DEMOCRATIC VICTORY

County Votes Kennedy 2-1

Mitchell County voters registered a 2-to-1 margin Tuesday for the Democratic presidential ticket of Kennedy-Johnson.

It was a West Texas boost for the Demo ticket which returned Texas to a Democratic presidential election victory for the first time since 1948. However, the Texas margin of 50.71 per cent for Kennedy-Johnson (1,103,617 to 1,053,459) was far less than the Mitchell County balloting.

All voting boxes Tuesday—except the absentee box which was closed before election day—went Democratic.

It was a wider margin than the 60-40 lead which Mitchell County voted for Demo Stevenson in 1956 when President Eisenhower was successful in his bid for re-election and swept Texas for the second time.

In fact, the 1960 voting was more parallel to the 2,136 to 1,016 margin registered here for Stevenson in 1952 against Eisenhower. That was another time when Mitchell County voted Democratic only to see the majority of Texas join the victory wagon of Eisenhower.

The decision for Kennedy, a Catholic, over Vice President Nixon, a Quaker, was a change also from the 1928 election—the year Catholic Al Smith lost to Quaker Herbert Hoover.

In 1928, Mitchell County voted 1,054 for Hoover and 733 for Smith—the only time in history for the county to vote Republican in a presidential election. Hyman and Buford were the only boxes

that year to provide a lead for Smith.

The Kennedy-Johnson Margin here Tuesday was 2,126 to 1,074. The other 2 candidates on the ballot received only a total of 10 votes.

Closest vote in the county was at Cuthbert, where the margin was 29 to 27 over the Republicans.

Here in Colorado City the 2-to-1 margin was maintained with 1,360 persons casting Kennedy-Johnson votes and 687 balloting for Nixon-Lodge. Loraine voters provided more than 2 to 1, so did Westbrook.

Other boxes were 5 to 1 at Carr, 2 to 1 at Spade, 3 to 1 at Buford. Landers almost blanked the Republicans as 11 voters balloted for the Demos and 1 cast his vote for Nixon-Lodge. The Republican lead in the absentee balloting was 10 to 79.

It was a record-type turnout of voters. A total of 3,692 went to the polls to mark ballots or cast absentee ballots ahead of election day.

However, there was more than 200 of the voters declined to vote for either presidential ticket.

Here's the voting in the presidential race from all 10 of the county's polling boxes: Colorado City Courthouse, Kennedy, 1090; Nixon, 586; Sullivan, 5; Decker, 0. Number of voters, 1896.

Buford—Kennedy, 29; Nixon, 27; Sullivan, 0; Decker, 0. Number of voters, 58. Colorado City Legion Hut—Kennedy, 270; Nixon, 101; See KENNEDY Pg. 5

IN CHRISTMAS SEASON

Cash Prizes for Home Decorations

Cash awards totaling \$100 will be offered in Colorado City Chamber of Commerce's home decoration contest for the Christmas season.

The cash will be in 2 separate prizes—\$50 for first place, \$32.50 for second, and \$17.50 for third.

Details for the home decoration contest were announced Thursday by Charles Freeman, chairman of the Chamber of Commerce's merchants committee.

The contest is another phase of the merchants committee's 1960 Christmas season program.

"This home decoration contest," Freeman said, "is a new feature of the Christmas program which will have its gala opening Saturday, Dec. 3, section.

with a downtown parade that will include Santa Claus and a giant Christmas sleigh."

Judges for the home decoration contest will be from out of town and they will make their decision sometime during the week of Dec. 19 to Dec. 24.

All participants in the contests are urged to have their decorations ready on or before Dec. 15.

Those competing for the prize money, also, must notify the Chamber of Commerce office of their entry into the contest and in order that their homes will be properly judged.

The downtown parade Dec. 3 will have the giant sleigh that will provide free rides to boys and girls in the business section.

ILLNESS CAN'T STOP HIS VOTE

Jim Berry isn't one to miss an opportunity to vote—especially when the presidency of the nation is at stake.

He was admitted to Root Memorial Hospital Monday, ill with a bronchial condition.

But when election day came Tuesday, the illness couldn't keep him from voting.

His niece, Mrs. Rex McKenney, carried Berry by auto to his Westbrook voting box, where he cast his ballot.

Then, the ride back to the hospital where Berry still was a patient Thursday.

Funeral Rites Conducted for J. G. DeLay

Funeral rites were conducted Monday afternoon for James Gilbert DeLay, age 69, who died early Sunday afternoon after a brief illness.

DeLay was born in Fannin County, Nov. 4, 1891. He had lived in Big Spring for the past 3½ years before coming to Colorado City a week ago to make his home. He was a retired salesman and was a member of the Church of Christ.

Funeral services were conducted at the Kiker and Son Chapel at 4:30 p. m. with Bro. E. H. Masters of the 5th and Elm Street Church of Christ officiating. Burial was in the Colorado City Cemetery.

Pallbearers were G. D. Foster, John Hale, Sam Hale, J. W. Watson, A. V. Sheppard and E. M. Findley.

DeLay is survived by one son, James DeLay of Houston; one brother, H. D. DeLay of Midland; 5 sisters, Mrs. Leona Howell and Mrs. Vennie Veson of Leonard, Mrs. Ova Badgewelland, Mrs. Julia Cline of Wynnewood, Okla., and Mrs. Oneida Jones of Austin.

Turkey Shoot Saturday At Silver

Silver Lions will stage a turkey shoot Saturday at the school football field in Silver.

The event will start at 1 p. m. and continue until 6 p. m., according to Guy Wheeler, chairman of the event.

Guns and shells will be furnished to all shooters. Fee will be \$1 for 30 shots.

"The Silver Lions invite all Colorado City residents to participate in this shoot and win a turkey for Thanksgiving," Wheeler said.

Parade, Speaker To Open Homecoming Here Friday

Colorado High Queen Candidates

One of the 6 girls above will have the honor of being crowned homecoming queen at the game between Colorado City and Lamesa Friday night. The Colorado

High seniors, from left to right, are Mary Ann Merritt, Betty Lloyd, Gayle Feaster, Gayle Williams, Sue Blackard and Betty Gilbert.

Pre-Game Coronation For Queen

Colorado High ex-students return to their campus Friday for annual homecoming activities which begin at 10 a. m.

Coronation of the homecoming queen and the Colorado High-Lamesa High 3-AAA District football game Friday night will conclude the exes' program.

A parade, featuring floats by student organizations, will kickoff the Friday morning activities.

Another highlight during the morning will be a homecoming assembly with ex-student Creighton White, assistant city attorney in Odessa, as principal speaker.

Registration for ex-students will be conducted all day Friday in the homecoming department of Colorado High. Refreshments will be provided there as old friends meet.

The homecoming parade, led by Colorado High Wolf Band, and featuring the student floats, will begin at 10 a. m. Friday and travel through the heart of the downtown business area.

A color guard will precede the band in the parade and the Wolverines, school pep organization, will march in uniform.

Floats will be displayed by the Wolverines, Future Teachers of America, Future Homemakers of America, Future Business Leaders of America, Student Council and Future Farmers of America.

Guest band in the parade will be Loraine High, whose musicians will provide an extra note of goodwill from Loraine for the exes and students.

Guided tours of the school will be provided for exes during regular classes at high school from 12:30 p. m. to 3 p. m. Friday.

Traditional pre-game pep rally will be staged at 3 p. m. in Colorado High Gymnasium with exes joining students in the cheering.

Coronation of the homecoming queen will be at 7:20—just before the game kickoff. And the game will begin at 7:35, just 5 minutes later than usual.

The pre-game festivities means that fans will have to be in the stadium early to witness the presentation of the queen candidates and the winning candidate.

Nominees for queen honors are Sue Blackard, Betty Gilbert, Gayle Williams, Gayle

See EXES Pg. 5

WIDE MARGIN FOR AMENDMENTS

County Votes Strong For Johnson, Mahon

Mitchell County gave strong majorities to Lyndon B. Johnson in his bid for re-election to U. S. Senator, to Congressman George Mahon against

Constitutional Party opposition, and approved all 4 Constitutional amendments on Tuesday ballot.

Johnson, opposed by Republican John Tower, polled a total of 2,461 ballots—almost tripling the 837 cast for Tower. The third candidate in the race received 9 votes across the county.

Here's the way the Johnson-Tower vote was tabulated by voting boxes:

Courthouse—1,294 for Johnson, 506 for Tower.

Buford—40 for Johnson, 14 for Tower.

Legion Hut—292 for Johnson, 71 for Tower.

Loraine—445 for Johnson, 103 for Tower.

Carr—17 for Johnson, 3 for Tower.

Westbrook—155 for Johnson, 30 for Tower.

Spade—37 for Johnson, 13 for Tower.

Buford—68 for Johnson, 21 for Tower.

Landers—12 for Johnson, 0 for Tower.

Absentee—101 for Johnson, 76 for Tower.

Congressman Mahon, who devoted his time to campaigning for the Kennedy-Johnson ticket instead of campaigning for himself, received 2,833 votes against a meager 170 for his Constitution party opponent, Rich Anderson.

Here's the way the balloting was reported at the county's 10 boxes:

Courthouse—1,529 for Mahon, 119 for Anderson.

Buford—44 for Mahon, 4 for Anderson.

Legion Hut—331 for Mahon, 8 for Anderson.

Loraine—494 for Mahon, 4 for Anderson.

Carr—18 for Mahon, 0 for Anderson.

Westbrook—161 for Mahon, 11 for Anderson.

Spade—42 for Mahon, 7 for Anderson.

Buford—73 for Mahon, 7 for Anderson.

Landers—12 for Mahon, 0 for Anderson.

Absentee—146 for Mahon, 10 for Anderson.

