NUMBER 13

UNITED STATES POST OFFICE ABERNATHY, TEXAS

Now Under Construction On The City Square,
South of City Hall.

TROY PORTERFIELD

Porterfield Is Candidate For Sheriff

Troy Porterfield, former Texas Highway Patrolman stationed at Plainview for the past eight years, is now a candidate for Hale County Sheriff. His resignation with the Highway Patrol became effective February 1, 1964.

Troy is 35 years old and a graduate of Clarksville High School and the Texas Department of Safety Law Enforcement Academy at Austin. He was commissioned as a Highway Patrolman in the fall of 1955, and has been stationed in Plainview ever since, being assigned to Hale and Floyd counties.

Troy is married and has four children. The family lives at 1410 Ennis Street where they have purchased their home. They are active members in their church in Plainview.

Highway Patrolmen are assigned to the primary duty of traffic enforcement, but the duty and the extended obligation to assist local officers affords a wide range of experience in every field of criminal law. Department of Public Safety refresher schools which Troy has completed extends training in criminal investigations, fingerprinting, mob and riot control, search and seizure, first aid and all other duties of an officer.

Porterfield said, "I feel that there is no better motto for a law enforcement officer than 'Courtesy, Service and Protection,' which is the motto of the Texas Department of Public Safety. As a highway patrolman, I have tried to always extend to every person the courtesy, service and protection contemplated by these words. If elected Sheriff of Hale County I will certainly continue that practice and endeavor to become an even better officer."

I will sincerely try to contact every person in this county before the election. I will greatly appreciate my friends acquainting the people of Hale County with me, my family, and my record as an officer and citizen.

Your vote and influence will be appreciated, and if I am elected, I will make you a good sheriff.

RAIN, SNOW AND 20 YEAR PIN ARE GOOD NEWS HERE

Rain, snow and a 20-year service pin figured in the good weather news here. Rains last week and snow early this week brought much-needed moisture to farmland.

M. O. Hood, who received a pin for 20 years of reporting local weather to the U. S. Weather Bureau, reported .43 of an inch of rain and a trace of snow last week, and 16 rain and 1.5 inches of snow early this week. Mr. Hood completed his 20 years of service last November.

Total For 1963
Mr. Hood reported a total rainfall of 17.58 inches and a total snowfall of 13.1 inches for the year of 1963.

BROTHER DIES

Raymond and Charles Ray Owens went to Pampa Friday after receiving word that Raymond's brother, A. C. Owens, 78, had died there Sunday at South-west City, Mo. Another brother of Raymond's, Hoyt Owens, 70, died Jan. 26, at Commerce.

Pictured above is an architect's drawing of Abernathy's new post office building, left. It is under construction on the city square, south of the city hall, shown at right in the drawing.

Postmaster Herman Lambert said Abernathy's new post office building, of modern masonry design, will have 3,240 square feet of floor space. There will be parking and maneuvering paved areas. The building will have a 9x12 ft. loading dock at the rear.

The post office building, which will face east, is expected to be completed late in May.

The City of Abernathy will own the post office building, which will cost \$50,400. Lloyd Price Construction Co. of Lubbock is the building contractor.

Lambert said the new post office building will open with about 700 boxes for postal patrons, and there will be adequate room to add boxes to meet future demands.

The post office in its present location has 599 boxes. About 100 patrons are getting their mail through the general delivery window. Many of the general delivery patrons will be forced, by a postal regulation, to obtain a box when they become available. General delivery service is for transient postal patrons.

FREE CLINIC FEBRUARY 11

The next Free Clinic sponsored by the PTA will be Tuesday, February 11 from 2 to 4:30 p.m. at the City Clubroom. Children must be accompanied by their parents and should get there as early as possible.

Shots for whooping cough, diphtheria, tetanus and smallpox will be given to all that need them. Drops are given for polio.

The PTA which sponsors the clinic on the second Tuesday of each month, received permission from the city council to use the club room for the clinic.

