Field Tour Of Farms Scheduled Tomorrow

A field tour of some of the more interesting developments locally in agriculture, plus a barbecue luncheon which will also be a joint civic meeting, will make up the annual agricultural field day of the Chamber of Commerce here tomorrow.

There will be both morning and afternoon segments of the tour to various farms and ranches in the county. The barbecue luncheon will be held in the pavilion in Towle Memorial Park, with Paul Marion, superintendent of the Texas Experiment Station at Spur, as speaker.

The tour is to start at 8 a. m. tomorrow at the pavilion, and those participating will ride school buses to the stops on the tour. The tour will end at 4 p. m.

The luncheon, sponsored by the West Texas State Bank, Snyder National Bank, and Snyder Savings and Loan, will be at 12:15 p. m. Civic club members have been asked to report to their secretaries at the meeting to pay for their meals. Other participants on the tour will be served free.

Oscar Fowler, county agricultural agent, will be master of ceremonies on the tour, while John Boren will be master of ceremonies at the luncheon.

Throughout the day, implement and farm equipment dealers are to have exhibits around the pavilion.

Marion, a specialist in cattle feeding programs, headed beef cattle research at the Spur station from the time he joined the staff there in 1940 until he became superintendent last year.

Morning stops on the tour will include a visit to the Bob Jordan ranch north of Fluvanna, where the group will observe range management and root plowing of mesquite, along with root-plowed land reseeded to perennial grass; the Wayland Mathis farm near Fluvanna, where those on the tour will see a milking parlor and hear a discussion on temporary pasture and use a green chop hay; the Jack Martin stock farm near Fluvanna to see recovery of cotton which was hailed out in June and perennial sweet sudan grown for production of certified seed, and the Charlie Bley farm near Fluvanna to see blue weed eradication with use of herbicides.

First stop of the afternoon portion of the tour will be at the Buck Wylie farm east of Snyder, where the group will see irrigated crops and hear a discussion by Lee Williamson of Big Spring, irrigation engineer for the Soil Conservation Service. The farm is operated by L. S. McCright.

Next the group will go to Ezell, Key Grain Co., Inc., on the Sweetwater highway, where they will observe use of pig parlors and will be treated to cold drinks by the firm. Last stop will be at the J. A. Merritt, Jr., farm south of Snyder for comparisons of hybrid grain sorghums.

Four Youths Admit 16 Burglaries Here

Four youths arrested in a picture show here last night by officers of the city police department and county sheriff's department have admitted 16 recent burglaries and thefts.

One youth is 15 years old, two are 16 years old, and the fourth is 17 years old.

Foy Dennis is the 17-year-old youth. A charge of burglary has been filed against Dennis and bond set at $1,000.

Statements signed by two of the youths closely paralleled police reconstruction of the crimes.

Some of the 16 burglaries and thefts had been reported to the sheriff's department and others to the city police by the victims.

Officers of both departments pooled their information and worked together in apprehension of the youths.

Included in the burglaries and thefts are:

Burglary of the Lake Thomas Marine Supply on the Lamesa Highway, Aug. 26; Burglary of Howell Electric Co. 1507 Twenty-sixth Street, Aug. 26, in which $21.65 was stolen from a cash drawer; burglary of Clark Lumber Co., 1706 Twenty-fifth Street, Aug. 15; theft of fender skirts from a car owned by Wayne York, Aug. 18; theft of $35 to $40 in cash in burglary of Southland Ice Co., 1512 Twenty-sixth Street, Aug. 15.

Burglary of Rains Construction Co. on the Clairemont Road in which three packs of cigarets were stolen Aug. 8; burglary of Hillside Memorial Gardens office, 2612 Avenue S in which $20 in $1-bills and $3 in change was stolen, July 29; burglary of Ferrell Service Station on the Lamesa Highway in which $1 was stolen July 16; burglary and theft of a camera from Basin Wax Products Co. on the Lubbock Highway, July 11; theft of $35 from a cash drawer and $35 in change from a cigaret machine at Smitty's Service Station on June 29.

Theft of a paper rack and 50 cents from its money chute at the post office July 16; burglary of the Town & Country Bowl, 2403 Twenty-fifth Street, July 31, in which about $250 was taken; theft of fender skirts from a 1957 Mercury parked on the court house square Aug. 9; burglary of the Snyder Daily News in which nothing was taken Aug. 12; burglary of the pool hall under Dad & Lad store on the northeast corner of the square in which $23 was taken; and burglary of Snyder Heating & Air Conditioning Co. on the Big Spring Highway in which $37.55 was taken Aug. 25.

Alaskans Give Overwhelming Approval To Statehood Plan

By The Associated Press

Alaska voted herself into the Union today by an overwhelming margin.

Residents in record numbers turned out and gave a bigger vote than expected in Tuesday's referendum on taking the big step of becoming a state. The mounting returns were running 5-1 in favor of statehood.

The result paves the way for President Eisenhower to proclaim the Northern territory the 49th—and the biggest—state late this year or early in 1949.

In other political developments in the United States itself:

1. Republicans and Democrats in New York state finally settled on their candidates for senator in the November elections. Rep. Kenneth B. Keating, after an indirect prod from the White House, agreed to accept the Republican nomination. Democratic leaders, rebuffed in their efforts to persuade Mayor Robert F. Wagner of New York City to make the run, finally settled on Dist. Atty. Frank S. Hogan of New York City as their candidate despite opposition from Gov. Averell Harriman.

2. A three-man race for the Senate loomed as a possibility in New York when the Liberal party nominated Thomas K. Finletter, former secretary of the Air Force, as its candidate for senator. Finletter had sought the Democratic nomination, but at the party's convention received only 66 votes and ran a poor third behind Hogan and former Atomic Energy Commissioner Thomas E. Murray. Finletter could refuse to accept the Liberal party nod, making it possible for Hogan's name to be substituted.

3. Mississippi voters approved a proposal designed to strengthen the state's anti-integration laws by making it easier to adopt amendments to the state constitution. Two congressmen who faced Democratic primary opposition, Representatives William Colmer and Arthur Winstead, gained renomination. Sen. John Stennis and four other congressmen had no opposition and automatically qualified to run in the general elections, which the Democrats traditionally win in Mississippi.

Alaskans also voted in primaries to nominate the first state officers. Without opposition, the Democrats named E. L. Bartlett and Ernest Gruening as their candidates for senator in November. The Republicans picked Mike Stepovich and R. E. Robertson. Gruening and Stepovich are former appointed governors of Alaska.

Other nominees were chosen for one House seat, governor and for state secretary.

Ike Hints He May Favor Slowing Integration Pace

By MARVIN L. ARROWSMITH

WASHINGTON (AP)—President Eisenhower said today he may have told friends he believes the rate of the school integration process should be slowed down.

But the President denied at a news conference that he ever said he wishes the Supreme Court had not ruled in 1954 in favor of integration in the nation's public schools.

Shortly after Eisenhower spoke, the Justice Department announced it will take part in arguments before the Supreme Court Thursday on the school integration crisis at Little Rock, Ark.

The department said Solicitor General J. Lee Rankin also will file a legal brief in the case Thursday in advance of the arguments.

Eisenhower said in reply to a question that he is sure there will be no great divergence between his personal views on the integration issue and those to be set forth in the Justice Department brief.

The President also declared the consequences will be terrible if some states close their public schools in an effort to block court-ordered mixing of the white and Negro races.

Closing the schools under such circumstances would result in a whole basketful of litigation, Eisenhower said.

Virginia already has laws on the books to permit closing of its schools and Arkansas' Gov. Orval Faubus has asked a special session of his state's legislature to give him authority to shut schools.

Eisenhower's remark that he may have told friends that he believes the school integration process should be slowed down was his first public indication that he feels desegregation efforts may be moving too fast.

A reporter told Eisenhower a weekly news magazine — Newsweek -- says the President has told friends he wishes the court had never handed down its 1954 decision, and that he also feels the integration process should be slowed down.

Dealing first with the report he is against the 1954 decision outlawing school segregation, Eisenhower replied emphatically that the report is not correct.

Then he went on to say he might have said something to friends about handling integration slowly.

Eisenhower said he always has contended integration can be achieved only through education, reason and sense.

At the outset of the news conference Eisenhower was asked whether the Justice Dpartment will accept the Supreme Court's invitation and participate in integration arguments at Thursday's special session of the court. The President also was asked whether any Justice Department brief would reflect his personal views on the issue.

Eisenhower replied that the court's invitation actually amounted to a command. Then he went on to say that from a general standpoint he is sure there will be no great divergence betwen his personal views and those to be advanced by the Justice Department.

Asked later whether he has advised the Justice Department to ask the high court for a delay in integration, the President said he does not think he will instruct the department one way or the other.

He said, however, that he assumes any department brief would try to reflect views already set forth by the administration.

The discussion of a possible slowdown in integration efforts follows by only one week a broad indication from Eisenhower that in case of trouble over desegregation he would follow the same course he took last year in sending troops, if necessary, to Little Rock.

At last week's news conference, Eisenhower said his thinking on the subject now is just what it was then.

President Plans Campaign With Accent On Economy

WASHINGTON (AP) — President Eisenhower said today he will campaign for a Republican Congress this year on the issue of reducing the government's deficits.

Eisenhower told his news conference he is going to stress in campaign talks the necessity for cutting the deficit and putting the economy on a sound, healthy basis.

The President gave no indication of how much campaigning he expects to do. He said he had not promised, for instance, to campaign in New York.

As a preliminary to voicing his own views on reduction in red ink spending, Eisenhower said he is going to study every major item of a forthcoming governmental budget to see if it can be cut for the benefit of America.

The denial that he has made any speaking commitments was made in a discussion of the New York campaign. Eisenhower said the New York State convention's choice of Nelson Rockefeller as the GOP candidate for governor and of Rep. Kenneth B. Keating as the nominee for senator gave the party a fine ticket that he hopes is elected.

In response to a question, he said he had no comment at the moment on the possibility of a tax increase.

