration's reciprocal agreements for trade in agricultural commodities.

The measure is designed to maintain normal supply levels for cotton, wheat, corn, rice and tobacco. The Secretary of Agriculture would be authorized to enter into adjustment contracts with individual farmers who would co-operate to insure that their income might be stabilized. The theory is that the co-operator, or contracting farmer, would get a parity price for the normal yield of his acreage. The parity price would be the controlled market price, plus earned parity payments.

The farmer under contract would be required to divert acreage planted to any of the above commodities mentioned, or keep his produce off the market, if the total supply should be much greater than normal. The bill drafters emphasize

that the signing of crop curtailment contracts is voluntary. But the bill would impose a penalty on those farmers who didn't sign up to keep within their quotas. The Secretary of Agriculture might at his discretion levy a 66 2/3 per cent tax on the sale price an unco-operative farmer received for his crops.

If this law were enacted and came before the Supreme Court it is questionable that this so-called voluntary regulation would be declared constitutional. Supporting the majority decision of the court which invalidated the AAA, there is a pertinent opinion. "The farmer may of course refuse to comply, but the price of such refusal is a loss of benefits. . . . The power to confer or withhold benefits is the power to coerce or destroy."

SPONSORS of the proposed farm plan have been careful to say that "It is not based on any philosophy of scarcity" in an attempt to avoid for it the criticism directed against the original AAA. It is recommended instead as a plan for controlled abundance.

A Surplus Reserve Corp. would operate as an ever normal granary lever by making loans on wheat and corn. The loans would be secured by deposits of the commodity which the farmer had been required to make out of surpluses.

Secretary of Agriculture has insisted in his conferences with farm organization heads that without "positive and universal" production control, they might make the mistake in their farm planning of encouraging unlimited production at a guaranteed price, a mistake which has already been costly to the government, as in the case of the Federal Farm Board.

H. J. R. No. 23 HOUSE JOINT RESOLUTION

proposing an Amendment to the Constitution of the State of Texas to be known as Section 20 of Article VIII providing that no property of any kind shall be assessed for ad valorem taxes at a greater value than its fair cash market value; and giving the Legislature power to provide that the State and all governmental or political subdivisions or taxing districts may allow a discount for payment of ad valorem taxes before the date when they would otherwise become delinquent; and providing that this Amendment shall become effective January 1, 1939; providing for an election on the question of adoption or rejection of this Amendment; providing for the proclamation and publication thereof; and making an appropriation therefor; and prescribing the form of ballot.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section to Article VIII to be known as Section 20 and to read as follows: "Section 20. No property of any kind in this State shall ever be assessed for ad valorem taxes at a greater value than its fair cash market value nor shall any Board of Equalization of any governmental or political subdivision or taxing district within this State fix the value of any property for tax purposes at more than its fair cash market value; provided that in order to encourage the prompt payment of taxes, the Legislature shall have the power

order to encourage the prompt payment of ad valorem taxes, the Legislature shall have the power to permit a discount for the payment of same before they become delinquent."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

Sec. 4. The sum of Eight Thousand Dollars (\$8,000.00), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State, not otherwise appropriated, to pay the expenses of such publication and election.

FUN with FACTS

THE FUN

1. In a room darkened so that you can barely distinguish articles, stand over or near an unlit light. Pick out some picture or object across the room. Turn on the light for 8 or 10 seconds, then turn it off. Try to distinguish the object on which your eyes were focused.

THE FACTS

1. Notice that there is quite an appreciable interval before the object becomes visible again. This nearly duplicates driving conditions at night with headlights of an approaching car. During the several seconds which may elapse before maximum vision returns, your car may travel more than 100 feet. (40 M.P.H. = 60 feet per sec.)

2. Without the unobstructed vision of both eyes, it is difficult to judge distances accurately.

Weekly Band Practice

Junior and Senior Band Practice Is To Be Held in the School House During Summer

According to W. I. Byron the junior band will hold weekly meetings on Tuesday evenings at 7:30 during the summer.

The senior band will practice on Thursday evenings at 7:30 o'clock each week. It is not necessary to belong to either of these organizations in order to practice with them.

The director W. I. Byron is very anxious that all be present on Thursday night of this week as the final plans will be made for the Memorial Day program which is to be held Sunday, May 30, and the American Legion Convention which is to be held on Saturday, May 29.

If all the available material turns out for practice it will be possible for Perryton to have a first class band this summer.

BOY SCOUTS WILL MEET ON FRIDAYS AT SCHOOL

W. I. Byron, Neighborhood Commissioner for the Boy Scouts of America, announces that all troops of the local Scout organization are to hold weekly meetings on Friday nights at eight o'clock. You do not have to be a scout to attend these meetings. If you are interested in this work you are cordially invited to come to the meetings.

OMITTED FROM AWARD LIST

The name of Miss Evelyn Taylor was left out of the list of pupils receiving awards in the Perryton Independent school district as given in our paper last week. Miss Taylor was a member of the tenth grade of the Perryton school and received a certificate for Perfect Attendance.

FARMERS ARE ASKED TO RETURN THEIR LEVELS

Many are now running lines and furrowing their farm and a heavy demand is being made on the farm levels of the County Agent's office. County Agent Stovall requests that everyone with a level please return it at their earliest convenience in order that they may get as many lines run as possible.

The greater part of the 15 per cent land reduction will be qualified by clean cultivation on the contour this year.

