

RON PROCTOR
Evangelist

CONNIE AND ALLISON WARE
Musical Evangelists

Bethel Baptist Church To Hold Week Of Meetings

Bethel Baptist Church of Eastland will be hosting a meeting August 3-10, with Ron Proctor serving as evangelist and Connie and Allison Ware serving as music evangelists.

Ron Proctor is a student at Southwestern Seminary in Fort Worth and is on the staff of MacArthur Boulevard Baptist Church in Irving where he serves as minister of youth and evangelism. Prior to his present position, Ron served on the staff of Campus Crusade for Christ International and was instrumental in organizing Expro '72, the International Student Congress on Evangelism in Dallas that attracted some 100,000 people from all over the world.

Connie and Allison Ware are both graduates of Baylor University. Connie is a graduate of Southwestern Seminary where she received a Master of Church Music degree. Allison, an excellent pianist, has been singing in and accompanying choirs and other religious music groups since her pre-teen years. They have been invited to participate in the London Crusade in September of this year. Connie will be remembered locally as the music evangelist for the Meet Jesus Crusade which was held in Maverick Stadium in July and August, 1973.

The people of Bethel Baptist Church cordially invite you to attend this series of meetings and hear the message of Jesus Christ, the source of hope and abundant life. Sunday services will be at the regular times of 11:00 a.m. and 7:00 p.m. Evening services, Monday thru

Saturday will be at 8:00 p.m. and morning services Monday through Friday will be at 10:00 a.m.

NOTICE

Dr. Bulgerin will be giving physicals to all high school girls this Wednesday at 3:00 at the clinic. All B&W patients are urged to come in order to relieve a heavy load on the clinic during their regular clinic hours. There is presently a three week waiting period for girls trying to schedule a physical during regular clinic hours.

FREYSLAG Insurance Weather Report

Clear to Partly Cloudy

Whereabouts Of Parents Needed

Mrs. Teddy Whitte and Ed Kelly of the Oklahoma City Times "Action Line" are seeking help in locating Mrs. Whitte's parents, Mr. and Mrs. Clemen Brooks (Mrs. June Evelyn Brooks). The last Mrs. Whitte knows of her parent's whereabouts is that they moved somewhere in this area.

Anyone knowing these two people are asked to contact the Oklahoma City Times at 405-232-3311, extension 2661. Or call 405-681-8148 or 405-755-1515. Mr. and Mrs. Teddy Whitte's address is 412 Bypass Terrace, Oklahoma City.

It is imperative that Mrs. Whitte locate her parents before August 26. She is in failing health and is due to enter the hospital at that time. Again, anyone knowing Mr. and Mrs. Clemen Brooks are urged to let them know their daughter needs their aid or are urged to contact one of the above three phone numbers so Mrs. Whitte can call her parents.

Funeral Rites Set Sunday For Gene B. Hill, Sr.

Gene B. Hill Sr., 63, of Bullock and formerly of Breckenridge, retired owner and operator of Hill's Grocery Store here, died at 12:30 p.m. Friday at his home in Bullock after a lengthy illness. Services will be at 3 p.m. Sunday in Eastside Church of Christ in Ranger.

Clint Springer, minister, and Harold Spurlock of Kilgore will officiate. Burial will be in Evergreen Cemetery in Ranger, directed by Melton Funeral Home.

Born July 19, 1912, in Weatherford, Mr. Hill attended Weatherford High School. He married Julia Needham May 23, 1942, in Ranger, and they moved to Breckenridge in 1963.

Mr. Hill retired in 1974, and the couple moved to Bullock. He was a member of Eastside Church of Christ in Ranger.

Survivors include his wife; two sons, Gene B. Jr., of Breckenridge and Richard of Bridgeport; three sisters, Edith Measures and Marjorie Parks, both of Weatherford and Mrs. Lee Walker of Mineral Wells; a brother, A.M. (Pete) Hill of Kermitt; and four grandchildren.

A brother, Charlie of Weatherford, preceded him in death. Pallbearers will be Albert Reck, Jack Blackwell, Emory Ford, Bill Baker, Sammy Baker and Reggie Baker.

The family requests memorials in the form of contributions to the American Cancer Society.

THE BIG SIX - Shown above are the Big Six EHS football seniors. They are from left to right: Mark Thompson, Randy Wharton, Clark Thompson, Aaron Arnold, Rex Morgan and Clay Wheat.

Revival Slated

Revival services at the Pleasant Hill Baptist Church, south east of here, will be held August 3 - 10. The prayer service will begin at 7:30 p.m. and worship at 8 p.m. Rev. Harry Grantz of the First Baptist Church in Breckenridge will be the evangelist. Don Nicholas of Eastland will lead in singing. Ruth Livingston will be the pianist.

Walton, Julia Worthy To Present Writer's Program

The Cisco Writer's Guild will meet Tuesday, August 5, at the Cisco Chamber of Commerce building conference room at 7:30 p.m. A program on Creativity will be presented by Walton and Julia Worthy, a husband and wife team. They are members-at-large of the Cisco Writer's Guild from Waco, Texas.

They will illustrate a package deal for which they are seeking a market. The product is a combination of her original

verse coupled with his photographic art. It is bound to be different from anything you've seen before. Anyone who is even remotely interested in professional creative writing or photography is invited to attend the meeting.

On the business agenda will be a review of the contest rules, a designation of dues for membership, and the appointment of a permanent organization. The group has rocked along informally since February with only temporary leadership, but now the time has come for a soundly structured stable of officers to see to the affair of the group.

Membership is open to anyone interested in professional writing. Persons who are from out of town and unable to attend any, or all, of the meetings may join as members-at-large and share in all the privileges of local membership. Refreshments will be catered by the Spot Restaurant of Cisco before the meeting is called to order.

Contest Begins In Area Churches

C.G. Fite of Breckenridge has agreed to sponsor a contest between the young people of our community and surrounding territory to see who will get the greatest number of young people going to church regularly. By this we are speaking of young college students or any high school student, between the age of 12 and 35 years of age.

To enter the contest you may be a member of any church, or any denomination in this territory, with 100 miles of Breckenridge and any town of not more than 10,000 population.

The contest will run for a total of three months, as several young people are on vacation, (during August, September, October) the contest will close at midnight, Oct. 31, 1975.

You will be on the honor system, so please be careful to keep an accurate number of young people you sign up. No two constants may claim the name of the same person signed up to attend church regularly.

Please remember, the point is to get more young people going to our churches on a regular basis. That is the sole purpose of this contest. Check with the pastor of your church for any assistance in determining who is eligible for you to sign up.

The prizes to be given away are as follows: First prize will be a 30 horsepower (used) Mercury Outboard motor, in good condition. Second prize will be a \$100 saving bond of the type E series.

Jaycee Carnival To Begin Wednesday At Football Field

Jaycees are making final preparations for the TAM-LYN Carnival to be in Eastland August 6-10.

Eastland Jaycees contracted the carnival some three weeks ago for the week long engagement. During this time Jaycees have come up with a list of attractions that they will sponsor along with the carnival company's list of existing rides and side shows to aid in their payment of a fireworks bill

which set the club back some \$900.

