PROCLAMATION

"OLD FASHIONED FOURTH OF JULY CELEBRATION"

JULY 3-4, 1982

TO THE CITIZENS OF SPEARMAN, TEXAS:

WHEREAS, throughout the United States of America, celebrations are being observed for the 205th anniversary of our country's founding; and

WHEREAS, organizations within the City of Spearman, namely the Spearman Chamber of Commerce, Spearman Retail Merchants Association and the Hansford County YMCA are planning a special activities afternoon; and

WHEREAS, costs for traveling to other places within the area are prohibitive; and

WHEREAS, provisions for a real "Old Fashioned Fourth of July Celebration" have been arranged by these local organizations.

NOW THEREFORE, I, C. RALPH BLODGETT, Mayor of the City of Spearman, Texas, by virtue of the authority vested in me, do hereby proclaim July 3 and 4, 1982 as

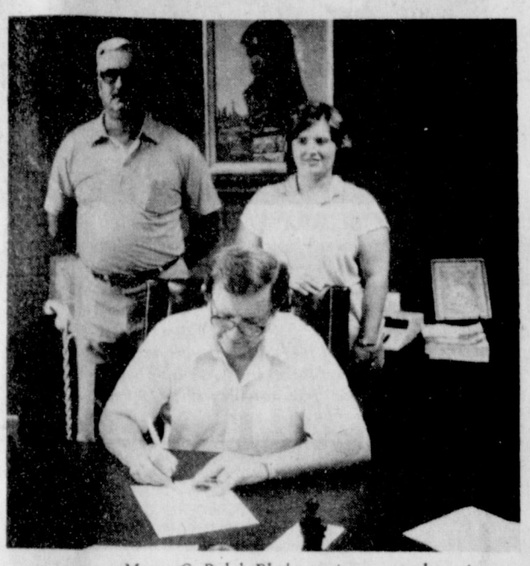

"OLD FASHIONED FOURTH OF JULY CELEBRATION"

for the City of Spearman, Texas, and do encourage all citizens to participate in the afternoon events, contest, watermelon feed and swim.

IN WITNESS WHEREOF, I have hereto set my hand and caused to be affixed the great seal of the City of Spearman, Texas.

DATED this the Twenty-eighth day of June, Nineteen hundred and Eighty-two.

MAYOR C. RALPH BLODGETT

Mayor C. Ralph Blodgett signs a proclamation for an "Old Fashioned Fourth Of July Celebration" July 3 & 4 for Spearman residents. Looking on are Ed Dear and Carolyn Cummings, YMCA directors.

Come one, come all to the Old Fashioned Family 4th of July Celebration being planned for Spearman residents by the YMCA, Spearman Chamber of Commerce and the Retail Merchants Association.

Leading off the activities will be a **Fun Run** on Saturday, July 3, at 8 a.m. at the Plains Shopping Center. There will be two runs a 6 mile and a 3.3 mile run. Registrations begin at 7:15 a.m. Medals for the first three places in each category will be awarded: Men & Women 0-20, 21-30, 31-40, 41-50 and 50 & Up. Entry fee is $5.00. Kim and Stephanie Brock are coordinating the Fun Run.

Activities on Sunday, July 4th, will begin at approximately 1:30 p.m. at the Swimming Pool Park. There will be concessions most of the afternoon, including hot dogs, cokes, lemonade by the YMCA, bags of cookies sponsored by the Women's Division of the Chamber and a dunking board by the Lions Club. Any other organizations which would like to have a snow cone or ice cream booth may contact Carlyn Cummings at Consumers or at home.

Contest will be held approximately every half hour or so throughout the afternoon, beginning at 1:30 p.m. There will be age groupings for the contests and ribbons awarded for winners 0-6, 6-8, 9-12, 13-15, 16-adult for boys and girls, men and women and co-ed in some cases. Contests will lead off with Sack Races at 1:30, Skillet Tosses at 2:00, Three-Legged races at 2:30, Water Balloon tosses at 3:00, Inner Tube Races at 3:30, Box Relay Races at 4:00, Water Melon Relay in the pool at 4:30, followed by a coin toss and dive in the pool.

The Retail Merchants Association and the Chamber of Commerce will have a FREE WATERMELON FEED at approximately 4:30 p.m.

The pool will open at 1:30 p.m. as usual.

This Celebration will afford the opportunity for families to come to the Swimming Pool park and picnic, visit, eat refreshments, participate in old fashioned races and enjoy the day in a relaxing and refreshing way.

Don't stay home and miss the fun. Come to the Swimming Pool park after church and have a really "Old Fashioned Fourth of July Celebration".

Harvest Underway

Local elevators report that wheat harvest got underway Monday in a big way with almost a hundred loads brought into the local elevators.

Equity Elevators reported that they had a few loads brought in Friday and then things began to roll Monday. Elevators at Holt & McKibben were also getting some wheat Monday.

Most of the wheat being harvested right now is dryland with a few farmers getting into their irrigated wheat fields.

The prolonged wet season has stopped all farming operations for the past two weeks, and anxious farmers keep their eyes on the skies hoping they can harvest their wheat and that the rains will hold off awhile.

Much of the wheat in the county has had hail damage to some extent but according to those that should know the damp cool weather should permit the grains to fill better producing a bigger yield than anticipated.

Make your county history complete

Buy Volume 2

Hansford County History Book Volume 2 is still on sale. If you have Volume I you certainly need Volume 2 so that your family may have a complete history of our County. There will be 550 new family stories in the book plus other general history that there was not room for in the first Volume. So do not think that you have a complete history if you own only the first volume.

