Lubbock Leads State In Cotton Ginnings

More Than 177,000 Bales Ginned In County; Area Counties Also High

By OPAL DIXON
Avalanche Staff Writer

LUBBOCK county—in the heart of a cotton producing area in which each of 15 South Plains counties exceeded its cotton ginning total for the previous year—ranked at the top of all counties in Texas in cotton ginning figures announced Friday by the Department of Commerce, Bureau of the Census, in Washington, D. C.

Of the five Texas counties which exceeded 100,000 in cotton ginning totals given, four were on the South Plains.

They were Lubbock, with 177,976, up to Jan. 16, compared to 51,584 last year at the same date; Lamb, 113,126, compared to 26,892 last year; Hockley, 104,377, compared to 18,992 last year, and Lynn, 104,100, compared to 17,609 last year. The only other county in Texas in which more than 100,000 bales had been ginned was Cameron county, with a total of 111,188 bales.

Figures Almost Complete

All figures were for ginning up to Jan. 16—almost complete for the season. Estimates that 97 per cent of the Lubbock county crop had been ginned at that time and that the final figure would go beyond the 180,000 mark have been given by Lubbock county cotton men and ginners.

The Lubbock county figure had been announced Saturday but the figures for other South Plains counties and the standing of Lubbock county's total at the top of the list in Texas were not known here at that time. The 177,976 total is an all-time record for Lubbock county, surpassing the previous high of 163,500 set in 1937-38.

Jay C. Stilley, executive secretary of the Texas Cotton Ginners association, notified the Morning Avalanche late Friday that W. O. Fortenberry of Monroe "will be leading individual ginner in Texas for 1947."

Fortenberry said Friday night his ginnings totaled approximately 10,500 thus far. The average for the county, with 31 gins, would be slightly less than 6,000 bales per gin.

Wonderful Crop Raised

"It is the most wonderful crop we have ever had," said Fortenberry, who is president of the Plains Ginners association.

Lubbock county's previous all time record was 163,500 set in the 1937-38 ginning season.

Fortenberry said he believed Lubbock county would be "third and possibly second" among counties of the nation.

In 1937, Lubbock county ranked fourth in the nation, said A. L. King of Lubbock, special agent of the Bureau of Census, Department

Wayland School Founder Dies

PLAINVIEW, Feb. 6 (AP)—Dr. J. H. Wayland, pioneer plains physician and founder of Wayland college, died in the Plainview sanitarium at 10:40 o'clock tonight. He was 84 years old.

The pioneer doctor moved to Plainview from Hunt county in the spring of 1891. In December, 1883, he married the former Sarah Frances Tucker of Azle.

Dr. Wayland came to this region for his health and soon found himself too busy to be ill. He enjoyed unusually good health until recent years.

Bought Land In Area

Early recognizing that the Plainview area was destined for future achievement, the doctor purchased several hundred acres of land in and around the present city. Later a substantial part went to establishing the college which bears his name.

Besides the widow, survivors include two sons, John of Hayward, Calif., and Bob Wayland of Plainview; four daughters, Mrs. E. T. Adams, Dallas; Mrs. Drew Howsley, Silver City, N. M.; Mrs. Bill Lees and Mrs. B. H. Hunt, both of Plainview; two brothers, Dr. L. C. Wayland and Joe W. Wayland, both of Plainview.

Three Trainmen Are Injured As Train Plows Into Rural Store

MADISON, N.C., Feb. 6. (AP)—Three trainmen were injured late today when a Norfolk and Western passenger train jumped the tracks and plowed through a brickyard into a rural store two miles south of Madison.

Three persons were in the building but they escaped injury.

The train carried 30 passengers. None was injured.

C. H. Knight of Stokesdale, an employe of the Pine Hall Brick and Pipe company said he saw the train rounding a curve "about a foot and a half off the track. I left in a hurry."

The train smashed through the brick pile where he had been working.

Fog And Rain Cover Plains

A BLANKET thick fog and near-freezing mist shrouded Lubbock and the South Plains early this morning, the forerunner of continued cloudy weather, light rain and drizzle forecast for the area today.

Mostly cloudy and warmer weather was forecast for today, with the maximum temperature expected to be near the 40 degree mark, officials at the Weather bureau station north of the city said at midnight.

Colder weather was forecast for tonight and Sunday, however. Although warmer temperatures were expected in the South Plains today, little change was indicated for the Panhandle either today or Sunday.

Similar conditions to those prevailing in Lubbock were reported over much of the state, the Associated Press said. Friday's chilly rains and slush were a carbon copy of the weather situation Thursday. Late last night almost every weather station in the state reported either fog or drizzle.

The almost pea-soup fog cut visibility to little more than two blocks in Lubbock and over the South Plains, causing new traffic hazards for drivers and pedestrians.

The maximum temperature Friday was 38 degrees, recorded at the Weather bureau north of the city, at 4:30 p. m. The low was 29 early Friday morning.

Rest Of State Wet

Cold and wet was the general forecast for the entire state, the Associated Press further reported. Fredericksburg reported the heaviest precipitation Friday, .33 inches. Lufkin had .17 and Rock Spring .18. In the Panhandle, temperatures remained low enough to freeze the falling rain. State highway patrolmen warned motorists of treacherous pavements made slick with ice and Thursday's unmelted snow. Some freezing rain and mist was reported over the South Plains Friday.

Amarillo awoke Friday morning shrouded in a heavy fog, which stubbornly refused to lift until about 11 a. m. It returned at 1 p. m. and continued moderate to heavy until nightfall. High temperature during the day was 35 degrees. The low expected today was 25 degrees.

Pampa reported a minimum of 23 degrees.

Friday was a cloudy and wet day in San Angelo with a drizzle falling most of the day.

Precipitation was heavier in East Texas.

Cold rains also plagued Central Texas and the Gulf coast.

Austin had .14 inch of rain up to noon Friday with temperatures ranging from 42 to 44. Light rains were forecast today.

GENERAL'S WIFE INJURED

SAN ANTONIO, Feb. 6 (AP)—Mrs. Jonathan M. Wainwright, who suffered a severe head cut in a fall at the municipal airport here yesterday, is recovering at Brooke General hospital. She is the wife of General Wainwright.

Four Hurt In Hockley Oil Well Mishap

(Special To The Avalanche)

LEVELLAND, Feb. 7—Two men were in "extremely grave" condition early this morning in Phillips-Dupre hospital and two others were recovering from less serious injuries suffered in an oil field accident 10 miles west of Levelland at 6:50 o'clock Friday night.

Two Lubbock persons, brother and sister of one of the critically injured, were injured when their automobile overturned as they were going to the brother's bedside at Levelland.

Two Hurt Seriously

The critically injured were:

R. L. Petty, 38, of Levelland, who suffered fractured skull, severe concussion, probable brain laceration, severe chest injuries.

Willard Locke, about 40, of Edinburgh, who suffered numerous head and body injuries and whose hand, twisted and cut when caught by a falling pipe, was amputated after his arrival at the hospital.

Others Are Injured

Less seriously injured were A. R. Goforth, 22, of Breckenridge, who suffered a foot injury but was able to be up at midnight after having received emergency treatment at the hospital; and P. F. Jeffus, about 40, of El Paso, who suffered minor injuries but was to be kept overnight in the hospital for further observation.

Petty's brother and sister, G. L. Petty, 36, and Miss Grace Petty, 21, both of Lubbock route 7, were en route to Levelland at 10:30 p. m. when their car overturned seven and a half miles west of Lubbock. They were brought by a passerby to West Texas hospital in Lubbock.

Petty, it was found, was only "shaken up" but Miss Petty suffered a nose injury, left hand sprain and bruises.

Accident Is Described

Their car was forced off the road by another car bearing a Lubbock county license which Petty said repeatedly passed them, then slowed down, evidently trying to start a race. When Petty's car was forced off the road by the other car, his brakes locked, causing the car to overturn.

Petty is employed at a filling station at 1319 Main and Miss Petty is a Senior High school student.

At Levelland Ray Cline, who was at the scene, described the oil field accident, the first he had experienced in many years of drilling.

He said the crew was making a "mousehole" connection in the well. They had picked up the pipe, it had been in the air a few minutes, and they had cleaned a pin

Third Victim Of Wreck Claimed

Funeral services will be conducted at 3 o'clock this afternoon for Elmer Leonard McCain, 22, son of Mrs. Lola McCain of 1911 Sixth, who became the third victim of a Thursday afternoon crash two miles west of Lorenzo when he died at Crosbyton hospital at 3 o'clock Friday morning.

McCain was driver of a light sedan which was in collision with a business coupe in which Mrs. Minnie O'Mahony, about 60, of Charleston, W. Va., and her son, Robert, 37, were riding. The O'Mahonys died shortly after the wreck but their driver, 19-year-old Victor Neil Forn of Cincinnati, O., was only slightly injured.

Services In Silverton

Services for McCain will be conducted at Tabernacle Baptist church, with Rev. R. G. McCoy, pastor of Temple Baptist church, officiating. A brief burial service will be conducted at 2:30 o'clock Sunday afternoon in Silverton cemetery, where body of his father was buried. McCain's body was brought to Sanders Funeral home in Lubbock from Crosbyton.

The McCains formerly lived in Silverton.

Rix Funeral home received a telegram Friday night from Mrs. O'Mahony's son-in-law, T. D.

