JUNCTION WILL MEET LAMPASAS HERE SATURDAY

Boy Scouts Now In Possession Of New Charter

B. W. Draper of Concho Valley District is Principal Speaker

B. W. Draper of San Angelo, scout executive of the Concho Valley District, met with the scouts last Wednesday evening in the Kimble County courtroom for the purpose of presenting the charter and rank badges to the local boy scouts. The Rev. Mr. Crofoot of the Presbyterian Church, delivered the invocation.

At the beginning of the program, the two patrols, the buffaloes and beavers, engaged in a baseball game. Each side was given two innings in which questions were asked on "Tenderfoot" and "Second Class" tests. After a spirited game the beavers were declared winners by the score of 21 to 19.

Judge Weaver H. Baker made an interesting talk on scouting and introduced Mr. Draper, the principal speaker of the evening. Mr. Draper entertained the boys in a most interesting manner. He displayed a pennant that will be given to the winning team in field events to be held in Sonora on December 19. He also presented the charter to troop 20 and explained in detail the symbols thereon.

Mr. Draper presented tenderfoot badges to Keidle Sheppard, Clifton Schraub, and Milton House. The twelve scout laws were given by Freddie Ramsey and Verall McCoy.

Second class badges were presented by Judge Weaver H. Baker to the following: Warren Roberts, Leon Turner, Vergil McCoy, Freddie Ramsey and Jarvis Jordan. Five scouts received 100% duty pins.

Short talks were made by Supt. Guy C. Moses, Frank Hall and others.

The scouts thank Judge J. B. Randolph and the members of the commissioners court for the room tendered them in the basement of the courthouse. Meetings are held each Friday night and anyone interested in the work of the boys are invited to attend these meetings.

Texan Theatre Will Install Talkies Soon

Work is under way on the Texan Theatre building getting it ready for the Universal Sound of Film Vitaphone talkies which has been ordered for some time. Since Monday workmen have been getting the building in order, but Mr. Phillips does not know just what day the equipment will arrive.

He has bought the best on the market and it will not be long until Junction will have as good "Talkies" as can be found.

SCHREINER-HODGES CO. IS NOW IN CHARGE OF NEW HUMBLE STATION

The Schreiner-Hodges Co. is now in charge of the Humble Service Station first door east of the Handy Andy Store. Lane Hodges and Guy Munn are on the job and invite you to call. This modern station is prepared to give you satisfactory service in gas, oil, tire repairing, washing, polishing and greasing. Your business will be appreciated.

Hon. Coke R. Stevenson and Mrs. Stevenson were in Bandera and Medina last Friday. Mr. Stevenson made addresses at both places. Mrs. Stevenson also made a talk before the Chamber of Commerce in one of the cities. Both of them are fluent speakers and are always heard gladly wherever they go.

Eagles Win Thanksgiving Game With Fighting London Lobos

Junction all but lost a football game on Thanksgiving day when the hungry London Lobos with victory written in their every movement, rushed the Eagles from the first whistle until the last minute of play when Ake for the Lobos making a forty yard run for a touchdown was pushed out of bounds on the one yard line by Wood of the Eagles. He had successfully evaded the safety man and looked as if he was sure for a touchdown, but the referee brought the ball back in field and placed it on the one yard line. After two attempts at the line by the Lobos, the final whistle of the game was blown, with the score 6 to 0 in the Eagles favor.

It was the hardest game the Eagles have had this season. They could not get their passes to working and could not make consistent gains through the line. It seemed that every Lobo had Witt spotted, and he was also out of condition for the game. Neither team was playing its regular brand of football. However, it was a thrilling game throughout.

Fumbles and penalties were frequent. London was more successful than Junction in recovering fumbles, but suffered more from penalties, drawing 110 yards on 8 penalties to 50 yards on 6 penalties by the Eagles. Junction completed 3 passes during the game, one of them, Johnson to Leonard Dunbar, netting the Eagles the only touchdown made. London completed four passes and intercepted one, but they could not complete their passes at times when they would mean touchdowns. Each team registered only five first downs during the more than fifty minutes of the game.

London supported their team well, there being as many supporters of the Lobos present as there were for the Eagles. It was a beautiful day and an interesting game as the result was in doubt until the last whistle blew, with London on the one yard line ready to plunge over for a touchdown, which with the extra point would have won the game.

Suggestions On Late Trapping Laws In Texas

All Pelts Offered For Sale Must Have Tax Tags Attached

Since the opening of the trapping season the game wardens have new problems. There are radical changes in the trapping laws and it is easy to overstep the law. The following are some of the high points in the trapping laws:

All trappers over 17 years old must have a trapper's license whether he traps on his own land or the land of another. All pelts must be tagged before sold whether the trapper is over or under 17 years of age.

There are two kinds of tax tags. The 5c tags must be attached to the pelts of raccoon and mink. The 1c tags must be attached to the pelts of badger, civet cat, fox, muskrat, opossum, pole cat or skunk, and ringtail cat. The tags must be attached to each individual pelt and not to the bundle.

Beaver and otter pelts cannot be taken or possessed in any county in Texas; neither can they be shipped.

Each pelt of fur-bearing animals must be tagged whether sold in Texas or shipped out of Texas.

No headlight, flashlight or spotlight can be used but an ordinary lantern or torch may be used when hunting at night.

All pelts must be tagged before they are sold, offered for sale, bartered or shipped. It is also against the law to buy or offer to buy pelts that have not been tagged.

Predatory animals such as wolves, coyotes, bob-cats, wild cats, mountain lions, weasels, etc., may be taken at any time of the year and no tax receipt tag is required to be placed on their pelts.

All trappers are urged to notice that game laws and fur laws are different. Learn the difference before trouble arises.

