Loraine Teams Defeat Hobbs

Loraine boy's and girl's varsity basketball teams whipped Hobbs twice in District 10-B action in Loraine Friday night.

Coach Caddo Matthews' boys team had an easy time as they trampled the visitors by the score of 90-53.

Junior Martinez led Loraine with 21 points while Charles Darnell chipped in with 14, Billy McPeters had 13 and Tommy Darnell canned 10.

Loraine trailed 17-16 after the first quarter but poured through 28 points in the second period to take a 44-32 halftime lead.

The Bulldogs continu-

ed the assault with 19 points in the third period to lead 63-42 at the end of that quarter and they finished the night with 27 points in the final frame to gain their 37 point win.

Led by Linda Moreno with 15 points, the Loraine girls took their contest by a 47-42 score over Hobbs.

Loraine led 8-2 after the first quarter buzzer. Hobbs pulled into a 21-19 halftime lead and also led 34-33 after the third quarter. Coach Ken Lightfoot's squad scored 14 points to the visitor's eight in the final frame, however, to take the final five point advantage.

Find Him Early...

Rev. Wayne Olgesby

Pastor

Oak Street Baptist Church

Have you ever woken up in the morning at the dawn of a new day and suddenly found yourself tired just from thinking about what you have to do that day? It seems that each day we find ourselves being more involved with living life than the day before. We find ourselves looking for ways to make our life easier and more enjoyable.

We can look about us and find things that make life easier. Items at home and work are manufactured to help us get through the day easier. If these don't help, we may find help in medications, while still others try unprescribed drugs and alcohol. But in spite of all the worldly things we try, there still is unrest.

I believe the Psalmist gave us the best answer to meeting each day. Psalms 46:10 reads: "Be still and know that I am God..." Again the Psalmist cries, "O God, thou art my God; early will I seek thee..." (Psalms 63:1)

I believe each day would be easier if we began the day by finding God and His will for our life that day.

The poet said it best when he wrote the words:

I met God in the morning
When my day was at its best
And His presence came like sunrise
Like a glory in my breast.

All day long the Presence lingered,
All day long He stayed with me,
And we sailed in perfect calmness
O'er a very troubled sea.

Other ships were blown and battered,
Other ships were sore distressed,
But the winds that seem to drive them
Brought to us a peace and rest.

Then I thought of other mornings,
With a keen remorse of mind,
When I too had loosed the mornings,
With the Presence left behind.

So I think I know the secret,
Learned from many a troubled way;
You must seek Him in the morning
If you want Him through the day.

INDIVIDUAL RETIREMENT ACCOUNT

If You're Not covered under any other retirement plans, start your own. It is an account called an Individual Retirement Account (IRA) approved by the Internal Revenue Service. It is now possible for wage earners to add to their financial security by establishing their own personal retirement plans. Federal Legislation now permits employees and self-employed persons receiving compensation and not covered under any other retirement plan to establish their own INDIVIDUAL RETIREMENT ACCOUNT. And you can save immediately on income taxes while planning a secure future for you and your family.

What is an Individual Retirement Account?

An Individual Retirement Account (IRA) is a personal tax sheltered retirement plan. It was developed to bring every American worker the opportunity to build a more secure future for themselves and for their family.

Who can establish an IRA?

IRA's are available to any wage-earner. The only requirement is that you not currently be a participant in an employer-sponsored plan.

Can my spouse establish one?

Your working spouse may establish a separate IRA, too, provided he or she is not currently a participant to an employer-sponsored plan.

How much can I contribute to my IRA?

Federal law allows a maximum annual contribution of \$1,500 or 15% of wages, whichever is less. Of course, smaller amounts can be contributed each year.

Are my contributions tax deductible?

For Federal income tax purposes, contributions to an IRA are fully deductible for gross income up to the maximum allowed by law. You can deduct your contribution even though you don't itemize deductions.

Do I pay taxes on the income earned by my account?

The earnings of your account are not currently taxable. Each dollar of earnings produces additional Dollars Which Are Also Not Currently Taxable. This tax-free compounding continues until retirement.

When do I Pay taxes on my account?

Your Account, including principal and earnings, is not taxed until you receive payment from it.