Approximately 1,800 of the Mitchell County voters apparently missed the opportunity to cast a vote in the 4 proposed constitutional amendments. But all four carried as follows:

radio City voters provided big margins for the amendments.

The vote was 1,347 to 739 for Amendment No. 1—to permit a Hospital District for Lamar and Hidalgo counties.

For Amendment No. 2—to allow Veterans Land Board to issue bonds at 3½ per cent interest—the vote was 1,515

in favor, 619 against.

Amendment No. 3—which would allow an annual salary for Texas Legislature—carried 1,236 to 779.

Amendment No. 4—the much publicized "loan shark" amendment—was backed by Mitchell County voters 1,586

to 639.

Tuesday Tribute Planned for Team

An informal tribute is shaping up for Colorado High's varsity football team and coaches Tuesday night.

The event will be sponsored by Quarterback Club at the club's regular meeting, but the general public is invited to attend.

Dr. H. Jene Steakley, Quarterback Club president, said the football players and their coaches will be introduced individually.

Special guests will be all parents of the varsity players.

The tribute is scheduled for 7:30 p. m. Tuesday in High School Auditorium.

"This is not just a Quarterback Club program," Steakley emphasized. "It is a community program for all of us

to meet these young gentlemen and their coaches who have accomplished so much this fall."

"The Quarterback Clubs are urging the public to join in this salute to the team."

Special feature of the program will be movies of Colorado City's exciting 26 to 24 triumph over Sweetwater and the Lamesa contest, final game of the regular season.

"This is not a stag program," Steakley stated, "for parents of players will be special guests and we are urging all other interested women to attend."

Stodious Voter

Miss Salley Haltom, age 98, was among many voters of Mitchell County Tuesday in the presidential election. Miss Haltom has never failed to vote in a national election since women first gained the right to vote in 1920.

Mrs. Ratliff Hosts Dessert Bridge Club

Dessert Bridge Club met recently in the Terrace Room of the Baker Hotel. Hostess was Mrs. R. H. Ratliff Jr.

Mrs. Joe Smoot won first, Mrs. Bob Carver won second and Mrs. Martin Weaver won traveling prize in games played.

and malt balls were served to the following members: Mrs. Max Caddell, Mrs. John Chinn, Mrs. Seth Cowan and Mrs. Frank Deregibus.

Guests attending were Mrs. Weaver, Mrs. Earl Keaton, Mrs. John Reed, Mrs. Willie Landau, Mrs. Art Dibble, Mrs. Austin McCloud and Mrs. Don Rhodes.

Student Visits

Dwayne Coffman, son of Mr. and Mrs. L. G. Coffman, visited in the home of his parents this weekend. Dwayne is a student at North Texas State College in Denton.

Texas Pioneer, 98, Retains 40 Year-Old Voting Record

The spirit of American's voting rights was revived again Tuesday when Miss Salley Haltom, 98-year-old resident of Colorado City, cast her vote in the presidential election at County Courthouse.

Miss Haltom voted in an election for the first time in 1920, the year women were granted suffrage. She was 56 years old at the time and has never failed since to vote in a presidential election.

"I was scared to death to vote that first time," she said. "It didn't seem right for women to be in a place like that."

"Where I was born, women were expected to turn their heads when we passed a saloon or barbershop. Men didn't want the women to vote, they thought it was their place to stay home with the children and not to interfere in outside affairs."

The campaign between Ulysses S. Grant and Horace Greeley, when her mother bought calico material with Greeley's name woven in the salvage of the cloth, is remembered

by Miss Haltom. She also recalls hearing William Jennings Bryan speak in Muskogee, Okla., where she was a dressmaker for many years. Comparing the political issues and debates of today with those of the past, Miss Haltom says that this was the most discussed campaign in 86 years that she can remember.

"I have listened to all the speeches on radio and it is quite different from those of the past when the only way we had to keep up with news was talking with people and interchanging information. We usually got one newspaper a week—if we were lucky and a very bit of news was remembered for a long time," she said.

Miss Haltom is a retired school teacher and can tell of many happenings when she taught in a log cabin for a salary of \$1 a month per pupil. She was born 12 miles east of Ft. Worth, living for some time in Oklahoma, and coming to Colorado City in 1943. She will celebrate her 98th birthday Dec. 31.

Despite her age, Miss Haltom still makes many of her own clothes and sometimes reads parts of books and articles. In fact, she says that reading is the best education one can receive.

When asked how her vote would count in the 1960 political returns, Miss Haltom replied, "Just say that I voted for the best man." This itself shows the quality of a good politician with experience ranging over a period of almost a half century.

Hutchinson To Conduct Talent Show

Members of Hutchinson Parent Teacher's Association have announced that the organization will conduct their annual talent show on the night of Nov. 15.

Tryouts for the show were on Nov. 8 at Hutchinson School. There will be a band concert at 7:30 p. m. immediately following the show.

The public is invited to attend and there will be a small admission charge. All proceeds will go to benefit Hutchinson School, Mrs. H. Jene Steadley, president, said.

Missionaries Speak in Local Homes

Mormon Elders, on a two-year missionary period, began speaking in Colorado City recently. The men, Elder John L. Christensen and Elder Philip Crawford, will reside in Colorado City for approximately two months. They are missionary ministers and will speak in the homes of local residents.

They are from Utah and Washington and their mission headquarters are in Houston. The men plan to speak in Mississippi, Texas and Louisiana.

Dickerson Girl Crowned New Miss Anaheim

Miss Carolyn Dickerson, 18 daughter of Mr. and Mrs. Bill G. Dickerson, was crowned "Miss Anaheim" recently and rode in the annual Halloween

parade in Anaheim, Calif., Oct. 29. Miss Dickerson is the daughter of the former Inez Rogers of Colorado City. An estimated 125,000 people were present for the 37th annual Halloween Pageant Parade through downtown streets. Parade Marshal Audie Murphy, movie actor, led the pageant of 144 groups through the parade route.

THURSDAY AFTERNOON

Panel Presents Program To Sorority Members

Three women presented the program at the regular meeting of Mu Pi Chapter of Beta Sigma Phi Nov. 3 in the home of Mrs. W. D. McClure, director of the sorority.

Serving on the panel were Mrs. R. E. Gregory Jr., Mrs. C. C. Burt and Miss Jane Merrill. The program was entitled, "Environment, Health, Work and Play."

The subject was listed under these four different topics.

Listed under the heading, "Control of Environment Through Health," it was pointed out that the body is the servant of the mind. At the bidding of unlawful thoughts the body sinks rapidly into disease and decay; at the command of glad and beautiful thoughts it becomes clothed with youthfulness and beauty. A man's mind was compared with a garden, which may be intelligently cultivated or allowed to run wild. The women stated that if no useful seeds are put into the garden, an abundance of useless seeds will fall therein and will continue to produce their kind.

"Control Of Environment Through Work" was also discussed by panel members.

"The experience of success is one of the greatest incentives to further effort. To succeed is an enormously stimulating feeling. Having the experience of success helps tremendously to improve your opinion of yourself. Thinking well of yourself gives you more self confidence. Before long other people react to that confidence you feel in yourself and they begin to change their estimate of you. This makes you feel all the better since in addition to the pleasure you have in being successful, you have the further pleasure of winning approval," one member of the panel said.

Discussing control of environment through play, members stated that the problem of getting proper recreation and rest is a very important part of your daily program. What you do with your time after hours has a decided influence on your work. Those who persistently keep late hours at night, get insufficient sleep and use too much energy in their social life will not have sufficient strength to do their work well the next day. Consequently, the quality and probably the amount of the work that they do will suffer and they will be less valuable in their positions.

During the meeting, four pledges were initiated into the chapter. They were Mrs. Donald J. Rhodes, Mrs. Sam Christy, Mrs. George E. Gray and Mrs. Lindy Merket.

Mrs. Earl Keaton replaced Mrs. James Trammell as president and Mrs. R. H. Ratliff

Jr. was appointed vice president.

Final plans were made for a Thanksgiving dinner on Nov. 22 at 7:30 p. m. in the Lone Wolf Electric Co-operative building.

Attending were Mrs. Rhodes, Mrs. Christy, Mrs. Gray and Mrs. Merket.

Mrs. Robert Barman, Mrs. John M. Brand, Mrs. Alan B. Conley, Mrs. Gregory, Mrs. Bill Holbert and Mrs. Keaton.

Also, Mrs. Bo Merket, Mrs. Ratliff, Mrs. W. D. McClure, Miss Jane Merrill and Mrs. Burt.

Students Organize Scout Troop

Colorado Primary students with their leaders, Mrs. Tom Allen and Mrs. Floyd Barr, have organized a Brownie Girl Scout troop.

The group meets every Monday from 2:30 p. m. to 3:30 p. m. at the Primary School cafeteria.

Included in the second grade group are Cynthia Yancey, Linda Sample, Patricia Knight, Brenda Bozarth and Connie Moody.

Mary West, Mary Gutierrez, Belinda Garcia, Peggy Green, Debbie Hines, Dianne Standefer and Janet Melton.

Celebrate Anniversary

Mr. and Mrs. J. C. Shepherd of Vincent will celebrate their 50th wedding anniversary Sunday with open house. Mr. and Mrs. Shepherd were married Nov. 13, 1910. She is the former Jettie Arrant Fair. The Shepherds are former residents of Colorado City, living here from 1924 to 1936.

FRIDAY AFTERNOON

Mrs. Rees Hosts Carr H. D. Club

Mrs. D. G. Rollins presided, as almond extract for members to buy and sell to raise club funds.

Mrs. J. L. Rees was in charge of the recreation. Roll call was answered with "most embarrassing incidents as a bride."

