

Annual District Scout Banquet Here Monday

Unit leaders, committee members, den mothers and scouts will gather at the community building Monday night, November 23 for the third Annual Comanche District Banquet.

New officers for 1960 will be installed. Council treasurer, James McQuine of Pampa and Council vice president, Joe Trayler of Spearman will help with the installation. Dr. Carter Holcomb is district chairman.

In charge of the program will be Mike Gillispie of Borger, explorer scout, who was the Adobe Walls Council representative in the United States contingent to the international Jamboree held in July 1959 in Minilla, South Pacific. A pictorial presentation of the international Jamboree will be given along with the showing of films he took while on the trip.

Funeral for Mrs. Golightly to be Thursday

Mrs. Weltha A. Emmert Golightly, 85, died Tuesday, November 17, at 2:10 p.m. in the home of her daughter, Mrs. L. E. Goswick, following a long illness.

Funeral services will be Thursday at 2 p.m. at the Church of the Nazarene, with burial in West Wellington Cemetery under the direction of Kelso Funeral Home.

Mrs. Golightly was born in Arkansas February 21, 1874 and had lived here for many years.

She is survived by three sons and four daughters: J. C. Emmert of Wellington, Rev. J. S. Emmert of Tulsa; I. E. Emmert of Texola; Mrs. P. E. Bawcom and Mrs. Lucy Calcutt of Lodi, Calif.; Mrs. L. E. Goswick of Wellington and Mrs. E. C. Hardean of Littlefield.

Other survivors are five brothers and two sisters, Tom Walser of Chillicothe, Ed Walser of Canadian, Fate Walser and Charley Walser of Hereford; Claude Walser of Quanah; Mrs. T. L. Smith of Amarillo and Mrs. Ocie Baker of Sudan.

Sheriff Rainey Asks Re-election

John Rainey this week authorized The Wellington Leader to announce that he is seeking re-election as sheriff collingsworth county, subject to the action of the democratic primary May 7.

"I will make this race on the record of service to the people of the county since you elected me to be your sheriff."

I have tried to make you a good law enforcement officer, giving each citizen the protection of our laws as the need arose. I will continue to do this, to the best of my ability.

If there is anything regarding my work or the duties of the sheriff's office you would like to talk over, I hope you will get in touch with me.

Before the Primary, I will try to see each one of you personally and thank you for the fine cooperation you have given since I have been your sheriff.

Negro Faces Theft Charge

Joe Henderson, Dallas negro pulling bolts at Dodson, was arrested at the Hollis Bus Station Monday night, November 16, and charged with stealing \$60 from a co-worker, Sheriff John Rainey reported.

After being held in city jail overnight, Henderson was arraigned before Judge Raymond Horton in Justice Court Tuesday morning and his bond was set at \$1,000. He is being held in Memphis Jail.

Henderson is accused with stealing a billfold containing \$60 from James Armstrong as the latter was asleep in a house about a quarter of a mile east of Dodson, Sheriff Rainey said. The billfold was found Tuesday buried in a cotton patch nearby.

Sheriff Rainey said \$51 was recovered. Henderson admitted taking the money from Armstrong, he added.

Council Votes to Widen Streets Leading off Square

The City Council, in a meeting Monday night, November 16, voted to widen all streets leading off the court house square for a distance of one block each, Mayor Hiram Cudd announced following the meeting.

This does not include several streets that already have been widened on one or both sides.

Work securing right-of-way is to begin immediately, and it

will be on a voluntary basis, City Manager Bura Handley said. The date for construction work to start depends on when the right of way is secured and on weather conditions.

These streets will be widened to 66 feet, Mayor Cudd said. The same procedure as in the past will be followed. The property owner will be asked to pay for the curb and gutter, while the city will do

the work and pay for the paving strip.

Two streets leading off the square were mentioned as bottle-necks, the block south from the southeast corner of the square on East Avenue and the block going west from the northwest corner on Eighth Street.

Widening work has been done on two blocks leading off the square in recent years. One, the block from the northeast corner, east on Eighth Street was widened when the Business Route of Highway 83 was designated along East Avenue and Eighth Street. The block from the southwest corner south to the Post Office was finished last year.

In addition to those, the north side of 9th Street, by Parsons Drug and Lora's Bait Shop was widened, as was the north side of Ninth Street east of the Square, on the block by Wellington State Bank, Barjenbruch Implement and Clark Chevrolet.

\$3,000 Needed

Cemetery Assn. Opens Fund Drive

The Wellington Cemetery Association is opening its annual fund-raising drive this week to finance the maintenance of the two cemeteries in 1960.

Approximately \$3,000 is needed for the year, Zook Thomas, president, said.

"We are mailing letters to all persons having relatives buried in the two plots, and whose address-

es we know, explaining our need, and it is our hope that we can raise the money without personal solicitation," Thomas declared.

The \$3,000 figure does not provide for additional help in taking care of the cemeteries during weed-growing time, it was pointed out.

"In recent years, we have taken in barely enough to exist. We have done much good work and we have come a long way in improving the cemeteries, but we can not continue this work without financial support of those whose families are buried here," Thomas explained.

An appeal for addresses of people living away from Wellington whose family burial plots are here. "We have some out-of-town supporters who give generously, but we need more of them," he declared.

The fund drive will continue until the necessary money has been raised.

Donations Still Needed for Resuscitator Fund

Response to the Fire Department appeal for funds to complete payment on its resuscitator were called "fairly successful" this week by Richard Bailey, drive director.

"We still lack between \$150 and \$200 having enough to pay for the machine, and now we're making personal contacts among rural people and out of town firms doing business here," Bailey said.

Some money has been pledged and Bailey expressed confidence that the total \$800 will be raised by December 1, the date the Fire Department has set to pay for the resuscitator.

The porchlight campaign was called off due to bad weather, he said, but the publicity given the event, along with personal solicitation, has brought in around \$200, according to Bailey.

The resuscitator, on display at the Wellington State Bank, will be for use by the entire county, Bailey explained. Such machine can be used to revive drowning victims, persons overcome by smoke or gas fumes.

It can be used in those illnesses affecting the respiratory system.

The machine the Fire Department is buying has a double outlet so that two persons may use it at the same time.

City Students Get Two Days for Thanksgiving

Wellington schools will begin Thanksgiving holidays with the ending of classroom work on Wednesday afternoon, November 25, principal Mack Bush has announced. Classes will be resumed on Monday, November 30.

School Board Lifts Ban on Married Students

The Wellington school board, in a meeting last week, raised the ban on married students attending high school, but continued the restriction barring them from participating in extra-curricular activities, Supt. Bennett Goodloe announced.

"Married students may attend classes, but that is about all," he explained, adding that the regulation is aimed at discouraging student marriages. Goodloe said that as far as he knows, no married student is now attending Wellington high school.

This was only one piece of business that came before the board during the evening.

The trustees approved the purchase of sweaters for the Skyrocket B football team and letters for the junior high team. Varsity team members automatically get jackets if they have played 16 quarters.

The board decided to postpone additional repair on the old cafeteria building, moved from elementary to high school and put in use as a maintenance and storage building, according to Supt. Goodloe.

(Continued on back page)

Proclamation

WHEREAS our forefathers observed Thanksgiving as a day to stop and take stock of all the good things in life, although they, as we, were beset with problems, big and small. Yet they found time once each year to thank God and thank each other for all the good things they enjoyed.

AND WHEREAS, Thanksgiving is traditionally a day when families gather together, and we enjoy these associations that mean most to us.

NOW THEREFORE, I, Hiram Cudd, Mayor of Wellington, do hereby proclaim Thursday, November 26, as a legal holiday and ask all businesses and offices to close on that day.

Given under my hand this the 17th day of November, 1959.

Correct Attest:
Mrs. Jennie Holcomb
City Secretary

Hiram Cudd, Mayor,
City of Wellington

Clark Anderson, Longtime City Business Man Dies

Clark B. Anderson, a leader in Wellington's business life and its civic affairs for a long period of time, died Wednesday, November 11, at 3:15 p.m. He was 66 years of age.

Mr. Anderson owned the insurance and abstract business that carried his name for almost 25 years. Even after his health began to fail he continued with his accounting business. He later suffered a series of strokes and had been seriously ill most of the time recently.

Besides his contributions to the business life of the town, Mr. Anderson held a place of leadership in veterans affairs and in the Masonic Lodge.

A native of Wellington Clark Bromley Anderson was born December 26, 1892, the son of the late John W. and Mamie Alexander Anderson. In 1898, the family moved to Hemphill County, but returned in 1906, and this had been his home continuously since.

Mr. Anderson attended the Wellington schools where he was graduated in 1912, and Southwestern University at Georgetown.

He was employed by the Wellington State Bank and City State Bank and served as tax collector of Collingsworth County. After returning to private life, he established his abstract and insurance business.

He also was identified with the efforts to develop oil drilling activity in the area, and many in the oil fraternity throughout the southwest looked to him when any information regarding Collingsworth County was needed.

For many years he gave without reserve to those civic enterprises he believed would help the county and town. In 1912, Mr. Anderson helped to organize the young Business Men's Club, one of the early civic organizations. Later he

(Continued on back page)

Petition Asks Election on County Unit System

A petition, asking that an election be called to vote on the proposition of abandoning the operation of the county roads under the unit system was accepted by the Commissioners Court in a meeting Tuesday, November 17.

No action was taken calling the election, and members of the court agreed to confer with representatives of a bonding company to discuss the calling of an election to decide three issues: (1) abandon-

ing the unit system as requested by the petition; (2) issuing bonds to build a new county jail and (3) assumption of the Road District No. 1 bonds by the county as a whole.