The carnival company will have a total of ten rides along with a numberous amount of attractions guaranteed to delight the wildest imaginations. Jaycees will sponsor Bingo every night, Nickle Roll Board, Dunking Board, Cike Bottle Ring Toss, and a refreshment trailer sponsored by the Eastland Jayceettes.

Tickets for the carnival have been on sale over the past week at KERC Radio, Eastland Telegram, Mode-O-Day, Bards T. V., the Radio Shack, and Hollands Drive-In. The tickets are still available at \$1 each until Wednesday when the carnival arrives. Then the price jumps to \$2 for a ticket which will entitle you to four rides.

Get your tickets now before the price goes up.

The Eastland Jaycees invite you out to take part in all the fun.

John Kendall To Speak For Full Gospel Fellowship

John Kendall, a lay minister from Beverly Hills Baptist Church of Dallas, will be guest speaker at the monthly meeting of the Full Gospel Business Men's Fellowship on Saturday, August 9, at the Reddy Room in the Texas Electric Building, 112 E. Commerce, in Eastland. The meeting begins at 7:30 p.m.

Mr. Kendall will be accompanied by his wife, Marcia, and their four children, and they will minister in song, in addition to Mr. Kendall's testimony of his wife's conversion and baptism in the Holy Spirit, then of his own baptism and the ensuing ministry in supernatural power, with miracles and wonders accompanying.

The meeting is open to all, and is inter-denominational. Member in the Fellowship is composed of a broad cross-section of churches and is directed and led by laymen.

From The Living Bible

As Paul gathered an armful of sticks to lay on the fire, a poisonous snake, driven out by the heat, fastened itself onto his hand! The people of the island saw it hanging there and said to each other, "A murderer, no doubt! Though he escaped the sea, justice will not permit him to live!" But Paul shook off the snake into the fire and was unharmed. The people waited for him to begin swelling or suddenly fall dead; but when they had waited a long time and no harm came to him, they changed their minds and decided he was a god.

Residents At Eastland Manor Have Happy July

Residents at Eastland Manor enjoyed a big month in July. They had visitors from far and near.

They had their monthly birthday party July 23, at 2:30. Five residents celebrated their birthdays. A beautiful cake and punch were served.

A big thank you to Mrs. Ivey from Morton Valley for entertaining on the piano with old time favorites. Residents enjoy her so much. Residents had a homemade ice cream supper and homemade cake. We wish to thank all the volunteers who

were so faithful to come and help us out this month.

We had a gospel musical July 24. Mr. Pete Tyrone and his group came over from Cisco to entertain. Residents enjoyed them very much. Lots of good gospel music was played. Come back to see us.

We would like to thank the many pastors who come each Sunday and hold services for us. We look forward to your visits. We hope the public will come and visit us any time. We will give you a great big welcome.

Visitors

Mr. and Mrs. Michael Jones of Colorado City, Texas, visited over the weekend with Mr. and Mrs. Truman Maynard. They also visited Mrs. Jones sister and family in Longview, Texas. Mr. and Mrs. Grady Gregory, Angelo and Jodi Kay.

Eastern Star To Meet

Eastland Chapter No. 280, Order of the Eastern Star, will have a stated meeting Tuesday, August 5, at 7:30 p.m. All members are urged to attend.

Grace Funk, Gertrude Davis, Annie Bond enjoying homemade ice cream and cake at Eastland Manor Nursing Home.

Winnie Coleman, Clara Partridge, Margaret Brashears, Richard Bearman at the July Birthday Party.

Resident Barney Noble enjoys taking care of the beautiful flower bed. Come by and see Barney's pretty flowers.

G.A. Lasaters Celebrate 50th Anniversary

Mr. and Mrs. G.A. Lasaters celebrated their 50th wedding anniversary with a surprise party at the Woman's Club in Eastland July 20.

They were married in Breckenridge July 19, 1925. Mrs. Lasaters is the former Thelma Dillon. Mr. Lasaters retired from Monsanto Chemical Co. in Texas City after 25 years to return to Eastland five years ago. They now reside at 501 Foch with their son, Glenn. They have a daughter, Geraldine Bentry, one granddaughter and two great-grandchildren, all of Arcadia, Texas.

McBees Celebrate 50th Anniversary

Mr. and Mrs. Floyd P. McBees will celebrate their 50th Wedding Anniversary today from 2:00 to 4:00 p.m. in the Mangum Baptist Church just south of Eastland.

The couple were married August 2, 1925, and have always lived in Eastland County. They have one son and two granddaughters.

All friends and neighbors are invited to attend the reception. No gifts please.

Residents enjoying the outside patio in the cool morning breeze. The residents enjoy going out on the patio playing games.

Carbon Church Of Christ

To Hold Bible School And Gospel Meet

The Carbon Church of Christ cordially invites the public to attend their combination Bible School and Gospel Meeting to be held August 4 through 8. There will be classes for ages through 12. Charles Linley of Cameron, Texas, will be preaching for the services.

PUBLIC NOTICE

There will be a budget hearing on the '75-'76 school year prior to the regularly scheduled board meeting on August 11, at 8 o'clock.

MODE O' DAY

West Side Of Square

Independent Wealth.

It didn't
come EASY.

Basically, we were born broke.

So Americans got together and loaned their new government over \$27,000,000 on faith alone.

Eventually, it was that faith that won the war and our freedom. Today, that faith is still alive.

Over 9½ million modern Americans buy United States Savings Bonds regularly through the Payroll Savings Plan ... and others where they bank.

And while their savings grow, they're helping their country grow, too. Independently.

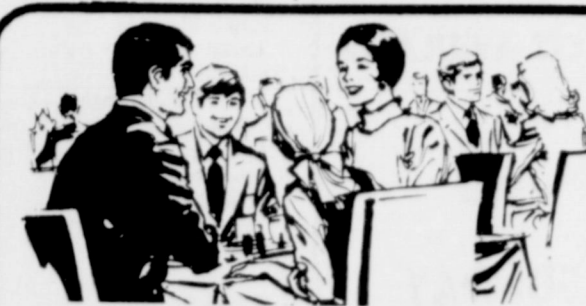

New U.S. Bonds pay 8 1/2% interest when held to maturity of 5 years. At 1/2% the first year. Lost, stolen or destroyed Bonds can be replaced if receipts are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Based on latest FPC figures, Texas Electric's residential rates are 27% below the national average.

The average family uses about 750 kilowatt hours of electricity per month. Based on the latest Federal Power Commission figures, Texas Electric's rates for this much electricity are about 27% below the national average.

But the costs of producing your electricity are going up.

New supplies of Texas Electric's major generating fuel — natural gas — are harder to get and much more costly.

So we're turning to lignite coal and nuclear fuels. While these fuels cost less

than new supplies of natural gas, plants that use them are considerably more expensive to build than gas-fired plants.

This means electricity will have to cost you more.

But we're working to keep your rates reasonable by using fuels that will keep costs lowest in the long run.

NEWS SUMMARY.

LOCAL.

