## All Donley Invited Here To Election Party

### Second Panhandle Invitation Tourney Here Sept. 14-16

#### TOURNEY PLANNED BY HILLCROFTERS

NEW OFFICERS NAMED TO  
PILOT CLUB FOR COMING  
YEAR. NEW DIRECTORATE

The members of the Hillcroft Golf Club were called to meet Friday evening of this past week in the Legion Hall for the purpose of electing officers and to make their plans for the annual tournament which was started here last September. A partial response was had from the members and the business in hand was attended with great dispatch.

In the election of officers that followed, Phillips Gentry was chosen to head the body for the year ahead. F. A. Buntin will act in the capacity of Vice President and Holman Kennedy will be retained in his position of Secretary-Treasurer of the organization. The new Board of Directors will be composed of W. A. Wilson, G. H. McLeskey, M. F. Gentry and J. T. Patman, who with the three officers, will make up the Board of Directors for the year.

#### Work Completed On Dip This Week

All work has been finished on the dip at the end of the ditch fronting the railroad right-of-way the final lot of concrete having been poured and the forms removed from a good portion of that which was started last week. The dip allows access to a portion of the city that has been closed for a year to the very deep ditch that has been cut by the action of the water.

#### CHEVROLET TESTS SHOW MUCH MILEAGE SECURED

The Clarendon Motor Company staged the first mileage test ever held in Clarendon last Saturday and secured some very excellent results from the many who entered the event. The greatest mileage secured in the test was 24.4 miles per gallon as computed from the mileage obtained from a quart of gasoline multiplied by four. The lowest recorded mileage was 20.4 miles from a gallon computed on the same scale.

#### CITY TAX RATE TO REMAIN AT \$1.26

OFFICIAL RATE IS SET AS IN  
YEAR PAST. ALL RATES  
ARE COMPLETED

The citizens of Clarendon may now betake themselves to their private places of retirement and compute the amount their taxes will be for the year at hand. This information was available for the reason that the City Commission of Clarendon has set the rate for the year at \$1.26, the same as for the year just closed.

To this tax for the city, there are to be added three other taxes to bring the amount for the year to an established total. The state tax of 69 cents as recently set by the state tax board brings the total to \$1.95. The school tax of \$1.00 is added to this for a total of \$2.95 and the state and county tax of 75 cents is yet to be added to this figure to bring the figure to \$3.70 for this portion of the taxes. A twenty cent addition for the purpose of Junior College work in the city brings the total taxes for those who live in the City of Clarendon to \$3.90.

#### YARD OWNERS GET TWO WEEKS

CLOSING DATE EXTENDED  
TWO WEEKS TO ALLOW  
MORE TIME FOR WORKERS

Due to the very unsettled condition of the weather insofar as rain is concerned, the committee in charge of the 1930 yard contest for Clarendon has decided to postpone the judging of the yards for two weeks, placing this date on September 8th instead of August 26th as originally planned.

#### WICHITA FALLS MAN HERE FOR ADDRESS SATURDAY

Judge F. W. Fisher of Wichita Falls was in Clarendon last Saturday as was announced in the last issue of the News. Judge Fisher addressed a number of voters from a truck on the Goldston corner and was well heard. Refutation of charges made by Judge Taylor was the main object of his address, he using his time to discuss the charges fully and without fear. Although hampered in his speaking by the traffic on the street, he was cheered when he completed his task.

#### Let's Adjoin Politics and Develop Texas

(An Editorial)  
One of the most popular slogans ever introduced into a political campaign in Texas is the caption of this article and the battle-cry of Hon. Clint Small, which the best observers agree had much to do with the very spectacular race Mr. Small made as opposed to a line-up of the craftiest and best known old-line politicians Texas has ever witnessed.

#### Let's Adjoin Politics and Develop Texas

Since the advent of the Fergusons in Texas politics the state has been cursed with a brand of political maneuvering, trickery and graft never before experienced in the Lone Star State, and no campaign where they have been candidates has been able to throw off the shadows of their blighting influence. Texas people are sick and sore at such a condition, hence Clint Small's slogan of "Let's Adjoin Politics and Develop Texas" met with instant favor in the older parts of the state just as it did here in West Texas.

The gallant defeat of Clint Small, however, did not in this instance destroy the opportunity for the citizenship of this state to put his apt slogan into effect by the election results of 1930. It so happens that one of the candidates left in the run-off is particularly fitted to bring about the realization of Clint Small's slogan, and today Clint Small is himself advocating the election of this man—the Honorable Ross Sterling, chairman of the highway commission and one of the outstanding business men of Texas.

#### Court Affirms Hospital Board

Three members of the County Hospital Board, named when this institution was opened for the use of the public about one year past, were affirmed by the Commissioners Court in their sessions here this past week. The affairs of the hospital have been so well handled and the public in general has been so well pleased with its operation that no change was deemed necessary in the appointment of the Board.

J. W. Martin of Clarendon, T. R. Moreman of Hedley and Dr. T. H. Ellis also of Clarendon were named to places, succeeding themselves on the Board. These men with hold their places for two years on this appointment, having originally been named for a period of one year. Odys Caraway of Clarendon and J. G. McDougal of Hedley are the two members of the board whose term will expire one year from this date.

#### County Board To Meet Here Friday

A meeting of the County School Board has been called for Friday at this week at the courthouse. The Board is meeting for the purpose of classifying all Rural Schools of the county. All trustees of rural schools are required to be present with information giving the number of students in their schools above the 7th grade. This information is necessary to classify the schools of the county as they should be classified.

#### SENATOR SMALL SPEAKS AT WACO

DELIVERS ADDRESS TO  
LARGE AUDIENCE IN DE-  
FENSE OF STERLING

Despite repeated reports that Senator Clint C. Small would not take the stump in the interest of Ross Sterling for the Governor of Texas, Senator Small spoke Wednesday evening of this week to a large and enthusiastic audience at Waco. The speech was broadcast over a state-wide hook-up and was heard in all parts of the state.

Accompanied from Fort Worth by a large delegation of business men from that city, including Amos G. Carter, of the Fort Worth Star-Telegram, the senator from West Texas made a splendid impression on those who heard him as he methodically took apart the record of the Fergusons while they were in the Governor's chair. Mr. Small was introduced by Jake Tiley, prominent attorney of Waco.

#### New Bridges Are Planned On J. A.

Two new bridges are called for in an election order made possible by the formation of Road District Number 1 in Donley County by the Commissioners Court last week. This new district is composed of land lying within the confines of the J. A. Ranch in this county and the special taxation needed for the erection of the bridges will be paid by the ranch, thus not making any difference to the other portions of the county.

These two bridges are across Mulberry and will provide a means of easy access to the ranch in any sort of weather that may be encountered. Not only do the bridges provide for a saving in expense to the casual visitor to the ranch, but they also mean that the ranch will save great sums of money expended in dry weather when the creek beds become bottomless pits to ensnare the visitor or the regular user of the road.

#### BAPTIST REVIVAL GETS FINE START

SPLENDID CROWDS AND  
GREAT INTEREST MANI-  
FESTED IN ANNUAL EVENT

The series of Revival services started last Sunday in the First Baptist Church of this city is getting off to a splendid start. Every since the opening sermon there has been great interest shown well filled auditoriums greeting the preacher in each of the services conducted. This is especially noticeable since the services are being held in the church, fans being provided to keep the gathering comfortable.

The pastor in charge of the series, Rev. C. B. Littleton, arrived in the city in ample time to deliver the first sermon Sunday evening as scheduled. His sermons have been filled with inspiration and have been drawing the interest to a keen pitch. Rev. Littleton comes to Clarendon from Hamlin, where he is pastor of the First Baptist Church.

#### ELECTION PARTY PLANS COMPLETE

BOARD WILL BE SHOWN AT  
SAME PLACE AS BEFORE.  
RETURNS BY NEWS

Plans for the second election party this year have been completed by the News. The location for the board will be the same as it was in the big party held following the election of July 26. Returns will be received from the office of J. T. Patman and all election judges are asked to call 66 just as soon as they have completed their count of the votes cast.

#### Poultry School Discussed Feed

Feeds and Feeding. The correctly  
balanced feed was discussed in its  
component parts and the correct  
methods of feeding poultry after  
the feed is mixed was given its  
due share of attention. As has  
been explained, this school is a  
part of the work done in this de-  
partment under the direction of  
Charles Bairfield and is attract-  
ing attention from those men who  
are most interested in developing  
the poultry industry in the county.

Following the discussion in the school building, the entire class made a trip to the home of T. R. Brown, County Agent, where they witnessed and took part in a culling demonstration.

The school is to be continued indefinitely, meeting next Tuesday afternoon in the College building at 2:30. The subject of housing will be thoroughly talked over at the meeting next week. An invitation is extended all those men who are interested in poultry.

#### ALLISON GUEST AT ROTARY MEET

PRESENTS NEED AND WORK  
OF CIVIC CLUB ALONG  
WITH OTHER MATTERS

S. E. Allison, pastor of the First Methodist Church of this city and Judge A. T. Cole, took the time allotted to speech making at the Rotary Club luncheon Friday of last week. Rev. Allison first addressed himself to the club in a humorous vein, putting all the members at their ease and paving the way for the address he was to make later. His main theme was the general discussion of the civic club and its duties and needs to the community in which it may be seated.

His address was of such caliber that the members of the club enjoyed it very much.

