Art Association Labor Day Show

The Rockport Art Association will hold its Annual Labor Day Show and Sale at the new Rockport Racquet and Yacht Club on North Fulton Beach Road. Residents will remember this area as the property formerly owned by Mrs. Sibyl Means.

The Show and Sale will be on Sept. 5 and 6 from noon until 7 p.m. both days and it will be restricted to member artists as it has in the past.

Some of the local member artists who have already registered and will show are Steve Akin, Gertrude Bryant, Lil Cox, Kit Dinger, Bob Garden, Jo Hughes, Lee Jocelyn, Steve Russell, Estelle Stair, Nancy Stair, A. E. Wedgeworth, Eleanor Wedgeworth, Jan Wendell and Gunny Whitfle.

The artists will set up and show underneath the live oak trees and following the precedent set in former years, most of the works of the various artists will be sold at a reduced price.

Prior to 1971, the Labor Day Sale was always an annual event at the Association Gallery at 105 S. Austin, but this year the Association was invited by Global Land Corporation, the developer of the new Rockport Racquet and Yacht Club, to show at their grand opening over the holiday weekend.

If member artists need any further information, it may be obtained by calling the Ass'n. Gallery, 729-2478, or by coming by 105 S. Austin.

Leader Dogs for Blind People

The Rockport and Fulton Lions Clubs remind local area blind persons that if they need a Leader Dog to help them get around, please contact any member of either Lions Club and efforts will be made to secure such-trained dogs.

Lions Clubs work closely with Leader Dogs for the Blind of Rochester, Mich., which trains dogs for this purpose. The institution reports that during the past year, 211 Leader Dog teams graduated from the training course.

fect, relates to the penalty for leaving refuse garbage, rubbish or junk on or near a public highway. Any violation of this act by any person, firm or private corporation shall, upon conviction, subject the offender to a fine of not less than \$50 nor more than \$400 and each day of any such violation shall be treated as a separate offense.

Senate Bill 76 states: "A person who shall dump or otherwise dispose of trash, junk, garbage etc. on public highways, right-of-ways, on other public or private property etc. without written consent of the owner, his agent, or the public official in charge shall be guilty of a misdemeanor and shall be fined not less than \$15 nor more than \$200."

School Enrollment Reported Up 181

Supt. of Schools J. D. Gray reported that as of the close of the first day of school, Monday, 2,135 students had enrolled in Aransas County schools. Last year at the close of the first day of school, the total was 1,954.

Gray emphasized that during the next two weeks, additional boys and girls will be enrolling in the various schools.

So far, the enrollment breakdown is as follows: elementary schools, first through fifth grades, 998; Junior High School, sixth, seventh and eighth grades, 571; Senior High School, ninth, tenth, eleventh and twelfth grades, 566.

New Phone Books In Mail Sept. 7

The new Rockport telephone directories will be mailed to telephone customers on Tuesday, September 7, according to Virginia Hill, Manager for Southwestern Bell.

The new Rockport phone book will exceed all previous distribution records here with 5,400 copies mailed to homes and businesses. The directory contains 21 pages of alphabetical listings of local telephone subscribers.

Miss Hill said that nearly 9,400 copies of the new directory have been printed for distribution to local phone users and for future requirements.

The cover features a beautiful four color painting by South Texas artist, Dalhart Windberg, entitled "One Summer Day".

CHEERLEADERS — Leading cheers at Rockport-Fulton High School athletic events this year will be (standing, left to right) Pam Hill, Fufu Smith and Caye Bailey, and (in front, left to right) Jeri Smith, Lisa McDavid and Cathy Flores.

Labor Day Closings Are Announced

Among the places that will be closed on Labor Day, Sept. 6 are First National Bank, City Hall, Aransas County Court-house, Post Office and many stores.

Many out-of-town people are expected to spend the Labor Day weekend here enjoying fishing, golf, tennis, boating and attending the art show at the Rockport Racquet and Yacht Club.

Fulton Lions Club Fish Fry Success

The Fulton Lions Club fish fry Aug. 22 was well patronized and all members of the club wish to thank those who attended and helped make it a success.

The funds raised by the Lions Club are used for eye care, to aid crippled children and for other worthwhile projects.

Brownies, Girl Scouts to Register

All girls in the Second or Third grades who wish to be in Brownies this school year should bring their parent and come to the Girl Scout Little House between 4 and 6 p.m. any day after school next week, Tuesday through Friday.

There will be two Brownie troops. Mrs. Barney Green will lead Troop 411 on Mondays and Mrs. Robert Tillison will lead Troop 431 on Thursdays. Regular troop meetings will begin the week of September 13.

Girls in the Fourth, Fifth and Sixth grades should register for the Junior Troop which will meet on Wednesdays with Mrs. W. Rice as their leader.

Girls in the Seventh, Eighth, and Ninth grades are to register with Miss Whitney during Cadette Troop 361 meetings on Tuesdays at the First Assembly of God Church across from Rockport Elementary. This troop will have its first meeting Tuesday, Sept. 7 starting at 3:45 p.m.

All girls must re-register at this time. The annual fee is \$2 and a parent or guardian must sign for the girl. If there are any questions, call any of the leaders or Mrs. E. M. Armstrong, Service Team Director at 729-5728.

FHA Welcomes New Sponsors

The Richardson Chapter of the Future Homemakers of America would like to welcome Mrs. Tovar and Miss Mutscher, the Home Ec teachers, to Rockport.

Mrs. Tovar, daughter of Mr. and Mrs. J. L. Dominguez, is from Hondo, Texas. She graduated from Hondo High in 1968 and from TWU in May, 1971. Mrs. Tovar's husband, PCSA Carlos Tovar, is stationed in Newport, Rhode Island.

Miss Frances Mutscher, daughter of Mr. and Mrs. Marvin Mutscher, is from Giddings, Texas. She graduated from Giddings High School in 1967 and from TWU in May, 1971.

