# THE STRATFORD STAR

Tip Top Town in Texas

STRATFORD, SHERMAN COUNTY, TEXAS 79084 — THURSDAY, APRIL 2, 1970

VOLUME 70 — TEN CENTS — NUMBER 14

# Near Record Turnout Despite Big Snowfall

City voters returned all incumbents to office in the mayor and city council race while three new faces will be seen on the Stratford school board following Saturday's elections.

Three new directors were named to the board of the Stratford Hospital District and incumbents were put back in office on the county school board in the four elections held this past weekend.

Mayor J. W. Flores was elected to another term as head of the Stratford city government downing Mrs. Fred Mulkey and Gordie Ramon.

In the race for seats on the Stratford City Council Vernon D. Cotney, John E. Moore and N. W. Hudson were all returned to the places they had held previously. Both Cotney and Moore were running for two-year terms while Hudson was seeking a one-year term on the Council. Moore edged out Nell Wall by 7 votes, 131-124.

At the Stratford School, Keith Green lead the ticket with the most votes in the race for three places on the board of trustees. Jerry Johnson, an incumbent, won his first full term on the board and voters put Rex Christian, also seeking his first full term, on the board.

Bill Hammons nosed out Bill Cummings in the race for the one-year slot on the trustee board by a two-vote margin, 195-193.

Three people were elected to the board of the Stratford Hospital. These included Homer L. Haile, Mrs. Joy Cator and Mrs. Shirley McReynolds. The three were running unopposed for the three places.

Also uncontested was a race for county school trustee. Don Riffe and Travis Spurlock, both incumbents and unopposed, were returned to places on that board.

A total of 404 cast ballots in the Stratford School elections, 381 voted in the county trustee election and 377 voted in the hospital district election with a total of 407 voting in the city elections.

The city council elections were held at the City Hall with John M. Wilson, judge, assisted by Bill Riffe, R. J. Hill and Bill Pendleton were judge and assistant, respectively for the school elections.

We want to urge everyone to keep on the watch for their pets during the next few weeks.

As many of you know our area is threatened with rabies. This dread disease has been growing in surrounding counties all winter long but we feel the City Council has come up with a plan of action that we hope will save us a rabies epidemic.

As of this week any dog or cat running loose without a valid vaccination tag will be destroyed! We agree that the Council had no choice to make in this regard. Rabies is a mean thing and even the vaccination for a youngster who has been bitten is dreaded. All the local officers and vets are cooperating in this effort and we hope the citizens will also cooperate in this important battle.

Nobody likes pets any more than we do, and we've tried to keep ours up and out of the way. We hope this threat can be stopped before the epidemic stage is reached and with everyone's help and cooperation, it can!

One way in which the Texas Farm Bureau has been working for the farmer and rancher came across our desk the other day. A photo, similar to one we had in a recent issue of The Star, was on the front cover of the "Texas Agriculture" official publiciation of the Texas Farm Bureau. (This isn't to be confused with National Farm Bureau).

At any rate the cover of the April issue of the magazine carried a photo of Sherman Co. Farm Bureau President T. F. Bakin III, FB Director Rex Christian, District 1 Representative Carroll Chaloupka and Tobe Caraway, manager of Stratford Feed Yards Inc. This group was in front of a sign which can be found at the intersection of Highway 287 and the Gruver road boosting Texas Grain Fed Beef.

Bouquets to the Stratford Lions Club..we received a copy of a letter written to Boss Lion Bill McMinn from H. A. Cavness, president, Hi-Plains Eye Bank, Inc., of Amarillo.

The local Lions Club has worked real hard for the Eye Bank program and this work is recognized by Cavness. In his letter, Cavness states...." for the third time this year I wish to extend to all of you a sincere Thank You for your over and above the call of duty participation in behalf of the Hi Plains Eye Bank."

"You Lions have not only helped the Eye Bank with your $2 per member contribution, you donated $100 so the Eye Bank could purchase a movie to be used throughout the area to spread the word of the Eye Bank and Lionism..now each of you have gone that extra mile and held a Pancake Supper for benefit of the Eye Bank. The $400 is greatly appreciated."

Cavness sent along a copy of his letter to McMinn and also sent along a note to the newspaper in which he says..."My purpose for writing to you is to express to you, as a representative of the people of Stratford, the appreciation we feel for you. Yes, the Lions worked, but if it had not have been for the good citizens of Stratford, their success would have been not so great. Please, sir, so tell the good people of Stratford."

Like we've said many times in the past..you just cannot beat

## Jim Zaring Named New Boy's Coach

Jimmy Leon Zaring, 28, of Savoy High School near Dallas, was hired as the new head boys basketball coach at Stratford High School at a special meeting of the board of trustees Monday night.

A native of Adrian, Zaring attended Ciarendon Junior College where he was a member of the varsity basketball team. He graduated from North Texas State University and went to Savoy.

Since his tenure at Savoy High School, Zaring has coached junior high boys and girls teams and since 1968 had only the boys assignments.

The Savoy High School boys basketball teams have won their district three times and attended the regional tournament the past two years while Zaring was head coach. In four and a half years at Savoy Zaring's high school boys teams have 130 wins and 34 losses.

Coach Zaring will move to Stratford at the end of the school term this spring.

## Don't Worry Census Takers Are Coming!

Don't get impatient, warned local census enumerators this week.

Too many citizens of Stratford and Sherman county expected a census enumerator to show up the first day to get their census forms, announced Mrs. Ray Martensen, one of the four enumerators for this area.

"It will probably take us two or three weeks to call on every house in Stratford," said Mrs. Martensen. "Please hold onto the census forms, for we shall be there as soon as possible," she stated.

Mrs. Martensen, along with three other ladies, Mrs. Donald Moon, Mrs. Delbert Cummings and Mrs. Sherrydon Keener are the four enumerators for the county this year.