NEW PARTY WOULD BE FORMED

All-South Convention Claimed Slated March 1 In Mississippi

(By The Associated Press)

DALLAS, Feb. 6—The Dallas Morning News says it was learned authoritatively tonight that Mississippi political leaders tentatively have scheduled an all-South convention for March 1 in Jackson.

The Mississippi legislature will be asked to appropriate $100,000 to defray the costs, the story, from the News' Washington bureau, says.

David Potter of the paper's Washington staff writes: "The convention would start machinery rolling for creation of a southern political party, dedicated to preservation of traditional southern views on race relations.

"A source quite close to Gov. Fielding Wright of Mississippi revealed that Wright Saturday would ask the southern governor's conference in Tallahassee, Fla., to join in a call to 13 southern states for delegates to the meeting.

"Should the governors fail to accept the leadership, Wright will call the convention himself, the source reported. The Mississippi legislature is now in session and Wright will ask the legislature to join in the call and to put up $100,000 for use of the move-

Decontrol Of Whole Areas Considered

New Proposal For Rent Hikes Studied

(By The Associated Press)

WASHINGTON, Feb. 6—Proposals for automatic rent increases and automatic decontrol of rental units in whole areas under certain circumstances were reported under consideration today by the Senate Banking committee.

Informed persons on Capitol Hill said these provisions were included in the 14-months rent control extension bill drawn up by a subcommittee headed by Senator Cain (R-Wash).

Two Provisions Studied

In addition, it was reported, the subcommittee's draft would give legal sanction to rent increases of any size when landlord and tenant could agree on a lease running through all of 1949.

With the present rent control law running out Feb. 29, the banking committee studied the two "automatic" provisions recommended by Cain's unit:

1. Automatic increase in rent, up to 15 per cent, if a landlord could show that his operating costs had gone up.

Vote Is Postponed

2. Automatic decontrol of rents in any city or rent control area if the Census bureau found vacancies of 1 per cent or more among all dwelling units offered either for rent or for sale.

The full committee looked over the proposed bill and decided to withhold its vote until Feb. 16.

"We've decided to sleep on this with our consciences and then come back a week from next Monday and make all decisions," Chairman Tobey (R-NH) said.

He explained that in the meantime both Republican and Democratic members will be busy with Lincoln and Jackson day speeches.

15 Percent Lid Seen

Earlier Senator Sparkman (D-Ala) had come out of the closed-door session tossing off the opinion that the current draft will be "greatly revised or sent back for additional subcommittee work."

Under the automatic increase proposal, any landlord who could show that his taxes, labor costs, repairs and similar expenses had advanced a certain percent would be allowed a rent increase of half that percentage, with a maximum rent boost of 15 percent officially countenanced. If his costs had gone up more than 30 percent, the 15 percent lid would prevail.

A housing official said that a Census bureau survey made last fall showed vacancies of 1 percent or more in Denver, Seattle, San Antonio, Memphis, Tulsa, Portland, Ore., Newsport News, Va., Portsmouth, Va., and Norfolk, Va.

If similar conditions prevailed now and the subcommittee bill became law, all rent controls in those cities would be lifted.

The subcommittee bill proposes a check on the housing expediter's authority to reject rent increases recommended by local boards. Any such rejection would be subject to court appeal.

Tenants could appeal increases by going first to the local board, then to the housing expediter, and finally to the courts.

Cain told reporters he "wouldn't get excited" if the committee rejects some of the provisions of his bill.

Rocket Maneuvered In Powered Flight First Time By U. S.

(By The Associated Press)

WHITE SANDS, N. M., Feb. 6—The first successful attempt to maneuver a V-2 rocket in powered flight was made today at the White Sands proving grounds, Captain J. B. Dickey, public information officer reported.

The V-2 was equipped with an electronic guidance system that permitted the rocket to be maneuvered left and right and up and down.

The missile reached a maximum altitude of 70 miles. Overall flight time was seven minutes, 25 seconds.

By changing the missile's aerodynamic stability on its downward course, the impact velocity was materially reduced, Captain Dickey said. This made possible the recovery of optical gear and other instruments.

Dickey said it was the first successful attempt by American scientists to control the powered flight path of a V-2.

During early stages of German development of the V-2, a beam guidance control system was used, Dickey reported. However, that type of equipment merely maintained a desired flight path by ground control equipment, and did not actually maneuver the missile, he said.

Red Cross Research Shows 512 Dead, Missing In Texas City

DALLAS, Feb. 6. (AP)—Research just completed by the Red Cross shows that the Texas City explosion disaster left a toll of 512 dead and missing.

The figures were announced here today by Maurice C. Reddy of Washington, D.C., assistant to the vice chairman of the Red Cross. He was here to address a Red Cross meeting.

"According to the best available statistics," he said, "the number of identified dead was 399, missing 113. Of the 113 missing, 63 were unidentified bodies. Fifty persons were never accounted for."

Red Cross expenditures for the Texas City explosion damage to property and person was $1,220,162.

Some of the larger items were medical and nursing, $381,644; food, clothing and other maintenance, $277,945, and $275,000 for rebuilding homes.

Gov. Jester Leaves State To Allan Shivers For Tenth Time

AUSTIN, Tex., Feb. 6. (AP)—Acting Gov. Allan Shivers had a telegram from Gov. Beauford H. Jester today: Don't secede, and don't call a special session, Jester advised.

Shivers became acting governor for the tenth time when Jester left Texas en route to the Southern Governor's conference in Florida.

This was believed to be a record demand on the services of a lieutenant governor to act as governor.

Control Needs May Be Eased

(By The Associated Press)

WASHINGTON, Feb. 6—Bernard Baruch has informed the Senate Banking committee that commodity market trends may make "less pressing" any need of price control.

Chairman Tobey (R-NH) of the committee late today made public a telegram from Baruch, financier and adviser on economic matters, asking to be excused from testifying before the Senate group about rationing and price control.

Baruch said he does not know the details of administration plans and would prefer not to testify under present conditions, including "high political pressures."

Softening Tendency Seen

Previously Baruch, in testimony in support of the European recovery program, had urged a strong system of government controls. He appeared then before the Senate Foreign Relations committee.

His telegram was dated Feb. 4, the first of the last three days of heavily dropping grain prices. It said, after giving reasons for not wanting to testify:

"Another point, there is evidence, superficial perhaps, but existing, that commodities show a tendency to soften. Were that to come about, the need for control would be less pressing."

Drop Believed "Healthful"

Most government economists tonight called the commodity price break "healthful." They held small fear of any collapse which would lead to a business slump.

The commerce department reported it is "too early to interpret—we're willing to wait and see."

Meanwhile grain prices skidded downward, despite some signs of steadying, and the stock market regained its balance.

Break Called "Adjustment"

Top-level economists in other agencies — the Federal Reserve board, Agriculture department and the President's Council of Economic Advisers—gave views which may be summarized as follows:

1. This week's plunge of grain prices, after two weeks of gradual decline, is probably a "wholesome" adjustment rather than a token of collapse.

2. The markets will come to a stop-look-and-listen point fairly soon. They may move considerably

Crackdown Seen On Traffic Here

Evidence that police are gradually "cracking down" on traffic law violators, particularly those who by their carelessness or neglect endanger the lives of others, was seen in several stiff traffic fines, including one of $100, in corporation court Friday.

Glenn T. Marr, 17, of Shallowater route 6, pleaded guilty Friday morning in corporation court of negligent collision and was assessed a fine of $100, the highest that can be levied in that jurisdiction.

His car, investigators said, figured in a collision Thursday afternoon, jumped a curb and struck down an seriously injured Mrs. Manford H. Rutledge, 32, of 1916 Ninth. She was on the sidewalk. Police said the car had run a red light just prior to collision with a truck.

Other Cases Filed

Efforts of police to strike back at careless driving and negligent collisions were continued in the filing of other cases.

J. Solon Lea, city recorder and magistrate of the corporation court, said a $25 fine had been levied against Dell F. Sanders, 30, cab driver, of 1117 Nineteenth, who allegedly struck the center section of the East Broadway underpass.

Nor was that all; Lea said four

GOVERNMENT HIT

Slump Angers Wheat Farmers

(By The Associated Press)

TEXHOMA, Okla., Feb. 6—Oklahoma and Texas Panhandle wheat farmers, caught with bulging bins and elevators, today blamed the federal government for falling grain prices.

Elevator men in this area say the government's withdrawal from wheat buying is the greatest single factor in the plummeting market.

The great wheat belt "gold rush of 1948," confidently predicted for January by Plains elevator operators and the Federal Bureau of Internal Revenue, failed to come off. Farmers of this border area had been holding a big part of the record 1947 crop for a price of $3 a bushel on the local market.

Farmer To "Ride It Out"

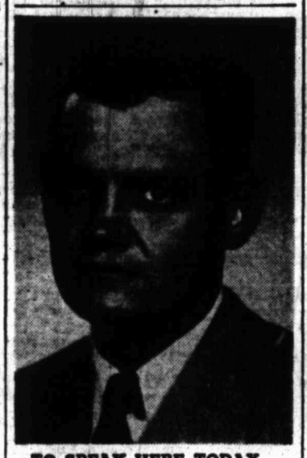

The local price hit $2.65 per bushel two weeks ago, compared to the cash wheat price of around $3.05 on the Kansas City market. The local price today was around $2.20—with few sellers.