Eisenhower dealt with these other subjects in the wide-ranging news conference:

INTEGRATION — He said he may have told friends he believes the efforts to push school integration should be slowed down. But he denied he has said he wishes the 1954 Supreme Court ruling against segregation had not been made.

At the same time Eisenhower made plain the government would accept the high court's invitation to take part in tomorrow's Supreme Court session on the Little Rock integration case.

OFFSHORE ISLANDS—The offshore islands held by the Chinese Nationalists—islands which in the last week or so have been under heavy attack by Communist China—have taken on increased importance to the United States in over-all strategy dealing with defense of Formosa.

However, Eisenhower once again refused to say whether the United States would consider a Red invasion of Quemoy, Matsu and other offshore islands a matter for U.S. intervention.

Discussing the increased importance of the islands, Eisenhower said Nationalist China now has deployed about one-third of its military forces there.

Previously, he said, those islands were regarded largely as an outpost.

CONGRESS — Eisenhower said he wants another week or 10 days before coming up with a final appraisal of the record of the recently adjourned Democratic-controlled Congress.

He did say, however, that he believes Congress did a constructive job in the foreign relations field. He qualified that by adding that he was greatly disappointed that the legislators gave him less money for the foreign aid program than he requested.

Eisenhower also expressed disappointment that legislation to curb corruption in the labor-management field was shelved.

Eisenhower also said he felt there was a tendency in Congress to spend more money generally than he had recommended.

MIDDLE EAST—Asked about prospects for a long-term settlement of differences in the Mideast, Eisenhower replied he thinks the changes are better than they were before.

School Staff Begins Work Here Today

Teachers and other personnel of the Snyder school system opened their work year today as they got into the week-long orientation program.

Teachers new to the school system had begun their orientation yesterday.

Today's program opened with a breakfast given by the Snyder school board, at which new teachers were introduced.

Ross Hemphill, member of the school board, greeted the teachers in the absence of Max West, president, and Gene Best, vice-president. Other board members attending the breakfast were Malven Stevenson and J. W. Phillips.

T. E. McCollum, new superintendent of schools, was introduced by M. E. Stanfield, assistant superintendent, who presided at the breakfast. McCollum then had principals of all the schools introduce teachers new to the system.

The group went into another general session later this morning and was to hear a talk by Dr. D. M. Wiggins, executive vice-president of the Citizens National Bank at Lubbock and former president of Texas Tech College.

Bombardment Of Quemoy Is Continuing

TAIPEI, Formosa (AP) — The heavy Communist bombardment of Quemoy and the Tan islets continued for the fifth day today, but no Communist air or sea activity around the Nationalist-held islands was reported.

Belief increased on Formosa that the Reds soon would try to seize two tiny Nationalist islets in the Tan group only 2½ miles from the Communist port of Amoy.

The Reds might plan to assault the Tans in the belief that they can get away with it without rishing American intervention, observers said. Washington dispatches have suggested this appraisal of Communist intentions, is well founded.

More than 8,800 shells rained on two of the three Tan islets in Amoy Bay and on the bigger island of Quemoy, 15 miles east of the big Red port of Amoy.

Baker Suffers Heart Attack

WASHINGTON (AP)—The Senate Rackets Committee said Robert (Barney) Baker, 300-pound aide to top Teamsters Union bosses, today suffered a severe heart attack.

The attack came just a few hours before Baker was to have testified in the rackets hearings.

Chairman John L. McClellan (D-Ark) announced Baker's illness as he opened the hearing.

Robert F. Kennedy, committee counsel, told reporters first reports were that Baker's condition was critical. He said Baker, son-in-law of former Iowa Democratic State Chairman Jacob More, was stricken at his hotel shortly before he would have started for the Senate Office Building.

Man Charged With Murder Drops Dead

HOUSTON (AP) — A man charged last month with the murder of his wife dropped dead last night while watching a Western television show.

William Denton, 62, died while at the home of friends. Denton was charged last month with shooting his wife, Mrs. Alice Denton, 49, and was free on bond.

Hammarskjold In Jordan For First Middle East Talks

By REINHOLD ENSZ

AMMAN, Jordan (AP) — Dag Hammarskjold arrived in Jordan today for the first round of talks to stabilize the Middle East enough for U. S. and British troops to go home.

The U. N. secretary general was greeted at the Amman airport by Premier Samir Rifai. They went directly to King Hussein's hilltop palace. Hammarskjold declined to discuss his peacemaking mission with reporters.

Hammarskjold and three aides flew to Amman from Beirut in a U. N. courier plane. During an overnight stop in the Lebanese capital, he conferred only with U. N. officials.

After a side trip to Geneva Saturday for the opening of the second atoms-for-peace conference, Hammarskjold is expected to visit Cairo next week for talks with President Nasser of the United Arab Republic. He will return to Beirut to discuss withdrawal of the American forces, will also visit Baghdad and may go also to Saudi Arabia.

The secretary general flew into Beirut from New York last night shortly after a gunfight on the road from the airport into the capital. All was quiet again when he drove into town under escort of Lebanese armored cars and security police.

The U.N. General Assembly last Thursday unanimously approved an Arab resolution calling on Hammarskjold to make arrangements to facilitate the early withdrawal of U.S. troops from Lebanon and British troops from Jordan. He also was asked to consult with the Arab states on plans for Middle Eastern economic development.

Hammarskjold's overnight stay in Beirut was billed as a rest stop, and his talks on the American withdrawal were left for his return. No Lebanese or American officials were at the airport to greet him.

The airport road clash reportedly was between Lebanese security forces and agitators in a Palestine refugee camp located within rebel lines. Hospital sources said two Lebanese were killed and six injured.

U.S. Air Force officers said they understood one American was hit in the shooting, but another American official said he thought this was incorrect.

Other Middle East developments:

Iraq's new revolutionary government and the feudal regime of Yemen pledged to stand together in strengthening Arab and world peace. The pledge was signed by Iraqi Premier Abdul Karim Kassem and Yemen's Crown Prince Saif Al Badr, who concluded a four-day visit to Baghdad.

Sources in London said Britain had agreed in principle to help arm Israel's navy.

WEATHER

SNYDER TEMPERATURES: High Tuesday, 100 degrees; low, 64 degrees; reading at 7:30 a.m. today, 68 degrees.

Forecasts for all Texas: Clear to partly cloudy through Thursday. No important temperature changes.

Three Injured In Area Road Mishaps

Four auto accidents in the Snyder area yesterday afternoon and this morning resulted in only three persons being injured, and none of those injuries was believed serious.

Two local highway patrolmen, Gordon Johnson and Arvel Dickson, were kept busy during the 16-hour period in which the four accidents occurred.

Involved in one of the accidents but not injured was a man who made a speech here last night at the meeting of the Snyder Real Estate Board.

He was Ervin William Luedke, 50, of Austin, who was on his way to Andrews to make another talk when his 1958 Oldsmobile sedan collided with the rear of a road sweeper 6.7 miles south of Ira on State Highway 350. The accident occurred at about 8:20 a.m. today.

A. E. Strickland, 40, of Abilene, who was driving the road sweeper for McElroy Transport Co. of Fort Worth, was knocked from the sweeper. He was taken by ambulance to a Big Spring hospital, but his injuries were not believed serious. He was working on seal coating of the highway.

There was an estimated $300 damage to the Luedke car and $175 to the road machine.

Other injuries were in a car-truck collision at about 3 a.m. today 10.4 miles east of Snyder on U. S. Highway 180.

A 1956 Ford sedan driven by Hazel P. Ward, 23, of Carthage, Miss., and a truck and semi-trailer driven by Artis Lee Parrish, 32, of Lubbock, collided. The wreck was almost a sideswipe, with the car traveling east, the truck west. The accident demolished the car and the truck-tractor, but there was no damage to the trailer.

Mrs. Ward was taken by Bolger ambulance to Cogdell Memorial Hospital, and Miss Willie B. Warren, 22, of Lubbock, was taken to Cogdell by Bell ambulance. Neither was beleived seriously injured. Parrish and George Ward, Mrs. Ward's husband, who was riding in the car, were not injured.

At about 5:15 p.m. yesterday, there was a minor accident at the intersection of U. S. Highway 84 and U. S. Highway 180 in the traffic pattern just east of Snyder. The accident involved a 1951 Ford sedan driven by Dicky Dan Hardee, 20, of Route 1, Hermleigh, and a 1954 Mercury driven by Charles Kenneth Hankins, 19, of Sweetwater.

The cars were both headed toward Snyder on U. S. 84 as they approached the intersection. The Hankins car was not directly involved. Hardee swerved the Ford to miss the other car and struck a sign post. Damage to the car was estimated at $50 to $75.

The two patrolmen investigated a minor accident which had occurred at 2:05 p.m. yesterday on FM 669 in Borden County, the Gail-Big Spring road. The accident happened at the Colorado River bridge in south Borden.

Cars involved were a 1955 Chevrolet sedan driven by Robert Edward Webb, 57, of Midland, and a 1957 Chevrolet coach, driven by James Luther Kelly, 53, of Odessa.

The cars sideswiped at the bridge, and the accident resulted in no injuries. Damage was about $300 to each auto.

Amendment Topic At Realtors' Meet

The proposed state constitutional amendment which would allow Texas to spend tax money on advertisement of the state was discussed last night at the meeting of the Snyder Real Estate Board.

Ervin Luedke of Austin, executive secretary of the Texas Real Estate Board, made a talk in support of the proposed amendment.

The proposal is one of nine which will be voted upon by Texans in the Nov. 4 general election.

In his talk, Luedke said Texas is now doing a poor job of promoting its historical landmarks. Millions of dollars in tourist trade is being lost as a result, he said.

Through the amendment, if passed, Texas could bring more industry and tourist trade to the state, he said. And tourist business, he added, benefits not only motels, cafes, and service stations, but dry goods stores, druggists, and others. A tourist dollar, he said turns over seven times before leaving a community.

