Russian Army Smashes Forward Along Germans' Southern Line

Enemy Garrison At Taranog Is Trapped By Reds

Russia Celebrates Fall Of Key Point

LONDON — (AP) — The Soviet army captured the towns of Yelnya and Glukhov, in twin drives against the center of the German front, Premier Joseph Stalin announced Tuesday in two orders of the day.

MOSCOW — (AP) — The Russian army is smashing unchecked through German defenses and is now more than halfway to Mariupol from fallen Taganrog, southern anchor of the long German line, dispatches from the front reported Tuesday.

All Russia was celebrating the fall of the city, gateway to the Caucasian oil fields and the canor of Moscow boomed out a 124-gun salute to the Red Army at the orders of Marshal Joseph Stalin, who announced that the drive had cleared the Nazi army from the entire province of Rostov.

15 Places Retaken
The city on the northern coast of the Sea of Azov was captured by cavalry and tank units of the Southern Russian Army commanded by Col. Gen. Tolbukhin.

Remnants of the Tanager garrison, trapped by Russian forces which drove through to the coast some 28 miles west of the city, were being methodically wiped out, a Soviet communique said.

Triumphantly the Russians announced that 15 populated places had been reconquered in the great victory which threatened the whole German right wing and proclaimed that the entire Rostov region had now been liberated from the Nazi invaders.

The capture of Taganrog followed the same general pattern as the pincer movements which resulted in the fall of the German bastions of Oril and Kharkov earlier this summer. The Soviet communique disclosed that Red Army divisions had launched a drive from Donetsk-Anvrosievka, 40 miles northwest of Taganrog, to Veselo-Voznesenskaya, 28 miles west of the city, while other Russian forces closed in from the east.

Nazi Losses Heavy
The communique said the Germans suffered heavy losses in men and equipment in the ensuing battle.

Action on other fronts found the Soviet drive on Bryansk, important rail junction and German base 200 miles southwest of Moscow, gaining momentum with the Russian communique announcing gains of six to 13 miles and the capture of 50 villages.

Russian columns pushing on from Kharkov apparently were meeting stiff German resistance. The Nazis launched a counter-attack with large forces from Lyubotin, 17 miles west of the city, the Russians said, but it was smashed and the Soviet troops pushed on, establishing new positions.

War Bulletins

LONDON — (AP) — Leaflets have been distributed in Rome calling on the people to go on a 15-minute strike at 10 a. m. Wednesday, standing silently with arms crossed, the Rome radio said Tuesday. In a later broadcast the Italian news agency declared six Italian anti-Fascist parties had denied they had anything to do with the circulars.

CHUNGKING — (AP) — Clashes around Japanese-held Kihwa, an important railway town in Chekiang Province, were reported Tuesday in a Chinese high command communique which stated that in one section, "the enemy suffered heavily before retreating."

NEW DELHI — (AP) — Royal Air Force fighters and dive bombers continued to range over Burma Monday, shooting up Japanese troop positions and blasting factories and river craft, an Allied communique said Tuesday.

Churchill Says Quebec Talks Dealt With War Against Japan

QUEBEC — (AP) — Prime Minister Winston Churchill said in an address Tuesday that the recent conference here was concerned principally with "inflaming" the war against Japan, with whom Russia is at peace, and that therefore it would have been an embarrassment to the Soviet Union to have been represented.

The British premier said, however, that it was hoped soon to hold a United Nations conference at which the Soviets would be represented.

Doesn't Blame Russia
Such a unity of decision between the three great opponents of "Hitlerite tyranny" would be greatly desirable, he said.

Churchill said he did not blame Russia for any criticism it had leveled at its Allies for not having opened a second front on the continent.

He said that whenever a second front was opened on the continent it would be done only when there was every chance of military success and would not be swayed by political considerations.

Churchill said he was looking forward to the opening of a third front, presumably referring to Japan.

Russians Praised
Italy, he said, was paying a "terrible penalty" for having been misled by the Germans.

The terrific aerial attack against Germany, Churchill said, would not have been possible without the magnificent stand of the Russians against Hitler's forces.

No country, he declared, ever had withstood such a devastating attack as that thrown at the Russians. The late King Boris of Bulgaria, he pointed out, might serve as a warning to other rulers that "the wages of sin is death."

At present, Churchill pointed out, Britain's principal activity against Japan must of necessity be centered in India.

He expressed extreme confidence in Vice Admiral Lord Louis Mountbatten, the new Allied commander in chief in that theater.

Any speculation on when the war would end Churchill described as "vain and unprofitable."

Woman In Black Sought In Death Of WAC Corporal
INDIANAPOLIS — (AP) — A "woman in black," unknown but eagerly sought after, Tuesday was believed to be holding the key to the slaying of WAC Corporal Maoma L. Ridings Saturday in a downtown hotel.

Police Chief Clifford R. Becker, investigating a body's report of seeing the woman in black in Corporal Ridings' room when he took soft drinks up there the night of the murder, said "I feel certain when this woman is found the case will be solved."

The possibility that the woman might have been a man masquerading was advanced by Lt. Noel Jones, in charge of the detective investigation.

Dr. Roy B. Storms, Marion County coroner, said there was evidence of rape, and attributed the Georgia girl's death to shock and loss of blood contingent upon a severed jugular vein.

Lieutenant Jones reported that an 18-year-old youth surrendered to police in New Castle, Ind., and confessed to the killing. He was held on a vagrancy charge, but Lieutenant Jones said a check of the youth's confession failed to substantiate his account of being in Indianapolis the night of the killing.

