Woman, 74, Is Burned Aboard Boat

A 74-year-old woman from Tucson, Ariz., was seriously burned Sunday in an explosion on board a bay shrimp boat being refueled at the boat basin here.

Mrs. Roy Magee was listed in fair condition Sunday night at Lyman Roberts Hospital in Aransas Pass. Her husband was treated for burns and released, as were the boat's owner and his wife, Mr. and Mrs. L. T. Fields of Rockport.

Police Sgt. Daniel Vargas said Fields' boat had been fueled when the motor was started, causing the explosion about 5:30 p.m. The boat itself did not burn, although windows and screens were blown out, Vargas said.

Vargas said Mrs. Magee was inside the boat at the time. She and her husband apparently were visiting from Arizona, he said. Fields was burned only slightly on the hand, while Mrs. Fields had burns on the leg and ankle, he said.

Cause of the explosion was not known Sunday night, although Vargas believed it might have been caused by a slow fuel leak.

Junior High School Registration

Students who will be in the sixth, seventh, or eighth grade during the 1971-1972 school year and did not complete the 1970-1971 school year in Aransas County Schools are asked to come to the Junior High School office in order to be registered for classes which begin August 30 at 8:10 a.m. Office hours are 8-12, 1-4. New students should bring any information such as report cards, immunization record, etc. from the last school attended. Students who did attend the Rockport-Fulton Junior High School, Fulton Elementary School or Rockport Elementary School have already been registered and need not come to the Junior High School until the opening day of school.

Students who did not receive report cards at the close of the 1970-1971 school year because of unpaid fees may come to the Junior High School office and pay these fees.

Sixth Graders To One School

All sixth grade students in the Aransas County Independent School District will attend school this year in the recently completed building at the Junior High School. Sixth grade students will be furnished transportation in the same manner as other Junior High School students.

Any sixth grade student who was not enrolled at either Rockport Elementary School at the close of last school year or Fulton Elementary School should go to the Junior High School and register as soon as possible.

To Install Blinker Lights Near School

At the request of Supt. of Schools J. D. Gray, the City Council Monday approved the installation of two caution blinker lights on Highway 35 near the entrance to Rockport-Fulton High School and Junior High School.

The lights, to be installed at the school district's expense, will be installed as follows:

On the west side of Highway 35, 1,000 feet north of the school area, and on the east of the highway, 1,000 feet south of the school area. There is an unusually heavy flow of school traffic in this area between 7:30 and 8:30 a.m. and 3 and 4 p.m.

NOTICE

A Christ for Youth Revival will be held August 20-22 at 7:30 p.m. at the Rockport Church of God.

Revaluation Survey Being Considered

Three taxing agents, the school, city and county, are considering a cooperative property revaluation survey.

A six-member fact-finding committee has been appointed to study the proposal and submit recommendations back to their respective governmental units.

Representing Aransas County will be Commissioners W. B. Allen and Raymond Owens. Members from Aransas County School District are Tom Rogers and Mrs. Alma Johnson and Mrs. Tony Harden and Herman Johnson are members of the study committee from the City of Rockport.

Equalizing property values for tax assessment by the three agencies will be the goal of the valuation survey if it is undertaken, said County Judge Johnnie Wendell.

Some of the taxing agencies are now using the 1959 square-foot construction costs to appraise the market value of new construction.

Pirate Football News

By Bob Crawford

High school football will be opening its playing season in a few short weeks, but supporters of the Rockport-Fulton Pirates have some extra things to consider about the coming season. Not only do they have the prospects for a good football team to look forward to, but the schedule of the Pirates contains some of the most powerful talent in Texas football. No doubt, the Pirates can match schedules with any team.

In back-to-back weeks the Pirates will face the teams picked by the Texas High School Coaches Association to win the top positions in Class "A." In Poth and the Co-State Champs, the Refugio Bobcats, who are again tabbed to take all the marbles in December in Class "AA." Another reliable source, TEXAS FOOTBALL magazine, picks Refugio for the top spot, but does not share the choice in Class A.

TEXAS FOOTBALL magazine also supplies some of the following concerning the pre-season and regular sea-

Pirates. Beginning on August 27, the Pirates will compete in two scrimmage games with Flour Bluff and Bloomington, both of which had winning seasons last year, and both are expected to challenge in their respective districts. Flour Bluff in 15 AAA, and Bloomington in the same district with Refugio. The Pirates scrimmage will be at Flour Bluff at 6:30 on the 27th, and Pirate Stadium will be the site of the Bloomington square-off on September 3 at a time to be decided later.

