SCHLEICHER COUNTY LEADER

(U.S.P.S.) 342-470 Six Pages February 23, 1984 25 cents Eldorado, Tex.

City gas rates go down . . . Salaries up

Nine seats up for election

Area elections will be coming up for seats on the Hospital Board, City Council and School Board.

The School Board has three vacancies to be filled, those currently held by Richard Kent, Sonny Turner and Frankie Hardy's position that she resigned earlier in the year. So far four persons have filed for the seats they are: Joe Max Edmiston, Terry

Green, Phil Edmiston, Richard Kent and Bobby Helmers.

The City Council seats that will be up for election are those held by Edwin Jackson, Jr. and Bobbie Sanders. Both of the incumbents have re-filed for their seats. At press-time no others have filed.

Four seats will be open on the hospital board of the Schleicher

County Hospital District. The seats held by Curtis Andrews, Mike Moore, Sam Henderson, Jr. and E. C. "Pete" Peters will terminate this year. To date no one has filed for any of these positions.

The deadline for filing for the School Board, City Council and Hospital Board is March 7th.

Youth rodeo gaining momentum

Plans have been started for the 1984 Youth Rodeo to be sponsored jointly by the 4-H Club and the local Beta Sigma Phi Sorority. Rodeo dates have been set for May 11 and 12. Rodeo superintendent for this year will be Joe Max Edmiston. Johnny Mayo Jr. will serve as arena director and Sherry Lux will serve as rodeo coordinator. Other committee chairman include Johnny Griffin, roping committee; Bill Wells, bucking stock; Jimmy Martin and Sherry Johnson; racing events; Carolyn

Mayo and Kim-et Nelson, Program committee; Barbara Jackson and Mary Leigh Dunagan, Concession stand; Carolyn Whitten, tickets; Mary Leigh Dunagan, dance, Lori Logan, parade chairman.

Any person or firm wishing to donate a belt buckle or trophy is asked to contact Nelva Martin. The next meeting for discussion of the rodeo will be held April 30th and anyone interested in helping or contributing services is welcome to attend.

Beware of cheese peddler

Eldorado residents should be on the alert for a woman calling area citizens claiming to be from the First Baptist Church. The woman is attempting to sell boxes of cheese under the guise of being a representative of the church.

Officials of the First Baptist Church informed the Leader that this woman is not acting on behalf of the church and should anyone be contacted by such a call to please inform the Sheriff's Department.

4-H Banquet this Thursday

The Annual 4-H Awards Dinner will be held Thursday evening February 23 at 7:00 pm at the 4-H Barn. Mitzi Mittel, daughter of Mr. and Mrs. Ronnie Mittel and Kelly Griffin, son of Mr. and Mrs. Dan Griffin will be honored as this year's Gold Star winners.

Awards will be presented for the

Spring break

Eldorado school students will really enjoy the next week as the annual Spring Break will be in effect.

School will be dismissed from February 27th and classes will resume March 5th.

The break marks the change of sports seasons, from basketball to spring sports and having the break in February will not interfere with the upcoming sports meets.

Whatever the reason, all the students know is that "It's finally here!"

work done during the 1982-83 project year to outstanding members.

Each family is requested to bring either a side dish, salad or dessert. The meat will be provided.

The Leader will publish the names of the award recipients in next week's edition.

Effective March 1st city employees can look forward to a 25 cent per hour pay increase in wages. The raise was okayed by the City Council during their regular meeting Tuesday night February 14th.

The marathon meeting saw Charles Niblett and Richard Preston approach the council seeking their approval for restrictions for a proposed subdivision of a 5.33 acre tract in Block 62, Original Town. Mr. Preston presented the council with the restrictions and a rough draft of the proposed layout. The council approved the restrictions and the final plat will be presented at a later date for the council's approval.

The council regretfully accepted the resignation of A. E. (Gus) Willeke. Mr. Willeke has moved outside the city limits and therefore is unable to serve in the capacity of councilman. No one will be appointed to fill the position which will be up for election on April 7th.

City Fathers agreed not to charge for sewer and water to the Schleicher County Historical Society due to the fact that they do not use water regularly and they are also experiencing a shortage of funds.

It was decided by the council to prohibit wire from being discarded at the landfill. Signs will be erected at the landfill site to this effect.

Solicitors working in Eldorado will be pleased to know that the Peddler Permit Ordinance has been revised to lower the \$25.00 permit fee to \$5.00

per day for stationary setups. The amendment will be presented for official approval at the next meeting.

