Dallas School Fire Labeled Arson Case

DALLAS (AP)—Dallas' old William B. Travis elementary school, in the east section of town, was virtually destroyed today by fire which police called "a definite case of arson."

An hour and 20 minutes after the first alarm sounded, fire department officers called all off-duty firemen to their posts. Four alarms sounded in quick order after the first tolled off at 4:41 a.m.

Shortly before 6 a.m. the fire flared out of control after firemen signaled a "One-One," meaning a blaze is under control.

Two extra engines and a truck were rushed to the already equipment-packed East Dallas area and at 6:03 a.m. all off-duty firemen were told to man their posts.

Shortly before 7 a.m., police indicated the fire was believed under control again. Three ambulances that had stood by were withdrawn.

Fire Chief C. N. Penn told the Associated Press:

"Somebody beat in windows in the school's classroom section in the west part of the building and then set the fire."

He told a reporter at the scene a burning kerosene street flare was found in the east side of the building and that it had been thrown through a window. It failed to ignite that section of the old building, however.

Penn said it appeared that bricks had been used to knock out panes in windows on the east side. He estimated damage at $125,000 and said the building was 75 per cent destroyed.

All the building was gutted by the flames, which Penn said were under control at 7 a.m. Most of the roof of the building was destroyed and the entire west side of the structure was gutted.

Police sent extra-duty police to the scene to direct rush hour traffic around the fire scene. Ten fire engines and three ladder trucks were used to quell the fire.

MIGHTY DRIVE—Gary Whitcomb, 12, looks at the baseball he drove through the police station window in La Mesa, Calif., while practice batting on a sand lot field. Police desk clerk Charlie Ackert, holding the ball, figures it traveled 300 feet or more in clearing a six-foot fence around the field and bounced through the window. Gary, member of the Kiwanis Little League team, came to the station and got his ball.

House Finally Approves Plan For Water Program Financing

Amendments May Require Parley

By DAVE CHEAVENS

AUSTIN (AP)—Strong appeals to give the people of Texas a chance to vote on a water program won House approval of a 100-million-dollar financing proposal today. The vote was 117-25.

The measure, a suggested amendment to the constitution to allow issuance of state bonds for the backing of local dam and reservoir projects, already has been passed by the Senate.

However, amendments tacked on by the House require return of the resolution to the Senate for acceptance or rejection of the changes.

A Senate turndown is anticipated. That would require appointment of a House-Senate Conference Committee to seek an agreeable compromise.

Those urging House endorsement called the constitutional amendment the "key" proposal in the administration's long-range water saving plan.

Hard work by the administration to swing support to the plan was obvious for it had fallen five votes short of the 100 needed for final passage yesterday.

Rep. J. T. Ellis Jr. of Weslaco gave the tipoff that the measure would go through.

Ellis said representatives from the Rio Grande Valley are "still unalterably opposed to the water users tax, but in view of its importance and urgency, we will support this bill in the interest of the state as a whole."

TAX DENOUNCED

He was one of seven speakers who made final pleas for the plan.

Rep. J. O. Gilliham of Brownfield, the lone opposition speaker, again denounced the water users tax which would guarantee the bonds. He called it "taxation without representation," arguing that many areas of the state not close to streams will never benefit.

"This is unfair, un-Texan, and un-American," he declared.

Another constitutional amendment won final approval yesterday in the Senate. Designed to increase teacher retirement benefits, it now goes to the governor's desk for automatic signature.

It was the first proposed constitutional change to make the grade this session. To become effective, it would also have to be approved by the voters at the General Election in 1956. The amendment was urged as a means of attracting more teachers to the profession by offering additional security.

Also approved by the Senate and sent back to the House with amendments was a proposal to permit investment of up to one-half the University of Texas permanent fund in U.S. corporate stocks.

As it stands now in the House, the 100-million-dollar water plan would be backed by a tax on users of impounded water. The Senate version called for a 3 cents per $100 valuation statewide property tax.

SHARP FIRE

This property tax feature drew sharp fire from House opponents. Rep. J. O. Gilliham of Brownfield called it "taxation without representation." He said people in dry West Texas would never benefit from the program.

Sponsors said that indirect benefits would overbalance the cost of the plan in areas that would not benefit directly. Others said that it is a similar situation to schools—many people pay taxes whose children do not attend tax-supported schools.

Another House change in the Senate plan sets up a 6-member elective governing board. The Senate version provides for an appointed board.

The Senate yesterday passed a bill to broaden the area of the Upper Neches Municipal Water Authority. It was returned with amendments to the House, where it was originated by Rep. Jerry Sadler.

The authority now includes Cherokee and Anderson counties. As amended, it would be extended to Smith and Henderson counties with Tyler and Athens authorized to join if they want to.

Weather Calm Over State After Storms

By The Associated Press

Texas' weather was calm but threatening Thursday after lightning killed a man near Waco and knocked another unconscious at Corsicana Wednesday.

A Weather Bureau warning issued about midnight ended at 4 a.m. with no reports of the scattered severe thunderstorms or strong winds which had threatened. The severe thunderstorms had been looked for in the great triangle from Tyler to Fort Smith, Ark., and McAlester, Okla.

The strong winds were expected in a 60-mile strip from Sherman to Texarkana, but apparently none developed.

A twister Wednesday blew down a barn at Frost where in 1930 one of the state's most disastrous tornadoes in history killed several persons and injured scores. No injuries were reported in Wednesday's incident.

Much of the Central Texas midlands were raked by thunderstorms accompanied by lightning and high winds. Dorotio DeLuna, 43, was killed while he worked with other men on the Missouri Pacific tracks near Waco. The bolt set his clothes afire.

At Corsicana, O. W. Knight, 70, was knocked unconscious by a bolt that struck a service station in the residential section of the town.

Hail hit scattered areas all around Waco, smashed some windows at Axtell, but did more good than harm as good rains accompanied it.

Dust that veiled Texas skies Wednesday had about settled its reddish mantle on the ground. None was reported Thursday.

West Texas skies were clear but most of the rest of the state reported threatening clouds. There had been no rains, however, since midnight.

Early morning temperatures ranged from 41 at Lubbock to 74 at Brownsville, Corpus Christi and Waco. It was 67 at Dallas, 48 at Dalhart, 45 at Amarillo, 47 at Salt Flat, and 66 at Junction.

EATS 77 HAMBURGERS—Waitress Dorothy Johnson places a crown on the head of Phillip Yazdzik as he finishes eating 77 hamburgers and setting an unofficial record for the feat in Chicago. Yazdzik, who lives in Olyphant, Pa., where he holds two jobs, brakeman in a coal mine, and truck driver, is 5 feet 7 inches tall and weighs 194 pounds. He said he would have enjoyed a few more but he had to catch a plane for Detroit where he has a date with 30 portions of chicken.

No Injuries Result From Two Mishaps

There were no injuries in either of two highway accidents near here yesterday afternoon and this morning, but property damage was high in one.

Bill Zimmerman and E. W. Green, highway patrolmen, reported extensive damage resulted from a two-car collision a tenth of a mile north of the city limits on U. S. Highway 84 at 7:55 o'clock this morning.

Damon Pythias Williamson, 40, of 2902 Avenue E, was driving north in a 1954 Chevrolet sedan and attempted a left turn in front of a 1954 Ford sedan driven by Clovis Paul Hedrick, 32, Post. The Ford was traveling south. Damage was done to the front of the Ford and the right side of the Chevrolet.

The other accident occurred six and a half miles east of the city limits on U. S. Highway 180 at 4:15 o'clock yesterday afternoon.

Green and Zimmerman said this accident occurred when Tony V. Johnson, 45, Abilene, attempted to overtake and pass a truck but later attempted to veer back to his right and slow behind the truck when he saw that a car he was meeting was too close to permit passing the truck.

When he steered his 1950 Mercury back to its right side of the highway he ran off the pavement, the parolmen said, and lost control then when he pulled suddenly to the left. His car then crossed the center of the pavement and collided with the oncoming 1954 Dodge sedan driven by Chesley E. Moss, 44, Seguin, they reported.

Johnson was given a ticket charging that he operated a car on the wrong side of the highway while that portion of the highway was not clear of obstruction. Damage to his car was estimated at $75. Damage to the left rear portion of the Dodge was estimated at $150.

Cease-Fire Is Reported Goal Of Mission

By WARREN ROGERS JR.

WASHINGTON (AP) — The United States was reported today to have sent a hurry-up mission to Formosa to test Nationalist sentiment for a cease-fire line down the middle of the embattled Formosa Strait.

Another factor credited in top congressional circles with influencing the mission was a reported step-up in Russia's deliveries of late type jet planes to Red China.

Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, and Asst. Secretary of State Walter S. Robertson left yesterday on a 10-day trip to the Nationalist Chinese capital, Taipei. Their plane took off within two hours of the announcement they would go.

It was understood intelligence reports indicate the Soviets recently have increased shipments of jets to the Chinese Reds. Some of these were said to be of the latest types comparable to the best U.S. planes.

It is the understanding in Congress that none of these planes yet has shown up at a series of air bases being rushed to completion by the Communist along the island groups of Quemoy and the coast opposite Formosa and Matsu.

"No crisis is involved," Secretary of State Dulles said as he left for a weekend vacation. He said the Radford-Robertson trip to see Nationalist leader Chiang Kai-shek involved "normal maintenance of contact in a situation that is admittedly serious."

Assignment of Robertson and Radford to the Formosa mission was considered to be significant. It gave rise immediately to speculation that the United States had a bitter pill it wanted Chiang to swallow.

Both Robertson and Radford are tough-minded anti-Communist battlers. They also are friendly with Chiang. Any proposition they might present would get a more significant hearing from Chiang, perhaps, than if it came from some others.

It was clear the United States was acting in the temporary surface lull in the Formosa situation occasioned by Red China's moderate attitude expressed at the Asian-African conference of 29 nations at Bandung, Indonesia.

The Robertson-Radford mission appeared to diplomats as an inherent concession to British calls for a less rigid U.S. policy toward Formosa, although the British were reportedly not notified of its precise purposes.

The British are understood to be reluctantly ready to join with the United States in a guarantee that Formosa will be protected against any Communist attempt to take it by force. However, the British are said to want in return evacuation of the coastal islands of Quemoy and Matsu by Chiang's forces and an agreement to let the U.N. decide the future of Formosa.

With tension over the coastal islands thus eased and the U.N. studying Formosa's fate, the Chinese Reds would thus be faced with a potential cease-fire line halfway between Formosa and the mainland.

The British obviously will move slowly in any proposed joint action until after May 26. That is the date of the British election.

Nobody here was speculating on how willing Chiang might be to swap Quemoy and Matsu for Anglo-American assurances of support on Formosa. He wrote the Overseas Press Club at New York Tuesday that Quemoy and Matsu have to be defended because there is no time like the present to block the Reds, and the morale of Asia demands it.

However, it was recalled that a Chiang spokesman was saying the Tachen Islands would be defended at the very moment Chiang's forces were withdrawing.