This is the first year of teaching for both.

The officers of FHA met them August 25 in their first meeting of the year.

Outdoor Writers To Meet Here

The annual meeting of the Texas Outdoor Writers Association will be held at Key Allegro Hotel, Oct. 2, 3, and 4, with approximately 50 writers expected to attend.

Carl C. Kueger, Jr., chairman of the board of Key Allegro Development and Sales Company, who will be one of the hosts to the magazine, newspaper and wire service writers, said a program of entertainment is planned including fishing, hunting, and sight-seeing. Frank Randt, owner of the Key Allegro Hotel is co-hosting the event.

It is expected that much favorable publicity about the Rockport area will be generated by this meeting.

Scout Troop 49 Overnite Campout

The North Jetties of St. Joseph's Island served the camping spot of several boys from Boy Scout Troop 49 this past weekend. The boys reached the spot in boats furnished by Scoutmaster Roger Bennett and Scout David Lang.

While camping out, the boys swam and fished. They caught flounder, trout, and sheepshead. Several of the scouts scuba dove along with Bennett and his brother, Bruce Bennett, from Beaumont.

The scouts who went were Ralph Aleman, David Brooks, Billy Bullman, Robin Crisp, Jimmy Don Davis, Charles Dupnik, David Lang, Ricky Morrison, Kerry Smallwood and Bradley Ward.

Five Boys Collect Over 1,200 Cans

Steven Radke, Charlie Edler, Robert Edler, Lee Hulsey and Gene Carter, all from 12 to 14, decided recently to set a new record for collecting old tin cans that had been tossed along streets and roads in this area.

Concentrating in the West Terrace area, they walked--and occasionally got parents to drive them in cars--and in two afternoons picked up more than 1,200 old cans which they deposited in the Girl Scout "Can Corral" at the corner of Magnolia and Concho.

Congratulations, boys, for setting a good example that we should all follow.

County Tax Rate Lowered 10 Cents

CLUBHOUSE WILL OPEN

A new 8,800-sq.-foot clubhouse, to be part of the Rockport Racquet and Yacht Club and Condominium, will open Labor Day weekend, according to Lou Guzik, executive vice president of Global Land Corp., owners of the new project.

Guzik said construction on the condominium will begin Sept. 15 and will cost about \$3 million. Included is an 80 unit condominium village, restaurant, private club and health spa, tennis courts, pools and a full service marina.

The construction site is located on Aransas Bay just north of the Aransas County Airport, six miles north of Rockport.

The condominium will be constructed of masonry and the units will feature two or three bedrooms, two baths, and will have all electric kitchens and fireplaces.

Global Land Corp. has resort property developments in several Southwestern states. The firm is based in San Antonio.

Cub Pack No. 49 Holds 'Roundup'

Cub Scout Pack No. 49 held its fall roundup and pack meeting Aug. 28 at Live Oak Elementary School cafeteria. There was a good turnout of boys and parents.

Cubmaster Jim Morgan conducted the meeting which opened with W. Den 5 presenting the colors and Webelos Bruce Carr leading the Pledge of Allegiance.

Jeffrey Goff received the Arrow of Light award, the highest award in cub scouting. He graduated from cub scouting into Troop 280 of the Boy Scouts. John Gravell received the Bobcat pin.

Shawn Baird was inducted into the Webelos Den in a ceremony with his parents receiving the Webelos Badge of Colors in kachefier. He was welcomed into the Webelos by Den Leader Jim Cruser.

Cubmaster Morgan gave a brief talk to introduce a film on cub scouting shown by Tillman Firzrell.

Totem pole count gave the Webelos Den the Totem Pole until the next pack meeting.

Den mother Linda Goff prepared the refreshments furnished by the pack. The den mothers helped serve.

School Tax Levy Remains Same

The Board of Trustees of Aransas County Independent School District held a special meeting for the purpose of a budget hearing for the 1971-1972 school year on August 26th. A preliminary study of the proposed budget had been made on August 9th. A budget was adopted at the budget meeting with estimated expenditures approved in the amount of \$1,731,066.00 with estimated receipts set at \$1,750,634. Both expenditures and receipts include \$91,000.00 in Public Law 874 funds for disaster relief. Practically all repairs have been completed but not in time to close the account before September 1, the beginning of the new fiscal year.

A total tax levy of \$1.61 was set by the Board, the same levy as in the 1970-71 school year, thus no increase in taxes, even though the budget for 1971-1972 exceeds that of 1970-1971 by the amount of \$230,346.00. This amount includes the disaster relief funds. The increase in the regular operational budget amounts to \$139,746.00, which is largely due to increased instructional costs. Three additional teachers were added during the year in 1970-1971 due to an unanticipated increase of 13% in total enrollment. It was necessary to add seven additional teachers for the 1971-1972 school term plus a new position of Assistant High School Principal. There are now 121 professional employees in the entire school system.

Grand Jury List Is Selected

A list of 20 prospective grand jurors has been selected for duty when the 36th District Court grand jury convenes Sept. 7.

Names selected were D. H. Roberts, R. A. Johnson, Joe Price, Bert Harry, William M. Brown, Jr., Vicente Corpus, Mrs. Innocencio Cruz, Joe Valdez, Jr., Erle Eller, J. D. Heselstine, Milton Sparks, Robert Stroot, Lee Roy Young, Harry S. Allen, Phillip Baldwin, Walter S. Falk, Jr., J. H. von Pein, Robert M. Hill, John Gove and Don Meek.

Fire Station Nears Completion

As shown in the accompanying photograph, the new fire station soon will be completed and ready to accommodate the men and equipment of the Rockport Volunteer Fire Department.

The City Council awarded a contract to Port Construction Co. for \$55,000 to build the new fire station.

The Council made the award after reviewing specifications submitted by Port Construction

Company, Canterbury Construction Co. and Pickett-McMillan, setting forth what each builder would construct for \$55,000.

