Town Talk

By MAC McKINNON

Colorado City will have another new business by about Sept. 1.

Loyd and Midge Ledbetter, owners of the Dairy Queen, will be putting in a downtown donut shop, to be called Donut Alley, on Walnut where the Record office was formerly located.

Not only will donuts be available, but there will also be a lot of other services, among which will be old fashioned ice cream, homemade bread, cookies, pies, birthday cakes, yeast rising donuts and sandwiches.

The facility will be remodeled to seat 40 people.

Coffee, milk and soft drinks also will be available. There will be a drive-in window and later the Ledbetters plan to run a route with their goodies to stores, schools and businesses.

Speaking of schools, Colorado High and Middle School bands will be giving a concert at 8 p.m. Monday in the high school auditorium. Purpose of the concert, in addition to letting everyone hear the bands perform, is to raise funds for the band trip to Page, Ariz., the first part of May.

There will be no admission charge but donations will be accepted.

You can depend on High School Band Director Kent Holder and Middle School Band Director Bob Newman to put on a good program and you can be sure that our bands will give a good performance.

Our bands under the direction of Holder and Newman have done extremely well and are a tremendous pleasure to watch and hear. Make your plans now to attend the concert Monday.

Mrs. R. B. Baker this past week supplied the Record with a copy of the only special edition ever published by the Colorado City Record.

The special edition was dated Wednesday, Feb. 16, 1949 and at that time, the newspaper was simply called Colorado Record.

The occasion for the special edition was ground breaking ceremonies for the Morgan Creek dam. It consisted of four pages about the size of a football program.

The main story consisted of how the whole town shut down from 2 to 5 p.m. that Wednesday so that everyone could attend the ground breaking ceremonies.

The special edition contained various accounts and facts about the steam electric generating station to be built at the lake by Texas Electric Service Co., and information about how Colorado City residents could benefit from the use of lake water.

It seems rather odd that our government continues to do things when the public actively objects their actions.

Such is the case with the passage of the Panama Canal Treaties. All the polls indicated that the public was very much against with one poll indicating that 85 per cent of the public opposes passage of the treaties. However, the Senate went right ahead with President Carter pushing for passage all the way.

A lot of those public officials might have a lot of trouble getting re-elected. Our government keeps doing things like this and then they wonder why there is no public confidence in government.

Wolves Snatch Triple Crown

Colorado City's Wolves scored an impressive come from behind victory over arch-rival Merkel to take the district crown in 6-AA track competition in Ballinger Friday.

With the victory, the Wolves gained the triple crown in high school sports, having won district championships in football, basketball and track during the same school year. No one could remember Colorado City having accomplished this before.

First and second place winners in each event go to

regional in Lubbock next weekend.

In the junior division, Colorado City grabbed second place 13½ points behind first place Merkel.

The district championship did not come as easily this year as it did last spring for the defending track champion Wolves as competition was much stiffer than in previous years.

One of the major stumbling blocks for the Wolves was the loss to graduation of a number to top field event winners, persons

such as Steve Belvin, Jackie Ellis, Wayne McKee and Pete Parham.

However, a lot of those being counted on came through, noted Wolves Track Coach Robert Damron.

The Wolves trailed Merkel by 22½ points following field events. However, the depth of the Wolves in running events simply outclassed Merkel.

One event, the 880 yard dash, netted the Wolves 18 points and closed the gap as the Wolves finished first, third and fifth. J. D.

Lewis was first, Danny Torrez was third and Matt Sheppard came in fifth.

The event that put the Wolves out of reach of Merkel was the mile run when the Wolves took 24 points with the first three places with Ruben Garcia, first, Mike Johnson second and Dwayne Iglehart, third, all three far ahead of the field as they almost lapped the last place runners.

Then the icing on the cake came with the 1,320 yard relay. For the Wolves, Frank Sanchez took the first leg and finished in a dead heat with another runner, handing off to J. D. Lewis who finished just ahead of his competition and handed off to Mitch Hamer, who also finished just ahead of his competition. Hamer handed off to Ricky Sanchez for the anchor leg and there was no contest as Sanchez threw his heels in the air and left the other runners like they were standing still. He finished some 20 to 30 yards ahead of the nearest runner to give the Wolves an astonishing time of just over 3.29 minutes.

It was Ricky Sanchez who also thrilled Wolf fans with other performances as he ended the dominance of Ballinger's McQueen in the 120 yard high hurdles and won the event. He also won the 330 yard intermediate hurdles and in this race there was some controversy as the Wolves Jay Feaster finished third but was disqualified as a corner judge from Coahoma said Feaster hurdled with one leg around a hurdle.

The Wolves ended up with 134 total points to 101 for Merkel. In third place was Ballinger with 78½ points while Coahoma had 76; Stamford had 54½ and Wylie and Winters were tied for sixth place. Last year, the Wolves won by more than 100 points.

Others earning points for the Wolves in the high school division included Ricky Sanchez with a sixth place leap in long jump of 19-feet, 8½-inches. In the high jump, Ronald Proctor finished fifth with a leap of 5-feet, 10-inches. In the discus, Gary Hulme finished second with a throw of 147-feet, 10-inches; James Shoemaker with third and Womack was sixth. Hulme was sixth in the shotput with a throw of 43-feet, 9¼-inches.

In the pole vault, Squeaky Hanks was third with a vault of 12-foot and Gene Carter was fifth with a vault of 11-feet, 6-inches.

The 440-yard relay team of Ricky Ornelas, Larry Chaney, Frank Sanchez and Jay Feaster finished third. In the 100-yard dash, Kirk Stubblefield qualified for the finals and finished seventh. In the 440-yard run, Frank Sanchez finished second and Mitch Hamer was sixth. In the 220-yard dash, Larry Chaney was fourth.

In the junior division, the mile relay team of Jay Green, Arthur Reyes, Doug Johnson and Tim Womack was second; James Johnson finished seventh in the mile; Womack was fourth in the 330-yard run; Jay Green was second in the 220-yard intermediate hurdles; Carlos Olivarez was fourth in the 220-yard dash and Lynn Williams was fourth in the 70-yard high hurdles.