When can I begin to receive payments?

No payments can be made to you before you reach age 59½ unless you become permanently disabled. If your death should occur sooner, funds in your account will be paid to your named beneficiary. You must begin to receive payments from your account by the time you reach age 70½.

How do I start an account?

Opening an Individual Retirement Account is as easy as opening a savings account. Stop in and one of our officers will gladly assist you.

Westbrook's junior high basketball squads split two road contests with Highland Thursday night.

Westbrook's girls, led by Teresa Bacon with 16 points, eased by High-

land by a score of 26-18.

The score was tied, 6-6 at the end of the first quarter but Westbrook pulled into a 19-10 halftime lead and also led, 23-12 after the third quarter.

The Westbrook boys dropped their contest, 27-13. Todd Whitesides had six points for the Wildcats.

Jerry Hamilton tied up the contest with a steal and a driving lay-up with six seconds left Thursday night and the Colorado City eighth grade basketball squad went on to defeat Coahoma 32-29 in overtime and run their season's mark to 9-0.

Coach Raymond Zamarrappa's team, playing their first game since before Christmas, led 7-3 after the first period and 11-9 at halftime. Coahoma led 21-15 at the end of the third quarter and the score was tied, 25-25 at the end of regulation time.

Tom Rees led Colorado City with 13 points and Rodney Blankenship chipped in with eight.

Colorado City's seventh grade basketball team dropped a 33-18 decision to Coahoma Thursday night.

Colorado City trailed, 15-2 at the end of the

first period, 19-10 at halftime and 25-16 after the third quarter buzzer.

Dennis Rivera had 10 points for the Wolves.

The Westbrook Wildcats completely chewed up Ira Friday night in Westbrook. Coach Gary Womack's squad had four men in double figures as they took a 80-40 decision and ran their district record to 2-0.

Mike Petty led the Wildcats with 22 points and was aided by Daryl Rich with 17, Terry Webb with 16 and Ricky Reyes with 12.

Westbrook trailed 17-16 after the first quarter but stormed to a 34-23 lead at halftime and scored 23 points in the third period to Ira's eight to command a 67-31 margin after the third quarter buzzer.

Coach Bill May's Westbrook varsity girls team weren't so fortunate as they fell to Ira in their contest by a score of 64-42.

Westbrook trailed 26-15 after the first quarter, 43-25 at halftime and 51-37 at the end of the third quarter.

Teresa Dorn had 19 points for Westbrook. They are now 1-1 in district play.

Ballinger Buzzes By Wolves 66-65

Colorado City's boys varsity basketball squad lost a heart-stopper to a tall and speedy Ballinger team 66-65 in a crucial District 6-AA contest at Wolf Gym Friday night before a large and vocal crowd of fans from Colorado City and Ballinger.

The Wolves boys junior varsity was the only team scoring a victory for Colorado City during the night as they won over Ballinger 65-57 with Chuck Claxton scoring 26 points.

The Colorado City girls varsity lost 58-44 with Ann Marcom top scorer with 13 points. The Wolves girls junior varsity lost 30-18.

In the boys varsity clash, the Wolves started slow and didn't score until there was 4:29 left in the first quarter when

Ricky Sanchez sunk two free throws, making the score 5-2.

The Wolves never led in the game as they were behind 9-18 after the first quarter, behind 27-33 at halftime and behind 52-41 at the end of the third stanza. At one time in the second quarter, the Wolves were behind by as much as 15 points.

At the beginning of the fourth quarter, the Wolves closed to within seven points, then fell back to 11 points behind. With 6:02 left in the game, the Wolves closed to within five points of the Bearcats, 52-47 and had a number of opportunities to close the gap even further but the ball would roll in and out of the basket.

Both teams then went on a scoring spree and

with six seconds to go the score was 64-63 with the Wolves having a chance to make two free throws. However, the pressure of the situation was too much and both shots went awry and the Wolves committed a foul.

Ballinger made both free throws, making the score 66-63 and as the buzzer sounded, the Wolves scored a bucket to close the gap but it was too little too late.

Gene Carter led the scoring for Colorado City with 20 points while Tony Truelove had 15 and Ricky Sanchez, 14. Dwayne Staats had 9, Jay Feaster, 5, and Ronald Proctor, 2.

