TIGER-PIRATE TITLE GAME FRIDAY

Just Between Us

by ABS

We hope the Cub Moms will accept our apology for being so absent-minded.

Dutifully carrying our camera along to the junior high Cub football banquet last Thursday night, we thought everything was in order to snap a picture of some portion of the program.

But, alas, as we loaded the film to record the festivities, the winding spool was missing. It was too late to do anything about the situation.

The decorations deserved a picture for posterity, as did the fine program. Both showed a lot of hard work, both on the part of the mothers and the participants.

We did hang onto a menu, which included:

Quarterback beef, clobbered spuds, centered sauce, A-string beans, captain's salad, blocking rolls, touchdown pie with extra point topping and concession stand drinks.

The mail recently brought us an interesting letter from Johnny Anders, sailor son of Mr. and Mrs. John E. Anders of McLean.

Johnny had just returned from 4½ months in the western Pacific, and he wanted the "town folks to know what I've been doing."

He was greeted with the news of a forthcoming promotion during a four-day stay in Pearl Harbor. Effective Nov. 16, Johnny will be rated machinist mate third class, and he is scheduled to enter refrigeration and air-conditioning school in February, 1962.

For the past 16 months, the McLean youth has served aboard the USS Sirius.

"I have been with this ship for the past 16 months and made two trips to the Far East, and I have really enjoyed both," he wrote. "I plan on being in McLean . . . the 22nd of November.

"While overseas this last time," his letter continued, "we made a tour of Kobe, Japan, the world's most exported port. Also we stayed for two weeks in Hong Kong, the Pearl of the Orient."

The Sirius' job is to "feed the fleet, and indeed that is what we did," he added.

James (Butch) Carter, son of Mr. and Mrs. Wheeler Carter, had a premonition during a recent visit here about the next parachute jump he made.

He went ahead and did his duty, however, and now has a broken arm to show for it.

Butch suffered a foot injury several months ago in a jump, and at the time it appeared he would be grounded. But the foot seemed stronger and he returned to the chore of the airborne.

Since then he had made several jumps—in the states and abroad. His latest—in Kentucky—probably was his last.

Heavy equipment Butch carried caused his regular chute to malfunction as it opened. So he used the reserve parachute, and when he hit the ground the big machine gun strapped to his back splintered his arm.

Bailey Has Surgery

George Bailey, a former resident of McLean, underwent eye surgery last week in Massachusets, where he now lives.

Bailey was reported recuperating nicely this week, but he invited friends in this area to write him or send cards. His address is 22 Epson, Agawam, Mass.

Public Is Invited

Bonfire, Crowning Of Queen Tonight

Linda Burnett will be crowned flame queen of McLean High School at a bonfire scheduled for 6:30 p. m. today west of Duncan Field.

The public has been invited to attend the bonfire, to build spirit on the eve of the Tigers' football game Friday night with the Lefors Pirates.

Miss Burnett, a McLean High junior, is the daughter of Mr. and Mrs. Lloyd Burnett.

She was selected flame queen by the students on the basis of school spirit and as the pep club member who does the most work for the football team.

IN COPENHAGEN: Billy Whyatt, a member of the Texas group traveling around the world recently, stands by the famous statue of the mermaid in Copenhagen. Thousands of persons make it a point each year to see this well-known statue of the mermaid. It was one of the sights visited by Mrs. Alice Short Smith on her trip around the world.

Tilt Will Decide District Winner

Whether McLean's Tigers or the Lefors Pirates will represent District 2-A in the state playoffs is to be decided here Friday night when the two teams battle it out for the conference championship.

Duncan Field, site of the contest, is expected to be filled to capacity for the kickoff at 7:30 p. m.

Both McLean and Lefors will enter the game with perfect district scores. Coach Derral Davis' Tigers handled Clarendon without too much difficulty last Friday night, 26-6, while the Pirates, coached by Dunny Goode, were shocking the Memphis Cyclone 13-0.

Thus the stage was set for the title bout.

The small but speedy Pirates are noted for their rugged brand of football. They hit hard and fast.

The Tigers, boasting a big, hard-charging line and backfield, have rolled up an impressive record this season in living up to advanced billing as favorites for the District 2-A championship.

To Meet Gruver

In district competition, the Bengals ripped Canadian 35-6, then squeaked past Memphis 13-12. They have one loss, falling to White Deer early in the season.

The winner of Friday's game will face the Gruver Greyhounds in the bi-district tussle as the playoffs get underway.

