MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 23, 1968

NUMBER 40

The incompetence and unworthiness of the United Nations is being shown again in its shameful failure to do something about the tragedy of Biafra, the tiny tribal country which is being exterminated by Nigeria.

The situation there is rather simple. Nigeria is a country of hostile tribes which were kept under control while under British rule. But when the English left the strongest tribe took charge and gave way to its old time savage hatreds. After a while the Biafra tribe declared its independence and Nigeria has been engaged since in a campaign of extermination by military action and starvation.

The great tragedy is starvation. Daily death toll of mostly children is about 6000, as the "civilized world" stands back and watches a small nation being brutally wiped out.

One wonders, why something isn't being done about it? How about the UN and its old line about a small country's right to self determination? How about its humanitarian ideals of helping people in distress?

Well, it seems there are diplomatic problems. Russia doesn't want to displease Nigeria because it's on a deal to use a Nigerian port as a naval base. Britain does not want to jeopardize oil interests in Nigeria. US wants to stay neutral because it doesn't want to offend Russia or Britain. So, three nations which could help, along with all the UN, turn their backs while a helpless people is butchered and starved.

At the same time our State Department makes excuses for its failure to even send food to the besieged people. Says that it cannot get clearance to deliver the shipments. But France found a way. So did Sweden. Why couldn't we? It seems our humanitarian ideals can't cope with the pressures of international power politics.

Our State Department's miserable failure in this affair is another reason why we need to change administration in November.

Like chickens coming home to roost, the possibility of mass violence haunts the Democratic party as it makes ready for its national convention next week. The administration has been soft to demonstrators, civil disobedience cranks, and rioters for a number of years, but now, by an ironic twist of fate, it was chosen as a victim by the very people it has been pampering.

However, special precautions seem to be under way, assuring that the unwelcome activity will not become a serious problem. Reports tell that the convention hall will be guarded like a fortress. Thousands of police, National Guardsmen and federal agents will be there to keep control, and the convention area will be surrounded by a chain link fence topped by barbed wire.

People entering that area will have to be cleared at several carefully controlled checkpoints. The hall isn't likely to have serious trouble, but things could get ugly outside. Mass demonstrations may explode into mass violence. As an aide of Mayor Daley put it, "we're hoping for the best but preparing for the worst."

Among the unwelcome visitors expected are an antiwar mixture ranging from pacifists to communists, antidraft exhibitionists and racial groups. All have the common purpose of pressuring the convention into supporting programs favorable to them—more of the same technique used many times in recent years to influence legislation. Presumably all the demonstrations will be peaceful, but their spokesmen can be counted on to present the old familiar veiled threat. "These people will be most disappointed if they do not get what they want. The fault will be yours if they react violently."

The situation is a national disgrace and points up the urgent need for Democrats to go along with Republican and Wallace parties in adopting a strong law and order policy. As of now the planned demonstrations seem like a challenge to the delegates, one that has to be resisted if they expect any respect from voters.

Our guess is that Democrats will decide to crack down. Also that conditions will improve no matter who wins the election. In fact, the improvement is due to start before November. As campaign oratory keeps the issue warm, one can expect more caution from trouble makers and more remedial measures in law enforcement.

He decided Tuesday on the changes to be made in the former outpatient suite at the hospital where his office will be located until his permanent office is ready. He spent most of Wednesday and Thursday choosing equipment at Wichita Falls and Dallas.

After that he'll stay with the job of remodeling and installing, expecting to be in practice before September 15.

3 from Muenster Get Pilot License

Three Muenster men have received their private pilot's license recently from Gainesville Airport. Adam Wolf, newest pilot, was licensed Saturday. Ken Stormer received his license a week earlier finishing his training while he was on Army leave, and his father, Tim Stormer, earned his license about two months ago.

Working for a license are three other Muenster people who are flying enthusiasts, Miss Karen Coursey, Larry Yosten and W. J. Miller. They have just finished ground school.

Some people's finances are in such a mess you'd think they are getting advice from the government.

Schools Enroll 777, 28 Over Last Year

Enrollment figures at the two Muenster schools are setting a new record this year. The combined count of their registrations is 777, a gain of 28 over last year's total and a gain of 15 over the previous record set two years ago.

