Idalou Downs Whirlwinds, 14-7

'Cats Lead District 4-AA Race, Vision District Crown

Oh, yes, that specific trio of Idalou players. Well, Bryant and Hobbs did nothing different than to what they have been doing to opponents all season long. Together, they rushed for 242 yards and a pair of Tds. But the humble Brett Baker? Well, all he did was pick off a pass in the end zone that might have tied or even won the contest (with a two-point conversion) for the Whirlwinds with seven minutes to play.

The victory put Idalou in an ideal spot in the District 4-AA standings—undefeated and untied. Each of the teams with the exception of the 1-0 Tulia Hornets, has lost a district game.

In a sense, the win by Idalou was ironic. You see, the last time the Whirlwinds entered the field through a multi-colored "REVENGE" sign, they proceeded to trounce their arch-rivals, the Lockney Longhorns by a score of 43-8. But, alas that was in 1975. This time, it was a narrow victory by the Wildcats.

But the Idalou fans displayed not a lack, but an increase, in enthusiasm. Green-and-gold backers waved green-and-yellow colored pom-poms, thrust green-and-yellow colored balloons into the air, and even sported a mascot.

The downfall for the Whirlwinds began on Idalou's opening offensive series of the second half. With the score tied 7 the Wildcats, behind the unstoppable rushing efforts of Bryant and Hobbs staged the most important drive of the game as they moved 68 yards in 15 plays for the go-ahead score. The march consumed 303 on the clock and was accomplished through sheer running power. Only one pass was thrown on the drive, which later proved to be the only pass attempt of the game for the 'Cats.

But Floydada came storming back in the final period.

Junior Arredondo galloped 32 yards around his own right end to put his Whirlwinds in business at midfield with slightly more than eight minutes to play. Floydada could gain but three yards on the ensuing three downs, but the gain was significant in helping to pin the Wildcats deep in their own territory following a Jimmy Jackson punt. Two plays after the punt, Hobbs fumbled, and Kary Helms pounced on the loose ball at the 9-yard line for the Whirlwinds.

Todd Vickers found Mac Collins for a 16-yard pickup to three, but on third and goal from the three, Baker saved the day for Idalou when he alertly intercepted an aerial intended for Mark Beedy in the end zone.

FIRST HALF

Both teams were held scoreless in the opening period of the play, but Idalou began what was to be a long touchdown drive in the closing stages of the first quarter.

The Wildcats fielded Jackson's 48-yard punt on their own 28 with five minutes to play in the period, where they immediately went to work.

Hobbs dashed four yards, then Bryant picked up another six for a first down. Bryant then swept right for 11 yards and a first down, but an illegal procedure penalty set the 'Cats back five yards to midfield.

But on a crucial third-and-three play moments later, Bryant squirmed three more yards to pick up a needed first down and keep the drive alive.

Hobbs picked up a fourth Idalou first down later, only this time on a fourth-and-one situation. The big full-

back lunged four yards for that first, then scooted three more to end the first period.

The biggest play of the drive had to be the TD itself. Hobbs, with Idalou facing second-and-six from the Floydada 10, burst 10 yards off left tackle into the end zone for the Wildcat tally.

Scotty Moore tacked on the extra point to give Idalou a temporary 7-0 advantage with 8:38 to play in the first half.

But the second quarter really belonged to the Whirlwinds.

Floydada took the ensuing kickoff and drove 67 yards only six plays for the tying TD with time running down in the first half.

On the first play of the march, Mac Collins surged ahead for five, then Vickers found Arredondo sandwiched between a pair of Idalou defenders at the Wildcat 24 for a beautiful 38-yard pass gain and a first down.

Three plays later, Vickers found Beedy wide-open in the end zone for a

score with 1:38 to play. Joey Luna booted the conversion kick, and the score was tied again at 7.