Port Construction Co. is erecting a 60 by 100-foot metal building on concrete slab.

In addition to adequate space for fire fighting equipment, the building will contain such features as a meeting room and police office and photo darkroom. It is planned to move the city police department office from the city hall to the new fire station.

Aransas County Commissioners Tuesday adopted a budget for 1972 calling for the expenditure of \$622,168, and at the same time announced a decrease in the tax rate from \$1.10 to \$1.00 per \$100 valuation. Total valuation in the county was estimated at \$46 million.

Although this will be gratifying to taxpayers, it will be remembered that the county earlier had announced that the assessment ratio for tax purposes had been increased from 20 to 25 per cent.

It was announced that expenditures in 1972 will be at least \$60,000 more than this year due to some of the following expenses:

--Tax office: hiring a new deputy to replace a part-time worker, increase of about \$3,000.

--Creation of new District Clerk office: increase of approximately \$7,000.

--Sheriff's Department: new deputy, new equipment, increase of approximately \$7,000.

--Legal fees for juvenile hearings, \$1,000 increase.

--Payment to Driscoll Children's Hospital for medical care for Aransas County children, \$2,000.

--Principal and interest on new air conditioning equipment for courthouse, \$15,000.

--Oil spill control, \$1,000.

--Principal and interest on new Key Allegro bridge, \$16,500.

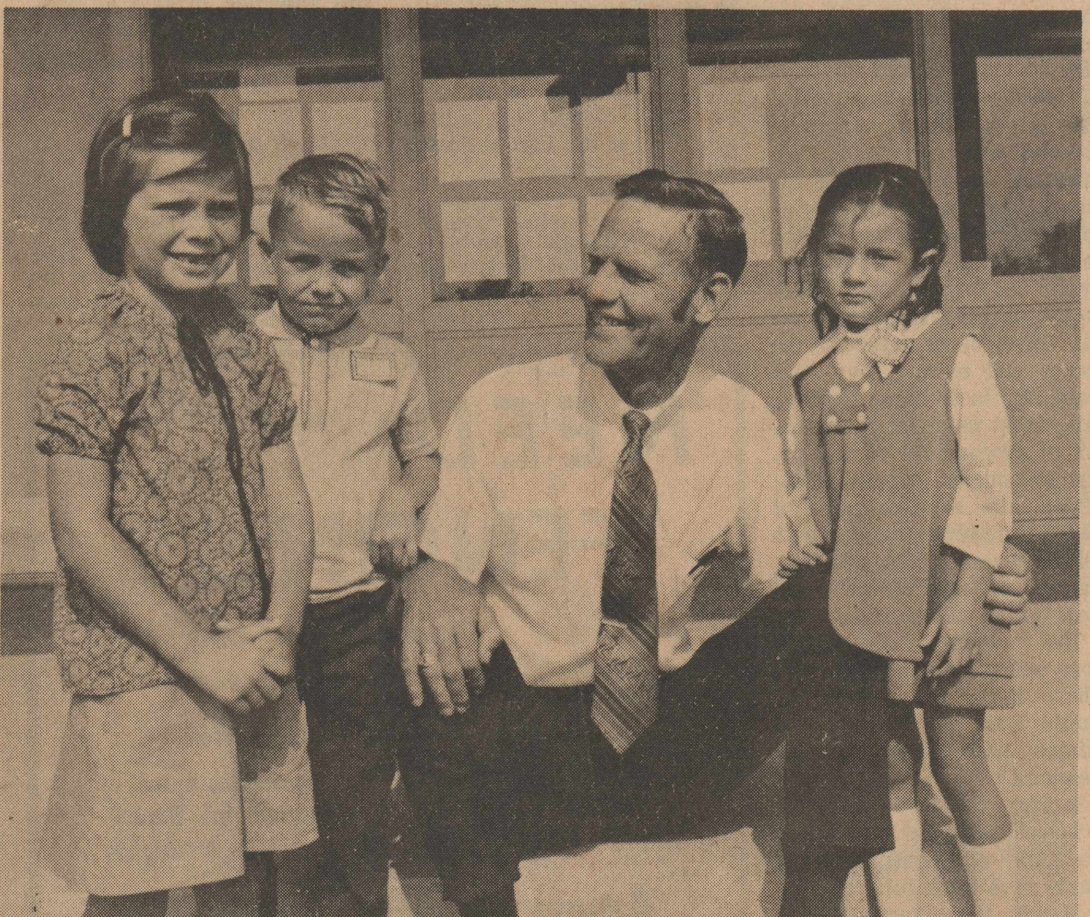

It was announced that in 1972, when the county has both a county clerk and a district clerk the county clerk will receive \$9,315 per year and the district clerk will get \$6,520.

Before the commissioners adopted the budget, a delegation from the Rockport Volunteer Fire Department explained their dire need for additional funds for fire fighting equipment and asked the county to increase by \$3,000 the amount budgeted for the fire department. The commissioners said they would try hard to "squeeze out" the additional amount if possible.