RATION BOARD OFFICE TO BE CLOSED WEDNESDAY
The office of the War Price and Ration Board will be closed all day Wednesday while monthly reports are made, Mrs. R. C. Ferguson, chief clerk, said Tuesday.

DE MARIGNY BOUND OVER
NASSAU, BAHAMAS — (AP) — Magistrate F. E. Field Tuesday ordered Alfred De Marigny held for jury trial on a charge of murdering his multi-millionaire father-in-law, Sir Harry Oakes.

FASCIST OFFICIALS HELD
NEW YORK — (AP) — An Italian broadcast recorded by U. S. government monitors announced Tuesday the dismissal of Dr. Filippo Manlio Presti as prefect of Rome and reported the arrest of numerous high-ranking Fascist party officials.

ABOUT 500 NORWEGIAN POLICEMEN ARRESTED
STOCKHOLM — (AP) — Between 500 and 600 Norwegian policemen have been arrested since pro-Nazi Police Minister Jonas Lie began a purge of the organization on Aug. 16, the Norwegian legation press bureau reported Tuesday.

Allies Destroy 37 Jap Aircraft In Wewak Attack

Troops Hold Strong Lines At Salamaua

BY DEAN SCHEDLER
ALLIED HEADQUARTERS IN THE SOUTHWEST PACIFIC (AP) — Liberators and Lightnings in a 114-ton bombing attack on Wewak, New Guinea, have added at least 37 Japanese planes, and possibly 49 to the more than 300 destroyed there since mid-August.

This new air victory, scored Sunday, was reported Tuesday by Gen. Douglas MacArthur's headquarters in a communique which also disclosed that Allied troops held strong ridge positions above as well as below the airdrome at Salamaua, 350 miles below Wewak.

At Wewak, where the enemy has sent in reinforcements to replace losses which have been mounting since Aug. 17, the Liberators wiped out at least 12 planes on the ground while the Lightnings, in furious battles with 60 Zeros, downed 25 for certain, 12 probably, and damaged at least 17 others.

"Our losses were light," the communique said.

Previous communications on the land fighting at Salamaua have been concerned mainly with action below the airdrome where American and Australian jungle forces have edged to the southwestern end of the air strip. But Tuesday's communique told of Allied forces repulsing Japanese counterattacks Saturday night and early Sunday on Kila Ridge. Kila is a small town above the airdrome and slightly west of Salamaua.

No Fighters Lost
Along a nearby ridge, which runs southward, Allied troops threw back the Japanese and killed at least 40 of the enemy, a spokesman said.

The Wewak raiders, in addition to destroying enemy planes, started explosions and fires among ammunition and fuel dumps.

Not a Lightning fighter was lost in the series of brilliant dogfights. The first battles were fought at altitudes ranging from 13,000 to 20,000 feet, during which time seven Japanese planes crashed. A short time later, another large force of Japanese fighters appeared for combat with the same group of Lightnings. Eighteen enemy aircraft were shot down.

Jap Cruiser Hit
The communique also reported a raid by a strong force of Mitchell medium bombers which dropped 45 tons of bombs on supply bases at Alexishafen and Bogadjim, between Wewak and Salamaua. The bomber pilots went in at treetop heights to strike as well as bomb. Many barges were sunk.

Across New Britain from the New Guinea battle scene, a Catalina on night patrol dropped a 500-pound bomb squarely on a Japanese cruiser in the vicinity of Kavieng, New Ireland.

Fortresses Bomb Targets In Italy
ALLIED HEADQUARTERS IN NORTH AFRICA — (AP) — Flying Fortresses heavily bombed Viterbo airfield north of Rome Monday while medium Marauders fought through the heaviest screen of enemy fighters encountered recently to blast rail targets near Naples.

Seventeen enemy planes were knocked down as the Marauders bored through to hammer railway yards at Aversa north of Naples, Allied headquarters announced Tuesday.

Formations of Mitchells with Lightning escort and RAF Wellingtons staged a day and night assault on freight yards at Civita Vecchia northwest of Rome.

Other medium, light and fighter bombers raided railway objectives in Southern Italy during the day, and fighter-bombers struck at communications in Sardinia.

In all, 21 enemy planes were downed, with 15 Allied aircraft reported missing.

Lt. Van Ed Watson Assigned To Pyote
Lt. Van Ed Watson Monday received his commission and wings as a pilot at the Altus Army Air Field, at Altus, Okla., and was assigned to the Pyote Army Air Base. He and Mrs. Watson, who has been in Altus for the past month, are visitors here. Mrs. Watson will remain in Midland when he goes to Pyote.

Top Rodeo performers have been booked for the feature attractions at the show. Toots Mansfield of Big Spring and Clyde Burke of Comanche, Okla., will meet in the feature calf roping match for a purse of \$2,500, winner takes all. They will rope twelve calves each.

Mansfield is the only man who has held the championship three years in succession, having won in 1939, 1940 and 1941. Burke has held the title three times, 1936, 1938 and 1942. They are running a close race for 1943 honors.

Homer Pettigrew of Grady, N. M., world's champion all-around cowboy in 1942 and runner-up for the 1941 world calf roping title, will meet Troy Fort of Lovington, N. M., in a calf roping match. They will rope six calves each.

Other rodeo features are scheduled to provide thrills and spills.