Minutes and treasurer's report were read by Mrs. Tom Jackson. She displayed Christmas cards, vanilla, lemon and almond extract for members to buy and sell to raise club funds.

Big Spring State Hospital.

Mrs. T. A. Rees introduced Mrs. Anson Henderson from Westbrook who presented a demonstration on making smoked sofa pillows.

Refreshments of sandwiches, cookies and soft drinks were served to one guest, Mrs. Henderson, and to the following members:

Mrs. T. L. McKenney, Mrs. Mabel Groves, Mrs. Ruth Althart and Mrs. C. C. Buchanan.

Mrs. Jackson, Mrs. John Latty, Mrs. Rollins, Mrs. C. N. Adams and Mrs. T. A. Rees.

Also, Mrs. J. L. Rees, Mrs. Louis Rees and Mrs. F. A. Langley.

The next meeting will be in the home of Mrs. T. A. Rees. Title of the program will be "Holiday Cookery."

Serves in Alabama

John W. Conaway, son of Mr. and Mrs. T. E. Conaway, who entered army service July 26, is now serving with the 21st Chemical Company in Alabama.

Conaway received basic training in Fort Ord, Calif., and went to school at Army Chemical Center, Ft. McClellan, Ala.

Colorado City Record, Thursday, Nov. 10, 1960 Page 3

Mrs. Ponder Hosts Baptist Class Meeting

The home of Mrs. W. B. Ponder was scene of a meeting last Monday for the Farra Class of Calvary Baptist Church.

Mrs. Salley Stewart, class president, was in charge of the business meeting.

Mrs. W. E. Bates read the devotion and discussed the 54th Psalm.

Opening prayer was said by Mrs. Mary Tiller. The class signed greeting cards to send to shut in and Mrs. Tiller Keeling closed the meeting with prayer.

Refreshments were served from a lace covered table centered with a gold colored basket filled with fruit.

Present were Mrs. Ponder, Mrs. Nona Letcher, Mrs. Stewart, Mrs. Tiller, Mrs. Leslie White and Mrs. Keeling.

Also, Mrs. Guy Hooker, Mrs. W. H. Robinson, Mrs. H. V. Sorrells, Mrs. T. A. Rankin and Mrs. Bates.

for the figure... of your dreams

maidenform* ARABESQUE

ARABESQUE is for every fashion... every figure. Truly French in design, it's just about everything a woman could want in a bra. The cups are embroidered in a lovely floral pattern. Circular stitched and spoke-stitched too... offers you a lovely contour. Bias-cut insert between cups gives broadcloth unusual flexibility... stays firmly but nicely in place. Under-the-cup broadcloth bands join with center elastic for superb support. All this and it costs just 250 White all cotton broadcloth, A, B, and C cups.

We salute all those who served Freedom's Cause

Veterans Day, 1960 is set aside as a reminder that the "battle" for freedom and peace is never ending; that we must always be vigilant in its cause. We pay tribute today to all of the brave men and women, living and dead, who honorably served our country and helped preserve the freedom and democracy we all enjoy today. They will never be forgotten.

Veterans' Day, November 11, 1960

A welcome member of

Mrs. Craddock Speaks to Zetagathian Study Club

Mrs. Jay Craddock was guest speaker at the meeting of the Zetagathian Study Club Nov. 3 in the home of Mrs. O. B. Trulock Jr.

"Homemakers in Orbit" was the title of the program Mrs. Craddock presented to club members.

"As we begin our flight, Mrs. Craddock said, 'let's look back where we've been. Kennedy speaks of pioneers on new frontiers and truly today's homemaker is a pioneer in many respects. Our grand mother's mother went to the store and bought either calico, linen or silk and they had soap and a scrub board to wash it with — in the stores today we're faced with a long line of generic names.'"

"In the last ten years, the convenience of meat pre-packaged by retailers for self-service counters has become

an established fact. What are the future possibilities for centralized prepackaging—meat packaged by meat packers and delivered in refrigerated trucks to the retail stores? This is a question which concerns every consumer because of the obvious economies involved in a continuous production line of a packing plant as opposed to the sporadic cutting and wrapping operation of a retail meat department," Mrs. Craddock continued.

"The success of centralized pre-packaging for consumers, however, will depend upon the homemakers' reaction to the color. Meat that has just been cut has a purple cast until the oxygen in the air has an opportunity to give it the red 'bloom' that is normally associated with meat. To protect flavor and wholesome-

ness, meat packaged in a meat packing plant must be wrapped in an air-tight covering, a covering that prevents bacteria as well as oxygen from reaching the meat. This means that the centrally packaged meat a homemaker buys will not have the characteristic bright color until she unwraps it at home," Mrs. Craddock said.

Mrs. Martin Weaver, president, called the meeting to order. Mrs. Brady Warren, leader, opened the meeting with prayer and roll call was answered with "something old to which I cling."

A dessert course was served to the following members: Mrs. John Brand, Mrs. Craddock, Mrs. L. S. Girvin Jr., Mrs. Curtis Latimer, Mrs. Sam L. Majors Jr., Mrs. El-

and Mrs. W. S. Rhode.

Also, Mrs. James Trammell, Mrs. Trulock, Mrs. Brady Warren, Mrs. Weaver, Mrs. Bernice Franks, Mrs. Larry Kinard and Mrs. Jim Edson. Mrs. Mahon will host the next club meeting on Nov. 17. Leader for the day will be Mrs. Craddock and roll call will be answered with "this song I cherish." Mrs. Crawford will present the program entitled, "Our History As Portrayed Thru Music."

Mrs. W. H. Garrett.

Minutes from the previous meeting were read and approved. Members took a collection for the "Week of Prayer and Self-Denial."

Resignation of Mrs. Lester Biggs, president, was accepted. Mrs. Biggs will be replaced by Mrs. Earl Hunter.

Prayer was led for institutions and missionaries on the prayer calendar.

Mrs. Darris Egger discussed the lesson, "Heritage and Horizon."

Attending were Mrs. Cal C. Wright, Mrs. Rube Hart, Mrs. Hunter, Mrs. Jesse Craddock, Mrs. Egger, Mrs. J. L. Bradley, Mrs. J. D. Norman, Mrs. Brooks Stewart, Mrs. A. A. Herrington, Mrs. Biggs, Mrs. Garrett, Mrs. W. J. Chesney, Mrs. Bill Jackson and Mrs. Wednesday morning with Frank Deregibus.

Church Group Meets with Mrs. Garrett

Belle Bennett Circle of First Methodist Church met last Wednesday morning with Frank Deregibus.

RATLIFF SPEAKS

Study Club Meets With Mrs. Majors

Mrs. Sam L. Majors was for the library included the hostess to the 1921 Study Club Friday afternoon.

Guest speaker for the meeting was R. H. Ratliff, president of Colorado City Museum and told of the history and background of the early surroundings of Colorado City. He also remarked on the Indian inhabitants of the Seven Wells area many years ago.

Following Ratliff's speech, Mrs. J. S. Craddock from the Mitchell County Federation Library, spoke to the club. She said that during the summer that an average of 90 books per day were checked out of the library. The library is open 24 hours a week, 3 hours on Monday, Tuesday, Wednesday and Thursday and 6 hours on Friday and Saturday, Mrs. Craddock said. She said that items bought

J. T. Pritchett, Mrs. R. H. Ratliff, Mrs. W. W. Rhode, Mrs. C. L. Root and Mrs. V. R. Trulock.

Next meeting has been scheduled for Nov. 18 with Mrs. Ratliff, hostess. Mrs. Price will present "Mexico's Distinctive Art" and Mrs. Ratliff will speak on "Art and Artists of Texas."

M. A. Webb Celebrates Birthday

M. A. Webb was honored with a birthday celebration in his home last weekend.

Those attending were his three sons and their families. Mr. and Mrs. Lester Webb and Linton Ray of Loraine; Mr. and Mrs. B. T. Webb from Kennedale; Major and Mrs. M. A. Webb Jr.

Mr. and Mrs. Ben Edd Ellet and family from Jourdan, daughter of Mr. and Mrs. Webb, were unable to attend.

Royal Couples

Crowned at a recent halloween carnival at Loraine were, from left to right, Barry Dean Sanford and Arleta Martin, prince and princess of grade school, and Barbara Kidd and Gerald Owen, high school king and queen.

TELEPHONE TALK

by Truman Black, Manager

HOW ABOUT A FAMILY HARVEST?

Have you noticed the changes being made in the food markets lately? It seems to me that it is much easier to find certain items... fresh or frozen turkeys, pumpkins, cranberries, chestnuts and other Thanksgiving treats.

It looks like some of the biggest Fall harvests in Colorado City will be made around the dining room table. That's true in more ways than one. Because, in addition to the good things to eat and share, Thanksgiving has always been a great family day.

If all of your family live in Colorado City, it's usually a simple matter to get together for Thanksgiving. If your family is scattered in different parts of the country, you can still "get together"—by telephone.

The cost is low, and if you place your long distance call station-to-station, instead of person to person, you can save one-third. Rates are even lower if you call after 6 p. m.

Why not plan to call and make this Thanksgiving a "family harvest?"

SCIENCE SHOW ON TELEVISION

In addition to the Telephone Hour, which brings you top artists in the field of music every other Friday evening on Channel 2 and 9 at 8 p. m., I'd like to remind you of our new science program.

The first of the new series, "Thread of Life," tells the story of how we inherit our many and varied characteristics. This 60 minute color program will be Friday, December 9, on Channel 2 at 8 p. m. I hope you'll be watching.

THEY NOTICE THE SPIRIT

You can be assured that the people in surrounding towns are talking about Colorado High's football. The fine victory over Sweetwater Friday night put the Wolves on the fans' tongue tips.