You may purchase the second volume of the book from Sylvia Robertson, 515 S. Archer, Spearman, or from Ada Joyce Stedje, Gruver, at the Gruver Drug Store, Hansford Library and Station Master's Museum.

The cost of the book is $46.20 including tax or $49.20 if you desire to have the book mailed to you or mailed to someone else as a gift.

The book committee has received some sketches from local artists but they still need sketches for family stories, organizations and businesses

Agco's 1.8-million bond issue set

Commissioner "Buddy" Lowe presided at the regular session of Hansford County commissioners court, Monday, in the absence of County Judge R.L. McClellan, guiding the action through approval of a revenue bond issue for a local grain firm, salaries for three county employees, appointment of a new county health officer and the routine of running the county.

Commissioners approved the issuance of $1.8-million in revenue bonds by Agco of Spearman--formerly 4-Tex Grain Inc. County residents must understand as a matter of reassurance that this is NOT the county's bond issue but that of a private concern.

By Texas statute, the governing entity involved must examine both the company and the projected issue before a bond issue can be validated in the state.

It should be understood, too, that this move on the part of Agco and its management expresses a great faith in the future of this area and its ability--both the land and those in agriculture who live by it--to produce grain, for the money generated by this bond issue will go for the construction of grain storage facilities according to the application submitted to the commissioners court with the application for approval of the issue.

Revenue bonds are, by definition, bonds that will be repaid from revenues from the business operation of the company.

(EDITOR'S NOTE: We hope to have a comprehensive story from Agco on their expansion plans elsewhere this issue. If they are not ready for public release by then, we will plan to run the story in the Hansford PLAINSMAN, Sunday.)

Dr. Dave Muthali of the Hansford Clinic has accepted the appointment to act as County Health Officer. This is a post required by law and very vital to the health of the county--particularly in massive outbreaks of anything threatening to spread to most of the residents of the county.

The need for the appointment came when Dr. Muthali's erstwhile partner in the Hansford Clinic resigned, announcing he was establishing a practice in another state.

Commissioners established and approved salaries-by-grade for Pat Byers and Sara Shufeldt of the Sheriff's Department and for Kenneth Walters, an employee in Precinct One.

The remainder of the agenda for the Monday meeting was the routine of county business: the treasurer's report, satisfaction of claims and other matters of regular attention.

Judge McClellan is hospitalized recovering from surgery.

The next regular session of the court will be July 12.

Roofers Busy

Insurance adjusters still have not made calls to some of the homes in Spearman suffering damage from the hailstorm June 14.

From reports all over town, new roofs are called for in almost all instances as well as all the glass damage to homes, churches, businesses and the many cars that had hail damage.

New roofs are going on at a rapid pace and the sound of hammers can be heard early in the morning until late at night.

Since all claims have not been finalized a dollar figure on the damage cannot be assessed at the present time.

Local lumber yards cannot keep up with the demands for the roofing materials etc. that are needed to put our little town back in good condition.

Some new roofs have been put on in the downtown area while others are waiting for a drying period.

This hailstorm is the most devastating that the town of Spearman has suffered in about 20 years.

New Pastor At First Christian Church

Pictured above are the new pastor of the First Christian Church, Rev. Martin Foster and his wife Paula and their children John David and Sarah.

The First Christian Church has a new pastor. He is Rev. Martin Foster.

Rev. Foster will be installed Sunday, July 11th.

He and his wife Paula have two children, Sarah, who is seven years old and John David who is three.

Rev. Foster graduated from Brite Divinity School of Texas Christian University In Fort Worth in December 1980. While a student he served the First Christian Church in Mineral Wells as Student Associate Minister. Following Divinity School he served as minister to the First Christian Church in Paducah.

Rev. Foster states that he and his family are anticipating making new friends and getting to know Spearman people as well as their congregation. Also he states that he is looking forward to working with some of the best church leaders in the Panhandle and building upon these strengths together.

This newspaper joins in the congregation of the First Christian Church in issuing a warm welcome to the Foster family.

De La Rosa's Visit Spearman

DE LA ROSA'S ENJOY VISIT: Left to Right--Jesus, [Uncle Chuy]., Josefa [Aunt Josie] and Jesus, Jr., [Chuyito] De La Rosa traveled from Edinburg, TX to come and visit the Vela families and other kin. They have enjoyed their visit--visiting at least 56 members of the Velas' of Perryton, Waka, Spearman, Morse and Gruver. They have had a great time, usually with big "fiestas" each day they are here.

When relatives live hundreds and hundreds of miles from each other, and then some come from far away for a visit, then you can bet there will be big parties everyday until the visiting relatives leave for home.

Well, Thursday, June 24, the Vela's of the Panhandle area and other families were visited by Jesus, Josie and Jesus, Jr., De La Rosa of Edinburg. They traveled a long, long way. They plan to visit all the families before they leave for home.

When the De La Rosa family arrived, the news spread like a forest fire in the dry heat spreads.