## Businessman Hurt Monday

Clyde Pittman, owner - manager of the C&E Paint & Body Shop of Stratford, was rushed to Dumas Memorial Hospital about noon Monday as a result of an accident at his place of business.

Pittman and his son, Duane, were attempting to free some gears on a winch on the firm's wrecker. They were using a prize bar to loosen the jammed winch when it came loose unexpectedly sending the prize bar sailing into Pittman's face.

The bar struck Pittman in the side of the mouth and face knocking him off the wrecker. He suffered the loss of several teeth, was knocked senseless for several hours and had a large gash on the side of his head which required several stitches to close.

The Stratford Ambulance rushed Pittman to the Dumas Hospital where he was treated, held overnight for observation and was released Tuesday.

DURING RABIES SCARE

# Pet Owners Warned To Keep Pets Up

All residents were warned to keep their pets confined for the next week, announced Mayor J. W. Flores, following a special meeting of the Stratford City Council.

Reason for the warning is to keep down the threat of an impending rabies epidemic in the area.

Last week a rabid skunk was killed in south Stratford. Since that time the City Council, meeting in a special session, met with Dr. Bob Cator and Dr. Jack Speir, local veterinarians, who recommended special action to keep down the possibility of rabies among local pets and animals.

The Council has announced that effective this week all animals running loose will be taken into custody. If the animal has a valid vaccination tag the pet will be returned to its owner. If it doesn't have a valid tag, or no tag at all it will be destroyed.

"I hate to have to kill dogs," said Mayor J. W. Flores, "However, under the circumstances the Council feels that we have no choice except to act fast to keep some child from perhaps catching rabies or at best to have to take the painful vaccination shots."

At presstime several animals had been found running loose in the city limits and had been destroyed. All pet owners were urged to keep their pets confined in their own yards until after the incubation period is over.

"We hated to make such a recommendation," said Dr. Cator, "But I'd hate worse to see some youngster come down with rabies or have to take those vaccination shots." he added.

The neighboring Oklahoma counties of Texas and Cimarron counties have had rabies epidemics for the past several months and it is though the disease has spread into the Texas Panhandle via wild animals in the area.

## Gregory Keener On Dean's List

Gregory Keener, son of Mr. and Mrs. Ralph Keener has been named on the winter quarter of vocational technical dean's list at Lamar Community College, Lamar, Colo.

To be named on the list a student must maintain a "B" or 3.000 or better work in their classes.

ORGANIZATIONAL MEETING

# Gurley Named President Of Stratford Trustees

Don Gurley was elected president of the board of trustees of the Stratford Independent School District at the reorganizational meeting of the group Monday night.

Jerry Johnson was elected vice president with E. R. Bell reelected secretary of the board. Other members, following Saturday's elections , include V. O. Lasley, Rex Christian, Keith Green and Bill Hammons.

The old board called the meeting to order and in their last business session hired Jimmy Zaring as the new high school boy's basketball coach. (See separate story, this issue).

New members of the board were administered their oath of office and the reorganization got underway.

In their first regular meeting, the new board went over the self-study program. This is a continuing study of the school's program to maintain a higher standard of education than required by the State of Texas. The study is a part of the program of the Southern Association of Secondary Schools.

The board also approved the 1970-71 School Calendar which has a number of changes from previous years. The first day of School will be August 24 with the last day May 28, 1971. The calendar includes 10 extra working days for teachers with no students in attendance on those days.

Holidays for the 1970-71 school year are September 7, Labor Day; September 21, Fair Day at Amarillo; October 12, Teacher Work Day 5; November 13, TSTA Meeting Amarillo; November 26-27, Thanksgiving; December 23-January 1, 1971, Christmas; January 18, Teacher Work Day 7; March 1, Teacher Work Day 8; April 9-12, Easter; May 27, Junior High Commencement; May 28, High School Commencement.

A schedule for the swimming pool was also approved. The pool will be under direction of Coach Mier and Coach Dick Pylant. The pool will be open 2-4 p.m. and 8-10 p.m. weekdays with only one 5-7 p.m. session on Thursdays only for ladies. It will be open 2-4 p.m. on Sundays.

Six members of the trustees will attend the Regional School Board Workshop in Canyon this week. These include Johnson, Christian, Green, Lasley, Bell and Gurley.

The board also hired Dick Pylant as an assistant football coach upon recommendation of Coach Mier. Pylant was formerly an assistant at White Deer.

## Lions Hear Dr. Curtis On Cancer

Dr. Don T. Curtis, oral surgeon of Amarillo and a member of the state board of the American Cancer Society spoke to members of the Lions Club at their April Ladies Night program.

Dr. Curtis, a native of Amarillo, is a graduate of Baylor Dental College, did internship at Parkland Memorial Hospital in Dallas and interim residency in London, England, and Zurich, Switzerland. He is currently chief of dental services at Northwest Texas Hospital in Amarillo.

Dr. Curtis went over the signs of cancer, primarily speaking about oral cancer, and showed slides of various stages in cancer development.

The Rev. Father Richard Neyer, pastor, St. Joseph's Catholic Church, was installed as a new member of the club. He was sponsored by Rev. Howard Grant Jr.

In a brief business session Rev. Grant outlined a new project by the club. This is a tutoring service which is available by members of the club for anyone desiring tutoring. Any student, high school or college, that desires information on this is urged to contact Rev. Grant at the First Christian Church or to call the Chamber of Commerce office for a list of the subjects that tutoring will be offered in.

# More Snow Falls On Area Saturday

Well, would you believe that old man winter took a real hard swipe at Sherman County again last week?

After the "Easter Spell" hit back on March 29 with a near blizzard, we went all week with almost an inch or more of snow each morning.

