Allred Leads For Governor

MAHON IN LEAD FOR CONGRESS ALLRED HEAD IN STATE

Local Man Leads In First Count

Mitchell County is going strong for George H. Mahon for congress. On the basis of the first returns he was leading with an overwhelming majority. Out of 771 votes in the Loraine and Colorado boxes Mahon got 637 and his opponents got 134.

A report from Rule in Haskell county gave Mahon 287 out of a total of 569.

A report from the Texas Election Bureau at 10 o'clock gave incomplete returns from 15 counties in the 19th congressional district. A total of 18,832 votes had been tabulated. Out of the number George Mahon got 6,769, Mullican 4,769, Duggan 3,761, Pharr 1,619. The other candidates were trailing far behind.

LORAIN FOR W. D. McCARLEY

On the last count at 11:30 p. m. W. D. McCarley was leading Frank Crownover 14 votes for commissioner. The count was 271 for McCarley and 257 for Crownover.

John Seown was leading the filed for public weigher with 168 votes. Woodrow Pratt was second with 99, Moody Richardson 3rd with 96, Bill Honea had 81, Bud Richburg 68, and C. G. Alford 28.

BARRIER ELIMINATED FOR STATE REPRESENTATIVE

H. B. Barrier, Mitchell County candidate for State Representative, was eliminated from the runoff. Totals from Mitchell and Nolan counties gave the candidates the following votes. Fisher county had not been heard from. Duncan 1199, Davison 238, Barrier 881, Scott 1378, and Roberts 1188. From the above figures indications are that Duncan and Scott will have to run it off.

GEORGE H. MAHON

A report from 19 of the 25 counties in the 19th congressional showed George Mahon leading in 15 of them. The vote was: Mahon 11,698, Duggan 5,838, Mullican 6,051, Pharr 2,238. All others had received 3,651.

SENATOR WINS OVER BOTH OPPONENTS

Dallas, Texas—Senator Tom Connally apparently won re-nomination by safe majority over both opponents in Saturday's democratic primary when Texas Election Bureau suspended tabulation for the night early Sunday morning. He led every tabulation. Probably half the vote had been reported.

Walter Woodul leads field for lieutenant governor, Joe Moore second, John Hornsby third.

THANKS

The News wishes to thank all who assisted us in putting over this election special.

We have tried to give our readers complete coverage on the election news.

RETAIL SALES IN TEXAS INCREASED IN MAY

Austin, Texas, June 25—Retail dollar sales in Texas during May made a very favorable showing, according to Dr. F. A. Buechel, assistant director and statistician in the Bureau of Business Research of The University of Texas. Reports from 88 stores covering all sections of the State show an average increase in dollar sales of 11 per cent over April and 22 per cent over May, 1933. Sales for the year to date averaged 30 per cent above the corresponding period last year. Although every city from which reports were received made a favorable showing, those cities which were above the average compared with their showing, those cities which were above the average compared with their showing in May and the year to date, 1933: Abilene, Corsicana, San Antonio, Temple, Tyler, and Waco. The "all others group," consisting of stores in smaller towns, again made the best comparative showing.

Of the various types of stores, men's clothing stores had the largest increase in sales compared with May last year, followed in order by women's specialty shops, smaller department stores, dry goods and apparel stores, and larger department stores. Compared with April, the smaller department stores made the largest percentage gain, followed in order by men's clothing, larger department stores, dry goods and apparel, and women's specialty shops.

Collections of outstanding accounts also were highly gratifying. In May 36.9 per cent of accounts outstanding were collected against 31.5 per cent during the same month last year.

POULTRY AND EGG SHIPMENTS DECLINE

Austin, Texas, July 2—Poultry and egg shipments from Texas to interstate points showed a marked decline in May in comparison with the same month last year, according to the University of Texas Bureau of Business Research. Total shipment of poultry

Albany Interested in First Bank Holdup

Albany took an interest in the first bank robbery ever to occur in that little West Texas city. The scene above was snapped in front of the First National Bank of Albany after two robbers escaped with \$12,000 in cash and travelers checks. James Lucas, 22, and Jack Hardin, 31, were arrested after a running gun fight in automobiles, and admitted the robbery. Lucas stating that he planned the robbery five years ago while he was a schoolboy depositor at the bank. (Texas News Photos.)

and eggs were only 160 cars, last year, a decline of 22 per cent. Of these totals, 87 cars were poultry compared with 128 cars in May last year and 75 cars were eggs in comparison with 78 cars a year ago.

Receipts of eggs from out-of-state points totaled 50 cars, against 44 cars last year. All of these receipts came from Kansas this year, whereas last year 42 cars came from Kansas and two from Missouri.