Miss Blix Hankins spent the Thanksgiving holidays with her mother, Mrs. John Hankins, in San Antonio.

Miss Clara Secrest of Big Springs visited during Thanksgiving with her brother, Mr. Clay Secrest and family.

Three Miles Of Terracing By County Agent

Farmers are Showing Interest In Saving Soil and Moisture

Three miles of terraces, 5280 yards run and 4,000 yards of completed construction during intermissions of rain in the month of November is a record in the mountain country of Kimble County. Fifteen months ago this country and its farming population was unaware of the terracing program being carried on in the state of Texas. Today they have grasped the idea and are terracing at the rate of several miles a month.

Terracing in this county presents a new feature of interest to the livestock farmer and rancher, in that, it solves the problem of roughage and feed production for winter feeding of livestock in that crops can be produced in sufficient tonnage on terraced land.

E. V. Stewart and Will Matthews constructed 2850 yards of terraces with a 30 foot broad base in five working days. Most of the construction was made with a disc plow and V drag while some was done with the county horse drawn maintainer. Tate Jarvis has over a thousand yards under construction at present. Loss and Amos Davis have started construction on 1527 yards.

BIG PEP RALLY IS STAGED IN COURTHOUSE LAST NIGHT

Dick 'n Doc, better known as R. E. Homann and Norman K. (Doc) Farmer, were the main stars in the Pep Rally held at the courthouse Wednesday evening preceding the bi-district game between Junction and Lampasas on the Junction Field at 2:30 Saturday afternoon, December 6. Dick played the leading role and is a full show by himself. Weaver H. Baker, one of the members of the band, rendered valuable assistance with his wit and humor. He also made a good pep address.

Pioneer Citizen Of Texas Dies Monday Morning

Enlisted in Confederate Army At Age of 16; Served Four Years

After an illness of two weeks, Mr. J. L. Bishop, a citizen of Kimble County for forty-three years, passed away and the body was buried in the Junction Cemetery Tuesday morning, the Elder J. S. Newman officiating.

The following grandsons served as pall bearers: Troy Fleming, Lacy Fleming, Lem Fleming, Flem Felps, Leo Bishop, and Teil Bishop.

Joseph Leonard Bishop was born in Sebastian, Arkansas, July 3, 1844, being eighty-six years old at the time of his death. When only 16 years old, he enlisted in the Confederate Army and served the entire four years.

At the close of the Civil War he came to Texas and was soon married to Miss Mary Harlow Griffith and to this union six children were born, two sons and four daughters. Mrs. Ed Fleming, preceded him. He is survived by the following five children: Mrs. R. J. Felps, Junction; Buster Bishop, Junction; Mrs. Bart Johnson, Comanche; Buck Bishop, Cart Valley; Mrs. J. E. Bird, San Marcos, all of whom were present at the funeral.

Fifteen grandchildren and nine great grandchildren also survive.

Among those here to attend the funeral were Messrs. William Sam and Walter Griffith of Winters; Mr. and Mrs. L. K. Henderson, Rocksprings, Mr. and Mrs. John Guthrie of Rocksprings, and Earnest Bishop of Orange Grove.

Highway No. 4 Work Stressed in Meeting

Messrs. T. M. Carswell, secretary of the Abilene Chamber of Commerce, and J. D. Motley, secretary at Ballinger, were in Junction Monday evening to meet with the directors of the Junction Chamber of Commerce in an effort to impress upon the people along the line of Highway 4, the importance of starting work on the new highway.

The Federal Government has allotted \$15,000,000 for road work in Texas, and the first projects under way will be the first to receive aid. A great deal of the road north of Ballinger is completed, but very little work has been done between Ballinger and Uvalde. This route also has a tentative U. S. designation. It is destined to be one of the most important roads in Texas and should receive the support of all the counties along the route.

Eat More Lamb Campaign Opens In Kimble Co.

George R. Pepper is Appointed Local Chairman of Movement

Representatives of the "Eat More Lamb" Club will be in Junction on Tuesday, December 16, at 2 p. m. to meet with the sheep growers in Kimble County to give impetus and enthusiasm to the "Eat More Lamb" movement in which every sheep man should be vitally interested. The condition of the lamb market the past year has impressed upon the growers the necessity of a better organization for the consumption of lamb.

George R. Pepper has been appointed chairman of Kimble County and he is anxious for a large representation of growers at the meeting in the Kimble County courthouse at two o'clock, Tuesday afternoon, December 16. This is one time when all sheepmen are asked not to "let George do it," for it is a movement in which every grower is vitally interested. The "Eat More Lamb" Club was organized for the promotion of lamb consumption and the resultant increase in profits to the producer.

From the existing condition of the lamb market it is evident that either the supply must be cut or the demand increased. The purpose of this organization is to increase the demand for lamb products. Mr. E. S. Mayer and other representatives are making a tour of the sheep country and Mr. Pepper urges a good hearing when they come to Junction.

4-H. Clubs Make Good Progress In Calf Feeding

Kimble County Boys and Girls Will Stage Show in February

With only three calves in the 4-H Club feeding demonstrations in 1929-30, Kimble County Club boys and a girl are keeping before them their motto, "To make the best, better" and are feeding 16 calves. Two other calves are being fed by vocational agriculture club boys.

The calves were bought at eight cents per pound and placed in the feed pens on August 20. On September 1st, they weighed 7863 pounds and on November 1, they weighed 10,400 pounds, a total gain of 2537 pounds or 235 pounds per day over the 60 day period.

A calf, belonging to J. D. Wootan gained 180 pounds during this period or three pounds per day. Home grown feeds are being used in most of the feeding demonstrations.

According to M. B. Bethel, vocational agriculturist and R. E. Homann, county agent, the 60 day weighing period is invaluable to the boy or girl studying types of feeder calves, ing, age, rations, and costs. The calves are now weighing an average of 577 pounds as compared to an initial weight of 430 pounds. They will be shown in Junction on February 28, 1931.

