## Wiley Bullin Rites Held At Flomot

Funeral services for Wiley Bullin, who passed away Monday, February 13 in the Palo Duro Convalescent Home at Claude, were held at 4:00 p. m. Wednesday in the school auditorium at Flomot. Jehovah's Witnesses minister Carl Tidwell of Silverton conducted the services. Burial was in Rest Haven Cemetery at Quitaque under the direction of Quitaque Funeral home.

Pallbearers were Harmon Moseley, Alfred Martin, Malcolm Turner, Leon Cloyd, D. M. Gilbert and Lottie Gilbert.

Wiley Bullin was born in Red Bay, Alabama, March 8, 1888. He came to the Indian Territory of Oklahoma with his parents when he was eight years of age. He grew up there, and married Lottie Montgomery. They later moved to Beaver County where they lived until 1929 when they came to Texas.

Mr. Bullin lived in California for a number of years, until his illness brought him back to Texas to live with his daughter and son-in-law, Mr. and Mrs. A. D. Moseley at Flomot. He spent several months in Groom Memorial Hospital under the care of Dr. Richard M. Hall. He had just recently been moved to the convalescent home at Claude when death came.

He is survived by five children, daughters Mrs. C. D. Dunn and Mrs. E. R. Lindsey of Fullerton, Calif., and Mrs. A. D. Moseley of Flomot; sons J. C. Bullin of Houston and W. E. Bullin of Castroville, Calif.; two brothers, Bill Bullin of Red Bay, Ala., who is 96 years of age and H. R. Bullin of Levelland, Texas; eight grandchildren and eight great-grandchildren.

That's the date that has been proclaimed as Texas Annual Public Schools Week.

This is a live, on-the-spot chance for you to see your child in the daily process of learning. Want to know about modern math? Visit your child during math period. Interested in what he reads? Go during English period. The choice is yours!

You are urged to remember the dates and join the responsible parents of Texas and find out for yourself just what goes on in the classroom and what these new teaching methods are all about. It's your privilege and obligation to see, first hand, just how Texas educators are meeting the challenge of tomorrow. Remember the dates—March 6 through March 10.

The time? Any school day while your child is in class. It's Annual Texas Public School Visiting Time.

## UNCLE OF JAMES BAREFIELD DIED IN ARKANSAS

James Barefield received a telephone call Wednesday of last week, telling of the serious illness of his uncle, Ed Barefield, in the Veterans Hospital in Little Rock, Ark. James called the hospital Thursday and was told that his uncle was very seriously ill, and he left immediately for Little Rock. When James arrived in Little Rock he learned that his uncle had died about 30 minutes after he had called the hospital. James remained for the funeral service, which was held at Mineral Springs, Ark. Mr. and Mrs. Barefield and Joey had just returned home a few days earlier from attending the funeral of another uncle at Mineral Springs.

## Sick Report -

H. W. Hamilton is in Lockney General Hospital where he was carried last Friday night suffering with pneumonia. Leroy received a call from the rest home at Jayton where his father is staying, informing him that Mr. Hamilton was not feeling well. Leroy and Raymond drove down to Jayton and found him quite ill and they called an ambulance and took him to Lockney. Chester Wayne Hamilton, Mrs. S. L. McKenzie and Mrs. Bob Eudy, all of Fort Worth, and Earle Hamilton of Clarendon, visited their father during the weekend.

Leroy reported Wednesday morning that his father was feeling some better but that he is still quite ill.

Mrs. W. W. Cain was admitted as a patient at Lockney General Hospital Sunday.

Mrs. W. J. Carter entered Lockney General Hospital Sunday where she was found to be suffering with inner ear trouble.

Mr. and Mrs. Jack Cheatham drove to Lubbock Sunday to visit his mother, who is in the hospital there. She was admitted to the hospital on Wednesday of last week where it was determined she was suffering with pneumonia.

Murry Morrison took Clyde Morrison to Matador Tuesday morning for a checkup by Dr. Stanley.

