Doors Open Wide For County Fair

It's Fair time again in Mitchell County.

Contestants began bringing in entries at 7:30 a.m. today (Thursday) and doors at the County Ag Barn will close at noon for judging and tagging.

Entries will be accepted until noon today with no entry fee charged. Exhibits must remain in place until 8 a.m. Monday, Lemons stated.

Doors reopen at 6 p.m. and the public is invited to survey the more than 400 entries from across the county.

Winners will be announced Friday noon.

A special children's pet show will be featured at 10 a.m. Saturday in front of the barn.

Festivities will run through Saturday ending each evening at 10 p.m.

Saturday evening about closing time a drawing is to be held by the 4-H and FFA Clubs.

Prize for the drawing will be a .22 rifle. Tickets may be purchased from any of the 4-H or FFA members.

Grandparents will have a special place in this year's show. As an added feature of the Antiques Division, a slot has been allotted for Grandparent's Brag. This is a place for the proud grandparents to display pictures of those precious little ones, Chairman Bobby Lemons noted.

Jest Amusements will provide the carnival and amusements. There will be food booths, cotton candy and all the trimmings available at the fair.

Lemons, Travis Turner and Ronnie Feaster serve as chairmen for the affair.

All products will be judged individually according to merit, with blue, red and white ribbons awarded, Lemons said.

All items to be judged must have been completed in the past 12 months.

Catalogs for the fair are available at the Chamber of Commerce.

Football Contest Begins

Colorado City Merchants' weekly football contest got underway this past week in the Record and will continue through the end of the season.

The contest can be found on Page 8 of this issue of the Record. Cash prizes are being offered for the top three guessers. Those prizes consist of \$15, \$12 and \$9 plus an additional \$10 to anyone who guesses correctly the score of the Colorado City Wolves game each week. If more than one person guesses the correct score, the \$10 will be split among the winners.

In addition, a cash prize of \$50 is being offered to anyone who correctly guesses all the winners of the games in the contest. Guessing the scores is not required.

Winners of last week's contest include Orvel Griffith of 903 Rusk, first place; Casey Merket of Loraine, second place; and Georgia Griffith, 903 Rusk, third place.

THE CHAMBER OF COMMERCE "Geared For Progress" patches have arrived and Chamber Ambassador J.O. Dockrey Jr. (left) shows his patch off with a little help from Ambassador Vicki Weaver.

Chamber Plans A Rattler Round-up

Colorado City Chamber of Commerce board of directors met Monday night for their regular monthly meeting and discussed a wide variety of items including finalizing plans for the annual Mitchell County Fair which begins today. (Details of the fair can be found in a separate story.)

In connection with the Chamber of Commerce, a reception will be held from 1-3 p.m. Sunday at Sweetwater Savings meeting room to honor departing Chamber of Commerce Manager Larry Winders and his wife.

Winders' last day of work is Saturday and he will depart Monday for Sterling, Colo. to be manager of the Chamber of Commerce there. The public is invited to attend the reception which will be hosted by Chamber of Commerce Directors. Mrs. H. Jene (Bobbie) Steakley is in charge of arrangements for the reception.

During Monday's

reception, the possibility of having a rattlesnake round-up right after the first frost, provided it comes before deer season opens. If the first frost comes after deer season, the rattlesnake round-up will be delayed.

Stockholders To Meet On Friday

Congressman Charles Stenholm will be the main speaker at the Sweetwater Production Credit Association's annual Stockholder's Meeting set for Oct. 5 at the Scurry County Coliseum in Snyder.

The meeting will begin with registration at 9:30 a.m. followed by the business session at 10:30 a.m. and then a catered barbeque meal. Stenholm began his first term in Congress on Jan. 1, 1979. He is a

native of Stamford and received his B.S. and M.S. Degrees from Texas Tech University. In Congress he serves on the Agriculture Committee and its subcommittees on cotton, dairy, poultry, grain, oil seed and rice. He also serves on the Post Office and Civil Services' subcommittee on investigation.

Main business item on the meeting is the election of three directors by the stockholders.

Included in the nominees is Harold Hester of Colorado City.

Other business items on the agenda will be the association's financial report by PCA Vice-President Bill Hall, the directors' report by PCA Director J. D. Crawford and the election of nominating committee members conducted by PCA Vice-President Eddie Mitchell.

Entertainment for the meeting will be provided by Reverend Charles Reese with his "picking and singing" program.

Spirits Ride High For Homecoming

The crowning of the queen is one of the highlights of Homecoming Week in which a number of activities are planned.

A pep rally is scheduled for 7 p.m. Thursday at the City National Bank parking lot. Immediately after this rally, there will be a bonfire at the Curt Shaw farm near Buford. The route to the farm is printed in this edition of the Record.

The Annual Homecoming pep rally is set for 9:15 Friday morning at the Colorado High School auditorium. All ex-students are especially invited to this event.

The Homecoming parade is set for downtown Colorado City at 4 p.m. Friday. The route of this parade is given on page 14 of this edition of the Record. Prizes of \$50,

\$35 and \$25 will be given in each of the two categories which are merchants and civic clubs and school organizations and classes.

The entries for the parade are as follows: Sheriff, Fire Department, Color Guard, Mr. Uselton and Mr. Reynolds, three school

Bar-B-Q Feast Friday

Another event scheduled for the homecoming is a barbeque supper sponsored by the Mitchell County 4-H Club.

The event is set for the Civic Center from 4:30 p.m. until 7 p.m. Friday. The cost is \$3 for adults and \$2.50 for children under 12.

Museum Roof Is Repaired

A recent fund raising drive by the Mitchell County Museum Board brought enough to complete extensive repairs to the museum building, D.M. (Jake) Merritt reported.

Total contributions equaled \$7,231.10. Interest earned totaled \$81.17.

Of these donations

\$4,859 was spent on roofing; \$162.55 was spent for ceiling tile; \$263.51 was spent for enclosing ceiling and \$370 was spent for ceiling labor.

This totals \$5,655.06 spent and leaves a balance of \$1,657.21.

"These monies will be spent on additional repairs," Merritt said.

board cars, CHS Band, CHS Wolverines, Homecoming Queen Candidates and Coming Home Queen and FHA - Sr. Chapter.

Other parade entries are: FHA- Hero, FTA, DECA, VICA, Building trades, Girls FCA, Spanish Club, Science Club, Choir, Art II Class and STS Biology.

Other parade entries are: CMS Jamborees, CMS Band, Seniors, Juniors, Sophomores, Freshmen and A. K. McCarley's cotton trailer.

The district opener between the Colorado Wolves and Anson Tigers is set for Wolf Stadium at 7:30 p.m.

Immediately following the game, there will be a dance at Wolf Gym sponsored by the Student Council. The event will run until 1 a.m. and all students and ex-students are invited.

The cost is \$2.50 for singles and \$4 for couples.

Also, immediately following the game will be a class reunion for the Colorado High School graduating class of 1970 at the Civic Center.

All graduates, spouses and or dates of the class are invited to attend as all teachers and sponsors of the class.

The First Baptist Church is holding an after the game fellowship. See GAME Page 14

Fair Pet Show Set For All Children

A special feature of the Mitchell County Fair will be the children's Pet Show.

To be held at 10 a.m. Saturday in front of the County Ag Barn, the show will be divided into several classes, Bobby Lemons, fair chairman noted.

All pets must be on the

grounds by 9:30 a.m. Saturday to be entered. When all entries are made, classes will be posted, Lemons commented.

Judging will begin at 10 a.m. All Mitchell County youth are invited to bring their pet (any type or description) and join the fun, Lemons stated.