TEXACO STATION REOPENS AT AVE. D & 6TH STREET

Jim and J. C. Harrell opened the Texaco Station at 6th Street and Avenue D Monday, Jan. 20th. This station had been closed since shortly after Joe Stewart was taken to the hospital.

Reconstruction Work At Local Methodist Church Progresses

Construction work on the First Methodist Church's old sanctuary and basement, reconstructing that portion of the church building into educational class rooms and nursery, is progressing steadily.

The basement portion of the building, which was constructed in 1925 as the Abernathy Metho-

dist Church's first building project, is currently being filled to ground level. In the original construction program, excavation for the basement type building was done with mule teams and fres-

nos, and is now being filled with modern-day bulldozers and dump trucks. A sanctuary was constructed over the basement in 1942, and a two-story educational annex was added in 1953. Then in 1957-58, a new sanctuary was constructed, at a cost of \$117,500.00.

Present construction work is expected to be completed early in April. When completed, the building's first and second floors will correspond with the floor levels of the north educational annex, stated Rev. Carlton Thomson, pastor. New windows are being installed in this portion of the building, and the Rev. Mr. Thomson added that a new central heating unit is to be installed for educational department of the church.

Contractors for this construction work is Holiday Construction Co. of Lubbock, with the plumbing and heating being sub-contracted by Boller, also of Lubbock.

Looking Back
Looking into the past, one can readily see the growth and progress the Abernathy First Methodist Church has made. And, with the present construction program underway, it is evident that the membership of the church is also preparing for the future.

The First Methodist Church of Abernathy was officially organized in November, 1910, with Rev. J. P. Calaway appointed as pastor. Prior to the organizing of the Methodist Church here, there were preaching places at Bartonville, ten miles northwest of Abernathy, and at Lakeview, ten miles northeast of Abernathy. The Bartonville church has long since been disbanded and many of the members transferred to Abernathy. The Methodist Church at Lakeview is still active.

Services were conducted in the school building from 1910 until 1925, when the basement-type building project was undertaken. At that time, the Rev. R. F. Dunn was pastor, with J. P. Nystel as lay leader. Members of the building committee included G. W. Ragland, A. M. Medina, Sam W. Smith, A. W. Hardin, E. B. Lindsey and L. A. Harrell, Jr., treasurer.

Members of the current building committee include Harvey Luttrick, general chairman; Billie Harrison, John Hale and Morris Kerr, associate chairmen; Hiram L. Vaughan, board chairman; and Rev. Carlton Thomson, pastor.

Cagers Meet 2-AA Foes Feb. 7-11

The AHS Antelope teams will go to Lockney Friday night, Feb. 7, for District 2-AA conference basketball games with the Longhorns. The girls will play at 7 p.m., followed by the boys' game.

Floydada Here
Two important 2-AA conference games are on schedule for Tuesday night, Feb. 11, in Abernathy High School gym, when the Whirlwinds from Floydada and the AHS Antelope teams play here. The girls' game is at 7 p.m., followed by the boys' tilt.

The local boys lost to the Hornets at Tulla last week, 44-50. The Abernathy girls won their game at Tulla, 55-44.

TEST RESULTS MAILED
TO LOCAL PARENTS
Curtis Davenport, principal of Abernathy High School, announced last Friday that results of the Iowa Tests of Educational Development (achievement tests), taken recently by local students, have been mailed to the students' parents. Enclosed with the test results were invitations to the parents to go by the principal's office and discuss with him the results of their child's or children's tests.

Mr. Davenport added that if the parents have not received the letters by the latter part of this week, they should contact him.

JOY BEAUTY SHOP
HAS REOPENED
The Joy Beauty Shop, 201 Ave. D, which has been closed for the past several months has now reopened, as of Wednesday, February 5.

Laura Stanton has leased the shop with equipment and will operate it in the name of Joy Beauty Shop. She is a beauty school graduate and is an experienced operator. She invites her friends to come in and see her. You may call 298-2003 or 298-2715 for appointments.