Those feeding calves are: Leon Turner—1 Clifton Schraub—1 Woodrow Kothmann—1 Dorothy Jarvis—1 Roy Robbins—2 George R. Pepper—2 Neal Lambert—3 J. D. Wootan—3 Frank Wootan—4

Badgers Promise Lively Tilt For Fighting Eagles

Neither Team Has Lost A Game During Season

VISITORS ARE FAST

Twins Will Bring Many Thrills To Eager Spectators

Nine football games without a defeat is the record of the Junction Eagles who will meet the Lampasas Badgers here Saturday, December 6, in a bi-district game for the championship of districts 11 and 12. The Badgers have equally as good a record as the Eagles, except that Del Rio and Menard each scored one touchdown against the Eagles, while Brady scored three touchdowns against Lampasas in the contest for the championship of the east end of district 11 and Ballinger chalked up two last Thursday when Lampasas won the championship of the district by the decisive score of 32 to 13.

Junction piled up a score of 48 to 0 in winning the championship of district 12 from Fredericksburg. During the season, Junction has made a total of 163 points to their opponents 13. The total score made by Lampasas is not known by the Eagle, but it is known that 34 points have been scored against them. Two unequaled teams will meet here at 2:30 p. m. Saturday and fans will have to wait for the game to know the results. The Eagle is predicting a 13 to 7 score in favor of the Junction Eagles.

The Fuller twins, Ray and Roy, for the Badgers will furnish many thrills. Ray plays full back and Roy plays end, and these two boys with the aid of their nine team mates will make it interesting for the air-minded Eagles. Ray is noted for taking the ball and faking a pass, punt or basket pass and then racing for the goal line. Roy also plays a jam-up game, now and then coming around and taking the ball from

County Institute Meets December 18 and 19

Judge J. B. Randolph, ex-officio county superintendent of Kimble County, has an official notice elsewhere in this issue telling of the county institute which will be held here on December 18 and 19. All teachers who have not already attended institute elsewhere with the permission of the county superintendent, are required by law to attend this institute.

Judge Randolph retires from office on January 1 and he is anxious to have the best institute he has ever conducted in the county. He has taken a deep interest in the schools of the county and has seen much improvement in the rural schools during his administrations.

Commissioner H. W. Bierschwald, A. B. Hodges and commissioner elect R. B. Moore returned Thursday night from a visit in the Rio Grande Valley where they went to inspect a road maintainer. It is understood that the Noxville community is purchasing a maintainer for the new road that Mr. Bierschwald has built during his tenure of office.

Eagles are Preparing For Lampasas Game

At 2:30 o'clock on the local field Saturday afternoon, the Junction Eagles will clash with the Lampasas Badgers for the Bi-district title.

The Badgers are quick and plenty powerful. They have not been defeated this year and only two teams have scored on them. The Badgers will weigh about an average of 155 pounds. The Eagles will have to get right in the collar to defeat Lampasas.

The Eagles have been receiving some severe practice this week, so they can out-fight the Badgers Saturday. The Eagles are in good shape to meet the Badgers. They have had plenty of time for their wounds to heal up.

Every one come out Saturday and watch the Eagles "Dig a Badger," for the Eagles are going out on the field with enough pep and fight to defeat Lampasas from the first whistle to the last one. The pep squad and students are going to be behind the Eagles stronger than ever.

History II A Class Organizes New Club

Monday afternoon the History A Class of the ninth grade met for the purpose of organizing a Literary Digest Club. The officers elected are as follows: Joe Roberts, president; Kathryn Hodges, secretary and reporter. A committee was appointed to decide on a name for the club. The members of the committee are: Elsie Martin, Christine Schraub, and Athalia Burt. Club meetings will be held each Monday.

TOKENS OF GOD'S LOVE

(By Rosemary Secrest)
(Sixth Grade)

There are many things that He has done as tokens of His love for us.

Some of the most wonderful are: Giving us life so that we may do His work here and giving us the Bible. If we did not have the Bible, much of his love would be unknown.

Among other things for which I am thankful are my mother, daddy, sister, friends, teachers, and other loved ones; for the animals, the birds, and the rivers for my food, clothing and shelter. I thank Him for the churches where we may assemble to worship Him.

He is continually helping us, and we should continue to thank Him daily.

OUR DUTY

(George Robert Pepper)
(Sixth Grade)

When the pilgrims reached the cold, bare shores of America they gave thanks.

At the end of a successful year they had bountiful crops, for which they gave thanks.

The governor issued a proclamation at this time declaring the last Thursday in November as Thanksgiving Day.

People do not give thanks on account of these customs and this proclamation. From the Bible we are reminded that it is our duty. The people should feel that this is also their privilege.

Civics Club Meets

Tuesday morning at 11:15 o'clock, the house was called to order by Vivienne Livingston, the secretary, for a meeting of the Civics Club.

Oral reports were made from topics in the Literary Digest by each member of the club. The meeting was adjourned at 12 o'clock.

Pep Squad Practicing Stunts for Saturday

On Thanksgiving Day the pep squad presented a stunt different than any stunt they had done this season.

At the half, eight of the girls marched on the field in the form of a "J". The remainder of the girls marched from opposite goal posts and formed a half football back of the "J". While they were in this formation, they gave some yells and sang several songs.

The girls were displeased with their stunt, because there were not enough of the squad present to make the stunt effective.

The squad is doing some hard practice for the game with Lampasas Saturday.

New History Club Is Named "Pathe"

The History II B Class named its club the Pathe Club (Eyes of the World). This is a class in European History, and it is interested in international as well as national topics. Each member contributes to the club program by giving a report related to these topics.