With the plans already submitted to the Health Department for approval, construction is scheduled to begin during the first part of May on the wastewater collection system and wastewater treatment plant. The Department of Water Resources has been contacted for a temporary bypass permit on the plant for discharge during the construction.

Secretary Mayo asked for the council's consideration on an earlier request for payroll and accounts payable software for the IBM computer system. The council approved the order of the payroll software now with the accounts payable to be ordered at a later date.

After reviewing the thirteen month gas figures, the council unanimously voted to lower the gas rate back to the normal \$4.50 mcf rate. This is the rate that was in force before the December-January cold spell.

The council voted to revise meter reader, Mr. Arispe's salary by letting him retain a \$1.00 per hour increase for meter reading rather than paying him on a 15 cent per meter basis.

The request for another portable 2-way radio was approved. The new unit cost \$399.95 and would be placed with city employees as it is needed.

The council motioned that the mayor execute an Election Order and an Election Notice for the upcoming council election April 7th.

Jim Hardy met with the council concerning the proposed site for a well in exchange for water rights and a road to the well site. After a discussion the council requested that Hardy check on the cost of installing the road and on the difference in the cost of a 4" and 6" water line. No further action was taken on the matter.

Superintendent Whitten was instructed to check on the cost for a contractor to move the dirt and rock that has recently been cleaned out of the drainage ditch in front of the hospital. He will report his findings to the council.

Secretary Mayo was instructed to get a cost for a meter check at the Cities Service meter loop. The meter check concerns the meter run from Page Field. This meter would be placed on the city's pipeline near the Cities Service purchase meter so that the quantity could be checked against the Cities Service meter which is registering 11 percent above the city's meter at the city gate. There was a discussion regarding a professional leak survey with the possibility to be explored further when the new water and gas lines are finished in the Christian Addition.

Other business taken care of during the meeting included the reading and approval of the previous meeting's minutes and the approval of bills for payment with the exception of one bill.

District Chanips

Coach Teresa Baker's eighth grade girls' basketball team captured the District Championship February 10th in Big Lake with a 22-20 come-from-behind victory over Wall. It was an especially sweet win for the Eldorado girls, since the Wall team had beaten them in the first round of the 1983 district tournament.

The Eagle team began the fourth quarter down by five points but managed to tie the score with less than two minutes on the clock. Then with only fourteen seconds left in the game, the winning basket was scored. Staci Helmers and Lupe Montalvo led the scoring with nine and eight

points. On their way to the championship, the Eldorado team demolished McCamey 37-18 on Thursday. Staci Helmers was high scorer with thirteen points, followed by Lupe Montalvo with ten and Amy Kotsch with eight.

The girls thus ended their season with a record of twelve wins and five losses. Team members included: Sue Dean, Wendi Dunagan, Marcia Gonzales, Sherry Field, Nita Hale, Staci Helmers, Stacy Lowe, Amy Kotsch, Lori Marlow, Lupe Montalvo, Vivian Sanchez, Amy Turner, Diana Vasquez and Jenny Lum.

Houston here we come!

"On The Road Again" should be the theme song for County Agent Jerry Swift and several Eldorado FFA and 4-H members. They will be traveling to Houston this week and next for the Houston Stock Show.

Showing their entries in the show this week are: Bill Cawley, Brangus heifer and Marty Wells, Angora goats. Exhibitors showing their entries from February 24th through March 2nd will be: Marty Wells, Kelly Leggett, Mitzi Mittel, Ron Mittel and Stephen Whitten, all showing steers. Gabe Schooley will be exhibiting lambs.

The Leader will have the show results in next week's edition.

SCS honors local citizens at banquet

The Eighth Annual Soil and Water Conservation Awards Program and Banquet was held last Thursday evening, February 16th at the Houston Harte Ballroom in the University Center at Angelo State University.

Eldorado's Mort Mertz received "Most Outstanding Rancher" award for the Eldorado Divide area. Kelly Griffin of Eldorado won 1st place in the Essay contest for the Eldorado Divide. Kelly's essay, which he read to the audience, stressed the importance of the meaning of soil and the care of it. Laura Johnson was the Eldorado Divide District poster winner. Elton McGinnes accepted the Special Award presented to Southwest Texas Electric Co-op for Outstanding Service to Southwest Texas.

The evening began at 6:30 p.m. with a Social Hour, a time for old friends to reminiscence and to meet

new members of the Soil and Water Conservation Service.