As a side not to his talk, Luedke suggested that a more localized effort to promote tourist trade could be carried on by the Real Estate Board, which would secure names of out-of-state tourists staying in motels and have businessmen outside the tourist industry to write them letters, thanking them for stopping in the community.

In other states where tax money has been spent to promote tourist trade and industry, the money has been more than returned to the state coffers in increased gasoline tax and other forms of taxes, Luedke said.

In 1936, when the Texas Centennial was held, the state appropriated $900,000 for promotion, and state highway figures show the state's income from tourist more than doubled during the promotion.

The tourist dollar even benefits farmers and ranchers through increased use of their products, Luedke said.

Presiding at the meeting was Ben Pinnell, president of the board.

Mixon Wins Trip To Plant

Jim Mixon, owner of Mixon Tire & Supply on the north side of the square, has been chosen as one of 10 West Texas RCA television and equipment dealers to win an expense-paid trip to RCA plants in the east.

During the five-day trip, Mixon will fly the first day to Philadelphia, Pa., where he will visit the Lancaster, Pa., RCA tube plant. From there he will go on to New York City, where he will visit the Cherry Hill RCA plant, then visit the Princeton Research Center, and National Broadcasting Co. color television shows.

"The trip is designed especially to better acquaint RCA dealers with new developments in color television," Mixon said.

He has sold several RCA color sets here, and predicts that color television will become more and more popular in the future.

Definite time of the trip has not been set, but it will be sometime next month, Mixon said.

'Grave' Is Found Empty

FORT WORTH (AP)—Tarrant County officers hurried to the dairy farm of W. H. Newton yesterday.

Like Newton had told them, there was a depression in the ground that looked like a grave.

"Just a picture of a grave," said Newton.

While the deputies directed, a county road gang excavated for about five feet before deciding to abandon the search.

"The officers expected another "deep-sixed" hoodlum, they said, and thought the grave of one of Tarrant County's missing gangsters might have been discovered.

The list includes George Kean, who was becoming a big man in local crime before he disappeared last December, and Edward Townley and his wife, Betty Meeksan, last seen here two years ago.

Investigator P. Hurley said "Who dug there, or what for, we have no way of knowing. It definitely had been dug up...The ground was soft there but hard as a rock all around it."

Plastic Suit Aid To Birth

JOHANNESBURG, South Africa (AP) — A plastic decompression suit is being used at Witwatersrand University to speed up labor and minimize the pain of childbirth.

Research workers say reduction of atmospheric pressure lessens pain and benefits the child because of shortened labor and less strain.

The expectant mother operates a valve which activates a pump and reduces the atmospheric pressure on her abdomen.

Scientists explained that the abdomen enlarges under decompression. This enlargement relieves muscular pressure on the spine and abdomen, thus minimizing pain.

The suit, made of chemically treated nylon, is used only during the first stage of childbirth.

Joe Louis' Second Wife Asks Divorce

NEW YORK (AP)—Joe Louis' second wife is suing him for an annulment on the grounds that he didn't want children and failed to provide a home for her.

The former heavyweight boxing champion's lawyer, Ralph Accoo, says Louis will not contest the suit.

His wife, Mrs. Rose Morgan Louis, is a wealthy Harlem beauty shop operator and cosmetics manufacturer. She and Louis were married Christmas Day, 1955. They have been separated since November 1957.

Pair Held In Shooting

DALLAS (AP)—With two members in custody, police sought three others today of a gang which terrorized parts of Dallas in a shooting and robbery spree Monday night.

The gang robbed a waitress, wounded a motorcyclist and shot up the car of a Hungarian refugee.

Officers said there was no apparent motive.

Arrested Tuesday were Ernest Hamilton, 22, and Gerald Jones, 17. Officers said they knew the identity of the youths still at large.

Two teenaged girls who said they were just along for the ride also were arrested.

Arkansas Solons Race With Clock

By ROBERT E. FORD

LITTLE ROCK, Ark. (AP)—The Arkansas Legislature raced the clock today to pass a sheaf of anti-integration bills before the U.S. Supreme Court meets to take up the Little Rock school controversy.

A special House Education Committee last night whipped through and approved 12 measures aimed at blocking forced integration and at crippling the effectiveness of the National Assn. for the Advancement of Colored People in integration lawsuits.

The Supreme Court meets in extraordinary session tomorrow to rule, in effect, on whether the Little Rock school system shall receive a breathing spell of months or perhaps years before it integrates a second time as it did last fall.

It was to block a possible Supreme Court ruling demanding immediate integration that Gov. Orval E. Faubus convened the Legislature yesterday.

The key measure he placed before the lawmakers gives the governor power to shut the doors of any schoolhouse the federal government seeks to integrate by force or court order. A followup bill would permit students thus displaced to carry their state school funds to a school of their choice.

One last-ditch measure provides for [illegible] a school be forced to admit students of another race into the building.

Political observers expect the bills to be passed by the House and Senate today and to be signed by Faubus tomorrow.

Represenatives Gayle Windsor Jr. and J. H. Cottrell Jr. prepared a bill for introduction today permitting school districts to lease their buildings to individuals or groups for operation as private schools, presumably to teach students whose public schools had closed.

A Little Rock NAACP spokesman, Clarence Laws, assailed the anti-integration bills as evidence of an attempt to evade school desegregation forever.

Meanwhile, School Supt. Virgil Blossom refused to enroll three Negroes in white schools. Two sought to enter embatted Central High, and a third sought to enter all-white Hall High.

Continental Plans Schedule Changes

Two flights will be changed on the Continental Air Lines routes through Snyder beginning Sept. 1, according to Jim Babcock, local manager for Continental.

The changes in the schedule will mean generally better connections for long-distance flying, Babcock said.

The new schedule will include flight into New Mexico. The present schedule has no flights going into New Mexico, and generally those going to New Mexico points from here drive to Midland or Lubbock and fly from there.

The schedule changes will also mean changes in Continental's office hours at the airport, Babcock said. Presently the office is open from 5:30 to 7:30 a.m. and 3:30 to 9:30 p.m. Effective Sept. 1, office hours will be 8 a.m. to 1:15 p.m. and 6:30 p.m. to 9:15 p.m., except on Saturdays, when the afternoon hours will be from 5:15 to 8 p.m.

The two changes will mean a westbound flight at 9:24 a.m. which will replace the 7 p.m. westbound, and a 12:48 p.m. eastbound which will replace the one which now leaves at 6:55 a.m.

The other two flights through here will remain the same.

The new 9:24 a.m. westbound will open many connections southbound to Austin and Houston, northbound to Lubbock, Plainview, and Amarillo, and westbound to Carlsbad, El Paso, and West Coast cities. It will go to Big Spring, Midland, Hobbs, Roswell, Albuquerque, and Santa Fe. The flight which it is replacing goes only to Midland.

The new 12:48 p.m. flight will go to Sweetwater, Abilene, Fort Worth, and Dallas. The flight it is replacing goes to Abilene, Breckenridge, Fort Worth, and Dallas. While the old flight originates in Midland, the new one will originate in Albuquerque and go through Roswell, Hobbs, Midland, and Big Spring.

Flight 184 eastbound, which leaves here at 7:31 p.m., will remain the same. It originates at Santa Fe and goes through Albuquerque, Roswell, Hobbs, Midland, and Big Spring. From here it goes to Sweetwater, Abilene, Fort Worth, and Dallas.

Also remaining the same will be Flight 185 westbound, which leaves here at 8:50 p.m. Originating in Dallas, it goes through Fort Worth, Abilene, and Sweetwater. From here it goes through Big Spring and terminates at Midland. This flight comes through here each day except Saturdays. The other flights are daily.

NEW YORK (AP) — The stock market surged close to its 1958 high then backed away from its best gains early this afternoon, trading was active.

Leading issues rose from fractions to about a point. There were scattered losers. In the heeaviest dealings this week, the ticker tape was late at times.

Bell Aircraft repeated Tuesday's role as market leader, boosted by news of its breakthrough in chemical rocket propulsion through use of fluorine. It added more than a point to its jump of 3⅞ Tuesday, then pared its gain.

U.S. Steel hit another record high, pacing steels to a good advance. Drugs showed good gains. Some chemicals, oils, nonferrous metals and rubbers joined in the advance.

The market was testing its previous 1958 high and ran into resistance near that level, brokers said.

U.S. Steel rose about a point. Anaconda, Eastman Kodak and International Nickel were up about a point.

Merck and Schering rose a point or so.

U.S. government bonds were narrowly mixed.

New Charge Is Prepared

AUSTIN (AP) — A new indictment is being prepared against B.R. Sheffield, Brady land promoter whose veterans land scandal conviction was reversed, Dist. Atty. Les Procter said yesterday.

The district attorney said complex legal problems are involved but he would not elaborate. He said he didn't know when the grand jury would be asked to act.

Sheffield was sentenced to 10 years in August, 1956, after being convicted by a Lubbock jury of passing a forged instrument relating to land title. The Court of Civil Appeals later threw out the decision.

Sheffield was a one time business partner of former Land Commissioner Bascom Giles. The South Texas veterans land program transaction in November 1954 that resulted in Sheffield's conviction was the same deal which sent Giles to prison under a six-year term.

About two-thirds of the nation's wage and salary working force were covered by group life insurance protection at the beginning of 1958.

Daisy Drifts Slowly North

MIAMI, Fla. (AP)—Hurricane Daisy, a powerful but sluggish storm, drifted north slowly today, 290 miles east of Daytona Beach, Fla. Highest winds were estimated at 100 m.p.h.

Conditions remained favorable for Daisy, the season's second hurricane, to turn away from the U.S. mainland, but the movement was not definitely established.

The Weather Bureau said in its advisory at 4 a.m. CST, that Daisy was expected to move north at about 9 m.p.h. for the next 12 hours, gradually accelerating its forward speed—then turning toward the northnortheast.

No important increase in intensity was expected during the 12 hours. Weathermen said the area of gale winds was likely to increase slightly.