SCHOOL MEDALS ARE PRESENTED

SPECIAL MEDALS AND AWARDS TO PUPILS AT CLOSING EXERCISES OF PERRYTON SCHOOLS

In addition to the certificates that were awarded to pupils of the Perryton Independent School District for the 1936-37 school term, there were special awards made during the closing nights of school as follows:

The H. W. Lusher, Jr., Scholarship medal is given annually to the boy or girl in the high school grades (8, 9, 10, or 11) who makes the highest scholastic average for the year in the solid subjects. At least three subjects must be carried by a student in order to be eligible for this medal. This award was made to Clinton Hearn of the eighth grade. His average was 94.95.

The Jack Allen Public Speaking medal is given to the boy or girl who enrolls for the full year of work in Public Speaking and who shows the most improvement in public speaking during the year. This award was made to Clyde R. Jones of the Senior class.

The Roy Beever Trophy is given to the most outstanding athlete in school the year the award is made. This award was made to Ray McWilliams of the Junior class.

Music Pins are awarded by the school to those of the Senior class who have spent their full senior year in either the senior band or orchestra. These awards were made to the following seniors: Virginia Correll, Chester George, Lee Kent, Ruth Stump, Helen Tallman and Mary Lee Wilson.

Citizenship Cups are given by the American Legion Auxiliary each year. One goes to the outstanding citizen in the Junior High School and the other to the outstanding citizen of the Senior High School. The Junior High School cup was awarded to Herbert Shindler of the seventh grade and the Senior High School cup to Imogene Howlett of the Senior class.

Honor students for 1936-37 among the last four years of school are:

Eighth Grade: Girl: Anita Jackson, 93.25; Boy: Clinton Hearn, 94.95.

Ninth Grade: Boy: Volney Skinner, 91.10; Girl: Helen Doerrle, 88.6.

Tenth Grade: Girl: Jean Lynch, 92.22; Boy: Athel Pearson, 89.12.

Eleventh Grade: Girl: Virginia Correll, 91.9; Boy: Harold Hudson, 89.12.

The Senior class honor students will receive scholarships to several colleges and universities. These scholarships are good for one year after graduation.

Boyers' Visit Home

Texas Representative Visits Home in Perryton During Recess of State Legislature

Representative and Mrs. Max W. Boyer came in Sunday for a few days visit with home folks during the recess of the state legislature.

The regular session closed Saturday night, but Governor Allred immediately issued a call for a special session to act upon the repeal of the state horse racing laws. The special session will open today at noon. Mr. and Mrs. Boyer left Wednesday for Austin.

NEWS of the WEEK

UNEMPLOYMENT TAX APPROVED

Washington, D. C.—The U. S. Supreme Court approved of that section of the Social Security Act levying a tax for the support of the unemployed.

LINDBERGH ANNIVERSARY

Seven Oaks, England—Disconnecting his telephone, Charles A. Lindbergh played in the garden of his Kent estate while the tenth anniversary of his trans-Atlantic flight was celebrated by a San Francisco-to-Paris broadcast, numerous public dinners and much oratory and the dedication of a shaft at Roosevelt Field, Long Island, scene of his historic take-off.

QUINTS REACH 3 YEARS

Callander, Canada—The Dionne quintuplets are three years old this week, and according to the last report of their legal guardian in the five wards of King George VI earned up to last January \$861.148 from 24 contracts covering photographs and endorsements of drugs, toys, foods and clothes.

CHAMPIONSHIP MIXUP

New York City—When Max Schmeling appears at the Madison Square Garden Bowl on June 3rd, he will probably find no opponent to battle for the world's heavyweight championship. Denied an injunction in the long legal fight to stop the Braddock-Louis contest in Chicago on June 22, the Garden officials have appealed, but the Chicago promoters announce the sale of \$250,000 worth of tickets. In the meantime, Schmeling continued to train and will report at the Bowl, fight or no fight.

WINDSOR'S WEDDING PLANS

Monts, France—Formal announcement of the wedding of the Duke of Windsor to Mrs. Wallis Warfield on June 3rd has been issued from the Chateau de Candé. There will be only a few guests and no member of the royal family present. When Cornelius Vanderbilt, Jr., dashed up to the chateau in a "coronation trailer", he was told to anchor his caravan down the road at least two miles from the gates.

HUSBAND'S SAFE HARBOR

Cleveland, O.—A charter has been granted to the Doghouse Club, Inc., with the express purpose "to establish and maintain clubrooms to seek refuge away from home."

SUBSTITUTE FOR N-R-A

Washington, D. C.—Congressional opinion seems to indicate that when a substitute bill is passed for the outlawed NRA, one provision will provide 40 cents per hour as a minimum wage for a working week ranging from 35 to 40 hours.

PRESIDENTIAL HOAX

Washington, D. C.—White House correspondents were amazed when their editors wired for "flashes" on the President's "critical illness". Many of them telegraphed back home to watch the newsreels showing Mr. Roosevelt in excellent health. A warmed over Wall Street rumor is credited with the hoax.

UNIONS IN POLITICAL FIGHT

Harrisburg, Pa.—Long a scene of labor strife, this state promises an unusually hot gubernatorial battle in which Labor is taking active part. With the Committee for Industrial Organization backing Lt. Gov. Tom Kennedy and the American Federation of Labor supporting Mayor S. Davis Wilson of Philadelphia.