Fred Sweet, a farmer with a large amount of wheat in storage, said his losses are running around $1,000 a day at the current decline, but added, "I'm going to ride it out."

"What does the government mean by asking everybody to save three slices of bread a day and then turning around and driving the price of wheat down to please the labor boys?" Sweet asked.

"President Truman better remember that unless the wheat farmer and the cattleman get a good price for what

TO SPEAK HERE TODAY—James P. Hart, of Austin, above, associate justice of the Supreme Court of Texas, will speak at the luncheon of the Lubbock County Bar association at Hotel Lubbock today noon. His subject will be: "The Supreme Court of Texas During the Civil War and Reconstruction." Hart, graduate of the University of Texas Law school and the Harvard University Law school, was editor of the Harvard Law Review, 1927-28. He was district attorney of Travis county, 1933-37; special district judge by election of the Travis county bar, 1938, and assistant attorney general of Texas in charge of oil and gas cases, 1939-41. He was appointed to the Supreme Court bench by Gov. Jester last Oct. 1. Reservations should be telephoned to Tom Gordon, assistant county attorney and secretary of the Lubbock Bar association, it was suggested.

Wheat, Corn Crash Limit

(By The Associated Press)

WHEAT and corn prices crashed the limit the third successive day Friday but the stock market showed mild recoveries after two days of heavy losses.

Corn led the break in grain futures, dropping the limit of 8 cents a bushel shortly after the exchange opened. There was more of a struggle with wheat contracts, which rallied briefly in wild fluctuations on the Chicago Board of Trade, but dropped back the 10-cent limit at the close.

Flour Prices Drop

Oats did not break the limit, closing 5 1-4 lower to 2 1-8 higher.

Millers' price of flour dropped 20 cents at Minneapolis for a 60-cent decline per 100-pound sack in the last three days.

The cuts, ascribed to the wheat price declines, brought family patents—the type sold for home consumption—to $7.30.

In their steepest declines since the war, wheat contracts were down 42 1-2 to 50 3-8 cents a bushel from seasonal peaks with the May price close $2.56 3-8. Corn's total loss from the peaks ranged from 36 3-4 to 47 3-4 cents, May $2.23 5-8.

Stock Trading Irregular

Oats were down 14 1-2 to 28 1-2 cents from their top, closing at $1.01 3-4 to 1-2 for May. And soybeans, at $3.62 for March deliveries, were 79 to 80 1-2 cents under their peak.

The trend of trading on the New York stock market were a little irregular at the close, with many customers holding aloof despite favorable dividends and earnings. Selected stocks, however, made mild gains.

A slump was reported in the London securities market on the basis of the grain declines in the United States.

Wholesale Index Falls

However, stock market observers said they were confident of a revived demand for stocks when the grain market confusion wears off. Many stock traders have been concerned over what they regarded as artificial values in commodities.

As the markets closed Friday, the Associated Press weighed wholesale price index of 35 commodities dropped 2.49 points to 194.87— 13.17 points below the all time high of a month ago.

Butter trends varied with the wholesale price hitting a new peak of 95 to 98 cents for the best grade at Baltimore Md., a continued strong tone reported in New York, but declines of 3 1-2 to 3 cents a pound for top grades in the Chicago market. The top wholesale price

South Seeks Export Of Cotton To Japan

WASHINGTON, Feb. 6 (AP)—Senator Maybank (D-SC) reported today that southern senators are working on plans for exporting 750,000 bales of cotton to Japan this year under a $150,000,000 "revolving fund" to be set up by the government.

Maybank said that all southern senators agreed to this plan after a conference today with cotton trade leaders who recently visited Japan and conferred with Gen Douglas MacArthur.

Because of a shortage of both raw cotton and coal, Maybank said, Japanese textile mills now are operating at about 40 per cent of capacity.

He said that cotton trade leaders are confident a much larger share of the American cotton crop will go to Japan if some "barter plan" can be worked out.

Such a plan, he said, would involve credits for sending the raw cotton to Japan which would be repaid when finished cotton goods are returned to the United States or sold elsewhere.

Maybank said that representatives of the Cotton Council, the cotton manufacturers and cotton merchants attended the closed-door conference here this afternoon.

CHINA LISTED FOR $570,000,000

Estimated Foreign Aid Needs Boosted To Over $9 Billion

(By The Associated Press)

WASHINGTON, Feb. 6—The State department raised its foreign spending target tonight to $9,333,000,000, with an estimated $570,000,000 going to China.

This new estimate, for the 15 months beginning April 1, was given to Chairman Vandenberg (R-Mich) of the Senate Foreign Relations committee by Lewis W. Douglas, ambassador to Britain, on behalf of the State department.

It is $250,000,000 more than President Truman asked in his budget message last month.

Douglas said the increase came in the amount the State department wants to spend for China and several other programs, including any military aid that may be decided upon for Turkey and Greece.

The ambassador gave this foreign spending breakdown from the President's budget message:

European recovery program $6,800,000,000; government and relief in occupied areas (Germany, Austria, Japan and Korea), $1,400,000,000; Philippine war damage, rehabilitation and veterans benefits $133,000,000, and other

SOLONS HAVE DAWDLED ENOUGH

Let's Have Action On Rubber!

FAILURE of Congress to enact legislation to insure an adequate supply of rubber for emergencies would invite condemnation as an inexcusable refusal to profit from tragic experience.

Perhaps fears are unfounded that the nation again might be caught short of this vital material if another war should break out. But there are disturbing evidences that Congress might become so bogged down in debate over the details of plans designed to guarantee enough rubber it might wind up by doing nothing at all.

At present, synthetic rubber is an issue. Congress apparently agrees that the synthetic industry created during World War II should be kept ready for full-scale operation when needed. But opinion is divided over whether this best can be done by leasing the plants to private industry, or by retaining them under government operation.

A House Armed Services subcommittee has recommended the government operations plan, specifically forbidding leases to private operators. But the bill still has a long road to travel. The question of leasing is sure to be raised again and is likely to lead to prolonged debate.

Few persons can advise Congress as to what plan may be best. But any school child knows that any plan which guarantees enough rubber is better than no plan at all.

If members of Congress fail to make provision for rubber needs, their excuse cannot be a lack of time. They have had more than two years already. We insist that the lawmakers have dawdled long enough, and that the time is at hand, if not dangerously past due, for positive action.

RELEASE OF PAPERS IS CHANGED

Pressure For Aid Plan Is Seen

By RAY TUCKER
Special Correspondent

WASHINGTON—The State Department's recent publication of secret papers revealing the Hitler-Stalin conspiracy to plunge Europe into war in a joint attempt at world dominion assumes a new and political light after a careful check of the Truman Administration's original plan to ban release of these documents until 1949 or 1950.

In explaining the premature release a few weeks ago, President Truman smilingly said it was done for the benefit of "historians," although other material of equal importance has been withheld from such distinguished authors as Charles A. Beard.

TUCKER

The general impression at the Capital is that these revelations of the 1939 diplomatic deals were made public at this time solely to high-pressure Congress into enactment of the Marshall Plan without the crossing of an i or the dotting of a t.

Moreover, President Truman, former Secretary Byrnes and Secretary Marshall knew the contents and the significance of these documents since May of 1945. That was before the Potsdam Conference at which President Truman gave so many concessions to Stalin and long before Messrs. Truman and Marshall decided that there was no hope of Russian collaboration for world recovery.

* * *

POSTPONE: The plan to postpone any revelation of the Hitler-Stalin plot against Britain and the United States was announced by the State Department on October 3, 1946, seventeen months after the documents had been seized and analyzed by this country's most expert diplomats. On that day the State Department gave out this announcement:

"A program for the publishing of an authoritative collection of German Foreign Office documents and other official papers is being undertaken by the Department of State . . . It is believed that twenty or more volumes will be required for the task. It is believed that three years or more will be required for the task."

The original plan of "three years or more" of documentation and analysis has special significance. It would have meant complete secrecy until after the 1948 presidential election. It would have prevented the G.O.P. from making the charge that the U. S. trusted Russia even after top level perusal of these papers.

* * *

READING: To bulwark the belief that the release was timed to force passage of the Marshall Plan without any amendments, there is the added fact that the State Department's original pattern of publication contemplated a work of twenty volumes.

In such a thick encyclopedia the sharp and sensational details of Stalin's hatred of the United States, Britain and the capitalistic West would have been almost obliterated. The recent release by the State Department contained only 300-odd pages. A few select correspondents regularly assigned to Mr. Marshall's office, like bomber pilots before a raid on enemy country, were carefully briefed in advance.

It was advertised quite generally that copies of the anti-Russian book could be obtained for a dollar from the Government Printing Office. The sales have assumed best-seller proportions, and it is good reading.

Tidelands Law Is Proposed

(By The Associated Press)

WASHINGTON, Feb. 6—Secretary of Interior Krug proposed today that the federal government let the states receive up to 90 per cent of revenues from oil-bearing tidelands.

Krug sent to Congress a draft of suggested legislation for development and conservation of tideland resources.

These tidelands are the under water lands off the coasts of the states. Some have rich oil deposits.

The states long have claimed these lands, but the Supreme Court decided last June that the federal government has paramount interest in lands off California.

President Truman then instructed Krug to draw up a plan for federal administration of its interest. The plan is what Krug has now submitted to Congress.