The first regular season game will be against the Panthers of Aransas Pass (2-8 in 1970) at AP. The Panthers are picked to finish last in District 15-AAA, but when the Pirates and Panthers play, anything can happen.

The second opponent for the Pirates in the 1971 season will be the Taft Grayhounds (6-4 in 1970) which are picked to finish just ahead of Aransas Pass. The game will be played at Pirate Stadium on September 17.

Powerful Poth will host Rockport-Fulton in the third game of the year.

Game 5 of the 1971 season will bring State Co-Champ Refugio to town. October 1 is the date for that showdown.

The Palacios Sharks come to Rockport for game 5. The Sharks which had a 7-3 re-

Golf News

Live Oak Country Club will hold its first annual two-day member-guest golf tournament Aug. 28-29.

It will be dubbed the Celia Plus One Invitational. It was scheduled for last year but was scrubbed out by the hurricane last year.

Entry deadline for the event will be 7 p.m., Aug. 24. It will be a two-man team low ball affair.

NEWS DEADLINE TUESDAY NOON

For the first time in its history the Rockport Pilot soon will change its method of printing from letterpress to offset.

This will mean that in order to have the paper ready for distribution on Thursday morning, we will have to receive news items and ad copy — both classified and display — earlier than in the past.

The ABSOLUTE DEADLINE for news items and ads will be TUESDAY NOON.

One way people can help us and make sure that their news items appear in the paper is this; if your club or organization holds a meeting on Wednesday, Thursday or Friday, write up an article or bring the facts to the Pilot the FOLLOWING DAY, not several days later.

We think you will like the appearance of the offset Pilot better than the old letterpress issues. For one thing, it will take less time to get pictures published.

But we will need your cooperation and we know we can count on getting it.

Masons to Build Lodge Addition

Members of Rockport Lodge No. 323, A.F. & A.M., have voted to construct an addition to the lodge building and already have subscribed \$3,673.48 toward a goal of \$7,000.

Plans for the addition are being completed in four stages; The concrete slab 25' x 75' has been laid. The concrete blocked with openings for doors and windows is being erected now; the steel arches will support the roof which will be of the same type as original building.

The lodge is the general contractor and subletting the bids, all the work is to be done by local labor. The inside of the building is to be finished by the members. The members have done the plumbing for additional washrooms.

A donated air conditioning cooling fan and unit has been installed on the roof. A flag pole is erected to fly the United States Flag on proper occasions. A guard light has been installed at the building.

A commode, lavatory, kitchen and paneling are required to complete the inside. Anyone having any of these items, if you will contact Ernest Davenport at 729-2469 he will pick them up.

Pirate Band Rehearsal Schedule

Band rehearsals for the Rockport-Fulton Fighting Pirate Band will be held August 23 through 27 from 7 to 9 P.M. in the Band Hall.

All members who will be in the Fighting Pirate Band are required to attend these rehearsals. Anyone who has a conflict with the schedule must contact one of the directors at the Band Hall before 7 P.M., August 23. These rehearsals are vital in helping the directors select members for the Fighting Pirate Marching Band.

The schedule is as follows:

Monday - August 23 7:00 to 9:00 P.M.

Tuesday - August 24 7:00 to 9:00 P.M.

Wednesday - August 25 NO REHEARSAL

Thursday - August 26 7:00 to 9:00 P.M.

Friday - August 27 7:00 to 9:00 P.M.

City Employs New Patrolman

Following the resignation of Patrolman Tom Vannoy, the City Council Monday voted to employ Daniel F. Sullivan,

21, of Ingleside to take his place in the Police Department. Sullivan has been serving as a radio dispatcher for the Ingleside Police Department. He is now attending the Coastal Bend Regional Law Enforcement Training School at Sinton. Sullivan is married.

New Pastor at Calvary Baptist

The Rev. C. J. Molmen has been called as the new pastor of Calvary Baptist Church. He comes from Irving, Texas where he was pastor of the Westside Baptist Mission for over three years. It is an extension of Hampton Place Baptist Church in Dallas.

Before going to Westside, Rev. Molmen served as music minister for Pioneer Drive Baptist Church in Irving. He is a member of the Irving Masonic Lodge No. 1218.

Calvary Baptist Church wishes to extend a warm invitation for everyone to visit with them.