Gales may approach within 100 miles of the Georgia and Carolina coasts during the next 24 hours, the Weather Bureau said. Swells will cause rough seas near shore.

Blast Rips Gas Plant

BIG LAKE, Tex. (AP)—A gas explosion and fire wrecked the Benedum Natural Gas Co. plant 29 miles northwest of Big Lake in West Texas yesterday.

Damage amounted to thousands of dollars. Fire destroyed the towering wooden structure and left hundreds of pipes charred, twisted and smoking.

Supt. Rex Snell of the plant said no one was injured seriously. He said he had no exact estimate of the damage. The home office of the company is in Tulsa, Okla.

Firemen from Big Lake and Rankin and from the Benedum and nearby Phillips plant fought the blaze all afternon. Snell said the explosion at 2:30 p.m. was caused by a coil blowout. He said the fire was checked by shutting off valves and checking the flow of fuel to the burning pipes.

Within 60 yards of the fire were 39 tanks filled with petroleum products but these did not burn.

Desi Wants Dollar First

LOS ANGELES (AP) — Desi Arnaz discussed income and taxes with the American Bar Assn. yesterday, but he indicated they come in the proper sequence.

"Let me make the dollar first," the television actor-producer said in a panel discussion with three lawyers. "I can't pay taxes before that."

Arnaz was discussing hypothetical cases involving formation, operation and eventual closing out of an independent movie and television production firm. He said the intent of the tax law is unquestionable, but—

"It's the interpretation. The government wants people to make films but sometimes it appears to be collecting taxes before the money is made."

Mme. Chiang Doubts Reds Seeking War

LOS ANGELES (AP) — "The Russians do not want war," says Mme. Chiang Kai-shek.

Newsmen asked her last night about the Chinese Reds' intentions.

"The Communist mind is so devious," said the wife of the Nationalist Chinese leader, "that we can never be sure just what their plans are."

She said renewal of the Red Chinese attacks on Quemoy may only be a probing operation but that the possibility of an all-out invasion cannot be ruled out.

Mme. Chiang, who arrived from New York by plane for an address before the American Bar Assn. convention, said a firm stand by the free world would offset Red gains.

"That was proven in the Berlin airlift and in the Mideast," she said. "The Russians do not want war."

Henry J. Kaiser, who now has a billion dollar industrial empire began his career as a cash boy in a Utica, N. Y., dry goods store. His salary was $1.50 per week. The companies he now controls have $1,524,000,000 in assets.

Texas Turnpike Now Operating In Black

FORT WORTH (AP)—The Dallas - Fort Worth Turnpike, Texas' first and only toll rod, observed its first anniversary today by saying it now is operating in the black.

The operators reported that in the year the $58,500,000 turnpike has been open to traffic about 5,250,000 vehicle trips have been made over it for an average daily total of 14,500 trips.

The turnpike in June recorded its first month in which total revenues exceeded all operating costs. It has been operating in the black since.

July was the best traffic month with a total of 506,833 vehicle trips. Gross revenues for the month totaled $209,664.

The mother said her son is an advanced cancer patient and left Veterans Hopsital Friday on leave. An open gas jet was blamed for the explosion.

Invalid Man Rescued From Fire By Mother

HOUSTON (AP)—Mrs. Catherine Brown, 51, rescued her invalid son today after an explosion and fire wrecked their home.

Mrs. Brown pulled Donald Brown, 31, from his flaming bedroom and beat out the flames on his body with her bare hands. Brown was reported in a critical condition with burns over 80 per cent of his body.

Today the world speaks through more than 110 million telephones.

Green Salad

Ingredients: 1 cup stemmed seedless grapes, 1 cup finely diced celery, 2 cups bite-size pieces torn romaine, 4 oranges, 8 teaspoons olive oil, 2 teaspoons tarragon vinegar, ½ teaspoon sweet prepared mustard, salt, pepper.

Method: Put grapes, celery, and romaine in a salad bowl. Chill, covered, until serving time. Pare oranges so no white membrane remains; cut sections away from dividing membranes; drain sections and at serving time add them to salad mixture. Push salad to one side of bowl and in empty space add oil, vinegar, mustard and a dash of salt and pepper, stir. Toss with salad mixture, adding more oil vinegar or seasonings to taste. Makes 6 servings.

OUR VIEW

Politicking Just Beginning

For all practical purposes, membership in the Texas legislature for the next two years has been determined, and despite the fact that the lawmakers will not assemble until next January, two members of the House of Representatives are waging a warm battle for the post of Speaker.

Like that in the Congress of the United States, the Speaker of the House of Representatives in Texas holds a highly responsible position. He and his counterpart in the State Senate, the Lieutenant Governor, are in possession of powers to maneuver and set the tempo for all legislative activity.

They get in their first licks at the outset of the session when they make committee appointments. Committees are powerful, since the legislature usually is so busy that no member is physically able to keep completely abreast of every measure submitted. The legislators depend upon the appropriate committees to to sift the bills, study them and then make reports, or recommendations.

As the presiding officer, the Speaker of the House, of course must furnish top leadership for the session.

The current battle for this post finds Rep. Waggoner Carr of Lubbock seeking reelection. He is opposed by Rep. Joe Burkett of Kerrville.

At last reports, each aspirant claimed a sufficient number of "pledges" from legislators to insure his election as Speaker. The House has 150 members, which means that 76 votes are required to elect a Speaker.

Once the Speaker is elected, the remainder of the House members will be jockeying for committee appointments. Newcomers will find that their politicking was merely beginning when they battled through the primary elections.

U. S. Must Guess About Red Chinese

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — One of the penalties this country pays for nonrecognition of the Red Chinese —which means we have no representative in China to talk with them—is that we don't know what they're up to. We guess.

And there's been no end of guessing these past few days on why the Chinese Communists on mainland China are blasting away at Chiang Kai-shek's Nationalists on the offshore islands, like Quemoy.

Since one guess looks as good as another, here are two:

1. The Reds may wind up just trying to grab a couple of tiny, insignificant islets to boost their prestige a bit.

2. They may also be doing this to help the Soviets put pressure on the United States to get its troops out of Lebanon.

The Chinese Communists didn't start the fireworks against the offshore islands — Chiang's main force is on Formosa—until after Soviet Premier Khrushchev visited Peiping a few weeks ago.

The United States is now sufficiently concerned about the Red Chinese tactics to put the 7th Fleet on the alert around the Formosa Strait.

So long as American troops remain in Lebanon, there could be an explosion. So long as there is shooting near Formosa, the United States might get mixed up there.

The last thing this country wants is to have to fight in two places at once, and two places as far apart as Lebanon and the Formosa Strait.

So—the Soviets may have felt a rumpus around Quemoy might be added inducement for the United States to get out of Lebanon.

Formosa and the islands of Quemoy and Matsu are heavily defended by Chiang's forces. For the Red Chinese to try to take the islands would be a blood task. It might involve shooting with the United States.

If they tried to take Formosa—since the United States has a treaty with Chiang to come to his assistance—there almost certainly would be war with the United States.

The Chinese Reds would have an easier time snatching a couple of tiny and lightly defended islets held by Chiang off the China coast. It's unlikely the United States would fight for them.

And since this country let the Reds grab the Tachen Islands a little further up the coast a couple of years ago, and without a fight, the Reds may feel they can acquire a little more real estate, the islets, without trouble.

By getting the Tachens for free, Red China's prestige went up a bit among its Asian neighbors. Getting the islets for free now would help in the prestige department too.

And if the Soviet and Chinese Communists could work this double switch on the United States—getting American troops out of Lebanon and acquiring a couple of islets—it would be a pretty good stroke for them.

Bowling Industry Expecting A Boom

NEW YORK (AP) — They're making up the teams in the office or factory bowling leagues today for the fall season. And the industry which serves them thinks the new season will top the last when 20 million Americans spent 250 million dollars on the game.

The recession has hurt the sport only in a few cities. Industry spokesmen say that what customers they may have lost due to unemployment they have more than replaced by new ones—especially the women—and by longer hours of use of their facilities and by a major move to the suburbs.

A report by Business Research Corp. predicts nearly 22 million will bowl during the coming season, compared with 12½ million in 1946.

Counting in what they will pay for fees and equipment and the over-all investment of the nation's bowling center proprietors, B. E. Bensinger, president of Brunswick-Balke-Collender, bowling equipment maker, says he game will reach the billion-dollar mark this season for the first time.

The Women's International Bowling Congress estimates that six million women bowl, many of them in leagues of their own playing in the afternoons.

Also growing are the industrial, fraternal and church leagues. As only one example: 2,260 took part in the Douglas Aircraft Co.'s tournament at Santa Monica, Calif., last spring, competing for $3,600 in prize money put up by the company. The number of participants was double that in the previous year.

While traditionally the season opens with Labor Day, this summer more bowling arenas than usual stayed open. They report business good, thanks to air conditioning, increased playing by families as a group, especially in the suburbs, and to a campaign to get bowlers to think of the game as a year-around sport.

Makers of automatic machines that have replaced the pin boys in many arenas report good backlogs of orders.

Some of the new arenas are plush indeed. In addition to the bowling alleys, which the industry wishes you'd call lanes, they have restaurants, bars and nurseries. One establishment in Buffalo, N.Y. offers a $2 package for women playing in the daytime, which includes baby sitters in a nursery, two hours of bowling with free instruction, and a hot lunch for the mother and children. It also provides free bus service for youth clubs.

Miss Wool Aspirants Appear In Parade

SAN ANGELO (AP)—Thirteen aspirants to the title of Miss Wool will appear publicly today in a downtown parade.

The girls started a round of social activities yesterday with a visit to the R. O. Sheffield Ranch and a dinner with bachelor officers from Big Spring's Webb AFB.

The officers will be the girls' escorts during the Miss Wool Pageant.

World Is In Need Of More Flattery

By HAL BOYLE

NEW YORK (AP) — What this world needs most today is a little more flattery, a revival of the good old art of apple sauce.