Krug proposed that a three-man commission be established to appraise existing oil leases in the tidelands.

As for the income, Krug proposed:

That the federal government pay 37½ per cent of it to the states within whose boundaries the activities take place. This sum could be used by the state for public roads, public parks, public schools or public educational institutions.

That the government pay 52½ per cent of it into the reclamation funds of the tidewater states having such funds.

Krug recommended land rentals of 25 cents an acre for up to the fourth lease-year and not less than 50 cents an acre for every lease-year thereafter.

A royalty of not less than 12½ per cent of the value of oil or gas produced was recommended. He suggested a minimum royalty of one dollar an acre a year, in place of rental, in off-structure leases.

TEXAS TO OPPOSE KRUG PROPOSAL ON TIDELANDS

AUSTIN, Feb. 6 (AP)—Texas does not propose to give up "one dime" of public school revenue from tidelands, Attorney General Price Daniel said today.

He was commenting on Secretary of the Interior Krug's proposal that the federal government let the states receive up to 90 per cent of revenue from their oil bearing tidelands.

"There is already too much of this taking away of state revenues by the federal government and doling it back so they can control it," Daniel said.

As far as Texas is concerned, we will not give up one dime of our public school revenue from tidelands.

"This amounts to a confession by Krug that the federal government's attack on state ownership is wrong. We will hold them to the other ten per cent. What we are legally entitled to is full title and all the revenues, not 90 per cent."

Building Permit Is Issued For $11,000 Structure Here

A building permit issued Friday to Dr. A. H. Rogers, owner, and John C. Crawford, contractor, called for construction of an $11,000 one-story structure on part of a site where a 15-story office building was planned until a few months ago.

Dr. Rogers, a dentist, said the building will not interfere with plans for the office building "if prices come down and we ever are able to go ahead with it." He reported recently that plans for the multi-story structure, announced more than a year previously, had been abandoned at least temporarily.

The new building will front 25 feet on Sixteenth street and will be 78 feet long. An investment company will be the tenant, he said.

Building Inspector Lloyd Ross also issued permits to the Alta Loma Co., for frame residences at 3505, 3507 and 3509 Twenty-sixth street costing a total of $33,000. The individual costs as shown by the permits will be $10,500, $11,000 and 11,500.

The buliding permit totals for February were increased to $123,300 and for the year to $844,092.

Credit Managers Club Making List Of Delinquent Accounts

A master list of all bad accounts charged off by local merchants last year, is being prepared through cooperation of members of the Credit Managers club, it was announced at the organization's luncheon at Hilton hotel Friday noon.

It was also reported at the luncheon that an epidemic of "hot checks" had hit Lubbock, with various members reporting checks ranging from $2.50 to $675. Several charges had been filed against check writers, it was revealed.

Approximately 75 delinquent accounts were reported by members at the luncheon. W. T. Fain, president, presided at the luncheon.

Soviets Assail Latest U.S.-British Move

New Economic Setup In Germany Planned

(By The Associated Press)

BERLIN, Feb. 6—British and American military governments proclaimed today the establishment of a more powerful German economic administration in their combined zones.

As a result the East-West split over Germany's future yawned wider. The Russian-controlled press declared the "partition" of Germany was now official.

The proclamation becomes effective Monday and within 15 days the economic council of the two zones at Frankfurt will be increased from 52 to 104 members by elections to be held by the eight state legislatures. A state council, or upper house, consisting of two representatives from each state, will take office at the same time.

An executive committee, or cabinet, composed of five members and a chairman who will be a virtual premier, will head bizonal departments for economics, finance, transportation, communications and food and agriculture.

A high court of ten members appointed by the American and British military governors will sit in Cologne to enforce the decisions of the enlarged "economic parliament." A solicitor general and deputies also will be appointed by the military governments to conduct prosecutions.

But the new administration will have no political or police powers. Its chief power rests on its authority to allocate food supplies.

British and American spokesmen said the proclamation in no way was a "constitution" for western Germany, since it was initiated by the occupying powers, and not by the German people.

A certificate of graduation from the Commercial Credit corporation's training school at Baltimore has been awarded to Bert McGinnis, unit manager of the corporation's Lubbock office. The course, leading to positions as junior executives, includes training in all types of sales financing. McGinnis, who lives at 2211 Twenty-fifth, has been with the corporation since 1941 except for a period during the war when he was with the Army. He attained the rank of captain.

Among 53 students awarded masters' degrees at the University of Texas during the last semester was Mrs. Rosalie Leslie Whitworth Chappell, 1617 Eighteenth. She received a master of arts degree in education.

Damaged by fire about 9 o'clock Friday morning was the office and storage room of Giles Motor company, 1014 Sixteenth, central station firemen said. Heavy black smoke given off was due to burning simulated tar building paper. Soon after arrival of fire-fighting equipment, the blaze was extinguished.

"Buddy" James will preach tonight at the Youth revival at Calvary Baptist church. A male quartet will sing, and testimonies will be given by Bill Tolbert and Treva Keeton. At Friday night's meeting, Rev. Bill Miller gave the sermon, Bob Harris sang, and Jimmie Ross and Dortha Slaton gave testimonies.

The Lubbock Public Library association's monthly book review over KFYO this morning at 11 o'clock will be given by Mrs. Isabel Garrison, a member of the association's board of directors and chairman of Book Week. Mrs. H. F. Godeke, president of the library association, will introduce Mrs. Garrison, who will review Irvin Stone's "An Adversary in the House."

Mr. and Mrs. Fred Adkins of 1705 Thirty-fourth attended funeral services in Rule Thursday for Mrs. W. A. Beard, who died Tuesday night. Mrs. Beard was the mother of Mrs. John Flache of Lamesa, graduate of Texas Tech.

Graveside services will be read this afternoon at 2 o'clock in Ralls cemetery for Mrs. Sally Privette, 78, of Forty-fourth street near Tahoka highway, who died Monday afternoon, Bryan McDonald and Son Funeral home reported.

Evidence was completed—subject to stipulations of counsel—Friday afternoon in the boundary dispute of G. W. Williams against Will Russell, in which Earl Elliott had intervened as a party defendant. Judge G. V. Pardue of 99th district court, who heard evidence after a jury had been waived, asked both sides to submit briefs. Because of two weeks of proceedings before juries, he will not enter judgment before Feb. 23, court officials said.

Mrs. W. A. Moore, 2820 Twenty-second, who underwent major surgery in West Texas hospital earlier in the week, was reported improving steadily yesterday.

Billy Fletcher, 42, Negro, was arrested yesterday in connection with a County court complaint of misdemeanor theft, according to records at the sheriff's office. His residence was indicated as between Ralls and Crosbyton.

A semi-public pre-Lenten dance, sponsored by the Lubbock Council of Knights of Columbus at the Supper Club last night, was attended by between 100 and 200 members of the organization and friends of the group, a spokesman for the K. of C. reported. Dancing was to the music of Bailey Ireland's orchestra.

Funeral Arrangements For Mrs. Northula Peel Still Pending

Mrs. Northula Peel, 30, of 1510 Twenty-fifth, died at 10 o'clock Friday morning in Ardoins hospital in Ville Platte, Louisiana, following a short illness.

Funeral arrangements late last night were pending arrival of the body in Lubbock.

Survivors include her husband, Rudolph (Bud) Peel; two children, Paulette, 4, and Donny, 7; her parents, Mr. and Mrs. J. H. Bennett of Lubbock; one brother, Talbert Bennett of Dallas, and one sister, Mrs. Bill Cawthorn of Hazelhurst, Miss.

Formation of the Coast Guard in 1915 involved the merger of the Life-Saving Service and the Revenue Cutter Service.

Worn Cables Blamed For Light Troubles

Increasing difficulties during recent weeks with street lights in many areas, particularly in and near the central business district, were blamed Friday on worn underground cables by City Manager Homer A. Hunter.

Nor is there any prospect of improvement in the condition until the cables are replaced, he said. City officials said they do not know when that might be. The budget now being prepared for the city's fiscal year beginning April 1 does not make provision for replacements.

Further darkening the outlook was the statement that the improvement would "cost like the mischief" and would be a time-taking job, when and if started. No estimates as to cost have been prepared.

The cables, containing the copper wire through which electric current is fed to the street lights, were laid from 15 to 25 years ago. They are operated in circuits, each serving the street lights in an area of several blocks. When a short occurs in any cable, all the street lights in its area go dark. Several times recently, officials said, lights in most of the business district have been out through entire nights.

When lights go out, the city manager said, emergency crews from the light plant have to "hunt for the trouble until they find it." This often requires many hours, he acknowledged.

ABC Club Urges Passage Of National Tidelands Bill

A resolution asking passage of quit-claims bills to federal claims for tidelands was adopted by the American Business club at its luncheon in Hilton hotel Friday noon, following a speech by O. L. Ratliff, local attorney, who discussed the tidelands issue which he declared places right of ownership of all lands in jeopardy.

The tidelands case affects Texas possibly more than any other state, Ratliff said, because Texas came into the Union with all public lands and unappropriated lands as property of the state. He said loss of the tidelands would mean public education in Texas would suffer loss of millions of dollars in revenue from bonuses, leases and royalties paid by oil companies for oil development along the Gulf coast.

Ratliff was introduced by Hugh Anderson, another attorney, who also spoke briefly on the issue.