McLean found the Clarendon Bronchos a stubborn eleven in the early stages of last Friday's game in Clarendon, but gradually gained momentum to overwhelm the hosts.

Halfback Dickie Crockett rang up the Tigers' first score at the midway point of the opening quarter when he raced 21 yards to paydirt.

Kenny Kicks True

Quarterback Kenny Willingham added the point-after with an accurate kick.

A fumbled Broncho punt set Clarendon up for its only touchdown in the game in the second period.

The Broncs fumbled then recovered a fumble on McLean's 25 and fought stubbornly downfield, with Back John Cearley carrying the final four yards.

A pass try for the extra points failed, and McLean led 7-6 with 5:49 left in the half.

McLean went immediately for its second TD of the evening after the Clarendon kickoff, starting from the Tiger 33.

Around Left Side

Halfback Jim Watson picked up six, but a penalty on the next play moved the ball back to the 34. Willingham then saw an opening and tore around the left side to

District Governor Of Lions Clubs Is Luncheon Speaker

Bill Didlake, Lions district governor from Borger, was guest speaker Tuesday at the regular noon luncheon of the McLean Lions Club.

Didlake spoke to the local organization of the possibility of sending a representative to the Lions International convention next year in Nice, France.

He encouraged the club to make every effort to have one delegate at the convention to help "create more understanding" between the United States and the rest of the world.

The district governor reported that a 20-day charter trip has been arranged for Lions from District 2T-1 attending the convention. This will include an European tour following the convention.

$850 Per Person

Didlake said the cost of the tour will be $850 per person, with transportation from Amarillo and back included, along with meals and lodging during all but three of the 20 days.

The price does not include expenses at the convention.

Ralph Andis of Amarillo was a guest of Odell Mantooth at the luncheon, held in the Methodist Church basement.

The next regular Lions Club luncheon will be at 12:05 Tuesday, Nov. 21. However, members failing to attend the past Tuesday's meeting may make up the absence by attending the regular board of directors breakfast at 6:30 a. m. next Tuesday at the McLean Cafe.

Lions Officers At Clarendon Meeting

Three members of the McLean Lions Club attended a zone Lions meeting Sunday afternoon in Clarendon.

Representing the local club were President Jimmie Don Morris, Vice President Cliff Day and Secretary-Treasurer Jack Shelton.

The zone meetings are held periodically to keep local Lions Club leaders informed on matters pertaining to the international civic organization.

Club representatives voted to hold the next zone meeting at 3 p. m. Sunday, March 4, in Amarillo. The North Amarillo Club will be host.

25 From City Attend Pampa TSTA Session

Twenty-five persons from McLean attended the Gray-Roberts unit meeting of the Texas State Teachers Association Monday night in Pampa.

Mrs. Jack Riley of McLean, unit president, presided at the dinner session, which kicked off National Education Week, Nov. 6-11.

Table decorations carried out the Education Week theme.

Guest speaker of the evening was George Graham, executive assistant to the president of Hardin-Simmons University and a well-known Texas educator.

A total of 365 persons from Gray and Roberts Counties were present for the meeting, the first unit session of the present school term.

SCOUTS WILL GET BADGES

Several McLean youths will receive Boy Scout badges tonight when Troop 25 holds a court of honor in the American Legion Hall.

The court is set for 7:30 p. m., and the public is invited, according to Scoutmaster Roy Hess. Hess said parents of the youths are especially invited to attend.

Five boys will be awarded their tenderfoot badges, identifying them as beginning scouts, and six are to be advanced from tenderfoot to second class.

The new tenderfoots are Hickman Brown III, Quinn Easley, Clifford McPherson, Joel McCarty and Brad Parker.

Committeemen Due

Advancing to second class will be Arthur Dwyer, Randy Hess, Drew Fuller, Douglas Ellison, Bryan Parker and Lonnie Easley.

All scout committee members are expected to attend. They include Sammy Haynes, chairman, Tom Trostle, R. C. Parker and James Ellison.

Institutional representative for the troop, sponsored by the McLean Lions Club, is Harvey Taylor.

Assistant scoutmaster is Don Blair.

The troop is a unit of the Santa Fe District, Adobe Walls Council.

Yule Packages Due For Overseas Mailing

Postmaster Bill Reeves reminded area residents this week that Christmas packages bound by surface means for members of the armed forces overseas should be mailed between Nov. 1 and Nov. 20.

This is to assure delivery by Christmas Day.

All APO and FPO parcels mailed after Nov. 20 should be sent by air mail if they are to be delivered by Christmas Day, the postmaster said.

