Putnam News

Mrs. Herschel Wagley and her son were injured in a traffic collision in Cisco last Saturday. Mrs. Wagley received cuts on her forehead and Billy, the four-year-old son, was the victim of lacerations. They have returned home after treatment at the Graham Hospital and are reported getting along very nicely.

The Cross Plains Review was awarded third place in a West Texas newspaper contest recently. The results of the contest were announced at the West Texas Press Association convention held in Abilene. Best weekly newspaper published in a town of 1,000 or less was awarded the Cotton Tribune. The Paducah Post took second, and the Cross Plains Review was third.

A card from good neighbor Mrs. E. Eubank states that she is well and enjoying her visit in California and will be home soon.

Charley Davis is spending most of his time nowadays working in the field.

Mr. and Mrs. W. P. Tompkins and Mrs. Brown were guests in the home of her brother, J. S. Year, and family here Sunday.

Mr. and Mrs. Urie Butler of Canton, former residents of the Putnam community for many years, were visitors here Monday and made brief calls in several homes of their friends.

Henry Weeks was able to be out about again last Saturday morning after a long and serious illness.

Mr. and Mrs. Carl Wallace of Mer were visitors in the home of her parents, Mr. and Mrs. J. S. Eager, and daughter here the last week.

Mrs. Ernest Waddell is now at home here recuperating from a long and severe illness.

Rev. H. N. Baldersee and C. L. L. attended the Workers' Conference of the Baptist Church at Denton Thursday of last week.

Mrs. Bob Harris and small son, Miss Vella Sandlin were in Cisco Thursday transacting business.

Charles Odum and J. T. King are attending to business in Abilene Thursday.

L. C. Cash, candidate for the office of county superintendent of schools, was in Putnam Tuesday.

Carl Wallace of Tyler was a visitor in Baird Monday afternoon.

Mr. and Mrs. W. M. Tatom are visitors in the home of a daughter, Mrs. Blain Odum, and family at Rowden the past week.

ECONOMY COMMISSION SEEKS TO GIVE VOICE TO CITIZENS

AUSTIN, Aug. 24.—The Texas Economy Commission is pushing the work to give the average Texas citizen a voice in securing "the bargain of a lifetime," according to an announcement today by John Ben Shepperd, Secretary of State and secretary of the TEC.

"The Commission offers the average citizen a chance to spend a little in order to save a great deal," Mr. Shepperd said.

"Texas paid \$1694,323,500 for state government in 1939. Last year, only ten years later, they paid a staggering \$443,776,800. This year it is going to cost over half a billion dollars.

"The TEC needs \$75,000 for its first year of operation. This will day-by John Ben Shepperd, Secretary of State and secretary of the TEC.

"If the rising trend in governmental costs can be reduced through the TEC's work and influence of its individual members, then the average citizen who supports the TEC has made plainly the bargain of a lifetime," Mr. Shepperd continued.

To reach its \$75,000 goal, he explained, citizens in every part of the state must be aroused to the need for economy and efficiency in their government.

Tompkins To Open New Food Market At Locker Plant

H. H. Tompkins, Sr., and H. H. (Speck) Tompkins, Jr., announced this week that Saturday would be the official opening date of their new and modern food market.

The new business will be known as the Packing House Market and will be located at the front of the building housing the Tompkins Frozen Food Locker Plant at 109 W. 9th. The slogan of the new store will be: "More of the best for less for cash."

Although featuring meats, the store will be stocked with a full grocery line to make it a complete food store.

The meat department will feature pre-packaged cuts, wrapped in cellophane with the weight and price on each package. The customer may make a selection without having to wait for it to be cut and can select from a variety of types and amounts.

The new store will be equipped with a refrigerated dairy box, vegetable box and frozen foods box.

In addition to the pre-packaged meats the owners stated that they would make a specialty of special cuts and an experienced market man would be on duty at all times to prepare special orders.

Future plans call for processing of smoked hams and bacon in the packing plant behind the store.

The announcement ad of the new firm will appear in the Friday issue of The Press.

TO INSTALL OFFICERS

Post Commander Stanley Webb reminded all Legionnaires to attend the regular meeting of the Cisco Post at the Legion Hall at 7:30 p. m. today for the installation of new officers. Following the business session, refreshments will be served.