The club will be host to Amarillo Maverick club members in a luncheon at 1 p. m. Saturday at Mexican Inn. The Amarillo group, including several ABC members from the North Plains, will be here for basketball games with the Lubbock Boys' club teams Saturday afternoon.

N. W. Johnson of Dallas was an out-of-town visitor at today's luncheon.

Arabs Warn UN Officials

(By The Associated Press)

LAKE SUCCESS, Feb. 6—Palestine Arabs told the United Nations today that they would battle any international military units sent to enforce partition.

The Arabs charged also in a formal note that "the pressure put by the United States delegation and government on certain nations is nothing short of political blackmail." This was in reference to the U. S. support of the U. N. Assembly's Nov. 29 partition decision.

British Blamed for Slowdown

The Arabs, through their higher committee representatives, further advised Secretary-General Trygve Lie that U. N. efforts to divide Palestine would be considered as an act of aggression.

The Arab statement came in the midst of these other developments in the situation:

1. In an interview, the Soviet Ukraine accused the British government of obstructing the partition plan.

2. Replying to the charge made thus by Delegate Vassily A. Tarasenko, a British spokesman said U. N. members are waking up belatedly to the dangers of splitting the Holy Land. He said Britain had been consistent in her stand and had tried to warn the U. N. of the dangers it would face while armed only with a paper plan devoid of enforcement measures.

3. The Security Council put the Palestine situation on its provisional agenda for discussion at the next meeting on Monday.

Autopsy Report In Death Of Lubbock Woman Is Returned

The Department of Public Safety laboratory reported in a telegram Friday to the district attorney's office that no poison was found in the viscera of Mrs. Bessie Jones, 53, who died here on Jan. 4.

Mrs. Jones died a few hours after she had eaten a late dinner at her rooming house at 1408 Ave. M. Relatives said she had eaten sardines.

The telegram informed E. G. Pharr, assistant district attorney, that a letter would follow. "No poison found," it was signed by Glen H. McLaughlin, chief of the Bureau of Identifications and Records of the department, read.

Mrs. Jones had lived here six years, having moved to Lubbock from McAdoo.

An autopsy was ordered by D. W. Robertson, justice of peace, and performed by Dr. W. L. Baugh, county health officer, upon date of death.

March Of Dimes To End In County Today

Some of 9-year-old Kathryn Fincher's little friends were sick and Kathryn didn't have her customary birthday party this year—but she received $1.10 from her "big friends" to contribute to the March of Dimes, which ends today in Lubbock county.

Marion Key, co-chairman with Waggoner Carr of the March of Dimes campaign, received this letter late Friday from Kathryn, who lives at 2311 Nineteenth:

"I was 9 years old Jan. 30. Since my birthday is the same day as President Roosevelt's, I have had the children who come to my birthday parties bring dimes instead of presents. I have been doing this since I was four. This time, I didn't get to have a party, because so many of my friends were sick, but some of my big friends gave me some dimes, so I am sending them to you."

The drive co-chairmen hoped many persons would send in contributions prior to close of the drive, which would have ended a week ago except that bad weather caused some portions of the campaign to be continued. The "Wishing Well," in which contributions may be placed, will remain in front of Bowen's Drug store through today and receptacles for money still are located in some stores of the city. Donations also may be mailed to March of Dimes headquarters, 102 City Hall, Lubbock.

More than $4,500 in contributions were counted Friday. Radio station KSEL Friday morning submitted $431.69 given in response to requests by that station.

STOCKS REGAIN GROUND

NEW YORK, Feb. 6. (AP)—Assorted stocks regained some of their equilibrium today although further weakness of major commodities helped keep many market leaders in the losing bracket.

With wheat and corn continuing to tumble the permissible limit, enthusiasm for securities was notably lacking. Mild short covering and other buying propped trends to a certain extent, the idea being that the recent sharp drop entitled the list at least a technical comeback. A clump in the London securities mart was a chilling influence.

Irregularity prevailed at the close. Transfers of 920,000 shares compared with 1,200,000 Thursday.

The Associated Press 60-stock composite was unchanged at $1.6, which was bottom since last June 10. The utility index, though, edged to new low ground for the past year, 1,008 issues registering, 389 fell and 379 rose.

Adding a point or so were Union Pacific at 158, Pacific Western Oil 46 1-4, American Can 78 and Owens-Illinois 63 1-2. Lesser advances were retained by Rock Island Railroad, Northern Pacific, Chrysler, Goodrich, Montgomery Ward, American Telephone, Phelps Dodge, Lowe's Paramount Pictures, Twentieth Century-Fox, Phillips Petroleum, Standard Oil (NJ), Gulf Oil and Standard Oil of Calif.

Dr. Pepper common touched a 1947-48 low and emerged off 1 3-4 at 18 1-4 in the wake of a reduced dividend. Allied Chemical yielded 1 3-4 at 176 and International Harvester 1 1-4 at 83 1-8. In arrears also were U. S. Steel, Bethlehem Steel, General Motors, Goodyear, Schenley, Western Union, Anaconda, and Southern Pacific.

Rail bonds hardened.

Cotton

NEW YORK REPORT

NEW YORK, Feb. 6 (AP) — Cotton futures moved over a wide range in erratic dealings today as traders conntinued nervous over the prospect for cotton, particularly regarding the Marshall plan and exports.

Prices at one time rallied to gains of better than $2 a bale, but recurrent flurries of liquidation and hedging brought partial recessions.

Private Atlanta davices said that mill buying of spot cotton was small during the past week, while Memphis reported a better inquiry.

Futures closed 45 cents a bale lower to 30 cents higher than the previous close.

Sheep 1,500; slow and nothing sold early; good and choice wheat pasture lambs held around 24.00.

Grain

CHICAGO REPORT

CHICAGO, Feb. 6 (AP) — Grains continued to crash on the board of trade today despite short-covering and new buying which at times produced quick, large rallies.

The collapse of values was most apparent in corn. Prices were off the 8-cent limit most of the session, marking the third consecutive day of limit breaks in this grain. Oats showed some resistance to the waves of selling.

All wheat ended 10 cents lower, the daily limit, May $2.56⅝. All corn ended 8 cents lower, the daily limit, May $2.23⅞. All soybeans ended 8 cents lower, the daily limit, March $3.62. Oats did not break the limit, closing 5¼ lower to 2⅛ higher, May $1.01¾-½.

At the close today wheat contracts were down 42¼ to 50⅝ cents from seasonal peaks, corn down 36⅜ to 47⅞ cents, oats down 14½ to 28¼ cents, and soybeans down 79 to 80½ cents. It is the steepest decline since before the war.

FORT WORTH REPORT

FORT WORTH, Feb. 6 (AP) — Wheat No. 1 hard 2.66¼-75½.

Oats No. 2 white 1.30¾-32¾.

Corn No. 2 yellow 2.50½-53½; No. 2 white 2.68½-69½.

Sorghums No. 2 yellow milo, per 100 lbs. 3.40-50.

Produce

CHICAGO REPORT

CHICAGO, Feb. 6 (UP) — Produce: Poultry: 13 trucks; steady; no price change.

Butter: 352,122 lbs; weak; 93 score 86; 92 score 85; 90 score 83; 89 score 83. Carlots: 90 score 84; 89 score 83.

Eggs: (white and browns mixed) 16,924 cases; irregular; extras 70-80 per cent A 46½; extras 60-70 per cent A 45½; standards 43½; current receipts 43; dirties 40; checks 39.

Annual rainfall varies in California from none in the southeastern desert to 107 inches in the northwest.

Sentence Given Man Suspended

Judge Dan Blair of 72nd district court Friday afternoon suspended a two-year sentence he assessed after Wilburn Borum, 20, had waived a jury and entered a plea of guilty of theft over $50.

Judge G. V. Pardue of 99th district court set aside a two-year conviction of a negro, Delmer Ford, about 35, after court-appointed counsel, Burtn S. Burks, had attacked sufficiency of evidence in a felony proceeding and had offered to plead his client guilty of misdemeanor theft.

Returns To Face Trial

Under agreement of state counsel, Ford was assessed punishment of four months in county jail and allowed credit since date of his arrest in December.

Borum, who earlier had declined to waive extradition, returned voluntarily late Thursday from Los Angeles and announced he wanted to plead guilty of the indictment, assistant District Attorney E. G. Pharr said.

The indictment, returned in the August term of 72nd district court, charges theft July 10 of a watch owned by W. C. Rutledge. Foreman of the grand jury was William R. Sewell, Slaton banker.

Placed Under Bond

Borum was arrested Jan. 15 upon request of Lubbock officials, on the Diamond Bar ranch at Shatsenworth, Calif., was removed to Los Angeles county jail, was arraigned in Municipal court there on a fugitive complaint, and was placed under $1,000 bond conditioning his appearance Feb. 13.

At the hearing, Sheriff Grady Harrist of Lubbock county planned to be present, armed with warrants from the governor of Texas and California. Extradition machinery had been set in motion by the district attorney's office here almost immediately upon information of the arrest.

Thus, Borum saved the county much money in returning voluntarily, officials said.

The sheriff's department also announced arrest, in Racine, Wis., of another person wanted on a felony indictment voted in Lubbock county.

He, Enimensio Admes, a Mexican, is charged under indictment of the July term of 99th district court with theft by bailee of $75 from the Morelas club of Slaton. The formal complaint on which the indictment was returned was sworn to by Mary Quintero of Slaton, club president. Foreman of the grand jury was Walker Stanton of Lubbock. Date of the charged offense was Nov. 6.