SOVIET'S BASE AT POLE

Moscow, U. S. S. R.—Using for the first time the airplane base established by Russian explorers at the North Pole, the American-trained flyer Levaneffsky will try a dash directly across the Pole with San Francisco as his objective. He will, if successful, literally fly "over the top of the earth."

THE WEEK IN BUSINESS

In the new Directory of Directors are listed 30,000 executives of 13,000 corporations capitalized at \$50,000 or more. . . . Announcing that a labor contract made in 1934 with the International Association of Oil Field, Gas Well and Refinery Workers had been extended to 1938, D. T. Pierce, director of the Consolidated Oil Corporation, invited Harvey Freming, president of the union, to address the stockholders on the "ideal relations between Consolidated and its workers". . . . Internal Revenue Bureau reported 4,666,504 individual income-tax returns for 1936, highest total since 1925, with estimated collections of \$654,116,000.

OLD BONUS SOUGHT

Pittsburg, Pa.—Back in 1914 Henry Ford advertised that if his sales went over 300,000 cars, each purchaser would receive a \$50 bonus check. Thomas K. Litch, local player, bought a Ford, and when the year's sales reached 313,000 received a check which he seemed to

forget about. In 1923 the once-wealthy Litch needed money and resurrected the 9-year-old check, which the Company refused to honor or because it doubted its genuineness. When a magistrate finally ordered the local Ford branch to honor it, after 23 years, the branch appealed the unexpected item of expense.

PRECEDENCE IN PHILIPPINES

Manila, P. I.—When Paul V. Nutt, High Commissioner to the Philippine Islands, ordered foreign consuls to route their communications to the government through his office, Philippine officialdom expressed surprise and began to doubt their independence. When he followed this with a command that at consular dinners he was to be toasted after President Roosevelt and before Philippine President Manuel Quezon, officialdom frankly discussed the advisability of boycotting parties which the U. S. High Commissioner was expected to attend.

DALHART YOUNG DEMOS TO MEET

YOUNG DEMOCRATS TO HOLD THEIR DISTRICT MEET ON THURSDAY AND FRIDAY AT DALHART

The West Texas Young Democrats are holding a district convention in Dalhart, May 28-29 to discuss important regional, state and national issues.

The convention will begin on Friday evening with the staging of a Dutch lunch and caucus at the Dalhart Country Club. Most of Saturday will be devoted to the business sessions of the convention. Bill Autry will be chairman for the Saturday morning breakfast after which a chairman will be named and there will begin a discussion of the issues to be probed into during the convention.

Several important political figures have accepted invitations to attend, among whom are Gerald Mann, former secretary of state, Austin; District Attorney Lewis M. Goodrich of Shamrock; Earle B. Mayfair, Jr., national committeeman for the Young Democratic clubs of Texas; Tyler; Jim Guleke, Amarillo attorney, will speak on the New Deal and Judge E. Hoover of Canadian may be able to be there. Amarillo, Pampa and Lubbock Young Democrats have notified General Convention Chairman G. L. Stanley that they are sending

large delegations to Dalhart on this occasion. It is expected that the convention will be well attended. The Young Democrat club will hold a dance at Dalhart Country Club.

Methodist W. M. U.

The Methodist Missionary society met Thursday afternoon in the church parlors with Mrs. C. P. Jones, Mrs. Carroll Dodd, Mrs. Cecil Dodd and Mrs. J. M. Willey as hostesses.

The meeting opened with a song and the devotional services.

One of the features of the afternoon's program was a "chalk talk" by Billy Herndon. The title of his subject was "Trees", with Mrs. Vance Apple the vocal accompanist, and Jean Lynch at the piano. Mrs. W. C. Herndon read a paper, entitled "Building the Church Around the World." This was followed with an accordion solo, by Wilma Leicht.

During the afternoon Mrs. W. B. Vaughn and Mrs. C. E. Forbes gave reports on the annual Conference Meeting which was held at Stanford recently. The program was ended with a trumpet solo by Dale Erdman, accompanied at the piano by Miss Ruby Neufeld.

The hostesses served delicious refreshments to twenty-six members and guests.

Mrs. Reberon Honored

Friends gathered Tuesday afternoon in the home of Mrs. Charlie Reberon, 1105 Southwest Fifth street, and enjoyed a pleasant social afternoon. Mrs. Reberon was the recipient of many lovely gifts. Refreshments were served to Mesdames Ervin Gerlach, Buri Bohling, Howard Cassity, W. J. Miller, Frank Vaughn, John Stubbfield, Ursula Vinton, O. C. Lallemand, D. C. Reberon and the honoree.

Dinner Guests

Miss Kathryn LaMaster entertained with a lovely seven o'clock dinner, Sunday evening, in the home of her parents, Mr. and Mrs. W. B. LaMaster southwest of Perryton.

Guests enjoying the genial hospitality of the LaMaster home and partaking of the delicious menu were Miss Ruby England, Greenville; Miss Mary Gantz, Canyon; Miss Gladys Grabeel, Rose Hill, Va.; A. B. Reinertsen, Morse; Hayden Hensley, Spearman; Mr. and Mrs. Giltner LaMaster and Walter LaMaster.

Chi Sigma Phi

Miss Elizabeth Richardson was the charming hostess for pot luck supper and bridge in the home of her sister, Mrs. Cecil Dodd, Thursday evening, when she entertained the Chi Sigma Phi club for regular meeting.

Bridge awards went to Mrs. Dodd, for high score, and Mrs. LaRue Norris second high. Others playing were Mrs. Henry Richardson, Miss Helen Buckland, Mrs. Seldon Caradine, Mrs. Cromwell Rogers, Mrs. A. H. Nichols and Mrs. Giltner LaMaster.

