Homestead Tax Exempt Petition Is Circulated

Local voters seeking an election to exempt homesteads owned by persons 65 years of age or over from the City of Cross Plains property tax, which was initiated last year, is again seeking signatures to present to the city for another election.

On December 27 of last year local voters turned down such a proposal 43 to 30. Powell contends that the way in which the proposal was stated on the ballot was misleading, thus he asks a second election.

In order for the petition to be considered by the City Council, the document must be signed by at least 20 per cent of the number of qualified voters balloting in the last city election. That vote was in April, the last council election, when 255 votes were polled. Thus the petition will be required to contain a minimum of 51 qualified Cross Plains voters.

Powell has been in contact with Texas election officials, and it was suggested that a petition would be a proper way to seek the election.

Texas law now permits exemption of homesteads of persons 65 or older valued up to \$3,000, from taxation by governing bodies of political subdivisions, either voluntarily or by election.

The Amateur Art Show, sponsored by the Paint and Palette Club, will be held in Cross Plains Saturday and Sunday, Nov. 9 and 10, in the building immediately south of Johnson's Dry Goods.

Categories include: landscapes, seascapes, portraits, still life, western, miniature animals, etchings and open. Entry fee will be \$1.00 per picture.

Judge for the exhibit will be Hanson Ling, drawing instructor at Howard Payne College at Brownwood.

More information may be obtained by calling 725-6246 or 725-6526. A local artist said first of this week, "Everyone is urged to help make this a show Cross Plains can be proud of."

Buff Rally Clips Dublin 20-7

Plains Buffaloes captured victory of the season before home folk, Friday night, defeating the Dublin District 10-A game.

Bird drew first blood, to come from behind in his second 10-A league game against one loss, Dublin, 2-2 in loop combat.

Portion of the first was taken up in effective, not serious brief for both teams. It was the initial stanza when the game began first scoring.

Plains punt gave the Buffs on their own 14. It was Bisons nine plays to the 66 yards. On second the march fullback Jim scampers 48 yards. Play of the series was down 22-yard pass from back Greg Turner to End Lawrence for a first on 9. On second play Randy Hunter sped around right end. Bop's kick was not good. Bop's owned a 6-0 lead 10 left in the second.

Immediately counter the kickoff, Lion Tail like Jurney returned the yards to the Lion 35. Three consecutive plays he up 25 yards before Halfback Burke got 5. Jurney rambled up the mid-field final 35 yards. Randy added the point and led 7-6 with 6:09 remaining in the first half.

Plains then mounted an attack which carried

63 yards in five plays. Halfback Randy Pancake got six yards then Turner got a like number with a 15-yard personal foul tacked on to the Dublin 36. Bates got six yards in two tries setting the stage for Turner's 30-yard scoring jaunt around right end. This time Bop's kick was true for a 13-7 Buffalo advantage.

Dublin again renewed the attack, but Buff defenses stiffened near midfield and forced the Lions to punt. Buff Hunter picked up five yards as the half ended.

An intercepted Buff pass early in the third quarter gave Dublin possession on the Herd's 39. A 14-yard pass from Quarterback Richard Cowan put the ball on the Buff 25. Buff defender Randall Franke intercepted an attempted pass by Jurney, whose arm was hit as he released the ball, three plays later.

From that point, the Herd's 30, Pancake ripped off 27 yards, but four plays later the drive died at the Dublin 34. Dublin was forced to punt, and Cross Plains began its third goalward thrust. It started as Hunter returned the punt about 50 yards, and a major penalty against the Lions moved the ball to the Lion 13. Pancake got 13 yards, sandwiched around a three yard loss by Turner, for a first at the Lion 3. Cross Plains lost 5 yards on a penalty on first play. Hunter got a yard then scampers to just inches short of the goal. Bates rained over for the touchdown.

Again Bop's kicked the point with 11:20 left in the game the score read 20-7, favoring the

Buffaloes.

