Mail Notices On 1960 Allotments

Official notices of 1960 cotton farm allotments are now being mailed to Lynn County growers, according to Charles G. Bragg at the Lynn County ASC office. The notices should reach all operators of "old" cotton farms within the next few days.

As in 1959, two allotments for 1960 crop cotton will be established for each farm. If two-thirds of the farmers voting in the December 15th marketing referendum vote in favor of marketing quotas, each farm operator will have the opportunity to choose the one he wants to comply with. If he elects and complies with the "regular" Choice A allotment, he will be eligible for price support at not less than 75 percent of parity. If he elects and complies with the Choice B allotment, which is 40 percent larger than the regular "A" allotment, his crop will be eligible for loan at not less than 60 percent of parity.

If the referendum does not carry the required two-thirds majority, there will be no penalty assessed against any producer regardless of the acreage he plants. Only the "A" allotment will be in effect, and should any farmer choose to plant within it, the crop would be eligible for price support at 50 percent of parity.

Regardless of the outcome of the referendum, price support will be available only to those farmers who plant within their established farm allotments. By voting marketing quotas into effect, the farmer puts "teeth" in the law by authorizing the United States Department of Agriculture to assess a penalty on the cotton grown on excess acres.

If marketing quotas are voted into effect, each farmer will be notified of the support price on "A" and "B" cotton about January 31, 1960. If he decides to choose the "B" allotment on his farm, he will have until March 16, 1960 to notify the ASC office of the selection. If he takes no action by that date, the "A" allotment will automatically become the effective farm allotment for the 1960 crop.

Every eligible cotton farmer is urged to vote on December 15th. It is your God-given right as an American citizen. Only by using it do you preserve it.

Schneider Gets Health Award

State health authorities have awarded Owen Schneider of Tahoka a Grade C certificate of competency in recognition of his skill and knowledge of sewerage plant operation.

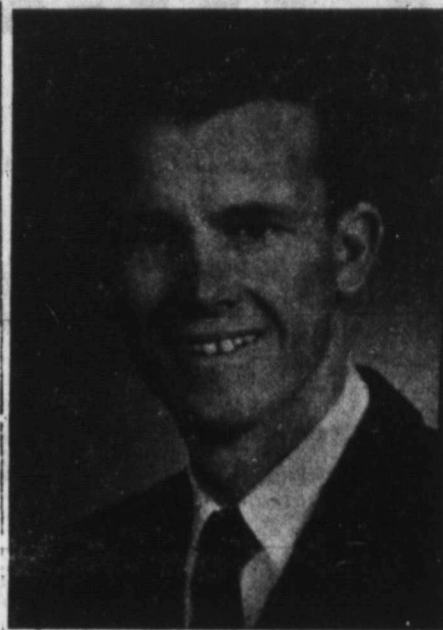

The certificate was awarded under Texas' general sanitation law that municipal sewerage plants be under the supervision of an operator who has proved his knowledge of the job and its public health implications in a written examination and has been certified by the Texas State Department of Health.

Schneider's newly won certificate will be valid for three years. After meeting certain requirements in experience and training he will be eligible to try for higher certification.

Grade C certification requires a minimum of one year of experience in sewerage plant operation, plus 40 "credits" earned by attendance at annual district and state water works short schools sponsored by the Texas State Department of Health, the engineering extension service of Texas A and M College, and the Texas Water and Sewerage Works Association.

DOG VACCINATIONS

Anyone wishing to send their dogs to be vaccinated are asked to have the animals at the City Hall at 9:00 a. m. Saturday. A closed trailer will be used to transport dogs to and from hospital. A transportation fee of \$1.00 will be charged for each dog.

BILL JAMES

Bill James Is Officer At LCC

Bill James, son of Mr. and Mrs. B. M. James of Seagraves, was recently elected as vice president of the freshman class of Lubbock Christian College. James is also a member of the Kyodai Men's Social Club.

Lubbock Christian College is in its third year of academic operation now with 353 full-time students.

W. B. Hammonds Is Buried Here

Funeral services for William Bennett Hammonds, 73, and a former resident of Tahoka, were conducted Saturday at 2:30 p. m. in the Stanley Funeral Home Chapel with the Rev. J. B. Thompson, pastor of the First Methodist Church, officiating.

Hammonds died Nov. 25 at Hot Springs, Arkansas. He was born in Mayesburg, Missouri, May 7, 1886, and came to Lynn county in the early 1920s. While living here he farmed with his brother, T. I. Hammonds. He had lived in Hot Springs eight years where he operated a motel.

He was a member of the Methodist Church and was a veteran of World War I. Burial was in Tahoka Cemetery where his mother was buried years ago.

His parents were F. S. and Mary E. Hammonds who died many years ago. He was a nephew of Uncle Frank and Alex Vaughan, his mother a sister of the two. Survivors include two brothers, T. I. Muleshoe; and M. L. Thacker, Vinch, Okla.; three sisters, Mrs. C. M. Finch, Tahoka; Mrs. B. H. Ottlinger, Raymondville; and Mrs. L. B. Hester, Merkel.

Tickets For College Game Going Fast

Tickets for the college basketball game between West Texas State and Eastern New Mexico University in the new Tahoka gymnasium on December 14 are selling out fast, announce Supt. Otis Spears and School District Secretary Maurice Small.

Anyone desiring a ticket to the game should get it soon, as the prospect is that all tickets will be sold before the game date.

Pigs Are Bought For FFA Projects

V. P. Carter and Lester Adams, local Vocational Agriculture teachers, returned Sunday night from a trip to Nebraska, Iowa, and Illinois to buy pigs for their FFA boy projects.

They brought 28 head of real good quality barrows and boars for the boys, including Berkshires, Durocs, Poland Chinas, Spotted Poland Chinas, and Hampshires.

BUILDING NEW HOME

Mr. and Mrs. C. G. (Butch) Ingle have started a new home on North Fourth Street in the Roberts addition. It will contain 2098 square feet of floor space, plus a double garage, and will include three bedrooms, living room, den, two baths, and utility room.

Drive carefully and save your life for your old age.

Soil Survey Maps Printed

The U. S. Department of Agriculture has recently published the "Lynn County Soil Surveys," and copies are now available to those interested, Congressman George Mahon writes. The News.

Mr. Mahon says he has been furnished a few extra copies of the survey, and he will be glad to mail a copy to anyone making a request, as long as they last. He may be addressed at the Post Office Building, Lubbock.