Car Stolen

Police Round-up

A sixteen year-old male is in custody in Mitchell County Jail under direct order of County Judge Bill Carter for auto theft.

Detention came as a result of a call received by Colorado City Police Saturday at 8:02 p.m.

Jim Kelley contacted police at that time to report his 1978 Lincoln Continental had been stolen from the Root Memorial Hospital parking lot, according to Sergeant Jimmy Roundtree.

An All Points Bulletin was put out on the radio and Snyder Police Department contacted local authorities stating an automobile driven by a teenager and answering the description had just fled from a service station not paying for the gasoline.

Shortly after that, Roundtree stated, the Texas Highway Patrol in Sweetwater reported they had the suspect in custody.

A direct order to detain the juvenile was obtained from Carter and he was transferred to Mitchell County Jail.

Maximum detention period on a juvenile is 10 days, according to Carter, at which time another hearing is necessary.

A 22 year-old man from Colorado City has been arrested on charges of criminal mischief after an incident which

occurred early Sunday morning.

About 1:29 a.m. Mrs. Lurline Scott contacted city police to report a man slashing tires on her daughter's automobile which was parked in front of her home.

Sergeant Jimmy Roundtree answered the call and the woman stated she had seen the man flee into a nearby residence, he said.

Roundtree inspected the tires and found three of them cut. He also noted traces of what looked like blood, possibly indicating the man had cut himself in the process of slashing the tires.

Approaching the residence where the man had reportedly fled, Roundtree stated he noticed traces of what appeared to be blood on the porch.

Upon further investigation, Roundtree stated the young man was

called to the door and he saw a cut on his knuckle.

The suspect, Jaque Bryant Wadley was arraigned before Justice of the Peace Henry Doss and bond set and posted at \$1,000.

Dixon's Hearing Is Friday

Clarence Dixon will be formally sentenced or appeal his case to a higher court Friday during a hearing to be held before District Judge Weldon Kirk.

Kirk originally heard the case in Mitchell County after a change of venue was granted from Fisher County.

A six man, six woman jury found Dixon guilty of involuntary manslaughter on Sept. 13. The sentence was \$5,000. See DIXON Page 14

Bevy Of Beauties Vie For Top Honor

Kind of like Miss America, one of five girls will be chosen to reign as the 1979 Colorado High School Homecoming Queen at halftime of Friday night's game between the Colorado Wolves and Anson Tigers.

The five queen contestants are Dee Ann Griffith, Mary Holder, Pennie Laws, Terry Muncrief and Holly Neff.

Dee Ann Griffith is the daughter of Mr. and Mrs. Orvel Griffith. She has been a member of the Colorado High School Band for four years and also a member of the Wolverines for four years.

Her other school activities include two years as a member of the

student council, three years as a member of the Science club and Treasurer of the Junior class.

She is a member of the Society of Distinguished American High School Students and also a member of the National Honor Society.

Mary Holder has been a member of the student council for four years of which she was secretary during her Junior year and is now parliamentarian. She has also been a member of the band for four years, was treasurer her Junior year and is now vice-president. She had attended the state solo and ensemble contest for three years. She was secretary of

her Freshman class and was elected class favorite and most cooperative her Sophomore year.

Miss Holder is a member of the National Honor Society, is a three year member of the Distinguished American High School Students and has received the Colorado High School Academic award. She is the daughter of Mr. and Mrs. Kent Holder.

Pennie Laws is a member of the Wolverines and has been a cheerleader for three years. She was also Freshman Class favorite and tennis sweetheart. She is the daughter of Mr. and Mrs. See GIRLS Page 14

OCTOBER 4 1979

Congressional Comment

WASHINGTON, D.C. Congress is currently involved in a debate on the proposed 1980 budget. The very essence of this process is the setting of goals and priorities. We must allocate our scarce resources among an infinite number of competing demands. In recent years we have been unable to face up to our limitations and restraint has not been forthcoming.

The Second Budget Resolution calls for expenditures of \$548.2 billion and revenues of \$519.5 billion making a deficit of \$28.7 billion.

This figure represents a continuation of the trend towards more federal growth Government ex-

pensures have out-paced the growth of the Nation's Gross National Product over the last quarter century. Since 1950 the annual growth in GNP has averaged 7.2 per cent while total federal expenditures have grown at a 9 per cent rate.

The chief reason for this rapid growth rate has been transfer programs and grants-in-aid to state and local governments. Transfer payments only accounted for 15 per cent of the budget in 1955 now they are more than 40 per cent. Almost half of all Americans are dependent on some sort of federal payment. Twenty-five years ago grants-in-aid accounted for 4 per cent of the budget-

now they make up 16 per cent of total expenditures. More and more revenues have been transferred to unproductive segments of the public sector. I.e.s resources are available for private investment and this has limited the level of output and employment.

The budget reflects the majority of Americans' preference for short term benefits instead of long term stability. As transfer payments have increased the investment in America's assets have decreased. In the mid-1950's military expenditures accounted for 56 per cent of total federal outlays today the figure is near 22 per cent. In real terms our defense

Congressman

Charles W. Stenholm

spending has shown no real growth for the past 10 years. Thus our military strength has declined relative to the rapidly growing defense forces of the Soviet Union. The Soviet Union has overcome our once superior advantage in strategic nuclear arms and has achieved superiority in almost every category of conventional military strength. Our Nation has not responded to this threat and thus the world is becoming an increasingly more dangerous place to live. The President has made a commitment to our NATO allies that the 1980 defense budget will increase by 3 per cent in real terms. The proposed budget does not meet that commitment.

I do intend to support a substitute budget that will meet the President's commitment to the NATO and make possible a balanced budget by fiscal 1981.

Our federal spending priorities are becoming more and more myopic in their scope. Large deficits, more spending, and the lack of investment in America's fixed assets have, in a large part, been responsible for our declining position in the world. If we are going to reassert our position in the international arena, then we must reevaluate our shortsighted priorities and start planning for our future.

THE ANNUAL RED CROSS Drive in Mitchell County got under way Wednesday with a massive mailout. Area Representatives Bob Reily (right) and J.C. Britton stuff envelopes to be posted to all Mitchell County residents. Others not pictured but helping in the Drive are: Marie Jackson, Ruth Dozier, Bonnie Burt, Eleanor Cowan, Kenneth Rogers, Milton Bodzin and Pat Kelley.

Smith Is Guest Speaker At Fairview Club

The Fairview Home Extension Club met Thursday in the home of Mrs. Mary Womack. Mrs. Versie McMillan, president, announced the program, "Simple Remedies for the Home" and introduced the speaker, C. Ross Smith, a physical therapist.

Smith demonstrated several types of water treatments using hot and cold contrast baths. A simple poultice was made using powdered charcoal and flaxseed meal which could be used for insect bites, bee or wasp stings, boils or ulcers. A heating compress was explained and applied to a volunteer patient which could be beneficial for a sore throat or laryngitis.

For bruises and sprains, a paper cup of ice was used to massage the area to reduce pain and swelling. A question and answer period followed the demonstrations.

Refreshments of strawberry sherbert and orange pound cake were served to the following members: Mrs. Minnie Strain, Mrs. Bettie Strain, Clara Shoemaker, Mrs. Bonnie Hunter, Mrs. Wilma Womack, Mrs. Muriel Thurman, Mrs. Edna Pace, Mrs. Versie McMillan, Mrs. Billie Smith and the hostess, Mrs. Womack. Guests were Mrs. Witt Hines, Mrs. Charles Kennedy and Mrs. Ed Boding of Colorado City; Mrs. Jim Sorrells and Mrs. Freda Murphy of Lake Thomas; Mrs. Edna Miller of Fluvanna and Mrs. Belle Smith of Glendale, Calif.