At press time Thursday, reports from the folk in the hospital at Lockney were that all were improving some. Mr. and Mrs. Edgar Morrison, Mrs. W. J. Carter, Mrs. W. W. Cain and Mr. H. W. Hamilton are all still in the hospital.

## Floyce O. Ham Buried Monday

Funeral services for Floyce O. Ham, a resident of Turkey since 1911, were held at 4 p. m. Monday in the Turkey Church of Christ with Herbert Gipson and Alva Johnson, ministers, officiating.

Burial was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home.

Mr. Ham, who was 70, died Saturday afternoon of an apparent heart attack.

A native of Bay City, Ala., Mr. Ham had operated a barber shop in Turkey for 55 years. He was a member of the Hall County Masonic Lodge.

He is survived by his wife, three daughters, a son, five sisters, eight grandchildren, and five great-grandchildren.

The winner of the Matador-Turkey game will play Estelline at 7 o'clock Friday night and the Lakeview - Flomot winner will meet the Quitaque Pantherettes at 8:15 Friday night.

Friday night's winners will meet at 8 o'clock Saturday night to determine the district champion. Friday night losers will play at 7 o'clock Saturday to

## MASONIC LODGE TO HAVE WASHINGTON BIRTHDAY PROGRAM

The Quitaque Masonic Lodge is holding its Washington Birthday celebration Thursday night, Feb. 23, at the school lunchroom with an open house program. This meeting is to be known as "Family Night." All members of this lodge, together with their families are urged to attend. Visiting Masons and their families are welcome.

Please remember the date, and it will be appreciated if you will notify Jake Merrell as soon as possible, of the number you expect to be in your group, in order that he might know how many to prepare to feed.

A good speaker has been secured for the occasion and the time of the meeting is 7 p. m.

Have you noticed the reminder of our meetings, also of our practice nights, in The Tribune? Read it. (On the back page).

Mrs. S. M. Breland and Mr. and Mrs. Clint McCarty of Plainview visited the Rev. and Mrs. Bill Curry and boys Sunday. Mrs. Breland is Mrs. Curry's mother and Mrs. McCarty is her aunt.

## Lions Club Had Makeup Meeting

Scout Program Given At Lions Club

The local Lions Club met on Monday for its makeup meeting, caused by the postponement last week when the conflict developed with the playoff basketball game with Estelline. A good meal and program was enjoyed by the Lions and guests present.

At the business session a report was given by Coach Don Johnson on the Outsider Basketball Tournament which will be held March 16, 17, and 18 after the conclusion of the regular basketball season. A number of teams from this area will be represented.

Jake Merrell gave a report on the Zone Meeting held in Childress last week and attended by M. L. Roberson, Dean Johnson, O. R. Stark, Jr. and Jake Merrell.

Scoutmaster James Davidson had charge of the program which was presented by the local Scout Troop No. 264. Jimmy expressed his appreciation to the Lions Club for sponsoring the Scouts for the past few years and an impressive Court of Honor was presented at which David Johnston gave his work and was

## New Arrivals

### A PAIR OF VALENTINES!

Mr. and Mrs. J. Ronald Taylor of South Plains are the proud parents of a baby boy, born February 14 at Lockney General Hospital.

The young man weighed 6 pounds, 13 ounces and has been named Jeffrey Lynn.

Grandparents are Mr. and Mrs. J. P. Taylor of South Plains and Mr. and Mrs. W. W. Woods. Mrs. Taylor is the former Willie May Woods.

Mr. and Mrs. Johnny Rhea Helms of Canyon proudly announce the arrival of a baby daughter, Aunna Beth, born on Tuesday, February 14 at 1:24 p. m. in the hospital at Canyon. She weighed 7 pounds.

W. E. Helms, Jr. is the paternal grandfather of the new-comer. Mr. and Mrs. C. H. McCurley of McLean are maternal grandparents. The new arrival is the great-granddaughter of Mr. and Mrs. Bill Helms

awarded his Tenderfoot Badge.