Students of Sacred Heart registered last Sunday following the regular services in Sacred Heart Church. Students of the public school registered Wednesday between 9 and 11 a.m. At both places the purpose of the early sign-up was to allow generous time for working out class schedules.

Next Monday is the first class day at both schools.

Drainage Problem At School Solved By Summer Work

Major changes have been made on the grounds of Muenster public school during the summer vacation, most of them intended to eliminate drainage problems which have been a source of trouble for a long time.

First change: the bus loop leading to the elementary wing has been eliminated and so has the water that used to come gushing down both sides of the loop. The area has been filled in and seeded. Grass is just getting started. The west part of the area has a new curb and sidewalk, where buses will load and unload in the future. And the former gravel street is paved.

Between the lunch room and the elementary building are two swings, renovated and set in concrete. The same area is the beginning of another drainage improvement job north of the main school building. It has been filled in generously and shaped like a waterway to carry drainage water off the northeast corner of the property. That area too is seeded and grass is getting started.

Possibly the most conspicuous improvement is the Hornet football field which had both poor drainage and poor grass. It was a muddy mess in wet weather. Work on it started before the last school year ended. Dirt was hauled in and shaped to a high center draining to both sides. Because of a wet winter grass planting was delayed, however because of a wet spring and summer plus a generous application of fertilizer growth was fine after the planting. The field has a dense turf of mixed bermuda and native grass, the field's best condition ever.

Other big improvements were made in the lunch room, which has a new steam table and disposal unit and a complete overhaul of the range making it like new. In addition other equipment has been renovated and the floor has a new paint job.

Bussees will run at their regular time and meals will be served. By that time additional enrollment is expected and the revised count of each school will be told.

A sharp increase of enrollment at Sacred Heart accounts for all the community's increase plus a loss at the public school. The parochial school total is 370, of which there are 276 in the grades and 94 in high school. Last year there were 243 elementary and 84 high school students for a total of 327.

While the parochial school gained 43 the public school lost 15. It has 407 with 246 in elementary and 161 in high school. Last year the starting figure was 422 — 277 in the grades and 145 in high school.

Combined counts of departments in the two schools show the community has 522 students in the grades and 255 in high school.

Enrollments are listed as follows.

Grade 1	52	20
Grade 2	42	26

Football Teams Begin Practice

The Hornets

The biggest squad in the history of the Muenster Hornets reported to Coaches Glenn Richardson and Dan Hamric as the 68 football season opened Monday. There were 38 boys including a fine array of experience and tonnage in 27 lettermen from last year's A and B teams. Fourteen of those were on the A string and 13 on the B string. Only three of last year's team were lost through graduation.

In addition to the former A lettermen the team has some special talent from last year's Bees. Clifford Sicking, Alcuin Schilling and Dale Cash are a capable trio who were ineligible as regulars last year. And Sammy Sparkman is back after missing a year on doctor's orders.

The stout lineup ranks the Hornets as strong contenders for this year's 9-B district title. Coach Richardson said district talk is favoring his boys and also marking them as the team to beat — and that he and the fellows will be trying to live up to the rating.

However he is taking nothing for granted. He has lots of respect for the other contenders, especially Saint Jo, Windthorst and Era.

The Hornets are starting their practice with a rugged schedule. They are working about a three hour session nights and splitting up for two one hour sessions before sun-up. That routine will continue through the early part of next week, then the boys will taper off for their first scrimmage — with Chico, here Aug. 30, 8 p.m. Another scrimmage is set for a week later, at Alvord.

In keeping with Interscholastic League regulations players are working in shorts, avoiding contact. Next week they start the rugged practice in full uniform.

Members of the squad are: Seniors. A lettermen — Mike Cason, Don Hartman, Ken Swirczynski, Mike Hennigan, Robin Wimmer, Mark Hellman; B lettermen — Dale Cash, Clifford Sicking, Alcuin Schilling; Sammy Sparkman.

Juniors. A lettermen — Bobby Bruns, David Stormer, John

The Tigers

Twenty one eager Sacred Heart Tigers reported to Coach Joe Felderhoff Monday night for the first practice session of the football season.

They are working nights, from 7 to 9:30 or 10 during their first week wearing shorts and concentrating on conditioning and drilling. Next week, after school starts, they expect to have short afternoon practice and to continue the night work. At that time also they'll get their pads and start contact playing.