There are lots of Vela families and Vela family members married that will be visited. Those to be visited include Ramon, Kristina, Roy, Ramon III, Jose Angel, Raquel and Rafael Vela; Ismael, Anna, Rosi & Victor Vela; Bernardo & Adelaida Estrada--all of Perryton, Ray, Gume, Martin, Adrian and Joey Garza; Jose Luis and Aidina Garcia--all of Waka; Guillermo, Aurora, Criselda, Bernarda, Maria Luisa, Ciria, Tadeo, Leticia, Maria & Teresa Vela; Ramon, Barbara and Juan Reza; Jose Luis and Dolores Moreno; Calistro, Minerva, Martin, Ruben and Luis Vela, Hector, Norma and Hector, Jr., Hermosillo; Eusebio, Jr., Judy, Shane Allen and Jaime Vela; Sergio, Esmeralda and Jorge Vaquera--all of Spearman; Lucio, Sara and Angela Vela of Morse and Eusebio, Sr., Ofelia, Orfelinda, Anselmo, Alejandro, Manuela and Sara Vela of Gruver.

So if you pass by one of the Vela's houses, or a house with more than five cars, remember the Vela's are having visitors from the Valley for a while.

Velas's Tienen Visita

Cuando jente de Ustedes viven cientos de millas lejos de Ustedes, y luego cuando viene una familia de muy lejos a visitar, todos los dias que estan con sus jentes, son dias de fiestas grandes.

Pues, las familias Velas, y familias de las Velas, ya tienen visita. Las familias y familiares son de Perryton, Waka, Spearman, Morse y Gruver. Los visitantes son Jesus, Josefa y Jesus, Jr., De La Rosa, Son de Edinburg--Limburgo. Llegaron en Spearman a las 4 de la tarde en el dia 24 de Junio. Todo ese dia avia jente que vino a verlos en la casa del Senor Guillermo Vela.

Hay muchas familias que los De La Rosas van a visitar. Los que viven en Perryton son Ramon, Kristina, Roy, Ramon III, Jose Angel, Raquel y Rafael Vela; Ismael, Anna, Rosi y Victor Vela; Bernardo y Adeliada Estrada; Ray, Gume, Martin, Adrian y Joey Garza; Jose Luis y Aidina Garcia--todos viven por alli en Waka; Guillermo, Aurora, Criselda, Bernarda, Maria Luisa, Ciria, Tadeo, Leticia, Maria y Teresa Vela; Ramon, Barbara y Juan Reza, Jose Luis y Dolores Moreno; Calistro, Minerva, Martin, Ruben y Luis Vela; Hector, Norma y Hector, Jr., Hermosillo; Eusebio, Jr., Judy, Shane Allen y Jaime Vela; Sergio, Esmeralda y Jorge Vaquera--todos son de Spearman; Lucio, Sara y Angela Vela de Morse; y Eusebio, Sr., Ofelia, Orfelinda, Anselmo, Alejandro, Manuela y Sara Vela de Gruver.

Pos eso, si van o pasan por una casa de los Velas, o por una casa que tiene mas de cinco (5) caros, ya saben que son los Velas y su Visitantes. Y tambien crean que va ver fiestas y mas fiestas porque aqui tiene jente de ellos del Valle.

Got a child with a small tape recorder?

Teach him family history with it.

Let him do the recording -- and the learning.

Recording an "oral" family history can help a child understand his cultural heritage.

Also, it can give him a sense of accomplishment and pride.

FAMILY-HISTORY TALK

Talking over family history -- and recording it on tape -- can provide facts and fun.

Talks with older family members can tell a child about:

- *family origin*
- *factors that led to family change*
- *and customs and traditions that have stayed with the family from generation to generation.*

CHILD'S OWN HISTORY

Also, tape recording the child himself adds importance to events in his own life.

For example, when you capture the thrill of an achievement -- or the excitement of a special day -- on tape, it can bring pleasant memories back to him in years to come.

'TEACHING' -- FOR LATER

In addition, tape recordings of family members talking about life can help a child deal with a rapidly changing world.

By listening to the voices of other family members -- as they respond to questions about sociological and technological change, a child can get clues for living in today's world.

He can gain ideas on how to cope, how to behave and how to build his own self-fulfilling lifestyle.

RECORDING PLAN

Help your child decide who -- and what events -- he will record.

Talk over questions he could ask to "get the conversation going" and to get the information he wants.

Help him make arrangements with participating family members.

GETTING STARTED

A practice run might help, first, if the child or family members feel "timid".

To start the "real" conversation, a child might begin by stating the month, date, year and topic.

He could name the participants -- and their relation to the family unit.

After the conversation, the child could sum up the purpose of the conversation and thank the family members for their contributions.

Finally, be sure to label the tape, and store it in a special place -- for more recordings later and to make sure it won't be erased.

EXTRA BENEFITS

Besides allowing a child to feel a sense of purpose and accomplishment, gathering a family history has extra benefits.

It promotes cooperation and sharing among family members -- especially among those in different generations.

Also, it provides understanding -- of the child's unique qualities and those of his family members. Most of all it can be really fun.

Educational Programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

Arts & Craft Guild Meets

The Arts & Craft Guild met Friday, June 25, in the home of Mrs. Kiff White.

Members present were Mmes. Bruce Sheets, Joe Travler, Sada Hoskins, Mildred Daily, Ned Turner, Deta Blodgett, Annie Allen and Pope Gibner.

Mrs. Gibner will be hostess Friday, July 2.

Places In State JMTA

Billy Jo Moore, 8 year old daughter of Mr. and Mrs. Terry Moore, has returned from attending the State JMTA Competition at the Cinderella Girl Pageant held in Denton at TWU. Jo won 11 trophies in JMTA and liked only 3 points winning another Sweepstakes Trophy. This makes over 30 trophies she has won the past year in JMTA Competition, including Cameo Girl. She also won Photogenic in JMTA. Jo turned 8 years old while in Denton and although she didn't place in the pageant she will try again next year; she came home far from empty handed though.