Voylee Butts, member of the Tom Green Soil and Water Conservation District gave the invocation. Dr. Robert E. Steger, Associate Professor of Animal Science at Angelo State presented the welcoming speech to the approximate 200 people. The program for the evening consisted of a slide program presented by Roddy Peeples, voice of the Southwest Agriculture. The interesting program contained slides of Mort Mertz and Eldorado's Southwest Texas Electric Co-op.

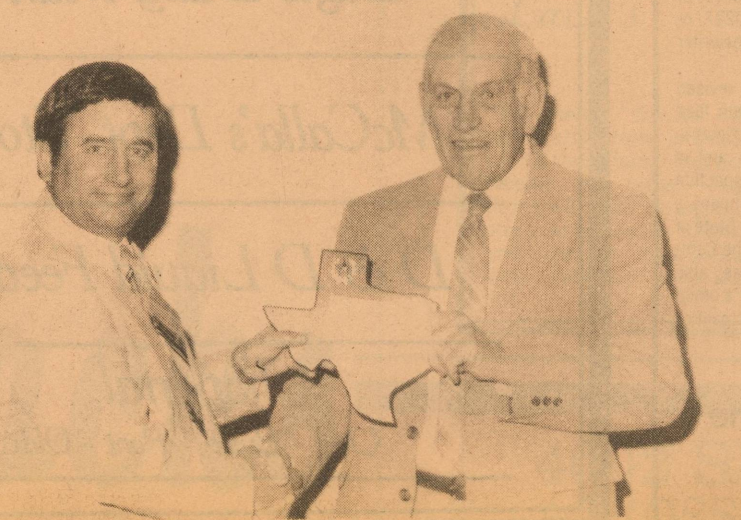

The eight districts: Concho, North Concho River, Coke County, Runnels, Middle Concho, Crockett, Eldorado Divide and Tom Green were all represented at the event with each district receiving some type of award for their achievements.

Report promptly to avoid penalties

When you receive Supplemental Security Income checks and you work, the money you earn will affect the amount of your check. Whether you work for another person or are self-employed, you are responsible for reporting your earnings to the Social Security Administration.

Even if no income taxes are deducted from your pay or a tax return is not filed, you must report this income. To avoid a penalty for late reporting, you must notify the Social Security Administration of your earnings by the tenth day after the close of the month in which you receive the

earnings. Prompt reporting will also help you avoid any overpayments on you SSI record. To make a report of earnings or any other change, contact the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-7426.

Blood mobile to visit Eldorado

February is the month for hearts, Cupid and love. Show your love and concern for your fellow man by donating blood.

The every urgent need for blood increases with advances in medical science. A donation of blood will result in successful transplants, the repair of damaged hearts, the treatment of leukemia and restoration of the burned and injured.

Your opportunity to help further health care for someone less fortunate will be Feb. 28 when the United Blood Services blood mobile visits Eldorado. The staff will be collecting blood at the Memorial Building between 2:00 - 6:00 pm.

Through the participation in the volunteer blood program, blood donors unselfishly share the blessings of good health. United Blood Services would like to present each donor who had reached the one gallon or multi-gallon

level a pin and a certificate as appreciation for the regularity of donating blood. Those from Eldorado eligible for pins are: Joy Henderson, Sylvia Belman, Wilbert Crippin, Donald Dannheim, William Edmis-

ton, Sherry Lux, Jim Martin, Ruby Morrison, John Pitts, Mike Porter, Kenneth Thomas, Guy Whitaker.

For your information, Eldorado residents donated 51 units of blood during

1983 to help replenish blood supplies for area hospital patients.

During this coming year our projected needs are increasing by 11 percent over last year and this means we must have the

support of every healthy individual to support the community blood center.

Please take this opportunity to save a life and to let United Blood Services recognize your achievement as a life saver!

I gotta . . .

By Dale Lipsett

Back in Miss Grundy's English class, there were some colloquial expressions which were not permitted. One such no-no was the phrase, "I gotta . . .". Miss Grundy said that using this expression merely indicated that whatever followed was going to be a poor excuse. Sometimes, she would ridicule our lapse from good grammar by saying, "You don't gotta do nothin' but die and pay taxes." After about a year of such corrections, I learned enough to avoid this horrible diction around Miss Grundy.

In later years after I was called to the ministry, I discovered that there are many Christians who never benefitted from a teacher like Miss Grundy. When it comes to reasons why people don't go to church, I hear a lot of I gotta's: "I gotta get to know my boy better." This translates into "We're going fishing at the lake." "I gotta rest on Sunday morning." Translated into the common speech this means, "I partied too much on Saturday night." then there's the rancher's lament, "I gotta feed the cattle." You didn't

know that cows will die if their feed is one hour late one day a week did you?