How to Take a Defeat

(By Lorena Couey)

We cannot all be winners. Someone must be a loser. Why get angry and say harsh things about people when we lose? If we cannot play games without getting offended, why play? We play the game for the sport there is in it. We should not get angry, because we cannot win every game we play and succeed in every task we undertake. We must learn to take a defeat in the right spirit.

Sometimes the very best of friends become enemies, because they are defeated in some game. Through sports we may either make friends or lose friends, depending on the individual. Allowing ourselves to lose friends through defeat in sports is a bad trait of character and one that we should strive to overcome. Let us try to take defeat in the right spirit. Remember that it is easier to be a good winner than a good loser.

School Honor Roll

The high school honor roll for the past term is as follows: Eleventh Grade—Lorena Couey and Ella Simon.

Tenth Grade—Veola Wahl, Harrie Ethel Hubbell, Helen Merwin, Mary Elizabeth Merwin, and Arthur Stockton.

Ninth Grade—Lee Ola Hodges, Lucille Williams, and Marie Sheppard.

Senior Class Meets

Last Tuesday morning from 8:30 to 9:00 the members of the Senior Class met in their home room to hold their regular class meeting. Raymond Schneider presided. The Senior class decided to have the meeting Tuesday instead of Friday, which is the appointed day.

The following program was rendered: Reading—Vernelle Tinsley; and jokes—Lorena Couey. The meeting was adjourned at 9:00.

Personal

Christine Schraub spent Friday in Kerrville.

Grade 7—Mary Abel, Annie Laura Braley, Catherine Merwin, Lenore Riley, and Leola Jetton.

El Club Espanol

El lunes a las diez y media se abrió la sesión del club español. La señorita Couey leyó el acta de la sesión anterior. Entonces la señorita Hensley como presidente del comision da programas leía los números del programa. El señor Schneider y la señorita Dechert dieron unas noticias muy interesantes sobre las fabricas de aeroplanos en Mexico y la industria de la caoba respectivamente. La señorita Motley leyó unos chistes. Al fin la señorita Bennett leyó una comedia. Se levantó la sesión a las once y cuarto.

SUCCESS' RECIPE

By changing a few words in a passage taken from the Radford Grocery News, we have the following advice to students:

There is no better recipe for success that is known of than good hard work mixed with a wee bit of intelligence. There is lots of room at the top of the ladder for the person who doesn't get dizzy on the way up. If you are not getting ahead as fast as you think you should, take an inventory. You'll find that the trouble isn't with your teachers, it's with yourself.

Latest—

Ella can't be bothered. Wilbur has lost weight. Lorena has big ears. Marie Dechert grew big feet. Vernelle is love-sick.

Mrs. Felps: "Parse the words in the sentence, 'Tom married Jane.'"

Leonard: "Tom's a noun, because he's the name of something; married's a conjunction because it joins Tom and Jane; and Jane's a verb, because she governs the noun."

Glee Club Meets

Wednesday afternoon at 3:30 o'clock the Glee Club met in the study hall with Miss Nellie Bennett in charge. In the practice singing, Eleanor Highsmith led the sopranos, and Vernelle Tinsley led the Altos. The club had a good attendance.

LONDON LOCALS

The ball game between London and Junction high school teams on the 27th was a fine game as reported by those who attended. We are all pleased with the game and the results expect possibly some technical rulings by the referee. The fighting spirit of the Junction team is appreciated by our boys and their friends. The London team proved to the Junction team that they were worthy opponents. A fine feeling exists with our team towards the Junction team, and this is right, and it gives us pleasure to note this fact.

Since the above was written, our attention has been called to a write-up in the San Antonio Express of the game in connection with a future game with some other team, the description of the game on the 27 between London and Junction cannot be appreciated by our boys and their friends, neither do I believe the good people of Junction who know the facts appreciate any such misrepresentations.

A very strange and costly occurrence took place in our community on the 27th, while Mr. August Herbst and wife attended the ball game in Junction. Some person visited their home and it appears gave poison to a flock of eighty-five goats that Mr. Herbst had left in the pen, the result of which was 43 dead goats. I cannot conceive of how any individual could get lower in the scale of humanity than one who would stoop to as low and cowardly an act as that. There is nothing too low for one so vile to do. This is a case where the entire community should become aroused and put forth every effort humanly possible to find out the guilty person, and then see that they get punishment in measure equal to the crime. It is not so much the value lost as it is the low crime committed.

Mr. E. I. Cummins made a trip to Harper last week, and says the livestock he and others have on pasture down there are doing fine.

Miss Eunice Green left Wednesday, November 26, for her home and to see the ball game in Austin between Texas University and A. & M.

Mr. E. B. Morrison left Friday for his home at Llano for the vacation until Monday.

Mr. and Mrs. Tom Horn visited Mrs. Horn's mother ten miles north of Eden and incidentally called by the Brady Sanitarium to see their new grandbaby recently born to Mr. and Mrs. Howard Horn. Mrs. Horn says she identified him in the nursery among other new arrivals, by his nose.

A sad occurrence happened Friday when an old gas tank which they claimed was filled with water and over a fire exploded and seriously wounded Mr. Eldredge some five miles south of London from which wounds the man died a short time after reaching the sanitarium at Junction. We will not try to give the particulars of the occurrence because we have heard too many versions of it.

A very painful accident happened at Mack's Market Saturday morning when Mr. Stanley Adams, son of Mr. A. S. Adams was preparing his gun for a hunt, it being a Savage rifle, let it go off accidentally striking the cement floor about eight feet from where his father was standing, the bullet, it appears, burst into fragments, nine of which took effect in the legs of Mr. Adams, ranging from one entering the little toe of the right foot to one entering just above the knee of the left leg. All are flesh wounds but painful. This should be a warning to all who handle guns.