Harry Hanna will visit every county in the state in interest of his gubernatorial candidacy.
The New York World's Fair commissioners declare that only failure to open on time or to secure the needed hotel and terminal facilities can prevent the Exposition from being an entire success.
Anna Kriete, a house girl employed by Henry McK. Wilson, was burned to death, her clothing having caught fire from an open furnace door. The frantic girl fought off Mrs. Wilson, who endeavored to smother the flames, and who was herself severely burned.
For the reason that its connection with the national board of trade was of no benefit to it, but a useless expense, the board of directors of the Merchants' Exchange yesterday voted to withdraw from the national board.

DOMESTIC.

Rank Robert James Dunlap has been released from Joliet penitentiary.
The federal grand jury at Omaha returned additional indictments against United States Senator Dietrich.
The change of army headquarters to St. Louis was decided months ago, and protests from disappointed cities will be without avail.
Senators Hoar, Gorman and Foraker have heated debate in Senate over the recognition of Panama by the administration.
Philippine government will sell friars' lands to present tenants, on long-time payments, wherever possible.

FOREIGN.

Mr. Combes has been chosen president of Great Britain.
Great Britain demands equal terms with Cuba on British West India sugar, under favored nation clause.

POLITICAL.

Congressman Warner arrived in Chicago to prepare for Illinois gubernatorial campaign.
It is considered settled that Murray Crane of Massachusetts is to succeed Senator Hanna as chairman of the Republican national committee.
President Roosevelt offered Gen. John C. Black the vacancy in the civil service commission.

TRADE AND FINANCE.

Transit stock was active at a decline of 2 points. New York stock market ruled dull and prices were weaker.
May wheat declined $\frac{1}{8}$ ¢; closed at 80 $\frac{1}{2}$ ¢.
May corn declined $\frac{1}{8}$ ¢; closed at 41 $\frac{1}{2}$ ¢.
Chicago—May wheat ruled steady; closed at 81 $\frac{1}{2}$ ¢.
May corn declined $\frac{1}{8}$ ¢; closed at 40 $\frac{1}{2}$ ¢.

SPORTING.

American league opens season in St. Louis on April 15, and lengthens season to 154 games.
Owner Clint Burnett and Jockey Livingston suspended by stewards at New Orleans.

SENATOR DIETRICH AGAIN INDICTED

FEDERAL JURY REPORTS

Charges Him with Illegally Leasing Post Office Building to Government.

FINDS BILLS AGAINST OTHERS.

FORMER STATE SENATOR LOWE, ADJT. GEN. COLBY, ARE ALSO INDICTED.

OMAHA, Neb., December 17.—The United States grand jury today made its report to the court, returning nineteen true bills. These include indictments against United States Senator Charles H. Dietrich for alleged illegal leasing of a building to the government to be used as a post office; former Adj. Gen. Leonard V. Colby for the alleged embezzlement of government funds; Daniel Gaines of Russell, Neb., for alleged perjury in securing false testimony in the charges preferred against Senator Dietrich; and a charge of conspiracy to bribe a United States senator, Postmaster John C. Mitchell of Alma, Neb., charging him with illegal sale of postage stamps. William M. Irwin, on a charge of acting as agent for Senator Dietrich in connection with the alleged conspiracy to bribe a United States senator, and against R. M. Allen, president of the Standard cattle company, for the alleged illegal fencing of government lands. The other indictments were similar to that against Allen, but do not involve extensive tracts of land.

The indictments against Senator Dietrich and State Senator Lowe are in addition to those returned against them a week ago. Senator Dietrich is charged with the alleged violation of section 3729 of the Revised Statutes, which provides that no member or delegate "shall directly or indirectly, himself or for any other person in trust for him, or for his use or benefit, or on his account, undertake, execute, hold or enjoy in whole or in part, any contract or agreement made or entered into on behalf of the United States by any officer or person authorized to make contracts on behalf of the United States." The indictment charges that Senator Dietrich leased to the government on April 24, 1901, a building at Hastings, Neb., to be used for a post office, at an annual rental of \$1500.

The indictment against former State Senator Lowe charges him with alleged conspiracy to bribe a United States senator. Two counts, each of \$500, are named in the bill. The charges against him are similar to those against Senator Dietrich. The indictment against Postmaster John C. Mitchell in consideration of Lowe's endorsement of Mitchell's candidacy to Senator Dietrich for the appointment as postmaster at Alma, Gen. Leonard V. Colby was indicted for the alleged embezzlement of amounts aggregating \$3000 of government funds paid to him in trust by the state of Nebraska, and others for equipment belonging to the United States army. The bill charges that while assistant general of Nebraska, Gen. Colby turned over to the state penitentiary during January, 1901, 200 United States army blankets, to be used in an emergency caused by a fire in that institution; that the state legislature appropriated \$2200 to reimburse the government for these blankets, the amount being turned over to Gen. Colby to be paid to the government. The amount, it is alleged, was never paid into the United States treasury nor turned back into the state treasury when Colby's term as assistant general expired. There are thirty-seven other counts in the bill, mostly for small sums, charging Colby with selling small arms and other equipment to members of the national guard and appropriating the money to his own use.

Postmaster Mitchell of Alma, Neb., is indicted for conspiracy to defraud the government by the sale outside of his post office of large quantities of postage stamps in order to increase the receipts of the office at Alma and thus succeeding in raising the classification of the office and securing to him an increase of salary. Three counts of \$20 each are named in the indictment, one of them naming a state official as the purchaser.

Other Indictments.

The indictment against William M. Irwin charges him with acting as an agent for Mitchell, in which capacity, it is alleged, he was induced to purchase large quantities of stamps, on which warrants were drawn.
Daniel W. Gaines, who until recently was an extensive cattle owner and ranchman at Hastings, Neb., was indicted on a charge of alleged perjury in connection with business entries. The bill charges Gaines with swearing to proof made on homestead land for which he was claiming a bounty, and for that purpose, and from whom he is charged with having purchased the land for a nominal sum when title was completed.

Mr. Allen is indicted for the alleged illegal fencing of government land in western Nebraska. The indictment contains several counts, and charges that large tracts of these lands were fenced by the Standard cattle company, of which Allen is president.