Extradition proceedings will get under way at once, if the prisoner does not waive removal to Texas, Pharr told Sheriff Grady Harrist, who had written Wisconsin authorities and informed them of Admes' address in connection with a request that he be arrested.

Stunt Man Jumps To Death From Bridge As Pictures Are Made

SAN FRANCISCO, Feb. 6 (AP)—A stunt man jumped off the Golden Gate bridge to his death today while a cameraman took pictures. A special suit and parachute failed to save him.

The man tentatively identified as Don Stoker of Richland, Wash., was dressed in a rubber suit and a crash helmet and wore parachutes.

Minutes later his body was taken from the waters beneath the bridge by the Coast Guard.

CONDITION GOOD

Condition of Mrs. Manford H. Rutledge, 32, of 1916 Ninth, was reported satisfactory in West Texas hospital Friday night. She suffered a broken right femur and head lacerations when struck by a car which bounded up on the sidewalk where she was walking in 2000 block Broadway Thursday afternoon.

they raise, there'll be no manufactured products sold out here. I'm not selling."

C. B. Dodson, farmer who sold his wheat at near the peak price three weeks ago, said "all we need is a housecleaning in Washington."

"Those government men who were speculating in commodities have cashed in so they don't care now if prices fall," he said. "Maybe that's why the government quit buying wheat."

At Alva, also in the northwestern wheat belt, farmers today rushed to unload their stored grain at $2.20 a bushel —18 cents below yesterday's price.

Lubbock Girl Given Treatment After Becoming Ill At Center

A 15-year-old girl was given a stimulant at Lubbock Memorial hospital last night after becoming ill while playing games at the Community center at 518 Ave. B.

Nadine Wren, whose parents reside at 602 Ave. A, her younger brother, Thelton, 13, and Patsy Ratliff, 15, 813 Ave. E., were with a group of about ten other children at the center, playing games and listening to guitar music, and chewing gum—a package at a time, according to a member of the City Recreation department staff present at the time.

The Wren girl suddenly felt 'very sleepy', according to official reports, and either went to sleep or 'passed out.' Her brother and the Ratliff girl also felt drousy, it was reported. The parents of the three children after being called, took them home. The Wren child was taken to the hospital in a Plains Funeral Home ambulance.

Exact cause for the sudden illness of the three had not been determined at midnight.

Mrs. Nancy Jane Sullivan, 76, Claimed At Home Of Daughter

Mrs. Nancy Jane Sullivan, 76, died late Friday evening at the home of a daughter, Mrs. D. B. Williamson, of 10 miles southwest of Lubbock, after an illness of about three months, Rix Funeral home reported.

Funeral services and burial will be held at Purdy, Oklahoma, near Lawton, the funeral home said.

Survivors, in addition to Mrs. Williamson, include two other daughters, Mrs. Mattie Hamilton, Calif., and Mrs. Maude Mitchell, Dallas; four sons, Sid of Roswell, N. M., Will of Oklahoma City, Fred of Lawton, Okla., and Ray of California; two brothers, Alford Morrow of Davis, Okla., and Jimmie Morrow, Denison, Texas; 22 grandchildren and several great-grandchildren.

ment."

The informant is quoted as saying 17 Texans had been in Mississippi this week discussing the program, and all were for it, also that:

"This is no idle talk. There is going to be a southern ticket for president and vice president this year."

GEORGIA GOVERNOR ASKS SOUTH TO SUPPORT HST

TALLAHASSEE, Fla., Feb. 6. (AP)—Gov. M. E. Thompson of Georgia took the lead tonight in a move to block a bolt of southern Democrats from President Truman.

Thompson, here for a conference of southern governors, called Truman's program of civil rights for negroes "unnecessary" and "unwise," but he declared it would be even more unwise for the South to bolt the Democratic party.

Thompson opposed an open bid by Alabama's gigantic governor, James Folsom, for support of his candidacy for president of the United States.

Prices Drop Again

(Continued From Page One)

at Chicago was 86 cents.

Vegetable oils went 1 to 2 cents lower at New York markets in a continuing trend, with cottonseed and peanut oils down five cents from Monday. Soybean oil was 6½ cents below its Monday figure.

With New York meat dealers reporting packers' storage facilities bulging with meat, and wholesale prices down about 10 per cent from the first of the year, trade was slow Friday at the Chicago stockyards with hog and cattle prices uneven to sharply lower.

Heavy hogs were off as much as $1.50 a hundred pounds from the $26 top. Slaughter steers and heifers were weak, and some medium to good vealers off as much as $2 with good and choice grades bringing $27 to $31. Sheep were near steady.

Recent wholesale lard reductions were passed on to consumers by the A & P food stores in New York which cut their retail price 4 cents since Wednesday. The chain announced a reduction of 4 cents a 10-pound bag of flour effective Monday.

lower before pausing.

3. The leveling period will last several weeks at least, until spring weather signs are readable.

4. Prices will not rebound to the dizzy peaks of late 1947. Three-dollar wheat will not return.

5. Retail prices of bread, dairy products and other foods won't match the current sag on the exchanges. But the upward trend of grocery prices may be checked.

6. Grain prices could go lower without hurting farmers unduly.

Traffic Crackdown

other negligent collisions were filed as outgrowth of a series of wrecks, and nominal fines of $15 each were assessed.

Other Fines Assessed

In addition, one motorist was fined $10 for driving on the left side of the street, another $10 for failure to yield right of way to another, officials said.

Capt. Bill Lamb of the police traffic department said that "12 charges grew out of the first 13 wrecks investigated by police since Thursday morning."

Chief of Police Lewis Kittrell, checking records, said 160 wrecks had been investigated by police since Jan. 1.

Have No Alternative

He and other police officials said there was "no alternative to employment of every recourse provided by ordinance to halt this wave of carelessness."

"Otherwise, there will be a risk of life and property every time a person steps outside his door or gets into his car," it was said.

Fines gradually are becoming stiffer, newsmen who regularly report police department news have noticed. Even heavier fines may be required, it can be inferred from conferences with police officials. Ordinances provide for them. Officials have leaned toward nominal fines except in aggravated cases, but admittedly are studying problems with a view to lessening the number of traffic offenses that threaten the public with death and injury and property losses.

foreign aid, including China, $750,000,000.

To this has since been added the $250,000,000 for other foreign aid, the ambassador said.

Not Official Request

Of the billion dollars estimated for China and "other aid" programs, he said he could only "indicate" the amount for China at $570,000,000. He added:

"I should like to emphasize that this does not represent an official request approved by the President."

The Senate Republican policy committee, meanwhile, set March 1 as the opening day of floor debate on the recovery bill which Vandenberg and his committee are to begin writing next Monday.

of Commerce, who announced the figures received here Friday.

"We thought we'd never see another crop like that in 1937," said Fortenberry. Not only does this year's crop exceed that of 10 years ago in bales, but brings almost double in revenue because of increased prices for cotton.

In terms of money, the 1947-48 cotton crop in Lubbock county has brought an estimated $31,000,000 to Lubbock county farmers and an estimated $165,000,000 to farmers of 15 counties on the South Plains.

Those estimates were reached by multiplying the number of bales by $175—average amount received for bale and seed based on estimate by Fortenberry that the average amount per bale has been $140, plus $35 for seed. Some of the cotton ginned recently did not sell for that much, but some earlier in the season sold for as high as $160 a bale, with additional for seed.

Area Totals Given

The number of bales in 15 counties on the South Plains is 943,935, as shown in the Bureau of Census figures for Lubbock, Lamb, Hockley, Lynn, Hale, Dawson, Crosby, Garza, Dickens, Cochran, Bailey, Terry, Floyd, Motley and Gaines counties. That figure compares with 204,749 last year.

Why the big jumps in ginning—doubling, tripling and even going as high as 74 times last year's figure in one county, Terry?

The answer regarding Lubbock county's increase is found, in several factors, as outlined by Lee Roy Colgan, assistant county agent.

A favorable weather season was largely responsible. Rainfall in the fall of 1946 was good, placing the ground in good condition, he said. In May, rainfall was received, adding the "finishing touch" in good seasoning. Weather was favorable to farmers planting and getting their cotton up—while sometime they must plant another crop after cotton does not come up.

Weather in the fall of 1947, Colgan said, "was ideal for gathering cotton."

The increased production also was due to increase in number of acres of cotton under irrigation and better control of insects, he said.

Figures announced by King, in addition to those of Lubbock, Lamb, Hockley and Lynn, follow, each figure representing the total to Jan. 16:

County	1947-48	1946-47
Dawson	93,795	24,733
Crosby	68,993	18,190
Hale	58,399	19,614

Raiders Beat Orediggers, 54 To 41, For Fourth Border Loop Win

Westerners Turn Back Pampa's Harvesters, 46-39, In District 1-AA Cage Battle

Lubbock Win Virtually Cops District Crown For Amarillo

By EARL SCUDDAY
Avalanche Sports Writer

A smooth-working Westerner quintet capitalized on the deadly marksmanship of rangy Forward Virgil Johnson and Guard Charles Galey to drub the Pampa Harvesters, 46-39, in a crucial District 1-AA tilt Friday night at Senior High school gymnasium. The Harvester defeat virtually assured Amarillo's Golden Sandies of the district basketball championship.