After last week's issue of The Star went to press Tuesday night more snow fell. In fact, there was more than enough that school was called off on Wednesday, April Fool's Day

No foolin' the first day of April dawned with over four inches of new snow on the ground and still coming down at dawn.

The kids really had a ball. Thursday the sun came out and the snow was all but gone. Friday night here it came again with snow falling all night practically and at dawn Saturday it was still falling with over four inches again on the ground.

Saturday afternoon the sun came out and by Sunday only a few scattered patches of snow were left.

Just goes to show ya' one never knows what to expect in the Panhandle...but the moisture was appreciated.

NATURE'S HANDIWORK --- This beautiful sight was found by the Currin O'Brien home Saturday morning just before the sun came out and melted all the pretty snow. The snow had fallen straight down during the night covering the shrubs and ground with about four inches of white.

## Ag Slogan Deadline Is Near

Only a few days remain until the April 15 deadline for competing in the Chamber of Commerce's Agriculture Committee's Slogan Contest, reminded Jack Harris, chairman.

The slogan is being run to get ideas for slogans boosting the image of American Agriculture and/or the American Farmer.

A Grand Prize of $25 in cash will be awarded the winner with the slogan to be placed on bumper stickers with the idea of boosting agriculture.

Anyone is eligible to enter the contest and anyone can enter as many times as they wish. All they have to do is to write their entries on separate pieces of paper, or write it on a post card and mail, or bring it by, the Stratford Chamber of Commerce, Box 570, Stratford , 79084. Entries may be submitted in person at the Chamber office at 3rd & Main in downtown Stratford.

Deadline of the contest is midnight, April 15. Decisions of the judges will be final with all entries to become the property of the Stratford Chamber of Commerce.

## Rifle & Pistol Club Set League

The Stratford Rifle & Pistol Club will conduct a spring league consisting of 60 shots fired over a 6 - weeks period for record.

The results will be registered with the National Rifle Association. A handicap scoring system will be used. The shooting will be held at the club's range in Stratford.

A registration fee of $5 will be charged. All pistol enthusiasts in the area are invited to take part in the league.

## Final Rites Held For C.F. Keenan

Mr. and Mrs. Roy Peterson attended funeral services in Duncan, Okla. last Tuesday for her father, Mr. C. Frank Keenan, who passed away on Easter Sunday, in the home of his eldest daughter, Mrs. Ruby Carlson, near Oklahoma City.

Until a few months ago, Mr. Keenan had resided at the Wade Hotel, in Dunan, for several years. He was known by young and old, as "Uncle Frank", and was noted for tales of his many colorful experiences and observations, over the past near century.

He was 98 years, 6 months, 3 weeks and 2 days of age at the time of his passing, having been born on Sept. 7, 1871 at Decatur, Texas.

In July, 1967, "Uncle Frank" was honor citizen of the day, (when Duncan celebrated its 75th Anniversary) as being the oldest citizen present; and the only known, living, persons who had ridden the first passenger train to come to Duncan, into that city in 1892.

## George Ringo Rites Tuesday In Dalhart

Final rites for George Finis Ringo, 64, brother of Mrs. J. W. Smith of Stratford, were held Tuesday in Dalhart from the First Baptist Church with the Rev. L. E. Godwin, pastor, Hillcrest Baptist Church, officiating.

Mr. Ringo died Sunday afternoon at 3 p.m. at St. Anthony's Hospital in Amarillo. He was a retired carpenter and was reared in Dallam county.

Mr. Ringo was born in Nowata, Okla., but came to Dalhart while quite young. He married the former Vida May Randel in May, 1926, who survives him.

The Ringos moved to Tulia in 1949 and from there to Amarillo in 1963.

Mr. Ringo is survived by his wife, Vida, of the home in Amarillo; two sons, Robert Finis and Richard, both of Amarillo; five daughters, Mrs. Eldon Doyle of Dalhart, Mrs. Ray Sims and Mrs. Ronnie Cleaver of Plainview, Mrs. Billy Hutcheson of Texarkana, and Mrs. A. L. Vermillion of Hereford; one brother, Arch of Dalhart; three sisters, Mrs. Raymon Reynolds of Dalhart, Mrs. Marion Thompson of Mena, Ark., and Mrs. J. W. Smith of Stratford; 26 grandchildren and two great-grandchildren.

Burian was in Memorial Park Cemetery under direction of Schooler - Gordon Funeral Home.

## *Chamber Drive Nets 50 Members*

A four-day membership drive for the Chamber of Commerce resulted in 33 new members and 17 renewals, announced Joe Wells, Chamber president.

Goal for the drive was a total of 50 members and $2500 in pledges for the Chamber budget. The 50 memberships netted in the drive resulted in a total of $2085, less than the goal but close.

"We were happy with the results of the four days of effort by members who worked in the drive," said Wells.

There were two teams of workers, under the direction of B. L. (Chuck) Smith and S. J. (Jack) Davis. Smith's crew won the contest with a total of 2186 points compared with 1601 points netted by Davis' crew. The winning team wins a meal prepared by the losers.

GM MARK OF EXCELLENCE
Impala '400' Sale.
You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 265 hp that runs on regular gas, along with dual exhausts—both at no charge. (The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is $93.75.)

But that's only the beginning. Because your Chevrolet dealer is really anxious to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too.

You're getting America's No. 1 car *on sale.* The car more people buy—year after year after year.

How can you beat that?

# Letter To The Editor

Dear Mr. McReynolds;

Sir, you will find a copy of a note I sent to Boss Lion W. T. McMinn and all the gentlemen of the Stratford Lions Club. I told them how much I, as a representative of the Eye Bank, appreciated their contributions in excess of what was expected. But then, that's Lions!