The petition on the unit system of road operation was filed in the office of Mrs. H. L. Jenkins, county clerk Friday, November 13, at 2:30 p.m. while the commissioners court was in session. As the clerk's office had no opportunity

to certify the names on the petition, it could not be acted on then. Mrs. Jenkins' office certified 107 names on the petition. Only 74 were required.

In the Tuesday session of court, the commissioners also passed an order giving their intention to set the county road administrator's salary at \$4511.36 for the year 1960. His present salary is \$6,000 per year.

The Friday Session was devoted almost altogether to routine matters that included bill paying and the transfer of funds among items within the budget in order to pay certain bills.

An election on the three proposed issues cannot come before the first of the year, due to the time legally required for giving notice of intention to hold the election.

The commissioners acted to build a new jail in the summer through the issuance of time warrants, but a number of local citizens objected on the grounds that while the county badly needed a new jail, the method of proposed financing was illegal. Nothing further was done.

The court received a petition asking that the Road District Bonds be assumed by the entire county on July 3. This refers to bonds issued by Road District No. 1, which covers all of Precinct 4 north of Salt Fork River, about 10 years ago to hard-surface 10 miles of roads in the Dozier-Abra area. With this, the maintenance of these roads passed from county to state expense, and it has been the feeling of some that with the inauguration of the unit system of road operation, the entire county should assume the bonds.

At Methodist Church

City Thanksgiving Service Nov. 25

A community-wide Thanksgiving service will be held Wednesday evening, November 25, under the sponsorship of the Wellington Ministerial Alliance.

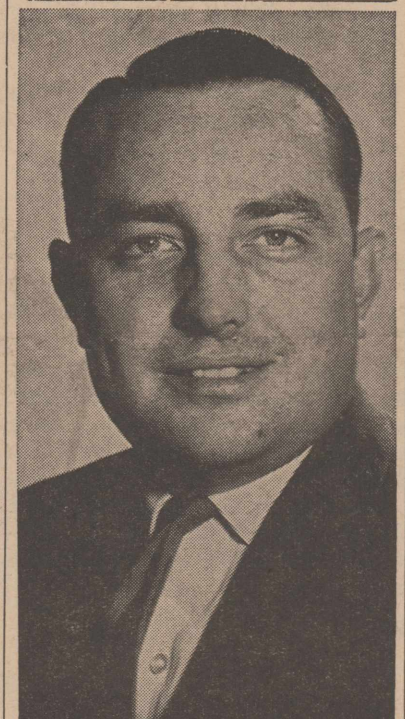

The service will be in First Methodist Church, beginning at 7:30 p.m.

The Rev. Odell Brown, pastor of the Church of the Nazarene, will preach the Thanksgiving sermon. While music will be by a combined choir, with special numbers by the Baptist Choir.

Others taking part on the program will be the Rev. L. C. Conner, who will read the scripture, the Rev. Gen Hickey, invocation; the Rev. Anthony Thibodeaux, who will lead the responsive reading; the Rev. L. A. Buck, the Thanksgiving prayer, and the Rev. James Futch, the benediction.

An offering will be taken to be used in the local work of the Ministerial Alliance.

The Rev. Frank Weir, president

PASTOR

The Rev. Glenn Hickey, with his wife and small son, arrived recently to become pastor of First Baptist Church in Wellington. He formerly was pastor of Eagle Mountain Baptist Church in Fort Worth.

Square Dance Club to Meet

Wayne Cudd, president of the Wellington Square dance club, has called a meeting for 8 p.m. Saturday, November 21 at the Community Building.

The club disbanded during the summer months and this is a re-organization meeting. Melton Weaver of Memphis, square dance instructor, has been contacted in regard to teaching a class here if enough couples are interested Cudd said. At least five squares are required for a class and a small charge will be made.

November 30

Set Annual Quail Box Supper, Queen Contest

The Quail Junior Class is sponsoring an old fashioned box and pie supper which will be held in the Quail high school auditorium, Monday, November 30, at 7 p.m. There will be plenty of good homemade pies and cakes, plus the beautifully decorated boxes which will contain a full meal.

The Program will include musical entertainment, a pie eating contest, cake walk and the coronation of high school and grade school queens.

Queen candidates and their escorts for grade school are: first grade, Katherine Cook, Roger

Long; second grade, Judy Tate, Richard Gilbreth; third grade, Janice Gosnell, John Blevins; fourth grade, Fredia Minatre, Dan Holton, fifth grade, Neva Baker, Adan Susa; sixth grade, Linda Minatre, Dile Holton; seventh grade, Nancy Emmert, Gary White; eighth grade, Jamie Patton, Mike Mitchell. High School candidates and their escorts are: freshmen, Jamie Ross, Richard Keller; sophomore class, Jackie Hill, Rudel White; junior class, Adelle Ward, Walter Neeley; senior class, Sharon Phipps, Ronnie Colson.

The public is cordially invited to attend.

Wellington Classes

Crown Harvest Queen In Festival Friday

Wellington high school will crown its Harvest Queen Saturday night, November 21, in the school's first Harvest Festival. The entertainment begins at 7:30 p.m. and will be in the high school auditorium.

The coronation, with the queen's identity a secret until that time, will come at the end of a program paying tribute to cotton, king of Collingsworth money crops.

The queen will be chosen from among candidates from each of the four high school classes. Her attendants will be the other candidates and their escorts, and representatives of the junior high classes and their escorts.

Sponsoring the Harvest festival is the junior class.

Candidates for the Queen honor are Mary Graham, freshman, who will be escorted by Herbie Duncan; Jennifer Singley, sophomore, and Richard Mauldin, Barbara Tarver, junior, and Ralph Coburn and Jeanie Martin, senior candidate, escorted by John Duncan.

Junior high princesses and their escorts are Sharon Kay Blackshear and Mike Hughs, sixth grade; Joyce Holton and Mark Fires, seventh grade and Frances Warwick and Jennings Wells, eighth grade.

A showboat theme will be used in the entertainment.

Numbers will include a vocal solo, "Sweet Old Fashioned Girl," by Sylvia McQueary, while Larry Ware will direct a Dixieland Band. Frances Hill and Janice Wood will tap dance, and a quartet from the junior class will sing "Shine on Harvest Moon."

"We believe that a harvest festival is more appropriate to our area than the carnival and carnival queen which it replaces," Mrs. Bob McAlister, junior sponsor, declared. The carnival events were formerly held at Thanksgiving.

Election of the Harvest Queen is on the penny-a-vote basis and all classes are conducting a series of money raising events.

This week, the juniors held a chow mein supper Monday night; the sophomores will hold a chili supper Friday night before the ball game and sophomores are holding a hay-ride and hamburger supper Thursday night. They also are selling baked goods on order and washing cars on order. Various class sponsors have announced.

Turning to water, Husbands described this field in which West Texas is most niggardly.

"Forty per cent of the counties have no data on their underground water supply," he pointed out.

Fred Husbands

growers may lose this source of labor and turn instead to mechanical harvesters altogether except on large holdings.

He urged more research on the agricultural problems peculiar to West Texas.

Turning to water, Husbands described this field in which West Texas is most niggardly.

"Forty per cent of the counties have no data on their underground water supply," he pointed out.

WTCC Executive Speaks

Stock Feeding Called Neglected Opportunity

The greatest overlooked opportunity in the agriculture and livestock industry is feeding more West Texas grain to West Texas livestock, Fred Husbands, executive director of the West Texas Chamber of Commerce told members of the Wellington Rotary Club in a luncheon address Tuesday, November 17.

Husbands outlined the fields in which WTCC is working and gave special emphasis to the two in which this area is most interested, water and agriculture.

He told of the groups work with the department of agriculture on West Texas cotton allotments and while the acreage figures have not been released yet, he predicted that when they are, they will show a floor of from 2 to 4 per cent, although without WTCC work, there could have been as much as 10 to 14 per cent drop for some counties.

West Texas Chamber of Commerce has been a leader in securing the Braceros as a source of labor supply for Texas cotton farmers and approximately 120,000 are working in Texas now, but Husbands predicted that if the trend toward a minimum wage continues and with restrictions that may come from the Mexican government itself, Texas cotton

Michigan Crisis Caution Against Legislative Dole

There should be a lesson for the legislatures of every state in the land in the experience Michigan is now going through because of the haste with which the budget was balanced on paper in the last session. The Michigan legislature, plagued by the necessity of finding new sources of income to pay for the mammoth state welfare programs of Gov. G. Minnen Williams, enacted a 1-cent use tax to be added to the already effective 3 per cent sales tax. The solons had anticipated this extra impost would gather in \$125,000,000 a year more and so fixed budgetary expenditures.

But the Michigan State Supreme Court has ruled the use tax unconstitutional. It was termed a ruse to boost the state sales tax above the constitutional limitation. The law had been challenged by a Detroit attorney with the support of Atty. Gen. Paul L. Adams in a brief filed on Sept. 2, the day after it became effective. Meanwhile, the wronged taxpayers have no means of claiming return of the money they have been paying in during the 51 days up to Oct. 22, when the court handed down its opinion.

State Comptroller James W. Miller says the state faces a mandatory 27.6 per cent cut in its government operations unless the deficit can be wiped out by new tax sources. This would mean a reduction in the state police force, in the numbers admitted to state institutions for treatment of the ailing needy and a cutback in state support to college students. The legislature will resume sessions after its long recess on Oct. 29 but whether it can find means to solve the dilemma rests with it and its leadership.

