RESOLUTIONS.

We, the teachers of the Kimble Co. Institute, submit the following resolutions to all that are interested in this Institute and in its work:

Be it resolved:

First, That our thanks be extended to the ministers for their inspiring talks to the Institute, and furthermore, to all those who have lent us their presence and aid.

Second, That our thanks be extended to the people of Junction for their hospitality and kindness towards us during our stay in the city.

Third, That our thanks be extended to Judge Randolph for his favors, and for the consideration shown in the interest of the teachers and schools of the county.

Fourth, That our thanks be extended to Miss Reid, Miss Dodson, Miss Hall, Mr. Baker and Mr. Morris for the expenditure of their talent in the rendition of duets, etc.

Fifth, That we express our selves in favor of joint institute, where possible, and that we

Let's "Take Stock"

At this time of the year when every business man is taking stock that he may know what interest his investment is yielding and that he may make safe plans for the future, would it not be wise for all concerned in our school to "take stock" and see what returns you are getting from your work and investment? The teacher, student, and parent should each individually take stock. If the teacher is not conscientiously working for the best interest of her pupils she should rearrange "stock"; and if the pupil is not doing his dead level best he is allowing his "stock" to run down and if that condition continues to exist he will soon be put out of "business"—and then if the parent receives an unsatisfactory "account" from the school, come to the teacher and assist in getting the books balanced, but do not save all visits until you have a grievance. We have had very few visits from patrons this year. The school needs more of your personal attention.

The enrollment has already shown a substantial increase over any previous year and we expect more to enter after the holidays.

Our invoice shows the following enrollment by rooms:

Miss Durst.

26 girls 43 boys, total.....79.

Miss Johnson.

20 girls 19 boys, total.....49.

work to the accomplishing of that end.

Furthermore, be it resolved: That a copy of these resolutions be given to each of the county papers for publication, and that one be sent to the State Superintendent of Public Instruction.

Ella Hoggett.

Mr. Kendrick expects to give the best service possible, and will appreciate your patronage.

To Kimble Voters:

At the solicitation of a number of my friends I have entered the race for Sheriff and Tax Collector of Kimble County. At one time I held the office for a number of years, and my record there speaks for itself. Your support and influence will be highly appreciated.

W. W. Taylor.

For Commissioner

J. W. R. Eckert hereby announces as a candidate for the office of County Commissioner of Precinct No. 1, Kimble County Texas, in the coming Primary of July 1916. Your vote and influence will be appreciated.

W. R. Eckert.

CARD OF THANKS.

We take this method of expressing our most sincere appreciation for acts of kindness and words of sympathy extended to us during the illness and death of our daughter, Lucile. One and all we thank you from the depths of our hearts.
Mr. and Mrs. R. Becker and Family.

FOR TAX ASSESSOR

I hereby announce myself as a candidate for re-election to the office of Tax Assessor of Kimble County, Texas. I am now serving my first term as Tax Assessor, and have filled the office to the best of my ability. I invite the voters to inspect my work, and solicit their support in my race for a second term. I will be better able to serve the people during the second term than I have been heretofore, and promise a faithful discharge of the duties of the office.

Respectfully yours,
J. W. Ragland.

To The Voters of Commissioner's Precinct No. 1

I hereby announce myself as a candidate for the office of County Commissioner of Kimble County Precinct No. 1, subject to the action of the Democratic Primary promising if elected to serve the people to the best of my ability. I hear the Attorney General has given an opinion that to hold the offices of County Commissioner and Justice of the Peace as has been the custom here is illegal. Therefore I am only asking for the one office.

A. Landers.

To The People Of Kimble County

I hereby announce as a candidate for office of County Judge To those who know me it is unnecessary to make any extended statement, as they are already familiar with my views and policies in public matters, and already know whether they endorse them or not.

To those whose time or residence in the county has been more limited, and those whom I have not had the pleasure of knowing personally, I will say that I have been a resident of Kimble County from boyhood nearly forty years; during that time the people of Precinct No. 1 have honored me with the office of County Commissioner for fourteen years and of Justice of the Peace sixteen years. I feel that my official connection with the Commissioner's Court, my general experience as a County official, and my knowledge of county affairs, qualifies me to properly discharge the duties of the office to which I aspire, and promise that, if elected, I will render the most faithful and efficient service of which I am capable.

