

MEMORIAL DAY

In observance of Memorial Day on Monday, May 30, Veterans of Foreign Wars Wilson Wyatt Post 9178 and its Ladies' Auxiliary have planned two activities to occur simultaneously at 8 a.m. Monday morning.

One of the activities is the placing of a wreath on the war memorial at the courthouse. Both the Post Commander and Auxiliary President will be present for this ceremony.

The other activity is changing of the flags at Colorado City Cemetery; a flag will be flown at half-mast at the cemetery all day Monday.

Clean - Up Week begins

More than 200 Kelley Elementary and Hutchinson Elementary students entered the Clean Up Week Poster Contest sponsored by the Opti-Ms. Club and Debbie Gardner, a fifth grader at Hutchinson, took first place with her poster showing a vacuum cleaner labeled "City

Dump" sucking up all the garbage.

Second place went to Kaylyn Gill and third to Bridgette Bridgford.

Debbie won \$20 for her efforts, Kaylyn got \$15 and Bridgette received \$10.

Honorable mentions went to Jason Lawson, Barry Magill, Barry

Holman, Elizabeth Graham and Liz Garcia.

The three winning posters are on display in the window of the RECORD office and all of the other posters have been put up in the windows of various businesses all over town. They will be on display during Clean Up Week,

May 30-June 4.

Prize money was donated by the City of Colorado City and the Opti-Ms. Club.

Many cleaning up activities have been planned by several local groups, including work at the Mitchell County Cemetery by the VFW and Auxiliary, cleaning up the north entrance to

town by the AARP and work at the Rodeo Grounds by 4-H.

Also, the city will have a truck available to haul extra trash during that week if requested and the landfill fees will be lifted during that time.

Three local automobile dealers, Joe Weaver Chevrolet, Anderson

Motor Company and Hutchins Ford Sales, are giving a reception for the AARP in recognition of their clean up efforts and will be giving a \$100 prize to the senior citizen who works the hardest.

Remember - Cleaning Up Is Down Everyone's Alley!

Mitchell County Briefs

Craig fund

A fund has been established at City National Bank for Janice Sue Craig, a 31-year-old cancer victim. She periodically takes chemotherapy treatments at Lubbock and the expenses are enormous. She is currently in room 49 of Kristi Lee Manor.

Mrs. Craig, a native of Colorado City, is the daughter of H. S. Connell and the mother of two young children. Her left leg has been amputated.

Donations can be made to Ray Anne Carlock at City National Bank.

Spade Work Day

A Spade Community Work Day has been scheduled for Memorial Day, Monday, May 30. Workers are to meet at the cemetery at 8 a.m.

License office closed

The Drivers License office will be closed for Memorial Day on Monday, May 30. Regular hours will be resumed Tuesday afternoon.

Crowley reception

A reception honoring Lauren and Rick Crowley will be held from 7 p.m. to 8:30 p.m. Monday, June 13 at the Civic Center and the public is cordially invited to attend.

Crowley has been city manager of Colorado City since January 11, 1982 and the couple was married Saturday, May 21.

Hostesses for the affair are Judy Bennett, Cherry Hoback, Billie Martin, Brenda Mason, Linda McCombs, DeeAnn Morris and Anita Munoz.

Rodeo queen

Tuesday, May 31 is the last day for entering the AJRA Rodeo Queen Contest and clubs planning to sponsor a contestant need to contact Marian Morris before 4 p.m. that day.

Any Mitchell County girl between the ages of 12 and 18 is eligible to enter.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) I have heard that the number of times the fire whistle goes off indicates which part of town the fire is in. Is this true?

(A) According to Pat McKinney at the fire department, the number of times the fire whistle blows does indicate the area of town the fire is in. He gives the following signals:

One—outside the city limits

Two—the downtown area

Three—north from the downtown area to Walnut St.

Four—north of the business district in the northeast part of town (Walnut to the high school and to Interstate 20)

Five—East Hill

Six—Southside

Twelve—severe storm or tornado approaching

Around Town

THE WINNERS of the Clean Up Week poster contest were chosen last week. They are Bridgette Bridgford (third place), Kaylyn Gill (second place) and Debbie Gardner (first place).

Ball tickets on sale at Chamber office

According to Chamber of Commerce Manager, Linda McCombs, tickets are now on sale at the Chamber of Commerce office for the Gazebo Ball which will be held Friday, June 17.

All proceeds from this formal event will go toward the completion of the gazebo located on

the corner of Second Street and the Sterling City Highway.

The Kiwanis Club started the project and several thousand dollars is still needed for its completion.

The affair is limited to the first 400 people, with tickets costing \$15 per person. McCombs en-

courages all people to make their reservations now so that they can get the tickets they prefer to sit at. Tickets must be paid for when picked up at the Chamber office.

Music will be furnished by the Dave Adams Orchestra from Abilene, a ten member and See TICKETS, Page 2

Swimming pool could open Sunday

The Colorado City Municipal Swimming Pool will possibly be open Sunday, according to pool supervisor Tom Ramsey.

Ramsey stated that right now maintenance is being done on the pool to have it ready for Sunday. "Right now we are in the process of cleaning and repairing

the pool. We are painting the pool, inside and outside of the building, including the bathrooms," said Ramsey.

Ramsey said that the only thing that might prevent a Sunday opening is the recent rains which have hit Mitchell County.

Ramsey, along with Mark Merrell are pool supervisors. Lifeguards for the pool this summer will be Merrell and Sherri Morris.

Pool hours for this summer will be as follows: Sundays, 2 p.m. until 5 p.m., Monday,

Tuesday, Thursday, Friday and Saturday the pool will be open from 1 p.m. until 6 p.m. On Wednesdays the pool will be closed for cleaning and repairs. Charge of admission will be \$1 for all ages.

Ramsey listed rules and regulations during pool hours. They are: No running or horseplay around the pool area, the pool will be marked off in three sections, depending on how well a person swims, children 10 years and under must be accompanied by an adult. See POOL, Page 2

Rainfall measures one inch

A thunderstorm accompanied by severe lightning struck Mitchell County shortly after midnight Tuesday night, leaving more than an inch of rain all over the county and a shower followed on Wednesday morning.