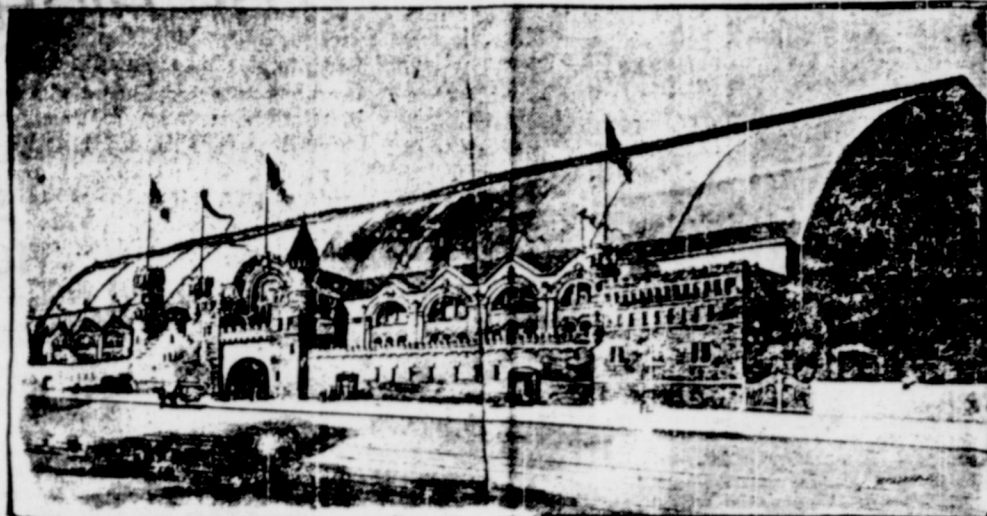

The statute under which the indictment against Senator Dietrich is drawn provides a penalty of \$3000 fine and requires the return of all money paid by the government under the contract in case of conviction. The penalty for bribery, with which Elliott Lowe is charged, provides a heavy fine and imprisonment that does not exceed ten years. The penalty for embezzlement, which charge is placed against Gen. Colby, is either fine or imprisonment, at the discretion of the court.

Dietrich Arrives in Omaha.

The grand jury to-night met and considered the charges preferred against Indian Agent Matthews by Edward Rosewater. In a final report to the court the jurors stated that they had investigated all the charges and were unable to find any evidence against the vouchers of the charges. Matthews had been derelict in his duty as a public officer. The court accepted the report and excused the jurors, who took a final adjournment.

Senator Dietrich, accompanied by his daughter, and Gen. Colby came to Omaha yesterday afternoon and conferred with counsel. Neither, however, would talk of the indictments. The statement was made for Senator Dietrich that he had nothing to say and that he would be ready for trial when the cases were called.
For Gen. Colby it was said that he had made full return to the state for the army equipment, money for which had been entrusted to his care.

TO HOLD REPUBLICAN NATIONAL CONVENTION IN COLISEUM ON OLD WORLD'S FAIR SITE.

THE CHICAGO COLISEUM. Where the Republican national convention will be held next year.

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. CHICAGO, Ill., December 17.—The decision of the Republican national committee fixing upon Chicago as the place for next year's presidential convention arouses interest in the manner in which the city proposes to provide for that meeting. Of the hotel capacity of Chicago little need be said, but the Coliseum, in which the convention will be held, has never been used for any such purpose. It must not be confounded with the building of the same name in which Lewis was nominated in 1860. That was destroyed by fire the same year. The present building was erected in 1900 on the site of the Liberty prison exhibit, and the picture shown above shows the stone wall and turreted gate, which stood in front of the old building at the time of the World's Fair. It is on Wabash avenue near Fifteenth street, a few blocks south of the hotel center, and easily reached by street car lines. It is 340 feet long, 180 feet wide, and has a seating capacity of about 16000 people, although more can be put in on a platform. It has a self-supporting roof, girdered with immense steel arches, giving the interior a full sweep from wall to wall without a post. It has one great balcony arranged around the four walls of the structure. There are twenty exits on three sides, plenty of windows and a roof of glass. It is lighted at night with 5000 incandescent and 25 arc lights. The ventilation is perfect. It is large enough for the horse show, horticultural exhibits and other events requiring great space which have been given here.

MISS GOULD TO ATTEND WORLD'S FAIR OPENING.

SEE JOINS BUCKINGHAM CLUB AND WILL SPEND MUCH TIME HERE DURING EXPOSITION.

Miss Helen Miller Gould yesterday announced her intention of returning to St. Louis for the opening of the World's Fair and for a considerable time thereafter. In order to study the beautiful and interesting features of the great Exposition at her leisure, Miss Gould will have a suite of rooms in one of the new clubhouse hotels near Forest park, and will spend most of her time at the fair.
The first intimation of Miss Gould's intention was received by Edward R. Pryor, assistant to President Joseph Ramsey, of the Wabash railroad. Mr. Pryor is one of the officers of the new Buckingham club, which last week secured a lease on the Buckingham hotel at West Nine and Kings highway, for the purpose of affording a luxurious accommodation to the members and their friends during the fair.
Miss Gould seemed greatly interested in the plan, and after having explained to her by Mr. Pryor, expressed a desire to become a member. This was readily arranged, and as a delicate compliment to Miss Gould a certificate of charter membership in the club was issued in her name. This makes the first regularly elected member of the club.
Miss Gould announced her intention of attending the opening ceremonies, and will remain for at least a month afterward. She also expects to return during the progress of the Exposition, whenever her duties on the board of lady managers require, and may spend the closing weeks of the Exposition here as well.

MISS HELEN MILLER GOULD.

attending the opening ceremonies, and will remain for at least a month afterward. She also expects to return during the progress of the Exposition, whenever her duties on the board of lady managers require, and may spend the closing weeks of the Exposition here as well.

THREE SWITCHMEN ON THE WARPATH CAUSE REIGN OF TERROR

Run Amuck Near Union Station and Engage Officers in Half-Hour Fight.

Three railroad switchmen, Thomas J. Shuler, John W. Waddell and Ulrich, after terrorizing the neighborhood of Eighteenth and Market streets yesterday afternoon, visited the Burlington hotel, at 1622 Market street, where they fought desperately for half an hour with Officers Waddell and Ulrich of the Central district and S. L. Kraemer, the proprietor of the hotel. On the way to central police station the two men were arrested again because unruly, and the two police officers, together with the signal officer on the wagon, Muldoon, were forced to beat them almost into insensibility.
Officers Waddell and Ulrich visited the city dispensary with their prisoners to have their injuries dressed. The prisoners exhibited several severe scalp wounds and numerous cuts and contusions on their faces for treatment. Officer Ulrich lost one of his knuckles, which was bitten off by Shuler, while Waddell had a badly swollen right hand and a severe cut on his face.

One Escaped.
The men are charged with disturbing the peace and resisting an officer. A companion of the two prisoners, who managed to escape during the melee in the Burlington hotel, is being sought by the police.

The three railroad men first attracted attention in Brown's saloon, Eighteenth and Market streets, where they argued with the bartender about the price of their drinks. They finally departed, leaving the bill unpaid. Then arm-in-arm they walked down Market street to the Burlington hotel. There they visited the bar, took two drinks and went upstairs, kicking in a door on the way. The drink had made them sleepy and the three lay down on the floor. When the proprietor, S. L. Kraemer, attempted to eject them he became the center for a number of blows from all three men.

Two bartenders and the clerk rushed to Kraemer's assistance and soon Officers Waddell and Ulrich appeared. The sight of the uniforms of the police made the men angrier, and before the officers could get their weapons from their pockets they were being beaten unmercifully. A concentrated attack by the officers and employees of the hotel finally overpowered the men and two of them were arrested. They live at 2133 Eugenia street, and Skuse at 208 South Twenty-second street.

ASKS PRESIDENT'S AID TO BRING ZIEGLER BACK

ROOSEVELT SAID TO HAVE PROMISED VANDIVER HE WOULD DO SO.