Young Czech Tells How He Escaped Reds

By TOM STONE

FRANKFURT, Germany (AP) — A young Czech told today how he and his companion overpowered a guard, then flew a stolen sports plane over the Iron Curtain.

Karel Kucera, 20, told a news conference that "it just came natural to fly even though I had spent only five minutes at the controls of an airplane before taking off." His companion, 19-year-old Zdnek Machilner, had had no flight experience.

Kucera said a crop-dusting pilot once showed him how the controls of a small plane operated.

"I had also hung around airfields, read books on aviation and talked to people," he added. Both youths worked in a Communist aircraft parts factory.

The pair landed in a Bavarian field a week ago after a three-hour, 140-mile flight from Kolin, 35 miles east of Prague, U.S. authorities granted them political asylum.

They said they overpowered the night guard at the small Kolin field, bound him with rope and then stole his keys to the hangars.

Talking through an interpreter, Kucera said, "We had a hard time getting the plane started, but we never had any doubt that we would succeed. We finally got off the ground at 3:20 a.m. We could barely see the compass. It was the only instrument we had. The others soon froze. It was icy cold."

Both said they decided secretly to escape their Communist homeland because of "political persecution."

Local Guardsmen Respond To Alert

A nation-wide test alert took local National Guardsmen by surprise yesterday afternoon, but it didn't catch them unprepared.

The guardsmen knew the alert was coming — they just didn't know when. The alert was called at 6 o'clock yesterday afternoon.

The local unit used a telephone system it had worked out previously and had flashes on the local radio station, and within 30 minutes 60 per cent of the Snyder unit had reported for duty at the armory. The guard unit here has 113 men. Within one and one-half hours, there were 76 men at the armory. Most of the remainder of men were out of town, working in oilfields, or in some location in which they did not hear the alert, but location of most of those was known, and they could have been reached had this alert been a genuine call to duty because of disaster or attack.

The alert lasted for two hours. Capt. Weldon Kincaid, commander of Co. D, 112th Armored Cavalry Regiment, said the local unit used a local disaster plan, such as one which would be put into effect in case of tornado or flood. Simulated traffic control was set up on the square and at all entrances to the town, while guards were established in three reliefs on the city's water storage facilities and water filtration plant.

The company immediately established contact with regimental headquarters by radio, as it would do for orders in any emergency, according to Maj. William J. Schiebel, a battalion officer who lives here. The entire regiment, which covers West Texas and the Rio Grande Valley, had a radio net established. The local communications section installed radios in all vehicles and had them ready to go.

"We feel our unit's participation in the nationwide test alert has made our fellow citizens more aware of the services the Guard renders in peace as well as in war," Kincaid said.

As the men reported to the armory, the supply section made sure they had all they needed for disaster work.

The order to put "Operation Minuteman" in motion was given to units by the state adjutant general.

More than 5,600 Army and Air National Guard units in about 2,200 communities throughout the country and in Alaska and Puerto Rico participated in the alert.

No Disloyalty, Fulbright Says

WASHINGTON (AP) — Sen. Fulbright (D-Ark) quoted Secretary of State Dulles today as having testified he has found no evidence of disloyalty by any U.S. representative at the Yalta conference.

Some Republicans have made much of Alger Hiss' presence at the World War II Roosevelt-Churchill-Stalin meeting. Hiss has served a prison term for perjury in connection with his denial that he ever passed State Department secrets to a Communist courier.

Fulbright said in an interview he had statements about Hiss in mind when he questioned Dulles at a closed session of the Senate Foreign Relations Committee Monday.

"I asked the secretary if he had found any evidence that any of the American representatives at the meeting were disloyal to this country," Fulbright said. "His answer was 'No.' It was a much more direct and flat answer than he gave to many other questions."

Mercury Dips To 49

Yesterday's warming-up got off to a slow start, but the temperature managed to climb to 89 degrees during the afternoon. There was a sharp drop to 49 degrees overnight, but the mercury had risen to 53 degrees by 7:30 a.m. and was on its way up.

WEATHER

NORTH CENTRAL TEXAS: Partly cloudy and warm with widely scattered thundershowers this afternoon, tonight and Friday.

WEST TEXAS: Clear to partly cloudy, widely scattered thundershowers extreme east portion of Panhandle and South Plains this afternoon, tonight and Friday. Not much change in temperatures.

Pre-Season Typhoon Heading To Formosa

MANILA (AP)—A preseasonal typhoon with winds up to 75 miles per hour is grinding slowly across the Philippine Sea toward Formosa.

Typhoon Anita, jumping the season which ordinarily begins in late May or early June, was located 670 miles east of Luzon today, moving northwest at six miles per hour, the Manila Weather Bureau reported.

Russia-China War Forecast

BONN, Germany (AP)—A theory that the United States and Soviet Russia may one day fight side by side against China is attracting attention in West Germany.

The theory is expounded in "The Limits of Soviet Power," a best seller by a physician who spent nine years in Russian work camps. Not necessarily this specific theory, but the book as a whole has created a profound impression among German officials. Chancellor Konrad Adenauer has endorsed the book as "one of the most potent political roundups to appear in Germany since the war."

The author, Dr. Wilhelm Starlinger, says Red China's population soon will be expanding at the rate of 20 million a year. By official Communist figures, the population is nearly 600 millions today.

The only outlet for her population is northern Asia—and Russia will face the alternative of giving up this area to China or fighting, Starlinger writes.

He says the cornerstone of West German policy must be the closest possible partnership with America. He envisages a vast "Atlantic empire" headed by the United States, whose superior power would "bring Soviet Russia to reason and enable serious negotiations that might lead to a durable understanding."

Communist Colonialism Hit By Ceylon's Prime Minister

By ROBERT HEWETT

BANDUNG, Indonesia (AP)—Prime Minister Sir John Kotelawala of Ceylon denounced "Communist colonialism" at the Asian-African conference today. Red China's Premier Chou En-lai, obviously disturbed, immediately demanded time to make a reply.

Sir John, appearing before a closed session of the Political Committee, demanded that the conference declare itself against all forms of colonialism, including Communist domination of satellite states in Central and Eastern Europe.

Delegates said that as Sir John finished Chou leaped to his feet and demanded that the Ceylon Premier's statement be circularized to all delegates of the 29-nation conference so Chou could reply to it at tomorrow's committee session.

In earlier debate the committee heard Chou express the opinion that peaceful coexistence between nations of different systems was possible.

Sir John, who had already taken the spotlight with a proposal made outside the conference for creation of an independent Formosa, told the committee there were two forms of colonialism and the Asian-African nations should oppose both equally.

Another attack on colonialism came from Prime Minister Saif El Islam El Hassan of Yemen, who questioned the right of Britain to maintain her colony of Aden, which adjoins Yemen.

He raised also the question of colonialism in Africa and hit out at support given by the United States and European countries to creation of Israel.

The political committee adopted an anti-Israel resolution on Palestine and one on the Dutch New Guinea question but hit snags in debate over colonialism and peaceful coexistence with communism.

Sir John said colonialism takes many forms with the first and most obvious form Western colonialism. Then he added:

"There is another form of colonialism, however, about which many of us represented here are perhaps less clear in our minds and to which some of us would perhaps not agree to apply the term colonialism at all.

"Think, for example, of those satellite states under Communist domination in Central and Eastern Europe — of Hungary, Romania, Bulgaria, Albania, Czechoslovakia, Latvia, Lithuania, Estonia and Poland. And if we are united in our opposition to colonialism, should it not be our duty to openly declare our opposition to Soviet colonialism as much as to Western imperialism?"

The No. 1 conference committee made relatively smooth progress on the Arab-sponsored, Red Chinese-backed resolution supporting the Palestine Arabs. It then approved a watered-down motion asking a quick solution of Indonesia's claims to Dutch-held Western New Guinea.

The New Guinea resolution backed the Indonesia stand in the dispute and urged the Netherlands government to reopen negotiations with the Jakarta government. The committee also approved an Egyptian resolution urging France to grant independence to Tunisia, Morocco and Algeria.

The watered-down motion on West New Guinea was threshed out after some delegations balked at an original Indonesian resolution. The critics charged it constituted a condemnation of the U.N.

Woman Is Killed By Tornado In Arkansas

PINE BLUFF Ark. (AP)—A small tornado crashed through a tiny community on the outskirts of this city early today killing a woman and injuring two members of her family.

Mrs. Odessa Leslie about 50 was killed when the wind demolished her home. Injured were her husband Ellis about 54, and a son, Robert Bruce, about 20.

Can't Abandon U.N., Hoover Testifies

WASHINGTON (AP)—Former President Herbert Hoover said today there must be a "great change in the whole Communist attitude" before any worthwhile changes in the United Nations charter can be made.

The 80-year-old Republican told a Senate subcommittee he has "no notion that we can abandon any organization ... that makes for peace."

New Quake Hits Greece

ATHENS, Greece (AP)—A disastrous new quake struck shattered Volos today, leveling many of the port city's remaining buildings. Five bodies were dug from the rubble and officials feared the death toll would run much higher.

Police headquarters said witnesses telephoned from the stricken area that nearly every building in the city of 51,000 persons, about 100 miles northwest of Athens, had been partially or completely destroyed by the latest shock.

The new tremors came as Volos inhabitants were struggling to recover from a quake Tuesday which killed one person, injured 49 and damaged nearly 1,000 houses. Nearly 6,000 were left homeless by that upheaval.

The Interior Ministry said today's quake, felt in Athens, was nearly as strong as Tuesday's.

Ike's Aid Program Gets Cold Shoulder

By JACK BELL

WASHINGTON (AP) — President Eisenhower's foreign aid program ran into stormy waters in congress today, with Sens. Byrd (D-VA) and Potter (R-Mich) demanding elimination of direct economic assistance to U.S. Allies.

Sen. Mansfield (D-Mont) proproposed in a separate interview that the President's request for $3,530,000,000 in military and economic help for friendly nations be sliced below three billion dollars.

The vigor of objections and some obvious lack of enthusiasm by some administration supporters appeared to spell trouble for the program Eisenhower said would be directed primarily at Asia.

Chairmen George (D-Ga) of the Senate Foreign Relations Committee and Richards (D-SC) of the House Foreign Affairs Committee showed disinclination to tackle the problem immediately. Each said he would let the other House act on it first.

Richards' proposal to delay final consideration of the measure until the Senate acts was supported by Reps. Lawrence H. Smith (R-Wis) and Gordon (D-Ill), members of the House committee.

Gordon said he thinks the Senate will make "deep cuts" and he wants to avoid a "wide gap" between House and Senate bills.

But Rep. Morano (R-Conn), another committee member, said "we have an obligation to consider this measure, and we should go ahead with it, without waiting for the senate."

Byrd who long has urged government economy, said he is "opposed to starting another large program in Asia."

"In my judgment, the time has come to eliminate all economic aid to other countries except for a reasonable amount of 'point four' technical assistance to underdeveloped countries," he said.