County Ginnings Are Near 110,000

Lynn county cotton ginnings are probably near the 110,000 bale mark. The News estimates, based on spot checks and comparison with previous reports.

Tahoka had ginned a total 19,650 bales up to noon Thursday. Another week of pretty weather will come pretty close to winding up the season, local ginner report.

A typographical error in the ginning story last week made this paper say it had estimated the ginnings on Nov. 5 at 80,000 bales, whereas this was supposed to have been 70,000 bales. The official report showed 72,332 ginned to November 1.

Wuensche Asks Precinct 1 Job

Martin Wuensche Jr., born and reared six miles northwest of Wilson, where he has been farming since 1951, announces this week as a candidate for County Commissioner, Precinct 1, subject to the action of the Democratic Primaries next spring.

If elected, he expects to devote his full time to the job of commissioner. He asks the voters to give his candidacy careful consideration.

"Junior" is the son of the late Mr. and Mrs. Martin Wuensche, who came to this county in the 1920's. Since returning from the service, he has been active in farm circles, his church, and other community and county-wide organizations. His wife is the former Miss Elwanda Stalcup, who was reared at New Lynn.

Mr. and Mrs. Davis Married 60 Years

Mr. and Mrs. D. C. Davis will observe their 60th wedding anniversary on Sunday, Dec. 13, and are looking forward to having all the members of their family present.

Among those expecting to be with them on that day are: Mrs. Lorene Tinsley of Lubbock and her family of 18; Mrs. Evelyn Dollins of Tahoka and her family of 12; and Travis Davis and his family of 10, unless the latter's son, Raymond Davis of Oklahoma, is unable to be present. Including Dave and Nina, there are 40 in the family.

One of the family writes: "We plan just a quiet celebration as neither Mr. or Mrs. Davis feel quite up to too much, although they are in fairly good health and have been very fortunate in this respect."

"The entire family feel they have much to be grateful for. We who are some younger wonder about the thoughts of these two people, a husband and wife who have walked hand in hand down (or up) the road of life together for 60 years."

"We children who know them best think surely this father and mother can have few regrets in what they have been and accomplished and wish very much to make Sunday, Dec. 13, a nice day for them."

Home from Baylor University, Waco, over the holidays were Ida Wood, Mary Helen Whitaker, Kenny Durham, and John Hegl.

Bond Election Is Saturday

Lynn county will vote again this Saturday on a proposed bond issue of \$190,000 to pay for the county's part in securing the remainder of the right-of-way for the four-lane US 87 paving from Tahoka north to the Lubbock county line. A two-thirds vote is necessary for approval.

This is the same issue voted on October 17, when only 337 voters turned out, of which 222 voted for the bonds and 115 against. The issue lacked eight votes carrying in this first election. Much of the opposition was in Tahoka.

"We think the completion of this road is a very important matter," states County Judge W. M. Mathis, speaking for the Commissioners' Court, "and ask that everyone in the county who is

qualified to vote express himself in the election."

The county stands to lose a considerable investment if the bond issue does not carry, as about one-third of the right-of-way between Tahoka and the Lubbock county line has already been purchased. Not only this, but refusal by the county to go ahead at this time will cause the money appropriated by the State and Federal governments for the highway to be transferred elsewhere. About \$1,500,000 has already been set aside to build the remainder of the road. The first sector, O'Donnell nearly to Tahoka, was completed earlier this year.

Following is a statement prepared by the Lynn County Commissioners' Court calling attention to

the importance of the right-of-way bonds, the fact that the questioned route through or around Tahoka is beside the point at this time, and the safety factor involved:

"The Commissioners' Court would like to see the proposed road bond issue carry in order that we may go ahead and complete the right-of-way purchase on the project from Farm Road 400 two miles north of Tahoka to the Lubbock county line. This is our main concern at present since about one-third of the right-of-way on this project has already been acquired. The County already has spent about \$110,000.00 on this right-of-way north of Tahoka 50 percent of which amount is to be re-imposed by the State. In fact, the State has already re-imposed the County in

the amount of \$10,791.02 of this amount.

"The District Right-of-way Engineer has indicated that he is afraid that unless this right-of-way purchase is not completed soon, the State will withdraw the construction money it has set aside to build this road and will place it in some other county that is ready."

"The Commissioners' Court has taken the position all along that the route through or around Tahoka should be left to the say of the people, and therefore we have not taken either side one way or another but are willing to abide by the final decision of the people on the route."

"If the road goes through Tahoka, the County will be expected to (Cont'd. on Back Page)

CROP Donations Reported For Lynn

Contributions to CROP (Christian Rural Overseas Program) from Lynn county amounted to a total of \$292.44 up to November 13, according to James Huston, CROP director of the Texas Council of Churches in Austin.

He reports that 3,611, 431 pounds of food were shipped needy people in other lands by the National CROP organization the first ten and one-half months of the year.

Donald Nash Has Hand Amputated

Donald Nash, 21-year-old son of Mr. and Mrs. Hubert Nash of Muleshoe, formerly of Lynn county, had his right hand amputated just above the wrist as the result of a gin accident Monday morning of last week.

He was employed by the Edwards Gin at Muleshoe. Donald is married and has an 8-month-old son. His condition at present is considered to be fair.

Friends who wish to send cards may send them to Donald Nash, Room 40, West Plains Hospital, Muleshoe, Texas.

Basketball Queen Will Be Crowned

For the first time in the school's history, the Tahoka High School Bulldog team will crown its queen in a ceremony following the finals of the local invitational basketball tournament held in the new gymnasium Saturday night.

Team members have chosen a candidate from each of the four high school classes, one of which will be named queen. Candidates selected are Carol Smith, senior; Susan Thomas, junior; Donna Cope-llin, sophomore; and Sarah Wells, freshman.

The identity of the queen will not be revealed until the coronation ceremony. The queen and the attendants will then present the trophies to the winning teams of the tournament, as well as the individual awards to those selected on the all-tournament teams.

Band Will Attend Sun Bowl Game

Tahoka High School Band, directed by Nils Person, has accepted an invitation to participate in the Sun Bowl activities in El Paso on Thursday, December 31. A number of parents will accompany the 34-member band as chaperones.