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. WASHINGTON, December 17.—President Roosevelt has been asked by Congressman Vandiver to use his influence with Gov. Odell to bring about the surrender of William Ziegler to the Missouri authorities. It is said the President has promised to do so.

NEGRO HIGHWAYMEN ROB YOUNG MAN OF 25 CENTS.

Walter Barnett, aged 17 years, living at 430 Fairfax avenue, reported to the police that he had been held up and robbed of 25 cents by two negroes at Vandewater and Lacade avenues about 10 o'clock last night. Barnett's father, Benjamin Barnett, who was a private watchman at Forest Park Highlands, was with a tragic death at that resort last Labor day, while surrounded by a mob that gave battle to a number of police officers for an hour or more.

THIRTEEN HUNDRED CHICAGO CAB DRIVERS STRIKE TO-DAY.

CHICAGO, Ill., December 17.—Thirteen hundred heavy and undertakers' drivers will go on strike to-morrow to enforce a demand for a wage increase of \$2 a week. This action, which was decided on to-night at a meeting of the heavy driver's union, affects nearly every heavy driver in Chicago.

NOT DEAD, BUT CERTAINLY FORGOTTEN, IS THEIR PLAINT.

SEVEN GRAVEDIGGERS AT POORHOUSE PETITION TO HAVE NAMES COUNTED IN CENSUS OF INSTITUTION.

Much amusement was created at the meeting of the board of health yesterday by the announcement that the seven gravediggers at the poorhouse had been protesting because they had been skipped when the census of the institution was made recently. Finding that they had been left out, it is said that they held a meeting and appointed one of their number to wait upon Supt. Hart and inform him that they were still in existence. He ordered their names added to the corrected rolls.
The gravediggers are selected from the more able-bodied inmates of the institution and live in a little shanty in Potter's field. They only visit the main buildings at meal

AIRSHIP FLIES IN FACE OF WIND

TRAVELS THREE MILES

Ohioans Claim to Have Solved the Problem of Aerial Flight.

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. NORFOLK, Va., December 17.—The problem of aerial flight has probably been solved by William and Orville Wright of Dayton, Ohio, who to-day, at Kitty Hawk, on the coast of North Carolina, successfully navigated a flying machine of their own invention for three miles in the teeth of a twenty-one mile gale, and picking their point of descent easily, landed the machine on the selected spot. During the trial William Wright occupied the operator's seat and steered the apparatus. For three years the Wrights have experimented at Kitty Hawk upon their invention. They chose that point because of its isolation from the world. The Wrights have used the well-known box kite idea in their invention, and their flying machine is nothing more than an immense kite, with propellers and steering attachment. Its frame is of wood, stretched with canvas, and its dimensions, as accurately as can be secured, are here given: The width of the box is 33 feet from tip to tip. Its depth from front to rear is 5 feet, and its height about the same. In the center of this frame is constructed the navigator's car, where the engine below it is used as a ballast. Directly beneath the car and arranged so as to push upward, is the immense propeller used for elevating the machine, and extending horizontally to the rear is the propeller, that gives motion forward, which is about the same size as its companion beneath.

VIGILANCE COMMITTEE APPOINTED AT CHICAGO.

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. CHICAGO, Ill., December 17.—Chicago's vigilance committee began to take shape to-day, when Judge Tamm announced he had chosen the twenty-five men who will direct the general warfare against the machinery already set in operation by the Citizens' association, will be "phobing and strengthening the city government. Betterment and increase of the police force."
Combine and centralize the reform work of organizations.

SISTER OF THE KAISER SUFFERING WITH CANCER.

PARIS, December 15.—The Journal here from Berlin that the Princess Charlotte of Saxe-Meinungen, a sister of Emperor William, who has been ill for some time, is suffering from cancer and that the verdict of the physicians created consternation in the German court and had a bad effect upon the recovery of the emperress.

Left out, when the census was taken were entirely forgotten.

MURRAY CRANE TO SUCCEED SENATOR HANNA AS CHAIRMAN.

ANNOUNCED WITH CONFIDENCE AFTER A NOTABLE CONFERENCE AT THE WHITE HOUSE.

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. WASHINGTON, December 17.—What is regarded as an extremely important conference, from a political standpoint took place at the White House this afternoon, the occasion being a luncheon, at which there were five people, all of them figures of national prominence. It might be called appropriately a meeting of the "big five." With the president were Secretary Root, Senator Lodge, ex-Gov. Murray Crane of Massachusetts and Secretary Cortelyou.
There could hardly be gathered together five men about whose meeting there could be greater significance at this time of political talk and scheming. Secretary Root is soon to retire from the cabinet, but he does not do so in the sense of severing himself from the political fortunes of the President. Within the Republican family there are no more men whose political advice is taken more quickly than Secretary Root and Senator Lodge. They are personally and politically as close to the President as any men in the cabinet. Secretary Cortelyou may be ranked in the same class.
With the practical certainty that ex-Gov. Murray Crane is to be the chairman of the Republican national committee next year, there is much for conjecture in this gathering. Senator Hanna having eliminated himself from the chairmanship it has been known that the President would ask ex-Gov. Crane to accept the position. So far as influence with men of business, wealth and standing in the country is concerned, Mr. Crane is not excelled by Senator Hanna and in political sagacity and statesmanship he is declared by many to be the equal of the man from Ohio.
There has been some talk recently that Mr. Crane would not be able to accept the position, and that the President had asked Secretary Root to act as his personal reasons for leaving public life and take the place. It is still, however, understood that Mr. Crane will accept the position, and there is a strong belief that the conference was for the purpose of outlining preliminary steps in the next campaign. The fact that Mr. Roosevelt will receive the nomination for President gives him and his friends every opportunity to begin steps toward setting in shape for the campaign. Just as soon as they wish, by beginning some organization they will also be in a position to stamp out incipient opposition to the President wherever it arises. It is likely that within a short time some official announcement will be made of Senator Hanna's determination not to manage the next campaign and the President's desire to have the place go to ex-Gov. Crane.

MURRAY CRANE. Stated as successor to Hanna as national Republican chairman.

COLOMBIA PREPARES TO INVAD PANAMA

FORTIFY BORDER POSITIONS

Cruiser Atlanta Locates Army Near the Atrato River.

SPECIAL CORRESPONDENCE TO THE GLOBE-DEMOCRAT. COLON, December 17.—The United States cruiser Atlanta, Commander Turner, has returned here from the Gulf of Darien. On the way, on December 15, she overhauled a Colombian schooner with troops aboard. The Atlanta also discovered 500 Colombian troops in camp on the western side of the Gulf, west of the Atrato river. The American commander landed a party of marines. The Colombian commander protested against their presence and refused permission for them to proceed farther. Thereupon the Americans returned to the Atlanta. The Colombian carefully and systematically made efforts to furnish information as to what purposes had brought them to the Gulf, or whether they were building a road toward the republic of Panama. But it can be said that they are awaiting superior orders. In the meantime, there is strong probability that they are building a road toward Panama. They declare they had 200 men between the mouth of the Atrato and Thion. They also have several pieces of artillery mounted at coast points. Their demeanor showed hostility and deep distrust at having been discovered. Many indications pointed to the intention of bringing more men and supplies to the Gulf.
News Confirmed at Washington.
SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. WASHINGTON, December 17.—The press dispatches as to the readiness of Colombian troops by the officers of the Atlanta were confirmed to-day in a dispatch from Rear Admiral Coghlan. The statement that the Colombians were fortifying and preparing for an invasion of Panama was lacking in the advice from Coghlan. It is also stated that nothing has been received to confirm the statement that a protest had been made against the presence of the Atlanta in Colombian waters. No attention was paid to the by the naval officers.
It is said our naval officers are fully justified in making reconnaissance along the coast of the isthmus. Not only will marines be used to repel invaders from Panama, but plans have been fully perfected by the general staff for the use of troops along the isthmus to make certain the provisions of the treaty of 1904, for free transit across the isthmus, are not violated.