Mrs. McMillan conducted a short business meeting and made kitchen work assignments for the Mitchell County Fair.

The next meeting will be on Oct. 11 in the home of Wilma Womack.

School Board Consults With Representatives

The Loraine School Board met Monday night and consulted with representatives from Huckaby and Donham Architects Inc. of Andrews in regard to possible renovation of the Loraine School Buildings.

Members of the school board met with the representatives again Wednesday afternoon to take a tour of the school plant. The Record had gone to press when that meeting took place.

The school Board's next regular meeting will be at 8 p.m. Oct. 9 at the Loraine School.

Texas Public School Week Set For March

Texas Public School week is set for March 4-8. This date is set by the Texas State Board of Education.

The week is also sponsored by the Masonic Lodge and they had made a recommendation to the board that the date be changed to October.

The state board didn't approve this idea, however, and public school week will be in March as it has been in the past.

Q. My brother-in-law just bought some oversized tires for his car. He claims they'll give it better stability and handling. Is this true? — D.S., Port Arthur

A. Not necessarily. Increasing the area of the tire that contacts the road will usually give you better traction on dry roads, but might reduce traction on wet roads. Why? Because making the contact patch larger reduces the weight per square inch on the road and can cause hydroplaning at lower speeds. This happens when water builds up in front of a tire until the tire is actually riding on top of it like a water ski. Unless the tread design allows better water drainage, wider tires may force you to slow to a crawl in wet weather.

Q. I've just moved to Texas. What does the law say about turning headlights on in the evening and having them on after daybreak? — E.W., Garland

A. Texas law says to turn them on no later than half an hour after sunset and turn them off no earlier than half an hour before sunrise. The law also says to turn on your lights any time vehicles or persons are not clearly visible at a distance of 1,000 feet.

Lights not only help you see, they help other drivers see you. Motorcycle riders often ride with their lights on during clear daylight just to improve their visibility to other traffic. You'll see truckers running with their lights on anytime near sunset, particularly if the sun is behind them. If you have trouble seeing other vehicles that are running without lights, your car is probably pretty hard to see, too. When other vehicles are easily visible, with lights on or not, it's probably safe to turn yours off.

B&PW Members Attend District Convention In Sweetwater

Several members of the Colorado City Business and Professional Women's Club attended the District Conference held in Sweetwater Saturday and Sunday.
 The conference was held in the Holiday Inn with some of the local club members on the programs.
 Registration began Friday at noon until 6 p.m. in the lobby.
 Cloyce Holder, district director, presided over the meetings.
 She introduced the guest speaker, B.J. Hendersdorf, for the President's Banquet Saturday evening who is second vice-president of the Texas Federation of B&PW Clubs, Inc. from Fort Worth.

Entertainment was furnished by Rev. Charles Reece, minister of the First Christian Church of Sweetwater.
 Workshops were conducted during the Saturday afternoon session. Attending the Saturday afternoon meeting and banquet were Shirley Delaney, Mildred Free, Judy Winkle, Ida Kirschbaum, Virginia Dearen, Velma Moseley, Faye and Albert Spivey.
 Mrs. Opal Kennan, presided over the Sunday morning breakfast in the Banquet Room. Margaret Oyler from the Colorado City club gave the devotional and memorial.
 Margaret Ann Conaway, president of the local club, conducted

the Foundation Workshop. She presented the foundation of B&PW members, noting that it was established in 1956 as a non profit educational corporation.
 Goals of the Foundation remain the same as were projected in the beginning; to function as a research center and library; to provide educational assistance to women through the use of grants, fellowships or scholarships; to sponsor meetings and conferences for those interested in the role and advancement of women in business and the professions; to provide a tax exempt corporation and to insure for the future the place of B&PW in the forefront of representatives for business and professional women.

She noted that the Foundation is funded by a portion of the annual Federation dues of every member, voluntary contributions and grants from members, clubs and state federations and grants from corporations and other foundations.
 She noted that the foundation needs the active support of each club member if it is to survive and grow.
 During the business session, Mary Ford of the San Angelo Club was elected district director. Mary Cupp of the San Angelo Club was elected

National Fire Prevention Week Set For Week Of October 8-14

National Fire Prevention Week is October 8-14, but this observance shouldn't be necessary. Common sense dictates that fire prevention should be a year-round custom.

Unfortunately, common sense about fire hazards appears none too common, so one week is set aside each year as a reminder.

Fire Prevention Week originated because of a fire that shouldn't have happened. On Oct. 9, 1871, carelessness sparked a fire in a modest midwest home. It didn't seem threatening or uncontrollable, but by the next day, more than 2,100 acres of Chicago were burned, claiming more than 200 lives and direct losses in excess of \$168 million.

On the same day, the worst forest fire in U.S. history broke in Peshtigo, Wis., claiming 1,152 lives and burning more than 1.28 million acres.

As a reminder, Fire Prevention Week is observed annually on the anniversary of the Chicago and Peshtigo tragedies. In 1922, it became a national observance by presidential proclamation. The proclamation stated: "Fires are not deplorable accidents, but the consequences of neglect and carelessness."

Texas have a big stake in the observance of Fire Prevention Week. Last year, volunteer fire departments throughout the state reported to the Texas Forest Service that more than 6,320 fires occurred outside incorporated city boundaries with a total land damage in excess of 265,000 acres. The majority of these rural fires were natural cover or non-structural fires, with debris burning accounting for more than 50 per cent of the fires. More than 30 per cent of all improved structural fires were rural residences.

In the forested area of East Texas, the Texas Forest Service was called on to control more than 3,500 fires that burned 48,794 acres. This was the high-

est occurrence in the past 10 years.

October and November are normally dangerous forest fire months in Texas. If rainfall is below normal, the situation will be critical this year, according to the Texas Forest Service. Even after a rain, forest fires can start easily. The fuel in forests dries

much faster than most people realize, especially on windy days. Most fires can start within a day—and in some cases, within a few hours—after a moderate rain.

If fire prevention is not practiced year long, common sense should dictate that it should be practiced at least during the next few months in Texas.

H.E. Club Members Attend Convention

H.E. Club members from Mitchell County attending the annual TEHA Convention at the Kahler Green Oaks Inn in Fort Worth Sept. 25-27 were Mrs. E.E. Cummings from the Colorado City EH Club, Mrs. Floyd Griffin, Baumann E.H. Club and Mrs. Raymond Wheeler from the North Loraine Club.

Workshops covering "Publicity", "TEHA Chairman", "Citizenship", "4-H", "Family Life" and "Health and Safety" were attended by the delegates. This information will be used in the 1980 programs.

The keynote address entitled "Stress Management for Homemakers" was delivered by Dr. Ysleta L. Kudlaty from Lamar University.

A nutritional talk on bread facts was given by Beverly Barbour, representing American Bakers Association. The Mosiah Shrine Chanters entertained the group on Tuesday evening. This was followed with a magical performance.

Entertainment following the banquet Thursday evening was "History of Women to Century III" by Linn County Homemakers. They presented a style show beginning with Eve in the Garden with her fig leaf garment, continuing through history into our present disco dress.

More than 650 Texas women attended the convention.

Seminar Held At HSU October 13

There is going to be a Big Country Genealogical Seminar at Hardin-Simmons University in Abilene Oct. 13.

Registration fees are \$16 single and \$22 couple. All proceeds will go to supplies and equipment for the genealogical library in Abilene.