#### Mrs. Warner Heard By Fine Audience

A group estimated to be slightly less than two hundred was present in the auditorium of the Methodist Church last Saturday afternoon to hear Mrs. Phoebe K. Warner of Claude and Miss Laura V. Hamner of Amarillo as they spoke in the interests of the candidacy of Ross Sterling for Governor. The gathering was principally addressed to the Church women and was quite comprehensive in the scope covered.

In the speaking program, Mrs. Warner was preceded by Miss Hamner, who also addressed the gathering along the same general lines followed by Mrs. Warner.

Other remarks of a nature to interest were addressed to the gathering by Rotary President Jenkins, he curtailing his speech-making to allow full time for the guest of the day.

#### MRS. H. B. KERBOW BETTER

Friends of Mrs. Bennett Kerbow will be pleased to learn that she is improving to some extent after her operation the fore part of this week. It will be recalled that Mrs. Kerbow is suffering from infection following an accident in which the second finger of her right hand was severely crushed. After some weeks it became necessary to remove the offending member and improvement is noted although she is suffering from the shock.

#### Mrs. H. B. Naylor Spent Monday in Amarillo

Mrs. H. B. Naylor spent Monday in Amarillo visiting with old friends and transacting business.

Mr. Sterling is one of those men who has made a distinct success of his own business. He came up from poverty and like the real Texan he is, wrested success and victory from unfavorable conditions through hard work and application. He is a man of quiet ability and gets things done in straight forward, businesslike method—entirely foreign to the type of politician he is opposing. His election will herald to the world that Texas is still in possession of her senses, that she has turned down the false doctrines of the demagog and is determined that the statecraft of this state shall be guided by the hand of a master, by one whose integrity is above reproach and one whose word is good as his bond.

#### Let's Adjoin Politics and Develop Texas

Texas, there is a way in 1930 to "Adjoin Politics and Develop Texas." This desirable condition can be brought to pass by the election of Hon. Ross Sterling for governor on Saturday, August 23rd, whose election means more to the progress of Texas than any other single good fortune that could come to this state.

#### Let's Adjoin Politics and Develop Texas

"Let's Adjoin Politics and Develop Texas." Elect Ross Sterling and it becomes an accomplished fact.

## VOTE YOUR SENTIMENTS SATURDAY

The News is never on the fence about a political or moral issue. We endeavor to stay on the side of righteousness and decency and if we make a mistake it is a mistake of judgement and not of the heart. In the election Saturday there is to our mind a very vital issue of good government and moral rectitude involved and we believe the great majority of Texans will try to vote with this in mind.

What we desire to urge is that every voter in Donley County go to the polls and cast his or her ballot. Vote your sentiments without fear or prejudice and with the best interests of your county and state in mind.

This the editor expects to do and he has a reason for every vote he will cast. Every voter should have a reason and this is the list of our votes and reason therefor:

**For Governor—Hon. Ross Sterling**, because he is a high-class Christian gentleman; a man with a big, charitable heart; a public servant without the taint of graft or wastefulness; a man who has made a conspicuous success out of his own business and one who will no doubt make Texas the greatest governor she has ever had. He stands for honesty in government and for plain, everyday business economy in every department at Austin.

**For Lieutenant Governor—Senator Edgar Witt**, because of his long experience in the senate at Austin and because he has proven an able and efficient public servant over a period of many years.

**For Attorney General—Hon. R. L. Bobbitt**, the present incumbent, because he deserves an elective term; because he has made good and because he stands bold and unafraid for the right. He has no suspicious entanglements.

**For State Treasurer—John E. Davis**, because he is a country newspaper man of Mesquite, Texas, and has served the state long and faithfully in the legislature. (Do not confuse this man with Senator John Davis of Dallas, in the same county). John is a fine man and will make an efficient Treasurer.

**For Commissioner of Agriculture—A. H. King**, who is a West Texas man, and has been a successful dirt farmer for many years. He is a man of well-known uprightness and will make a splendid official.

**For State Railroad Commissioner—Hon. Pat M. Neff**, because he has had the experience in office, and being an appointee deserves an elective term. Pat Neff is a clean man and serves his state well.

We have to change our line-up very little from the first primary and we hope to see our men go through with good majorities as we believe they deserve to win.

Another note in Mr. Sterling's campaign is his sound and homely advice given to the boys and girls present about saving money. In the course of telling his life story of struggle against odds he pauses to tell the young folks that "it's not what you make that counts; it's what you save," and urges them to save a part of every dollar they earn if they would be financially independent. Someday a candidate's appeal to the economic and moral up-building of the young and old will count far more than it does today. Anyway, Ross Sterling shows the difference between a politician and a business man in public office. His principles and example are altogether wholesome and a new era is about to come in Texas statecraft.

Some Ferguson supporters have tried to say that many former Ferguson voters voted for Clint Small here in Donley County in the July primary. Well now, let's see about that: In the July primary Mrs. Ferguson received 343 votes in Donley County. In 1926, four years ago, Mrs. Ferguson received 350 votes in Donley County, showing a loss in her vote of seven, and in all probability that many died in the four years intervening. No, Ferguson supporters voted for Ferguson this year as in other years, and the "favorite son" candidacy of Clint Small from a neighboring county didn't jar them loose.

Study of the returns from the July primary show that the Fergusons lost fewer votes in the Panhandle than in any other section of Texas, notwithstanding Clint Small was the popular and high candidate in the counties of West Texas. All the counties adjoining Collingsworth proved out the fact that Ferguson supporters felt no loyalty to the home man. They voted as usual.

After Saturday the state will settle down to the task of clearing the decks for what fall business we are to have. Political quarrels will be forgotten and everybody who has kept out of personal rows with his neighbor will be mighty glad he refrained during the torrid weeks of August.

## JIM FERGUSON'S CLAIMS OF ECONOMY ARE PROVEN FALSE—SCHOOLS FARED BADLY UNDER HIS AND MA'S RULE

The Gainesville Signal brings out some interesting facts which prove that Jim Ferguson's claims about the Ferguson administrations being economical with especial favors to the public schools is all tommyrot. Read the following:

"Jim's claim that he and ma saved the tax payers so much money and so reduced the taxes caused the Dallas News to go to the records for the facts during both Jim's and Ma's administration and compare them with that of Governor Dan Moody. After the records revealed that the "Little Red Schoolhouse" fared worse during Jim and Ma's administration than it had in any other governor's the News gives an interesting tax table to show that the Ferguson administration demanded more tax money than has Moody's and winds up by saying:

"The comparison shows that of the three governors, Dan Moody, is the most economical. His average tax rate over four years was 26c, whereas Mrs. Ferguson's rate over two years was 29c and Mr. Ferguson's over two years was 28 1-3c. In the nine years of the three governors the smallest amount levied for the general funds was 22c, in Dan Moody's administration. The largest was 35c in Mrs. Ferguson's 1925-26 year. And again in Jim Ferguson's 1916-17 year. Two governors at the price of one, if it means anything means an average tax for general purposes for the five Ferguson years of 28 3-5c or ten percent (exactly) higher than Dan Moody for an average of four years."

Final decision of the interstate commerce commission at Washington permitting the building of the Fort Worth & Denver line from Childress to Pampa via Wellington and Shamrock puts new life into the Panhandle, and the permission withdrawn for the Rock Island to build from Quanah to Shamrock is also granted with the understanding that the two roads use a joint line from Wellington to Shamrock. This new construction must begin by January 1931, and will cost several millions of dollars. The horizon is brightening up and this new railway project will materially change the outlook here in the Panhandle.

One of the significant facts about Ross Sterling's public service record is that he has never accepted a check for his expenses while out on state business and he has always turned his salary check over to some charitable enterprise like the Confederate Home at Austin, the Blind, the Orphans or other equally worthy cause. Mr. Sterling doesn't look on public office as desirable for the salary attached. He serves his state with whole-hearted enthusiasm and enjoys doing it at his own expense. His charity and good deeds are a by-word among his friends. He is a real servant.

"Fergusonism is the only issue of the present campaign" is the way Clint Small puts it. That's right. Fergusonism stands for proxy government; it stands for authority without responsibility; it stands for selling the powers of the governor's office, shielded all the while by a petticoat. You must face the issue Saturday.

Donley County stands for honesty and responsibility in government. Donley County voters will show just how strong they stand Saturday by the size of the majority they pile up for Ross Sterling—a majority which should reach a new high level against Fergusonism.

Newspapers are noted for their devotion to the public good. Just now they are proving it by being almost unanimously for Ross Sterling as against Fergusonism. Probably no election in Texas ever saw so little division among the papers from city to the smallest hamlet.

Come out Saturday night to the election party here in Clarendon and keep your shirt on which ever way the results go. If you win you can afford to be pleasant—if you lose you can't afford not to be. We are all neighbors, you know.

LUBBOCK FARMER SUFFERED WITH KIDNEYS 10 YEARS

IS GAINING DAILY ON ARGOTANE; DAUGHTER VERY MUCH DELIGHTED

"After my father, W. H. Foster, got such wonderful relief by taking Argotane, all the neighbors marveled at it, and many of them are now taking it themselves," said Minnie Foster, who resides on Route 3, Lubbock, Texas, while in Bowen's Drug Store.

LITTLE STOCK AUGMENTED BY MANGUM STORE DIVISION

A short time past it became imperative that the branch of the Little Mercantile operating in Mangum, Okla., should be closed. The closure being effected, the stock of merchandise in that place, one of the largest in Mangum, was divided and portions of it were sent to the store of the same name in Memphis and in Clarendon.

Mrs. R. E. Paxson and daughter returned last Friday evening from Elk City, Okla., where they had been to visit her parents.