And why shouldn't it. That was a state champion (in previous seasons) the boys of Coach Sam Christy and Ken Kearns defeated. The way they did it, coming from behind, deserves the plaudits of many.

Maybe you are just now noticing the fine spirit at Colorado City High. But I have noticed for a couple of months, not only in high school but also in Colorado Junior High.

There is a good program and spirit in football from the 7th grade, right up through the 8th, 9th, B-team and varsity. You can't help but notice it this fall. The young stars playing on these various teams have good records. Even more, though, is the fact they evidence a sportsmanship, and fun right along with a proudness for doing a good job, playing their best.

However, this fine spirit is not just confined to sports. You can see it throughout high school and junior high. From the youngest student to the most experienced teacher, you come in contact, you notice a fresh look with a purpose. And its goal, really good.

Call by number. It's twice as fast.

Astounding Wolves Now In Thick of Title Fight

Colorado City's surprising Wolves are perched at the top of District 3-AAA football standings this week — tied for the lead with Snyder.

Each has a district record of 2 victories and 1 loss.

Just where the Wolves will end the season depends upon themselves and the quirk of football fortunes.

Colorado City is busy this weekend in their district final, a contest at Wolves Stadium against Lamesa, a pre-season favorite in 3-AAA.

Snyder, the team tied at the top with C-City, is idle. And, therefore, the Tigers' record will not be changed.

A triumph for Colorado City, however, definitely assure the Wolves at least a tie for the 3-AAA championship.

A loss, however, would probably knock the Wolves out of title contention. Snyder, Sweetwater and Lake View each has only 1 defeat to its credit. And at least one of those should finish the season without additional loss.

Sweetwater, loser last week, 26 to 24 in C-City, meets Lake View in Sweetwater this week. The Ponies final for the season will be against Lamesa.

Snyder, with an open date this week, rests up for its final encounter next week against Lake View.

Lamesa, which was supposed to give Sweetwater tight competition for the 1960 district title, fell last week 12 to 6 before Snyder. The Tornados had been whipped the week before by Lake View in an upset.

With Lake View meeting both Snyder and Sweetwater, the title picture is sure to clear up to a certain amount. At least 1 of those 3 will slide downward with more than 1 loss — the record each of them now boasts.

Colorado City, still not held in the best esteem by other District 3-AAA title contenders, doesn't bow its head in actual win-loss or game statistics.

And the Wolves claim the 2 leading scorers of 3-AAA, elected in a business meeting

Don Vest and Jerry McKay. Vest has hit the 30-point mark in scoring and McKay now has 26 points to his credit.

Sweetwater's Ronnie Cox, with a fine display here last Friday night, now has 26 points. Jessie Crawford of Snyder has 18, Gene Westmoreland of Lamesa has 12, and Joe Gerald of Sweetwater has 10.

Sweetwater Coach Elwood Turner, who took his defeated Mustangs out of town Friday night amidst the blare of C-City horn honking, told his Mustangs this week that they "could do down in history as one of the greatest flops or as the greatest comeback club in the history of their school."

And, at the same time, he predicted that Lamesa would defeat Colorado City this week and give Sweetwater a lift in its battle for 3-AAA championship.

"If Lamesa beats Colorado City, as I feel they will do," Turner told the Mustang Booster Club Monday night, "and we win our next 2 games, we still will win the district."

"We can look back and see any one of a dozen things that we could do to beat Colorado City Friday night, but it's over and we got beat," Turner said.

"It is always hard to get a team up for a team that they always have an easy time with," the Sweetwater coach

continued. "We can always get ready for teams like Abilene, but it is very hard to get ready for teams like Colorado City who have never given us any trouble."

If Colorado City manages to beat Lamesa here Friday night, the Wolves are assured of a tie for the championship. A coin flip probably would decide the team to move into bi-district play in case of a tie.

And if the Wolves win Friday — and Lake View, Snyder and Sweetwater lose 1 more game each, then the C-City team would have undisputed possession of first place, the championship and the right to represent District 3-AAA in bi-district competition.

Coach Everett was well pleased with the kind of ball

IMPRESSIVE 34-6 WIN

8th Graders stomped Merkel in Final Game

The 8th Grade Wolves of Colorado City carried Coach Bill Everett off the field Tuesday night in Wolf Stadium after they stomped Merkel, 34-6, for a victorious last game of the season.

It looked like 100% improvement for the boys over the team that tied Merkel, 0-0, earlier in the year.

These Wolves have had their on and off days, finishing the season with a record of 3 wins, 3 ties, and 4 losses. They have scored 134 points to their opponents' 64 unusual when it is considered that they have lost or tied more often than they have won.

Coach Everett was well pleased with the kind of ball

played Tuesday night. No one Wolf seemed to be outstanding. Rather, they used concentrated team effort for a sweet victory.

After receiving the ball on kickoff, Colorado City drove all the way for the game's first touchdown. Stanley Hardcastle carried the ball on a fullback slant for the final 5 yards. The try for extra points was not good.

Late in the first quarter, Merkel scored their lone TD on a 30 yard run-back of a pass interception. They failed to score extra points also.

In the second quarter, Tommie Lindsey took a handoff on a reverse and sprinted 30 yards to hit paydirt for Colo-

rado City. No extra points were made, and the score at the half was 12-6.

The third Wolf touchdown came in the third quarter after a hard 40 yard drive. Perry Millsap went across on a dive play from the one yard line. Hardcastle made the two extra points on another fullback slant play.

Early in the last period of play, Millsap scored again, on a handoff and a good 30 yard run. The try for extra points failed.

During the final minute of play, David McKay scored after some beautiful broken-field running. McKay took the handoff on a pass-option play, but decided to keep and run. He ran right, cut left, re-

versed his field, and raced 60 yards for the final Wolf tally with 14 seconds to play. John Tiller threw an important key block at one time which kept McKay going. Mike Munday scored the final extra points on a quarterback sneak, and the game ended, 34-6, in the Wolves' favor.

Church to Ordain Deacons

By MRS. ALTIS CLEMMER
Record Correspondent
WESTBROOK — Three deacons will be ordained in services Sunday afternoon at Westbrook's First Baptist Church.

The three are B. D. Taylor, Ralph Bryant and Charles Rame.

The public is invited to attend the ordination service, according to Rev. Kenneth Andress, pastor of the church.

Mrs. Donald Wayne Boatler and son of Odessa are guests of Mrs. J. J. Moore this week.

MRS. DUGAT IS QUEEN

Homecoming Salute to Freeport Ex-Student

By MRS. ROY WELLS
Record Correspondent

LORAIN — The highlight of the 8th annual homecoming of Loraine High School was the crowning of the homecoming queen at the half of the Loraine and Robert Lee football game Saturday night.

She was Mrs. Flora Dugat of Freeport — a member of the 1910 class.

Six students of this class were present for homecoming. They were Robert Henthorn and Harvey Muns of Sweetwater, Mrs. Betty Erwin Phillips of Hobe, Wylie Thompson of Stephenville, T. C. Wilson of Loraine and Mrs. Dugat.

Teena White was crowned as homecoming sweetheart of Loraine High. She is the daughter of Mr. and Mrs. J. H. White.

New officers for Loraine Ex-Student Association were elected in a business meeting

of Saturday afternoon. They were Royce Mahon president and Mrs. Jack Coffee, secretary, both of Loraine.

The entertainment of the afternoon meeting consisted of solos by Arnold Marshall of Big Spring and several guitar numbers by Dr. John Hamblin and his son, Jamie, of Snyder, former Loraine residents.

Edward Baumann of South Carolina was recognized as

the ex-student who traveled the longest distance for homecoming.

Orna Gregg Perkins was a member of the oldest class present, 1909.

County's Bond Investment Pays Off

We hear a lot of talk these days about bringing industry to this community or that community in Texas. And we hasten to agree that new industry will do a lot for the local economy. However, we often forget to count the blessings that already are ours in the way of financial insurance for the future. This has been brought to mind, somewhat by the Texas Press Association - sponsored education program on U. S. Savings Bonds.

Mitchell county citizens have approximately 3 million dollars cash value, \$2,986,000 to be exact, in Series E and H Bonds currently being held by the thirty folks of this area. Recent improvements in these bonds have pushed the earning power up considerably. Those now being issued and those issued since June 1949, are earning at least 3-1/4% compound semi-annually from now till maturity. Those issued prior to that date earn at least 3-1/2% to next maturity.

Just to be on the safe side, let's use the 3-1/2% figure to see approximately

how much will accumulate to the bond holdings of our people in this county in 1960. According to our grocery store arithmetic, this would amount to \$154,000. It's easy to see that this is the equivalent of a good size industrial payroll.

Through the years this accumulation of Savings Bonds is always readily available to be poured into the spending stream in times of economic reverses. It could buy a lot of seed wheat, groceries, or pay the rent. It adds stability to local business. Too, people with savings are not afraid to spend from current income.

Savings Bonds offer us as individuals a systematic plan for setting aside a part of our income for education of our children, expansion of business or farming interests, a more comfortable retirement, and to finance some of the "big things" in life. E and H bonds are guaranteed by the full faith and credit of our government. It's a comfortable feeling to have such a nest egg of security.

Study on Aging Points to Many Needs

A blueprint for action, containing 60 recommendations on how many of Texas' aging problems can be solved, was adopted here at this year's Governor's State-wide Conference on Aging.

The major recommendation for federal government action was that the Old Age and Survivors Insurance law be changed so that the level of earning permissible be set at a more realistic level commensurate with the present inflationary cost of living. On the state level, these recommendations were made:

(1) That the constitutional ceiling for Old Age Assistance, Aid to Dependent Children and Aid to the Needy Blind be raised from \$47 million to \$57 million. (2) That the Legislature appropriate funds to put into effect a medical vendor payment plan, which already has been approved by the people, and that such a plan include payments to nursing homes as well as hospitals and physicians. (3) That a financial arrangement be worked out so that 3,000 elderly seniles can be trans-

ferred from State hospitals to licensed nursing homes.