See her ad on another page of this issue of The Review.

Last Rites Held For W. A. Henson

Services for William A. Henson, 75, resident of Abernathy for 42 years, were held Friday in Abernathy Methodist Church.

Burial was in Abernathy Cemetery under direction of Chambers Funeral Home here.

Henson died of a heart attack Wednesday of last week while at a home he maintained near Graceland. He owned and operated a wholesale-retail gasoline company in Abernathy for many years.

Surviving are his wife; two sons, Royce A. Henson, Abernathy, and Henry J. Henson, Garland; four daughters, Mrs. Glenn Wallace and Mrs. C. V. Skiles, both of Dallas; Mrs. C. B. Cultra, Englewood, Colo.; and Mrs. Durwood Hahn, Denver; 13 grandchildren and three great-grandchildren.

Pallbearers were E. H. and B. E. Attebury, Henry Struve, Finis Robertson, J. W. Hamilton, Jr., Joe Tom Brown, Edwin Crow and Dennis Barker.

The Henson family moved here from Mahoney, Texas.

Dale Young, in the employ of Collins Radio Co. went by jet plane to Formosa, leaving Abernathy Monday, Jan. 13, and will remain there at least 18 months working on a contract with the government by Collins Radio Co.
His family was to follow him and have been notified by him to come by jet plane and left from the Lubbock airport Sunday morning, Feb. 2, going via El Paso where they will board a military plane for the remainder of the trip.

The Youngs had spent several days at the homes of their parents, the L. B. Youngs and the Brent Nichols before leaving.

Although in the employ of the Collins Radio Co. their address will be similar to all military personnel on Formosa. The address is Dale Young, c/o Collins Radio Co., APO 64, Box 5, San Francisco, Calif.

MASSONS MEET FEBRUARY 13

A stated meeting of Abernathy Lodge No. 1142, A. F. & A. M., is to be held at 7:30 p.m. Thursday, Feb. 13. L. G. Deering, Worshipful Master, urges all local members to attend, and extends an invitation to visiting Masons.

The Lodge will hold a banquet for members and their families and guests the night of Feb. 22, in observance of George Washington's birthday.

Cattle Testing Is Underway In Hale County

On Monday, January 20 a testing crew started testing cattle in Hale County for Brucellosis. All herds containing mature breeding cattle need to be tested. Most dairy herds have already been tested.

Three testers are at work in the county and work by sections. The laboratory is located at the Precinct 1 County Bar in Plainview. A regulatory veterinarian is in charge of the lab and the men performing the testing. Heifer calves that are to be kept as replacements will be vaccinated against Brucellosis at no charge if the owner so desires. There is no charge for either the testing or vaccination services.

The work should be completed in 30 to 45 days. All testing and vaccination work is to be done on the owner's premises. Each breeder will have a head gate to fit upon the open end of a chute. It is hoped that each producer will have sufficient help available to handle his animals as the testing crew will furnish one man only. The members of the testing crew are not authorized to handle a persons cattle unless the owner or his representatives are present.

An owner may bring his blood samples immediately to the laboratory following collection and have the results very shortly. The laboratory phone number is CA 4-5863. The laboratory work is done in a house trailer at the county barn.

It is recommended that all breeding cattle over one year of age be tested. Animals found to be reactors should be sold to slaughter within 15 days. Animals classified as suspects may be sold or retested. Once a county has been tested and the infection rate has been found to be low, movement to other parts of the state will be allowed. At present, local cattle are considered to be unclean at the market place. This testing program will eliminate such stigma.

Herman West of Plainview, phone number CA 4-5098, has been employed by the Hale County Commissioners Court as line-up man for this program. If there is an emergency in a farmer getting his cattle tested, he may contact Mr. West direct, however, if this emergency does not exist, it would be better to allow the line-up man to follow his schedule in each area.