In the junior division field events, Mark Carter was third in pole vaulting with a vault of 10-feet, 6-inches and Ricky Beights was sixth with a vault of

Wallace Offers Spring Classes

Spring registration for courses offered at Wallace Community Education Center will be Monday from 7:30-8:30 p.m.

Registration will be at the Wallace Center.

Courses offered include:

--Belly Dancing, begins April 25, held Tuesdays from 7-9 p.m., \$27. Instructor: Dottie Dockter.

--Ceramics, Tuesdays 7-9 p.m., six weeks for \$6, small charge for firing.

--G.E.D., prepare to take the high school equivalency exam, ages 17 and over, Tuesdays from 6:30-10 p.m., no charge. Instructors: Bob Reilly, Orphie Conners.

--Beginning Guitar, ages nine and over, begins April 25, held Tuesdays from 7-9

p.m., six weeks for \$12. Instructor: Jolyn Mikow.

--Intermediate guitar, begins April 27, held Thursdays from 7-9 p.m., six weeks for \$12. Instructor: Jolyn Mikow.

--Beginning gymnastics, grades kindergarten through high school, begins May 31, held Monday and Wednesday from 2-3:15 p.m., six weeks for \$30. Instructor: Sarah Hardwick.

--Intermediate gymnastics, grades kindergarten through high school, begins May 31, held Mondays and Wednesdays from 3:30-4:45 p.m., six weeks for \$30. Instructor: Sarah Hardwick.

--Men and women's jogging club, no age limit,

organizational meeting May 9 at 6:30 p.m. at Wallace Gym, meeting time to be decided, membership fee \$15. Instructor: Janie Farda.

--Macrame, begins April 25, held Tuesdays from 7-9 p.m., four weeks for \$15. Instructor: Donna Dye.

--Spinning (natural dyeing), begins April 24, held Mondays from 7-9 p.m., six lessons for \$15. Instructor: Donna Dye.

--Water skiing (slalom), begins in June, three days per week for three weeks for fee of \$30, taught at Colorado City State Park, class limited to five persons. Instructor: Janie Farda.

--Beginning weaving, course will follow spinning course, begins at the end of May. Instructor: Donna Dye.

--Intermediate weaving, begins April 27, held Thursdays from 7-9 p.m., four weeks for \$12. Instructor: Donna Dye.

--Yoga (Hatha), no age limit, begins May 1 and May 2, held Monday and Wednesday/Tuesday and Thursday from 6:30-7:30 p.m., four weeks for \$12.50. Instructor: Sandra Bloodworth.

--Men's basketball, gym open on Monday and Tuesday from 7-9:30 p.m.

--Women's volleyball, gym open Monday through Friday mornings, cost: 25 cents.

Westbrook Names Honor Students

Pamela Parsons has been named valedictorian of the 1978 Westbrook High School graduating class.

Salutatorian is Roy Geiger.

Miss Parsons is the daughter of Mr. and Mrs. H. R. Parsons of Texas Electric Village, Colorado City. She has attained 90.78 grade average during her high school career.

Future Homemakers of America president this year, Miss Parsons has been active in various organizations and activities

at Westbrook High. She was a member of the one-act play and competed in UIL contests.

President of the student council this year, Miss Parsons is also a member of the National Honor Society.

She played basketball three years at Westbrook.

Geiger, son of J. A. Geiger of Westbrook, sports a 88.38 grade average.

A member of National Honor Society, Geiger is currently serving as treasurer. He is also a member of Future Farmers of America and is a member of the judging team.

Geiger is a member of the student council and was named to Who's Who Among American High Schools this year.

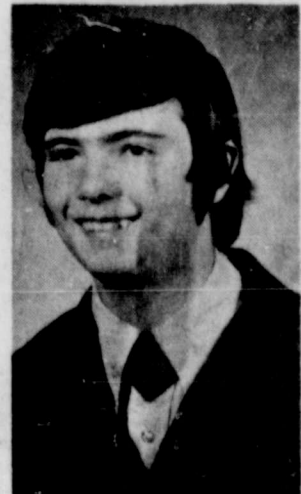

He has attended Westbrook School for 12 years.

Westbrook graduation will be May 16 at 8:15 p.m. in the high school auditorium. Baccalaureate services will be May 14 at 8 p.m. in the auditorium.

There are 13 seniors in the 1978 Westbrook class.

Bands To Present Concert

Tomorrow (Monday) at 8 p.m. a benefit concert will be presented by the Colorado High School and Colorado Middle School bands.

The concert is to be held at Colorado High Auditorium.

There is no charge for the concert, but donations will be accepted to help finance the Colorado High band trip to Page, Ariz., May 3-7.

According to J. C. Britton, Band Booster president, the benefit concert will replace the annual spring concert presented by the bands.

Hancock Battles System

Until late Friday evening it appeared that two teenagers arrested by Department of Public Safety Trooper David Hancock who were in possession of a stolen automobile and a stolen rifle would be given the keys to the car, the gun and allowed to go free.

Hancock had stopped the 1978 blue Outlass Oldsmobile, driven by an 18-year-old man who was accompanied by a 13-year-old boy, on a routine license check.

The driver was unable to produce a drivers license. Hancock ran a vehicle trace on the ownership and determined the automobile belonged to Budget Rent-A-Car in Tulsa.

He then contacted the manager of the company. The manager was unaware the car had been stolen and believed it to be still parked on the lot.

Hancock advised the man to report the vehicle stolen to the Tulsa police. Hancock took the two teenagers to the station and ran an identification check on the younger boy. He was reported to be a run-away.

See HANCOCK, Page 12

COLORADO HIGH'S boys tennis team was named the 6-AA district champs Thursday. Taking first in boys doubles was (left to right) the team of Freddie Alvarez and Tony Franco. Dale Adams (far right) scooped a second place in boys singles. Alvarez, Franco and Adams will be competing for the regional title Friday and Saturday. See related story Page 2.

Schafer Sustains Injuries

Fire Truck Has Freak Accident

A Colorado City Fireman is in the hospital as a result of a freak accident involving the fire truck he was driving Wednesday on West Highway 80.