ENGLAND SERVES FORMAL NOTICE FOR EQUAL SUGAR RIGHTS

Demands Entry of West Indian Product on Same Terms as Cuba.

RESULT OF THE CUBAN BILL.

WASHINGTON, December 17.—The President signed the Cuban reciprocity bill a few minutes before 1 o'clock this afternoon.
The bill was taken to the White House by the chairman of the House committee on enrolled bills. With the same bill pen which the President had just signed the bill, the President affixed his signature to the bill, thus making it a law. The pen belongs to Minister Quintanilla.

Now that the bill has become a law, a question of great interest has arisen, namely, the effect of the reduction of the duty on Cuban sugar upon importations of sugar from other countries. The British government has served formal notice on the state department that under the favored nation clause it expects that British sugar from the British West Indies shall be admitted into the United States on equal terms with Cuban sugar, and it is not doubted that Germany, France, Austria and the other great sugar producing countries will follow suit. An old holding of Attorney General Olney in President Cleveland's administration was adverse to such demands, but the question promises to be reopened with vigor.

REPORT MORGAN OUSTED FROM THE STEEL TRUST

SPECIAL DISPATCH TO THE GLOBE-DEMOCRAT. NEW YORK, December 15.—The World this morning says: Andrew Carnegie and John A. Rockefeller, it is said on good authority, have come to a definite agreement as to the future of the United States steel corporation, otherwise the steel trust. The agreement eliminates J. Pierpont Morgan and all of his directors from the corporation and provides for a radical reorganization of the corporation, by which all of the Morgan-Rockefeller men. It is agreed that there shall be a further reduction of expenses.
The date agreed upon for the many sweeping changes planned is not known, but they will undoubtedly be effected as soon as possible, probably soon after January 1. It is said that Mr. Rockefeller has recently secured an enormous block of steel corporation, otherwise the steel trust. Mr. Carnegie to aid him in a complete reorganization of the great corporation. At the time of the formation of the trust Rockefeller put into it as his share the Lake Superior iron mines on a large valuation. Mr. Carnegie insisted on having the first mortgage bonds for the Carnegie works, thereby retaining to himself the whip hand in the affairs of the trust.

Colombia Thoroughly in Earnest.

SPECIAL CORRESPONDENCE TO THE GLOBE-DEMOCRAT. HARRANQUILLA, December 14.—Unless the governor of the department of Cauca is given 500 men, the Colombian army extended me, I shall leave to-day or to-morrow for Bogota. I shall have to travel much of the way on muleback, but I should arrive, if there were no accidents, in Bogota in 10 or 12 days. In the meantime I am mulling over this exclusive information, but for obvious reasons can not give the places, and I wish to add just here, that if the people of the United States do not believe that the Colombians are thoroughly in earnest, they are very much mistaken.
The information I refer to is this: General Ortiz and Novo both have small armies near the Panama line, and are making every preparation for an invasion. The Carriena and the Penzon, Colombian camps have been prepared and a base of supplies will be established. It is my belief that the San Blas Indians, ordinarily hostile, have been thoroughly placated, and they will refuse to deliver any information to scouting parties from American ships.
There is some little discontent over the proposed presence of Gen. Reyes, but the wiser heads realize that a business of such import to a people can not be dealt with hurriedly.
CLIFFORD SMITH.

Nicaragua Extends Recognition.

WASHINGTON, December 17.—Acting Secretary to-day received a cablegram from United States Minister Merry at San Jose, Costa Rica, stating that the government of Nicaragua has recognized the new republic of Panama by appointing a consul at Panama City.
Panama-Vallarta Praises Roosevelt.
PHILADELPHIA, Pa., December 17.—P. Panama-Vallarta to-day delivered an address before the members of the American academy of political and social sciences. The Columbia Under which the New Republic Was Founded. Mr. Panama-Vallarta said in part:
"The selection of the Panama route in preference to the Nicaragua one by the senate of the United States has been the beginning of a great victory of science and verity over prejudice and superstition."
Mr. Panama-Vallarta said that President Roosevelt has, in all his acts, asserting that the Republic will have the President's authority to do all he had done. He said that Colombia's course amounted to an attempt at blackmail.

Sunday, August 3, 1975

MEMBER TEXAS PRESS ASSOCIATION

Do You Remember

BY HERMAN DEMPSEY

During the early part of the oil field activities in the area, many oil field workers and producers complained about the dirt roads they had to use for movement of materials and equipment. The county officials started looking around for information on paved roads in use in other parts of the country. They found there had been 1600 miles of paved road built with brick and was serving in a satisfactory manner. Since there was an active brick plant in operation near the location where the main road was to be hard surfaced, it was decided to build the brick road rather than the higher cost of the new asphalt covered road. Asphalt roads were not holding up at this time.

The road bed was prepared and a concrete curb was run on either side of the roadway. The curbs were poured so that the top would correspond with the top of the special brick which was made for the purpose of use in roads.

Could It Happen Again?

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — The House of Representatives may be returning to Austin before September 1 to consider the first impeachment proceedings in more than 40 years.

A select House committee already has directed its staff to draft several articles of impeachment against 229th District Judge O.P. Carrillo of Duval County.

Committee members rounded out their examination of the record in their inquiry into allegations against Carrillo last week in closed-door session.

They will vote in open session on the proposed articles.

If a majority of the 11-member panel vote to press any of the articles, the House must be called into session to consider them on the third Monday following the committee report.

The constitution further provides that the Senate must try impeachment charges brought by the House against certain state

officials, including district judges.

A two-thirds vote in the Senate is required to convict.

Fewer than a dozen serious impeachment proceedings have been brought in a century. Only one of these—the 1917 case against then Gov. James E. Ferguson—actually resulted in a removal from office.

Raids Continue

Comptroller Bob Bullock led more raids against sales tax-delinquent firms in the Dallas area which, he said, owe more than \$200,000 to the state and city.

The Comptroller's agents locked a restaurant, closed a concrete manufacturer, took inventories and equipment from a photo shop, appliance shop, air conditioning firm and microfilm service company.

Property seized will be sold at public auction to satisfy tax claims unless owners pay up, Bullock said.

He scheduled an auction

July 21 in San Antonio for nearly 15,000 cases of whiskey, wine and beer taken from three discount liquor houses whose owner owed \$405,000 in delinquent sales taxes.