Packages going overseas should be packed in sturdy containers, securely wrapped and legibly addressed.

There are some items which are prohibited from mailing overseas, and Reeves advised residents to check with the Post Office before preparing their packages.

Teen-Town Friday

Teen-Town will be open following the McLean-Lefors football game Friday night in the American Legion Hall.

In the Hands of the Russians

My Trip Around the World

By ALICE SHORT SMITH

We flew non-stop from Copenhagen to Moscow and from the time we got off the plane we were completely, totally and unequivocally in the hands of the Russians for six days—except at times we didn't seem to be in anybody's hands, just hemmed in.

We were sent to Hotel Ukrane, which was a real experience.

It is larger than anything in the U. S., except the Conrad Hilton in Chicago. It is a new hotel and almost first class. From the exterior it looked like a huge cathedral.

At the busy time of day you can easily see 15 or 20 nationalities in the lobby. The acoustics were terrible, and the chatter, noise and bedlam would make Grand Central Station seem like a library.

In most large cities over the world in good hotels you can always find someone who can speak English. This is not true in Russia. No one has the slightest idea what you say or want, even if you want to buy something.

Moscow is 7,000,00 in population and there is estimated to be only 40 homes in the entire city; all the rest are apartments.

You see miles after miles of apartments with hundreds of new ones being built. These all belong to the government or Communist Party and are rented to the individual for four per cent of his salary.

The streets are wide with relatively little traffic. Over 90 per cent of the vehicles on the street are trucks or buses, about seven per cent cabs and the rest, three per cent cars.

Moscow has a better subway system than New York, of which they are very proud. The vehicles have the right-of-way and they drive like mad so the pedestrian has to go in a high run to get across the street.

We did the usual sight-seeing things, including the tomb of Lenin and Stalin. We saw the University of Moscow, a 32-story structure having an enrolment of 20,000 students, and the cathedrals which contained the icons and sephlucres of Ruslan czars.

We visited the power transportation and agriculture divisions of their new technical center, which is an exhibition the size of our Dallas Fair.

It shows the progress made in all of the Red countries. They give a lonsided bunch of figures showing how their production has increased, percentagewise, over ours.

However, when you consider they were flat on the ground 40 years ago and hav gone though a major war since then, there is no question they have made great progress.

We enjoyed our visit to Leningrad much more than Moscow. There it is quite a different atmosphere. It is the cultural center of the country.

It was under seige 900 days during the war, but shows little visible sign of war damage. The Hermitage Building, where the tsarine used to entertain and show off her art treasures, is now a part of the finest museum in the world.

You see crowds of Russians sudying and enjoying these treasures. In the Leningrad Library they have 24 reading rooms and 13,000,000 books. Four thousand people go there each day.

The Russians seem to have a great desire to learn with a deep appreciation for art and music. We went to the summer palace of the czars, originally built by Peter the Great. The grounds are something to see, with phenominal parks and fountains.

Crowds of Russians were there with their families enjoying it. All of those wonderful and beautiful things that once were used only for the pleasures of the czars are now kept up and used for the people.

The Russian people are having the best life that they have ever had. They have more food, better education and a chance to enjoy clothing and an opportunity to the cultural things in life.

They have everything but free

Lack of Participation In Football Causes Concern, Riley Says

The increasing number of boys failing to participate in football here and elsewhere is a "problem that bothers me," Jack Riley, McLean Grade School principal, said Thursday night at the Cub football banquet.

Riley, principal speaker at the event sponsored by mothers of the Cub gridders, said the lack of interest in football shown by many youths is disturbing.

Various reasons are given by the boys and their parents, the principal said. Among these are that the sport is too dangerous, the youth needs to work in order to afford a car and more time is necessary for studying.

Riley pointed out that from Aug. 1 to Dec. 1, 1960, there were 2,772 boys killed in automobile accidents. This, he said, was 180 times more than the number who died as the result of football injuries.

Work During Summer

Boys can earn their spending money by working during the summer, and it isn't necessary for them to own a car, he added. "Why not let him use the family car?"

There are many reasons students fail—lack of interest, ability, time—the principal continued. To play football a boy must pass his school work.

He said the educational advantages in playing football and par-

Veterans Day to Be Observed Saturday

A quiet observance of Veterans Day is planned here Saturday, with all business establishments encouraged to display their United States Flag.

The Post Office and the American National Bank will be closed throughout the day, but business will continue as usual over the rest of the city.