The band will march in the Sun Festival parade in down town El Paso at 10:00 a. m., and will attend the Sun Bowl game in the afternoon between North Texas State and New Mexico State, where the Tahoka band will also participate in the pre-game festivities.

Morgan Seeking Another Term

Curtis Morgan announces that he is a candidate for re-election as Commissioner of Precinct 1 for a second term.

"I have tried to make a hand and will continue trying, if re-elected," Morgan said. "I have tried to treat all areas of my precinct alike and to deal justly with everyone. And I have done my best in handling the affairs of the county as a whole."

Morgan says he has had fine cooperation from the people of his precinct. In fact, he says almost everyone has taken a helpful attitude in the work of keeping the roads in his precinct.

He asks the support and influence of the voters in the Democratic Primary election next May 7.

Methodist Men's Meeting Monday

"The Christmas Story in Scripture and Song" will be presented by the Eighth Grade Girls Octet, directed by Mrs. Harold Green, at the regular December meeting of Tahoka Methodist Men next Monday night in Fellowship Hall of the Church.

The dinner will be served at 7:00 p. m., and the program will follow.

All men and boys of the area have a cordial invitation to attend the meeting, according to Maurice Huffaker, president of the Methodist Men.

Mr. and Mrs. Dee Green were here Sunday from Spur, to which place they recently moved, where he is ASC office manager.

Farm-To-Market Road Work Due

Improvements of Farm-to-Market roads in Lynn county during the coming year by Texas Highway Department will total \$182,400.00, in addition to projects already underway, announces O. L. Crain, District Engineer.

All of the new work is improvement of existing roads.

The State will take over the 9.5 miles county paving extending north from US 380 at Central Church through Gordon community and to FM Road 211, such road being the paving laying parallel to the Lynn-Garza county line and extending north toward Southland. This road will be reconstructed at an estimated cost of \$114,000. Resident Engineer James W. Stevens will be in charge of the work.

Another project will be the widening of the pavement in the city limits of Wilson, a distance of 7 mile, at a cost of \$42,000.

New seal coats will be applied to three stretches of FM paving in the county, on FM 211 from Wilson east 10.2 miles to the Garza county line at a cost of \$9,000; on FM 213 from Terry county line east 3.5 miles north to New Moore, \$3,000; and FM 1730 from Lubbock county line south 5.2 miles to FM 211 at New Home. H. Bruce Bryan, District Maintenance Engineer, will be in charge of the above work.

Another project will be the reconstruction of a half mile of paving on FM 2063 west of O'Donnell extending from the Dawson county line north. A. W. Partain, resident engineer of Lamesa, will be in charge of this work.

Also, this spring, the topping will be applied to 10 miles of the new paving between New Moore and West Point and the four miles of new paving from Petty west, and a new seal coat is planned for FM 400 between Tahoka and Slaton.

J. E. (Red) Brown Seeks Re-election

J. E. (Red) Brown announces that he is a candidate for re-election to the office of Tax Assessor and Collector of Lynn county.

In making his announcement, Brown says, "I take this opportunity to thank the people of Lynn county for your past support, and will certainly appreciate your continued backing."

Brown says he will make his formal statement at a later date.

Tahoka Loses At Abernathy

Abernathy won a double-header from Tahoka Tuesday night in basketball games played there, taking a 52 to 46 decision in the varsity boys' game and a 57 to 27 win in the girls' event.

The Antelopes led 10 to 9 in the boys' game at the end of the first quarter and boasted a narrow margin of 18 to 16 at half time. The winners were able to widen the score in the third with 38 to 32 and were able to hold the 6-point margin when the final whistle blew.

Leading the Bulldogs attack was Frank Greathouse with 20 points, who also had high honors for the game, Paul Ford with 10 points, and George Adams, 8. The Bulldogs, however, could not outdo Jerry Givens' 16 points, Neal Humphrey's and Phil Guinn's 12 points each.

Abernathy girls led 14 to 5 in the first quarter, 33 to 12 at the half, and 52 to 18 in the third. Turner burned the nets with 22 points, followed by Shipman and Sanders with 16 each. Judy Thomas pitched in 15 points while Kay Halanick made 6.

The teams play return games here Tuesday night, Dec. 8.

THANKSGIVING VISITORS

Visitors here Thanksgiving with their parents, Mr. and Mrs. Maurice Small were Rev. George Maurice Small, wife and children of Fayetteville, Ark., and Jimmy Dumas Small, wife and baby of Muleshoe. Jimmy is office manager for a grain elevator at Muleshoe.

Tahoka And Wilson Split Junior Games

Tahoka split two games with Wilson Tuesday night when the eighth grade girls and boys met the Mustangs in the local gymnasium. Tahoka boys took a 16 to 14 victory while the Wilson girls edged out 18 to 17.

Gary Grogan led Tahoka's scoring attack with 8 points, while Allen Cox tossed in 4. Sammy Crowson tied Grogan with 8 and Walton Macker made 3. The eighth grade boys are coached by Moe Hodges.

Coach Malcolm Atwood's girls team lost their hard fought battle, although Louella Tomlinson tossed in 8 points for the losers, aided by Gailyn McMillan with 6.

B-TEAM, FRESHMEN LOSE SLATON GAMES

Tahoka B and Freshman boys basketball teams lost last week in games played at Slaton, the B team losing 49 to 46 and the Freshman team 35 to 27. However, Coach "Moe" Hodges was highly pleased with the showing made by these boys.

In the B team game, Tahoka led through three quarters, but lost out in Slaton's fourth period stampede. Fred Hegi scored 11 points, Perry Flippin 9, Steve Ellis 7, Craig Leslie 6, and Tony Spruiell 3. Others playing were John Fred, die Thomas, Jerry Forsythe, Mike Gurley, and Andy Bray.

In the Freshman game, Slaton led all the way, but the Tahoka boys showed fine hustle and potential. Scoring was by Billy Clinton 10, Jerry Forsythe 10, Tony Spruiell 3, Andy Bray 2, Craig Leslie 2, and also playing were Billy Wallace and Taylor Knight.

MOVES BACK HOME

Mr. and Mrs. C. E. (Charley) Stewart have moved back to Tahoka from Tokio. Mr. Stewart said "we just couldn't stay away from home."

Mr. and Mrs. W. W. George, Carol and Bob from San Antonio were guests in the home of Mrs. George's parents, the H. A. Parrises of New Home, during the Thanksgiving holidays. They also visited the Olan Parrises near Hereford.