Mr. and Mrs. O. W. Latson and boys and Mr. and Mrs. L. M. Cargile and children left Tuesday morning for a visit to the Carlsbad cavern and to the Santa Fe - Taos regions in the northern part of the state.

"A few weeks ago some of our friends recommended Argotane to him but at first we had very little faith in it as we had tried so many things in my father's case without results. But it's a positive fact that after he finished his first bottle of Argotane, he was feeling like a different person. He kept on with the treatment and said that all those pains and disorders that formerly bothered him so much are things of the past and I know and everyone else in our neighborhood does too, that Argotane must be a wonderful medicine, to restore his health again after so many treatments and medicines had failed to give him relief."

Genuine Argotane may be bought in Clarendon at the Stocking Drug Store.

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. DOUGLAS & GOLDSTON DRUG CO.

A FAMILY DOCTOR'S LAXATIVE IS BEST

Your health is too important! You cannot afford to experiment with your delicate bowels when coated tongue, bad breath, headache, gas, nausea, feverishness, lack of appetite, no energy, etc., warn of constipation. This applies not only to grown people, but more particularly to children. That's why a family doctor's laxative is always the safe choice.

Dr. Caldwell's Syrup Pepsin is prepared today under strict laboratory supervision from fresh laxative herbs and other pure ingredients, and exactly according to Dr. Caldwell's original prescription.

Today, millions of families rely on Dr. Caldwell's judgment in the selection of their laxative. For Dr. Caldwell's Syrup Pepsin, in bottles ready for use, sold in all drugstores, is now the largest selling laxative in the world!

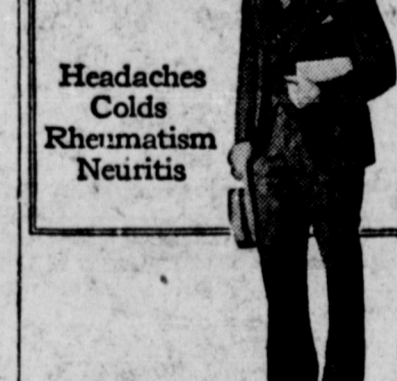

Too Much ACID

MANY people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips' Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you prove out this easy relief.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company since 1875.

IT'S WISE TO CHEVROLET CHOOSE A SIX

Announcing a new production record

2,000,000 Chevrolet Sixes now on the road

Since January, 1929, Chevrolet has produced and sold over 2,000,000 six-cylinder automobiles—nearly five times as many as any other manufacturer has ever built in an equal length of time.

These 2,000,000 buyers have chosen Chevrolet because it offers many desirable qualities not obtainable in any other car so low in price—

—the smoothness, silence and flexibility of a modern six-cylinder valve-in-head engine—the greater comfort and roadability of a modern, full-length chassis—and the style, safety and distinction of bodies by Fisher.

Yet, despite these fine car advantages, the Chevrolet Six is unusually economical. Its gas, oil,

The Coach, \$565, f. o. b. Flint factory

tire and upkeep economy is unsurpassed. And any model can be bought for a small down payment and easy monthly terms! Come in today. Learn for yourself why two million buyers have agreed—"it's wise to choose a Six."

Some distinguishing features

50-horsepower six-cylinder motor . . . 48-pound crankshaft . . . full-length frame . . . four semi-elliptic springs . . . fully-enclosed four-wheel brakes . . . four Lovejoy hydraulic shock absorbers . . . dash gasoline gauge . . . Fisher hardwood-and-steel body . . . adjustable driver's seat . . . safety gasoline tank in the rear . . . non-glare VV windshield . . . and, for your protection, a new and liberal service policy.

### JIM FERGUSON'S BROTHER IS SUPPORTING ROSS STERLING

(From the Dallas News)  
The News has received the following from A. M. Ferguson of Sherman, president of the Ferguson Seed Farms, Inc., and brother of James E. Ferguson, whose wife, Mrs. Miriam A. (Ma) Ferguson, is a candidate for the Democratic nomination for Governor in the run-off campaign with Ross Sterling of Houston:  
Your report in Sunday's News of Jim Ferguson's harangue at Whitesboro Saturday night, about his personal and political honesty and sacrificing public service, was incorrect in stating that "A. M. Ferguson was on the platform with his brother."  
I was present out in the shirt-sleeved crowd to listen, but not to countenance or encourage Jim Ferguson in his race for a proxy governorship of the great State of Texas. I was not on the pine platform at the speaking. Neither am I supporting the claptrap sophistries in his vote-getting political platform. The real Jim Ferguson that I have known from childhood has no more interest in the "common people" than a hog has in a rock pile or a "bespoken" His whole life has been centered in "me and my wife, Ma," and those who can be induced to kick in.  
The Jim Ferguson I know has at times risen to the heights of real statesmanship. He has met powerful opposition from unworthy but otherwise supposedly respectable influences. The trouble has been that he has not always kept his everyday clothes clean and ready to meet these attacks. He is quite resourceful in pressing out his "Sunday clothes" for campaign "Sundays."  
In the first primary I announced a willingness to accept Young, Small, Miller or Sterling to beat Ma Ferguson or Tom Love, the Ku Klux Klan first-aid-to-Hoover prosperity. In this run-off primary I expect to vote for Ross Sterling. His home people, down where Jim alleges all of his bad conduct has taken place, are strong for him. I will rely on the report of his neighbors rather than Jim Ferguson.  
I was not a supporter of Jim Ferguson in his early races (1914-16), though I am quite sure he owes the reform and reconstruction of his ideas and program to aid education to his school teacher brother. In the impeachment proceeding and the campaign that

followed I swallowed my personal pride and aided him in the interest of the family name and against unworthy influences that then dominated Texas politics. They were just about as bad as Jim Ferguson. However, in this important matter he was not frank with me about the real facts, as I learned later. As between Klucker Felix Robinson and Ma Ferguson, I accept the lesser of two evils.  
There probably never was a time when smart platform demagogues need to be retired more than now and the large business affairs of the great state of Texas, as well as her legislative problems, put in the hands of trained successful leadership with a man of broad knowledge of practical affairs and the functions of Democratic government. With this he certainly should possess a reputation for undoubted personal and political honesty and be imbued with a zeal for jealous watchful service in protecting the public from shrewdly directed undercover influences that would not only exploit the public treasures, but all business as well. Exemplars are everyday occurrences of how public officials are yielding to corrupt offers. "Cussing public officials" gets us nowhere. It is your duty and mine to be discerning and discriminating in selecting them.  
In Texas, just as in other States, we are passing from a pioneer to a highly industrialized civilization. Our laws need to be changed to meet these changed conditions. They should be acted on now.  
Readjustment of our unequalized tax schedule should be made so taxes will be more equally distributed to all real wealth and ability to pay. We also need legislation that will penalize, if not eliminate, dishonest and slyster lawyers and incompetent and unworthy Judges from the lowest to the highest courts.  
Yes, with it all, a broadening and equalization of opportunities for a practical education for every boy and girl that ennobles, and enables or prepares for more soul-satisfying living on the farms and ranches and around the factories to be built right here in Texas.  
Yes, I want to see another type or ideal of man for Governor than Jim Ferguson.

### THREE BIG JOBS ARE UNDER WAY AT FAIR

Spending a total of more than \$400,000 on new buildings and repairs at the State Fair of Texas, the exposition has more than 500 men at work on the grounds now getting things shipshape for the 44th annual State Fair of Texas which opens on October 11, it has been announced here by T. E. Jackson, president of the fair.  
The biggest construction job under way now at the exposition is the huge 50,000 seat stadium which is expected to be completed sometime during September. This job is costing the State Fair of Texas a total of \$300,000, and 400 men have been at work rushing the job to completion.  
The next job is the Livestock and Dairy Products Building, which is now under construction at a cost of \$60,000. The building, which will also be completed in time for the coming State Fair will house exhibits of Dairy and Livestock Supply, feed, equipment and manufacturing companies.  
A special building, 500 feet in circumference, 130 feet across and 65 feet high, is now under way to house the famous cyclorama of the "Battle of Gettysburg," the famous picture which will be one of the attractions at the State Fair. The building is costing \$30,000 to erect.  
In addition to the new buildings, old structures on the ground are touched up at an estimated cost of some \$10,000.

### FORMER CLARENDON CITIZEN FETED NEAR VERNON

Rev. G. A. Oller, one time resident of Clarendon, and now a resident of the Mack community near Vernon, was given one of the surprises of his life on Sunday, August 3rd, when a dinner was tendered him by his friends of the community in which he makes his home. Rev. Oller was well liked and most popular in this community when he lived here and has many friends here who wish him a great many more such surprises. The following is the account as taken from the issue of the Vernon Daily Record of Wednesday, August 6th.  
Rev. G. A. Oller, of the Meak community, was delightfully surprised Sunday when friends and neighbors arrived to entertain him on his 76th birthday. Every one attending brought a lunch basket filled with delicious food which was spread under an old time brush arbor. Rev. Oller has spent 40 years of his life in evangelistic work in West Texas, having spent most of that time in the Mack community.  
Those participating in the affair were: Beatie Crawford, Floyd Oller, Mrs. W. W. Crawford, all of Clarendon, Mr. and Mrs. W. M. Clark and family, Mr. and Mrs. Willie Hawley and family, Mr. and Mrs. Joe Reed and family, Mr. and Mrs. E. M. Schaub and son, Mr. and Mrs. N. J. Reed and family, Mr. and Mrs. L. L. ### CITY RECEIVES INVITATION TO ENTER BIG EVENT