A great deal of ridicule has been directed at the "yes man," but he fills a great need in society. We might do well with a few more of them.

Colleges now teach everything from bridge playing to how to cook an omelette. Why don't they have a course on the technique and use of flattery?

There is a saying that "flattery will get you nowhere." That saying is out-of-date and inaccurate. The truth is that the pendulum has swung the other way. If flattery won't get it for you, nothing will.

Flattery is the banana oil that greases the wheels of progress.

It never was more needed than right now. Mankind today is homesick for applause, and crying for a pat on the back.

We live in a century which, for one reason or another, goes in for too much self-hate. Practically everyone is afflicted with a sense of guilt—from panhandler to millionaire—and has a secret feeling he's a bum.

Time was when most people knew their own motives were pure but suspected the motives of others. They liked to think of themselves as being just a bit better than their neighbors—more honest more sincere, more charitable, more moved by tolerance and good will.

No longer. Everybody seems to suspect himself first of all now. He needs no accusers. He not only casts the first stone—he casts it at himself. If he does a good deed, he asks himself cynically just what dark reason is really behind it.

The new psychology has turned us from self-applause to self-criticism. This wouldn't be bad in itself, if we didn't go overboard. But we have gone overboard. We are in danger of going on from self-questioning to self-hate. We are in danger of forgetting we are potential heroes as well as potential villains.

This mass sense of guilt has some odd aspects. The fat man becomes afraid to enjoy a good meal, for fear this shows he may be harboring a secret desire to commit suicide. The wealthy man hesitates to endow a charity, for fear he may really be doing it only to show off.

What we need now is a return to common sense and self-respect—and maybe a few career admirers to tell us we aren't really as bad as we think we are. We've run ourselves down long enough.

Flattery, apple sauce, banana oil—call it what you will—it's what we need. It's far better than tranquilizers.

Everyone at heart today is yearning for someone to clap him on the shoulder and say: "Pal, you're real. The world wouldn't be the same without you."

If you can't get someone else to tell you that, tell it to yourself, over and over. In time you'll come to believe it, and feel better.

Borgnine's Wife Is Granted A Divorce

SANTA MONICA, Calif. (AP)—The eight-year marriage of actor Ernest Borgnine and his wife Rhoda is ended. The divorce, granted Mrs. Borgnine yesterday, will cost Borgnine at least a third of a million dollars in the next 15 years.

She charged cruelty, and the Academy Award winner did not contest her suit. Custody of a daughter, Nany Allison, 6, was awarded to Mrs. Borgnine.

Borgnine agreed to pay $115 monthly child support, give Mrs. Borgnine the $45,000 family home and pay her 12½ per cent of his gross income or a minimum of $2,000 monthly for the next 15 years.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

ACCORDING TO WHAT some of our state sports scribes are saying, the Tigers or any of the other schools in District 3-AAA stand a "chinaman's" chance of preventing Sweetwater from repeating as the district champs this coming season.

Harold Ratliff, AP Sports Editor for the southwest area, said in his schoolboy roundup for last Sunday's papers:

"In Class AAA it looks like Sweetwater and Nederland might again clash for the championship, something Nederland won last fall. Sweetwater appears to have the hardest row to hoe with such powers as Andrews and Breckenridge in the way."

From reading this, we gathered that Ratliff meant Sweetwater shouldn't encounter any difficulty winning its district title.

Time Will Tell

Well, it's quite early to be handing out championships. You never know the actual strength of a team until the season gets underway.

Every team faces problems each year replacing stalwarts of the previous season. Even though a team may have several regulars returning, you still can't diagnose the actual strength of the team until the newcomers have been put "under fire."

If Sweetwater is as tough from tackle-to-tackle as she was last season then the Mustangs will be doubly tough. The Mustangs lost both starting tackles and guards from last year's outfit

The only starting back Sweetwater lost was All-District 3-AAA halfback Glenn Reed.

The Mustangs still have fullback James Parker and as long as he's around, the Ponies will be tough to handle.

'Suicide' Schedule

We feel somewhat better about the Tiger prospects this year than we did at the same stage last year.

From here it looks like the Tigers are going to be much improved over last year's fine team even though this year's edition may not equal the 7-2 record posted by the 1957 squad.

The reason for this, of course, is the rugged schedule facing the Tigers. The non-district slate of the Tigers is as tough as you'd want and then there's the rugged district schedule that will follow.

As is pointed out above, Breckenridge and Andrews are given a good chance of stopping weetwater's march to a second straight trip to the state finals. The Tigers meet both of these powers before district play begins.

Add to these two rugged assignments the three dates with Class 4A outfits, Borger, Big Spring and Midland, and a strong 3A entry, Levelland, and you can see what we mean by the Tigers' "suicide" pre-district schedule.

The Sweetwater Reporter is getting set for a big football season. The newspaper recently hired a full-time sports editor, the first full-timer it has had in several years.

We welcome Galyn Wilkins, the new Sweetwater scribe, into the District 3-AAA clan.

We hope he has plenty to write about except when the Mustangs and Tigers battle it out.

Braves Roll On; Bucs Take Second

Associated Press Sports Writer

Maybe it's time to admit those pesky Pittsburgh Pirates are for real.

With only 4½ weeks left in the National League race, the Pirates are back in second place—fighting for their first finish in the first division in a decade. They haven't finished as high as second since 1944, when they wound up 14½ games behind the St. Louis Cardinals.

They're now eight games behind league-leading Milwaukee, moving up from third by beating the Cardinals 5-3 last night after the Braves had slapped down the Giants again, 7-3, with four home runs.

It was the Braves' eighth in a row over San Francisco. Lew Burdette was the winner.

Robin Roberts, riding a comeback spurt, won his 14th as Philadelphia whipped the Chicago Cubs 10-3. Cincinnati defeated Los Angeles 6-4.

In the American League, Bob Turley, the majors' top winner, bagged his 19th as the New York Yankees defeated Kansas City 6-2. The Chicago White Sox beat Washington 5-2, and Baltimore defeated Cleveland 1-0 in 12 innings.

The Bucs wrapped it up on Frank Thomas' two-run, 34th homer for a 4-1 lead in the third inning. Don Gross (5-5) won it in relief of rookie George Witt. Sad Sam Jones (11-10) was the loser. Gene Green hit his 10th homer, with a man on, for the Cards.

Burdette (15-9), who hasn't lost to the Giants since Sept. 16, 1954, picked up his 100th victory in the majors with a six-hitter while packing away a 9-2 record since the All-Star Game. He lost a 3-0 lead when Willie Kirkland hit his 12th home run in the fifth inning and Willie Mays hit his 23rd with a man on in the sixth. But Eddie Mathews then cracked the first of his two home runs for a 3 edge in the seventh off loser Ruben Gomez (7-11).

Del Crandall hit his 18th homer in the eighth, and Mathews then hit his 27th and Wes Covington smacked his 23rd in the ninth.

The Cubs grabbed three runs in the first, capped by Walt Moryn's 19th homer with one on. But then they were shut out on two hits by Roberts, who finished with a four-hitter for his seventh victory in his last nine decisions. Robin also cracked a three-run triple as the Phils scored six in the fifth. Moe Drabowsky suffered his 11th defeat.

Don Newcombe (4-11) needed relief help in a two-run Dodger eighth, but beat his ex-mates for the first time after the Reds staked him to an early 6-1 lead. Jerry Lynch drove in the first three Red runs, with a two-run homer in the first and a ground out in the second. Sandy Koufax (9-8) lost it.

Jorgensen, Bassey Bout In The Making

HOUSTON (AP) — A title fight in Houston next Novemver between Featherweight Champion Hogan Bassey and Paul Jorgensen of Prt Arthur is the goal of Lou Viscusi.

Viscuis, manager of several fighters in Houston, will go to Boston next week to talk with Bassey's handlers and the International Boxing Club about the proposed bout.

He said he thought he could convince Bassey's handlers that a title fight with Jorgensen would be their best bet "after they get in their overweight matches."

Bassy will meet Willie Pep in Boston Sept. 20 in one of the overweight bouts. "Bassey wants two more overweight matches before a title fight but I think I can show them one will be enough," Viscusi declared.

Blakely Elected Quarterback Prexy

R. L. Blakely last night was elected president of the Snyder Quarterback Club at the club's first fall meeting at the high school cafeteria.

Blakely, a long-time member of the club and an ardent Tiger fan, succeeds F. G. Hoefer at the QB helm. Blakely is employed by Humble Oil.

Other officers elected last night were:

Vice president—Kenneth Snyder.
Secretary—Roy Meador.
Treasurer—Tommy Ivison.
Board of directors—Fred Bullard and Rex Miller.

The club voted last night to hold a watermelon feast for all local schoolboy football players, from junior high school on through high school, at the Towle Park Pavilion Thursday, Sept. 4.

Starting time of the watermelon feast was set for 7:30 p.m.

The club also made plans for the 2nd annual Tiger Review to be held at Tiger Stadium, Friday, Sept. 5.

At the review, all of Snyder's football teams will be suited out in their game uniforms and will be introduced to the fans.

Members attending last night's meeting voted to leave the club dues at $5 per year.

Last night's meeting was concluded by the showing of the 1957 World Series between the Milwaukee Braves and New York Yankees by Blue Lowery.

10 Texans Qualify For National Am

By The Associated Press

Texas will have 10 players in the National Amateur Golf Tournament at San Francisco Sept. 8-13.

That number qualified Tuesday over 36 holes at Dallas and Houston. Hugh Thompson of Wichita Falls and Richard Dickson of Galveston led the way.

Thompson shot a 2-under-par 140 at Brook Holow in Dallas while Dickson had a 4-under-par 140 at Pine Forest Country Club in Houston.