Students Of High School To Enroll In Classes Next Week

The Gay Philosopher

By J. W. S.

A LITTLE CISCO girl, Loretta Collins, 9, underwent a "blue baby" operation in the Texas Childrens Hospital in Dallas yesterday. Blue babies, you know, are those whose heart valves are not functioning exactly right.

Loretta is the daughter of Mr. and Mrs. A. J. Collins of Route 2, Cisco. Rev. Chief Warden, the Wesley Methodist Church pastor, was advised that the doctors were not able to correct the defect in the operation. But we can all hope that Loretta will recover under her own power when she is home again. She's a third grade student in city schools.

The parents are staying at the Cottage Hotel, 2514 Shelby, Dallas, while Loretta recovers from the operation. Maybe some of you would like to drop them a note of cheer.

NEXT SUNDAY concludes the ministry of Rev. Otis Strickland at the First Baptist Church in Cisco. He leaves next week for Decatur to become president of Decatur Baptist College. And members of his local church, who are pleased that he has been called for a bigger job, are nonetheless genuinely reluctant to see the Stricklands leave.

Mr. Strickland has been a good citizen of Cisco, in addition to being a good preacher. He has been a leader in youth activities and in general civic affairs.

Cisco can assure Decatur that they're going to have an energetic school leader and a good citizen.

SUPT. ARLIN Bint of the city school system tells us that this is the second year in the past 20 that the schools are starting off a new school year with all obligations paid and some small change in the bank. They've paid all bills during the past year, done considerable work around the buildings, paid bond schedules and other items without borrowing money.

MR. BINT TELLS us that as soon as school starts and the work is finished on the buildings, all hands will be turned loose on the football stadium to give it a general face lifting. The first local football game will take place about two weeks after the opening of school.

TWO GRADUATES of Cisco High School — Mr. and Mrs. Don Johnson — became the proud parents of a daughter in a Ranger hospital last Sunday. Mrs. Johnson is the former Miss Margaret Forbes. The daughter, Deborah Ann, weighed in at seven pounds and 11 ounces. They're doing splendidly.

PRO BILL DILL of the Cisco Country Club says for all members — men and women — to bring their favorite golf ball and putter to the family night party tonight. They're going to have a putting contest after the covered dish supper.

Charlie Cofer won't have a chance if he gets his glasses mixed up. One pair of his glasses causes him to put at an angle of some 25 degrees away from the hole.

NOTES FROM The Lion Tale, official publication of the Cisco Lions Club — C. B. Midkiff is just back from Fredericksburg. Went to see about his lease for deer hunting this fall. Reports that he saw plenty of deer and turkey. The Wallace Smiths have moved to San Antonio. Chester Parham is on vacation. Dr. and Mrs. C. E. Paul are in the north woods country for a bit of fish catching. A. R. Collier is in Temple where his brother is in the hospital for an operation. Crappie, bream and perch are biting at Lake Birnie.

OUR SPANG fishing calendar says, beginning tomorrow, you may as well stay home. Won't be any fishing until Sept. 30.

Record Enrollment Expected At Cisco Junior College This Year

A record enrollment was expected at Cisco Junior College on September 5 when the school opens its doors for enrollment in the 1950-51 school year to young men and women from Eastland County and surrounding communities.

In making the announcement, officials of the school pointed out that the town should feel that it was fortunate in having a junior college of first rating, recognized and approved by the State Department of Education and the Association of Texas Colleges. The school is a member of the American Association of Colleges and is staffed with a competent faculty.

The student who attends Cisco Junior College will be able to save \$700 per year while staying at home and pursuing any of the following studies: Pre-Engineering, Pre-Medical, Pre-Business Administration, Pre-Dental, Pre-

Law, Pre-Pharmacy, Journalism, Music, Speech, Nursing and courses leading toward the Bachelor of Arts Degree and the Bachelor of Science in Education.

Tuition for the five courses is \$30 per semester. The student is given the benefit of state apportionment and the local tax paid by the Cisco School District.

For the first time in many years the school now affords girl students dormitory residence. During the summer months a new girls dormitory has been built and has room for some 24 girls. The girls will move into modern rooms furnished in light oak in the latest design. A community kitchen has been furnished to allow them to cook breakfast and for special occasions.