One thing is certain, the taxpayers of Michigan are in as untenable a position as their state government. Gov. Williams said Michigan is sitting on a bomb with a time fuse—but it was he with his giveaway government who created the bomb. At the same time, we in Texas were reminded of our own fiscal troubles in the announcement by State Treasurer Jesse James that a deficit of \$41,536,917 existed in the state's general revenue fund at the close of business last Friday.

Youthful Crime

The Department of Justice recently issued a bulletin addressed to law enforcement officials throughout the nation on the subject of juvenile delinquency.

The author of this bulletin is J. Edgar Hoover, director of the Federal Bureau of Investigation. What he is proposing is that the organs for dissemination of news—radio, television and the newspapers—cease protecting the youthful criminal from the public gaze in his wrongdoing.

In 1958, arrests of juveniles—those under the age of 18—showed an increase of 8 per cent. Arrests of adults went up 1.3 per cent in the same period. But the worst of all is that juveniles were responsible for some of the most revolting crimes—torture, mayhem, sadism, murder and gang warfare. We are probably spending too much time worrying over international problems when we have a very serious problem in our own land.

Taxes First

How much money in taxes will the average man pay between now and age 65?

Frank R. Ford has figured out the answer in an article which recently appeared in Reader's Digest.

This average man is 29 years old, makes a little under \$100 per week, and has a wife, two children, a low-priced car and a mortgaged home.

In the next 36 years, says Mr. Ford, he can expect to pay \$47,221 in taxes. That amounts to \$25.23 a week—or more than 25 per cent of his income.

Federal income taxes are the biggest single item. Even so, they come to but 44 per cent of the total. The balance consists of social security taxes, real estate taxes, personal property taxes, taxes on gasoline and tires, sales taxes, state income taxes, and so on.

To cap the climax, Mr. Ford emphasizes that the figures are conservative—for they don't take into consideration future tax increases. And the way things are going, increases seem as certain as tomorrow morning.

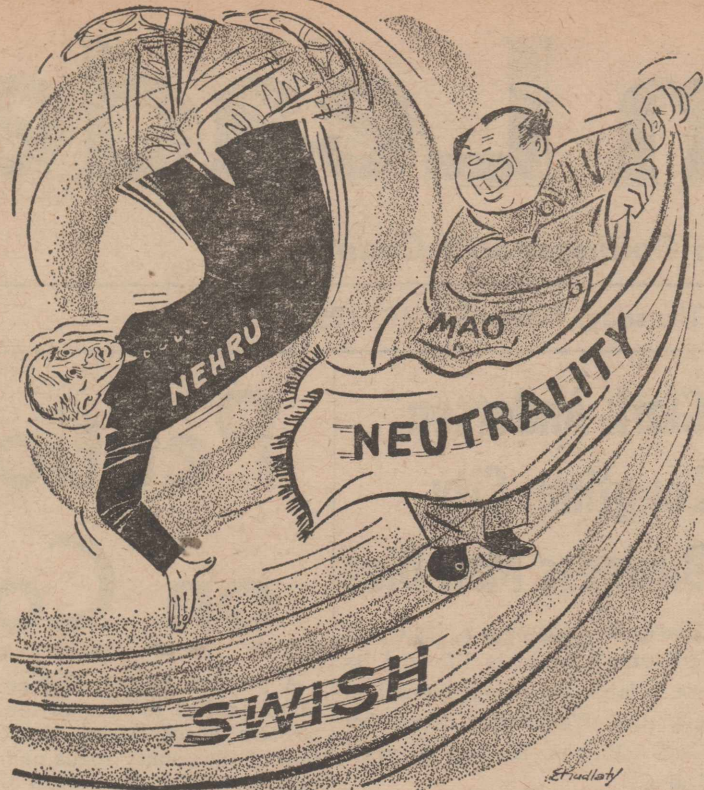

What it amounts to is that the average man puts in at least a fourth of his working time in behalf of the government. Then, what money he has left has been ravaged by inflation.

Is it any wonder that nearly everyone has a hard time "making ends meet" regardless of what he makes weekly or monthly?—Southwest Daily Times.

Political science is the art of knowing how to point with pride to the same things you viewed with alarm when your opponent held the office.

Things could be worse. Suppose your errors were tabulated and published every day, like those of a ballplayer.

CROSSROADS REPORT

I see where the cranberry merchants are not only busy but mad, on account of the government telling it around that some of this fruit has been sprayed with stuff which may cause cancer in rats.

My disexcited neighbor says he appreciates the health wardens' concern, but he don't have any rats at his place and, if he did, he wouldn't feed them on cranberries.

Says, in fact, if he was acquainted with any rats who liked cranberries he can't say that he would be sorry if they did come down with cancer.

I see where some political planners want a law to make seniority rights transferable so that a man can take same with him if he wants to change jobs.

My past-prime neighbor says seniority is great stuff which keeps experienced men in all of the best jobs, even when some are only experienced in fumbling the ball.

And he likes the idea of portable seniority, on account of he has been president of a Domino Club for 20 years, and with this seniority in presiding, he might bump Mr. Eisenhower and move into the White House.

I see where statistics say people are multiplying much faster than doctors, and I guess some day a citizen will have to make his appointment with the doctor a couple of months before he gets sick.

My droopy neighbor says it's already bad, and the last time he entertained an ulcer it got well before he could get a doctor cornered.

Says with doctors booked up weeks ahead, it saves time just to wait for the next Readers Digest to find out what new miracle drug is being taken this month.

I note there are already lots of candidates in sight for next year's elections, on account of this is now about the only way to get a good-paying job without having any aptitude or training.

My fed-up neighbor says we get protected from quack labor in some areas by laws that it takes a license to cut hair, a degree to teach bead-stringing, etc.

But says a man can get a job in law making, tax harvesting, judging, and general people control without knowing anything except how to fool voters.

I see where a London man got hypnotized and started turning out high class abstract art while in this helpless condition.

But my faddict neighbor says it's not true that an artist has to be either hypnotized or cross-threaded to turn out modern art. It helps, but he also needs some talent.

And says just think how much

more artistic the trees, mountains, people, etc., would look if the Lord had had a little of this impressionistic talent.

I see where some cigarette makers are doctoring same to kill the

tobacco taste, and one says on TV that lighting up one of his brand will make you think of green trees and pretty girls.

But my charred-lung neighbor says he don't smoke just to unlock his mental picture album, and

anyhow some cigarettes call up unpleasant visions.

Such as the brand his windward neighbor smokes which every time he gets a whiff of, it makes him think of that bad night when his cow barn burned.

Norwood Wins Four Out of Five Games

Samnorwood's boys and girls basketball teams emerged from a busy week-end of basketball with four victories out of five games played.

Friday night Samnorwood entertained Port, Oklahoma and the Samnorwood girls beat one of the better teams in Western Oklahoma 55-54 in a thriller. In winning Samnorwood avenged a 39-34 defeat of last year when Port went to the State and returned four starters from their State team.

Samnorwood broke into a quick lead and led 9-5 at the first quarter mark but only 17-14 at half-time. Port quickly caught fire and tied the score at 38-38 at the third quarter and was a thriller to the buzzer. Samnorwood led 53-52 with 10 seconds left when Linda Webb was fouled. Webb came through with both free throws to give Samnorwood a 3 point lead in which they needed as the brilliant Linda Davis from Port scored with a 30 foot set shot at the end. Linda Webb and Barbara Stenbridge led Samnorwood with 21 and 19 points with Carleen Myers contributing 11 and Dottie Tate 4. Scoring honors for the night went to Port's Davis with 27 followed by Betty Farris's 15 and Cuba Corbins 12.

Samnorwood's boys had a much easier time after the first quarter after trailing Port 11-10, led 15-20 at half-time and 36-26 at the three quarter mark and 54-47 at the end. Joel Lowry led Samnorwood with 22 points followed by Randall Murry's 15. Dwayne Sullins and Danny Hare led Port with 19 and 17 points.

Saturday night Samnorwood took a pair of girls games from the visiting Gruver A and B teams. Samnorwood won the "B" game 52-34 as Darlene Rainey poured in 28 points followed by Barbara Favor with 18. Gamble was high for Gruver with 14.

Samnorwood's "A" girls won their 4th straight game of the season as they came from behind to beat Gruver 44-39. Samnorwood trailed 8-7 at the end of the first quarter and 20-16 at half-time. Barbara Stenbridge and Linda Webb went on a scoring spree in the third quarter and shot Norwood into the lead 35-29 at the end of the third quarter. Gruver out-scored Samnorwood the last quarter 10-9 as Samnorwood hung on for the 5 point victory over one of the better girl teams in the Panhandle. Linda Webb again led Samnorwood with 23 points and Barbara Stenbridge followed with 17. Gruver's Katherine Peddy was high for the visitors with 18. Besides the two scoring leaders, Norwood's Kay Schaub, Dottie Tate, Carleen Myers, Rose Brad-

ley and Linda Garner all turned in outstanding games.

The final game of the night was supposed to be a run-a-way for the visiting Clarendon Junior College Freshman team which included a couple of sophomores but turned out to be anything but that as Samnorwood's hustling midgets fought Clarendon down to the wire before falling 64-56. Samnorwood trailed 21-13 at the first quarter mark and 27-23 at half-time but fell another point behind as Clarendon out-scored them 16-15 in the third quarter to lead 43-38 at the three quarter mark. Norwood came within 2 or 3 points of the much taller and more experienced Clarendon team several times.

The winning team was led in the scoring column by Johnny Hudson who scored 16 points, Al Blevins with 15 and former Samnorwood star John Alexander with 13 points. Norwood's Kenneth Martin-dale and Joel Lowry tied for scoring honors with 15 each. Jerry Webb chipped in with 11. Randall Murry and Bill Bentley scored 9 and 6 points and turned in an aggressive game on the backboards and defense.