"The administration had a carryover of $10,900,000,000 in foreign aid funds at the start of this calendar year. Of this, $1,800,000,000 represented direct economic aid, exclusive of defense support funds.

"With such a large carryover, there is no sense in authorizing more direct economic aid."

In a message to Congress yesterday, Eisenhower asked for $1,717,000,000 in military assistance. He proposed 712½ millions in economic aid, plus one billion dollars in defense support funds. Of the economic aid funds, 172 millions would finance continuance of the technical aid program.

Potter, a Senate Appropriations Committee member said he would have no objection to this latter figure but added:

"As far as I am concerned direct economic aid should be cut off entirely. Our experience has been that we haven't bought many friends with money."

Prison System Survey Slated

AUSTIN (AP) — The Legislative Council today worked on a resolution calling for a survey of conditions in the overcrowded Texas prison system.

The resolution was requested by members of the Texas Prison Board after talks yesterday with Gov. Allan Shivers and Senate and House leaders about recent disorders in the prison itself and in the criminal insane ward of Rusk State Hospital.

Bill Worth, council executive director, said the resolution was requested by prison board members French Robertson of Abilene and H. H. Coffield of Rockdale and would be cleared with legislative leaders today.

Robertson, Coffield and board member Fred Shields of San Antonio talked with Shivers, then with Sen. Abraham Kazen, chairman of the Senate Penitentiaries Committee, and Rep. Virginia Duff, chairman of the companion House committee.

Kazen indicated agreement with the proposed survey. Miss Duff said she was interested but withheld decision until she could see a draft of the resolution.

Scurry To Receive Drought Feed Again

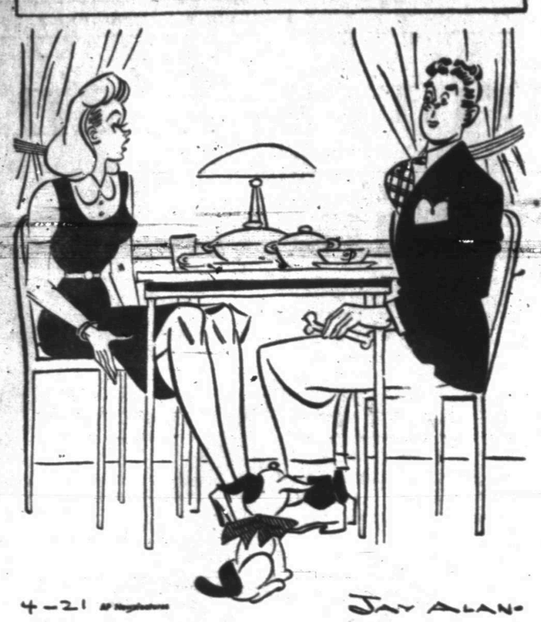

Scurry County has been approved again for a short drought emergency feed program, Henry Burchett, office manager for the Agriculture Stabilization and Conservation service announced today.

Burchett said the county Farmers Home Administration office will take applications for federal aid on purchase of grain sorghum until April 19 and that supplies may be purchased up to May 15.

Similar programs have been conducted here in the past.

"He's not hungry. He had a bite of mailman today!"

Britain's Presses Are Rolling Again

LONDON —A columnist in the Daily Sketch started off today: when I was so rudely interrupted . . ."

The News Chronicle stoutly denied that it is dead.

A Daily Express cartoon showed a gentleman in a bowler hat crawling around with a newspaper in his mouth while his wife explained to a neighbor: "He has to teach rover—all over again—how to fetch our paper."

And the Daily Telegraph gave thanks that Britons now can stop trying to dig such Yankee jive as "Redwings rip Leafs as Canadians blank Bruins."

The great London newspaper strike was over.

After 26 days in a muzzle, the nationally distributed dailies, most of them in expanded editions, set out to tell their 15 million readers what they had missed.

Such chit-chat, for instance, as the retirement of Sir Winston Churchill and that a general election is coming up May 26.

Emulating its New York counterpart after Gotham's big strike, the Times carried a 12-page supplement which summarized the lost news day by day.

On the front page—where they always appear—were four solid columns of birth, death and marriage announcements. It was the first installment of a huge backlog.

The Telegraph published an eight-page supplement highlighting the lost 26 days and most other newspapers hit the high spots in smaller condensations.

The papers reappeared with such headlines as "Here we are again!" "Read all about it!" and "Good morning all!"

The tabloid Daily Mirror, whose readers like pictures of pretty girls, had to make a choice from an accumulation of nearly four weeks. And what was it? What else but Marilyn Monroe on that elephant?

The Daily Express said the strike had cost the papers four million pounds ($11,200,000).

The Telegraph remarked that attempts had been made to fill the news vacuum by flying in newspapers from the continent and New York. It implied strongly that the language barrier kept this from being entirely successful, especially the language barrier between English and American sports pages.

"5 Giants hrs, Hearn clobbers Phils 8-3."

Frankly friends, they had trouble with that.

The newspapers took a serious view of the Communist-led strike and called for a government guarantee against any repetition.

The presses were stopped March 26 by a walkout of 700 electricians and maintenance men seeking higher wages.

AREA OIL ROUNDUP

McLaughlin Stakes Wildcat In Nolan

C. T. McLaughlin of Snyder has staked a 7,500-foot wildcat in northwest Nolan County, in the Eastern Platform area of the Permian Basin.

The well will be the No. 1 E. A. Ater. Location is to be 467 feet from north and west lines of the southwest quarter of 67-23-T&P. That puts it five miles southeast of Roscoe and five-eighths of a mile southeast of the depleted one-well Roscoe-Ellenburger field.

KENT STEPOUT

Kewanee Oil Co. has announced plans to drill a one-location northeast stepout to production in the SMS-Canyon sand field 14 miles northwest of Kent County.

It will be the No. 2 Girard Unit, and is slated to dig to 6,200 feet. Location is 990 feet from north and 1,263 feet from west lines of the northwest quarter of 2-2-H&GN.

ANNOUNCES PURCHASE

Producing Properties, Inc., of Houston has announced the closing of a five-million dollar purchase covering a half working interest in 13 wells in the Reinecke-Canyon Reef field in Borden County.

The announcement was made through an affiliate, San Juan Exploration Co. The purchase was made from J. D. Leftwich of Lubbock and others. Participating in the financing were the New York Life Insurance Co. of New York and the Republic National Bank of Dallas.

A. Knox Tyson, head of Producing Properties, said the 13 wells produce a daily allowable of 1,591 barrels. San Juan engineers estimate total reserves of the properties will exceed 5½ million net barrels.

TO SEEK URANIUM

Sun Oil Co. will look for uranium in Texas and the Rocky Mountains and oil in Venezuela, J. G. Pew, vice president, has disclosed. Pew told the annual stockholders meeting yesterday that "there is a uranium boom in the areas where we operate. . . We are not deaf, dumb and blind to the possibilities in it."

He said Sun's uranium exploration activities in the Rockies will likely be supervised by a subsidiary, the Cordero Mining Co.

STONEWALL EXTENDER

Jake L. Hamon of Midland is to drill his No. 1 Maude W. Johnson a quarter of a mile east of production on the north side of the Berta-Bend conglomerate field of Stonewall County.

Location, 15 miles northwest of Aspermont, is 330 feet from south and 660 feet from west lines of 179-D-H&TC.

SCURRY COUNTY

Sun Oil No. 1-D Shannon, Scurry wildcat, is drilling in lime and sand below 4,405 feet. McFarland No. 1 J. S. Criswell, east Scurry prospector, was coming out at last report after reaching 5,625 feet in black shale and streaks of sand.

C. T. McLaughlin of Snyder has reported completions of the No. 16 and No. 17 Wellborn wells in the Sharon Ridge 1700 field.

The No. 16, located 330 feet from west and 990 feet from north lines of 102-97-H&TC, pumped 38 barrels of 26.4-gravity oil plus 43 per cent water in 24 hours. Gas-oil ratio was nil. Production is through perforations from 1,745-770 feet where 5,000 gallons of fracture fluid had been used.

The No. 17 Wellborn pumped 24 hours for a potential of 78 barrels of 26.3-gravity oil plus 51 per cent water. Production is from perforations at 1,717-760 feet which had been acidized with 5,000 gallons. Drillsite is 330 feet from south and west lines of 102-97-H&TC.

AREA COMPLETIONS

Sunray Oil Corp. No. 3 M. L. Reed has been completed as a new producer in the SMS-Canyon field of northwest Kent County.

On a 24-hour potential test, the well pumped 130 barrels of 38-gravity oil plus three per cent water. Top of the pay was at 6,109 feet, with casing perforated from 6,110-124 feet. Casing is cemented at 6,190 feet.

Location is 660 feet from north and 1,330 feet from west lines of section 2, John Rodman survey.

In the Arthur-Spraberry field of Borden County, Seaboard Oil and others completed the No. 2-45 T. J. Good for a 24-hour flow of 169 barrels of oil plus 10 per cent water.

Gravity of the oil was 34.2 degrees. Production is coming through perforations at 7,477-518 feet, where 5,000 gallons of fracture fluid were used. Gas-oil ratio was 801-1, with tubing pressure 190 pounds. The flow was through an 18-64th-inch choke.

Location is 660 feet from west and 1,980 feet from north lines of 45-33-t4n-T&P.

BIRTHS

Mr. and Mrs. Weldon E. Diddle of Snyder are the parents of a son born in Cogdell Memorial Hospital at 1:17 a.m. today. He weighed nine pounds, five ounces.

Ernie Pyle Is Living Symbol At University

By HAL BOYLE

BLOOMINGTON, Ind. (AP)—Ernie Pyle died on a far Pacific isle 10 years ago this week, as the war he hated was drawing to an end.

He now lies buried in a U.S. military cemetery in Hawaii among the servicemen whose story he told with simple eloquence. But in another sense Ernie didn't stay overseas. He is back home here forever on the campus of Indiana University, where in student days he first dreamed of winning newspaper fame.

Certainly his spirit is enshrined here. Ernie remains a living symbol to hundreds of fledgling young newspaper men and women who are bolstered in both heart and hope by the example of his career.

Ernie never was graduated by his alma mater. He quit during his senior year to go to work. Some of the oldtimers here say he left because of a broken romance with a red-haired girl. Others say, "No, it was just because he was Ernie—already restless to be on his way."

Once Pyle did leave the campus in January, 1923, he stayed away for 21 years. He loved the university but said he wanted to remember it as he had known it in his youth. He came back only once in his lifetime—to take an honorary degree in 1944. A few months later he was killed by a sniper's bullet on Ie Shima.

But today the personality of the shy, brooding farmboy who became the greatest battle reporter of his generation dominates his old school.

A $500,000 journalism building has been named in his honor. A plaque commemorating his achievements is to be set up by Sigma Delta Chi, national professional journalistic fraternity.

Spanish Class Pupils On Kiwanis Program

Students from Spanish classes of Snyder High school were featured on the program at Wednesday's luncheon meeting of the Kiwanis Club.