The Tiger roster, though short, is headed by thirteen lettermen, nine of them being seniors and juniors. They are Seniors Lee Roy Hess, Danny Schmitt, Kenny Schmitt, Glenn Schoech and Jim Dangelmayr; Juniors Paul Bayer, Jerry Schmitt and Kenny Stoffels; Sophomores Billy Bayer, Tim Bindel, Fred Mosman and Kevin Swirczynski. Other squad members are Senior Steve Fette; Sophomores Tommy Felderhoff, Allan Hess, Henry Knabe and Gene Voth; Freshmen Ronnie Hess and James Schmitt.

The Tiger schedule opens on Sept. 14 with Saint Jo's Panthers as the opponent. The former first name on the list, Fort Worth Christian, has been scratched. By an oversight the schedule had eleven games and Coach Felderhoff decided to drop the first one.

The full schedule: Sept. 14, Saint Jo, here Sept. 20, Alvord, here Sept. 27, Windthorst, here Oct. 5, Ft. Worth Day School, here Oct. 11, Anna, there Oct. 18, Collinsville, there Oct. 26, Notre Dame, there Nov. 1, Dallas Christian, there Nov. 9, Haltom City B, here Nov. 16, Greenhill, here

Freshmen. Henry Knabe, Kevin Sicking, Jerry Eckart, Danny Fette, Claude Klement, Chuck Fisher, Ricky Swirczynski.

The schedule: Sept. 13, Fannindel, here Sept. 20, Pleasant Grove, there Sept. 27, Open

Dr. Allen Schmitt Returns to Saint Jo

Dr. Allen D. Schmitt has returned to Saint Jo succeeding Dr. Purcell as the head physician and surgeon of Head of Elm Clinic. Purcell resigned recently to accept an offer in Wisconsin.

Dr. Schmitt, a doctor of osteopathy practiced in Saint Jo from 1945 to 1955. He expects to start his new work about September 1. His wife, formerly a teacher at Saint Jo, will be his office assistant.

Council Revives Midnight Curfew

A curfew ordinance which has been on the city books since 1960 was revised this week in a regular meeting of the Muenster city council. It provides that persons under 21 shall be off the streets and public places by midnight all nights except Saturday when the curfew is extended to 1:30 a.m. Sunday.

The council's action was taken in response to numerous complaints about disturbances in the early hours. Mayor Earl Fisher said that youngsters, some of them apparently in early teens or pre-teens, have been seen wandering late at night, but the most frequent complaints concern those who are speeding around town in cars. Hereafter local officers are expected to give tickets to youngsters who are found in circulation after the curfew deadline. Violation of the curfew is a misdemeanor subject to a fine of not less than \$20.70 and not more than \$50.00.

The mayor added, however, that the council asked for discretion in enforcement of the curfew. For instance, persons who have a reasonable explanation for being late and are on their way home. However, sufficient reason for being late

does not allow one to spend additional time at loitering or wandering.

Being late because of a dance will not be regarded as sufficient reason, the council decided. Those concerned are expected to leave soon enough so they can be off the streets by midnight. Another suggestion is that sponsors should start dances earlier and stop them earlier. Or book the dances for Saturdays when the curfew extends an hour and a half longer.

Late shows likewise are insufficient reasons for violating the curfew. Youngsters are expected to leave early enough to avoid driving in town after midnight.

Brother Charles McGannon left here Wednesday after a vacation visit with his parents, the Edd McGannons. He came from and returned to Long Beach, Calif., where he teaches. While he was at home his sister Kathleen and brother Eddie of Denton joined him for visiting. The McGannons' other daughter Mary, Mrs. Gordon Lins and family, have recently been transferred from Kansas City to Columbus, Ohio.

Seven Countries On Mrs. Seyler's European Tour

Mrs. Ben Seyler and daughter, Sister Mary John, back from a European tour that covered seven foreign countries during a three-week flying trip, have memories of never-to-be-forgotten experiences and sight-seeing.

They were with a group of 33 headed by Father Paul Hoedebeck of Subiaco, Ark., formerly of Munster, as chaplain.

The beginning of the trip was different than planned. They were to join the group in New York when they left July 17 but missed their plane in Dallas and didn't catch up with their party until Bonn, Germany. They were always a flight behind them — crossing the Atlantic, through England and Belgium. However, the tour's sight-seeing in those countries had been scheduled for the final days of the trip so they didn't miss anything except travel with the 31 others in the group.