Norwood's next home game will be November 24th with Wellington. Tuesday night Norwood travels to Canadian and Friday night to Shamrock.

Scouts Visit Amarillo AFB

Boy Scouts of troop 32 visited the new Strategic Air Command Base at Amarillo Saturday, November 7.

Sponsors going with the group were Cal Hurst and A. J. Fires. The boys were Senior Patrol Leader Tim Bailey, Assistant Patrol Leader Stanley Harrison, Lyndal Bowen, Neil Roberts, Lewis Watkins, Freddy Peters, Danny White, Johnny Henard, Mike Wolf, Joe John Henard, Jerry Havron, Dennis Leeper, Bryant Harris, Ronnie Hurst, Mark Fires, Dennis Holley, Philip Hughey, Sidney McGill, Larry Henard, Stanley Bratten, Keith Brown and two Cub Scouts, Alan Fires and Tony Hurst.

Mr. and Mrs. George Cristy and Craig and Mrs. W. E. Leach of Canyon visited here last week end with his parents, Mr. and Mrs. Alva Cristy and with Mr. and Mrs. Jake Leach.

Farm Census Takers Have Training Course

Census takers for the local area in the 1959 Census of Agriculture have been appointed and will begin an intensive training course on November 18 in preparation for the start of the field canvass on November 21, it was announced today by Crew Leader Vera M. Morgan, Shamrock.

The training session will be held at The Community Building Shamrock and will be conducted by the crew leader who recently attended a five day census training course.

The training course will cover the use of the Census questionnaire, Census definitions, interviewing and map reading. Emphasis will be placed on the importance of locating every farm and obtaining complete and accurate information. The census takers will conduct some actual interviews as part of the training.

Census takers scheduled to take the training include: Collingsworth County: Mrs. J. L. Alexander, Mrs. Joe Alex Coleman, Mrs. David Peters and Mrs. John Carson.

Gray County: Mrs. Fayanna May Winters, Mrs. Elsie Lee Brown, Mrs. Joyce L. Morris and Miss Sammie Joe Bowers.

Wheeler County: Mrs. Peggy M. Puryear, Mrs. Ida M. Goad, Mrs. Zenobia L. Turnbow, Charles C. Walser and Bryan H. Close.

Miss Atkins at Farm Bureau

Miss Estelle Adkins began work Monday in the Farm Bureau office here replacing Mrs. Winston Cocke who resigned, according to Burba, manager.

Miss Adkins is the daughter of Mr. and Mrs. Mark Adkins and was raised at Loco, where her parents farmed. She attended grade school at Loco, graduated from High School at Dodson and attended Secretarial school.

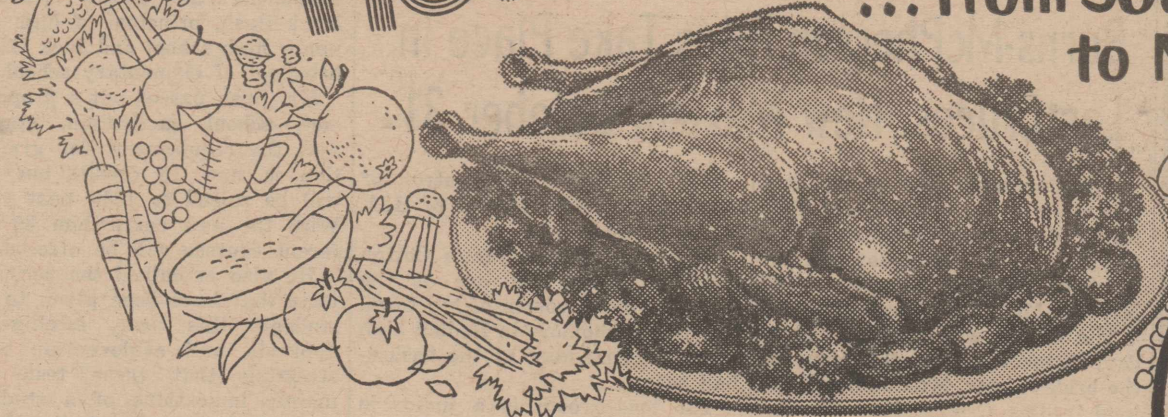

For the past two years she has been employed as secretary to A. D. Foreman with the farm and ranch loan business in Amarillo. She recently returned to Wellington to make her home with her parents who have retired from farming and moved to town.

Mrs. Lloyd Langford, Peggy and Wanda of Memphis were in Wellington Friday to attend the funeral of Clark Anderson.

Mrs. Ethel Brickey of Shamrock visited here Sunday with Mr. and Mrs. Jake Leach and other friends.

"IT'S CERTAINLY THE MOST BEAUTIFUL CAR OF ITS SIZE!"

"AND IT'S THE EASIEST CAR IN THE WORLD TO OWN!"

FALCON, the New-size Ford, delivers the value and cuts the budget!

Handling that's really a breeze. The all-new, new-size Falcon parks on a dime... turns on one, too! You'll be able to steer with power steering ease... without power steering. You'll be able to stop as though you had power brakes... without power brakes.

Room for six—and all their luggage. No doing without in the Falcon! There's hip, shoulder, knee, and head room galore! Both two- and four-door models are a cinch to enter. Then, thanks to the Falcon's front-mounted engine, there's luggage space aplenty for everyone.

Up to 30 MPG on regular gas, too. And the Falcon actually crossed the country without any oil added. Speaking of thrift, the Falcon's finish never needs wax. Its aluminum muffler normally lasts up to twice as long.

Sweet performance from Ford's most modern Six. A full 90 hp. You'll have to feel the pickup and responsive power to believe it! And each Falcon Six is electronically balanced, while running under its own power, for top smoothness.

New luxury interiors. Upholsteries are truly quality-made... materials you'd expect to find in cars costing twice the money. Seats are chair high. The front seat cushion is foam padded. And the Falcon rides smooth as silk... corners on rails.

Proved over 3,000,000 miles. To top off 3 years of testing, a fleet of the new-size Falcons has just been proved over every mile of numbered Federal highway. It's without a doubt, the world's most experienced new car.

Miranda Bray and Dale Lockhart Marry in Quiet Ceremony at Clarendon

Miss Miranda Bray, the daughter of Mrs. Florence Rehbein of Ft. Madison, Iowa, was married to Dale Lockhart in a ceremony Saturday, October 31, at 8:30 o'clock in the evening at First Methodist Church in Clarendon.

The bride also is the granddaughter of A. R. Pepper and the late Mrs. Pepper of Wellington and has visited here frequently. Mr. and Mrs. Cecil Lockhart are the parents of the bridegroom.

Performing the double ring ceremony was a former Wellington resident, Clifford Beard, now a college classmate of the bridegroom and minister of the Christian Church.

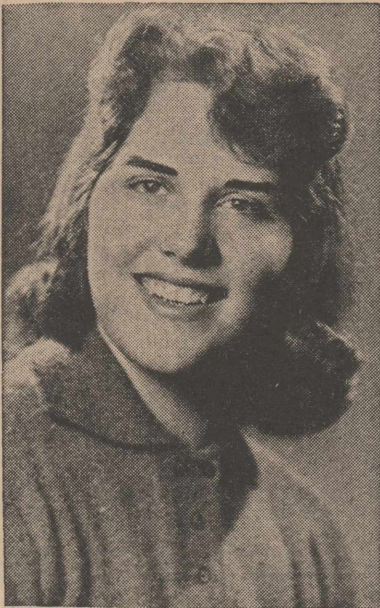

Wedding music was provided by Mrs. Dee Williams, organist, and her daughter, Miss Connie Williams, vocalist.

The bride wore a white brocade satin sheath dress, with a matching white hat. Her bouquet was of red roses carried on a white Bible, and the traditional something old, new, borrowed and blue was carried out.

Miss Carolyn Lockhart sister of the bridegroom, was maid of honor. She wore a brown silk sheath dress with a corsage of white carnations.

Don Lockhart of Amarillo, the groom's brother, was best man.

Following the ceremony, the couple left on a short wedding trip.

Mrs. Dale Lockhart

The bride was a senior in Fort Madison high school, where she was a majorette in the high school band and a member of the senior choir and sextet.

After graduating from high school here in 1953, the bridegroom served four years in the Air Force. He is now a sophomore in Clarendon Junior College, where he is taking a pre-pharmacy course.

The couple will live in Wellington while he continues his studies.

Pork and Pears Good Buys This Autumn, Housewives Reminded

Autumn offers the Collingsworth housewife its own special foods that are economical in price and delicious in taste, Miss Kathryn Potter, county home demonstration agent, reminds.

Two of these are pork, which may be home-raised or bought on the market and pears, which are plentiful this year.

Pork, however, needs special care and storage if it is to be served at its peak, she reminded.

Pork ranks high in thiamine and is a good source of other B vitamins (riboflavin and niacin). Like other meats it rates for protein and iron.

Fresh pork has a relatively short storage life compared to other meats. This means a few days in the refrigerator and from 3 to 6 months in the freezer. To refrigerate pork, wrap loosely and place in the coldest part of the refrigerator.

Before freezing, trim excess fat from the meat, and package in moisture and vapor-resistant wrappings. You may want to separate cuts into meal-sized portions before packaging for the freezer. Wrap carefully so packages will be airtight to prevent meat from drying out. Then quick freeze at zero F. or lower and store at zero F. or lower. Cooked pork can be frozen satisfactorily, but is not as desirable as pork frozen uncooked.

Fresh pork sausage, like most ground meats, is highly perishable and loses quality when kept in the refrigerator for longer than a day or two. However, it will keep in a freezer at zero for a few weeks.