Other recommendations included: consideration of a state bond issue to get loan money for the building of dwellings for the aged; activity centers in both urban and rural counties where need is evident; establishment of a permanent State Commission on Aging; and a State Committee on Employment for the Aged; removal of the State Constitutional requirement for a "pauper's oath" in order for a person to receive county aid; flexible rather than mandatory retirement at 65.

On the county level, these recommendations were approved: more full-time health units; an increase in regional neuro - psychiatric out - patient clinics; re-analysis on the county level of welfare programs; establishment of county Commissions on Aging; greater efforts by churches, labor unions and fraternal groups in the social welfare field; and more home-care programs, visiting nurse and homemaker services and rehabilitation programs on the local level.

To keep the people awake, I suggest an 'Enemy-of-the-Month'

WASHINGTON REPORT

Fine Principle in Farm-City Week

By CLINTON DAVIDSON
Special Record Writer

You will find the election news elsewhere in this newspaper, so let's skip it here and, instead, talk about our neighbors.

Up until Tuesday each of us may have been thinking of ourselves as a Republican, or a Democrat. That's all over now and we can all think of ourselves as Americans.

The next President, all the governors and all the congressmen have big jobs to do. They will need our help and our support. The party label they wore before the election is less important than the "American" label they now wear.

There is no time for bitterness, for regret or for rejoicing that the candidates

we voted for may have lost or won. There is time only to build the United States and the Free World's strength to meet as grave a challenge as democracy has ever faced.

To meet and defeat that challenge we must build our strength not alone by military power, but through economic and moral leadership of the people in all lands who do not want to surrender their freedom to communist dictators.

Being a good neighbor, like charity, should begin at home; in our hometown and in the community in which we live and work. How long has it been since you went out of our way to make a new friend?

Have you noticed recently that pretty much the same kinds of folks live on both sides of that imaginary line called the "city limit"? Or the other side of that line "country hicks" or "city fudes"?

Next week could be called "Friendship Week," except that Congress already has officially proclaimed it "Farm-City Week." It starts Nov. 13 and ends Nov. 24, Thanksgiving Day.

The general idea is for farmers and city people to meet and get to know each other better. Get together programs have been planned in some 10,000 cities, towns and communities.

Farm City weeks meetings and programs will include all of North America, from the Gulf of Mexico to the Arctic Circle, and from the Atlantic to the Pacific Oceans.

Farmers will attend chambers of commerce and other civic club meetings in town, and merchants, doctors, dentists, lawyers and other townspeople will be guests of the Grange, Farm Bureau, Farmers Union and other farm groups at dinners and meetings across the nation. Maybe not in all communities, but in many.

Kiwanis International is the official "coordinator" of Farm-City Week, but more than 150 other rural and city organizations will be participating in arranging programs for the sixth annual observance.

In officially designating the first Farm-City Week in 1955, President Eisenhower said:

BIBLE COMMENT

Judgment Comes With Every Day

There could not be a matter of more comment for mankind than the dramatic insistence upon God's judgment of men and nations.

But the subject is hardly suited for little children, and perhaps without some modification for any children. But all children should undoubtedly be early taught the fact of judgment, that doing right or doing wrong is about the most important thing in life.

Such lessons can be easily grasped both from the Bible and from daily life.

FIRST PROMOTIONAL EFFORT

Full-Color Booklet to Catch Eyes of Potential Tourists

By VERN SANFORD
Texas Press Association

Like a debutante daughter in bouffant gown, Texas' many charms have been wrapped in a lavish, full-color booklet and presented for the attraction of free-spending visitors.

First of its kind ever published in Texas, the 32-page brochure was compiled by the State Highway Department and is being distributed free. First printing of 400,000 copies is being sent to travel agencies, clubs, newspapers, anywhere that it may be used to draw tourists to Texas.

It is one of the first big steps in a program to reverse Texas' decline in tourist revenue.

Texas is "twenty years behind the times" in advertising tourist attractions, says Tom H. Taylor, director of the Travel and Information Division of the Highway Department. Next goal is to get the Legislature to appropriate \$300,000 to be used for media advertising over the country, as other states do.

Requests for copies of the brochure should be sent to the Travel and Information Division of the Texas Highway Department in Austin. Taylor said the Department expects heavy demand and will not be able to furnish the booklet in quantities.

WATER AID—Gov. Price Daniel said he will ask the next Legislature to take action aimed at speeding up local water conservation projects.

Speaking to the Texas Water Conservation Association, the governor said he would urge more money for water projects and a more flexible financing program.

Marvin Nichols of Fort Worth, chairman of the Texas Water Development Board, urged that the present ceiling of \$5,000,000 on any one water loan be raised to \$15,000,000. Under the present water development program the state sells bonds to raise money to lend to local governments to help pay for water conservation construction. Lending is limited to one-third the total cost and \$5,000,000 on any one project.

Nichols said the Water Development Board was "admittedly disappointed" in the small number of loans (eight for a total of \$14,840,000) completed since the program was passed in 1957. Abundant rainfall has caused many local governments to lose a sense of urgency about water conservation, said Nichols.

Several speakers warned of the certainty of another drought. "Biggest problem in many cities by 1980 may be getting a good drink of water," said one.

HIKE REJECTED—State Board of Insurance turned down by a unanimous vote a proposed 30 per cent increase in auto insurance rates.

Board will re-study the problem in June, 1961. Until then the present rates will continue.

Board also turned down by a 2-to-1 vote a proposal by Chairman Penn J. Jackson to allow companies to make the merit rating system optional. It is asking for an attorney general's opinion on whether optional merit rating would be legal.

Board member Robert W. Strain said he felt an across-the-board raise in auto insurance rates would be un-

State Capital NEWS

fair to law-abiding, accident-free drivers.

DPS MEMORIAL — A 6-by-8-foot bronze plaque commemorating Department of Public Safety men killed in line of duty is to be mounted in the lobby of the DPS Headquarters in Austin.

Private citizens paid for the plaque which was presented to Col. Homer Garrison Jr., DPS director, at an honor banquet.

Names of 21 men are inscribed on the plaque. Sixteen of these were killed in traffic accidents while on duty; two were killed by the ill-famed Clyde Barrow; Three were shot to death by other outlaws.

CAN'T TAKE CAR — A local taxing district cannot seize a person's personal car because he has failed to pay property taxes on it, the Attorney General's Department ruled.

However, the tax assessor still has plenty of ways to "get at" the car owner who tries to evade taxes.

An automobile — one only — is part of a person's

homestead, said the opinion and cannot be taken for forced sale to satisfy a tax claim. However, it said, the tax collector can get a judgment that will allow attachment and sale of a second car, or any other property not included in the homestead exemption.

SHOP AT HOME — State Highway Commission has reaffirmed its policy of using only U. S. -made materials for road and bridge construction in the state highway system.

Beginning January, 1961, all contracts for highway construction will include a provision that all materials furnished will be manufactured in mills located in the United States or its territories and possessions.

This policy was vigorously protested by representatives of industries of other countries at a hearing earlier this fall.

Policy will not apply to products finished in this country using some component parts furnished from abroad — such as pigments put into paints, wire made into wire mesh, etc.

SHINNERY PHILOSOPHER

Election Outcome Won't Speed J. A.

Editor's note: The Shinnery Philosopher on his Johnson grass farm on Bone Hollow Creek is not letting the election outcome bother him. His letter this week indicates.

Dear editor: Now that the election is over there are a few things I'd like to get cleared up before the inauguration in January.

The winner, as well as the loser, kept hammering all through the campaign that we've all got to go forward, not backward, we can't stand still.

I've never seen two candidates agree more on the idea that everybody has got to stop loafing and start working.

In a general way, I agree with this, but in a specific way, I have my doubts. Well, I really don't have my doubts, I know damned well I'm not going to work any harder in 1961 than I'm working right now.

What I want understood is that Mr. Kennedy was committing himself to work harder, not me.

I'm all in favor of the President, Congress, the cabinet, the General Staff, etc., working harder; of the defense plants working even harder the scientists working harder, the schools working harder, probably the tax collectors working harder.

But I have reviewed my situation out here on this

Johnson grass farm and have come to the conclusion that there's not a thing I can do around here by working harder to keep a guided missile from misfiring, a satellite launching from flizzing, an atomic submarine from bumping into the North Pole, Fidel Castro from talking on his television, Congo tribes from fighting each other, Krushchev from pulling off his shoe in public, etc.

However, understand, I will not hold back. I will do what I can, and wish to announce I have selected the field of foreign prestige. I intend to work harder on my prestige abroad. I have found from years of trying that it may be easier to build up your prestige with somebody on the other side of the earth than across the fence.

If at any time next year it looks like I'm not going forward, I will appreciate your remembering that I'm working on my foreign prestige and I can do it just as well sitting down as riding a tractor.

I would like to say in this connection though that my prestige is not an all-time low with my neighbors. It's about where it's been for years. Never was high enough to measure in the first place.

I congratulate the new President. I don't envy him his job.

Yours faithfully,
J. A.