The seminar is to help find valuable assets—ancestors. Professional genealogists from Louisiana, New York City, Houston, Abilene, Odesa and Utah will be the speakers.

Lectures will be given on New York Records, U.S. Census, Penn. Research, U.S. Boundaries and Changing Lines, New Jersey Research, Basic, Tennessee I & II, "How the New York Public Library Can Help You," Missouri Research, Migration Patterns, Kentucky Research, North Carolina Research, Texas Research, Louisiana Research, Indian Research and New England Research.

Registration and student packet 'Must' be picked up between 6:45 a.m. and 7:30 a.m. at the Physical Education Complex.

Seminar parking will be found at the Parking Lot on the east side of the HSU campus.

For further information contact Gentree and Associates, 3334 Parkcrest, Abilene, 79605 or phone 915-692-7549.

BILL MACK

Let me tell you about a good ol' boy
 Ever since I began this column, I've had dozens of requests for a "profile" on Conway Twitty. Therefore, I've read up on Conway, attempting to find the usual information such as: How old is he? Is he married? How did he break into show business? Is he secretly in love with another woman?

I've just decided to tell it like it is. I've decided to tell you about the Conway Twitty that I've known for many years; about the genuine person I consider one of my best friends, in and out of show business.
 I feel it's only fair to warn you, however, that if you are the type of reader who wants to find out about the "hidden secrets" or "backstage affairs" when it comes to a super star, this may be one of the most boring bits of print that you'll see.

Now before you rapidly decide to use today's column as a strip of new carpeting for your bird's cage, let me hastily inform you that the real Conway Twitty I have had the pleasure of knowing for over a dozen years is a man you should know about.

I'll answer the primary questions right off the bat.
 (1) How old is he? He's in his early 40s but doesn't show it.
 (2) Is he married? Yes, and happily so.
 (3) How did he break into show business? Through a super amount of genuine talent.
 (4) Is he secretly in love with another woman? No. This reverts back to the second question.

I've had the pleasure of watching and enjoying Conway Twitty on stage many, many times. I've come to the decision that he is one of the most honest people I've ever met in this business. What you see on stage, when it comes to Harold Jenkins (his real name), is what you see off stage—a devoted artist who works at his great gift, and a man who deeply and sincerely appreciates his fans.

Allow me to tell you a few things about this man that make me mighty proud.
 I've never heard Conway put another artist down. There has never been a single time when I've been with him—and, as I said, I've been with him many times during many years—that I've heard him make one derogatory statement pertaining to another human being, in or out of show business. Jealousy or backbiting is just not in his makeup.

I've never seen ol' Conway turn his back on a fan. "Want an autograph? You've got it. Thank you." Those maybe aren't his exact words when one of his followers stops him after (or before) one of his performances, but that's his reaction. It's not difficult to detect his appreciation.

Conway doesn't always pass too many words when exchanging hand shakes or greetings to a fan or, for that matter, a disc jockey or fellow entertainer. The smile and the sincerity in his eyes do the talking for him.

There is an old show business cliché that states: The bigger they are, the better they are. I sincerely believe this old cliché sums up the man. There is no one in this complex and sometimes nerve-shattering business any bigger, and certainly not any better, than Conway.

To say Conway Twitty is without fault would be foolish. However, I have yet to locate one.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

Austin — Hispanic groups and leaders, both in Texas and Mexico, held center stage briefly last week in several arenas, testing clout that is predicted by many to wield more political influence in the coming decade.

A low-key announcement from Mexico's nationally-owned oil industry PEMEX that it may pay for oil damages on Texas beaches was a bright note.

PEMEX's new public relations manager, Reynaldo Zentella, said the company, if pushed, will pay damages resulting from the Ixtoc I oil well blowout in the Bay of Campeche.

Zentella cautioned we'll do our best not to pay when we're not supposed to. They'll have to prove it was oil from Ixtoc I that damaged the beaches.

The company is still trying to cap the blowout, but an attempt to put a giant \$3 million "sombbrero" designed by Brown and Root of Houston over the hole in the gulf floor was disrupted by choppy seas.

Texas Protocol Chief

A native of Floresville was sworn in Thursday as chief of protocol. Abelardo L. Valdez was named to that position and to the title of ambassador by President Jimmy Carter.

Earlier last week Valdez addressed the Federal Bar Association convention at San Antonio and said Texas is a key port of entry for imports from Mexico and the rest of Latin America.

Sixty-four percent of all U.S. trade with Mexico (some \$6 billion) and one-fourth of U.S.-Latin American trade (\$8 billion) passes through Texas, he said.

He also pointed out that 82 percent of U.S. direct foreign investment in the developing world is in Latin America, our third largest trading partner.

Meanwhile, Ruben Bonilla of Corpus Christi, national president of the League of Latin American Citizens, announced a commission has been established to coordinate discussions between the Mexican government and Hispanic groups in the U.S.

Speaking in San Antonio, Bonilla said the commission was suggested by Mexican President Jose Lopez Portillo.

Bonilla said the Mexican government would insist upon tying discussions of U.S. purchases of Mexican petroleum with a discussion of human rights for hispanics and Mexican aliens in the U.S.

Clements Taunted

On the same day Bonilla made his announcements in San Antonio, Mexican-Americans demonstrating in El Paso pushed, taunted and spat upon Gov. Bill Clements as he tried to shake hands with them.

Clements had been attending a reception hosted by LULAC and had pledged a new era in Texas' good-neighbor policy with Mexico. He did not know why the protesters had gathered

outside the reception and had been warned not to try to soothe them.

When the governor plunged into the crowd to shake hands, he was pushed back and taunted with flags and placards.

Justice Raps Clements
Texas Supreme Court Justice Joe Greenhill

took a milder approach, but all the same criticized Clements and the Legislature for "making difficult for judges to do their jobs."

Greenhill told the Judicial Section Conference meeting at Abilene that the judiciary needs to present a unified front in the future to secure higher salaries and funds to ease over-loaded dockets.

He rapped the Governor's Office for failing to supply the funds necessary to ease caseloads in urban areas.

Spier Resigns
Department of Public

Safety Director Col. Wil-son Spier, who resigns at the end of 1979, has recommended his top assistant to fill his shoes.

Spier tapped Lt. Col. Leo Gossett, a 30-year DPS veteran. His replacement will be appointed by the DPS commission sometime in November or December.

Tax Opinion Sought

The governor has asked Attorney General Mark White for a legal opinion on the constitutionality of the assessment method for the state property tax.

The 10-cent tax is dedicated to construction at 17 state colleges but will go out of existence at the end of the year.

In his opinion request Clements suggested the tax is unconstitutional because it is based on property values as assessed by counties.

Other AG Opinions

In a legal opinion issued last week White said a school district may employ relatives of the superintendent in instances where he exercises no control over who is selected and does not himself appoint or hire his relatives.

The request came from Education Commissioner Marlin L. Brockette seeking a clarification of nepotism laws.

White also issued an opinion allowing the Department of Corrections to purchase a site for a new prison solely from the appropriation for prison construction. White said the funds are not burdened with geographic limitations. The request came from Board of Corrections Chairman James M. Windham.

Family Morals Instill Responsibility To Youth

We must remember that crime is a reflection of the level of morality in our society. governments can do very little to curb criminal activity if the laws and institutions are not respected by the citizens. Therefore the major effort towards crime control should be to strengthen our basic American institutions. A recommitment to traditional family values would instill a sense of civic responsibility among our nation's

youth; the reestablishment of discipline in the classroom, supported by parents, would help train students for productive employment and the reinvention of community spirit in jury service and public backing of the law for the common good would foster a sense of cooperation between individuals. A commitment to these goals would do more for crime control than any legislation Congress could ever pass.