Mrs. Josie Johnston, along with the local Scout troop, were guests of the club.

determine third place winner. The Estelline Bearettes are defending district champions but Quitaque won the round robin portion of the schedule this time and as a result of this the Pantherettes must be considered slight favorites to dethrone the Bearettes this year.

Each team defeated the other on their home court but the Pantherettes took the playoff game last week to decide the round robin winner. The two teams have met five times this season and Estelline has won 3 of the games but the Pantherettes have won two of the last three games, the ones that really counted. Most Quitaque fans feel that the Pantherettes have the better team, especially the guards, but they also feel that it will take their best effort to tame the Bearettes.

If the Bearettes and the Pantherettes make it to the finals Saturday night, fans are sure to see an action-packed basketball game. The Pantherettes will be trying to win a district championship that has eluded the local girls teams for about 20 years. This reporter thinks that this is the year.

If someone other than the Pantherettes win the tournament however, there will be a playoff game, for the round robin winner must be beaten twice before being eliminate from the race.

## RELATIVE OF MRS. JOHN ROGERS PASSES AWAY AT CLOVIS

Mr. and Mrs. John Rogers were in Clovis, N. M. Sunday for funeral services at 2:30 p. m. for her cousin, Mrs. Fay Baumgartner, 63, who died on Friday, Feb. 10 in Clovis Memorial Hospital.

Mrs. Baumgartner was the daughter of pioneer settlers, Charely M. and Florence Clark of Clovis and the Pleasant Hill community.

Her father preceded in death May 6, 1966.

Mrs. Baumgartner served a number of years as County Clerk of Curry County in Clovis, then continued to serve as an employee in this office, with a total of 27 years of service there.

A large crowd of relatives and friends attended the funeral service at the Central Christian Church where she had been a faithful member for a number of years.

Clergymen officiating were Rev. Stanley Letcher, Jr. and Rev. Billy Parvin. Pallbearers were Clarence Smith, Grady Tucker, Howard Martin, R. L. McGee, Bill Thomas, Nelson Worley. Honorary pallbearers were close friends of the family. Harlan DeLozier, a former schoolmate, sang one of her favorite songs, "How Great Thou Art," and "Ivory Palaces" and "Somewhere."

Survivors include her mother, Florence Clark of Clovis; a son, Leon Baumgartner of Seattle, Wash.; a daughter, Mrs. Kathryn Norton of Palm Dale, Calif.; two brothers, Maurice Clark of Clovis and Alvis Clark of Pleasant Hill community; two sisters, Mrs. Marie Gattis and Mrs. Lynna Goodman of Clovis; and three grandchildren.

Burial was in Lawn Haven Memorial Gardens and arrangements were by Chapel of Memories Mortuary.

## Seven Titles In Succession For the Quitaque Panthers

Quitaque's Panthers won top honors in the District 10-B basketball tournament last weekend at Flomot by nosing out the Turkey Turks, 70-59 in the championship finals.

The Panthers gained the finals by winning 116 - 61 over Lakeview Friday night. In other Friday night action, Turkey won over the Flomot Longhorns to advance to the finals against Quitaque.

Saturday night's win marked the seventh straight year that Quitaque has won the district 10-B title.

The Turks, who had been beaten badly on two other occasions in the round robin part of the schedule, came to play Saturday night and they were ahead of the Panthers at the end of the first period, 21-19, but the Panthers came on to lead 44-33 at halftime and 57-51 at the end of the third quarter. The winners were unable, however, to build a comfortable margin over the Turks.

Flomot took third place in the tournament with an 82-63 win over Lakeview in a game that featured a scoring duel between Flomot's George Calvert

and Kirby Hatley of Lakeview. Hatley scored 38 points in the game and Calvert hit 36.

Both of those two fine players along with Turkey's Harvey Case and Quitaque's Bobby Cochran and Monte Stephens were selected on the All-District team.