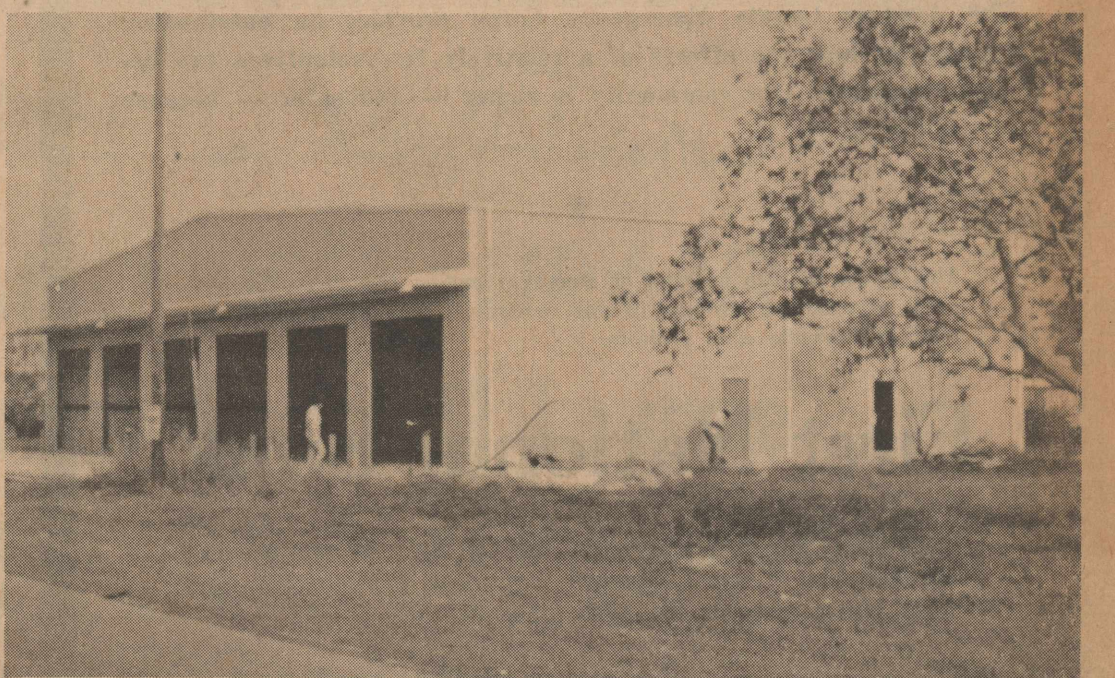

Other actions by commissioners court included:

--Appointment of Tom Moore and Blas Ramirez as new members of the County Library Board.

--Accepted the July report from Aransas County Airport listing takeoffs and landings at 920; gas sales, 5,755 gallons; and jet sales, 7,625 gallons.

FIRST DAY AT SCHOOL — Principal James F. Gillis of Live Oak Elementary School greets three children coming to school for the first time and explains that going to school will be a wonderful experience. The youngsters (left to right) are Sue Tumlinson, daughter of Mr. and Mrs. James Tumlinson; Mikeal Dupnik, son of Mr. and Mrs. Charles Dupnik; and Cristina Garza, daughter of Mr. and Mrs. Pablo Garza.

NEW FIRE STATION — The new fire station, on Concho Street just west of the county jail, is nearing completion. It is being built by Port Construction Company for \$55,000.

Pirate Football News

By Bob Crawford

One week from this Friday night is the opening of the regular season for Rockport-Fulton, when the Pirates meet the Panthers of Aransas Pass.

Much as been done in the Pirate football sessions during the past week, including a scrimmage against Flour Bluff. This past Friday night the Pirates yielded only one offensive touchdown, but failed to score themselves, coming out in the short end of a 1-0 score. In a scrimmage, however, no team is the loser. A scrimmage is used to point out where a team is strongest and weakest. The Pirates found their ground game a little on the weak side, and the passing game adequate as quarterback Craig Thornton hit on 10 of 22 attempts for 95 yards, mostly to tight end Clay Gillis and fullback Travis Bailey. The Flour Bluff defense was especially tough in the linebacking corps where former Balti-

more Colt Butch Riley, who coaches the Hornet defense, has spread his professional experience on to some excellent high schoolers. It seemed like everywhere one turned, a line-backer was in the way.

The Pirate defense hit hard and only allowed the one score on a long pass. The defense led by Riley, Jerry Picton, Mark Wright, and Steve Arispe stopped two other drives inside the ten yard line to show the Hornets that they were tough also.

The Pirate JV came out of the scrimmage with one score to three scores for the Hornets; meanwhile, the Freshmen held their own in their part of the action.

This Friday night the Pirates will host the Bloomington Bobcats in a scrimmage at a time not yet set. Bloomington features a gigantic line and breakaway backs. The scrimmage will also be the last warm-up for both teams before the chips begin falling where they may.

A grand slam Scotch for some gold tournament will be held at Live Oak Country Club Sunday, Sept. 5 starting at 2 p.m. Entry fee will be \$3 and the prizes will be bigger than usual. Deadline for registering is 1 p.m.

A regular Scotch for some tourney will be held at 2 p.m. Monday, Sept. 6, Labor Day.

Bond Sales Total \$31,027

Fred Bracht, Chairman of the Aransas County Savings Bonds Committee, reported today that sales of Series E and H United States Savings Bonds in the county totaled \$1,802 during July. Sales for the first seven months were \$31,027 for 52 per cent of the 1971 sales goal of \$60,000.

July sales in Texas amounted to \$16,810,210 compared to \$15,454,922 during the same period of 1970 -- an increase of 8.7 per cent. Year-to-date sales were \$118,726,731, while 1970 sales totaled \$106,206,174 for an increase of 11.7 per cent.

National sales during the month were \$458 million -- 16.3 per cent above 1970 July sales. Sales for the seven-month period totaled \$3,243 million--17.4 per cent above a year earlier. Exchanges of Series E for Series H Bonds amounting to \$151 million were reported for the first seven months of 1971 compared to \$146 mil. exchanged in 1970.

Shirley Hesselstine, Shower Honoree

Shirley Hesselstine Horton, bride of Benny Horton, was honored with a miscellaneous bridal shower recently in the home of Mrs. Roger Bennett. It was given by several women from the Rockport Church of Christ.

A white carnation corsage with blue trim was presented the honoree and mothers of the couple, Mrs. J. D. Hesselstine and Mrs. Margie Horton. A floral arrangement of pink and blue centered the serving table which held a cake decorated with blue trim. A crystal punch service completed the setting.

Hostesses were Mrs. Elvin Haigood, Mrs. Irene Moore, Mrs. Lois Eitel, Mrs. Billy Harper, Mrs. Howard Gilliam, Mrs. Pauline Procknow, Mrs. Johnny Stephens, Mrs. Richard Sharp and Mrs. Roger Bennett.