Colorado City got 1.2 inches of rain during the storm and picked up another .2 inches from the shower. Loraine reported 1.7 inches from the storm and .3 Wednesday morning, giving them a total of 2 inches. Westbrook received 1 inch of rain Tuesday night and .3 more after the shower.

Children's program available at Center

According to Wallace Center Director Barbara Gray, registration is now underway for the Recreational and Reading Program at the Wallace Center.

Sessions will begin on June 13, and continue until July 29, Monday through Friday from 8 a.m. until noon.

This program is for Mitchell County children who have been in kindergarten through

third grade during the 1982-83 school year.

The program is limited to the first 50 children enrolled on a first come, first serve basis. A special \$2 fee will be charged to cover costs of field trips and supplies. Registration must be made by June 6. Forms can be picked up and turned into the Wallace Center.

Director of the summer program, Page 2

Board of review elected Wednesday

Bobby Lemons was elected chairman of the three-man Board of Review of the Mitchell County Tax Appraisal District during a meeting Wednesday morning, May 25.

The other two members of the board are W. R. Powell and Ray Preston.

Mitchell County Tax Assessor-Collector Clarence C. Burt received permission to set \$1,000 as the limit for notifying a property owner that the value of his property has been changed.

Burt explained that if the value of a property is raised or lowered by more than \$1,000, the district must notify the owner of the change 20 days before the board of

review meets in order to give him an opportunity to protest the change if he wants to.

Previously, the limit had been \$100.

It was noted that the Board of Review will be in session June 15-17 beginning at 10 a.m. each morning at the Colorado Middle School cafeteria.

On the 15th, the hearings will be for minerals and on the 16th and 17th for real estate.

R. L. McKinney of the law firm of Thompson, Rees and McKinney also reported that the Valero Transmission Company's lawsuit in Glasscock County had gone through four days of trial and was recessed until June 13.

TURNING THE TASSEL—Nine members of the Westbrook High School senior class turn their cap tassels to the right at their graduation ceremonies Tuesday night. Thursday night graduates from Loraine High School graduated in ceremonies at the school gym. Friday night seniors from Colorado High School received their diplomas. CHS ceremonies were held at Wolf Stadium.

Variance granted on tract of land

The Colorado City Council met in a called session Thursday evening to act on a request by J. Martin Basinger for a variance in the city's subdivision ordinance for the construction of a package store north of Interstate 20.

City Attorney R. L. McKinney presented Basinger's request to the Council, noting that any tract of land that was subdivided had to be platted before a building permit could be issued and the tract of which Basinger had bought a parcel had not been platted yet.

He said that Basinger felt he would lose too much valuable time by going through the normal procedures of preparing the plat, presenting it to the Planning

and Zoning Board and then to the City Council and was requesting permission to proceed with laying the foundation and rough-in plumbing while working on the plat.

McKinney added that city ordinances had provision for a variance in hardship cases.

According to McKinney, one of the primary purposes of a plat is to lay out the plans for water and sewer lines and the water and sewer lines were already laid, making a plat mostly a formality.

The Council agreed to grant the variance and allow Basinger to lay the foundation and rough-in plumbing only before all the other procedures are completed.

Councilman Ray Ma-

son noted that the variance was for an exceptional instance and in no way set a precedent for future variances.

Lightning causes fires

Lightning was the culprit in two Mitchell County fires which occurred early Wednesday morning.

At 1:21 a.m. Wednesday, the Colorado City Volunteer Fire Department received a call of a house fire at 1916 McKinney Street, at the residence of Mrs. Mattie Woods.

Sixteen firemen and two units answered the call. Firemen had the blaze under control at approximately 3:14 a.m., but not before the blaze had totally destroyed the house. There were no injuries due to the fire.

According to Fire Marshall L. O. Schaffer the blaze was caused by lightning which struck some part of the house, possibly the television antenna.

Lightning was also the cause for the second alarm which occurred at 1:35 a.m.

The fire occurred north of Cuthbert Community when lightning struck an oil tank battery belonging to Majestic Oil Company.

Sixteen firemen and two units also answered the call. Firefighters had the blaze under control at approximately 4:13 a.m.

Right now the total amount of damage done in the blaze is not known.

Pool

From Page 1

adult, no glass will be allowed around pool area, all swimmers must have on swim attire, this means no T-shirts, and there will be no diving allowed off of the high diving board. Ramsey said the reason for this is because the board is too high to dive in only 10 feet of water.

A new attraction to the pool will be aerobics classes conducted by Teresa Lain. The times for these classes are Monday, Tuesday, Thursday and Friday from 11:30 a.m. until 12:30 p.m. Night classes will be Monday and Tuesday from 7:30 p.m. until 8:30

p.m. Tuesday night will also be ladies night. All women can swim from 6:30 p.m. until 8:30 p.m. For more information on the aerobics class contact Mrs. Lain at Body Design Health Spa.

Morning swimming lessons will also be given at the pool. For more information contact Susan Anderson.

Ramsey also said that the pool is open for swimming parties, and that a lifeguard would be present at all parties. Ramsey can be contacted for further information.

The pool also offers such conveniences as a concession stand, showers and locker stalls to store clothes.

So now it looks like Colorado City will start to have summer time fun in the water.

To subscribe to the RECORD Call 728-3413

WAITING IN LINE-The children from Kelley Elementary have fun on their last day of school. They were treated to a movie "The Sword in the Stone" Thursday morning at the Palace Theater.

Muncrief receives degree

Sherri Muncrief Merket was one of 52 students who received a

Bachelor of Science degree in Pharmacy in commencement exercises

held on the University of Texas campus at Austin on Saturday, May 21st. She was among the top eight students chosen to graduate with honors.

While a student at the College of Pharmacy, Sherri was also selected for membership in Rho Chi, a national pharmaceutical honor society.