From the opening tipoff of the game it was apparent that the Westerners were prepared to avenge an early season loss to the Pampa five and, although the Harvesters gained a momentary 2-0 edge on two charity tosses by stellar Forward Derrell Davis, the Lubbock cagers took the lead after one minute of play and never relinquished their advantage. The win was Lubbock's fourth in conference play, against three defeats.

The towering Davis copped high point honors for the tussle, tallying 17 points on six field goals and five free throws, with Lubbock's Johnson in the runner-up post with 14 points. Charles Galey and Jack Alderson were key point-makers in the Westerner victory, chalking up 11 and nine points respectively.

The Lubbock triumph provided one of the major upsets of the 1-AA schedule, since the Harvesters had been defeated only once—that by a one point margin this season. The Westerners, in third place, clinched first place for the Sandies by defeating the Harvesters. The Pampa crew retains a slim mathematical chance for a first place tie with the Sandies, but for all practical purposes the race is settled.

Davis put the Pampans into the lead in the opening seconds of the tussle last night with two successful charity throws, but Johnson tied the count with a crip shot, Galey sank a long set shot to give the Lubbock five a 4-2 edge after one minute of play, then Henry and Johnson counted four points on a field goal and two free tosses. Bob Schmidt, Galey and Alderson increased the first quarter count to 14-5.

Little sub Doral Sandlin sank two quick set shots early in the second quarter to bring the count to 18-8, but Pampa's Center Jimmy King and Guard Raymond Hernandez dropped in buckets to narrow the margin to 18-12. Alderson, Galey and Johnson alternated in net-swishing shots to make the halftime tally 27-16.

The determined Lubbock quint forged far ahead in the early minutes of the third period, until Davis embarked on a one-man offensive that resulted in 13 points for the Pampans during the next seven minutes. Schmidt dropped in a pivot shot just before the end of the quarter to bring the score to 34-29.

Lubbock's shooting specialists—Johnson, Galey and Alderson—renewed the attack in the final quarter with a barrage of set and push shots that netted the home five 12 points in just five minutes and assured the final victory. Davis dropped in two more field goals in a desperate attempt to overtake the Westerners, but time ran out with Lubbock still holding a 46-39 edge.

The Lubbock cagers will make their final home appearance of the season at 8 o'clock tonight at Senior High gym when they battle the invading Borger Bulldogs in another 1-AA clash. Tickets for the game will go on sale at 7 o'clock tonight at the gym, officials announced.

A quick look into Alex Peres' fighting record in Amarillo would be good tonic for Lonnie Balch, the Lubbock boy who was TKOed by said Perez . . .

• • •

Why Lonnie, Perez knocked Willis Hawkins, Amarillo middleweight champ, out of the ring and among the spectators for that KO . . .

• • •

We believe Lonnie is over trained . . . Too much training, not only for fighting, but for basketball . . . His drop in poundage just about bears this out . . . Last year Lonnie fought Tom Adams here as a light heavyweight, and the fans didn't like the decision which gave the fight to Adams . . . Now, Lonnie weighs only about 155 . . . Varied activities, in training, in living, in fighting, all have worked influence on fighters . . . We all believe in Lonnie, and know he has a fighting heart . . . And we all feel that he'll rise to greatness in this Golden Gloves campaign yet . . .

Don't be surprised when the Lubbock-All South Plains Gloves teams pull out for Fort Worth and the state tournament to see Frank Telles among them . . . Jimmy Coleman Leads Wilson To 23-14 Win Over Cooper Five

COOPER, Feb. 6. (Special)—Wilson's speedy quint, led by Jimmy Coleman, trounced Cooper's cagers, 23-14, in a District 7-B tussle here tonight. Ernest Coble tallied six points for the Cooper five.

The Cooper girls annexed the loop championship by defeating the Wilson sextet, 26-14.

Primm Advances In 35 To 33 Win Over Tinker Five

LEVELLAND, Feb. 6 (Special)—Primm Drug of Brownfield advanced to the semi-finals in the Levelland Junior Chamber of Commerce Independent Basketball teams tournament here tonight, scoring a hairbreath 35-33 victory over the Thomas Tinkers of Lubbock.

Jake Geron, former Texas Tech star, led the Primm quint to victory with 15 points, his sharp floor work and needle basket eye handing the Brownfield team its win. Charley Reynolds, Tech football halfback, and Weldon Menchew led the Lubbock five with six points each.

Into Final Round

Bill Clark's Levelland team also went into the semi-final round with a 37-24 win over the Ropesville entry. Joe Garrison's 14-point attack paced the winners, while Bill Boedecker scored 11 counters for the losers.

The Levelland quintet will face Spade, easy 41-21 winners over the Mason Furniture five of Levelland. Spade never was in trouble, with Forward Hall netting 15 points to lead the scoring parade. Forward Ranson had seven points for Levelland.

The Plains Gassers of Lubbock scored an impressive 42-31 margin over the Anton Legionnaires and the winners enter the semi-finals tomorrow afternoon against the Primm Drug five. Guard Johnson of the Gassers had 12 points to lead the scorers, while Horace Byerley had 11 for the losers.

Finals Set Tonight

Saturday afternoon at 3, Spade will play Bill Clark's Levelland crew, while the Gassers and Primm Drug will meet at 4 p. m.

The finals in both the consolation and championship divisions will be played Saturday night, with the first game scheduled for 7 p. m. The two losers in the semi-final round will meet in the first game, with the winners of the semi-finals meeting at 8 p. m.

Roosevelt Edges New Deal, 32-31, On Free Pitch In Overtime Go

NEW DEAL, Feb. 6 (Special)—Roosevelt High school's Mustangs tonight made the District 7-B cage race as tight as a fiddle string in spots by edging the New Deal Lions in an overtime contest, 32-31.

Roosevelt cashed in on its share in a double foul with a game winning gratis pitch as the overtime period ended while the New Deal player missed fire.

New Deal and Roosevelt are now deadlocked for second place, each having been beaten twice while Lorenzo leads the chase with only one loss.

The Roosevelt girls sextet beat the New Deal girls, 29-16, in a curtain raiser.

Bambino, His Health Improved, Celebrates Second Birthday

MIAMI BEACH, Fla., Feb. 6. (AP)—Babe Ruth at 53 is having two birthdays—and few will argue that he doesn't deserve them.

The former Yankee home run slugger and idol of every young sandlotter came to Florida for a rest a year ago, within the grasp of death's door.

He's back again. But this time the Babe is looking better. He has a full suit of hair, nicked with gray, while on his first visit he was virtually bald after a serious neck operation.

He now weighs 212 pound against 180 twelve months ago, and after two days under a strong Florida sun is beginning to tan.

Big Spring Beats Lamesa Five In Last Half Surge, 39-27

LAMESA, Feb. 6 (Special)—After holding the Big Spring Steers to a 14-14 score at halftime, Lamesa high's Tornadoes tonight bogged down on offense and Big Spring went on to win a 3-AA conference clash, 39-27.

Houser and Little of the Steers tied for high scoring honors with 12 while Blair of Lamesa led his team with nine.

The Big Spring B team also defeated the Lamesa Bs, 38-34.

SPUR WINS THREE

MATADOR, Feb. 6 (Special)—Spur High school's Bulldogs beat the Matador high Matadors, 42-25, here tonight in a District 3-A basketball game. Bingham was high for Spur and Nelson led Matador scorers.

Spur won its B game, 32-10, and the Spur girls team won, 26-12.

Lesser Lights Lead At San Antonio

Hogan Leaves Texas Open After Wrangle

SAN ANTONIO, Feb. 6—(AP)—Four of the lesser lights of the winter golf tour—Ky Laffoon, Jim Ferrier, Eric Monti and Norman Von Nida—led the greatest par-shattering rampage in the history of the Texas open today as they laid down blazing 65's in the rain and mud to tie for the first round lead.

All told 53 players bested regulation 36-35—71 figures on the 6,400-yard Brackenridge park course and 15 others equalled them.

Three shot-makers tied for second at 66. They were Horton Smith of Detroit, Skip Alexander of Mid-Pines, N. C., and Sam Snead of Hot Springs, Va.

Eight posted 67's, nine registered 68 and 18 turned in 69.

Favorites Bobby Locke, the Johannesburg, South Africa, star, and Jimmy Demaret were two and three strokes respectively back of the leaders and down at even par was Ben Hogan, Hershey, Pa., Bantamweight who was a pre-tournament choice to finish at or around the top.

But Hogan apparently has withdrawn from the field. He put a seven on his card for hole 13, thinking he had one penalty stroke for a water hazard instead of two for an unplayable lie. Rules of the tournament say posting the wrong score means disqualification. Hogan said he didn't want to be criticized so he was disqualifying himself. He argued heatedly with the tournament committee which said he could not disqualify himself—that it was merely a matter of judgment and did not involve disqualification. The score was changed from a 70 to a 71 and Hogan was told that if he did not continue playing he would be considered as having withdrawn but not disqualified. Hogan cleaned out his locker and left the course, saying he would not play further.

Laffoon, Standrew, Ill., professional, had 32-33 and played one of his best rounds, going over par on only one hole.