Nazis Say British Attempted Landing At Reggio Calabria

LONDON — (AP) — The German radio declared Tuesday that British troops attempted a minor landing in Italy southeast of Reggio Calabria across from Sicily, but that it was "immediately scotched."

The German broadcast was recorded by Reuters. No details were given.

Reggio Calabria lies just across the strait of Messina from Sicily, and a landing to the "southeast" would have been on the very bottom of the toe of Italy.

The landing was attempted Sunday by 400 men, the broadcast said.

Advance Ticket Sale For Roping Starts Tuesday

Determined to get their work done quickly, a special Chamber of Commerce committee Tuesday opened the advance ticket sale for the world's championship calf roping at the Midland Rodeo grounds Labor Day.

Following a breakfast in the Scharbauer Coffee Shop's Blue room, the committee members started visiting all stores and offices in the business district, selling tickets for the big western show here.

Enlisted men and their ladies will be admitted at half price. The workers wore boots, large hats and colored shirts during the campaign.

R. M. Barron Presides
R. M. Barron, vice president of the Chamber of Commerce, presided at the breakfast and urged a large advance sale of tickets to assure financial success of the western show.

Speakers included Roy Parks, president of Midland Fair, Inc., J. E. Martin, chairman of ticket sales, Mayor A. N. Hendrickson, Bill Collins and Major R. B. Brown, special service officer of the Midland Army Air Field.

The Midland Army Air Field band will play for the show which starts at 3 p. m. Monday.

Parks promised the roping would be the "best ever staged here."

Merchants were not asked to underwrite the cost of the show this year, but have been requested to make large advance purchases of tickets.

Members of the committee are: J. B. Hoskins, Luther Tidwell, T. Paul Barron, J. Howard Hodge, A. C. Heffer, Barney Greathouse, R. D. Scruggs, John A. Sewell, Cecil Hedges, John Casselman, Clint Lackey, S. M. Vaughan, J. N. Allison, Allen Watts, Paul Ruckman and Mayor A. N. Hendrickson.

British Plane Output Exceeds 1942 Figures
LONDON — (AP) — British aircraft production for the second quarter of 1943 exceeded by 44 per cent the output for the same period of 1942 in terms of structural weight, Capt. Oliver Lyttleton, production minister, announced Tuesday.

Production of all munitions increased 25 per cent at the same time, Lyttleton said.

He estimated that the combined war output of the United Nations was now three times that of the Axis and will be four times as great next year.

Danes Defy German Dictatorship By Paralyzing Industries In Nine Cities; Nazis Round Up Officers

Free Danish Government May Be Set Up In London; Experts Say State Of War Exists

STOCKHOLM — (AP) — Harassed German authorities in Denmark, having crushed the last vestiges of a military revolt after two days of violent fighting, were faced Tuesday with a new threat as a series of general strikes against their dictatorship broke out in nine cities.

With King Christian a prisoner in Sorgenfri Castle, most of the government members jailed or under house arrest and scores of other prominent Danes in prison, Gen. Hermann Von Hanneken moved to tighten the German military grip over the country by rounding up Danish army and navy officers.

Von Hanneken rushed troops to areas where strikes were reported, paralyzing every type of business.

The cities affected were Skagen, Jhoerring, Saaby, Aalborg, Viborg, Grenaa, Fredericia and Svendborg.

Danes Are Unwound
The strikes indicated the Danes were unswayed by threats of drastic penalties, including death, under Von Hanneken's martial law decree instituted before dawn Sunday, when he stripped the government of Premier Eric Scavenius of power and sent a Nazi captain to tell King Christian, "You are my prisoner."

With the sovereign and the government, which resigned within a few hours, apparently powerless, Danish citizens living in Stockholm expressed belief that political leaders outside Denmark would form a free Danish government in London and ally it formally with the United Nations.

Free Danish leaders headed by Christmas Moeller have been functioning in London, but until now had not authority to exercise governmental powers. The Nazi overlords recognized the threat of Zoller's influence in Denmark by immediately arresting most of the leaders of his conservative party.

Jews Rounded Up
Danish legal experts in Sweden took the view Tuesday that a state of war now exists between Germany and Denmark since the military dictatorship powers which Von Hanneken says he is applying under article 42 of the Hague Convention can be exercised only by an enemy force.

Reports reaching Sweden through rigid Nazi censorship said 1,000 army and 200 navy officers had been interned. One unconfirmed rumor reported a roundup of Danish Jews in which fifty were arrested, including C. B. Henriques, leader of the Jewish council in Copenhagen.

Danes living in Sweden predicted, however, that the most stringent Nazi controls would not halt Danish resistance to Von Hanneken's dictatorship. They asserted sabotage would continue against all efforts to subjugate the country, despite the severe penalties laid down by the German overlords.

Already the Danes, besides sinking their own fleet, have blown up all Danish fortifications except those at Midegrundet. Here, however, the garrison threw all its ammunition into the sea before its Germans had an opportunity to seize it.

Navy Plant Guards Face Court Martial
PHILADELPHIA — (AP) — Four guards whose arrest by the Navy precipitated a three-day strike at the Brewster Aeronautical Corporation's Johnsville, Pa., plant last week were called before a Navy court martial Tuesday.

The fourth naval district said the charge against each was "disobeying the lawful orders of his superior officer." All four, although paid by Brewster and represented by the United Automobile Workers Union, are members of the U. S. Coast Guard reserve (temporary).

Twenty-eight other guards arrested on the same charge have been released as "prisoners at large" pending determination of their cases.