Attend Missionary

The annual Perryton District Women's Missionary Conference was held Wednesday at the Phillips Methodist church, near Borger. Mrs. C. E. Forbes, district chairman, was in charge of the program.

Townsend Club

The ladies of the Townsend club enjoyed their all day meeting in the home of Mrs. M. L. Smith, Tuesday. The day was spent quilting. Mrs. Eads and Mrs. Wilson gave interesting reports of the mass meeting which they attended in Wichita, Kansas, on May 18.

The noon luncheon was enjoyed by Mrs. J. H. Halsey, Mrs. H. C. Dodson, Mrs. O. E. Carter, Mrs. W. T. Eads, Mrs. J. R. McLarty, Mr. and Mrs. H. J. Wilson, Mr. and Mrs. E. O. Bruner, Mrs. Eula Smith and children, Mr. and Mrs. R. V. Converse and son of Spearman and Mr. and Mrs. M. L. Smith.

Barbecues for the Modern Dinner Table

Pungent Sauce Gives Flavor and Zest

THE barbecue, American as baked beans—old time favorite of the South and West—is now enjoying a renewed interest.

Just say the word barbecue and the memory harkens back to traditional outdoor gatherings and the aroma of wood smoke, spiced and roasted meat, senting the air for miles around. Today we have a kitchenette version of the barbecue for the modern dinner table.

Now, in the season of spring broilers, there is a popular substitute for the steer of the ranchers and the shoats of the southerners used on these gala occasions. In the old days a great pit was dug and juicy hunks of meat whetted appetites. The barbecue fire was started the night before in the bottom of the pit with hickory or apple wood, forming a bed of coals. Over the top stretched a grill or meshed wire and the well seasoned meat laid in place. At intervals the cookman-cook swabbed the meat with a mixture of vinegar, melted suet, salt, pepper, onion, garlic and what not. Every barbecue master had his own recipe for sauce and guarded that recipe as jealously as his silver trimmed saddle.

But today the barbecue has come in from the great open spaces and invaded the kitchenette in a simplified version which, nevertheless, has all the old-time flavor and zest. More delicate, perhaps, but the pungent sauce is still the thing that piques the palate.

In championing chicken barbecue Mrs. Helen C. Angell of Columbus, Ohio, crowned queen of all-around cooks at the 1937 National Women's Exposition of Art and Industries. Illustrates that a well mixed sauce adds the necessary flair to a kitchenette barbecue. Broadcasting her prize-winning recipe on the "Herald Magazine of the Air," Mrs. Angell gave the following sauce ingredients:

Mix one cup of tomato ketchup with one-quarter cup each of beef-

steak sauce, cider vinegar and sugar. Add half cup of Worcestershire sauce, one-half cup of water and a dash of pepper sauce, and mix all together.

"To serve six people you'll need three very young chickens, about one and one-half pounds each," said Mrs. Angell. "Cut them in halves or quarters and brown in half a pound of butter and the rest lard or vegetable shortening. But don't roll the chicken in flour."

"Then put browned chicken in a roaster and pour sauce over the top. Add a large chopped onion and three cloves of garlic. Tie onion and garlic in a square of cheese cloth so the garlic won't get away from you. Bake the chicken in a covered roasting pan until tender, which takes about two hours. During the roasting baste the chicken with the barbecue sauce half a dozen times," added Mrs. Angell.

Here's a play by play description of the prize winning dish of the year—barbecue chicken—concocted by Mrs. Helen C. Angell of Columbus, Ohio. The centerpiece is a nosegay of turnips and beets carved like roses and fringed with violet leaves. The chicken is set on oblongs of toast. Mounds of cooked squash have a small depression in the center sprinkled with buttered peas. And flowerlets of cooked cauliflower have been garnished with slices of toasted almonds. Mrs. Angell, who won the 1937 all-around cooking championship at the National Women's Exposition of Arts and Industries, is shown adding dips of barbecue sauce to her famous dish.

Their Coronation Portrait

History is written in this striking portrait, official photograph of their majesties, King George VI and Queen Elizabeth, taken on the eve of their coronation in London. Neither uniform nor gown were for use in the coronation ceremonies proper, however. Only the colorful robes, dictated by the usage of centuries, are used for the crowning.

KANSAN URGES COVER CROPS

PLANTING OF COVER CROPS AIDS WHEAT FARMING BY HALTING BLOWING OF YOUR LAND

Liberal, Kans., May 25—"Forget about growing wheat until soil blowing on your land has been halted with a cover crop," advises John W. Baughman, pioneer resident of southwest Kansas and one of the largest land owners in the state, in letters being widely circulated among his many friends.

Baughman has been interested in the development of the Southern Great Plains area for more than a third of a century, and is considered an authority on soil conservation methods as now being practiced in Region Six of the Soil Conservation Service.

Seeking to encourage better farming practices in the wind erosion area, Baughman warns that it is a mistaken idea to believe that conditions can be improved by allowing the land to lie idle.

"Deep listing and row crops generally hold the soil," Baughman points out in his letter. "Contouring is important and holds the moisture in the field. Plant every cultivated acre to grain sorghums or a cover crop of some kind. Let all of these aids in stopping the drifting of soil."

