Steers to Travel to Rotan For Yellowhammer Game

The Robert Lee Steers will hit the road Friday afternoon, heading north to Rotan where they will take on the Class A Yellowhammers in a contest to start at 8 p.m.

The Yellowhammers have a formidable record thus far this season with three wins and no defeats. They are at the top of the list in District 8-A, stacking up 117 points to their opponents' 12.

The Steers are still fresh from their big 36-0 win last week over Forsan, another Class A school, and are looking for an opportunity to topple the high flying Rotan lads.

Officially, the Bronte Longhorns still head the list in District 6-B West with a perfect 2-0 season record. However, all the other teams in the district have played three games, and Robert Lee, Irion County, and Santa Anna have 2-1 season records. Miles and Eden have 0-3 records and are looking for their first victory.

LAST WEEK'S RESULTS

Robert Lee 36, Forsan 0; Bronte 23, Roby 14; Irion County 14, Rocksprings 8; Santa Anna 14, Goldthwaite 13; Sterling City 8, Miles 7; Menard 48, Eden 0.

THIS WEEK'S SCHEDULE

Robert Lee at Rotan; Jim Ned at Bronte; Klondike at Irion County; Blanket at Santa Anna; Garden City at Miles: Eden at Sterling City.

Next week's games will signal the end of non-district play and the District 6-B contests will begin Oct. 12. The district opener will be a big one for Coke countians, as it will put the Robert Lee Steers up against the Bronte Longhorns.

Public Schools Week Oct. 1-5

Public Schools Week has been proclaimed for the week of Oct. 1-5 and an invitation has been issued for patrons and friends of Robert Lee Schools to visit during the annual observance.

Supt. Jimmy Bickley said no special program is planned, "but we would like for everyone to visit any time during the special week."

The superintendent noted that next week is the end of the first six weeks of this school year and everybody is very busy; consequently, a formal program was not planned.

Bickley said visitors are always welcome at any time, but school officials feel that Public Schools Week "is a good time for parents and others to come and see just what their children are doing."

Visiting Mr. and Mrs. J.C. Wallace Jr. over the weekend was their son, Buddy Wallace, who is a student at Texas Tech in Lubbock. Visiting them Sunday were Mr. and Mrs. Troy Millican of Sterling City and Mr. and Mrs. Art Morton of San Angelo. The Wallaces drove to Abilene Sunday afternoon to visit Mr. and Mrs. Jacky Wallace.

Kip Prather, a student at Texas Tech in Lubbock, spent the weekend with her mother, Mrs. Beth Prather.

Spend a quiet evening at home without electricity ...and see just how quiet it really is.

Forget about watching TV or listening to the stereo. How about reading a good book — that's a great idea if you do it before dark or if you plan on using Abe Lincoln's lighting, the fireplace.
Nobody has to tell you how important electricity is in your life. It surrounds you daily, lighting the way, entertaining you and making life more comfortable.
And that's the way it should be, but we at West Texas Utilities hope you'll use electricity wisely and efficiently. Make sure your home is properly insulated and weatherized, turn off unnecessary lights and appliances, and above all, watch that thermostat setting. These things not only conserve valuable energy, they can help to lower your monthly bills. And that's important now and in the future.

Robert Lee Steers Trounce Class A Forsan Buffaloes

The Robert Lee Steers had quite a night last Friday when they ran over the Forsan Buffaloes like a steam roller and came out with a 36-0 victory over the visitors.

After a no-scoring first quarter, the Steers came alive in the second period to score 29 points. The third quarter also was a draw so far as the scoreboard was concerned, but the Steers made another tally in the fourth quarter to end the scoring for the night.

The entire Steer squad had a big night but it was an especially bountiful night for Brett Clark who ran for three touchdowns and accounted for 6 extra points. Others crossing the double stripe to add to the Steers' total on the scoreboard were Darren Williams and Robert Tijerina.

Clark's three counters came in the second quarter: the first was on a 14 yard run only 30 seconds deep in the quarter: the second came two minutes later on a seven yard plunge; and eight minutes before the halftime intermission, he went around right end for 58 yards and his third counter.

Darren Williams made Robert Lee's fourth touchdown of the night on a 19 yard run with just 30 seconds left on the clock.

Robert Tijerina was not to be denied by the Buffaloes, as he came through in the fourth quarter with a nine-yard run for the final TD of the night.

On the other side of the picture, some mighty good defense work not only kept the Buffs off the scoreboard, but limited them to only 81 yards gained during the entire game.

Mrs. Frankie Stubblefield Celebrates 100th Birthday at C-City Reception

Mrs. Frankie Stubblefield, of Colorado City, celebrated her 100th birthday Sunday, Sept. 16, with a reception from 2 to 5 p.m. in the fellowship hall of the Church of Christ in Colorado City.

Frankie Brown was born Sept. 18, 1879 in Mills County, one of seven children of Robert and Temperance Brown. She married C.N. Stubblefield June 25, 1899, as they sat in a buggy under a big oak tree at a church meeting.

The couple farmed in Coke County until 1906 when they moved with their three children to McKenzieville, which is in Mitchell County but not too far from Silver. They lived there 21 years before moving to a place five miles south of Colorado City and later, moved to Colorado City in 1952. Her husband died in 1956.

Mrs. Stubblefield remembers the days of the open range and can readily relate wire-cutting incidents when fences came along; carrying water from a spring on their Mills County farm; helping her mother spin cotton from the fields into thread on a spinning wheel for knitting it into socks, gloves and stockings; that there were no canned foods and little money; and many other episodes that occurred.

She recalls the economy required the children in her family to walk to church barefoot, putting their shoes on just before going into the church building.

Mrs. Stubblefield is still able to do her house cleaning and cooking with the help of a friend. She can often be seen working in her yard and tending to her blackberry patch from which she picks berries and cans them for her friends.

Children of Mrs. Stubblefield are Dave Stubblefield of Colorado City, Fred Stubblefield of Winslow, Ariz., Margie Nell Walker of Hobbs, N.M. and Frances Terry of Abilene. Two children, Eloise Kelly and Lucille Wilkes, are deceased.

THANK YOU, DEAR FRIENDS

for your thoughtfulness while I was in the hospital. Your prayers, cards, calls and concern have meant so much to us. I also want to thank you for helping Granny while we were gone. My father and mother, Jesse and Willie, join me in appreciating, more than we can say, all that you have done,

Jesse Eads III

PROPER FOOD HANDLING IMPORTANT---The rising popularity of backyard cookouts, picnics and camping means more opportunity for food mishandling. But food spoilage and foodborne illness should not be problems with proper handling. Prepare food with clean utensils, containers and hands. Adequately cook foods at the proper temperature and serve as soon as possible after preparation.

LISTENING--KEY TO COMMUNICATION, LEADERSHIP-Communication is one of the keys to effective leadership. And communication relies heavily on good listening, contends a sociologist. However, effective listening is difficult because a person's mind is occupied with other things. One listens with only about 25 percent effectiveness. To be a more effective listener, be interested in the speaker and what is being said, listen to learn, and extract the main idea.