Approximately 35 guests attended the shower

All Whitewing Hunters Need Special Stamp

Austin - Persons exempt from hunting license requirements must still buy the special whitewing stamp if they are to take part in the Sept. 4 and 5 and Sept. 11 and 12 whitewing hunt, according to Texas Parks and Wildlife Department officials.

"Anyone who hunts whitewings must have a stamp," said James U. Cross, executive director of the department. This includes persons 17 years old and younger, 65 years old or older and persons hunting in the county of their residence.

The special stamps will be available from all regular license outlets and department district offices in the Rio Grande Valley area. Mourning dove hunters are not required to have the stamp.

Miss Frances Dietrich, Eldon E. Glenn, Jr.,
Exchange Vows July 23

Miss Frances Olivia Dietrich and Eldon Eugene Glenn, Jr. were married July 23 in the First Baptist Church with the Rev. Charles Fake officiating before an altar decked with two candelabra and baskets of white gladioli.

Parents of the bride are Mr. and Mrs. James Dietrich, 1102 N. Austin, and the groom is the son of Mr. and Mrs. E. E. Glenn, Sr., of Aransas Pass.

Given in marriage by her father, the bride wore a formal length gown of white peau de soie styled with an empire waistline and scooped neckline. Re-embroidered Alecon lace accented the scallops around the edge. A crown of pearls held her veil of illusion. She carried a bouquet of white carnations centered with an orchid. Mrs. Mary Davidson, cousin of the bride, was matron of honor. Maid of honor was Mary

Steward, bridesmaid Barbara White, and Lorie Dietrich, sister of the bride, was flower girl. The bridesmaids' dresses were formal empire gowns of maroon satin with beige lace sleeves accented with maroon satin. They wore a beige bow in their hair and each carried a long stem white carnation.

Best man was Eldon Eugene Glenn, Sr., father of the groom. Groomsmen were Marlan McCutchan and George Davidson. Ushers were Steve Collins and Joseph Harmon. Byron McCutchan, nephew of the groom, was ring bearer.

The bride's mother wore an aqua double knit dress with matching accessories and white orchid corsage. The groom's mother wore a gold double knit suit with matching accessories and white orchid corsage.

Following the ceremony a reception was held in the fellowship hall of the First Baptist Church.

Mr. and Mrs. E. E. Glenn, Sr., were hosts for the rehearsal dinner in the fellowship hall. Arrangements of pink gladioli decorated the white table cloth. Twenty-five guests attended the dinner.

A rice bag party was given in honor of the bride by Mrs. Marlan McCutchan of Corpus Christi. The ten guests were entertained with a barbecue supper.

The bride was honored with a miscellaneous bridal shower at her home with Mary Davidson as hostess. There were 20 guests present.

Out of town guests for the wedding were Mr. and Mrs. Elbert Elliot and family, Mr. and Mrs. Bobby Watts, Mr. and Mrs. James Elliot and Arthur Moreno, Banning, California; Mrs. Johnny Middleton, Mrs. Maudie Bryan, Mr. and Mrs. Bob Moore, Miss Fanny Bryan, Mrs. Shirley Southern and daughter Virginia, San Angelo; Mrs. Bill Moses and son Kyle, Mr. and Mrs. Marlan McCutchan and son Bryne, Corpus Christi.

Mrs. Morris McCutchan, Mrs. Paul Kullman, Deborah and Mark Kullman and Debbie and Mark Kullman, Mr. and Mrs. C. J. Ruhmann, Mr. and Mrs. Steve Collins, Gary, David and Debbie Hale, Kim Trimmer, Johnny Shed, Joseph Harmon of Aransas Pass; Mr. and Mrs. George Davidson and daughter Vida, Fulton; Mr. and Mrs. Tony Tuscana, Fort Stockton; and Mrs. J.S. Gilbert and son of Corpus Christi.

The Kinsey Report

Continuing last week's narration about the ladies who in 1909 formed the Civic Improvement League in 1909, we note the following from the old records dug up by Dr. A. Ray Stephens, who was commissioned to write a History of Aransas County, 1871-1971.

"One of the committee interviewed Mr. Brice who welcomed the idea of a new up-to-date hotel and declared it would be an immense advantage. All we needed was the right class of people.

"Dr. Bailey advocated liberal advertisement as a health resort both winter and summer and that some immediate attention be paid our city and country wards as well as parks. This advice was backed up by a practical offer of help in the way of getting up a series of entertainments to defray expenses on one park.

"Our mayor, Mr. Traylor, gave an outline of the financial condition of the city which revealed a rather discouraging situation, so serious indeed as to inspire further desire on the part of the League for immediate action.

"The inadequate hotel accommodations seemed the chief obstacle to success and were mostly discussed. Mrs. Glaeser thought it would be wise for the citizens to offer a bonus as an inducement toward the building of a modern hotel.

"Mr. A. L. Bracht suggested getting into communication with the passenger department of the San Antonio and Aransas Pass Railway Company as he had heard it frequently remarked by the officials that if Rockport had proper accommodations to offer to the traveling public, they would not need to recommend that their patrons to Corpus Christi and elsewhere.

"Mr. Gaffney pointed out the necessity of guarding our bay-front driveway from further damage by storm and flood--a riprap causeway being the most secure method of preventing further encroachment by rising water. He offered to print any information to the Enterprise that would help further the object of the League.

"Mrs. Hooper said she was much in favor of beautifying the parks and referred with pardonable pride to the work done by our Cemetery Association but thought the city Council must first provide SOME WAY OF PROTECTING THE PARKS FROM CATTLE AND HORSES NOW ALLOWED TO WANDER THE STREETS AT WILL."

Free License Tags for Some Disabled Vets

Certification of Texas veterans disabled 70 percent or more for qualification to receive free license plates for one automobile or light commercial vehicle will be done by the Veterans Administration.