It's all right to wait until the last minute to do something that you can do at the last minute.

Since we were not home at the time of the tornado, we do not know the names of all the people that called and came out to see about our son's safety, so we say thanks ever so much. We appreciate the thoughtfulness of our sons, who wanted to spare us the sight that first met their eyes and fix us a place to live before we came home. The concern and work of our daughters and families that came from San Antonio and Plano to help with the clean up work.

To the good people that sent and brought food and worked from early morning until night to make our home liveable again, there are no words to express our appreciation. We do say thank you and God bless you in a great way.

Glenna McMullan Awarded Scholarship

GLENNA McMULLAN

Mrs. (Jack) Glenna McMullan of Spearman, has been awarded a scholarship to attend the National Endowment for the Humanities Summer Institute for language teachers July 5th through 29th at Austin College at Sherman, Texas.

Twenty high school Spanish teachers along with twenty French and twenty German teachers from a seven-state area were chosen to attend the NEH Summer Institute. The participants were chosen on the basis of their academic ability and achievement throughout their College Careers and their record of success in the classroom. Because of the limited number of spaces available the selection was very competitive.

Mrs. McMullan has had a very successful teaching career and has proven to be quite outstanding in her field. She is qualified to teach not only in high school but elementary as well and also is a certified school councelor. She taught Spanish in Spearman High for 13 years from 1968 to 1981. She was employed in Buffalo, Oklahoma during the 1981-82 school year served as the school counselor.

She and her husband reside in Spearman, TX.

Square Dance Club Summer Meetings Set

The "Rainbows & Ranglers", the Spearman Square Dance Club, will have their club dances on the 2nd & 4th Fridays during July and August. The next dance will be at the "Y" on July 9th. All squre dancers are invited to attend and join the fun!!

Wedding Announced

Linda Hankla and Gary Burke were united in marriage May 24 1982, at Clayton, New Mexico.

The bride is the daughter of Jack Hankla and of the late JoAnne Hankla of Guymon, Oklahoma. She graduated from Guymon High School and is currently employed with Western Production Credit Association at Guymon.

Gary is the son of Mr. and Mrs. Kenneth Burke of Spearman. He graduated from Spearman High School and attended the University of Texas. He is employed with General Telephone.

The couple are making their home at 807 North Academy, Guymon, Oklahoma.

DPS Conducting "Operation Motorcide"

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety said, "The two most dangerous things the driver of a motor vehicle can do is to speed or drink and drive. These two violations will account for most of the traffic deaths during this July 4th holiday."

The population in Texas is increasing, so is traffic on the highways. More people are expected to be on our highways this 4th of July weekend than ever before.

The Department will be conducting "Operation Motorcide" during the weekend, trying to make everyone aware of the traffic problem. Every available trooper will be working, trying to help cut down on the needless traffic death but will need the help and cooperation of the entire motoring public to be effective in reducing accidents. "We don't have enough people to stop all traffic violations. We need the voluntary compliance by the motoring public, in obeying the traffic laws, in order to be successful in reducing accidents," Major Bell stated.

"If people will just slow down and not drive if they have been drinking, many of the deaths that occur on our highways can be prevented," Major Bell concluded.

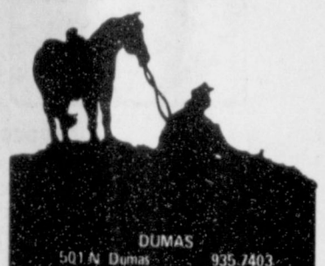

Summer Scholarship Program Announced

Dr. Roy E. Toman, Director of TBEU Summer Scholarship Program at West Texas State University announces that the Political Science Department at WTSU has received a grant from the Texas Bureau for Economic Understanding to conduct a special summer program which will deal with the free enterprise system.

This 6-hour, graduate level program, designed mainly for social studies teachers will be offered during the 1982 second summer term. According to Thoman there are approximately 30 scholarships to award. Those receiving scholarships will be able to enroll for six graduate credit hours, with the scholarship providing free tuition, fees, books, and, in some cases, free university housing.

Thoman believes that the two courses making up this program will be stimulating and beneficial. "Political Systems and Captialism" and "American Government and the Free Enterprise System" will both be offered in the afternoon, with the latter beginning at 1:00. For the convenience of participating teachers, the courses will be offered on an accelerated basis. The entire program will last only about three and a half weeks. This opportunity to learn about the interaction between government and the free enterprise system will be enjoyed in a relaxed, friendly, and professional seminar atmosphere. The program will begin on July 9 and end August 4.

To apply for a scholarship or further details contact Dr. Roy E. Thoman, Director, c/o Political Science Dept. Old Main Building, West Texas State University, Canyon, Tx. 79016.

Vargas Bros. Combine for 3 Goals. . .

Pumas Win 3-2

PUMAS STAY UNDEFEATED: Some of these Pumas' players have retired for the year, but most of them are still playing. Some pictured are Manuel Gomez, Arturo Vargas, Gustavo Mutihualua, Herminio Martinez, Juan Jose Vargas, Pedro Vargas, Mark Avila, Benito Vargas, Coach Juan Avila, Jose Augustine Vargas, Isabel Vargas, Bertita Vargas, Jose Luis Moreno, Sergio Vargas, Arturo Vargas, Jr., Jose Vargas, Dennis Rojas, Alberto Vargas. (There are still some newcomers that have not yet been pictured with the original team.) (Estos son unos que juegan futbol-soccer en el equipo las Spearman Pumas.)