Their trip took them through Germany, Austria, Italy, France, Switzerland, England and Belgium.

Among highlights were a general audience with the Holy Father, Pope Paul, at his summer home, Castle Gondo; a tour of the Vatican, basilicas and famous churches in Rome; cathedrals in Florence and Assisi, in Ulm, Germany and Paris, France.

Also rest and relaxation in Switzerland at a Lake Geneva resort, a cruise up the Rhine River, and gondola rides in Venice. Each country had its own special appeal and sight-seeing.

Extra highlights for Father Paul included saying Mass for his group in Rome in St. Peter's and also in St. Paul's Church over the tomb of the

saint's relics.

Interesting sidelights for Mrs. Seyler and Sister John were included in their hurried travels to catch up with their party. In a six-compartment train car going to Bonn they became acquainted with a German woman and Mrs. Seyler's knowledge of German permitted conversation. The woman was from Munster, Germany, had never heard of Munster, U.S.A. She got the story from Mrs. Seyler.

Sister Mary John returned to Munster with her mother and spent three days before going to Lake Arthur, La., where she is assigned as a teacher again this term.

Al Wiesmans See 12 Countries on Foreign Travels

Mr. and Mrs. Al Wiesman brought many fond memories back with them from their European travels covering sight-seeing in 12 countries and visits with relatives in Austria and Germany. They were away two and a half months, traveling leisurely by ocean liner and after 28 days with a conducted tour more leisurely travel on their own

and in company of their cousins.

There are many highlights to remember — from the sublime when they received the Holy Father's blessing in St. Peter's square to the tragic when they crossed the Iron Curtain and saw life in East Berlin. There was no language barrier there since Mr. Wiesman's knowledge of German was sufficient. It served him in good stead also in Austria and Switzerland.

After crossing the Atlantic they saw London, then joined a conducted tour of Holland, Belgium, Germany, Austria, Italy, Monaco, Litchenstein, Switzerland and France.

In Rome they attended Mass in St. Peter's and were among a huge crowd receiving Pope Paul's blessing in St. Peter's Square. They visited most of the places of interest in Germany, cruised on the Rhine, included the Isle of Capri, the French Riviera, Monte Carlo, Venice, Lucerne, Geneva and Zurich. Vienna, Paris and other beautiful and historic cities.

After leaving Paris they traveled in their own to visit Lourdes, France, Lisbon, Portugal and Barcelona, Spain. Then returned to Austria and Germany.

In Tosters, near Feldkirch, Austria, they were guests of Mr. and Mrs. Hans Schoech and other relatives, in Ibar Oberstein they were guests of the Karl Hahn family and in Bork, Germany they visited the Wiesman cousins and attended an old world golden wedding anniversary celebration honoring Mr. and Mrs. Heinrich Henke, cousins of Mr. Wiesman.

They also visited the old Wiesman homeplace where Al's father was born. The old homestead is still there, occupied now by cousins.

When the tour took them to the Iron Wall they were checked before crossing and their guide was not permitted to travel with them. They were given instead a guide from East Berlin and the double-deck bus took them only to places they were permitted to see like a modern new hotel, clothing stores, a park honoring fallen heroes and a day nursery. The nursery, it was explained, was free of charge for working mothers. There were many East Berliners standing at the Wall looking over. West Berlin is a thriving modern city.

After flying from New York to Dallas on return they were met at Love Field by their daughter and family, the Edward Guthries who took them to Fort Worth for an overnight visit and inspection of their new home.

BIRTHS

Mr. and Mrs. Donny Trubench have announced the birth of their son at Muenster Hospital, Wednesday, Aug. 14, 7:17 a.m. He's a 7 pound 7 and a half ounce brother for Donna, Karl and Steve. The grandparents are Messrs. and Mmes. Martin Trubench and Herman. Dangelmayr. Counting another great-grandchild are Mrs. Joe Schmitz of Lindsay, Mr. and Mrs. Tony Trubench Sr. and Mrs. Joe Walterscheid.

Members of the Frank Yosten family have received word of a new addition to the family — a fourth generation. Sp. 5 and Mrs. Pryor Day of Fort Dix, N. J., have announced the birth of John Nicholas, weight six pounds four ounces, Wednesday Aug. 14. He's their first child and the first grandson for Mr. and Mrs. Nick Mayer of Chicago, formerly of Muenster. Mrs. Mayer is the former Josephine Yosten. She has gone to Fort Dix to get acquainted with the new-comer.