According to P. J. Mims, director of the Houston VA regional office, more than 14,000 Texas veterans are 70 percent or more disabled and entitled to the license tag fee exemption. To qualify, the veteran's disabilities must be evaluated as service connected at least 70 percent.

Mims said that eligible veterans should act now to establish their entitlement to the exemption which was approved by the last Texas legislature. Texas motor vehicle authorities must have the request by October 1, 1971 to qualify the veteran for free license plates in 1972.

The forms for application have been distributed by Texas officials to VA offices, Texas Veterans Affairs Commission and County Veterans Service Officers. They may also be obtained from tax collector's offices and district offices of the Motor Vehicle Department.

Mims pointed out that since Texas officials do not know which residents qualify, so it is

the responsibility of each veteran having a 70 percent service connected disability to make application.

Once the veteran has completed his application and obtained the necessary certification from the VA, the application for free tags must be submitted before October 1, 1971 to the Motor Vehicle Division.

A fee of \$1.00 must be tendered with the application for handling and mailing by the state.

Mims said that in view of the October 1 deadline veterans are cautioned not to wait until the last few days in September before obtaining the required VA certification.

Fix-It Tip

Here are a few safety precautions to observe if you are painting the exterior of your home:

- Always face the ladder when climbing up or down and hold on with both hands. Tools and supplies should be carried up in your pocket, or haul them up with a line.

- Be sure paint bucket, tools and other supplies are secure. Falling objects can injure persons walking below.

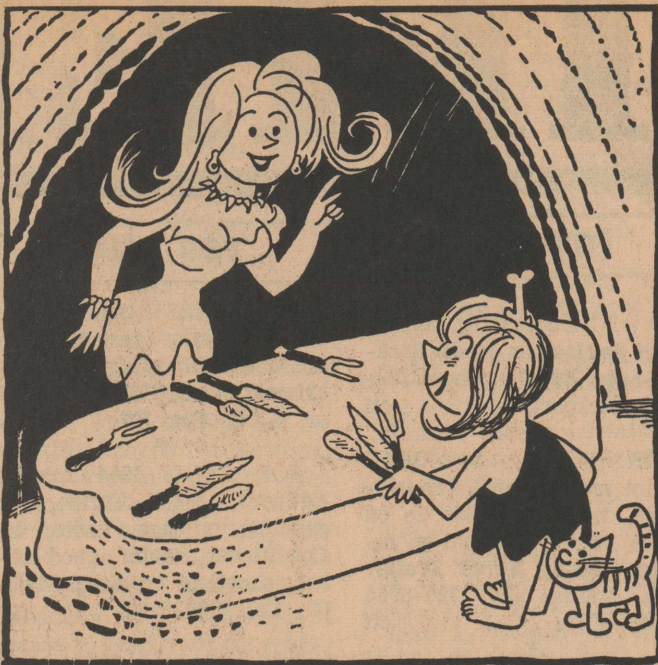

- Do not overreach when painting; move the ladder frequently instead of risking a fall; keep your belt buckle between the rails.

In the Kitchen

REUBEN PIE

1 8-inch unbaked pie shell
1 8-oz. can sauerkraut, well-drained
2 (4 1/2-oz. each) cans corned beef spread
2 tbsps. chopped green pepper
1 tsp. horseradish
1/2 cup grated Swiss cheese

Drain sauerkraut well, press with fork in collander to remove all excess liquid. Line bottom of pie shell with sauerkraut. Combine corned beef spread, green pepper and horseradish. Spread over sauerkraut. Top with grated Swiss cheese. Bake at 400 degrees for 20 minutes. Makes 6 servings.

Aransas County, Texas

Doves Classified As Migratory Birds

Austin -- Those dove hunters busily unplugging their shotguns for the dove season had better take another look at the law, according to Texas Parks and Wildlife Department officials.

When the Parks and Wildlife Commission removed the three-shell limit on shotguns, they did it only for non-migratory birds such as quail and turkey.

Migratory birds, and these include both mourning and white-winged doves, can be legally hunted with shotguns only if the shotguns are permanently plugged to hold three shells. Other migratory birds in Texas are ducks, geese, brant, coots, rails, gallinules, jacksnipe, woodcock and sandhill cranes.

"We've had some reports that dove hunters are happily anticipating the coming dove season because they can do more shooting with unplugged guns," said James U. Cross, executive director of the department.

"These hunters have obviously misinterpreted the law," he said.

Life With The Rimples

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Another tool in the fight against drug addiction was passed into law by the Texas Legislature recently when it gave the Texas State Department of Health authority to license and regulate methadone maintenance programs.

Methadone treatment, which substitutes methadone for heroin, isn't new. It allows an ad-

dict to go about his regular work without the terrific expense and debilitating effects of heroin. Regulations will be adopted by an advisory committee in the near future to become effective in the fall of this year. Another step in learning more about addiction was taken by the Legislature, which created a Research Advisory Panel to approve or disapprove research

projects on humans in the fields of narcotics and dangerous drugs. The seven-member panel will consist of representatives from the State Health Department, State Department of Mental Health and Mental Retardation, State Board of Pharmacy, Attorney General's office, and the University of Texas System.

The law permits the Texas Department of Public Safety to provide narcotics or dangerous drugs to the heads of approved research projects as the drugs are available. The law will facilitate research to determine drug effects on humans, particularly marijuana, and thus give the public scientific base line data from which to draw conclusions on the dangers or benefits of these drugs.

Methadone maintenance isn't a new concept in Texas, although its wide-spread use as a drug abuse tool is a recent development. In 1946, U. S. intelligence teams learned that Germany had discovered a new class of potent analgesics with a different chemical structure than morphine. That drug was methadone. Since then, methadone has been used in federal hospitals at Lexington, Kentucky, and Fort Worth, and by private physicians in hospitals to detoxify narcotic addicts. Legally methadone is classified as a research drug when used in maintenance programs because the risks of taking the medication at this high dose over a prolonged period of years are not known. Therefore, both Federal and State regulations on methadone must be followed.