The Spearman Pumas Football-Soccer team traveled to Garden City, Kansas--a 3-hour drive--to play them. The Pumas had already played Garden City, with the game ending in a tie--well, the winner of this game would the be winner of both games, so both teams had a lot to lose, but mainly the Pumas because they have been undefeated since last year. There are a lot of games to be played as of now, but the Pumas seem to be more than ready for any team from the State of Texas of any state of the nation.

The Pumas had already won their two games against the Borger Onderenllos de Sur America, and planned to do the same against Garden City. It was a long drive, which could have had something to do with the fellows being tired--but don't forget that the Garden City team traveled the long 3-hour drive also.

The game started off with everyone getting into the act. The final score was 3-2, in favor of the Spearman Pumas. It was a great game, close all the way, if the game ended in a tie, then they would play until a team won. This time, the game was to be known as the "Vargas' Game"--only because Jose and Sergio Vargas scored all 3 goals between them. Don't get me wrong, in Football-Soccer, it is the same as football, basketball, baseball, softball, etc., it is a team effort!! So all the guys worked with the kind of action that makes a coach--in this case, Coach Juan Avila--really proud that they are coaching.

Jose Vargas, better known to this reporter as "Pedrito" Vargas, did a fine job as he went up and scored a goal for the Pumas. Sergio Vargas--who has to have made a record of some kind because in **all** the games played he has scored at least 1 goal--went thru the Garden City goalie, meaning he scored, two times. The score was 3-2, and it ended that way.

The Garden City team had a great deal of pride, they played with it also. They, also were not "sorry losers", because after the game they made a "brunch" for the Pumas and had a big, big party.

If ya'll haven't seen you undefeated, hometown soccer team in action, go out the next time that they play in town and you will se they have a team that plays terrific-ly well!!

Coach Avila doesn't really know when the next game will be or who it will be against, but when he does he will let everyone know.

The Pumas are now 4-0 for the year.

Mayors concerned over federal aid cuts.

Jose Y Sergio Hacen 3 Gols

El futbol-soccer equipo de Spearman, las Pumas, fueron para Garden City, Kansas--estaban en el camino 3 horas--y les jugaron con ganas de ganar el juego. Pues el equipo que ganaba este juego tambien iba ganar el primero juego--el que se cavo, 1-1. Las Pumas ganaron el juego, 3-2. Era un juego muy sercas en muchas maneras.

Los hermanos Vargas isieron todos los puntos, pero el ganado era por todo el equipo. Cada quien que juego iso muchas cosas bien. Las Pumas ya les avian ganado a los Onderenllos de Sur America dos veces, querian a ganarle a Garden City, para poder ganarles dos veces tambien.

Jose Vargas iso un punto para las Pumas. Despues Sergio Vargas, iso dos mas goles--este tiene que ser algo fenomino, porque Sergio asido un gol en cada juego que las Pumas an jugado. Todos los otros que jugaron isieron bien defense, porque tenian que parar a Garden City, para que no isian otro gol.

Se cavo el juego, 3-2, con las Pumas ganando. El equipo de Garden City trato a las Pumas muy bien despues del juego. Les hacieron una comida y luego les hacieron una fiesta grandisima.

Todavia el Senor Juan Avila no sabe acual otro equipo las Pumas les van a jugar, pero cuando sepa, les va decir por el pedriodico.

Las Pumas ya tienen 4 ganadas y 0 perdidas. Quieren a tener otro ano como el del ano pasado, donde no pierderon niuno, yo, por mi, se que pueden acerlo otraves.

Men's Softball Games Set

The games have been set and will be played, depending if it rains or not. Jerry Garcia, Edward Cantu and Jim Benson work extra-hard on the baseball and softball fields to get them into working condition before game time. So far all three, have been doing an excellent job. All the men, and all players would like to thank them for doing a terrific job.

The games set for Thursday, July 1, could be the early start of firecrackers flying--the ones that lost in the first time can win this time. One of the 7 p.m. games will be between Hergerts and Crawford Ford. These two teams have met two times, with both splitting the differences. The winner of tonight's game will determine the better team. Hergerts has got the speedsters, the ones that can make spectacular catches. While, Crawford Ford, on the other hand, can also hit, catch and sacrifice just as well. This game will be one of the closest games of the night. The other 7 p.m. game will be between Agco and Tico. Agco is a team that starts off slowly in the beginning of the season, but as the season progresses, so does Agco. They have a good strong team in the second half of the season. Tico, so far, is #2 in the ratings. They have a good team also, but unlike Agco, they--Tico--start off ahead of schedule with lots of wins and end the same way. This could be another "close encounter"--this game will be played at the east of the Y field, while the game between tough Hergerts and tough Crawford Ford will be played at the Jaycee Ballpark.

The 8:30 game to be played at the Jaycee Ballpark is between Baker & Taylor and the Union Church. Baker & Taylor is on top of the list right now. They have players from Spearman and Gruver, teamed up, and have been doing a fantastic job together. The Union Church team has been doing a fine job. They have a good team. This should be a good game for both teams. The other 8:30 p.m. game will be played at the east of the Y field. The game is between Hi Plains and North Plains. Hi Plains have been putting their act together. They have been doing fine as a team. North Plains is one of the so-called, "experienced" teams. They work hard and good together. This should be the third close game of the night.