Commissioners Court Holds Meeting

Aransas County Commissioners W. B. Allen, Mrs. Wanda Sparks, Raymond Owens and Charlie Hale met Aug. 13 at the Courthouse.

A letter from the City of Rockport was read requesting that the city streets outlined on a special map be resurfaced and rebuilt prior to Oct. 1.

Commissioner Owens reported that one of the county jeeps used for mosquito control had broken down and he suggested that an old jeep be purchased for parts. The other commissioners agreed.

Gene Carter is a patient at Memorial Medical Center after being injured, in a fall while working at Jackson Sea Food Company.

Dress Code for Sr.-Jr. High

Students and parents of the Rockport-Fulton High School and Rockport-Fulton Junior High School students are reminded of the following dress and attendance regulations relative to absentees or non-attendance at school.

Student Handbooks will be provided for each student enrolled in the junior and senior high school the first day of school or on the day they report for classes. Students and parents are asked to read this guide together to provide for a better learning situation.

Much time, effort, and thought has been given to the items covered in this information booklet. Please ask your child for this handbook and go over the items covered so that all may work together in harmony to provide a better learning atmosphere for your child and a better community of understanding!

Proper school wear for girls should be dresses, skirts, blouses and slacks or blue-jeans cut in an acceptable manner so as not to be distracting to the school learning situation for the student or other students. Short skirts or skirts shorter than the accepted local style or fashion at the present time is not acceptable school wear. Shorts will not be worn.

The suggested hem length of the dress or skirt is for the hem to be not more than three inches above the center of the kneecap when the student stands erectly. Attention is called to the fact that because of growth, a dress or skirt barely meeting the standards could be one unacceptable in a short time. Blouses cut in a dress shirt pattern should be tucked in.

Boys with beards, mustaches and distracting or unkempt hair style are not acceptable school wear and will not be permitted. Head bands are not permitted.

Boys should wear belts and all shirts cut on a dress shirt pattern or any other shirt of excessive length should be tucked in trousers. All but the top collar button should be buttoned. Socks and shoes must be worn.

Clothing or accessories that (Continued on Page 8)

SCHOOL IMMUNIZATION POLICY

All pupils entering the Aransas County Schools for the first time must furnish evidence of immunization against diphtheria, tetanus and smallpox as a prerequisite to enrollment. Students who have not received the above immunization will be given 14 calendar days after enrolling to begin the series and complete the series as soon as medically feasible.

Immunization or evidence of having had the illness will be required of all students by January 1, as follows:

Polio: 3 doses, with one dose received since the fourth birthday and no booster required.

DPT or TD: 3 doses, with one dose received since the fourth birthday and a booster every ten (10) years. TD only for persons over six (6) years of age.

Measles: One (1) dose or illness, no booster

Rubella (3 day or German): One (1) dose or illness, no booster

Small Pox: One (1) dose every ten years.

Aransas County Plans Workshop On 1972 Budget

The Aransas County Commissioners Court will hold at least one more workshop on the proposed 1972 county budget prior to the public hearing scheduled for late this month.

The assessment rate for county taxation has been raised from 20 to 25 per cent of fair market value. County Judge John D. Wendell said the court hopes to lower the present tax rate from \$1.10 on each \$100 valuation to \$1.05 and possibly \$1.

"We are losing tax valuation on oil and gas properties," Wendell said. "Fortunately we have enough development going on in the county, like Key Allegro and Harbor Oaks, to just about keep us even."

Memorial Fish Fry Set for August 22

On Sunday, Aug. 22 at the Fulton Yacht Basin the Fulton Lions Club will hold its annual fish fry which has been designated the Zeph Rouquette fish fry in memory of the late Zeph Rouquette who was a charter member of the Fulton Lions and an active participant for many years.

Zeph was a native of Fulton and his first years in school were in the building which is now the Fulton Lions Clubhouse.

The fish fry will start at 11 a.m. and continue as long as the fish lasts. Price per plate, including all the trimmings, will be \$1.50

Old Fire Station

Property for Sale

The City is going to try again to sell the old fire station property.

The first time the City advertised for bids, Mr. and Mrs. Denver Agler, owners of Corky's Restaurant, offered \$7,778. The City Council rejected the bid, stating that the property was worth at least \$10,000.

Next, the City advertised again, this time stating that a minimum bid of \$10,000 would be considered. No one bid.