The Panthers went through another season without losing a district game, the fifth season to do so. Last year the Panthers were upset by the Turks toward the end of the regular season and that is the only district game Quitaque has lost since Tuesday, January 24, 1966. Tuesday night the Panthers drove to Dimmitt and played a couple of warmup games with that school and lost both of them. The B team lost the first game 53-58 after trailing by 18 points in the first half and came roaring back in the second half and almost pulling the game out of the fire against their taller opponents.

The Panthers lost the second game of the evening 66-77 to a very fine Class-AA team.

The Bobcats jumped on the Panthers at the starting buzzer and ran up a 21-11 lead at

the end of the first quarter, a lead the visitors could never overcome. The Panthers were unable to score a field goal until the game was almost 6 minutes old. The Panthers battled the Bobcats on even terms during the second quarter, in fact pulling within five points of Dimmitt at one point mainly on the hustle and scoring efforts of Bobby Cochran, who was hitting well. The Panthers, however, trailed 46-34 at halftime.

The third period was a real poor one for the Panthers and Dimmitt threatened to rout the visitors. With the score at 54-42, the Bobcats rocked Quitaque with nine straight points to lead 65-42. The visitors dropped in four points to trail 46-65 at the end of the third quarter. The Panthers outscored Dimmitt 22-12 in the fourth quarter but the game was already out of reach for Quitaque.

Although the Bobcats are the best team the Panthers have played this year, the Quitaque boys were most unimpressive for the most part, committing far too many turnovers of the ball to the other team. Passing

was sloppy, the ball was stolen away on a number of occasions, but most of all the lack of teamwork was most noticeable.

In the meantime the Bobcats were giving the Panthers a good demonstration on the value of a pass over a dribble, and the value of teamwork over individual effort. The Panthers just weren't as sharp as a team as they were before Christmas.

Tonight (Thursday) they are in Silverton playing another warmup game, this one against the team that will represent Plainview High next year.

The Panthers will play a bi-district game next Monday or Tuesday night against an opponent not yet known. That district is holding its district tournament this weekend. Samnorwood won the round robin schedule, and because of that, must be given the edge to win the tournament. However, Hedley and Quail have both won over Samnorwood this season and must not be counted out of the running.

Winners of the bi-district game will advance to the regional tournament, which will be held at Canyon next weekend.

## PHIL BAREFIELD LISTED ON DEAN'S HONOR ROLL AT WBC

PLAINVIEW, (Spl.)—Phil Barefield, son of Mr. and Mrs. James Barefield of Quitaque, a junior, was among students listed on the Wayland College Dean's Honor Roll for the fall semester.

To make the honor roll, a student must have a grade point average of 3.50 or more out of a possible 4.0 points for the semester.

Class representation on the honor roll was 12 freshmen, 11 seniors, nine sophomores and seven juniors.

## PLAINS BAPTIST ASSEMBLY TO GET NEW AUDITORIUM

Plans are completed for construction of a new auditorium at Plains Baptist Assembly. This camp is located ten miles south of Floydada and serves 180 Southern Baptist Churches and missions in the Lubbock and Caprock-Plains Areas. Resident membership in these churches total over 60,000.

The new structure will seat 1,000 people. Special features include a kitchenette, rest rooms, small meeting rooms and year-round heating and cooling. The materials will be pre-fabricated steel and brick. It is estimated to cost \$60,000.00.

The new facility will make provision for year-round usage. The summer camping program attracts about 6,000 per season. In addition to this, conferences, seminars, church groups, area meetings, and many state denominational meetings will be held here.

The churches of both areas have set aside February 26th as Plains Baptist Assembly Day. Each church shall conduct its own fund raising program. Special offerings will be taken in most churches, while some will include an amount from the regular budget.

Mr. E. D. Morgan, Camp Manager, said the facility will be ready for the camp season this summer. The Men's Brotherhood Meeting on June 26th is the first scheduled activity for the summer session.

## SMALL BUSINESS DEVELOPMENT CENTER IN SECOND YEAR

The Aspermont Small Development Center is in its second year of operation for the purposes of counseling and providing financial assistance to existing businesses and prospective new businesses.

There has been a number of changes recently made in the Economic Opportunity Loan program and wishes to encourage those previously interviewed and any one else interested in knowing of this program to contact their office.