Errors In Autry & Estep Advertisement

The advertisement of Autry & Estep carried on another page of this issue contains two bad errors which The News would like to call to the attention of readers.

The store has Foremost Meliorine (not Plains) on sale at 29 cents for a half gallon. Foremost is a top quality ice cream.

Also, bananas are on special for nine cents a pound and are not 12½ cents as appears in the ad.

The News regrets the errors and hopes everyone interested will take note of these corrections.

Fred Edwards told J. E. (Red) Brown last week end that his father, A. W. (Wilson) Edwards, is seriously ill in a Waco hospital following major surgery. Mr. Edwards would appreciate hearing from old friends. His home address is 608 North 22nd Street, Waco.

Mrs. A. I. Thomas reports that a Spanish friend of A. I.'s living at Chama, N. M., recently sent him a beautiful Spruce Christmas tree, which has been decorated by a niece, Miss Lucille Collier of Lubbock.

Jerry Adams, son of Mr. and Mrs. J. D. Adams, and a freshman student at Howard Payne College, Brownwood, spent the Thanksgiving holidays in Tahoka with relatives. He is attending the college on a football scholarship.

Lowell Hunt, editor and publisher of the Lamesa Daily Reporter, was a Tahoka visitor Monday.

Hilaro Montoya, 18, underwent major surgery Nov. 19 in Tahoka Hospital and was dismissed Sunday.

California News

(By Raymond Griffin)

There was 22 persons of the B. J. Mayberry family having Thanksgiving dinner with Mrs. Modene (Mayberry) Wise in Fresno Thanksgiving Day with Glenn and Fay Boydston of Long Beach included.

Bill Hibdon of Delhi had to rent the Grange Hall to serve their Thanksgiving dinner in Delhi. There was approximately 60 persons present. His relatives came from all over California.

My mother, Mrs. La-Nora Griffin and brother, John L. (Ferg) Griffin, helped my family, eight sons and Carolyn, eat a 24-pound turkey Thanksgiving Day. There wasn't enough left next day to make a sandwich.

Mrs. Thelma Jo (Griffin) Parker motored from Placerville to Oakland to have dinner with her mother-in-law.

The weather was perfect here.

SCOUTS TO POST

Several Boy Scouts from Troop 21 will attend the Quannah Parker District Camporee at Camp Post Friday night and Saturday, according to Allyn Cox, Scoutmaster.

Keith Connolly of Denver, Colo. spent Thanksgiving holidays here with his mother, Mrs. Myrtle Connolly, and other relatives. Before returning to his home, he was to make a trip to Atlanta, Ga.

Homer Lankford was a patient in Tahoka Hospital Friday through Monday as a medical patient.

Drivers are safer when the roads dry, and the roads are safer when the drivers are dry.

There would be fewer pedestrian patients if there were more patient pedestrians.

Frank Lisembys Married 50 Years

Mr. and Mrs. Frank Lisemby will celebrate their golden wedding anniversary with an open house Sunday, Dec. 6, from 2:00 to 5:00 p. m. in their home at 3518 36th street, Lubbock.

Hostesses will be their children: Mrs. Jack Davis, 2110 18th, Lubbock; Mrs. Wendell Gilbert, San Antonio; and Frank Lisemby, New Home.

A linen cutwork cloth over gold will cover the serving table which will feature a centerpiece of gold flowers.

Mrs. Lisemby was the former Martha Loden of Hico. The couple were married there December 5, 1909. They moved near Tahoka in 1923.

They have eight grandchildren and one great grandchildren.

Renell Ingle Waters Marries Recently

Mrs. Renell Ingle Waters and Glenn Krause were united in marriage Saturday, Nov. 21, at St. John Lutheran Church in Wilson, with the pastor, Rev. James Burnett, officiating. The double ring ceremony was used.

The bride is the daughter of C. G. (Butch) Ingle of Tahoka, and the bridegroom is the son of Mr. and Mrs. Albert Krause of route 5. Only immediate members of the two families and a few other relatives were present.

Following the wedding, the couple went on a honeymoon to Del Rio and down into Old Mexico.

They will make their home at Draw, where Mr. Krause will farm the C. G. Ingle place.

V. F. W. Auxiliary Meeting Monday

The V. F. W. Auxiliary will meet Monday night, Dec. 7, at the City Legion Hall for a business and social meeting.

Each lady will bring a gift to be exchanged. The district president, Fern Parks, is expected to attend. Our apologies to Corene Izard, whom we left off our new membership list when we ran it in the paper. Peggy Smith, secretary.

THANKSGIVING GUESTS

Mr. and Mrs. J. O. King, Wilson, had the following guests in their home Thanksgiving Day: Mr. and Mrs. Lonnie King, J. L. and Drucilla, Plainview; J. L. King, George and Mary Kay, Panhandle; Rev. and Mrs. J. P. King, James, Thomas and Francis, Ada, Oklahoma, and pastor of the Ashbury Methodist Church; Mr. and Mrs. G. P. Bailey, Jim, Ronnie of Odessa; Mrs. L. M. Nordyke, Mr. and Mrs. R. R. Luttrell, and Mr. and Mrs. W. T. Luttrell, all of Tahoka.

T-Bar Club Plays For Championship

T-Bar Duplicate Club championship will be decided in the next two weeks when members pair to play for trophies to be given winners of sessions held on Dec. 8 and 15, according to Johnny Wells, director.

Guests may also play for master points with regular master point night being held on Dec. 15. They are not eligible for trophies, however.

Winners Tuesday night were Mrs. Lee Roy Knight and Mrs. L. C. Haney, first; Mrs. Johnny Wells and Mrs. Skiles Thomas, second; and Mrs. H. B. McCord, Jr. and Mrs. J. T. Whorton, third.

Joe Stokes Ladies Feed Husbands

Joe Stokes Home Demonstration Club had their annual Thanksgiving supper at the New Home Community Center November 26. Needless to say their tables were loaded with turkey and all its trimmings.

Those enjoying this feast were Mr. and Mrs. H. D. Dean and Kay, Mrs. Alton Davis and Gene Bob, Mr. and Mrs. C. B. Harston and R. L. Mr. and Mrs. C. W. McCullough, Dale, Len, Dennis and Jim, Mr. and Mrs. Tom Russell, Mr. and Mrs. W. C. Maeker, and Mr. and Mrs. V. M. Harrison and Buddie from Brownfield. The Harrisons are moving back to this area by the first of the year.