State Saltwater Fish Records Established

Austin - A record year, literally, is shaping up for fishermen along the Texas Gulf Coast.

Two new saltwater records have been established by the Texas Game Fish Records

Committee of the Texas Parks and Wildlife Department - a spadefish seven pounds, 12 ounces, caught July 7 out of Port O'Connor by Durrell Hyatt of Austin, and a 33-pound barracuda caught by D. W. Broadie of Fort Worth on June 6 at the whistling buoy off Port Aransas.

Both categories were open and both fish far exceeded the minimum entry weight, one pound for spadefish and 20 pounds for barracuda. Broadie's 'cud measured 54 inches in length and the spadefish caught by Hyatt was 18 1/2 inches long with a girth of 23 1/4 inches.

And a real heavyweight contest began in July. First, Dale E. Whitehill of the Corpus Christi Shark Association caught a 375 pound tiger shark off the Port Isabel jetties. Three weekends later, Norman J. Bateman, president of the same shark club, also caught a tiger shark, this one 531 3/4 pounds. Both were verified with documents and photographs.

In the meantime, however, a Texas City angler wrote to ask the committee if his 760-pound tiger shark might "come close to a state record." Proof of weight and newspaper clippings he then sent to Austin identified Ken Higginbotham as the tentative, if temporary, tiger shark champ. He caught the monster July 3 at the Galveston jetties on 130-pound test line. It measured 12 feet, 1 inch, with a girth of 69 1/2 inches.

The shark goes into the state record book as soon as either the jaws or a tooth can be used to positively identify the species.

Thomas A. Edison was granted more than 1,000 United States patents.

New Law About Windshield Wipers

Major Kent Odom, Commander of the South Texas Region of the Department of Public Safety, said that under the new uniform vehicle code we now have a new article of law on windshields and windshield wipers effective August 27, 1971.

The law states that no person shall drive a motor vehicle with any sign, poster or other nontransparent material upon the front windshield, side wings or side or rear windows of such vehicle which obstructs, obscures, or impairs the driver's clear view of the highway or any intersecting highway. The law further states that every motor vehicle must be equipped with a windshield wiper upon a motor vehicle shall be maintained in good working order.

For more information on this law or other new laws, contact the nearest office of the Department of Public Safety.

Waterfowl Seasons May Look Familiar

Austin -- The popular "point system" for duck bag limits goes into its second year of use in Texas when the curtain rises on the 1971-72 waterfowl season this fall.

The system is basically the same as last year, but two species of ducks have been given a higher point value by the Texas Parks and Wildlife Commission. Canvasback and red-head ducks each will carry a 100-point designation instead of last year's 90 points.

All other species have the same point rating as last year.

The duck and goose seasons are approximately the same as last year, too, with both starting Nov. 3. The duck season, however, closes Jan. 11 while goose hunting continues through Jan. 16.

The seasons, as usual, were set within the framework recommended by the U. S. Fish and Wildlife Service.

Shooting hours for ducks and geese will be one-half hour before sunrise to sunset daily, a change from last year when ducks could not be taken before sunrise. Bag limits on geese remain the same, five daily and in possession.

Daily bag limit on ducks will be "one to 10", with possession the maximum number which could be taken legally in two days.

The point system specifies that "the daily bag limit is reached when the point value of the last bird taken during the day reaches or exceeds 100 the day reaches or exceeds 100 points." So a hunter who kills a redhead or canvasback first has filled his limit for the day and must cease hunting.

Next to the canvasbacks and redheads, the highest rated ducks are 90-pointers. They are mallard hens, black ducks, wood ducks, New Mexican ducks and hooded mergansers. Ducks counting 20 points are mallard drakes, pintail hens, ring-necked and mottled ducks. All others count 10 points, except for the closed season on all tree ducks.

The commission also changed shooting hours closing time for the special teal duck season Sept. 11-19 to "sunset" daily, rather than the "one hour before sunset" as earlier specified by federal regulations. Bag limits are four daily and eight in possession during the September season only. Teal count 10 points in the regular season.

An extension was provided on the sandhill crane season, from Oct. 30 to Jan. 30 in the western zone, an increase from 72 days last year to 93 days; and from Dec. 4 to Jan. 30 in the eastern zone, up from 37 days to 58 days. Limits are three daily and six in possession.

Strictly Fresh

One of the best ways to serve leftovers is to relatives.

Some girls can make up everything but their minds.

Getting up with a grouch leads many a wife to contemplate divorce.

With inflation, "Pennies from Heaven" should have dollars in the title, but somehow it strikes a sour note.

Those who say they drive better after a few drinks aren't passengers in the cars they drive.

They do a lot of tackling in college football, but the alumni do most of the kicking.

Church of Christ

Many plans for Christian unity have been advanced of late. May I suggest that "American churchmen" go back to teaching the simple gospel and follow the design and pattern of the church as laid down in the New Testament. Where membership depends only on Faith in and Confession of Christ as the Son of God; Repentance from sins; Baptism by immersion for forgiveness of sins. (Acts 2:38, Mark 16:16) Christ is the head of His Church, and those that follow Him must not deviate from His laws concerning it. The church of our Lord is no democracy; Christ is King over His subjects. It is not given to men the choice of voting as to its laws or members, Acts 2:47.

NEW PARKING LAW PASSED

Major Kent Odom, Commander of the South Texas Region of the Department of Public Safety, announced today that three new sections of law relating to parking and driving of motor vehicles passed by the last session of the Legislature went into effect on August 27, 1971.

The article on unattended motor vehicles says that no person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the ignition and effectively setting the park brake and when the vehicle is parked on any grade, the front wheels must be turned to the curb or side of the highway.

The two articles relating to driving a vehicle say that the driver of any motor vehicle when traveling upon a down-grade shall not coast with the gears or transmission of such vehicle in neutral and that the driver of any truck, truck tractor or bus when traveling upon any down-grade shall not coast with the clutch disengaged.