The Aspermont S.B.D.C. also encourages each community to contact them in regards to

any matters such as industry, schools for small businessmen, recreation facilities, water projects, community development loans, rural financial corporations, speaking engagements, and any other projects that might be needed in your community.

A total of 47 loans in the amount of \$429,700.00 have received approval and 8 loans totaling \$78,000.00 are now pending in the Small Business Administration office, Lubbock.

## CONGRESSMAN BOB PRICE TO SPEAK AT AMARILLO

AMARILLO — Congressman Bob Price will be the guest of honor at a barbecue in Amarillo on February 25th.

Price, serving his first term as congressman from the 18th district, will make his first speech in the district since the start of the 90th Congress.

The dinner will be held at the Commercial Exhibits Building at the Tri-State Fair Grounds beginning at 7:00 p. m. on the 25th.

Tickets priced at \$3.00 per person may be purchased by writing P. O. Box 988 in Amarillo.

Price was elected to Congress last November, defeating Amarillo attorney Dee Miller. He succeeded Walter Rogers, 8th term congressman who withdrew from the race following the primary.

Price is a rancher whose home is at Pampa.

## PANHANDLE GETS MORE MULE DEER

MARFA — Trapping crews in the Trans-Pecos are attempting to capture enough desert mule deer to finish the stocking program in the Texas Panhandle started four years ago.

In 1962, three Panhandle release sites were chosen by the Texas Parks and Wildlife Department on the merits of topography and range conditions suitable for mule deer.

One area is north of Miami on the Canadian River in Roberts and Ochiltree Counties and the other two are in the lower reaches of the Palo Duro Canyon in Briscoe, Motley and Floyd Counties.

The 1967 transplants will bulwark the growing number of mule deer already thriving in the Texas Panhandle.

## A CLEAN BREAK WITH THE PAST

"It meets with total-family approval," is what the Jack Rogers family of Abilene say.

Mr. and Mrs. Rogers, Jim and Jenny live in over 1500 square feet of total electric GOLD MEDALLION comfort, and they like it all. "We like electric baseboard heating because it's quiet," Mrs. Rogers says. "It's controlled heat from room to room. We like to turn off the heat in the bedrooms at night."

The cooling, lighting and extra outlets add conveniences, too. "And we like electric water heating because we're never out of hot water," Mrs. Rogers says. "My electric range is easy to clean, and it doesn't black-up my pans."

Operating cost is only \$21.53 per month average—thanks to WTU's low 10¢ winter heating rate.

## BAPTIST W. M. S. NOTES —

The ladies of the W.M.S. of First Baptist Church met for a Royal Service program Tuesday morning with 12 present and the pastor, Rev. Bill Curry visiting.

The group opened the program by singing "My Country 'Tis of Thee," followed by the call to prayer, led by Mrs. A. C. Barrett. Mrs. Leon McCracken read the minutes of the last meeting. Following a short business discussion, the program chairman, Mr. A. E. Gragson, presented the opening devotion. Mrs. Leon McCracken had the first part on the program, entitled, "Signs of the Times." Mrs. Gragson's part was next

and it was "Historical Concern for Evangelism." Mrs. Jim Stroup presented "Simultaneous Crusades," and "Personal Involvement in Evangelism." Bro. Bill brought several thoughts for us to contemplate on "Challenges of Our Day," things all around us about which we should be concerned, and people for whom we should pray.

We feel the ladies of our church who are not attending W.M.S. are missing a blessing and we urge you to make a special effort to be there each Tuesday morning.

## YOUNG THAILAND NATIVE VISITS FRIENDS HERE

Vince Srichamara, a native

of Thailand who has been here in the U. S. the past two years attending school, has been visiting at the home of Mr. and Mrs. Walter Taylor.

The young man has met a number of people while visiting here and he dropped by the Tribune office the other day and said that he would like to express his appreciation for all the many kindnesses extended him while here.

His mother has passed away recently in Thailand and he is leaving on Friday of this week to return to his home.