Highways in Trouble

Texas Highways and Public Transportation Department cancelled August contract lettings because of inflated costs and declining gasoline taxes.

Both T.H.P.T.D. Engineer-Director B.L. DeBerry and Gov. Dolph Briscoe, meanwhile, expressed concern over President Ford's federal highway program.

DeBerry said reducing the federal highway trust fund would impose a heavier tax load on the states and further reduce construction.

Briscoe said the administration's offer to return one cent of the gasoline tax to the states "covers up an attempt to move two cents into the federal treasury and away from needs of the states."

Courts Speak

The Supreme Court upheld an injunction against a \$45 million Southwestern Bell Telephone Company long distance rate increase in Texas, pending outcome of a state legal challenge.

The High Court also denied Coastal States Gas Producing Company's proposal to move a suit over San

Antonio gas rates and supplies from the city.

In other recent cases, the Supreme Court held:

The State Board of Pharmacy should not be allowed to shut down 59 Walgreen drug stores during an appeal of a case involving a law against advertising prescription drug prices.

Conservation and reclamation districts can use maintenance funds to compensate persons damaged due to negligent use of motorized equipment.

Exxon Corp. is entitled to reversal of \$227,000 judgment arising from a job death case because company attorneys were not permitted to show proof the widow had remarried.

County funds must pay cost of publishing divorce case citations for the poor.

Third Court of Civil Appeals held the state sales tax constitutional.

AG Opinions

A city commissioner's continued interest in an old contract to buy water from the municipality for resale to rural customers would be a civil law violation, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

A county jail commissary must collect the state and city sales tax on all items sold to inmates except food, soft drinks and candy. However, a rehabilitation center commissary outside city boundaries must collect the

state sales tax but not the city sales tax.

Appointments

John H. Poerner of Hondo has been named director of the new Commission on Education Resources to assess school district finance capabilities.

Vernon McDaniel of Wichita Falls will succeed Poerner as executive director of the Governor's Committee on Aging.

Governor Briscoe named Dr. Bob D. Glaze of Gilmer to the Texas Board of Health Resources, succeeding Dr. Ronald M. Garrett of Waco who resigned soon after his appointment.

James N. Allison Jr. of Midland and Jim Reese of

Odessa were named co-chairman and recruitment committee chairman, respectively, of the Associated Republicans of Texas.

Short Snorts

Governor and Mrs. Briscoe and their two daughters are on an 18-day European vacation.

State government will have a \$27 million balance after spending \$12.1 billion during the next two years, according to Comptroller Bullock's latest calculations.

Texas labor's new legislative goals will be drafted at the AFL-CIO's state convention in Dallas July 23-26.

Oil News

Three projects have been announced for Eastland County Regular Field.

Hollensworth Oil Co., Cisco, will drill No. 1 Dwayne-Dockham two miles north of Eastland.

The planned 4,000 foot venture is located 748 feet from the north and 330 feet from the west lines of Section 213, Block 4, H&TC Survey.

Precision Petroleum Corp. of Austin will drill No. 1 Taylor-Davis - Gauss as a proposed 4,000 - foot wildcat in Eastland County.

Location is six miles southeast of Moran on a 320 acre lease.

It spots 1,650 feet from the south and 990 feet from the east lines of Section 467, SP Survey.

COMANCHE - D.L. Buxton Sr. of Dallas completed No. 3 - A.C. Wagon is the regular field two miles southeast of Sipe Springs.

Site is 850 feet from the south and 3,450 feet from the east lines of Section 56, D&DAL Survey.

Daily potential was three barrels of 38 gravity oil, plus five barrels of water. It is pumping from an open hole at 215 to 247 feet.

Staked as a new project was Buxton No. 4 - A.C. Wagon.

Having a proposed depth of 275 feet, it spots 600 feet from the south and 3,650 feet from the east lines of Section 56.

Dallas Oil and Gas Co. staked No. 1 - 34 - A Johnson as a proposed 4,100 foot venture in the Rector (Marble Falls) Field two miles northeast of Mingo.

Location is on a 193 acre lease, spotting 330 feet from the north and east lines of Section 60, Burleson CSL Survey.

West Artesia Transmission Co. of San Antonio completed No. 3 Carol Hunter in the regular field 14 miles southeast of Breckenridge.

Location is 660 feet from the north and 750 feet from the west lines of Section 32, Block 6, T&P Survey.

Daily potential was 46 barrels of 42 gravity oil, plus seven barrels of fracture water. It is pumping from perforations at 1,820 - 36 feet, fractured with 40,000 pounds of sand and 600 barrels of water.

Operator set the 4 1/4 inch casing at 1,880 feet, total depth.

ERATH - Texas Pacific Oil Co. Inc. staked No. 5 Texas Pacific (Diaz) in the Kiaz (Strawn) Field five miles southeast of trawn.

It spots 6,200 feet from the north and 4,400 feet from the west lines of Jose Diaz Survey, A '191.

The planned 1,700 - foot venture is located on a 3,023 acre lease.

George L. Buckles Co. of Monahans staked the other two locations. Both are slated for

2,700 feet.

No. 2 Anderson was staked 1 1/2 miles northwest of Pioneer on a 60 acre lease. Site is 2,975 feet from the north and 2,903 feet from the east lines of Heirs of Thomas Benson Survey, A - 21.

No. 1 Sheppard will be drilled two miles north of Pioneer on a 108 acre lease. It spots 330 feet from the south and 4,250 feet from the east lines of George Click Survey A - 52.

Tent Revival To Be At Carbon

An old fashioned tent revival will be held in Carbon beginning Monday, August 4. Services will begin at 7:30 p.m. each night. There will also be prayer for the sick each night.

Bowling Team Places At State

Out of the five teams of women bowlers from the Eastland area that went to the State Championship Tournament, only one team placed: Central Drug.

Bowlers on the Central Drug team were: Ima Ruth Taylor, Jackie Humphreys, Bertie Butler, Peggy Fisher and Myrtle Aaron.

The team placed in class D. They bowled 2206 pins, and won \$52.50.

Double winners in class C were: Charlotte Allen and Bonnie Murray who bowled 1004 and won \$30.00. Jacquelyn Cook and Peggy Fisher bowled 967 and won \$15.75. In Class D, doubles Joyce Hoover and Wacil McKnight bowled 903 and won \$12.00. Novice Class, Mackie O'Neal and Helen Sowell bowled 821 and won \$19.00.

In the singles Class D, Chris Langford bowled 485 and won \$12.00; Ottie Holloway bowled 482 and won \$11.00.

In All Events Chris Langford bowled 1368 and won \$5.00 and Ottie Holloway bowled 1364 and won \$4.00.

Bowling teams who are looking forward to the next TWBA and are ready to get the entry forms may contact Sandra Holloway at 629-1105.

A THOUGHT FOR THE WEEK

MONTY HOWARD

Many things seem wrong these days. More and more people complain that we have accepted, or at least tolerate conditions and situations which people in previous generations would never permit. Complaints are heard about personal pleasures - wild pleasures in human behavior. Intellectual arrogance is seen in some politicians and public officials who in some areas seek votes through promises known to be morally and spiritually wrong. Unreasonable zealots are seen intimidating authorities. Lunatic violence. Judicial processes and courts boldly rebuffed. And to these complaints you can add your own to an endless list.