COWBOY ROUNDUP ANNOUNCED FOR AUG. 16-17

The fourth annual Nolan County Cowboy Roundup has been an-

nounced for August 16 and 17 at the Double Heart Ranch ten miles south of Sweetwater. The program will consist of rodeo, barbecue, and dancing.

Ollie Cox, manager of the ranch was in Loraine last week and stated that he would like to have some young lady from Loraine enter the contest as sponsor. The sponsor winning first place will be awarded a ladies' saddle valued at \$150, second prize will be a pair of riding boots, third a pair of spurs and the fourth a handsome purse. Any girl who can ride a horse well might win. Sponsors will receive all courtesies free at hotels and cafes in Sweetwater.

**REVIVAL AT BETHEL
CLOSED MONDAY, JULY 16.**

(Delayed from last week)
The revival meeting which had been in progress at Bethel for the past ten days closed Monday morning with a service at Pecan Grove. The visiting minister, Rev. James Lunsford, brought a mes-

age on baptism. Following this service 14 were baptised.

As a result of the meeting there were 19 conversions and 14 additions to the church, and several members came rededicating their lives to the work of the Lord.

CLEMENTS SELLS HDWARE

W. P. Clements closed a deal this week whereby he sold his stock of hardware here to Earl Hammond of Colorado. We understand Mr. Hammond intends to move at least a part of the stock to Colorado where he already has a store.

Mr. and Mrs. Clements will go to Phoenix, Arizona.

**NEW POSTMASTER

MRS. MARTIN IS HONORED WITH SHOWER

Friday afternoon Mrs. G. A. Hutchins and Mrs. Stanton Hutchins surprised Mrs. P. T. Martin (nee Gather Lee Terrell) with a miscellaneous bridal shower at the lovely home of Mrs. W. L. Hester.

A large number of guests registered in the brides book presided over by Mrs. Glen Coon.

Guests were met at the door by Mrs. Stanton Hutchins and Miss Bessie Hendrick, and ushered into the dining room where Misses Louise Ohlenbusch and Margaret Ruth Edwards served punch. The afternoon was spent in pleasant conversation on the spacious lawn and porch until the arrival of Mrs. Martin from Sweetwater where she had previously been taken by friends. An appropriate reading was given by Louise Ohlenbusch, followed by a musical reading by Quita Richards which portrayed the life of the bride. Mrs. Tommy Roberts toasted the bride and Miss Estha Edwards gave a toast for the girls left behind. Then little Eddie Richardson presented the honoree with a lovely basket of gifts which were admired by the guests.

Out of town guests were Mrs. Ell May, Mrs. Clyde Smith, Colorado, and Miss Ollie Manly, of Abilene.

LORAIN DEFEATS MIDLAND SATURDAY

The fastest baseball game of the season was played on the ocal diamond last Saturday afternoon when Loraine defeated Midland 6 to 1. The game was errorless on the part of the local team and almost so on the part of Midland. Only three errors were made in the game and they were all made by Midland players. It looked more like a league ball game than an amateur game.

The locals pounded the ball hard and gathered 12 hits while the visitors got only 6. Lefty Jones, pitched for Loraine, really pitched a good game Saturday. He struck out several Midland men and kept their hits so well scattered they could not get more than one run across the plate.

ORPHAN CHILDREN GAVE PROGRAM HERE

Ten boys and nine girls from Boles' Orphan Home at Quinlan, Texas, chaperoned by Prof. and Mrs. Barber, son of the Supt., gave a sacred song concert at the Church of Christ Monday at 10 a. m.

The home is caring for 206 children ranging in ages from a few months to 19 years. The home is crowded and hundreds are on the waiting list. The home owns over 400 acres of land and cultivates most of it for supplies for the children. 60 cows, 300 hogs and 7 teams besides the children and workers must be fed.

Mr. and Mrs. Jack Richey returned Monday from Odessa where they have been visiting Mr. and Mrs. N. L. Crownover.

Mrs. J. T. Nelson and daughter Lucile returned Friday from San Angelo where they have been visiting relatives for the past few weeks.

Ask us how easy you can own a Refrigerator, either electric or kerosene oil. Hutchins and Hall, Drugs.

LORAIN HAS OUTSTANDING BASEBALL TEAM

Loraine has an outstanding baseball team. Every member of the team is hitting above an average of 300 except three and the team average for the 19 games in which they have played is 343. This is a record that few teams, even in the leagues, can equal and perhaps none can surpass.

Sharon Adams is leading in home runs with seven. Ira Coffee has hit safely in each of the 18 games he participated in.