Swedes Hold Protest Meeting Over Sinkings
STOCKHOLM — (AP) — The Swedish press reported Tuesday that protest meetings were being held throughout the country on the Nazi sinking of two Swedish fishing boats Aug. 25 off the coast of Denmark and Germany's subsequent flat rejection of Sweden's protest of the action.

The newspaper Aftonbladet quoted Eskil Karlsson, a fisherman on one of three other boats which escaped from the attack, as saying: "The Germans kept firing their machineguns while the men from the sunken ships were swimming in the water."

British Ask Check On Prisoners In Germany
LONDON — (AP) — The British Red Cross has requested the International Red Cross for a second investigation of reports that Allied prisoners of war are being moved from Italy to Germany.

The request was prompted by the fact that letters have been received here from a number of men who have been in Italian hands for a year or more and now are in Germany.

Police Tuesday arrested three negroes for an attempt to attack a woman in her home on Baird Street about 12:30 a. m.

Aroused by a noise in the house, the woman walked into a room and the negro grabbed her. She fought with him. When she screamed he fled.

Officers were called and found that he had cut a screen to gain entrance to the residence.

She told officers the negro was a large man and wore a big hat.

Let's Have No Gestapo

As a matter of national policy, there has been a minimum of hysterical intolerance in this war. The Department of Justice and its investigative agency, the Federal Bureau of Investigation, have leaned over backward to avoid persecuting anybody for reason of race or philosophy so long as he did nothing overt against the peace and dignity of the United States.

This makes it the more unfortunate that underlings here and there have sullied the record by petty totalitarian actions which, in all charity, we do not believe their superiors would have condoned.

There was the not-yet-identified person, presumably somewhere in the postal service, who snooped at a card sent by novelist Rose Wilder Lane to a left-wing newspaper columnist, and thereby caused Mrs. Lane's loyalty to be investigated because, foolishly by wisely, she distrusts the workings of social security in Great Britain.

There was the OWI section head who, with a Federal Communications Commission attorney, blackmailed radio stations into discharging broadcasters by withholding station licenses, without charges or evidence beyond the section head's personal prejudices.

There were the "analyses" made by an FCC employee, as a result of which radio stations were charged with "defeatism" for such crimes as emphasizing the peace theme of Pope Pius' Christmas message and reporting that President Roosevelt had cancelled a press conference without giving any reason.

These are not all the instances. They are just a few recent ones. They emphasize that a certain type of bureaucrat of the liberal fringe—T. R. used to call it the lunatic fringe—is as totalitarian as the fascists we are fighting this war to destroy.

They emphasize also that censorship and restriction feed upon themselves. Certain restraints which would not be tolerated in time of peace are inevitable during a war. We accept them as such. Then, unless we are eternally on the alert, each censorship and each restraint is expanded, a fraction of an inch at a time, until long-cherished liberties cease to be recognizable.

We must have no gestapo—not even a mild, unofficial, tentative one—in this country.

With malice toward none, the individuals guilty of the abuse described, and all others like them, should be discharged from the government service forthwith.

Reward For Efficiency

For excellence in the production of war materials the Army-Navy "E" has been awarded to 1,910 plants and projects since this method of recognizing outstanding performance was adopted.

The "E" pennants went to a total of 1,598 companies, 1,042 manufacturing primarily for the Army, and 556 for the Navy.

In awarding these pennants, attention was centered on excellence in production and quality and not on the size of the plant, as establishments receiving the "E" range in size from some having but one employee to one with more than 126,000 workers employed in a group of plants under the same management.

America's production standards have always been high. The extraordinarily long life of the equipment we are using today stand out as examples of our manufacturing efficiency.

Now, in wartime, with every rivet, every bolt, and every part of every piece of war equipment that goes to our fighting forces under the most severe strain, the American standard of efficiency and perfection is higher than ever.

Too Much Talk

OPA Director Brown finally persuaded Petroleum Administrator Ickes that the pleasure driving ban could be lifted and more gasoline given to eastern motorists. Forthwith, the pumps began to run dry. Instead of more fuel, the eastern car owners found that the tickets they have are no good.

Problems of supply and demand cannot be solved in the spirit of good fellowship, on the basis of pleasing the voters. If Brown and Ickes had not promised so much so soon, War Mobilizer Byrnes would be sleeping better of a night.

Home Front Troubles—Nazi Style

One thing that is undoubtedly causing the Third Reich to start popping at the inner seams is the failure of its barter system.

It wasn't so long ago that experts were holding this same barter system up as a monstrous clever example to be emulated. It was, they assured us, realistic, economical and eminently practical. It was winning friends—especially among the South American countries.

Well, the Nazis got the mitten for their South American wooing in every country but one. They were finally reduced to trading with a quartet of neutrals and even fewer of their solvent satellites.

And today the Nazis have nothing to trade. Their few business associates are now dictating terms to the former No. 1 banker of Europe—buying back their own bonds, instead of the goods Germany can't supply, with piled up credits against Germany.

Yes, the master race has its home-front troubles too.

"Listen, Joe! If This Ain't A Second Front, What Is It?"

Midland Boys Enter Schools

Fliers Can Knock Axis Out, Colonel Declares

PAMPA (AP)—The Axis nations are war weary and it is up to American pilots to help finish the job, asserts Col. Norman E. Fiske, former military observer in Ethiopia and attaché at Rome.

Colonel Fiske, who was interned in Italy after the United States entered the war and released in a prisoner exchange, spoke Monday to a graduating class of aviation cadets at Pampa Air Field. He now is commanding officer of an internment camp in Texas.