L. O. Schafer, a regular member of the Colorado City Fire Department, was returning from fighting a grass fire that blazed out of control for more than 10 hours Wednesday evening.

According to members of the Volunteer Fire Department, who helped rescue Schafer, he stated he remembered seeing the wheel flash by his window and career off the road, bouncing high into the air. He said he had just enough time to wonder what in the world was going on before everything went crazy.

The left dual wheels on the truck apparently came loose with one continuing down the road for about 150 yards and hitting the house of Pascual Molina, then slamming against an old abandoned pickup where it came to rest.

The other tire was found beside the fire truck which had swerved onto the intersection of West Highway 80 and Farm Road 1983.

Running head-on into the 1983 road sign, the truck came to a stop.

Rescuers arrived on the scene moments later to find Schafer lying on the road side about 25 yards from the wreck, apparently thrown from the truck as the last wheel dropped and the truck slammed into the sign.

Schafer was rushed to Root Memorial Hospital by

ambulance with undetermined injuries. He was transferred to Shannon Hospital in San Angelo where he is being treated for a badly damaged hip, dislocated collar bone and multiple lacerations and bruises.

Members of the department stated that the truck had been in maintenance up until 10 a.m. Wednesday morning and that it had gone out on the first call at 10:10 a.m. to the grass fire on the Latimer place.

Firemen were forced to return three times during the day to fight the fire as it burned onto the Newby place, spread by constant, whirling winds.

Schafer was returning from one of these calls about 5:05 p.m. when the accident occurred. Volunteer Fireman Ray Dillard was following the truck and quickly came to the aid of the injured man.

Police and an ambulance were contacted and assisted in the rescue effort.

Officer Billy Ray Williamson, investigating the incident, reported a great deal of damage to the cab of the fire truck and the front window shattered as a result of the accident, caused when the lug nut on the dual left rear wheels came off and the hub dropped causing the vehicle to swerve and hit the highway sign.

Council Slates Airfield Tour

A tour of the auxiliary airfield northwest of Colorado City will kick the City Council of Colorado City regular meeting off to a start Tuesday at 5:30 p.m.

Bill Waure, a representative of the Lubbock engineering firm of Parkhill, Smith & Cooper, will make a presentation to the council.

The presentation will encompass a study which has been conducted by the engineering firm regarding feasibility of the airport.

Also taking star billing at the council meeting will be a presentation of a proposal regarding the Mitchell County Ambulance Service.

Larry Hamner, representative to the ambulance board, will present proposals regarding alternate operations of the current ambulance service.

Presently the ambulance board has been considering various plans for the ambulance operation, including having Root Memorial Hospital assume the service or using the police force and private businesses subsidized by the county, city and hospital district.

Colorado City Chamber of Commerce is requesting \$2,000 from the city council to support a rodeo.

The Chamber has voted to host an American Junior

Rodeo Association performance in Colorado City July 5-8.

Kelly Brothers Rodeo Company of Stanton, Tex., is directing the show for a fee of \$2,800.

In other business, City Manager James Campbell will propose to the council that the city purchase plastic bags for public use.

Although the plastic trash bags will be available for the public to buy at cost, they will not be required for trash collection.

Final item on the agenda is a public hearing to select proposed projects for a grant application for community development block grant funds.

The meeting will be held at City Hall.

Clerk's Office Open

Mitchell County Clerk Marie Bassham announced Friday plans to keep the county clerk's office, located at the courthouse, open during the noon hour (12-1) Monday through Friday of next week. This will allow absentee voters to utilize the noon hour to vote.

RIBBON CUTTING ceremonies were held Thursday afternoon to herald the re-opening of the remodeled Dairy Queen, owned and operated by Midge and Loyd Ledbetter, right. At left is the Ledbetter's son, Dennis, who also assists in operations. Ray Anne Carlock (center) represented the Chamber of Commerce as she snipped the ribbon and Shirley DeLaney (second left) presented a certificate of commendation from the Chamber to the Ledbetters for their contribution to the business community.

Colorado City Nets 6-AA District Tennis Crown

Colorado City began the district 6-AA champs in boys tennis as a result of the tournament held in Sweetwater Wednesday and Thursday.

Three Colorado High School boys nabbed spots in the district tennis tournament, giving them a shot at the regional title.

In boys singles, Dale Adams managed to punch his Wylie opponent 6-0, 5-7, 6-4 in the first match. Next, he clobbered his Stamford challenger 4-6, 6-0, 7-5.

Against his Ballinger opponent, Adams took the games 6-4, 6-2.

Adams was shot down by a Coahoma player in the last set, 6-3, 7-6, but he was awarded second place

and a chance to vie for the regional title in Lubbock April 28-29.

In boys doubles, the team of Freddie Alvarez and Tony Franco managed to slaughter four opponents.

First, Alvarez and Franco plowed a team from Merkel 6-0, 6-0. In the next game, another Merkel team was defeated 6-1, 6-2.

In the third match, the Colorado City team managed to overcome their opponent from Wylie 6-0, 6-1.

Finally, the Wolves pulled a 6-1, 6-3 win over a team from Ballinger to take the number one spot.

Franco and Alvarez will be competing in the region-

al meet in Lubbock April 28-29.

In boys singles, junior division, Kirk Evans pulled three wins over players from Stamford (7-6, 6-2) and Ballinger (6-2, 6-2). He creamed another Stamford player 6-1, 6-2 to take the first place title.

Don Jones was beaten by a Coahoma opponent in

boys singles, senior division, at 6-3, 6-2.

In boys senior division doubles, the team of Randy Anderson and Otis Ruffin was smashed 6-4, 6-4 by Stamford competitors.

Smith Qualifies For State

Colorado High's Shirley Smith took first place in the regional shot event Friday with a haul measuring 41'1", qualifying her for state competition.

The Wolves 880 relay team did not qualify for the finals in the regional contest but Brenda Smith took second in the preliminaries of the 220 yard dash with a time of 26.9.

As of press time, final results of the regional meet were not known.

The state contest will be held in Austin.