Dr. Cleveland Is Program Speaker

The West Central Texas Optometric Society met Sunday in the office of Dr. Ward B. MacKeen of Abilene. Scientific papers were presented by Dr. Charles Cleveland of Cisco.

The semi-annual election of officers was held, and the officers elected were: Dr. Merle Ellis of Brownwood, president; Dr. Ward B. MacKeen of Abilene, vice-president; Dr. Woody Hambrick of Abilene, program director; Dr. Jack Lewis of Sweetwater, secretary-treasurer; and Dr. J. R. Chatham of Abilene, director of public relations.

Present for the meeting were: Drs. Woody Hambrick, Grady Jolly, Ward B. MacKeen, and J. R. Chatham, all of Abilene; Dr. Merle Ellis of Brownwood; Dr. J. H. Lund of Eastland; Dr. Oscar and Marvin Majors of Colorado City; Dr. Charles Cleveland of Cisco, and Dr. Carl Straley of Ranger.

HOLDING REVIVAL

Rev. Chief Warden, pastor of Wesley Methodist Church, is conducting a revival meeting at the Cross Cut Methodist Church this week, and three additions by profession of faith had been received Wednesday. The meeting began last Friday night.

Increase Is Seen In Student Body For School Year

Enrollment of students for the 1950-51 school year will begin at Cisco High School at 9 a. m. Tuesday, August 29. Superintendent Arlin Bint announced today. All high school students will enroll next week for the school year to begin on Tuesday, Sept. 5.

Students of the junior high school and the ward schools will enroll on Sept. 5.

Schedule of enrollment at the high school was announced as follows:

Tuesday, August 29
9 a. m. to noon — senior students.

1 to 3 p. m. — junior students.

Wednesday, August 30
9 a. m. to noon — sophomore students.

1 to 3 p. m. — freshman students.

High School students and transfers who do not enroll next week will register on Tuesday, Sept. 5, along with students in all other schools. The students will be off Tuesday afternoon while books are being prepared for issuance Wednesday morning, Sept. 6. The class work will begin on Wednesday.

Mr. Bint expected this year's enrollment to increase over the more than 1,000 total number of students last year. High school enrollment is expected to increase at least ten per cent.

The high school will begin the school year with a new principal and four new teachers. M. D. Conger has been named principal, replacing P. O. Hatley, who resigned to become superintendent of the Scurry schools.

New high school teachers are Miss Margorie Chadwick, girls physical education teacher; N. G. Massey, science; Kenneth St. Clair, band director; and Norris Young, distributive education.

Miss Gafford, whose home is at Abilene, is a recent graduate of Baylor University. Massey, a graduate of North Texas State College, is from Woodson and this will be his first year as a teacher.

Group Attends Thackerston Reunion

Friday, August 20

Five relatives and friends of the home of Mr. and Mrs. Thackerston Sunday, Aug. 20, attended a family reunion. The picnic dinner was served under the large oak trees in the lawn, which gave a nice cool shade.

After dinner the Stroud sisters entertained with quartet singing of several hymns. The children of the hosts gathered around their father with violins and guitars and sang, "That Silver Haired Daddy of Mine." Instrumental music was furnished by others of the group after which pictures were made of the various groups.

Those present were: Mr. and Mrs. P. T. First Methodist WSCS Meets Tuesday For Fine Program

The Women's Society of Christian service of the First Methodist church met Tuesday afternoon for a mission program with Mrs. O. C. Lomax directing. The meeting was opened with group singing of "Jesus Calls Us" followed with prayer by Mrs. Carrel Smith. The afternoon devotion was brought by Mrs. Wm. Joyner from the last chapter of Jesus' Sermon on the Mount using a scripture basis from Matthew 7; verses 27-31.

Mrs. Ima White discussed "The Christian Investment" which was followed by the poem, "A Morn-

ing in Malacca" read by Mrs. Lomax. Mrs. John Shertzer brought an article on "Confident Living" by Norman Vincent Peale. "Foundations for Tomorrow" discussed by Mrs. Lomax, closed the program. The meeting adjourned by all joining in the benediction.