Eligibility for membership is based on high attainment in scholarship, character, personality and leadership.

Sherri is a 1977 graduate of Colorado High School and is the daughter of Mr. and Mrs. Billy R. Muncrief of Colorado City. She is married to Rodney L. Merket, formerly of Colorado City.

Cooperative Gin Association meets

The Cooperative Gin Association of Loraine held their Annual Meeting Tuesday, May 24 at the Senior Citizens building in Loraine, distributing dividend checks in the amount of \$67,472.64 to patrons.

Lee Roy Cornutt and Terry Haggerton were re-elected to serve three year terms as directors.

H. H. Lindemann, manager of Rolling Plains Compress, gave a yearly report and Harlin Reed, manager, gave a report on the gin's business.

A drawing was held for cash prizes and a set of glasses given by R. C. Taylor of Ennis Tag

Company. Refreshments were served to 82 members and guests.

Summer workers to meet

The West Central Texas Council of Governments representative, Vickie Cannon, has scheduled a meeting for all summer workers and supervisors on Thursday, June 2, at the Wallace Center.

Supervisors will meet at 2 p.m., and the youth workers will meet at 2:45 p.m.

Only youth who have completed applications need to attend this meeting.

Another sign-up day will be held later in June for those who have not yet made application for the job program.

Program

From Page 1

mer program will be Carl Beery Moore. Moore will be assisted by youth working on the summer employment Manpower Program.

Donations from the Opti-Ms. Club, City National Bank, First Na-

tional Bank and other individuals help to sponsor the program.

Activities for the program include: fun and educational games with an emphasis on reading improvement, movies, storytime, recreation

and skating.

Field trips to various places of interest will be taken. KVMC, Neff Nursery and the Colorado City RECORD are some of the places the children will visit.

The program is aimed at encouraging children to work together through fun and enrichment activities.

A daily schedule of the program is as follows: 8-9 a.m. is reading enrichment and games; 9-9:30 a.m. is recreation time outside; 9:30-10 a.m. is movies; 10-10:30 a.m. is recreation time inside.

Rounding out the schedule from 10:30-11:30 a.m. is arts and crafts time, and from 11:30 a.m. until noon is story time and free time.

For further information, contact the Wallace Community Education office at 728-2392.

Tickets

From Page 1

which features one singer. According to Ball Publicity Chairman Bobbie Steakley, the group performed at the Mitchell County Centennial celebration, and everyone enjoyed them.

Also refreshments

will be served and during intermission, individual services will be auctioned off to the public, and other major items will be auctioned off.

President of the Ball Committee is Joe Kirschbaum, while other members are Joy Morris, Flo Caldwell, Ray Anne Carlock, Barbara Gray and Jean Holbert.

Everyone is encouraged to attend this gala event which will help to get the gazebo completed.

SUE WINSTEAD of the Uniform Crime Reporting Bureau in Austin instructs law enforcement clerks in proper reporting procedures during a workshop held Wednesday at the Civic Center.

UCR workshop held

A Uniform Crime Reporting workshop was held at the Colorado City Civic Center Wednesday, May 25 from 8:30 a.m. to 4 p.m. with Sue Winstead of the Austin UCR Bureau as instructor.

Twenty-three police department and sheriff's office clerks from San Angelo, Nolan County, Big Spring, Ballinger, Odessa and Pecos attended the workshop hosted by the Colorado City Police Department.

Ms. Winstead instructed the group on how to correctly classify different types of crimes for the monthly reports sent to the Austin bureau and stressed the importance of accuracy in reporting.

Reports sent by local law enforcement agencies are compiled and sent to the Federal Bureau of Investigation for analysis and statistical purposes.

Revival scheduled at Calvary Baptist

A revival will be held at Calvary Baptist Church April 17 through April 22 with Allan Cartrite of Abilene as evangelist and Larry Shields of Wichita Falls as music evangelist.

Sunday services will be at 10:50 a.m. and 7 p.m. and lunch and noon services will be 11:45 a.m. to 12:45 p.m. Evening services, Monday through Friday, will be at 7:30 p.m.

Cartrite, pastor at North Park Baptist Church

in Abilene, is a native of Sunray and a graduate of Wayland Baptist University and Southwestern Baptist Theological Seminary. He has pastored churches at Clairmont, Silver, Snyder, Abilene, Early, Shallowater and Roby.

Shields is minister of music and youth at Faith Baptist Church in Wichita Falls. He was valedictorian of the class of 1967 in Jacksboro and graduated from Texas Tech University where he served as Phi Eta Sigma, Men's Academic Honorary Charter President and was a three year member of Tech Chapter of Music Educators National Conference.

Other churches Shields has served include Jacksboro, College Ave. (now University) Baptist, Lubbock and First Baptist Church, Shallowater.

Everyone is invited to attend any or all of these services.

Obituaries

Sinclair

George W. Sinclair, 75, died at 5:59 p.m. Thursday, May 26 in Roscoe Nursing Home after a lengthy illness.

Services were held at 2 p.m. Saturday, May 28 at the Church of Christ in Roscoe with Lynn Fisher of Snyder and Claud Woods of Lorraine officiating.

Burial was in Roscoe Cemetery.

Born November 16, 1907 in Van Zandt County, he married Eva Mae Young on January 8, 1935 in Colorado City. He was a retired farmer and had lived in the Roscoe area for fifty years. He was a member of the Church of Christ in Lorraine.

Survivors include his wife; one son and daughter-in-law, Gary R. and Mary Marie Sinclair of Wharton; three sisters, Pauline Buchanan of Grand Saline, Sybil Crouch of Mesquite and Faye Nell Nance of Maybank; two brothers, Bob Sinclair of Dallas and Gene Sinclair of Garland; one granddaughter.

Pallbearers were Frank and James Cleckler, Greg Knight, Jasper Doyle, D. S. Riggs and Jess Smith.

Preston

Howard P. Preston of Lorraine, 77, died at 2:05 p.m. Wednesday, May 18 in Lorraine Leisure Lodge.