★ CROWN, from page 1 —

9-6; Arellano was fourth in the shotput with a throw of 42-feet, 11-inches and Alvidrez was sixth with a throw of 42-4½; Jay Green was second in long jump with a leap of 18-feet, 7-inches and Doug Johnson was sixth; Johnson was third in high jump with a leap of 5-feet, 4-inches and Hammond was sixth; Alvidrez finished third in the discus with a throw of 117½-feet.

In the 660-yard dash, Jeff Hammond was sixth and the junior division 440-yard sprint relay team for the Wolves won first.

Farmers Meet In Lubbock

Persons from Mitchell County involved in the Agriculture Movement met in Lubbock with representatives from all corners of Texas this past week to discuss movement plans now that the greatly hoped for farm bill was defeated in the House of Representatives.

Farmers filled the auditorium to capacity and overflowing according to Weldon Hardegree, who attended as a Mitchell County Representative.

He stated the meeting was designed to help keep the movement going and to gather ideas and comments for suggestions in the national meeting to be held in Oklahoma City at the Fair Grounds Monday, beginning at 8 a.m.

One subject to be discussed in the upcoming meeting was the fact that there are no major feed grain exporters that are United States citizens. Over 90 per cent of all grain exports are controlled by six foreign companies.

Baseball Registration April 29

Registration and try outs for the Colorado City Youth Baseball Program will be April 29 from 9 a.m.-11 a.m.

Boys and girls interested in participating in the baseball program should meet at the field in Rud-dick Park. Registration forms and fees will be collected.

Those boys and girls required to try out for a team include:

—Players who will be 10 years old on or before Aug. 1, 1978.

—Players who will be 7 years old on or before Aug. 1, 1978.

—Players between the ages of 7-12 years old who have never played baseball in Colorado City before.

Fee for participating in the program will be \$10 for one child in the family to play. For families with more than one child participating, an additional \$5 for each of the other family members who wish to play will be charged.

Thus, if you have three children participating, registration fee will be \$20.

Money Saving Meal Tips Discussed By Mrs. Bill Harris

Ladies of the Looney Home Demonstration Club began their Wednesday, April 12 meeting with a wishing session and roll call answered with "A New Appliance I Want." Nine members and two visitors participated.

Mrs. Bill Harris was hostess to the group. The president, Mrs. Charles Williams called the meet-

ing to order for a business session in which the secretary's report was read and approved.

The day's program was given by Mrs. Bill Harris on Low Cost Meals. She suggested saving money on meals by proper buying, such as selecting foods in season, choosing sizes according to your family size and raising part of your family's food.

Mrs. Harris stated that the amount one spends may be more or less de-

pending on the foods she selects; where she lives; how much food is being prepared; whether she raises part of the food; how carefully she plans and

buys; and the importance she attaches to other family needs.

Attending this meeting were Mrs. Sidney Compton, Mrs. Charles Will-

iams, Mrs. Parker Jarman, Mrs. J. D. Gibson, Mrs. Myrtle Biggs, Mrs. Bruce Byrne, Mrs. Henry McGuire, Mrs. Catherine

Shurtleff, Kelly Byrne and Christi Flanagan.

Bennett Services Saturday

Mrs. Joe (Nola) Bennett, 83, of Loraine died at 9:30 p.m. Thursday at Root Memorial Hospital after a brief illness.

Services were held at 10:30 a.m. Saturday at the First United Methodist Church of Loraine with the Rev. Fred Witta, pastor of the church, officiating. Burial followed in the Loraine Cemetery under the direction of Kiker-Seale Funeral Home.

Born Nola Baird on March 19, 1895 in Hutto, Texas, she married Joe J. Bennett on Nov. 9, 1915 in Loraine. She moved to Nolan County in 1900 and to Loraine in 1914. She was a housewife and a member of the First United Methodist Church of Loraine.

Survivors include her husband; two daughters, Mrs. Ira Williamson of Colorado City, and Mrs. Margaret Griffith of San Angelo; two sisters, Connie Brighton of San Antonio, Bessie Smith of Houston; three brothers, Lowell Baird and Vernon Baird, both of Big Spring, and Elmer Baird of San Antonio; three grandchildren and three great grandchildren.

Gardening Tips

Home Gardening Tips
By Bob Benson
County Extension Agent

Squash is a popular warm season garden vegetable. Squash will grow well in all Texas areas. Like most vining vegetables, squash grows best in sandy, fertile soils.

Soil Preparation
Work the soil 8 to 10 inches deep. Remove rocks and trash and rake the soil smooth. Work the soil only when it is dry enough to stick to garden tools.

Fertilizing
Add 2-3 pounds of fertilizer such as 10-10-10 for each 100 square feet of garden area. If you plan to grow only a few plants, use 2-3 tablespoons of fertilizer for each hill. Scatter the fertilizer evenly over a 2-foot by 2-foot area. Work it into the top 3-4 inches of soil.

Varieties
Yellow Squash - Dixie, Goldbar, Slendergold.
Green Squash - Zucco, Elete, Zucchini.
Winter Squash - Acorn, Butternut, Buttercup.

Planting
Squash does not grow well in cool weather. Plant in the spring after all danger of frost has passed. For a good fall crop, plant early so they will mature before the first killing frost.

Plant squash in hills 18-48 inches apart on rows 3-8 feet apart. The vining types, such as Hubbard or acorn, need more room than the bush types.

When seeding squash, plant the seeds about 1 inch deep. Plant 5-6 seeds in each hill. Water after planting the seed. After the seeds come up, thin them to three squash plants per hill.

Watering
Water the plants enough to keep them from wilting. Water them once a week or more often in real dry weather. Sandy soils need to be watered more often than heavy, clay soils.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion or national origin.

What Does A Chamber Of Commerce Do?

By Larry Winders, Chamber Manager

Many times has the question been asked, "WHAT DOES A CHAMBER OF COMMERCE DO?"

Probably the best answer currently available is, "Makes the community a better place to live and to make a living." It should be interesting to note the phrase, "Better Place to Live," occurs ahead of, "Make A Living." The local Chamber feels that some

explanation is due the City and County residents as to the general philosophy and workings of our local organization.