Mrs. R. V. Totty returned home Friday from a Lubbock hospital, where she underwent major surgery.

T. N. Teeter has moved to 1101 Avenue F.

"Service To Youth Awards" Set Feb. 23

Associate Justice Meade F. Griffin, The Supreme Court of Texas, Austin, has accepted an invitation to award again the "Service to Youth Awards" plaque to the man or woman who wins the title of Outstanding Youth Worker of Hale County, according to an announcement made today by Tom Wheeler, chairman of the "Service to Youth Awards" committee of Ray Blakemore Post 260 of The American Legion. Justice Griffin served as the first commander of Ray Blakemore Post, having been elected to that office when the post was chartered. He has maintained his membership in the Post since that time and was presented with a Life Membership on September 16, 1963, in appreciation of his many services in the interest of The American Legion and its programs.

The "Service to Youth Awards" program has been scheduled for Sunday, February 23. It will be held in the Plainview High School Auditorium beginning at 2 p.m.

February 9 is the deadline for returning completed nomination blanks to Mr. Wheeler. Nomination blanks may be secured at the office of the Weekly Review and should be addressed to Tom Wheeler, Chairman, "Service to Youth Awards" committee, 2805 W. 19th, Plainview, Texas.

CHECKS PAYABLE TO INTERNAL REVENUE

If you owe additional tax when filing your 1963 income tax return, be sure to enclose your check or money order made payable to "Internal Revenue Service."

Send your return and payment in full to the District Director of Internal Revenue, Dallas, Texas, not later than April 15. This word of advice comes from Ellis Campbell, Jr., District Director of the Dallas District.

FEDERAL UNEMPLOYMENT TAX

District Director Ellis Campbell, Jr., of Internal Revenue in Dallas in a special message reminded employers who employ four or more individuals on at least one day of each of twenty weeks in 1963 that they must file a return and pay the Federal Unemployment Tax.

Mr. Campbell explained that this return should be filed on or before January 31, 1964 on Form 940.

TAX MAN SAN SEZ:

If you are a farmer you will make a mistake if you don't get a free copy of the "Farmer's Tax Guide." This booklet is available at the Internal Revenue Service offices and at your County Agent's office.

It's also prepared in plain old down-to-earth language that a farmer can understand. A little time ploughing through this booklet will help you reap some tax savings.

Harold Sparks, Lubbock, son-in-law of Mr. and Mrs. C. J. Pharr, was a patient in a Lubbock hospital last week.

Mr. and Mrs. Jack Barton have returned from a visit with their son, Bobby, and his family in Torrance, Calif.

Eddie Davis, son of Mr. and Mrs. H. V. Davis, has returned to North Texas State in Denton after visiting in the home of his parents in Abernathy between semesters.

HALE IS MODIFIED AS ACCREDITED TB AREA

Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission, announces the reclassification of Hale County as a Modified Accredited Tuberculosis Area.

Your County Agent, Mr. Ollie F. Liner, has received the certificate which is good for six years.

This Commission wishes to express its appreciation to the people of Hale County for the splendid cooperation extended to its representatives while work was being conducted in Hale County; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county.

P. I. McCune, father of Harold McCune, underwent surgery Monday at Northwest Texas Hospital, Amarillo.

Plainview YMCA Seeks Site On Hale Ag Land

A delegation from the Plainview YMCA asked the Hale County Commissioners Court last week to consider allocating a portion of the agricultural center site on the south edge of Plainview as a location for a new YMCA.

Dick Reep, Edgar Brown, G. E. Douglas and Dwight Hanners appeared before the court and outlined plans for a new YMCA to be financed by a fund-raising drive slated to begin sometime this spring. They asked the court to consider their placing the new structure on the extreme north end of the former Etta Hamilton property which was included in a 19-acre site approved by county voters in December as the site for a county agricultural center.

Plans for the new YMCA have not been completed but tentative plans call for a 29,000 square foot building to be built in stages as funds are made available. It will contain the usual YMCA facilities, including a pool, handball courts, gymnasium and health club facilities for adult men.