Mrs. Wendell Shifflett, Spanish teacher, presented pupils in Mexican folk dances. The dances were followed by a motion picture titled "The Amazon Awakens," showing development of the rich Amazon River valley in South America.

School Cafeteria Employes Organize Association Here

Officers for the newly organized Snyder School Cafeteria Association were elected and installed at a meeting yesterday afternoon in the high school cafeteria.

Mrs. Lila Dodson, dietitian for the school system, acted as chairman until the new officers were installed. Mrs. Pearl Blanchard served as installing officer, describing the duties of each office. She presented each officer a corsage.

Elected president was Mrs. Eva Hutchin from the high school cafeteria. Vice president is Mrs. Ivy Lloyd, North Elementary cafeteria, and secretary-treasurer is Mrs. Maxie McNew from the Central Primary cafeteria.

The association is to meet on the third Wednesday of each month. Plans were also begun for a family night social on May 13 in Towle Park.

The organization is intended to give cafeteria workers the opportunity to study methods for improving their service. Problems found in the cafeterias will be studied from time to time, along with information from other school cafeterias.

A workshop for cafeteria workers is to be held in Lubbock in August, with several members of the local association planning to attend. At a meeting of the district four American Food Service Association in Lubbock recently, Mrs. Blanchard was elected delegate to attend the state meeting in Houston in May. Mrs. Joyce Smith was elected secretary-treasurer of the district, which includes 18 counties in this area. The 1956 meeting of the district is to be held in Midland next spring.

Attending yesterday's meeting, in addition to the officers and others named above, were Mrs. Pauline Broyles, Mrs. Ida DeShan, Mrs. Ruby Sellars, Mrs. Dean Pierce, Mrs. Alice Lane, Mrs. Inez Wells, Mrs. Pauline Lee, Mrs. Ruth Neighbors, Mrs. Lillian Chambless, Mrs. Mabel Massengill, Mrs. Annie Rhodes, Mrs. Ora Ussery, Mrs. Esta Black, Mrs. Susan Smith, Mrs. Frances Soles, Mrs. Ida Mae Webb, Mrs. Bonnie Sheid, Mrs. Evelyn Crawford, Mrs. Mittie Tankersley, Mrs. Mary Beidleman, Mrs. Mabel Griffith, Mrs. Blanche Jennings, Mrs. Patricia Boren, Mrs. Ouida Nail, Mrs. Merle Williams, Mrs. Doris Underood, Mrs. Texa Jones, Mrs. Eunice Keller, and Mrs. Audrey Miller.

Fruit punch was served following the meeting.

Mrs. Jeffress Leads Program

Mrs. Jack Jeffress of Snyder directed a Founders' Day program for the Beta Epsilon chapter of Delta Kappa Gamma on Monday in Colorado City. Colorado City members of the chapter were hostesses for the meeting, held in the home of Mrs. Joyce Brown.

Candles were lighted for each of the 12 founders in a traditional ceremony. Mrs. Pearl Shropshire told the history of Delta Kappa Gamma and of the Beta Epsilon chapter. Edith Wilkerson of Loraine, chapter president, directed the business meeting.

It was announced that the state convention will be held in Mineral Wells on Friday and Saturday. Speakers will include Dr. M. Margaret Stroh, national executive secretary, Mrs. Eunah Holden, past national president, and Margaret White, founder of Ohio State. Delta Kappa Gamma in Texas represents more than 6,000 women teachers.

Refreshments of frozen punch, a candle-decorated birthday cake and nuts were served by the hostesses. Snyder members attending in addition to Mrs. Jeffress were Mrs. Dan Hamil, Juanita Reed, Mrs. Lida Rhodes, Mrs. Silas Devenport, Mrs. Joyce Gorman and Zaida Brown.

Program Is Postponed

A program planned for presentation tomorrow night under the auspices of the Fluvanna Parent-Teacher Association has been postponed. The program was to have featured students from the Lambert School of Dance in Snyder. Further plans for the program are to be announced later.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5488.

Every now and then, it's fun to serve something on the lavish side for the family or guests. Italian-style antipoasto fills this bill to perfection.

Add or subtract from the suggestions given below as you like. For the rest of the meal, spaghetti with a meat sauce and side dishes of broccoli might suit the taste. Be sure to cook the broccoli so that it remains green. For a dessert that resembles the famous Italian Zuppa Inglese, choose Boston cream pie. It's easier to make now because of prepared mixes, but you may still prefer your own recipe.

TUNA ANTIPASTO TRAY

Celery hearts
1 can (7 ounces) whole pimientos, drained
Green olives
Thin, thin onion slices (red or Bermuda)
2 cans (8 ounces each) artichoke hearts
Italian-style red peppers
1 can (7 ounces) solid pack tuna
Tomato wedges
Capers
Parsley
Tuna Savory
Cucumber slices

Arrange the celery, piminetos, olives, onion slices, artichoke hearts and red peppers in separate sections on serving tray. Drain solid pac tuna and turn out whole. Garnish with tomato wedges, capers and parsley. Spoon Tuna Savory over cucumber slices. Makes eight to 12 servings.

TUNA SAVOY

1 can (7 ounces) tuna
2 tablespoons red wine vinegar
½ teaspoon salt
Pepper
1 small clove garlic
¼ cup finely diced onion (red or Bermuda)

Drain the oil from the tuna into a small bowl. There should be about three tablespoons. Add the vinegar, salt and a dash of pepper. Put the garlic through a press, or mince and mash. Stir it into the oil with the onion. Turn the drained tuna into the dressing; flake and mix.

NEWS FROM CANYON

By MRS. MARGARET RILEY

Mr. and Mrs. Earl Prosise and children of Odessa have been visiting Mr. and Mrs. Houston Kimbrell.

Visiting Barbara Martin over he weekend was Jean Honeycutt of Lamesa.

Mr. and Mrs. Weldon Ford of Abilene visited Mr. and Mrs. Kermit Ford and family recently.

Barbara Martin, Lorita Stirling and Darla Bryant were among the 4-H girls participating in a team demonstration contest in Snyder Saturday.

Mr. and Mrs. Luke Rollins and daughters have been visiting her parents in Colorado City.

Mrs. L. M. McCoy of Anson recently visited Mrs. Margaret Riley and Mrs. J. S. Golden.

Mrs. Myrtle Burrow underwent surgery Monday in a Big Spring hospital. Among her visitors have been the Rev. Jimmie Rogers, Bill Labenske, Mr. and Mrs. Orville Taylor, Mrs. Ed Taylor, Manley Burrow, Mrs. Thurman Leech of Hermleigh, Mrs. Dewy Marr of Borger, Mr. and Mrs. Clifford Burrow of Fluvanna and Mr. and Mrs. Modrell Burrow of Snyder.

Mrs. J. S. Golden, Mrs. Margaret Riley and Kenny, Mrs. Ed Taylor, Mrs. Sam Martin and Mrs. L. F. Stirling attended the district Women's Missionary Auxiliary meeting in Anson Tuesday.

Mr. and Mrs. Kenneth Smith spent last weekend with Mr. and Mrs. Elmer Ferguson in Andrews. Mr. and Mrs. Charles Smith in Oil Center, N.M., and Mr. and Mrs. Bernice Harless in Eunice, N.M.

WOMEN'S CALENDAR

Rose Is Now State Flower Of New York

ALBANY, N. Y. (AP)—It's official now. The rose is the New York State flower.

Gov. Averell Harriman signed a bill yesterday giving status to the rose "in any color or combination of colors common to it."

It has been considered the state flower unofficially since 1891 when it was chosen by school children.

Prince Is Lecturer

Plans for a slumber party were discussed when the YWA met with Mrs. Rea Falls. Four girls attended.

Mrs. J. Z. Carruthers has been receiving medical attention.

Mrs. John Lewis' father visited in her home Sunday.

Connie Max Sumruld and Norman Turner visited Larry Mayes Tuesday.

German Beauty In Second Try At Hollywood Career

By BOB THOMAS

HOLLYWOOD (AP)—Cornell Borchers, a statuesque beauty from Germany, is having her second fling at Hollywood. This time it appears that she will make the grade.

Miss Borchers is the third German lovely to cause a stir here since the war. Previous entries were Hildegarde Neff, who is starring on Broadway in "Silk Stockings," and Ursula Theiss, now Mrs. Robert Taylor.

The new import is tall, flaxen-haired and shapely and often has been compared to Ingrid Bergman. She does resemble Bergman when she first came to Hollywood — wholesome, intelligent and full of a healthy kind of sex appeal. She has been signed for a picture a year at Universal-International and the bosses have big plans for her. She's now co-starring with Rock Hudson in "A Time Remembered."

This is not the first time she has been here.

"I came to Hollywood a few years ago," she related. "Twentieth Century-Fox brought me here to appear in a picture called 'Mabel and Me' with Dan Dailey. Mabel was a goat, and the story told how it was used for an escape from behind the Iron Curtain.

"It was rather a fantastic story, and it was never made. I waited around four months, doing nothing. Finally I told them I was going home."

And she did. But her return to Hollywood was more triumphant.

After the war, the beauty went to Berlin, where she attended drama school and got small roles in films and plays. Her big break came when George Seaton arrived in Berlin to direct "The Big Lift," starring Montgomery Clift and Paul Douglas.

"He tested about 10 other girls and picked me for the lead," she said. One reason for her choice is that her English is excellent.

Although her first Hollywood career didn't take, she became extremely active in German films. Last year the British Film Academy named her the best foreign actress for her performance in "The Divided Heart." She beat out Hollywood stars for the honor.

South To Speak At AAUW Session

Olaf South, superintendent of schools in Sweetwater, will be guest speaker for a luncheon meeting of the Snyder chapter of the American Association of University Women on Saturday. The luncheon will be held at noon at the Hilander.

Also included on the program will be reports from chapter delegates who attended the bi-annual AAUW convention in San Antonio last weekend.

Chapter members may bring one guest each to the luncheon. Reservations are to be made by calling Mrs. R. B. Fulcher or Mrs. Ben Thorpe.

Rocket Kills Five

PUSAN, Korea (AP)—A rocket exploded accidentally at a U. S. Army depot 40 miles northeast of Pusan yesterday, swooshed 700 yards into a group of Korean villagers, killed five and wounded three.

Work, Sleep, Play In Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 16 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Flower Arranging As Hobby Discussed

The advantages and enjoyment of flower arranging as a hobby were discussed by Mrs. Talva Mae Ketner for the Acacia Study Club yesterday. Mrs. Jim Tolles was hostess for the meeting in the Humble recreation hall.

Mrs. Carl Dillaha, program chairman, introduced the guest speaker. The subject was in keeping with the general topic of "More Effective Living Through Hobbies." Mrs. Kenter also demonstrated flower arrangements.

Eighteen club members attended.

Small fry like this: toast spread with applesauce, sprinkled with a suspicion of cinnamon and topped with crumbled crispily cooked bacon!