Jesus told about a king who had prepared a wedding feast and about the guests who sent him their regrets, all of which began with the words, "I gotta". We all know what happened to those guests and there's no reason to suppose that the same thing won't happen to us. Throughout the Bible, there are two kinds of people: those who said "here am I, send me", and those who said "I gotta" to God. Which kind of person are you?

We goofed!

The Leader apologizes for the errors in the story appearing in last week's edition concerning the scores and teams. The following is a correction of that story.

The seventh grade boys' basketball team won Con-

solation at the District Tournament held in Big Lake February 9 - 10. On Thursday they lost their first game to McCamey with a score of 33-21. On Friday they Beat Big Lake by a score of 23-22.

Women's Club takes vocal tour of countries

The Woman's Club met Feb. 14th at 7:30 p.m. in the auditorium of the Memorial Building for its program on International Affairs.

The meeting was called to order by the President Mrs. Stigler, and she welcomed the thirty-four guests and fifteen members.

A prayer was offered by Elton McGinnes and Mrs. Newport led the group in the pledge and salute to the flags.

To facilitate time, business was dispensed with and the chairman introduced the program leader, Mrs. Mittel. Mrs. Mittel commented on the interest the club has in International Affairs, and she introduced the first speaker, Clive Johnston. Clive, who recently moved to Eldorado to pastor the First Baptist Church, gave a few high-lights about his native land. One point of particular interest to West Texans, is the amount of rain fall in Ireland. Around 300 inches a year! He and Dale sang two Irish songs with Clive playing the guitar.

Dale Lipsett, who spent

over ten years in the Far East while in the service, spoke with knowledge and clarity about that area. Dale has studied that area as well as China and Russia for the past twenty-five years and said he has come to love the common people there. It is his observation that the people as a whole are peace-loving that it is their leaders who are belligerent and anxious for expansion.

Mrs. Mittel noted that Mr. and Mrs. Elton McGinnes had spent several weeks in China in 1982 and asked them to show some of their slides of that country. Their slides and their comments gave the audience a better understanding of the Chinese people. Those that the McGinnes came in contact with seemed well fed and happy, and not unfriendly.

To conclude the evening the hostesses, Mrs. Mittel, Mrs. Deal and Mrs. McGinnes, dressed in Kimonos from the orient, served refreshments consisting of egg rolls, dumplings, scones, rice cookies, fortune cookies, and green tea.

This program was planned to promote a better understanding of music, art and culture of our foreign neighbors and after listening to the speakers and the music, viewing the slides, and sampling the delicacies representative of foreign countries those present felt that the program did indeed fulfill its aim.

Notice of Rate Change Request

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas, effective March 28, 1984.

The proposed changes in rates will affect all the Company's 829,291 Texas customers who represent all customer classes, and are designed to increase the Company's gross intrastate revenues by \$84,777,000, or approximately 13.34 percent annually.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's office of each affected Municipality.

Vocational agricultural education and the FFA together make a great team in giving high school students experience in cooperative agri-projects with very special emphasis on community service, character development and scholarship. These learning tools will be put into practical use later on and provide benefits felt by all of us.

With pride in community and strength in achievement, the FFA is a national educational, non-profit, non-political organization of, by and for vocational agricultural students.

We salute our local chapter of the Future Farmers of America during National FFA Week, February 18-25.

Same song, second verse

The 1984 cotton crop could be headed for the "same song, second verse" scenario - overproduction followed by lower prices.

"Because the 1983 PIK program reduced supplies and thus caused some strengthening in prices, many farmers will be inclined to plant more cotton in 1984," believes Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System. "That will bring prices down again by harvest-time."

Anderson views the government's '84 cotton program as not sufficiently attractive to cotton producers to keep them from planting substantially more acres than in 1983. Such increased production in the U.S. COUPLED WITH AN EXPECTED INCREASE IN FOREIGN PRODUCTION WOULD CAUSE THE WORLD CROP TO EXCEED CONSUMPTION LEVELS. This would also put pressure on the export market for U.S. cotton.

"Because the '84 cotton program allows for a large

deficiency payment - the maximum is 26 cents a pound for eligible producers, many large-scale operators will probably reach the \$50,000 payment limitation," points out Anderson. "This drastically reduces the program's effectiveness to cut production."