Bishop got a Lion fumble at the Dublin 41, but Lion Pat Leatherwood got a Buff bobble at the Lion 25. Dublin punted and Cross Plains began a drive. In five plays Buffs moved to the Lion 19. A fumble and penalties shoved the Herd far upfield. Hunter's following punt was killed on the Lion one yard line. On third play Buff Joe Kemp intercepted a Lion pass and Buffs ran out the clock.

Just one donation was received by the Pioneer Cemetery Association during October, to Monday morning, according to Mrs. Ethel Brown, secretary-treasurer.

That one contribution came from Mr. and Mrs. R. C. Brown, and was for \$10. It was for the maintenance fund.

An endowment fund has been raised for care of the burial ground at Pioneer, but additional gifts can be readily utilized and will be appreciated.

Persons wishing to help with maintenance expenses or adding to the endowment fund, may send gifts to Mrs. Brown at Route 1, Box 147, Rising Star, Texas 76471. Donations will be acknowledged in the Review.

Bisons Go To Ranger Friday For 10-A Game

Cross Plains Buffaloes will travel to Ranger Friday night to take on the Bulldogs in a District 10-A contest which will pit the only two teams left with a shot at sharing the league crown with De Leon. Should defending champ De Leon be upset in their last two games, the winner of the Bison-Bulldog contest could win the 10-A title.

Game time is 7:30 p.m.

Cross Plains will be shooting for a first triumph on the road. Despite a 4-2-1 mark, the Herd has not won a game away from Buffalo Stadium this year. Bisons have tied Rising Star and lost to De Leon and Baird in road games.

Ranger brings a 3-1 league mark into Friday's contest, and Cross Plains puts its 2-1 record on the line. Ranger is 4-4 on the season.

Friday's hosts started the season slowly, but have improved greatly in the past few weeks. De Leon defeated both Cross Plains and Ranger, the Bulldogs bowing 27-0 and the Bisons 14-0. Both have defeated Goldthwaite. Cross Plains 39-0 and Ranger 21-20.

Ranger was rated to finish fourth in the league in pre-season polls, two places ahead of the Herd. Another poll last

Seek Students For Adult Classes Here

Cross Plains area persons with less than a high school education may still enroll in Basic Adult Education classes at Cross Plains schools.

Courses are offered in math, science, spelling, history and English each Monday from 6 to 9 p.m. Instructors are Mrs. Clara Nell Spencer and Scot H. Edington.

Edington noted that any student starting now would not be behind, as each pupil works at his own rate.

There is no charge for the classes.

Edington also pointed out that a person may take the General Education Development Test, the equivalent of a high school diploma, at any time he believes he is ready. "The test is not a requirement," he said, "and some of the students come simply to learn."

Postmaster Gives Tips On Yuletide Parcel Mailing

Postmaster Joe E. Hanke, Jr. offers Cross Plains residents the following tips on how to prepare Christmas parcels for mailing.

A single item in a package should be cushioned with shredded paper, excelsior, or compressed tissue paper, cloth, or expanded foam.

If two or more items are mailed in the same carton or box, cushioning material should protect all items from contact with each other, and each item should have its own individual wrapper.

Cardboard containers, including large soap, cereal boxes, etc., larger than the gift being mailed, should be cut down to about the size of the gift to minimize shaking and breaking in transit.

Fragile articles must be individually cushioned, and all should be padded with cushioning material.

Tape used to seal containers should be durable and should cover or firmly secure all flaps.

Paper for the outer wrapping should be at least equal in quality and strength to the kraft stock used for grocery bags. Incidentally, such bags, in good

In the 1972 general election Callahan had 4,654 registered voters.

Governor Dolph Briscoe is facing four opponents in Jim Granberry, Republican; Ramsey Muniz, Raza Unida Party; Sam McDonnell, American Party, and Sherry Smith, Socialist Workers Party.

Most other statewide offices are being contested some with as many as three candidates from various parties.