Flatterer!

The smooth, slimming lines of this all-occasion frock make it a prime favorite with the shoppers. And the soft collar in contrast diverts attention from any little figure problems here and there.

Pattern No. 8461 is available in sizes 32, 34, 36, 38, 40, 42, 44 and 46. Size 36 requires 4 3/8 yards of 35 or 39-inch material for the short-sleeve version. 3/8 yard contrast for collar.

Mr. and Mrs. Charles Galbraith have returned from Abilene, where they were called because of the death of a nephew of Mrs. Galbraith.

Cedric K. Ferguson Enters Navy's School

Cedric K. Ferguson of Midland now is attending the U. S. Naval Reserve Midshipmen's School at the University of Notre Dame. Upon completion of the course, he will be commissioned an ensign. Ferguson is the son of Kenneth S. Ferguson of Midland.

Midland Girl Scouts Demonstrate Work

Midland Girl Scouts demonstrated their work Monday and Tuesday in the show window of the United Store on Main Street, and many citizens paused to watch the girls.

They will be in the window again Wednesday from 10 to 12 a. m., and from 4 to 6 p. m. Mrs. Robert Turpin is in charge of the exhibit.

Scouts participating in the project Monday included Susan Hemphill, Dorothy Turner, Frances Puett, Jessica Turpin, Marilyn Boynton, and Mazie Secor.

Among the workers Tuesday were Betty Bobo, Shirley Winter, Jean Smith, Shirley Cooper, and Lucille Wemple.

Girl Scouts stationed at registration booths included Bonna Mae Kelly, Johnnie Morean, Patricia Mix, Virginia Stewart, Jean Ferguson, Maydelle Midkiff, Betty Jo Greene, and Betty Chanslor.

The Girl Scouts are campaigning this week to enroll more leaders so their program here can be expanded.

Broadcast Originates From Humble Refinery

"This Nation at War," weekly coast-to-coast broadcast sponsored by the National Association of Manufacturers, will originate Tuesday night from the Humble Oil & Refining Company's Baytown Refinery.

The 30-minute program is scheduled for 9:30 p. m. over the Blue Network.

Broadcasting facilities will be set up on top of the giant 21-story catalytic cracking unit, overlooking the huge petroleum war plant. From this vantage point employees will explain the operations of the units which produce 100-octane gasoline, toluene for explosives and synthetic rubber.

Due to prior commitments a number of Blue Network stations in Texas will not carry the live program but will transcribe and air it at later period. KGKO will broadcast the program at 10 p. m.

When using a small piece of steel wool, roll and grip it with a spring-type clothespin, which will serve as a holder.

United Council Of Church Women Holds Fifth Monday Meeting Here

The United Council of Church Women held a meeting Monday afternoon in the Trinity Episcopal Church when the constitution of the organization was read, approved and adopted. The constitution and by-laws were drawn up last week when the executive board met with Mrs. Hubert H. Hopper. Purpose of the organization is to unify efforts of the churches, and the membership includes interdenominational and individual church women. Officers will be elected this year. The group will always meet on the fifth Monday. Copies of the constitution will be printed.

The Rev. W. R. Mann gave the invocation, and a hymn was the opening number on the program. Mrs. L. F. Caddell presided.

Mrs. George Vannaman gave a report on the recent meeting of the youth council. Mrs. S. H. Hudkins reported on the progress of the project for a park for colored people.

Mrs. J. M. Prothro made a report on the Vacation Bible School, sponsored recently by the council, and said although fair interest was manifested, there should be more.

Mrs. Hubert H. Hopper introduced the Rev. W. R. Mann, who spoke on the twentieth chapter of Matthew, and likened the kingdom to a vineyard, and brought out the necessity of serving in God's kingdom. Following Mr. Mann's talk, Mrs. K. S. Ferguson gave a brief talk about the Girl Scout work. She pointed out that much had been published on the work for the last six Sundays and she had two Girl Scout troops give demonstrations in accordance with the Scout pledge, its laws, and its motto.

Little Miss Betty Chancellor read the Girl Scout laws, "to serve," "to do a good deed daily" and "to be prepared."

Thirty-two women were present.

Price-Hillis Vows Read By Pastor Here

Announcement is made of the marriage of Mrs. Zella Price of San Antonio and Edmond Hillis of Holene, New Mexico. The ceremony was performed Sunday afternoon at 3:30 p. m. in the home of Mr. and Mrs. G. E. Price, 706 West Illinois, with the Rev. J. E. Pickering performing the ceremony.

The couple left on a wedding trip to New Mexico, after which they will go to San Antonio to make their home.

GIRLS GO TO COLLEGE

Midland girls who will attend school in other cities for the coming year include Miss Virginia Stoltz, who will enter Stephens College at Columbia, Mo.; Misses Patsy Tull and Billy Walker, who will leave soon for Denton to attend T. S. C. W.; and Miss Thelma Jo Brown, who will enter Marshall College at Marshall, Texas.

CLASS TO HAVE PARTY
The Boone Bible Class of the Methodist Church will entertain with a party for members at 8 p. m. Tuesday on the church lawn. All members of the class are cordially invited.

DRIVE OUT BOWEL WORMS
Roundworms can cause real trouble inside you or your child! Watch for warning signs: Bloating, "icky" appetite, itchy nose or seat. If you even suspect roundworms, get Jayne's Vermifuge today! JAYNE'S is America's leading proprietary worm medicine; used by millions for over a century. Acts gently, yet drives out roundworms. Be sure you get JAYNE'S VERMIFUGE!