Postmaster Bill Reeves said mail will be received and dispatched on the regular holiday schedule, but no window service is to be available Saturday.

FATHER OF CITIAN DIES

Funeral services for Guy H. Hixson, father of Mrs. Dick Whatley of McLean, were held Tuesday in the Headrick, Okla., First Methodist Church, with interment in an Altus, Okla., cemetery.

Mr. Hixson, 64, was killed Sunday when his car and another vehicle collided head-on west of Duke, Okla., on U. S. 62. His wife was injured and is being treated in an Altus hospital.

Mr. and Mrs. Hixson were en route to McLean at the time of the accident.

Grandson Hurt

They were coming here to be with their grandson, John Whatley, who suffered a broken leg in an accident at McLean Grade School last Friday.

Young Whatley, 6-year-old son of Mr. and Mrs. Dick Whatley, was injured while playing.

He was admitted to Shamrock General Hospital following the accident and will be in traction for some four weeks while the leg is mending.

John is a first grader in the McLean Grade School.

Temperature Dips To 23-Degree Low

McLean had its first hard freeze of the season last Friday, with the temperature plunging to a low of 23 degrees.

The moisture total for November remains at .76 inch, with all of this falling on the first day of the month.

The yearly total this morning was 22.81, compared with 30.82 inches at this same date in 1960.

Saunders Sells Bulls

George F. Saunders of McLean recently sold two Aberdeen-Angus bulls to Howard Sutton of Mayfield, Okla., and a registered Angus bull to L. R. Day of Shamrock.

SURVEY OF STOCK SET

Rural mail carriers in McLean and throughout Texas will leave livestock survey cards along their routes, beginning Nov. 16, Postmaster Bill Reeves announced this week.

Reeves said information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms.

Rural Carrier Jim Hathaway will distribute the cards at random in mail boxes along his route.

"This means that not every box will get a card," Reeves explained. "For this reason it's important for everyone who gets a card to return it filled out so that the United States Department of Agriculture can get a true sample of the state's livestock holdings."

Facts and figures secured in the survey are the basis for the Texas and national pig crop report and inventories of livestock and poultry on farms as of the first of the year.

Stockmen and many others use this information in making business decisions.

The annual survey has been a joint undertaking of the Post Office and Department of Agriculture since 1924, the postmaster said.

CHRISTMAS SURPRISES FROM PHONELAND

It's not too early to start thinking about your Christmas shopping list. If you have as much trouble as I do in selecting just the right thing for those especially close to you, why don't you visit or call our Christmas Phoneland in the telephone business office? You'll find a host of exciting, new and colorful telephone services that are sure to surprise and please.

Here are some suggestions: A colorful extension phone for Mother in the bedroom, kitchen or sewing room . . . or in the den or workshop for Dad. You can be sure a phone for the teenagers will be well received. Chhose from a table model, a wall phone, or the lovely little Princess phone with the light-up dial.

For family, we offer Home Interphone. It lets you talk from room to room, answer the door, and take outside calls without racing through the house—a real stepsaver for everyone. Or maybe you want the pleasant musical tone of the Bell chime.

To announce your surprise be sure to ask for the free bantam Princess phone to place under the tree. It makes a wonderful child's toy, too.

Why not visit or call our Christmas Phoneland in the business office and order the telephone gifts you want this week?

"HOLD THE PHONE"

Did you know color telephones are designed to give you a place to leave the receiver when you're called away from the phone in the midst of an unfinished conversation?

If you have a handsome wall phone you may have noticed it has a ridge on the top at each side. If you are called away, just hang the received over this ridge. This offers two advantages: it gives you a handy place to hold the phone, and it keeps the spring cord from stretching out of shape and becoming unsightly in your home.

If you have a table model, place the receiver across the front of the instrument just above the dial, so that it rests on the recessed shoulders of the phone base. No need to worry about it falling off—these phones are designed to give you this extra convenience.

YOUR TELEPHONE BUILDING

The telephone building here was designed for your town. We think it is beautiful, well constructed and something to be proud of. I am sure the people in McLean take pride in having a telephone building in the town like ours. But how many of you have seen the inside of this building? If you have not been inside, you will be surprised at how neat and clean this building really is and you will even have a greater pride than before. We want to invite you to see the telephone building. The men and women at the telephone office will be glad to show it to you. I know when you have visitors from out of town, you take pride in pointing out to them the telephone building, but why don't you stop and bring them inside and let us show you and your visitors the inside of the building. We will be glad to see you.

Call by number. It's twice as fast.