Callahan County voters will choose between Democrat Ray Farabee and Republican Mary Kirchhoff.

Neither Congressman Omar Burleson nor State Representative Lynn Nabers is opposed. District Attorney, 42nd, Ed Paynter also has no foe.

County offices, all uncontested, are A. E. Dyer, Jr., county judge; Cora Mae Payne, district clerk; Beatrice Deal, county clerk; Hazel Reynolds, county treasurer, and L. C. Cash, county school superintendent.

E. F. (Franz) Odom is not opposed for Commissioner of Precinct 2.

Four Callahan justice posts are to be filled with no opposition. They are Garvin Jones, Baird; L. P. Mitchell, Cross Plains; Lee Savell, Clyde, and Walter R. Francisco, Putnam.

condition, provide excellent wrapping when trimmed to the proper size to fit the package snugly.

Wrapped packages also should be secured with strong twine, not ordinary light string. Twine should be knotted at several intersecting points to keep it from loosening.

All packages that contain delicate articles should be marked FRAGILE.

Each package should contain the name and address of the person to whom it is being mailed inside the packages as well as outside. An address contained inside is insurance that it will be recovered promptly even if the outside address should become lost or obliterated.

Be sure to put your return address on the package.

And, finally, address the package correctly and legibly. Be sure to include the ZIP Code. (Call your local U.S. post office if you don't know your ZIP Code.) Mail with the proper ZIP Code is processed more rapidly.

Be sure to put only one address on the outside of the parcel. Do not address on more than one side.

Agent Notes Increase In M-44 Gun Use

Cooler weather in the area has prompted many ranchers to the purchase and using the M-44 sodium cyanide ejectors for predator control. Says County Agent Gus Gerngross of Baird.

Only qualified applicators who received a training certificate last spring or this summer from the Texas Department of Agriculture may purchase the devices and capsules, Gerngross noted.

Callahan County Farmers Co-Op at Baird is the distributor for ejectors and cyanide capsules in Callahan County.

Reports must be made on a monthly basis as to number of devices in use and number of predators controlled.

These report forms are available from the County Extension office and it is the applicators responsibility to fill out the report on a monthly basis and returned to the County Extension Office by the 10th of the month.

The program has a cut off date of June 1, 1975. All capsules and devices must be turned in at that time. If there are any questions concerning the use of the M-44 device, please call the County Extension Office in Baird, the agent urges.

Sabanno Area News

By Mrs. Edwin Erwin

We had 1:50 inches of rain Sunday evening late and through the night. This has slowed the peanut work and hay baling down.

I returned home late Sunday evening from a week's stay in Sweetwater at the home of my sister, Elva, who has been sick. She was admitted to Hendrick Memorial Hospital in Abilene Saturday evening. Her condition remains about the same.

This is the week for our Busv Bee Club meeting, and will quilt all day Tuesday. We always love having visitors. We will have a luncheon Tuesday at noon. Friday night will be game night at the community center. Every one has an invitation to be with us.

Mr. and Mrs. Jay Chapman and children from Stephenville and Mr. and Mrs. Dal Brown and children of Cross Plains visited Josie and Alma Morris Saturday.

So far this year local gin has ginned 85 bales of cotton. Ten of these were ginned the past Monday. Leading with the largest number of bales ginned so far is Everett Wright with 16, R. H. Golson with 11; and A. D. Smith with 9. Due to the general rains ginning has ceased but it is believed that it will start again on an even larger scale as soon as the weather permits.

Word was received here last week by Mrs. Mollie Hutson that her son Pfc. James Hutson, has been wounded in action. Extent of his injuries was not revealed, but it is hoped not serious. James is a railway operator serving with the Fifth Army. He has been overseas 21 months. Before sailing he trained at Camp Berkeley, Fort Bliss and Clovis, New Mexico.