Why A Community? Man is a social animal. Wolves form packs for self preservation. Man chooses to live in a community for the same reason. There are no "Lone Wolves" really. All men depend on a community to support their life system. Man requires water,

food, and shelter to live. In today's complex world he must depend on others if he is to survive.

Why Community Organization? People congregated in a community constantly create problems for themselves. Groups of people band together within the community to form organizations to solve problems.

What's the problem? The problem can be anything that stands between an organization and its goals. A problem can take the form of a question, a situation or a person. To solve it requires action. You can remove it, jump over it, get around it or learn to live with it. Problem solving is an ongoing process. Edward De

Bono, author of many problem solving books says, "It may be the biggest problem is that there is no apparent problem. If everything seems to be proceeding smoothly and adequately, progress may be impossible because there is no problem which can be used as a step to improvement. Any enterprise that does not have problems does not have much chance of progress either. Problems are the jolts that shift things out of the smooth rut of mere adequacy."

How are problems solved? Problems are rarely solved by miracles nor do they just disappear with time. The more reliable method of solution is to face the problems; bring all creative abilities within the organization to bear on the problems of the business, professional and residential community.

What process does the Chamber use to solve Problems?

1. Identify the problem. The method used most is the community concern. If the members of the com-

munity feel there is a problem, there usually is. We seek to identify the problems of our community by asking people to tell us what their major concerns are.

2. Analyze the problem. The executive committee and invited interested guests hold a special session to determine and analyze the problem, i.e. "Get agreement from everyone on what to shoot for."

Each problem normally falls into one of five broad areas. Economic Development has to do with all areas of fiscal stimulus. Community Development, the physical improvement of real property, utilities. Human Resources, the improvement of people's skills and values. Public Affairs, the improvement of relations with government at all levels. Organizational Improvement, streamlining operations and maximizing impact of the Chamber on the community.

3. Set an objective. The executive committee and invited guests set the primary area objectives. These objectives are presented to the Board of Directors to be refined, and for their examination.

suggestions, and eventual approval or rejection.

4. Gather information. Your input, opinions, statistics, forecasts are sought and used. Coordination takes place with other interested groups. Your Chamber of Commerce is at this point in the total process now. We are gathering the information needed to come up with the best solutions.

5. Develop alternative solutions. The next crucial step. Research shows that Chambers which consider more than one course of action usually make better decisions than those choosing the first solution suggested. We don't want to adopt a proposal simply because we respect or fear the proposer or advocate of a given idea, or because we don't want to hurt a shy person's feelings. We want an atmosphere where alternatives or new ideas can be proposed without a Chamber member being hesitant.

6. Choose the best solution of course of action. Look at basic assumptions, goals and consequences. Ask "why," "what will happen if." List advantages of each proposal. Consensus is not absolutely necessary but consideration of any pertinent idea

is. Enough time must be taken to insure that any member desiring to present his idea is afforded that opportunity and that they are properly considered.

7. Implementing the plan of action. Some one has to take action. No decision means anything until it is implemented. All action plans must answer these questions. Who will do it? What is to be done? When will it be done? Where will it be done? How will it be done? How much will it cost?

The main point of the entire process is to be sure the problem is properly identified, thoroughly understood and analyzed before thinking about solutions, and to be sure and look at more than one potential solution.

Mrs. Earl Brown Speaks On Native Flowers & Plants

Mrs. Minnie Strain and her daughter, Mrs. Dee

Boyd were joint hostesses at the last meeting of the Fairview Home Demonstration Club which met Thursday, April 13 in their newly redecorated home.

The meeting was called to order by the president, Mrs. Versie McMillan, who welcomed the members and guests. After a brief business session in which the members voted to send a \$5 contribution to the American Cancer Society, the roll call was answered by "My first gift of flowers"; or "the plant which gave me happiness."

Mrs. Bonnie Hunter, program chairman, introduced Mrs. Earl Brown, a charter member of the Colorado City Garden Club, who presented an interesting review of Texas Native Flowers and Plants. Mrs. Brown noted

that many of these make colorful additions to our yards and gardens. In tracing the history of many of the plants, she noted that the Indians were instrumental in bringing the seeds from valued plants to this territory.

An added warning was given to know which plants are toxic such as the poke salad plant. "On first thought," Mrs. Brown said, "one would think these wild greens could be used as salad greens." She went on to say that the only safe way to use these greens is to parboil the leaves and stalks in water and then eating them as one would asparagus, or mixed with other greens from the garden. The berries, she remarked, have long been used as a substitute for ink and are eaten by birds and small animals.

The hostesses served cookies, Jello squares, punch and coffee to the members and guests following the program. Attending were: Mrs. Edna Pace, Mrs. Muriel Thurman, Mrs. Bonnie Hunter, Miss Clara Shoemaker, Mrs. Wilma Womack, Mrs. Bertie Strain, Mrs. Billie Smith, Mrs. Minnie Strain, Mrs. Dee Boyd and Mrs. Earl Brown. The last two were guests.

Mrs. C. Ross Smith will host an all-day quilting party in her home tomorrow (Monday) at 9:30 a.m. for club members. A covered dish luncheon will be served at noon and Mrs. Edna Pace will present the program on low cost meals.

March Sales Up To 9%

March sales of Series E and H United States Savings Bonds in Mitchell County were reported today by County Bond Chairman Wayne Shawn. Sales for the third-month period totaled \$4,014 for 9% of the 1978 sales goal of \$150,000.

Texas sales during the month amounted to \$26,644,081, while sales for the first three months of 1978 totaled \$77,564,628.

JEST FOR LAUGHS

by PAUL FUNG

Then there's the one about a small planet breaking out of it's orbit and dancing around the sun and then cut a few capers around the moon. The mother planet, becoming aware of the upset condition, called sharply, "Junior, what out of this world are you doing?" Breathlessly the small planet spun towards his mother. "Look, Mom," he shouted, "No gravities!"

Randy: Teacher, would you scold anybody for something they didn't do?
Teacher: "Of course not. Why do you ask?"
Randy: "Well, I didn't do my homework."