This week the City Council decided to advertise again and not set any minimum.

Motel Association To Hold Meeting

The Rockport-Fulton Motel Association will hold its next meeting at the City Hall, Tuesday, August 24 at 8 p.m.

Those who are not members are urged to attend, as well as past members. Advertising our area will be discussed, along with motel operations since Hurricane Celia.

High School Registration

All new students who are planning on attending Rockport-Fulton High School should be registered as of today. Those students who have not registered should do so as soon as possible in the high school principal's office.

The office will be open from 8 a.m. to 12 and from 1 to 4 p.m. on weekdays. New students are those students who did NOT attend any of the Aransas County Public Schools this past year.

New students should bring their report cards, book card, and health record showing proof of having immunization for smallpox, tetanus, and diphtheria. It is recommended that you also bring records showing polio immunization (oral) as this immunization will be required on January 1.

All new students should be enrolled before August 28 as school will begin on August 30, and pupils should be prepared to meet all their classes the first day of school.

"Generation Gap" Talk Given

A 30-year-old California public school teacher, who described himself as being "between the generation gap," talked on that subject at a luncheon meeting of Rotary Club Wednesday at Corky's Restaurant.

Cox, son of the local attorney by the same name teaches history and philosophy in the San Rafael High school and admits that he really is not at all sure how well he understands the younger generation although he is in daily contact with its members.

Wilcox said, "cultural gap" probably describes the situation better than "generation gap" pointing out that today's young people have an entirely different background culturally and economically than their parents. The majority have been raised in relative affluence and have never known what it is to want material things.

Wilcox said that most parents want their children to have everything they lacked when they were growing up. Yet children are bored with affluence. They reject materialism and see themselves as completely free agents, although actually they are strongly influenced by their environment according to Wilcox.

He said today's kids are forever searching for ways to express themselves. As a result they reject established values whether in social behavior, religion or education. Wilcox believes that television is one of the major influences in both the cultural gap and lack of communication with their elders.

He says television really dominates people's lives, monopolizing their time and leading them to believe that all problems can be solved in 30 minutes—the average length of a TV program.

Wilcox also said the Vietnam war and the civil rights program were two subjects on which young people are "hung up." To them Vietnam represents an adventure in imperialism, the whole civil rights program means an effort to equalize economic opportunity for the underprivileged. He said busing school children does not bother them, and they don't understand why their parents are so disturbed about it.

Wilcox concluded by saying that today's high school student (Continued on Page 8)

The City Council Monday night approved paving State Street from Highway 35 to North Magnolia Street.

The Planning and Zoning Commission Monday recommended that the City Council pass an ordinance prohibiting for the location of mobile homes within the city limits except in mobile home parks or following a disaster such as Hurricane Celia.

The recommendation made by Commission members Seth Steele, Tom Rogers, Joel Mixon and Jimmy Hunt stated:

"The Planning and Zoning Commission recommends that an ordinance be passed specifying that in the future no permits, special or otherwise, for the location of mobile homes within the city limits of Rockport be granted for any reason other than those associated with a disaster proclamation.

"If permits associated with a disaster proclamation be granted they should be for a time not to exceed the time allowed free possession by Federal or state authorities.

"The ordinance also should provide for city-approved mobile home parks and/or travel trailer parks."

Aldermen Mrs. J. W. "Tony" Harden, Charlie Garrett and Joe "Pepe" Zambrano took the recommendation under consideration for future action by all members of the City Council. Mayor Delmar R. Hiller and Alderman N. F. Jackson were not present.

The recommendation followed suggested approval by the Commission of an application for a special permit for location of a mobile home within the city limits, and a request to rezone four lots.

The City Council concurred and approved:

1. Application of Wayne E. Collins to rezone lots 4, 5, 12 and 13, block 127, Doughty and Mathis Addition, from Residential R-2 to Business B-2. Collins was granted a limited use permit to establish a business for the sale of boats, boat trailers and outdoor motors.

2. Application of Mamie B. Rinche for a special permit to locate a mobile home on her property, lots 3, 4 and 5, block 53, Smith and Wood Addition.

Teaching Staff School Begins

All teachers, teacher aides, and library clerks will begin work on Monday, August 23rd. The full week will be devoted to In-Service programs.

On Monday, all new teachers in the school system will meet in Room 20 of the Junior High School at 8:30 a.m. for an orientation meeting. At 10:00 all above named employees will meet in the High School Auditorium for a general faculty meeting. At 1:00 personnel will meet with the building Principal to discuss school policies.