Proudly announcing a daughter are Mr. and Mrs. Bill Terry of Gainesville and welcoming a baby sister are Tim and Tye. The six pound ten ounce girl arrived at 6:25 p.m. Sunday, August 19. Happy over another grandchild are Mr. and Mrs. Tony Wiesman of Gainesville who have five granddaughters and five grandsons now. Also welcoming a granddaughter is Mrs. W. M. Terry of Valley View. Mrs. Bob Yosten of Muenster is great-grandma again.

Reunion Honors Tony Klements on 25th Anniversary

The silver wedding anniversary of Mr. and Mrs. Anthony Klement was celebrated Monday at their home with a barbecue chicken supper on the lawn and some 40 family members there to help them celebrate.

Mrs. Klement is the former Isabel Schmitz of Lindsay. Sis and Tony were married there 25 years ago on Aug. 19 while he was on leave from Coast Guard duty and honeymooned to Bucksport, S.C., where he was stationed. Their attendants, his sister Anna Marie, now Mrs. Alfred Bayer, and her brother Harold Schmitz of Lindsay, were at the party.

The silverweds are parents of 15 children, 14 of them living, including two sets of twins. Ten are at home. Four of the children are married and there are four grandchildren.

The honor couple received a shower of gifts in keeping with the anniversary and special gifts from their children — a new wedding band for him and a blender for her. A daughter, Mrs. Paul Dangelmayr, baked and decorated a handsome anniversary cake.

During the weekend Mr. and Mrs. Klement drove to Austin to visit a Coast Guard buddy, Woody Woodcock. They were accompanied by their son and daughter-in-law, the Robert F. Klements and went sight-seeing including the capitol.

Brother and Sister Birthday Honorees

A brother and sister who have birthdays in August — Tommy and Janice Dangelmayr — celebrated together Thursday at a party given by their parents, Mr. and Mrs. Billy Joe Dangelmayr, at the family home.

Tommy was four Aug. 17 and Janice was five on Aug. 7. Gifts, games, decorated cakes, ice cream and punch, balloon favors and picture taking made it a gay afternoon for the youngsters.

Cousins, uncles, aunts and grandparents were guests.

Over 200 Attend Swirczynski and Yosten Gathering

Two sisters and a brother whose combined ages total 262 years are together here and Sunday over 200 relatives joined them in a reunion of the Swirczynski-Yosten relationship.

Honored was Sister Angeline Swirczynski, 92, who enjoyed her first air travel from Grand Island, Neb., to meet the other two remaining members of her family, Mrs. Bob Yosten 84, and Joe Swirczynski, 86.

The reunion was held in the VFW Hall with noon dinner and an evening meal provided by those who attended.

Special guests were Sister Helen, daughter of the Joe Swirczynskis, who had just returned to Muenster for the school term; Sister Monica Swirczynski, daughter of the Herman Swirczynskis, a visitor from Jonesboro, Ark., her brother, Brother Gerald Swirczynski of Oklahoma City, Sister Janice Yosten of Jonesboro, daughter of the Larry Yostens, Msgr. Edwin A. Hemmen of Searcy, Ark., a longtime friend of the Swirczynski family, and Muenster's pastors, Fathers Placidus, Andrew and Benedict.

Sister Janice is on vacation with her family. As Novice Janice she received her black veil on August 15 at Holy Angels Convent in Jonesboro and became Sister Janice. Her parents and sister Vivian attended the ceremonies and she returned home with them.

Sister Angeline, elated over her first jet flight, will fly back to Grand Island after a visit with relatives.

Four Share Honors At Birthday Party

The four children of Mr. and Mrs. Melton Vrla of Dallas whose birthdays are in August celebrated together Sunday while the family visited her sister and family, the Paul Sicking.

The little Vrlas honored were Sonja for her ninth, Butch for eighth, Cory for seventh and Nikki for fourth.

Miss Kathleen Sicking was hostess entertaining for her cousins. Assisting were her sisters Debbie and Paula.