HALFTIME

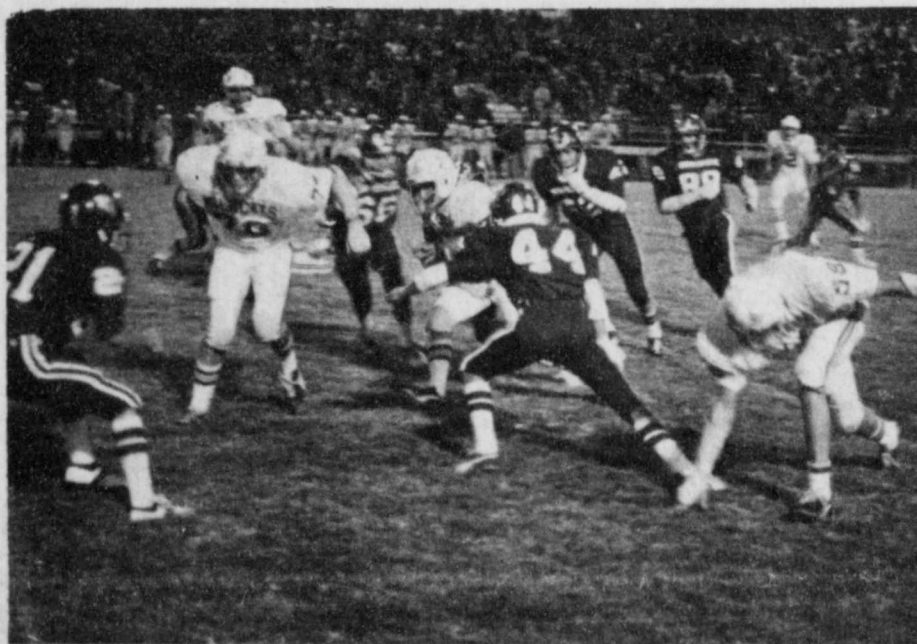

Both bands did an excellent job of entertaining the Wester Field crowd of 3,000-plus during halftime festivities. Floydada ended its performance with an impressive trombone solo by Jett Cheek, then the entire band complemented the solo with the playing of "Isn't She Lovely?"

Joe's Doughnut Industry Rising

By Wendell Tooley

Joe Hesson has been in the food business in Floydada some ten years and has now developed his doughnut business into a 160 mile route each night that serves doughnuts to several area towns.

He delivers doughnuts to Minit Mart and Allsups in Floydada, plus Allsups stores in Crosbyton, Ralls, Lorenzo, Petersburg, Abernathy, Hale Center, and five stores in Plainview, and Lockney.

Joe and his wife make some 80 dozen doughnuts and 30 dozen cinnamon rolls per day. They start making doughnuts about 3 p.m. each day in preparation of the night delivery. Also working in the business are: Tony, Terri, & Michelle (children).

The Hessons first owned and operated Tastee Freez when they moved to Floydada. Before selling the Tastee Freez they opened Joe's Grocery and Delicatessen.

EXPANDING BUSINESS
Joe is in the process of opening a new store in Snyder at 4204 College Avenue that will be named "Uncle Joe's House of Doughnuts".

It is quite possible that he will develop a doughnut route out of Snyder.

Yes, Joe really operates a "rising business".

Jerry Cannons Get-Acquainted Tea

An informal Get Acquainted Tea will honor Jerry and Sherree Cannon on Sunday October 29 from 2:30 to 4:30 in Wall Street Parlor at 400 South Wall

"Annie Get Your Gun" Opens Friday Night

Floydada High School will present a community theatre production of "Annie Get Your Gun" on Friday, November 3rd and Saturday, November 4th at 8:00 p.m. in the F.H.S. auditorium. Reserved seat tickets are on sale for \$3.00 and general admission seating may be purchased at the door for \$1.50.

Too often adults with talent have no opportunity to participate in theatrical productions. For this reason "Annie Get Your Gun", a show with a large cast and a great challenge for actors of any age was chosen. The show has received generous backing from the Lions Club, The American Legion, Mr. Wendell Tooley, The 1956 Study Club and the Womens Chamber of Commerce. Without their support a Roger's and Hammerstein production would be impossible.

The story centers around Annie Oakley a shy and awkward girl who comes to town hoping to sell quail and ends up winning a shooting match with a handsome, famous sharpshooter named Frank Butler. She falls in love and joins Buffalo Bill's Wild West Show. But her stardom puts a great strain on Frank's love for her. Only when Annie realizes that men don't like to be beaten by women does she find happiness.