Services were held at 4 p.m. Friday, May 27 in First Baptist Church with Rev. Clarence Minton, Rev. David McNary and Claud Woods officiating.

Conservation can be improved

Farmers have an unparalleled opportunity this year to improve their soil and water conservation systems, said Peter Myers, Chief of the USDA's Soil Conservation Service.

Under the Payment-In-Kind (PIK) program and other acreage limitation programs, farmers in Texas are taking 9.3 million acres out of

production. One-fifth of the nation's cropland is pledged to the program and now farmers can put a great deal of soil and water conservation on the ground.

Some of the erosive and less productive acreage will be taken out of annual crop use and planted to grasses and legumes as cover crops. This has the potential

for saving soil and water resources as well as building up natural fertility.

Myers said this is also a good time for planning ways to fit no-till or other conservation tillage methods into the farm operation.

On more erosive acres, permanent conservation practices such as terraces, grassed wa-

terways, windbreaks and other enduring practices can be installed without interrupting cash crop production.

On the most erosive or other marginal land, farmers are encouraged to discontinue use of those acres for crop production. Those acres may be best suited for permanent grasses, trees, or wildlife habitat.

The 1983 programs offer farmers a rare opportunity to balance their short-term cash needs with their longer conservation and productivity goals said Myers.

PROCLAMATION SIGNING--Mayor Elmer Martin signs the proclamation proclaiming Clean Up Week in Colorado City. Witnessing the signing are (left to right) Chamber Manager Linda McCombs, City Council member Dee Hearn and Clean Up chairman Glenna Garrett.

Thomas named to honor roll

Karen Thomas Ward has been named to the University Honor Roll of Texas Woman's University for achieving a 3.3 or higher grade point average during the Spring Semester.

She is the daughter of Mr. and Mrs. Wendell Thomas of Snyder, formerly of Colorado City.

Castillo, Ponko united on May 28th

Connie Castillo and Stuart David Ponko were united in marriage on Saturday, May 28 at 10 a.m. at St. Ann's Catholic Church in Colorado City. Father John Busch officiated the double ring mass.

The bride is the daughter of Mrs. John R. Jordan of Colorado City and Macky Castillo of San Antonio. The groom is the son of Mr. and Mrs. John Oldenburg of West Warwick, Rhode Island.

The mass was performed before a brass archway decorated with greenery and baby breath, two baskets of cut fresh flowers in rainbow colors were set before the altar. Two baskets of white mums flanked each side of the altar.

Given in marriage by John R. Jordan, the bride wore a gown of white knit chiffon from the "Mercantile" selection,

designed with a fitted bodice of chantilly and venise lace. The gown featured a Victorian neckline with long sheer sleeves with the chantilly and venise lace finishing the cuffs. The pleated skirt of knit chiffon swept into a chapel length train edged in chantilly lace. The matching head piece of three tiers was also trimmed in the chantilly and venise lace. The bride's bouquet, in the shape of a tear drop, featured white silk flowers with blown glass accenting the bouquet.

Classical selections were played for pre-nuptial music.

The traditional "Wedding March" was played for the processional and recessional by Mrs. Cecile Hubbard of Colorado City.

For something old, the bride wore a pair of pearl earrings worn by

the groom's mother at her wedding, also worn at the groom's grandmother and great-grandmother's wedding; something new was the bride's dress and accessories; something blue was her garter; something borrowed was a pearl necklace belonging to the groom's mother, Mrs. John Oldenburg.

Matron of honor was Nina Rivera, aunt of the bride from Colorado City, who was escorted by Manuel Rivera, uncle of the bride.

She wore a floor length gown of blue silk. The maid of honor was Sandy Rivera, cousin of the bride, from Colorado City, she wore a white floor length gown covered with lace.

The bridesmaids all wore floor length dresses with matching capes in the rainbow colors of lavender, apricot, yellow and blue. The bridesmaids included: Mary Hernandez, sister of the bride, from San Antonio (who carried the altar pillows), Jewel Castillo and Rose Castillo, sisters-in-law of the bride, from San Antonio, Mary Flores, aunt of the bride, Johnny Kay Thompson, Adelina Gutierrez, Cindy Ramirez and Vicki Franco, all of Colorado City. All the bridesmaids wore identical headpieces in the rainbow colors. They also carried bouquets of rosebuds in the rainbow colors.

The train bearer, Veronica Lara, cousin of the bride of Colorado City, wore a white floor length dress similar to the bride's gown. Ring bearer was Juan Raymond Castillo, nephew of the bride from San Antonio. He wore a black tuxedo. The groom was attired in a gray tuxedo.

Matt Ponko, of West Warwick, RI, brother of the groom, served as best man. Groomsmen were Gregg Oldenburg, brother of the groom, from West Warwick, Ralph Castillo and Freddy Castillo, both brothers of the bride from San Antonio; Larry Rivera and Raul Rivera, both cousins of the bride, Juan Rodriguez and Wendell Bryant, all of Colorado City.

The best man and groomsmen all wore black tuxedos. Serving as ushers

Mrs. Stuart Ponko

were Milton David Bramble, brother of the bride, from Colorado City and Charles Oldenburg, brother of the groom, from West Warwick.

The couple was honored with a wedding reception following the ceremony in the Civic Center. The bride's table was covered with a white lace cloth accented with a crystal punch bowl. The centerpiece consisted of the bride's bouquet, which she threw following the reception. Finishing the decor of the table were napkins of lavender, apricot, yellow and blue monogrammed with the names and wedding date of the couple. Guests were served wedding cake, mints, nuts and cookies. Members of the houseparty were Josie Chaney and Lupe Flores, both aunts of the bride both from Colorado City and Terry Hodnutt also aunt of the bride, from Big Spring. The couple will reside in Colorado City following their honeymoon.

The bride is employed as dispatcher for the Colorado City Police Department. The groom is employed with TEBCO as a lineman.

Out of town guests were from West Warwick, San Diego, California, San Antonio, Midland, El Paso, Del Rio and Big Spring.

