

Hart Day Preparations Begun

Excitement was in the air Monday night as a group of interested citizens met in the Community Room of Farmers State Bank to complete plans for the annual Hart Day. Activities, under the direction of

chairman Harold Bob Bennett, are slated to open at 6 p.m. Aug. 5 with the traditional booths, Lions Club hamburger cookout and bingo.

Miss Hart Day Queen and Little Miss Hart contests have

been set for 8 p.m. on opening night. Sponsoring the Little Miss Hart are the seniors of 1978. Mmes. Joe Cariker and DeWayne Brown are co-chairmen of the Miss Hart Contest. A new feature this year will

be a street dance Saturday night with a well-known disc jockey providing the music. There will be music for all ages with Mmes. Bob Berry and Max Marble in charge of arrangements.

Hart Jaycees have announced that their club will take an active part in the activities and are presently planning a very interesting booth for Saturday night to provide entertainment for those not participating in the dance.

"Looney Tunes '77 has been selected theme for the parade; Richard Franks, parade marshal. Chairmen are Mrs. Berry, floats and bicycles; Jerry Bonsal, riding clubs; James Jackson, antique cars; Mark

Bennett, farm equipment.

Farmers State Bank of Hart will provide the plaques for the winners in each division. Jaycees are to serve as judges.

Mrs. James Jackson was named chairman of a committee to plan a game time sponsored by the Hart Day committee. She will be assisted by Mmes. Cariker, Lett McLain and Mike Wall.

Annual merchants drawing, sponsored by Zealot Club, is set for 10 a.m. Saturday morning. A Fiddlers Contest, planned for that time is being arranged by Jimmy Ray Davis, Curtis Snitker and L.C. McLain.

School Board Hires Teachers, Okays Facilities For Hart Day

Ricky Smetana was hired as boys CVAE teacher. He is a graduate of San Angelo Lake View High School and Tarleton

State University.

Kim Diane Ratliff was hired as head girls basketball and track coach for junior high and high school. She will also teach science. With a masters degree in physical education, Mrs. Ratliff served as graduate assistant to the West Texas State University girls basketball team and as head coach of the track and softball teams.

At Canyon High School, she played basketball and received special honors in 1973 when she was selected as All District Forward, All State Forward and Most Valuable Forward.

Employed as assistant coach and speech and English instructor is Santry Dellinger Rush. He is a graduate of Hereford High School and West Texas State University. He and Mrs. Rush are parents of a two months old son.

Coach Robert Mears was promoted to the position of first assistant coach.

Resignation of Mrs. Janet Mitchell was accepted.

Board members, in other action, approved the use of school facilities for the annual Hart Day celebration Aug. 5-6.

Methodist Minister, Family Settled

The Rev. Lanny Wheeler has conducted worship services the past two Sundays since assuming the pastorate of First United Methodist Church. Rev. Wheeler and his family moved to Hart from McAdoo.

Rev. Wheeler was appointed to McAdoo and Afton United Methodist Churches last June, his first charges after answering the call to the ministry a year and a half ago. He attended Texas Tech University while serving those churches. He will enroll at Wayland College this fall.

Wheeler and his wife, Jackie, are parents of three young sons; Jeff, nine, Bryan, seven and Timmy, five.

Born in Wingate, Wheeler lived there until he had completed the first grade in school when his parents moved to Plainview. They later moved to Hale Center where he graduated from high school.

Serving six years in the U.S. Navy following high school graduation, Wheeler worked off a rescue and salvage ship. After receiving his discharge, Wheeler returned to Plainview and worked three years as ticket agent for a bus line. It was during this time he met and married Jackie.

Teasing he says theirs was not a case of love at first sight but that they "had to keep seeing each other before we fell

in love and married. It was exactly 10 days before we said, "I do."

That the marriage has lasted 13 years is proof, Wheeler smiles, that long engagements are not always necessary. "We've had our ups and downs but it's a good marriage."

He worked six years with a Lubbock finance institution before surrendering to the call of the ministry.

The young Wheelers were happy to learn they were being appointed to serve in the Hart church. "We're looking forward to working with the young people. Serving here is a real challenge for me," he says, "but one I'll enjoy."

Claude Ray Gets Rolling With Mac Tool Company

Claude Ray Mac Tool Company began operation this week as the canary yellow and white "mobile supermarket" took to the highways and byways.

Returning last week from Ohio where he and his wife, Margie, went to pick up their store on wheels, Ray has begun work as Mac Tools distributor for Hart, Nazareth, Dimmitt, Hereford, Tulia, Happy, Canyon and Kress.