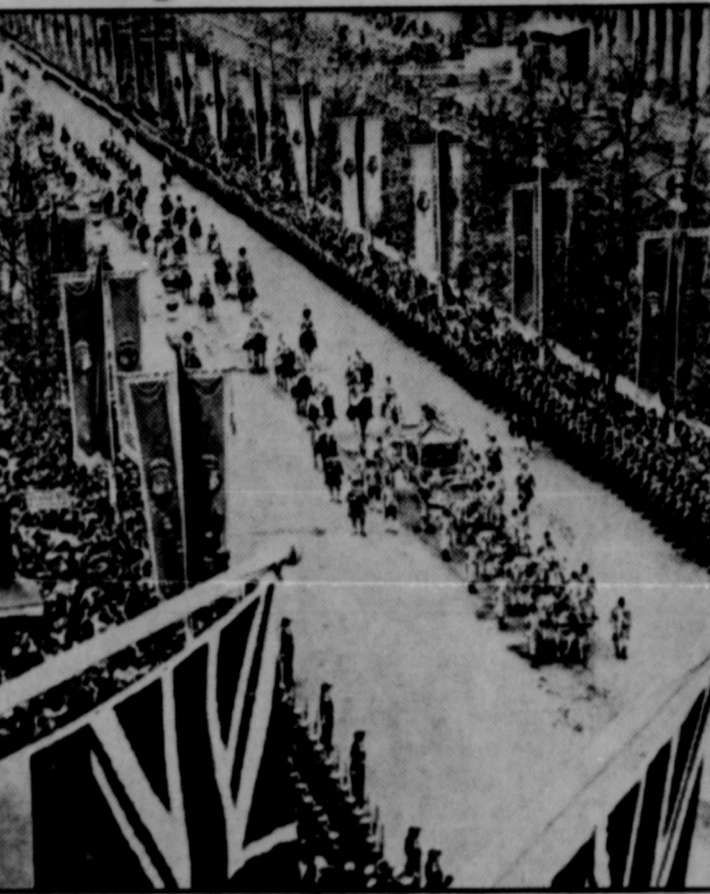

The pioneer land owner requests full cooperation from his friends in the soil conservation program now being carried out to prevent wind erosion in Kansas, Colorado, Oklahoma and New Mexico.

"At this time," Baughman says, "a strenuous effort is being made to bring about listing and the planting of row crops and cover crops in order to stop the soil from blowing. Our experience during the past few years is sufficient to indicate that this is necessary and that, if left to take care of itself, the field grows worse instead of better in respect to farming or holding the soil."

"Some advocate letting the land lie idle in order to keep it from blowing or to go back to grass. This is an idle thought," Baughman says. "After land has been consistently farmed and all grass roots eliminated, it does not go back to grass, and after it has been summer fallowed long enough to eliminate all fiber, it will not stop blowing."

Baughman insists that farmers of the wind erosion region "plant something from which a money crop may be produced, or at least the soil covered."

As King Paraded to His Crowning

Stately procession, most colorful in the history of the British Empire, was this as King George VI and Queen Elizabeth, riding in a golden state coach, advanced down the Mall toward hallowed Westminster Abbey, there to be crowned rulers over one-fourth the population of the earth. Packing the streets may be seen 20 millions who turned out for the coronation parade along the banner-crested streets of London.

lie idle in order to keep it from blowing or to go back to grass. This is an idle thought," Baughman says. "After land has been consistently farmed and all grass roots eliminated, it does not go back to grass, and after it has been summer fallowed long enough to eliminate all fiber, it will not stop blowing."

Baughman insists that farmers of the wind erosion region "plant something from which a money crop may be produced, or at least the soil covered."

Raise something this year for building, and then we can get into the wheat business later with the wind erosion situation in uncontrol."

Mr. and Mrs. Abe McWillis motored to Turpin, Oklahoma, Saturday evening to visit with his daughter, Mrs. Kull Whisenand; family. They report the wheat looking good in that vicinity.

His Honor Goes to Town

An ardent devotee of swing, Mayor John S. Hatton of Opelika reels off a number with the assistance of Texanita Helen Young at the Pan American Exposition opening in Dallas, June 12-October 31. Mayor Hatton made the trip to rehearse Texanitas for the East Texas Fiddlers Reunion, Athens, May 28. The best fiddle band in the contest will be invited to the Exposition.

New Security Account

Graduating Students Should Get Their Social Security Cards As Soon as Possible

Dallas, Texas—High school students who plan to enter industrial and commercial employment for the first time this summer should apply now for social security account cards. E. L. Tutt, field representative of the Social Security Board, states:

"Many boys and girls will be finishing school within the next week or two and will take regular employment. Some not graduating this year will work during the vacation period and others will be employed part time. As monthly retirement benefits, payable at age 65, are determined solely on the basis of wages received in included employment, it is important that these young men and women apply now for account numbers, so that wage records may be set up for them," Tutt explained.

Employers are required to make complete reports to the Bureau of Internal Revenue showing the name and account number of each worker they employ, and the wages paid in each case. For this reason, Tutt declared, many employers are refusing to give jobs to those who do not have account numbers.

Applications for account numbers may be obtained from any postmaster prior to June 30. After that date, they must be obtained from the nearest field office of the Social Security Board.

Coaching School

W. T. S. T. C. To Hold Second Annual Coaching School at Canyon June 6 to 12

The names of Sutherland, Leahy, Bell, Cherry, St. Clair and Scott have been like magic potions in creating interest in West Texas State College's Coaching School at Canyon, June 6-12.