Wins Many Awards

Betty Chanslor, one of Midland's most active Girl Scouts, has won 70 of the 80 advancement awards and badges offered by the Girl Scouts. She now is working on tests for the remaining awards. Betty is the daughter of Mr. and Mrs. R. Chanslor. She has been a Girl Scout five years, is 14 years of age, and is a member of the junior class of Midland high school.

Proclamation

TO THE PEOPLE OF THE UNITED STATES

Proclamation

RECOGNIZING THE FACT that in carrying the war into enemy territory, we shall need greater amounts of money than any nation has ever asked from its citizens in all history, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do officially proclaim that on Thursday, the ninth of September, 1943, the Third War Loan shall be launched.

As Commander-in-Chief, I hereby invoke every citizen to give all possible aid and support to this Third War Loan drive, not only so that our financial goal may be reached, but to encourage and inspire those of our husbands and fathers and sons who are under fire on a dozen fronts all over the world. It is my earnest hope that every American will realize that in buying War Bonds in this Third War Loan he has an opportunity to express voluntarily and under the guidance of his conscience, the extent to which he will "back the attack."

The American people supported well the first and second War Loan drives and in fact did even more than was asked of them. Our need for money now is greater than ever, and will continue to grow until the very day that Victory is won; so we must ask far more sacrifice, far more cooperation than ever before.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington, this twenty-sixth day of July, in the year of our Lord nineteen hundred and forty-three, and of the Independence of the United States of America the one hundred and sixty-eighth.

By the President:

CORDELL HULL

Secretary of State.

Peter Masfield Inspects MAAF

Peter Masfield, editor of the famous British magazine, "The Aeroplane," got an insiders view of American methods of bombardier training Monday afternoon when he inspected facilities at Midland Army Air Field.

In this country as a guest of Gen. Henry H. Arnold, commanding general of the Army Air Forces, Masfield flew to the headquarters of the nation's bombardier training program here as part of a nationwide tour of Air Forces production and training installations and facilities.

An accredited British war correspondent and one of England's outstanding aeronautical authorities, Masfield inspected the various phases of bombardier training at the field here, watched an exhibition of bombing on a target set up in the center of the airfield, and himself flew on a routine bombing mission over one of the north range targets.

Leave For Fort Worth

Discussing his visit to the nation's number one bombardier school here, the British aeroplane expert said "I know you are doing a fine job here, because I have seen the results that have been achieved by your graduates in Europe." Prior to coming to this country, Masfield flew in the lead bomber when a group of American heavy bombers raided Lorient, France.

Accompanying Masfield here were Major R. L. Hudson and Major J. T. Fitzwater of Headquarters, Eastern Flying Training Command, Maxwell Field, and Capt. A. M. Whitlock, public relations officer, Western Flying Training Command. The group left by plane Monday evening for Fort Worth where they were to meet Gen. Barton K. Yount, commanding general, AAF Training Command.

Personals

Dicky Lees has gone to Brownfield for an extended visit with his grandparents, Mr. and Mrs. W. H. Dallas.

Earle Powell of Stanton was a visitor here last week of Mr. and Mrs. R. Hamilton.

Bill Hamilton, son of Mr. and Mrs. R. W. Hamilton, has returned from a week's visit with Edgar Lay Powell on the Bar-X ranch north of Stanton.

Jane and Jean McMillan, daughters of Mr. and Mrs. J. Guy McMillan, returned Tuesday from Stanton where they were week-end guests of Franchelle Moore at the home of her grandparents, Mr. and Mrs. J. E. Kelly. Friday there were guests at the ranch home of Mr. and Mrs. Earl B. Powell for a swimming and slumber party. Edgar Lay Powell, who attends Schreiner Institute, is home for the summer.

Tulane Greenies To Revive Glamor Game This Fall

NEW ORLEANS — (AP) — Tulane University's Green Wave promises to return the old "punt, pass and pray" game to its former prestige this fall.

Coach Claude "Little Monk" Simons has it all doped out whereby his kids will make fewer mistakes with this system and at the same time contribute more to the entertainment of the cash customers.

One of the two returning Tulane letter winners, Tailback Joe Renfro, is an excellent punter and the Greenies picked up a pair of good booters via the Naval V-12 program. Day Wagner, of Schreiner Institute, and James Jackson, freshman fullback at Baylor last year, are getting encouraging distance with their kicks.

Good Prospects
"Renfro, Wagner and Jackson, and maybe a couple of other boys will take care of the punting and passing," Coach Simons said. "And I am going to handle most of the praying."

"We are going to play 'em wide open," Simons said, "and I hope our punting is going to be so good that our opponents will have to make their touchdowns the long and hard way."

Numerically, the manpower situation is improved in the Greenie camp. The squad has grown from 46 men to about 80 in the past three weeks. Buddy Gatewood, all-Southwest center at Baylor last season, is the only letterman among the transfer students, however. Renfro and Howard McAlister, a second string tackle last year, are the returning Greenie lettermen.

Henry Frnka Gets Two Giant Grid Prospects

TULSA — (AP) — Coach Henry Frnka of the University of Tulsa is showing marked interest in two Giant newcomers—Jim Pivler, 230-pound high school tackle from Corsicana, and Al Kowalski, who weighs 215 pounds, is 6 feet 3 inches tall and played center last season at Georgetown, Washington, D. C.