With a base cotton acreage around 15.5 million with no paid diversion or other incentives to producers, Anderson speculates that planted acres will reach 12 to 13 million. This could mean a 13 to 14

million bale crop. The economist pegs domestic use and exports at 11.5 to 12 million bales, so an average production year in 1984 could add 1 to 2 million bales to an already adequate carryover from the '83 crop.

"All this points to a weak cotton market in the second half of 1984," says Anderson. "So growers may want to take a hard look at pricing part of their expected crop fairly early in the year."

Beta Sigma Phi meets

The local chapter of Beta Sigma Phi met for their annual salad/casserole supper on Monday, February 13, 1984, at the Memorial Building. A large group enjoyed a Valentine supper prepared by the Sorority members who each brought either a salad, casserole or dessert. The room was decorated with red and white, carrying out the Valentine theme. Hostesses were Sherry Lux, Betty Hanusch, Barbara Jackson, Wanda Edmiston, Kathy Mihecoby.

Program for the evening was given by Barbara Jackson. The topic was Current Events. Mrs. Jackson led discussion of news items which included the Genene Jones murder trial, the new Soviet leader, the Olympics and closed campus ruling in Abilene.

Gifts and valentines were exchanged with Secret Sisters. Kathy Mihecoby was voted Valentine Queen for the evening and presented with a gift from the Sorority.

Senior Citizens Party

Bobby Killebrew was nominated for Delegate for the Garage Sale in the Memorial Building. Ola Ruth Barbee was named alternate to Ballinger.

The St. Patrick's Senior Citizen's Party will be held the 15 of March, at the Memorial Building from 9 till 11.

The next meeting will be at Flora Riley's on the 21st of March. Nancy Lester showed the group a lot of styles and hats and patterns.

Punch and cookies were served by the host, Bobbie Killebrew.

Community News

By Evelyn Stigler

Mr. and Mrs. Mort Mertz have a new grandson. William Mortimer Slaughter was born Saturday Feb. 11 1984 at 3:00 a.m. in Angelo Community Hospital. He weighed 7 pounds 4 ounces and was 20 1/2 inches long. The parents are Mr. and Mrs. William David Slaughter Jr. who reside on the ranch at Sheffield, Texas. The mother is the former Susan Mertz. Other grandparents are Mr. and Mrs. William David Slaughter. ***

Mr. and Mrs. Howard Johnson are the proud parents of a daughter born at an Odessa Hospital Feb. 11, 1984. She was named Mariel. Mariel was welcomed home by a brother, Josie, who will be three years old the last of May. Grandparents are Mr. and Mrs. L.V. Newport of Eldorado. ***

Thirty three Senior Citizens gathered at the Memorial Building Thursday afternoon for a Valentine Party sponsored by the Aging Committee. Games of 42 and 84 were played as well as a few word games. ***

Bob Hopkins, Educational Director of First Baptist Church of Midland, was guest speaker when a group of Sunday School Workers of First Baptist Church met Wednesday night in the Fellowship Hall for a dinner meeting. The meal was catered by John Callison from the Eagle Dairy Mart.

The meeting was for the purpose of informing people how to prepare for growth in Sunday School. The speaker used parables to illustrate how Jesus taught his Disciples to go out into the byways and compel them to come in. ***

The Dining Room at the Hospital was gaily decorated with the Valentine Motif for a birthday party honoring the residents of the Nursing Home who have birthdays in February, Wednesday afternoon Feb. 15. The new portable chair was used to bring Bob Faught to the party as he was one of the honorees. The others who were honored were Frank Lindley and Loree Price.

Another portable chair was used to take Pauline, (Sitter) Mund to the party as she is unable to sit up. The Hardy Family, Katie, Lindy and Jamie with their mother, Frankie, accompanied by Maxine Page, entertained with musical numbers. ***

Sonny Turner left Monday for San Antonio to enter a hospital there where he will undergo tests to determine the cause of his illness. ***

Shelly Caveness was honored with a bridal shower in the home of Mrs. Wendell Briggs Saturday Feb. 11. She is the bride-elect of Kenneth Phillips. There were 20 hostesses. Guests were greeted by the hostess, Mrs. Briggs. Her sisters, Cissy Robledo, Vikki Caveness and Gina Harris assisted in serving and registering guests. ***

A bridal Shower was given in the home of Mrs. Charles Kellogg Saturday Feb. 18, honoring Donna Casbeer, daughter of Mr. and Mrs. J.T. Casbeer of Eldorado. Donna is the bride-elect of Ted Gray Barron of Lubbock. Donna is presently working on her Masters Degree in Texas Tech, Lubbock.