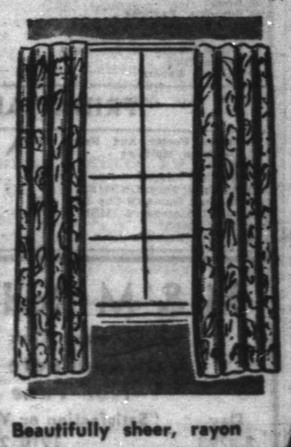

There's no need to bake a rice ring in the oven. Just pack hot drained cooked rice into a buttered ring mold and turn out on your serving plate.

Big Bend Park Has Washington Fans

By TEX EASLEY

WASHINGTON (AP)—Big Bend National Park now has two ardent boosters in the official Washington lineup. And both of them can be counted upon to keep plugging for further development of the vast Southwestern area.

One is Lemuel (Lon) A. Garrison, superintendent of Big Bend from 1952 until last January, now chief of the Conservation and Protection Branch of the National Park Service.

The other is Rep. J. T. Rutherford of Odessa, whose district includes the 1,100 square mile park.

Both are dedicated to the cause of making Big Bend an international park. This proposal calls for Mexico to set aside approximately the same area of land, 700,000 acres, directly across the Rio Grande from Big Bend, for extending the park south of the border.

Garrison, 51, is an old time rancher, a 6-footer with an outdoors look, who appears out of place seated at a big desk in the huge Interior Department building, headquarters of the park service. Most of his 23 years in the service has been in the field, helping run such parks as Yosemite, Glacier and Grand Canyon.

His two years plus at Big Bend made an enthusiastic Texan out of Garrison, a native of Pella, Iowa.

"I just like the way everything is done down in Texas," said Garrison with an expansive smile. "In fact, I am a registered voter of Brewster County and I expect to continue my legal residence in Alpine."

His job of operating Big Bend, as its second superintendent, delighted him because of the opportunities it offered in building a new park.

"I didn't have to go in there and try to sell local citizens on the park, as you do in some areas," he continued.

"They were eager and taking the lead. I am glad to have had a hand in bringing electric power, telephone service, paved roads and adequate water supply to the park."

He named a dozen or so men who, he said, deserve great credit for bringing about creation of Big Bend National Park in 1944. Among them were the late Everett E. Townsend, early-day Texas Ranger who for decades went about the state selling his dream of a park; Frank Quinn of the State Park Board; Federal Judge Ewing Thompson, El Paso, and Amon G. Carter, publisher of the Fort Worth Star-Telegram.

Garrison occasionally goes to the Capitol and calls on Rutherford. They always discuss Big Bend and their dreams for its future.

"I never overlook an opportunity to inform people here, including my own Texas colleagues, of the wonders of the Big Bend country," said Rutherford.

"I hope some day to get up a special trip of some kind to get a lot of these folks out there and see for themselves."

Rutherford and Garrison also promote the international park idea whenever they get a chance with Mexican diplomatic personnel here.

Roberto Riverell, vice president of a large bank in Torreon, Coahuila, wrote Garrison recently:

"I know that in your new position you will continue to support the possibility of the project to create the International park between Mexico and the United States."

Accused Actress Is Found To Be Insane

CHICAGO (AP)—A criminal court jury yesterday found insane an actress who was accused of killing her 3-year-old daughter with sleeping pills. A psychiatrist testified she had a "five year history of drug addiction."

The actress, Mrs. Lola Kathryn DeWitt, 26, was accused of causing the death of the child, Fancy Stewart, by giving her an overdose of sleeping pills last February.

Mrs. DeWitt played in "Pajama Tops" in its recent Chicago run.

Dr. William H. Haines, director of the Cook County Behavior Clinic, said Mrs. DeWitt was addicted to dope and was commitable to the state mental hospital.

31 Speakers Due At Oil Lifting Course

LUBBOCK — Thirty-one speakers will be featured during the two-day third annual Oil Lifting Short Course opening today at Texas Tech.

The course will open with registration from 8 to 10 a.m. today, followed by a general session. W. L. Ducker, head of Tech's petroleum engineering department, said. William J. Murray, Jr., chairman of the Texas Railroad Commission, will be the principal speaker for this general session. Class sessions will begin at 1 p.m. and continue until about 5 o'clock. Classes will begin at 9 a.m. tomorrow and continue until about 5 o'clock.

Cruelty For Woman To Deny Husband A Child

LONDON (AP) — A divorce court judge ruled yesterday that it is cruelty for a woman to deny her husband a baby.

Donald N. Forbes, 36, won a decree from his artist wife, Nada, also 36. He said she put off his paternity pleas with such retorts as "you only want to prove your manhood."

Forbes said his wife also teased him with such babytalk as "didums want to be a father?"

Major Leaves His Plow To Join His Guard Unit

HARTFORD, Conn (AP)—National Guard Maj. A. Kenneth Palmer found himself in the role of an American Revolutionary War minuteman yesterday.

When the "Operation Minuteman" test alert came, Palmer was behind a plow on his farm in Wapping.

His wife shouted across the field and, like a minuteman of the Revolution, Palmer left his plow and hurried off to join his unit.

Private Armies Cited As Greatest Danger

DALLAS, Tex. (AP)—Private armies, not communism, are his country's greatest problem, says the vice-governor of South Viet Nam.

Cao Thai Bao made no attempt to underestimate the Communist threat to his country, he said. But he pointed to gunplay in Saigon recently as a more immediate threat.

"There are 40,000 well-armed and trained fighting men in South Viet Nam belonging to three private armies," he said in the interview.

"Two containing 35,000 men are religious organizations. But the third is political. It's this army of 5,000 men under former regular army Gen. Le Van Vien that's attacking the administration," said Bao.

Three Area Teams Enter Region Meet

Track and field competitors from Ira, Hermleigh, and Hobbs will go to Brownwood tomorrow, where they will compete Friday in the regional meet.

All three teams have good chances of qualifying boys for the state track meet.

Only one boy from Ira is going to Brownwood with coach Kenneth Dismuke. He is Don Gray, who won the mile run in the district meet with a time of 5:04.

From Hermleigh, coach Ray Isaacs will enter Neal Wilcox and Billy Mac Davidson in the 100-yard dash, Charles Smith in the 120-yard high hurdles, Alvis Tarter in the 180-yard low hurdles, Wilcox and Tarter in the 440-yard dash, Clyde Wilcox in the 880-yard run, Davidson in the high jump, a team of Richard Fritz, Wendell Goodman, Smith, and Davidson in the 440-yard relay, Neal Wilcox in the discus, Robby Robinson in the pole vault.

Neal Wilcox, a senior, ran second in the 100 in the district meet and won the 440. He has run the 440 in 52.8 this year. He was second in the discus throw with 131 feet. Davidson won the 100 in district with 10.6 against the wind and tied for first in the high jump. Smith placed second in the high hurdles, while Tarter was third in the low hurdles. The Hermleigh 440 relay team took first in district with a time of 54.6. Robinson had first in the pole vault with 10 feet 4 inches.

From Hobbs coach W. C. Hodges will enter nine boys in events. Ralph Hardin will be in the 220-yard dash, a team of Mack Etheredge, Bernon Etheredge, Perry Thomson, and Hardin in the 440-yard relay; Bobby Pullig and Henry Medrano in the 880-yard run, Durwood Hopper and George Gantt in the pole vault, Doyle Hayes in the discus, and a mile relay team cqmposed of Pullig, Medrano, and two out of a group of Hayes, Mack Etheredge, Thomson, and Hardin in the mile relay.

Pullig won the 880 and Medrano ran second in the 880 at the district meet. Pullig's time was 2:06.5. Last year he placed fifth in state in the mile run. Gantt and Hopper both placed in the pole vault. Hayes won both the shot and discus, with 43 feet, 2 inches on the shot and 135 feet, 2½ inches on the discus. The Hobbs mile relay team won the event in district.

SPORTS

Midland Tops Colts 5-3 In Feature Tilt

By The Associated Press

Don Deckman smashed his first home run of the season with none on in the eighth last night to ignite a five-run Midland rally as the Indians came from behind to rack San Angelo 5-3 in a Longhorn League opener.

Meanwhile, Artesia ruined Hobbs' debut in the Class C circuit with a 9-3 victory and Roswell squeezed past Carlsbad 6-5. Odessa playing at Big Spring, slammed the host 5-4.

All games were season openers.

Audie Malone, who suffered the San Angelo loss, pitched near-perfect ball for the first seven innings, giving up only four hits and allowing no runs. Deckman apparently had Malone's ticket, however. He had smashed two of the four hits Malone gave up earlier.

At Artesia, Hobbs had the tables turned as Dan Howard slammed a triple scoring two runs after Hobbs Pitcher Evelio Hernandez attempted to intentionally walk Howard. On the second ball, Howard reached out and slammed the triple. The Numexers tallied five in that eighth inning capturing what had been anybody's game until then.

Roswell, playing at Carlsbad, scored five runs in the third inning in taking the victory. Carlsbad never caught up after taking a first inning 1-0 margin.

At Big Spring, Roman (Lefty) Loyko and Tony York smashed home runs in powering Odessa to a 5-4 victory. Loyko sent Jim Bello and himself across the plate in the second frame while York sent in the winning run with a three-run clout in the ninth. Big Spring, scoring all four in the sixth, retained its margin until York upset the cart.

El Paso Gets Good Sendoff In WT-NM

By The Associated Press

The El Paso Texans, powered by a ninth inning three-run homer by Alex Gonzalez, made their debut in the West Texas-New Mexico League with a bang last night by whipping the Albuquerque Dukes 4-3.

The four league games were baseball openers for all teams.

The Pampa Oilers, playing at Plainview, pounded out 20 hits to gain an easy 16-6 victory over Plainview. Lubbock bowled over Abilene 10-7 and Clovis defeated Amarillo on the latter's home grounds 7-4.

El Paso, playing on its home grounds, went scoreless eight innings while Albuquerque coasted on a three-run margin gained in the sixth. But the Texans exploded with all four runs in the final frame as Gonzalez sent two other men besides himself across the plate. Gerry McKay then shot a single to right that scored Chalo Garcia from second with the winning tally.

The Oilers racked up seven homers in their victory over Plainview. Veteran righthander Jack Venable gave up 10 hits and smacked one homer as Pampa took a second inning 3-2 margin and never was headed. Joe Fortin slashed two of the roundtrippers.