Ten Word INTELLIGRAM

Check the correct word:

- 1-In 1956 Adlai Stevenson won (42) (49) per cent of the major party vote total.
- 2-The last previous president who (used) an opposition-controlled congress was (Harry Truman) (Calvin Coolidge).
- 3-A recent coup overthrew the government of the Central American nation of (El Salvador) (Guatemala).
- 4-Winner of the Nobel literature prize this year is (St. John Perse) (Albert Camus).
- 5-Hugh Gaitskell, running for re-election as British Parliamentary leader of the Labor Party, succeeds (Clement Attlee) (Harold Macmillan).
- 6-Leaning toward the Communist orbit is (Rebel Algeria) (Ivory Coast).
- 7-German Troops are now training in (France) (Poland).
- 8-Last American to win the Nobel literature prize was (Ernest Hemingway) (Mark Twain).
- 9-Guanstonama Bay, Cuba, embraces a U.S. (Navy) (Air Force) base.
- 10-The Nobel Peace Prize Committee (awarded) (did not award) a prize this year.

Count 10 for each correct choice. A score of 5-10 is poor; 10-10, fair; 10-10, good; 10-10, excellent.

Here's the Answer

TEXAS AGRICULTURE

Starving Insects May Help Cotton

By JOHN C. WHITE
Agriculture Commissioner

Intensive research is now under way at U. S. Department of Agriculture research stations in Texas and elsewhere on a new approach toward eliminating insect pests which destroy cotton at the rate of millions of dollars every year.

Basic of the new idea is to remove from cotton plants the various substances which attract and nourish such pests as the boll weevil, the pink boll worm, and others. Cotton plants which will produce little or no nectar are indicated as at least a partial answer.

The boll weevil comes first on the research list. Intensive studies are now being made of the boll weevil's diet — what attracts it and what repels it. An opening for this study was achieved at Texas A. and M. College when a synthetic diet was developed. This permits researchers to raise weevils in the laboratory without having to depend on developing various types of cotton

plants as a food supply.

These studies are expected to lead to basic knowledge about the boll weevil's vulnerability to diet changes, particularly to substances which are repellent to the pest.

The USDA announced that work is going forward on "the developing of cotton varieties with reduced ability to produce nectar... in an effort to make cotton less attractive to such insect pests as pink bollworms, cotton leafworms, and cabbage loopers."

It was reported that "several selections of cotton having fewer nectar glands have already been developed. In one insect feeding test, the researchers found seven to 10 times as many leafworms and loopers on a popular commercial variety of cotton as on one of the new selections. And in another test, there were twice as many pink bollworms in the popular variety as on a research - developed selection."

Bike Fright

Way up in the air, 4-year-old Richard Blake manages an uneasy smile for the benefit of the photographer and Jane Britnell, 6. The 75-year-old relic is mounted outside a bicycle shop in Worcester Park, Surrey, England.

By VERN SANFORD
Regular inspection of your boat and outboard motor pays dividends.

Even if you use your boat only a few times a month, you should take it out of the water for a thorough check-up every 30 days. Do so every 60 to 90 days, even if you haven't used it at all.

There are sound reasons for this suggestion.

If you accomplish nothing more than cleaning the scum off the bottom, it will be well worth the time and trouble. A bottom encrusted with scum cuts speed a great deal. Far more than the average boat owner realizes. It causes a heavier pull against the motor and hikes fuel consumption.

With the introduction of the high-horsepower engines, the continuous maximum boat performance is expected by most outboard owners. One factor, however, often is over-

If boats are left at moorings, they should have anti-fouling bottom paint in order that maximum performance can be maintained. This is true for all types of boats—wood, aluminum and fiberglass.

Good, anti-fouling bottom paints are available from many sources and most boat manufacturers provide anti-fouling paint as an extra.

Anyway, Mr. Boater, when you find that your boat gradually is losing speed over the course of a season, don't condemn the motor before you first check the condition of the boat bottom. Just a light film of scum can drastically affect performance.

Moral — clean your boat occasionally.

Obviously, a boat kept on a trailer, or used for short periods of time, will not be affected greatly by fouling conditions. However, two or three weeks of continuous exposure during summer or winter can result in some growth build-up.

Last time we pulled our 16-foot fiberglass Invader run-

removed the scum that had accumulated on the bottom. We got a noticeable increase in speed. That improvement was made solely because we removed the scum that was serving as a drag against the powerful 45 hp Crofton outboard motor.

We had heard that the accumulation of dirt on the exterior of an airplane would slow the plane's speed appreciably. In fact, even the paint cuts the efficiency. This seems impossible. But we're a believer now, after our experience with the boat.

So, keep your boat clean and smooth — especially that part that is under the water.

How to clean it? It's really simple. Much easier than we thought.

Best method we have found is to locate a roomy loading spot, along the shore, where you won't be in the way of others. Then back your trailer into the water and winch your boat into place.

Now, roll up your trousers, or better yet don a swim suit, and give the Old Ark a good scrub-down... right where you are. Being directly

over the water you eliminate the problem of hauling scrub pads, like the Chore-Girl work better than the softer and finer soap filled types.

Another advantage of housecleaning right over the water is you get busy immediately — before the bottom dries and the scum hardens.

And, needless to say — this is a good time to give the entire boat a sparkling appearance, from bow to stern and gunwale to gunwale.

Halls are Hosts

Weekend guests in the China Grove home of Mr. and Mrs. N. F. Hall were Smitty Smith of Colorado City, Rodney Rogers of Big Spring, Dub and Wilma Prince of Snyder.

Vandalism at Mail Boxes Investigated

Postmaster A. M. Morris reported that damage to 10 or more rural boxes Halloween night is being investigated by Mitchell County Sheriff R. E. (Dick) Gregory and the Postal Inspection Service.

"Many people do not realize that damage to mail boxes is a federal offense," Morris said, "and the Post Office Department considers it a serious affair — not a childish prank."

Morris said that he is in receipt of a letter from Inspector of Fort Worth, stating that the offense of defacing or damaging a rural mail box is punishable by a fine of not more than \$1,000 or imprisonment of not more than 3 years, or both.

WHEN IS A LAXATIVE DANGEROUS?

Appendicitis is one of our worst killers and only because of neglecting to get medical attention in time. Most fatal cases develop when taking a laxative or cathartic to relieve stomach or abdominal pains, one of the symptoms.

That is why a laxative or any home remedy should only be secured from a pharmacist. We can caution you against unsafe use and tell you when a physician's advice is preferable.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if without extra charge. A great many people shopping nearby or we will deliver it promptly with their prescriptions. May we compound yours?

Beginning Sunday

The Fabulous Fabian and Tuesday Weld shown above has a starring role in the riotous comedy "High Time" a Twentieth Century Fox CinemaScope, DeLuxe Color release, opening Sunday at the Palace Theatre.

Fabian and Weld To Show Sunday

Bubbling over with comedy, later when "Der Bingle" gets songs and zany hi-jinx "High Time," starring Bing Crosby, Fabian, Tuesday Weld and Nicole Maurey, a Twentieth Century Fox CinemaScope, DeLuxe Color release opens Sunday at the Palace Theatre.

The college campus has been the setting for a good many movies but never have the portals of higher education been entered as many merry madcaps as in Charles Brackett's production of "High Time."

The comedy ball starts rolling from the minute Bing Crosby, a 51-year-old self-made millionaire decides he wants a college education and enters as a freshman at Pinehurst College. Upon entrance he finds himself in the dormitory with his new roommates Fabian, Richard Beymer and Patrick Adair.

Thus the story starts and it doesn't end till four years.

Weekend Guests

Guests in the home of Mrs. J. D. McDonald last weekend were Mr. and Mrs. Joe Lee of Midland.

In Lubbock recently to attend the Baptist State Convention was Mrs. J. M. Byrd.

Farm Bureau Membership Tops Record

The Texas Farm Bureau wound up its membership year with the largest membership in its history—80,992 farm and ranch families, according to J. D. Hill of the Mitchell County Farm Bureau.

This represents a gain of 1,578 members over last year and marks the eighth consecutive year that the state farm organization has shown an increase in membership. In the past eight years, the organization has grown from 48,650 to its present membership, a gain of 32,342, Hill reported.

The official membership year in the TFB is from Nov. 1 to Oct. 31. A last-minute deluge of memberships in the state office delayed the official count for four days, Hill said.

The 80,992 memberships assures Texas a place in the top five states in the American Farm Bureau Federation. Only Illinois, Iowa, Indiana, Kentucky, in that order, ranked ahead of Texas last year. Ellis County now has the largest county Farm Bureau in Texas with 1,545 members. A total of 111 of the 199 organized counties in the state exceeded their quotas this year, Hill said.

The top 10 counties, in terms of membership, are: Ellis, 1,545; McLennan, 1,540; Hidalgo, 1,463; Williamson, 1,347; Hale, 1,274; Lubbock, 1,231; Bell, 1,221; Milam, 1,188; Ft. Bend, 1,155; and Hill, 1,115.

4 Pay Fines In County Court Cases

Paying fines in County Court last week were 2 persons for driving while intoxicated, one for bootlegging and a fourth for aggravated assault.

Two other persons were charged with offenses but did not face trial. Pleading guilty to driving while intoxicated were Robert Salazar, arrested by State Highway Patrolman Buddy Hertenberger, and Charles Ray Reed, arrested by city police.

Salazar was fined \$100 and \$27.50 court costs while Reed was fined \$85 and \$27.50 costs.

Lupe Cardoza pleaded guilty to selling beer and was fined \$125 plus \$27.50 court costs. Filing the complaint against him was Deputy Sheriff Mardell Sheppard.

Paying a \$50 fine and \$27.50 court costs was Emilio N. Padilla, who pleaded guilty to aggravated assault. He cut his brother, Eduardo B. Padilla, with a pocket knife.

Jeff Moody Dickerson posted \$500 bond after being charged with driving while intoxicated. Charged with aggravated assault upon his wife was Samuel Lidy.

OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$3.00 and is sold on this guarantee: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. HERE! EASIER GOING FOR THE DRIVER AND THE LOAD. LONGER LIFE FOR THE TRUCK!