Mr. S. H. Alldred, father of Mrs. Mark Adair, died Saturday at his home in Hillsboro after an extended illness. Mr. and Mrs. Adair attended the funeral which was held Sunday afternoon.

Mr. and Mrs. John D. Taylor of Odessa, who recently purchased the Jim Miller farm south of town, moved into their new home the first of this week. A hearty welcome is extended the Taylors and we are sure they will find this community friendly and helpful to them.

C. E. (Pat) Allen has returned to his base at Camp Parks, Calif., after spending his pre-embarkation leave with his wife and friends here. It was good to

see Pat's smiling face as he greeted old friends here and we all wish for him the best of luck as he returns to his base for further orders.

County Farmers Gross \$40 Million In 1973

For Callahan County farmers, 1973 was the most successful year they have had in a long time, according to the final tabulations, just released.

For many of them it was the most prosperous year they ever had. It compared favorably with farm and ranch results in many sections of the country.

Following as it did upon a relatively good 1972, it enabled the farm community to recover somewhat from a number of lean years. With their operations well in the black, they were able to reduce their debt load and to purchase some needed new equipment.

Although gross receipts reached a record level, so did operating expenses as inflation sent farm costs soaring. However, the gap was sufficient to produce a new high in net income.

The findings are based upon a national survey released by the Standard Rate and Data Service and upon reports from the Department of Agriculture and others.

In Callahan County, SRDS reports farm receipts amounted to \$40,153,000.

The figure represents gross receipts, before any allowances for taxes, supplies, labor costs, equipment and other operating expenses.

Included are the overall receipts from the sale of farm products, together with government payments and the value of the home-grown foods consumed on the farm.

Of the total amount received locally from the sale of farm products, approximately 18 per cent came from crops and 32 per cent from marketings of livestock, poultry, and dairy items, according to the latest figures from the Department of Agriculture.

The year's upswing is attributed to a combination of favorable circumstances. One of them was the good weather conditions that prevailed throughout most of the year, in contrast to what has been happening this year. That was a prime factor in the bumper crops that were obtained.

Another was the big surge in farm exports, stemming from the worldwide shortages, which led to a significant boost in prices.

Gene Renfro Buried Here Last Friday

Funeral service for E. D. (Gene) Renfro, 75-year-old well known native of Cross Plains, was held at 3 p.m. Friday from the First Baptist Church in Cross Plains.

Mr. Renfro, who had been living at Roscoe for some months following the death of his wife earlier this year, died in an Abilene hospital at 12:38 p.m. Wednesday. He had undergone corrective surgery on a broken hip in Abilene 10 days before his death.

Officiating the final rites were the Rev. Curtis T. Simpson, pastor of the First Baptist Church here, and the Rev. E. V. Brooks of Abilene, former local Baptist pastor.

Burial was in Cross Plains Cemetery under direction of Higginbotham Funeral Home of this city.

Born April 29, 1899, in Cross Plains, he was a Baptist and a retired farmer. He had been in ill health for some time. He married the late Miss Lillie Martin in Cross Plains Sept. 14, 1919. She died on February 27.

Survivors include two sons, Billy Renfro and Sammie Renfro, both of Roscoe; two sisters, Mrs. Fionnie Clark and Mrs. Madge Stacey, both of Cross Plains; one brother, Rufus Renfro of Cross Plains; two half-sisters, Miss Mary D. Renfro of Abilene and Mrs. Joyce Edwards of Brownwood; four grandchildren; one great-grandchild and several nieces and nephews.

Pallbearers were Edward Martin, Stuart Sowell, Connie Rudloff, Robert Brothers and Tommie Huff.

Bob Bullock is the overwhelming choice of Texas Democrats for Comptroller. He won the primary election with 76 per cent of the vote. Bob Bullock is a tough-minded, straight-talking lawyer. He was described as "the best Secretary of State that Texas ever had." Bob Bullock knows Texas government from one end to the other. He has proven himself in public service.

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things....

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

They all promised no new taxes; Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in Novem'