The way restaurant prices are going up, it won't be long until the hundred-dollar-a-plate dinner sounds reasonable.

The phone rang at two A.M. and a man answered it. "Hello!" "Is this six nine two eleven eleven?" "No, this is six nine two one one one!" "Oh, I'm sorry to have bothered you!" and the caller hung up.

It was the boy's first visit to the planetarium, and he noticed the ticket office that took reservations for a rocket trip to the moon. "I'd like a ticket to the moon, please," he told the clerk. "Sorry, young man," the clerk said, "but all trips to the moon have been cancelled for the next week." "Why is that?" the boy asked. "Well, you see," the clerk answered, "right now the moon is full."

Watson Dead At 99

Green Berry Watson, 99, of Colorado City, died at 1:30 a.m. April 15 in Root Memorial Hospital after a short illness.

Services were held April 16 at 3 p.m. in the 22nd and Austin Street Church of Christ. Bill Looney, minister of Tahoka Church of Christ and Mike Ezzell, minister of Dunn Church of Christ officiated. Burial followed in the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

Born May 17, 1878, in Saville, Ala., he married Vashti Melton on Feb. 5, 1899 at Marble Valley, Ala. They moved to Texas in 1900 and to Mitchell County in 1922. He was a retired farmer and member of the Dunn Church of Christ.

Mrs. Watson preceded him in death on March 2, 1968.

Survivors include five daughters, Iris Freeman of Abilene, Ethel Boatright of Colorado City, Fleece Humble, Ora Watson and Lorene Watson all of the home; 14 grandchildren; 38 great grandchildren and 10 great great grandchildren.

He was preceded in death by two sons and one daughter.

Pallbearers were L. C. Mize, Bill Holbert, Truman Bodine, Curtis Shaw, M. A. Stinson and Bill Stinson.

Shaw To Preach Revival

The Rev. Carroll Shaw, missionary to Rhodesia for the past 18 years, will be leading revival services at the First Baptist Church of Westbrook beginning Wednesday evening, April 26-Sunday, April 30.

Danny Pennington, music director at First Baptist, will be conducting the music services.

Everyone is invited to come and share in great Gospel preaching and "soul-stirring" music. Services begin nightly at 7:30.

Jury Returns Indictments

Mitchell County Grand Jury returned indictments against three individuals in Wednesday's continuation session.

April 14 the jury met and delivered nine indictments against 12 persons. The jury had decided to reconvene Wednesday to complete the deliberations.

R. J. Turner and Diane Womack were jointly indicted for theft of over \$200. The indictment was a result of an incident occurring March 22 when bad checks were given at Fuller Foods.

Also indicted by the jury Wednesday was Rory Calhoun. He was indicted on two counts: one for burglary of a habitation and the second for burglary of an automobile.

Feb. 28 was the date of the burglary of a habitation and March 5 was when the burglary of an automobile occurred.

FRANK MOTOR COMPANY employs Jerry Vann, a Colorado High I.C.T. student.

ROBBIE ANDERSON, a D.E. student from Colorado High, is employed by Chaney Brother Insulation.

We Salute The DE & ICT students

The Cooperative Training Programs at Colorado High School consist of Distributive Education & Industrial Cooperative Training: These programs are basically alike in that students spend part of their school day on the job training & classroom instruction related to this training. They differ in the occupational objective & youth organization. This training involves combination of supervised work experience in business establishment in the community & related classroom instruction.

Classroom instruction combines group discussion & individualized study related to teach individual training station.

The training program, worked out by the employer and I.C.T. & D.E. Coordinator, affords the students an opportunity to put into practice many of the fundamentals learned in the classroom & to develop additional skills in each of these areas.

Students are placed in training stations for practical experience away from the school campus during the afternoon.

Business establishments that are used as training stations for the students, practice experience are very important. Through this employment the students receive on-the-job training, which is valuable to the student. The Cooperative Program welcomes, needs and thanks the businesses cooperating to make the student a success in life.

JOE SANCHEZ is employed by E-Z Way Superette through the Colorado High D.E. program.

THROUGH THE Colorado High I.C.T. program, Dairy Queen employs Irene Rivera.

ERNEST AGUILAR, an I.C.T. student at Colorado High, works with the Colorado City Street Department.

JUNIOR WALKER works at Hutchins Ford Sales in conjunction with the I.C.T. program at Colorado High.

"Conversations On Carpeting"

By Fred Butts
DID YOU KNOW?
 If you've recently bought new carpeting, or if you're about to, you'll want to be as knowledgeable as possible about problems that might arise. Here are some common ones that every carpet owner should be familiar with.

FLUFFING or **SHEDDING** often occurs with new carpeting. You may find balls of fluff on your carpeting or in your vacuum bag. Don't worry about them. These fluff balls are merely loose fibers working their way to the surface. Continue to vacuum them away, and they'll eventually disappear.

SHADING is an apparent change of carpet color resulting from constant footstep pressure. It's more common on a solid colored, level surfaced carpet than on a patterned, textured one. When you vacuum, try to go in the direction of the pile lay to keep tufts in order. If shading does occur, you may wish to consult a professional carpet cleaner.

Next time, we'll talk a little more about special carpet problems. In the meantime, if you're shopping for carpeting for your home, remember to buy from a dealer you can trust. You can always be sure of the product, when you're sure of the man who's selling it.

Come by for **FREE** Carpet Care Books.

Church News

The Martha Sunday School Class of Calvary Baptist Church will have a salad supper tomorrow (Monday) at 7:30 p.m. at the home of Pauline Hammack, 1344 Locust St. All members are encouraged to attend.

There will be a Vacation Bible School faculty meeting at 3 p.m. today (Sunday) in the fellowship hall of the First Baptist Church.

The Rose Circle of the First United Methodist Church will meet each Thursday at 10 a.m. in the Wesley Classroom for Bible study. All young women of the church are encouraged to attend.

Members of Calvary Baptist Church who would like to help a GA go to camp this summer are invited to contact Charlotte Clemmer at 728-2255 or the church office at 728-2262 to make a contribution.

Softball practice has started for the Calvary teams. Ladies practice at Wallace Center on Mondays and Thursdays at 6 p.m. and the men practice at the Softball field on Fridays at 6:30 p.m.