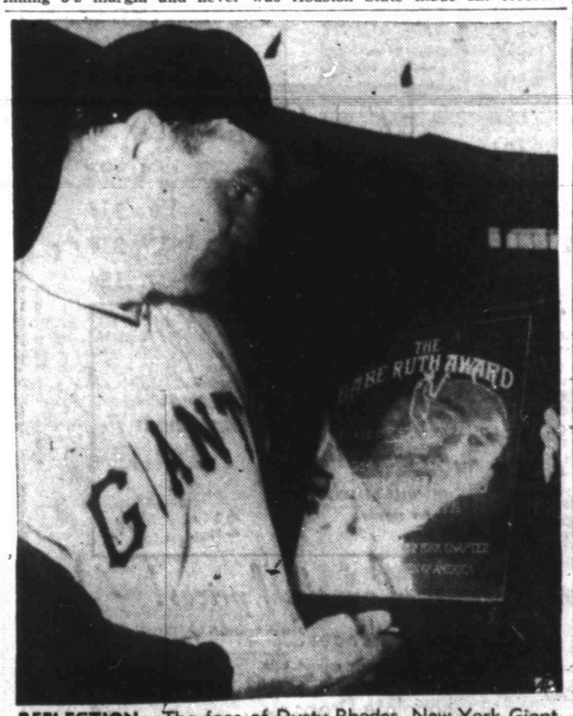

At Abilene, Lubbock sent eight men across the plate in the top of the first inning, added two more runs in the fifth and coasted the rest of the way in taking the season opener from Abilene. Abilene spread out its runs through the frames but couldn't break down Lubbock's early lead.

At Amarillo, 2,800 fans watched southpaw Tom Gallagher make his winning debut after a four-year absence from Clovis as he pitched a five-hitter for the New Mexico team. Gallagher struck out 10 in his first league game since a stint in the service.

Clovis scored one in the fourth and added two more in the seventh. Three runs scored for the New Mexico team in the eighth clinched the victory.

Rice Gets By SH

HUNTSVILLE, Tex. (AP) — Rice edged Sam Houston State 8-7 in a wild-scoring, error-filled baseball game last night. Rice slammed three runs across in the fifth to snatch the lead it never relinquished the rest of the way. Sam Houston State made six errors.

REFLECTION—The face of Dusty Rhodes, New York Giant pinch hitting ace, is mirrored in the Babe Ruth Award he holds after presentation by the New York Chapter of the Baseball Writers Association. The award goes annually to the outstanding player in the World Series. Rhodes earned the honor for his outstanding hitting against the Cleveland Indians last fall.

JAPANESE WINS MARATHON IN RECORD TIME—Hideo Hamamura of Japan won the Boston Marathon at Boston, Mass., in record time of 2:18:22. This cracked by 29 seconds the previous mark set by his countryman two years ago for the 26-mile, 385-yard grind. Mayor John B. Hynes (left) tries to catch up with the runner to bestow laurel wreath of victory.

One Player Gains 7 Runs For Beaumont

By HAROLD V. RATLIFF
Associated Press Sports Editor

With one player accounting for seven runs, a ball club isn't going to lose many games—and Beaumont got that kind of service out of Ben Taylor Wednesday night as the Exporters won their sixth in seven starts to firmly entrench themselves in third place in the Texas League.

They're two games away from high-flying San Antonio but only a half-game back of second-place Dallas.

The Shippers' drive is the talk of the League and Taylor's batting feat last night made more conversation. The big first baseman clouted three home runs, one a grand-slammer, as Beaumont whipped Houston 10-7. It was the Exporters' third straight over the slumping Buffs.

San Antonio was lashing Shreveport in a double-header that saw the Missions score 23 runs to only 2 for the Sports.

Charlie Locke allowed Shreveport only four hits in the 7-inning opener and was backed by an 11-hit attack as San Antonio won 9-0.

San Antonio clouted 17 hits in the second game to win 14-2 with Jim Pisoni, Chuck Oertel, Kal Segrist and Dave Roberts chipping in with homers. Pisoni also hit for the circuit in the first game. Hal Wood pitched eight innings in relief and gave up only five hits.

San Antonio pulled a triple play in the first inning of the second game. With Sport runners on first and second, Mel McGaha lined to Bob Caffery at second and Caffery tossed to shortstop Witty Quintana for two, the relay catching the runner off first.

Dallas beat Oklahoma City 5-2 as Ben Wilbur posted a 5-hitter. Fort Worth made it three straight over Tulsa with an 8-2 decision.

Thomson Off To Fast Start

MILWAUKEE (AP)—Bobby Thomson, off to the fastest start of his career, is hammering out the "other" side of the argument in the 1954 trade that brought him to the Milwaukee Braves.

He belted a bases loaded home run and just missed another in Chicago yesterday, to write the biggest rebuttal chapter, as the Braves took their third straight from the Cubs, 9-5.

The prize homer, in the second inning, came off Cub starter Sam Jones and sailed high over the center field wall. It was his second grand slam of his career. The first came against the Cards June 16, 1952.

His second smash yesterday, in the sixth inning, took off in the same direction, but failed by inches to clear the wall. The homer was career number 185 for Bobby.

In the eight games the Braves have played, Thomson has driven in 15 runs, five of them yesterday, and leads the league. He's hitting at a .333 clip from his cleanup spot, one of four Braves over .300.

Bobby came to Milwaukee in the 1954 winter deal that sent Johnny Antonelli to the Giants. Bobby broke his ankle in spring drills and saw only limited action in the shag end on the season. Antonelli won 21 games as the Giants took the National League pennant and won the World Series.

The debate was on then. Thomson looked like the goat. The situation turned worse as the end of the past spring season when Bobby came down with a sore shoulder that threatened to keep him on the bench opening day. He was determined to play the first date, and he made it.

He not only played, he's been showing the way ever since.

Heated Arguments Among Race People

NEW YORK (AP) — Battle lines were drawn and arguments between supporters of Summer Tan and Nashua waxed hotter today as the time approached for their momentous duel in the $100,000 added wood Memorial at Jamaica Saturday.

Almost forgotten is the fact that only three other 3-year-olds are expected to start in the mile and one eighth event that has sent blood pressures scurrying among the turf folk—especially with the Kentucky Derby only two weeks off.

The largest crowd of the spring is expected to jam the Long Island horse yard for this first 1955 meeting between the two star colts. Bets have already been made which horse will go off the favorite for the race which has produced six derby winners since 1930.

ABOVE THE BLEACHERS

By DALE WALTON

Lonnie Holland, who was one of the best pitchers Plainview High School had on its baseball team, recently accepted expenses for visiting a college campus and was declared ineligible for baseball.

Holland will be remembered as the outstanding quarterback on Plainview's grid team.

* * *

Landon Westbrook, trainer and track coach at Texas Tech, is resigning and seeking a job calling for only training or track coaching.

* * *

Harroll Hobbs, Sweetwater's best prospective backfield man for next fall, has been ordered to stay out of spring training and the regional track meet because of an injured knee. He is expected to be in shape by next fall.

Sweetwater's Elwood Turner, a former student of Dutch Meyer, may use the TCU spread and several other offensive formations next season. Turner has said he likes the split-T and that it is the best, but he doesn't like to limit himself to one formation.

* * *

Little League and Pony League are getting things ready for the 1955 season.

Both leagues are part of national organizations which are growing by leaps and bounds. The Little League headquarters at Williamsport, Pa., announced this week that it has more than 4,000 leagues across the country as Little Leagues begin the 16th season of the national program.

Bums To Face Roberts Today

By ED WILKS
The Associated Press

So now the Brooklyns have won themselves nine straight games.

And all they have to do to take No. 10—the one that would set a modern major league record for consecutive victories at season's start—is beat a gent named Robin Roberts today.

The streak has been getting tougher and tougher for the Dodgers and this afternoon's game at Ebbets Field may be the toughest yet. Roberts, the best righthander in baseball, hasn't had too much success against the Brooks in the past, but this time the Philadelphia ace is off to his best start in four years.

Robin is 2-0 thus far, beating the world champion New York Giants twice. Both decisions were by 4-2 counts, and only two of the Giants' runs were earned.

That sort of a push off in his bid for a sixth straight season of 20 or more victories may turn the tide for Roberts against the Brooks. Robin is only 17-21 lifetime vs the Dodgers.

For a time last night, it looked like the Brooks wouldn't have any streak for Roberts to challenge. They were shut out on one hit by Steve Ridzik for 7 2-3 innings. But then he tired and walked in a run that sent the Dodgers off on a three-run inning and a 3-2 victory over the Phillies.

It was pitching weakness by the opposition, too, that snapped a string yesterday. The Baltimore Orioles made the best of Bob Grim's wildness and a two-run homer by Hal Smith to beat the New York Yankees 6-3 and win their first decision of the American League season. They had lost six.

In the only other AL game, league-leading Boston beat Washington 1-0 on Willard Nixon's five-hitter. The Chicago at Detroit game was rained out.

In the National, St. Louis defeated Cincinnati 3-0 and Milwaukee clipped Chicago 9-5. Winless Pittsburgh was leading the Giants 3-0 when rain halted play after three innings.

Pitchers Are Griping In Both Leagues

By GAYLE TALBOT

NEW YORK (AP)—As is customary at this stage of the big league races, pitchers are complaining that the "bew" ball they are trying to throw past the hitters is so full of rabbit you can lift it by the ears. Actually, says the company which turns out identical balls for both leagues, there not only has been no change whatever which could account for the rash of homers, but the boys still are swinging at leftovers from last season if they want to know the truth . . . It is a matter of baseball history that the Brooklyn Dodgers won their first nine starts back in 1940, yet finished a dozen games behind the champion Cincinnati Reds. The Giants of '51 agonized through a losing streak of 11 straight on the way to their sensational playoff victory over the Dodgers. It's a long, long season.

A visitor to West Point brings back the news that Earl Blaik, coach of Army's football forces, is doing a rush job of transforming his brilliant end, Don Holleder, into a pass-throwing quarterback in spring practice. Holleder was widely regarded as the finest wingman in the east last season, but the loss of Pete Vann by graduation this June and the lack of an adequate signal-calling replacement forced Blaik's hand.

Already the Chicago White Sox, with heavy-footed Walt Dropo playing first and Bob Nieman breaking into their outfield, are being described as a far cry from the base-running "go-go" gang they were under Paul Richards. But the crowds at Comiskey Park like Marty Marion's new order and are yelling for the long ball. George Kell, the club's veteran third-baseman, says it's the best team he's ever played with and will be in there all the way.

Santee Might Make 4.0 Mile Saturday

LAWRENCE, Kan. (AP) — Wes Santee, America's greatest distance star, says he feels the 4-minute mile will be within his grasp Saturday if weather conditions are good.

The long-legged lad from the plains of western Kansas hopes to beat the world record of 3:58, set by Australia's John Landy last year, in the 30th Kansas Relays here Saturday.

The only other man to run the mile in less than 4 minutes is Dr. Roger Bannister of London who had a 3:59.4.

"I think I'm ready to unwrap a good one if the weather is right," Santee said today.

Boling Figures To Win With Two Boys

BOLING, Tex. (AP)—Boling expects to win the Class A schoolboy track and field championship this year and it has just the two guys who can do it.

They are Jimmy Somers and Devoy Shaw.

Somers, defending state champion in the discus throw, won last year with 150 feet 9⅛ inches. This year he already has hurled the platter 162 feet 9 inches, four feet over the state record.

Shaw is a hurdler and pole vaulter and he also runs on the mile and 440-yard relay teams along with Somers. Shaw probably could win both hurdles in the state meet but may have to drop one of them so he can run in both relay races.