Those present were: Mrs. Carrel Smith, Mrs. John Shertzer, Mrs. W. E. Ricks, Mrs. Joe Love-lady, Mrs. George Davis, Mrs. J. W. Slaughter, Mrs. Ima White, Mrs. G. P. Rainbolt, Mrs. O. C. Lomax, Mrs. C. M. Pogue, Mrs. Clint Jones and Mrs. W. M. Joyner.

Luncheon and Shower Honored Miss Atkins in Crafts Home

Miss Katie Lou Atkins, whose marriage to Dr. Robert Walker of Fort Worth will be solemnized Saturday evening, was honored with a buffet luncheon and kitchen shower on Wednesday. The affair was given by her bridal attendants, Misses Frances Halstead, Carolyn Crofts, Martha Whitaker, and Mrs. Betty Odum, in the Sutton Crofts home.

The buffet was laid with a white linen damask cloth, with centerpiece arrangement of salmon colored carnations and greenery, carrying out the bride's chosen colors of salmon and green. The small tables were also laid with white linen, with place mats and raptures in salmon and green. The place cards bore small caricatures of a bride undertaking her new and bewildering duties in the kitchen. The living room mantel was banked with ivy and asparagus fern, set with salmon-colored zinnias. Other arrangements in the same color scheme were placed here and there about the rooms. In the bedroom a crystal basket of dahlias graced a dressing-table.

After the nice luncheon, which was served by Misses C. E. Whitaker, H. D. Cameron, O. O. Odum and Sutton Crofts, the bride was presented with a clothes hamper full of lovely gifts, consisting of useful and novel kitchen equipment. A bride's book made for the occasion in appropriate colors and containing amusing cartoons about marital problems of the newly wedded was signed by all the guests.

Those attending the party, besides the above-named, were the Misses Katie Lou Atkins, Betty Dean Lennon, Frances Sures, Betty Jo Thurman, Fern Gurney, Bobbie Lee Miller, Bobby Jean Deen, Zella Sandler, Joan Scott, Sally Gallagher, Fredalyn Cook of Putnam and Misses Cate Atkins, Charles Pigg and Fern Poyner.

Roundup Club Is Invited To Enter Labor Day Event

The Cisco Roundup Club this week received an invitation from the Parker County Sheriff's Posse to participate in a Labor Day program in Weatherford on Monday.

September 4.
The program will be similar to the one staged by the Cisco club when its members dedicated their new rodeo arena.
The events of the day will be climaxed by an amateur rodeo participated in by members of riding clubs over the arena. The events will consist of calf roping, ribbon roping, team tying, wild cow milking, barrel races for both men and women and others. All events will be jackpot.

fairs with the contestants putting up a \$3 fee. The money will be divided between the first, second and third place winners in all events.
Preceding the rodeo events the Weatherford club will serve a chuck wagon dinner to the participants and visitors. The price to the rodeo will include the dinner.
In issuing the invitation the Weatherford club stated that the program was being arranged to create closer harmony between riding clubs and sheriffs posses in the area.

drinking water in the ration of 1 to 1.5 per million parts of water now has been recommended as a decay control measure by the United States Public Health Service, the American Water Works Association, and the Association of State and Territorial Dental Health Directors.

Recommendations are subject to approval of state and local health departments, which has been granted in the case of the three Texas cities.

Marshall began artificial fluoridation in 1946 in a controlled experiment, and was a leader in the field both nationally and locally. Corpus Christi began the water treatment in October last year.

Austin City manager Walter Seaholm has indicated that orders for equipment have been placed, and treatment will begin as soon as delivery and installation are complete.

Combining the population of the three cities, over 300,000 people will soon be drinking water chemically treated to retard or prevent dental decay.

Fluoride Salt In Water Is Aid To Texans' Teeth

AUSTIN, Aug. 22.—City fathers in three Texas cities, by artificially adding fluoride salts to their municipal water supplies, are making the dream of fewer tooth cavities come true.

Corpus Christi and Marshall have fluoridation systems working now. Austin has one in the installation process.

If things go according to plan, children in these towns will be spared easily half the visits they now have to make their family dentists, because they'll have fewer cavities.

State Health Officer Geo. W. Cox describes the fluoridation process as a "tremendous step forward in the fight against the dental diseases. It's simple and inexpensive, as well as effective."