This gives the Ballinger Bearcats an undefeated record in district 6-AA play while the Wolves have now lost one game.

State Senator To Chair Committee

State Senator Ray Farabee of the 30th Senatorial District was appointed recently as chairman of the Senate Jurisprudence Committee.

"I am pleased to be appointed to chair a major committee which will provide an opportunity for greater leadership in the State Senate and greater service to the people of our area," Farabee said.

The Jurisprudence Committee considers the improvement of the judicial and court systems in Texas. As chairman of the committee,

Senator Farabee will be concerned with legislation dealing with law and order and the problems involved with the justice system.

Farabee was sworn in Jan. 9 to begin serving his second term as senator for the 30th District which includes Mitchell County. Farabee was also appointed by Lt. Governor Bill Hobby to serve again on the Natural Resources and Finance Committees.

The Natural Resources Committee monitors legislation dealing with agriculture and energy,

both of which are essential to the economy of the District and the State. "This appointment will provide us in North and West Texas with an important voice in shaping the policies affecting the energy resources in our area," Farabee stated.

The Finance Committee appointment affords Senator Farabee the opportunity to take an active role in setting the state budget and implementing tax relief. Farabee also serves on the Legislative Budget Board.

Letter To The Editor

Dear Editor,
Thank you for the revealing public disclosure of the existing city financial affairs.
I further encourage you to print an "in depth" probe as to why the first reaction of Mr. Rick Perkin was to state "It is time to prepare

the citizens of C. City for a tax increase."
Do we lack fiscal responsibility by our City Fathers? Does financial restraint have no bearing on the issue? Why do the City Fathers continue to interview, or even consider for that matter, more "wet be-

hind the ears" "Johnnies come lately" importee talent? I should think the first pre-requisite would be a local tax-paying homeowner to manage our city affairs. Any local housewife, with ample experience, would never spend money with one hand that was not firmly clenched in the other.

am deeply concerned with the existing crisis. "Am I alone with a strong concern of receiving my dollar value" in these days of bureaucratic ineptitude? I take exception to this sad state of affairs. Thank you for an attentive ear.

A concerned Citizen
Albert G. Anderson
938 E. 14th St., City.
P.S. This is my first letter ever, to any public figure. I fervently hope I shall never again be so strongly compelled.

What is replacement cost insurance on your home?

In most cases, homeowners are fully protected against partial losses. However, in the case of losses of significant size, they must be sure to have maintained their coverage at 80 percent of current replacement cost to collect the maximum amounts permitted under their policy. This means no depreciation will be taken on the house in case of a loss.

Rising costs, inflation or other factors can leave you short of this 80 percent minimum. You could be disappointed to discover that you are not covered to the extent to thought.

Your independent agent will be happy to discuss this subject with you.

At The Chamber Office— We Get Letters!

(Editors Note: The following letter was received at the Colorado City Chamber of Commerce and was brought to the attention of the Colorado City Record. It is published here as a public service.)

Dear Sirs,
On a recent trip to Texas we had an accident on the icy highway. We were just about two miles out of Colorado City. We managed to walk to the outskirts of your town and we stopped at an all night station. It was closed on account of a shortage of fuel.

However, a man in a trailer house a few yards away saw us and asked us into his home. He and his wife were so friendly and kind to us that we can't find the words to express our gratitude. I got their names, but somehow lost or mislaid the envelope on which they were written.

These kind people called the sheriff or an assistant, who promptly drove out to the home of our new found friends. The young officer was efficient, friendly, kind and courteous. He called a wrecker and in an amazingly short time our automobile was in Jay Dement's Body Shop. Here we once again met the most pleasant, efficient and helpful people imaginable. They repaired our car at a fair and reasonable cost and made a motel reservation for us

and also directed us to a place where we could eat. Bob Burroughs and his co-workers—whose name we did not get were simply great.

It was no fun being involved in an accident, but if it had to happen, thank God, it happened near your town. Our confidence in human beings has been restored by the generous, honest and kind people we met in Colorado City.

Sincerely,
Mary Jean Gillingham
(Mrs. D. N.)

cludes the Colorado City area.