Sooner Is Still Opening

By The Associated Press

Sooner State League baseball teams were set tonight for the second round of opening games at Ardmore, Muskogee and Gainesville.

The Shawnee Hawks and the Seminole Oilers changed plans and switched sites last night after opening the season in Shawnee Tuesday night. The Hawks moved over to Seminole for the Oilers' opening and suffered a 15-8 licking.

The Lawton Braves and the Paris Orioles completed their first home stand in successful style, scoring their second straight victories to place them in a tie for first place.

Lawton edged the Ardmore Cardinals, 8-7 in 10 innings and Paris beat the Gainesville Owls, 7-5, the same score by which the Orioles captured the opener.

Simple, Variable Gelatin Foods Are Bride's Delight

It was a wise name-coiner who dubbed gelatin "bride's delight."

Nothing on the kitchen shelf can perform as easy and quick tricks with all sorts of flavors and ingredients as gelatin. A powdered protein substance, gelatin can be whipped up into a chilled souffle or mousse just as easily as it will hold together simpler food bits. And a gelatin salad is the touch that spring needs. In a hurry, make it in the cool of the morning for the evening meal.

The following recipes show the flexibility of gelatin — its use with vegetables, meats, seafood, and fruits.

YAM ORANGE SALAD

1 3-ounce package orange-flavored gelatin
1 cup hot water
⅛ cup pineapple juice
2 tablespoons lemon juice
1-3 cup cold water
Dash cloves
2 medium sized cooked yams, peeled and diced
⅛ cup drained canned pineapple
¼ cup minced celery
2 teaspoons unflavored gelatin
¼ cup cold water
¼ cup hot pineapple juice
Dash salt
2 cups creamed cottage cheese

Dissolve orange flavored gelatin in 1 cup hot water. Add ½ cup pineapple juice, lemon juice, one third cup cold water and cloves. Chill until slightly thickened. Fold in yams, pineapple tidbits and celery. Meanwhile, soften 2 teaspoons unflavored gelatin in cup cold water. Add ¼ cup hot pineapple juice and salt; stir until gelatin is dissolved. Chill until slightly thickened; fold in cottage cheese.

In an oiled 1½-quart mold pour one-third of the orange gelatin mixture; chill until firm. Spread a layer of half the cottage cheese mixture on top of the yam layer. Chill until firm. Repeat layers until all ingredients are used, ending with orange gelatin layer. Chill until firm after each layer is added. Chill several hours in refrigerator. Unmold and surround with crisp salad greens. Makes 6 servings.

MOLDED EGGS AND VEGETABLES

1 envelope unflavored gelatin
½ cup cold water
2 tablespoons lemon juice
¼ teaspoon Tabasco sauce
¾ cup mayonnaise or salad dressing
1½ teaspoons grated onion
½ cup finely diced celery
¼ cup finely diced green pepper
¼ cup chopped pimiento
4 hard cooked eggs, chopped

Soften gelatin in cold water. Place over boiling water and stir until gelatin is dissolved. Add salt, lemon juice, and Tabasco sauce. Cool. Add mayonnaise; mix in remaining ingredients. Turn into large or individual molds and chill until firm. Unmold on crisp greens. Yields 6 servings.

PINEAPPLE CARROT MOLD

1 No. 2 can crushed pineapple
1 package lemon-flavored gelatin
½ cup sugar
¼ teaspoon salt
2 tablespoons lemon juice
1 cup finely grated carrots
½ pint whipping cream

Drain pineapple. Add enough water to pineapple syrup to make 1½ cups. Heat to a boil. Add gelatin and stir until dissolved. Add sugar, salt and lemon juice. Chill until slightly thickened. Add drained pineapple and grated carrots. Whip cream stiff and fold into gelatin mixture. Pour into an 8-inch ring mold (1½ quarts) and chill until firm. If desired, mold in individual molds. Unmold and garnish with watercress. Makes 8 servings.

CARROT AND CABBAGE SALAD

1 package lemon-flavored gelatin
1 cup hot water
¾ cup cold water
¼ cup French dressing
1 cup grated raw carrots
1 cup finely shredded cabbage

Dissolve gelatin in hot water. Add cold water and French dressing. Chill until slightly thickened. Then fold in carrots and cabbage. Pour into 1 quart ring mold. Chill until firm.

JELLIED VEAL TIMBALES

2 envelopes unflavored gelatin
½ cup cold water
4 chicken bouillon cubes
2 cups boiling water
3 tablespoons sugar
⅓ cup vinegar
3 tablespoons lemon juice
1 teaspoon salt
1 teaspoon Worcestershire sauce
¼ cup chopped parsley
¼ cup minced pimento
3 cups finely diced cooked veal

Soften gelatin in cold water. Dissolve chicken bouillon cubes in boiling water; add to gelatin; stir until dissolved. Add sugar, vinegar, lemon juice, salt, Worcestershire sauce; chill until consistency of unbeaten egg whites. Fold in parsley, pimento and veal. Spoon into custard cups; chill until set. Unmold on salad greens. Garnish with chive mayonnaise and gherkin slices. Makes 6 to 8 timbales.

Try a quick set method with this ham and celery salad. Dissolve the gelatin completely, add vinegar, onion, and ice cubes. It will jell in just a few moments.

HAM AND CELERY SALAD

1 package lemon-flavored gelatin
½ teaspoon salt
1 cup boiling water
3 tablespoons vinegar
½ teaspoon grated onion
8 to 12 ice cubes
1 to 1½ cups finely chopped cooked ham
1 cup finely chopped celery
2 tablespoons finely chopped sweet pickle

Dissolve gelatin and salt completely in 1 cup boiling water. Add vinegar and grated onion. Add 8 to 12 ice cubes and stir constantly 2 or 3 minutes, or until gelatin starts to thicken. Remove unmelted ice. Let stand 3 to 5 minutes after removing ice. Then fold in remaining ingredients. Pour into 1-quart mold or individual molds. Chill until firm. Unmold on crisp lettuce. Makes 6 servings.

MOLDED CHICKEN LOAF

1 envelope unflavored gelatin
½ cup cold chicken stock or bouillon
¾ cup hot chicken stock or bouillon
2 tablespoons lemon juice
½ teaspoon salt
¼ cup pineapple syrup
1¼ cups diced cooked chicken
½ cup canned crushed drained pineapple
½ cup diced celery

Soften gelatin in cold chicken stock. Add hot stock, and salt and stir until dissolved. Add lemon until consistency of unbeaten egg whites. Fold in chicken, pineapple and celery. Turn into loaf pan or individual molds and chill until firm. Unmold and serve with mayonnaise or salad dressing. If desired, garnish with toasted slivered almonds. Yields 6 servings.

MOLDED SALMON SALAD

2 envelopes unflavored gelatin
½ cup cold water
1 cup hot chicken broth or bouillon
1 cup salad dressing or mayonnaise
3 tablespoons chili sauce
2 tablespoons lemon juice
1 tablespoon grated onion
¼ teaspoon Worcestershire sauce
Dash cayenne
½ teaspoon monosodium glutamate
Salt to taste
1 8-ounce can salmon or 1 cup cooked salmon
1 cup finely diced celery
½ cup sliced stuffed olives

Soften gelatin in cold water; dissolve in the hot chicken broth; cool slightly. Add slowly to mayonnaise, blending well after each addition. Add chili sauce, lemon juice, onion, Worcestershire sauce, cayenne, monosodium glutamate, and salt. Chill until consistency of unbeaten egg whites. Flake salmon; fold in with celery and olives. Turn into an oiled 5-cup mold; chill until firm. Unmold on crisp salad greens. Makes 8 servings.

SPRING BLOSSOM SALAD

1 envelope plain gelatin
½ cup fresh lemon juice
¼ cup sugar
1¼ cups fresh orange juice
1 pint cottage cheese

Soften gelatin in lemon juice. Heat orange juice and sugar; dissolve gelatin mixture in hot juice. Add ½ cup of this mixture to cottage cheese; set aside. Pour remaining gelatin juice in ring mold. Chill until almost set; spread cottage cheese on top. Chill; unmold on large platter and decorate.

AVOCADO RING MOLD

2 envelopes unflavored gelatin
½ cup fresh grapefruit juice
1¼ cups hot water
1-3 cup fresh lime juice
1½ teaspoons grated onion
2½ teaspoons salt
1-16 teaspoon red hot sauce
3 cups ripe sieved avocados
¾ cup salad dressing
Pimiento strip for garnish

Soften gelatin in grapefruit juice. Dissolve in hot water. Add lime juice and seasonings. Stir in avocado puree and salad dressing. Cut pimiento into ¼-inch strips in any desired pattern in bottom of 5-cup oiled mold. Carefully spoon 1 cup of the avocado mixture over the pimiento strips. Chill until firm. Pour in remainng mixture. Chill until ready to serve. Unmold onto serving plate. Fill center with ham or chicken salad. Yields 6 to 8 servings.

FRUIT CHEESE MOLD

1 envelope unflavored gelatin
¼ cup cold water
1 no. 2 can grapefruit sections
1 tablespoon sugar
1 8-ounce can dark sweet cherries
½ cup grated American cheese

Soften gelatin in water about 5 minutes. Drain syrup from grapefruit sections and add enough water to make 1½ cups liquid. Heat to boiling. Add gelatin and sugar and stir until dissolved. Chill until slightly thickened. Arrange grapefruit sections and drained, pitted cherries in a pan or mold and sprinkle cheese on top. Pour gelatin over fruit and chill until firm. Makes 6 servings.

JELLIED SPICED FRUIT SALAD

1 envelope unflavored gelatin
¼ cup cold water
½ cup hot spiced fruit juice
1 cup gingerale
Fruit drained from no. 2½ can

Soften gelatin in cold water. Add hot, spiced fruit syrup; mix well. Add gingerale and drained fruit. Pour into molds that have been rinsed in cold water. Chill until firm. Unmold and serve on lettuce and watercress. Yields 6 to 8 servings.

SPICED FRUIT

No. 2½ can fruit in heavy syrup
¼ cup sugar
¼ cup unsulphured molasses
⅓ cup cider vinegar
⅛ teaspoon salt
1 stick cinnamon
¼ teaspoon whole cloves
¼ teaspoon whole allspice

Drain fruit. Mix fruit syrup with remaining ingredients in saucepan (tie whole cloves and allspice in a bag). Boil 2 minutes. Add fruit; simmer about 15 minutes. Remove spice bag. Drain fruit and use with ½ cup of syrup for making the salad. Save remaining syrup for basting hams.