Below is the average:

PICNICERS WARNED TO BE CAREFUL OF FOOD — WATER

Austin, Texas July 16—, Dr. John W. Brown, State Health Officer, warns those going on a vacation or picnic, to be careful about their food and the water they drink if they want to avoid unpleasant after effects.

"As to foods," Dr. Brown said, "First; be sure that what you take is perfectly fresh. Second; Take things that won't spoil. During the hot muggy weather that prevails at this time of the year, it is hard to keep any kind of food in good condition, as every housekeeper knows. Rich, perishable food taken off the ice and carried around for several hours before using will spoil very quickly.

"It is better to avoid rich salads and indigestible combinations and to stick to the simpler things. Sandwiches—of which an infinite variety can be prepared—cake, the simpler the better—and plenty of fresh, ripe fruit, are usually safe and satisfying and should form the principal part of your menu. Whatever you take, don't overeat and don't indulge in all sorts of queer mixtures. If you do, the day after the picnic is not likely to be a pleasant one for you.

"And as a third precaution: Take your own drinking water, unless you are sure that the water supply of the place where you are going to spend the day, is free from contamination. Thermos bottles, thermos jugs, fruit jars, can all be pressed into service. It may be more trouble to carry water from home, but it is much safer than to drink water from a source that may be contaminated with disease germs, especially those of typhoid fever."

NEW CHARTERS IN JUNE INCREASE OVER MAY

Austin, Texas, July 16—New charters granted corporations during June to carry on business in Texas showed a substantial rise over May, according to Dr.

F. A. Buechel, statistician in the Bureau of Business Research of The University of Texas. A total of 130 charters was granted with aggregate capitalization of \$1,890,000, increases of 8 per cent and 50 per cent respectively over the number and capitalization in May. There was, however, a decline of 30 per cent in number and practically the same percentage drop in capitalization in comparison with June, 1933; and for the year to date there was a drop of 12 per cent in number and 39 per cent in capitalization compared with the corresponding period last year.

Charters granted out-of-state firms were 29 per cent fewer than in May but 4 per cent above June last year; and for the first six months the increase over last year was 27 per cent.

A total of six firms with capitalization of \$100,000 or more each was chartered against two in May and six in June last year. During the first half of the current year seventeen firms were chartered against 34 during the corresponding period last year.

G. W. Lee DIED SUNDAY MORNING

Funeral rites were held at three o'clock Monday afternoon for G. W. (Uncle Tobe) Lee, 74, whose death occurred Sunday morning at his farm home near Bauman. The funeral service was conducted by Rev. H. N. Baldree, pastor of the Bethel church, assisted by Rev. W. D. Green of Sylvester and Rev. A. C. Hardin of Loraine, both former pastors.

Mr. Lee was born in Kentucky December 25, 1859, and died July 22, 1934. He was married to Miss Mollie Mills October 13, 1878, near Dallas, Texas. To this union was born the following children all of whom are living near Loraine: E. F. Lee, C. L. Lee, J. W. Lee, J. C. Lee and G. O. Lee. Besides his wife and children he is survived by 29 grand children and 9 great grand children and a host of other relatives and friends.

Mr. Lee was a pioneer citizen of Mitchell County having moved here in December 1897. He was a member of the Baptist Church at Bethel and was a faithful Christian from the time of his conversion until his death.

Out of town relatives who attended the funeral were Boss Mann and Mrs. Quinn of Ackerley, Mrs. Lee Box of Stamford, Mr. and Mrs. Davis and daughter of Sonora and Mr. and Mrs. Claude Garrett and daughter of McCamey.

Pall bearers were Ben Wiggin's, Dee McColum, Clifton Henderson, Les Collier, Floyd Thomas and Luke Finley. Flower girls were his granddaughters.

Interment was made in the

Loraine cemetery under the direction of G. W. Hendrick of the Loraine Undertaking Company.

The esteem in which Mr. Lee was held in the community was shown by the large concourse of friends who accompanied the body to the cemetery.

Mr. and Mrs. Clyde Wilson spent Sunday in Lamesa visiting relatives and friends.

THE immediate and enthusiastic acceptance of the new Firestone Century Progress Tire started a tremendous wave of buying that is keeping the Firestone factories running twenty-four hours a day to meet this huge demand.

We knew that car owners would replace their thin-worn, dangerous tires if they could get what they wanted in a tire at the price they wanted to pay. We found the answer through ten million visitors to the Firestone Factory at the World's Fair last year. We asked them—"What do you value most in a tire?"—and their answer was—"Give us Blowout Protection, Non-Skid Safety, and Long Wear, at a moderate price."