Uncured pork cannot be frozen as successfully as fresh pork but can be kept somewhat longer in a refrigerator. Half hams have the best eating quality if used within 5 days and whole hams are best when eaten within 2 weeks.

Make The Most Of Pears

Bartlett pears are plentiful this year . . . Use them to add variety and interest to meals or serve them for between meal snacks.

Try your hand at a variety of salads and desserts using pears, or make preserves and preserves to enjoy later. Louise Mason, extension foods and nutrition specialist of Texas A&M College, says pears are low in calories; a medium sized pear contains only about 100.

Bartletts are large, bell shaped pears with a smooth skin of bright yellow, often with a reddish-blush on one side. They have a creamy white flesh, a fine texture and good flavor. When you shop, look for well shaped, firm fruit free of blemishes.

Who's New in the Wellington Area

A son, Ruben, was born to Mr. and Mrs. Lucio Perez November 11, in St. Joseph's Hospital. The baby weighed seven pounds, two and one-half ounces.

Mr. and Mrs. Anastacio Gauan are the parents of a daughter, Sylvia, born in St. Joseph's Hospital November 15. Her weight was 8 pounds.

Burns-McPherson Rites Take Place in Las Cruces, New Mexico, October 31

Announcement was made here this week of the marriage of Miss Kathy McPherson, daughter of Mr. and Mrs. V. T. McPherson of Hedley and Herschel Burns, son of Mr. and Mrs. J. J. Burns of Quail.

The couple was married Saturday, October 31, at the home of the brides sister, Mrs. James Kirkland in Las Cruces, New Mexico. The justice of the peace performed the ceremony.

The bride wore the traditional something old, new, borrowed and blue.

Mrs. Kirkland was matron of honor while Roger Messer of Hedley was best man.

The bride is this year's Cotton Festival Queen and one of the popular young women of her town. She is a sophomore in Hedley high school and member of the basketball team.

The bridegroom is a junior in Quail high school and member of the Future Farmer chapter.

The couple will live in Hedley and will continue their school work.

Shirley Peters Heads Collingsworth 4-H Club Council for Coming Year

Collingsworth County 4-H Council met Monday night, November 9 in the REA Building and elected officers.

Shirley Peters called the meeting to order and Miss Kathryn Potter, home demonstration agent, and Bob Lynch, county agent, discussed with the group, "What is a 4-H Council?"

Joyce Alexander read the Constitution and by-laws of the girls. The following officers were then elected: Chairman, Shirley Peters of Wellington; girls co-chairman,

Joyce Alexander of Samnorwood; boys co-chairman, Randall Murry of Samnorwood; treasurer, Patsy Bouchelle of Wellington; secretary, J. C. Saunders of Quail; reporter, Sue Saunders of Quail; recreation leaders, Dean Johnson and Jamie Ross both of Quail; song leaders, Nancy Alexander of Samnorwood and Lynell Black of Dodson; pianist Sonna Murry of Samnorwood.

Fourteen 4-H members were present and sponsors, Mrs. Bouchelle and Mrs. Alexander, Miss Potter and Lynch.

Bridal Shower Honors Mrs. Darryl Morris in Louis Allred Home

Mrs. Darryl Morris, the former Sharon Bettis, was honored with a bridal shower on Saturday evening, October 31 in the home of Mrs. Louis Allred.

Sharing hostess duties with Mrs. Allred were Mmes. Paul Bell, Pete

Cummings, Jack Brewer, George Brewer, Woodrow Wilson, J. I. Morgan, C. A. Wright, B. C. Morgan, Rufus Sweat, Tommy Lowrie, Henry Wischkaemper and Lloyd Woodridge.

In the receiving line were Mrs. Allred, Mrs. Darryl Morris, her mother, Mrs. Al Bettis and Mrs. Lewis Morris, mother of the bridegroom.

Mrs. Millard Brown registered the guests and Mrs. Wilson and Mrs. Wright displayed the gifts. The serving table was laid with a lace cloth over yellow. An arrangement of yellow and bronze mums formed the centerpiece, with appointments in silver and crystal.

Mrs. Bell and Mrs. Woodridge alternated at the silver tea service.

Guests called between the hours of 7:30 to 9.

Week end guests in the home of Mr. and Mrs. Haskel Manuel were Mr. and Mrs. D. E. Hollum, Joy and Junior of Iowa Park, Mr. and Mrs. H. I. Manuel and boys of Childress; Mr. and Mrs. Don Manuel Joey and Kathy of Fritch and I. H. Manuel of Wellington.

Camp Fire Girls

The Flying Bluebirds met November 12 in the home of their leader, Mrs. Lonnie Whitten.

Refreshments were served by Wanda Whitten, then Judy Porter called the meeting to order and lighted the bluebird candle. Joy Hudspeth called the roll, after which the girls worked on the Christmas gifts for their mothers.

The group were adjourned by singing the blue bird good bye song blowing out the candle.

Attending were Mary Lou Hanna, Joy Hudspeth, June Popwell, Judy Porter, Molly Beth Wauer, Wanda Whitten, Mrs. Whitten and Joe.

Thistle-down...

School Principals Discuss Problems, Proposed Program for 1924 Study Club

"Know Your Schools" week was observed by the 1924 Study Club Thursday, November 12. Mrs. Jack Sanford was hostess and also program chairman for the day. She introduced the guest speakers, Mack Bush, principal of high and junior high school and Jack Davis, principal of elementary school.

Mr. Bush passed out a proposed high school curriculum, stating that the requirement for graduation is now 16 credits but this will be raised to 18½ next year. With the new curriculum 30 different courses will be offered.

He also explained the series of tests that have been given to the students this year, intelligence, aptitude and achievement tests, stressing that these tests are merely indications of a student's interest in certain studies. It is believed that the new program of studies will enable a student who does not intend to go on to college to plan his high school work so that he will be qualified to go into his chosen life work upon graduation from high school.

The student who will enter college will be able to choose his high school work so that he will have the necessary background for his college work.

Mr. Bush closed his talk with the suggestion that if parents will cooperate with the schools and discuss things they feel are needed, the schools will be strengthened by parents and teachers working out these matters. He stated that, for instance, Spanish is being taught this year because one mother asked why her child could not take Spanish and upon being told that if enough students desired to study Spanish, arrangements for teaching it could be made. "This mother got 12 other students interested in Spanish . . . so we have a Spanish class in our school," he said.

Mr. Davis opened his talk with the quote: "Russia put a Sputnik in the Heavens — and we blame the kids." He stated that too much pressure is put on kids and it is put on too early. He pointed out that schools do not mold children but that their dispositions are formed by the time they start to school and the schools can only build from that.

He read excerpts from Wes Izard's column in that morning's paper, "Old-Fashioned Home Remedy". He stated that good Scouts are made at home, camp Fire girls are made at home, the essentials to a good life—character, morality and spirituality — are made at home.

Mr. Davis stressed the importance of the schools and clubs working together and said that he would cooperate with club women anytime they wanted one of his teachers to attend one of their meetings.

Mrs. Chester Fires, vice-president presided at the business session. Mrs. Odell Brown was voted into the club membership. Roll Call was answered with; "A teacher I remember." Beautiful tributes were paid to many of Wellington's early day school teachers.

Mrs. Sanford served a dessert plate in keeping with the Thanksgiving season to Mmes. Fires, J. F. Michael, B. M. Sims, R. R. Crawley, A. L. Elliott, V. E. Warlick, James Sullivan, J. B. King, Mack Bush, Frank Weir, Henry Vaughan and Miss Sara Jones.

Mr. and Mrs. Beryl Cooper and Jimmy of Chickasha, Oklahoma visited here over the week end with his mother, Mrs. Gertrude Cooper and Sandra.

Dinner guests of Mr. and Mrs. C. E. Killingsworth Thursday night were their son, Woodrow Killingsworth and his son-in-law, Troy Stafford of Dimmitt. The two men were business visitors in Shamrock before coming here.

JFF Holds Annual Dinner

JFF Club members and their husbands enjoyed their annual Thanksgiving party Thursday night, November 12 in the home of Mr. and Mrs. Weldon Cleveland.

A complete Thanksgiving supper was served buffet style, then the group played games of 42 and canasta.

Attending were: Mr. and Mrs. Alton Wilkins, Mr. and Mrs. Jimmy Gibson, Mr. and Mrs. Joe Coleman, Mr. and Mrs. Howard Crosby, Mr. and Mrs. Fred Williams, Mr. and Mrs. Wayne Cudd, Mr. and Mrs. Drury Lacy, Mr. and Mrs. R. T. Savage, Mr. and Mrs. Herman Belew, Mr. and Mrs. Jake Leach, Mr. and Mrs. Woodrow Wood, Mrs. Cecil Elbert, Mrs. Dick Sweat and Mr. and Mrs. Weldon Cleveland.

Study Plight of Chinese Christians

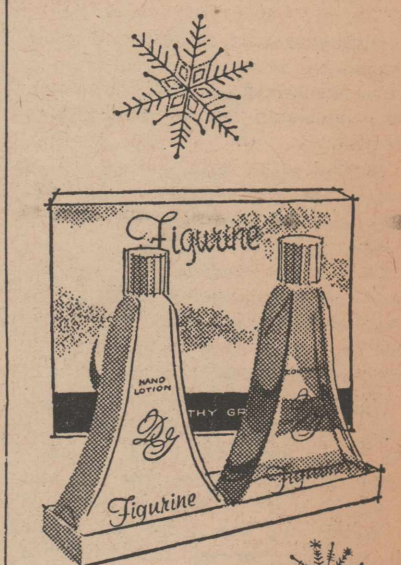

Circle meetings of the Woman's Society of Christian Service were held Wednesday, Nov. 11, for programs on relocated Chinese Christians.