A rehearsal dinner was held by Mr. and Mrs. John R. Jordan and Mr. and Mrs. John Oldenburg at the Villa Restaurant on Friday evening.

Birth

Malinda and Zane Sterling announce the birth of an 8 lb., 9 oz. son, Clayton Robbie at 11:06 p.m. Monday, May 23 in Hendricks Memorial Center in Abilene.

Maternal grandparents are Mr. and Mrs. Bill Cook of Colorado City.

Paternal grandparents are Mr. and Mrs. Mickie Sterling of Ira.

Veterans Land Program to be discussed at meeting

An area field representative for the Veterans' Outreach Program will be at the Mitchell County courthouse from 9 a.m. to 10 a.m. Wednesday, June 1 to answer questions about the Veterans Land Program and will also have applications, which can be obtained for a \$25 non-refundable fee.

"My purpose is to inform individuals regarding the Veteran's Land Program and the availability of funds," said Field Representative Lorenzo M. Seden. "Those interested in either buying or selling real estate and in participating in the program are welcome."

Anyone who has served at least 90 consecutive days of active duty with the Army, Navy, Air Force, Marines or Coast Guard after September 16, 1940 and received an honorable discharge is eligible for the program.

Applicants must have lived in Texas for at least five years prior to applying or have been a bona fide resident of the state before entering military service.

The land to be sold or purchased must contain at least 10 net acres in Texas.

After an application is made, the board purchases the land directly from the seller and then resells the land to the veterans on a 40-year contract of sale and purchase.

The veterans must have a down payment of five percent of the purchase price, pay for appraisal, contract service fees, legal and the closing costs involved.

The long-term, low-interest loan rate is determined at the time the application is submitted to the board.

Texas is the only state with a program of this kind and Seden notes that the program doesn't cost taxpayers anything—it is totally self-supporting.

Marian's Memos

By MARIAN MORRIS
(Ed. note: Ms. Morris has been the Mitchell County Extension Agent, H.E. for two years. This article marks the beginning of a weekly column for homemakers.)

Do you plan to preserve some of your family food supply at home? Do you know how much you want to preserve? When should you start planning? A good time to start planning for fruits and vegetables is before the harvest season starts, whether you grow your own food or plan to buy it.

Consider the amount of freezer space you have whether it is a chest type, upright or a part of your refrigerator. If your freezer space is limited, you may want to preserve part of the food your family needs by canning.

Consider the jars and other canning supplies which you have on hand. Will you need to purchase some new supplies? Remember you can reuse undamaged jars and rings but always replace used lids.

And how much space do you have for storage of canned goods? Do you need to consider adding some new cabinet or shelf space for these extra canned foods?

Be ready for the season and preserve the foods at the peak of quality and when they are plentiful or lowest in price.

With good planning you can stretch your family food dollar by preserving some of your food at home and assuring your family of garden fresh foods the year round. This can help you to provide your family with the needed food nutrients for good health.

Have you wondered about the difference in water-bath and pressure cooker processing of foods in home canning?

The water-bath method is used for processing fruits, rhubarb and tomatoes and is done using a container with a lid and rack. The rack is used to hold the jars off the bottom of the con-

tainer. The container must be large enough to cover the jars with one to two inches of water, so that the jars are surrounded with boiling water. The lid is used to help retain the heat.

However, low acid fruits and vegetables must be canned using the pressure cooker. The spores ("seeds") of some bacteria are highly resistant to heat, which makes it necessary for them to be destroyed by high heat. This is accomplished with the pressure cooker.

What are foods processed by these methods? The water bath is used for such foods as peaches, plums and tomatoes. The pressure cooker is used for such foods as beets, peas, corn, beans, greens and okra.

What are foods processed by these methods? The water bath is used for such foods as peaches, plums and tomatoes. The pressure cooker is used for such foods as beets, peas, corn, beans, greens and okra.

The theme of the 1983 Texas Reading Club is "Reading Rodeo," and thrills aplenty are being planned for everyone.

All buckaroos signing on will be outfitted with a western bookmark, a reading log to keep track

of books read, paper games and puzzles, and an authentic certificate for those who ride the circuit to completion.

There will be no fee charged for participation in any of the events. The Grand Entry will take place on Tuesday, May 31.

Added attractions for this summer fun is "Storytime Hour" which will be held every Thursday morning beginning June 9 from 10 to 10:45 a.m.

This year Mrs. Kleta Smith will be volunteering her time for the program. Mrs. Smith will be telling stories and reading books to any child who is interested. Mrs. Smith plans to include at least one Caldecott Award winning book every week.

Another attraction will be the "Saturday Afternoon Movies," which will begin June 11 at 2 p.m. These films are free, and adults as well as children are welcome to attend. The films will last 45 minutes to an hour.

Livestock service to contact farmers

The Texas Crop and Livestock Reporting Service will begin contacting farmers and ranchers across the state in mid-May for 1983 crop information and mid-year livestock inventories.

State Statistician Doug Murfield emphasized that information from the crop surveys will be used by county ASCS offices to set yields for the farm programs. "A good response on these surveys means that we can return more accurate acreage and yield figures back to the counties," Murfield said.

"This information is more important than ever in 1983, especially with the many production options available to farmers and ranchers," Murfield added.

The confidential interviews, conducted by mail or in person by field enumerators, can

also help producers in planning their production and marketing programs for the coming year.

To reduce survey costs, Murfield is urging farmers and ranchers to return the mailed questionnaires as soon as possible. The reported information will be combined for state and county estimates.

Annual county estimates are published for livestock, dairy, poul-

try, cotton, field crops, small grains, fruits and pecans, vegetables, and cash receipts from the

sale of farm products. Copies of these bulletins can be obtained by contacting the Texas

Crop and Livestock Reporting Service, P.O. Box 70, Austin, TX 78767.

Cattle quarantine bad for livestockmen

The Texas Farm Bureau told members of the Texas Senate that a quarantine on Texas

cattle because of Brucellosis would be a black day for livestockmen and dairymen.