T. J. Meredith.

Happy New Year!

Wm. Baker

Wm. Baker was found dead Monday, Dec. 27th, at his home on Frank Baker place across river. Some boys passing that way about eight or nine o'clock Monday morning found the body. It appears the old man had seated himself in a chair and using a shotgun had arranged with a stick on the trigger which he evidently pressed with his foot. The shot took effect in right side of his face and head badly disfiguring it. Interment was made in the Junction Cemetery Tuesday afternoon at two o'clock. Elder John S. Durst conducting the last sad rites.

Mr. Baker was 68 years of age, and was an old and well known citizen of Kimble county. He had many friends throughout the Kimble country who were made sad to learn of his untimely death. He had never married, and lived alone. He leaves several brothers and other relatives some of whom reside here. The Citizen extends sympathy to the bereaved.

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" Is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.
Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile creates into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all choked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous, I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.
I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It's harmless, doesn't gripe and they like its pleasant taste.

You've hit the right tobacco

when you fire-up some Prince Albert in your old jimmy pipe or in a makin's cigarette. And you know it! Can't get in wrong with P. A. for it is made right; made to spread-smoke-sunshine among men who have suffered with scorched tongues and parched throats! The patented process fixes that—and cuts out bite and parch. All day long you'll sing how glad you are you're pals with

It's an easy job to change the shape and color of unsmokable brands to imitate the Prince Albert taste and tin, but it is impossible to imitate the flavor of Prince Albert tobacco. The patented process protects that!

PRINCE ALBERT

the national joy smoke

You take this testimony straight from the shoulder, men. You can smoke a barrel of F. A. without a kick! It hands out all the tobacco happiness any man ever dreamed about, it's so smooth and friendly. It's a mighty cheerful thing to be on talking-terms with your pipe and your tongue at the same time—but that's what's coming to you sure as you pin your faith to Prince Albert!

A Dire Prophecy

NEW YORK, Dec. 29.—"The war will end on July 26, 1916. On October 12, 1916, San Francisco will be bombed and destroyed by a hostile fleet."

Gunnery Sergeant Thomas G. Sterrett, United States Marine Corps, makes this dire prophecy. Not from any advance military knowledge but from the fact that he is a seventh son of a seventh son with no girls be tween, and his comrades in the Marine Corps think him something of a forecaster.

Sterrett first gained fame when, in 1882, he predicted a new railway station for Kansas City. In 1912, 1913, 1914 and 1915, he foretold with unerring accuracy the overflow of the Allegheny's banks and the flooding of Pittsburgh's downtown section.

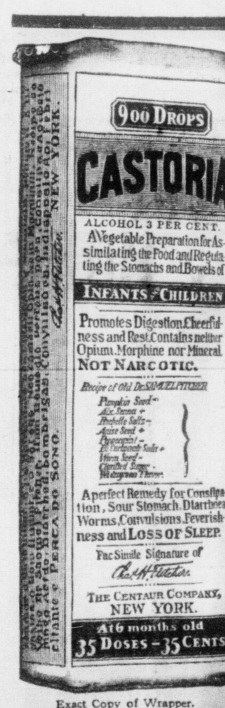

The wise man sees, hears and thinks. The fool is tickled with the sound of his own voice.

FOR RHEUMATISM.

As soon as an attack of rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts is all you need. The pain goes at once.

A grateful sufferer writes: "I was suffering for three weeks with Chronic Rheumatism and Stiff Neck, although I tried many medicines, they failed, and I was under the care of a doctor. Fortunately I heard of Sloan's Liniment and after using it three or four days am up and well. I am employed at the biggest department store in S. F. where they employ six to eight hundred hands, and they surely will hear all about Sloan's Liniment.—H. B. Smith, San Francisco, Cal.—Jan. 1915 At all Druggists."

"I only play cards for fun," is the excuse he gave his. Of course that's all the loser ever gets out of it.