Lydia Circle met in the home of Mrs. Dan Henard, with Mrs. John Henard as hostess. Mrs. Bertie Hartman gave the devotional, speaking of social creeds and moving populations and pointing out that movement of peoples is not new, for unsettled peoples of all ages crave security, home and places of worship.

Mrs. Cal Hurst told of 6 Chinese Christians giving testimony as to what Christianity means to those who have been forced to flee communist domination. Mrs. A. L. Elliott gave the closing prayer.

Ruth and Esther Circles met jointly in the home of Mrs. Grant Woodridge. "More things are wrought by prayer than this world dreams of" was the theme for the devotion by Mrs. J. B. King. The program of 6 Chinese Chris-

tians and their problems was given by Mmes. Frank Weir, A. J. Fires, King, Woodridge and L. B. Bratten. The closing prayer for missionaries was by Mrs. J. L. Warrick.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF COLLINGSWORTH
SHERIFF'S SALE

WHEREAS, on the 28th day of September, 1959, in Cause No. 3009-A, in the District Court of Collingsworth County, Texas, wherein The State of Texas and Collingsworth County were Plaintiff and Quail Rural School District was Intervenor were Plaintiff, Impleaded Party Defendant, and Intervenor recovered judgement against O. W. H. Cook, and all unknown persons owning, having, or claiming any interest in or lien on the property described herein and the unknown heirs, unknown legal representatives of all defendants herein Defendant, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 30th day of October, 1959, by virtue of said judgement and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgement and said Order of Sale and the mandates thereof I did on the 30th day of October, 1959, seize and levy upon as the property of the above defendant the following described property, situated in Collingsworth County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: An undivided 7/8 interest in all the minerals in and under ALL of the NE 1/4 and 20 acres out of the SE corner of the SE 1/4 of Section 64 in Block 15, H & G Ry Co Surveys in Collingsworth County, Texas.

And I will on the first Tuesday in the month of December, 1959, the same being the 1st day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Wellington, Texas between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Wellington, Texas, this 30th day of October 1959.
John Rainey Sheriff
Collingsworth County, Texas 16-3-c

County Politics Goes by New Dates in 1960

With primary elections moved up to May and June, this year's political calendar presents a whole set of new dates. Given here are those which pertain to elections on the county level.

January 31 — Last day to pay poll taxes.

February, 1960 — Commissioners' court at its February term shall appoint the precinct election judges for the general election.

February 1 — Request by the candidate to have his name placed on the ballot shall be filed not later than the first Monday in February preceding the primary.

February 8 — County executive committee meets to apportion costs of primary among the candidates.

February 13 — Last day for candidates to pay assessments.

March 7 — Last day to file application for a place on the primary ballot where there is no candidate for nomination, due to death of one filed or for any other reason.

March 10 — Last day for the tax collector to make a statement to the county clerk showing the number of poll tax receipts issued and to whom.

March 14 — County Executive Committee meets to determine the hour and place of primary conventions on primary election day, May 7 and the hour and place of county convention on May 14.

March 21 — County executive committee meets to: (1) Receive certificates showing names of state and district candidates; (2) determine by lot the order in which names of candidates appear on the ballot.

March 28 — Five-member Primary committee of county executive committee meets to prepare ballot for first primary.

March 31 — Tax Collector shall deliver to the election board certified poll lists before April 1.

April 6 — Former non-residents or minors who shall have since become eligible to vote by reason of length of residence or age, shall not later than 30 days before first primary election obtain exemption from county tax collector.

April 17 to May 3 — Absentee voting for the first primary.

April 26 — Chairman of the county executive committee shall post in the county courthouse and file with the county clerk notice and place of precinct conventions at least 10 days prior to date of conventions.

April 27-29 — Period for filing sworn statement of campaign account by candidates, not less than 7 days nor more than 10 days prior to First Primary.

May 1 — County tax collector shall deliver to the chairman of the county executive committee and supplemental lists of voters at least five days before election day.

May 1 — County executive committee to select supervisor for election precinct not less than five days before election when petitioned to do so.

May 2 — Tax collector shall furnish election board, 4 days prior to first primary, a certified supplemental list of voters.

May 3 — Last day for absentee voting.

May 3 — Notice of hour and place of county convention to be held Saturday, May 14, shall be posted by the county chairman in the county courthouse and a copy filed with the county clerk at least 10 days before the convention is held.

May 4 — Former minors and former non-residents who have become eligible to vote after January 1 by reason of age or length of residence, and who wish to vote in the second primary, may obtain exemption certificate from the tax collector not later than 30 days before the election.

May 6 — On day preceding the first primary or prior thereto, any five candidates may agree on supervisors.

Saturday, May 7 — FIRST PRIMARY ELECTION.

May 7 — Precinct convention.

May 7 and 8 — Votes must be counted within 24 hours after closing of polls.

May 7 and 8 — Immediately upon the completion of counting of the ballots within the prescribed 24 hours, the precinct election judge shall notify the chairman of the county executive committee, either personally or by telephone of the results.

May 7 and 8 — Triplicate re-

turns shall be made, signed and certified as correct and delivered: (1) one copy sealed up in an envelope and delivered to the county chairman, (2) one copy placed in one of the ballot boxes with ballots voted, and locked and sealed in it, (3) one copy delivered immediately to the county clerk.

May 7 and 8 — Within 24 hours after the counting of the votes, presiding judge shall deliver to the county clerk ballot boxes containing ballots voted, locking and sealing tally sheets, poll lists, return sheets ballots mutilated and defaced, and ballots not voted; the presiding judge shall deliver the keys to the Sheriff who shall keep them 30 days.

May 10 — County Executive Committee meets and canvasses returns and records results in each precinct. Chairman shall make a list of candidates for precinct and county offices who have received necessary votes to nominate and deliver it to the county clerk.

May 11 — County executive committee chairman shall, within 24 hours after votes are canvassed, mail list of state and district winners by registered letter to the chairman of the state executive committee.

May 12 — Candidates for precinct chairman or county chairman, within two days after the canvass of the vote by the county executive committee, may file application in district court for a recount of votes.

May 14 — County convention.

May 15 to 31 — Absentee voting for second primary.

May 17 — Last day for candidates for first primary.

May 19 — Permanent chairman and permanent secretary of the county convention to send signed and certified list of delegates and copy of resolutions adopted by county convention to the secretary of state in Austin by sealed registered letter within five days after convention.

May 20 — Election contests for county and precinct offices must be filed in district court within 10 days from date of declaring the result by the executive committee.

May 25 to 27 — Sworn statement of campaign account for second primary.

May 29 — County Chairman to select supervisors for second primary election not less than 5 days before election when petitioned to do so.

May 29 — County tax collector shall deliver to the chairman of the county executive committee certified and supplemental lists of voters at least 5 days before second primary.

May 30 — Tax collector shall furnish election board, 4 days prior to second primary, certified supplemental list of voters.

May 31 — Last day for absentee voting.

June 3 — One day preceding second primary or prior thereto, any 5 candidates may agree on supervisors.

June 4 — SECOND PRIMARY.

June 4 and 5 — Votes must be counted within 24 hours after polls close.

June 4 and 5 — Immediately upon completion of counting ballots within the 24 hours, precinct election judges shall notify the chairman of the county executive committee personally or by phone of the results and certify results to county clerk.

June 4 and 5 — Within 24 hours after counting the votes, the presiding judge shall deliver to the county clerk ballot boxes, the presiding judge shall deliver the keys to the Sheriff who shall keep them 30 days.

June 7 — County executive committee meets to canvass second primary returns.

June 8 — County Chairman shall mail, complete returns of state and district offices to chairman of the state executive committee.

June 14 — State Convention.

June 14 — Last day for candidates to file supplemental sworn statements for second primary.

June 17 — Election contest for county and precinct offices must be filed in district court within 10 days after election results are declared by the executive committee.

July 7 — First primary election stub box contents of election or criminal investigation.

July 11 — National Democratic convention.

August 4 — Contents of stub

box of second primary may be destroyed unless this is deferred by the district judge.

September 20 — State convention.

October 3 — Governor's proclamation of general election shall be issued and mailed to all county judges not less than 35 days before the general election.

October 8 — Former minors and former non residents who have become eligible may obtain exemption certificate test from Tax Collector not later than 30 days before election.

October 8 — Secretary of State shall certify to all county clerks a list of candidates for state and district offices at least 30 days before general election.

October 18 — County Judge to have notices posted of the general election at each precinct 20 days before election.

October 19 — November 4 — Absentee voting.

October 24 — County Judge shall, 15 days before election notify each presiding judge in writing of his duty to hold elections.

October 29 to 31 — Sworn statement of campaign account must be filed.

November 1 — Last day for county chairman to make financial report and file with county clerk.

November 2 — County Executive committee to select supervisor for election not less than 5 days before election when petitioned to do so. Chairman of the county executive committee may nominate supervisor for each voting precinct.

November 3 — County tax collector to furnish election board supplemental certified list of voters not less than 4 days before general election.

November 4 — Last day for absentee voting.

November 7 — On day before general election or prior thereto, any 5 candidates may agree on supervisors.

November 8 — General election.

November 9 — Votes must be counted and tabulated within 24 hours after polls close.

November 10 — One of the pre-

cinct judges shall deliver election returns with certified list of qualified voters and all unused election supplies to the county judge within 24 hours after the votes are counted.

November 10 — Presiding precinct judge to forward written returns to county judge within 36 hours after all votes are counted. He shall seal in a box all ballots voted, together with one poll tax list and one tally list and deliver it to the county clerk within 36 hours after the polls close.