For more information on these or other laws, contact the nearest office of the Department of Public Safety.

Medical writings indicate that influenza has been recognized since 400 B.C.

BIG CATCH — Chris Oliver, 12-year-old son of Mr. and Mrs. Donald J. Oliver, smiles proudly with two prize catches—a 41-pound ling and a 29-pound kingfish—which he caught recently while fishing from the Big Blue out of Port Aransas.

In the Kitchen

ZESTY DIP

1 (8-oz.) pkg. cream cheese, softened
1/2 cup crumbled Roquefort or Bleu cheese
1/2 cup catsup
1/4 tsp. salt
1/4 tsp. prepared horseradish

Beat ingredients together. When thoroughly combined, cover and chill to blend flavors. Use as a spread or dip. Yield approximately 1 1/2 cups.

Fix-It Tip

If a flat tire, empty gas tank or dead battery stalls you on a dark road at night, you can make a warning signal by stretching a long sheet of aluminum foil along the back and side of your car nearest the road. Secure the foil by closing the car doors or windows on it. The foil will reflect the headlights of oncoming cars and could be a lifesaver.

Texas Legislature. Producers will be given a six-month period (Aug. 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the

brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be re-recorded or re-recorded as provided by the new law.

The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days. The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of not less than \$10 or more than \$50 (Article 1486 P.C.)

The law as outlined above applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and re-recording of brands.

Garden Club Meets

The Peninsula Oaks Garden Club met in the Peninsula Oaks Office August 26 with the following present: Alice Morrison, Thelma Sours, Betty Abt, Dorothy Morrison, Bernita Kinsey, Beulah Dedmon, Mildred Bolls, Dottie Owens, Wanda James and new member—Jean Allred. Ruth Von Heydenreich of Alhambra, Calif., was a guest.

Mrs. Sours, president, called the meeting to order and the secretary and treasurer's reports were given. Mrs. Abt, treasurer, reported buying the Corpus Christi Garden Club Book for the club. She will give the book to a member each month for the gardening report.

Mrs. Alice Morrison, program chairman, gave the program—a report from a book called "Flowers of the World"—to appreciate and love flowers and learn their origin. She showed some of the specimens from her garden to illustrate. After this she passed out small pots of olivera cactus.

Mrs. Abt gave the gardening tips for September. Refreshments of cookies, furnished by Mrs. Alice Morrison, and ice tea by Mrs. Hugh Morrison were enjoyed during the social hour.

Mr. and Mrs. Hugh Morrison are enjoying a visit from her sister, Mrs. Ruth Von Heydenreich of Alhambra, California, who is spending her vacation here.

RESOLUTIONS OF RESPECT

WHEREAS: It has pleased Almighty God in His Divine Providence to call to his eternal home THOMAS DAVID PICTON, and

WHEREAS: Although his presence has gone from us forever, the memory of his friendship and his abiding loyalty will linger with us.

THEREFORE BE IT RESOLVED: That we extend our sincere sympathy to the wife, two daughters, two sons, two sisters and two brothers, of our esteemed member in their hour of great sorrow.

BE IT FURTHER RESOLVED: That a copy of these resolutions be sent to the family, a copy furnished the Rockport Pilot for publication and another entered upon the minutes of Rockport-Fulton High School Alumni Association.

Who Needs Seafood?

Austin -- Who needs seafood? Everyone, according to Ann Holden, seafood marketing specialist for the Texas Parks and Wildlife Department.

Seafood is an excellent source of protein, vitamins and minerals for everyone, regardless of the consumer's age.

According to Mrs. Holden, most young persons have few dietary problems and will choose fish on its merits as a tasty dish.

Older persons with chewing or digestive difficulties find seafood a wise choice because the relatively small amounts of connective tissue make the flesh tender.

These same advantages benefit children whose teeth aren't fully developed. And by buying fish fillets, mothers can eliminate the hazard of bones in the fish.

Fish is low in sodium, fat,

cholesterol and calories. Anyone on a diet with these restrictions can enjoy fish.

Fish is also an excellent food for those on a high protein diet.

The following is an excellent recipe for your family. For more fish recipes write: Seafood Recipes, John H. Reagan Building, Austin, Texas 78701.

OVEN-FRIED FILLETS or STEAKS

2 pounds fresh fish fillets or steaks
1 1/2 cup milk

1 teaspoon salt
1 1/2 cups cereal crumbs or toasted dry bread crumbs

1/4 cup melted fat or oil.

Cut fish into six portions. Combine milk and salt. Dip fish in milk and roll in crumbs. Place fish in a single layer, skin side down, on a well-greased baking pan, 15 x 10 x 1 inch. Pour fat over fish. Bake in an extremely hot oven, 500 deg., for 10 to 15 minutes or until fish are brown and flake easily when tested with a fork. Makes six servings.

"This is the way to travel—no engine breakdowns, no flat tires, no running out of gas and no traffic standstills!"

Starts Swimming Lessons at 3 Months

TINY SWIMMER — Little Alyson, four months old, is being taught to swim by her mother, Mrs. Michael Smith.

Mrs. Michael Smith started giving swimming lessons to her daughter, Alyson, when the toddler was only three months old. Mr. and Mrs. Smith live at Mobile Inn Trailer Park and Smith works at the Reynolds Ingleside plant.

When the baby started, she wore diapers and rubber panties. She took to the water like a little polly-wog and graduated to a real swim suit when she was four months old. She has learned to keep her mouth closed while in the pool and she uses her hands and feet like a veteran swimmer. She is a

delightful addition to the swimming group at Mobile Inn who all adore her.

Strictly Fresh

Playing dumb is an act that comes naturally to most of us, at times.

The speed at which gossip travels is due in large part to the number of people willing to relay it quickly.

Of course, fish is brain food. Consider what it does for the imagination of the angler.

Some of the funniest things on television are the ads for upcoming shows.