There were 18 hostesses for the shower. Donna's chosen colors of yellow and blue were carried throughout the rooms and in table decorations. ***

Mrs. Todd Deere, nee Paula Jackson, formerly of Austin was also honored with a bridal shower in the home of Mrs. Charles Kellogg Saturday afternoon Feb. 18. The Todds had married about two weeks ago. They are students in ASU in San Angelo.

There were twelve hostesses for this shower and about 25 guests called during the hour. ***

There will be a reception honoring Gladys Gunn as retiring County Librarian in the Library Sunday afternoon March 4, from 2:30 - 4:00. The community is invited to attend.

Spencer selected sweetheart

The Eastern Star Chapter 140 met Monday night Feb. 13, in the Lodge Hall with the program being a surprise, honoring one member who has served in this chapter fifty years.

Mrs. Edgar Spencer, Jake, has been in this chapter fifty years and has held every office except two. She was organist for eighteen years.

After the business meeting, the Worthy Matron, Jenny Lamb, asked the conductress, Pat Murf, to escort Mrs. Spencer to the West where she was seated in a rocking chair under an arch which was decorated with flowers and ribbons.

Elton McGinnes, who has been Worthy Patron eleven times, was Master

of Ceremonies. He gave a resume of her life, mentioning the different stations which she has held. A chain was made with each link representing a station. Faye Watson collected the links as they were called out, put them together, then placed the chain around Mrs. Spencer's neck. It was later placed on the piano.

Genava Wade presented a Book of Memories with the signature of every member who lives in Eldorado in it.

Mrs. Ben Hext, Ruth, presented a sheet of music from the Worthy Grand Matron which had been laminated so it could be used as well as preserved.

Thelma Childers presented her with a beautifully decorated Valentine

Box. While Si Loeffler, from Sonora, with Mrs. Loeffler at the piano, sang Let Me Call You Sweetheart, each one put a Valentine in the box that they had made.

Mrs. Elton McGinnes, Mary, presented another huge decorated heart shaped box, that had another heart inside that was covered with one dollar bills. Then Jewel Hodges

presented her with a lovely flower arrangement.

Blanche West presented her with an invitation to the program which had been sent to everyone except Jake.

She was officially elected Sweetheart of Eldorado Chapter 140.

There were about fifty people present, including members from Big Lake, Rankin, Sonora and Ozona.

Dreams Come True At Lack's

Dear Valued Friend,

Many people consider the often-used phrase, "something for nothing," slightly unbelievable in today's fast-paced world, and certainly out of fashion. Well, that's what they think...you and Lack's know better! We're making it truly unbelievable by bringing it back as a fitting and altogether satisfying conclusion to our exciting 46th Anniversary sale and celebration. It's our way of giving a real big "thank you" to all the nice folks who made our 46 years possible - our valued customers - and that's you!

Starting this Friday, you'll want to catch the extraordinary savings on Lack's fine home furnishings (yes, come see substantial price reductions on fashionable living rooms, decorative all wood bedrooms, stylish dining rooms, fresh carpet designs, relaxable bedding, quality-built appliances, and entertaining televisions and stereos). Lack's brings down the cost of dressing up your home (you expect "more" from Lack's every day of the year - expect to discover even "more for less" now during Lack's Customer Appreciation Sale).

Customer Appreciation Sale Lack's Furniture Centers February 24th through March 3rd

While you're here, take a good look through our exceptional displays of the newest and most wanted home furnishings...look long and hard. Then, pick the item you really want...the one you may have only dreamed about owning (or even one you've just purchased). Take the registration form on the back of this letter and add your name, address, city, and the stock number with description of the item you've selected...and drop it in the special registration box when you come to Lack's. The rest is in the hands of fate...and fate will be more than kind! When you consider only a very limited number of letters are being sent out (that's the only way to register), and an even smaller number will actually take the time to come to Lack's and register...that just increases your chances of being one of the winners (and your "something for nothing" opportunity is an odds-on favorite of becoming a dream come true!).

So don't hesitate...come in now to your nearest Lack's and drop your winning registration form into the hopper. Then, on the date of the drawing, out come the lucky winners...and even more "dreams come true" at Lack's! And, one of the winners might as well be you (now that'd be really nice).

Sincerely,
Melvin Lack

Dreams Come True At Lack's

This special "dreams come true" registration form is available ONLY to those lucky individuals who receive this letter. Registration forms will NOT be available at the store, so be certain to bring it with you when you come to Lack's between February 24th and March 3rd!