'61 TORSION-SPRING CHEVROLETS

If you don't think scrapping the front axle has made a world of difference, you haven't driven a Chevy in a while. A few minutes behind the wheel and you can feel why drivers are happier and breakable loads are better protected. But the biggest advantage of all, you'll realize, is that the truck itself (sheet metal, tires, chassis components, everything) takes less abuse. With independent front suspension soaking up road shock and vibration, the truck lasts longer, goes extra thousands of miles before trade-in time. Add that to what everybody's always known about Chevy dependability and you find yourself looking at the soundest truck investment you could bet your business on.

and look! NEW REAR-ENGINE CORVAIR 95's

A panel and two pickups that put a thrifty air-cooled engine in the rear, the driver up front and as much as 1,900 pounds of load space in between! That's more capacity than a conventional half-tonner. Yet these Corvaire 95's are nearly two feet shorter from bumper to bumper. Highly maneuverable. Built to last and bound to save on a busy schedule!

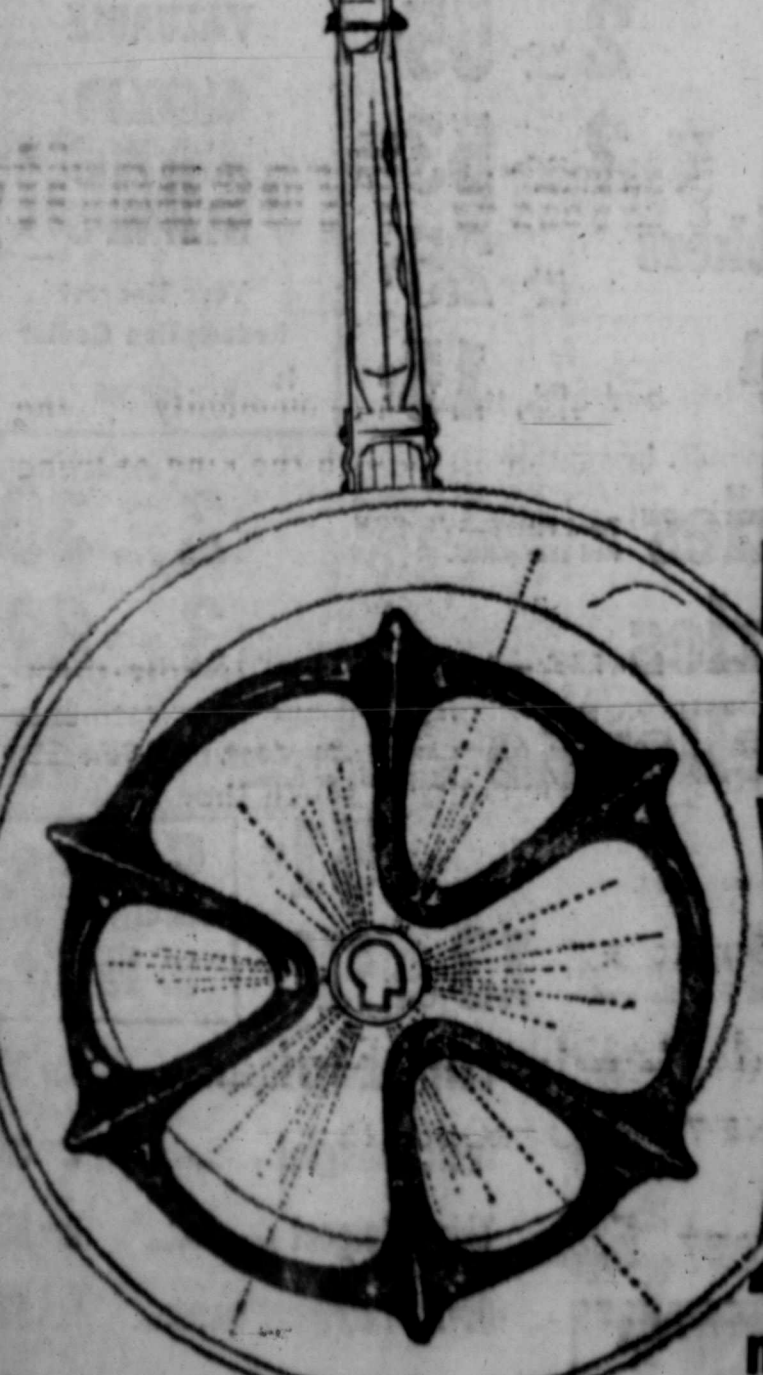

CORVAIR—Side doors swing a full 45° wide. Loading height is a low 14" and

Ex-Students Gather at Class Reunion Events

By MRS. ROY WELLS
Record Correspondent

LORAIN — The class of '57 of Loraine High School met Sunday for a luncheon in the Colorado Room of the Baker Hotel, Colorado City.

Tommy Linam conducted the business meeting. Plans were made for next year's meeting at the home of Mr. and Mrs. Danny Thompson.

Class members and guests attending were Tommy Linam, Billy Dale Blair, Howard Bryant, Byron Bruce, Billy Cornutt, Frank Machart, Raymond Coldeway, Fern Roberts of Midland, Mr. and Mrs. Danny Thompson, Mrs. Margie Lou Powell.

Adult sponsors present were Mrs. Adele Thompson, Mr. and Mrs. Homer Foster, Mr. and Mrs. Bennett Blair.

Loraine class of 1960 held its reunion in the Garden Terrace Room of Baker Club in Colorado City Sunday where they met for lunch.

They held a short business

meeting when they re-elected the same officers for another year.

They are Pauline Cornutt president, Sharon Hammond secretary, Maylon Beaty treasurer.

Class members and guests present were Kaye Nell Lankford, Weldon Claxton, Joe Bob Vest, Billy J. Long, Gary Parnell, Robert Galvan, Maylon Beaty, Marvin Wallingsford, Peggy Belvin, Jean Kidd, Pauline Cornutt, Treva Hays, Peggy Sue and Tommy Williams, Sharon and Morris Hammond.

Sponsors present were Mrs. Charles Maughon, Mr. and Mrs. Ralph Lankford, Mr. and Mrs. Wilson Kidd, Mrs. Piez Beaty, and Jackie Joyce, friend of Treva Hays, of Hardin Simmons University, of Abilene.

Loraine's class of 1945 met for a tea in the home of Mr. and Mrs. John Mahon Saturday afternoon.

Their teacher, Mrs. F. B. Ison met with them.

Class members and guests present were Mrs. Ramona Hamilton of Andrews, Mrs. Bob Chalker of Colorado City, Mr. and Mrs. Mason Rieburg and family of Abilene, Mr. and Mrs. Shep Compton and family of Loraine, Mr. Alfred Hackfield of Loraine, Mr. and Mrs. Troy Kegans of San Angelo, Mr. and Mrs. J. C. Rickman of Lubbock.

The Loraine class of 1953 met in the Jim Templeton home Sunday morning at 10 for coffee and went in a group to the First Baptist Church.

After church services they went to the Ranch House in Colorado City for lunch.

Class members and guests present were Mr. and Mrs. Jack Compton, Mr. and Mrs. Eugene McGee and son of Snyder, Mr. and Mrs. Joe Ed Coldeway, and daughter of Colorado City, Mr. and Mrs. Dennis Greenfield and son of Big Spring, Mr. and Mrs. Orville Griffin and son of Colorado City, Mr. and Mrs. Tommy Don Reeves of Colorado City.

Sponsors present were Mr. and Mrs. Huse Narrell of Loraine, Mr. and Mrs. Horace Miles of Merkel and Mrs. Templeton.

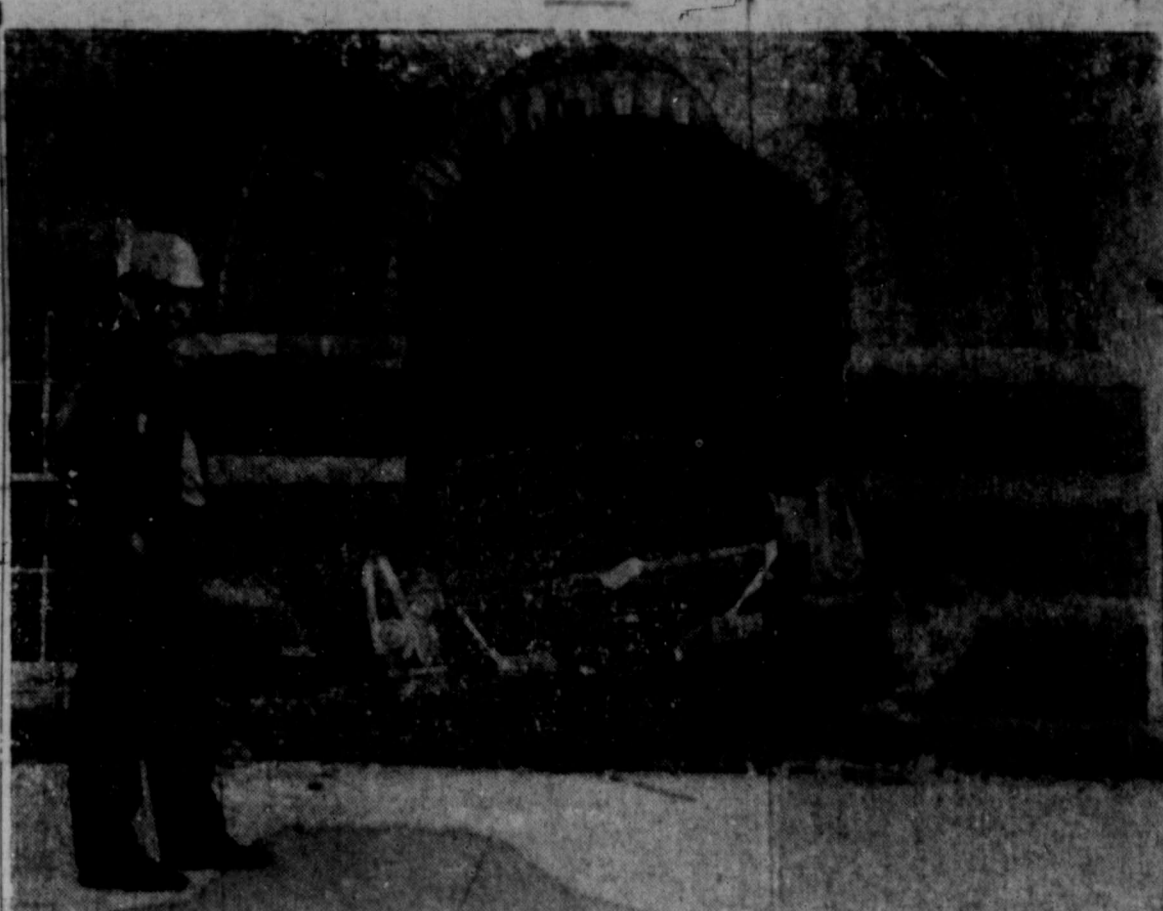

The class of 1955 held its reunion in the home of Mr. and Mrs. Roland Powell of Colorado City.