These members and their families have harvested fair crops and had normal health this year, and were very thankful for these and all other blessings.

Supper Is Served Baptist RA Boys

Fourteen boys were present for the weekly RA meeting Monday at the First Baptist Church. For the program the boys had mission study.

Following the study the Royal Ambassadors had supper at the church with 74 in attendance.

The RA's meet each Monday at 4:00 p. m. at the church with Rev. T. James Efrid and Rowland Nitcher, sponsors.

Christmas Program At WSCS Monday

A program of Christmas music will feature the noon luncheon meeting of the Women's Society of Christian Service of the First Methodist Church next Monday.

The program will be presented by the Seventh Grade Girls Choir, directed by Mrs. Harold Green. Thursday of next week at 7:30 p. m. the Wesleyan Service Guild will have its annual Christmas program, "There's a Hush of Expectation."

WEST POINT PLANS ANNUAL "42" PARTY

The annual Christmas "42" party of the West Point community will be held Friday night, Dec. 11, in the home of Mr. and Mrs. Edward Bartley at 8:00 p. m. All of the West Point Community is invited to attend.

Mr. and Mrs. Homer St. Clair came up Monday to bring her mother, Mrs. S. N. McDaniel, who has been visiting there with them.

Mrs. Verner, Gagnat Win In California

Coronado, Calif.—Two Tahoka bridge players, Mrs. A. C. Verner and Mrs. D. W. Gagnat, delivered a big score in Sunday afternoon's session of the 33rd annual Fall National Championship of the American Contract Bridge League at the Hotel del Coronado here.

In addition to winning top in their section, they finished in fifth position in the field of 450 in the San Diego Pairs, a special one-session championship.

A total of 725 tables shattered the attendance record for a Sunday's play in Pacific Coast competition. The nine-day championship meet will continue through Sunday, Dec. 6.

Cafeteria Menus For Next Week

Cafeteria menus to be served school students during the week of Dec. 7-11 are as follows:

Monday: Baked ham, buttered English peas, glazed yams, tossed salad, apple sauce, rolls, butter, and milk.

Tuesday: Chili beans mixed greens, tomatoes and macaroni, onion slices, corn bread, butter, peanut butter cookies, and milk.

Wednesday: Barbecue on bun, cheese sticks, baked potatoes, lettuce and tomato salad, plum cobbler, bread, butter, and milk.

Thursday: Spanish rice, green beans, buttered corn, cabbage salad, banana pudding, rolls, butter, and milk.

Friday: Hamburgers, onions, lettuce, tomatoes, potato salad, peach and jello, and milk.

Mr. and Mrs. G. B. Corley of Clovis, N. M., spent Thanksgiving here with Mr. and Mrs. A. I. Thomas. Mr. Corley is a brother of Mrs. Thomas.

OLIVERS BACK HOME

Mr. and Mrs. J. B. Oliver returned home Tuesday following a two month's tour of South Texas, where Mrs. Oliver visited 30 temples of the Pythian Sisters. She is Grand Chief of Texas, and her visits were a part of many visits that she will make over the state.

Mrs. E. H. West Flies To Hawaii

Mrs. E. H. West of Tahoka left Dallas Wednesday morning by plane for Hawaii, for an extended visit with her son, Lt. Commander Dick West, who is stationed there with the U. S. Navy.

Before leaving for Hawaii, Mrs. West visited several days with her daughter and family, Mr. and Mrs. Bill Branch and children, of Dallas. Accompanying her to Dallas on Saturday were Mr. and Mrs. Bill West and son.

Also making the trip was Mrs. Dick West's mother of Corpus Christi. Mrs. West will visit in Hawaii for at least a month. The two women boarded a plane on Wednesday morning and were due to arrive in Honolulu Wednesday evening.

Lt. Commander West is a graduate of the U. S. Naval Academy at Annapolis. He was recently assigned for a two-year stretch.

CARMACKS HAVE VISITORS

Mr. and Mrs. Cabot Dysart, Cathy and Jim, Roswell, N. M., Mr. and Mrs. W. A. Fulford, Lee and Fran, Brownfield, and Marilyn Carmack from Texas Tech, spent the holidays with the ladies' parents, Mr. and Mrs. C. O. Carmack.

Now we are about to begin the year's most exciting sport, the race to see whether the number of shopping days until Christmas runs out before our money does.—Changing Times.

Mrs. Ruby Chapcy underwent major surgery Thursday, Dec. 3, in West Texas Hospital, Lubbock.

Former Ann Dupre In Concert Choir

Ann Dupre, granddaughter of the late Mr. and Mrs. I. M. Draper, and daughter of Dr. and Mrs. John Dupre, finished high school in Levelland in 1956 and since that time has been attending the Curtis Institute of Music in Philadelphia.

Last summer she married Carl Griffith, who is an electrical engineer for RCA in Camden, New Jersey. They now live in Philadelphia and are singing with the Temple University Choir (Ann soprano and Carl tenor) which is directed by Rob Page formerly of Portales, N. M.

The choir will give four concerts during December on the 11th, 12th and 14th in Philadelphia and the fourth in Carnegie Hall in New York City on December 15. Accompanying the choir will be the Philadelphia Symphony Orchestra directed by Eugene Ormandy.

HUGO MAEKERS HAVE THANKSGIVING VISITORS

(By Mrs. Earl Morris)
Mr. and Mrs. Hugo Maeker of Wilson and six of their sons and families at home for a turkey dinner Thanksgiving.

Larry, serving with the Army at Ft. Campbell, Kentucky, and who will receive his discharge in two weeks, was not present for the event.

Those present were Mr. and Mrs. Arvel Maeker and four children; Mr. and Mrs. Ray Maeker and two children of Albuquerque, N. M.; Mr. and Mrs. Wilburn Maeker and two children; Mr. and Mrs. Walter R. Steen and three children.

Other guests were Mrs. Maeker's mother, Mrs. Katie Nieman, and Mr. Maeker's mother, Mrs. John Maeker.

SPECIAL V. F. W. MEETING SET FOR DEC. 9

Members of the V. F. W. Bradley Post, Tahoka, and all ex-service men who are eligible for membership in the V. F. W. will hold a special meeting at the I. O. O. F. Hall Wednesday, Dec. 9, for the purpose of electing officers.