#### LUCKY COMMUNITIES WILL BE FEATURED BY PRESS, RADIO AND SCREEN

An official invitation requesting this city to participate in The National Yard and Garden Contest was received here today by Robt. S. McKee, Chairman of the local Yard and Garden Contest.  
The Yard and Garden Contest Association of America requests that photographs of our first prizewinning yards be sent to its headquarters at Davenport, Iowa. From photographs, such as these, sent in from all parts of the country, the national winners will be selected. Judges will be men of high qualifications.  
The nine highest ranking yards will be awarded the major trophies, each of which will be a beautiful piece of stone garden fixture bearing a bronze plate giving the winner's name. The outstanding garden of all will be chosen as sweepstakes winner. Honorable mention awards will be given to as many other home grounds as the national judges deem worthy of this national distinction.  
The national winners will receive wide publicity in the press, on the screen and over the radio. Last year, in addition to newspapers all over the country, many big national magazines published the story and photographs of the winning gardens.  
This publicity is regarded everywhere as the best advertising any town can receive. Municipal governments, Chambers of Commerce, leading newspapers, civic clubs such as Rotary, Kiwanis, Exchange, Lions and the like, Women's Clubs, Garden, Horticultural Societies, Real Estate Men's Associations, American Legion Posts and various other organizations are sponsoring their community entries in the National Yard and Garden Contest.  
Home owners entered in Yard and Garden Contests everywhere are urged to photograph their yards before the summer flowers have faded. This will provide photographs to enter in the National Contest should the entrant win a first prize in the home town competition.  
Entry in the national competition is made through the local contest chairman or sponsor, subject to the following rules:  
I. Only local contests must be registered with the Director of the Yard and Garden Contest Association of America, 111 East Third St., Davenport, Iowa.  
II. Only local first prize winners are eligible to enter and if they may qualify in any of the three classes of the national contest.  
III. At least one photograph of each yard entered must be submitted at the time entry is made. Additional photographs, showing different views of the same yard, either before or after planting, may be submitted with the entry and they will be considered by the judges.  
Each photograph submitted must have the name and address of the home owner together or printed on the back. Photographs should show both front and back yards but must show the back yard. Photographs so submitted will become the property of The Yard and Garden Contest Association of America and may be reproduced in newspapers, magazines, in traveling exhibits, in motion pictures or in such other ways as the National Association shall determine.  
IV. All entries and photographs must be in the office of the Director, Yard and Garden Contest Association of America,

111 East Third St., Davenport, Iowa, by November 1, 1930.  
V. There will be three classes in the National Yard and Garden Contest, as follows:  
Class I. First prize winning yards and gardens in local Yard and Garden Contests where the owner and his immediate family have done all the work of planning and improvement are eligible to enter in this class.  
Class II. First prize winning yards and gardens in local Yard and Garden Contests where only manual labor has been hired to augment the help of members of the immediate family in the work of planting and improvement are eligible to enter in this class.  
Class III. First prize winning yards and gardens in local Yard and Garden Contests in the planning, planting or improvement of which expert gardeners or landscape architects were employed are eligible in this class.

### DARWIN SUPPORTS SENATOR WITT

Former State Senator H. L. Darwin of Paris, candidate for the Democratic nomination for Lieutenant governor, who was eliminated in the first primary election, Tuesday threw his support to State Senator Edgar Witt of Waco. Senator Witt will be in the August 23 run-off election with Sterling P. Strong of Dallas.  
While in Dallas Mr. Darwin issued this statement:  
"I am deeply grateful for the support given me by my friends over the state. The only regret I have is that I shall not be able to personally accomplish several aims that I considered to be desirable for the benefit of my native state. The office itself is of secondary importance to me.  
"I believe the interest of Texas can be served best by the nomination of my former colleague, Senator Edgar Witt of Waco, and I therefore heartily endorse his candidacy in the run-off primary, and urge his election.  
"In my judgement, Senator Witt should be elected to this important position because he is well equipped by training and experience to handle the office. His long service provides him with the necessary legislative experience that is the primary requisite of a successful presiding officer.  
Texas led all the West South Central Divisions in percentage of gains with 24.6 per cent. Louisiana with 16.7 per cent gain was next. Oklahoma 12.8 was third.

### KONJOLA ENDS NEURITIS AND STOMACH PAINS

Grateful Man Eager to Endorse Famed Medicine That Did So Much Good for Him  
"Konjola is the best medicine ever made," said Mr. W. T. Bryant, 1009 Morrell street, Oak Cliff, near Dallas. "Neuritis became so severe in my legs that I could scarcely walk. There was a constant aching in my back and shoulders. I could never get a perfect night's rest. My bowels were irregular and I constantly was taking cathartics. I always had a sour stomach, frequent accumulations of gas and severe headaches. My vitality was at a low ebb, and I felt miserable.  
"After giving Konjola a trial I am like a different man. Konjola restored my organs to normal condition and they now function perfectly. I am no longer bother-

ed with indigestion or constipation. The neuritis pains have completely left me and my entire system is in good condition. Konjola deserves all the praise it gets—and more."  
When taken for six or eight weeks Konjola the new and different medicine, will work wonders that will astonish those who suffer from the stubborn ills of the stomach, liver, kidneys and bowels and of rheumatism, neuritis, and nervousness.  
Konjola is sold in Clarendon at Douglas & Goldston Drug store, and by all the best druggists in all towns throughout this entire section.

# Your Mileage

Do you get twenty miles to the gallon of gasoline? You should get this with a Chevrolet Six as demonstrated in the contest staged last Friday and Saturday.

If you are not getting this mileage from your car and want to know what the trouble is, bring your car in to us for a free inspection and let our mechanics tell you just what must be done to put the machine in first class condition.

**THERE WILL BE NO CHARGE MADE**

For the inspection and you may be saved many dollars by correcting the workings of your car and motor at this time.

Our mechanics are thoroughly versed in the Chevrolet automobile and our shop especially designed to meet the requirements of the automobile.

**.Don't Wait Longer—Drive your Car in Today.**

## Bride-Elect Honored On Tuesday

Among the most truly lovely social affairs of the week was the bride party given Tuesday afternoon by Miss Agnes Caraway, honoring her friend, Miss Leta Verne Martin, recent bride-elect.

The rooms were filled with flowers making a charming setting for the large gathering of guests and helping to create the rainbow motif for the afternoon. Each table was a complete rainbow of colors, bearing cloths, napkins and lace seat cups of varied hues.

The tallies, dainty miniature brides, were very appropriate and held the scores for the guests that Mrs. C. W. Bennett, Jr., was winner of high score and Mrs. Floyd Lumpkin, low. Miss Martin received a guest of honor favor. Each table then cut for consolation and the prizes which were presented to the bride-elect in the form of poultice.

A delicious two course afternoon luncheon was served to the following: Miss Leta Verne Martin, the honoree, Miss Margaret Gladden of Wewoka, Okla., Miss Shirley Green of Memphis, and Miss Pansy Taylor of Benham, Texas.

Mesdames Ira Merchant, P. L. Chamberlain, Forest Sawyer, Paul Smith, Seldon Bagby, Philip B. Gentry, Floyd Lumpkin, M. P. Gentry, C. W. Bennett, Jr., Dick Bell and Milton Shaver. Misses Mildred and Helen Martin, Athlynn Taylor, Lotta Beurland, Elizabeth Davis, Claire Marie Braswell, Loraine Patrick Norma Rhodes and Maye Bennett.

## Story Hour Enjoyed On Tuesday

Mrs. Robert S. Cope and Mrs. A. T. Cole were sponsors for the Pathfinder story hour Tuesday afternoon when about twenty children gathered to hear stories of uncle Remus as told and interpreted by one of the children's idols, Miss Lorena Stegall.

## A. T. Miller Home Scene of Friendly Meeting

The A. T. Miller home was the scene of a most enjoyable meeting on Saturday evening when the members of the Friendship Club entertained their husbands with an unusually good dinner and a most enjoyable evening.

The guests arrived at 7:30 o'clock to find a table in the veranda, artistically arranged with cut flowers, silver and china ware, fairly glowing under its load of fried chicken and all its trimmings. The group after themselves on the lawn to enjoy served cafeteria style seated the tasty meal.

After dinner some played games of dominoes or 42 while others visited in the cool of the evening on the lawn of this hospitable home.

Those present were: Mr. and Mrs. A. T. Miller, Mr. and Mrs. C. R. Skinner, Mr. and Mrs. Meadows, Mr. and Mrs. R. O.

## Home Economics Club In All Day Meeting

One of the most enjoyable meetings in the history of the Home Economics Club was the verdict rendered by those who attended the all-day meeting held in the home of Mrs. T. R. Brown on last Friday.

Bowls and vases filled with old fashioned bachelor buttons in red and white and petunias were used to decorate the entertaining rooms.

The forenoon session was given to Mrs. M. T. Crabtree who gave a report of the A. & M. Short course recently attended by her. Each guest having brought a covered dish a lovely variety of food was at the disposal of the guests at the noon hour.

In the afternoon Mrs. Tom Bullock gave a splendid demonstration on the "Foundation of Patterns" and showed how they could best be adapted to several uses.

Mrs. T. R. Brown next gave a short discussion on the making of jellies and preserves, so much needed at this time of the year.

Enjoying and profiting by this meeting were: Mesdames J. R. Acock, S. B. Arnold, A. H. Baker, Tom Bullock, John Clark, T. M. Crabtree, J. C. Estlack, O. D. Liesberg, C. E. Lindsey, C. D. McDowell, J. D. Stocking, W. M. Spitzer, J. A. Tombs, W. D. Van Eaton and J. W. Watts.

Mrs. A. Estlack and Mrs. Bea Crabtree were invited guests.