CREAMY DESSERT SALAD

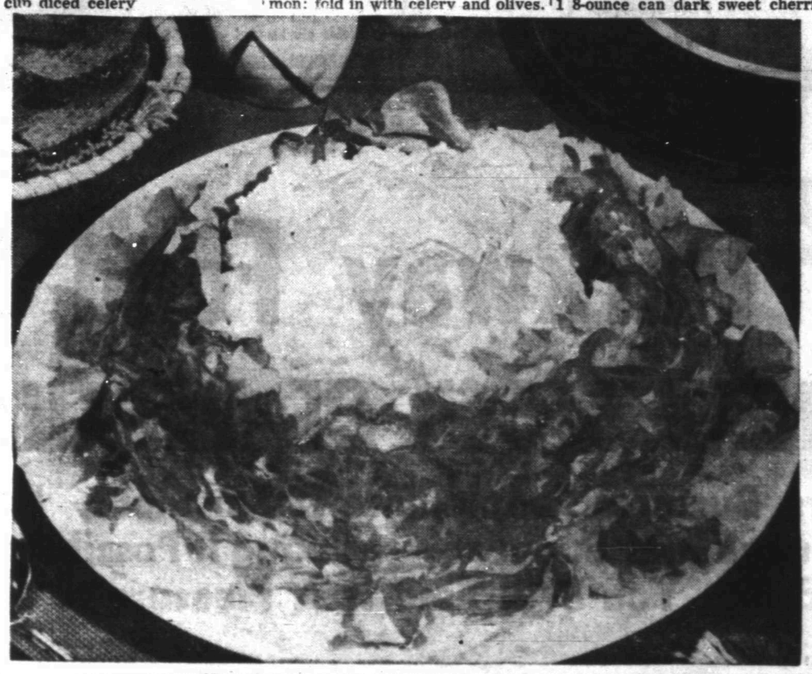

1 envelope unflavored gelatin
1-3 cup cold water
¼ cup lemon juice
¼ cup granulated sugar
1 cup undrained crushed pineapple
2 cups sieved cottage cheese
½ cup whipping cream
½ cup chopped walnuts
Maraschino cherries

Soften gelatin in water and dissolve by placing over boiling water. Blend in lemon juice, sugar, pineapple, and cottage cheese. Fold in whipped cream and walnuts. Place a half cherry in each individual mold and spoon gelatin mixture over it. Chill until firm. Unmold on salad greens to serve. Makes 12 small molds or 5 6-ounce molds.

JELLIED MINCEMEAT

1 package cherry-flavored gelatin
1 cup hot water
1 cup cold water
1 cup moist, mincemeat
¼ cup broken nuts

Dissolve gelatin in hot water. Add cold water. Pour one-third cup mixture into 1-quart mold. Chill until firm. Meanwhile chill the remaining mixture until slightly thickened. Then fold in mincemeat and nuts. Turn onto firm gelatin in mold. Chill until firm. Unmold. Garnish with mounds of sweetened whipped cream flavored with rum extract, if desired. Top each mound with a maraschino cherry and mint leaf. Makes 6 servings.

ON PCA COMMITTEE—Audry Head, left, Arah Route, Snyder, was elected to the nominating committee of the Sweetwater Production Credit Association in the organization's annual meeting yesterday at the Nolan County seat. He is shown talking with Charlie Bley, Fluvanna, at the barbecue luncheon given by the credit association for more than 2,000 persons. (Lee Watson photograph)

Scurry Groups Attend Annual Meet Of PCA

Many Scurry Countians were among the more than 2,000 persons who attended the 21st annual meeting of the Sweetwater Production Credit Association in Sweetwater yesterday.

Two men from Scurry County were re-elected to the board of directors of the association which has members in a six-county area. The re-elected directors from Scurry County are J. N. York of Snyder, and H. M. Murphy of Hermleigh.

Walter L. Boothe of Sweetwater was re-elected president of the organization for the twenty-first time. He is the only president the organization has ever had.

Other directors re-elected were Frank Jones, Lamesa, and E. W. Wiman, Roscoe. Wiman is also vice president.

About 1,250 persons attended the business meeting of the Sweetwater PCA held yesterday morning in the Sweetwater Municipal Auditorium, but by the time a barbecue lunch was served in the city park, more than 2,000 persons had arrived.

The organization, now totally owned by its stockholders, has capital and reserves of $849,452.36, and its financial statement shows $2,979,306.89 in total assets. It has 1,627 members in Nolan, Dawson, Borden, Scurry, Fisher, Mitchell, and Kent counties.

Audry Head of Snyder, and Sid Reeder of Gail were elected to the nominating committee of the organization for the coming year.

Ellis Lanier, assistant vice president of the Production Credit Corp. of Houston was the main speaker on the program. Entertainment was furnished by a musical group from Silver.

Demonstration Set On Speed Of Paving

COLLEGE PARK, Md. (AP) — A test to see how fast a contractor can pave the equivalent of a city block with asphalt will be one of the attractions at the dedication of the Asphalt Institute's new headquarters.

The Corson-Gruman Co. of Washington will make the attempt May 5. It will have two asphalt spreaders, two rollers, and 14 eight-ton trucks ready to spread asphalt in a 1½-inch layer over a street in front of the new building on the University of Maryland campus.

The company has said it expects to pave it in less than an hour.

The Asphalt Institute does engineering research in the use of petroleum asphalt. Formerly located in New York, it moved here Jan. 1.

Alert Finds Colonel's Automobile Hemmed In

SALT LAE CITY (AP)—Roland R. Wright knew he had to hurry to the air field when the National Guard alert was sounded yesterday evening.

He's a lieutenant colonel in the Air National Guard and Commanding officer of the 191st Fighter-Bomber Squadron.

But when the practice alarm went off, he was putting down concrete in the driveway that leads to his garage. And in the garage was his car.

After some fast shoveling, he scooped away enough of the wet concrete so he could get out his car and drive to the air field.

Returns To Home Here

Mrs. Dora Cunningham, who has been out of town for three months, has returned to her home at 2403 Avenue N. A resident of this area for many years, Mrs. Cunningham has been visiting with her daughters since undergoing surgery. She plans to remain at home for an indefinite period of time.

Young Suicide Victim Leaves Love Message

RIPLEY, Ohio (AP)—A 14-year-old girl pencilled her message of love in the sand and then shot herself to death yesterday along the banks of the Ohio River, Brown County officials reported.

Authorities said Carolyn Riddle, an eighth grade pupil, wrote: "Can't live without you, Jerry, I love you so. I can't live."

Man Returns To Enter Guilty Plea In Court

James Worthy, 44, Odessa, returned voluntarily to Snyder yesterday to plead guilty to a county court charge of swindling by worthless check. He paid a fine of $5 plus court cost of $23.50.

The charge was filed about a week ago alleging he gave a worthless check to Taylor's Cafe for $15. He also redeemed the check yesterday.

Jurors Are Allowed Little Nip On Job

OKLAHOMA CITY (AP)—The Oklahoma Criminal Court of Appeals has ruled that liquor drinking by jurors during a trial recess is not grounds for a mistrial unless they get drunk.

However, the court held that any drinking after the case has been submitted to jurors is grounds for a mistrial.

Oklahoma is constitutionally dry.

Russia Is Increasing Exchange Of Movies

MOSCOW (AP)—Russia is increasing its exchange of movies with many countries.

Soviet authorities like to import what they call "realistic" films—showing the lives of workers and peasants and usually lambasting capitalism. No Hollywood products are shown here except old captured ones taken in Berlin during the war — like Greta Garbo's "Camille" and "Waterloo Bridge," with Robert Taylor and Vivian Leigh.

Sometimes films of lighter vein, especially French, are also imported nowadays.

LEGAL NOTICE

IN THE MATTER OF THE GUARDIANSHIP OF RICHARD ERWIN MILLER ET AL, MINORS
No. 1304
IN THE COUNTY COURT OF SCURRY COUNTY, TEXAS
PROBATE DOCKET
TO ALL PERSONS INTEREST IN THE ESTATE OF RICHARD ERWIN MILLER AND LINDA ANN MILLER, MINORS:

Notice is hereby given that on the 20th day of April, 1955, I, acting as Guardian of the persons and estates of Richard Erwin Miller and Linda Ann Miller, minors, filed with the County Clerk of Scurry County, Texas, a sworn application for authority to make an oil, gas and mineral lease on the wards' undivided interest, believed to be all of the oil, gas and minerals in the West 274 acres of Section 64, Block 30, Township 6 North of the T. E. Gibson Survey, Borden County, Texas. Said application will be heard by the County Judge of Scurry County, Texas, in the county courthroom in the courthouse of said county, in the Town of Snyder, Texas, on the 2nd day of May A. D. 1955, at 10:00 o'clock A.M., same being the time and place which has been duly designated by said Judge as the time and place when and where such application will be heard.

WITNESS my hand this 20th day of April, A.D. 1955.

(s) Janice Miller Greenfield
(Janice Miller Greenfield) Guardian of the persons and estates of Richard Erwin Miller and Linda Ann Miller, minors.

West Texas Permits To Drill Decline Again In 14th Week

West Texas drilling activity slumped again the 14th week in 1955 with only 83 tests scheduled in 29 counties. This compares with 90 tests the preceding week.

Weekly average was 101.3 tests, down from 102.7 the week before.

Of the projects, 15 were prospectors and 68 were field tests. The 13th week there were 19 applications for wildcats and 71 for field tests.

Totals for the year now are 242 wildcats, 1,177 applications for field tests, for a grand total of 1,419 applications.

Six District 7-C counties shared three wildcats and 19 field tests, while 23 District 8 counties had a total of 12 wildcats and 49 field tests.

District 7-C wildcats were in: Tom Green, 2; and Runnels, 1.

District 7-C field tests were in: Coke and Crockett, 6 each; Reagan, 4; Runnels, 2; and Mitchell, 1.

District 8 prospectors were in: Garza and Yoakum, 2 each; and Crane, Howard, King, Motley, Pecos, Reeves, Scurry, and Sterling, 1 each.

District 8 field tests were in: Andrews, 9; Crane, 6; Midland, Scurry, and Winkler, 4 each; Ector, Pecos, and Ward, 3 each; Glasscock, Howard and Yoakum 2 each; and Cottle, Gaines, Hockley, Kent, Loving, Mitchell, and Terry, 1 each.

Locations, District 7-C:

Racehorse Trainer Is Swept Into Sea

PORT MARNOCK, Ireland (AP)—Racehorse trainer Tim O'Sullivan was thrown by a skittish two-year-old he was exercising on the beach yesterday. O'Sullivan fell into the Irish Sea, was swept out by the ebbing tide and drowned.

Britain Gets Supermarkets

LONDON (AP)—The clinically efficient American-style supermarket has turned up in Britain, and is booming so far. But some food merchants think the impersonal self-service system still may have tough sledding.

It's the British housewife's liking to chat with the butcher while he slices off her lamb chops or with the grocer as he weighs up a pound of tea.

Everyone agrees the supermarket is quicker, but it's certainly less social.

Some 2,000 of the new style food centers have been established in Britain. They amount to only two per cent of the total number of food shops, but they do five per cent of the business. Some estimates show their sales are hiking at about double the rate of their traditional personal-service competitors.

Despite this increase, a former food ministry official, Dr. Charles Hill, warned a recent London conference on self-service methods that the system is "still on trial at the bar of public opinion."