Members of the cast are Tammy Payne as the awkward but excellent shot Annie Oakley and Kalvin Dick as the famous sharpshooter. Bernise Walters plays the part of the willy business manager, Charlie Davenport while Buffalo Bill, the owner of the famous Wild West Show is played by Jett Cheek. Pawnee Bill, Buffalo Bill's rival is played by Troy Neeley. The short on Frank's jealous assistant is portrayed by Theresa Whiteley. Mike Samford plays Wilson the skeptical proprietor of a hotel. LeAnn Neeley plays the society Queen as Mrs. Scheeler Adams. While Margaret Amonett plays Mrs. Sylvia Patter-Porter an aging debutante. Annie's sisters are played by Leeta Adams as Minnie, Angie Neff as Nellie, Dara Carthel as Jessie. Kyle Adams plays Annie's charming brother Jake. Two Indian Squaws are played by Penny Kirtley and Deanne Howard. Jeff Moss plays Mac, Charlie's general

flunkie.

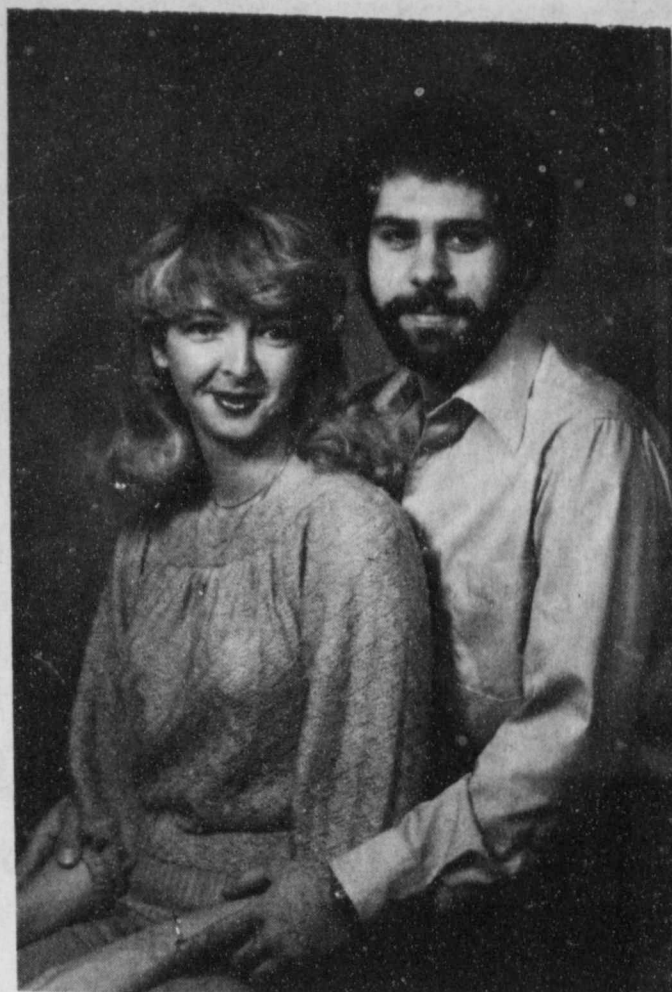

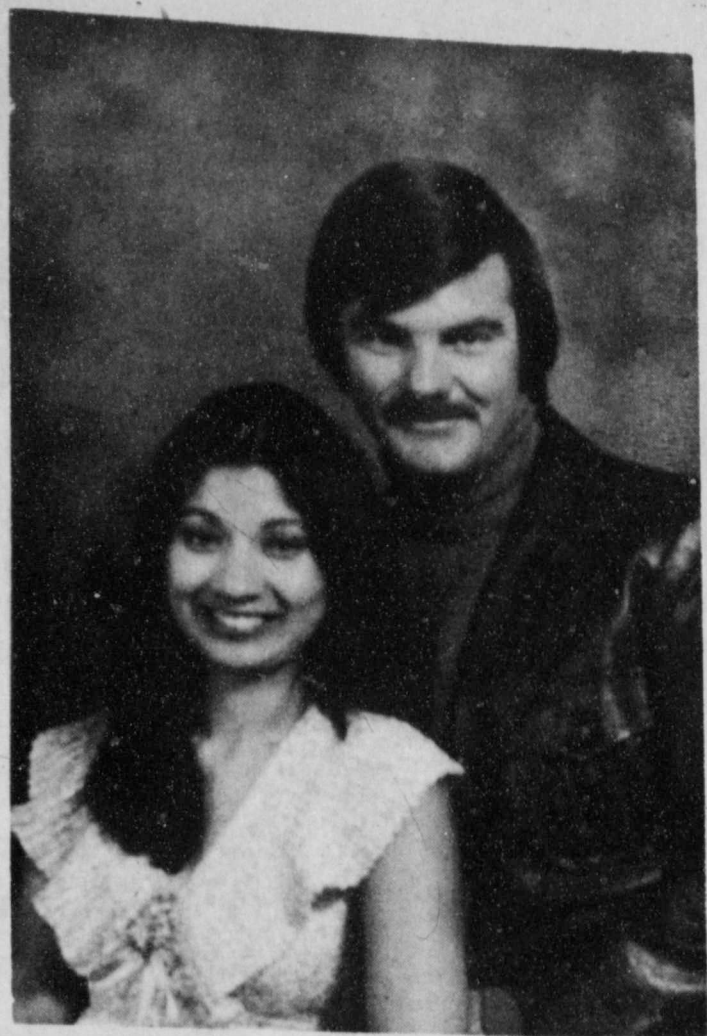

Other cast members are Spring Lipham, Devyn Neely, Marc Amonett, Alex Amonett, Scott Neeley, and Lonnie Adams as children. Singers and dancers for the show are Sally Bagwell, Julianne Lipham, Debbie Dobbins, Penny Kirtley, Leeta Adams, Lisa Mayo, and Amy Jones.

The Breezers failed to make either to their of their two-point conversion, which in the end, proved to be the difference in the outcome.

Coach Martin was in Seymour Saturday and was unavailable for comment on his 8th grader's win, but Brownlee praised the efforts of running backs Bruce Williams, who rushed for over 186 yards, and Mike Salazar. Brownlee said that the defense of the 8th grade team was strong, and that the Breezers did a good job of knocking the Paducah team from its unbeaten status.

his vast radio and television audiences. Truly this is a special message by a special person. He has been a prolific writer and it is a pleasure to look at life through his eyes.

CRYING WIND is the story of a young Indian girl abandoned to her grandmother's care by parents who did not want her. She describes herself as a worthless halfbreed; two people trying to live in one body.