Down Memory Lane

10 Years Ago

Halloween ushered in the first freeze of the fall season Wednesday night and early this morning. And the freeze was accompanied early this morning by a light snow.

No official temperatures are recorded here, but it was believed the thermometer dropped to about 28 degrees.

—o—

A birthday party was held Friday in the City Park, honoring Margie Ruth Railsback.

After games were played the group went to the home of Grandma Harlan, where they were served drinks and angel food cake.

The following were present: Janice Page, Johnny Glass, Sue Adams, Mary Ann Carter, Donna Sue Graham, Pamela Mann, Betty Ruth Dilbeck, Christa Carol Rodgers and Jan Bailey.

Those sending gifts were Karen Day, Mrs. C. P. Callahan, Mrs. Mary Harlan, Mrs. S. C. Railsback and Mrs. Maggie Hatfield.

20 Years Ago

Little Miss Glenda Switzer celebrated her fourth birthday last Thursday afternoon with a party at her home.

The Halloween motif was carried out in the favors, and cake and cocoa were served.

Children present were Don Pendergrass, Wayne Woods, Molly and Pauline Erwin, Ellen Reeves, Billy Burghart, Ricky Mantooth, Bobby Decker and Nedra Jean Graham.

—o—

The McLean Tigers lost for the first time this season to the Lefors Pirates last Friday evening with a score of 9 to 6.

The game was played on a wet field and in fog that handicapped the speedy Tiger backs, but it was a good game from the fans' viewpoint and a large crowd was present.

—o—

Members of the Friendship class of the Baptist Sunday School were entertained Tuesday evening with a Halloween party at the home of Dr. and Mrs. H. W. Finley.

Attending were Rev. and Mrs. C. O. Huber, Mr. and Mrs. Howard Williams, Mr. and Mrs. C. P. Callahan, Mrs. Myrle Archer, Mr. and Mrs. Bryan Burrows, Mr. and Mrs. Perry Roby, Mrs. R. T. Dickinson, Mr. and Mrs. J. S. McLaughlin, Mrs. Norman Johnston, Mrs. Vernon Johnston, Mrs. Oba Kunkel, Mr. and Mrs. Frank Reeves, Murray Boston and Dr. and Mrs. Finley.

40 Years Ago

On Thursday evening of last week at the S. R. Jones home occurred the marriage of Mr. Barney Fulbright and Miss Nora McClellan, Rev. Jones officiating.

The groom is a son of Mrs. M. M. Newman, and the bride is the daughter of Mr. and Mrs. J. C. McClellan of the Peterson Creek community. Both have lived near McLean for a number of years and are well known to many of our citizens who wish them success.

—o—

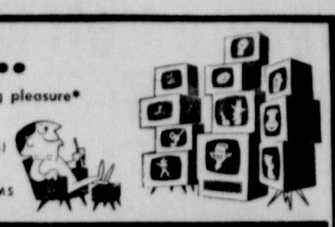

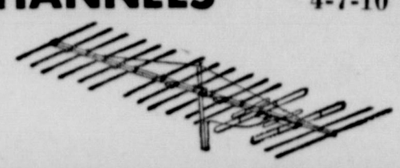

Many and mischievious were the pranks played by the spooks on Halloween night, and the business part of town looked like something dreadful had struck it Tuesday morning.

Boxes, barrels, wagons, farm implements and various other things were put where they ordinarily are not, signs were taken down and placed on buildings where they did not belong or in other unusual or misleading places. Numerous outhouses were turned over, and others were moved, presumably to places where the ghosts thought they would be more convenient.

So far as we have learned, no damage was done to anything, but considerable inconvenience was caused to those whose property was disturbed, and whose task it was to restore things to an orderly arrangement next morning.

Mr. and Mrs. Perry Roby went to Lubbock last Thursday to visit their daughter and her family, the Leroy Morrisons. They returned Sunday via Plainview, where they ate dinner with an aunt, Mrs. Mary Smith.

100 YEARS AGO

WINFIELD SCOTT RETIRES, IS REPLACED BY GEN. McCLELLAN

By LON K. SAVAGE

The command of the United States army shifted from senile, old Gen. Winfield Scott to young energetic Gen. George B. McClellan 100 years ago this week.

It was Nov. 1, a big day for Scott because it meant his retirement; a big day for McClellan because he now was top man in the Union military hierarchy, and a big day for President Lincoln because he had arranged the change.

Just the day before, Scott had written a formal letter complaining of dropsy and vertigo and asking immediate retirement after 53 years in service. From there, things moved fast.