On Tuesday, all personnel will go to Ingleside to participate in the Ninth Annual Co-Operative In-Service Program. This is a joint program involving personnel from the Ingleside District, Aransas Pass District, and the Aransas County District.

On Wednesday, Thursday, and Friday, teachers will be involved in various programs of orientation on the campus to which they are assigned.

All students will report for the opening of the 1971-1972 school year at 8:10 a.m. on Monday, August 30. Students should come prepared for a full day of school. The buses will make their runs and the cafeterias will serve meals.

ANNUALS ON SALE

Annuals will be on sale Friday, August 20, at the High School office from 2 to 4 p.m. The price is \$6.25. All checks may be made out to the Annual Staff. Snapshots and photos will be on sale at this time. Baby pictures may also be picked up.

Art Guild Gatherings

By
JAN WENDELL

Due to vacations, illness and members hither, there and yon, the Rockport Art Association has not been able to have a regular business meeting, nor has a newsletter been sent to members. The newsletter awaits completing the run-down of the Art Festival and will be sent in completion as soon as all outstanding bills have been paid.

The members of the Association have been invited to have their annual Labor Day Sale at the new Rockport Racquet and Yacht Club located at the property formerly owned by Mrs. Sibyl Means on North Fulton Beach Road. Global Land Corporation has extended this invitation and it is strictly on a

voluntary basis. Artists may set up and exhibit under the live oaks and sell on Saturday, Sept. 4 from noon until 7 p.m. and on Sunday Sept. 5 from noon until 5 p.m.

If any member is interested and would like further information on the Labor Day Sale, please call the Association Gallery, 729-2478.

The Rockport Art Association lost another of its members two weeks ago. Barnes Hoff passed away in a Corpus Christi hospital after a long illness. Hoff was an exceptionally fine wood worker and sculptor. He will be missed.

Cheese has been a food for thousands of years.

Wildlife Secretaries Hold Meeting

Friday, August 13th, a Regional meeting of secretaries of the Wildlife Services, Parks and Wildlife Department was held here.

Those attending were Mesdames Mary Wied, Janet Smith, De Ann Stettler, Jean Faye McLead, Elaine Smith, Elaine Le Blanc, Marion Jeffers, Dolores Kleypas of Rockport; Susan Cissna and Teresa O'Brien of Corpus Christi; Judy McKay, Sharon Klefforth and Alleen Jordan of San Antonio; Gladys Vanlandingham of Edinburg and Maria Pope of Brownsville.

Thursday evening the group was entertained with a dinner in the home of Mr. and Mrs. Tom D. Moore.

Pirate Band News

The Fighting Pirate Band recently returned from Camp La Junta, Hunt, Texas, where under the able leadership of the new band directors, Gerald Willis and Bill Phillips it began preparing for the coming season.

Despite the rainy weather, one hundred band members went through three days of marching and concert practice. In addition the band has begun night practice in order to be ready to perform in most excellent fashion for the community.

Last year there were 235 parents, some just interested band boosters — some band citizens — whose membership fees helped make the band trip and other activities possible for these young people.

Very soon you may be asked to be a band booster or, don't wait to be asked — contact any band member — join in and support your band.

Mrs. Ruth Hayden and Miss Kathy Hayden returned Tuesday from Maracaibo, Venezuela, South American after a seven-week visit with Mr. and Mrs. James Jones and family.

Miss Karen Hayden, Charles E. Peters Exchange Wedding Vows Friday

In a candlelight ceremony Friday night at the First Presbyterian Church, Miss Karen Lynne Hayden became the bride of Charles Edward Peters of Aransas Pass.

The bride is the daughter of Mr. and Mrs. James N. Hayden and the groom is the son of Mrs. Marianne Peters of Aransas Pass and Arthur Peters, Houston.

Rev. Cecil Lang, pastor, read the double ring vows before an altar decked with two candelabra and a standing basket of gladioli, carnations and mums.

Miss Lynn Lang played the "Love Story" theme and "Romeo and Juliet" theme.

Given in marriage by her father, the bride wore a gown of Alencon lace and seed pearls over peau de soie with

scooped neckline and Juliet sleeves of organza and lace. Her floor length train fell from the shoulders. Her shoulder length veil of illusion fell from a crown of pearls. She carried a cascade bouquet of white pom poms, pink sweetheart roses and English Ivy.