"It won't be a cure-all," cautions Dr. Edward Taylor, director of dental health at the State Health Department. "It won't give children complete protection against tooth decay, but it will reduce decay from 23 to 47 percent."

He said that range of reduction percentage had been established in departmental experiments with artificial fluoridation in Marshall.

Harvest Begins In Texas; Worms Bothering Cotton

Picking cotton in the south, dusting it in the north and northwest, combining grain sorghums and snapping corn in central counties, all made good progress this week in the typical hot mid-west weather. Late in the week widely scattered showers fell as the first cold front of the season moved across the State and lowered temperatures. Those showers, particularly in the dry central, southern and southwestern counties, gave only temporary relief from the very dry condition.

Moisture was still adequate for continued development of crops and pastures in western, north-

western and northern counties. Crop prospects in that area continue usually good.

Cotton harvest was getting started in central counties where dry conditions hastened maturity and resulted in considerable premature opening. "First bales" were reported from Kaufman and Childress counties, — the latter being fully a month in advance of general opening in that area. Insect infestations continued heavy and widespread, especially in north central and eastern counties where rank growth and weather conditions favored boll weevil activity. Boll worms and leaf worms were prevalent throughout the northwest and High Plains areas, but control measures were proving effective and cotton continued to fruit heavily in these areas.

Excellent grain sorghum prospects still prevailed in the north-

west and High Plains areas. Harvest of early sorghums was underway in the north and northwest areas and had started in a few counties in the southern High Plains. Corn has matured with good yields in all major producing areas. Haying was at peak activity under favorable conditions. Rice harvest gained momentum. Harvest of early crop

peanuts was nearing completion with perfect weather curing and threshing in some areas; late peanuts in some and some central areas were generally satisfactory.

IT'S TIME FOR BROOKS BECAUSE

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligation to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

Buildings Ready For School Year

City school buildings have undergone considerable improvements during the summer in preparation for the beginning of the new school year in September, Supt. Arlin Bint reported today.

At the high school, the walls and floors have been repainted. The auditorium has new stage equipment, including a new curtain. The interior has been repainted.

At the grammar school, floors and walls have been refinished along with other repairs. In addition to refinishing the interior at West Ward School, considerable work has been done on the grounds. The front half has been sodded with grass, and new top soil was being hauled in for the back half this week. It will be sodded next spring.

Mr. Bint said that workmen will spend some two weeks in repairing the high school stadium as soon as school starts and they have finished work in the buildings.

Mrs. A. J. Graham left Monday for her home in Camden, Mo., after a month's visit here in the home of her son and wife, Mr. and Mrs. Dale Graham.

TO THE VOTERS

Reasons Why P. L. Crossley Should Be Re-Elected County Judge, August 26th:

1. He has a legal education which QUALIFIES HIM to try civil and criminal cases, properly handle all Probate Matters, and to preside over the Commissioner's Court.
2. A large percentage of the cases in Eastland County are tried in the County Court, therefore, you need a legally qualified Judge.
3. He has committed himself to a program whereby the RICH and POOR will share a pro-rata part of taxation.
4. He has caused the re-valuation of oil and related properties belonging to a few wealthy individuals and companies so that NOW their properties are taxed on a fair basis with that of the small home owner, the farmer and small business man.
5. He completed the refunding of the courthouse bonds resulting in a saving of \$68,500.00 in interest to Eastland County.
6. His re-valuation program has given Eastland County more than \$15,000.00 NET PROFIT this past year, at a cost of only \$3,967.75.
7. He has caused your tax rate to be reduced from \$1.16 per hundred to 60c per hundred without raising the values of the property, except as to those few wealthy individuals and oil companies.
8. He is fair, honest, and has your best interest at heart.
9. With P. L. Crossley as your County Judge, IT WILL NOT BE NECESSARY to hire legal counsel to help run your County Government.
10. His Legislative experience and acquaintance better enables him to be of great value to the county in needed legislation, particular FARM to MARKET ROADS.
11. He is friendly to our Junior Colleges and Schools. He helped to create our Junior College. He helped to sponsor and pass the first bill allocating STATE MONEY to our Junior Colleges.