Black Services Tuesday

Funeral services for Verna Mary Black, 67, of Hawley were held at 3:30 p.m. Tuesday at the First Baptist Church in Merkel.

Mrs. Black died at 11:20 a.m. Sunday in West Texas Medical Center in Abilene following a lengthy illness.

Born July 31, 1912, in Hector, Ark., she moved to Merkel in the late 1930's. She moved to Hawley in 1974. She was a member of the Hawley Baptist Church. She married Forest Black June 13, 1930, in Oklahoma. He preceded her in death in 1977.

Survivors include two sons, Jimmy and Doyle, both of Houston; six daughters, Doris Dan-Cleve and Joan Kirk, both of Hawley, Lois Dee Jr., Janis Dairymple, Mrs. Tim (Debra) Hamilton and Linda Pugh, all of Abilene; three sisters, two brothers, 19 grandchildren and three great-grandchildren. A daughter preceded her in death.

Mr. and Mrs. Lynn Hamilton of Loraine attended the services.

Grubbs Is Named Chairman

Rep. Walter Grubbs, formerly of Colorado has been named chairman of an interim subcommittee of the House of Representatives.

This committee is responsible for studying the state policies and programs dealing with natural disasters in Texas.

The subcommittee, a part of the State Affairs Committee, will identify the state policies and programs already established in the state to deal with natural disasters.

They will determine if these policies and programs have any influence on the availability of insurance; the quality of available public services and other areas which would be critical during the time of a natural disaster.

Chairman of the State Affairs Committee Rep. Tom Uher of Bay City, in commenting on Grubbs' appointment, said, "Walter is well aware of the problems experienced by people who are victims of natural disasters and will be most adept at carrying out this study."

Ft. Hood To Have Open House For Retirees Oct. 20

Over 19,000 persons across Texas have been invited to the Ft. Hood open house for retirees on Oct. 20.

The event is sponsored to offer military retirees, their widows, survivors and dependents an opportunity to obtain the latest information on benefits, privileges and rights and to keep them abreast of developments in the active Army.

Keynote speaker for the open house will be Maj. Gen. Harvey J. Jablonsky, U.S. Army retired, who was all American at West Point, member of the Football Hall of Fame and spent

11 years active and retired service in Iran.

At 11 a.m., the open house will move to the Ft. Hood Personnel Center, Bldg. 121, where visitors will meet with professionals in the fields of legal assistance, civil service employment, Social Security, retired pay, the Texas Employment Commission and retiree medical and veteran benefits. Also available will be the services of military identification card issuance or renewal. In addition, a Health of Wheels van will offer dietary information, weight checks, taking of blood pressure and screening of immunization records.

Finale of the day's activities will be the Retiree Roundup Dinner, beginning at 6:30 p.m. in the Ft. Hood Mini-Dome. The dinner is sponsored by the Greater Killeen Chamber of Commerce and will include a social hour and buffet dinner.

Reservation for the dinner and the cost of \$4 per person must be received by the GKCC by Oct. 15. Tickets are available on a first-come, first-serve basis. Guests are encouraged to reply early.

Reservation forms for the other open house activities must be returned to Ft. Hood by Oct. 16. Any retiree who has not received an invitation to the

Citizens Submit A Petition To City

The Loraine City Council met in regular session Tuesday evening at 6:30 p.m. in City Hall.

One of the main items of discussion was a Citizens Petition stating that they would like for the Chief of Police of Loraine to move to the city and that the city be served both day and night.

There were no citizens present representing the petition at the meeting Tuesday evening. "The city cannot be served 24 hours a day by one man," commented one council member. "He is the best man Loraine has had in a long time," stated another member.

The council hired the Chief of Police on the

basis that he would move into Loraine after a six month period. "He has been looking for a place to live," commented a council member.

Chief of Police Bobby Sparks has been attending school in Abilene during the day to receive his Police Certification. He graduated Tuesday evening at the top of his class.

At the time he was hired, he agreed that if both parties, himself and the city council, were satisfied, he would move to Loraine.

The council members agreed that Sparks was doing a good job.

The council members were informed of the resolutions approved for the tax appraisal board that being the three-quarters rule and James Clifton as a member of the Tax Appraisal Board. The board approved resolutions.

There was some discussion on renovation of the street in front of the Loraine Nursing Home. The council agreed to pave the street from the Nursing Home west to Cemetery Road which consists of three blocks.

Rev. Fred Witta gave an update report on the grant proposal. He stated that he had contacted Charles Stenholm and that Stenholm was trying to assist Loraine in obtaining a possible HUD Community Block Grant. Witta will continue to work on this project and seek more information.

A 25 cent per meter raise was granted to Sylvester Rose for garbage pickup in the city. There are 364 meters being serviced at this time. Garbage is picked up on Tuesday and Wednesday, the third week of each month.

Get The First One!

Football will get serious here Friday night as our Wolves open district 6-AA action against Anson. It is also Homecoming.

The first three games of the year were exciting with our team showing promise and continual improvement. But those games didn't count toward who goes into the play-offs and we mustn't forget that Colorado City for two years has been district champion.

The Wolves have worked on a lot of problems during the first part of the season and a lot of experience has been gained. Now it's a whole new ball game with everybody starting out even and we believe our team is ready.

Let's all go out to Wolf Stadium Friday night and back our team to a victory. We're with you, bunch.

'What My Life Says' Presented To Baptist

Baptist Women of the First Baptist Church of Loraine met at the church at 2:30 p.m. Monday for a program entitled "What My Life Says."

The meeting opened with singing "I Love Thee." Mrs. Lynne Compton introduced the program which emphasized the truth that Jesus Christ is our Savior. "Can we say that Jesus is Lord of our daily lives?" she asked. Discussing these topics were Mmes. Clifton Henderson, Pauline Smiley, Bernice Hallmark and Harvey Leach.

Questions were asked, "If we could not utter a word, would our lives show that Jesus reigns in all we do?" and "Are we doing what we can to go into all the world to bring the message of salvation to others?" Other questions asked and discussed were "What does your life say?", "Could you change your life?", "Changing your life style" and "Living a responsible Christian life."

Mrs. Henderson closed with prayer.

Mrs. L.E. Crutcher brought the Calendar of Prayer and Mrs. Leach led the prayer for missionaries whose birthdays were on this day.

Mrs. Henderson presided over the business meeting, Mrs. Clara Butler read minutes and Mrs. Charlie Harris gave a report of the treasurer.

For the October mission in action project it was voted to take five

Fire Damages Kidd Storage House And Jeep

The Loraine Fire Department answered a call to the Arlie Kidd home two miles east of Loraine Friday afternoon. Due to the high wind they were unable to save a tool storage house and its contents.

Gusting winds blew burning trash from a barrel causing the fire.

The fireman controlled it from spreading to the house and other buildings.

The tool storage housed an electric welder and other electric and valuable tools. The fire

also burned the wiring and seats of a jeep.

Damage was estimated at over \$2,000 for the jeep alone.

Reunion For Burks

The six children of the late Mr. and Mrs. W.M. Burk enjoyed a reunion and visit in the home of Mr. and Mrs. Tommy Mathis. Those attending were Mr. and Mrs. S.D. Burk, Levelland; Mr. and Mrs. A.B. Cook, Anaheim, Calif.; Mr. and Mrs. Church Stinnett, Knobb Hill, Mo. and Mrs. B.M. Williford, Odessa. The group spent Sunday with another sister, Pauline Burk, in Odessa on Sunday.