Taking the tools to the mechanics on the job, Ray stated that he will also be stopping along his routes at feed yards, gins and other rural

businesses. Farmers can give him a call and he'll happily stop by the farm with that needed tool.

The compact, efficient van can stock as many as 8,000 different items. If there is a needed item that is temporarily out of stock or an item not usually kept in stock, quick service will have it here in short time.

The Rays' son, Clifford, is the Mac Tool distributor in Odessa and got his parents interested in the traveling hardware store.

They flew June 6 to Dayton,

When the doorbell rings and one opens the door to a lady with a smile brighter than sunshine and a fragrance of flowers, it just might be the Hart Beat's Cook of the Week, Mrs. Gilbert Guzman.

Fella enjoys cooking and sewing and spending time with Ernie, her year and a half old grandson who lives next door. The Guzmans have 10 other grandchildren but Fella says they do not get to spend much time with them. Smiling she says she'd like "many more grandchildren."

Ohio where they visited a forging plant and then went on to Wilmington to pick up the truck. From there, they drove to Washington Court House, Ohio, where the Mac Tools main plant is located.

Claude attended a seminar at Washington Court House and then the "store" was loaded for the initial journey homewards. The Rays went to Talmadge, Ohio where the Mac Allied plant is located.

Their homeward trip brought them through Indiana, Illinois, Missouri and Oklahoma. They clocked some 1700 miles on the new truck.

Mac Tools are sold by "traveling stores," Claude says. Mac Tools have proved to be fine quality with trouble-free performance. Professional mechanics, the guys who know tools, have made Mac one of the most trusted names in the business.

Mac Tool have been a dependable source of quality tools for over 35 years.

Mr. and Mrs. R.A. Futrell have returned home from a week's fishing trip to Lake Buchanan. Fishing was "bad" Futrell reports. They also visited with relatives and friends.

Boys Mourn Bike Theft

Riding bicycles used to be fun for two little newcomers to Hart. Jeff, nine and Bryan, seven, loved to ride their yellow and orange bikes but someone has spoiled their fun and their happiness in their new home.

The boys, sons of the Rev. and Mrs. Lanny Wheeler, are missing two 20" bikes which someone took from the yard of the Methodist parsonage where they moved two weeks ago.

Wouldn't it be nice if the bicycles returned just as mysteriously as they disappeared. Jeff and Bryan are hoping. They really miss those bikes.

STAYS COOLER

In summer, a house stays cooler when windows are covered during the hot part of the day - window shades, draperies and venetian blinds all help, suggests Pat Seaman, housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

ONE-FOURTH STEAK

In buying a side of beef, remember it is only about one quarter steaks - the rest is about evenly divided among roasts, hamburger or stew meat and waste, advises Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Tennis Tournament Ends, Barneses Are Champions

By Lon Chaffin

Blistering heat and aching bodies just about sums up the F.B.C. Tennis Tournament. All three days of the tournament the thermometer reached about 100° and scorched a few tennis shoes. The aching bodies came Saturday evening, after playing two days of preliminary rounds and all day Saturday. Kenny and Gail Barnes and Lonny and Andy Davis fought until dark for the first and second place trophies in three categories: Men's Singles, Women's Singles and mixed doubles.

Saturday was the big day of the tournament. Excitement began at 9 a.m. when the final match in Men's and Women's doubles began. At 10:30 those matches became history. In men's doubles, Mario Martinez and David Barham beat Scott Jones and Keith Newsom to take first place trophies. Trudy Kelley and Cindy Davis won first place honors in the women's doubles over Dottie Berner and Nita Hooper.

After lunch, during the heat of the day, excitement continued to rise as the Barnes' and Davis' feud began to take shape. Semi final matches were played and brackets showed that Kenny and Lonny were paired up in the men's singles final and gail and Cindy in the women's. Also the Barnes' against the Davis' in the mixed

doubles final.

When dark came, Kenny had won the men's singles and the Barnes' team had taken the mixed doubles. The women's match was close and dark meant postponing it until Monday. Gail finally won in the final showing on Monday.

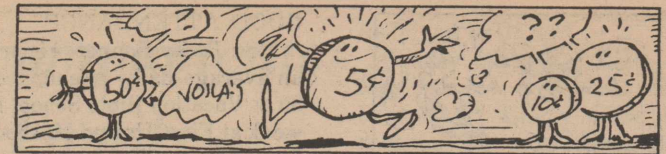

The tournament was a success inspite of the heat. Approximately \$170 was raised for the youth of the First Baptist Church.