TFB President S. M. True Jr., a Plainview farmer, told the Senators in a mailgram that "Texas cattle are to be quarantined when regulations are published in the Federal Register this week, according to the U.S. Department of Agriculture."

True urged the 31 Texas senators to bring up for vote and pass H.B. 701, the Brucellosis bill which is designed to bring the Texas program into compliance with state-federal Brucellosis regulations.

The bill has been passed by the House and passed the Senate on a second reading; however, it will require 21 votes to bring the bill up for final vote.

Brucellosis causes abortions or weakened offspring in livestock. It can affect human beings as undulant fever.

The farm leader reminded the Senators that the state's livestock economy is based on the free movement of cattle.

"An embargo of Texas cattle would have drastic economic results for Texas producers," he warned.

"We must go forward with eradication of this costly disease," True said. "It is important to both the livestock industry and to public health."

Driving course offered

A Defensive Driving Course is being offered at the Wallace Center on June 2 and 3. The classes are sponsored through Western Texas College in Snyder. The classroom sessions offer pointers in preventing accidents in spite of the incorrect actions of others and adverse driving conditions.

The course will have two sessions Thursday and Friday nights from 6-10 p.m. Films and other visual aids will be used to demonstrate how to improve driving skills.

Persons completing this course will be eligible for a reduction in insurance premium rates, also for possible ticket removal. The fee for persons 65 years and over is \$10. Others will pay a fee of \$20.

You may register at the Wallace Center. For more information, phone 728-2392. Pre-registration is required by June 1, at 4 p.m.

Maddox in honor society

Twenty-one students at the University of Oklahoma, including Marjori Maddox of Colorado City, have been selected for membership in Tassels, an honorary society for juniors.

Ms. Maddox, a graduate of Colorado High School, is a history major.

Officers named are Jean Ann Breshears, Perry, president; Heidi Eifler, Yukon, vice president; Debbie Joseph, Sapulpa, secretary; Patricia Pritchett, Prague, treasurer and Vicki Malone, Oklahoma City, in charge of public relations.

Gun-control bill wins committee vote Thursday

A bill that would prevent any Texas city from adopting a gun-control ordinance won a 7-2 vote of the Senate-Jurisprudence Committee Thursday.

Already passed by the House, the bill by Rep. Bob Leonard of Fort Worth still needs Senate approval before going before Governor Mark White.

Senator Bill Sims from San Angelo is the Senate sponsor and will be trying to win Senate passage before the legislative sessions ends Monday.

Sims describes the legislation as a simple bill that prohibits any city from trying to regulate firearms, firearm supplies or ammunition.

James T. Brown of the Texas State Rifle Association said the legislation was part of a push by the National Rifle Association to prevent cities from adopting gun-control ordinances. About 20 states have adopted similar legislation, he said.

Leonard testified that his proposal would prevent city ordinances from causing problems

for gun collectors and for persons travelling through a city with guns that would be lawful outside the city.

Charles Sullivan, executive director of prison reform group known as CURE, presented the only negative testimony, saying his years of working with ex-convicts convinced him that easy access to firearms

contributed to some of them getting into trouble again.

John Duncan, director of the Texas Civil Liberties Union, attended the hearing but did not testify. He later said he could not get too excited over the bill. "What town in Texas is going to enact gun-control ordinances, anyway?" he said.

Summer courses offered at RJC

Officials from Ranger Junior College have announced that nine courses will be offered in the Ranger Junior College summer session starting Tuesday.

In addition, four courses will be offered by RJC at Comanche High School and six more classes being offered at Graham High School.

Summer school registration will begin at 8 a.m. and continue until 4 p.m. at Ranger Junior College.

English 101, government 211, welding technology and construction trades will be available

Monday and Wednesday. English 201, history 101, air conditioning and refrigeration and, auto mechanics will be offered Tuesdays and Thursdays. Computer science

will be available Tuesday and Wednesday.

Fees are \$46 for one course and \$67 for two courses for students who live at Ranger Junior College school dis-

trict. For those outside the district, the cost is \$56 for one course and \$77 for two courses. There is a \$9 fee lab for computer science students.

Senior Citizen sale

The Wallace Center Senior Citizens are sponsoring a giant garage sale and bake sale to raise funds for the meals program. The sale will be held on Saturday, June 18 from 9 a.m. to 4 p.m. in the gym.

If you have something you wish to donate, you can phone 728-2392 and they will pick it up.

Receipts for donations for the sale will be given for tax purposes.

Everyone in the community is invited to support the sale.

Donations will also be taken for a drawing on a "Spool Pattern" quilt that was pieced in the middle 1930's.

The Wallace Cookbooks are still for sale for \$5 each. (There are only 30 copies remaining).

Garden Club installs 83-85 officers

Officers for 1983-85 were installed by the Garden Club at a May brunch held at 9:30 a.m. Wednesday, May 11 in the C. C. Thompson Room.

Mrs. Bruce Johnson installed the officers, using flowers and color to symbolize the office and service and each was presented with a package of seeds.

As president, Mrs. Frank Brownfield received purple morning glories to signify royalty;

Mrs. Gerald Gordon, vice president, was given cornflowers symbolizing true blue; Mrs. Roy Coles stood in for second vice president-elect Mrs. John Merritt and accepted orange and yellow calendulas to signify happiness in serving.

Red casmas for colorful dedication to the secretarial job went to Mrs. O. B. Trulock, while marigolds, signifying handling of the money, were given to Mrs.

Myers, treasurer.

Mrs. Johnson concluded the ceremony with a challenge to blend into a cluster of leadership.

During a short business session conducted by Mrs. Brownfield, the club voted to sponsor a rodeo queen contestant.

Members plan to attend a workshop on flower arranging in San Angelo; the school will last five days.

Hostesses for the occasion were Mrs. Brownfield, Mrs. Clem Myers and Mrs. Gordon.

Other members attending were Mrs. Coles, Mrs. W. O. Daniel, Mrs. J. B. Hilliard, Mrs.