Mr. G. W. Crofoot preached for the people here Sunday night and will preach again the second Sunday in December. Lets give him a good hearing.

We all appreciate the front page editorial in last week's issue of the Eagle concerning our school and its superintendent. Under the head of "London Loses Defeat Llano 20 to 0." Among other things the Eagle said was that they have a good coach in the person of Mr. Morrison. And it would be hard to

find a more capable and congenial superintendent than Rankin Kothmann, who is in charge of the London school this season. London has a wonderful school spirit and with the proper financial support on the part of the citizens, a real first class high school will be developed in this progressive community. All of which is true. In this connection I wish to add that our worthy and efficient superintendent has a 100 % co-operation of the entire board of teachers, and the board of teachers are backed up by the co-operation of the intelligent board of trustees, whose one aim is the success of the London High School, in line with this a loyal citizenship who stands squarely by all and declare by word and by action that nothing short of an affiliated high school will ever satisfy them. We are all pleased to know that we are practically a unit in regard to our school. We may have other differences and be far apart but when our school and its interests are involved, all differences are shelved and we work in unison for the school.

London School belongs to the citizens of London Independent School district—no one man or clique of men or women control school matters here. The entire people work together for its success, and their aim is onward and upward. They realize there is no neutral ground; that we are either going forward or backward, hence our watchword is forward. This writer is pleased that this condition prevails in this community concerning our school.

IVY ECHOES

Professor Ed Cummins and his jolly group of basket ball players from the Murr School came down to Ivy last Saturday afternoon and met the Ivy boys and girls in two games of basket ball. The games were won easily by the Ivy teams, but Murr did well, considering that this is their first year in basket ball. The Murr teams were accompanied by a group of patrons from that community and proves that they have a loyal citizenship at Murr so far as school interests are concerned. Anyway, we know that the Murr School has a good supervision this year in the person of Ed Cummins. Ed has natural talents for teaching, is honest, clean and upright in his dealings. What greater qualifications should a school supervisor have?

Come to Ivy again Murr. Ivy senior boys also engaged in a game with Junction Rookies after the two match games with Murr were finished. The following are the results of the afternoon games:

Ivy girls—23
Murr girls—2
Ivy junior boys—18
Murr junior boys—4
Junction Rookies—6
Ivy high school boys—14
Mr. Will Hight was employed and made several needed improvements at the Ivy School

during the week-end. The flue was extended two feet at the top which we hope will stop the stoves from smoking on windy days. Many of the broken window panes were replaced and a foul air ventilator installed at the bottom of the flue.

Lucille Maass was absent from school Monday. Robert Kingston, treasurer of the Kingston Manufacturing Company and George Judson, general sales manager of Jenner's Candy Company of San Antonio visited Mr. and Mrs. Fred Maass last week on the V. and S. Ranch.

Ave Dell Pearl spent the week-end with Mr. and Mrs. Will Mathews.

Hollan Walker visited Mr. and Mrs. Fred Maass Sunday evening.

Marvin Lange and George Ivy spent Sunday with Clarence Grobe.

A fine rain fell in these parts last Saturday morning. The rain will be of benefit to the small grain and winter weeds.

Student application of school work continues good at Ivy. So long as application and interest are good in school, we conclude that the school is functioning as it should.

SPICK AND SPAN ALWAYS

Year 'Round Safety for Christmas

The modern Electric Refrigerator offers you constant assurance that your loved ones are protected from the dangers of spoiled and spoiling foods. Can you think of a Christmas Gift that would mean more to you, and to your family, than this health security?

Foods kept at a temperature of more than fifty degrees Fahrenheit are sub-

ject to bacteria infection—dangerous long before it is apparent to the senses of taste or sight. With an Electric Refrigerator in your kitchen, you need not depend upon physical characteristics—you just know your perishables are clean, pure and wholesome.

Make this a Frigidaire Christmas—the health and happiness of your loved ones deserves this essential gift, and the many economies and benefits of electric refrigeration will repay your thoughtfulness the year 'round—for years to come.

MARY LOGAN CARPENTER CELEBRATES BIRTHDAY

Mary Logan Carpenter entertained a number of her little friends Wednesday, November 26 honoring her fourth birthday. Frog-in-the-Middle was the medium of entertainment until the kodak appeared and a number of pictures were taken. Then came the fun of unwrapping the many beautiful and useful gifts, after which the kiddies gathered around the dining table whose center was decorated with the pink and yellow birthday cake topped with four pink candles. Hot chocolate and sandwiches were served while the cake was being cut. Among those present were: Mary Kathleen and Ruth Mozelle Hodges, Hilma Henderson, Margaret Anne Wright, Pauline, Weisse, Barbara Paxton, Mary Gene Martin, Edwina Lowgren, Betty Fae Kindrick, Lois Crabbs, Thomas Baker, Henry David Taylor, Roy Reynolds, Jr., Bobby Earl Maddux, George Durst, Tom Lemmons Guthrie, Bobby Jarvis, Bill Tatum, G. W. Crabbs, Jr., R. G. Stevenson, Jr., and the honoree. Assisting Mrs. Carpenter were Mesdames Fayette Hodges, Cleve Stephen, J. O. Wright, Marx Weisse, and Annie Laura Braley.

MR. AND MRS. O. BUSTER ENTERTAIN COUNCIL

The Sunday School Council of the Methodist Church, held its regular meeting at the residence of Mr. and Mrs. Ovie Buster, Tuesday evening.

Mr. Henry Bierschwald, the superintendent, presided during the meeting.