The class of 1942 met in the home of Mr. and Mrs. A. G. Furlow for cake and coffee Saturday afternoon.

Class members and guests attending were Mr. and Mrs. John Jarrett of Lubbock, Mr. and Mrs. Jim Brown of Midland, Mr. and Mrs. Jack Albright of Odessa, Mrs. Howard Bynum of Colorado City and Mrs. Furlow.

The group visited a class member, Charles Finley, at his home.

The class planned a special reunion for next summer.

THAT LONG, NARROW LOOK—Slamming into the doorway at high speed, this station wagon has widened the entrance to a church in Petersburg, Va.

FOR WESTBROOK EXES

McKenny, Bell Head Homecoming Planning

Record Correspondent

WESTBROOK — Heading arrangements for Westbrook School's first annual homecoming are Mrs. Rex McKenny and Mrs. W. A. Bell.

Mrs. McKenny is general chairman for the reunion and Mrs. Bell is chairman for the program committee.

Westbrook's first homecoming is scheduled Friday and Saturday, Nov. 18 and 19, with a basketball game, get-together and luncheon sponsored by Westbrook Parent-Teacher Association.

Ex-students and teachers are cordially invited and urged to attend the affair and are requested to send registration fee of \$1 plus lunch on fee of \$1.50—75c for children P.T.A. president, Mrs. Edward Blakney, P. O. Box 8, Westbrook.

Registration will begin at

6:30 p. m. Nov. 18 at the school immediately preceding the basketball game with Gail. After the game there will be an informal get-together in the school cafeteria.

Registration will continue Nov. 19 from 9:30 a. m. to 10:30 a. m. followed by a coffee.

The main event of the Nov. 19 will be the noon luncheon. Expected speakers on the program will be Pat Bullock of Austin and Johnny Moore, Sweetwater, both ex-students and graduates of Westbrook school.

S. A. (Soc) Walker of Big Spring, former superintendent for 12 years at Westbrook.

Mr. and Mrs. Bill Smith and daughters of Albany visited with Mr. and Mrs. W.

A. Bell here Sunday afternoon.

Mr. and Mrs. Robert Hutchins and children spent the weekend in Denton visiting with her sister and family.

Mrs. Lonnie Wyrosdick and children of Fort Worth have been visiting her parents, Mr. and Mrs. C. A. Iglehart.

Mrs. C. A. Iglehart is a patient in Root Memorial Hospital in Colorado City.

Jim Berry was admitted to Root Memorial Hospital, Colorado City Monday afternoon for treatment of a bronchial condition.

Mr. and Mrs. Altis Clemmer were in Sweetwater Sunday afternoon to visit Mr. Clemmer's brother-in-law who is seriously ill.

Travelling to Fort Worth Wednesday were Newton Bacon and Doyce Lankford.

Local WAC Finishes Clerical Training

Pvt. Ella A. Holguin, daughter of Mr. and Mrs. Ralph M. June and received basic training at Fort McClellan, Colo. Before entering the corps, Holguin completed the typing and clerical procedures course at The Women's Army Corps School at Fort McClellan, Ala., Oct. 20, 1959. She is a graduate of Colorado City High School.

TO RURAL RESIDENTS

Carriers to Hand Livestock Cards

Rural mail carriers from the Colorado City post office will leave some livestock survey cards along their routes beginning Wednesday, Nov. 6.

"Information reported on this cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster A. M. Morris explained.

In distributing the cards, rural carriers pick boxes at random along their routes.

"This means that not every box will get a card," Morris said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the

survey are: W. R. Motley, Route 1, Ed Moeser, Route 2, and C. M. Nuckolls, Route 3.

Facts and figures secured in this survey are the basis for the Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio and television.

"This annual survey has been a joint undertaking of the Post Office and the Agriculture Departments since 1924," concludes Morris.

Every \$ You Spend Is a Vote

FOR or AGAINST Your Own Future Prosperity

Spend a dollar here at home and it's a vote FOR the improvement of your own individual well-being.

Because it's a dollar that keeps on working for you... circulating and creating more trade volume in your own community... Trade volume that makes YOUR business better.

Spend a dollar away from home and it's a vote

AGAINST the life and growth of this community... the prosperity of which has much to do with the kind of living that YOUR work will provide for you.

Many small town folks have helped to vote themselves out of business, out of jobs and out of investments which were the savings of a lifetime, by casting their \$-ballots AGAINST the community in which they live.

Boast Your Political Emblem Year-Round

BY EDNA MILES

Elections may come and pass, but politics can and should be a year-round endeavor.

There are always ways in which you can make yourself useful at the local political headquarters. And women's clubs and groups will be giving less and evening parties to raise money for the party of your choice. Lend a hand at these; you'll find it both stimulating and good fun.

Just for the fun of it, in this important political year, treat yourself to a gingham shirt gaily embroidered with your favorite political symbol. Either the donkey or the elephant may be done in an easy cross-stitch design on the checked fabric.

This is neither difficult nor time-consuming work. But for complete free directions for both designs, write to Dept. NEA-1, P. O. Box 495, Fair Lawn, N.J. Be sure to enclose a stamped, self-addressed envelope.

While you're lending support to the party of your choice, this election or any other, wear this pretty gingham shirt with cross-stitched political emblem. It's easy embroidery you can do at home.

LORRAINE CHURCH GROUP

Methodists Class in Projects For Parsonage, Church Home

Record Correspondent
LORRAINE — The Willing Workers Sunday School Class of the First Methodist Church of Lorraine met last Thursday in the home of Mrs. Otis Muns for their regular meeting.

The party room was decorated in the Halloween style. The president, Mrs. Wiley Walker, was in charge. The devotion was by Mrs. Lily Bennett, reading from Psalm 19:1-5. Mrs. Floyd Coffee led in prayer. Minutes were read by secretary and treasurer report was given.

The class voted to buy bed room curtains for the parsonage, and a committee was appointed for the project.

A committee was appointed to buy a wool blanket for the Methodist home at Waco for Christmas.

The class also voted to change the next meeting to the third Thursday of November month because of Thanksgiving and the meeting time was changed to 7 p. m. in the home of Mrs. Floyd Coffee.

Refreshments of pumpkin pie and coffee were served to Mrs. Doris Martin, Mrs. Wiley Walker, Mrs. Harold Martin,

Mrs. Piez Beaty, Mrs. Maggie Hamrick, Mrs. Floyd Coffee, Mrs. Kirk Taylor, Mrs. Lily Bennett, Co-hostess with Mrs. Otis Muns were Mrs. Ralph Lankford, and Mrs. Allen Beaty.

Woman's Society of Christian Service of the First Methodist Church of Lorraine observed the week of prayer and self denial Friday October 28 in the church at 3:00 p. m.

Mrs. J. G. Bruce had charge of the program. Call to worship by Mrs. Floyd Ritchey. Scripture by Mrs. Merriel Abbott and she also led the prayer in unison.

Two meditations were given by Mrs. Harold Martin and Mrs. Roy Wells.

Mrs. J. G. Bruce talked on the Wesley Community center in San Antonio. Mrs. Jack Linam on literacy and Christian literature program around the world.

Song was led by Mrs. Crowover.

Mrs. Bruce Johnson gave two prayers for a book of Psalms pertaining to this program.

International Missionary Service was given by Mrs. J.

D. McDonald, Mrs. J. E. Price led in prayer. A special collection was made for the Wesley Community Center in San Antonio.

Benediction was led by Mrs. J. G. Bruce. Those present were Mmes. K. L. Taylor, J. G. Bruce, Floyd Ritchey, Frank Crowover, Annie Jarrett, J. P. McDonald, Wiley Walker, J. E. Price, Harold Martin Merriel Abbott, Bennett Blair, Roy Wells, Jack Linam, L. J. Tili-son, Bruce Johnson and Lily Bennett.

As clean and safe as electric light

Flameless Electric Clothes Drying

So clean... so safe... so modern... that's what electric dryer owners say they like about flameless electric clothes drying. Clean, flameless electric heat gentles your clothes—dries them fluffy-soft and sweet-smelling—never fades colors. And it's so precisely controlled that even your most delicate fabrics can be dried with complete safety.

An electric dryer brings wonderful ease and convenience, too. You can dry clothes any time of day or night in any kind of weather... with little more effort than setting the controls. See your favorite appliance dealer soon for a flameless electric clothes dryer that will save you time and work... help you live better... electrically.