My purpose for writing to you is to express to you, as a representative of the people of Stratford, the appreciation we feel for you. Yes the Lions worked, but if it had not have been for the good Citizens of Stratford, their success would have been not so great. Please, Sir, so tell the good people of Stratford.

The Pancake Supper you good people participated in and then gave the proceeds to the Hi Plains Eye Bank is a gesture that typifies the true spirit of the people of our area. This "Neighborliness" is one of the things that makes living here so nice.

So, Mr. McReynods, please be kind enough to pass on the good word to the people of your fine town. May God Bless them.

Very truly yours,
H. A. Cavness, Pres.

(ED NOTE: A copy of this letter was sent to the board of directors of the Sherman County Farm Bureau.)

Dear Sirs:

Since I feel that the National Farm Bureau is not working for the interest of the nation's farmers in refusing to unite with other farm and commodity groups in securing farm legislation a feeling that those engaged in farming are no longer a majority of, nor represented by Farm Bureau, I, Jack Scarth, wish to resign my position on the Board of Directors and ask that my name be removed from the membership of the Sherman County Farm Bureau. I do not want this to be construed to the effect that I do not appreciate the efforts of our county organization and their work in this community. But the stand that has been taken on the national level has made it impossible for me to continue to serve in my present capacity.

Sincerely,
Jack K. Scarth

## Attention Pet Owners

The City Council of Stratford has been advised by R. L. Cator and Jack Speir, Veterinarians, that a known case of rabies has been diagnosed in Stratford. A number of dogs have already been destroyed that came in contact with a rabid skunk.

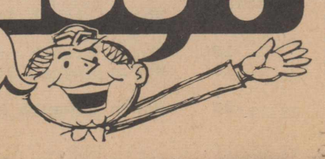

To prevent an outbreak of rabies within the city, the policy of the City of Stratford will be that all dogs and cats will have 1970 vaccination tags for rabies. Effective April 7, 1970, all dogs are to be put on leash or penned for a period of one week. All dogs not on leash or penned during this period will be eliminated. All stray dogs may be taken to Stratford Animal Hospital for disposal.

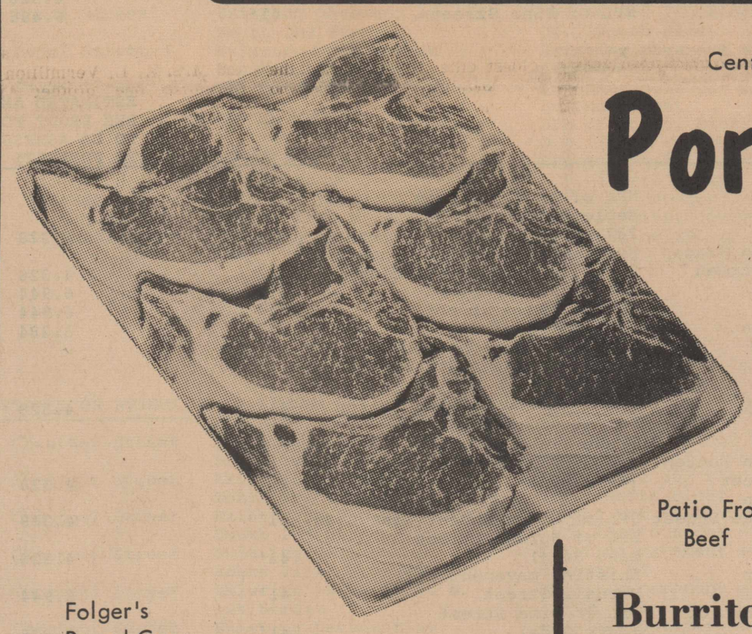

A city license will be charged on all dogs within the city. The cost of this license will be $1.00. The period to purchase license will be April 15 to May 1, 1970.

With the co-operation of all residents, an epidemic of rabies can be prevented.

WILD FLOWERS ON THE HILL

Georgia's poet, Robert Loveman, wrote these words:

"It isn't raining rain to me,
It's raining daffodils--
With every dimpled drop,
I see wild flowers on the hill.'

The Rain Song it is called. And it expresses the love of a man for the wild flowers, the tenderness of life and the great ability he had to set to poetry life's beauty.

The hills bloomed with these lovely flowers in Loveman's home state, and spring gardens everywhere become alive with their blossoms.

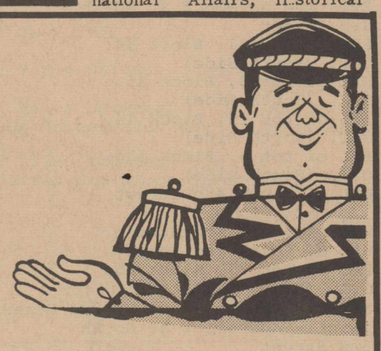

We feel we are in a wonderful business - dealing in flowers, God's loveliest creation. It is a pleasure to serve you as your florist.

# LEGAL NOTICE

"NOTICE OF HEARING ON SPECIAL BENEFITS TO BE RECEIVED FROM PROPOSED STREET IMPROVEMENTS AND ON OTHER MATTERS WITH REFERENCE THERETO, WHICH HEARING IS TO BE HELD IN THE CITY HALL OF THE CITY OF STRATFORD, TEXAS, BEGINNING AT EIGHT O'CLOCK P.M. ON THE 1ST DAY OF MAY, 1970.