If ya'll have not one thing to do on Thursday, July 1, go on over to the softball fields and check out the early July 4th fireworks, especially if a team that is the underdog wins!!

Youth Ball Program News

Progress is being made in arrangements for makeup games for the boys and girls involved in the youth ball programs. Tee ball games are being played early on days they can schedule them, girls softball teams are working toward making up games as time is available and a revised schedule is being worked for the boys' baseball. The latter is more difficult to schedule because of the pitching arm safety which has to be considered and allowing sufficient time for recovery. If you have any questions please contact your coach because some games are arranged by them.

Summer Exercise Opportunities

Water exercise classes are being offered by the "Y" Tuesday and Thursday mornings at 11:00, Tuesday and Thursday evenings at 6:00 and Saturday mornings at 11:00. These will be held if the weather is not threatening and lightning. Morning classes are taught by Cindy Schneider and evening by Wanda Archer.

The new aerobic exercise session will begin Tuesday, July 6th, at 7 p.m. at the "Y".

It will be Tuesday and Thursday at 7 p.m. and Saturday at 10. They are taught by Wanda Archer who is also going to start an exercise session on July 6th at the Golden Spread Center each Tuesday and Thursday morning.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañia.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañia para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de ésta union se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio tambien afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas tambien afectaría a los clientes de otras compañías de teléfono.

Sarpalius returns from Washington talks

[Left to right]: Congressman Kent Hance, State Senator Bill Sarpalius, Congressman Jack Hightower, and Congressman Charles Stenholm

AUSTIN--State Senator Bill Sarpalius recently returned from Washington after a round of talks with Senator Llody Bentsen, several Texas Congressman and Department of Agriculture division heads.

Sarpalius, Chairman of the Texas Senate Agriculture Subcommittee, said the purpose of his trip was to establish communication and to inform key people of the work that is being done by the Texas Agriculture Subcommittee Interim Study.

"We have done a study on the use of oil treatment on grain to prevent elevator explosions. This was one of the topics for discussion with several members of staff in the Department of Agriculture."

"The subcommittee has also been studying the possibility of establishing more trade of agriculture commodities in foreign countries," Sarpalius said. This was one of several topics Sarpalius discussed with Vern Highley, Administrator of Agriculture Marketing Service, Frank Naylor, Under Secretary of Agriculture and Walter Bunch, Assistant Under Secretary of Agriculture.

Sarpalius also met and discussed these topics with C.W. McMillan, Assistant Secretary of Ariculture in Marketing and Inspection Service and Bob Svec, Deputy Director of Grain Division, Foreign Agriculture Service.

"Water for livestock and crops, soil and water conservation today and in the future were also important topics of discussion," Sarpalius said. He visited with Everett "Bud" Rank, Administer of ASCS, Mr. Peter Meyer, Chief of Soil Conservation, and James Johnson, Assistant to the Secretary of Agricluture.

Sarpalius used this opportunity to talk with Senator Lloyd Bentsen, Panhandle Congressman Jack Hightower, Kent Hance and Charles Stenholm. He also met with Congressman Kika de la Garza, Chairman of the House Agriculture Committee.

July 4

On the Fourth of July the people of this country observe the anniversary of the signing of the Declaration of Independence, one of the most important documents of history.

In it, Thomas Jefferson, the principal author, set forth the inalienable rights of man and the theory that governments are instituted by men, not by God, and, therefore, derive their powers from the consent of the governed.

This was a revolutionary doctrine in 1776. Moreover, the Declaration makes plain the right of the people to alter or abolish their government and to institute a new government in such a form as they may deem most likely to provide for their safety and happiness.

The historic Fourth has become identified as a day of leisure, marked by fireworks, accidents, games and amusement. There are also, appropriately, programs which point out the significance of the Declaration and the principles it expresses, which should not be forgotten.

4-H'ers hear success formula

The formula for personal success was outlined here recently by Ola B. Madsen in an address to some 600 4-H club members and their leaders.

The 4-H'ers and leaders were representing their counties from throughout Texas at the 1982 State 4-H Congress on the Texas A&M University campus.

Everyone has a chance to succeed in life, Madsen said. All it takes is the right attitude, enthusiasm for life, goals to work toward, and the persistence to stick to it.

Make your attitude positive, said the president of Adventures in Total Development from Nicholasville, Ky. Believe that you were created for success and endowed with the seed of greatness.

Enthusiasm is the second ingredient in the formula for success, Madsen said. Get excited about school, work and challenges in the future.

"Goals give you a sense of direction," Madsen said. "It's easy to get excited when you know what the future holds."

Writing out goals on paper will clarify them. Figure the cost to achieve each goal. This cost may be loyalty and time instead of money, he said. Finally put a date on each goal and work to accomplish it by that date.

"Don't be afraid to dream big," Madsen said. "But be realistic."

To make the formula work, one must have the persistence to stick with it like a postage stamp until it's finished, he said.

"No matter what happens, don't ever quit."

Congressman invite Ag Secretary to view crop damage

WASHINGTON, D.C.--Congressman Jack Hightower, Charles Stenholm and Kent Hance have issued an invitation to Agriculture Secretary John Block to conduct a personal inspection of hail-damaged areas of West Texas as part of their efforts to convince Block to provide emergency disaster assistance to farmers whose crops were ruined and who are on the verge of bankruptcy. Some eighteen counties in the 13th District were hit by hailstorms in the past several days causing severe damage to cotton and grain crops to the area's important commodities.