METHODIST REVIVAL

The Revival meeting has just closed and it was one of the best the "Old Timers" say, that we have ever had. The Church was greatly helped, and many people were saved. We do not know how many were converted, but there were about forty to join the Methodist Church, and a number signified their desire to join the Baptist Church. Rev. Jim Sharp of Stanton did the preaching and it was well done. The spirit of cooperation of all denominations, was splendid. We were one in our prayers and desires. As pastor, I want to thank every one for your cooperation, for it was this that gave us such a splendid Revival. I also thank those who were so faithful in planning the music and giving such splendid help in song and with instruments. I am sure I was never in a Revival where we had better music. We all rejoice at the splendid results. C. B. Meador Pastor.

FIFTH SUNDAY SINGING

Sunday singing will be held at the Methodist Church Sunday afternoon, beginning promptly at 2:30, according to Bud Richburg. C. C. Nace of Big Spring will be here with a generous supply of new books. He will also have a delegation of singers with him. If you love good singing do not fail to attend Sunday.

METHODIST CHURCH NOTES

Sunday was a record breaker for there were 336 present at Sunday School, with 25 visitors whom we were real glad to have with us. We were especially glad to have Rev. Gist and family, pastor of the St. Mark Methodist Church of Oklahoma City, with us.

Philip Smith sang a solo at the morning hour. Rev. Sharp delivered two wonderful messages Sunday. The theme for the morning service was "To Him that Overcometh", and the night service was on "Neglect." Rev. Sharp brought some fine messages and those of you who missed them certainly did miss some blessings. We had a wonderful meeting, there being about 45 who gave their lives to Christ.

23 joined the church by baptism. The church has been wonderfully blessed by Rev. Sharp coming our way.

We hope you will continue to come each Sunday so we may continue the good work of the Lord. There will be prayer meeting Wednesday night. Lets have a fine crowd present.

BAPTIST—METHODIST BASEBALL GAME

Wednesday afternoon the boys from Judge Hall's class and Otis Muns class engaged in a baseball game at the City baseball park. The game lasted eleven innings with the Methodist coming out on top with the larger end of the score. Defeating the Baptist 13 to 9. The game was the first to be played by these two teams, but there will be more games probably every Wednesday afternoon. The games are played for the benefit of arousing interest in the two Sunday School classes. Everyone is invited to attend the games.

We would appreciate it if the boys that are on the team and are working if their employers would let them off by 5: o'clock as no game will be called before then until further notice.

Make wash day a pleasure with an automatic washer, either gasoline or electric power.

STORE IS ROBBED

Aron Johnson's grocery store was entered some time during Friday night of last week and almost all of his supply of tobacco and such items were taken. Most of his canned fruit was also taken. The thief was tracked a few blocks from the store and then his tracks lost on hard ground.

BAPTIST REVIVAL AUG. 3

The Baptist Revival will start Friday August 3rd, at the Methodist tabernacle. Services at 8:30 in the Evening and 10: in the morning. T. J. Riden will be in charge of the singing. A. C. Hardin pastor doing the preaching. One and all are invited to attend.

Thanks-

I want to sincerely thank the Voters of Loraine and the 117 District for your votes.

History in the MAKING

That is what is covered in our *Weekly News Review* feature each week. It is an interpretation of the events of each week that are making the history of the nation and the world. It is prepared by Edward W. Pickard, one of the highly trained newspaper observers of the nation, and syndicated to a limited number of newspapers in the different states. It is the best feature of this character that goes to American readers from any source. You can make it the foundation of your discussion of world events with friends.

PHYSICIANS MUST REPORT CATCHING DISEASES

Austin, Texas, July 23—Asked who is responsible for reporting the occurrence of typhoid fever, tuberculosis, measles, whooping cough, diphtheria, scarlet fever and other "catching" diseases to the Health Department, Dr. John W. Brown, State Health Officer, said:

"According to the laws of Texas relating to public health, a physician is required to notify the health officer of the city, town or county in which the illness occurs, immediately and in writing, of each case of a notifiable disease that is under his professional care. They in turn notify the State Department of Health.

"But the responsibility of reporting the diseases that are usually spoken of as 'catching' and that spread from person, or are contracted in handling or eating contaminated foods, or in drinking contaminated water, or that are spread through the bites of insects or in handling infected animals, is not limited to the doctors in attendance on such cases. Parents, guardians, householders, hotel-keepers, superintendents of institutions, principals of schools, public, private or parochial, masters of vessels, owners or operators of dairies or ice-cream manufacturing or distributing plants, are also charged with the duty of notifying the nearest health officer of each actual or suspected case of a 'catching' disease that comes under their observation.

"A health department is a department of public safety—much like a fire department. Immediate reporting of the 'catching' diseases is asked in order that the disease fighting activities can be gotten under way, without delay, to safeguard those who are in contact with or exposed to those diseases and to prevent the diseases from spreading to others."