TO ALL OWNERS AND TO ALL PERSONS OWNING OR CLAIMING ANY INTEREST IN OR LIEN UPON ANY PROPERTY ABUTTING THE STREETS AND AVENUES OR PORTIONS THEREOF OF THE CITY OF STRATFORD, TEXAS, HEREINAFTER NAMED, WITHIN THE LIMITS HEREINAFTER SET FORTH, AND TO ALL OTHER INTERESTED PARTIES AND TO THEIR AGENTS AND ATTORNEYS:

You are hereby notified that the City Council of the City of Stratford, Texas, has determined the necessity for and ordered the improvement of certain streets and avenues or portions thereof hereinafter described within the limits hereinafter defined, the nature of which improvements is hereinafter generally set forth; and that the City of Stratford has approved and adopted the estimate, statement and report of the City's Engineer and has taken other proceedings with reference to the making of such improvements are of record in the Minutes of the City Council of the City of Stratford, and has by ordinance ordered that a hearing be held, and notice thereof given, NOW THEREFORE,

PURSUANT TO SAID PROCEEDINGS AND SUCH ORDINANCE,

NOTICE IS HEREBY GIVEN:

I.

That a hearing shall be given to the owners and to all persons owning or claiming any interest in or lien upon any property abutting the streets and avenues or portions thereof of the City of Stratford, Texas, hereinafter named, within the limits hereinafter set out, and to all other interested parties, including their agents and attorneys, before the City Council of the City of Stratford, Texas, which hearing shall begin on the 1st day of May, 1970, at 8:00 o'clock P.M. and shall be held in the City Hall of Stratford, Texas, at which hearing all of said owners and other interested parties, their agents or attorneys shall have the right to be heard on any matter as to which hearing is a constitutional prerequisite to the validity of any assessment sought to be imposed and to contest the amounts of the proposed assessments, the lien and the liability thereof, the special benefits to the abutting properties and the owners thereof by means of the improvements for which all of such assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings and contracts in connection with such improvements and proposed assessments, or concerning any matter or thing connected therewith. The said hearing may be continued from time to time and day to day until a fair opportunity for hearing has been afforded to all desiring to contest the said assessments or proceedings, and the City Council shall have the power to and shall correct any errors, inaccuracies, irregularities and invalidities, and shall determine the amount of assessments and all other incidental matters and shall have the power by ordinance to close such hearing, and by the same or by a later ordinance or ordinances to levy such assessments before, during or after the construction of such improvements, but no part of any assessment against abutting properties shall be made to mature prior to acceptance by the City by ordinance of the improvements abutting the property for which the assessment is levied. It shall not be necessary to levy all of the assessments at one time or by a single ordinance, and said hearing may be closed as to each portion of a street and/or avenue constituting a unit of improvement (as such units are designated below), after a fair opportunity for hearing has been afforded to all desiring to contest the assessments proposed to be levied against the owners and their properties abutting on the portion of each such street and avenue constituting a unit of improvement; and the City Council shall then have the power to levy such assessments against such abutting properties and against the owners thereof, as provided herein and in the prior proceedings of the City Council herein referred to. No assessment will be made against any abutting property or the owner thereof in excess of the special benefits to such property and its owner in the enhanced value thereof by means of such improvements as determined at such hearing. All of such owners, claimants and other interested parties, their agents or attorneys, are hereby referred for further information to the proceedings with reference to said improvements on file and/or of record with the City Secretary of the City of Stratford and particularly to the estimate of the City's Engineer, and to the proposed assessment roll wherein the exact amount proposed to be assessed against each abutting property and the owner thereof is set forth; said City's Engineer's estimate and said proposed assessment roll being on file in the office of the City Secretary.

II.

The nature of the improvements for which assessments are proposed to be levied and to which this notice relates is the filling, grading, raising, paving or repaving said streets and avenues or portions thereof in a permanent manner, and by the construction or reconstruction and the realigning of curbs and gutters where there are no existing curbs and gutters which can be utilized in whole or in part in the opinion of the City Engineer and by reconstructing and realigning existing curbs and gutters which can be utilized in whole or in part in the opinion of the

City Engineer, and by the construction of such other necessary incidentals and appurtenances as the City's Engineer has found to be necessary or advisable, all as shown by the plans and specifications of the City's Engineer, and by widening where necessary so as to attain the paved width from back of curb which is set out below, said paving to consist of the construction of an adequate asphaltic wearing surface on an adequate base, the exact nature of such improvements being more particularly shown in the plans and specifications which are on file in the office of the City Secretary of the City of Stratford.

III.

The streets and avenues or portions thereof to be improved within the limits fixed by the City Council are listed below as they have been divided by the City Council into separate and distinct improvement units. There is stated in connection with the listing of each street and avenue or portion thereof within the limits herein defined constituting each improvement unit the estimated amount or amounts per front foot to be assessed against the owner or owners of properties abutting such street and avenue or portion thereof and against such properties, the estimated total cost of the improvements as to each improvement unit.

There is included in the estimated amount to be assessed against abutting properties and the owners thereof a proportio-

SHOWER HONOREE--Miss Faith Judd, center, was honored with a pre-nuptial shower Saturday in the home of Mrs. Dick Woolsey. Assisting Miss Judd were her grandmother, left, Mrs. Anderson and her mother, Mrs. Leroy Judd.

## Miss Faith Judd Shower Honoree

Miss Faith Judd, bride-elect of Larry Gene Bradshaw, was honored with a pre-nuptial shower Saturday, April 4 in the home of Mrs. Dick Woolsey.

The bride-elects chosen colors, green and yellow, were used. The table was covered with yellow net over green. A bouquet of artificial daisies in an antique white bowl centered the table.

Guests were registered by Miss Linda Waldrop. Serving were Miss Cindy Close and Miss Linda Cooper of Pampa. Punch and cookies were served to the guest.

Miss Judd was assisted in opening her gifts by her mother, Mrs. Leroy Judd; her grandmother, Mrs. Enid Anderson and Miss Mary Catherine James.

Hostesses were Mesdames Woolsey, Billy Hawkins, Rex Hudson, Newton James, Wesley Hawkins, Newton Crabtree, E. E. Mason, Jack Scarth, J. L. Stowers, T. L. Houston, V. O. Lasley, W. D. Tanner, J. L. Adams, Howard White, V. A. Plunk and Albert Zimmer.