November 14 — Commissioners court to open and canvass the election returns.

November 16 — Within 48 hours after commissioners court opens and canvasses the general election returns, the county judge shall make cut duplicate returns of the election. One copy to be sent to the secretary of state, the other filed with the county clerk.

November 18 — Last day for candidates to file supplemental sworn statement.

December 19 — Presidential electors convene in the capitol at Austin and vote for president and vice president of the United States.

January 1, 1961 — County judge shall send tabular statement to secretary of state showing who were elected and to what office and date of qualification.

January 8 — Contents of stub box for general election destroyed.

May 9, 1961 — Six months after general election, if no contest, county clerk shall burn contents of the ballot box.

About the only thing on TV nowadays, that hasn't been played before, is a football game. And a good many of them are replays.

To End Season

Indians Freeze Out Skyrockets 28 to 8

By Tom Wilkins

The Wellington Skyrockets after a very gallant try went down in defeat to the Quannah Indians Friday night 28-8 in what this writer describes as a very miserable night. A wind swept field of frigid cold met the Rockets and Indians as the game started.

The first quarter started as the Indians chose to kick and have the wind at their backs. The Rockets took the ball on the 15 and were unable to push down field pass the 24 yard line. The Rockets pushed the ball down to their own 24 and were forced to punt on the fourth down. The kick looked like a beauty but the wind changed the balls course and the Rockets lost 3 yards on this punt. The spirited Indians took the ball at this point and 2 plays later pushed over for the first TD, point after was good so it was Indians 8, Rockets 0. The Indians kicked off to the Rockets and the Rockets

met the same situation on the 28 yard line. Several plays later the Indians pushed across their second tally of the evening, the point after was good, Indian-16, Rockets-0.

The second quarter was much like the first with the Rockets battling for all they were worth to no avail as the Indians scored twice more in this quarter. One point after was good so at half-time the score was 30-0.

After a short intermission the Rockets came out to start the second half of the ball game and acted as though it were a warm night and were all full of the old Rocket spirit. The Rockets played a whole of a ball game the last two periods. The Rockets lone score came in the third period with Ronnie O'Rear going over from 10 yards out, point after score was good. The Indians also scored in the third period and the point after was good and that's the way the game ended.

The Rockets fought hard the entire game and I think they deserve a bow for a season well done. This concluded the Rockets season for this year. The Quannah Indians will represent district 5AA as they meet the Stamford Bulldogs for the Bi-District title this week.

The Rockets had a lot of young boys this year that we will be looking for greater things next year. Keep that Rocket spirit and you will always be ahead.

Week end guests in the home of Mr. and Mrs. Jimmy Cochran were her mother, Mrs. W. R. Neal and two of her aunts, Mrs. Tom Smith and Mrs. Bob Templeton all of Fort Worth.

THE WELLINGTON (TEXAS) LEADER
Thursday, November 19, 1959

Personal

Mrs. Jimmy Henegar and daughter, Karen and Miss Pauline Benson of Dallas were here to attend the funeral of their uncle, Clark Anderson. They remained through the week end, with Mrs. Henegar and Karen visiting her parents, Mr. and Mrs. Frank Anderson, and Miss Benson going to Shamrock with her parents, Mr. and Mrs. J. R. Benson.

Mr. and Mrs. J. B. Stevenson were in Lubbock over the week end to visit their daughter, Mr. and Mrs. Orland Butler, Dan, Diana and Susan. Five year old Susan returned home with them to stay until Thanksgiving when her parents will come to visit and take her home.

Mr. and Mrs. Condie Hartman of Oklahoma City were week end guests of his mother, Mrs. Bertie Hartman.

Rev. and Mrs. R. L. Porter, Jr. of Lubbock visited here over the week end with his parents, Mr. and Mrs. R. L. Porter, Sr.

Guests Friday night of Mr. and Mrs. Claude McKinney were two of her sisters, Mr. and Mrs. H. B. Beeler and Mrs. J. O. Schaffer and daughter, Barbara all of Paris. Mrs. McKinney accompanied the group to Dumas Saturday where they attended the bridal shower for their niece, Miss Elinor King.

Mr. and Mrs. Loal King and son Gary of Amarillo visited during the week end in the home of Mr. and Mrs. L. C. King and with Mrs. G. F. Wright.

Mrs. Jules Boverie visited over the week end with relatives and friends in Lubbock. Mrs. Boverie has been here to help her mother remodel a house here.

Mr. and Mrs. Tom Caterlin spent the week end in Claude visiting with their daughter and family, Mr. and Mrs. Afton Thornton, Sharon and Tommy.

He who dozes while he drives will rest in pieces forever.

Cicero Smith

Dudley J. McMillin

LUMBER CO.

Wellington Phone 27

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

PEOPLE SAY THESE ARE THE THINGS THEY WANT

IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars . . . and what they want most in their 1960 cars. Here's what the people tell us they want . . . and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

"Safety—don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid thump of Chevy's big doors. Of course, if you should need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"... a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to styling. So take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: value.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Nearest to perfection a low-priced car ever came . . .

Deck's DIDACTICS

—By Deskins Wells

With the first primary coming on May 7 and the second on June 4, the entire time table for candidates and voters has been moved up sharply. Some prospective candidates have asked about the best time to announce. That is something I don't know, but my guess is that most county candidates will use the customary month of January to make their announcement although some have said they were planning to announce before that time. State candidates, who formerly announced in the spring will step up their date in order to give themselves running room. You can't make a state race in a month's time.

On another page will be found a detailed account of when to do what in the coming elections. Better clip it out and file it away for it might come in handy at a later date. It tells about precinct and county conventions, time for filing expense accounts, absentee voting, last date to file with county chairman, etc.

May 7 is as good a day as any to hold an election provided the weather bureau will refrain from putting out any tornado warnings for that day. Otherwise a lot of people will be hanging around their cellar door instead of going to the polls.

Congratulations to all who worked in the drive to raise funds for the Boy Scouts and to all who gave so generously. It was the most successful ever held and was completed in the shortest length of time.

It is beginning to look like Mrs. Johnson and her ants were correct in predicting a hard winter. We have already set a record for November 16. Maybe the intermittent freezing and thawing will do something to the boll weevils which have increased in an alarming manner in the last two years.

Ordinarily I do not believe in giving free advertising to business firms, but I believe some mention should be given to Mrs. Cameron Beam's picture framing service at Sullivan Hardware. Last week she handed me a nicely framed certificate signed by Gov. Coke Stevenson saying that I had been appointed a member of The Texas Centennial of Statehood Commission. I turned the parchment over to the store for framing in 1945—only 14 years ago.

Went by to see the oil, ammonia and ice cream tycoon the other day and found him fixing a flat. Why don't you get to work Steve, I said. That is about all of that sort of talk I want to hear this afternoon. Richard just came by and said: Not making much progress are you Dad? You were doing that same sort of thing forty years ago.

When you go quail hunting in December, save a few shells for stray cats. Game wardens say that ordinary house cats destroy more birds than any other predator.

Clark Anderson

(Continued from page one)

helped with the organization of Chambers of Commerce and the Kiwanis Club.

He was a thirty-second degree Mason and past master of the Wellington Lodge. He also was a Shriner.

Mr. Anderson served in the Army during World War I. He was a member of the American Legion and served as adjutant and service officer. He had been a member of the Methodist Church for more than 50 years.

Mr. Anderson was married to Miss Marjorie Wall on July 3, 1921 and she was closely identified with him in his business interests here.

Funeral services for Mr. Anderson were held at First Methodist Church Friday at 3 p.m., with the Rev. Frank Weir, pastor, and the Rev. J. F. Michael officiating. Pall bearers were Paul Spillman, Dr. J. M. Orr, Sandy Parsons, Jr., Bobo Castleberry, Ernest Lewis and A. J. Fires.

Burial was in North Wellington Cemetery under the direction of Kelso Funeral Home.

Mr. Anderson is survived by his wife and three daughters, Miss Louise Anderson of New York City and Mrs. Jack Kopp and Miss Celia Anderson of Wellington. There are two grandsons, George Alex and Brad Kopp. Other survivors are a brother and sister, Frank Anderson of Wellington and Mrs. J. R. Benson of Shamrock.

Vinson, Brisco Fall

Quails Win Two Games in Week End Play

The Quail Quails, led by Co-Captain Danny Wheeler zipping the net for 23 points, defeated the Vinson boys basketball team by a score of 54 to 25, in a return game on the Quail court on Friday night November 13th.

The first quarter saw the Quails leading by only one point 6-5 but the Quails found the range of the hoop in the second quarter and pulled away 22 to 8 by the end of this period. The third quarter the Quails scored 15 points while the Vinson boys scored only 6 points to fall farther behind with the tally being at the end of the third round of play 39 to 11.

The last quarter all of the boys

on the Quail squad saw action and the score ended 54 to 25 in favor of the Quails. Bobby Boyce scored 16 points for his team while John Kimbro scored 10 and Jimmy Peters scored 5.

Other team members seeing action during the game were Travis McGuire, Teddy Gentry, Buford Wheeler and Clifford Reeves.

Jeryl Plamore was high point man for the Vinson team with 8 points.

Captains Elected

The Quail basketball boys elected team captains for this season of play. The Co-Captains elected are Danny Wheeler and Travis McGuire.

Quail-Briscoe

The Quail Quails defeated the Briscoe basketball team by a score of 56 to 40 Tuesday night, November 10 on the Quail court. The Quails scored eleven points during the first quarter and their defense held the Briscoe squad scoreless during this period. The second period saw the Briscoe team finding the hoop for twelve points while the Quails scored fourteen points to hold onto the lead set in the first quarter.