## Anna Moores Swift Hostess With Treasure Hunt

On last Friday Annie Moores Swift was the hostess with a most delightful affair in the form of a treasure hunt. The hostess was ably assisted in the entertaining by Miss Catherine Ross who helped to secrete the treasure and give the leads in a disguised form.

The chase begun at the "Damp" and ended at the "Tooth Doctor's" with Miss Margaret O'Conner of Ft. Worth as winner of the treasure.

Games of ruck followed at the home of Mr. and Mrs. J. P. Swift with Miss Louise Smith as winner of high score and Miss Ruth Tucker low.

Ice cream was served in the late afternoon to Frances Sanford, Vivian Taylor, Rosaline Bass, Frances Fowler, La Verne McMurry, Mary Frances Powell, Margaret Kelly, Dorothy Powell, Helen Green, Aris Lee McElvaney, Margerie White, Ruth Tucker, Louise Smith, Ruby Tucker and Margaret O'Conner of Fort Worth.

## Miss Elizabeth Davis Is Named Honoree

Miss Elizabeth Davis was the charming honoree of a delightful morning bridge party on Wednesday by her sister, Mrs. Forest Sawyer.

The invited friends gathered at the beautiful country home of Mrs. Sawyer at 9:30 o'clock and the games of auction bridge began soon afterwards in rooms made most attractive by the use of a variety of garden flowers.

High score was presented to Miss Leta Verne Martin, and Miss Davis received a guest of honor favor.

A lovely two-course luncheon was served at the close of the games to: Mesdames Leta Verne Martin, Lotta Beurland, Athlynn Taylor, Agnes Caraway, Lillian Murphy, Olive Crabtree, Shirley Poole of Childress and Miss Davis, the honoree.

Mesdames C. W. Bennett, Jr., Clyde Peice, Paul Smith and Sam Darden.

## W. M. A. In Business Session

The women's Missionary Auxiliary of the M. E. church South, had their regular business session Wednesday afternoon at the church with Mrs. Nathan Cox president, presiding. Reports from all standing committees were given with much gratification.

## Ladies Aid With Mrs. Anderson

Mrs. G. A. Anderson was hostess to members of the ladies aid society First Christian church, Wednesday afternoon with a good attendance.

Mrs. C. L. Knight presented the lesson, 6th chapter of John, in a most instructive manner. A social hour was held at the close of the lesson.

## W. M. U. Circles In Joint Meeting

All circles of W. M. U. met Wednesday afternoon at three o'clock in the Baptist church.

The West Circle had charge of the program. Mrs. E. A. Thompson being the leader for the afternoon.

Theme of the afternoon, "Helpers in Christ."

## AIR CRASH VICTIM WAS FORMER RESIDENT OF CITY

Robert B. Kuteman, who was killed in an airplane smash-up Sunday at Grand Saline, will be remembered by many friends here. He lived in this city and Donley County for a number of years, and entered training for the war with boys from this section of the Panhandle.

Robert B. Kuteman, one of the three persons killed Sunday in an airplane crash at Grand Saline, was the son of R. E. and Nellie Kuteman, born in Wood County, February 9, 1897.

He went to school at Ringgold, Carlisle Military Academy and Clarendon College, Clarendon.

He was a member of the Ringgold Baptist Church.

During the war he volunteered for military service and was stationed at Everman Aviation Field Fort Worth, and the Army Training School at Wichita Falls.

Since war time Robert Kuteman has been interested in aviation; in Dallas the last few years Love Field has claimed a large part of his interest and time.

He was buried in the family cemetery near his father at Minneola Wednesday at 3 p. m.

Mr. and Mrs. Bob Hay and son returned to their home here Wednesday from a vacation trip to Willis Point, where they visited the parents of Mr. Hay.

Edwin Andrews, one time Linotype operator for the News, and now with the Dalhart Texan, spent the latter part of last week here visiting friends. He was en route to his place in Dalhart after having spent his vacation with his parents in Celina.

## LIONS PICK UP IN ATTENDANCE

With the greater part of the membership of the Lions returning to their tasks at the close of the vacation period, Tuesday seemed to be turned again to work. The meeting of the directors Monday evening had some little to do with this even though a part of the Lions overlooked this meeting and had plans other than this.

A regular meeting date was set for the Board of Directors, this to be on the evening of the second Monday in each month. The members of the board were asked to make a note of this that they might not forget the date and the time.

Receipt of the book covers bought for distribution among the school children of the county was announced and a committee was named to attend to the handling of the covers. Lion Douglas was named chairman of this committee and will be assisted by Lions Alexander and Patman.

The attendance committee was told of the contests that will be held by Lions International beginning September 14th and running for eight weeks. Another for thirty-four weeks for individual members and a third in the spring for the clubs. The committee was urged to make plans at once and get busy to make the standing of the organization as high as possible.

A meeting of the program committee was called for immediately following the luncheon. The attendance committee was urged to meet Friday to make their plans for the contest.

Other members who have been absent for their vacations were asked to tell of the things they saw while out of the city on these trips. These included Lion Nored, who gave the trailer incident of his trip; Lion Hayes, who stated that he had nothing to say and Lion Burton, who told of having visited a place where it was impossible to shave, it being so dry that the lather placed on one's face dried before it could be touched with the razor.

Guests introduced for the day included J. E. McOhea of Lubbock and Clinton Henry, manager of the J. A. Properties with headquarters at Paloduro, Texas.

Lion Patrick took the remaining part of the hour with telling of his ideas of the present conditions. The outlook is gloomy, he stated, but means will be found of getting by if everyone puts his mind to the task in hand. Advice to some of the producers urged the planting of Fall crops, wheat for a winter pasture and especial care of the feed crops. All sections immediately surrounding Clarendon are hard hit by the dry weather, some sections being in a condition to receive only a

## FEW ABSENTEES AND SPIRIT OF WORK ENTERS LUNCHEON PERIOD TUESDAY

very small percentage of a normal crop.

A letter from Lion Watson was read to the club, expressing his thanks for the flowers recently sent him to cheer him while he is seriously ill. A card was also received from Lion Tamer Bill Murrell, who is vacationing in Arkansas, stating that he had been doing his best to keep cool. The latter portion of this statement will possibly come in for consideration when this Lion returns to the club here.

Adjustment as usual.

Mr. and Mrs. Allen Bryan and son, Mr. and Mrs. Floyd Keener and children, Mr. and Mrs. E. F. Bryan of Amarillo and C. A. Bryan of this city returned to their homes Wednesday from a ten days vacation in Colorado. They were accompanied by Mrs. Harry Guiberson of Amarillo.

Dr. and Mrs. C. G. Stricklin and daughter, Miss Beverly Gray, and Vernon Tucker Wednesday from a vacation spent in the mountains of Colorado.

Mrs. Wm. Gray returned to her home in Clarendon last Wednesday morning from a vacation spent in Colorado. Mrs. Gray was with the Stricklin family, returning before they reached the city.

Mr. and Mrs. A. G. Lane and sons left this morning for points in the eastern part of the state to visit with the parents of Mr. Lane.

Mr. and Mrs. Alvin Lane and family and Mrs. H. W. Taylor left Thursday morning for Jacksonville where they will visit relatives.

Mrs. F. A. White spent Thursday in Amarillo shopping.

Mrs. R. M. Morris, Marshall Morris and Ardis Patman motored to Amarillo Sunday afternoon.

Rev. and Mrs. C. B. Stephenson and children of Houston arrived Monday and Mr. Stephenson had assumed his duties as song leader of the evangelistic services now in progress at the Baptist church. Mr. and Mrs. Stephenson will be the house guests of Mr. and Mrs. C. W. Taylor, parents of Mrs. Stephenson.

Mr. M. M. Noble and daughter, Peggy, are home after a stay in cool Colorado.

Mr. and Mrs. J. E. Teer returned to their home here the fore part of this week from Colorado, where they went for their honeymoon following their marriage in Memphis on Sunday, August 10th. They are at home on East First Street.

Wm. M. Patman was a visitor in Hedley Wednesday afternoon.

**ALAMO SHOWS TO OPEN HERE NEXT MONDAY**  
Arriving on Monday the Alamo Shows combined with the Powder River Rodeo will erect their tents near the stock yards at the east end of the pavement on highway 5. The combined shows are about the largest to visit Clarendon and will present the latest riding devices as well as offering some really worth while shows.

Over one hundred thousand lights are used to light the trail of joy where it is possible for everyone to find worth while amusement. The Rodeo fans are in for a rare treat as the Powder River Rodeo boasts of horses that have made a good many top hands reach for leather.

Then there is the monster of the deep seas, the Octopus commonly called the devil fish. Jack Burns the well known welter-weight is in charge of the athletic arena. And believe it or not they have according to the press agent a real live cannibal called Hiko who eats razor blades, electric light globes, snakes, bugs or what have you. Hiko can and does live on a diet that would kill a goat.

The guiding spirit of this vast amusement enterprise is John Ruback and Mrs. Ruback has lifted his branch of the amusement business to such a high plane that show folks call the Alamo shows the aristocrat of the tented world.

Sam J. Golden is here to make all arrangements for their stay.

**COMPLETE LIST TEACHERS NAMED**

FEW CHANGES SEEN IN LINE-UP OF FACULTY FOR COMING SCHOOL TERM

With the return of Superintendent H. T. Burton to the city from his vacation, the work of the schools of the city has been resumed and the teachers for the present year have been named. An item of interest to the football team will be found in the election of John G. Hutton to a place on the faculty. The acceptance is expected momentarily.