## *Young Homemakers Hear Attorney*

John Woods, county attorney, gave a program to the Young Homemakers April 2 on "How and Why to Make a Will." Mrs. Zelda Pickens was hostess for the occasion.

During the business they planned a covered dish supper for their husbands April 11.

A menu was planned for the Lions club dinner April 20.

Attending were Mrs. Judy Cumiford, HD Agent, Linda Keener, Marilyn Holly and Mr. and Mesdames Ronnie Pickens, Rickey Pickens, Tommy Woods, Frank Vaughn, Kenny Gupton and Henry Williams.

Refreshments of chocolate cake, lemon cake, hot chocolate and coffee were served.

Marsha Pickens will host the next meeting April 16.

## Delegates To Attend THDA Convention

Mrs. Ronny Pickens, Mrs. Otto Schuster and Mrs. J. L. Naylor will be delegates to the district meeting of THDA to be held in Hereford, Tex. April 16 at the First Baptist Church.

Registration will be from 9 to 10 a.m.

Mrs. Leo Bezner, District 1 director, will preside. Three workshops to be conducted will be Family Life, by Mrs. J. B. Senter, Moore County; Safety by Mrs. Bill Cleavinger, Oldham County; Recreation and Cultural Arts by Mrs. Jerry Barnett of Ochiltree Cunty.

**BEST TIP YET**

Lung cancer is the leading cause of cancer death among American men. Best tip yet, says the American Cancer Society, "Don't Smoke Cigarettes."

## Kerrick News

The Ted Irlbeck family were Easter guests of his brother and family, Tony Irlbeck, near Hereford.

***

Mrs. Ralph Hampton was one of the sponsors taking Baptist GA's to Amarillo March 25 to the Ice Follies. Each of the girls took a child from the Presbyterian Children's Home in Amarillo as a guest.

Those making the trip included D'Lynn Brown, Rhonda Howell, Cindy Slatton, Janet Vaughn, Debbie and Laronda Stacy, Nora Hampton and Mrs. Newt Crabtree, Mrs. Nelda Stacy, Ralph James and Annette Hampton.

***

Visiting in the homes of Charley Crabtree at Mount Vernon, Mo., and the Joe Crabtrees at Verona, Mo. over the Easter holidays were Mrs. Ralph Hampton and children.

***

Among those attending the baby shower in Dalhart Sunday for Mrs. Joe Zinser, the former Linda Elms, were Mrs. Pete Taylor and Brenda, Bonnie Miller and Mrs. Fred McDaniel.

***

About 40 people enjoyed the slides and talk on Russia given by Douglas Owen of Halfway Friday night at the community building. Owen was accompanied by his brother-in-law, Carl Leavelle of Dumas.

Pat Bishop, a candidate for Tax Office and her sister-in-law, Mrs. Lareta Bishop, both of Dalhart, were additional guests.

A covered dish supper preceded the program.

## LIBRARY NEWS

by Mrs. J. W. Hodges

by Mrs. Jessie K. Hodges, Lib.

National Library Week is April 12-18.

National Library Week is a continuing push to cooperate with the Texas State Library in its efforts to implement the Library Systems Act, and to bring about the establishment of library systems throughout Texas, bringing service to all residents, with access to the total resources of Texas librak

Adoption of appropriate library standards for collections, services personnel and buildings.

Strengthening of position of library leadership at the State level through adequate staffing and financing.

The theme of this year's National Library Week is : "Reading Is For Everybody"

The Texas State Library Association holds its 57th Conference at the new Civic Center in Amarillo April 9-11, 1970.

The theme will be People, Politics and Progress. Major speakers will be Carl T. Rowan and George Christian..both writers, both well acquainted with the inside workings of government..one a world traveler and author of four books, one a Texan whom you may know.. both in their early forties, so they can give us a youthful look at the upcoming '70's...and where does the library profession fit in, or stand out, or take a lead in all this?

I plan to attend the conference Friday, April 10 for the Public Libraries division, especially the Children's Roundtable discussion.

## *Cancer Crusade Slated April 28*

April is Cancer Crusade month and residents of Stratford will have their chance to contribute during the door-to-door campaign slated for Tuesday, April 28.

Mrs. Bill Riffe is crusade chairman, Mrs. C. C. Plunk, Door-to-Door, chairman, Mrs. Rex Hudson, Business Area chairman, Mrs. E. R. Bell, Publicity and Ronald Vaughn, County chairman.

Workers will meet Tuesday, April 28 at 5:30 at the Methodist church to get their material ready so they can begin at 6 p.m.

Mrs. Riffe, crusade chairman, reminds those who would like to donate in memory of someone can give the money to her or to Mrs. E. J. Massie, Jr., Memorial chairman.

During the month the Lions Club heard Dr. Don Curtis speak on oral cancer and the fight against cancer. Dr. Bill Hale spoke to the high school on smoking and cancer. The Brownies held a carnival with the results presented to the Cancer society in memory of Mrs. Gale Turner. Troop #71 with leaders Mrs. B. A. Donelson and Mrs. Clarence Coble held a Father-Daughter box supper and donated $25 to the cancer fund.

Don't forget April 23 will be your time to contribute if you haven't done so already.

## *Mrs. Hampton Hosts Club*

The Happy Hour Demonstration club met in the home of Ethel Hampton for the first meeting of April with 13 members present.

Roll Call was answered with "Flowers I Wish to Grow This Year".

A menu was planned for Lions Club on April 13.

The disappearance of cups, pans, bowls and glassware from the County Barn kitchen was discussed. They would like for them to be returned.

An all day workshop at the Exhibit Building is planned for either April 23 or April 30, according to the weather.