The men explained that in their opinion the YMCA is a Plainview community organization and urged the court to consider its location on the new site. They said it would save the group the cost of a site and enable them to use parking facilities provided for the agricultural center.

The court took no action on the proposal, but told the men to contact John Kerr, the architect who will design the agricultural center to see how it could be worked into the overall plan. County Judge C. L. Abernethy suggested that the court may consider a lease arrangement on the request.

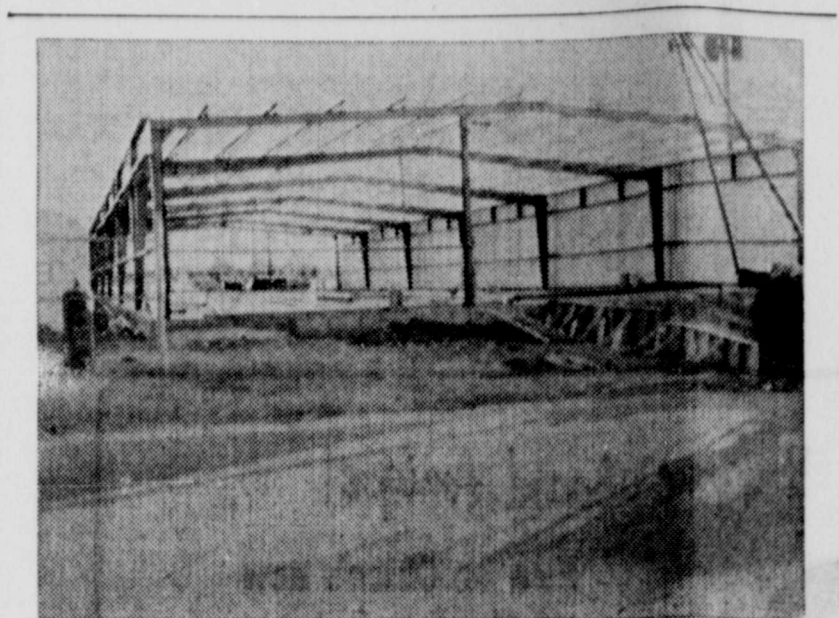

The YMCA proposal was the principal item on a routine agenda. In other action the court altered the mode of raising the county judge's salary by \$420 annually as agreed in a special meeting January 14. The \$420 salary boost would give him annual salary of \$8,802.50 and would be \$102.50 over the statutory limit of \$8,500.

The commissioners agreed to decrease the salary hike to \$300 per year and allow the judge \$120 per month for travel expense inside the county.

A public hearing on the judge's salary increase and other pay boosts proposed for other county officials will be held on Feb. 10, the next regular meeting day of the court. The hearing was originally scheduled for January 27, but a check of the statutes revealed that such hearing must be conducted on the first meeting date of the month.

The raises, \$420 annually for the clerk, treasurer, tax assessor-collector, auditor, sheriff, attorney and district clerk as well as the judges increase will become effective only after the hearing is held. Other salary adjustments for employees in the courthouse became effective January 14.

Bid advertisements were authorized for a motor grader for precinct one and a track type loader for precinct two. They will be opened Feb. 10.

NEARING COMPLETION on Sixth Street at Avenue H is the City of Abernathy's new all-steel storage and shop building. Top photo shows the steel frame work of the 50x135-ft. building while it was being built. Photo below shows the interior of the structure with its concrete floor. The city will store its trucks and other rolling stock in the building when they are not in use. Also, a portion of the building will be used as a shop for water meter repairs and repairs on other city-owned equipment. Many of the items which clutter the north side of the city square will be moved to the new building.

Shopping For A New TV Set? IMPORTANT:

RCA precision-crafted Space Age Sealed Circuitry eliminates more than 200 hand soldered connections.