Dues for the ensuing year will also be paid. Unless the dues are paid and election of officers held, the post will lose their charter. All ex-veterans are urged to attend.

Election . . .

(Cont'd. From Front Page)
pay 25 percent, the City 25 percent and the State 50 percent of the right-of-way cost.

"If the road goes around Tahoka, the County will be expected to pay 50 percent of the right-of-way cost. However, this is not the question in the bond election, as it is estimated that the County will need approximately the same amount of money whichever route is taken.

"It has been suggested that the County issue warrants to purchase the remainder of this right-of-way, but if this is done the County will have to raise tax valuation and the warrants would also cost a higher rate of interest than the bonds would cost.

"Statistics have proven that the type of road this will be when completed is much safer than the present two-lane road. Increasingly heavy traffic on the narrow U. S. Highway 87 paving, as you know, is rapidly becoming quite a problem. Completion of the four-lane highway most of the wrecks, injuries

Sale of Bonds Shows Increase

Savings Bonds sales in Lynn county through October totaled \$282,636, or 9.1 percent above the quota for the year, announces A. C. Verner, Savings Bonds Committee chairman.

Sales of \$11,541 in October brought the year's sales to a new high of 109.1 percent, and Lynn county is second behind Crosby in the Lubbock district in sales. Crosby had 135.7 percent of its quota, and Garza was pushing Lynn with 108.8 percent. Lubbock had only 52.7 percent and Terry only 38.5.

E and H Bond sales in Texas amounted to \$12,618,537 during October. This represents an increase of \$1.8 million dollars over September sales.

"The Treasurer has announced that effective January 1, 1960 and thereafter, holders of All Series E bonds and unmatured F and J bonds would be permitted to exchange them for Series H bonds with deferment of tax liability on accumulated interest and without

THE AMERICAN WAY

The Bible—The World's Most Valuable Thing

Everyday Religion

By J. B. Thompson

Dear Santa, It has been a long time since I have written to you. Many of the bright toys of my years are broken or tarnished and tearstained. How I wish you would bring me a few of those precious toys that I once enjoyed—the shining bubbles of Joy, the tinkling bells of Cheer that rang in my voice, the candles of Faith that shone in my eyes, the frankincense and myrrh of steadfast Hope that strengthened my soul, and the lodestar of universal Love that gleamed in my heart.

Thinking back over the years I realize that I did not appreciate these priceless treasures or care for them as I should have. But now I repent my carelessness and humbly ask you to remember me with another supply at this Christmas time. I'll hang my empty heart right by the door, and please Santa, this is what I want for Christmas:

Give me a large blanket of forgetfulness with which to cover up all bitterness and vain brooding; bring me forgiveness for those who have robbed me of my laughter and filled my eyes with tears; leave me enough of the cement of hope to mend the shattered fragments of joy; tuck in a little song of cheer, and a lot of plain old-fashioned faith and unselfishness that I can share with my neighbors. Sincerely and anxiously, A Grown-Up Boy.

Crop Irrigation Subject of Study

College Station—Soil moisture is plentiful over most of Texas at the present. However, this is no guarantee that sufficient moisture will be available for maximum crop production next summer. Many farmers, remembering recent drought periods, may be considering irrigation as a means of providing a continuous supply of available moisture for their crops.

Irrigation is not a magic process which assures increased production and income, emphasizes Wayne Keese, extension agricultural engineer. Careful planning and consideration of all factors involved is essential if irrigation is to be successful. Now is a good time to start making those plans. Don't wait until the crop is wilted to plan your irrigation system, the engineer advises.

The first step in planning any irrigation system is to determine if an adequate supply of water is available. Quality of water is also very important. Water quality can be determined only by making a chemical analysis.

Soil characteristics are also very important. A deep, fertile, well-drained soil is desirable. Increased yields are necessary to pay the extra costs of irrigation and it may be uneconomical if soil characteristics exist which would hinder crop production.

Other factors which must be considered include the type of crops to be grown, selection of method of irrigation which best fits your conditions and selection of irrigation equipment.

SHERIFF VISITS HERE

Mr. and Mrs. Monroe Walbridge of Sierra Blanca, Hudspeth county, visited here last week with Mr. and Mrs. George Claude Wells. Mr. Walbridge is sheriff and tax collector of that county and also is foreman of the Jack Frost Ranch near there, and Mr. Wells is overseer of the West Texas ranches belonging to Jack Frost of Dallas.

Carol Riddle, nursing student at Hendricks Memorial Hospital in Abilene, spent the holidays with her parents, Mr. and Mrs. A. D. Riddle. Also visiting the Riddles was another daughter, Mr. and Mrs. Tom Stevenson, also from Abilene.

O'Donnell Fire Destroys Elevator

Fire Thursday of last week destroyed the nearly-filled old north grain elevator of O'Donnell Cooperative Gin and loss possibly ran as high as \$120,000 or more. The grain elevator was covered by insurance, but the loss had not been adjusted at noon Tuesday.

The elevator was the older of the Co-op's two grain elevators and was located in the north part of town near the Highway 87 cut-off to down town O'Donnell. The elevator was built twenty or more years ago and was built of wooden framework and sheetiron. It had a capacity of 160,000 bushels and was from 85 to 95 percent filled with milo maize. The building was valued at \$60,000 to \$70,000.

Fire was discovered at about 11 a. m. Thursday, and fire departments from O'Donnell, Tahoka, and Lamesa rushed to the scene and brought the main fire under control by about 2:30 p. m. However, burning grain continued to smolder until early this week. High winds helped fan the blaze and were a hindrance in getting the fire under control. In fact, the elevator was completely destroyed, as was most of the grain, but flames were prevented from reaching a near-by gin and other buildings.

O'Donnell Cemetery Association was holding its annual Thanksgiving benefit dinner, and firemen were served meals and hot coffee was brought them at the scene of the fire.

The new elevator and gin plant of O'Donnell Farmers Cooperative is located at the southwest edge of town. Members said it is doubtful if the fire damaged old elevator will be rebuilt.

Weldon Martin is manager.

Rural Carriers Complete 39 years

Two local mail carriers completed 39 years of service with the U. S. Postal Department Monday, and a third expects to complete the same length of time next March 1.