Miss Susan Lassiter was maid of honor and bridesmaids were Misses Kathy Hayden, sister of the bride, Linda Ballou, Debra Everett and Mrs. John Olson. They wore formal length rainbow lavender, pink, yellow and peach Mira-miss over taffeta with Juliet sleeves and scooped neck. They carried multi-colored carnations and English Ivy.

Serving the groom as best man was Robert Barker. Groomsmen were James Peters, John Mayhall, Bill Thwing and John Olson of Aransas Pass.

Ushers were Arthur Chapell, Greg Upton and Ken Peters. Following the ceremony in the fellowship hall of the church a reception was held. The bride's table was laid with white lace over satin and held the three tiered wedding cake, punch and arrangement of multi-colored flowers. The groom's table was laid with lace over gold satin and held the German chocolate cake and coffee. Those in the houseparty were Misses Jacki Sharp, Patty Oakman, Pamela Griffiths, Ellen McElveen, Cindy Henry and Kim Hayden.

For her going-away attire the bride chose a multi-colored pant suit.

After a wedding trip to Houston the couple will be at home in Aransas Pass where he is employed by Lloyd W. Richardson Construction Co. She is a graduate of Rockport-Fulton High School and he is a graduate of M. B. Tamar School in Houston.

Roy Smith to Attend ACS Meet

Roy Smith will represent the Aransas County Unit of the American Cancer Society at the Twenty-Sixth Division Annual Meeting of the Society, August 25-26 at the Shamrock Hilton Hotel Houston. He will join more than 300 delegates during the two day session.

The meeting will begin with a board and membership orientation followed by group sessions for Service and Rehabilitation, Public and Professional Education, Campaign and Public Information. Kent Copenhaver, Brownsville, Chairman of the Board of the Texas Division, said the sessions are designed to help the volunteer leadership expand cancer control programs wherever they exist.

Thirty-six committee, membership, district and board meetings are scheduled during the two day meeting. The 110-member Board of Directors, attending to the business of the Society, will elect officers. Directors-at-Large and Executive Committee members. Delegates will also hear three cancer physicians present cancer cases and discuss rehabilitation of the cancer patient after treatment.

The highlight of the meeting will be a dinner address by Doctor Grover Bynum of Austin, Texas, President of the Texas Division of the American Cancer Society.

Doctor Bynum has been active in the Society since 1962 and has served as chairman of three different division committees: Public Education, Public Information and Medical and Scientific. A graduate of Tulane University where he earned his M. D., Doctor Bynum served his residency at the Mayo Clinic.

Sun Is Their Undoing

Skin cancer, the most common cancer, is caused mostly by overexposure to sunlight. So, sun worshippers, if you are under the sun for long periods, use protective creams on exposed skin; and if you work outdoors, wear a hat and protective clothing as well. This way you can prevent skin cancer, says the American Cancer Society.

Skin Changes Are Warnings

If you have a fair complexion that sunburns rather than tans; if you have to be (or wish to be) out in the sun all the time—watch out for skin cancer, warns the American Cancer Society. If local changes occur on your skin—most often face, hands or lips—see your doctor if they do not clear up in two weeks.

Fix-It Tips

Touch-up painting with paint or lacquer not only brightens up the kitchen or cabinets, but protects the wood against destructive influences of air and moisture. Some women balk at the chore because of the messy problem of paint spots on themselves. Before painting, rub protective cream on your hands and arms. The film of cream makes it easier to remove paint from your skin when you've finished painting.

350 Birds Found Dead on Island

More than 350 dead or dying birds have been reported on a series of tiny islands just outside the Aransas National Wildlife Refuge.

Kirke King of Victoria, research biologist for the Department of Sport Fisheries and Wildlife, said that as of the last count, Aug. 6, the number of dead or dying birds on Carroll Island, part of the three-island chain between Rockport and Matagorda Peninsula, represented a good 25 per cent of the island's bird population.

Dead birds included the Louisiana heron, snowy egret, roseate spoonbill, and black-crowned night heron.

The great majority of the dead and dying birds are fledglings, King said, "not quite old enough to fly."

Cause of the deaths is unknown, King said, but he strongly suspects a disease, or disease-pesticide interaction.

The bird kill was first discovered July 29 by David Blankenship of Rockport, a research biologist for the National Audubon Society. At that time, Blankenship reported 170 dead or dying birds.