German Shell Ruins Ernest Sutter's Net Championship Hopes

MEMPHIS, TENN. — (AP) — Lt. Ernest Sutter is through with competitive tennis—his career ended by a German shell which pierced his racket arm at Matur—this goes glimmering the last Sutter hope for the national championship.

For several years the Sutter boys if New Orleans—first Cliff, then Eddie, then Ernest—have been bidding for the highest United States net crown. Cliff came close—within two points, in fact—and Ernest was the boy they said would go all the way.

Giants And Athletics Out Of League Races

NEW YORK — (AP) — The New York Giants and the Philadelphia Athletics now can concentrate on the 1944 campaign. The Giants have been mathematically eliminated from the National League race by the St. Louis Cardinals and the New York Yankees have applied the crusher to the Athletics in the American.

the youngest Sutter boy, the former national intercollegiate and southern champion, is in Kennedy Army Hospital here recuperating from wounds which he says will prevent him from ever taking the competitive court again.

"I was in anti-aircraft," said the young lieutenant. "I was knocking up a few lobbs at the German Stukas during the last stages of the North African campaign. A shell went clean through my right arm and another hit me in the head, knocking my steel helmet 30 feet."

"The doctors say they should be able to make my right arm 100 per cent new again but it would take me a couple of three years to get strength back in it. I'll never play tournament tennis again."

Yankees Favored To Defeat Cards In World Series

By JUDSON BAILEY
Associated Press Sports Writer

A month ago the St. Louis Cardinals were being talked of as probable favorites in the world series, but if the annual classic were opening now the New York Yankees almost certainly would be odds-on choices.

They probably will be when the world series opens in October, too. **Yanks Picking Up**

The Yankees have been picking up momentum on the home stretch while the Cardinals have been slowing down. The difference between them was shown again Monday when the Yankees beat the Boston Red Sox 3-1 while St. Louis split a doubleheader with the Pittsburgh Pirates in the only games played in the major leagues.

The Pirates won the opener, 4-3, but the Cardinals came back with an 8-3 triumph.

At New York Rookie Charley Wensloff pitched four-hit ball and Roy (Stompy) Weatherly punched the winning blast with a two-run homer, his third in two days.

This gave the Yanks their 13th consecutive series and a record of having won 42 out of 59 games since the streak started on July 5. **Cards Err Often**

The Cardinals have their spectacular speed and shyness, but their fielding has faltered and their pitching has become uncertain.

In losing four of their last six games they have made 11 errors, five Monday and at least one in every contest.

They made 11 hits in the ten-inning first game with the Pirates and 13 in the nightcap, but Rookie Alpha Brazle, who had not been beaten in any of his previous National League starts, gave Pittsburgh a dozen blows in the opener and his teammates made three critical errors.

Harry Brecheen held the Buccaners to eight safeties in the second game and the Redbirds wrapped up the decision with a five-run flurry in the third inning.

Pleasure Driving Ban On East Coast Lifted

WASHINGTON — (AP) — The fear of being stopped and asked "Where you going and why?" no longer will haunt motorists in the northeastern pleasure driving ban, enforced since last May 20 by divesting guilty drivers of gasoline ration coupons, is being lifted at midnight. From then on it's up to the individual motorist and his own conscience.

In announcing that drivers no longer will be stopped for questioning, the Office of Price Administration and the Petroleum Administrator for War emphasized that the action should not be interpreted as meaning there is more gasoline available for civilians.

BEAR MOUNTAIN, N. Y. — (AP) — If you don't think it's appropriate

that bears should be an important topic of conversation up here where the Giants and Dodgers are getting ready for the pro football season, you should have seen Steve Owen in a cage with a couple of them Monday. . . . Someone had the idea that it would be a natural hookup for pictures—Bear Mountain and the Giants' exhibition against those big bad Chicago Bears at Buffalo Sunday. . . . Get it?

Anyway, Steve and Tuffy Leemans, who's Spherical Steve's only assistant this season, consented to pose with a couple of roly-poly black bear cubs. . . . "They're cute little fellas," Owen admitted as he came out with his not inconsiderable area of skin undamaged. . . . And he and Tuffy agreed the Giants will be lucky to do as well Sunday. . . . Just then the naturalist in charge of the interstate park zoo came along. . . . "We have a nice tame skunk, too," he remarked. "No, thanks," said Steve. "I've got enough pictures."

Bear Facts

Concensus around the two football camps is that the Bears and the Green Bay Packers, as usual, will be the teams to beat in the National League this season and that Washington's Redskins won't be so troublesome unless Sammy Baugh's pitching arm improves over his All-Star game showing. . . . "We have a better team than last year and the others will be coming back to us," commented Leemans. . . . "The Bears only have two guards—yeah, Danny Farnham and George Massey—they've got Bronk Nagurski back; he'll be playing tackle and he'll probably play in his own territory. . . . And they still have Bulldog Turner at center. . . . Tuffy seemed to be having a rather hard time keeping an optimistic grin on his face—especially when he compared Turner to the Giants' collection of rookie centers."

Fen-Gran Notes

The Dodgers, who started late and without very bright prospects, got quite a lift Monday when B-n Kish and George Cafego, a couple of better than average veteran backs, reported unexpectantly. . . . Both have been discharged from the Army for physical disabilities that won't prevent their playing pro football. . . . Up to that time Bruiser Kinard had been virtually the only veteran in camp. . . . Pete Cawthon, new Dodger coach, probably is the loudest tutor in the league. He never seems to stop for breath as he works his players—and by work Pete means just that.