Jock Sutherland, Pitt's famed coach, will head the football staff. Matty Bell will team with Sutherland in explaining and teaching the Warnerized attacks. Blair Cherry, University of Texas will tell of this year's success in high school football. Frank Leahy, Fordham's line coach will instruct in the Notre Dame style of play.

Jimmie St. Clair and Chuck Taylor will have charge of basketball. They will have for material West Texas State's "Tallest team in the world."

Dr. Harry Scott, Rice Institute physical director, will lecture on the plans and ideas which have made him one of the outstanding men in his work.

If only a small per cent of the coaches who have asked for information attend, the school will be one of the largest ever held.

LONG DISTANCE ALARM

San Francisco, Cal.—Mayor Angelo J. Rossi picked up his telephone and was greeted, "this is the Daily Mirror calling from London; tell us about the big fire on your waterfront." Mayor Rossi hastily grabbed another phone and learned for the first time that his fire ladders were fighting a \$200,000 fire on the docks.

New FORD BRAKES

SAFETY OF STEEL

FROM PEDAL TO WHEEL

Easy Action—Always Dependable!

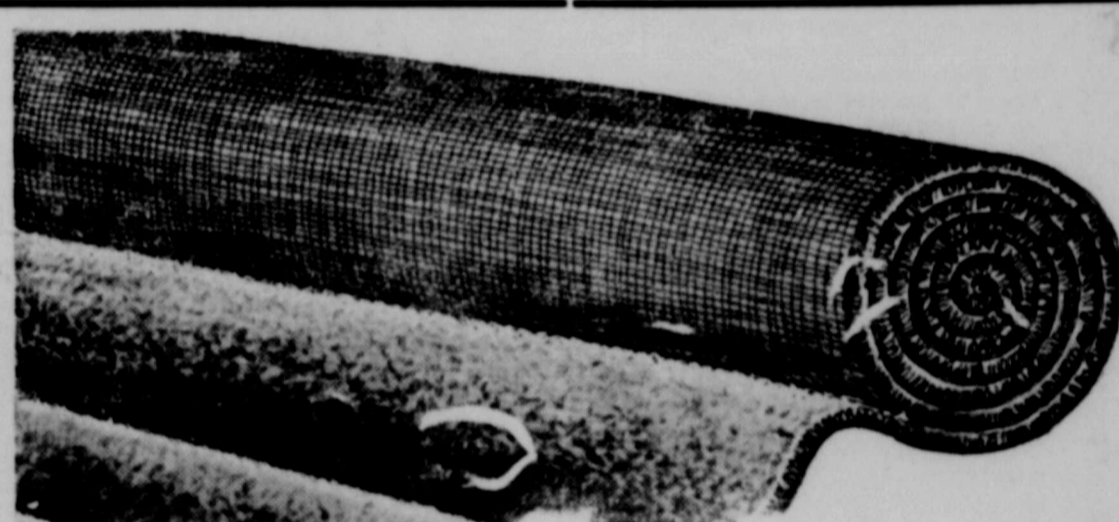

Most of the people who have bought 1937 Ford V-8s from us investigated brakes thoroughly. They appreciated the reliability of the new Ford brakes under all conditions—the "safety of steel from pedal to wheel." But what opened their eyes was the easy action! Less pedal pressure is needed to stop the car. If you haven't tried these new Ford brakes, you have something to learn. Stop in for a trial.

Tell International Fish Story

Fish lore added a brand new story when Ray Fondren, left, and Norman Richardson brought in the six-foot tarpon they're holding above. Fondren, fishing the American side at the International Tarpon rodeo staged at the mouth of the Rio Grande near Brownsville, Tex., and Richardson, on the Mexican side, hooked the fish simultaneously. Richardson's line broke finally and Fondren landed the prize catch.

International Sunday School Lesson FOR THIS WEEK

THE REMAKING OF JACOB

Gen. 28:1-33:20

Among the patriarchs there lived none whose life was more colorful than that of Jacob. His was a strange and checkered career. He began life as a "heel-catcher," but after the midnight wrestling match with an angel he was called Israel which means "soldier of God."

I. Jacob's Dream

Following Jacob's trickery by which he obtained his father's blessing he fled from angered Esau in the direction of Haran where Rachael's kinsmen lived. Some fifty miles from Jacob's home night overtook him. Whilst he slept upon a pillow he dreamed, and in vision saw a ladder reaching from earth to heaven with angels ascending and descending upon it. Arising the next morning he built an altar of the stone which had been his pillow, poured oil upon it and made a vow to his God. He had found that God was in that place though he had known it not. He called the place Bethel and declared the place the house of God, the gate of heaven.

II. Jacob in Haran

A great change had come over Jacob. It would seem that he had become more fervent in spirit and more attentive to his God. However there was still much of the utilitarian in his make-up. He remember he promised to serve God providing He would keep him and bless him. His prayer was almost a "bargaining" one.

But more experiences are in store for Jacob. He journeys on to Haran and falls desperately in love with beautiful Rachael by the well. He agrees to work for Laban some seven years for the beautiful prize. But when the time for the marriage arrived, the gallant Romeo was tricked into taking Rachael's elder sister! So he must work yet seven years more for Rachael. However he did not have to wait till the seven years were expired, but married Rachael a week after he married Leah. We might note here that although God permitted plural marriage in those days, he never really approved of it. The original plan was one wife for one husband.