The next survey was made Aug. 3 when King, Blankenship, Hans Suter of Corpus Christi, and Dr. Henry Hildebrand of the University of Corpus Christi discovered close to 300 sick or dead birds.

The Aug. 6 survey was made by King, Lee Marlatt, assistant of the wildlife refuge, and Dr. Milton Friend from the bureau's Denver laboratories.

Dead birds have been sent to the Texas A&M veterinary pathology laboratory at College Station and to the bureau's Denver laboratories.

Preliminary studies at A&M have not determined the cause of death, King said, and additional, more extensive tests are under way.

Reports from the Denver laboratory are expected some time this week.

"We are at a loss right now to explain these deaths," King said, "but I can't help thinking that they coincide with the intensive mosquito

Wedding Plans Are Announced

Mr. and Mrs. William P. Castillo, Sr., of Nursery, Texas, announce the engagement and approaching marriage of their daughter, Catherine, to Antonio Barrera, son of Juan Barrera.

The wedding is planned for Sept. 4 at 11 a.m. in Our Lady of Sorrows Catholic Church in Victoria.

The bride-elect is a 1971 graduate of Victoria High School, and the bridegroom is employed by Barrera Paint and Body Shop in Fulton.

spraying program, carried out along the coast to combat the recent spread of horse sleeping sickness."

King was quick to add that there is no indication that the spray used in the program—Malathion or Dibron—is the killer.

He also said he was trying to get information on the spraying program, locations and types of spray used, but "nobody seems to know who was in charge," making it difficult to get details.

Malathion is not a so-called hard pesticide—a chlorinated hydrocarbon like DDT—and supposedly does not affect warm blooded animals, but does accumulate in cold-blooded species like fish and shrimp.

King said there is not sufficient information on Malathion to know whether wading birds, mostly fish-eaters, could ingest enough of the pesticide to be harmed.

NOTICE OF SALE

THE STATE OF TEXAS COUNTY OF ARANSAS BY VIRTUE OF AN ORDER OF SALE dated August 11, 1971 and issued pursuant to a judgment decree of the District Court of Aransas County, Texas by the Clerk of said Court on said date in a certain suit, No. 4452, styled The State of Texas vs. Jack T. The Kinsey Report

On Monday night my wife served a delicious chili supper which I enjoyed very much. She didn't eat because she was going to a TOPS meeting to join other ladies weighing in to see if they had lost or gained weight during the past week.

Just before leaving, Mrs. K. said, "Be sure to feed the cat and dog." I said I would.

About a half hour later, just before it was time to go to the City Council, I remembered I was to feed the hungry animals. Looking for something to feed the cat that didn't smell like smelly cat food, I noticed there was quite a bit of chili left.

So I split it between the cat and the dog. They enjoyed it and ate every bit.

When I got home from the Council meeting, my wife was watching television.

"Guess what I fed the cat and dog," I said.

"Chili," she replied, without smiling, "the chili I had planned to eat when I came home from the TOPS meeting."

She might have smiled, but she had gained some weight during the week.

The penultimate day of the month is the next to the last day.

Dress Code—

(Continued from Page 1)

Abstract from the learning situation should not be worn.

Students who are absent from school miss important information that is vital to understanding of subject matter. Even with make-up work, vital information that is needed will never be learned. A student should never be absent from school for reasons other than illness, death in a family, or medical appointments that cannot be arranged on other than school time.

A new policy beginning this school year provides that any student absent fifteen or

more school days (or periods of that class) per semester will be ineligible for credit during the current semester. The only exception to this policy will be a statement from a doctor stating that it would be detrimental to that student to attend school.

Any student absent from school any portion of the school day without school or parental authority will be re-admitted to classes after a parent (guardian) - student - office conference.

Students who received unexcused absences will get a zero for that period or day. Students who are suspended will get a zero in each class for the days they are suspended.

An understanding of the policies of dress, attendance and other items can be gained by reading the Student Handbook. Ask your child for his copy.

October 22 will feature the Pirates against the team picked to win District 30-AA, the Woodboro Eagles. Woodboro will be the site of that game.

Ingleside provides the competition on October 29 as the Mustangs will host the Pirates. The Pirates are picked as the fifth place team.

Annually tough George West is the opponent for the Pirates in the ninth game of the season. For a change the Longhorns are not picked to win the district, but to finish second. The game will be at Rockport.