Hightower, Hance and Stenholm on Wednesday, June 23rd, wrote Secretary Block an urgent letter requesting that he use his discretionary power under the 1982 Farm Act "to reinstate the disaster payment programs" for some farmers in light of the serious damage to crops in their West Texas areas. The storms "have destroyed up to 75% of the crops in some counties," the three Congressmen wrote. "To compound the losses suffered from natural disaster, most of these farmers either have no crop insurance or an inadequate amount of coverage due to the high cost of the greater yield coverage and other transitional problems.

"Many of these farmers already have a substantial debt load due to the last several years of low commodity prices and ever-increasing cost of production," the letter continued. "We also recommend that these farmers be allowed to participate in any set-aside and CCC loan programs available to their replacement crops even though no acreage base has been established.

"Finally, we must ask that you protect the payment yield for defiency payment purposes," the Congressmen wrote. "Many producers will find their base yields dramatically reduced next year if they are forced to use a zero yield for this year."

"We hope the Secretary will be concerned enough to come see the damage and that this will convince him that these actions are urgently needed," Hightower told the press. "Many counties in the 13th District were really hit hard, and for some of these farmers who are just barely hanging on, this hail damage could literally push them over the edge into bankruptcy for good." Early estimates indicated that counties damaged by the hail in the 13th District included Briscoe, Childress, Collingsworth, Cottle, Dallam, Floyd, Gray, Hall, Hansford, Hartley, Hutchinson, King, Moore, Motley, Ochiltree, Potter, Randall and Swisher. More counties may be included in updated reports.

Gettysburg--July, 1863

The fateful struggle between the states in 1861-65 climaxed, in the east, at Gettysburg, Pennsylvania. General Robert E. Lee was moving northward through southern Pennsylvania when he wheeled east and south to meet the approaching Union Army of General George Meade.

On July 1, 1863, the forces first clashed, with Confederates driving Federals through the town itself, a South Carolina regiment first raising the South's flag over that town. Meade thereafter conducted a shrewd, defensive battle and Lee lost his chance to win on the second day.

Confederate attacks on that second day were uncoordinated, and late in beginning. Though they gained ground, Federal forces merely fell back to higher, stronger positions. General Lee fatally miscalculated on July 3, sending 10,000 men on an impossible mission--an attack on the Union center across fields open to heavy rifle and artillery fire. The Southerners were decimated.

Lee graciously took the blame and retreated. Meade was criticized for not following up the retreat vigorously. But he had conducted a skillful battle and won.

But Lee was fighting to win. Had he beaten Meade he could have taken Washington and Baltimore. In fairness to Lee, he had asked Richmond for two more available divisions to insure success of the invasion but didn't get them. Meade only slightly outnumbered him at Gettysburg. The losses suffered in that battle could never be made up by the less populous and blockaded South. Gettysburg, then, was the turn of the tide--the last chance for the South to gain a military decision, independence.

For the North it was a glorious, decisive victory, which insured preservation of the Union, and checked the invasion of Maryland and Pennsylvania--aimed at Harrisburg.

Gruver Fourth no conflict

Neighboring Gruver has planned a busy, fun-filled Independence Day celebration that affords Hansford Countians opportunity to attend both the Spearman soiree and the Gruver games and such without conflict.

Spearman's observance is planned from 1:30 to about six o'clock Sunday afternoon while the Gruver Sunday schedule does not begin until 9 p.m. when a patriotic program and a fireworks display will be staged in Greyhound Stadium.

Talent for this program will be varied. The "What America Means to Me" winners from Gruver's fourth, fifth and sixth grades will read their work.

Musical talent will include the All Youth Church Choir organized by Diane Brown and directed by Lisa Ellis. Other musical talent will include the Barkley Brothers, Chet and Frank Pitman with Carolyn Prater singing The Star Spangled Banner.

The Saturday program begins at 9:30 a.m. with the parade and bicycle races followed by stick-horse races, a boot scramble and face-painting between 11 and 12 noon, in that order.

At that time, Gruver Lions will serve their famour Bar-B-Que. The tab for this feast will be $3.50 per person with children under six years and folks over 65 as free guests.

There will even be an "express lane" for those 65 years and older.

There will be another period of face-painting from 2 to 4 p.m. as a side feature to the women's Rolling Pin Toss, the men's Tug of War, Water-Balloon Toss, Three-Legged Race, Calf-Roping [roping a dummy] in that order with a five o'clock finale featuring the Turtle Race.

Continuously throughout the day will be the Liberty Train, Copper Mine, MDA Clown at $1 a balloon, Greased Pole, Horseshoes and Washers, Pillow Log Fight [25 cents] and the Water Pole [25 cents].

A very warm welcome to everyone everywhere is out the friendly way Gruver folks always make an invite.

There is no more simple expression of what July Fourth stands for in the lives of Americans than carefree crowds celebrating the way of life for which it stands at pleasant points all across the nation . . . -- At Spearman, it will be Swimming Pool Park, Sunday.

Fun starts at 1:30 Sunday afternoon and continues right down to watermelon-eating time. The YMCA staging the afternoon events have planned a number of games with sack races leading off at 1:30.

The second event will be a "skillet toss." Some of the town "wags" have remarked that all should be sure and see this event. They reason that, with the advent of microwave cooking and a number of other cooking kitchen innovations, the skill in skillet might just pass from the American scene.

The schedule runs through a three-legged race at 2:30, a box relay at three, the water balloon toss at 3:30 with that part of the afternoon observance ending with pool games at 4 p.m. that include the "watermelon push." If you don't know what it is, you surely should be there!