Johnson, Mrs. B. A. Palmer, Miss Clara Shoemaker, Mrs. L. J. Taylor, Mrs. Trulock and

Mrs. Bertie Martin. Mrs. Ronald Alexander was present as a guest.

Soviet-Backed SWAPO Terrorists Grab For Strategic Minerals

The Soviets, operating through a "puppet" terrorist group known as SWAPO (South West Africa People's Organization), are trying to seize power in South West Africa/Namibia.

Namibia (South West Africa) is a country generally unknown to Americans despite the important U.S. national defense interests involved there.

Namibia is the gateway to minerals, are vital to the U.S. industrial base. Without access to these strategic minerals, U.S. electronic computer aircraft and defense industries will be hopelessly crippled. Without access to these countries of Western Europe, More than 28,000 ships a year follow this sea route around the Cape of Good Hope.

Operating from military bases in the southern part of Soviet-controlled Angola with the help of 30,000 Cuban soldiers, SWAPO, armed with Soviet military equipment, is conducting a terrorist campaign across the border against the black civilian population of northern Namibia.

Not only does Namibia have the largest uranium mine in the world, and vast resources of copper, diamonds, lead, tungsten, tin, zinc and oil, but its western coast deep-water port can harbor Soviet nuclear submarines in a position to bisect the oil and mineral lifeline from the Persian Gulf to the U.S. and NATO COUNTRIES OF Western Europe. More than 28,000 ships a year follow this sea route around the CAPE OF Good Hope.

If the Soviets and their SWAPO proxies can drag Namibia behind the "iron curtain", the U.S. loses another ally in the mineral "resource war" and Russia makes a huge gain in its campaign to deprive the U.S. of the strategic minerals in southern Africa, Africa.

The Soviet-dominated United Nations General Assembly provides SWAPO with about \$100 million a year. And the U.N. supplies millions to other Soviet sponsored terrorist groups such as the Palestine Liberation Organization (PLO), the Cuban guerrillas in Angola, the Caribbean, and elsewhere in Africa.

The U.S. Congress annually appropriates over \$1 billion of hard-earned U.S. taxpayers dollars to the United Nations -- 1/4 of the total U.N. budget.

Few Americans are aware that to the extent they allow the United Nations to use American taxpayer contributions to finance pro-Soviet terrorists, they are helping finance their own destruction. It is not time for the U.S. taxpayers to ask their representatives in Congress to stop this flow of U.S. tax dollars through the U.N. to SWAPO, PLO, Cuban guerrillas and other Soviet-backed terrorist groups?

Write U.S. Senator Richard G. Lugar, Senate Foreign Relations Committee 306 Hart Senate Office Building, Washington, DC 20510 and enclose this message.

Spraying to start against casebearers

According to County Extension Agent Bob Benson, spraying should start Tuesday for pecan trees in the area.

The spraying is to try to rid the trees of casebearers who have started laying eggs on the trees.

This means that pecan producers and homeowners should check their trees closely

for egg deposits and nutlet damage by newly emerged larvae and begin a spray program if necessary. Eggs are deposited on the tip of the developing nutlet.

Field inspections made in Mitchell County indicate the best time for spray application will be June 1 through June 6. Producers with early maturing varieties will need to treat a few days earlier than areas with late maturing pecans.

Insecticide applications should begin soon after the first nutlet damage is observed, points out Benson. Many producers treat too early for this pest. It is best to have 1 percent to 2

percent entries before sprays are applied. A second application may be required where eggs are found and nutlet damage continues 7 to 10 days after the first application.

Effective pecan nut casebearer control depends on proper timing and application of insecticides, emphasizes Benson. Often insecticides are applied too early for optimum control.

Effective insecticides include Guthion, Malathion, Thiodan, Sevin or Zolone. Before using any of these materials, read the label directions; then follow them carefully, cautions Benson.

"With a baby, I don't have much time or freedom to get in the kitchen and mess around," says Cherry Hoback of her cooking habits.

Another change 9-month old Brandon has made is the type of cooking Mrs. Hoback does: "I'm trying to cook more simple foods now so he can eat off the table. I like really spicy foods—Mexican food, spaghetti and things like that which a baby can't eat—so I'm having to cook more like mashed potatoes and beans for him."

She adds, "But I do enjoy cooking, especially for large groups or parties."

Mrs. Hoback started cooking as a young girl because her mother worked. She says, "I've been cooking since I was in Junior High and high school, cooking for our family. I took home-making in school which helped me learn a little more technique. I've always enjoyed cooking."

She also enjoys trying out new recipes. She explains, "I like to try them at someone's home and if they're really good, I like to get the recipes and try them out on Robert." Robert is Mrs. Hoback's husband.

Two of the recipes she is sharing are ones she got from Robert's grandmother, a very good cook, according to Mrs. Hoback. "I always like to get her recipes," she says.

YELLOW SQUASH CASSEROLE

2 lbs. squash or 2-10 oz. pkgs. frozen squash
½ pt. sour cream
1 pkg. (cornbread) Stove Top Stuffing mix
1-4 oz. jar chopped pimento

1 can cream of chicken soup
¼ lb. melted butter

Cook squash with a little onion, season to taste. Drain, mix squash, pimento, sour cream and soup. Mix stuffing mix with melted butter. Put half of this mixture in bottom of casserole and squash mixture. Top with remaining stuffing mixture. Bake 30-40 minutes at 350 degrees. You can freeze

half of the casserole for future serving.

"LITTLE BITS"
3 eggs separated
2-8 oz. pkgs. cream cheese softened
¾ cup sugar
(Cream Cheese mixture)

1-8 oz. sour cream
¾ cup sugar
½ teaspoon vanilla
(Sour cream filling)

Butter 1½ inch muffin tins, and coat with graham cracker crumbs; set aside. Cream egg yolks, sugar, cheese until fluffy. Beat egg whites stiff; fold into creamed mixture. Spoon cream cheese mixture into muffin tins, filling ¾ full. Bake at 350 degrees for 20 minutes.