At the close of the evening cake and tea were served to Misses Elene Newby, Inez Kelley and Mesdames Geo. Cavanaugh, Roy Borden, Olney Patterson, Clay Seerest, A. E. Bissett, Ada Dockery, Roy Blackburn, Mr. and Mrs. Astor Wallace, Mr. Henry Bierschwald, Rev. Bolton Boone and the host and hostess.

TOMLINSON—LONGSHORE

Mr. Vardie Tomlinson and Miss Edith Longshore drove to the home of Rev. N. H. Skaggs last Friday afternoon and were united in marriage.

Mr. and Mrs. R. E. Homann spent the week-end in Austin.

Mr. Luther Hill is a business visitor in San Antonio and other places this week.

Mr. W. O. Dickerson of Roosevelt was a business visitor in Junction Wednesday.

MISS MARY HUBERT IS HOSTESS TO JUNIOR CLUB

Monday evening, Miss Mary Hubert was hostess to the Junior Bridge Club and a few friends, at the residence of her parents, Mr. and Mrs. H. G. Hubert.

White chrysanthemums provided seasonal decorations. A box of bath powder rewarded Miss Mary Martin for making high club score. The guest prize, a dainty handkerchief, went to Mrs. Powell Paxton. Mrs. W. R. McKee received the consolation, a vanity.

Pineapple parfait, mahogany cake and coffee were served at the close of the evening to Misses Flora Mae Spiller, Mary Martin, Mary Spiller, Lela Taylor, Mesdames Dorothy Westmoreland, James Taylor of Houston, and Powell Paxton of Buena Vista, Va.

LITTLE FOLKS OF M. E. CHURCH ENJOY PARTY

Mesdames W. B. Buster and Otto Oxford were joint hostesses, Friday afternoon, November 28, when they complimented the members of the first and second year classes of the Junior department of the Methodist Sunday School, with a party, at Mrs. Oxford's residence.

Games and contests were enjoyed after which chicken salad sandwiches, cookies and orange ice were served to Irma Lawler, Imogene Phillips, Alberta Livingston, Opal Porter, Wilson Buster, Fay Wiese, Dorothy Wiese, Jo Margaret Buster, Fay Wahl, Louise Becker, Maurine Highsmith, Mrs. Annie Highsmith and the hostesses.

MRS. ED ALLEN IS LITTLE CLUB HOSTESS

Mrs. Ed Allen was hostess to the members of the Little Club and a few friends Wednesday, when she entertained with a bridge luncheon, at her attractive home.

Low bowls of nasturtiums adorned the living room. Grapefruit cocktail, baked ham with mint jelly, sweet potatoes with marshmallows on pineapple rings, fruit salad on lettuce, pickles, olives, fruit cake with hard sauce were served with coffee at noon.

Mrs. Pierce Hoggett received the club prize, an attractive location set. The second club prize, a pretty work basket, went to Mrs. Vann Martin. Mrs. Joe Watson won the guest prize, a pair of cotton towels. Table prizes, kewpie bric a brac, were awarded to Misses Mary Hubert, Elizabeth Summers and Mrs. R. E. Homann.

Coffee and cake were served at the close of the afternoon. Patronize Kimble Co. Merchants

EAGLES MEET BADGERS

(Continued from page 1)
some of the backfield and skirting the ends for good gains.

Coach Bowers reports that the Eagles are in good condition and ready to go. He kept four of his first string men out of the line-up with London last Saturday and all their injuries are gone. All the end-running, line plunging and passing combinations are ready for the Badgers. It matters not how deep the Badgers dig, the Eagles are ready to pull them out. If you have never seen a badger pulled, come to the Junction Field Saturday afternoon at 2:30 o'clock and see how the Eagles can handle 11 badgers at one time.

Junction's Pep Squad of more than forty girls will put on a show that will be worth more than the little "four-bits" that will be charged to see the game. This will be the biggest show ever given in Junction for 50 cents.

Lampasas citizens believe in their team and it is stated that more than two hundred enthusiastic fans will accompany the team. A crowd equal to the Junction-Tivy game last year is expected. See the Eagles take the Badgers in their talons Saturday.

RESOLUTIONS OF RESPECT

We, your committee appointed to draft resolutions of respect on the death of our beloved Sister, Julia Dixon, respectfully submit the following:

Whereas our Heavenly Father has called home one of the dearest and most beloved members, whose daily life exemplified the teachings of our order—

Resolved that we are deeply grieved over the death of our sister and shall miss her help and cheerful presence

Resolved that we do truly sympathize with the sorrowing family and point them to Him who doeth all things well.

Resolved that a copy of these resolutions be spread upon the minutes and be made a part of our records, that a copy be furnished the bereaved family, and a copy also be sent to the Junction Eagle for publication.

Fraternally submitted.

Mrs. J. T. Overby and daughter, Mrs. T. W. Teagle, Mr. Teagle and daughter, Ernestine, of Santa Anna spent Thanksgiving holidays with Dr. and Mrs. J. Holt Smith and family. Mrs. Overby is Mrs. Smith's mother.

Sunday at Our Churches

Presbyterian Services Will be Conducted In Episcopal Church

(G. W. Crofoot, Minister)

OUR INVITATION—To you who would worship God, our Father; to you who would serve mankind, our brothers; to you who yearn for greater strength; to you who seek a broader vision; to you who desire forgiveness from sin, comfort in sorrow, victory over failure, and joy in living, in the name of Jesus Christ, our Saviour and Friend, we extend our cordial INVITATION.

Morning worship will begin at 11 o'clock. At this time Mr. Crofoot will preach the first of a series of sermons entitled, "Beliefs That Matter," the first one being, "A Great Bible."

Evening worship will begin at seven o'clock. The subject of the evening sermon will be "A Great God."

BELIEF AND LIFE

"It does not matter what a man believes if he lives right." This is a very popular remark well meant but inaccurate. For no man can live right unless he believes correctly. Our lives are determined by our beliefs. Let no man say, "I have no belief." Because in so doing, he makes that very statement his belief, and it in turn determines his life.