Qualifying from Texas, six at Dallas and four at Houston, were:

Hugh Thompson, Wichita Falls, 66-74—140.
Richard Dickson, Galveston, 69-71—140.
Bobby Nichols, Midland, 70-71—141.
Frank Gurnsey, Houston, 72-72—144.
Frank Wharton, Dallas, 71-73—144.
John Arreaga, San Antonio, 74-70—144.
Dud Wysong, McKinney, 73-72—145.
Jim Hamilton, Houston, 72-73—145.
Jimmy Smith, Amarillo, 69-77—146.
Bud Greenwald, Dallas, 72-74—146.

Two Texas Teams See Action Tonight

WICHITA, Kan. (AP)—A grand slam home run by Jim O'roarke led the Drain, Ore., Black Sox over the San Diego Marines in the biggest upset of the national non-pro baseball tournament.

Drain was leading 6-4 when O'Roarke hit his homer in the seventh last night. Drain won 10-5. San Diego took its first loss in the double elimination tournament.

The Hampton, Va., Royals eliminated Fort Smith, Ark., 5-3. Grand Rapids, Mich., ousted McPherson, Kan., 6-2.

Jasper, Tex., plays San Diego late today in a fourth round game in which the loser is eliminated. Cherokee, Okla., plays Alpine, Tex., tonight in the fourth round.

$8,500 Purse For Dallas Fem Open

DALLAS (AP) — The Dallas Women's Open goes on next week with a purse of $8,500 and with all of the current tour champions in the field.

The proettes will compete in a 72-hole tournament Sept. 5-8 at Glen Lakes Country Club.

The Dallas tournament was first held in 1956 with a $7,500 prize list. The same amount was set aside for the 1957 show. This year the tournament was rained out in April with only one round played. But with the return of the field to finish it up next week $1,000 has been added.

Sun Beats Hermleigh For City Crown, 6-3

Sun Oil wrapped up the City League baseball crown for the second straight year last night with a 6-3 victory over Hermleigh in the season finale.

No playoff for the title was necessary since Sun captured both the first and second half championships.

Last night's victory by Sun broke a two-way tie for the league leadership with Hermleigh.

Hermleigh had pulled even with Sun for the league lead by defeating the Blue Sox, 9-7, last night just prior to the all-important game with Sun.

Sun and Hermleigh entered the final game with identical 6-2 records. The final standings, thus, showed Sun winning with 7-2, followed by Hermleigh at 6-3, the Tigers at 5-4 and the Blue Sox at 0-9.

Don Ballard and Alan Snead collaborated on the mound to pitch Sun to Victory in last night's championship game. Bill Voss went the distance for Hermleigh.

Carl Young and Jimmy Smith furnished the plate power for the Oilers, each with three hits in five trips.

Densil Kight of Hermleigh also collected three hits for Hermleigh.

Both Hermleigh and the Oilers registered 10 hits apiece. Sun never trailed after scoring twice in the first inning.

Hermleigh staved off a late rally by the Blue Sox to win the first game of last night's twinbill.

The Blue Sox erupted for four runs in the seventh but their rally fell two runs shy of catching up.

Grady Gafford went the route for Hermleigh to pick up the win. Gafford aided his own cause with three hits, including a double. First baseman Doug Chitsey also banged out three hits for Hermleigh, one a triple.

George Vandiver led the Blue Sox attack with three hits.

The final standings:

your Kitchen is BIG enough

for a KitchenAid AUTOMATIC DISHWASHER!

Don't let kitchen size cramp that urge for an automatic home dishwasher, for there is a *KitchenAid* that is just right for any kitchen. Seven feature-packed models answer any problem of size, space or installation. The KD-11 is designed for built-in, under-counter installation...in either gravity drain or automatic pump-drain styles. It can be installed right into existing cabinet space. Glistening Stainless Steel or rich, warm Antique Copper fronts are available for the KD-11. The KD-21 is a self contained unit that can be set up anywhere in the kitchen.

The KD-31 is a combination sink and dishwasher model. It can be set in place of your present sink. Either gravity or automatic pump-drain systems eliminate installation problems.

Where portability is desired the KD-26, mounted on smooth rolling casters, provides fast, efficient service.

All seven models incorporate the famous *KitchenAid* features ...easy front opening door...independently sliding racks, Hobart revolving wash action that assures most complete and thorough coverage, and cuts through the toughest dried-on foods...double power rinse...separately powered, circulated hot air drying. Tableware, pots, pans and silver are sparkling clean and dry at the completion of the cycle. SEE IT TODAY!

Where To Put New Star Is Problem

WASHINGTON (AP)—Old Glory will boast another star next year to represent America's newest and biggest state, Alaska.

But where the star will be placed in the national flag has not been officially decided.

Congressional sources say President Eisenhower may announce a study on how best to rearrange the 48 stars that have represented the states. However, presidential press secretary James C. Hagerty said he knows of no plans for such a study.

By law enacted in 1818, another star must be added to the flag next Independence Day—the first July 4 following admission of the new state.

There has been no established procedure for rearranging the flag. In 1912 President William Howard Taft approved the present 48-star design which was recommended by an Army-Navy board after Arizona and New Mexico joined the Union.

During the session of Congress just ended, the House passed a bill by Rep. Emanuel Celler (D-NY) spelling out general procedures for rearrangement of the flag. The measure died in the late rush for adjournment.

The bill would have called on the President to take steps toward effecting any necessary redesign.

Supporters of the legislation said there should be no obstacle to the President proceeding even without congressional authorization.

Incidentally, citizens won't have to throw away their flags after next July 4 if they are not of the new 49-star variety. A presidential order allows flags on hand when a new state is admitted to be used until they become unserviceable.

Hogan, Keating Vie For Seat In Senate

Dist. Atty. Frank S. Hogan, Manhattan Democrat, and Rep. Kenneth B. Keating, Rochester Republican, will battle this fall for Republican Irving M. Ives' New York seat in the U. S. Senate.

New York City Democratic leaders engineered Hogan's nomination at a state convention early today over the determined opposition of Gov. Averell Harriman. Hogan trounced two other candidates easily on the first ballot.

The Democrats acted at Buffalo about eight hours after Republicans at Rochester—with a big assist from the White House—sent a once-reluctant Keating into the Senate campaign. He was nominated unanimously.

A telephone call to Keating from Vice President Nixon helped end Keating's reluctance. The White House said Nixon made the call after discussing the situation with President Eisenhower.

Ives is retiring because of ill health.

Hogan rolled up 773 first-ballot votes after the Democratic convention was stalled five hours while the party leaders sought agreement at a series of conferences in Harriman's hotel suite.

Thomas E. Murray, former atomic energy commissioner, received 304 votes and former Air Force Secretary Thomas K. Finletter, 66.

Then the delegates made it unanimous for Hogan.

The possibility of a three-man Senate race emerged when the Liberal party, New York State's third legally recognized party, nominated Finletter.

An aide to Finletter said he probably would not accept the Liberal nomination. Finletter was not available for comment.

Harriman first backed Finletter, then Murray in efforts to obtain agreement on a candidate acceptable to the Liberals, who produced 264,000 votes when he was elected in 1954—many times his slim 11,000-vote margin of victory.

The conventions had little trouble agreeing on other candidates for other offices.

Both the Democrats and Liberals renamed Harriman for governor, George B. DeLuca for lieutenant governor and Arthur Levitt for state comptroller.

They are opposed by Republicans Nelson A. Rockfeller for governor, Malcolm Wilson for lieutenant governor and James A. Lundy for comptroller.

Republicans renominated Atty. Gen. Louis J. Lefkowitz. He has two opponents, Democrat Peter Crotty and Liberal Richard Lipsitz.

Nixon's Support Of Keating Regarded As Fence-Building

WASHINGTON (AP) — Vice President Nixon apparently has dropped a 1960 presidential anchor to windward in the troubled sea of New York politics.

Nixon's activity in urging Republican Rep. Kenneth B. Keating of Rochester into the race for the Senate was interpreted here as an effort directed in part at keeping the vice president's presidential aspirations afloat in a critical area.

Keating had been reluctant to gamble an almost sure House seat by entering the contest for the post being vacated by GOP Sen. Irving Ives. But he agreed to make the Senate race after Nixon called him and said both Nixon and President Eisenhower thought he would be a fine nominee.

Shortly afterward, Keating was nominated by the Republican state convention meeting in Rochester.

James C. Hagerty, White House press secretary, told reporters Nixon had informed him of receiving a telephone call from Nelson Rockefeller, GOP nominee for New York governor, saying that Rockefeller and others were strongly urging Keating to run for the Senate.

Hagerty said Nixon talked personally to Eisenhower and then relayed to Keating the word that "both the President and himself thought that Mr. Keating would be a fine candidate, and the vice president urged Mr. Keating not to decline the nomination should the opportunity be presented by the Republican State Convention."

This indirectly breached Eisenhower's self-imposed rule against intervening in the choice of party nominees.

But it provided Nixon with a friendly political associate on a ticket headed by a GOP governor candidate who might become Nixon's chief rival for the party's next presidential nomination.

If Rockefeller can defeat Democratic Gov. Averell Harriman in November, the grandson of John D. Rockefeller of dime-giving fame is certain to be acclaimed as a "new face" contender for the 1960 prize.

Sentence Of Negro Youth Is Commuted

AUSTIN (AP)—Norman Kizzee was granted yesterday a commutation of sentence from death to life imprisonment.

Gov. Daniel approved the recommendation made by the Board of Pardons and Paroles. Neither elaborated.

The board's recommendation apparently was the result of a hearing earlier this month. At that time two state officials and other witnesses said Kizzee was a feebleminded Negro teenager who was given the death sentence because of racial prejudice.

Kizzee was sentenced to die Friday for the hammer slaying of Stephen Fulton over a $2 debt. Fulton was killed at his home two miles from Franklin May 18, 1957. At the time Kizzee was 18.

In his confession, Kizzee described how he rode his bicycle to Fulton's home early that morning, once jumping off and hiding in the bushes when a car passed. When he could not get his $2, Kizzee hit Fulton once with a hammer and then three more times after he was unconscious, the confession said.

