Wolves Drop To 3rd Place

Colorado City's Wolves lost their bid to win the first half of competition in District 6-AA basketball as they were defeated by an awesome Hamlin team 75-60 in Wolf Gym Tuesday night before a large crowd.

Hamlin and Stamford tied for the lead in the first half. The second half of district competition now gets underway with the Wolves getting a fresh start as they travel to Stamford to take on the Bulldogs Tuesday night with Friday off.

Hamlin was in control of the game from the very beginning as they built up a 20-8 first quarter lead and led at halftime 40-17. At the end of the third quarter, the Wolves trailed 60-29.

In the fourth quarter, Hamlin reserves were no match for the Wolves as Colorado City piled up 31 points in that period, more than the three other periods combined but the rally came too late to pull the game out. The Wolves finished third in the first half.

Three players each had 12 points to lead the Wolves with Craig Carter, Jackie Ellis and David Childers sharing top scoring honors. Wayne McKee made 8 points, Jim Jordan, 7, Benjie Arispe, 4, Frank San-

chez, 3, and Alan Marcom, 2.

The girls varsity got off to a bad start, scoring only two points in the first quarter but came on strong in the later time spans, losing 46-34 to a strong Hamlin girls team. Leslie Greenlee was top scorer with 16 points, Vicki Lewis, 10, Beverly Fuller, 6 and Karen Thomas, 2.

Colorado City's junior varsity played one of their best games of the year as they downed Hamlin 66-29. Kevin Geiger was top scorer with 12 points while three players, Cornell Ausbie, Terry Culbertson and Bill Jordan each had 12 points. Blake Hammond had 8 points, Dobie Williams, 4, and Chop Love and Hobie Bolin each had two points.

Iron Star Fills Special Order

The new one-hundred million dollar Hilton Hotel in Atlanta, Ga. has some unusual handcrafted tableware made by Iron Star Pottery Tom Gardner and Dave King.

A Hilton order for hand-made salt and pepper shakers, water pitchers, sugar-bowls, creamers and bud vases was packed early Monday morning, driven to Abilene and flown to Atlanta by Texas International and Delta airlines where it was picked up and delivered to the hotel by special courier. Wednesday morning, just over 24 hours after being taken from the kiln in Colorado City, six new pieces of

pottery graced each of the tables in one of the country's most elegant new restaurants.

About three weeks ago, Iron Star was contacted by Erich Huemer, Food Service Director of Hilton's newest hotel. He said that he had seen Iron Star's work elsewhere, was impressed with its quality and design and wanted to know if it would be possible for the Colorado City firm to develop several new items exclusively for one of the dining rooms in the new hotel, scheduled to open in mid-January.

Time was too short to permit such a project during regular production time and Iron Star was on the verge of having to refuse when King and Gardner, two regular potters, volunteered to tackle the job on their own time.

Bob Creighton, President of Iron Star, made a quick trip to Atlanta to show their preliminary designs to the Hilton food service people, buyers and decorators and they were approved on the spot.

Since time was so short, a telephone call from the Hilton offices set the two potters to work on the order even before Creighton departed for the return trip home.

Gardner and King worked at their pottery wheels nights and weekends and the special order was packed still warm from the kiln in the wee hours Monday.

The 7th A team won second place trophy in the 7th grade division.

Thursday games saw the 7-B team lose to Sweetwater A by 21-46 while the A team won 45-25 over Stamford. Donald Owens scored 11 points and Terry Creswell had four rebounds in the B team game. Frog Johnson scored 12 points and Doug Johnson had 10 points and 10 rebounds in the A game.

Friday's action saw the B team eliminated by Wylie A as they lost 21-35. Donald Owens scored 13 points and

for an inspection tour by members of the Student Council and Future Teachers.

Teachers will be stationed in classrooms and departments throughout the complex and will answer any questions visitors might have about the new facilities.

Also, as visitors go from room to room, there will be special activities planned in some of the departments in order to show new equipment and rooms to advantage, including mini-concerts by the choir and band students, science demonstrations, speech orations in

the auditorium and a few other activities.

School board members, Tom Rees, president; S. L. (Mac) Morris, vice president; Drew Ballard, secretary; Jimmie Bolin, Truman Bodine, Bob Motley and Edward Roach, have joined in issuing an invitation to everyone in the community to attend the open house.

A preliminary tour was arranged Tuesday night for members of Colorado City service organizations, including Lions, Kiwanis, B&PW, Jaycees, Chamber of Commerce directors, county commissioners and city council.