The final regular season game for the Pirates will be in Calallen on November 12. The Wildcats were 5-5 in 1970 and figure to be tough again. All in all, the season poses some great challenges for the Rockport-Fulton and their followers—BE A PART OF IT.

Key Allegro Tennis Courts Completed

TENNIS PRO—Jimmie Langham, former tennis pro at San Antonio Country Club, has been appointed pro at the now-forming Key Allegro Tennis Club.

Following completion of two new tennis courts, the Key Allegro Tennis Club is now being formed, with membership open to local residents interested in tennis.

In making the announcement, Carl C. Krueger, Jr., president of Key Allegro Development and Sales Company, also announced that Jimmie Langham, former pro at the San Antonio Tennis Club for 14 years, has been appointed tennis pro at the Key Allegro Club and will manage the club and give lessons.

Local residents interested in joining the club may contact Langham through the Key Allegro sales office. Langham also was pro at the San Pedro Tennis Center at San Antonio before moving here.

The Key Allegro tennis courts, located just southeast of the bridge in the park area, are constructed of Laykold, a patented mixture of bituminous materials used in most modern tennis courts in the Southwest. Langham points out that the material contains a specified amount of fibrous substance which gives the courts resilience.

Of the hundreds of students Langham has taught, he is proudest of his two daughters, Mrs. Annie Langham Marshall, 23, and Miss Kathy Langham, 16.

Annie had won 138 trophies by the time she was 18. She won the Texas sectional championships for 14 year-olds and 16-year-olds and was semi-finalist for the 18-year group. She was runnerup for the state high school championship in 1966, and last year won the Colorado Springs tournament.

Kathy has won 27 trophies, including state doubles championship for 14-year-olds; San Antonio champ for 12-year-olds and 14; and dis-San Antonio for two years. trict champ at East High.

FIX-IT-TIP

For proper lubrication of household equipment, you need more than an oil can. Lubricants include light household oil, heavy oil, penetrating oil, powdered graphite, grease, special compounds of silicones and grease or oil.

Special grease sticks make greasing easy and less messy. Use on drawer slides and in window tracks. Use regular grease (available in tubes for easy handling) for garage door tracks and gear teeth. Smear some on threads before tightening bolts and nuts.

Girl Scouts—

(Continued from Page 1)

corral is about a quarter full of cans which later will be hauled to Corpus Christi and sold as salvage.

Householders throughout this area are being urged to save their aluminum cans and bring them to the corral. The corral is so located that motorists can drive through the lot and dump cans without leaving their cars.

Girl Scouts of Troop 361 have undertaken to keep Broadway bordering Connie Hagar Wildlife Sanctuary clear of cans and other litter. Later when more girl scouts are available it is planned to collect aluminum cans from other city streets and nearby highways. However, Miss Whitney emphasized the need for local residents to save aluminum cans and put them in the corral to insure success of the campaign. A number of local cafes have been saving cans in support of the drive, she said.

SOCIAL SECURITY DISABILITY BENEFITS

It is not necessary to be permanently disabled to get social security disability insurance benefits, according to H. M. Cleveland, Social Security District Manager from Corpus Christi.

Cleveland explained that a person is considered disabled if he has an impairment which is expected to prevent him from working for 12 months or longer.

To be eligible for disability payments a worker age 31 over must have worked in employment covered by social security for at least five of the ten years just before becoming disabled. If a worker becomes disabled before age 31 the amount of work required decreases with age to as little as one and one-half years.

Disability payments begin with the seventh full month of disability. For example, if a worker becomes disabled on January 14, 1971, the first month for which he can be paid a social security disability benefit is August, 1971. However, Cleveland says it is important to apply soon after becoming disabled so the claim can be completed and the first check paid when due. Waiting too long before applying could result in a loss of benefits because back payments cannot be paid for more than 12 months.

A disabled person can shorten the time required to com-

plete and process his application by having the needed information when he comes to make his claim, according to Cleveland.

The information generally needed is his social security number, name and address of his last employer, the date last worked, and his last Form W-2 or income tax return. Also, the names and addresses of doctors and hospitals that have treated him and the dates treated, and workman's compensation's claim number if he has applied for workman's compensation.

Further information regarding social security may be obtained by telephone or by visiting the social security district office, 1802 South Staples Street, Corpus Christi, Texas. The phone number is 883-5511. Or you may meet a social security representative at the courthouse in Rockport between 9:00 a.m. and 12:00 noon on Wednesday.