"Had he been a white boy," State Sen. William Moore of Bryan told the board, "he would not have gotten the chair." State Agriculture Commissioner John White gave similar testimony.

A psychiatrist, Dr. C.A. Dwyer of Houston, said Kizzee was sane but described him as a "medium to upper grade moron."

James Fulton, a son of the victim, said he believed the jury verdict was fair and that Kizzee "should have the punishment given to him."

Deputy Sheriff E.P. Elliott said he had never heard of "a more heinous crime." He told the board "the crime merits the death penalty regardless of whether he was white or black."

One Strike Is Settled

DETROIT (AP)—The auto industry's series of scattered strikes at the start of new 1959 car model production kept about 9,000 men idle today.

One walkout, that of 1,450 men at Chrysler's big Dodge plant and its DeSoto factory, was settled overnight.

The strikes, mostly over company callback policies toward laid off workers, have harassed various auto plants in and out of Michigan since new car production began recently.

Accompanying the strikes have been continued "no progress" reports from the United Auto Workers contract negotiations with Ford, Chrysler and General Motors.

The talks, going on virtually from day to day, are expected to go into an extensive Labor Day weekend recess after tomorrow. Since the Memorial Day weekend there have been no contracts.

Largest of the current strikes, affecting 5,000 men, was that at General Motors' Pontiac plant in Pontiac, Mich.

Reward Of No Value

NEW YORK (AP) — Leopold Goetz, 67-year-old Greenwich Village newsstand employe, won't be able to enjoy the $75 reward he got for returning a woman's lost wallet which contained personal papers but no money.

He's charged with raising the $75 reward check to $175 and cashing it.

Montgomery County Election Inquiry Gathering New Data

CONROE, Tex. (AP) — Dist. Atty. J. W. Simpson Jr. said today he did not know when a court of inquiry would complete its investigation of alleged voting irregularities in Montgomery County.

Simpson said the court was set up to help speed the gathering of evidence for presentation to the which is scheduled to end in two weeks.

He said he and Asst. Atty. Gen. Eugene Fletcher and Davis Grant are receiving new information daily and much of it remains to be checked before witnesses are called.

The 12 members of the grand jury have attended all sessions of the court as spectators.

Dist. Judge Robert Lisles yesterday ordered ballots cast in last Saturday's run - off Democratic Primary impounded. He had impounded ballots in the July 26th primary earlier.

Clarence McGinnise, 21, a Montgomery Negro, testified yesterday he signed a statement saying he for James Price, a dfeated candidate for county commissioner of Precinct 4, but said the statement was not true.

McGinnise testified he and two other Negroes from Montgomery, Pat Washington and James Stewart, were transported to Conroe to vote absentee by Pete Martin, a Montgomery white man. He said Martin did not tell them how to vote and that no pressure was placed upon him.

He said that after he voted Commissioner T. J. Pell took him to the latter's office in the court house and gave him a paper to sign. He said Peel told him the paper was to throw out his vote. The witness said he did not read the paper and that no one told him to raise his hand and be sworn.

The document, entered in the court record, was notarized by Mrs. Eugene Anderson, secretary to County Atty. George Norris of Montgomery County.

Under questioning by Fletcher, McGinnise said the paper he signed had been prepard by Peel and "some other feller over at the court house."

Montgomery County School Supt. Tom Smith testified that between July 26 and Aug. 23, the dates of the two primaries, he was approached by Elmer Weisinger, a member of the Montgomery School Board, and another man about terminating the services of Peel's wife as a health nurse in the county schools.

Smith said he assumed that if he did not dismiss Mrs. Peel that the city of Montgomery would not participate in the county cooperative health program.

Mrs. Anna Weisinger, a notary public in Montgomery, told the court she went to Houston and notarized an application for an absentee ballot by James Stephen, 83. She said this was her first year as a notary public and did not know that her act was illegal.

Return To Earth Spaceman Problem

By ALTON BLAKESLEE
Associated Press Science Writer

AMSTERDAM (AP) — Coming home to earth could hold the greatest danger of blackout and disaster for spacemen, a U.S. Air Force physician reported to the International Astronautical Federation today.

The danger would result from the sudden speedup from the earth's pull of gravity after the weightlessness of outer space.

This change is apparently tougher on the human system than going from the dragging weight of rocket takeoff into weightlessness when a ship is flying in space, said Dr. Haral J. von Beckh of Holloman Air Force Base, at Alamogordo, N.M.

Volunteers were photographed and analyzed as they rode in the rear cockpit of jet fighters. The planes pulled out of dives — simulating the terrible gravity pull of rocket takeoff — then arched in weightless flight, then sped up again.

With heavy gravity pulls, the passengers' faces became distorted as by sudden age. The men became confused. Their chest hurt. They felt faint or blacked out. The pilots were protected by gravity suits.

All volunteers said they felt the gravity effects more keenly after being weightless, Von Beckh reported. Some were experienced jet pilots; some had never flown before.

Defects in circulation, in muscular control, vision, and judgment likely will occur at lower accelerations and probably continue a longer time in space, flight than in normal flight, Von Beckh added.

Blackouts could be fatal, with the uncontrolled space ship turning into a flaming meteor.

Pilot Is Set To Try For New Record

DALLAS (AP) — A flier who plans Monday to start a 'round-the-world flight and a new assault on the light plane distance record was to make a television appearance here today en route to New York.

The former Navy flier, George Williams, 34, was to fly here from Kerrville, Tex., and then head on to St. Paul, Minn.

The native of Knox, Ind., who has been living in Mexico City, is flying the same plane which William Wyatt used in an unsuccessful attempt to fly from Galveston, Tex., to Rome last year.

The Texas-built craft is a four-place, 180-horsepower plane built by Mooney Aircraft Corp. of Kerrville. Williams plans to land at Idlewild Airport, New York, Saturday after stops at Chicago and Washington.

His projected flight out of Idlewild on Monday is expected to take seven or eight days including stops in Newfoundland, Ireland, France, Rome, Aden, Singapore, Tokyo, Mexico City and back to New York.

He hopes to set the distance mark with a non-stop flight from Tokyo to Mexico City, 7,030 miles. The present record was set last month by Marion Boling, an airline pilot who flew from Manila to Pendleton, Ore.

Fire Station Saved

NAMPA, Idaho AP) — Flames destroyed the empty Majestic Theater yesterday, but firemen were successful in keeping the blaze from spreading to an adjacent building — the fire station.

Soviet Sub Seen As Menace To Country

WASHINGTON (AP) — A group of experts warned today that by the early 1960s missile-firing Soviet submarines will be capable of devastating American cities.

"A massive attack with such weapons could level our entire urban society," said the Undersea Warfare Panel. The group was formed to advise the Military subcommittee of the House-Senate Atomic Energy Committee.

In its 16-page report, the panel painted a picture of grave peril ahead for the United States unless this nation's own submarine and antisubmarine programs are pushed with more vigor and on a much larger scale.

"In a future war," the report said, "the ocean could be our enemy as never before."

Therefore, said the panel, it was making these recommendations for meeting the danger:

1. The Navy should proceed with all speed with construction of submarines capable of firing the 1,500-mile Polaris ballistic missile. Present plans call for the first of these submarines to be available in 1960.

2. The Polaris submarine program should be kept separate from the Navy's regular ship budget. Polaris money requests should be determined by the secretary of defense and the National Security Council as part of the nation's over-all strategic deterrent budget.

3. There should be a significant increase in the rate and scale of building attack submarines — the ones that track down enemy subs. The report described as too small a Navy goal of some 75 attack submarines by 1970.

4. The Navy's research and development budget for undersea warfare should be doubled, with substantial increases year by year. There should also be a substantial increase in the Navy's budget for basic research.

5. Greater use should be made of universities, private research centers and industry for grappling with undersea warfare problems.

The report was released by Sen. Henry M. Jackson (D-Wash), chairman of the Military subcommittee. Sections of the report were censored by the Defense Department.

It contained a comment from Secretary of the Navy Thomas S. Gates, who said, "All of us in the Navy are keenly aware of this critical threat we face in the field of undersea warfare."

Gates said considerable progress has been made in the U.S. submarine program, but added that much more must be done.

The panel of experts said it was doubtful the Navy's present undersea warfare program is of big enough scope to provide an effective defense against enemy submarines that might threaten American areas.

Guild Raps Gratis Acting By Soldiers

HOLLYWOOD, Calif. (AP)—The Screen Actors Guild is up in arms over reports that GIs are being used as actors in a commercial television series being shot in Germany.

SAG President Leon Ames wrote Rep. Joe Holt (R-Calif) that "under no circumstances should Army personnel be allowed to perform without remuneration in commercially sponsored filmed TV programs."

Miami Girl's Try At Good Will Backfires

RUSSELLS POINT, Ohio (AP) It wasn't Jeanie Gehm's fault that her good will efforts in behalf of Florida failed. The guy in the audience should have eaten his orange and kept his mouth shut.

Jeanie, 14, of Miami, was a contestant in the Miss Majorette Princess of America contest here. In the finale of her act she tossed out a handful of recently purchased oranges to the audience. On each orange was a piece of tape bearing Jeanie's name and the state she represented.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #30—Number Three on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 30 proposing an amendment to the Constitution of Texas to require that vacancies in the office of County Judge and Justices of the Peace be filled by the Commissioners Court only until the next General Election.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 28 of Article 5 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"Section 28. Vacancies In Offices Of Judges Of Superior Courts To Be Filled By The Governor.

"Vacancies in the office of judges of the Supreme Court, the Court of Criminal Appeals, the Court of Civil Appeals and the District Courts shall be filled by the Governor until the next succeeding General Election; and vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court until the next succeeding General Election."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election."