Classes Have Joint Supper, Fellowship

The Young Adult and Youth Classes of the First Baptist Church of Loraine met for a hamburger supper and fellowship at the church Friday, April 14 at 6 p.m.

The group enjoyed volleyball, singing, fellowship and an evening devotional. The classes wished to express their thanks to the Rev. and Mrs. Luke Smith who contributed so much effort in preparing for the party.

Betty Ann Bruce, Carl Usry Exchange Double Ring Vows

Robert Bruce of Loraine announces the marriage of his daughter, Betty Ann, to Carl Alan Usry of Odessa, on April 21. The couple exchanged 11 a.m. vows in a double ring ceremony performed by the Rev. James Welch in the sanctuary of the Asbury United Methodist Church, Odessa.

The couple will reside at 4201 N. Garfield, #102, Midland.

Special guests at the wedding and luncheon were the bride's aunts.

Following the ceremony, a luncheon honoring the couple was held in the Executive Room at the Barn Door Restaurant in Odessa.

The bride is a graduate of Monahans High School and Texas Tech University. She is currently employed in the office of J. V. Atkinson, Midland.

The groom is a graduate of Monahans High School and the University of Houston. He is currently a pharmacist at Medical Center Pharmacy, Odessa.

What does collision insurance cover?

Collision insurance pays for the repair of your own automobile following an accident.

Collision insurance includes coverage for damage to your auto resulting from hitting other cars, as well as objects such as utility poles, guard rails, and abutments, no matter who is to blame. Payments for damages your car sustains in a hit-and-run accident are also provided.

Collision insurance is also available with a deductible since protection for minor losses is expensive. Sometimes this deductible is \$50, but many owners choose deductibles of \$100 or even more. The higher your deductible, the lower your premium.

As in comprehensive insurance, your compensation for damages under collision coverage is based on the actual cash value of the car at the time of loss. When considering collision insurance, you should measure your own ability to meet the cost for full repair or replacement. And you should consider the age of your car.

Sancap will control the tough broadleaf weeds that escape your preplant.

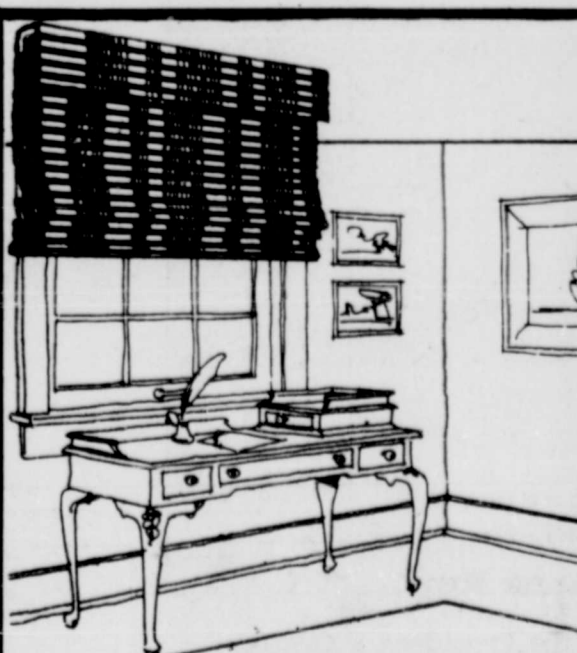

Preplant herbicides are great for controlling grasses.

But the fact is, they just can't control the stubborn broadleaf weeds that are breaking through cotton here in the South High Plains.

So, if you grow cotton on sandy soils, spray an overlay of Sancap® herbicide at planting.

Because Sancap is strong on broadleaf weeds. Strong enough to stop the tough ones that escape your preplant. Ciba-Geigy, Ag. Div., Box 11422, Greensboro, NC 27409

Council Announces Departure Time For Littlefield-Lubbock Tour

A covered-dish salad luncheon preceded the monthly meeting of the Home Demonstration Council Thursday in the Lone Wolf Medallion Room. Approximately 25 persons attended the luncheon.

Mrs. Raymond Wheeler and Mrs. Pauline Smiley gave the highlights of the recent district HD meeting in Eola noting especially that a new district president, Mrs. Jimmy Crawford of Ballinger, was elected.

Also heard was the report from E.E.E. by Mrs. Raymond Wheeler. Confirmation of the chartered bus schedule for the Lubbock trip was heard by the council stating that the bus would leave the station at 8:45 a.m. April 27. Included in that trip will be a tour of the denim factory at Littlefield and dinner in Lubbock. This trip is for all Home Demonstration Club members.

Council officers were elected during the course of the meeting with the following to serve: chairman, Mrs. J. D. Gibson; vice chairman, Mrs. Ross Smith; secretary, Mrs. Arthur Shepherd; treasurer, Mrs. R. E. McMillan; parliamentarian, Mrs. R. D. Penney.

The next meeting of the council will be May 18 at 2:30 p.m. in the Lone Wolf Medallion Room.

Hearing Test Set For Colorado City

Free Electronic hearing tests will be given at the Villa Inn Motel, Tuesday April 25, 9 A.M.-1 P.M.

Factory-trained hearing aid specialists will be at the Villa Inn Motel to perform the tests. Anyone who has trouble hearing is welcome to have a test using the latest electronic equipment to determine if his loss is one which may be helped. Some of the causes of hearing loss will be explained; and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better. The free hearing test will be given at the Villa Inn Motel, 120 & Snyder Hwy., Colorado City, Texas. If you can't get there on Tuesday, call 728-5217 and arrange for an appointment at another time. In home testing is also available.

All former Scott Hearing Aid customers are welcome to our service.

MEN HONOR GOD

Rev. Caddo Matthews
Pastor
Plainview Baptist Church

I Samuel 2:30-"The Lord God of Israel saith...Them that honor me..."

The wording of this text states that men honor God. But you ask, and rightly so, what can I do to honor the God of Creation; the God of this Universe? God is so high and holy, so superior and sublime, so wonderful and wise, that mere men feel unable to honor him. But yes, men can honor God. I want to present some ways in which men may honor our great God.