On Wednesday they received the word of the death of their uncle, Harvey Carter in Portales, N.M. and the family went to Portales to attend the funeral on Friday.

It was reported the State missions offering amounted to \$581.

Mrs. Porter led in the closing prayer.

Members Present Careerist

Several members of the Loraine Business and Professional Women's Club attended the District Conference in Sweetwater Saturday afternoon.

The members presented a skit on "The Young Careerist Program" during the afternoon workshop session. Cloyce Holder, district director, presided over the session.

Those participating in the skit were Billie Ruth Tartt, Doris Henderson, Dorothy Johnson, Margaret Brame and Louise Taylor.

Quail Limit Scheduled

Texas Parks and Wildlife Commission held a public meeting in Austin Sept. 26 and set a 18 quail per day bag limit in south and west Texas for the upcoming season.

In response to biological surveys which showed unusually high quail populations, the commission set the limits of 18 per day and 48 in possession.

Walker Is Class Hostess

Mrs. Wiley Walker entertained the Willing Workers Class of First United Methodist Church Loraine for their September meeting on Thursday.

Mrs. Walker brought the devotional reading from Romans 12. She spoke on the subject "You can count on me." She closed with the poem "Take Time To Do It" and prayer.

Mrs. Harold Martin presided over the short business session, Mrs. Walker read minutes of the last meeting and Mrs. K.L. Taylor gave the financial report.

During the business, the class discussed purchasing shades for the west windows of the fellowship hall.

Refreshments were served by the hostess to Mmes. Taylor, Frank Crownover, James Bennett, Mable Givens, J.D. Norman and Martin.

Friendship Class Installs Officers

The Friendship Class of the Loraine Baptist Church had a salad supper at the church Monday evening for their monthly meeting.

New officers were installed by Louise Taylor, out-going president. Betty Hackfeld is new president; Christene Britton, vice president; Doris Graham, secretary and Nina Meadows, treasurer.

officer, Ms. Taylor used Biblical illustrations to relate to each officer's duty. She closed with a challenge to the new officers and class members to dedicate and commit themselves to God's service.

Loraine Wins Tough Game

three plays later Merket took the ball over the goal for the TD. A try for two extra points failed and the Bulldogs continued their lead 13-6.

Sands tackled a Bulldog ball carrier in the end zone during the second half but Sands was ruled off sides by the referees and the play was called back.

Taking possession of the ball, Sands made a last minute attempt to score but could not drive the ball those some 40 yards for a TD.

Penalties were called frequently in the ballgame with Loraine getting some 160 yards stepped off and Sands had about 90 yards.

"I thought we performed admirably under the circumstances," Loraine Head Coach Roddy Clack stated Monday as he recalled his squad's narrow 13-6 win over Sands last Saturday.

The circumstances which the Bulldogs had to overcome to win the contest included injuries which had sidelined three of their key players and the referee's penalty flag which floated to the grass 23 times for a total of 160 yards of miscues against Loraine.

Clack stated that he thought that some of the penalties against the Bulldogs were question-

able but most of them were caused by the "Sophomorphish" mistakes of the younger players who had to fill in for the injured.

The coach said that he expected two of the players, offensive tackle and middle linebacker David Finley and offensive tackle John Rangel to be back this week. Jamie Wooddell is still "Ify", however, the coach added that that is a big loss since Wooddell weighs 230 pounds and is the starting center and defensive tackle.

Clack noted that Casey Merket at quarterback had a good game as he picked up 82 yards on the ground. He completed four of 17 passes for 56 yards in the air. Clack noted, however, that it was difficult to pass since most of the time Loraine was facing first down and 20 or 25 yards and Sands knew the pass was coming.

Tony Williams had a good night from his wingback position with 62 yards in seven carries.

On defense, Clack stated that Mark Cornutt at defensive end, David McAdams at middle linebacker and Wayne Rose at defensive halfback all had outstanding performances.

This week's opponent will be Lubbock Christian High School. Clack said that he really didn't know very much about them because he hasn't been able to scout them.

Last year, Lubbock Christian High School defeated Loraine 13-9.

Coach Linda Mathis' eighth grade volleyball girls swept Snyder twice Tuesday night.

The "A" squad took two straight matches by scores of 15-4 and 15-10. Linda Scott and Robyn Turner led the Wolves in the first match with seven and six points respectively. Rita Gutierrez and Jennifer Hill had four points each in the second match.

The "B" squad won

their matches best two out of three, 15-8, 12-15 and 15-11. Ronda Clary had four points in the first match. Delia Rivera had five in the second match and she also had six points in the third match.

The Colorado varsity volleyball squad played well against a tough Kermit squad here Tuesday night but lost in a best two-out-of-three match 8-15, 10-15. Brenda Smith, Karla Herm and Kim Hardegree each had five points in the two contests.

Game Rated Even

Colorado City's Wolves and Anson's Tigers are rated as even going into their Friday night clash with each other, according to the Harris Rating System.

Abilene Wylie is a 13 point pick to win over Ballinger; Coahoma is a 21 point favorite over Merkel and Stamford is a 34 point pick to win over Winters.

Loraine Bulldogs Ease By Sands Mustangs 13-6

It was a long night for the Loraine Bulldogs and the Sands Mustangs Saturday night but the Bulldogs came out on top winning 13-6. Early in the first quarter, Junior Martinez took the ball on a punt return some 60 yards for the first touchdown of the evening. Casey Market

kicked the extra point and the Bulldogs led 7-0. Sands got on the scoreboard in the second quarter when they blocked a Bulldog punt and took possession of the ball deep in Bulldog territory. On Sands first play they crossed over the goal for six points. The try for two points

failed and the Bulldogs still led 7-6. The halftime score was 7-6 and many yards had already been marked off in penalties for both teams. It was early in the fourth quarter when the Bulldogs scored again. The Bulldogs intercepted a Sands pass and See WIN Page 12

Youngsters Win PP&K Honors

Wolf Stadium was the scene of the Annual Punt, Pass and Kick contest Saturday and 72 youngsters, 70 boys and two girls, showed up to participate. The competition was divided into six divisions, one for each age, 8-13. Trophies were awarded to the first, second and third place winners in each age group. The first place winners will compete for the zone title in Lamesa on Oct. 6. The winners for each age are in the order of their finish: Eight-year-olds: Beau

Rees, Chris Perkin and Mark Molina. Nine-year-olds: Reese Moore, Bryan Hamrick, and Joel Mikow. 10-year-olds: Reggie Gardner, Tracy Woodson and Blaine Lemons. 11-year-olds: Ronnie Lowrance, Sammy Rivera and Phillip Sanders. 12-year-olds: Doug Chitsey, Milton Brown and Tim Nowell. 13-year-olds: Fred Dakan, Ralph Rodriguez and Kevin Norman. The event was sponsored by Hutchins Ford Sales and by the Colorado City Jaycees.

Wolves To Chew On Anson Tigers

Colorado City's Wolves defending District 6-AA champion, will take the field to defend their crown here Friday night as they host the Anson Tigers.

The Wolves have lost only one district game in three years and were not scored upon in district competition in the six games last season.

Kick-off is set for 7:30 p.m. for Wolf Stadium with a large crowd to be on hand for homecoming.

The Wolves will be facing a much improved Anson team as compared to last year, Wolves Head Coach Tom Ramsey told the Record.

They have pretty good size, some speed and a good quarterback who can throw the ball. The Tigers have won one game and lost two, win-

ning over Cisco and losing to powerhouses Haskell and Hamlin.