Gathered at the Sicking home for the occasion were all the cousins and some aunts and uncles and the grandmother, Mrs. Hilda Reiter. The Vrlas showed pictures they took earlier this summer when they were on vacation and Mrs. Vrla was in a bowling tournament. Kathleen went along on that trip to baby sit.

The Vrla children remained to spend this week in Muenster.

CYC Hears Reports

Catholic Youth Council members at their August meeting heard interesting reports on proceedings of the Christian Youth Work Shop held at Lake Murray Lodge July 29-Aug. 1. Misses Joan Fetsch and Lynn Reiter who attended gave accounts of the programs, meetings and social events they took part in. Fifteen members were at the meeting for which Miss Cynthia Bindel, president, presided.

Miss Evie Dowdy has moved to Saint Jo. The cottage she formerly occupied has been rented by two men who are members of the road construction crew.

Miss Swirczynski
and Donnelly
Say Vows at Mass

Miss Mary Louise Swirczynski and Joseph Patrick Donnelly exchanged wedding vows in a double ring service Saturday in Holy Trinity Church in Dallas. The Rt. Rev. Msgr. Edwin A. Hemmen, Searcy, Ark., long-time friend of the bride's family, performed the ceremony and celebrated the nuptial Mass at 4 p.m.

Parents of the couple are Mr. and Mrs. Herman Swirczynski of Muenster and Mr. and Mrs. Joe Donnelly of Kansas City, Missouri.

The bride, given in marriage by her father, wore a gown of white satin with accents of lace embroidered in seed pearls. Her train, bordered with lace, was attached at the waist. Her veil was fingertip length and she carried a bouquet of long-stemmed white roses.

Bride's attendants were her sister, Mrs. Loffie Smith of Carrollton, mother of honor, Miss Judy Sicking of Fort Worth and Mrs. Mary Hernandez, bridesmaids. John Junge was best man. Mike and Paul Donnelly, brothers of the groom, were groomsmen. John Swirczynski of Dallas and Virgil Swirczynski of Muenster, brothers of the bride, ushered.

The wedding reception was held at The Heritage House. After their honeymoon the couple will be at home in Dallas where he is employed with General Electric, Lamp Division. He was graduated from high school and college in Kansas City. The bride is a graduate of Muenster High School and is employed with Frontier Airlines. She has been a stewardess the past three and half years.

Among wedding guests were Messrs. and Mmes. Herman Swirczynski, Ray, Richard and Bernard Swirczynski, Charles Bayer, Al Yosten, Joe and Ed Knauf, all of Muenster, and Mrs. Alex Knauf and son Jerry of Colorado Springs, Colo.

David and Debbie Stockman left Aug. 11 by train to return to their home in Kansas City, Kansas, after vacationing with their grandmother, Mrs. R. M. Zipper. David spent two months and Debbie spent one month.

Good News about

WRINKLES

By Marie Davant

NEW YORK — Chemical science has found a white substance that works wonders on dry-skin wrinkles.

In only a few days, those wrinkles begin to vanish. Soon, the crow's-feet and many small wrinkles around the eyes and mouth have already disappeared.

But that is not all. Use it one day, and it is entirely possible you will see improvement in the weathered surface of your skin. Gradually, dullness and muddiness lighten and more youthful clarity returns. Even "old-age" (weathered) brown spots on hands and arms steadily fade away.

Rich bills lubricate pores so blackheads can slip out without squeezing. Surface pimples dry up or become less noticeable.

But don't take my word for it, make a 10-day test without risking a penny. Just get a jar of Peacock's Imperial Creme at your department or drug store. Use this thrilling cream for 10 days — satisfaction guaranteed or return unused portion to retailer for full refund. No questions asked.

Peacock's Imperial Creme can work wonders for dry-skin wrinkles, crow's-feet, brown spots and other weathered blemishes. You may obtain Imperial Creme for \$2.00 at:

forcement. Actually, the change is already under way. Prompt and positive police ac-

tion brought some recent flare-ups under control in record time.

The new attitude applies to more than riots. Across the nation authorities are responding to public indignation against the leniency which criminals have enjoyed. They are coming around to a realization that the public's rights were being violated while the criminals' rights were getting too much attention. Finally, handcuffs are being taken off the law and put on the hoodlums.

Likewise authorities are coming around to a realization that society should not be blamed for crimes and criminals, that criminals are not just sick people needing help and understanding. We're getting back to the old time idea that everybody is responsible for what he does. No