1. Men may honor God by their attitudes toward God. The psalmist declared: "Great is the Lord, and greatly to be praised." "The Lord made the heavens. Honor and majesty are before him; strength and beauty are in his sanctuary." The Lord God created all things. He is in all, by all, under all, around all, and above all things. He gives all life and sustains life. He placed all the planets in position and holds them there. Truly "the Lord reigneth." Men honor themselves and God by acknowledging the position of God.
2. Men honor God through worship in His name. "O worship the Lord in the beauty of holiness. Give unto the Lord the glory due unto his name." The Lord is to be praised for his matchless character. He is the God of grace and goodness; the God of love and mercy; the God of beauty and holiness; and the God of might and majesty.
3. Many may worship God. He can magnify God in his own heart and before man. Man can glorify the name of the Lord. All men should adore the Lord God.
4. Men Honor God by faith in His Word. "O Lord; I have said that I would keep thy words." The Lord has revealed himself to man. He created man and reserves the right to speak to him. The record of the revelation of God to man is in the Bible, the Holy Word of God. Man honors God when he hears his Word, believes it, accepts it, and seeks to live by it. He honors God when he can say: "Thy word is a lamp unto my feet, and a light unto my path." Also, "They word have I hid in mine heart, that I might not sin against thee." Surely all men everywhere should believe God and accept his Word. He who accepts God's Word honors himself as well as God.
5. Men honor God through gifts for His cause. "Honor the Lord with thy substance, and with the first fruits of all thine increase." Since man lives, moves and has his being in the Lord and receives every good and perfect gift from him, the Lord God has a right to expect generous gifts out of what a man earns. God is honored when man makes a gift in the Lord's house on the Lord's day of not less than a tenth of his income for the Lord's work. Man can honor God by giving his substance to the Lord's treasury.
6. Men honor God through service in His Kingdom. "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service." It is the plan of the Lord to use saved people to aid him in his work. Man can honor God by giving his life for consecrated service in preaching, teaching, singing, visiting, comforting, and praying in the name of and for the sake of the kingdom of God. Serve the Lord with gladness. Honor the Lord in service.

In these and in other ways men can honor the Lord God. If you have neglected to honor God in your life, won't you begin today to put Him in first place? Remember: "Life is short, twill soon be past, only those things done for Christ will last."

MOORMAN'S IGR MINERALS

"There's nothing else like it."
"Fly control with IGR costs about a cent-and-a-half per day for a cow. Total cost, including minerals, is about 3¢ per head daily."
"With IGR Minerals, around-the-clock horn-fly control on 100 cows costs about \$1.50 per day."
"Compare the cost of roundup, spray, weight loss and spraying time for 100 cows each 10 days to the \$15 it'll cost to control flies with IGR."
"Even if you spray every 10 days, new horn flies keep hatching out of the untreated manure. It's a never-ending cycle."
"With IGR, you don't have to worry about when to spray or that a rain will wash off the spray."
"Spraying for horn flies temporarily removes the symptom. It isn't a 'cure.' Feeding IGR relieves the symptom by providing the 'cure.'"
"It works."
"No need to worry about horn flies all season. That's peace of mind."
"IGR isn't a poison. It is a totally new concept in the control of horn flies without harming beneficial insects, wildlife or the environment."
"The active ingredient 'tricks' the horn-fly pupa into remaining a pupa until it dies without poison."

★ HANCOCK, from page 1

At this point Hancock contacted Tulsa police and talked to Detective Grotts in burglary about the rifle which was reported stolen from a house in Tulsa and to a detective in theft division in regard to the stolen vehicle.

Hancock was told by the two detectives that the

L.E. Barrington

Graveside Services For Barrington

L. E. "Jimmy" Barrington, 69, of Colorado City died at 7:20 p.m. Thursday in Root Memorial Hospital after a brief illness.

Graveside services were held at 2 p.m. Saturday in the Colorado City Cemetery with the Rev. Loren Gardner, pastor of the St. Luke United Methodist Church, officiating and under the direction of Kiker-Seale Funeral Home.

Born Oct. 12, 1908 in Webster Parish, La., he married Velma Kirwin on Nov. 9, 1940 in Greenville, Texas. They came to Colorado City in 1942. He was a retired electrician with Lone Wolf Electric Co-op and a member of St. Luke United Methodist Church.

Survivors include his wife; three sons, Larry Barrington of Tulsa, Okla., W. H. Barker of Abilene, Roy Barker of Colorado City; three sisters, Pauline Coker of Colorado City, Lois Underwood of Greenville, Mary Mack of Cash, and nine grandchildren.

Palbearers were members of Lone Wolf Electric.

Tulsa D.A.'s office did not wish to press charges because there was no witness who observed them take the vehicle.

Bewildered by the report, Hancock determined that a federal law had been broken when the car had crossed the state line. He contacted federal authorities with the information but received no indication that charges would be filed.

At this point, Hancock determined not to allow the young man to go, charged him with driving without a license.

As the prospect of having to release the young man began to seem more definite, Hancock decided to call the D.A. in Tulsa, direct. He was able to talk to the assistant D.A., Bill Edmison. After hearing all the information Hancock had to offer, Edmison assured Hancock that Oklahoma did wish to charge and extradite the man and that a warrant would be issued immediately.

Barker Killed In Mishap

Mr. and Mrs. Lester Webb, Mr. and Mrs. Jay Thompson and Mrs. Keith Miles attended memorial services for a nephew, Doc Barker in Odessa Monday at 2 p.m.

Barker, with two companions were fishing at Amstead Lake on April 8 when their boat was caught and overturned in a squall. The bodies of Barker and one other of the men have not as yet been found. The only survivor could not give details of the accident.

Barker is survived by his wife, the former Barbara Miles, granddaughter of Mrs. Keith Miles of Colorado City, and two children; his parents, Mr. and Mrs. Curtis Barker of Amarillo.

The memorial services were held at Sherwood Baptist Church in Odessa with the Rev. Edd Howard officiating.

State Water Heaters Installed at almost Do-It-Yourself Prices

Be a plumbers helper and save