Other parts of the faculty is changed but little. Mr. Drennon taking the work of principal of the Junior High School and South Ward instead of acting in the capacity of head of the Junior High School.

H. T. Burton is superintendent of the City Schools. W. A. Clark, Jr., is Dean of the college. Frank A. Stocking will teach History and Economics; J. Roy Wells will again have the position of Commerce; Miss Ineva Headrick will teach English, Miss Mary Howard heads the Mathematics and Miss Anne Weidman will again teach Spanish.

Mrs. Joyce Clark will be librarian; Charles Bairfield will head the Agriculture department; John G. Hutton teaches the History and Civics department; Miss Temple Harris will have the Latin; Miss Helen Beck will again head the Home Economics department; Mrs. Nathan Cox teaches English; and C. E. Batton will teach Mathematics and Science.

Other instructors in the school of the city will be: Mrs. R. E. Drennon, Geography; Miss Lillian Park, Mathematics; Miss Lorena Steagall, Art; McHenry Lane, Science; Miss Mamie Price, Spanish; Miss Kate Talley, English; Mrs. Robert Cope, History; Mrs. Alta Lane, Geography and Physiology.

Teachers in the South Ward School are: Mrs. L. M. Cousins, Fourth Grade; Miss Pauline Fox, Second Grade; Miss Elton Aiken, Fifth Grade; Miss Edna Mac Mongole, Third Grade; Miss Pauline Clark, Fourth Grade; Miss Elizabeth Stevens, Second Grade; Miss Mae Lumpkin, Third Grade; Mrs. J. H. Headrick, First Grade; Miss Altha Evers, Public School Music.

In the arts department of the schools, Miss Grace Mae Sample will teach piano and pipe organ. Mrs. Frank Stocking will teach Arts and Mrs. J. W. Evans will teach Art.

The colored school of the city will have a fall nine months term and will again be taught by Elton Edwards, the teacher in that school for the past several years.

**RETURNS FROM BOSTON**  
Dr. H. L. Wilder returned to his home in Clarendon Tuesday of this week from Boston where he has been for the past several weeks pursuing a course of study to further prepare himself for a place in the nearly completed hospital at Tampa. Dr. Wilder reports an excellent trip to the city of beans with stops at Washington, D. C., and New York City going up and another and longer stop in New York City on the return trip. He will be in Clarendon for a short time before leaving for Tampa, where he will practice in the future.

Mr. and Mrs. Stephenson and family together with a sister of Mrs. Stephenson's of California are in Waco visiting their grandfather and other relatives.

**UNITED STATES CENSUS' TOTAL IS 122,728,873**

PRELIMINARY ESTIMATE IS MADE OF CONTINENTAL POPULATION

WASHINGTON, Aug. 7.—The population of the continental United States on the basis of official preliminary census figures is 122,728,873.

This figure was compiled Tuesday night from official announcements given Associated Press Bureaus by census supervisors in the various States after completing the enumeration which began April 2.

Only one district in the United States—in Clearfield, County, Pennsylvania—was incomplete but a preliminary estimate by the census supervisor placed its population at 1,319.

**Subject to Revision**  
The total figure for the United States' population is, however, subject to revision in the census bureau's official announcement which is not expected for another week or more.

Territories of the United States and outlying possessions, not included in the continental United States total, being the Nation's grand total of population to 137,501,561.

**Big Increase Shown**  
Continental United States had 105,710,620 people ten years ago, while the Nation with its outlying possessions totalled 117,859,395.

The country has had the largest numerical increase for continental United States in its history during the last ten years, despite restricted immigration and a declining birth rate. There was an increase of 17,018,253 people in the decade compared with the previous record increase for a ten-year period of 15,977,691, made between 1900 and 1910.

In rate of growth, the last decade made a better showing than that which ended in 1920. The increase was 16.1 per cent compared with 14.9 per cent from 1910 to 1920, and 21.0 per cent from 1900 to 1910.

**California Leader**  
California had the largest rate of growth of any State, but was exceeded by New York in numerical increase. California's rate of growth was 64.6 per cent and her numerical increase was 2,215,421. New York's rate was 21.4 per cent and her numerical increase was 2,224,328.

### PLAINS EXHIBIT GETS RESULTS AT OZARK FAIR

PROSPECTIVE CITIZENS SECURED THROUGH DISPLAY AT SEDALIA THIS WEEK

The exhibit of the Panhandle Plains Inc., is getting results. The display, the first of three to be sent out this fall, is showing this week in Carthage, Mo., at the Ozark State fair.

Saturday, two men from western, Ohio, interested in farming in the Panhandle, called on Howard A. Ferguson, manager of the Panhandle Plains, in Amarillo.

Both the men, Mr. Ferguson said, saw the exhibit in Carthage and came directly to Amarillo for the purpose of buying farms in the Panhandle.

A list of ten other men, vitally interested and with capital to invest, was sent to Mr. Ferguson Saturday by the manager of the exhibit. The list was wired in, and it is likely the prospects will be in the Panhandle shortly to look over the ground, Ferguson said.

Judging from the response received and newspaper comment the exhibit is taking the Ozark fair by storm, Ferguson declared. The exhibit will move this week to Sedalia, Mo., for the Missouri State fair.

### First Permanent Building For Tri-State Fair

AMARILLO, Texas, Aug. 20.—Here is an architect's drawing of the first permanent building to be constructed on the Tri-State Fair grounds at Amarillo, the new \$25,000 automobile show room which will be ready for

the fall exposition, September 22 to 27. The new building is of the Spanish type of architecture, finished in yellow stucco and brick. This style has been adopted for all permanent buildings to be

erected in the future. Dimensions of this unit will be 150x140 feet, so constructed that it can be added to at any time. The complete building will be 300x150 feet. There will be 2,300 square feet of floor space, accommodating

### \$18,000 PRIZES FAIR EXHIBITS

TRAVELING MEN'S DAY ANNOUNCED; NEW FEATURES ADDED

Eighteen thousand dollars in prizes have been put up by the Tri-State Fair Association to bring exhibits representing every plains industry and activity to the fair, which will be held September 22 to 27 inclusive.

Cattlemen, dairymen, agriculturists in every branch, every social activity, traveling men, automobile dealers, all have been given new favors, and have been induced to bring their best exhibits to the fair.

A special day has been set aside for the traveling men of the Tri-State Fair week to be called Traveling Men's Day, Saturday, September 27, will feature everything for their entertainment. Col. E. O. Thompson will give his annual banquet at the Herring Hotel for all traveling men of the Panhandle of Texas, New Mexico and Western Oklahoma.

The new automobile show will open in the new building for the first time this year, Ernie Young's "Evening Entertainment Nights," will be featured. "The Grandstand each night; the Anvil Park Rodeo, featuring Leonard Stroud and his wife and Tommie Kernan and his wife in trick riding and roping, will be the feature each afternoon. On the midway, Beckman and Garey's World's Best Shows with 20 shows and 14 rides will be the continual feature of the entire fair week. This show is the best of its kind in America and will leave the Tri-State Fair

for two weeks in Dallas at the State Fair. The Fair Association is giving away \$18,000 in cash premiums to exhibitors. They are offering the Hereford cattle class \$5,000, the Dairy Cattle department, \$2,500, the swine breeders \$3,000 and \$2,500 to the best county exhibit.

Many other new features will be added from time to time until the opening of this year's exposition, which will be by far the greatest since the beginning of the Tri-State Fair.

### POST FARMERS LEARN OF CO-OPERATIVE ASS'N

POST, Texas, Aug. 7.—Farming is inherently a gamble with the elements and cotton growers now should take a chance with the Federal Farm Board's new co-operative marketing system, George Dupree, prominent Lubbock attorney, told more than 250 Garza County farmers at a mass meeting at Post.

"You hold within your hands the future destiny of America," declared Mr. Dupree. "By organizing and cooperating and holding together for your mutual interests you can command a fair value for your product. The farmer has no more to say about the price of the things he sells than the negro on the street corner."

"This plan worked out by experts of the government and crystallized into law presents to the farmers of the nation an economic remedy for their trouble and a practical way to get relief from the government. You are powerless as individuals. Organized you can be the greatest power for progress in the United States."

"You are interested in the welfare of your homes and the future of your children. What kind of a heritage are you going to leave them? If this new marketing system can help you in some

way and place farming on a business basis, it is worth while.

"For the sake of your homes, for the sake of your families and all that you hold dear, approach this proposition of the Farm Board with an open mind. Give it fair consideration and a fair trial. You have nothing to lose and a lot to gain. With the United States Government behind it and your cooperation some day you will get a fair return for your toil."

The farm problem was described by Mr. Dupree as the biggest problem confronting the entire nation. Having been reared on a farm, Mr. Dupree said he could approach the farm problem from the farmers' viewpoint.

"In the past the farmer usually has been the goat," said T. R. Greenfield, president of the Post Chamber of Commerce and chairman of the Garza County committee for the organization of the Texas Cotton Cooperative Association. "But this time if there is any goat, the government will be the goat. It is taking all the chances in this \$500,000,000 marketing set-up."

It's the first time in history that the farmer has had a chance to put his hands into the Federal treasury and get back some of the tax money he has been putting into it, the farmers were told by R. J. Murray, president of the Lubbock Chamber of Commerce and Chairman of the organization committee for the Lubbock District of the Texas Cotton Cooperative Association. He said it was an opportunity that comes once in a life time and should not be passed up.

Mrs. Emma Weatherly and daughter, Miss Betty, Miss Edna Butler and H. P. Bernard returned last Saturday evening from a motor trip through Colorado and New Mexico.