W. A. (Bill) Reddell, carrier on Route 1, began carrying the mail 39 years ago at Chico. H. L. (Harry) Roddy, Route 2 carrier, entered the Postal Service the same day as a clerk in the postoffice at Honey Grove. Next March 1, D. C. Carroll, the Route 3 Carrier, will have been in service 39 years.

Mr. Reddell, who says he hopes to continue at his present job—here "another" two or three years, carried the rural mail out of Chico over 16 years and then moved to Tahoka 22½ years ago. In the early days of his service, he used just about every type of conveyance, including a horse and

buggy, cart, saddle horse, and a few times he even walked a part of this route. Then came the Model T, and since starting with the automobile he has owned 39 cars.

Mr. Roddy, who expects to retire some time next summer, began as a postal clerk at Honey Grove to Hico in a similar capacity. Sept. 1, 1930, he went on a route out of Runge using a Chevy, moved to Yorktown the next year, and from there came to Tahoka July 1, 1937. He says he has used 32 cars and about six "mud" cars, or old auxiliary cars equipped with mud tires.

D. C. Carroll started carrying the mail at Lamar, Okla., in March 1, 1921, and used a horse and buggy the first four years. He moved to Paris, Texas, in 1937, then to Ladonia, and next to DeKalb before transferring to Tahoka on March 1, 1945.

By F. P. H.

Three weeks from today is Christmas! Can you believe it?

"For its size, Tahoka has some of the most attractive stores of any town on the Plains I know of," stated a Brownfield businessman to The News man one day last week. "But, I notice from your paper some of your businesses don't advertise much. What's the matter?"

Well, Mr. Brownfield Businessman (and he's a very successful one, too), we can't answer that question. We have preached the value of advertising, the value of our merchants backing up their advertising with good merchandise, and the value of really going all-out after the business. Some of them do a good job; some of them, we think, could do a better job for themselves and for their town by advertising their services and products more. Maybe we're not a good salesman, and have not sold some of our merchants well enough on the value of advertising.

We happen to know this certain Brownfield businessman spends at least \$3,000 or \$4,000 a year advertising, and he has built his business from nothing to a tremendous volume.

The man went on to say he likes Tahoka very much and has been considering a big investment here. But, he criticized our town for not "stepping out" more.

Which reminds us of a compliment paid our town some time ago by a Lubbock salesman. Says the Lubbock salesman in words about like these: "I don't know of a more desirable town anywhere in which to raise a family. I don't know why I ever moved to Lubbock in the first place. You have about everything a family could want—without having the crowded conditions, the traffic and rush, the inconvenience of getting kids to school, and without the constant threat of juvenile delinquency. You have nice homes and churches, nice public buildings and schools and stores, city park and swimming pool, junior baseball, and country club where one may take his family without the 'honky-tonk' atmosphere being involved."

We had another unsigned letter to the editor this week. Although we agree with most of the content, because of its nature we can not publish the letter unless signed by the writer. Writers of letters for publication should sign them. Names will be withheld from publication on request, if they are not libelous.

In a discussion on college education recently, Dean Eugene Wilson of Amherst remarked: "We certainly don't need any more well-rounded people. We have too many now. A well-rounded person is like a ball: he rolls in the first direction he is pushed. We need more square people who won't roll when they are pushed."

A writer in the Dallas News estimates that if all the programs advocated by Senator Ralph Yarborough of Texas were enacted into law by Congress, our Federal budget would be upped by more than 10 billion dollars a year.

From Cheer: The three greatest masterpieces in literature, it is said, are the Lord's Prayer, the Twenty-Third Psalm, and Lincoln's Gettysburg Address. Incidentally, recall their wording:

"Our Father which art in Heaven, hallowed be thy name."
"The Lord is my shepherd; I shall not want."
"Fourscore and seven years ago,"

Not a three-syllable word in them; hardly any two-syllable words. All the greatest things in human life are one-syllable things—love, joy, hope, child, wife, trust, faith, God. All great things are simple.

The suggestion has been made that income tax paying time be changed to May 7 to correspond with the primary election date. Then, voters would give more attention to election persons to office who proposed more economy in government. Might not be a bad idea.

A few of the major colleges of the nation are turning down the U. S. Government's money for worthy students because of the stipulation that the student receiving such a loan take an oath of loyalty to our government. Now, just what is wrong with this. Every office holder, every Federal appoint-

TAHOKA FOLKS VISIT IN HOME OF G. ATKISSONS

(Ropes Plainsman)
Mrs. Garnie Atkissons was hostess last Friday noon to a number of very close friends whom she and her husband were associated with a number of years ago when Mr. Atkisson preached in Tahoka. Those present, and enjoying the noon meal, were Mrs. Fred McGinty, Mrs. Ted Chaney, Mrs. Clinia, Mrs. Howard Draper and Mrs. Beecher Sherrod, all of Tahoka. Also attending were Mrs. Tobe Kennedy and Mrs. Elwood McKnight of Lubbock, who lived in Tahoka while the Atkissons were there.

tee, and every member of the Armed Forces must take an oath. Why should any loyal American resent such an oath? If the college boys don't want to take such an oath, let them go to and stay put. This business of academic freedom, and all that blah-blah-has gone too far.

Now for a little fun. Here's some of the jokes going the rounds of the exchanges:

Man to small boy dragging top half of bikini swim suit along the beach: "Now show daddy exactly where you found it."

Girl to seat-mate on bus: "She was going to have an announcement party but the engagement was broken, so she went ahead and called it a narrow escape."

Dr. Louis H. Evans, evangelist-at-large of the United Presbyterian Church, U. S. A., tells of a Texan who stopped at a service station in a Rocky Mountain State. The attendant filled the tank with gasoline, cleaned the windshield, checked the battery and radiator. "How's your oil?" the attendant asked. "Oh, just fine," the Texan replied. "How's yours?"

"I want my hair cut like daddy's," the little boy said as he climbed into the barber chair, "with a hole in the top."

A. M. Jackson in Slaton Slatonite: Since there is six times as much water as dry land on earth, any fool can plainly see the good Lord meant for man to fish six times as much as he works.

The very small boy came home dejectedly from his first day at school. "I'm not goin' tomorrow," he sputtered. "Why not, dear?" his mother asked. Well I can't read, and I can't write and teacher won't let me talk, so what's the use?"

Then there was the bright pupil who looked long and thoughtfully at the second examination question, which read: "State the number of tons of coal shipped out of the United States in any given year." Then his brow cleared and he wrote: "1492—None."