RCA Space Age Sealed Circuitry is today's precision answer to yesterday's old-fashioned all-hand-wired circuitry. Two-thirds of chassis circuitry is bonded on etched copper boards—exact duplicates of original master designs developed in RCA laboratories. They eliminate more than 200 hand-wired, hand-soldered connections that can come loose and cause trouble. RCA Security Sealed Circuit boards have been proved reliable more than 25 million times in RCA Victor TV sets.

BARGAIN
FARES**

**—travel round trip for
only 40% more than
one-way fares
through April 30th**

Now the entire Santa Fe is a terrific travel bargain through April 30, 1964.
Here's how Chico's travel bargains will save you money: If the one-way fare is \$10, you can travel round trip for only \$14. When the one-way fare is \$25, you travel round trip for only \$35. On one-way fares costing \$50, the round trip is only \$70.
Round-trip bargain fares will apply for all trains between all Santa Fe stations, making it easy for you to enjoy a trip at special savings. And you have a 30-day return limit on these bargain-fare tickets.
Remember, family fares are even lower than Chico's bargain fares, making Santa Fe the most economical way for husband and wife, or family groups to travel.

## CHEVELLE! MALIBU SUPER SPORTS by CHEVROLET

Background, new Chevelle Malibu Super Sport Coupe; foreground, Chevelle Malibu Super Sport Convertible.

### What's so super about the Chevelle Malibu Super Sports?

Inside? Front bucket seats. All-vinyl interior. Ammeter, oil pressure and water temp gauges. Floor-mounted straight-line shift lever for Powerglide® or sporty 4-Speed® stick shift.

Under the hood? Lots of choice. Two Sixes—standard 120-hp and optional 155-hp\*. Three V8's, from standard 283-cu.-in. up to (you're reading it right!) 327-cu.-in.\* Try this one to flatten out hills!

Options\*? Electric tachometer, Positraction

rear axle, sintered-metallic brake linings and sports-styled simulated walnut steering wheel, to name just a few of them.

Outside? Special moldings and wheel covers, SS identification. Actually, about all that's not super about these Malibu SS Coupes and Convertibles is their price.

And the best way to find out what everything else is that makes them so super is to drive one. Your Chevrolet dealer can take care of that.

\*Optional at extra cost.

## 4-H Club News

(For January)

(Steve Johnson, Reporter)

On January 22 the entire speech group went to Lubbock for a tour through the KCBT television station. When the group arrived, they were greeted by Mr. Gene Linn, who escorted the group on the tour through the station.

During the tour we learned a great amount of time and work it takes to put a program on our TV screens. Afterwards the group went to the "Carnation" for refreshments.

Those going on the speech trip were Donna Huffaker, Lynn Vaughan, Mack Rogers, Karen McClendon, Sharon Emerson, Donna Bundick, Sally Collins, Steve Johnson, Jim Johnson, J. C. Goebel, Joy Hall, Nita Johnson, Jimmy Reeves, Clark Riley, Terri Sinclair, Kirby Spruiell, Tommy Thomson, Steve Barton, Hershall Smith and the sponsors.

The Abernathy Community 4-H Club met January 24 in the J. L. Irish barn. The meeting was called to order by Mary Goebel, president. Rickie Covey led the pledge to the U. S. Flag and J. C. Goebel led the 4-H motto and pledge. The 4-H prayer was led by Eob. After a short business meeting the program on parliamentary procedure was presented by the following members:

Mary Goebel, Kirby Spruiell, Clark Riley, Steve Johnson, Bert Montgomery, Lynn Vaughan, Terri Sinclair, Donna Huffaker, Jimmy Reeves, and Karen McClendon.

After the program Karen McClendon introduced Miss Nickie Wolfed, our assistant home demonstration agent for Hale County. Miss Wolfed returned last year's record books to each member and reminded them to start keeping this year's records now. Refreshments were served by Mrs. Sanders and Mrs. Joe Barton.