Memo to reporter who doesn't know what it is either: "Cover pool games at 4 p.m."

The local Chamber of Commerce takes over the chores for the July Fourth observance, kicking the late afternoon events off with a Watermelon Feed right there on Cain Drive. A part of the YMCA game plan is a series of booths such as the YMCA stall serving Coke and Hot Dogs; the CofC Women's Division Cookie Center and . . . The Lions Club's (in)famous Dunking Board.

--If the weatherman gets backing from Mother Nature for his hot Sunday forecast, that Dunkin' Board could become the most popular spot of the day.

There will be no fireworks display this July Fourth.

What with economic conditions at present and the much depleted coffers of clubs and the city, it was decided to forego the pyrotechnics this year.

Any additional questions should be directed to the Chamber of Commerce office or the YMCA.

Schools, Aliens

The Supreme Court, in a surprising 5-4 ruling opposed by the chief justice, has declared children of illegal aliens have a constitutional right to free schooling in whatever state they enter illegally.

Many view this as an idealistic innovation by the court. No one, however, questions the motives of those placing this new, heavy financial burden on states such as Texas, California, Florida, New Mexico and Arizona.

Since the court now requires states to educate the children of wetbacks who sneak into the country, the incentive to millions of Mexicans becomes almost irresistible. Most of these parents can't get a good education for the children in Mexico.

Mexico's population is exploding, and the taxpayers of the several states can't afford to educate a flood of newly-encouraged illegals. Two things seem mandatory. The federal government should aid affected states. And greater efforts must now be made to limit illegal entry.

Doss Atchley Buried Saturday

D.H. "Doss" Atchley, 73, of Fritch, died Thursday in Amarillo.

Services were held Saturday at 2 p.m. in Minton-Memorial Chapel in Borger with the Rev. Ron Trussler, pastor of the First Southern Baptist Church, officiating. Burial was in Westlawn Memorial Park Cemetery.

Mr. Atchley was a native of Collin County. He was a retired farmer and was a fireman and desk sergeant in the 1920s and 1940s in Borger. He was a verteran of World War II and was the only man in Hutchinson County to go into the navy with first class ratings.

He was a member of the First Baptist Church in Hereford.

He will be remembered here by many as he participated in the Rolling Plains Wagon Train for several years.

Survivors include two sisters, Mrs. Earlene Crook of Fritch and Mrs. Robbie Hart of Bakersfield, Calif.

YMCA News

A suggestion came from a Program Committee Member of the YMCA to explore the idea of the 13-15 year old girls playing the "bye" team from the Women's Softball League as a way of the girls having the opportunity to play ball. A survey of the women's teams was made and the teams agreed that this would be a workable program for the girls. So, beginning with the game on July 12, the 13-15 year old girls will be playing the "bye" team from the Women's Softball League on the field East of the YMCA at 8:30

Know the Weather

An interesting pastime during your vacation at the beach or lake this summer might be a study of the clouds day by day.

Very high cirrus clouds will often indicate the approach of a warm front which brings with it rain. But the higher the typical summer cumulus clouds, separated white puffs moving gently along in a summer sky, the better the weather is likely to be.

If the sky is cloudless with barometer high and steady and wind from the west, then good weather should be ahead. If the typical summer cumulus clouds form low to the ground and get even lower, then rain will probably occur during the day.

The summer cloud puffs are formed as air rises and contracts, thereby increasing the percentage of moisture in the air. When it increases enough, the moisture changes into tiny particles, which change the air to visible air--a cloud. If this occurs low to the surface of the earth, it's an indication that the moisture content of the air is great--thus a greater chance of rain from the clouds during the day.

RECIPE

By Sarah Anne Sheridan

Main dishes prepared in the oven are popular in our house. The sauce for "Sunday Chicken" can be prepared the day before.

Sunday Chicken

3 lbs. frying chicken pieces
Brown chicken in margarine and place incovered casserole--skin side up.

Sauce For Chicken

½ stick margarine
¼ c brown sugar
½ T cornstarch
½ t Worcestershire sauce
¼ c vinegar
½ c catsup
2 T chili sauce
1 t salt
1 can (2 cups) pineapple pieces, drained reserve juice

Melt margarine in pan. Add brown sugar, cornstarch, seasonings and pineapple juice. Cook slowly over low heat, stirring constantly until thickened. Add pineapple pieces. Spoon over chicken, cover and bake 1½ hours at 350 degrees.

SURGEONS & INSURANCE

HOLLYWOOD, FLA. -- Surgeons in at least 25 south Florida hospitals refused to operate except for emergencies recently in a spreading protest over skyrocketing malpractice insurance costs. The surgeons say the soaring premiums, which they claim could reach $80,000 a year, have made reasonably priced medical care impossible.

Golden Spread Center News

The Hostess Club for July will be the Christian Church Women with the following members acting as Center Host & Hostess: Lowell and Cleo Denman and Robert and Thelma Wright.

There are *two* important announcements to make: *Wanda Archer will teach exercise classes on Tuesdays and Thursdays at 9:30 a.m.* This class is open to all members so come and have fun exercising. *Marilyn Cline is going to teach quilting on Monday, July 12 [2 to 4 p.m.], and continuing on thru July 19 and July 26 at the same hour--2 to 4 p.m.*

Thanks Wanda and Marilyn for being a part of the Center. Don't know what we would do *without* folks like you.