Lynn County Soil Conservation District News

ELLIS BARNES
W. L. (Cap) ROWE
MELVIN WUENSCH

Terracing is due to begin soon for Boyd Barnes on his farm near Draw. Cost share will be made by the Great Plains Conservation Program. The contract recently initiated on this half section includes management practices on farmland, terracing and wildlife area improvement.

It isn't necessary to blow out the other person's light to let your own shine.

Glen Norman, of Grassland, plans to terrace his farm with cost share furnished by A. C. P. Terracing is a part of an overall conservation plan developed by Norman in cooperation with the Lynn Soil Conservation District.

If you donate the recommended amount to each charity drive, soon

you too will be a charity case.

Mel Leslie plans to start work on cross fencing the A. C. Aycox Ranch soon. This is to be done with cost share payment by the Great Plains Conservation Program. Fences were planned to facilitate unit from grazing and to protect areas requiring special treatment. A complete conservation plan should be completed on this ranch within the next five years.

Every man, in his lifetime, is entitled to one good dog and one good woman. There are probably already enough good dogs to go around.

Contour lines were run last week for Sam Nelms, of O'Donnell. Contour farming is to be included in the conservation plan being developed on his farm. Nelms is a new district cooperator.

Hail Damage To Cotton Studied

College Station—Hailstones do extensive damage in Texas. Crop-hail insurance claims have approached five million dollars in some years, although only about ten percent of the states' crops are insured. The annual damage from hail is much greater and far exceeds that caused by tornadoes.

Cotton grown on the High Plains and in the Trans-Pecos areas of Texas frequently is damaged by hail. The damage varies from a few punctured or destroyed leaves and fruiting structures to complete destruction of the stem and bark to ground level.

A number of experiments have been conducted by the Texas Agricultural Experiment Station to simulate hail injuries, according to Harry C. Lane, associate professor, Department of Plant Physiology and Pathology, Texas A & M College System. Spacing, defoliation, various stalk cutoffs, stem bruises and combinations of injuries were inflicted by hand for the experiments. A special machine was made to simulate hail using cracked ice.

It was found that stands could be thinned substantially from the average stand in the areas without reducing yield. An optimum stand was found to be two plants per foot of row.

Total defoliation retarded recovery and delayed maturity. The cotton plant, however, was not affected markedly by removal of one-third of its leaves. Furthermore, notes Lane, the cotton plant regenerated new leaves rapidly.

The terminal bud is not necessary for growth and fruiting of the cotton plant, so topping neither decreased or increased yields significantly. It was also found that early-season stem injuries did not affect growth and fruiting and that treated plants did not lodge after a boll crop was made.

The results of these treatments are explained in a new bulletin released by the experiment station, entitled "Simulated Hail Damage Experiments in Cotton." A copy of this bulletin can be had by writing the Agricultural Information Office, College Station, Texas. Ask for B-934.

Pastor of Revival Center Is Leaving

Rev. Mrs. Almota Benson has resigned the pastoral work of the Revival Center here in Tahoka and is going into the evangelistic field. The Revival Center is for people of all faiths. It is not affiliated with any denomination, and members are free to believe what the Bible teaches, the way they see it.

The workers of the Revival Center invites you to come worship in the services where you will find a warm welcome.

Rev. Mrs. Rubin Gandy is in charge until such time as they can secure a pastor.

Making Minor Home Repairs

College Station—With winter turning the corner, now is the time to check your home and other buildings to see if any part of the structures need replacement or repair, is the advice of W. S. Allen, extension agricultural engineer.

Inspect the roof to see if the summer sun has curled or caused shingles to split. Check metal flashing in roof valleys, around chimneys, and other critical points. If they are in poor condition, replace or repair.

Clean all gutters and downspouts. Check to see if they are firmly fastened and look for rusty spots. A wire screen over the downspout will help prevent leaves and trash from entering and choking off the drain. When gutters overflow, you risk expensive damage to the cornice or walls of the house.

Be sure water from the downspout drains away from the foundation, warns Allen. Check all drainage around the foundation and fill in any low spots to assure proper and adequate drainage away from it. This will help prevent "heaving" and other potential damage problems.

Caulking at windows, masonry joints and other possible points of moisture entry should be checked and replaced if loose or chipped.

Proper and timely maintenance will prevent costly repairs at a later date, Allen added. So save money later by making a check of these points now.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room

As many as receive him, to them gave he power to become the sons of God, even to them that believe in his name. (John 1:12.)

It was nearly midnight when my plane circled over Phoenix, a city spread out like a vast checkerboard of light in the darkness. I thought of the thousands of people unconcerned about my coming. Then I rejoiced that there was one family expecting me and waiting for me with a warm welcome.

It was the Christmas season. While I was looking out over the city, I thought also of God's giving His only begotten Son to a world that paid so little attention to His coming.

In this generation, Christ is looking for homes where He will be welcomed. He longs to enter our hearts that He may forgive our sins and change our darkness into light. We must make the choice. We may either crowd Him out or open the door.

"Where meek souls will receive Him still, The dear Christ enters in."

PRAYER: Our heavenly Father, we praise Thee that Thou hast

come to abide in our hearts. Through faith in Thy Son Jesus Christ, keep us ever in fellowship with Thee. Help others to make room for Christ that they may know His peace. We pray in the name of Thy Son, our Redeemer. Amen.

THOUGHT FOR THE DAY

HENRYS HAVE VISITORS

Guests in the home of Mr. and Mrs. G. A. Henry and Jimmie Sue on Sunday were: Mr. and Mrs. S. E. Hill, Gary and Jana, of Plainview; Mr. and Mrs. John Henry, Tommy, David and Jimmy of Tahoka; Mrs. Doyal Spinks, Ricky and Brenda of Post; Mr. and Mrs. Daniel Thomas, Don and Dennis, and Terry Phillips, all of Tahoka. Mr. and Mrs. Charles Haire of Lubbock were unable to come. They have a new baby girl born November 14

and named Judith Ann. Also unable to be present were Mr. and Mrs. Jacky Henry and boys, Lynn and Miky of Tahoka. The Henrys have nine grandsons and three granddaughters.

Lou Ann Harston was in West Texas Hospital having her tonsils removed on Thanksgiving Day. Ann didn't exactly enjoy the day, but is thankful the tonsils are out.