At 10 o'clock next morning, Lincoln held a special cabinet meeting to consider the request. All agreed Scott's usefulness was at an end: Scott was 75 years old; he could no longer even mount a horse.

At 4 p. m., the cabinet met again at the White House and paid a visit to Scott. The old general was resting in his drawing room, wearing his full uniform. Everyone sat down.

Lincoln Heads Order

Lincoln arose, pulled a paper from the depths of his stovepipe hat and read the order of Scott's retirement. Scott, assisted by an aide, struggled to his feet, thanked the President, then, overcome with emotion, sat down again. Each cabinet member came to him and shook his hand.

That night, Lincoln went to McClellan and informed him of his promotion to general in chief. The 34-year-old commander, who had been arguing steadily with Scott in recent months, sighed with relief.

"I feel as if several tons were taken from my shoulders," he told Lincoln. "I am now in contact with you."

Before daylight next morning, in a heavy rain, old Gen. Scott was hustled into a carriage and driven to the station, where he boarded the New York train. Unable to return to his native Virginia, he planned a trip abroad. A farewell party saw him off, and in the midst of it, McClellan galloped up with his staff to bid his predecessor good-by.

Later that day, McClellan issued an order assuming command of the army.

Lee's New Job

That was not the only change of personnel in the Civil War that week. On the day Scott asked to retire, Confederate Gen. Robert E. Lee, wearing a newly grown gray beard, re-entered Richmond after an unccessful three-months campaign in western Virginia.

Within the week, he was off to a new assignment, to take command of the defenses of South Carolina.

In northern Virginia that week, Confederate Gen. Stonewall Jackson received orders to move to Winchester to take command of the Shenandoah Valley District. There, he would climb to even greater fame.

At St. Louis, Gen. John C. Fremont, the great "Pathfinder" and first Republican nominee for President, was dismissed as Union commander in Missouri.

The messenger who delivered the dismissal, had been instructed by Lincoln not to deliver it if, upon arrival at Fremont's camp, "he shall then have in personal command, fought and won a battle." It was a condition Fremont had not met.

GRAY BEGINS WHEAT SIGNUP

The Gray County Agricultural Stabilization and Conservation Service office in Pampa is now ready to begin signing up farmers in the 1962 wheat stabilization program, Miss Evelyn Mason, office manager, announced this week.

She pointed out that it is necessary for farmers to "sign an intention to participate in the program," even though the 10 per cent reduction has already been removed from the wheat allotments.

"In any case, please be sure to sign an 'intention to participate' in the program by not later than Dec. 1" Miss Mason added.

"In order to receive your payment and in order to obtain price support on your wheat, the intention form must be signed."

Await Appeal Word

She advised persons with appeals pending to wait until they hear from the appeal to sign up for the program.

Farmers also may sign up for the barley program anytime between now and Dec. 1. Growers may receive payment for diverting between 20 and 40 per cent of their barley base.

Final 1961 feed grain program payments are now being made, and Miss Mason advised eligible farmers who have not received their checks to go by the Pampa office and sign their applications.

One new member has been added to the County ASCS committee for next year. He is Floyd McLaughlin, who is to replace W. E. Jarvis.

The county committee for the next year will be Paul R. Bowers, chairman; McLaughlin, vice chairman, and Leamon Andrews, member.

Local Church Buys Kellerville Building

The McAlan Pentecostal Holiness Church of McLean has purchased the Kellerville Baptist Church building, it has been announced here.

Church leaders said the building will be moved to McLean as soon as a suitable location is found. The present church property will be sold.

The Kellerville Baptist Church was disbanded several weeks ago.

Personals

Mr. and Mrs. Bob Massey are on vacation this week and visiting with relatives in Texas.

Mr. and Mrs. James Monahan of Hyannia, Neb., visited with [illegible] and Mrs. Faris Hess and family over the weekend.

Mr. and Mrs. R. G. Florey visited with Mr. and Mrs. Jack Waiston of Menard last week.

Some things never change: that's the trouble.—Journal, Moro, Ore.