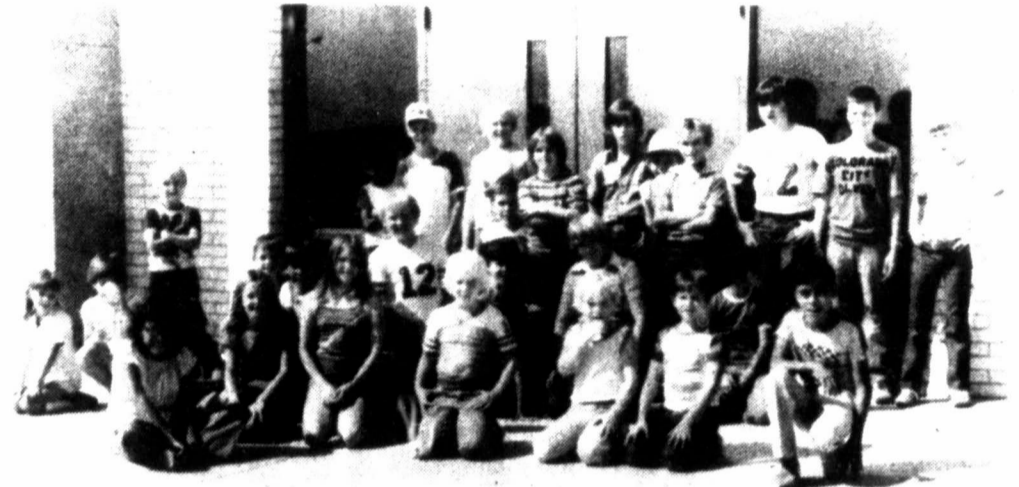

The Tigers also have two big men, Robbins, No. 77 at 220 pounds and Gee, No. 44, at 210 pounds.

The two teams will be pretty evenly matched up as both have similar talent, Ramsey pointed out.

This game could boil down to the one crucial mistake deciding the winner, he added.

The Wolves have had a good attitude, Ramsey noted. However, the team did not have a good workout Monday, possibly due to the heat, and the Wolves have not had the intensity they need in workouts, the head coach related.

The only injury going into the first district clash of the year is a sprained ankle for Johnny Lowrance.

THE COLORADO CITY OPTIMIST CLUB bike rodeo and inspection drew some 35 youngsters to the Colorado High School parking lot Saturday. Shown above is the crowd of youngsters who participated.

Colorado City Optimists Hold Bike Inspection

The Colorado City Optimist Club held their first bike inspection and rodeo at the Colorado High School parking lot Saturday morning and about 40 youngsters participated.

Optimist Club members made minor adjustments to the bicy-

cles and passed out reflectors.

Officers of the Colorado City Police Department engraved identification numbers on the vehicles.

As the highlight of the event, Department of Public Safety officials from Sweetwater conducted the rodeo and judged the youngsters ability to handle a bicycle. The participants were placed into one of three age divisions, Kelley school age young-

sters, Hutchinson School age youngsters and Middle School age youngsters.

Prizes of gift certificates from Stereo Corral were given to the winners in each group and they are as follows in the order of their finish: Kelley; Karen Tammen, Justin Zamarripa, Rachael Grayson and Banks Davis. Hutchinson; Mark Hill, Randy Wilburn, Blake Morrow and Donnie Hearn. Middle School; Stacy Grimes, Heath Blasingame, Lonnie Walraven and Doug Harkins.

Volleyball Meet Set For Saturday

The first annual Lone Wolf Volleyball Tournament is set for this Saturday.

The tournament will be made up of two divisions; varsity and junior varsity. The varsity contests will be played at Wolf Gym at the Colorado Middle School and the junior varsity games will be at the gym at Colorado High School.

The varsity teams in the meet in addition to Colorado are Water Valley, Jim Ned, Bronte,

Sweetwater, Novice and Abilene Christian High School.

The junior varsity division is made up of Water Valley, Jim Ned, Bronte, Sweetwater, Novice, the Colorado junior varsity team and the Colorado ninth grade "A" and "B" teams.

Brackets for the tournament are given in this issue of the Record.

The trophies for the event are being donated by the Colorado City Optimist Club.

THE COLORADO CITY-POST CONTEST was a thriller and the above photos capture some of the excitement and suspense. The top photo shows the large crowd. The middle photo shows Assistant Coach David Clapp having a serious discussion with Mark Piland as Head Coach Tom Ramsey appears to have things on his mind. The bottom photo shows the play that could have been and will never be. Doug Johnson is heading for the Post goalline and an apparent winning touchdown in the final minute of play, however, the unidentified Wolves player on the ground in the center of the photo is about to be called for a clip and so much for the touchdown.

Coaches Corner

By TOM RAMSEY

The district cranks up this week and by Saturday morning, three teams will be in first place and three teams will be in last place. We are trying to become one of those first place teams.

Anson comes to town with a much improved ball club and displays some speed that we must contain this week.

The Tigers use a multiple set offense (8 sets) of T and I formations and throw the football. Defensively, Anson uses a 4-3 type front with stunts and has some big people playing defensive tackles and middle linebackers.

Our philosophy this week is "this one is for real." It would have been nice to have won our other games, but from here on is what counts.

It's like getting a second chance and what we do with it is up to us. If we want it enough, we can win it.

The teams are evenly matched and as usual one break or mistake could mean the difference.

Volleyballers Win Tourney

Coach George Martin's Colorado varsity volleyball squad took their first tournament of the year this past weekend as they breezed past three opponents.

The second round match pitted the girls against Grady and it was a rerun of the first round as Colorado came out on top 15-7, 15-2.

Colorado's first round match was against Merzon and the Wolves won in straight sets 15-2, 15-7.

The championship match saw Colorado take on Ballinger and again win in straight sets 15-2, 15-11.

SCS Director To Be Elected

The Mitchell Soil and Water Conservation District will hold an election to pick a director for Zone I.

Term of office for the position is five years.

Co-Op Offers Course

An energy conservation and solar energy shortcourse being offered by the Lone Wolf Electric Co-op is set to begin on Oct. 16.

The course, which is free to the public, will continue on Oct. 16, 18, 23, 25, 30 and Nov. 1.

It will last from 7 p.m.-9:30 p.m. at the Lone Wolf Medallion Room and will conclude with a trip to the solar heating set-up at the Texas State Technical Institute in Sweetwater on Nov. 3.

The course will be taught by Ronnie Freeman of TSTI.

Persons interested in registering for the course may go by the Lone Wolf Electric Co-op Building on the Robert Lee Highway or call 728-5232.

Currently, D. M. Smith holds the office.

The election will be held October 11 at 9 a.m. in the Soil Conservation Service Office located in the G-Kell Building.

Zone I comprises that part of Mitchell County which lies north of Morgan Creek to the Mitchell-Howard County line and north to the Scurry County line. The east boundary comprises all of the land west of the Colorado River from the Mitchell-Scurry County line to where the Colorado River intersects State Highway 163 and south along Highway 163 to where it intersects Morgan Creek.

To be eligible to vote or serve as a director, a person must own agricultural land within Zone I and live in Mitchell County. The voter must be 21 years of age. Under community property laws of Texas, the wife of a landowner also owns land and is entitled to vote.

Soil and Water Conservation District directors serve for a term of five years.