Beginning Sunday morning, December 7, the Rev. G. W. Crofoot, pastor of the Junction Presbyterian Church, will deliver series of sermons on the general subject, "Beliefs That Matter." The following are the subjects of the several sermons: "A Great Bible," "A Great God," "A Great Guilt," "A Great Saviour," "A great Salvation," "A Great Church," and "A Great Mission."

Every one is cordially invited to hear these "Beliefs" discussed.

METHODIST CHURCH

Sunday School at 10 a. m.—Mr. Henry Bierschwald, superintendent.

Epworth League meeting at 6:15 p. m.—Miss Nellie Bennett, president.

Morning worship at 11:00—Subject: "Blind Bartimeus."

Evening worship at 7:15—Subject: "A Nation that Forgot God."

Woman's Missionary Society Tuesday afternoon—Mrs. William Taylor, president.

Choir practice on Wednesday evening following prayer service. Mr. Ovie Buster, director.

Mrs. A. W. Loeffler, pianist.

The church needs the help of every Methodist in Junction and every Methodist needs the church.

CHURCH OF CHRIST

After having several requests to discuss the question of Di-

vine healing, I have consented to do so at the service next Sunday evening at 7 p. m. The following questions will be discussed. Does the scripture teach that the promise of the miraculous gift of the Spirit made to the Apostles is applicable to all believers? If so, how did it happen that all the believers did not receive it then? Why was not Timothy, and Trophimus healed as both were faithful believers? Were the nine supernatural Gifts of the Spirit mentioned in First Corinthians, 12th Chapter intended for all believers? Seeing that Wisdom, Knowledge, Faith, Healing, Miracles, Prophecy, Discerning of Spirits, Devers kinds of Tongues, and Interpretation of tongues, were all given by one spirit, it so said the Apostle Paul. Did all true believers have all of these miraculous gifts then? Can we hope for, or expect them now?

A special invitation is extended to everybody who desires to hear the discussion of these questions. All who come are assured that no ridicule or bitterness will be resorted to; but on the other hand I shall try to present the facts as I find them in the Bible to teach. All the regular services at the morning hour. Subject for the morning hour, "Jesus said to Pilate, 'My Kingdom is not of this world.'"

FULL GOSPEL SERVICES

Services will be held at the Tabernacle at 7:30 o'clock every night this week and next. Every one is invited. The tabernacle is located three blocks south of the State Bank building.

Special songs and testimony service every night. Come and hear what Jesus Christ is doing for the people.

SUNDAY SCHOOL AND CHURCH AT SEGOVIA SUNDAY, DEC. 7, 2:30 p. m.

Every one who is interested in having a Sunday School in the Segovia community is invited to be present at the Segovia school house at 2:30 p. m. Sunday, December 7. On this same date at 3:30 p. m. Mr. Crofoot, pastor of the Junction Presbyterian Church, will preach. A cordial invitation to attend these services is extended to everyone.

JUNIOR B. Y. P. U. PARTY

The Junior B. Y. P. U. of the Baptist Church held its first monthly party at the church Tuesday evening, November 25.

The first part of the evening was devoted to playing games that were enjoyed by everyone.

Refreshments of hot chocolate and sandwiches were served while several talented members of the organization entertained with readings, songs, jokes and impromptu speeches.

Read What Edsel Ford Says About Model Changes

FORD MOTOR COMPANY

OFFICE OF THE PRESIDENT
LOEFFLER MOTOR COMPANY
JUNCTION, TEXAS.

ROGUE PLANT
DEARBORN, MICHIGAN.

Gentlemen:

You recall when the model A was introduced three years ago we stated we would make more Model A cars than we had made of the Model T. We still intend to do that. In fact we look forward to the day when the 30,000,000th Model A will come off the line.

When the model A was offered to the world it was three years in advance of its time. Since we have constantly added to value by improving design, materials, and workmanship, and in the last 12 months we have made two price reductions. We shall continue to improve quality in every way possible, but no major changes in the car or truck are contemplated.

We have the utmost confidence in the future of business, particularly of our own business and that of our Dealers. We are in the midst of the greatest expansion program in our history, spending millions of dollars this year in building new plants throughout the world, and planning to spend millions more next year. These plants are being toolled to produce Model A cars and AA trucks.

The unprecedented public enthusiasm which greeted the New Ford still exists today. This is evident from the fact that the percentage of the automobile business now being done by Ford is considerably in excess of what it was last year.

With best wishes.

Yours very truly,
E. E. FORD,
President.

State Department of Education Commends Judge J. B. Randolph

In order that the various schools asking for State Aid may know how much will be granted, Judge J. B. Randolph asked for an early inspection of the schools applying for aid. The following letter from the department explains why the inspector will visit the county rather late this year, and it also compliments Judge Randolph on his ability as a county superintendent.

The letter follows:
Mr. J. B. Randolph,
County Superintendent,
Junction, Texas.
Dear Mr. Randolph:
I have your letter of November 25th addressed to Superintendent Marrs in which you request an early inspection of your schools. Permit me to advise that it will be impossible for us to reach your county before the first of January. I regret very much to note that you are retiring from office as county judge especially as our official relations have been so very satisfactory and that we consider that you served in the capacity of a county superintendent much better than many of the so called ex-officio. I may add in response to our visiting that we are releasing in most every instant all the local taxes that may be collectable to continue the term of school after the six and one-half months term cared for by the state has expired.

Very truly yours,
John T. Conn

Millions of men and women the world over know that the Kruschen Method of burning up fat and getting weight down to a healthy and shapely basis is a safe and sensible one.