### CO-OPERATIVE ASSOCIATION MARKETING METHOD GIVEN

1. A member does not have to deliver more than every other bale up to 20 bales—or a total of 10 bales—and may deliver all his cotton if he desires.

2. Any member may cancel marketing agreement after the second year.

3. The Association agrees to provide federally-licensed and bonded graders to classify and grade members' cotton.

4. Members selling through the daily pool shall receive the full market price for their cotton at the time of sale.

5. Members desiring to the optional pool shall have the option of fixing the date and mid-day base price at which they wish to sell, and shall draw a substantial percentage of the estimated value of their cotton at the time of delivery.

6. In the seasonal pool members may draw a substantial percentage of the estimated market value of their cotton, which shall be pooled with cotton of like variety, grade and staple, and sold at such times during the year as the Association deems best, the grower in the seasonal pool receiving the average price obtained during the marketing season final settlement to be made by July 1, of calendar year following that in which cotton was grown.

7. The Association agrees to turn over to members pooling their cotton in the optional or seasonal pools the full amount received from sale of their cotton less the following costs: (1) Freight, storage, insurance and interest; (2) Handling charges not less than \$2.50 per bale nor more than 3 per cent gross resale value of cotton delivered (for which handling charge the Association performs all services ordinarily performed by street buyers, brokers, shippers or exporters, who also include their profits in figuring out price they pay the grower); (3) One per cent for reserves for credit or financing, provided in no event shall more than 50 per cent of such reserve be invested in physical properties, and each member's share of such reserve shall be re-

shared to the members in 10 years.

8. When the growers in a district shall have delivered in a given season at least 100,000 bales of cotton, they may organize an independent association, affiliated with the American Cotton Cooperative Association and the Federal Farm Board, and in that event all property rights of such growers as well as reserves, shall be credited by such new association to the growers individually.

A membership fee of \$10.00 is charged new members to pay costs of organization. This is a life membership, payable only once and is deducted when settlement is made on sale of cotton.

Joe Bownds returned the fore part of last week from a vacation spent in the wilds of El Paso and nearby points. He was accompanied on this trip by Winfield Mosely of Whitehead and by T. R. Easterling, Jr., and Clark Bownds of Memphis.

## ANOTHER FAMOUS 14 POINTS

... DEVELOPED FROM MORE THAN 10 THOUSAND OBSERVATIONS DURING THE PIKE'S PEAK TEST, NOW BECOME YOUR GUIDE WHEN BUYING MOTOR OIL

Technical Report and Certificate of Performance... Certified Test No. 2268 Summary of Results

It should be understood that statements made herein are applicable only to tests made under the supervision of the American Automobile Association Contest Board between September 6 and October 5, 1929, over the Pike's Peak Automobile Highway and Colorado Springs and Colgan Road, and the conditions stated, except in so far as the legitimate inferences might be extended.

In consideration of the readings, program reports, calculations, analyses and general data submitted and verified by the official representatives of the Contest Board, and in further consideration of the strict compliance of the contestants with the various regulations, we do certify to the statements made herein.

Free booklet, "Pike's Peak Test," gives you complete details of these unusual, fact-finding tests. Ask for it at any CONOCO station or the stations of CONOCO dealers.

Between September 6 and October 5, 1929, three popular nationally known brands of motor oil were tested side by side with CONOCO Germ-Processed oil on Pike's Peak under the supervision of the American Automobile Association Contest Board. The Board's findings have been expressed briefly in the "fourteen points" below.

- 1 That the test procedure was followed accurately and that no deviation therefrom occurred which might seriously affect the soundness of any conclusions based upon the data;
- 2 That a reduction in the rate of wear occurring during the use of CONOCO Germ-Processed Motor Oil over that occurring with the other oils used to the extent of 76.4 per cent was shown during these tests;
- 3 That greater stability of the subject oil during these tests was shown by records of examination of drained oils being nearer the viscosity of the original or fresh oil and by chemical tests of drained oils with the fresh oils;
- 4 That frictional temperatures occurring during the use of the subject oil were lower than temperatures occurring during the use of the comparables;
- 5 That higher compression pressures were obtained with the use of the subject oil during these tests than with the use of other oils. It would be directly inferred that this was caused by better ring seal;
- 6 That using the subject oil and during each test, greater gasoline mileage for economy was obtained than during the use of the comparables;
- 7 That less oil consumption as shown by the records of these tests occurred with the use of the subject oil;
- 8 That carbon deposits collected from the combustion chambers and cylinder heads and weighed by the official chemist were shown

by the records of the test to be less after the use of the subject oil than after the use of the comparables;

9 That the subject oil showed a reduction in the case of crank-case dilution during these tests;

10 That during these tests the subject oil showed improved compression pressure, decreased rate of crank-case dilution and decreased gasoline consumption, indicating an improved ring seal;

11 That a reduction in the operating fuel and oil cost occurring during these tests with the use of the subject oil is substantiated by the records;

12 That with the use of the subject oil there occurred less deviation from cycle to cycle in compression pressure at starting speeds (as shown by the records) would indicate that improved compression at higher speeds might have occurred during these tests;

13 That the reduction in the rate of wear occurring during these tests with the use of the subject oil as shown by the records would indicate a longer motor life;

14 That while there is no reason to suppose that results similar to those of this test would not show under other conditions, it is important that references to these findings be accompanied by the statement that, in so far as the report is concerned, they cannot, as conclusions, be extended generally. However, the inference that they might be so is reasonable and rational, although not conclusive.

### CITY TOURNAMENT PLANS COMPLETE

#### TOURNAMENT COMMITTEE LAYS PLANS FOR MEET TO STIMULATE LOCAL GOLF

Feeling that the golfers of Clarendon were becoming lax in their interest toward the royal game of golf, the tournament committee of the Hillcroft Golf Club has made plans for a City Tourney. The play for thirty-six holes qualification will be started immediately and all qualifications must be completed by Sunday, August 24th. The score made in the 36 hole qualification play will establish the player's position in the team play and will also determine the handicap of the respective players.

Four flights will be played with prizes awarded and the winner and runner-up in each flight. A prize awarded to the winner of the consolation match in each of the four flights.

Match play will start Sunday, August 24th and August 31st. The medalist in the qualification rounds will be awarded something that he will appreciate.

The following is a list of the players and the manner in which they were matched for the thirty-six holes qualification rounds:

Sam M. Braswell, U. Boston; Fred Buntin, Lee Casey; Roy Cayton, R. E. Drennan; Allen Cooke, W. S. Bagby; W. H. Cooke, Jr., C. J. Douglas; M. P. Gentry, Tom F. Connally; P. B. Gentry, J. T. Patman; Joe Gordon, Allen Bryan; H. F. Hartst, Ernie Hardin; H. Kent, Homer Parsons; H. B. Kerbow, W. A. Wilson; Ira Merchant, T. M. Shaver; H. Mulkey, G. E. Allen; G. H. McCleskey, C. E. Miller; T. D. Nored, Carl Parsons; E. T. Pope, Jack SoRelle; Clyde Smith, Jack Merchant; C. G. Strickley, F. L. Stallings; C. G. Strickley, Floyd Keener; Frank Whitlock, Jr.; H. B. Kerbow, Meade Haile; C. W. Galloway, Mike Landers; R. L. Bigger, F. E. Chamberlain; G. L. Boykin, K. W. Kerbow; Walter Hagler, E. T. Leverett; Lee Vaughn, D. B. Davis.

The prize list has not been completed, but will be posted within the very near future. The entrance fee will be \$1.00.

#### "INSPIRATION"

Inspiration, as we find it in the Scriptures, is the influence of God's Holy Spirit in the minds of men. It is the power which moves them to do the things which God wills them to do. It is the power which moves them to do the things which God wills them to do. It is the power which moves them to do the things which God wills them to do.

It is not often that a city like Clarendon is allowed the privilege of entertaining members of the family of one who has been seriously injured. This was the case up to the latter part of last week when the mother of Hollis Short of Wichita Falls left for her home accompanied by Hollis and his friend, Johnnie Cashion of Cleburne. It will be recalled that these two boys, who were riding on their motorcycle and injured both riders. They were brought here for medical attention and Mrs. Short was notified. She stayed in the Cottage Hotel and was high in the praise of the treatment received at the hands of Clarendon people. In fact, she was so well pleased with the city that she was loath to leave without her son was recovered sufficiently to allow the trip to be made. The hospital, the doctors, the nurses and everyone with whom she had any dealings were complimented very highly and Mrs. Short stated that she would always count Clarendon her friend.

#### ACCIDENT VICTIMS DELAYED SHORT TIME

D. Brooks and family, who overturned their car and injured Mr. Brooks and his son the latter part of last week, were delayed in the city only a short time. The injuries which were at first thought to be serious, proved to be rather superficial although everyone in the party were badly bruised. The boy in the party who was most seriously hurt was found to be ready to travel again after he had been treated and after their car had been repaired.

Alfred McMurtry is enjoying a sight-seeing trip in Oklahoma City.