INSPECTING PLAYDAY AWARDS which will be presented to winners at an awards supper starting at 7:30 p.m. Friday in the Civic Center are Mike Hammans, left, and Sam Houston. Sam entered a number of the Playdays during the year and is holding third and fourth place saddle blankets. First and second place prizes are silver belt buckles like the one Hammans is holding. Prizes have been on display at Bowers Z Bar B western wear store on I-20 all week.

Probation Officer Makes '75 Report

Noel Wofford, Chief Probation Officer for the 32nd District of Nolan, Mitchell and Fisher Counties, has prepared an annual report of

Application Forms To Be Mailed

Mitchell County Tax Assessor-Collector C. G. (Skeet) Harkins says that the mail-out of application forms to the registered voters in the county is still underway and new voter registration cards will be sent out, also in the mail, sometime in February.

Clerk Doris Burton, in charge of the voter mail-out, says "When you receive the form, make sure all information is filled out in full and that the form is signed before it is returned to the tax office."

"The forms must be returned before we can issue new voter registration certificates. The application can be filled out and mailed in and the new card issued all by mail, saving voters the trouble of coming into the tax office," she added.

Everyone who wants to insure that they are registered voters and eligible to vote in the May 1 primary election should fill out the new application form and send it back to the tax office by Jan. 31, effective for voting March 1.

Sample copies of the application form, printed in both English and Spanish languages, are printed on Page 2 of this issue of the Record.

cases handled and fees collected for the past year.

Wofford, who was appointed to the position by 32nd District Judge Weldon Kirk, has offices in Sweetwater courthouse, assisted by Bill Talbot and Mary Wisdom.

Probationers are required to meet with Wofford once each month and he comes to the Mitchell County courthouse each second Monday and second Wednesday.

"If somebody works five or six days a week, then they're working the same hours I do and they couldn't meet with me in person so for those we have special mail-in forms which can be filled in and sent to me," Wofford explained.

There are 148 probationers in the three counties, 84 in Nolan, 44 in Mitchell and 20 in Fisher.

Misdemeanor probationers total 509 with 410 in Nolan, 72 in Mitchell and 27 in Fisher.

Total caseload shows 657 probationers in Wofford's three-county area. There were also 22 cases where misdemeanor probation was revoked, 19 in Nolan, 2 in Mitchell and one in Fisher. For felony probationers, 13 revocations were made, 5 in Nolan, 5 in Mitchell and 3 in Fisher.

Wofford also explained that probationers pay probation fees and other money handled by his office would include some restitution money in cases where restitution is part of the sentence, some court costs and some fines.

Total collections amount-

ed to \$55,525.78 and from that amount, Mitchell County received \$4,293.70 from fees, \$995 from court costs and restitution to individuals or concerns for damages, etc., \$394 listed for Mitchell County.

Wofford said that money collected from felony probation fees is prorated back to the three counties on this basis: Nolan, 50 per cent; Mitchell, 30 per cent; Fisher, 20 per cent.

Court Charges

A number of cases have been tried in county court recently and some charges have been filed awaiting trial.

Reynaldo R. Gonzales pled guilty Jan. 12 to the charge of possession of marijuana less than two ounces and was fined \$125 and \$26 court costs.

Charges were filed Jan. 2 against Jay Bob Dement citing criminal mischief.

Larry Dwight Kelley was charged with evading arrest Jan. 5.

William Kyle Moore was charged Jan. 8 with possession of less than two ounces of marijuana.

Jebby Joe Forbes pled guilty Jan. 12 to the charge of possession of less than two ounces of marijuana and was fined \$50 and \$46 court costs and sentenced to 60 days, probated for one year.

Jeri P. Spears has been charged with theft by check for an amount over \$20 and less than \$200, charges filed Jan. 12.

Are your heating dollars going right through the roof?

If you don't have at least six inches of insulation in your attic, you're losing a lot of energy through the roof.

Your home needs plenty of insulation in the attic and between the walls. If your home is a pier and beam construction, you need insulation under the floor, too.

Weatherstripping around doors and windows also keeps the warm air

inside, and the winter air outside.

By bringing your home's insulation up to the latest FHA standards, you can reduce your heating costs as much as 20 percent.

For more ideas on how to get your heating dollars' worth, call Texas Electric Service Company.

Card Of Thanks

My family and I want to take this opportunity to
thank everyone for the cards, visits, calls and
prayers during my hospital stay. A special thanks
to the good neighboring farmers who pitched in
and got my crop out. It proves again that there is
no place like Colorado City and home folks.
Thanks also to the nurses and staff at the hospital
for all your care and concern for me and my
family.