Alice Weatherly discussed "Flowers" and told about the care of flowers in this country.

After an enjoyable social hour the meeting was adjourned.

MAVERICK. $1995*...it's a little gas.

*Ford's suggested retail price for the base Maverick model. White sidewall tires are not included, they are $30 extra. Since dealer preparation charges (if any), transportation charges and state and local taxes vary, they are not included, nor is extra equipment that is specially required by state laws.

**Our little Maverick is America's best selling small car.** The reason is simple—solid value. **Maverick is simple to drive.** Turn on the engine and you turn loose the power of 105 horses. Yet Maverick rivals the economy imports in gas mileage. **Simple to park.** Maverick can U-turn in a tighter circle than the leading import. **Simple to service.** Maverick requires fewer oil changes, fewer chassis lubrications. You save time and money. **Simple to repair.** The Maverick Owner's Manual has 24 pages of instruction for routine maintenance jobs you can do yourself. **Simple to own.** Save right from the start—the Simple Machine is your Ford Dealer's lowest priced car.

For a little more...it's a GRABBER!

**The new Maverick Grabber has all the same features as our Simple Machine but we've added an extra sporty flare to it. Here's what Grabber gives you:** ❶ Racy bodyside tape stripes, choice of five hot Grabber colors, 14-in. whitewall tires and wheel trim rings. High excitement, yes. High price, no. ❷ 200 CID Six and 3-speed fully synchronized manual transmission. Lots of pep, but not hard to tune. Grabber adds to your fun, not your mechanical problems. ❸ Dual racing mirrors. But no high "muscle car" insurance rates. ❹ Three-spoke woodgrained steering wheel just like the racing cars. But no hard, stiff ride. Grabber's sprung for comfort, not for the track. ❺ Black-painted hood and grille. Grabber puts on a great front, but maintenance costs are low. Service is fast and simple. With lots you can do yourself. ❻ Rear deck-lid spoiler. Even an economy car can dream, can't it?

NEW TAILWATER DITCH---Jack Powell and Felix R. Saenz in ditch look on as L. B. Blake sets final grade on connector pipe between his two tailwater pits. Mr. Blakes first pit was 4000 cubic yards. Blake recognized the fact that this pit was filling up very readily with silt. In an attempt to stop this he constructed another pit immediately south of the original pit, 7400 cubic yards in size. These two are connected together by a 16" steel pipe. Another problem encountered by Blake was the amount of weed seed in the tailwater. He felt that the new pit would also serve as collector for the weed seed as well as the silt. Like any good sportsman Blake plans to stock the pit with catfish. Blake readily points out that this pit is just like having another well, and well it might be as it collects tailwater from four wells. Others recently completing tailwater recovery systems include A. B. Morris, Walter Lasley and A. C. Witt. Neil Jackson has completed his pit, however the return pipeline has not been installed. ## *Beef Cattle Health Talks On April 9*

Each year, death losses and sickness in stocker cattle causes serious economic losses to Sherman County livestock men. This profit loss can be prevented.

To help cattlemen learn ways to help prevent these losses, a Beef Cattle Health and Management meeting will be held in Stratford on Thursday, April 9, at 7:30 p.m. in the County Barn. Dr. Bob Cator, DVM with the Stratford Animal Hospital will be on the program. Dr. H. T. Barron, DVM , Associate Professor of Veterinary Medicine, Texas A&M University Research and Extension Center at Lubbock, will also be on the program. Marvin McMillan from Mason, a cattle order buyer, will be on the program to cover cattle buying. The program will stress methods to prevent sickness, proper management and proper nutrition of stocker cattle. There will be a chance for questions.

Everyone interested in stocker cattle or cattle health is invited to attend.

## High Schools To Compete At PSC

High Schools from the five state area have been invited to the annual Business and Industrial Arts and Home Economics contest to be held Wednesday, April 22 at Panhandle State College. About 800 students are expected to be on campus for the events.

The Business contest will have high school entries in (1) 1st-year shorthand (2) 1st-year typewriting (3) First - year bookkeeping and (4) 2nd year bookkeeping. A "Sweepstakes" trophy will be presented to the team from the school that accumulates the highest number of points. Individual awards will be given to the three high contestants in each event. Registration for this contest will start at 8 a.m. in the Hamilton Bldg.

The Industrial Arts contest will offer four fields of competition with registration at 8 a.m. being held in the new Industrial Arts Building. High School students will be entered in (1) Mechanical Drawing (2) Beginning Hand Woodworking (3) Advanced Hand Woodworking and (4) Wood Turning. The 1st three winners in each contest will be recognized.

Registration for the Home Economics festival will be held from 9:45 a.m. until 9:30 a.m. in the Student Union. The National Dairy Council will sponsor the reception from 9:30 until 10 a.m. Betty Carruth, the guest speaker for the morning, from Texas Tech will lecture on food nutrition for adolescents and teenagers. In the afternoon, Mrs. Merlene Lyman from the college clothing department will hold a fashion show. Fashions to be modeled are sponsored by the Sears Roebuck and Co. A film produced by the Whirlpool corporation will give demonstrations on how to purchase and care for large major appliances for the household.

## ROTC Inspection Set At PSC

The annual Formal and General Inspection of the U. S. Army Instructor Unit (ROTC) at Panhandle State College will be held Thursday on the PSC campus, according to Lt. Col. Ralph C. Thomas, prfessor of military science.

The inspection is conducted by a team of officers representing the Commanding General, Fourth Army Headquarters, Ft. Hood, Texas. The inspection team this spring is headed up by Col. Daniel B. Cullinane, Deputy Commander ox the 13th Support Brigade at Ft. Hood. He will be assisted by Major Leslie D. Reynolds, operations officer of ROTC Divisions at Ft. Hood. Also a member of the inspection team is Capt. Dale W. Stewart, of the Military Science Department at McNeese State College, Lake Charles, Louisiana.