### Junior Program Is Complete For Meet

The meeting planned here last week for the children of Junior ages has had all plans completed and the program ready for presentation. The event for the Clarendon District is to be held under the direction of Mrs. John Lofland of Memphis, who is superintendent of the Junior work for this particular district. As stated, the program will be held in the Methodist Church, but is open to children of all denominations as the topic for instruction is "World Peace." The following program is planned for the meet:

- Call to order.
  - Object of Assembly—Mrs. Lofland, Memphis, Texas.
  - Welcome Address—Allen Patman.
  - Response—Hymn—"True Hearted, Whole Hearted."
  - Scripture—Herman Gattis.
  - Prayer—Mrs. U. J. Boston.
  - Reports—
  - Piano Solo—Miss Dorothea Watson.
  - Reading—LaVerne McMurtry.
  - Group Reading—Bible Story—Dorothy Allen.
  - Violin Solo—Bobby Boston.
  - Vocal Duet—Margaret and Lela Belle Wilkerson.
  - Announcements—
  - Lunch.
- Immediately following the lunch, the entire gathering will be taken to the Pastime theatre, where they will be given a showing of a picture especially designed for the World Peace movement. The scenes were laid in Mexico and Japan at the suggestion of the committee in charge of this work. No charge will be made for children under fourteen years of age but adults will be asked to pay a small admission charge to assist in defraying expenses of the picture. The theatre will be furnished free of charge by Mr. Mulkey.

#### CLARENDON COMPLIMENTED ON TREATMENT RECEIVED

It is not often that a city like Clarendon is allowed the privilege of entertaining members of the family of one who has been seriously injured. This was the case up to the latter part of last week when the mother of Hollis Short of Wichita Falls left for her home accompanied by Hollis and his friend, Johnnie Cashion of Cleburne. It will be recalled that these two boys, who were riding on their motorcycle and injured both riders. They were brought here for medical attention and Mrs. Short was notified. ### TWO RAILROADS GRANTED PERMIT

#### ROCK ISLAND AND DENVER ALLOWED TO BUILD ROAD CHILDRESS-SHAMROCK

Papers published early this week carried an item that will be of great interest to the people of this section, since it settles the railroad situation for the present at least. This item was notice of the granting of permit to the Rock Island and Fort Worth and Denver City Railways to extend their lines.

The Rock Island line will start at Seymour and will be allowed to build to Shamrock. The exact route seems to be under some discussion, with Childress and Vernon making a fight to receive the crossing. The permit was granted to allow the road to build through Shamrock, where connection will be made with the line already in existence.

The Fort Worth & Denver was granted to extend their line from Childress to Pampa by way of Wellington and Shamrock. One hitch appears in the entire proceeding, this being the permit which states that both roads shall use the same track between Wellington and Shamrock. Early reports favor the acceptance by the Denver Road, with a leeway of thirty days being allowed for either of the roads to file complaints against the rulings of the commission.

All towns along the route of the new road were jubilant over the news received, with all newspapers issuing extra editions telling of the granting of the permit. Construction will probably be rushed as soon as the rulings have been accepted.

#### SAWAYA STORE OPEN NOW IS ONE OF MOST MODERN

The Sawaya Fashion Shop, announcement of the opening being found in this issue of the News, opens its doors with one of the most modern and up-to-date places of business in the city. The owner Nick Sawaya, has spared little expense in preparing this place of business for the reception of the public. The entire building has been refinished, green and ivory being the color scheme for the opening of the store to the minutest detail.

Mr. Sawaya states that he will have furnishings arriving for several days, but that he will have nothing but the very latest in Fall and Winter merchandise to offer his patrons. A special factory line of women's dresses will be here for the opening days of the place of business, greatly augmenting the already plentiful stock he has in the house.

One feature that will appeal to the mothers of the community is the baby department. This will contain wearing apparel for all ages of children, from infancy to those five years of age. A portion of this material is in the house and still other parts are expected momentarily.

Local assistants will be used as sales people in the place of business, Mr. Sawaya being later joined by a sister, who is unable to be here for the opening.

### Demonstration Agent Resigns

The Commissioners Court of Donley County received last week the resignation of Miss Nora Smith, County Home Demonstration Agent of this county for the past several months. A group of members of the various clubs of the county met in the County court room first part of last week stating that they had studied the same lessons for a number of years and felt that they should have some further means of advancing themselves rather than through the efforts of a Demonstration Agent or through the Extension Department of the A. & M. College of Texas.

Miss Minnie Mae Grubbs, District Demonstrator, is expected to be here within a short time to make a study of the local situation. Following her visit, recommendations will be made as to the further policy to be pursued by Donley County in the matter of a Home Demonstration Agent. The resignation of Miss Smith is effective September first.

#### Sample Ballot

The following is a sample of the ballot as printed for use in the election Saturday. It is complete minus the usual heading and the pledge. The ballot:

For Governor: R. S. Sterling of Harris County, Mrs. Miriam A. Ferguson of Travis County.

For Lieutenant Governor: Sterling P. Strong of Dallas County.

For Attorney General: Edgar Witt of McClelland County.

For State Treasurer: James V. Allred of Wichita County.

For State Comptroller: Robt. E. Lee Bobbitt of Webb County.

For State Auditor: J. E. Davis of Dallas County.

For State Commissioner of Agriculture: Chas. Lockhart of Travis County.

For Railroad Commissioner: A. H. King of Throckmorton County.

For Railroad Commissioner: J. E. McDonald of Ellis County.

For Sheriff: Pat M. Neff of McClelland County.

For Sheriff: W. Gregory Hatcher of Dallas County.

For Sheriff: J. R. (Dick) Bain.

For Sheriff: Guy Pierce.

For Commissioner Precinct No. 2: J. Less Hawkins.

For Commissioner Precinct No. 2: M. J. Smith.

#### BAND TO PLAY FOR PARTY

Final arrangements have been made to secure the Clarendon Band for the election party that will be staged on Second Street Saturday evening. The band will play a concert about eight o'clock which is expected to be something like an hour following the posting of the first returns on the board.

Mr. and Mrs. Sam Braswell, Jr., returned to their home here last Sunday from Mineral Wells, where they had gone for their honeymoon immediately following their marriage in Pampa. They have moved into the Seldon Breyer apartment and are receiving their friends at that place.

### BRONCHOS OFF FOR TRAINING

#### HIGH SCHOOL FOOTBALL SQUAD IS TRAINING AT ROWE RANCH FOR SEASON

Approximately forty high school athletes with Coach Frank Stocking and Supt. H. T. Burton left the city Wednesday afternoon for their football training camp site near the Lamberson Lake on the Rowe Ranch. It is the intention of Coaches Stocking and Burton to have the men in the best of condition when the approaching season brings about the first games on the Bronchos schedule. The camp will last for about two weeks, and the boys will be drilled in the fundamentals of football as well as in the complicated plays and the necessary elements which are essential for proper team play. It is expected by local fans that this year's Broncho football machine will be one of the fastest and smoothest working teams the local school has put upon the field in a number of years, and it is certain that the boys will be playing their best with their hearts set upon winning the District Championship, and bringing back the football prestige to Clarendon which the Bronchos of several years back had gained throughout the Panhandle section of Texas and Oklahoma.

A well regulated schedule will be lived up to by the boys while they are on the Training camp in the next two weeks, and not all play has been planned for the athletes. The boys will be up at six o'clock each morning and immediately after breakfast will find their time taken up with exercising which will take the kinks out of the muscles which have become so sluggish through lack of use in the past several months. This period will be followed with elementary points of football and will include passing, kicking, running, blocking, tackling, and handling the ball. The same procedure will follow the noon lunch with a few plays mixed in with the practice period. After a rest period and supper the athletes will devote one hour to the study of some high school subject which they will take the coming term. All the boys will be in bed by ten o'clock each night to insure them plenty of wholesome rest.

Coach Stocking is very optimistic over this year's prospects and states that the 1930 Broncho team will show the Clarendon fans the snappiest bunch of hustling players they have witnessed in a number of years. The whole team and coaching staff are out to win the championship this year and the

### Roundabout

Rumor has it that the thermometer on the Goldston corner is no longer accurate. The heated political discussions that have taken place nearby in the past weeks have so distorted the bulb that the record shown can no longer be depended upon.

A characteristic Ferguson crowd was to be seen in Clarendon last Tuesday afternoon, long before the time for the beginning of the speaking.

Ringside seats were at a premium at the Ferguson event Tuesday night. Enterprising boys found a thing they most desired when they appeared on the roof of the porch directly above the speaker's platform.

The crowd Tuesday night was eminently pro-Ferguson, caring little for preliminary remarks or introductions. They were almost sullen until the speaking started.

One woman said Wednesday morning that she had planned to hear the speech Tuesday night and that she got within three or four seats of the very front row, but could not hear a word that was said for the conversations going on around her. She said that she came to the conclusion that the great part of the visitors came in for a "sit-together" rather than hear the address.

Miss Margaret Gladden of Wewoka, Okla., arrived Tuesday to be the guest of Miss Leta Verne Martin. Miss Gladden is to be a member of the Martin-Wewoka wedding party.

A press table with its attendant newspaper representatives was a new sight to a great part of the crowd Tuesday evening.

For a time Tuesday night it appeared that the speaking was to be without lights until a call was put in for electricians and wires were strung to give the crowd more light than was available at the time.

The first speech to be broadcast from Clarendon by remote control was the one put out here last Tuesday over WDAG at Amarillo.

The usual roystering crowd generally expected at a Ferguson speaking was not in its place Tuesday night much to the surprise of many of those present. A great majority holding their applause with very few becoming eloquent in their cheers.

Immediately following a sudden removal of effects from a business house on Sully Street last Sunday night the owner was seen busily engaged in placing a new lock on the door. Fearing to question him too closely, a member of the News force asked a neighbor what reason could be given for this action. The answer received indicated that the owner was placing the lock that the one-time renter might be kept out rather than to keep the building intact.

Miss Margaret Gladden of Wewoka, Okla., arrived Tuesday to be the guest of Miss Leta Verne Martin. Miss Gladden is to be a member of the Martin-Wewoka wedding party.