But there are millions more who are not far who ought to know that Kruschen Salts keeps the body free from harmful toxins and acids—puts into your internal organs, nerves, glands, and fibres the six vitalizing minerals that nature says it should have if you are to be vigorous, energetic and free from petty ailments.

If your weight is normal and you have no fat to lose—eat anything you want and take one half a teaspoonful of Kruschen Salts in a glass of hot water before breakfast every morning.

An eighty-five cent bottle lasts four weeks—and after the first bottle you will realize what a wonderful rejuvenating combination Kruschen is. You will probably feel younger than you have for years with clearer skin, brighter eyes, and keener mind.

You can get Kruschen Salts at Heyman's Drug Store or any real drug store in the world. It's the inexpensive way to have glorious health and to keep it.

Junction Trade Notes

(By G. G. Co.)

Visitors to Junction comment on the gorgeous color and charm of the Hill country at this season. Mr. and Mrs. Fred Waterman of Ute Park, N. M. Rocky Mountain region, are spending the winter in Junction, domiciled at beautiful Kimble Courts. The "Eat More Lamb" Club has started functioning in Texas to offset the decline in lamb prices and meetings are scheduled to be held in Junction and Kerrville at Kerrville, Dec. 16, 9 a. m. and at Junction 2 p. m.

Society note: A man in Ohio has invented a device that will shuffle and deal four hands of bridge in 20 seconds. The American Motorists Ass'n with figures now in hand, estimates 36,000 people will be killed in automobile accidents in 1930. Chief Phares of Texas Highway Patrol advocates a driver's licensing statute to offset the alarming number of casualties and suggests that many of the accidents are due to trucks operating without rear view mirrors.

In stock: "Sunshine" Fruit Cakes for those who have not made their own, in 1 lb., 2 lb., and 3 lb. tins. Gann Grocery Company. Cranberry Sauce in tins, ready to serve.

Roy Green of Lampasas, experienced laundryman, has leased the Craven Laundry in Junction and is now in charge. Lee Craven will be associated with his father in the Craven's Pharmacy. Miss Betty Bundy of State University and Miss Martha Bundy of Main Avenue High School of San Antonio, spent Thanksgiving at the beautiful Bundy Ranch on the Divide. Mr. and Mrs. A. J. Slaton of Spur spent Thanksgiving with their children, Mr. and Mrs. M. B. Bethel of Junction, and enjoyed the thrill of a deer hunt in the Hill Country.

Local weather report: November 29, Dec. 4: Rain and thunder, temperature 60 degrees. Practically all Junction territory reports rain and Johnson Fork past flooding Dec. 4.

In stock: Seed Rye, Barley, Wheat and Oats. Gann Grocery Company. Bermuda onion plants and sets in stock.

State Highway Dept. Dec. 1 let contract for 12.8 miles construction from Kimble County line east through Harper on Highway 29 at cost of \$88,314. Ed and Raymond Allen, co-operating with the county, are furnishing teams for improving the road in that community, the county commissioner furnishing the labor for the road work. Mrs. Adam Murr of the Murr Community came to town Tuesday, the road in the Murr community having been recently improved. In the vicinity of Evans & Gant well, Jeff Love Ranch, west Kerr County, the Magnolia Co. is reported to have leased 88 acres at \$87.50 per acre.

Next attraction: Saturday, Dec. 6: Junction vs Lampasas on Junction field, for bi-district football championship.

Gann Grocery Company
"Everybody's Store."

Mr. and Mrs. John Osbourne of Llano spent Thanksgiving with Mr. Roscoe Stevenson.

Miss Janita Dicky visited in Abilene during the Thanksgiving holidays.

Mrs. J. B. Nelms and Miss Dorothy Krauss were recent visitors in San Antonio.

Mr. and Mrs. J. A. Thompson are the guests of Dr. and Mrs. L. L. Skaggs and family of San Antonio.

WEATHER REPORT

Two good rains have fallen since the last issue of the Eagle, the first last Saturday morning when the gauge registered .8 of an inch, and the second early this (Thursday) morning when a good shower fell. The prospects, at this time are good for more. The rain last Saturday was appreciated as it came at an opportune time for small grain.

HUGH ELLEDGE DIES

Mr. Hugh Elledge was fatally injured at his home last Friday when a gas tank off of an old Ford car had been converted into a steam boiler by his 17 year old son. The tank had been filled with water and a fire built underneath. Reports reaching the Eagle office state that the son had attached whistles and invited his father to see the contrivance. There was no steam gauge on the boiler and while looking at it an explosion took place injuring his father so that he died soon after reaching Junction.

The boy and other members of the family are grief stricken over the fatal accident.

The Highland Chevrolet Co. states that their filling station is now an authorized Humble Dealer's Station and that all courtesy cards will be honored.

Mr. J. D. Motley, better known in Junction as "Dong" was a visitor here Monday evening in the interest of Highway 4.

Mr. and Mrs. W. J. Bryan and children left Thursday for their home in Memphis, Texas after a visit with their parents, Mr. and Mrs. Frank Wilson.

Diversification Pays

This institution recommends poultry raising as one of the best cash crops for the ranchman, farmer, and town family with poultry fences. Many cases of eggs are being shipped into Kimble County each week. The money paid for these eggs should be paid to people living in Kimble County.

One or more good cows, a few hogs and 100 or more hens will go a long way towards supporting a family. Skim milk is one of the best feeds for both hogs and hens. This is one of the first ways to begin diversifying.

We congratulate the 4-H club boys and girls in Kimble County. They are learning how to grow and feed livestock. They are also learning that they should grow feed for the farm and ranch and that the best way to market it is through Kimble County livestock.

Let the officials of this bank talk over your problems with you, and begin the new year of 1931 by terracing your land, and diversifying your crops so that the greater part of your living will be grown at home and put in cans for winter use.