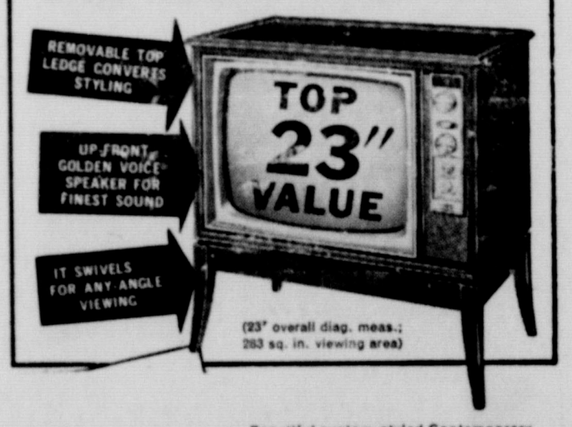

From South African Safety News: "Much friction on the highways is caused by half the drivers trying to go fast enough to thrill their girl frineds, and the other half trying to go slow enough to pacify their wives."

ALANREED SCHOOL NEWS

First and Second Grade News
By MRS. HAUCK

We had a Halloween party Tuesday afternoon, Oct. 31, at 2:30.

We made jack-o-lantern faces out of small paper sacks. We played a few games. Refreshments were served by Mrs. Pansy Bryant.

We have started to work on our part in the Thanksgiving program.

Since this is National Education Week, we welcome you to visit our room any time.

We made our November calendar and a few Thanksgiving pictures this week.

Third and Fourth Grade News
By MRS. JERRY D. SUMRALL

We have been practicing telling time in the third and fourth grades. Some already know how to tell time, but there are some who still are somewhat confused. Everyone seems to enjoy telling time and I'm sure in a short while everyone will be better at telling time.

We have sarted work on our Thanksgiving program. Our Thanksgiving program will be given on Tuesday, Nov. 21. We will be dismissed for the Thanksgiving holidays at 4 p. m. on Wednesday, Nov. 22.

The monitors for this next week are Ricky Evans and Floyd Woodrome Jr.

Those making perfect scores in spelling this week are Leann McCracken, Stephanie Smith, Ricky Evans and Mona Woodrome.

Stephanie Smith was a close runnerup for Halloween carnival queen. Stephanies was escorted by Ray Cox.

Fifth and Sixth Grade News
By MRS. DURHAM

We are putting up decorations for November.

Much interest has been shown in drawing and coloring wild animals of Texas.

The fifth grade students are improving in oral reading but still need to improve on langauge and spelling.

The fifth through eighth grades plan to do a Negro minstrel as their part of the Thanksgiving holiday program.

The sixth grade is studying the many peoples and their customs that go to make up the USSR, in order to get a better understanding of that giant country.

Music Notes
By MRS. DURHAM

The first, second, third and fourth grades will furnish the music for the Thanksgiving program.

The upper grades showed much improvement in sightreading in the test given them Friday.

We have 12 new long-playing records of light classical music of which we are very proud. This makes a good start since we had none at the beginning of the school term.

Seventh and Eighth Grade News
By J. D. SUMRALL

Gloria Allen was crowned by Alvin Johnson as queen of the 1961-62 Halloween Harvest Carnival on the night of Oct. 28.

Gloria and Alvin are both eighth graders. Jeannie Harrison and Gary Phillips were candidates representing the sevnths grad.

We are now working on our part for the Thanksgiving program to be given on Nov. 21.

SPORTS
By SMITH

Both the Alanreed boys and girls took the back seat to the Groom basketball squads. Our girls were defeated by a thin score of 18 to 21. The boys lost by 13 points, the score being 31 to 18.

Boys standing	2 wins, 6 losses

FOOTBALL

(Continued from Page 1)

ticipating in other sports is far more than owning a car.

Football, Riley said, "teaches you to play the game of life. It teaches the democratic principal of equality and unity . . . builds bodies and self confidence . . . teaches loyalty and mental toughness."

Taught to Win or Lose

Why the emphasis on winning? Riley explained that if a boy is not taught to win he is taught to lose.

Cub Coach R. L. Cline greeted members of the junior high squad, their fathers and other guests. The invocation was by Supt. Lee Welch, and the welcome to dads by Gary Fry.

J. B. Waldrop gave the dads' response. George Green said the team's appreciation to the referees, followed by the response from J. B. Roach.

Members of the Cub squad were introduced in a skit featuring Barbara McCurley, Sharon Goldston and Sue Beck.

Coach Cline was presented a gift by H. L. Waldrop, representing the Cubs.

Civil Defense Is P-TA Meeting Topic

Gray County Agent Foster Whaley and Jack Williams, with the U. S. Department of Agriculture in Pampa, discussed civil defense Tuesday afternoon at the regular McLean P-TA meeting.

Also during the session, Roy Watson, safety engineer with El Paso Natural Gas Co., showed films on mouth-to-mouth artificial respiration.