BATTLE OF 4-A CAGE LEADERS

Sudan Hornets Shade Levelland Lobos In Amherst Meet, 30-28

AMHERST, Feb. 6 (Special)—The meeting everyone on the South Plains has been talking about for weeks, Sudan versus Levelland, was settled last night, at least for the time being, with the Hornets nosing out the Lobos by the narrow margin of one field goal, 30-28.

This court clash, which featured the semi-final play in the Amherst High school basketball tournament, shaded three other games that produced all the thrills a basketball crowd could ask for in one evening.

To open the evening, the Spade High school girls eked out a 24-22 victory in an overtime period against the defending Amherst girls. The winning charity heave came with less than 45 seconds of the overtime remaining.

The host Amherst boys followed with a 33-22 victory over Springlake, in which Owen Roberson and W. T. Weaver sparked the victors.

The Abernathy Antelope girls finally averted an overtime period on the strength of a free throw to down the Sudan Hornets' girl team, 26-27, but only after a thrilling game in which the lead seesawed back and forth constantly.

But the climax of the evening was the meeting of two powerful South Plains cage crews. The game was everything the fans had predicted it would be, with first one team leading and then the other. Never more than four points apart, the game threatened to go into overtime.

Then it was that Sudan staged a rally and, with time running out, set the nets swinging with a field goal that meant victory.

The score was 18-18 at the half, typical of the close play led by Bobby Hart and W. A. Wise of Levelland and Bill Eddins and Bob Bouldin of Sudan.

Saturday night at 6 the Amherst and Sudan girls will meet in the consolation championships, followed at 7 p. m. by the Springlake-Levelland boys playing for their consolation championship.

The Spade-Abernathy girls championship game will go on at 8 p. m. and the eagerly-awaited Amherst-Sudan clash for the championship in the boys bracket will be staged at 9 p. m.

Boy Cagers, Their Coaches, Guests At Lubbock Luncheon

Lubbock and Amarillo boy basketballers and their coaches will be honored today at noon during a special luncheon at the Mexican Inn.

Members of Lubbock Boys club and Amarillo club teams, who are to go afloor at the Boys club tonight in another series of inter-city cage contests, will be the guests of the American Business club and that organization's past president, Alton Taylor, at the luncheon.

More than 100 players and coaches will attend.

Ralph Dykeman, executive director of the Amarillo Boys club, said earlier in the week that 42 basketball players, two coaches, and possibly several members of the Amarillo American Business club would be here for the luncheon and meeting.

The Amarillo senior teams, which goes into action tonight against the strong Lubbock Boys club five, has played 10 games this season, and has swept all of them into a no-loss record. Coach Thomas George of Lubbock expects to fire such goaling aces as Billy Bohner, Rodger Van Cleave and Jack McLarty at the Amarilloans.

There will also be some sharp battle action as junior, midget and pee wee teams go afloor in inter-city contests.

Bulldogs Down Post, 35-17, To Cinch Title Tie

TAHOKA, Feb. 6 (Special)—Finis Botkin and Gilbert Hough tonight staged mild scoring bees to lead the Tahoka High school Bulldogs to a 35-17 triumph over the Post high Antelopes, and clinch for their team at least a tie for the District 4-A south zone title.

The win also cinched entry by Tahoka in the annual District 4-A tournament in which the south and north zone winners fight it out for the district championship.

One Loss In 10

Tahoka, with only one loss in 10 conference starts, meets Abernathy's Antelopes in Abernathy Tuesday night in a game which will either give the Bulldogs the zone title or place them in a deadlock with the Antelopes. Abernathy is now in second place with two losses, one of which was handed them by the Bulldogs.

Coach "Jake" Jacobs' five has played 16 games thus far this season, winning 14 and losing two. Both of those losses were to Sundown, one conference, the other non-conference. But Tahoka came back in its last game against the Sundown team to win, 42-21.

Abernathy lost its other conference clash to O'Donnell.

In tonight's game against the Antelopes Botkin hit the mesh for 12 points, and Hough trailed in with 11. Junior Malouf was high for Post with eight.

The Bulldogs led, 19-8, at the half.

In a B game Post won, 27-13.

Front running in District 4-A's north zone is Sudan's Hornets who are unbeaten while Levelland is in second, beaten only by Sudan.

Each year the two top teams in the two zones meet in the district tournament, and the two survivors continue on into a regional meet.

PALMER LEADS EAGLES TO WIN OVER SLATON

O'DONNELL, Feb. 6 (Special)—Joe Palmer tallied 14 points to pace the O'Donnell Eagles to an easy 39-18 District 4-A triumph over Slaton here tonight, although Moore chalked up 11 points for the visiting quint.

In the "B" tussle the O'Donnell quint drubbed Slaton, 30-13.

Sudan Boys, Hale Center Girls Advance In Whitharral Tourney

WHITHARRAL, Feb. 6 (Special)—Sudan's boy cagers beat Whiteface, 29-14, and Hale Center's girls won from the Whitharral sextet, 22-12, here tonight in Whitharral High school's annual junior basketball tournament.

In an exhibition contest the Idalou High school five edged Whitharral's Panthers, 32-30.

Sudan, Pettit and Smyer boys teams are in semi-final play which gets under way at 1 p. m. tomorrow.

Whitharral, Bula, Hale Center and Idalou girls sextets are in the semi-finals in their division, and play will begin at 1:45 p. m. tomorrow.

Bowles Leads Tech's Second Half Spurt To Grab Victory

By JOE KELLY
Avalanche Sports Editor

There was only slight danger of fire in the Texas Tech gym last night, even though the Red Raider basketball team grew hot in the closing eight minutes of their game with Texas Mines, spurting from behind to take their fourth Border Conference victory, 54-41.

The Orediggers had taken an early lead in the game and clung to it, while Tech fought desperately to stay on the visitors' heels. Finally, just after 11 minutes of the second half had been played, the Raiders took command of the situation and shot to victory.

The score had been tied six times in the game, when Don Grove hooked an underhand basket immediately under the backboard to give the Techsans a 40-39 margin.

Wayne Bowles, who had taken over at 9:25 of the second half when Gene Gibson fouled out of the game, put on a one-man show. The rangy forward hooked a follow shot at 13:50 and sank two charity heaves at 14:30 to hand Tech a 44-39 margin.

This proved to be the spurt that broke the Orediggers backs. Billy Banks made it 46-39 with a follow shot to offset Santos Perez' field basket, the final Texas Mines score of the evening, and then Banks and Grove hit the nets for eight points in the remaining two minutes of play.

The visiting team, beaten Thursday night by West Texas, but still the leading Border loop team, never was able to draw too far away from Texas Tech's quintet. The Orediggers held the upperhand throughout the first half, as Mike Izquierdo, Tula Irrabali and Perez hit the netting with deadly consistency.

These three players, standouts on a better-than-normal ball handling and ball hawking quintet, provided the spark that kept the Orediggers ahead for most of the half and the first 11 minutes of the second half. But they couldn't hold to the pace in the second stanza when the Raiders began to find the range.

Both teams made many errors throughout the contest and these misplays resulted in the score being held down. Tech looked particularly bad the first half, missing arc shots repeatedly and flubbing follow-up scores consistently. Until midway of the final half, the Raiders still didn't have a spark to ignite them.

Then Gibson fouled out, his fifth foul being his third of the second half. Bowles replaced him and, when he had warmed up enough, he supplied the necessary faggot under the Raiders.

The second half supplied enough excitement and interest for a well-filled gym, with the teams being knotted at 29-29 and 31-31 and the lead changing hands nine times in 11 minutes.

Center Don Grove, hooking his favorite pivot shot and dropping the ball through the hoop from various angles, captured scoring honors with 17 points. Izquierdo of Mines, a dangerous forward at all times and an uncanny shooter, nicked the board for runner-up with 16 tallies. Forward Billy "Whistle" Banks of Tech had 14 points and every man on the Raider team, with the exception of Jay Kerr, scored.

The Orediggers move on to Abilene tonight for a loop game with Hardin-Simmons, a team that Texas Tech meets Monday night out of town. The next home game for the Raiders will be Thursday night, when Arizona State of Tempe visits Lubbock.

League Leaders To Meet Here Feb. 15

DALLAS, Feb. 6 (AP)—The West Texas-New Mexico Baseball league will hold its spring meeting Feb. 15 in Lubbock as scheduled, Milton J. Price, league president, said here today.

The head of the Lubbock club, Sam Rosenthal, died last week but Price said the meeting still would be held.

Up for consideration are the schedule, constitution changes and changes in player and salary limits.

Wayland's Pioneers Rout Badgers, 68-42

PLAINVIEW, Feb. 6 (Special)—Wayland college's Pioneers took over leadership in the western zone junior college cage race here tonight with a rousing 68-42 triumph over the Amarillo. Junior college Badgers.

D. W. Harkins, the Levelland sharpshooters, took top scoring honors for the Pioneers, and for the evening, with 27. Pate of Amarillo meshed 14 points.

The two teams had been deadlocked at the top with three wins and no losses prior to tonight's meeting.

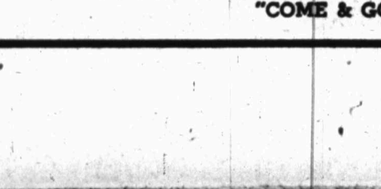

The Pioneers jumped into an early lead and held a 43-19 advantage at the half.

Records showed that of the 27 shots taken by Pioneer cagers at the baskets during the first half 19 of them hit their mark for two pointers.