"AGAINST the Constitutional Amendment providing that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #4—Number Seven on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 4 proposing an Amendment to Section 56 of Article XVI of the Constitution of the State of Texas, providing that the Legislature be authorized to appropriate money and establish the procedure necessary to expend such money for the purpose of developing information about the historical, natural, agricultural, industrial, educational, marketing, recreational and living resources of Texas, and for the purpose of informing persons and corporations of other states through advertising in periodicals having national circulation and the dissemination of factual information about the advantages and economic resources offered by the State of Texas; providing that neither the name nor the picture of any living state official shall ever be used in any of said advertising, and providing that the Legislature may require that any sum of money appropriated hereunder shall be matched by an equal sum paid into the State Treasury from private sources before any of said money may be expended.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 56 of Article XVI of the Constitution of Texas be amended to read as follows:

"Section 56. The Legislature of the State of Texas shall have the power to appropriate money and establish the procedure necessary to expend such money for the purpose of developing information about the historical, natural, agricultural, industrial, educational, marketing, recreational and living resources of Texas, and for the purpose of informing persons and corporations of other states through advertising in periodicals having national circulation, and the dissemination of factual information about the advantages and economic resources offered by the State of Texas; providing, however, that neither the name nor the picture of any living state official shall ever be used in any of said advertising, and providing that the Legislature may require that any sum of money appropriated hereunder shall be matched by an equal sum paid into the State Treasury from private sources before any of said money may be expended."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."

"AGAINST the Amendment to the Constitution authorizing the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #6—Number Two on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of Texas, authorizing each county to provide retirement, disability and death benefits for appointive officers and employees of the county or precinct, or for appointive and elective officers and for employees of the county or precinct; providing for the submission of the proposed amendment to the voters qualified to vote thereon, and providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (b) of Section 62 of Article XVI of the Constitution of Texas be amended so as to read hereafter as follows:

"(b) Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county or precinct, or for the appointive and elective officers and for the employees of the county or precinct, provided same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such Fund shall at least equal the amount paid for the same purpose from the income of each such person and shall not exceed at any time seven and one-half per centum (7½%) of the compensation paid to each such person by the county.

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund; and provided that the recipients of benefits from said Fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the Fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1958, at which election each ballot shall have printed thereon the following words:

"FOR the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"AGAINST the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter may vote on such machine for or against the Constitutional Amendment."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have notice of said proposed amendment and of said election published as required by the Constitution of Texas and laws of this state.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #1—Number One on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 1 proposing an amendment to Section 5 and 24 and authorizing a new Section of Article III of the Constitution of the State of Texas so as to provide for annual Sessions of the Legislature; changing the compensation, per diem and travel expense of the Members of the Legislature; authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 5. The Legislature shall meet every year, under the condition and limitation hereinafter set forth, at such time as may be provided by law, and at other times when convened by the Governor.

"During the First Regular Session of each Legislature, which shall convene in January, 1959, and each succeeding two (2) years thereafter, the first thirty (30) days thereof shall be devoted to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty (30) days of the First Regular Session of the Legislature the various committees of each House shall hold hearings to consider all bills and resolutions and other matters as may be submitted by the Governor; provided further that during the following sixty (60) days the Legislature shall act upon such bills and resolutions as may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business by an affirmative vote of four-fifths (4/5) of its membership.

"During the Second Regular Session of each Legislature, which shall convene in January 1960, and each succeeding two years thereafter, the Legislature shall be authorized to consider and act upon the following only:

"a. Make annual appropriations for the general operation of the State government; which appropriations may be passed by a majority vote of each House.

"b. Consider emergency matters submitted by the Governor; bills embodying such matters shall become law only if the same shall be passed by a two-thirds vote of the Members elected to Each House.

"Whenever the term 'Biennial Session' appears in Article 17 of this Constituion, it shall be construed to mean 'First Regular Session.'

"Any bill considered in the Second Regular Session of the Legislature must be introduced in that session."

Sec. 2. That Section 24 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 24. Members of the Legislature shall receive from the public Treasury a salary of Seven Thousand, Five Hundred Dollars ($7,500) per annum and expenses of office in amount and manner as determined by law. The Legislature shall not provide for any per diem for a greater number than one hundred and twenty (120) days during the First Regular Session, sixty (60) days during the Second Regular Session, and thirty (30) days during any Called Session."

Sec. 3. That Article III of the Constitution of the State of Texas be amended by adding a new section to be known as Section 24a to read as follows:

"Section 24a. In addition to other compensation provided herein, the Lieutenant Governor of the State of Texas and the Speaker of the House of Representatives shall be entitled to temporary residence in the State Capitol during their term of office in such quarters and under such conditions as the Legislature may provide."

Sec. 4. That the foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

"AGAINST the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for Members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

Sec. 5. That the Governor shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #17—Number Six on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 17 proposing an amendment to Article XVI of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 66, to provide that the Legislature shall have authority to provide a system of retirement and disability pensions to certain retiring Texas Rangers and their widows; stating the maximum of such pension; and providing a fund from which such pensions may be paid.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Article XVI of the Constitution of the State of Texas, shall be amended by adding thereto a new Section 66, to read as follows:

"Section 66. The Legislature shall have authority to provide for a system of retirement and disability pensions for retiring Texas Rangers who have not been eligible at any time for membership in the Employees Retirement System of Texas as that retirement system was established by Chapter 352, Acts of the Fiftieth Legislature, Regular Session, 1947, and who have had as much as two (2) years service as a Texas Ranger, and to their widows; providing that no pension shall exceed Eighty Dollars ($80) per month to any such Texas Ranger or his widow, provided that such widow was legally married prior to January 1, 1957, to a Texas Ranger qualifying for such pension.

"These pensions may be paid only from the special fund created by Section 17, Article VII for a payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for widows of such soldiers serving in said armies, navies, organizations or militia."

Sec. 2. The foregoing constitutional amendment shall be submitted to the vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."

"AGAINST the Constitutional Amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 48 proposing an amendment to the Constitution of the State of Texas providing that a home rule city may provide by Charter Provision and a general law city operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, both elective and appointive, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby; providing for an election, a form of ballot and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XI of the Constitution of the State of Texas be amended by adding thereto a new section to be known as Section 11 of Article XI and to read as follows:

"Section 11. A Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby.

"Provided, however, if any of such officers, elective or appointive, shall announce their candidacy, or shall in fact become a candidate, in any general, special or primary election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such office are filled.

"A municipality so providing a term exceeding two (2) years but not exceeding four (4) years for any of its non-civil service officers must elect all of the members of its governing body by majority vote of the qualified voters in such municipality, and any vacancy or vacancies occurring on such governing body shall not be filled by appointment but must be filled by majority vote of the qualified voters at a special election called for such purpose within one hundred and twenty (120) days after such vacancy or vacancies occur."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the General Election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

"AGAINST the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #36—Number Eight on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 36 proposing an amendment to Section 51a of Article III of the Constitution of the State of Texas by adding a new Subsection to be known as 51a-1; giving the Legislature the power to provide, under such limitations and restrictions as may be deemed by the Legislature expedient, for assistance on behalf of persons eligible for Old Age Assistance, Aid to the Blind, and Aid to Dependent Children as provided in Section 51a of Article III and for persons eligible for Aid to the Permanently and Totally Disabled as provided in Article III, Section 51-b of the Constitution of the State of Texas; providing for direct or vendor payments for medical care on behalf of such recipients; providing for the acceptance of financial aid from the Government of the United States for such payments; providing that the payments for such medical care shall be in addition to the direct assistance to such recipients; providing that the amounts paid out of State funds shall never exceed the payments out of Federal funds for such purposes; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended by adding thereto a new Subsection to be known as Subsection 51a-1, which shall read as follows:

"Subsection 51a-1. The Legislature shall have the power to provide by General Laws and to make payment for same, under such limitations and restrictions as may be deemed by the Legislature expedient, for direct or vendor payments for medical care on behalf of needy recipients of Old Age Assistance, Aid to the Blind, or Aid to Dependent Children as provided for in Section 51a of Article III and on behalf of needy recipients of Aid to the Permanently and Totally Disabled as provided for in Section 51-b of Article III of the Constitution of the State of Texas. The payments for such medical care on behalf of such recipients shall be in addition to the direct assistance to such recipients, and shall be in such amounts as provided by the Legislature; provided, however, that the amounts paid out of State funds for such purposes shall never exceed the amounts paid out of Federal funds for such purposes.

"The Legislature shall have the authority to accept from the Federal Government of the United States, such financial aid on behalf of the needy aged, needy blind, needy children, and needy permanently and totally disabled persons as such Government may offer not inconsistent with restrictions herein set forth."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the amendment to the Constitution giving the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance; and providing that the expenditure out of State Funds for such purposes shall never exceed the amounts so expended out of Federal funds"; and

"AGAINST the amendment to the Constitution giving the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance; and providing that the expenditure out of State funds for such purposes shall never exceed the amounts so expended out of Federal funds."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the Laws of the State of Texas.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #31—Number Four on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 31 proposing an Amendment to the Constitution of Texas to provide that all county officials for whom four-year terms of office were authorized in 1954 must resign such office prior to announcing for a different office when more than one (1) year remains unserved of the term for which they were elected, and providing for the filling of such vacancies in the manner now provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 65 of Article 16 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"Section 65. STAGGERING TERMS OF OFFICE.—The following officers elected at the General Election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

"(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts at Law, County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"Notwithstanding other provisions of this Constitution, the following officers elected at the General Election in November, 1954, shall serve only for terms of two (2) years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution.

"In any district, county or precinct where any of the aforementioned offices is of such nature that two (2) or more persons hold such office, with the result that candidates file for 'Place No. 1,' 'Place No. 2,' etc., the officers elected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, and for a term of four (4) years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"Provided, however, if any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unserved more than one (1) year of the term for which he was elected."

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unserved more than one (1) year of the term for which he was elected."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5 (a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars ($100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

"(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars ($100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

"(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars ($100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved at an election by a majority of the resident property taxpaying voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage or said School District, nor shall such bonds be issued or such tax be levied until so approved by such voters.

"The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorised is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpaying voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

"AGAINST the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a county-wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.