A question and answer period closed the meeting.

GAME

(Continued from Page 1)

Clarendon's 39.

Crockett on two tries got to the 33, and Willingham passed to Watson for the remaining yardage to the end zone.

Just 3:19 was left in the half as Willingham's PAT kick try failed.

Clarendon mustered another threat as the second half opened, driving down to McLean's 18 before stalling.

Crockett pushed out to the 19 and Clyde Windom, playing in his new role of fullback, bulled his way to the 24. Crockett picked up a first down on McLean's 38, and the Tigers were on their way.

Go for Third

Sparked by Windom's run from the McLean 49 to the Bronco 27, the Tigers moved into position for their third tally.

Watson got it this time, running wide to the right. A pass try for the extra points failed, leaving McLean wih a 19-6 advantage with 3:11 remaining in the quarter.

The Bronchos started on their own 31 and worked rapidly toward the McLean goal early in the final period. But End Donnie Wods, who earlier in the evening had ended another threat by recovering a fumble, stopped this one, too, when he intercepted a pass on the Tiger 23.

The interception started McLean rolling again. Windom shoved his way to the 31 and Crockett got two more yards for a first and 10.

Watson zipped to the 42 and Windom got a first down on the 44.

Willingham passed to Woods, who crossed into Clarendon territory Crockett made it to the 29, and before being stopped on the 37, and Willingham went around the right side for the counter.

The big quarterback then booted the extra point to end the scoring.

Dwyer Is Attending OSU Grad School

STILLWATER, Okla.—(Special — Carl Arthur Dwyer, a student in the graduate school from McLean, is among 11,301 on-campus students enrolled at Oklahoma State University this fall.

The 11,301 total does not include 1,373 at OSU'S Okmulgee branch, 91 in its new Technical Institute branch in Oklahoma City, 702 enrolled in correspondence courses and some 609 taking extension courses across the state, a grand total of more than 14,000.

The on-campus figure includes 8,042 men and 3,259 women students. There are 2,989 freshmen, 2,447 sophomores, 2,218 juniors, 2,108 seniors, 1,411 graduate students and 128 special and unclassified students.

Jerry Biggers Weds Miss Barbara Welch

Miss Barbara Welch of Pampa and Jerry Biggers of McLean were married Saturday morning, Oct. 21, at the parsonage of the Baptist Church in Tulia.

Attendants were Miss Pamela Lemmons and Don McIntire.

The young couple will make their home in Pampa.

Mr. and Mrs. John Biggers of McLean are the groom's parents.

I do not know how happy they are. They are not allowed to fraternize with tourists coming in. The only person we could visit with was the guide furnished us, and she was well trained in party politics.

The hotels were crowded with tourists from Africa and Asia. Russia was doing a real selling job on those people from underprivileged cuntries.

Most of the people seem to have enough to eat and to wear, although both food and clothing are quite a ways from our standard.

The menu was the same in every eating place in Russia, and all of the food was paid for by coupons issued to us on arrival. That is, you received the coupons if you arrived by 7 p. m.; otherwise you did without food until 9 the next morning, when the office opened again.

We had the above experience, arriving too late for the coupons.

If we live each day as if it would be our last, someday we will be right. We should work as if we needed no help, and pray as if we were helpless.

Centennial Culture Club Luncheon Is Served Old Fashioned

Mrs. W. E. Bogan was hostess recently in her home to members of the Centennial Culture Club for their annual quilting for Girls Town, U. S. A.

At noon a "Pioneer Quilting Bee" meal was served.

The long dining table was laid in the old-fashioned way, with plates turned down, napkins fastened with clothes pins bearing the guest's name, spoons in holders, salt dips, tooth picks in a holder and an old butter dish held molded butter.

The table was loaded down with such foods as lye hominy, backbone and turnips, beans and hamhock, greens, baked sweet potatoes, fried chicken, mashed potato salad, pickled eggs, crackling cornbread, peach cobbler, ambrosia, celery in a stand.

A five-layer jelly cake on a stand centered the table. Buttermilk, tea and coffee completed the menu.

Many old-fashioned things on display brought back memories of Grandma's day.

Present were Mesdames Charles Carpenter, H. W. Finley, Byrd Guill, Tom Massay, Homer Abbott, Earl Stubblefield, Odell Mantooth, Bryan Burrows, Kid McCoy, Newt Barker, Fidelle Stubbs, Harry Harlan Sr., Cort Meyers, and one guest, Mrs. Mary Figley of St. Marys, Ohio.