The purpose of the Mitchell SWCD is to promote soil and water conservation on land in the district and to make technical assistance available for carrying out this objective. The district serves as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

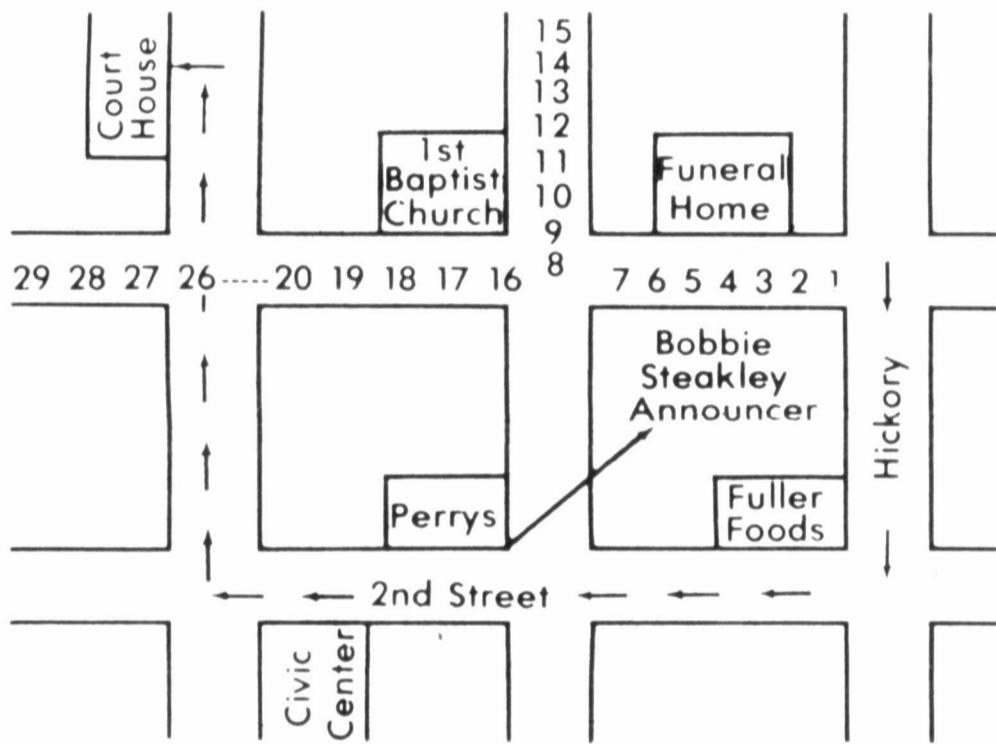

Current directors of the board are Jimmy Harrison, D.M. Smith, Travis Turner, Warren Anderson and George Martin.

Beavers' House Is Damaged

The Jack Beavers' home at 804 E. 7th Street was heavily damaged by fire last Thursday.

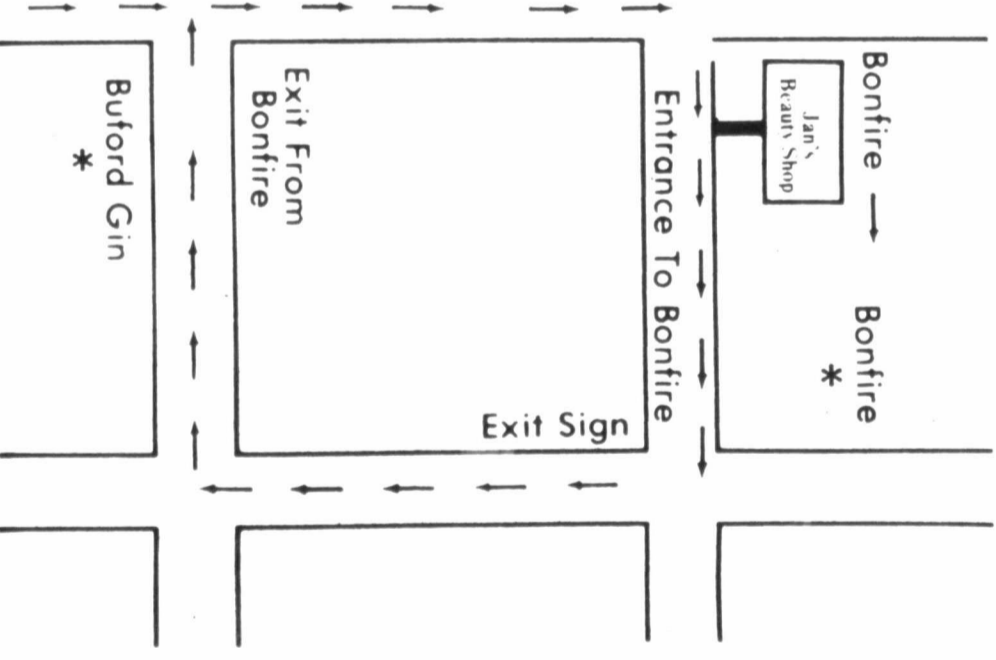

The Colorado City Fire Department answered the call at about 5:15 p.m. that evening. Volunteer Fire Chief Dwain McGuire stated that it appeared the fire began at an electrical outlet in the house and then went straight up the wall.

The most heavily damaged rooms in the house were the living-room and the kitchen which sustained heavy fire damage. The rest of the house also sustained smoke and water damage.

HOME COMING MAP pictured above indicates the route the parade will take Friday at 4 p.m. The map below gives directions to and from the bonfire to be held about 8 p.m. Thursday immediately followed the pep rally held at the City National Bank parking lot.

Root Memorial Hospital Board Votes To Take Claims Made Insurance Coverage

Mitchell County Hospital District Board met Sept. 25 and voted to change the insurance coverage from the occurrence program to claims made.

St. Paul Insurance Company was awarded the bid.

Other items on the agenda included several reports from Hospital Administrator Charles Root.

The Sun Oil Building, donated to the hospital district, has been leased to Dale Mathis under a three year contract. The contract stipulates

Mathis is leasing half of the building and is responsible for utilities and maintenance, according to Root.

Bobby Lemons and Bob Rely, board members appointed to a committee to investigate the possibilities of hiring a respiratory therapy service, reported they had decided it was a good idea and had authorized a contract with a company named Inhalation Therapy Services.

Root mentioned to the board that the hospital telephone had been out of order from about 9 a.m. to noon Saturday.

He indicated there had been numerous calls about the break in service but the system has been repaired by the phone company and is in operation.

Ray Dillard, new assistant administrator, attended the meeting and Root noted Dillard was currently taking a correspondence course offered as post graduate work in Hospital Administration.

Blassingame gave a report on the tax meeting he attended with other Mitchell County taxing entities last week.

"We are to pay 12.11 per cent of the cost of forming the new district, about \$18,000 and have no voting power," he said.

According to the rules under which the hospital district was established the maximum amount the district is required to pay for assessment or collection is one per cent of the amount the assessor collects or \$5,000, Blassingame pointed out to the board.

By consensus of the board, an attorney will be contacted to try to obtain a ruling from state officials in regard to the matter.

Texas Electric TIPS help keep home electric bills down.

Saving energy—and energy dollars—in your home can be as simple as using energy wisely.

For example, make sure filters are kept clean in your furnace, air conditioner and clothes dryer. This ensures units are operating efficiently. And using less energy.

For additional savings on heating and cooling, keep drapes closed for extra insulation on overcast winter days and hot summer days. But on sunny winter days, open them to let the warm sunshine in.

And, turn off ALL appliances when you're not using them. When you stop and think of the many ways you use electricity, you'll see what an energy saver this can be!

For more information—and a lot more tips—get the TIPS booklet from Texas Electric. Just call Texas Electric or ask for the booklet on the comments section of your next electric bill.

At Texas Electric, we're trying to help you keep your electric bill down.