There is such a law as retribution. We must pay for our follies. When we see Jacob toiling for an additional seven years for his bride, we think of how he tricked his own brother years before.

Laban and Jacob went into a Partnership. Since Jacob was shrewd in his managing ability both prospered. But Jacob prospered more than his father-in-law. Through a certain trick Jacob was able to accumulate more cattle than Laban. This displeased the father-in-law and he turned his face from Jacob. So as time had done much to heal the wounds of Esau the wily twin brother decided to return home. As he neared his own land, he came to the brook Jabbok and the Jordan valley. Sending his servants, family and cattle across he remained alone on the other side of the stream at Peniel. Here in the shades of night he met an angel with whom he wrestled till break of day. Before they parted the angel gave Jacob a new name—ISRAEL. From this time forward it seems that he was faithful to this title. Though much grief was ahead of him in the lives of his sons and their perverse dealings with Joseph, yet the accumulation of years seemed to mellow the venerable old patriarch, and at last life's sun set for him in

New Car Conditioning

Department Originated by Chevrolet Three Years Ago is Important Part in all Plants

A recent automotive development with a tremendous influence on the satisfaction which owners derive from their automobiles is the new car conditioning plant which Chevrolet originated three years ago, and which now is an integral part of the manufacturing procedure at all 10 of the company's final assembly plants.

"Conditioning" is the word that best describes the last operations through which every Chevrolet car and truck must go before it is ready for delivery. It consists primarily of inspection and adjustment. The conditioning plant makes sure that the car is serviced with water, oil, and grease, that the latter are of the type suited to the season and the locality where the car will be driven, and that the carburetor is adjusted and the engine tuned for maximum efficiency in that locality.

"Never Forget A Customer"—the central thought in Chevrolet's slogan—sums up the company policies on which the conditioning system is based. The distinction between conditioning and the processes which have preceded it should be clear at the outset. In the manufacturing plants, the workmen and inspectors are concerned with building the product to the specifications laid down on the designers' boards. It is their responsibility to see that every part is in its proper place and of specified quality.

The duty of the highly-trained conditioning plant personnel is to see that the car is actually ready to operate and is adjusted in every detail for the owner to step in and drive away. The men in the conditioning plant, preparing hundreds of cars every day for delivery, naturally become thorough and expert.

CHURCHES

CHRISTIAN SCIENCE

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, May 30.

The Golden Text is: "I am with thee to save thee and to deliver thee out of the hand of the wicked, and I will redeem thee out of the hand of the terrible" (Jeremiah 15:20, 21).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "O Lord, how great are thy works! and thy thoughts are very deep. . . . When the wicked spring as the grass, and when all the workers of iniquity do flourish; it is that they shall be destroyed for ever" (Psalms 92:5, 7).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Animal magnetism has no scientific foundation, for God governs all that is real, harmonious, and eternal, and His power is neither animal nor human" (page 102).

LUTHERAN CHURCH

H. M. E. Daenzer, Pastor

There will be no service at our local church Sunday afternoon. Members are urged to attend the service at Hooker, Okla., where Rev. F. Worthmann will deliver an inspiring message dealing with the educational program of the Sunday school.

Sunday school teachers are also urged to attend the morning Sunday school sessions according to their respective departments.

In the afternoon the Sunday School Association will convene at the church in Hooker. The Rev. F. Worthmann will lecture extensively on Sunday school work. All teachers are invited.

On the first Sunday in June the service will be held in the German language.

No "Ports of Entry"

Max W. Boyer Leads Fight in Texas Legislature Against "Ports of Entry"

Austin, May 21, 1937.—Representative Max Boyer, Perryton, and other border line representatives led a fight in the House against the passage of a bill for the purpose of establishing "Ports of Entry" at State lines. This proposed legislation was kept from coming up on the floor of the House and will not be a threat for another two years.

According to Representative Boyer, the passage of such a measure "would have been of great damage to the business life of all counties near State lines and would have created a great item of expense upon the State as well as creating unpleasant relations between Texas and other sister States."

DRIVERS FROM OTHER STATES NEED PERMITS

Present plans will require non-resident drivers in Oklahoma to register at the port of entry the same as commercial truck operators when the new drivers' license law goes into effect.

J. M. Gentry, commissioner of public safety, said Wednesday that he will not attempt strictly to interpret the law which says non-resident drivers from states that do not have a drivers' license law may use Oklahoma highways for a period of not more than 30 days in any one calendar year.

Instead, Gentry said, officials will permit non-residents drivers of that classification to use the highways regularly on 30-day renewal permits.—Panhandle Herald.

A daughter was born Sunday, May 23, to Mr. and Mrs. Clifford Beck. The name Lois Elaine, has been selected.

TOP O' TEXAS FIESTA PAMPA

PAMPA PROMISES ONE OF PANHANDLE'S GREATEST SHOWS AT TWO DAY CELEBRATION JUNE 3-4

The Top O' Texas Fiesta to be staged in Pampa at the top of Texas on June 3-4 is one of the greatest shows to ever be staged in the Panhandle.

A mammoth rodeo, a large number of interesting concessions, two score bands, parades, dances and other features will furnish entertainment throughout the two days for young and old.

On the morning of June 3, a mammoth parade will be staged featuring old-timers who settled this country when the Panhandle was sparsely settled. Cowboys, Indians, the Pioneer, the Farmer, the Oil man, all will be graphically featured and this parade alone will be well worth traveling miles to witness.