The results of 4-H Club exhibitors at the Fort Worth Stock Show held last week are:

In the steer division: Benny Lobstein exhibited a Hereford steer which placed 12th. Jerry Sanders exhibited a Hereford steer but did not place.

In the barrow division: Steve Barrow, Duroc barrow, 12th place. Rodney Huffaker, Hampshire barrow, 13th place. Poland China barrow, 14th place.

Donna Huffaker exhibited a Hampshire and Poland China barrow that did not place.

Jim Johnson exhibited 6 cross-breed barrows. These placed 4th, 5th, 6th, 8th, and 10th. He also exhibited 4 Hampshire barrows. Two of these placed 6th and the others didn't place.

Steve Johnson, 2 Hampshire barrows, placed 4th and 13th.

Burt Montgomery exhibited a Hampshire barrow that placed 13th, a Duroc barrow that didn't

## LETTERS

Jan. 30, 1964

Dear Mr. Editor,

I understand that the young people of Abernathy are in need of some activities to work with in their spare time.

I would appreciate it very much if you would, in some way, bring to their attention the Civil Air Patrol Cadets of Lubbock.

This is a volunteer organization of young people ages 13 to 18 from the Lubbock area who wish to learn more about the Aerospace age in which we live.

Our meetings are Tuesday evenings from 7 to 9:30 p.m. in the basement of the Shepherd King Church at 18th Street and Avenue V. Anyone interested is invited to attend the meetings.

Thank you for your help.

Sincerely yours,

### EASTERN STAR MEETS TONIGHT

A stated meeting of Abernathy Chapter No. 877, Order of the Eastern Star, is to be held at 7:30 tonight (Thursday). Past Matron and Past Patron Night will be observed.

Mmes. Karen Bradley, Mary Will Lambert and Maxelle Pettit will have charge of the program. Mmes. Eloise Barton, Vivian Carmickle and Cleo Thomas are on the social committee.

A spotted Poland-China barrow that placed 6th.

Richard Montgomery exhibited 2 Hampshire barrows. One placed 16th, the other didn't place. He exhibited one spotted Poland-China barrow that also placed 16th.

Hale County 4-H Club members exhibited their steers Saturday, January 25, at the Southwestern Exposition and Fat Stock Show at Fort Worth.

In the senior Hereford steer class, Wayne Dendy placed eighth followed by Debbie Terrell, tenth, and Benny Lobstein, twelfth. Jimmy Curry placed his junior Hereford steer ninth and Marvin Meek showed his junior Shorthorn steer into seventh place.

The barrows and lambs left for Fort Worth January 29, and were shown Friday, January 31, stated Bobby Lemons, Assistant County Agent.

4-H Club members exhibiting barrows were Donna and Rodney Huffaker, Steve and Jim Johnson, Burt and Richard Montgomery, all of Abernathy; Ken and Bill Wiese of Petersburg; Randa McDaniell of Hale Center; Ronald and Edwin Schulz and Stanley and Jimmy Burnett of Cotton Center; and Randy, Chris and Cynthia Vaughn of Plainview.

Dear Mr. Editor,

I understand that the young people of Abernathy are in need of some activities to work with in their spare time. I would appreciate it very much if you would, in some way, bring to their attention the Civil Air Patrol Cadets of Lubbock.

This is a volunteer organization of young people ages 13 to 18 from the Lubbock area who wish to learn more about the Aerospace age in which we live.

Our meetings are Tuesday evenings from 7 to 9:30 p.m. in the basement of the Shepherd King Church at 18th Street and Avenue V. Anyone interested is invited to attend the meetings.

Thank you for your help.

Sincerely yours,  
M. L. Whitson, Jr.

## Keyed To Local Farm Needs

It stands to reason that our bank, part and parcel of the community and dependent for its success on the success of local people, would know local farm problems better than any outside lending agency. It also is good horse sense that a lender who knows your problems is in a good position to help you solve them. So we invite you to do your borrowing here, because it's for your own best interest.