Good intentioned people are bewildered by the dilemma of moral values turned topsy-turvy. What can be done about it? For one thing it certainly is not helpful to condemn everything and everybody. And we certainly don't need "new" concepts for correction of our faults. It should be obvious we need more adherence to the old rules; obedience to the 10 commandments. We need faith in religious reliance and an alliance with God...

Spot

The hot weather this week began taking its toll as pecan trees shed nuts and some yard trees began shedding leaves.

Peanuts have done well up to this point. Some growers report their dry land peanuts look like they have been irrigated. Some parts of the county have had good rainfall while other parts have gotten lesser amounts.

Eastland had 3.4 inches of rain during July. Weather observer James Dabney says that makes 17.74 inches of rain for the year. That's about average or a little more. Fortunately, the rainfall has been well distributed resulting in greener vegetation than normal for August first.

The hygrothermographs located in the peanut field of D.B. Warren and Gene Snider indicate that conditions remain good for leaf spot infection most of the time. Therefore, growers had better keep up the fungicide applications to prevent leaf spot.

Herman Schaefer of Nimrod thinks his father may have been the first peanut producer in Texas. He began growing peanuts about 1904 and owned a peanut thrasher in 1906. He wrote to the government statistical reporting service in Austin and asked for help on this subject. Paul Williamson, Acting Statistician, says he could not refute Mr. Schaefer's claim. Their records on peanut production in Texas only go back to the year 1919. Maybe some peanut growers in the area might help us on the early history of peanuts.

Stan Weeks of the Chaney Community won first place with his Holland apples in the DeLeon Peach and Melon Festival. Also had the second best peaches. Stan is manager of the Freeman orchards. He is Ben Freeman's nephew. He moved here from New Mexico this past spring to manage the orchards.

Bo Caraway and Glen Scitern of Kokomo are planning to revive sheep production in their area. Dr. George Ahlschwede, Extension Sheep and Goat Specialist, was here last week to visit with these producers.

The specialist thinks sheep producers have a bright future as well as Angora goat producers. Predatory animals are the main problem.

Dr. Ahlschwede reminded us of a conference on the production and marketing of Spanish goats on September 2, at the TAMU Research and Extension Center at San Angelo. This should provide an opportunity to pull together all the information which is available on Spanish goats and allow producers to glean that information which might be meaningful and profitable for their operations.

Although it's the middle of the summer, it's time to start getting things in shape for your fall vegetable garden.

Spring gardens generally did well in most parts of Eastland County although adverse weather conditions reduced some yields.

Now the fall gardening is approaching, and that means getting land prepared and getting transplants started as soon as possible.

From The Living Bible

I wish you could know how much I have struggled in prayer for you and for the church at Laodicea, and for my many other friends who have never known me personally. This is what I have asked of God for you: that you will be encouraged and knit together by strong ties of love, and that you will have the rich experience of knowing Christ with real certainty and clear understanding. For God's secret plan, now at last made known, is Christ himself. In him lie hidden all the mighty, untapped treasures of wisdom and knowledge.

Now: a solid state chassis
in every new color TV set

Sunday,
August 3, 1975

The GTE Sylvania 1976 line of color television sets features 100% solid-state chassis in every model. GTE Sylvania is a subsidiary of General Telephone & Electronics Corporation.

The new line places added emphasis on GT-Matic™ tuning which has gained great dealer, distributor and consumer acceptance since its inception in 1973. The 1976 Sylvania line includes 49 color sets and five home entertainment centers which are color TV/Stereo combinations. Forty-four of the sets and all home entertainment centers feature GT-Matic self-adjusting tuning.

Negative guard band tube

Included in most sets is a negative guard band black matrix picture tube, featuring a dark faceplate which absorbs room light and provides the highest contrast and sharpest picture ever offered by GTE Sylvania.

Of the 44 color television sets with GT-Matic tuning, 37 have GT-Matic II features. Models are available in 25-, 21- and 19-inch (diagonal) screen sizes. The GT-Matic II chassis feature two integrated circuits to assure that sets maintain optimum brightness and contrast settings without significant distortions of other colors.

All GT-Matic chassis offer a number of other unique features. Included is a "vertical countdown" integrated circuit that is equivalent in performance to about 120 conventional solid-state devices. It eliminates the need for a vertical hold control and keeps the picture steady despite electrical "noise."

THIS 17-INCH (DIAGONAL) color television set is part of the 1976 line of entertainment products from GTE Sylvania Incorporated. GTE Sylvania is a subsidiary of General Telephone & Electronics Corporation. Model CC51-55W is part of the Sylvania GT-Matic™ series of self-adjusting color television receivers. The chassis is 100% solid-state and its Dark-Lite™ picture tube absorbs room light to provide a high contrast, bright picture. Its white cabinet is constructed of high impact plastic. The stand is included in the manufacturer's suggested list price of \$429.95. All color sets in the 1976 Sylvania line have 100% solid-state chassis.

Other automatic circuits help compensate for the effects of airplane flutter, changes in line voltage, and problems originating at the program source. A separate circuit automatically adjusts the horizontal hold.

Exclusive circuit

An exclusive monitor circuit maintains the amount of color in the picture to pre-set levels. Perma-Tint™ which re-

duces annoying flesh tone variations, is built into all GT-Matic chassis.

Additional circuitry assures brightness and contrast despite variations from channel-to-channel and scene-to-scene and automatically locks in correct fine tuning.

The GT-Matic sets have a built-in option for consumers who wish to make adjustments to suit individual taste. Each set has a key which unlocks a

hidden tuning panel permitting the consumer to select new intensity, tint, contrast, or brightness levels if desired.

All 19- and 25-inch GT-Matic chassis contain plug-in transistors for ease of servicing.

There are 34 color receivers in the 25-inch (diagonal) series. All are GT-Matic models and 10 feature a 20-channel electronic UHF-VHF pushbutton Touch-Tune system. Five of these models have remote controls. All use the Dark-Lite 50 picture tube and range in suggested list price from \$769.95 to \$869.95.

Entertainment centers

Sixteen other sets have the Dark-Lite 50 tube and range in suggested list price from \$679.95 to \$779.95. Five use the Dark-Lite tube and have a suggested list price of \$659.95. Three sets have Color Bright 85™ picture tubes and range in price from \$578.88 to \$599.95.

The five home entertainment centers, 25-inch (diagonal) color/stereo combinations with built-in 8-track tape player decks, have the GT-Matic II chassis and Dark-Lite 50 tube. Suggested list prices range from \$1,095.00 to \$1,595.00.

One 21-inch table model and two 19-inch table sets are included in the GT-Matic II series. The 21-inch unit has detent tuning. Dark-Lite 50 picture tube and a suggested list price of \$549.95. The 19-inch tables also have detent tuning and the Dark-Lite 50 tube. One has remote control. List prices are \$529.95 and \$599.95.