Vince said that he would like very much to hear from friends here and they can write to him at this address:

Mr. Pairojana V. Srichamara 1F/2, Sukhothai Road, Lane 3 Dusit District, Bangkok, Thailand

## ROY DAVIDSON FAMILY WRITES FROM AFRICA

Mr. and Mrs. Leon McCracken received a recent letter from the Roy Davidson family in Africa. They want to share it with other friends. The letter is as follows:

Dear Friends, It was so grand to receive your letter recently. Letters from home are so important to us on the mission field. Believe me, we never miss a day going to the post office.

So much is happening I hardly know where to start. The second week in December, Roy, Gay and Patsy went to Salisbury for our annual physical. Salisbury is a beautiful city, and it was elaborately decorated for Christmas. We especially enjoyed visiting the five and ten cent store, the big department stores, copper factories, museums, and eating at a Chinese restaurant and a steak house. We felt like backwoods country folks who come into town once a year.

The Bud Bickers (seven of them) spent the week with us after we returned from Salisbury. The Bickers have recovered from a lengthy illness from hepatitis and were in Blantyre purchasing material to renovate a house in Salima. They helped us decorate our house for Christmas, and we enjoyed their visit so very much.

This was our first Christmas in Africa. While you were singing "I'm Dreaming of A White Christmas," and Sleigh Bells Ring," we were eating watermelon and swimming in the lake trying to escape the terrible heat. We found a lovely tall pine tree at the forestry de-

partment and enjoyed placing the ornaments on it. After the tree was up and we put our Christmas records on to play it began to seem a little like Christmas. How we enjoyed the Christmas cards and letters which came from home.

Guy left for the Rift Valley Academy in Kenya on Tuesday, Jan. 3. My, how we do miss him. It was a difficult assignment to send him so far away to school. Remember to pray for Guy while he is 1300 miles away from home. I know he would appreciate a letter from you. Here is his address: Guy Davidson, Rift Valley Academy, Kijabe, Kenya, Africa.

Last week we had a tea at our home with over 100 attending. It was a farewell to the Gene Kingsleys who are moving to Lilongwe and an introduction to us as we move to Limbe and assume responsibility of the Limbe Mission. The tea was quite a successful occasion with a number of government VIPs and Embassy people present as well as friends with whom we will be working.

Right now we are packing to move once again. Our new address is: Box 94, Baptist Mission, Limbe, Malawi, Africa.

The language is coming along nicely. We rather feel like a baby who is learning to speak for the first time, but we are able to hear more of the language as we move along. We felt quite a loss when our language instructor died of a heart attack. Pray that the Lord will provide someone else to help us in the language.

Sincerely,  
The Roy Davidsons

## HIGHWAY PATROL REPORT FOR JANUARY

The Texas Highway Patrol investigated five accidents on rural highways in Briscoe County during the month of January according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in two persons injured and an estimated

property damage of \$2,000.00.

April 15 is the deadline to have your motor vehicle inspected. During the past five and one-half months 230,000 or 33% of the approximately 700,000 registered vehicles in this region have been inspected. This leaves 470,000 vehicles to be inspected between now and the April 15 deadline. If this number of uninspected vehicles were divided equally among the 700 official inspection stations in this region, each would have approximately 672 vehicles to inspect in about 40 working days, or about 17 vehicles per day. The inspection stations in heavily populated areas will have more than this average to inspect. In areas where there are only a few inspection stations you may have many miles to travel to get your vehicle inspected.

The Sergeant urges motorists to have their vehicles inspected without delay to avoid the inconvenience of waiting lines.

Remember—no extension of the safety inspection deadline, April 15, 1967.

## Pressurized Shortcut To Baked Beans

Boston baked beans, a perennial cold weather and holiday favorite, often miss their rightful place on the menu simply because the prescribed preparation time, up to six hours, just won't fit into a busy homemaker's schedule.