The third quarter was closely played period with the Quails scoring 12 points and the Briscoe hoopers scoring eight points and the last quarter was another thrilling period with the Quails scoring nineteen points and the Briscoe boys scoring twenty points.

The free tosses greatly helped the scoring of the Quails as Bobby Boyce hit six out of eight and Danny Wheeler hit nine out of nine. The totals for the Quails were twenty two points for Jimmy Peters and ten for Bobby Boyce; twelve for Danny Wheeler and eleven for John Kimbro and one for Travis McGuire, Teddy Gentry replaced Travis McGuire as guard in the last quarter of the game with no points. Fred McCray was high point man for the Briscoe squad with fifteen points.

Funeral Services
(Continued from Page 1)

An active and devoted member of the Baptist Church, she had taught a Sunday School class for more than 40 years.

Surviving are two step sons and two step daughters, Carrell Laycock and Harrell Laycock of Wheeler, Mrs. Verna Eisenberg of Amarillo and Mrs. Carrie Westbrook of Pomona, Calif. There are 17 grandchildren and 21 great grandchildren. Other survivors are a sister and three brothers, Mrs. Ralph Barton of Wellington, Bob Goode of Wichita Falls, Guy Goode of Houston; Jim Goode of Oklahoma City and Dr. Norman Goode of Kansas City, Missouri.

Sophomores Plan Hay Ride, Party

Wellington high school sophomores are sponsoring a hay-ride and hamburger party Thursday evening, November 19, as part of their fund raising drive to elect their candidate for Harvest Queen, Jennifer Singley.

The hay-ride will be from the school to the Lynn Carter home in the Kelley community, where the Hamburger party will be held.

The class sponsors, Danny Garcia and Frank Lindsey, will be in charge of the event.

Bigger Broilers Faster

Using the high energy feed formulas now in practical use, it is possible to produce a broiler weighing more than three pounds in eight weeks on less than six pounds of feed, according to Dr. J. R. Couch, Texas A&M College System. This is possible if no disease outbreaks occur, if the chick is available that is capable of obtaining such standards and if proper management procedures are followed.

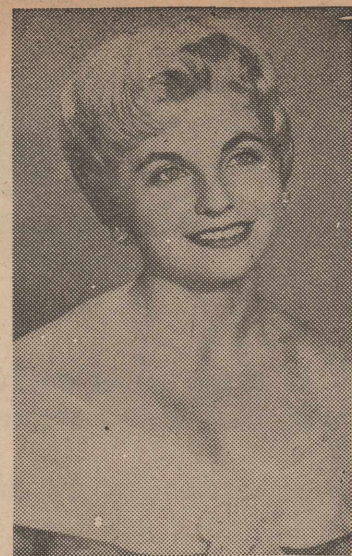

If success made the heart swell like it does the head, this would be a far better world.

ARTHRITIS

I have been wonderfully blessed in being able to return to active life after suffering from head to foot with muscular soreness and pain. Most all joints seemed affected. According to medical diagnosis, I had Rheumatoid Arthritis, Rheumatism and Bursitis. For free information write:

STATE RUNNER-UP

Wellington's Kaye Peeples was runner-up in the State Farm Bureau Queen contest, held last week at the annual Texas Farm Bureau convention in San Antonio.

Lone Star Has Million Man Hours Without Injury

Some 563 employees of Lone Star Company's West Texas distribution region, with headquarters in Abilene, completed one million man hours without a lost time injury during the 10 months period between December 6, 1958 and October 16, 1959.

Their achievement marks the first time in Company history that a major field distribution unit has attained such a record. It also marks the seventh million-hour record by individual units in the Company's 50 years, three of them held by districts within the West Texas region.

The region comprises 108 towns in 15 districts. Three of these, Vernon, San Angelo and Abilene have also completed one million-hour safety records on their own with Abilene already boasting more than 1 1/2 million.

What does it take to reach that million mark? Planned safety and diligent effort on the part of supervisors and employees, say the men who directed this particular project.

The plan for West Texas region was conceived during a deer hunting expedition in which E. L. Buelow, regional manager, and Glynn Covington, the company's West Texas safety engineer, participated.

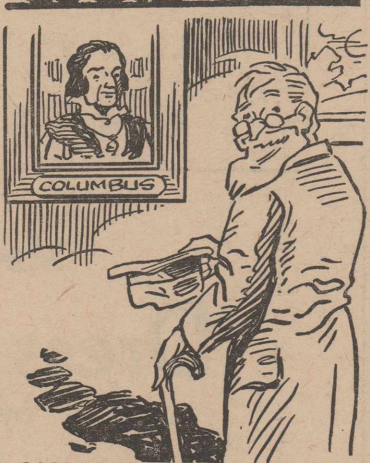

"We decided to put our safety goal on the basis of one million hours rather than on an annual basis so that we could arrive sooner and yet set up some pattern for safety that might carry over into entire the year," Mr. Buelow explains.

"Our West Texas safety engineer, Glynn Covington, was in on the planning and put the safety division of the Company staunchly behind the supervisors and district managers."

Letters were written and meetings held in which the challenge was made and the goal repeated. The first letter from the regional manager was followed by one from the safety engineer stating that the safety division of the company would do all it could to assist the men in attaining their goal.

One of the suggestions was that the managers and foremen observe closely their men at work so as to correct any unsafe working habits. Supervisors were kept on their toes with suggestions that

Rev. Hankins Preaches Sunday at First Baptist

The Rev. Clyde Hankins, Southern Baptist Missionary to Jardim, Matto Grasso, Brazil, was guest preacher Sunday, November 15, at First Baptist Church, where he was pastor more than 25 years ago.

Rev. Hankins and his family are in the United States on furlough, and she and the children are staying in Calhoun, Kentucky. They have been in the Matto Grasso region for 19 years.

Rev. Hankins preached at both services Sunday, and in the evening showed colored slides of his mission work. During his last term at Jardim, he led in the establishment of a church of 100 members, with a Christian Day School and orphanage with facilities for 25 children.

The Wellington church helps to support his work. This week he is conducting a revival at Calvary Baptist Church, Dumas.

On Annual Hunt to West Texas

Cameron Beam left Sunday, November 15, to join a party on its annual deer hunt in Southwest Texas.

The eight men will go first to their hunting lease near Junction to hunt deer and turkey. Later this week they will participate in an invitation hunt on the Pecos, west of Ozona. They will hunt Quail, as the season is already open there, and also more deer.

Included in this group that hunts together each year are Beam, Allen Shahan of Childress, K. K. Francis of Stamford and Tom Grayson of Abilene, all with West Texas Utilities Company; George Williams of Abilene, Judge Esco Walters of Eastland and Mr. Reynolds of Dallas. A new member this year is Jim Hand of Abilene.

FFA to Sell Christmas Trees

Wellington Future Farmers will sell Christmas trees again this year, beginning sales immediately after Thanksgiving, Danny Garcia, ag instructor, has announced.

These will be high quality, long-leaf pine trees from New Mexico, Garcia said.

Sunday guests in the home of Mr. and Mrs. Don Lacy were her parents, Mr. and Mrs. John Hamilton, Misses Selenda Hamilton and Jeannie Collins all of Childress.

they continually emphasize accident. The results proved effective not only in accident prevention but also in other phases of work. While making its safety goal, the region as a whole also increased in efficiency and economy of operation.

They will be recommended for both Southern Gas Association and American Gas association awards.

Thanks, Friends

No one could tell how much we have enjoyed your friendship and patronage during the past years and we want to extend to you our sincerest thanks, and our best wishes for an enjoyable Thanksgiving.

It has been a pleasure to serve you and your response to our call has indeed been gratifying.

We will be closed from Tuesday night, November 24th until the following Monday in order to attend a family reunion out of town, and we beg your forgiveness for any inconveniences during this time.

AT THE RITZ

Kirk Douglas is ready to kill to get his prisoner on the "Last Train From Gun Hill" in that Hal Wallis production. Paramount Technicolor-VistaVision drama stars him with Anthony Quinn. Slung over his shoulder is Earl Holliman, who is co-starred with Carolyn Jones, Sunday, Monday and Tuesday at the Ritz.

Thomas Heads SCD Board

The annual re-organization of the board of supervisors of Salt Fork Soil Conservation District was held Saturday night, November 7, with Zook Thomas of Wellington elected chairman.

He succeeds Orville Vaughan, Dodson, who served during the past year.

Pat Bradley of Abra was elected vice-chairman and John Robert Henard of Wellington secretary-treasurer, according to Fred Squyres, work unit conservationist of Soil Conservation Service.

Other members are Vaughan and Frank Coleman of Quail.

Average Indian Life 35 Years

The average life span of Indian Americans is 35 years compared to 60 years for the rest of the U.S. population, the National Council of Churches "Indian Committee" is told. According to J. Nixon Hadley, of the Public Health Services Division of Indian Health, the health of Indian Americans and non-white Alaskans constitutes a national problem.

In the four years since Congress assigned responsibility for the health of some 347,500 Indians in 24 states, and of 37,500 Indians, Aleuts and Eskimos in Alaska to the Public Health Service, he says, the tuberculosis death rate has dropped 40 per cent. "However, the Indian death rate from tuberculosis is still about four times higher than for the general population," he declares, "and in Alaska is about 11 times greater."

Mr. Hadley notes that while the infant death rate has dropped 12 per cent, it still constitutes 23 per cent of all Indian deaths compared to 7 per cent of the population as a whole. This situation, he said, cannot be improved until the education and economic conditions of the Indian are improved.

Best way to get in the swim is to stay out of the dives.