J.F. (Frank) TUCKER

— For —
SHERIFF

TO THE CITIZENS OF EASTLAND COUNTY:

Having been unable to see everyone, I take this method to solicit your vote and support in the run-off Primary Election to be held Saturday, August 26th.

I have been among you in Eastland County my entire lifetime. I invite each and everyone to investigate the kind of man I have been in my home community. I have no "rocks to throw" at anyone and am basing my request and solicitation of your vote and support on my own merits, and am not the candidate of any special group or clique. If you elect me as your Sheriff, I shall comply to the letter with the tenets set out in the Official Oath of Office which is required of everyone elected or appointed as a Public Official. This Oath as follows, I hope to take on next January 1, 1951, and same will be my sole guide in administering the duties of the Office of Sheriff:

"I, Frank Tucker, do solemnly swear (or affirm), that I will faithfully execute the duties of the Office of Sheriff of Eastland County, of the State of Texas, and will to the best of my ability, protect and defend the Constitution and Laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly or indirectly paid, offered or promised to pay, contributed or promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election at which I was elected. So help me God."

I regard this oath with humble sincerity and promise you if elected your Sheriff I will never give you cause to regret your having done so. Will have as my deputies the best men available and their duty and orders will be this same oath of office.

Thanking each of you with all sincerity, I am,
Gratefully yours,

To The Voters Of Eastland County

DEAR FRIENDS:

I have during the past six years served you as your County Judge. During that time I have had the privilege of doing those things, with your cooperation, that I honestly believe have been for the best interest of all of the people of Eastland County and not for a CHOSEN FEW.

During this campaign my record has been personally attacked, my character and my morals have been attacked and mud has been slung at me from every direction.

My Friends, I have always tried to conduct my campaign on a high plane. I have always thought that the dignity of a Judgeship called for high type campaigning. I do not believe in circulating half-truths about any matter or issue. This is not being FAIR and HONEST with either the voters or the candidate.

My Friends, I say to you in all frankness that MY RECORD is PUBLIC PROPERTY for every one to see.

The true facts and issues of this race HAVE NOT and CANNOT be denied.

The tax rate HAS BEEN REDUCED from \$1.16 to 60c, and has been that rate for all years beginning in 1946. If anyone will honestly tell you that this does not save money for all tax payers, either he is grossly ignorant or is maliciously telling an untruth.

Voters, I have always endeavored to make my home county a BETTER PLACE in which to live, an ECONOMICAL PLACE to pay your taxes, and if re-elected, with your help and the help of my MAKER, I will continue this policy.

Sincerely yours,

P. L. CROSSLEY

Mrs. Charles Pigg Is Complimented With Shower Monday

Mrs. Charles Pigg was honored

Tuesday afternoon at the Presbyterian Church in a monthly business session. Due to absence of Mrs. P. R. Warwick, president, the meeting was in the charge of Mrs. W. W. Wallace with Mrs. J. E. Coleman acting secretary.

A splendid devotion entitled "Falling Rocks" was given by Mrs. Wallace preceding the business session. Reports were made by committee chairmen and all routine business was looked after.

Those present were: Mrs. C. R. Baugh, Mrs. F. J. Borman, Mrs. J. E. Coleman, Mrs. Dunn, Mrs. George Irvine, Mrs. C. H. Fee, Mrs. Gail Jones, Mrs. J. G. Rupe, Mrs. J. E. Stansell and Mrs. W. W. Wallace.

with a surprise "pink and blue" shower Monday evening in the home of Mrs. Sutton Crofts. The gifts were collected in a large decorated clothes hamper and presented to the honoree upon her arrival.

After she had opened them, the guests were shown to the dining room where punch and "alphabet block" cakes were served. The table was laid with a

lace cloth centered with appropriate figurines in a blue glass vase. Other decorations about the room carried out the theme of the party, as did the favors.

The hostess was assisted by her daughter, Carolyn Crofts, and Frances Halstead. Those who attended or sent gifts were Mes. D. R. Dowda, Geneva Swale, Catherine Abbott, Louise Webb, Eth-

el Walker, Sue Stanford, Joe Black, Holton Burleson, Lou Mead, denhall, Joe Tillery, Lillie Allen, Ronald Rhodes, A. E. McNeely, L. L. Vann, Ida Mae Boyd and Miss Elizabeth Coleman.