A happy solution is the use of an aluminum pressure cooker, which makes cooking time a matter of minutes instead of hours, yet retains the zesty homemade flavor of this hearty, nourishing dish. Rugged aluminum pressure cookers or pressure saucepans conduct heat quickly and evenly to maintain the exact temperatures so important to controlled pressure cooking.

For everyday family meals or those big holiday dinners, this baked bean recipe will take pressure off the cook and put old-fashioned flavor back on the table.

## BOSTON BAKED BEANS

|                                     |                              |
|-------------------------------------|------------------------------|
| 2 cups (1 pound) dried<br>pea beans | 1 1/4 teaspoons salt         |
| 1/4 pound salt pork                 | 3/4 teaspoon dry mustard     |
| 4 tablespoons sugar                 | 3/2 cups water               |
| 4 tablespoons molasses              | 1 medium whole onion, peeled |

Wash beans and soak overnight in water to cover. Drain. Make cuts 1/2 inch apart down to rind of salt pork. Mix sugar, molasses, seasonings and water in 4 quart aluminum pressure cooker. Add beans, onion and salt pork. Cover. Cook at 15 pounds pressure for 45 minutes following manufacturer's directions for using pressure cooker. Makes about 5 cups baked beans.

## Walk and Be Healthy

## FOOT CARE FOR OLDER PERSONS

How important is foot care for the elderly? That's a question being asked with increasing frequency these days as the number of older persons approaches 25 million, or one in eight.

President Johnson took cognizance of the foot problems of older persons when he signed the Medicare Act into law in July 1965. Mr. Johnson, while outspokenly enthusiastic over Medicare benefits "as broad as modern medicine itself," suggested an amendment expanding coverage to include the services of podiatrists. This may be one of the first health bills to be acted on by the newly-convened 90th Congress.

Older persons, whose number has increased about eightfold since 1900, have a vital stake in podiatric care. Recent studies indicate that four out of five elderly persons suffer from some kind of foot disorder, and fully half of those afflicted are unable to remain on their feet for any appreciable period.

The incidence of foot problems among the elderly is reported to be three times as great as among the general population, and persons over 65 presently account for some 40 per cent of the patients of podiatrists.

The podiatry profession is engaged in an all-out struggle to keep older persons ambulatory as long as possible. Podiatrists have made this one of their primary objectives—because of its far-reaching economic ramifications and because it offers the elderly a physical and psychological advantage.

Care for the bedridden in-

dividual can cost more than four times as much as for a person still on his feet. Moreover, the inactive person is much more likely to require welfare assistance or become a burden on his children.

From a humanitarian standpoint, the arguments are even more compelling. The elderly person, deprived of the use of his lower extremities, often deteriorates both mentally and physically.

Loss of mobility can cause loss of appetite, then sleeplessness, since there is now no physical exhaustion from which he must recover. A continued decline in physical well-being frequently brings on mental depression—and before long the situation can become hopeless.

Good foot care and what it can mean to the elderly person were summed up by a White House Conference on Aging in these words:

"To neglect or mistreat the feet of the aged can result in serious setbacks. Hospital and nursing home staffs have found that prophylactic foot care for the aged helps to contribute to the well-being of the whole person. The geriatric patient, once moving about with pain-free feet, is more easily motivated toward total rehabilitation."

Health needs of the elderly population were largely responsible for the last Congress gaining a reputation as the most health-oriented in American history.

Washington observers expect the new Congress to take further steps to raise health standards and expand the supply of health manpower.

### CLARENDON COLLEGE SCHOLARSHIP AND LOAN FUND

In addition to state and federal assistance, students at Clarendon College have access to private funds drawn from the college Scholarship and Loan account. This is a relatively new and rapidly expanding service

which Clarendon College is able to offer because of the generosity of various individuals, business, firms and civic organizations. These are people who are interested in furthering the educational opportunities of students who might be denied the advantage of a college education because of financial problems. Often these problems are temporary in nature. A loan to cover the cost of books, or a scholarship to help with tuition will enable the recipient to meet the initial enrollment cost at a crucial moment when he

might otherwise be forced to postpone or abandon plans for college.