(Centers will fall, forming an indentation). Carefully remove from muffin tins; let cool, then spoon 1 teaspoon sour cream filling into each indentation. Store in refrigerator. Yields 4 dozen.

Sour Cream Filling
Combine all ingredients in a 9 inch pie plate, stir well. Bake at 400 degrees for five minutes. Stir well, and bake an additional 3 minutes. Yields one cup.

STRAWBERRY SALAD RING

1 pt. sour cream
4 boxes frozen strawberries

1 banana, mashed
1 family-size pkg. strawberry Jell-O or 3

regular boxes
1 envelope Knox gelatin

1 small can crushed pineapple

Defrost berries and drain well with pineapple (save juice). Add enough water to juice to make 4 cups. Boil 2 cups of juice and use to melt Jell-O. Add remaining juice. Melt gelatin in ¼ to ½ cup warm water. Add to Jell-O. Add rest of the ingredients except sour cream. Pour ½ of the mixture into ring mold and let congeal. Spread sour cream on top. Chill. Add remaining Jell-O mixture and congeal. Especially good with chicken or turkey.

Accidents predicted for holiday

The Texas Safety Association said that the National Safety Council estimates that between 350 and 450 persons may die in traffic accidents during the Memorial Day weekend.

The three-day holiday begins at 6 p.m., Friday, May 27 and concludes at midnight, Monday, May 30.

The Council also estimates that between 17,000 and 22,000 persons

may suffer disabling injuries caused by traffic accidents during the three-day holiday.

Last year during a similar holiday period, 341 persons lost their lives in motor-vehicle accidents. In 1981, the total was 420. Last year 58 persons died in Texas traffic over Memorial Day. In Texas, the Department of Public Safety gives pre-holiday es-

timates only on the 4th of July, Labor Day, Christmas and New Year's holidays.

The Memorial Day weekend marks the beginning of the Council's safety belt usage campaign called Make It Click - Drive Defensively. Everyone is encouraged to use safety belts as 14,000 to 18,000 lives could be saved yearly if everyone buckled up at all times. In addition, children should be fastened in child safety seats.

More safe traveling advice from Texas Safety Association is:

-If you choose to drink, don't drive. If you go to a party or bar, designate one person to refrain from drinking. That person takes everyone home safely.

-Maintain a safe following distance behind the vehicle in front of you, at least a car length for every 10 miles per hour of speed you are traveling.

-Use your directional signals if you intend to pass another vehicle.

-Check for traffic in the passing lane before pulling into it.

-Make certain your motor vehicle is in good shape before you start out on a trip.

Grand Prix to be sponsored by JDA all day Sunday

The Jackrabbit Dirt-riders Association of Colorado City is sponsoring a Grand Prix Sunday, May 29 at their lease southwest of town beginning at 10 a.m.

There will be a riders' meeting at 9:30 a.m. to explain tricky spots and also the rules of the race.

There will be divisions for different size bikes, including three-wheelers and children. The adults' course will be approximately 45 miles long and the children's

course will be about 20 to 25 miles long.

Trophies will be awarded to first place winners and medals will be given to second and third place winners.

All interested persons are invited to participate in the race and the entry fee is \$5. Entry forms are available through Danny Bell, president of the club, or at the gate; there will be no late charge.

For more information, call 728-2064.

Barbeque cook off to be held in June

In conjunction with the 50th anniversary of the Big Spring Rodeo, a barbeque cook off will be stated on the rodeo grounds on Saturday, June 25th, the final rodeo performance date. The contest will be limited to 100 cooks. Applications may be obtained from Police Chief Rick Turner, P.O. Box 391. Applications must be received no later than June 22nd.

Contestants will furnish all needed equipment and supplies. Entry fee is \$100 per team. General admission to the barbeque is \$2 per person, children under 12 free.

Contestants must barbeque a minimum of ten pounds of beef, chicken, pork or lamb (no combinations). Precooked or marinated meat is not allowed. Only wood fires are permitted. Judging will start at 1:30 on Saturday, June 25th.

TOPS changes time

TOPS TX 691 voted to change their meeting time to 5:30 p.m. when they met Monday, May 23 in the Housing Authority building.

Twelve members and one visitor were present and an overall weight loss of 23 pounds was recorded.

Juanita Schaffer was queen for the week. It was announced that there will be a committee meeting at 5 p.m. Monday, June 6.

4-H depends on adult volunteers

The Texas 4-H program—like many other youth organizations—depends heavily on adult volunteers to deliver and conduct the educational program for youth.

"Nearly 20,000 adults volunteer annually to serve as leaders in the state's 4-H and youth program. These volunteers conduct project work with the more than 180,000 4-H members of Texas—project work in more than 40 different programs ranging from wildlife science to aerospace technology," explains Preston D. Sides, 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"The role of a 4-H volunteer leader begins with project work and goes much deeper into the total development of a boy or girl. The ultimate goal of 4-H work is to assist with the development of young people into responsible and productive adults," Sides adds.

Volunteers represent people from many areas of interest and backgrounds. They want to volunteer their time and energy to support 4-H.

On the average, a Texas 4-H volunteer gives about 260 hours of service each year to this vital youth work, Sides says, although some leaders far exceed this average. Some individuals

are almost full-time 4-H volunteers while others work more on a seasonal basis.

Regardless of the amount of time given, each volunteer is unique and special to the program.

People who want to serve as volunteers sometimes ask the question, "What do you expect a volunteer to do?" The answer is "anything" and "everything." If there is something really difficult to be done, the best way to accomplish the task is to recruit a volunteer. People often volunteer for work which no amount of money could pay them to do.

"Volunteers are at the very heart of what makes 4-H a successful youth organization. They are talented, concerned, dedicated; and they can and will do jobs asked of them. Thus, if someone needs guidance on how to accomplish a really difficult job, the answer may be, 'Give me a

volunteer'."

For more information concerning 4-H pro-

grams, contact your local county Extension Service office.