The entire Panhandle is cordially invited to be guests of Pampa on the first week-end during June and it is assured that those who participate in this gala occasion will be amply repaid in full for time and expense incurred.

NATIONAL COMMANDER-

(Continued from page one)

among the ablest in the State of Kansas, his home.

By birth Mr. Colmery belongs to the East; by adoption he is a true son of the West. He was born at Braddock, Pennsylvania, December 11, 1890, a son of Walter Scott and Flora K. Thomas Colmery. Like the average typical American, success did not come to him on a silver platter; for what he has he worked and studied. He received his preliminary education in the grade and high schools at North Braddock, Pennsylvania. Before entering college, he spent three years in the employ of the Union Railroad Company, at Bessemer, Pennsylvania. Matriculating at Oberlin College, in Ohio, he was graduated with the degree of Bachelor of Arts, in 1913, and immediately thereafter began to study law at the University of Pittsburgh, from which he received his degree in Law in 1916. It is typical of Harry Colmery that during the whole three years he studied at the University of Pittsburgh he also worked as an instructor at the Carnegie Institute of Technology.

Admitted to the bar in Pennsylvania upon graduation, he shortly moved to Utah, was admitted to the bar there and began "the active practice of his profession. When the United States entered the World War a year later, he forsook his career and enlisted for service. He was sent to the Officers' Training Camp at The Presidio, California, and in November, 1917, received a second lieutenant's commission in the Army Air Service. He was transferred to active duty at Kelly Field, Texas, and later was transferred to Jarruthers Field, Fort Worth, Texas, where he was promoted to the rank of first lieutenant with the status of a pursuit pilot. Receiving his honorable discharge on April 24, 1919, he returned to the practice of law at his adopted home, Duchesne, Utah. From May 31, 1919, until May 15, 1929, he was a captain in the Army aviation reserve corps with full flying status.

With the inception of The American Legion in 1919, Mr. Colmery became interested in its organization and has since devoted much of his time, energy and knowledge to its progress. He first turned his attention to the organization of Legion posts in Utah, was acting chairman of the committee on resolutions at the first convention of the Department of Utah, and was a member of the first Utah department executive committee.

In 1920, Mr. Colmery moved to Topeka, Kansas, was admitted to the bar there, began the practice of law, and promptly became active in building up the Department of Kansas of The American Legion. He became a member of Capitol Post No. 1, in Topeka, of which he remains an outstanding leader. In 1926, as chairman of the Post's membership committee, he more than doubled all previous post membership records. His record of interest and success attracted such attention that in 1927 he was appointed Department Judge Advocate, an office he held until 1929. In the meantime, in 1928, Capitol Post had further honored him by electing him its commander. The Department of Kansas summoned him to be its commander during the term 1929.

The story of Mr. Colmery's rise to leadership in the national organization is equally inspiring. He has twice been chairman of the National Legislative Committee, 1930-31 and 1931-32, the first person to serve two years as national legislative chairman. He remained a member of the committee until 1933. In 1929 he was chairman of the International organization committee at the Louisville National Convention. In 1931, 1932 and 1933 he was chair-

man of the National Convention Legislative Committee and in 1934 was chairman of the sub-committee on adjusted compensation. Other national posts held by Mr. Colmery are: Member American Legion Endowment Fund Corporation, 1933-36; board of directors, 1935-36; vice chairman National Defense Committee, 1934-35 and 1935-36; member post executive committee, chairman department legislative, safety, and post membership committees; chairman, and member of many other department and post committees; chairman of the committee presenting the case of a veterans hospital for Kansas. Liaison Committee to Veterans Administration, and chairman of The American Legion Junior Baseball Western Sectional Tournament Committee, 1933-34. He has spent considerable time preparing and presenting hundreds of claims for disabled World War veterans and has advised many others about claims.

Mr. Colmery occupies a high place in the civic life of his home state and community. He is a member of the law firm of Doran, Kline, Colmery and Cosgrove. Other professional and civic affiliations are: Member American Bar Association, Kansas State Bar Association, Topeka Bar Association, Bar Association of the City of New York, and Phi Delta Phi Legal Fraternity; he was president of the Topeka Chamber of Commerce, 1926-27, member of the board of directors of the Topeka Chamber of Commerce for three terms, and is a past member of the board of directors of the Kansas State Chamber of Commerce; he was president of the Topeka Kiwanis Club, 1923-24, and district trustee of the same, 1924-25. In addition, he has served on directorates and important committees of philanthropic and charitable institutions too numerous to list.

A talented and forceful speaker, Mr. Colmery has appeared before audiences throughout the United States, on many occasions speaking in behalf of the ideals and objectives of The American Legion. In school he was a talented athlete, having been a letter man at both Oberlin College and the University of Pittsburgh. His knowledge of athletics has made him an invaluable aid in carrying forward the youth activities program of the Legion.

Mr. Colmery married Miss Minerva Hiserodt in December, 1919. They have three children, Sarah Elizabeth, Harry W. Jr., and Mary Caroline.

If It's An Oliver IT'S O. K.!

Thousands of satisfied owners of Oliver Nichols & Shepard Combines are willing to testify that their machines are "O. K." A dozen years of actual field experience are back of every machine that is being offered today.

The headers are trouble-free and carefully shielded. The threshing and cleaning machinery get more of the grain from the straw and put more of it into the grain tank. There are 10-foot, 12-foot, 16-foot and 20-foot cut machines and if you want big capacity just give any one of them a trial! There are so many reasons why an Oliver Combine is "O.