Many contributors prefer to give assistance to designated students in whom they are particularly interested. Others contribute directly to the Scholarship and Loan fund.

Six students have received such assistance this year, either in the form of a gift or loan, the needs of each individual being determined by the office of the Dean.

Recent contributors include: WSCC of the Clarendon Methodist Church, Clarendon Jaycees and Jaycee-ettes, Methodist Student Fund, Mrs. C. S. Ballaw, Mrs. C. M. Lowry, Harry Cooper, and Mrs. Clarice Gillbam.

## HOMECOMING SET AT WAYLAND COLLEGE THIS WEEKEND

PLAINVIEW, (Spl.) A complete schedule of activities for Wayland Baptist College Homecoming, Feb. 17-18, has been announced by Lois Pogue, Student Government secretary of alumni affairs from Petersburg.

Though the annual event is planned to cover primarily two days, student activities begin four days earlier.

On Feb. 13, nominees for Homecoming Queen will be presented in the 10 a. m. chapel in Gates Hall Auditorium. Wilma Spencer, Rochelle, Ill., is directing plans for the presentation, when candidates will appear in party dresses and casual wear. Voting for the Queen will be in the first floor lobby of Gates Hall that day.

Wednesday morning of Homecoming week will be a preview of the weekend activities, says Miss Pogue. A special event of the program will be musical selections, including the theme song, "This Is My Country," by the International Choir.

Beginning the weekend round of events is the first production of the musical "She Loves Me" Thursday evening.

During Friday morning chapel the Former Student Association will crown the Coming Home

Queen. Beryl Godfrey, a 1924 graduate of Wayland, is speaker for the program. He is now a tax attorney in Fort Worth.

Coronation of the Homecoming Queen is scheduled for 6 p. m. Feb. 18 in Gates Hall Auditorium.

The annual banquet will immediately follow the coronation in Slaughter Memorial Center. "Born Free" is theme for the banquet. Special entertainment is being planned by Elayne Fofties, Lovington, N. M., and Travis Hart, Oklahoma City, co-chairmen for the banquet.

The second performance of "She Loves Me" begins after the banquet.

Saturday's activities will begin with the 10:30 parade in downtown Plainview. Floats will complement the theme "America In Review." Plans are being made by Bobby Stice, Lubbock, parade chairman.

At 12:30 p. m. the yearly barbeque luncheon is to be served in Slaughter Memorial Center.

The final showing of the Homecoming musical is planned for 2 p. m. At 4:30 the Wayland version of Sing-Out will be staged in Slaughter Memorial Center.

Concluding the two days of Homecoming activities will be doubleheader basketball games. The Flying Queens will play Howard County Junior College in a 7 p. m. tilt, followed by a match between the Pioneers and Tarleton State College. The Homecoming Queen and Coming Home Queen will be recognized between the games.

## You Can Believe It!

OVER 100 YEARS AGO A SCIENTIST NAMED CHARLES WHEATSTONE INVENTED A DEVICE FOR MEASURING DIFFERENCES IN RESISTANCE TO THE FLOW OF ELECTRICAL CURRENT. HIS DEVICE IS CALLED A "WHEATSTONE BRIDGE."

THE NEWEST USE OF WHEATSTONE'S BRIDGE IS IN A WATER SOFTENING APPLIANCE. ELECTRONIC SENSORS IN THE SOFTENER TANK DETECT THE NEED FOR SOFT WATER JUST AS A THERMOSTAT DETECTS THE NEED FOR HEAT.

THIS NEW SENSING DEVICE KEEPS FAMILIES FROM RUNNING OUT OF SOFT WATER—REGARDLESS OF THE FAMILY OR THE AMOUNT OF WATER USED.

THE SOFTENER RECHARGES ONLY WHEN NEEDED WHICH, ACCORDING TO THE CULLIGAN WATER INSTITUTE, SAVES AS MUCH AS 41% ON SALT. WHEN THE FAMILY TAKES A VACATION, THE SOFTENER TAKES ONE TOO.