At fifteen, Crying Wind is forced to leave the reservation and move into a large city after her grandmother's death. Friendless, jobless, and penniless, she tries to commit suicide. In the yellow pages, she recognizes a church's address and hesitantly approaches the pastor. The story of Crying Wind's struggle to remain loyal to old Indian ways, yet accept the ways of her new friends, is written with sensitivity and insight. The author is now married to Don Stafford, is the mother of four children under the age of five and a freelance writer. She is also an artist and has had many of her paintings depicting Indian life exhibited in art shows and museums in several states.

Winds, 14-7

(From Page One)

the Wildcats staged their remarkable, time-consuming 68-yard drive, the Floydada offense gave it back to the Wildcats on a fumble by Vickers, who was sacked on the play by the Wildcats.

The Wildcats moved the ball down the field to the 21 yard line, but on fourth down FHS took over on its own 19 yard line. An unnecessary roughness penalty set the Wildcats back to their 25 yard line. Arredondo exploded for 14 yards, then Vickers hit Helms for a 14 yard pickup and a first down at the 39 yard line.

Two plays later, Idalou's Tracy picked off a Vickers pass and the Wildcats scrambled 10-yards to end the quarter.

The Wildcats soon had to punt, and Floydada took the kick on its own 18 yard line. The Wildcats put together a 10-play, 75-yard drive, threatening the end zone.

The Wildcats had another chance to score. After Vickers was sacked by Idalou defenders for a 10-yard loss back on his 25, he two plays later (on fourth and 15) found a sideline pass for a pickup of 10 yards.

At that point, about 3,000 people's eyes were focused on the first down. It was revealed that the Wildcats were two yards shy of the end zone. Idalou took over on 3rd and 1, and proceeded to run the clock.

"TODAY"

My life is a gift of God, given not in years, but a day at a time. Today is the day the Lord has made for me and He planned it to be the most important day of my life.

Yesterday is gone, never to return. I must not worry about it but leave it in the hands of God. Tomorrow and all that it holds is God's secret and its coming is not assured.

Only today is mine. Each day arranged by God, with infinite wisdom and goodness is His gift, His act of love for me. In thanksgiving, I will offer Him every day the gift of myself--my prayers, work, joys and sufferings.

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded."