The morning schedule starts at 8:50 a.m. when the inspection team will meet the college ROTC Staff and tour the ROTC facilities. They will then meet with President Freeman McKee. The remainder of the morning will be spent observing ROTC classes, inspecting training records and administration, and briefings by Lt. Col. Thomas and Cadet Col. Charles Locklear.

The afternoon schedule includes the inspection of the Cadet Brigade on the drill field, a drill team performance and the brigade passing in review. The conclusion of the inspection involves a critique of the inspection and an interview with President McKee.

Activities at the drill field will start at 1:15 p.m.

DRUG ABUSE SPEAKER---Father Joe Tash, chaplain, St. Anthony's Hospital in Amarillo, is shown above following the drug abuse program held here last week. Sutan® Selective Herbicide
+atrazine lets your corn grow free

Your corn grows free from all major grasses and weeds. Free from the growth stress that weeds cause. Free to develop strong, vigorous roots that reach down to make maximum use of soil nutrients and moisture. Free from extra cultivations, possible root damage and free of trashy fields at harvest time.

This season, use dependable, economical Sutan plus atrazine on all your corn acreage. Stop the toughest grasses and weeds—nutgrass, wild cane, foxtails, fall panicum, Johnsongrass seedlings, crabgrass, annual morningglory, lambsquarters, pigweed, ragweed, nightshade and others that lower your profits. Mix Sutan plus atrazine in the soil as you prepare your seedbed. There's no need to depend on unpredictable rainfall to move the herbicide into the weed seed zone. Sutan and atrazine will be waiting to control weeds as they sprout. Used as directed, Sutan controls weeds without leaving harmful residues in the soil. Free yourself from work and worry...see us today for your supply of Sutan.

If someone's selling you sacks of diet pills, he's not in business for your health.

Some men called "fat doctors" are getting rich selling diet pills.

The diet pills they sell are actually powerful drugs—amphetamines, barbiturates, hormones, diuretics, thyroid, digitalis.

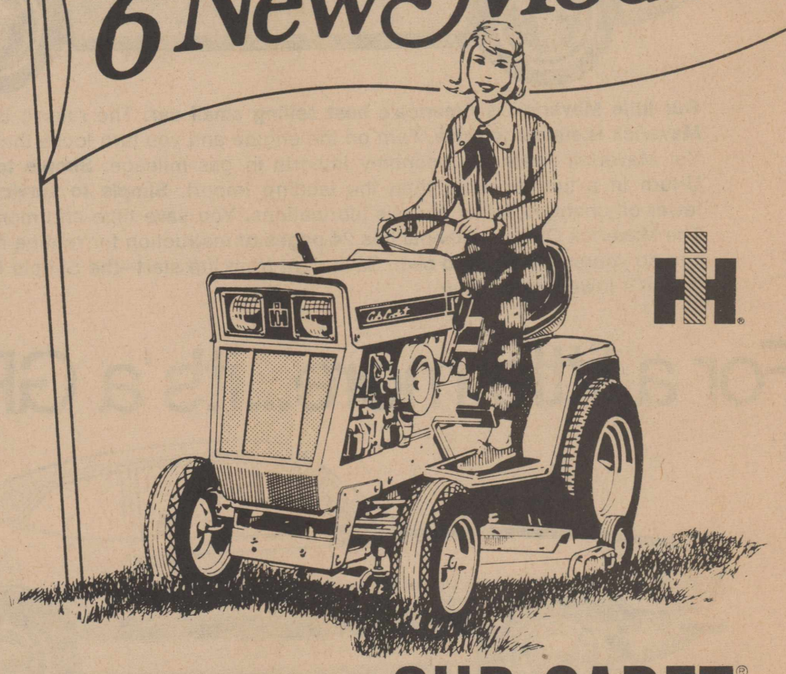

Taken in excess, or in dangerous combinations, or without proper supervision and adequate checkups, these drugs can have severe effects. Even fatal.

Please, if you take diet pills, make sure you know exactly what you're getting. And from whom.

## COUNTY AGENTS REPORT
by Fred Cross

**********

There has been a good response to the Farm Management Short Course to be held April 13, 14 and 16. The meetings will be held in the Courthouse from 7:30-9:30 p.m. Ed Garnett, Area Farm Management Specialist from Amarillo will conduct the short course. If you are interested there is still time to call in to enroll.

Last Sunday, members of the Sherman County 4-H Horse Club held a joint meeting with Moore and Dallam Counties at Dumas to select county horse judging teams. The top four senior team members were: Pat Flores, April Vincent, Mickie Vincent and Doris Barbee. The top four junior judges were: Mike Flores, Don Harris, Chip Caraway, and Jeff Flores. There will be a 4-H Judging Clinic in Amarillo next Saturday, April 11. Then the District 4-H Horse Judging Contest will be in Amarillo on April 25.

The other District contests will be in Canyon at WTSU on May 2. Right now it looks like Sherman County will have 61 4-H members in 25 contests. This is real good participation and I hope we can have some district winners.

The grain sorghum industry is vitally important to the agricultural economy of Sherman County and anything producers can do to prevent disease losses adds to its value.

As an aid to growers, extension and research plant pathologists of Texas A&M University have prepared a comprehensive publication, B-1085, "Sorghum Diseases," and copies are now available from my office.

Nationally, the pathologists estimate that diseases each year take a 9 percent toll of cash income from growers since production costs remain constant with or without disease damage.

The publication uses color to show in detail how the plants are affected when attacked by one of the damaging diseases. Each of the economically important diseases is discussed along with suggested controls. Growers should not expect one control practice to solve the disease problem. Best results are obtained when all improved practices are fitted into a proper combination with other recommended practices.