Rex Beard Execution Scheduled For Friday

AUSTIN — (AP) — His application for commutation to life sentence denied, Rex Beard Tuesday was scheduled to die in the electric chair Friday. The West Texas paper sack bandit won a one-day reprieve because his execution fell on the same day as a state penitentiary radio broadcast.

War Production In U. S. Hit New Peak During July

WASHINGTON — (AP) — Asserting that peak production of many types of fighting equipment has been achieved or is "not far off," Chairman Donald M. Nelson of the War Production Board announced Tuesday that July munitions-making increased 3 per cent over June.

He did not discuss production schedules, the yardstick which would show whether war plants are keeping abreast of estimated needs. But he disclosed that July output stood at 593 on WPB's production index, a 20-point gain over early summer months when the index remained almost stationary.

Airplane production increased 4 per cent, signal equipment 17 per cent and Army ammunition kept even with June, but Nelson said "important further increases are required" in those three fields.

Plane Output Up
The WPB chief reported a 19 per cent July increase in the output of fighter planes, an 8 per cent gain in transports and a 13 per cent rise in the number of heavy bombers. Production declined for some unidentified types of planes, lowering the percentage increase.

Deliveries of naval vessels, on a tonnage basis, were substantially lower in July than in June. But destroyers and destroyer escorts, important in the anti-U-boat war, were up 25 per cent.

By the end of July 19,000,000 tons of the 19,000,000 scheduled in merchant vessels for the year had been completed, Nelson said.

Other production gains for July: artillery, anti-aircraft guns and small arms, 5 per cent; combat vehicles, 9 per cent; motor vehicles, 6 per cent.

OPA To Appeal Court Ruling On Emergency Price Control Bill

ATLANTA — (AP) — Attorneys for the Office of Price Administration Tuesday prepared an appeal from a decision of the Middle Georgia U. S. District Court which invalidated provisions of the emergency price control act.

At the same time, regional OPA headquarters announced that administration and enforcement of the entire act, including the ration control section, would "continue on the same basis" as before Monday's ruling by Federal Judge Bascom S. Deaver at Macon.

Regional and district attorneys for the agency declared that immediate steps were being taken to appeal to the U. S. Court of Appeals at New Orleans.

Cattle Trucks Bring Cadets To Midland

Unable to obtain railroad transportation for the latest class of cadets to enter the Midland Bombardier School, the Army transported the men to Midland Saturday in cattle trucks, it became known Tuesday.

Many citizens had wondered why the cadets were transported into the city in the trucks. Army spokesmen explained that rail transportation was not available for the trip from Laredo to Midland.

Pezet Takes Blame For Panama Revolt

PANAMA — (AP) — Dr. Jose Pezet, former vice president in the regime of Arnulfo Arias and a former Panamanian ambassador to Costa Rica, took sole responsibility Tuesday for an abortive revolt against the government of President Adolfo De La Guardia.

Dr. Pezet and several others were rounded up for questioning after authorities nipped the budding revolt Sunday morning.

Pezet was reported to have made a confession to Judge Carlos Guervara in which he said "I am exclusively the only person responsible for what has taken place."

The only purpose of the plot, he was reported to have said, was to establish himself as president of Panama, because he believed that the present regime which overthrew President Arias in 1941 "was unconstitutional."

One Of Every Three Federal Income Taxpayers Must File Return Sept. 15

WASHINGTON — (AP) — One of every three federal income taxpayers must file a new income tax return by Sept. 15.

This is a declaration of estimated 1943 income and taxes. In most

cases a person who has to file such a declaration will have to send in a payment with it—and make another payment on Dec. 15.

Four classes of taxpayers must make this new report: 1. Those whose income is more than \$2700 if single (or married but not living with husband or wife) or more than \$3500 for a married couple, with or without dependents. As in the past, married couples may file either joint or separate returns.

2. Persons whose income isn't subject to the withholding tax—the deductions from pay withheld by employers—under pay-as-you-go. In this group are individuals who aren't on regular wages or salaries, also ministers, farm laborers and household servants.

Two Exceptions

There are two exceptions in this group—farmers, who have until Dec. 15 to make their report; members of the armed services, who can wait until next March 15.

3. All those whose income this year will be less than in 1942—if they were required to file an income tax return for 1942. If the estimated 1943 income and victory taxes, the 1942 tax becomes, in effect, the 1943 tax.

4. Those who are on regular wages or salaries subject to withholding tax deductions but who have additional income this year from other sources totaling more than \$100.

In general, the plan is to collect income and victory taxes not being paid through deductions from pay.

Final Return In March
All taxpayers still will have to file a final return next March.

Those who file the declarations must do these things:

Estimate their 1943 income and figure the taxes on it (including victory tax).

Total up how much has been deducted and will be deducted (if anything) for federal income and victory taxes from their wages or salaries in all of 1943.

Add up the payments they made in March and June of this year on their 1942 taxes.

Penalties Imposed

These two amounts—the total withheld from pay and the tax payments in March and June—are to be deducted from the total estimated 1943 taxes. The balance, if any, is due in equal installments on Sept. 15 and Dec. 15.

There are penalties for failure to estimate within 20 per cent of the amount of tax as finally determined in the final report next March. However, you can file a new declaration by Dec. 15, and pay accordingly (if there's substantial change in your income).

In any case, your total 1943 tax will be at least equal to the 1942 tax as you figured it last March, so you can check back on your last return to cut down the possibility of error.
